VOLUME IX

SUDAN, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 16, 1933

NUMBER 20

Sudan Club Endorses Texas Good Roads Association At Meeting

4750 Bales Of Cotton Ginned

Sudan's three gins are running 24 hours a day and are turning out more than 275 bales of cotton a day. Total amount of cotton ginned to Thursday noon was 4750 bales, which is an increase of 1434 bales over the amount ginned the same day last week.

Tags For Farmers' Ranchers' Trucks Reduced By Half

License for farmers' and ranchers' trucks will cost just half what they formerly cost, under a new law passed at the last special session of the legislature.

Tags will be issued for the remainder of 1933 but farm and ranch truck owners must pay the reduced fee and get a receipt to carry on their persons when they drive their trucks off their own premises. Plates are not required unless the highways are used. Special sized or colored numbers to distinguish them will be issued for 1934.

The reduction in fee does not apply when trailers or semitrailers are used or on trucks over 8,000 pounds. The special rate applies only when the farmer or rancher is hauling products from his own place to market or to some processing point or taking supplies to his own ranch or farm.

No extension of time will be allowed on motor vehicles licenses after February 1, and no other class of tags will be reduced, the fee remaining the same as in 1933.

Civil Docket Co. Court

County court convened Monday, November 6, for the fall term with Judge Simon D. Hay presiding and the jury cases were set for hearing beginning Tuesday November 14, when the first jury has been called. About 30 old cases that had been on the docket for a year or more were dismissed for want of prosecution.

All criminal cases were set Tuesday, November 14.

Following is the civil docket taken up Tuesday:

Monday, November 20, Ira Smith vs. A. M. Johnson.

Monday November 20, Foote Broe, Gear & Machine Co. vs. Lamb county and C. E. Strawn.

November 20 Elmer S. Oxford vs. W. E. Bennett.

Tuesday, November 21, First National Bank of Littlefield vs. W. T. Morgan.

Wednesday, November 22, W. G. Page vs. E. H. Garner, transferred from J. P. Court.

Wednesday, November 22, Shepard Chevrolet Co. vs. W. V. Douglas.

Saturday, November 25, Pneumatic Grain & Machine Corp. vs. J. E. Fuller.

RETURNS HOME

Herschel White returned home from the Littlefield hospital very much improved mentally Tuesday. He has been suffering from a nervous breakdown.

REV SPECK TO PREACH ON NRA

By popular request, Rev. W. M. Speck, local Church of Christ pastor, will lecture on NRA at the local church Sunday night at 7:30 o'clock, according to Commissioner C. A. Daniel.

Rev. Speck will discuss question which is bothering so many minds of whether or not the "Blue Eagle is the Mark of the Beast."

Those interested are urged to attend the evening services.

Safe Found Near Here Belongs To Kress State Bank

A bank safe, emptied of all identifying papers, bearing the sign "Farmers State bank," was uncovered ten miles north of here last Friday, was identified by Deputy Sheriff T. O. Goings of Tullia and E. A. Nolte, insurance company representative of Tullia, as belonging to the Farmers State bank at Kress.

A road grading crew while eating dinner beside of the road noticed a place where the ground had been disturbed, and upon further investigation found the safe. With the aid of a tractor the safe was pulled from the hole. Commissioner C. A. Daniel brought the safe door, a money changer and parts of an old file to Sudan.

Sheriff Irvin who notified Swisher county authorities of the find, investigated the place where the safe was found, but found no clues.

Deputy Sheriff Goings and

Mr. Nolte who came to Sudan Saturday took part of the safe back to Kress with them, while they were forced to leave the safe on account of its weight, but will send a truck back for it.

Mr. Nolte is a representative of the insurance company which had the safe insured.

The safe when stolen from the Kress bank the night of March 4 contained \$1,250, and was carried from Kress to Happy in a trailer, but was transferred to a truck at that place and officers lost trace, according to Deputy Sheriff Goings.

The robbers did not blow the safe open but waited for the time lock, according to Mr. Nolte. The insurance company paid \$108 insurance on the safe besides the \$1,250 for the cash stolen.

A number of Tullia and Kress people were here Saturday looking for clues.

Appliances Should Be Inspected Now

Cold weather is here and you should have your gas appliances inspected to discover possible leaks, and the stoves properly adjusted for the sake of economy says Clinton Lackey, district manager of the West Texas Gas company.

"This condition results in the extravagant use of gas, and many times is the cause of dissatisfaction on the part of the customer. The flame should be perfectly blue and not over two or three inches in length in a heater, and not over one-half to three-fourths inch on a cook stove. If in doubt about the adjustment, you are invited to call the office," he said. This service is free to all customers of the company.

The West Texas Gas company invites the users of gas to feel free to request the services of their men in making adjustments of gas appliances in order that you may get the utmost efficiency at the least possible cost. If the proper mixture of gas and air is not used, gas is being wasted in heating your home.

Corn Processed For Farmers' Own Use Not Subject To Tax

Corn processed for the farmer's own use, such as when he cracks it for feeding purposes, is not subject to the processing tax which became effective November 5.

