Better Keep This in Mind—
 ... if you buy real estate without an abstract the chances are good that you will be required to furnish one when you go to sell or borrow money. It is customary for seller to furnish buyer with an abstract as he usually adds cost of same and other necessary expenses to the sale's price. So for many reasons all in your favor get an abstract and have it examined by your attorney when you buy real estate.

Shrinks Hemorrhoids Without Surgery Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. At all drug counters.
