

The Sudan News

VOLUME VIII

SUDAN, LAMB COUNTY, TEXAS THURSDAY, MAR. 30, 1933

NO. 38

DON'T INTERFERE WITH ROOSEVELT

A powerful metropolitan news paper in Missouri and numerous individuals have set up a howl about Roosevelt "going too far" with his "big stick" power in forcing his program through Congress.

It is unfortunate that every institution and individual cannot give every available bit of support behind Roosevelt's program designed to bring this country out of the depths of depression. We are proud of the things Roosevelt has already accomplished at the head of our government. It took the "big stick" to do it. Roosevelt had to club Congress into submission. If that was necessary to put over his emergency measures—then every citizen and every institution in the United States should support our great leader to the end.

It gives us quite a thrill to watch Roosevelt perform. He acts like a real leader—one who is not afraid to defy Wall Street and the "big money" interests. He adjusted the banking situation with a gold embargo and a bank holiday; he cut government costs by pushing through a drastic economy measure; he selected a cabinet and told each member to "go to work"; now he has a farm relief bill before Congress. It may or may not be the solution to farm problems. But President Roosevelt is confident it will help. If it does not then he is willing to try some other plan later. The point is—he is anxious to DO something. Let's not stand in his way.

HOPE BECKONS THE NATION

A veteran English newspaper writer, touring in the United States, remarked the other day that it seems to him "a remarkable and wonderful thing" that the temper of the American people has been so cheerful and hopeful during the past few weeks.

"It is something," he said, "that ought to give you confidence and be a cause for gratitude."

This cheerfulness and this hope have indeed been amazing in the depth and firmness of their expression. They come at the sharpest moment of climax of a long and cruel depression—at the very moment when people might be expected to be anything but cheerful and hopeful—and they have been manifested in a solid, unmistakable way. Back of them there is something more than the mere fact of a change in administrations at Washington; something more than a simple feeling that we have in power a government that will act. It is almost as if the American nation felt that a dramatic appeal was being made to something deep, daring and idealistic in its soul—being made not only by the government but by the voice of history itself.

It has been our nature to dream dreams and to listen to far-off voices. From the very first we have been persuaded that our destiny was not like that of other lands. Hope has always beckoned to the horizon. We have never been so splendid at those moments of crisis when we have to fight and endure to keep our dreams in sight.

There is abroad in the land today a feeling that such a moment is upon us once more. The depression has shown us, at last, the worst that it can do; and thus it has challenged us to show the best that there is in us. The challenge itself has lifted us up.

For we feel, now, that we can begin to go forward once more. We can make experiments. We can be bold, we can sound our trumpets gladly in this final dark hour before the dawn of a new day.

H. G. Ramby and Elwin attended the Druggist Convention at Amarillo two days of last week.

DEMOCRATIC NATIONAL COMMITTEE

A dime a Democrat is the quota assessed Texans by the Democratic National Committee. The Texas National Democratic organization of which Roy Miller Director, Senator Margie E. Neal, co-director, and Frank Scofield, finance director, has assumed the task of raising \$75,000, which is 10 per cent of the \$750,000 deficit of the Democratic National Committee.

This rather formidable sum is proportionate to what Texas has received and expects at the hands of the Democratic party, it was said in a statement released by National Democratic headquarters at Austin.

Postmaster General James A. Farley, who is chairman of the Democratic National Committee, in requesting so large a sum of of the Texas organization is actuated by the extraordinary record of this state in the campaign last fall. Texas, it will be recalled, furnished the largest Democratic majority for Roosevelt and Garner, and contributed the second largest sum of money, being exceeded only by Roosevelt's own state of New York.

The amount requested from Texas was approximately one-tenth of the number of Democratic votes cast in Texas last November. In determining the quota for each county the Texas organization decided to allot the quota in proportion to the votes cast. Ten cents for each Democratic vote approximates very closely the sum expected from Texas.

There were 2,978 votes cast in Lamb County. The quota, therefore, is \$297.80.

Every Democrat in Lamb County ought to feel that the New Deal is worth at least a dime to him," Frank Scofield said. "We are now advising county chairman of the sums expected of them and anticipate no difficulty in raising Texas' part of the party's debt."

NOTICE! TAXPAYERS' LEAGUE

The School Trustee election will be held next Saturday. It behooves every member of the Tax-payers' League to come out and vote for the league candidates—T. Fife and Wm. H. Walker. We need all the representatives on the board we can get if we are to accomplish our aim the coming school year. Get out and vote.

League Committee.

SUDAN SCHOOL RECEIVES \$2,915 STATE AID

The Sudan school has been granted \$2,915 state aid in operating busses in the school year 1932-33 according to E. H. Patton of the State Department of Education, who has been in the county the past week.

Mr. Patton, accompanied by County Superintendent, L. D. Rochelle, visited all schools in the county.

Other schools will receive the following amount: Olton, 4,001; Harts Camp, \$425; Spade, 1,980; Amherst, \$2,145; Springlake \$2,195; Littlefield, \$4,526.

HART CAMP 4-H CLUB

The Hart Camp 4-H club girls met March 22, at one o'clock, with twenty-one members present.

Miss Mashburn did not meet with us because of other business. The sponsor met with us and the darns and doll dresses were discussed.

Adell Neimast and DeOla Reynolds team demonstrators in meat canning won second place at the meat show at Amherst the 21st and were awarded \$1.50.—Reporter.

BIRTHDAY DINNER

On Sunday, March 25 Mrs. E. E. Ivey entertained with a birthday dinner in honor of Anna Ruth and Orville Doyle Moore, who were 10 years and one year respectively.

A number of friends were present. The day was spent in playing various games. Everyone reported an enjoyable time and a delightful dinner.

NOTICE

City Ordinance prohibits chickens from running at large and the keeping of hogs within the city limits, from the first day April to the first day of November. We hope that the citizens will cooperate with us in enforcing the ordinance and make conditions more pleasant and sanitary for all.—H. G. Ramby, Mayor.

Mrs. H. B. Teal and two children, accompanied Mrs. Barney Wilson of Littlefield, to Wichita Falls the first of the week and will visit with her brother while Mrs. Wilson visits with relatives.

WANTED TO TRADE for good sheep to 7 years old, wt. 1200 or better. At this office.

PROCLAMATION

In accordance with the re-

quest of the State Fire Marshal, I, acting under the authority of my official position, hereby designate the week beginning on Monday the tenth day of April, 1933, as clean-up week for the town of Sudan, and I earnestly solicit the co-operation and assistance of all citizens of the town towards utilizing the above-named week towards making this a cleaner and healthier town in which to live. Those residing within the city are requested to have all of their empty tin cans and their garbage in sacks or in other containers and same deposited in the alleys during the week designated and wagons will be supplied by the City for the purpose of removing same.—H. G. Ramby, Mayor.

Attest:

John A. Dryden, City Secretary.

TRADES-SALES DAY

NEXT MONDAY

Monday, April 3rd, is monthly Trades-Sales Day, in Sudan. More prizes, entertainment and a better program is being arranged for the afternoon. Several dollars in cash and some prizes of merchandise will be given. Friendship String Band will furnish music, and this is one feature of the program, that it will pay you to attend, if for no other reason.

The merchants invite you to visit their stores, whether you wish to buy or not, and you will find a cordial welcome at each business house in Sudan. Bring in your trades or sales and get matched on Monday, April 3rd.

"Old Fashion Mother" will be presented at the Friendship church Friday night. Admission 5 and 10 cents. Proceeds to go for the benefit of the Singing Class of the Church.

Will Swap 1000 chick brooder coie oil burner in good condition, for corn or thrashed grain. Sudan Mill. 361tc

C. A. DANIEL, COMMISSIONER

Dear Sir:

Your story of the "Local Doctor" in the Sudan News of last week was not only a fable but fabulous, as it did not contain all the facts, in the case. You should have told the complete story. Fortunately, for the "Local Doctor" the taxpayers know more than you think about the deal. I cannot understand why you did not call in one or more of the Sudan Doctors—Foote or Gibbs; they are taxpayers of this county. You might have called one or both of the County Health Doctors; at least, why did you not try to keep the tax money at home?

