

## ROAMING THRU RANGER WITH RON...

**BREEZING THRU RANGER**—The other day my column was called real "breezy", and I consider that the highest compliment ever received here.

I am always striving towards a "breezy" column. But—please—don't call it "windy"!

A trip to the Dog Pound Wednesday disclosed a black specker spaniel with three young puppies, safe and content. But I certainly hope that the owner rushes down to save the mother, because no dog should be without a mother.

In case the mother and puppies go unclaimed—this will be your chance to get a family of dogs. And you shouldn't have any trouble giving away the pups.

Dogs are loose all over Ranger, and many are still unvaccinated. Of course they may be strays. But something should be done.

I've only had two dogs in my life time, and I've had a dog all my life. The first one lived to be 12 years old, and the second is getting aged. (Bet you thought I was about to reveal my age!)

Am sure that Ranger hates to see DRENNON DAVES and his wife leave here. Drennon is going to Kermit to coach baseball and football at a high school in a growing oil city.

We wish him the best of luck!

NATIONAL GUARDSMEN get back into town Sunday, and I'm sure that Ranger will immediately take on a spirit of "more life". They have been gone two weeks, and not one case of homesickness was reported!

Ranger's ROTARY CLUB is to be commended for backing the local Teen-Age League baseball.

Some confusion is still noticeable, however, about the proper names for the league and the team. Officially—it's the Teen-Age League—and unofficially—it's the Pony League.

The senior leaguers adopted the name of Rangers, and the junior leaguers remain unnamed.

ARE YOU BUILDING or remodeling? Planning to build soon? If so—give us a call. We're always interested in hearing about new houses and repair jobs in the Ranger area.

Well—you have to fill up space anyway.

A survey of the Times staff was conducted for bits of news to fit into these spaces.

One employee suggested a "bedtime story", another said he didn't know "nary a thing", and one other replied that she knew nothing fit to print!

Well, must be breezing along.

## Country Club Pool Is Filled

Water went into the new Lone Cedar Country Club swimming pool for the first time Friday.

The pool, with all but the finishing touches and some fill work completed, is expected to be ready for use in the immediate future.

Dr. James Whittington, president of the Lone Cedar Land Co., said that work on the clubhouse is expected to be completed by Monday. That will leave only the cabinets, floors and tile work to do.

Workmen are due to begin clearing off the parking area by the clubhouse Monday morning.

Dr. Whittington said that the Social club is forming rapidly, and he predicted the property would be ready to turn over to the Social group in a matter of weeks.

## Thomas Chaves Dies Friday

Thomas Jose Chaves, 72, a resident for 40 years, died at 4:45 a. m. Friday.

Miss Marie Winston, who has taught speech and history for the past year at Ranger High School, tendered her resignation in a meeting of the Board of Education Friday night.

## Cisco Panthers Beat Ranger 11-6, Here

## Jimmy Arrendale Day Set in Local Churches

Local churches are supporting the Jimmy Arrendale Hospital Fund Drive Sunday with Jimmy Arrendale Day. Funds raised in the participating churches will help defray hospital and medical expenses for Arrendale.

Sunday school classes can contribute to the fund Sunday, and containers will be available in Ranger's churches for other contributions.

Sponsored by the Ministerial Alliance, participating churches include the Pentecostal, Church of God, Nazarene, First Christian, First Methodist, Second Baptist, and First Baptist.

Organizations and lodges, including companies and corporations, wanting to make contributions to the fund can mail checks to Rev. Ralph Perkins, head of the drive, or to Mrs. Sanford Prewster II, fund secretary-treasurer.

Volunteer workers will receive donations from Ranger and area citizens calling the First Baptist Church (179) Sunday from 2 to 5 p. m. Workers will pick up the donations at the homes of everyone contributing.

About \$340 has been received into the fund, at last report. Hospital expenses are expected to total over \$1,000.

Rev. Perkins urges everyone to contribute generously to the fund, including companies and organizations. He also expressed the hope that cards would be sent by people in this area to Jimmy. Those who want to wish (Continued On Page Four)

## Giants & Indians Tie Dodgers Beat Yankees

Little League play for first place Thursday night determined nothing, as the Giants and Indians tied 9-9. The second game was a more decisive, as the Dodgers downed the Yankees 15-4.

Results of the games left the Giants and Indians still tied for first place, with the Dodgers in second. Next Monday night the Giants play the Dodgers and the Indians take on the Yankees.

Should either of the league-leading teams lose, they will go to second spot, but if they both win—the results will still be a tie for first place.

## Ranger Dads To Play Ft. Worth Amputees

A group of Fort Worth amputees are coming to Ranger to play a game against Ranger Dads and Managers and coaches on Friday, July 26, for benefit of the Ranger Little League.

Amputees are a group of men who have lost either a leg or an arm, or both. Barney Capshaw of Fort Worth, catcher, is manager of the team who has won numerous awards for his work.

