SUDAN, LAMB COUNTY, TEXAS, THURSDAY, SEPT. 28, 1933

NUMBER 13

Sudan Farmers Have Received 107 Checks

With 107 cotton checks already distributed and more expected Saturday, local farmers are rejoicing. The 107 checks which amounted to over \$70,000 is only a third of the money local farmers will receive, for plowing up cotton.

The farmers of the Sudan Public school district will receive \$216,316.00 for cotton which they plowed up last summer and sold to the government. This amount will go to 342 different farmers.

Lamb county will receive a total of \$1,438,045.00 about one-third of which has already been received, according to D. A. Adam, county agent.

The county will receive more checks Friday and Saturday.

Business Boom Looms For Sudan

With the arrival of cotton checks the first of the week business is steadily improving in Sudan, as merchants are selling large bills of goods to people in this territory.

All of the local merchants are reporting improved business and large sales. One store sold 8 pairs of shoes to one fellow, while another sold two suits to one customer.

With more than two-thirds of the cotton money yet to come and the fall harvest hardy started, business will probably be better in Sudan this fall than it has been in several years.

The local stores are all preparing for large turn-overs; therefore prices of commodities in Sudan will be at a low level as compared with other towns.

Terry County Not To Vote Beer Pending Action

The Terry county commissioner's court has decided not to call an election to vote on the legal sale of beer for Brownfield, pending outcome of the Littlefield and Sudan cases, according to Joe McGowan, county attorney.

The county attorney did not make a ruling on whether the calling of an election at this time would be legal or not. The court members, by mutual agreement, decided to take no action at this time.

BROKEN HIGH LINE TURNS SOIL INTO GLASS NEAR OLTON

Sandy loam soil near Olton was turned into a huge piece of rock glass when a high line of the Texas Utilities company and a live end fell on the ground.

The high line break put the town in darkness for between two and three hours. Next morning workmen found the ball of glass in the ground in the immediate vicinity of the break.

Mrs. Nora Hale of Clovis, New Mexico spent Sunday with Mrs. Ella Roberts, who is employed at the Saunders Variety Store.

Mrs. Raymond Gibson and little daughter, of Borger are visiting her parents, Mr. and Mrs. Wm. White.

Wanted to Trade—White Leghorn Pullets or Cow for 100 lbs or better, hogs—Apply at News Office.

Mr. and Mrs. Sam Saunders, and two children spent Sunday in Slaton. Mr. Saunders parents, Mr. and Mrs. J. D. Saunders returned home with them for a visit.

The small son of Mr. and Mrs. W. L. Clawson who reside between Bula and Sudan is confined to his bed with scarlet fever.

School Of Dance To Open Monday

The Marvin School of Dance will open here October 2nd offering classes for boys and girls and men and women in tap, toe, acrobatic, and ballroom dancing, according to Mrs. Gaud Marvin who will instruct.

Mrs. Marvin formerly of Roswell, New Mexico, has studied at the International College of Arts in Chicago. She has had instructions from Frome Asher in Oklahoma City, and various teachers in San Francisco, and is a graduate of the University of Oklahoma. For the past three years she has been teaching dancing in Roswell.

The Marvin School of Dance will make it possible for dance enthusiasts to secure the very best instruction in the different kinds of dancing from an able teacher.

Mr. and Mrs. G. W. Masten and Mr. and Mrs. W. H. Baker were in Lubbock Monday.

Final Good Will Trip Is Made By Men Tuesday Night

A speech on "Trade at Home" by Rev. Sam A. Thomas was the feature of the good will trip to Fairview by the Sudan business men Tuesday night. Other speeches were made by Joe T. Salem who spoke on the prices of commodities, and Jess Mitchell of Muleshoe who spoke on NREA.

The music furnished by the Sudan Orchestra, the Nelson Brothers, and Miss Denny made a well rounded program which was enjoyed by the large number of Sudan and Fairview folks present.

This trip completed the good will program started several weeks ago when Sudan set out to visit surrounding communities. Those communities visited were Friendship, Janes, Circleback, Bula, and Fairview.

Ice cream cones were served to everyone who attended any of the meetings.

The Golden Eagle To Open Saturday

The Golden Eagle Dry Goods Store will make its formal appearance in Sudan Saturday when it opens for business, according to G. A. Marvin, manager of the new store.

The store which is located in the Hillard building on Main Street will carry a complete line of ready-to-wear for men and women, shoes, and other dry goods.

Two Convicted In Counterfeit Trial

A federal court jury Wednesday found Edward H. Carlstrom and William C. Gentry, both of Redlands, California, guilty of passing three counterfeit coins to Turkey filling station proprietor.

R. C. Russell and J. H. Morris of White Deer, and Norman W. Sheppard of Borger went to trial on charges of conspiring with others to steal and sell automobiles, the transaction involving interstate transportation. They pleaded not guilty.

V. C. Nelson returned the latter part of the week from Dodge City, Kansas, where he has been visiting relatives. His sister from Florida was visiting there also.

New Mexico Governor Dies In Albuquerque

Governor Arthur Seligman of New Mexico died suddenly in an Albuquerque, New Mexico, hotel at 11:55 Monday from an attack of Angina Pectoris.