Provided the grain processed is for sale, the regulations stipulated that any processing in the field except drying and cleaning would be subject to the tax which is 28 cents per bushel (50 pounds).

"Milling or other processing for market (except cleaning, and drying), including cutting, grinding, cracking, breaking by machine or other means of custom milling for tolls, as well as commercial milling," were described as such operations subject to tax.

"Cutting, grinding, cracking or breaking corn not in the form of flour for feed purposes alone" is specifically exempted.

Museum Visited By More Than 20,000

More than 20,000 visitors have been shown through the Panhandle-Plains Historical society museum since it was opened to the public last spring.

The average attendance on Sunday afternoon has been 300. The building, which houses relics of Indian days and prehistoric life, is also open on Tuesday and Thursday afternoons, between 2 and 4 o'clock.

FOR SALE—Dr. Ford has a Ford truck for sale cheap for the money. Better hurry if you want a bargain.

Adair Webb And Miss Denison Wed

Adair Webb of Sudan and Bertha Denison of Vernon were married in Vernon Saturday, November 4th. The wedding supper was given at the home of the groom, Mr. and Mrs. J. J. Webb.

Mr. and Mrs. Curley Camps and daughter Helen and Mrs. Alfred Schroeder of Amherst and Miss Pauline Baker of Vernon were the out of town guests.

They will make their home in Amherst.

Home Demonstration News

By Bernice Westbrook, C.H.D.A.

Achievement program for farm food supply was held November 1, at the home of Mrs. J. B. Pate of the Spring Lake club, demonstrator of Farm Food Supply. At this time ten people saw the cellar which had been dug and equipped for the purpose of storing canned and cured fruits, vegetables, and meats. In this pantry is an ample supply of starchy, leafy, and other vegetables, as well as fruits and some meats for a family of two.

The shelves in the pantry of Mrs. L. H. Bush, farm food supply cooperator in the Littlefield club, are completely filled with canned fruits, vegetables, and meats. Besides these foods Mrs. Bush has several bushels of peanuts that she is planning to convert into peanut butter to add to the family food supply.

A lovely hooked mat has been made by Miss Willie White of the Sod House club, and has been submitted to Miss Haden, rug and mat specialist at College Station. The mat has been approved and Miss White's name is now on the list of persons who have standardized mats.

Is Hijacked Fri. Night

M. D. Johnson, who is employed on the Capps farm south west of town was hijacked Friday night near the J. W. Hammock farm.

A car stopped and two men jumped out while one stayed in the car. Both were armed according to Mr. Johnson. He was ordered to "stick 'm up" Seventy-five cents which he had just received at a Sudan gin was all that was taken.

"You didn't get much," Mr. Johnson told the robbers.

"No, but it is a good thing that you had that," one of the men replied.

TAKEN TO HOSPITAL

B. B. Shore who was operated on for appendicitis over a year ago, was taken to the Lubbock Hospital by Commissioner C. A. Daniel Tuesday night for hospital treatment. The doctors state that it may be necessary to make another operation.

Business Hums In Local Stores

Things are humming in Sudan business district nowadays. The annual fall shopping season is underway, already under heavy steam.

For two weeks, business houses have been rushed by an unusual amount of business. An optimistic feeling prevails among merchants. Many of them are looking forward to a big Christmas shopping season, to which the current buying is a prelude.

Two merchants said last week that their business was the best since they had been in Sudan.

Gins are running almost continuously now, in order to gin the bumper cotton crop which is being harvested.

SOCK SUPPER AT REBEKAH LODGE HALL WEDNESDAY

A Sock Supper will be held at the Rebekah Lodge hall Wednesday night, November 22, and everybody is invited.

The ladies are urged to fill a pair of socks with things good to eat, and the men are to bring pockets well-filled with money with which to buy the socks which will be sold to the highest bidders.

Good music and lots of fun are promised those who attend. A sock supper is just like a box supper only better. Everyone is invited.

LADIES BIBLE CLASS OF CHURCH OF CHRIST

There were seven ladies present Tuesday afternoon for Bible study. We are studying the early history of the church. Bro. Speck will be with the class next Tuesday. All are invited to be with the class in these interesting lessons.

There will be song practice at the Church Thursday night 7:30.

Bro. Speck preaches at 11:00 Sunday morning. Also Sunday night 7:30 on the mark of the Beast. Is it the NRA?—Reporter.

EASTERN STAR TO MEET MON. NIGHT

The Eastern Star will meet Monday night in a regular meeting, and all members of the lodge are urged to be present. The Worthy Matron is giving her report to Amarillo which is the Grand Chapter. Other business will also be discussed.

BUSINESS MEN MEET

The Sudan Business Men's club met in regular luncheon at the Lam's cafe Tuesday at noon with several prominent speakers present.

After a speech by J. C. Watson, district representative of the Texas Good Roads association, the club went on record as favoring that association, and men were appointed to assist Mr. Watson in getting members for that association in Sudan.

