The RCDM wil require no dues. It is not to be made up exclus'vely of business-men, although it is desired to have many as members. It should actu ally be a family organization. The only requirement will be that all will have to work and cooperate to help out each other. The first and foremost project

of the organization is to clean up the town. The appearance of the town shows the traveler what the town is and how the citizens feel about it.

The organization feels that if Ranger is going to grow and prosper, it needs to clean up its own house and get it in order, then i will be ready to do something about attracting new business and industry. This can be done through a city-wide clean-up campaign.

The organization wants every citizen of Ranger for a member They want everyone to make suggestions to the organization Sug ganization see fit to consider them