The Governor had just completed making a speech to the New Mexico State Bankers Association of which he was a member, and returned to his room. He complained of his chest hurting and a physician was summoned. Governor Seligman died shortly after the arrival of the physician.

He was nearing the end of his second term as Governor of the state. For forty years he had been in business and in appointive and elective offices, in Santa Fe which has been his home since his birth June 14, 1871.

Mrs. Seligman, informed of his illness, was enroute to his bedside when he died.

Lt. Governor Hockenhuil became Governor after the death of Governor Seligman.

Making Applications For Postmaster's Job

A Civil Service Examination has been called at the request of Postmaster General Farley, to fill the vacancy in the position of postmaster in Sudan.

Applications for the position are being made, and will be received by the Commission until October 13, the closing day. Applicants will then assemble for an examination which will be held at Littlefield shortly after the closing date for applications.

A number of local citizens have made applications for the position.

Texas Public School Fund Gets \$1,073,000

J. D. Moore, Travis county district judge Tuesday entered judgment for \$1,073,000 in favor of the state against the Mid-Kansas Oil and Gas company holding it to be due from oil and gas produced from a 561 acre tract in Pecos county, adjudged by the Texas supreme court to be vacant public school land.

Judgment in favor of Fred Turner, Jr., for \$926,500 also was entered by Judge Moore. Turner held a patent on the land from the state, but had been denied possession for approximately five years while the tract was in litigation. The Mid-Kansas had produced the land during the period.

FORMER DUMAS EDITOR IS NOW AT DIMMITT

A new newspaper editor is located at Dimmitt in the person of W. W. Halcomb, formerly with the Moore County News at Dumas. There he became famous throughout the southwest as "The World's Worst Hick."

Mr. Halcomb is now editor of the Castro County News. He is taking the place of Clyde S. Holland, editor and publisher who recently assumed his duties as postmaster.

SUDAN WILL NOT HAVE TRADES DAY MONDAY

At a meeting of the Business Men's club Tuesday, it was decided that owing to the farmers being so busy that Sudan would not have Trades Day Monday, October 2.

The Trades Day program will probably be continued in November.

TAKES HOGS TO FT. WORTH

Thomas P. Howard, local hog buyer, took a car of hogs to Fort Worth for Friday's market but due to the overcrowded market was compelled to wait until the Monday morning market to unload.

He returned to Sudan Tuesday.

Born to Mr. and Mrs. Fred Johnson, a girl on the 23 of September.

Demonstrations To Feature Lamb County Exhibit

A feature of the annual Lamb County Fair to be held at Amherst, October 27 and 28, will be booths for the demonstration of a number of items, Miss Ruby Mashburn, county home demonstration agent, states.

Demonstration booths are to be set up for: hooked rugs and mats, grape juice, farm food supply, canned and cured foods for a family of five; canning equipment, gaiter and pellagra prevention, well planted farm yard, school lunches, syrup products and moccasins making. Hours for demonstrators will be 10 a. m. and 2 p. m.

In addition a home industries market will be installed with a supply of standardized products in clothing and canned goods for sale.

Women who attended the short course at A. and M. in July will be in charge of the demonstrations. Men who attend also will assist.

Eastern Star Entertains At Masonic Hall

Members of the Eastern Star and their guests met at the Masonic Hall Monday evening for a social hour. The guests were husbands who are not members and two teachers, Miss Denny and Miss Akard.

A splendid dinner was served after which a very interesting program was rendered. The room was specially decorated for the occasion.

The following program was rendered:

Toast, Mrs. Nettie Foote; History of O. E. S.—Chapter, Mr. Dryden; Piano Solo, Miss Akard; Anniversary address, Mr. Hazel; Reading, Miss Denny; Piano Solo, Lena Ruth Harris; Solo, Mrs. J. R. Dean; Biography of Robert Morris, Mr. Joe T. Salem.

Those attending the dinner were: Mr. Dryden, Mr. and Mrs. Joe Covington, Mrs. E. P. Jones, Mrs. Virginia Rone, Mrs. W. A. Peachey, Mrs. Earl Ladd, Mrs. John Kerr, Mr. and Mrs. Clint Dyer, Dr. and Mrs. G. A. Foote, Mrs. Lera Blanchard, Mr. and Mrs. Loyd Robinson, Mr. and Mrs. Clyde Barron, Mr. and Mrs. Dodgen, Mr. and Mrs. Joe Salem, Rev. and Mrs. Sam A. Thomas, Miss Akard, Miss Denny, Mr. and Mrs. Jack Johnson, Mrs. Ruby McKelvey, Mr. and Mrs. G. G. Hazel, Mr. and Mrs. Esmonds, Miss Lena Ruth Harris, and Mrs. J. R. Dean.

Business Men Meet

A large number of Sudan business men met in their regular weekly luncheon last Tuesday in the Methodist church annex and discussed matters of importance to the community.

The improvement of roads leading to Sudan from surrounding communities was discussed and the road committee was urged to get the improvements made before the fall rush.

The tax drive, Saturday cash prizes, securing the road map for Sudan and other things of importance were discussed. The business men decided to suspend Trades Day for this month, and to let the stores open and close at will.

Important matters will be discussed at the next meeting; therefore each merchant is urged to be present for the luncheon.

