

THE TEDDY BEARS—Ranger's own ever-popular musical group will help provide the entertainment Tuesday night as Wards opens their Ward Week with entertainment and fun. Standing left to right are Teddie Neeley, Joe Barker, Alvis Rogers and Bill Patton. At bottom of picture is Charles Shugart and Buten Owan. (Photo by Capps.)

Ward Week Sale To Open With Big Show

The Montgomery Ward store in Ranger plans to open their Spring Ward Week Sale Tuesday night with a Fashion Parade and Beauty Contest. There will be free entertainment, free refreshments and the area queens will model the latest fashions. The party will begin at 6 p.m. and continue through 9 p.m. with the giving away of a big 19" portable Airline TV to some lucky person. No purchase necessary, just register and be eligible for the prize. Johnny Angel, the ever popular radio, stage, T. V. and recording

JOHNNY ANGEL — Making his second appearance in Ranger will be on hand to help provide the entertainment at the opening of Ward Week Tuesday night at the Ranger Wards store.

Junior High Track Team Takes Third

Ranger Junior High took third place in the Little Oil Belt Track Meet held in Cisco Friday. Cisco took first place, Clyde second and Eastland fourth.

Ranger collected a total of 61 points in the meet. Winning points for Ranger were, Ray Newham with a second in the 50 yard dash and fourth in 100 yard dash. Jesse Renteria took third in the 50 yard dash and third in the broad jump. Melton Kennedy took fifth in the 50 yard dash and fifth in the shot put. L. H. Pounds took second in the 350 yard dash and fifth in the broad jump. Billy Matthews took fifth in the broad jump, and fourth in the 350. Butch Seymour took fourth in the 350, the 440 yard relay team of Newham, Renteria, Kennedy and Pounds took second place, and the 880 yard relay team took third place with Seymour, Matthews, Pounds, and Renteria.

The seventh grade points didn't count in the meet. They had timed events but no ribbons were given.

Johnny McGee took a first in the 50 yard dash and a second place in the 100 yard dash. Leroy Pearson took third in the 50 and Daryl Swinney took fourth. David Mahaffey took third place in the 350 yard run. The 880 yard relay team took second place with Swinney,

Lone Star Gas To Hire Locally For Plant Erection

Lone Star Gas Company will begin construction Monday (April 10) of a \$550,000 project designed to provide additional gas compression and processing facilities at its Gordon gasoline plant in Palo Pinto County.

The new facilities, which are being installed to accommodate increased natural gas production in this general area, include a 2,000 horsepower compressor and a dehydration unit. During 1961, this station will compress about 65,000,000 cubic feet of gas per day. (Continued on Page Three)

Here and There

By Mrs. H. D. Precourt

If a house to house canvass of Ranger was made and the question was asked "Do you prefer Democracy or Communism?" the vote would be 100 percent for Democracy. Yet with a census of 3213, a safe two-thirds of that count being of voting age, only 542 people paid their poll tax, only 172 people voted in the school board and college board election, and a more commendable number of around 500 voted in the state and Senate election. What lip service we give our democratic principles!

There are many, who like myself, oppose federal aid to education for fear of encroachment upon local jurisdiction of our schools. Friends, if there are only 172 people in Ranger interested enough in our schools to vote on the men who will direct the affairs of our school for the next two years, then an encroachment needs to be made!

Communism assumes in a nifty shape and many forms, it wears any faces, it has many step-children and can crop up anywhere, but unless it wears a broad label of identity as such, people do not seem to recognize it. The modern slogan of business and politics seems to be "if you can't lick 'em, join 'em." However when some of our soldiers involved that philosophy after the Korean conflict,

they were called traitors and turncoats. Actually, where lies the difference? Right is right and wrong is wrong, and a business man in Toledo who would compromise his integrity, or sell his right to choose in an election, under the guise of "smart business" is as much a turncoat as those so accused as in each instance, one's own comforts are more important than a stand against evil.

The Little League and their park are a very good example of what concerted interest and effort can accomplish. They are not the product of idle wishes but the tangible results of those who do not believe in waiting for someone else to do it. The town could profit by this example.

There is a woman in our town that deserves an award of merit for her contribution to the community—Mrs. McLaughlin our librarian. More often than one might realize, this service of a community library has been maintained through sheer determination on the part of Mrs. McLaughlin rather than by available funds. Those of you who are book lovers might make note of this and when in some philanthropic mood, remember the library. A vote of thanks to you, Mrs. McLaughlin, for continuing in the face of frequent discouragements.