RETURNED TO SUDAN

Rev. Sam A. Thomas was returned to Sudan as pastor of the Methodist church for the ensuing year by the Methodist conference which met at Clarendon last week. Rev. and Mrs. Thomas and family moved to Sudan 12 months ago, and he has been pastor here for the Methodist church.

The many friends of Rev. and Mrs. Thomas will be glad to hear that they have been sent back.

F. E. MILLER AND FAMILY SPENT MONDAY IN AMARILLO

F. E. Miller and family spent Monday in Amarillo.

COTTON MARKET

Middling cotton was bringing \$3.50 in Sudan Thursday at noon.

Payment Of County Taxes May Be Made In Sudan Dec. 14

For the convenience of the tax payers of the county, Collector Griffin says he will visit the towns of the county beginning Tuesday, December 12.

He visits Littlefield; on Wednesday, December 13, he will be in Amherst; on Thursday, December 14, he will be at Sudan, and Friday, December 15 at Earth. His deputies will accompany him in order that he can give quick service.

Mr. Griffin says that the law requires an additional penalty of 10 per cent to be added after December 31, and is showing his desire to save the people his added expense by taking his books to their towns.

The office of the collector in the court house at Oton will be closed on the days that he makes his out of town visits.

First Public Sale Of Season Tues.

The first Public Sale of the season in the Sudan territory will be held on the old S. R. Little farm 15 miles northwest of Sudan Tuesday, November 21 with Col. Jack Rowan doing the auctioneering.

C. B. Dawson is the owner of the things being offered for sale.

Some registered Hampshire hogs, good milk cows, Ancona hens, and good farm machinery will go on the block at this sale.

A free lunch will be served at noon, and everyone is urged to bring cups.

Col. Rowan is a well known auctioneer in this territory, having auctioneered in this trade territory for the past eight years. He handles practically all of the sales in this territory. If you are figuring on a public sale—see him.

80,000 People Killed In Accidents Yearly

Early in October the National Safety Congress met in Chicago. It was greeted with a message from President Roosevelt which read in part: "The conservation of human life, and the prevention of accidental injuries, is of vital importance to our welfare and happiness... We sacrificed 80,000 lives through accidents last year. Approximately 9,000,000 people were injured. The economic cost run close to two billion dollars. The social cost is immeasurable. Briefly stated, that is our national accident problem, and it certainly offers a most serious challenge to the American people."

At its meeting, the Congress formulated plans for continuing its unremitting fight against accidents through 1934. In that fine work it will be aided by other organizations, such as the National Bureau of Casualty Surety Underwriters, which works unremittingly in the interest of safer happier living. In certain fields, notably that of industry—the work has produced fine fruit. In others—particularly the automobile—the public response has been discouraging. And the public is irreplaceable lives.

This year there has been a start made in lowering the automobile death toll, and it will be appreciably under the 1932 level. But thousands of careless drivers still roam the highways, a constant menace to the rest of us. The incompetent and the discourteous and the congenially reckless still guide tons of metal as high speeds. Here indeed, is a great challenge to the American people.

Miss Eleanor Ray, who is employed at the Gooch Sanitarium in Shamrock spent the weekend visiting her parents and friends in Sudan.

Mr. and Mrs. Archie Copelander of Wellington visited the former's sister, Mrs. Porter Earnest and husband.

A/S Predominate In State Report

General condition of shop A, bath A, and ventilation A, are the grades given Hunts Barber Shop by the State Barber Inspector who visited that shop November 10.

The complete inspection report is printed on another page of this issue of The News, read it, as it is self explanatory.

Only one grade lower than A, which is good and the highest grade that can be made and that was B. B was given on linen because the linen closets did not have doors. This is not required but A cannot be given when they are not had.

The hunt Barber shop has an ideal building, since moving into its new home.

Sudan H. D. Club Met Friday, Nov. 10

The Sudan Home Demonstration club met with Mrs. C. A. Daniel in regular meeting Nov. 10 at 2:30 o'clock. Planning and remodeling of kitchen was the subject of the lesson.

A business session was held in which reports, etc. for closing of year reports was made. The club decided to sell subscriptions to Holland's magazines.

The next meeting will be achievement day farm food supply and will meet with Mrs. E. A. Shaffer, Nov. 24. At this meeting officers will be elected and also names drawn for exchanging Christmas gifts.

Lovely refreshments of hot chocolate, sandwiches and doughnuts were served to 10 members.

Weekly Cotton Grade And Staple Report For Week Ending Nov 9

This week 49 per cent of the cotton from Texas was classed as equivalent to some one of the grades of the Spotted and Yellow Tinged Standards; however, there was a negligible quantity of Yellow Tinged cotton classed this week, and thus far this season there has been very little Yellow Tinged cotton classed from Texas. The bulk of the cotton classed so far this season as equivalent to the Spotted Standards has shown a light spot.

