

## As I See Ranger

By Gene Townsend

Here is a little article that comes from Mrs. James T. Brown of Kermit, daughter of Mr. and Mrs. O. D. Quarles of Lake Leon. James Brown, formerly of Ranger, is now a Highway Patrolman at Kermit.

This is a real clever article and I am sure you will enjoy it.

### What Is A Boy?

Between the innocence of babyhood and the dignity of manhood we find a delightful creature called a boy. Boys come in assorted sizes, weights, and colors, but all boys have the same creed: to enjoy every second of every minute of every hour of every day and to protest with noise (their only weapon) when their last minute is finished and the adult moles pack them off to bed at night.

Boys are found everywhere—on top of, underneath, inside of, climbing on, swinging from, sneaking around, or jumping from. Mothers love them, little girls hate them, brothers and sisters tolerate them, adults ignore them and Heaven protects them. A boy is truth with dirt on its face, beauty with a cut on its finger, wisdom with bubble gum in its hair, and hope of the future with a frog in its pocket.

When you are busy, a boy is inconsiderate, bothersome, intruding, a jumble of noise. When you want him to make a good impression, his brain turns to jelly or else he becomes a savage, sadistic jungle creature bent on destroying the world and himself with it.

A boy is a composite—he has the appetite of a horse, the digestion of a sword swallower, the energy of a pocket-sized atomic bomb, the curiosity of a cat, the lungs of a dictator, the imagination of Paul Bunyon, the shyness of a violet, the audacity of a steel trap, enthusiasm of a fire cracker, and when he tries to make something, he has five thumbs on each hand.

He likes ice cream, knives, saws, Christmas, comic books, the boy across the street, woods, mud, large animals, Dad, trains, and fire engines. He is not much for Sunday School, company, school, books without pictures, music lessons, neckties, barbers, girls, overcoats, adults and bedtime.

Nobody else is so early to rise or so late to supper. Nobody else gets as much fun out of trees, or breezes. Nobody else can cram into one pocket a rusty knife, half an apple, three feet of string, an empty Bull Durham sack, two gum drops, six cents, a sling shot, a chunk of unknown substance, and a genuine super-sonic code ring with a secret compartment.

A boy is magical—you can hack out of the work shop, but not out of your heart. You can get him out of your study, but not out of your mind. Might as well give up—he is your captor, jailer, boss and master—a freckle-faced, pint-sized cat-chasing bundle of noise. But when you come home at night with only the shattered pieces of your hopes and dreams, he can mend them like new with two magic words—"Hi Dad."

## Former Resident Dies Wednesday In Pasadena

Mrs. Rose Bell Prock, 86, former longtime resident of Ranger died at 10 p.m. Wednesday at a Pasadena, Texas hospital.

Mrs. Prock, who lived here many years before moving to Abilene about 19 years ago, had lived in Pasadena for the past four years.

Gravestone services were held at 2 p.m. Saturday in the Evergreen Cemetery. Killingsworth Funeral Home was in charge of arrangements.

Surviving are four sons, R. B. of Abilene, H. B. and A. R. both of Orville, Calif., and Frank Jr. of Wichita, Kan.; six daughters, Mrs. Clara Stanton and Mrs. Annie Davis of Orville, Calif., Mrs. Billie Chandler of Colorado, Mrs. Essie Guy of Fort Worth and Mrs. Lucille Bailey and Mrs. Geneva Shankles, both of Pasadena; a number of grandchildren and great grandchildren.

## Ranger Auction Opens July 14

Mac and Leonard Holmes of Weatherford have purchased the Ranger Auction Barn and plan to begin operation Thursday, July 14.

### News From Area Towns

**Park Development Planned**  
Development of the area west of the swimming pool into a usable part of Lake Cisco Park is now in progress as a project of the Chamber of Commerce. The 10 to 12 acres will become a part of the park to replace the area that was cut off by the highway re-routing project. Sam Kimbell, president, said a bridge will be built near the lower end of the swimming pool.