The library's religious section has had a number of new books added recently. Besides the "Interpreter's Bible", which is being much used, Goodspeed's "American Bible Translation" was also a gift from a friend of the library and will have wide use. No matter what your age or your interest, the Ranger Community Library has books for you, 8500 volumes of them. Come in and browse; ask for assistance in finding any subject on which you wish to read. Your Ranger Community Library welcomes you.

Let's Look At Ranger

(An Editorial)

It gets rather discouraging at times as we look at the buildings in Ranger and see so many of them vacant and now many of them being torn down, leaving a town that is getting a ghostly look each year.

There is a limit to how long we can survive at the rate we are going now. We have a community-wide problem and it is going to take some community-wide effort to ever solve our problem.

To get this community-wide effort started we need some community-wide ideas. Everyone has their own ideas on what would help Ranger. Those ideas need to be circulated around. Maybe it would give someone else some ideas of what they could do.

Let's hold a contest. Everyone likes contests and they are fun to do. Let's let the contest work for Ranger.

There will be a prize for every winner—and a grand prize for the big winner—which would be Ranger.

Complete the following sentence in 25 words or less—"What I will do to help Ranger in the future..."

The prize—a lifetime supply of happiness and prosperity in Ranger.

We challenge you to enter this contest and be sincere in your thinking and make plans that you will attempt to carry out.

All entries will be published in the Ranger Times if they are worthy.

A good example for everyone would be to spend their dollars in Ranger.

Dollars you spend out of town do nothing to help pay our taxes, support our churches, schools and charities.

The future of Ranger depends upon your loyalty. Every dollar you spend at home helps the community and that is good for your home town is good for you.

If everyone will enter the contest and come up with a good idea and carry out their idea, then everyone can be a winner.

Send your entries to the Ranger Times. It will be interesting to see just how many people really care what happens to Ranger.

Community Library Offers Good Reading for All Ages

Ranger Community Library, through its membership in the State Library Association, joins in the celebration of National Library Week, April 16-23. Ranger's Library, however, really feels that every week is Library Week and is enthusiastic about books every day in the year.

If a family with five children, consisting of a college-age girl, a boy in High School and one in Jr. Hi, a girl in elementary school, and a five-year-old boy should move into the Ranger area it would find our library has something special for each member of the family.

For the pre-school child there are fascinating picture books, some of which will introduce him to reading; for the elementary school student books range from Dr. Suess in first grade, through books treating of the World We Live In, beginning science and Indian stories for first, second, third, and fourth grades; from the fifth to eighth grades there are Landmark Books, biographies, adventure stories, books about sports and others about animals.

For high school and college students there are Young Adult books, biographies, adventure stories and many reference works needed in school studies. There are also books of etiquette, diet lists, beauty aids and many other books that appeal especially to this age group.

For the father there is a special section, Books Men Like, gathered from the selections of men readers; many of these books are non-fiction. For the mother there are many of the latest best sellers such as "Queen's Necklace," by Frances Mossiker, "Secret of the Kingdom" by Mika Waltari, and "Rings" by Charles Ibsen. There is too a splendid Texas section, containing fiction and non-fiction relating to our state.

The library's religious section has had a number of new books added recently. Besides the "Interpreter's Bible", which is being much used, Goodspeed's "American Bible Translation" was also a gift from a friend of the library and will have wide use.

No matter what your age or your interest, the Ranger Community Library has books for you, 8500 volumes of them. Come in and browse; ask for assistance in finding any subject on which you wish to read. Your Ranger Community Library welcomes you.

Five Indictments Are Returned by Grand Jury

An Eastland County Grand Jury returned five indictments this past week then recessed until May 1 when they will hear a number of other cases.

J. D. Myers was indicted on two counts of burglary as was Doyle Honeycutt. A true bill was also returned against Egbert Hickman for forgery.

Final Rites Sunday for Mrs. F. P. Brashier Sr.

Mrs. Felton P. Brashier Sr. 62, a prominent resident of Ranger since 1919, died Friday at 1:25 p.m. in a Ranger hospital.

Funeral will be held Sunday at 2:30 p.m. in First Baptist Church here, with burial to be in Evergreen Cemetery.