I, ME, the "Local Doctor" so ruggedly exposed, Yam humiliated, as you accuse me of trying to get to the "Road Fund", which you so diligently guard for the taxpayers; refusing to spend one shilling for bread for the widows and orphans, or a penny for sick babies. However, you spent \$13.00 of the taxpayers' money of Lamb County. WHERE? To expose me, I must admit you made a good deal; you cannot beat that price in Earth or Muleshoe. Is the job guaranteed?

I would be glad to have you answer a few questions for us Lamb County Physicians, Women and taxpayers, (before answering) I suggest that you read the Ten Commandments, also, the Parable of the Sower.

By what authority or right do you transfer Charity patients from Lamb County?

Where does the Reserve Fund that you say is exhausted, come from?

How much cash paid to Doctors in Lamb County?

How much cash paid for Charity to Doctors and Hospitals in other counties from the taxpayers' money for January, February and March, 1933?

Or, if more convenient, have printed in some Lamb County newspaper, with general circulation, the preceding, or minutes of your Court for the above three months, (January, February and March.) We taxpayers would appreciate this very much.

Now if the Reserve Fund is exhausted, and you will grant US, (the citizens), this favor, you may send the BILL for publication of the above Minutes complete to the "Local Doctor" Sudan, Texas and same will be paid promptly.

Yours Truly,
"Local Doctor"

NOTATIONS AND LECTURE ON ANATOMICAL HISTORY:

(O—A)

First OS means bone, second ASS means a quadruped with long ears and a caudal extremity, his rear pedal extremities are dangerous but his braying (a noise made through mouth and nose) is harmless but may be misleading. Yea! Will sometimes bite the hand that feeds him.

Some bipeds do not know an OS from an ASS—unless the OS is broken (fractured) or he, she, or it, reads in the Bible (no criticism), where Daniel slew all those Phylistians with the OS of an ASS, possibly because he, (Daniel) could not persuade them to see his way or support him politically and he (Daniel) was afraid they would ask or request of him the tithes of the poor for which he was holder or keeper for labor (possibly), trail service as the travel in those days was by camels, as well as ASS-ES, in those days we did not have cars, that was before we had FORD'S model T's

This is applicable to the POLITICAL fall of SODEM and GOMORO.

Yours for better Roads.
First Epistle.

Mr. and Mrs. F. M. Faris accompanied by Mrs. Bill Briscoe, were visitors at the Druggist Convention held in Amarillo last week. Mrs. Briscoe visited her sister.

LECTURE GIVEN THURSDAY

A very interesting lecture on "Character Versus Gold" was given by Mr. Preston of Dallas who has devoted the last seven years to speaking to high school and college students. A short summary of the talk is as follows:

Life is the most important thing in the world because if there were no life, there would be nothing in this world. Character is the most important thing in life. Many think they must go from home in order to build a good character as the story of "Acres of Diamonds," what one has at home is not valued as something which has come from a foreign source. Riches are found in one's self. Manhood is the most important thing in a boy's life. If manhood is lacking, then the boy may be compared to the monster, Frankenstein. Truth, virtue, and responsibility are the essential of a good character. A girl is worth a million dollars if she has virtue, no matter how poor she may be in material wealth. Mother is the greatest help to anyone, then boys, be a gentleman for your mother's sake. Truth is the foundation on which great characters are built; no one loves a liar. Although many believe that power, knowledge, and gold make a man, it is a serious mistake for they have nothing to do with character building except to hinder.

In a final appeal "Girls, be a lady and boys, be a man."

Assembly Held Thursday

The regular assembly which is held on Wednesday was postponed until Thursday. The Juniors with their sponsors, Mrs. Moore and Miss Bobo, had charge of the program. The members of the Home Economics classes presented three short plays entitled, "A Bachelor's Dilemma," "Bride and Groom," and "Slander No Names." After the close of the plays, Ellen Burnham, gave their de-the declaimers, Bill Henson and clamations, and the extempore speakers. Arlie Beggs and Mary Luttrell, gave short talks.

Track Events

We are very proud of our boys who entered and won in the Track Meet that was held at Spade, Saturday, March 25. Those winning places in the Junior Track were: Marion Martin, 3rd. place, 50 yard dash; Jim Shuttlesworth, 2nd. place, high jump; Tokey Doty, 3rd. place, broad jump; Marion Martin, Arthur Crane, Tokey Doty, J. W. Phillips, 3rd. place, 440 relay. The boys winning in the Senior Track were: Jack Fisher, 1st. place, discus; Eldon Nichols, 2nd. place, vaulting; Eldon Nichols, Jack Fisher, and Lee Roy Fisher, 2nd, 3rd., and 4th. place in high jump; Charlie Carruth, 4th. place, javelin; Jack Fisher and Lee Roy Fisher, 3rd. and 4th., shot put.

Girl Scout News

The girl scouts will have their tenderfoot initiation at their next meeting Thursday night, March 30. The last meeting of the girl scouts was a pleasant meeting with full attendance. Marjorie Alderson spent part of last week in Decatur. Lillian Hunt visited school Tuesday.

Bird Party Given For The Low First

As a culmination of the study of a Bird Project the High Second Grade, under the supervision of Mrs. Ware, gave a Bird Party to the Low First Grade last Thursday afternoon in their room. The room was artistically decorated with flying birds, bird

posters and pictures of nests that the children had made in their Art work. Also many colored pictures of birds, their nests and their eggs that had been used in the study of this project were used to add attractiveness to the room. Pictures of the Cardinal made by the children, were given as favors.

The following program was given.

"Robin's Christmas Song," (a story), Geraldine.

"The Bluebird" (a poem), Ernesteen.

The characteristics of ten different birds, Calvin and Robert.

"How the Robin Got Its Red Breast," Theda Mae.

"Who Stole the Bird's Nest," (playlet), twelve children.

"The Three Bluebirds" (poem) Oscar.

The characteristics of six birds, Lawayne and Dale.

The peculiar characteristics of the bird's nest were explained by Theresa Davis from a poster which the children had made from free hand drawings of bird's nest and called "Bird Village."

"The Robin" (a poem), Jonell.

After the program candy was served by Theda Mae and Theresa.

The Hornet's Buzz

Eldon Nichols was describing Mr. Whittle to one of his out-of-town friends. "He is tall! Boy, I've never seen such a man!"

"No, I don't believe you ever did," commented the friend.

Miss Wilson: "What lesson do we learn from the busy bee?"

Burnice Brothers; "Not to get stung."

One of Mr. Branch's literature students ask him what his favorite book is.

"It has always been my bank-book but even that is lacking in interest now," replied Mr. Branch.

Eloise Weeks, admiring a vase of flowers in the office. "Arn't they beautiful, Katie, they remind me so much of you."

Katie Wilson: "But they are artificial."

Eloise: "Yes, I know it, but they are made up so beautiful no one would suspect unless they really knew."

Teacher: "I hear you have been skipping physical education."

Sport N. "Yes, I have, you see."

teacher, I cannot lie." Teacher: "Hand me that strap you won't be able to sit or lie when I finish with you."

Grammar School News

When I visited Grammar school this week all of the teachers had the same thing to say, "There hasn't anything happened. We do not have any new pupils or have not lost any." But any way Mr. McElreath, teacher of the low seventh, says they are organizing a book club and each pupil must read so much in order to become a member. I am sure this will be very educational and hope everyone takes an interest in this work.

In the low third room I learned that J. C. Broyles who has been out with a broken leg had visited them awhile Monday. This class has very good attendance and are just finishing some health booklets.

Miss Jones teacher of the low second reports ninety-nine perfect attendance which is very good for such a large class.

Everyone is sorry to hear that E. R. Cartmill has withdrawn from the low first on account of illness. I sincerely hope he will recover speedily and be able to return to school. The low first has a very good attendance and I also learned that they were beginning some projects dealing with spring which is certainly fitting to the days we are having now.

Eugene Roddal of the high second has returned from a two weeks visit in East Texas. The low second had a bird party Thursday.

Oleta Jones has returned from a visit to Fort Worth. We are glad to learn that Johnny Humphries won sixth place in the 4-H club show.

