**Quick 'n Easy Cookies For Children To Decorate**

It's easy to let the children make and decorate Christmas Cookies with this no-bake Cereal Christmas Cookie recipe. For very young children, mother had better prepare the no-bake cookie mixture, ready to be cut into Christmas shapes. Let the children make simple cardboard patterns and cut out the cookie shapes. Use tubes of decorating jelly or frosting to add a festive decoration.

These wholesome easy-to-make cookies are just packed full of good nutrients so necessary for young boys and girls. Breakfast cereals, when used as a recipe ingredient, not only improve the flavor and texture, but they contribute protein, valuable B vitamins, essential minerals, and food energy.

**Cereal Christmas Cookies**

- 1/2 cup butter or margarine
  - 1/2 pound marshmallows
  - 1/2 teaspoon salt
  - 8 cups oven-toasted rice cereal, regular, pre-sweetened, or cocoa-flavored
- Combine butter or margarine, marshmallows, and salt in large saucepan. Place over low heat and melt, stirring constantly. Add cereal; stir carefully until cereal is evenly coated with marshmallow mixture. Turn onto buttered baking sheet and press to 1/8 inch thickness. Cool to lukewarm. Use a sharp knife and cardboard pattern and cut out simple Christmas cookie shapes (trees, bells, boots, and ornaments). Decorate as desired with tube frostings, decorating jellies, or candies. Yield: 2 dozen cookies.

**Is Abstract Work Expensive?**

Not at all if you play it safe. The safe way to avoid unnecessary expense is to have a contract with the seller that he is to furnish you a good title based on an abstract of title. Many mistakes are made by sincere people who make quick deals without thought of the hereafter. Any amount you spend on good titles is money well spent. But if you get hold of a bad one you may be in for plenty of trouble and expense.

## Mrs. Perkins Hosts Christmas Party for DAR Chapter Monday

Christmas came for the tri-city Charles Crawford Chapter Daughters of the American Revolution when they met at the home of Mrs. Joseph M. Perkins of Eastland on Monday with the regent, Mrs. Ruth Hagaman Horigan of Ranger, presiding.

Mrs. Frank Castleberry of Eastland led the devotional and the Pledge of Allegiance was led by Mrs. W. D. R. Owen of Eastland. The Star Spangled Banner and Christmas Carols were accompanied by Mrs. A. F. Taylor of Eastland at the piano and Mrs. Perkins at the organ.

The program for the day was a book review "The Day Christ was Born" by Jim Bishop. Bishop Kennedy of the Methodist Church was quoted as saying "The reconstruction of the scene is excellent and I found the description of religious customs connected with marriage and birth most interesting. This little book will help anyone enter into a new appreciation of the Christmas celebration."

Jim Bishop drew on his research into ancient Jewish customs and on his first hand observations while traveling in the Holy Land. His style is illustrated in a quotation "And so it was that Mary and Joseph traveled for five days from Nazareth to Bethlehem, past Jerusalem, that rare white pearl set in the green valley between Kidron and Golgotha. They spoke little, for the miracle that was to come was between and binding them. Mary saw only the dusty stones. Joseph was beset with the worries of any traveler of that lay. Darkness was fallen by the time they reached the City of David. The town was obviously crowded and sleeping figures could be seen leaning against the outer walls of the inn. The innkeeper made it quite clear that there was no room, but his wife suggested the cave below where the men and women sheltered. Joseph, feeling himself a failure, returned to Mary but she was calm and only bade him lead her to the

cave quickly. The moment of his birth was at hand.

Because the organization is dedicated to the patriotic theme the latest star in the flag was featured and instead of a Christmas tree, an enormous red and green leafed Hawaiian Croton plant centered the 6 ft table with a tiny star flag predominating.

In keeping with the travel theme Mrs. Perkins showed his pictures of the Arctic Circle country, the land of the Laplanders and the reindeer.

The tea table featured tall brass trees in white and silver, the bells being from Honolulu. Mrs. Taylor poured and was assisted by Mrs. Castleberry. The piano decoration was the gift of Mrs. Taylor and organ bells were featured with candy striped candles.

Gifts were exchanged by Mrs. Alex Spear, Mrs. F. E. Harrell, Mrs. James Brown, Mrs. P. C. Long, Mrs. Pat Crawford, Mrs. Naomi Lawton, Mrs. Horigan, Mrs. Owen, Mrs. Castleberry and Mrs. Taylor.

# WE QUIT YOU PROFIT!

Months ago, when we purchased Anderson's of Eastland, it was our intention to acquire a ready-to-wear and piece goods shop in Ranger and another in Cisco. We have made various offers and have come very close on several propositions but none have matured. It is not economical feasible to operate our Eastland store so far away from our home base when the remainder of our stores are in far West Texas. For that reason we will be quitting business as of the 24th of December. We wish to thank each and every customer. We enjoyed knowing you, we enjoyed serving you, and it is our sincere wish that one day we may be able to come back to Eastland, Ranger, and Cisco to fulfill our original dreams of this grand community. Please note that not every item has been reduced for our sale.