Free-will donations will be taken at the game, and there will be no admission charge. All proceeds will go toward Ranger's Little League.

Organized in 1950 by Capshaw, the group became known as the Amputee Ball Club. Ten years previously, Capshaw lost a leg in a head-on collision of two locomotives, while serving with the T&P Railroad Co.

Capshaw spent a year in the hospital, and later began learning how to play baseball and basketball with a missing leg.

He organized the Amputee team to help others regain their former place in life.

Each member of the team is employed and financially independent. All of their games are benefit performances.

Capshaw, still employed by the railroad, promises a top-notch game of action.

Last year, the Dads played the Amputees here on July 20.

## State Parks Week Is Set

AUSTIN July 13—Texas State Parks — all 56 of them—will have a special welcome for visitors during the week of July 14-20 inclusive.

For the convenience of those unfamiliar with the locations of all of the state parks, there has been issued a guide that is available by application to the Texas State Parks Board, Drawer E., Capitol Station, Austin.

The guide is in compact form and can be carried in the glove compartment of an automobile. One side has the sites of the recreational parks and the historic parks marked on a road map. The reverse side gives more detailed road information and, in tabulated form, the facilities in each of the parks.

### Vacation Vision—Clear, Safe, and Comfortable

By A. L. SPERRY, O.D.  
Director Public Education  
Texas Optometric Association  
So many times some of the enjoyment and pleasure of a trip is marred by failure to plan properly for the one thing above all others which makes the trip a real adventure and pleasure—the ability to see the interesting sights and scenery clearly and comfortably.  
The best part of the trip can be spoiled by breaking your only pair of glasses during this time. For had this may mean that he will be unable to fully enjoy the "scenery" provided by the fairer sex on the trip to the beach. Or for Mom it may mean the long anticipated Broadway theatre performance may take place without her being able to distinguish the hero from the heroine.  
And don't forget Junior — If Disneyland is on the schedule and he's one of these little myopes (nearsighted) that can't see beyond the end of his nose without his glasses and he doesn't have the use of those glasses on that special day, you're going to have one heart-broken kid on your hands.  
Yet, when the family optometrist advises that the individual have a spare pair of glasses he is often thought to be "just trying to sell an extra pair." This is certainly not true. It's just that during every week several people will come rushing to him wanting a broken lens or frame replaced in the biggest rush so that their trip or vacation plans won't be delayed. Many times this cannot be done on a "while-u-wait" basis since even the largest laboratory must have time to grind and mount lens prescriptions and emergencies don't usually happen where a large optical lab is handy just around the corner.  
Now there will be some who will say "Well this may happen to the other fellow but I haven't broken my glasses in umpteen years". Maybe. Also maybe you have not had a flat tire in umpteen years either, but that spare

tire still goes everywhere you go and probably costs more than the extra pair of glasses would.

So here are a few suggestions which if followed, may make a great difference in your trip:

- (1) Driving is dangerous—have eyes and glasses checked in plenty of time to get used to new glasses, if needed, before starting the trip. The National Society for Prevention of Blindness advises that no one should go longer than 2 years without having an eye examination.
- (2) Carry a spare of glasses along on any trip away from home even if it's just a one day affair.
- (3) Have a pair of outdoor glasses (sunglasses) in your prescription or, if you don't need prescription glasses, have yourself fitted with a good pair of non-prescription sunglasses.
- (4) If you are unlucky enough to break your regular glasses while on a trip, the Yellow Pages of the phone book can guide you to an ethical practitioner who will take care of your needs. If you don't have a copy of your prescription, be sure you take him as much broken glass as can be recovered since he will need some fragments of the glass in order to duplicate the prescription. Then use your spare pair to continue enjoying the trip with no interruption.

### Friends Honor Olden Couple on 50th Anniversary

A group of Olden friends surprised Mr. and Mrs. Joe Lawrence on Saturday with gifts and flowers honoring them on their 50th wedding anniversary.

Mr. and Mrs. Lawrence were married at Lawn, Texas, on July 5, 1908. Mrs. Lawrence is the former Miss Velma Baker, who is the daughter of the late Mr. and Mrs. W. N. Baker of Lawn; and Mr. Lawrence is the son of Mr. and Mrs. H. A. Lawrence of Lawn.

Born to this union were two sons, Homer N. Lawrence and the late Wilford H. Lawrence. The honorees have four grandchildren and one great-grandson.

The honored couple have lived in Olden nine years following Mr. Lawrence's retiring from Magnolia Petroleum Company for whom

he worked almost 35 years. Mr. and Mrs. Lawrence lived in Olden during the oil boom. Mr. Lawrence was transferred from the Olden district to Yale, Okla., in 1931 where he remained as foreman for his company until 1949, when he was retired and returned to Olden to make his home.