I visited the high fourth and learned that they had held a health election-electing Archie May Garnor and J. O. White, Curtis Pike, Billie Joe Stark, Hermie Blair and Harold Fox, as Representatives. Mr Butts was present for this election. The high first has a new pupil, Verma Fae Copeland, James Chandler has returned from Fort Worth. This class is beginning a project on Easter.

We are very sorry to hear that Ida Lee Floyd, Claude Phillips and Sybil Gordon of the high fifth are out due to illness. Herman Lyle spent the week-end in Lubbock.

The low fifth is very proud of its members who went to Spade in Interscholastic League work. They are Rose Lee Pow-

ell, Opha Wilkerson, Raymond White and Richard West, Choral Club, and Douglas Scoggin, sub-junior spelling. Everyone is pleased to hear that there are some new pupils in grade school, Nora and Myrtle Copeland of Fairview. Mr. Butts says that the entire grade school has returned to its usual routine, all Interscholastic League work being over.

Highest Quality OIL
There is more than price to consider in the purchase of oil. Quite often the same price is charged for oils of widely varying grades—but that situation never exists at this station.
For a smooth running engine; or an engine that does not over-heat; or economy in operation of your automobile, know the oil you order poured into your engine. We deal only in Gulf Oils and Gasoline.
Come here for oil and gasoline service. Our prices are consistently low—and our service is par excellence.
FRANKS SERVICE STATION
Headquarters for Daily Truck Line to Lubbock

New Oil Saving Device
This device when installed on your Ford will stop the rear main bearing from leaking out the oil, and will in turn make you think more of your Ford than you have heretofore.
We guarantee that this device will stop the rear main bearing from leaking oil; also it will let the fumes out over on the opposite side of the motor, so you wont be bothered with the smell of burnt oil, which at present comes out through the breather cap and up through the brake peddles.

West Texas Is Ready For Decentralization of BUSINESS....

The people of this country learned from their recent experiences which made it necessary to declare a Nationwide bank holiday that it is a waste of time to discuss the merits and demerits of the unit bank, the branch bank, the group bank, the big bank and the little bank. As a result of the events of the past few weeks, the public knows that the big bank and the so-called liquid bank is in the same class as the frozen asset bank when the people generally decide to keep their own money and start a run on the banks. Neither the size of the bank nor diversification of investment, nor the two combined, can keep the banks open when millions of depositors decide to keep their own money. The Nationwide bank holiday has made both the banker and the depositor realize that the policy of bankers in the past with respect to saying to the public that a depositor, who as a rule never deposited anything but checks, could get the amount of his deposit in currency on demand is all wrong. The bank holiday has made both the banker and the depositor realize that money is intended to be used solely as a medium of exchange and as such must not under any circumstances be hoarded. The public fully realizes today that all banking, like all business transactions, must be bottomed, like all business transactions, must be bottomed wholly upon the confidence of the public in the soundness of the banking system and business methods.

The Banks Are Sound In The Plains Country

According to the best information available at this time out of approximately 6,891 Federal Reserve Member Banks in the United States, 5,342 were re-opened prior to March 25th, or about 77 per cent.

In Texas there are approximately 529 Federal Reserve Member Banks and 516 opened prior to March 25th, or about 95 per cent, which was 18 per cent higher than the general average of the Federal Reserve Member Banks in the United States.

There were approximately 12,432 non-member banks operating in the United States before the bank holiday and approximately 10,570 re-opened prior to March 25th, or about 85 per cent, although some of the non-member banks were under restriction. In Texas there were approximately 535 non-member banks and 534 were re-opened prior to March 25th, or approximately 100 per cent, although a small number of these were restricted.

In towns supplied by the Plains Division of the Texas Utilities Company with electric service, out of 18 Federal Reserve Member Banks 18 have re-opened. This is 100 per cent.

In the Plains Division of the Texas Utilities Company there were 22 non-member banks operating before the bank holiday and 21 re-opened prior to March 25th, 16 without restrictions and 5 under certain restrictions. The two banks that have not re-opened will, according to reports at this date, resume business within the next few days.

In the towns supplied with electric service by the Southwestern Public Service Company located in the Panhandle of West Texas, out of 7 Federal Reserve Member Banks, 6 have been re-opened. There were 7 non-member banks operating in the territory supplied with electric service by the Southwestern Public Service Company before the bank holiday and 7 have re-opened or about 100 per cent.

According to the most reliable information obtainable the banks operated in the Plains Country above referred to have all shown substantial increases in deposits since the bank holiday. The average increase in deposits since the holiday in the above banks is conservatively estimated to be approximately 5 per cent.

The above comparison of the banking conditions in the Plains territory supplied with electric service by Texas Utilities Company and Southwestern Public Service Company clearly shows that the banking and business conditions in West Texas are as sound as can be found in any section in the United States.

The World Is In The Throes Of A New Birth

We hear on every hand the statement that "The world today is in the throes of a new birth". The economist, the statesman, and the business man in every walk of life is occupied in studying and discussing the several factors that can be identified as those most likely to determine the character of the change that is going to take place. It is generally conceded that the trend toward decentralization in our business structure is by far the most important factor.

Decentralization Made Possible By Development And Use Of Electric Power

According to the economist, "The use of electric energy is about to reverse in certain fundamental respects this whole century of evolution toward centralization and concentration". All congested centers are suffering from the movement, which is now worldwide, to abandon the large city as a manufacturing center. The modern factory, in the opinion of the present day economist, will move as rapidly as possible, under existing conditions, from the large cities to the smaller communities where an adequate and dependable supply of highline electric power can be made available for manufacturing purposes at reasonable rates.

West Texas Is Ready For The Change In Business Conditions

West Texas offers the finest agricultural opportunities, the best transportation facilities, and the most advantageous power service to the modern factory seeking a new location, in order to meet changing conditions, that can be found in the United States. The above analysis of the banking conditions of the country discloses the fact that the banks of the Plains Country are as sound as the banks in any section of the United States and that West Texas banks are today in a position to provide adequate banking facilities to meet all the requirements necessary to take care of the development of the territory.

A Comparison Of Electric Rates

According to the November 1932 issue of the Public Service Magazine, the average rate per Kilowatt Hour for electric current in the United States at the end of 1931 was five and eighty-two hundredths cents (5.82c). The average rate per Kilowatt Hour for electric current sold by Texas Utilities Company for the same period was three and eighty-two hundredths cents (3.82c). Manufacturers seeking new locations will be interested in knowing that Texas Utilities Company supplied electric power to a number of manufacturing plants located in several different communities on the Company's highlines in West Texas during the year 1931 at the average rate of from one and thirty-five hundredths cents (1.35c) per Kilowatt Hour up to two cents (2c) per Kilowatt Hour, depending entirely on the class, quality, and quantity of service used by the particular plant under the manufacturing rate schedules during said period. The above mentioned power rate is available to any manufacturing plant desiring the same class, quality and quantity of service at any point on the highlines of Texas Utilities Company in West Texas, and the Company is prepared to furnish an adequate supply of dependable service at any point on its highlines to any manufacturing plant desiring a location on its highlines immediately upon request.

Confidence And Courage Are The Chief Assets

Confidence, courage and co-operation are far more important during the troublous period of readjustment through which the country is now passing than all of the gold and other tangible assets in this country. The hope of West Texas today is the courage of West Texans to DO, and the willingness to take it on the chin whenever necessary, to make sacrifices for the general welfare. No outside forces can arrest the development of West Texas as long as the spirit of West Texans to DO lives.

Texas Utilities Co.

M. E. CHURCH NOTES

Expressing Our Appreciation
Our new location has greatly aided in attendance at all services. Our Sunday School set a new record in attendance last Sunday. Our Leagues have increased more than one hundred percent.

The Intermediate Leaguers were entertained last Friday evening by their sponsor, Mrs. C. H. Nichols. After two hours entertainment refreshments were served to a large group.

We appreciate the splendid response to all services. During these days of trials when our strength is tested to its capacity, you will find renewed strength and inspiration in Worship. Come to church, you are cordially invited.

Sunday School 10:00 A. M.
Preaching Services, 11:00 A. M. and 7:45 P. M.

Leagues meet at 7:00 P. M.
W. M. S. Monday 2:30 P. M.
Choir practice Wednesday 8:00 P. M.

