The "3D" enemies of every business:

It's funny how three of the greatest menaces to every business begin with the letter "D."

DISHONESTY of employees - burglary - robbery forgery.

DESTRUCTION of money and securities by accident or design (including fire, flood or explosion.)

DISAPPEARANCE of money or securities, possibly with no trace or evidence.

We can provide you with an America Fore policy to protect you against loss from these three doggoned "D's."