The body will lie in state at First Baptist Church from 1 to 2:30 p.m. Sunday.

Officiating will be the Rev. Ralph Perkins, pastor, and the Rev. David M. Phillips of Abilene.

Born Sept. 28, 1898 in Dublin, she was a member of First Baptist Church and served as organist and pianist for the past 31 years. The former Tressie Percifull married F. P. Brashier March 23, 1919 in Robert Lee. She was a member of the 1920 Club, the American Legion Auxiliary, the Lone Cedar Ladies Luncheon Club and the Women's Missionary Club of the Baptist Church.

Mrs. Brashier was the wife of the owner and operator of Ranger Furniture Exchange. Both she and her husband were active in civic affairs.

Survivors include her husband, one son, Felton P. Brashier Jr., of Ranger; one brother, Jess A. Percifull of Bronte; two sisters, Mrs. F. L. Clark of Bronte; Mrs. C. L. Panuroy of Logan, N. M.; and three grandchildren, Alex, Tommy and Richard Brashier, all of Ranger.

Pallbearers will be O. K. Gray of Brownwood, and Willard Swaney, W. M. Brown, G. B. Rush, C. B. Pruet, Joe Dennis, Frank Pearsall and W. A. Lewis all of Ranger.

Ronald Wilhelm Completes Basic At Fort Hood

Army Pvt. Ronald Wilhelm, son of Mr. and Mrs. Lude Wilhelm of Ranger has just completed basic training and is home on two weeks furlough.

Private Wilhelm's next duty will be with B. Battery, DKT How. Bn. 16th Artillery, Second Armored Division 4TLT, at Fort Hood.

Uncle of Ranger Men Dies Tues. In Cleburne

B. F. Bryan, a pioneer citizen of Cleburne, died early Tuesday morning at the Cleburne Memorial Hospital, 11 days after he suffered a severe heart attack.

Mr. Bryan, who lived at 104 Field Street, had been a resident of Cleburne for 61 years.

He was born at Glory, Lamar County, the son of Fortunatus William and Sarah Elizabeth Rogers Bryan. He was married to the former Kitty Myrtle Young Oct. 18, 1893.

Mrs. F. L. Clark of Bronte; Mrs. C. L. Panuroy of Logan, N. M.; and three grandchildren, Alex, Tommy and Richard Brashier, all of Ranger.

Pallbearers will be O. K. Gray of Brownwood, and Willard Swaney, W. M. Brown, G. B. Rush, C. B. Pruet, Joe Dennis, Frank Pearsall and W. A. Lewis all of Ranger.

Gene Funderburg Attends Ford Sales Workshop

Eugene Funderburg, head of Funderburg Ford Sales, Ranger, attended a five-day Ford Division truck sales workshop in Abilene this week.

He is one of eight Texas Ford dealership representatives who participated in the comprehensive training program conducted by C. F. Kelly of the Ford Marketing Institute in Dallas.

The workshop included classroom and field training on product features, financing, customer service and proper uses of trucks in all transportation situations.

Sessions also were devoted to improvement of sales techniques and management. Emphasis was placed on practical application of sound business fundamentals.

Bulletin

Earl Saveland, long time Ranger resident, died Saturday morning at approximately 9 a.m. of an apparent heart attack.

Services are pending from the Killingsworth Funeral Home.

The Need Of The Cross by Frank Brooks

Pastor Second Baptist Church "And it was the third hour, and they crucified him." (Mark 15:25)

Was the crucifixion of Christ really necessary? This question has bothered a lot of people since that day when Jesus died on the Cross. As one looks at the inquiry the answer is certain: yes, indeed. There was a great need for the cross of Christ.

The cross was needed to punish sin which was and is so evil. All about us we can observe the manifestations of sinful rebellion and rejection of good. People suffer needlessly because of some one's sin. Innocent people are hurt because of sin. God, as Righteous Father, must punish sin in order to be morally consistent with Himself. Our sin had to receive its just consequences. But how could God be just and merciful at the time and still remain consistent?

There was a great need for some remedy. That remedy God found in the Cross experience of Jesus Christ. There God punishes sin and justifies the sinner who repents and believes in the Son of God. There at the Cross God's righteousness is vindicated and He is able to be just and the Justifier at the same time.