Monday afternoon, we especially urge a large attendance for the Missionary Society. New plans are being made for a greater service. Your presence is earnestly solicited and your help is needed. Refreshments will be served.

A Cantata Pageant, will be rendered by our choir at the evening hour, Easter Sunday.

Subject Sunday morning "The Atonement."

Miss Elnor Ray, accompanied by Miss Florence Bough of Abilene, visited over the week-end with her parents, Mr. and Mrs. E. N. Ray, of the Friendship community. Miss Ray is attending Business College in Abilene, and according to reports is making good. Sunday afternoon about 30 neighbors and friends of the Ray family gathered at their home and spent the afternoon visiting, singing and having a pleasant time. Mr. and Mrs. Roy Clark and baby brought the girls home and also visited friends. Mr. Clark is attending Christian College at Abilene.

LAMB COUNTY 4-H BOYS AND VOCATIONAL STUDENTS MARKET 103 CALVES AT LUBBOCK

Thirty-nine 4-H boys marketed 92 calves fed out on a contract basis with the Halsell Cattle during the Lubbock Quality Meat Show. Following are figures obtained by D. A. Adam, County Agent, under whose supervision these were fed. These boys were situated from 8 miles north of Olton, to 14 miles south of Sudan, and 7 miles south of Littlefield, and from the county line on the west to 1 mile over the county line east. These calves averaged when put on feed 456 lbs, and sold at an average net after shrinkage of 754.7 lbs. The average price sold for was \$5.33 per hundred. Average daily gain for the 92 calves was 1.54 lbs net. Average total return for feed, and other expenses per calf was \$16.72.

All of these boys were highly enthused over their calf feeding demonstrations and are going right back into the feed lot with 100 more head.

Golden Benton of Sudan, marketed 10 calves for an average gross income of \$40.08 per head.

LAMB COUNTY SCORES AGAIN AT QUALITY MEAT SHOW AT LUBBOCK

Forty-five meat entries from Lamb County entered in the Quality Meats Show at Lubbock, March 23-24, by D. A. Adam, for farmers of Lamb County took three out of a possible four place were taken in the class where first was missed.

In best individual hams at the Lubbock Show, R. L. May, Amherst, took second and third places.

In the class of best fifteen hams from one county Lamb County took first place.

In the best individual class of hams, R. L. May, Amherst, took first and second.

In the class best ten hams from one county, Lamb County scored first place.

There were over two hundred hams entered in the Meat Show and a total of 346 entries, making this the largest ham show ever staged in the United States.

Lamb County is setting the pace, and hopes to continue its good record from year to year.

In the pig division, Allen May, 4-H Club boy of Amherst, took 4th place with a premium of \$7.00.

The calf division Lamb County placed, third, car lot from one county; 3 and 4 group of five calves fed by one boy.

LAMB COUNTY CALF AND PIG SHOW GREAT SUCCESS

One hundred and three calves, and ten pigs were on hand for the Lamb County Calf and Pig Show last Tuesday, states D. A. Adam, County Agent, representing the winter labors of 45 4-H Club members, and Vocational students. This so far as is known is the largest calf show ever held in anyone county in the state of Texas.

Following are placings by Roy W. Snyder, Extension Meat Specialist, who was official judge of the show.

Best individual calves, Jesse Money, Springlake; 2nd Merrell Brigrance, Olton 4-H Club; Edith Cunningham, Littlefield, 4-H Club; 4th, Winton Rochelle, Amherst, 4-H Club; 5 R. D. McQuatters, Spade 4-H Club; 6 John D. Smith, Littlefield, 4-H Club; 7, Arles Humphries, Sudan 4-H Club; 8, Jesse Money, Springlake 4H Club; 9, John Hanks, Littlefield, 4-H Club; 11, Merrill Brigrance, Olton 4-H Club; 12, Rhea Waldon, Littlefield, 4-H Club.

Best two calves fed by one boy or group of brothers, for W. E. Halsell prize; 1 Jesse Money, Spring Lake; 2 Merrill Brigrance; 3, Edith Cunningham, Littlefield.

Best group of five fed by one boy or group of brothers: 1

Merrell Brigrance, Olton; 2 Winton Rochelle, Amherst; 3 Golden Benton, Sudan.

All Lamb County calves went to the Quality Meat Show at Lubbock from the Amherst show.

Upward of 1000 people attended the Lamb County Show from all parts of the county.

HOME DEMONSTRATION

(Ruby Mashburn)
Mrs. W. O. Logan of the Bluebonnet Club killed, dressed, and canned 46 chickens weighing 143 pounds with a value on foot of \$11.52. From these chickens the following products were made: Cubed chicken 27 No 1 cans, ground chicken No 1 cans 160. Giblets 18 and broth 31, or a total of 236 cans which sold for \$45.90. The expense of cans, labels, labor, materials, etc. was \$22.95, leaving a profit of \$22.95. Mrs Logan has the imprinted "Texas Better 4-H Products labels" to use on her products, and carries with it a guarantee of quality.

Mrs. Harris Brantley of the Bluebonnet Club has recently made a rose garden of 30 two-year old rose bushes as a part of her yard improvement demonstration which she is conducting, in addition to this the following native shrubbery from central Texas has been planted according to landscape principles: Red-bud, Shumac, Dog Wood, Sycamore, Elm, Button, Willow, Walnut and China Berry. Previous to this Mrs. Brantley had drawn yard plans and made pictures before the improvement began. Mrs. Brantley has also assisted cooperators in their yard work by pooling their order for 100 two-year old rose bushes. These plants have all been placed in the yards of cooperators.

Mr. and Mrs. Elbert Powell of Amherst have recently finished a hot bed 6X12 feet. The pit was dug 3 feet deep and filled about 24 inches with barn yard manure, then a layer of garden soil about ten inches deep placed on this. The bed was allowed to heat and cool before any seed were planted. On March ninth cabbage, tomatoes and pepper was planted. All plants are up and the bed has only been watered one time which was March 27th. The hot bed is covered with Cello-Class Cloth and the total cost was \$10.65. I think the hot bed is excellent for the early plants and I expect to have green vegetables all next winter from it", said Mr. Powell.

Saturday night April first the Amherst 4-H Club girls will have their annual banquet in honor of their mothers. Only those girls whose work is complete to date will receive invitations. The banquets is being sponsored by Miss Virginia Pointer local Club sponsor.

DeOla Reynolds and Adell Neinst of the Harts Camp Club gave a team demonstration in the canning of liver pas-

te at the Lamb County Meat Show March 21st.

A demonstration in the canning of sausage was given by June Campbell and Hazel Miller from Sudan.

Edna Packard and Marie McClure of Springlake 4-H Club demonstrated the canning of roast

The proper preparation of equipment and products was given by Mildred Garten and Opal Turner of the Amherst 4-H Club.

Miss Lola Blair, Extension Specialist in Nutrition and Miss Izora Clark, County Home Demonstration Agent of Dimmitt placed the teams as follows: Amherst first \$2.50; Harts Camp second, \$1.50, and Springlake, third, \$1.00

Misses Mildred Garten and Opal Turner represented Lamb County in the District Meat Show at Lubbock March 23rd. The demonstration was the canning of chilli and the girls placed third out of fourteen counties represented. Their reward was \$6.00. The girls were complimented by the judges on the efficiency and the very pleasant way in which the demonstration was given.

Mr. L. D. Gaiter, forman of the Halsell ranch of Spring Lake has recently supervised the setting of 700 Chinese Elm trees secured from the State Experiment Station at Lubbock. Five hundred of the trees were planted five feet apart in order to make a wind break.

TEAM WORK COUNT BIG---

Hard Times may be HELPFUL, after all, for we are then all dumped together in one boat. All of us having our different and various troubles, we are more helpful to one another.

We learn that when our competitors prosper, we also may prosper. We learn that success comes through team work. Cooperation takes the place of competition very largely, for it is often a case of "all hang together or else be hung seperately." as Benjamin Franklin one time said. During these times of economical exigency it is a case of all of us having to buckle down and pull our share of the load.

This bank, now as always, is trying to do its share-- and the more patrons we secure, the better we can serve you and the public generally.