Extra White and White cotton of the grades Strict Middling and Middling made up 33 per cent of the cotton classed from Texas this week. Nine per cent of the cotton classed this week was Strict Low Middling in grade on the White and Extra White Standards. About 15 per cent of the cotton was 1 inch or longer. Slightly more than 4 per cent of the cotton was shorter than 7-8 inch. Cotton 15-16 and 31-32 made up 44 per cent of the cotton classed this week. Ninety-four per cent of the cotton classed for Texas this week was tenderable on futures contracts.

About 36 per cent of the cotton from District 2, the High Plains was White and Extra White and graded Strict Middling and Middling. About 40 per cent of the cotton from that section fell in the Spotted group. Some 15 per cent was Strict Low Middling in grade and equivalent to the White and extra White Standards. Fifty-four per cent of the cotton from that area was 15-16 and 31-31 inch in staple length. Twenty-four per cent was 1 inch and 1-32 inches. Only 1 per cent was shorter than 7-8 inch. About 4 per cent was untenderable on future contracts.

SUDAN VETERANS ATTEND BANQUET

Mr. Dee Boire, Post Commander of Plainview Post, was the main speaker at the Armistice Day banquet held at the Amherst hotel in Amherst Saturday.

A turkey dinner was served to over 50 veterans, wives, and friends. Ben McGee, retiring commander, was toast master, and J. I. Warren had charge of the music consisting of war time songs.

Those attending from Sudan were Francis Miller, Ed Markham, Jim Serratt, E. J. Stone, Herman Lyle and Chas Crawford.

Drive For Members Here Nets 33; 8 Over Quota Set By Association

Following the endorsement of the Texas Good Roads Association by the Sudan Business Men's club Tuesday at noon, a campaign was held to raise Sudan's quota of 25 members as set by the association. Within a few hours 33 members had been obtained.

J. C. Watson, field representative of the Texas Good Roads association of Lubbock, made an address in which he cited the work that has been done by the Texas Good Roads association since its organization and what it intends to do with proper support of the people.

He stated that the Association is dedicated to the proper upkeep of existing highways, and to the building of those sections of highways needed to complete the network of primary roads in Texas. It is a non-political, non-partisan, state-wide agency to support the development of Texas highways.

Mr. Watson said there is now 20,000 miles of designated state highways in Texas, over 9,000 miles of which is yet to be paved and that the Federal Public Works Program has allocated \$24,000,000 to Texas which is about four dollars per capita per county.

It is one of the aims of the Texas Good Roads Association to secure as much of this money as possible for building primary and secondary roads.

The speaker stated that both Frances Perkins, secretary of labor in Roosevelt's cabinet and Colonel Louis McHenry Howe, the president's confidential secretary, have been opposed to using public works money for road building, but that recently Colonel Ike Askburn of Houston, executive manager of the Texas Good Roads Association, on a trip to Washington showed Colonel Howe the names of 18,000 leading Texans who were in favor of such a program, and the Colonel admitted that the people of Texas are road-minded.

Not only that, but Mr. Watson said it is now planned to take 50,000 names of Texans to Washington to help get money from the public works appropriation for road building purposes. The association will ask for \$75,000,000 more for road construction in this state.

After the meeting and the 33 members had been obtained Mr. Watson stated that Sudan had raised its quota of membership quicker than any other town in his district which consists of 100 towns.

Sudan is in the Lubbock district of which P. B. Ralls is president.

Sudan members in the Texas Good Roads association are: V. C. Nelson; R. P. Markham; L. E. Slate; Charlie Nichols; F. E. Miller; Sam Saunders; Dr. G. A. Foote; Dr. Grupe; M. A. Smith; Elie Lam; Sam A. Thomas; H. G. Ramby; Thomas P. Howard; W. J. New; Dr. W. H. Ford; R. E. Doss; J. A. Harris; Carlisle Daniels; J. C. Barron; Joe Jacobson; Joe T. Salem; J. A. Dryden; J. E. Dryden; Mrs. Cora King; Doyle Morrow; Tom Alderson; Joe Foster; Paul Dill; Loyd Cheshier; Ves Patterson; G. W. Cheshier; J. R. Dean and H. H. Weimhold.

MORE BONES FOUND

The lower jaw bone and one of the forearm bones believed to be those of T. H. White were found Tuesday near the scene where the clothing identified as belonging to Mr. White was found.

SUDAN VETERANS ATTEND BANQUET

Mr. Dee Boire, Post Commander of Plainview Post, was the main speaker at the Armistice Day banquet held at the Amherst hotel in Amherst Saturday.

A turkey dinner was served to over 50 veterans, wives, and friends. Ben McGee, retiring commander, was toast master, and J. I. Warren had charge of the music consisting of war time songs.

Those attending from Sudan were Francis Miller, Ed Markham, Jim Serratt, E. J. Stone, Herman Lyle and Chas Crawford.

Farming As A Business

Farming is one of the most important businesses in the world, as it is the basic of all civilization; therefore it is necessary to apply business ethics to farming the same as any other kind of business. Whether farming pays not not always depend upon the farm alone; the farmer and his methods are as important in the success. Many a farmer has moved onto a poor piece of land and failed, while there has been some farmers who moved on such places and by using every effort he could think of to improve the place, has made a success. The latter used the latest discoveries in farming—rotating crops, terracing, bookkeeping, and diversification. The former shifts from one place to another blaming everything and everybody other than himself and continues to make a failure and is doomed unless he accepts modern business methods of farming.