JOINS SEMINOLE FACULTY

Andrew B. Jenkins former teacher in the Sudan schools and resident of Sudan for several years has a position as teacher of the seventh grade in the Seminole Public schools. He is a graduate of Texas Tech at Lubbock.

Mr. and Mrs. C. M. Furneaux, and Mrs. H. M. Lyle were in Lubbock Saturday.

Bradley Is Given Two Years In Pen

After a court reporter had read testimony of the defendant to it at its request, a 72 district court jury about 1:30 o'clock Saturday fixed punishment of V. L. Bradley, charged with murder, at two years in the state penitentiary.

Bradley was tried for shooting to death Thomas W. Latimer in Levelland, August 26, election day. Bradley is 55 yrs. old; Latimer was 53. Both lived at Levelland.

The state asked life imprisonment of Bradley in arguments Friday. Jurors began their deliberations about 3:30 p. m. Friday. They resumed their work about 9 a. m. Saturday. At 11 o'clock, they asked that Bradley's testimony be read to them. Bradley had testified he believed he was defending himself when he fired a shotgun charge which killed Latimer.

In cross-examination he first said he was "mad" when he fired the gun, and then quickly said that instead of being angry he had been "excited."

Will Preach At Baptist Church

Rev. Sol L. Carpenter, pastor of the Baptist Church of Lois, Texas, will preach at the local Baptist church Sunday morning.

The public generally is invited, and the members of the church are especially urged to attend.

Services will begin at 11:00 o'clock in the morning.

Optometrist Is To Visit Sudan

Dr. J. H. Croft, optometrist of Littlefield, will establish an office in Sudan at Ramby's Pharmacy with office hours on the first and third Mondays of each month.

Dr. Croft has had many years of experience in fitting glasses. If you are having eye trouble you are urged to see him.

NEW P. M. AT FARWELL

Postmaster General James M. Farley last Friday announced the appointment of Mrs. Noma Nabors Locke as acting postmaster at Farwell. The term of the former incumbent, a Republican appointee, did not expire until in 1936.

The appointment came as a surprise to most Farwell citizens as Farley had previously announced that no changes would be made in postmasters whose terms had only recently begun. Very few in Farwell knew that Mrs. Locke had even applied for the position.—Journal.

Negro, Hours Cut, Pay Raised, Has Own Idea Of NRA

A negro garage employe who had been working many years washing cars—70 hours a week for \$5—has his own distinctive idea of what NRA means.

When the garage owner signed his agreement, he called his employe together and explained what it would mean to them. "Boss," remonstrated the negro when informed he would have to work 40 hours a week, "ah can" hardly make a living wurkin' 70 hours, let alone wurkin' 40."

"Don't worry," his boss told him, "I'm going to pay you \$12 a week for your 40 hours work."

"How come?" the negro wanted to know.

"The NRA tells me I have to do that," was the reply.

"Boss," the negro grinned, "who think up this negro relief association?"

J. W. Parkman of the Bula community was severely burned Monday while helping his wife can with apressure cooker. His wife was also burned but not severely.

Work Is Starting On Highway No. 7

Miss Hammock And Mr. Lee Pool Wed

Miss Jewel Hammock, daughter of Mr. and Mrs. J. W. Hammock of Sudan, and Mr. Lee R. Pool, son of Mr. and Mrs. W. M. Pool of 3701 21st Street, Lubbock, were married in the home of Dr. R. C. Campbell at 3:45 Saturday afternoon.

The bride is a graduate of the local high school, attended Baylor College for Women at Belton, and graduated from Texas Technological college at Lubbock last spring. She formerly taught in the local school and is very popular in Sudan.

Mr. Pool formerly a Texas Technological college student completed the major part of his work at the Agricultural and Mechanical college at College Station. He is now acting as emergency agent in Gaines and Yoakum counties.

The young couple will make their home in Seagraves for the present. They both have teaching positions in the Longview school west of Sudan.

Greater Garden Theatre To Have Grand Opening

G. W. Chesher announces that the new improvements being made at the Garden Theatre will be completed and he will celebrate the opening of the Greater Garden Theatre Wednesday night, showing "The Sign of the Cross."

With the 400 additional seats, two fan air circulators, new loud speakers, renovation of theatre, complete redecoration of theatre including recalcining, Sudan will have one of the most up-to-date picture houses in this part of the Panhandle.

To justly celebrate this occasion, Mr. Chesher has secured one of the best pictures made in the last 12 months.

Salem To Give Prize Saturday

The money which was scheduled to be given away Monday by the Salem Dry Goods Company, will be given away Saturday afternoon after the Sudan business men give their cash prizes.

This change was made due to the suspension of Trades Day for Monday.

BABY DIES

The 18-month old baby of Mr. and Mrs. Barney Wilson of Littlefield died Wednesday morning at 10 o'clock. Mr. Wilson is employed by the Lubbock Poultry and Egg Company and he and Mrs. Wilson have many friends here who will be sorry to learn of the death of their baby.

W. A. Copeland of Plainview is here this week visiting his daughter and son-in-law Mr. and Mrs. Carlyle Daniels.

W. B. Roberts was here from Levelland Monday on business.

Mr. and Mrs. H. P. West left Tuesday night for Georgetown where they will visit relatives for a few days. Mr. West's mother will return with them and spend the winter here.