**Putnam Is Pilot School**  
Putnam School System has been selected as one of 18 schools in Texas to serve as a pilot school in the Texas Small Schools Project which has been underway since January 1959. The project purpose is that each pilot school will experiment with techniques tested in the Rocky Mountain project and the Catekill Area Project to strengthen its school program. Some of the practices will include experimentation in the development and use of new or different ways of organizing the school program; use of multiple classes; supervised correspondence study; and cooperative service programs.

**C-C Carnival Planned**  
The Stephenville city council has voted to permit the chamber of commerce to stage its carnival on the square in September. A spokesman for the C-C told the council the Joyce plan to get together with the Chamber of Commerce trade promotion committee and work out some form of trades day to be held in connection with the carnival.

**Class Reunion Held**  
The graduating class of 1942 of Carbon High School held a reunion at Lake Cisco Park Sunday, July 3. This was the first reunion of the class since 1950 and a most enjoyable day was spent visiting and reminiscing.

**Houston Second Best**  
A 17-year-old Dallas youth showed old-timers how it was done at the Fourth of July fiddling contest and when the competition was ended he was awarded the \$50 grand prize. "Texas Shorty" Chancellor didn't win the top award hands down though. He had to fiddle-it-out against Bryant Houston of Eastland County before he was named grand champion. Judges scored 97 points for each player and they were recalled to play off the tie. "Texas Shorty" won by one point the second time around.

**Thurber Exes Meet**  
Some 300 persons assembled Monday at Little Lake at Thurber to exchange reminiscences and stories of the golden days at Thurber when it was a thriving town of some 10,000 population. The occasion marked the 26th anniversary of the Thurber reunion.

## Teenagers Blank Cisco 1-0 Thursday

The Ranger Teenagers, behind the perfect pitching of Ronnie Hinds and the heads-up playing of the rest of the team, shut out the Cisco Teenagers 1-0 Thursday night in a baseball game played here in the Teenage park.

Hinds, in posting the win, gave up only two hits and allowed only seven runners to reach base, one of these on an error. Of the seven runners to reach base safely, five were picked off base by a fine demonstration of defensive play.

Gary Nettik went the distance on the mound for Cisco, and was only slightly second best by allowing 11 men to reach base, three on hits, three on errors and five walks.

The big defensive play for Ranger came in the fourth inning when the first two batters drew free passes and a stolen base put runner on first and third. Short Stop Bobby Owen cut off catcher Charlie Santos' throw to second and caught the runner on his try for home plate and threw him out.

They are in the process of completely remodeling the pens and sales barn. New fences have been installed in order to get the sale into operation, and the sales barn will be a conditioned for Thursday's opening. New restrooms are also an additional facility at the barn.

Many more improvements are planned by the new owners, and work will continue between sales, until the facilities are in top condition.

The Holmes have been in the cattle business around Weatherford for many years, and have been in the auction business for the past year. They are operating the livestock auction at Weatherford in addition to the one here in Ranger.

A sale will be held each Thursday beginning at 1 p.m., and all types of livestock will be auctioned. They will offer courteous service and the company is sufficiently bonded to offer complete protection for their customers.

Robert Bundick of Ranger will be the auctioneer. Mac Holmes is also a competent auctioneer.

They extend to everyone an invitation to attend the opening of the sale next Thursday.

## Pension Payments To Veterans Are Increased

Edward P. Onstot, manager of the VA regional office in Dallas said that veterans and their dependents coming on the pension rolls from now on will do so under the provisions of the new veterans pension law, Public Law 86-211, approved by Congress and the President during 1959.

The new law increases both the maximum pension payments and the amount of permissible income from other sources and provides a sliding scale of payments based on need. At the same time, it provides for counting part of the wife's income as the veteran's and for considering the net worth of the applicant.

The new law also puts pension eligibility requirements for widows and orphans of World War II and Korean Conflict veterans on the same eligibility basis as those of World War I. It eliminates the previous requirement that a veteran of World War II or Korea have a service-connected disability at time of death.

Veterans and their dependents already on the pension rolls are allowed either to remain under the previous law or to elect to come under the new law. Such an election once made may not be revoked.

Pension is paid only in cases of veterans whose disabilities have no connection with their actual military service. Payments to veterans or their dependents for service-connected disabilities are called "compensation" and are not affected by the pension laws.