Farming requires as much business intelligence as any other business activity, and brawn will not make it successful unless it has the cooperation of the brain. The farmer who organizes his business, in order to save his heel and keep money coming in the year round, is the one who will be successful. This man is valuable to his community.

Contrasting The Farmers

Even though Iowa farmers were upturning mill trucks and obstructing highways.

A Texas farmer walked up and down the foyer of a Wellington bank shouting with all his might:

"Hurray for President Roosevelt; Praise the Lord! Glory! Glory! Hallelujah!"

This shows the difference in farmers; the Texas man was proud that the government had made it possible for him to pay off the mortgage on his farm; the Iowans were tearin up property, trying to compel the government to make them rich and happy.

The Texan worked and kept trying and paid off his note. Somehow we favor Farmer Shepp.

What It Costs Us

The publishers of The Sudan News have turned down more than \$400 worth of business from fake advertising business which it deemed unadvisable for the business men of Sudan to take, in their campaign against faker and schemers here. The Muleshoe Journal is also waging a campaign against such schemers. Here is what they said last week in an editorial headed "Fake Advertising."

This is the time of year when fakers, grafters and slickers of various and sundry kinds visit the Plains country. When a harvest time arrives and money becomes more plentiful this section is never disappointed in the visitations of this class of people and Muleshoe is no exception.

There have been plenty of these traveling men with their fake advertising schemes already come to Muleshoe, some of them successfully putting over their pet scheme which, in the main, profits no one but the fellow who put it over. Occasionally, some of these advertising schemes bear merit and are worth while in a measure, but it is a well known fact by business men who know what real advertising is that 90 per cent of them have practically no value at all.

It has always been the policy of the Journal to protect local business men against all unworthy advertising schemes possible, frequently doing so at the expense of its own business. Already this fall the Journal office has turned down more than \$300 worth of business from various fake advertising schemes which it deemed inadvisable for local business men to participate in. The Journal could have used that business very nicely, needed the profit from it, but as a matter of principal refuses to be a party to any such graft. Some of these schemes were put over anyway by their perpetrators and in some instances liberally patronized by business concerns who unwittingly became the victims of the slickers, but the printing of none of them was done in Muleshoe.

The recommendation of the Kiwanis club to appoint a committee to pass upon all advertising schemes presented here before being patronized by local business concerns is a splendid idea and should receive unanimous support. It will mean saving of hundreds of dollars to these business men.

Here's Quickest, Simplest Way to Stop a Cold

1. Take 2 Bayer Aspirin Tablets.
2. Drink full glass of water. Repeat treatment in 2 hours.
3. If throat is sore, crush and dissolve 2 Bayer Aspirin Tablets in a half glass of water and gargle according to directions in box.

Almost Instant Relief

in this Way

The simple method pictured above is the way doctors throughout the world now treat colds.

It is recognized as the QUICK-EST, safest, surest way to treat a cold. For it will check an ordinary cold almost as fast as you caught it.

Ask your doctor about this. And when you buy, see that you get the real BAYER Aspirin Tablets. They dissolve almost instantly when you take them. And for a gargle, Genuine BAYER Aspirin Tablets dissolve so completely they leave no irritating particles. Get a box or 12 tablets or a bottle of 24 or 100 at any drug store.

"This is GAS AND OIL MONEY — BELIEVE IT OR NOT!"

Sally: "Really? Tell me about it, Helen." Helen: "Well, as I use the car most of the time these days and actually buy the oil and gas, Dick thought it a good plan to turn the car budget over to me entirely." Sally: "How does that give you extra money?" Helen: "I have more time than Dick and have learned some surprising things about the cost of car operation. Dick thought all gas and oil sold at approximately the same price were of equal value. When the motor broke down, he considered it just hard luck and paid the repair bill." Sally: "Isn't it?" Helen: "No! It is poor motor protection. More than half the entire motor wear occurs during the few minutes of starting when the motor is cold. Only one brand of oil—Conoco Germ Processed Motor Oil—penetrates the metal so that a portion of it, nearly a quart, stays up in your motor, greatly reducing the wear. So checking back on

repair bills that were paid before I changed to Conoco, we've saved a lot of money this last year." Sally: "What about gasoline?" Helen: "To me that choice depended on quick starting—Dick used to choke the car until he was wild. It wasted so much gasoline in cold weather—ran the battery down and the nerves, too. With Conoco Bronze, the motor starts at the first turn and has power galore—goes further on each gallon and is anti-knock also. So you see how I did it?" Sally: "I certainly do, Helen—and I think you're a very clever girl!"

CONOCO at the sign of the Red Triangle

Full motor protection, especially in cold motor starting, can be found only in Conoco Germ Processed (Paraffin Base) Motor Oil because of the penetrative oiliness, called "The Hidden Quart" stays up in your motor and never drains away.