Mrs. G. C. McAdams received a letter from Miss Hazel V. Lewis, stating that she is now in Massachusetts and that she expects to be home soon. Miss Lewis is in company with her sister and brother-in-law here attending the World's Fair in Chicago.

Mrs. J. D. Dogdens, who is teaching at Fairview was in Sudan visiting with friends and attended the Eastern Star social.

Preliminary work has started on the grading and drainage project of Highway No. 7 from the Lubbock county line to three miles north of Sudan.

The Huddleston Construction company of Crosbyton was awarded the contract for the improvement. The Huddleston contract included grading, drainage, and paving work.

Local men will be used on the project so far as possible, as the road work comes under a special relief program of the National government.

Men interested in securing work on this project should register at V. C. Nelson's office.

Fair Is Complete; Ready For Visitors

"We've completed our work, and the fair is ready for the people of the Plains," R. C. "Dick" Smith, president of the Panhandle South Plains Fair, said Wednesday commenting on the 20th annual exposition which opens Monday morning, Oct. 2, for a six day run in Lubbock.

Five big horse races will be held daily as one of the many free attractions.

A quarter for adults and fifteen cents for children admits the fair visitor to everything on the grounds with the exception of the shows and rides of the John T. Wortham Shows.

There is no extra charge for the horse racing program each afternoon, vaudeville acts, the horse show and fireworks program each night, band concerts, and other features.

Exhibits have been arranged in the women's building, the industrial building where all the commercial exhibits are housed, the agricultural building, and Saturday and Sunday, September 30 and Oct. 1, poultry, beef and dairy cattle, swine horses, mules, and other livestock are to start filling up all available space in the four livestock buildings.

Bailey County Is One Of Fifteen Counties Retiring All Bonds

Bailey county is one of the five in the state that participated 100 per cent in the retirement of highway bonds by state assumption of the bonds, according to Judge J. E. Adams of Muleshoe.

The local participation included \$30,000 worth of bonds voted for highway No. 7 some years ago and \$12,000 worth of warrants afterwards voted to complete the same construction.

PURCHASES BUSINESS

AT LOS LUNCS, N. M. Mr. and Mrs. A. C. Findley left Wednesday for Los Lunas, New Mexico, where they will make their home. Mr. Findley purchased a grocery store, filling station, and tourist camp combined, there and he and Mrs. Findley will operate it.

Mr. and Mrs. Findley have been residents of Sudan for the past eight or nine years. Mr. Findley has been water superintendent for the past three years, since installation of the present City water system. Their property here has been rented.

Mr. and Mrs. Findley have a host of friends who wish them well in their new home.

Just before leaving Sudan Mr. Findley stopped at The News office and had his subscription renewed for the coming year. Mr. Findley has always kept his subscription to The News paid in advance.

Mr. and Mrs. C. H. Nichols and Mrs. Kate Cox returned from a week's visit with relatives in Limestone County. On their return trip they stopped in Fort Worth where they visited with Miss Marjorie Alderson, who is attending T. W. C.

LAMB COUNTY'S PART

Last fall the Texas National Democratic Committee created a debt of 10c per Democrat, in order that they might successfully conduct the Presidential campaign and secure for the people of the United States a "New Deal".

The people of the United States are already receiving benefits from this new program being instituted by the Democratic party. Lamb county is receiving checks daily for cotton plowed up which is a part of the "New Deal". Over a million dollars will be distributed in Lamb county within the next few weeks.

Lamb County's part of this deficit is \$298.80 of which only a small amount has been collected. Only ten cents a Democrat is required to raise this quota.

This "New Deal" is worth so much to us that it seems that even a laboring man who only makes a dollar a day would gladly give one day's labor to pay for the "New Deal" that is meaning so much to him and his family.

Contributions may be sent to Frank Scoefield, Finance Director of Texas National Democratic Committee, Stephen F. Austin Hotel, Austin, Texas, or may be paid at The News office and will in turn be sent to the Texas National Democratic Committee.

Each citizen should feel it his duty to help remove this deficit.

What Depression Has Taught

Continuous beating down of prices as in times before the depression when people would ask you to cut your profit, in order that they might save a penny on a purchase, is probably a thing of the past. This is one of the valuable lessons of the depression.

The public has learned that a fair profit must be made by each handler of products whether raw or finished. The man who buys the farmers product must have a profit, the same as the fellow who furnishes transportation for the product to the manufacturing center and back to the consumer.

Large co-operative movements were made a few years ago to do away with the so-called middle-men. The promoters of these co-operative movements did not realize that millions of people who made their living by being middle-men used their products for their own personal uses. When the middle-men were cut out of the picture, what had been a good market for finished products, also went out of the picture.

Now people are realizing the necessity of community life and are more willing to trade in the small towns and take a part in helping build the small towns. The convenience of living in a live community where you may have access to good schools, cure a god market forus eatwnr churches, and can secure enter-

tainment and comfort, is attracting the eye of the general public now, rather than the almighty dollar.

The depression has taught the people that their co-operation is needed in building these local centers. They realize that each time they send a dollar out of the community, that they are hurting that community. They see the advantage of trading with home town merchants who help them through the dull seasons of the year and accommodate them when possible.

That a community center must live and prosper is another realization of the people of that community. The country and the town people need each other to build good schools and churches.

