Automatically adjusts to weather changes

... to assure you home-wide perfect comfort ... all year round

ALL-ELECTRIC HEAT PUMP

Now you can enjoy the indoor climate you like best all year round, regardless of outside temperature changes. The Heat Pump does it automatically . . . does it electrically . . . with one setting of the thermostatic controls.

On cold days, the Heat Pump extracts warmth from outdoor air (even in below freezing weather) and pumps it indoors to keep you comfortably warm. On hot days, the Heat Pump removes heat from indoor air and pumps it outdoors to keep you delightfully cool. And, during changeable weather, the Heat Pump switches automatically from heating to cooling or back again, as needed, to maintain the temperature you like best.

With the Heat Pump there is no seasonal start-up or shut-down of heating or cooling equipment - no discomfort from unseasonably warm or cold days. And because its all-electric, it's clean, modern, healthful. Phone, write or visit our office for additional information today.

A. N. LARSON, Manager

Mrs. Arrendale s Hostess to Electa Class

mbers of the Electa Sunday nurch met in the home of Mrs. Mrs. Arren rank Arrendale Wednesday, Jan-wry 13, for a covered dish lunch-m. Mrs. Tom Lang gave the ayer of thanks. Immediately following the lunch-

eon, a business meeting was held. The secretary, Mrs. Cora Pressler, read the minutes. Other busines was discussed. Mark Calhoun was ed as class friend for mo 1 of January. Mrs. Pressler clo al the meeting with prayer. The following members were present: Mmes. H. G. Burch, J. U. Elrod, Pressler, and the hostess, ool Class of the First Baptist Elrod. Pressier, and the hostess, quet in the Fellowship Hall of the visitors, Mrs. Joe Tullos a n d