There is need for the cross because we humans are so unable to help ourselves spiritually. Sin has enslaved us and we are help-

less without God. The cross is God's way of getting down under our sin and lifting them from us and taking them upon Himself. It is the glorious expression of God's love to us. He loved us so much that He sent His Son to die on the cross. It is at that cross that we find salvation from our sinfulness and release from the bondage of sin. We need the cross.

The cross helps us to realize that the spiritual portion of life is indeed the most important. When a man dies all material and social belongings are left behind. All that matters then is His spiritual condition. The cross gives us access to spiritual life and strength. As human who have sinned and wronged God we need something that will help us, justify us, and finally redeem us. We have a need. We find our great need answered by our Heavenly Father at the Cross. There is a need for the Cross. "Thanks be to God, which giveth us the victory through our Lord Jesus Christ." (First Corinthians 15:57)

There is need for the cross because we humans are so unable to help ourselves spiritually. Sin has enslaved us and we are help-

AUSTIN REPORT

By SCOTT BAILEY
REP. OF 76th DISTRICT

Last Wednesday, the Texas Senate gave a voice vote approval to an appropriation of \$2,496,242,685. This is the bill calling for revenue from all sources and for all purposes during the next two years, starting Sept. 1, 1961. This would mean that the State Government would be spending money at the rate of approximately \$3,419,510 per day, or about \$142,000 each hour of the day for two years. Simply because the Senate has passed the bill and if the House also passes it... it does not mean that all the spending problems are solved. The bill cannot go to the Governor's desk until 163 million in new money is raised in tax legislation for the next two years.

school land sold on credit, increasing the interest rate from 3 percent to 4 percent. The Senate passed SB 196 by Senator Crump, writing Federal laws against transportation of livestock or material from tick or Brucellosis areas. It will be enforced by Federal inspectors in Justice of Peace courts, since trials in Federal courts are so slow. HJR 68 filed by Representative Price would allow sale of repossessed G. I. Block Deal tracts as a whole, to the high bidder, rather than trying to peddle these ranch - country farms to GI's only.

One of the big, long-awaited items will go to committee this week, when the House and Senate start hearing on Legislative re-districting. The re-districting legislation will be hotly contested and may well prove to be a "country-boy and city" fight.

Around the Campus

Personality of the Week Jimmy Brightwell, one of many Eastland County students enrolled in Ranger Junior College, has been chosen Personality of the Week.

The son of Mr. and Mrs. Odie Brightwell, Gorman, he is a freshman transfer student from North Texas State College, where he attended the fall semester of 1959. He is a 1959 graduate of Gorman High School, where he played football four years, lettering twice. He also held a perfect attendance record.

Jimmy's chief interest and hobby is music. He played trumpet in the Gorman High School Band and is now a member of the Ranger College band. He enjoys listening to all types of music from classical to hillbilly, and orchestra director Percy Faith is one of his favorites. Jimmy is also interested in Indian lore and has a large collection of arrow heads. He enjoys reading and reads mostly modern novels and books on history and science.

An education major, he plans to teach but is not yet certain where he will attend college after leaving Ranger. An earnest worker, Jimmy is well-liked on the Ranger College campus. He likes people and his sense of humor and courteous, friendly ways help him to get along well with others.

Ranger Junior College students and faculty enjoyed a party given by the Judson Hardys, April 6. As Mr. Hardy was the sponsor of this week's regular Thursday evening college party, he and Mrs. Hardy opened their home to the students for a games party instead of having the usual party in the Student Union Building.

Various games, music, and television were enjoyed. Refreshments of homemade cake, pie, ice cream, punch, and coffee were served. A large group of students and faculty members attended.

Martha Dorcas SS Class Has Luncheon Thurs.

The Martha Dorcas Sunday School Class of the First Methodist Church met Thursday, April 6 at the church for their monthly luncheon. There were 31 present, including 10 visitors.

The meeting was brought to order by the president, Mrs. Clara Ivy. The group sang, "Look for the Beautiful" and Mrs. B. H. Peacock led in prayer. The program was brought by Mrs. H. C. Croson.

Hostesses for the meal were Mmes. J. L. Turner, E. L. Danley, E. H. Mills, G. O. Strong, W. C. Garrett, and Alice Landers.

VISITS IN TYLER Mrs. Bertha Hughes spent the Easter Holidays with her daughter and family - Mr. and Mrs. C. J. Langston of Tyler.