People are becoming more business minded, as they realize that if they will trade at the local stores, that the increased volume will make it possible for the local merchants to sell merchandise of the same grade, as cheap as the mail order houses.

The efforts of local business men, generally, during the past six months have shown the citizens of this community that the business men are working for them as well as for themselves. By helping the schools and churches, by creating labor, by creating loans, and numerous other aids, the business men have shown themselves worthy of the support of those receiving their livelihood within the community.

The mail order houses have shown no interest what so ever in Sudan and surrounding territory during the past years of depression. They have not assisted in maintaining schools and churches, or helping the needy; therefore people are thinking twice before patronizing such institutions.

The people are rallying to the support of local business men and are seeing the advantage already.

If the depression has not thoroughly convinced you of this fact, give the matter thought and you will find that you will quit sending orders out of town.

Don't be misled by high powered salesmen or pretty pictures, but support the fellow who will help you in time of need.

Your School Needs Help

The Sudan Public Schools are running on a cash basis and the local school board has hopes of keeping it on such basis if the tax payers of this district will show a willingness to co-operate.

A twenty per cent reduction in taxes has been made by the local school board, and even further inducements are being made to get the people to pay their taxes by October 1.

The 1933 school taxes which are paid go for the running of the school this year; therefore it is imperative that the 1933 taxes be paid, in order that a full nine months school can be had. The board has adopted a budget which has been reduced as much as possible, and it has assessed the taxes accordingly; so it is very important that every school tax payer pay his taxes, so the school will not have to go into debt.

Think of the school, and help maintain this most important institution which is for the benefit of your children.

MONEY GIVEN AWAY FREE SATURDAY this week at 4:30 p. m.

This money was scheduled to be awarded on First Monday, but due to the reason the Sudan Business Men will not have any special entertainment for this First Monday, we have decided to give Money away on Saturday. This money is displayed in a jar in our window and will be given away Saturday. Ask about it at our store. It's all free; so be sure to Come.

Science says Today use a LIQUID Laxative

If you want to GET RID of Constipation worries—

Any hospital offers evidence of the harm done by harsh laxatives that drain the system, weaken the bowel muscles, and in some cases even affect the liver and kidneys.

A doctor will tell you that the unwise choice of laxatives is a common cause of chronic constipation.

Fortunately, the public is fast returning to the use of laxatives in liquid form.

A properly prepared liquid laxative brings a perfect movement. There is no discomfort at the time and no weakness after. You don't have to take "a double dose" a day or two later.

In buying any laxative, always read the label. Not the claims, but the contents. If it contains one doubtful drug, don't take it.

Dr. Caldwell's Syrup Pepsin is a prescriptional preparation in which there are no mineral drugs. Its ingredients are on the label. By using

it, you avoid danger of bowel strain. You can keep the bowels regular, and comfortable; you can make constipated spells as rare as colds.

The liquid test:

This test has proved to many men and women that their trouble was not "weak bowels," but strong cathartics:

First. Select a good liquid laxative. 2. Take the dose you find is suited to your system. 3. Gradually reduce the dose until bowels are moving regularly without any need of stimulation.

Syrup pepsin has the highest standing among liquid laxatives, and is the one generally used. It contains senna, a natural laxative which is perfectly safe for the youngest child. Your druggist has Dr. Caldwell's Syrup Pepsin.

300 DIE FROM DIPHTHERIA

Texas lost over eight hundred of its children last year from one preventable cause. The disease responsible was diphtheria. Dr. H. N. Barnett, Director, Bureau Child Hygiene, in commenting on this loss, said, "Diphtheria could be practically eliminated if parents would take their children to their family physician and have them immunized as soon after they reach six months of age as possible. Parents would not allow their children to walk in front of a moving car, so why will they allow them to run the danger of contracting diphtheria. This immunization should be done as soon as possible as the winter months are the ones in which the most deaths occur and it takes some time for immunity to occur."

Night Crew Added To Speed Consideration Of Loans

Facing an unprecedented number of applications for loans, the Federal Land Bank of Houston has added a night crew as well as enlarging its day force to speed up the consideration of applications and the closing of loans. A. C. Williams, President of the Federal Land Bank said Wednesday, "In the past seven weeks," Mr. Williams said, "more applications have been received than during the previous 29 months, beginning at the outset of 1931. In the first three weeks of September, 2,631 Texas farmers applied for loans totalling \$12,023,828. This was nearly twenty-four times the volume of loans sought during the same period of last year."

"When the Emergency Farm Mortgage Act of 1933 was passed by Congress in May, we had nine appraisers. We now have 113 appraisers in the field and about 125 men in training. When their training is completed those who are qualified will be appointed to regular appraisal work. This will further accelerate the handling of the large number of applications now on hand and being received daily by the bank. Officers and employees of the bank are earnestly endeavoring to give prompt assistance to deserving farmers of Texas," Mr. Williams said.

Dorcas S. S. Class Will Have Social

The Dorcas Sunday School class of the First Baptist church had a record attendance Sunday of 21. Officers were chosen for the following year. They are as follows: Mrs. Townsend, president; Mrs. Ivey, 2nd vice-president; Mrs. Hardin, 3rd vice-president; Mrs. J. L. Serratt, 4th vice-president; Mrs. Love, secretary-treasurer; Mrs. D. M. Hurst, reporter.