## Local Florist Accepted Into FTD Service

The Florists' Telegraph Delivery Association announced today that Betty's Flower Shop of Ranger, has been accepted as a member of the Association.

Mrs. J. R. Craig is the owner of the new F. T. D. shop.

The Association, now celebrating its 50th Anniversary in flowers-by-wire service has over 11,000 members in North and South America and another 13,000 members covering 188 foreign countries. This non-profit organization handles an average of 25 orders every minute of every day through its international network.

The Ranger Floral is also a member of F. T. D.

SCIENTIFIC TASK GROUPS are conducting extensive tests and research in the Arctic to improve habitability and operational facilities for troops who are guarding one of the Nation's strategic defense barriers. The U. S. Army's Corps of Engineers, which is celebrating its 185th Anniversary this summer, has done much in the way of under-snow construction in Greenland and other areas.

## Peanut Growers to Hold Meet July 29

Stephenville, for the second consecutive year, will host the Southwestern Peanut Growers' Association's annual meeting, it was announced Saturday.

The meeting will be held July 29 in the Agriculture Auditorium at Turlington State College.

Here is the program as announced by J. M. Cooper, Eastland County agricultural agent: 10 a.m.—Membership meeting. 11 a.m.—General Session. Principal speaker Congressman W. R. Poage, vice chairman of the House Agriculture Committee.

John Duncan, president Georgia Farm Bureau, will explain the objectives and purposes of growers contributing to research and promotion through self-assessment programs.

Brief announcements by key people of recent industry developments.

Noon — Lunch to be served in Stephenville City Park, compliments of Southwestern Peanut Growers Association.

## I GIVE YOU TEXAS

The so-called smart, sophisticated humor of the New York City night clubs isn't difficult to produce. For example, if you see a sign proclaiming, "Our Bread Touched by Human Hands," you can quip, "Baked by apes, I suppose."

Or if a restaurant announces, "We make our own pies," you could remark brightly to the proprietor, "That makes it easy for the customer to fix the responsibility, doesn't it?"

Or if you have just finished making a speech, the club president can say, "This was the largest crowd since I've been president—three weeks."

The night club brand of humor is fundamentally cruel.

Like all newspapermen, I dislike writing letters but have exchanged them with Carl Sandburg, Rex Beach, Dr. Frederick Cook and W. J. Bryan. There's a foursome Sandburg is, in my opinion, the foremost living American author. Rex Beach wrote exciting novels of Alaska; Bryan was the greatest orator of his generation and Cook claimed to have discovered the North Pole and to have been the first to climb Mount McKinley.

It was at night in a leading hotel two men were carrying on an animated conversation with the door open into the hall. Their voices penetrated through the closed door of the opposite room where the occupant who was paying a neat sum for tonight's rest tossed sleeplessly. He had left a call for 2 a.m. and it was past midnight before this talking two quit.

A little incident, you say, not worth setting down. And you are correct except for this—it shows what's the matter with the world. There are too many people who never think of the other man's comfort, his rights or, if they do, they just don't give a damn.

This-and-that: Dr. H. E. Robinson of the Texas Education Agency is an orator (Continued On Page Two)

## Dr. Gohlke, Member Ranger Clinic Staff

The Ranger Clinic announced this week that Dr. Luther R. Gohlke is now a member of the clinic staff.

Dr. Gohlke was born May 6, 1934 in Guy Hill, Texas. He is the oldest of three boys born to Mr. and Mrs. Arnold H. Gohlke.

Dr. Gohlke was reared in Denison, where he attended grade school and high school. He attended Austin College in Sherman and received a B. A. degree there in June of 1955.

## Hunting Season Will Be Set By Game Law

Setting up hunting regulations in counties under regular authority will occupy most of the time of the members of the Game and Fish Commission in their mid-summer quarterly meeting in Austin July 15.

Biologists of the Commission will meet in Austin three days in advance, tabulating recommendations following public hearings held in nearly 100 Texas counties during the past two weeks.

Generally, hunting and fishing regulations in those counties will be changed very little, according to Howard Dodgen, executive secretary.