Lone Star-

(Continued from page one)

The project will be in conjunction with the firm's 18-inch, 52-mile natural gas pipeline now under construction between Gordon and Springtown, where the line connects into the Company's main trunk lines supplying the Fort Worth, Dallas marketing area.

Chester Rogers, Lone Star's Gasoline Department superintendent, said the company plans to employ a large number of Gordon area residents to aid in construction. Rogers estimated the project should be completed within four months.

The dehydration facilities will remove moisture from natural gas coming into the Gordon plant from the following field areas: Sipe Springs, Breckenridge - Caddo, Ranger, and the old X-Ray field. The new compressor will boost natural gas through the 52-mile pipeline to Springtown.

Card of Thanks

Our heart cannot express our sincere thanks for the loving kindness of our many friends, for the food, flowers, and expressions of sympathy at the passing of our loved one, Bill Hinman. The Hinman Family

How 45,000 companies help their employees buy security

The average American company is pretty busy tending to its own business. Yet many companies have sandwiched in a valuable service for their employees—the Payroll Savings Plan for U.S. Savings Bonds.

Through this plan, your payroll clerk sets aside a certain amount each payday for Bonds, buys them, and arranges to get them to you. It's completely automatic, and the easiest way in the world to save.

Save as much or as little as you wish

Employees can sign up to save as little as \$1.25 a week. The average among the more than 8 million folks on the Plan is \$20 a month.

All in all, 45,000 companies help their employees save about \$2 billion in Savings Bonds a year—a lot of future homes, vacations, college degrees, and nest eggs for retirement.

The security built into Savings Bonds

U.S. Savings Bonds are guaranteed by the Government to grow. \$18.75 becomes \$25 in 7 years, 9 months. In 10 more years, it becomes \$36.25. Your Bonds can be cashed in anytime, with interest. And if they're lost or destroyed, the Treasury Department replaces them free.

Every Savings Bond you buy is an investment in Peace. What better way to help your government help you enjoy the things you're saving for.

Hats off to American Industry!

"American Industry has given the Savings Bonds Program its greatest success," says William H. Neal, National Director of the Treasury's Savings Bonds Program.

"45,000 American companies have sold many billions of dollars in Savings Bonds—at no cost to the taxpayer," says Mr. Neal. "By operating the Payroll Savings Plan, these companies, big and small, are helping to keep our country strong. At the same time, they're helping more than 8 million people save automatically for the things they want. America owes a vote of thanks to these companies for their outstanding contribution to the 20-year success story of the U.S. Savings Bonds Program."

June 3 Wedding Planned By Margaret Barker, Dan Cruse

Mr. and Mrs. Boyd D. Baker, Jr., 4184 Birchwood Lane, Dallas announce the engagement of their daughter, Margaret Ann Baker to Oscar Dean Cruse, son of Mr. and Mrs. A. N. Larson of Ranger.

The couple will be married June 3, 1961, in St. Monica's Catholic Church at 6:30 p.m.

Miss Marcia Mae Dickson of Little Rock, Arkansas, will be maid of honor. Bridesmaids will be Miss JoAnn Bifano of Dallas and Miss Rita Jo Guinee of Little Rock, Arkansas. Miss Susan Cox of Temple will be flower girl.

Best man will be Arturo Benavides of Laredo. Groomsmen will be Robert James of Dallas and Robert Mooney of Irving and ushers will be Gene Bagwell of Denton, John Hagaman of Bryan,

both former residents of Ranger, Jerry Don Cantwell and James Littlefield, both of Ranger.

The bride-elect is attending the University of Dallas and the prospective bridegroom will graduate from the University of Dallas in June and will attend Southern Methodist University School of Law starting in September.

Weekly Schedule For St. Rita's Catholic Church

The following is the weekly schedule for St. Rita's Catholic Church.

Mass every Sunday at 8 a.m. and Benediction at 5:30 p.m.

Religious classes for grade school students at Parish Hall every Monday at 6 p.m.

Wednesday at 7 p.m. the Newman club meets at the Parish Hall, followed by choir practice at 7:45 in the church.

Thursday evening mass is at 7 o'clock.

Confessions will be heard every Saturday evening from 6 til 7 o'clock and before all Masses.

Discussion meetings are held at the rectory every first and third Monday of the month at 7:30 p.m.