LETS ALL WORK TOGETHER. IT'S TO OUR MUTUAL INTEREST!

VOLUME VIII

SUDAN, LAMB COUNTY, TEXAS THURSDAY, MAR. 30, 1933

NO. 38

DON'T INTERFERE WITH ROOSEVELT

A powerful metropolitan news paper in Missouri and numerous individuals have set up a howl about Roosevelt "going too far" with his "big stick" power in forcing his program through Congress.

It is unfortunate that every institution and individual cannot give every available bit of support behind Roosevelt's program designed to bring this country out of the depths of depression. We are proud of the things Roosevelt has already accomplished at the head of our government. It took the "big stick" to do it. Roosevelt had to club Congress into submission. If that was necessary to put over his emergency measures—then every citizen and every institution in the United States should support our great leader to the end.

It gives us quite a thrill to watch Roosevelt perform. He acts like a real leader—one who is not afraid to defy Wall Street and the "big money" interests. He adjusted the banking situation with a gold embargo and a bank holiday; he cut government costs by pushing through a drastic economy measure; he selected a cabinet and told each member to "go to work"; now he has a farm relief bill before Congress. It may or may not be the solution to farm problems. But President Roosevelt is confident it will help. If it does not then he is willing to try some other plan later. The point is—he is anxious to DO something. Let's not stand in his way.

HOPE BECKONS THE NATION

A veteran English newspaper writer, touring in the United States, remarked the other day that it seems to him "a remarkable and wonderful thing" that the temper of the American people has been so cheerful and hopeful during the past few weeks.

"It is something," he said, "that ought to give you confidence and be a cause for gratitude."

This cheerfulness and this hope have indeed been amazing in the depth and firmness of their expression. They come at the sharpest moment of climax of a long and cruel depression—at the very moment when people might be expected to be anything but cheerful and hopeful—and they have been manifested in a solid, unmistakable way.

Back of them there is something more than the mere fact of a change in administrations at Washington; something more than a simple feeling that we have in power a government that will act. It is almost as if the American nation felt that a dramatic appeal was being made to something deep, daring and idealistic in its soul—being made not only by the government but by the voice of history itself.

It has been our nature to dream dreams and to listen to far-off voices. From the very first we have been persuaded that our destiny was not like that of other lands. Hope has always beckoned to the horizon. We have never been so splendid as at those moments of crisis when we have to fight and endure to keep our dreams in sight.

There is abroad in the land today a feeling that such a moment is upon us once more. The depression has shown us, at last, the worst that it can do; and thus it has challenged us to show the best that there is in us. The challenge itself has lifted us up.

For we feel, now, that we can begin to go forward once more. We can make experiments. We can be bold, we can sound our trumpets gladly in this final dark hour before the dawn of a new day.

H. G. Ramby and Elwin attended the Druggist Convention at Amarillo two days of last week.

DEMOCRATIC NATIONAL COMMITTEE

A dime a Democrat is the quota assessed Texans by the Democratic National Committee. The Texas National Democratic organization of which Roy Miller Director, Senator Margie E. Neal, co-director, and Frank Scofield, finance director, has assumed the task of raising \$75,000, which is 10 per cent of the \$750,000 deficit of the Democratic National Committee.

This rather formidable sum is proportionate to what Texas has received and expects at the hands of the Democratic party, it was said in a statement released by National Democratic headquarters at Austin.

Postmaster General James A. Farley, who is chairman of the Democratic National Committee, in requesting so large a sum of the Texas organization is actuated by the extraordinary record of this state in the campaign last fall. Texas, it will be recalled, furnished the largest Democratic majority for Roosevelt and Garner, and contributed the second largest sum of money, being exceeded only by Roosevelt's own state of New York.

The amount requested from Texas was approximately one-tenth of the number of Democratic votes cast in Texas last November. In determining the quota for each county the Texas organization decided to allot the quota in proportion to the votes cast. Ten cents for each Democratic vote approximates very closely the sum expected from Texas.

There were 2,978 votes cast in Lamb County. The quota, therefore, is \$297.80.

Every Democrat in Lamb County ought to feel that the New Deal is worth at least a dime to him," Frank Scofield said. "We are now advising county chairman of the sums expected of them and anticipate no difficulty in raising Texas' part of the party's debt."

NOTICE! TAXPAYERS' LEAGUE

The School Trustee election will be held next Saturday. It behooves every member of the Tax-payers' League to come out and vote for the league candidates—T. Fife and Wm. H. Walker. We need all the representatives on the board we can get if we are to accomplish our aim the coming school year. Get out and vote.

League Committee.

SUDAN SCHOOL RECEIVES \$2,915 STATE AID

The Sudan school has been granted \$2,915 state aid in operating busses in the school year 1932-33 according to E. H. Patton of the State Department of Education, who has been in the county the past week.

Mr. Patton, accompanied by County Superintendent, L. D. Rochelle, visited all schools in the county.

Other schools will receive the following amount: Olton, 4,001. Harts Camp, \$425; Spade, 1,980; Amherst, \$2,145; Springlake \$2,195; Littlefield, \$4,526.

HART CAMP 4-H CLUB

The Hart Camp 4-H club girls met March 22, at one o'clock, with twenty-one members present.

Miss Mashburn did not meet with us because of other business. The sponsor met with us and the darts and doll dresses were discussed.

Adell Neinst and DeOla Reynolds team demonstrators in meat canning won second place at the meat show at Amherst the 21st and were awarded \$1.50.—Reporter.

BIRTHDAY DINNER

On Sunday, March 25 Mrs. E. E. Ivey entertained with a birthday dinner in honor of Anna Ruth and Orville Doyle Moore, who were 10 years and one year respectively.

A number of friends were present. The day was spent in playing various games. Everyone reported an enjoyable time and a delightful dinner.

NOTICE

The City Ordinance prohibits chickens from running at large and the keeping of hogs within the city limits, from the first day April to the first day of November. We hope that the citizens will cooperate with us in enforcing the ordinance and make conditions more pleasant and sanitary for all.—H. G. Ramby, Mayor.

Mrs. H. B. Teal and two children, accompanied Mrs. Barney Wilson of Littlefield, to Wichita Falls the first of the week and will visit with her brother while Mrs. Wilson visits with relatives.

WANTED TO TRADE for good mare, 5 to 7 years old, wt. 1200 or better. At this office.

PROCLAMATION

In accordance with the request of the State Fire Marshall, I, acting under the authority of my official position, hereby designate the week beginning on Monday the tenth day of April, 1933, as clean-up week for the town of Sudan, and I earnestly solicit the co-operation and assistance of all citizens of the town towards utilizing the above-named week towards making this a cleaner and healthier town in which to live. Those residing within the city are requested to have all of their empty tin cans and their garbage in sacks or in other containers and same deposited in the alleys during the week designated and wagons will be supplied by the City for the purpose of removing same.—H. G. Ramby, Mayor.

Attest:
John A. Dryden, City Secretary.

TRADES-SALES DAY

Monday, April 3rd, is monthly Trades-Sales Day, in Sudan.

More prizes, entertainment and a better program is being arranged for the afternoon. Several dollars in cash and some prizes of merchandise will be given. Friendship String Band will furnish music, and this is one feature of the program, that it will pay you to attend, if for no other reason.

The merchants invite you to visit their stores, whether you wish to buy or not, and you will find a cordial welcome at each business house in Sudan. Bring in your trades or sales and get matched on Monday, April 3rd.

"Old Fashion Mother" will be presented at the Friendship church Friday night. Admission 5 and 10 cents. Proceeds to go for the benefit of the Singing Class of the Church.

Will Swap 1000 chick brooder coile oil burner in good condition, for corn or thrashed grain. Sudan Mill. 361tc

C. A. DANIEL, COMMISSIONER

Dear Sir:
Your story of the "Local Doctor" in the Sudan News of last week was not only a fable but fabulous, as it did not contain all the facts, in the case. You should have told the complete story. Fortunately, for the "Local Doctor" the taxpayers know more than you think about the deal. I cannot understand why you did not call in one or more of the Sudan Doctors—Foote or Gibbs; they are taxpayers of this county. You might have called one or both of the County Health Doctors; at least, why did you not try to keep the tax money at home?