### Christian Science

To gain the blessings promised by Christ Jesus, man must be willing to follow his example in daily life. This is the theme to be stressed in the Lesson-Sermon entitled "Sacrament" which will be heard at Christian Science churches on Sunday.

From Galatians will be read the Golden Text (3:26, 27): "Ye are all the children of God by faith in Christ Jesus. For as many of you as have been baptized into Christ have put on Christ."

The Lesson - Sermon also includes this quotation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (25:26-31): "Implicit faith in the Teacher and all the emotional love we can bestow on him, will never alone make us imitators of him. We must go and do likewise, else we are not improving the great blessings which our Master worked and suffered to bestow upon us."

### Youngsters Make Their Own Nourishing Summer Snacks

With youngsters on vacation from school all summer, it is doubly hard for Mom to find time for a breather for herself. One good way to lick this problem is to let the youngsters make their own nourishing snacks when they come in from their swim, hike or other activities.

Quick chocolate flavored mix is an excellent product to have on hand for this purpose—whether it be at home, in a vacation cottage, or on a picnic. An instant product of fine quality, it disperses instantly in milk to give a rich, delicious chocolate flavor. For refreshing chocolate milk in an instant, just stir in 2 heaping teaspoons of quick chocolate flavored mix—no beating is necessary. Quick chocolate flavored mix is fortified with vitamin D3, a nutrition bonus for summer beverages, and it's delicious used with hot milk as well as cold.

#### Quick Chocolate Double Frosted

1 pint partially melted vanilla ice cream, divided  
1/2 cup quick chocolate flavored mix  
3 cups cold milk

Combine 1/2 pint of the ice cream and quick chocolate flavored mix; mix until smooth. Add milk and beat well. Pour into 4 tall glasses. Before serving, top each drink with 1 small scoop (1/4 cup) vanilla ice cream. YIELD: 4 servings.

### Homeowning Can Be Hazardous Too!

No matter how long the bronc-buster has been riding, he can never be sure the next horse won't throw him.

Such is the case with the homeowner. No matter how careful he tries to be, an unnoticed frayed electric cord, overloaded circuit, or smoldering cigarette can leave his home in cinders.

It's too late then to realize his insurance is "too little—and the wrong kind."

Be sure when you insure. Call on your local independent agent for a thorough appraisal of your needs.

## Seaberry Gains Another Honor

Viggo T. Seaberry of Eastland has been officially notified that he has been elected a fellow in the American College of Trial Lawyers who are present members of attorneys over the United States.

Following the announcement of his election Wednesday by the State Bar of Texas headquarters in Austin, Seaberry said in Eastland, "I am highly honored."

Harvey O. Payne of the State Bar of Texas said Seaberry was elected to the exclusive group at a recent meeting of its Board of Regents. He will be inducted during ceremonies of the college Aug. 25 in Beverly Hills, Calif. The meeting will coincide with the opening of the American Bar Association's annual meeting in Los Angeles.

Payne said, "The American College of Trial Lawyers is one of the most distinctive legal organizations in the world. Its by-laws stipulate that members must have a minimum of 15 years of practice, must have acted as chief counsel in at least 50 cases, and must have participated in at least 50 other cases."

Aims of the College is to "improve and enhance the standards of trial practice."

Seaberry, a graduate of the University of Texas, has practiced law in Eastland since 1919. He is immediate past president of the Texas Bar Association.

His election to the College was based entirely upon his qualifications as disclosed by a two-year investigation and has no connection whatever with his past service with the State Bar, however.

Mr. and Mrs. C. E. Murr visited his mother, Mrs. Leona Murr of Junction, Texas, last weekend.

Mr. and Mrs. Mack Rhodes, Kenny, and Mike of Houston visited her parents, Mr. and Mrs. D. E. Pulley last weekend.

Onis Littlefield has returned from a visit with his brother, Jack Littlefield of Jalisco, New Mexico, and Ed Littlefield and Carl Bailey of Odessa.

Mrs. J. P. Speece and her father, both of Fort Worth, were weekend guests of Mrs. P. C. Long and Clayton.

# Just To Keep The Record Straight

**CLYDE GARRETT**

Some are saying: "Mr. Garrett receives \$14,500.00 annually as retirement". They are making a 'slight' mistake. They are missing the amount by \$12,316.00. MY ANNUAL RETIREMENT IS \$2184.00 which amount represents my fixed annual income. (I am not receiving a salary from the county while making this race -- I have no oil wells).

In order to make my retirement of \$2184.00 possible, approximately \$5000.00 was withheld from my salary. I paid for it just as every retired employee paid for his and as every person who draws social security benefits.

The county owes me nothing -- it owes no other candidate anything. The fact is, I owe the county a debt of gratitude, which I will never be able to repay, for what it has done for me.

I earnestly solicit your support only on the basis of merit and qualifications.