Instant Starting and Lightning Pick-up can best be obtained with Conoco Bronze Gasoline, and without sacrifice of Long Mileage, Greater Power and Anti-Knock advantages. For cold weather starting it cannot be excelled.

When planning a trip for business or vacation, write the Conoco Travel Bureau, Denver, Colo., America's largest Free Travel Bureau.

To Whom It May Concern

Borrowing

Borrowing is the act of acquiring anything of concrete value with the expectation of both parties concerned of the article borrowed or its equivalent being returned to the lender at some reasonable time.

Of course everyone borrows when necessary, but not everyone waits until it is necessary. Suppose you borrow from your friend and when you do this you have no intentions of returning this particular thing. The result is nine times out of ten you lose friendship, and friendship is one of the most valuable things in the world.

Are you a person that borrows when the owners back is turned? Each student of Sudan High School is assigned lockers for their personal use and you are intruding upon the rights by opening some one else's locker.

Do you meet your classes without supplies and are forced to borrow from your neighbor? Do you make it an attempt to repay the articles borrowed? Think these things over and if you are a member of this thoughtless club, you will make many friends by withdrawing your membership.

Seniors We Need Money

Our class rings will be here soon and we want them as soon as they get here. Seniors you MUST bring the money for your rings. Maybe you don't want yours, but we want ours, so don't hold the whole thing up by not bringing your money. All the money must be paid before any of the rings can be taken from the post office. YOU BRING YOUR MONEY NOW.

SPORTS

Several of the basket ball players are still out due to work but most of them will be back next week. Surely everyone wants a winning team this year but we can't have it until we have good backing by a pep squad. The school doesn't have the spirit now that they did have. What about a good pep squad at all times to liven up

the school?

The teams are going to Bovina Friday night to play Bovina. This will be the first game since school reopened from cotton picking. The High School attendance has fallen off this week. Most of the cotton will soon be gathered if this fair weather continues and the pupils should return to school. We urge the pupils to be in school at the earliest date possible; so that they may get the best results from their work.

Thanksgiving Program

There will be a Thanksgiving program given at the high school auditorium, on the evening of November 30 at 7:30. A program is being arranged, and everyone is assured of hearing something worthwhile. All are cordially invited to be there.

Mayfield Sings

Wednesday of last week, instead of having the usual chapel program Mrs. Mayfield of Lamesa, Texas, sang a good selection of popular songs which were enjoyed very much by those who attended. Many of the high school students attended as a per cent of the money received went to the athletic fund.

Wednesday of this week, students assembled for chapel. Rev. Joiner, the Baptist minister gave a brief talk.

Spanish Club Organized

A Spanish club was organized last Thursday afternoon during the fifth period. The club was organized by Miss Bobo and the second year Spanish class. There are ten members. The officers elected were: President: Lena Ruth Harris. Vice-president: Chris Furneaux.

Secretary-treasurer: Dugan King.

Reporter: Xezvus Cockerham. The club has not decided on a name or motto yet. This will be accomplished at the next meeting, Monday afternoon. The Spanish club is subscribing for three Spanish papers. These papers will be studied in the

club. The club will put on several interesting Spanish plays this year.

Who's Who In The Senior Class

Robert Hawkins (Bob), is our sunny little strawberry blonde. He has a very good disposition and is popular among the students. He is one of the most intelligent students in school. He is, in fact, a bright and shining light in the class and the seniors couldn't get along without him.

Nell Walker. Yes, that jolly plump girl who is always talking and laughing, having a good time, is none other than Nell Walker. She has the name of being the best natured person in school and we will agree that she rightfully deserves it. Nell isn't so fond of studying any thing but chemistry, and she likes it because the experiments are exciting. The seniors are glad to have her in their class, but hardly see how Sudan High will be able to get along without her.

Personals

Edna Coc-nougher, H. B. King, Nina Coc-nougher and Roy Baccus motored to Lubbock Sunday. Roy remained in Lubbock where he is attending Texas Tech.

Evelyn Stevens spent the week-end in Earth, Texas.

Marjorie Alderson, who is attending college in Fort Worth, visited parents and friends the first of the week.

Mrs. Ludy May Lam visited school Thursday afternoon.

Nell Walker spent Sunday afternoon in Amherst.

Inez Nettles returned to school after being absent several days.

Grammar School News

First Grade: The low first students seem to be enjoying their work and are progressing rapidly.

Second Grade: The low second is proud of the new cabinet that Mr. Hughpover made for their class room. They have their benches and tables covered with oilcloth. Five new pupils have been enrolled this week; they are Fred Reece Engman, Jaunita Featherstone, Minnie Belle Wells, Lee Roy Pierce, Lessie Ives, and Edith Gilbert.

Third Grade: Miss Shuttlesworth reports that the low third has two new pupils. Minnie Jane Featherstone and Geneva Benteley.

Fourth Grade: All of the low fourth students seem to be interested in their work; they are working on Thanksgiving posters now. Arvetta Cartmill has returned to school. Wayne West was shopping in Clovis Monday. Anna Ruth Moore and Herman Speck were on the honor roll for the past six weeks.