I, ME, the "Local Doctor" so ruggedly exposed, Yam humiliated, as you accuse me of trying to get to the "Road Fund", which you so diligently guard for the taxpayers; refusing to spend one shilling for bread for the widows and orphans, or a penny for sick babies. However, you spent \$13.00 of the taxpayers money of Lamb County. WHERE? To expose me. I must admit you made a good deal; you cannot beat that price in Earth or Muleshoe. Is the job guaranteed?

I would be glad to have you answer a few questions for us Lamb County Physicians. Women and taxpayers, (before answering) I suggest that you read the Ten Commandments, also, the Parable of the Sower. By what authority or right do you transfer Charity patients from Lamb County?

Where does the Reserve Fund that you say is exhausted, come from?

How much cash paid to Doctors in Lamb County?

How much cash paid for Charity to Doctors and Hospitals in other counties from the taxpayers money for January, February and March, 1933?

Or, if more convenient, have printed in some Lamb County newspaper, with general circulation, the proceeding, or minutes of your Court for the above three months, (January, February and March.) We taxpayers would appreciate this very much.

Now if the Reserve Fund is exhausted, and you will grant US, (the citizens), this favor, you may send the BILL for publication of the above Minutes complete to the "Local Doctor" Sudan, Texas and same will be paid promptly.

Yours Truly,
"Local Doctor"

NOTATIONS AND LECTURE ON ANATOMICAL HISTORY:

(O—A)
First OS means bone, second ASS means a quadruped with long ears and a caudal extremity, his rear pedal extremities are dangerous but his braying (a noise made through mouth and nose) is harmless but may be misleading. Yea! Will sometimes bite the hand that feeds him.

Some bipeds do not know an OS from an ASS—unless the OS is broken (fractured) or he, she, or it, reads in the Bible (no criticism), where Daniel slew all those Philistines with the OS of an ASS, possibly because he, (Daniel) could not persuade them to see his way or support him politically and he (Daniel) was afraid they would ask or request of him the tithes of the poor for which he was holder or keeper for labor (possibly), trail service as the travel in those days was by camels, as well as ASS-ES, in those days we did not have cars, that was before we had FORD'S model T's

This is applicable to the POLITICAL fall of SODEM and GOMORO.

Yours for better Roads.
First Epistle.

Mr. and Mrs. F. M. Faris accompanied by Mrs. Bill Briscoe, were visitors at the Druggist Convention held in Amarillo last week. Mrs. Briscoe visited her sister.

LECTURE GIVEN THURSDAY

A very interesting lecture on "Character Versus Gold" was given by Mr. Preston of Dallas who has devoted the last seven years to speaking to high school and college students. A short summary of the talk is as follows:

Life is the most important thing in the world because if there were no life, there would be nothing in this world. Character is the most important thing in life. Many think they must go from home in order to build a good character as the story of "Acres of Diamonds," what one has at home is not valued as something which has come from a foreign source. Riches are found in one's self. Manhood is the most important thing in a boy's life. If manhood is lacking, then the boy may be compared to the monster, Frankenstein. Truth, virtue, and responsibility are the essential of a good character. A girl is worth a million dollars if she has virtue, no matter how poor she may be in material wealth. Mother is the greatest help to anyone, then boys, be a gentleman for your mother's sake. Truth is the foundation on which great characters are built; no one loves a liar. Although many believe that power, knowledge, and gold make a man, it is a serious mistake for they have nothing to do with character building except to hinder.

In a final appeal "Girls, be a lady and boys, be a man."

Assembly Held Thursday

The regular assembly which is held on Wednesday was postponed until Thursday. The Juniors with their sponsors, Mrs. Moore and Miss Bobo, had charge of the program. The members of the Home Economics classes presented three short plays entitled "A Bachelor's Delima," "Bride and Groom," and "Slander No Names." After the close of the plays, Ellen Burnham, gave their de-claimers, Bill Henson and clamation, and the extempore speakers, Arlie Beggs and Mary Luttrell, gave short talks.

Track Events

We are very proud of our boys who entered and won in the Track Meet that was held at Spade, Saturday, March 25. Those winning places in the Junior Track were: Marion Martin, 3rd. place, 50 yard dash; Jim Shuttlesworth, 2nd. place, high jump; Tokey Doty, 3rd. place, broad jump; Marion Martin, Arthur Crane, Tokey Doty, J. W. Phillips, 3rd. place, 440 relay. The boys winning in the Senior Track were: Jack Fisher, 1st. place, discus; Eldon Nichols, 2nd. place, vaulting; Eldon Nichols, Jack Fisher, and Lee Roy Fisher, 2nd, 3rd., and 4th. place in high jump; Charlie Carruth, 4th. place, javelin; Jack Fisher and Lee Roy Fisher, 3rd. and 4th., shot put.

Girl Scout News

The girl scouts will have their tenderfoot initiation at their next meeting Thursday night, March 30. The last meeting of the girl scouts was a pleasant meeting with full attendance. Marjorie Alderson spent part of last week in Decatur. Lillian Hunt visited school Tuesday.

Bird Party Given For The Low First

As a culmination of the study of a Bird Project the High Second Grade, under the supervision of Mrs. Ware, gave a Bird Party to the Low First Grade last Thursday afternoon in their room. The room was artistically decorated with flying birds, bird

teacher, I cannot lie." Teacher: "Hand me that strap you won't be able to sit or lie when I finish with you."

Grammar School News

When I visited Grammar school this week all of the teachers had the same thing to say, "There hasn't anything happened. We do not have any new pupils or have not lost any." But any way Mr. McElreath, teacher of the low seventh, says they are organizing a book club and each pupil must read so much in order to become a member. I am sure this will be very educational and hope everyone takes an interest in this work.

In the low third room I learned that J. C. Broyles who has been out with a broken leg had visited them awhile Monday. This class has very good attendance and are just finishing some health booklets.

Miss Jones teacher of the low second reports ninety-nine perfect attendance which is very good for such a large class. Everyone is sorry to hear that E. R. Cartmill has withdrawn from the low first on account of illness. I sincerely hope he will recover speedily and be able to return to school. The low first has a very good attendance and I also learned that they were beginning some projects dealing with spring which is certainly fitting to the days we are having now.

Eugene Roddal of the high second has returned from a two weeks visit in East Texas. The low second had a bird party Thursday.

Oleta Jones has returned from a visit to Fort Worth. We are glad to learn that Johnny Humphries won sixth place in the 4-H club show. I visited the high fourth and learned that they had held a health election-electing Archie May Garnor and J. O. White, Curtis Pike, Billie Joe Stark, Hermie Blair and Harold Fox, as Representatives. Mr Butts was present for this election.

The high first has a new pupil, Verma Fae Copeland, James Chandler has returned from Fort Worth. This class is beginning a project on Easter.

We are very sorry to hear that Ida Lee Floyd, Claude Phillips, and Sybil Gordon of the high fifth are out due to illness. Herman Lyle spent the week-end in Lubbock.

The low fifth is very proud of its members who went to Spade in Interscholastic League work. They are Rose Lee Pow-

posters and pictures of nests that the children had made in their Art work. Also many colored pictures of birds, their nests and their eggs that had been used in the study of this project were used to add attractiveness to the room. Pictures of the Cardinal made by the children, were given as favors.

The following program was given. "Robin's Christmas Song," (a story), Geraldine. "The Bluebird" (a poem), Ernesteen.

The characteristics of ten different birds, Calvin and Robert. "How the Robin Got Its Red Breast," Theda Mae. "Who Stole the Bird's Nest," (playlet), twelve children.

"The Three Bluebirds" (poem) Oscar. The characteristics of six birds, Lawayne and Dale.

The peculiar characteristics of the bird's nest were explained by Theresa Davis from a poster which the children had made from free hand drawings of bird's nest and called "Bird Village."

"The Robin" (a poem), Jonell. After the program candy was served by Theda Mae and Theresa.

The Hornet's Buzz

Eldon Nichols was describing Mr. Whittle to one of his out-of-town friends. "He is tall! Boy, I've never seen such a man"

"No, I don't believe you ever did," commented the friend. Miss Wilson: "What lesson do we learn from the busy bee?" Burnice Brothers; "Not to get stung."