Biologists are recommending amending the regulations in a number of counties which will make the killing of spike bucks legal. Dodgen said, "Antlerless deer will include the killing of spike bucks as well as doe under the proposal. However, this will be just a recommendation of the field men and the actual administration must be done by the Commission."

Another important question will be liberalizing the dove season because of the increased number of birds apparent this year, he said.

It is possible hunters may get another 10 days of hunting in each zone, or an increase in the daily bag limit.

At a conference in Washington recently it was indicated there is a heavy crop of doves in practically every state. As a result, it was felt the law governing the killing of this migratory bird could be liberalized to permit extension of the season or increase in the daily bag or possession limit.

It also is expected the white-winged dove season will be set for three days in mid-September.

Whether the hunt will be held on consecutive days or alternate days is still under discussion. Shooting would be permitted from 2 p.m. until sunset in the valley counties.

For the past three years shooting has been on alternate days, with a bag limit of 10 doves, either of mourning or white-winged, or a combination of both.

The Commission also must set next year's annual operating budget. The budget committee has been busy on the details of next year's operation for several weeks and the report will be ready for submission at the next meeting.

Authority probably will be given by the Commission for setting up the waterfowl season within an agreed bracket date. This will be subject to recommendations of the U. S. Fish and Wildlife Service, on the basis of waterfowl counts now being made.

Dr. Gohlke met the former Patricia Brayles of Clovis, New Mexico, while attending Austin College, and they were married April 7, 1955. They have two children, Martin Ray, who will be three years old on August 14, and Carrie Helen, who will be one year old on August 14.

The Gohlkes are members of the Church of Christ. They are making their home at 704 West Main Street.

Dr. Gohlke started the practice of medicine and surgery at Ranger Clinic on July 5.

## Farm Bureau Queen Contest Rules Given

Rules for the 1960 Eastland County Farm Bureau Queen Contest were revealed today by Mrs. J. C. Coats of Route 1, Cisco.

The contest will be held Aug. 5, in the Eastland High School auditorium. Names of all entries must be turned in not later than Aug. 1. Entries should be submitted to Mrs. Coats or to the Farm Bureau office, 408 Petroleum Building in Eastland.

Here are the rules as listed by Mrs. Coats:

1. The purpose of this contest is to give recognition to the Farm and Ranch girls of Texas. The basic principles of the contest are as follows:

1. This is an honest-to-goodness Queen Contest. The girls are to be judged on grace, poise, charm, vivaciousness, and all the other qualities that go to make up winsome Texas future homemakers. There are three main points on which they will be judged: Name; (1) appearance, (2) poise, (3) personality.

2. This contest is to give our beautiful farm and ranch girls recognition.

3. There is nothing personal in the project. It is anticipated that through the institution of this contest that more farm and ranch girls, and other young people may become better acquainted with the principles of the Farm Bureau organization.

4. Question outline will be prepared.

**Final Rites Monday for Warren Cozby**  
Mr. Warren Abram Cozby, former Ranger resident, passed away Tuesday, July 5, in Safford, Ariz., where he was living at the time of his death.

Mr. Cozby was born July 26, 1878 in Wolfe Mills, Texas, now known as Wolfe City, Texas, and was a member of the First Methodist Church in Ranger when he lived here.

Funeral services will be held at 10 a.m. Monday in the First Methodist Church with the Rev. Lively Brown, pastor, officiating. Interment will be in Evergreen Cemetery.

Survivors include one son, Capt. Warren R. Cozby of the Air Force.

Watson, along with his fine pitching, helped the Dodgers score by slugging out a double and a single. Gilbert Nail also had a double and a single and Joel Jimenez hit a single.

For the Indians, Manuel Gomez swung the big bat, getting a triple and a single, while O. J. Caraway and Randall Hale each got a single.

In the second game the Braves did quick work, by putting the second game on ice in four innings, although getting only four hits. The Yankee pitchers couldn't find the plate, and the Braves moved around the bases on free passes.

Martin Salazar started on the mound for the Braves and was relieved in the fourth by Joe Don Gibson. The Yankees used Terry Sutton, Roy Leonard and Dorell Hartfield for pitching duties.