Under the leadership of the new officers the class expects to do greater work this coming year. The class has almost doubled in size.

Those present were: Mesdames Sebring, White, Patterson, Milam, Jones, Whitwell, Breeding, Crosby, Wright; visitors, Bridges, new members, Stephens, Jinkins, Vinson, Merritt, Olds.

The Dorcas Sunday school class of the First Baptist church are to have a social at the church Friday night. All of the members are urged to be present.

Land Utilization Policy Explained

"That a new land utilization policy is in the making in Texas as a result of farm relief activities is evident by the confusion that exists about what can and cannot be done with retired cotton and wheat acres," declares H. H. Williamson, vice-director and state agent in the Extension Service at Texas A and M College. "The intent of the Administration seems to be to drastically reduce the total cultivated acres of surplus crops in the United States," he says. "It is not just a matter of shifting production from cotton or wheat to something else, but to eliminate these acres entirely from crop production unless it can be shown they are needed for producing a living at home or for preventing soil erosion or for enriching the soil."

"Texas is in need of more good pastures, both temporary small grain and sudan pastures, and permanent pastures sown to legumes and grasses," Mr. Williamson points out. "As far as retired acres of wheat or cotton are concerned, the temporary pastures can only be sown in this land to the extent of providing pasture for livestock needed for the family living, according to the Administration."

"It is permissible to make permanent pasture out of retired acres but in so doing a farmer may count these acres as retired for 1 year only. In other words, as soon as the pasture gets to the grazing stage it cannot count as retired acreage unless it can be shown that it is used only for livestock needed for the family living. If the pasture is more extensive than this the farmer must reach out and retire an equivalent acreage from other crops the second year, if he is under contract with the Government at this time."

"All this goes to show," says Mr. Williamson, "that the Agricultural Adjustment Administration is bent on taking more and more cultivated acres out of competitive production as rapidly as possible until surpluses are wiped out. The main directions in which the acreage retirement may lead without contract violation are in crops to produce a living at home, in re-forestation, in soil improvement crops to be turned under, in temporary soil-holding crops to check erosion, and for one year at least, in permanent pastures. Even with the restrictions mentioned, a swing to permanent pastures in the territory of 30 inches or more of rainfall looks to be a sound development in the long run," he concludes.

Attendance at all services are steadily increasing. New classes are organized nearly every Sunday. Sunday School rooms are at a premium. The parson's home (parsonage) is being used to accommodate the Young Men's Bible Class. The Young Adults have organized a Bible Class which also meets at the parsonage each Sunday evening at 7 P. M. All adults of 20 years and over are eligible. There is a class for every age in Sunday School. You are cordially invited.

Subject Sunday morning, "The Baby." Text, "What Manner of Child Shall This Be." Next Sunday is set aside in a special service for the dedicating of children to God in Holy Baptism. Jesus said, "Suffer the little children to come unto me and forbid them not," for (or because) of such is the Kingdom of Heaven." Special music every service.

Littlefield Boy Puzzles Officers

A Littlefield boy, Oliver Shackelford, 17, who was arrested by officers in Lubbock from whom he later escaped by drawing a pistol from a shoulder holster Sunday morning, admitted to Sheriff Len Irvin that he stole a car in Littlefield Saturday night.

The boy was wounded when he attempted to burglarize a drug store in Lubbock. He was also wounded when he made his escape from the Lubbock jail.

Sheriff Irvin brought the boy back to Lamb county and placed him in the Littlefield jail, pending action.

EDITORIAL

Did you know that popularity is founded on courtesy and good manners? In order to be a friend to everyone you must be courteous, polite and treat everyone with respect, however I do not ask you to be over friendly. Your classmates and teachers decide whether or not you are well bred by your conduct in school. This naturally reflects on your parents.

Do you think a boy or girl has the proper training if he does sneaky things in school? Is he well bred if he waits until the teachers back is turned to do some petty disorderly offense? Some pupils really enjoy being rude and disturbing study hall by cutting up and throwing paper wads, etc. They really think it looks smart. Are you guilty? It is much more clever to be mischievous when the teacher is looking. You have just as good a chance of getting by it. When you are not studying and throwing paper wads you are naturally hindering someone who really needs and wants the time to prepare his lessons. Doubtless you should be studying also. The pupil who makes the most disturbance and spends the greatest part of his time foolishly makes the lowest grades. Does this not show you that it pays to spend your hours in studying and not looking for something foolish to do? If you do not need to study be polite and courteous enough to at least be quiet, thus showing respect for your teacher as well as your classmates.

A popular student is always thoughtful of others. Do you not want to be considered well bred and have many friends?

CHAPEL PROGRAM

A very interesting chapel program was given Wednesday morning by Mr. Jackson and the Choral Club. The program consisted of 3 selections by the Choral Club, "America," "Sweet and Low" and "Love's Old Sweet Song." The audience joined in the last two stanzas of "America." Brother Cole gave a very inspiring talk. This talk helped us to learn to co-operate with our fellow students and teachers while we were in school and to obey our parents at all times. He also told us by the method of co-operation, we would make better citizens and fellow workers.