One of Mr. Branch's literature students ask him what his favorite book is. "It has always been my bank-book but even that is lacking in interest now," replied Mr. Branch.

Eloise Weeks, admiring a vase of flowers in the office. "Arn't they beautiful, Katie, they remind me so much of you."

Katie Wilson: "But they are artificial." Eloise: "Yes, I know it, but they are made up so beautiful no one would suspect unless they really knew."

Teacher: "I hear you have been skipping physical education." Sport N. "Yes, I have, you see."

FOODS At Lowest Prices

Merely selling foodstuff at low prices is not our idea of good business—But to sell good foods at prices no higher than asked for inferior grades is an achievement which we think constitutes a good business policy—That is a policy inaugurated at this store when it was founded—and it is the policy that prevails today.

Highest Quality OIL

There is more than price to consider in the purchase of oil. Quite often the same price is charged for oils of widely varying grades—but that situation never exists at this station.

For a smooth running engine; or an engine that does not over-heat; or economy in operation of your automobile, know the oil you order poured into your engine. We deal only in Gulf Oils and Gasoline.

Come here for oil and gasoline service. Our prices are consistently low—and our service is par excellence.

FRANKS SERVICE STATION

Headquarters for Daily Truck Line to Lubbock

New Oil Saving Device

This device when installed on your Ford will stop the rear main bearing from leaking out the oil, and will in turn make you think more of your Ford than you have heretofore.

We guarantee that this device will stop the rear main bearing from leaking oil; also it will let the fumes out over on the opposite side of the motor, so you wont be bothered with the smell of burnt oil, which at present comes out through the breather cap and up through the brake peddles.

West Texas Is Ready For Decentralization of BUSINESS....

The people of this country learned from their recent experiences which made it necessary to declare a Nationwide bank holiday that it is a waste of time to discuss the merits and demerits of the unit bank, the branch bank, the group bank, the big bank and the little bank. As a result of the events of the past few weeks, the public knows that the big bank and the so-called liquid bank is in the same class as the frozen asset bank when the people generally decide to keep their own money and start a run on the banks. Neither the size of the bank nor diversification of investment, nor the two combined, can keep the banks open when millions of depositors decide to keep their own money. The Nationwide bank holiday has made both the banker and the depositor realize that the policy of bankers in the past with respect to saying to the public that a depositor, who as a rule never deposited anything but checks, could get the amount of his deposit in currency on demand is all wrong. The bank holiday has made both the banker and the depositor realize that money is intended to be used solely as a medium of exchange and as such must not under any circumstances be hoarded. The public fully realizes today that all banking, like all business transactions, must be bottomed on, like all business transactions, must be bottomed wholly upon the confidence of the public in the soundness of the banking system and business methods.

The Banks Are Sound In The Plains Country

According to the best information available at this time out of approximately 6,891 Federal Reserve Member Banks in the United States, 5,342 were re-opened prior to March 25th, or about 77 per cent.

In Texas there are approximately 529 Federal Reserve Member Banks and 516 opened prior to March 25th, or about 95 per cent, which was 18 per cent higher than the general average of the Federal Reserve Member Banks in the United States.

There were approximately 12,432 non-member banks operating in the United States before the bank holiday and approximately 10,570 re-opened prior to March 25th, or about 85 per cent, although some of the non-member banks were under restriction. In Texas there were approximately 535 non-member banks and 534 were re-opened prior to March 25th, or approximately 100 per cent, although a small number of these were restricted.

In towns supplied by the Plains Division of the Texas Utilities Company with electric service, out of 18 Federal Reserve Member Banks 18 have re-opened. This is 100 per cent.

In the Plains Division of the Texas Utilities Company there were 22 non-member banks operating before the bank holiday and 21 re-opened prior to March 25th, 16 without restrictions and 5 under certain restrictions. The two banks that have not re-opened will, according to reports at this date, resume business within the next few days.

In the towns supplied with electric service by the Southwestern Public Service Company located in the Panhandle of West Texas, out of 7 Federal Reserve Member Banks, 6 have been re-opened. There were 7 non-member banks operating in the territory supplied with electric service by the Southwestern Public Service Company before the bank holiday and 7 have re-opened or about 100 per cent.

According to the most reliable information obtainable the banks operated in the Plains Country above referred to have all shown substantial increases in deposits since the bank holiday. The average increase in deposits since the holiday in the above banks is conservatively estimated to be approximately 5 per cent.

The above comparison of the banking conditions in the Plains territory supplied with electric service by Texas Utilities Company and Southwestern Public Service Company clearly shows that the banking and business conditions in West Texas are as sound as can be found in any section in the United States.

The World Is In The Throes Of A New Birth

We hear on every hand the statement that "The world today is in the throes of a new birth". The economist, the statesman, and the business man in every walk of life is occupied in studying and discussing the several factors that can be identified as those most likely to determine the character of the change that is going to take place. It is generally conceded that the trend toward decentralization in our business structure is by far the most important factor.

Decentralization Made Possible By Development And Use Of Electric Power

According to the economist, "The use of electric energy is about to reverse in certain fundamental respects this whole century of evolution toward centralization and concentration". All congested centers are suffering from the movement, which is now worldwide, to abandon the large city as a manufacturing center. The modern factory, in the opinion of the present day economist, will move as rapidly as possible, under existing conditions, from the large cities to the smaller communities where an adequate and dependable supply of highline electric power can be made available for manufacturing purposes at reasonable rates.

West Texas Is Ready For The Change In Business Conditions

West Texas offers the finest agricultural opportunities, the best transportation facilities, and the most advantageous power service to the modern factory seeking a new location in order to meet changing conditions, that can be found in the United States. The above analysis of the banking conditions of the country discloses the fact that the banks of the Plains Country are as sound as the banks in any section of the United States and that West Texas banks are today in a position to provide adequate banking facilities to meet all the requirements necessary to take care of the development of the territory.

A Comparison Of Electric Rates

According to the November 1932 issue of the Public Service Magazine, the average rate per Kilowatt Hour for electric current in the United States at the end of 1931 was five and eighty-two hundredths cents (5.82c). The average rate per Kilowatt Hour for electric current sold by Texas Utilities Company for the same period was three and eighty-two hundredths cents (3.82c). Manufacturers seeking new locations will be interested in knowing that Texas Utilities Company supplied electric power to a number of manufacturing plants located in several different communities on the Company's highlines in West Texas during the year 1931 at the average rate of from one and thirty-five hundredths cents (1.35c) per Kilowatt Hour up to two cents (2c) per Kilowatt Hour, depending entirely on the class, quality, and quantity of service used by the particular plant under the manufacturing rate schedules during said period. The above mentioned power rate is available to any manufacturing plant desiring the same class, quality and quantity of service at any point on the highlines of Texas Utilities Company in West Texas, and the Company is prepared to furnish an adequate supply of dependable service at any point on its highlines to any manufacturing plant desiring a location on its highlines immediately upon request.

Confidence And Courage Are The Chief Assets

Confidence, courage and co-operation are far more important during the troublous period of readjustment through which the country is now passing than all of the gold and other tangible assets in this country. The hope of West Texas today is the courage of West Texans to DO, and the willingness to take it on the chin whenever necessary, to make sacrifices for the general welfare. No outside forces can arrest the development of West Texas as long as the spirit of West Texans to DO lives.

M. E. CHURCH NOTES

Expressing Our Appreciation

Our new location has greatly aided in attendance at all services. Our Sunday School set a new record in attendance last Sunday. Our Leagues have increased more than one hundred percent.

The Intermediate Leagues were entertained last Friday evening by their sponsor, Mrs. C. H. Nichols. After two hours entertainment refreshments were served to a large group.

We appreciate the splendid response to all services. During these days of trials when our strength is tested to its capacity, you will find renewed strength and inspiration in Worship. Come to church, you are cordially invited.

Sunday School 10:00 A. M. Preaching Services, 11:00 A. M. and 7:45 P. M.

Leagues meet at 7:00 P. M. W. M. S. Monday 2:30 P. M. Choir practice Wednesday 8:00 P. M.