Again it was the pitcher who led the hitting as Salazar collected two doubles for Strawn. Billy Folk got a double and a single and that accounted for the Braves' hits. Jimmy Crossley was the leading (Continued On Page Two)

### I Give You Texas—

(Continued from Page One)  
—and you can't hardly find that kind any more.

In San Antonio, there's a place of business with a sign, "Our motto is caveat emptor." Well, you got to admit, they told you.

Pat Bullock of Colorado City has one of the most difficult offices there is. The former Senator, as a member of the State Pardon and Parole Board, hears many pathetic pleas.

Was San Antonio the last city in the county with a town-crier? As recently as the 1920's a man rode around the business district on a horse, calling out about the baseball game that afternoon or a sale in progress at a store—or so it was told by a long-time resident of the Alamo City.

Mrs. J. L. Black of Carbon is visiting this week with her daughter and family. Mr. and Mrs. Kayneal Haze and David.

In the early 1920's, during the oil boom days, Caddo had a population of 18,000. There were three banks and two theaters, and fourth it is practically a ghost town with only 60 residents.

At noon a barbecue dinner was served by a catering service from Breckenridge.

Refreshments were served to the following: Mmes. W. W. Mitchell, Kirkpatrick, Adamson, I. D. Tankersley, Mable Williams, P. C. Long, Lee Mitchell, W. P. Powell, Hugh Dawley, Langston, J. F. Byas, Matt Robinson, Miss Ethel Adams, and the hostesses, Mrs. Crabb and Miss Sudderth.

### Homecoming is Held At Caddo Sunday, July 3

The fifth annual Caddo homecoming was held at the Caddo High School Sunday, July 3, with approximately 400 attending. Ex-residents attended from Washington, Arizona, New Mexico, and Oklahoma.

President Roger Casey opened the program. Officers elected for the coming year are as follows: president, Floyd (Toad) Copeland; vice president, Quincy Corbett, Jr.; secretary and treasurer, Mrs. Charles Cook.

A short memorial service was conducted by Frank Foster of Aspermont. He was assisted by Bill Echols.

Mrs. Leah Robinson, 95, of Hayden, Arizona, was the oldest lady present. The oldest man present was W. L. Casey, 87, of Caddo.

## Who Discovers the Discoverers?

"A professor can never better distinguish himself in his work than by encouraging a clever pupil, for the true discoverers are among them, as comets amongst the stars."  
CARL LINNAEUS

Somewhere in this mighty land of ours, a gifted youth is learning to see the light of tomorrow. Somewhere, in a college classroom or laboratory, a dedicated teacher is gently leading genius toward goals of lofty attainment. Somewhere the mind of a future discoverer—in science, engineering, government, or the arts—is being trained to greatness.

Our nation has been richly rewarded by the quality of thought nurtured in our colleges and universities. The caliber of learning generated there has been responsible in no small part for our American way of life. To our college teachers, the selfless men and women who inspire our priceless human resources, we owe more than we will ever be able to repay.

Today low salaries are not only driving gifted teachers into other fields, but are steadily reducing the number of qualified people who choose college teaching as a career. At the same time, classrooms are beginning to get overcrowded. In the face of this, college applications are expected to double by 1967, if not sooner.

This is a severe threat to our system of education, to our way of life, even to our very existence as a nation. Our colleges need help—and they need it now!

If you want to know more about what the college crisis means to you, and what you can do to help, write for a free booklet to: HIGHER EDUCATION, Box 36, Times Square Station, New York 36, New York.

MRS. RONALD G. BUTLER  
... former Kay Dodson

### Miss Kay Dodson and Ronald G. Butler Are United In Marriage

Miss Kay Dodson, daughter of Mr. and Mrs. Wayne N. Dodson of 723 Poptan, Kermit became the bride of Ronald G. Butler, son of Mr. and Mrs. E. F. Butler of Jal, N. M. at 2 p.m. June 18. Nuptials were held in the First Baptist Church of Kermit with the Rev. John J. Abendschan, pastor of the Presbyterian Church of Jal, officiating.

The double ring ceremony was performed beneath an arch festooned with white asters flanked by baskets of white gladioli. Flowers were marked for the families.