Rev. Joseph L. Van Winkel, pastor of St. Rita's is always available to give information about the Catholic Church.

Everyone is welcome to attend religious services at St. Rita's.

Friendship Class of First Methodist Church

Friendship Class Reaches Goal Of 60 Easter Sunday Morning

The Friendship Class of the First Methodist Church achieved their goal Easter Sunday morning by having 60 present.

The group had been working toward this goal for the past several weeks. The attendance has steadily grown since E. N. Varner became class teacher a few months ago. Inspired by his lessons the class has found a new desire to work for Christ and to want others to come and share their spiritual benefits.

Joe Scott and Mrs. Fred Bennett prepared coffee and cookies which were enjoyed from 9:45 to 10 a.m. at which time the class moved into their regular class room and heard a special solo by

Mrs. Richard Bonney, accompanied by Mrs. Lively Brown. A most interesting and inspirational Easter lesson was given by Mr. Varner.

The class hopes to keep up this attendance and wishes to extend an invitation to anyone who is not an active member of a church school to attend this class every Sunday and to make it their church school home. This has been one of the fastest growing church groups in Ranger and they look forward to greater growth in the future.

Learning the Lesson the Hard Way—

... is not always a virtue, neither is it advisable. The person who buys a home or other real estate without first investigating the title is a perfect example of one who learns his lessons the hard way. True, he will learn better later, but too late for his own good. Any real estate that is worth buying is also worth the extra cost of an abstract, for upon the title rests the value and security of every real estate investment.

BIBLE STORIES COME TO LIFE

Jerusalem Tour Described by County GI

(Editor's Note: The following article was written by a county serviceman after touring Jerusalem, Jordan.)

By S-Sgt. ARTHUR LOWERY

The tour is set up by the Chaplain's office here on the base. The tour is three days long and only cost each one of us \$20. That includes the hotel bill and all of our food and transportation. There are 40 men and women to a group.

The flying distance from Doha here in Saudi Arabia to Jerusalem, Jordan is 1,925 miles. We left Doha at 7:30 a.m. and arrived in Jerusalem the same day at 1:10 p.m. There is a difference of three hours time, making it 10:10 a.m. in Jerusalem. We were met at the plane by a man from the Hilti Dikkak Tourist Agency. He had several new cars standing by and after clearing customs we drove to the City Hotel in Jerusalem. Each of us were assigned a room where we rested until lunchtime in the hotel.

From our hotel we could see Mt. Zion in the Jewish Sector beyond "No Mans Land". The two sectors of the city are heavily guarded and are in a state of tension and armed neutrality. The American Consulate with its beautiful trees, shrubbery and grass is located in the vicinity of "No Mans Land".

Part of the rear wall was shot away during the Israeli-Arab War which started May 15, 1948 and lasted until the end of 1949.

In the Jewish Sector the population is over 200,000. In addition there are 500,000 refugees in Jordan and an additional 500,000 refugees in Egypt, Gaza, Syria, Lebanon and Iraq. In the Jordan

Sector occupied by the Arabs, the population is 80,000. These million refugees are both Moslem and Christian.

Our first tour was the Dome of the Rock which is the site of Solomon's Temple. This Dome is 1,003 years old. The Dome itself was built in the 7th Century. It was in this Temple that Christ threw out the corrupt money changers.

There are eight gates along the Jerusalem Wall. They are St. Stephens Gate, The Damascus Gate, Herods Gate, The Golden Gate, Davids Gate, The Jaffa Gate, The New Gate and the Dung Gate. Only four of these gates are now being used. They are the St. Stephens Gate, The Damascus Gate, Herods Gate, and the Dung Gate. We entered Jerusalem through the St. Stephens Gate. It was just outside this gate that St. Stephen was stoned to death for his faith in Christ.

We toured the old city of Jerusalem and walked along the Via Dolorosa (Way of Sorrows), saw Pilate's house and the archway where Pilate presented Jesus to the people and said, "I find no fault in this man."