Monday afternoon, we especially urge a large attendance for the Missionary Society. New plans are being made for a greater service. Your presence is earnestly solicited and your help is needed. Refreshments will be served.

A Cantata Pageant, will be rendered by our choir at the evening hour. Easter Sunday Subject Sunday morning "The Atonement."

Miss Elnor Ray, accompanied by Miss Florence Bough of Abilene, visited over the week-end with her parents, Mr. and Mrs. E. N. Ray, of the Friendship community. Miss Ray is attending Business College in Abilene, and according to reports is making good. Sunday afternoon about 30 neighbors and friends of the Ray family gathered at their home and spent the afternoon visiting, singing and having a pleasant time. Mr. and Mrs. Roy Clark and baby brought the girls home and also visited friends. Mr. Clark is attending Christian College at Abilene.

LAMB COUNTY 4-H BOYS AND VOCATIONAL STUDENTS MARKET 103 CALVES AT LUBBOCK

Thirty-nine 4-H boys marketed 92 calves fed out on a contract basis with the Halsell Cattle during the Lubbock Quality Meat Show. Following are figures obtained by D. A. Adam, County Agent, under whose supervision these were fed. These boys were situated from 8 miles north of Olton, to 14 miles south of Sudan, and 7 miles south of Littlefield, and from the county line on the west to 1 mile over the county line east. These calves averaged when put on feed 456 lbs, and sold at an average net after shrinkage of 754.7 lbs. The average price sold for was \$5.33 per hundred. Average daily gain for the 92 calves was 1.54 lbs net. Average total return for feed, and other expenses per calf was \$16.72.

All of these boys were highly enthused over their calf feeding demonstrations and are going right back into the feed lot with 100 more head.

Golden Benton of Sudan, marketed 10 calves for an average gross income of \$40.08 per head.

LAMB COUNTY SCORES AGAIN AT QUALITY MEAT SHOW AT LUBBOCK

Forty-five meat entries from Lamb County entered in the Quality Meats Show at Lubbock, March 23-24, by D. A. Adam, for farmers of Lamb County took three out of a possible four place were taken in the class where first was missed.

In best individual hams at the Lubbock Show, R. L. May, Amherst, took second and third places.

In the class of best fifteen hams from one county Lamb County took first place.

In the best individual class of hams, R. L. May, Amherst, took first and second.

In the class best ten hams from one county, Lamb County scored first place.

There were over two hundred hams entered in the Meat Show and a total of 346 entries, making this the largest ham show ever staged in the United States.

Lamb County is setting the pace, and hopes to continue its good record from year to year.

In the pig division, Allen May, 4-H Club boy of Amherst, took 4th place with a premium of \$7.00.

The calf division Lamb County placed, third, car lot from one county; 3 and 4 group of five calves fed by one boy.

LAMB COUNTY CALF AND PIG SHOW GREAT SUCCESS

One hundred and three calves, and ten pigs were on hand for the Lamb County Calf and Pig Show last Tuesday, states D. A. Adam, County Agent, representing the winter labors of 45 4-H Club members, and Vocational students. This so far as is known is the largest calf show ever held in anyone county in the state of Texas.

Following are placings by Roy W. Snyder, Extension Meat Specialist, who was official judge of the show.

Best individual calves, Jesse Money, Springlake; 2nd Merrell Brigrance, Olton 4-H Club; Edith Cunningham, Littlefield, 4-H Club; 4th. Winton Rochelle, Amherst, 4-H Club. 5 R. D. McQuatters, Spade 4-H Club; 6 John D. Smith, Littlefield, 4-H Club; 7. Arles Humphries, Sudan 4-H Club; 8. Jesse Money, Springlake 4H Club; 9. John Hanks, Littlefield, 4-H Club; 11. Merrill Brigrance, Olton 4-H Club 12. Rhea Waldon, Littlefield, 4-H Club.

Best two calves fed by one boy or group of brothers, for W. E. Halsell prize: 1 Jesse Money, Spring Lake; 2 Merrill Brigrance; 3. Edith Cunningham, Littlefield.

Best group of five fed by one boy or group of brothers: 1

Merrell Brigrance, Olton; 2 Winton Rochelle, Amherst; 3 Golden Benton, Sudan.

All Lamb County calves went to the Quality Meat Show at Lubbock from the Amherst show.

Upward of 1000 people attended the Lamb County Show from all parts of the county.

HOME DEMONSTRATION

(Ruby Mashburn)

Mrs. W. O. Logan of the Blue bonnet Club killed, dressed, and canned 46 chickens weighing 143 pounds with a value on foot of \$11.52. From these chickens the following products were made: Cubed chicken 27 No 1 cans, ground chicken No 1 cans 160. Giblets 18 and broth 31, or a total of 236 cans which sold for \$45.90. The expense of cans, labels, labor, materials, etc. was \$22.95, leaving a profit of \$22.95. Mrs Logan has the imprinted "Texas Better 4-H Products labels" to use on her products, and carries with it a guarantee of quality.

Mrs. Harris Brantley of the Bluebonnet Club has recently made a rose garden of 30 two-year old rose bushes as a part of her yard improvement demonstration which she is conducting, in addition to this the following native shrubbery from central Texas has been planted according to landscape principles: Red-bud, Shumac, Dog Wood, Sycamore, Elm, Button, Willow, Walnut and China Berry. Previous to this Mrs. Brantley had drawn yard plans and made pictures before the improvement began. Mrs. Brantley has also assisted cooperators in their yard work by pooling their order for 100 two-year old rose bushes. These plants have all been placed in the yards of cooperators.

Mr. and Mrs. Elbert Powell of Amherst have recently finished a hot bed 6X12 feet. The pit was dug 3 feet deep and filled about 24 inches with barn yard manure, then a layer of garden soil about ten inches deep placed on this. The bed was allowed to heat and cool before any seed were planted. On March ninth cabbage, tomatoes and pepper was planted. All plants are up and the bed has only been watered one time which was March 27th. The hot bed is covered with Cello-Clas Cloth and the total cost was \$10.65. I think the hot bed is excellent for the early plants and I expect to have green vegetables all next winter from it," said Mr. Powell.

Saturday night April first the Amherst 4-H Club girls will have their annual banquet in honor of their mothers. Only those girls whose work is complete to date will receive invitations. The banquets is being sponsored by Miss Virginia Pointer local Club sponsor.

DeOla Reynolds and Adell Neinst of the Harts Camp Club gave a team demonstration in the canning of liver pas-

A demonstration in the canning of sausage was given by June Campbell and Hazel Miller from Sudan.

Edna Packard and Marie McClure of Springlake 4-H Club demonstrated the canning of roast

The proper preparation of equipment and products was given by Mildred Garten and Opal Turner of the Amherst 4-H Club.

Miss Lola Blair, Extension Specialist in Nutrition and Miss Izora Clark, County Home Demonstration Agent of Dimmitt placed the teams as follows: Amherst first \$2.50; Harts Camp second, \$1.50, and Springlake, third, \$1.00

Misses Mildred Garten and Opal Turner represented Lamb County in the District Meat Show at Lubbock March 23rd. The demonstration was the canning of chilli and the girls placed third out of fourteen counties represented. Their reward was \$6.00. The girls were complimented by the judges on the efficiency and the very pleasant way in which the demonstration was given.

Mr. L. D. Galter, forman of the Halsell ranch of Spring Lake has recently supervised the setting of 700 Chinese Elm trees secured from the State Experiment Station at Lubbock. Five hundred of the trees were planted five feet apart in order to make a wind break.

D. R. PARKER, MANAGER Littlefield, Texas

TEAM WORK COUNT BIG---

Hard Times may be HELPFUL, after all, for we are then all dumped together in one boat. All of us having our different and various troubles, we are more helpful to one another.

We learn that when our competitors prosper, we also may prosper. We learn that success comes through team work. Cooperation takes the place of competition very largely, for it is often a case of "all hang together or else be hung separately," as Benjamin Franklin one time said.

During these times of economical exigency it is a case of all of us having to buckle down and pull our share of the load.

This bank, now as always, is trying to do its share-- and the more patrons we secure, the better we can serve you and the public generally.

LETS ALL WORK TOGETHER. IT'S TO OUR MUTUAL INTEREST!