Glee Club

The Sudan High School has organized a Glee Club this year and from the sounds which come from the Auditorium each morning at eleven bells they must be having plenty of glee. We have heard that they are fairly learning how to open their mouths and sing like the birds do—tweet, tweet, twa, twa! Some of these song birds remarked that they should learn how to sing with two directors. Miss Denny and Mr. Jackson are doing their dead level best to teach them. The Glee Club is really and truly proud of them. They are using two part music at the present and hope to use three part music in the near future.

Lena Ruth Harris plays the piano for the Glee Club. It is rumored that the Glee Club is planning to do some outside singing in the near future. Watch for your opportunity to hear them.

Now students, let's give our Glee Club fifteen cheers, for we are all proud of the Club, are we not? Let's show 'em we are all proud of 'em by saying a good word for them now and then.

Library

The library is open every period of the day except P. E. period. All the books are in alphabetical order by the author's name. When calling for a book, be sure to give the author's name. All books have cards and date due slips in them. The books may be kept out one week. If this rule is not obeyed outside reading points will be

deducted from the student's record. Reference books are also to be checked out. The dictionary is ready for use. Many history, government and science books are in the library. All are urged to use and help take care of these books.

Library girls are: 1st period, Lois Stotts; 2nd period, Louise West and Margaret Dean; 3rd period, Evelyn Stevens; 4th period, Mary Slaughter and Pearl Carter.

5th period, Maxin Barnes; 6th period, Nannie Marie Breeding and Lena Ruth Harris.

Junior Class Meeting

At the Junior class meeting last Friday we decided to buy class pens. These pens will not be so very expensive; however, they will be the pride of every Junior. As soon as the salesman comes we will select the pen we want. These pens will not be here until after cotton picking season is over and everyone has plenty of money. Parents, would these pens not be a wonderful Christmas present to that Junior son and daughter of yours?

Sports

The Junior basketball team is getting in shape and has started playing. The group consists of about 22 boys. They are divided into two teams. Clyde Robertson, Jr. is captain of one team and Jack Stone is captain of the other.

Clyde's team has been the winning team the last few days.

The Senior boys are showing improvement. They are divided into three teams.

The Circleback team came over Thursday afternoon and was defeated by the locals 14 to 12.

Scout News

Owing to the illness of our scoutmaster, Mr. Clements, no meeting was held Thursday night, Sept. 21. The Scouts were all present and we played basketball under the direction of Mr. White.

From Superintendents Office
 Is a college education going to be as valuable in the future as in the past?

It will be more valuable for two reasons. The colleges are rapidly improving and learning better how to train young men and women for practical life. Second, business industry and the professions are, as never before, requiring special training. Notwithstanding that many college graduates are just now out of jobs, yet, when the jobs come back, as they soon will the boys and girls equipped with training will be the ones who will get them. (Taken from "Let's Explore your Mind")

School Gossip

Mr. Smith was in Muleshoe on business Saturday afternoon. Chris Furneaux and his father and mother were in Lubbock Saturday. They were accompanied by Mrs. Herman Lyle, and son, Herman Jr.

Wesley Bobo spent the weekend in Sudan with his sister, Miss Estelle Bobo.

Gladys Boyles has been absent from school several days because of illness. We hope that she will be able to be in school again soon.

Mrs. Moore, Miss Bobo and Mr. Smith were in Amherst Sunday afternoon getting text books which were needed badly in Vocational Agriculture class.

Grammar School News.

First Grade.
 Miss Baccus reported that Marie McWilliams, one of the low first grade pupils, was absent Friday because of illness.

Earlene Benson from Patricia is a new pupil in the high first grade. The high first pupils are enjoying their bulletin board very much.

Second Grade
 The low second will give a program in chapel Tuesday from 11:00 to 11:30 O'clock and will be glad to have visitors. Mildred Lynch spent the weekend in Amarillo. Allen Silbert is back in school after spending

ing a week in New Mexico. Sixth Grade

Mr. Hicks reports that the low sixth grade has current events on Friday, and all the pupils seem to enjoy them. A volley ball court has been erected back of the school building, but not many of the low sixth grade girls are playing.

Seventh Grade
 Dorothy Workman is a new pupil in the low seventh, making an enrollment of forty-eight. All of the students were terribly worried about George Doty, because he did not come to school Friday. Several of the boys in the low seventh have initial names, and when Miss Branch asks them what names the initials were for they did not know. The majority of them have learned what their names are by now, though.

The Grammar School is very grateful to Dr. Ford for copies of "Outdoor Life" for years 1932-33. This is a great help to the library.

Travis Gern, of Mrs. Kittly's room has withdrawn from school. He is moving to East Texas.

The students of the low third have a collection of first and second grade books and are enjoying reading them. They have a good attendance. Geraldine Faegan was run over by a trailer and will be absent from school several days.

Jessie Lee Parks, Horace Jones, Lowell Ray, Wanda Dill, and Arnetta Cartmill, of the low fourth, were absent last week due to illness.

On Thursday, September 14, the low fourth grade pupils in Miss Denny's room had a class meeting and elected class officers, the following were elected: President, Eula Mae Clark; Vice President, Floyd Seymore; Secretary-Treasurer, Wanoy Fowler.

These officers will serve until this six week's term is up, then new ones will be elected. The election of class officers causes more class interest and teachers and pupils know how to carry on elections. No pupil whose grades are unsatisfactory can be elected as an officer.