Outside the city wall we saw the Mount of Olives which is the highest point in Jerusalem. The Mount of Olives is 2,600 feet above sea level. Just below the Mt. of Olives is the Garden of Gethsemane with olive trees 3000 years old that still bear olives. We visited Gethsemane and saw the garden where Jesus often went up for prayer. We saw the Rock of Agony upon which He sweated great drops of blood the night of His betrayal. We saw the olive tree where the Disciples were found asleep three times when Jesus told them to watch and pray. Across from old Jerusalem we saw the Valley of Kidron, Valley

About the Writer

S-Sgt. Arthur A. Lowery is the son of Mr. and Mrs. Lawrence Wilcox who live on Lake Bernie road near Cisco. He is married to the former Margie Solomon, daughter of Mrs. Maxine Solomon of Cisco and they have a four year old daughter. He received his training at Lackland Air Base in San Antonio and Amarillo Air Base, then served a year in Japan and Korea during the Korean conflict. He was stationed at Perrin Air Base in Denison before going to Saudi Arabia where he is now stationed with a foreign mission squadron.

of Jehoshaphat and the tomb of Absalom.

We drove to the Mount of Olives which is four miles from Jerusalem. On top of the highest point of Mt. of Olives is a foot print said to be that of Jesus just before He ascended from this location 40 days after His resurrection. We saw the four hills in Jerusalem from the Mt. of Olives. We saw a village on top of one of the four hills in Jerusalem where the prophet Samuel was begot.

We visited the Church of Condemnation where Christ received His Cross. On the floor, carved in rock, we saw a chess game which the Roman soldiers used to play. We visited the fourteen stations of the Cross, where Jesus carried His Cross.

In 135 A.D. the Roman Emperor built a temple to obliterate the site where Jesus was crucified on Mt. Calvary. Now the Church of the Holy Sepulchre stands on this site. The Church of Condemnation and the Holy Sepulchre are both beautiful Catholic Churches. The Greek Orthodox also holds their services there. There are two separate tombs believed to be the burial place of Christ. The Catholic Church believes it is inside the Holy Sepulchre. The Protestants believe it is in the Garden Tomb, which was discovered by General Gordon.

Inside the Holy Sepulchre there

is a statue of the Virgin Mary. It cost \$5,000,000 to build. It contains the actual diamonds, rubies, amethysts, pearls and emeralds given to her by the people of Jordan. They were very pretty.

We drove to Bethlehem. On the way we saw the shepherds field, where the shepherds saw the star pointing to Bethlehem when Jesus was born. We visited the Church of the Nativity in Bethlehem and saw the place where Jesus was born in the manger, which is underneath the Church. I had my picture taken standing by the spot where Christ was born. The original stable was destroyed in 727 by the Samaritans. The Church of the Nativity is also a Catholic and a Greek Orthodox Church.

We saw the cave of St. Jerome where he translated the Bible. He came from Rome and translated the Bible from Hebrew to Greek and then into Latin. St. Jerome died in Bethlehem.

We visited the Cave of the Babies in St. Catherine's Church, where the skulls of babies were found who had been killed on orders of Herod trying to find Christ.

We visited the Church of St. Anne which is located over the site of the home of St. Anne and St. Joachim, the parents of the Virgin Mary. The Church of St. Anne was built near the Pool of Bethesda in the 4th Century. Mary was born in this place. Mary's parents lived in a cave and part of the original rock is still in existence in the Church of St. Anne.

Solomon built his Temple in 1,000 B.C. In 20 B.C. Herod rebuilt Solomon's Temple. It was destroyed again in 70 A.D. by Titus. It has a vast courtyard today. It was in this temple where Jesus was found after having been lost for three days.

We visited Jericho, a distance of 27 miles along winding mountainous roads. Our first stop was in Bethany, at the site of the home of Mary and Martha. Bethany is 2 miles from Jerusalem. We visited Lazarus' Tomb where Jesus raised him from the dead. In Beth-

lehem we saw the site of the home of Simon the leper who invited Jesus to dinner. On the way to Jericho we stopped at the Good Samaritan Inn which has a well out back that is 2,000 years old.

We drove over roads that were 2,000 feet above sea level. When we got to the Dead Sea we were 1,300 feet below sea level. It is the lowest place on earth. Jericho is a very beautiful city with large orchards. It has a population of 130,000.

We also visited the river Jordan, where Jesus was baptized. Some of us bought bottles of water taken from the Jordan. From Jericho we saw the Mount of Temptation where Jesus was tempted three times by the Devil. We saw Mt. Nebo from the Dead Sea where God buried Moses.

There were several places we could not see because they were in the Jewish Sector.

