IS "IRON-HUNGRY BLOOD" MAKING YOU ONLY "HALF" A WOMAN?

Are You So Run-Down You Can't Give Your Husband and Family Real Companionship? Then Discover The Wonderful Blood-Strengthening Action of This Special Iron Tonic for Women!

How tragic when a woman feels so tired, so weak and run-down she can't be a real companion!

Luckily, it's often due to "Iron-Hungry Blood" ("simple iron deficiency anemia). Then it's needless for those women to suffer such awful weariness.

Now, a wonderful iron tonic can help relieve this condition... thus renew your vitality! It's Lydia E. Pinkham's Tablets, only iron-tonic made especially for women! Rich in iron, Pinkham's

Tablets all through their lives!

If "Iron-Hungry Blood" has left you weak and run-down—only "half" a woman—get Pinkham's Tablets from druggists. Then see if you don't soon feel "all" woman again!

Good study habits are easier to form...

when LIGHT is RIGHT for homework

Your school-age youngster will form good study habits more quickly when lighting is right for homework. Good lighting aids concentration ... makes homework seem easier . . . helps develop good study habits that can contribute so much to future success. Check the lighting under which your child studies. Make sure there is enough light and the right kind of light to prevent eyestrain and fatigue.

See your dealer now for the lamps and right-size bulbs you need. He'll gladly help you with suggestions,

A 150-watt bulb is recommended for best light from a table study lamp. The lamp should be placed close to the work area. A diffusing bowl is recommended to soften the light and prevent

Two wall lamps with 100-watt bulbs in diffusing bowls may be used against a light-colored wall or tackboard. This arrangement leaves entire deak top free for books and work papers.