The high fourth has an attendance of about fifty per cent. They are beginning library work, and are making a collection of books and magazines. The boys are making a book case.

Sixth Grade: Mr. White reports that the high sixth is progressing nicely and that they are having better attendance than expected. They are organizing a basketball team.

Seventh Grade: The low seventh has two new pupils. J. W. Gardner and Sybnell Nettles.

New Faculty Member

Miss Maxine Hartsell from Teague is teaching a section of the high first. There were entirely too many students for one teacher, but they are getting along very nicely with Miss Hartsell. Miss Hartsell attended Texas Technological College at Lubbock.

Jokes

Mr. Lee: "Now if I subtract 25 from 37, what's the difference?"

Frances Shaffer: "Yeah! That's what I say. Who cares?"

Mr. Jackson: "Why were you late?"

Ellis Wilson: "You would be late to if a mule kicked you."

Mr. Jackson: "Well that shouldn't detain you an hour."

Ellis: "But he kicked me the other way."

Little Betty returning from school one afternoon said: "Johnny Wilson's examination papers were so good that the teachers keeps them on the desk to show visitors."

Asked about her own, she had to confess that they weren't so good.

"But why aren't yours as good as Johnny's?" her mother asked, "you have the same opportunity."

"I know mother," said Betty, "but Johnny Wilson comes from a very bright family."

Reading Fun In Store For Boys

World adventure thrills are in store for readers of THE AMERICAN BOY — YOUTH'S COMPANION according to the word just received from the editor of youth's favorite magazine. From the Arctic to the jungles of Haiti, and from the plateau of Asia to the lion country of Africa, the editors have charted a course of excitement and fun in 12 issues of 1934.

Several years ago, THE AMERICAN BOY introduced to its readers the popular, black-haired Jimmie Rhodes, Army aviator. Those who followed his adventures through Brooks and Kelley Field, and with the 94th Pursuit on cross-country hops, target practice, and formation flying, will be delighted to learn that Jimmie Rhodes has returned to the magazine. The new series takes him to Haiti where a revolution is impending.

THE AMERICAN BOY — YOUTH'S COMPANION, filled with the adventure every boy craves, with the information he needs, and the advice on hobbies and sports he is always seeking, is the ideal present for that son, cousin, nephew, and chum. It's the kind of present that renews itself every month when the mailman lays a copy on the doorstep. Approved by teachers and educators, and endorsed by high school America, the magazine can solve your Christmas shopping difficulties.

The subscription price is \$2.00 for one year. Until January 1, you may take out a three-year subscription for \$3.00, a saving of \$3.00 over the one-year rate for three years. After January 1, this three-year rate will be withdrawn. Mail your order direct to THE AMERICAN BOY—YOUTH'S COMPANION, 7430 Second Blvd., Detroit, Mich. Service on your subscription will start with the issue you specify.

ABOUT FOLKS YOU KNOW

Miss Marjorie Alderson who is attending the T. W. C. at Fort Worth came Friday and remained until Tuesday night with her parents, Mr. and Mrs. T. W. Alderson. Mr. and Mrs. Alderson accompanied her to Lubbock.

Mrs. John A. Dryden, who has been with her daughter, Mrs. J. R. Clark in Fort Worth, for the past two months, returned to her home in Sudan the first of the week.

Mrs. Eldon Hamilton spent Monday and Tuesday in Lubbock visiting Mr. Hamilton's parents.

Mrs. Wayne Thrush and little son were in Lubbock Monday visiting and shopping.

Mrs. Ves Terry took her little son, Bobbie to the Sanitarium in Lubbock for medical treatment. She was accompanied by Mrs. Era Earnest.

Eldon Nichols was attending to business in Lubbock Wednesday.

Mr. and Mrs. Leland Phillips of Odell were in Sudan Tuesday and were guests of the Weimhold family.

Dr. L. P. Gibbs and Mrs. W. M. Clements were in Amarillo Sunday. Mrs. Clements visited with her daughter, Miss Willie Mae, who is attending the Business College, and the Dr. visited his wife and daughter.

Mrs. D. L. Butts visited her daughters in Muleshoe Monday.

Rhoda Ormand and Noel Lumpkin visited over the week-end with their respective parents. They are both attending the Business College in Amarillo.

Mrs. Dudley of Fort Worth arrived the latter part of last week for a visit with her parents Mr. and Mrs. E. Lam.

Miss Veda Albin of Morton is employed at the Lam Cafe.

Mrs. Bill Briscoe was attending to business matters in Lubbock Monday and Tuesday.

R. B. Galloway who is with the Merit Feed Company at Amarillo was attending to business in Sudan Tuesday.

Mr. and Mrs. P. E. Boesen were in Amarillo over the week-end.

Pete Ball of Claude spent several days with his sister Mrs. Tobe Vereen and family.

Miss Mary Frances Akard attended the Home Coming Celebration at the Texas Technological college in Lubbock last week-end.