ON TEXAS FARMS.

A total of 1381 Victoria county farm wives, not members of home demonstration clubs, were taught canning, cheese making and foundation pattern making this year, the county home demonstration council reports. Since April 284 sanitary pit toilets were installed. Hardware dealers report 80,000 cans and 75 canners and sealers sold.

More than 30 Lubbock county 4-H club boys and girls are feeding out baby beebes in preparation for the annual show in Lubbock next spring.

Four acres seeded to dallis grass and lespedeza in a 15-acre draw pasture having Bermuda grass as a base supply all the grazing for four mules, 3 cows and 15 pigs on the farm of Holly Hale near Arlington in Tarrant county. It is a county agent pasture demonstration to show what improvement will do for sandy upland grazing.

Goliad county farmers and ranchers are shipping hogs and cattle cooperatively to Houston. In July 700 head of calves and cattle worth \$7,000 and 72 hogs worth \$500 were sold in this way.

About 37,000 cans of vegetables have been filled in the R. F. C. cannery in Denton by people unable to purchase containers and equipment, the home demonstration agent reports. Eighteen canners and sealers were kept busy in August and nearly 12,000 cans of food are on hand for relief purpose.

Vaccination of lambs for soremouth using the vaccine discovered by the Sonora Experiment Sub-Station is certain to become a fixed practice among sheep men of Tom Green county, the county agent states after receiving reports from 10 or 15 ranchers who have used the treatment with great success.

THE WAY OF LIFE

By a Layman
"Behold Thy Mother"

These words were addressed to Saint John by Jesus as He hung upon the cross and committed the care of His mother to His faithful disciple. No pain nor suffering was severe enough to take His thoughts from the welfare of His mother.

The Christian mother is the highest achievement of Christian civilization and the best standard by which human progress can be measured. The place that a civilization gives to Christian mothers is the truest indication of the strength of that civilization.

The Christian mother is not the natural result of bringing children into the world. It is not the result of technical instruction and technical education. It is the product of long, hard experience gained by the mother in her adherence to the Christian ideal in finding her life by losing it in the interest of her children, her family.

Whistler, the great artist, has painted a picture of his mother and this picture has been brought from Europe to Chicago for the Century of Progress. The picture is insured for one million dollars. This is an insignificant valuation. It is beyond valuation in money. It is worth a trip to Chicago to see this picture.

It would be interesting to put a picture of the up-to-date "flapper" mother near the production of the great artist to mark what some people consider a Century of Progress. But the ideal is not dead, and it is not going to die.

THINK ON THESE THINGS
(By the Parson)

Boy, Howdy! Happy days are here again. The cotton checks are coming in. The fall rush is starting in grand style. Men are paying debts that are so old they have whiskers in them. It seems that nearly everybody is getting the "car fever". Many are buying clothes which they have needed for several years. Many of the faces which have looked more like a picture of despair, or "sumpin' worse," have become as pleasant as the face of a full moon.

The "Parson" has been predicting the biggest fall rush in many years. Some of the merchants have already said that Monday was like a Saturday (That means lots of business.) We are going to have a "Dual Fall." Lots of money on cotton checks, (more than was realized on last years crop) and a Bumper Crop to Follow Immediately.

Men get that old frown off your face. Put on enough force to take care of a Big trade. Give the people service for a Big Rush is just in the making. Advertising your goods. Let the people know what you have in stock and the price and they will come and get it.

Say! What about getting the Road Contractors and their crews, located in Sudan? If we let some other town get them we ought to be shot with a sloop bucket full of beans.

The citizens of adjacent territory to Sudan ought to bring pressure to bear on their commissioners to get some roads graded. It is reported that all roads leading to our neighboring cities are in good shape but those leading to Sudan are not. If this report is correct? Sudan is being treated unfair. It is further reported that one of the south roads leading into Sudan hasn't been graded in four years. I do not know wheather

this report is correct, but one thing is a fact. It needs grading Now. Not only for the convenience of the people who live out that way, but it is almost impossible for our school truck to get over them, especially when it comes a sprinkle of rain. Men elected to public office should serve all the people alike.

Sudan is Wide Open. Beer is flowing and foaming. But with the induction of this unwelcome visitor, the Executive department of law and order face new problems. It is a felony for any person or persons to drive a car intoxicated. This Law Ought to be Inforced to the Limit. A drunken driver endangers the lives of all whom he might meet on the road Sudan ought to be an "Unhealthy" place for anyone who gets drunk.

Give your hometown merchant the first chance on your order. Their prices are right and they are always ready to accommodate you in every way. They have been carrying our accounts and have accommodated us in a thousand ways. Lets spend our cash with them.

I have never known an out-of-town concern to pay anything for the support of our schools, churches, or improvement of city or community. Let's stand by the men who help to make possible an education for our children.

In paying your accounts don't forget the Sudan News. It is your best friend. It is the only business concern of any city that gives its entire time to boosting and promoting the general interests of your community. It deserves your support.

Learn to read the ads in your hometown paper and you will be surprised at the amount of money it will save you. Merchants Advertise your prices! It is only in this way that the general public may know that Sudan Merchants are cheap. Try it and be convinced.

It pays to Buy and Sell in Sudan.