Miss Dodson, given in marriage by her father, wore a gown of chantilly lace over taffeta styled with a tiered skirt. The fitted

bodice was fashioned with a Sabrina neckline and long pointed sleeves. The neckline was dotted with sequins and seed pearls. The bride carried a white orchid surrounded by white carnations and ribbon showers atop a white Bible.

Mrs. Max L. Brunlow presented the wedding music.

Miss Donna Pugh of Eastland was maid of honor and Miss Beverly Butler, of Jal sister of the groom, was junior bridesmaid. They wore identical dresses of lilac silk organza fashioned with a full skirt, fitted bodice and full puffed sleeves. Their lilac illusion headresses and matching satin shoes completed the ensemble. Both carried nosegays of lilac and white carnations with lilac streamers.

Pat Jackson of Jal attended the groom as best man. The groomsmen were Wayne D. Dodson, brother of the bride, and Jackie Thompson of Jal.

The flower girls, Barbara and Rhonda Bryant, daughters of Mr. and Mrs. Wayne Bryant of Seminole, completed the wedding party.

Mothers of the couple both wore pink dresses with corsages of white gardenias.

The Fellowship Hall of the church was the scene of the reception which was held immediately following the ceremony.

Following a short wedding trip to Colorado, the couple will be at home in Jal, N.M.

Out of town wedding guests were Misses Kathie Jones and Sue Dalton of Eastland and Mrs. E. W. Griffin of Olden, grand mother of the bride.

### Christian Science

Self-examination and purification of thought are essential to spiritual progress. This is a theme to be dealt with at Christian Science services Sunday.

Keynoting the Lesson-Sermon entitled "Sacrament" is the Golden Text from Psalms (139:23,24): "Search me, O God, and know my heart; try me, and know my thoughts; and see if there be any wicked way in me, and lead me in the way everlasting."

Citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include (8:28-30): "We should examine ourselves and earn what is the affection and purpose of the heart, for in this way only can we learn what we honestly are."

Scriptural selections will include the following verse: "Create in me a clean heart, O God; and renew a right spirit within me" (Psalms 51:10).

**RETURNS HOME**

Mr. and Mrs. J. E. Matthews have returned home from Fort Worth where they visited a new grandson, James Michael Wood, who was born July 4. His parents are Mr. and Mrs. W. J. Wood. Carol Ann and John Wood returned home with the grandparents for a ten day visit.

MRS. DONALD SAVERANCE  
Miss Sybie McDaniel and Donald Saverance Repeat Vows Saturday

Miss Sybie Louise McDaniel, Abilene, became the bride of Donald Eugene Saverance, Andrews, in a double ring ceremony Saturday at 6 p.m. in the Griswold Chapel of St. Paul's Methodist Church in Abilene.

The bride is the daughter of Mr. and Mrs. Coda A. McDaniel, Route 2, Gorman. The groom is the son of Mr. and the late Mrs. Felton Saverance, Abilene.

Rev. Roy Schilling of McMurray College was officiating clergyman with Mrs. Caffey, organist, presenting the musical program.

Given in marriage by her father, the bride wore a floor length bridal gown of chantilly lace and silk organza. The lace bodice was accented by long pointed lace sleeves and a pearl trimmed Sabrina neckline. The billowing skirt featured wide lace panels. Her fingertip veil was of pure imported silk illusion. She carried a white orchid atop a white Bible.

Miss Kay McDaniel, sister of the bride, was maid of honor. She wore a pink dress of cotton satin styled in the same pattern as that of the bridal gown. Her headdress was a pink band accented by pearls and veil of pink pure silk illusion. Her flowers were pink carnations.

Sidney Saverance of Abilene served the couple as best man and Norman Drake of Abilene as usher.

The reception was held immediately following the ceremony in the home of Mr. and Mrs. Lee McDaniel 1618 Campus Court.

Mrs. R. Lee McDaniel, aunt of the bride, and Mrs. Dollie Harris, aunt of the groom, served three tiered wedding cake from the lace covered serving table.

For her going-away frock, the bride chose a pink and white houndtooth check tailored sheath with matching feathered hat and patent accessories.

Following a wedding trip to points in New Mexico, the couple