While I was in Jerusalem I went to Catholic Mass in the Church of the Holy Sepulchre, about 15 feet from Jesus Tomb. I bought some rosaries and Bibles and had them blessed at the Church of the Holy Sepulchre. The rosaries are made of olive wood taken from the Mt. of Olives.

I am going to close for now. There is a lot more to tell but I guess it will wait until I return. Jerusalem is a wonderful and beautiful place. The people are sure nice. You can feel the Holiness in the air. It was a wonderful feeling to visit the place where Jesus once lived.

OUR SINGER

P. J. Tyler

Christian Science

Those attending Christian Science services Sunday will hear a challenging call to overcome sin and sickness of every kind through wholly spiritual means.

Highlight the Lesson-Sermon entitled "Are Sin, Disease, and Death Real?" is this Golden Text: "The Kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give" (Matthew 10).

One of the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "God is incapable of producing sin, sickness, and death as He is of experiencing these errors. How then is it possible for Him to create man subject to this trial of errors,—man who is made in the divine likeness?" (p. 356).

This verse will be read from Psalm 145: "The Lord is righteous in all his ways, and holy in all his works."

Starkville, Miss.: two daughters, Mrs. DeWitt C. Reddick, Austin; and Mrs. Philip L. Hendrix, Dallas; six grandchildren and his sister-in-law, Miss Elmarie Young, who has been a close business associate for many years, and nephews, L. N. Bryan and J. E. Bryan both of Ranger.

Funeral services were conducted at 3 p.m. Wednesday, at Anglin Street Presbyterian Church, with Rev. Oran W. Sigler and Dr. Matthew H. Arnold officiating.

Palbearers were John Culpepper, Earl Fields, Ison Finley, E. A. Kilpatrick, Fred Lebahn and Robert Wylie.

Honorary palbearers were the deacons and elders of the church.

Family enjoys convenient living, more privacy with extension phones

By DON DAVIS, Telephone News Writer

"A phone in our bedroom is really convenient, because it's nice and quiet there, and I have complete privacy," says Jay Brandtetter, who spends a lot of time arranging club, civic activities by phone.

"My wall phone," says Mrs. Brandtetter, "is the handiest thing when I'm working in the kitchen. Bonnie Jay likes it, too, because it is low enough for her to reach easily."

Like many families nowadays, Jay and Lucille Brandtetter and their two daughters, Sharon and Bonnie Jay, are really on the go.

No doubt that's why they're quick to take advantage of today's modern conveniences—such as colorful extension telephones—that help them get more things done. The Brandtetteres, for instance, have three phones in their seven-room house.

"I just don't see how we'd manage without extension phones," Mrs. Brandtetter says.

Why don't you enjoy the timesaving convenience, the privacy and the security of extension telephones? Just call the telephone business office or ask any telephone serviceman. Cost is low.

Ask about new Bell Chime. It announces your calls with a pleasant musical tone.

Local Group Attends Oklahoma Easter Service

Mr. and Mrs. L. S. Waddington and Mrs. Lottie Davenport went to Lawton Oklahoma, last Friday to visit with Major and Mrs. Norman Davenport and daughter, Jan, and to attend the Wichita Mountains Easter Service. The Easter Services began at midnight with a music program which lasted until 1:15 a.m. At that time the Dayton Rotary Boys Choir of Dayton, Ohio, sang until the Easter service began at 2 a.m.

These Easter Services are held at the Holy City of Oklahoma at the high natural amphitheater in the Wichita Mountains Wildlife Refuge. The Easter Service is a worship service, a reverent portrayal through pageantry, Passion and Resurrection. It is held to celebrate the Resurrection of Jesus Christ, to familiarize more people with the events and incidents of His life and to afford an opportunity for people of all faiths, races and denominations to join together in love and worship of one God.

This Easter was the 36th year the Lawton people have put this service on and Mrs. Davenport says that she wishes everyone could see it.

New Arrivals Mr. and Mrs. Alvis L. Wood of Stephenville announce the birth of a baby daughter, Ada Elizabeth, born April 1 at 6:55 a.m. She has one brother, Leonard. Paternal grandparents are Mr. and Mrs. Leonard Wood of Dublin and maternal grand father, Tom Lovelace of Eastland.

CARD OF THANKS Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, food and other kindnesses, we are deeply grateful. May God bless all of you in His prayer. Mrs. Clifford Floyd and sons The H. C. Floyd Family The L. H. Gentry Family