Dr. Conrad R. Lam of Detroit, Michigan, visited his parents, Mr. and Mrs. E. Lam over the week-end. Dr. Lam was director of the Sudan band before going to Harvard where he received his degree. He later served his internship in a Ford hospital.

CHILD BIRTH LEFT HER THIN, WORN, NERVOUS "After birth of my baby I was thin, nervous, run-down. The first bottle of Vinol (iron tonic) helped. It gave me strength, needed weight." Mrs. M. Gunstone, Ramby's Pharmacy.

Miss Frances Weimhold who is attending Texas Tech spent the weekend visiting friends and relatives in Sudan.

J. W. Withrow, who recently renewed his subscription to The News stated. "Whenever I pick up the Sudan News I read everything in it, for you can never tell what you will miss by not reading the home town paper."

"STOMACH PAINS SO BAD I COULD HARDLY WORK" Says C. S. Gross: "After taking Dr. Emil's Aida Tablets the pains are gone and I eat anything." Try Aida treatment on money back guarantee Ramby's Pharmacy HI

FORREST FIRES

Harold Clements was showing his new baby girl to the small daughter of R. P. Markham and small son of Wayne Thrush.

"Yes," Harold said, "the stork left her here, although we tried to keep her away." Mary turning to her father, Mr. Markham, said, "Daddy you wouldn't try to keep the stork away, would you?"

Then Gerald Kent turned to his father and said, "Daddy you can kill the stork if you want to but wait until he brings us one."

Two horse traders recently had trouble over the proboscis of one of their animals. Their wounds were united by hair from the caudal extremity. Just a pick-up.

The people of the Carolinas have a reputation for having minds of their own. They certainly upheld that reputation last week when they voted against the repeal of the Eighteenth Amendment. They voted dry and mean to stay dry.

The News sent out several sample copies last week to prospective subscribers. One of them who lives near Muleshoe read the article on diphtheria and typhoid vaccination which is being given free to widows and orphans. Being a widow the lady brought her five children to Sudan and took advantage of the offer made by the state and a local doctor. All were vaccinated against these two dreadful diseases, thus several dollars were saved—maybe lives.

It is the duty of every citizen to subscribe for his local paper. He owes it to himself and his family, as well as to the community in which he lives. If your subscription is in the arrears come to the Sudan News office and renew it.

Sudan's quota of membership to the Texas Good Roads association was set at 25. A canvass for local members Tuesday afternoon netted 33. J. C. Watson, district, representative stated that Sudan made up its quota of membership quicker than any other town in his district. Quite a compliment.

The Dallas Journal states, "Instead of not crying over split milk, these Iowa farmers turn over the can to start a howl."

I visited in Littlefield Sunday afternoon and when I turned down the Main Street, I really didn't know whether I was coming to a town or going to a carnival. Large canvas signs with large red letters, painted display windows, and other loud advertising could be seen up and down the street. This form of advertising does not

DON'T SLEEP ON LEFT SIDE—AFFECTS HEART If stomach GAS prevents sleeping on right side try Adlerika. One dose brings out poisons and relieves gas pressing on heart so you sleep soundly all night. Ramby's Pharmacy J8

only cheapen the looks of the stores and town, but puts a close-out appearance on everything. It seems that the merchants are depending on this type of advertising rather than their newspaper advertising.

Sudan merchants have a wonderful opportunity to profit by the mistakes of neighboring towns. We have a local newspaper which absolutely covers the Sudan territory. By using this as an advertising medium Sudan merchants will read a big reward. People have changed and one of these changes is from the old type of hilarious advertising which cheapens stores and merchandise in the eyes of the public, to the more conservative advertising of the good merchant who stresses quality rather than price.

It is alright to borrow your neighbor's paper if it is agreeable with both parties, but do you think it is giving your home town editor a fair chance.

\$3000 LIFE CERTIFICATE FREE FOR INSPECTION! No Medical Examination Ages 1 to 75

Thousands have Ended their Bowel Worries by taking this advice!

Can constipation actually be overcome? "Yes!" say medical men. "Yes!" say the many thousands who have followed their advice and know. You are not likely to cure your constipation with salts, pills, tablets, or any of the habit-forming cathartics. But you can correct this condition by gentle regulation with a suitable liquid laxative. using force. An approved liquid laxative (one which is most widely used for both adults and children) is syrup pepsin. Dr. Caldwell's Syrup Pepsin is a prescription, and is perfectly safe. Its laxative action is based on senna—a natural laxative. The bowels will not become dependent on this form of help, as in the case of mineral drugs. Hospitals and doctors have always used liquid laxatives. The dose can be measured, and the action controlled. Pills and tablets containing drugs of violent action are hard on the bowels. If there are children in your household, don't give them any form of laxative, but use a healthful, helpful preparation like syrup pepsin. Its very taste will tell you it is who's some, and agreeable to the stomach. Delightful taste, and delightful action; there is no discomfort at the time, or after. Ask your druggist for Dr. Caldwell's Syrup Pepsin, all ready to take.
