## FATAL RESULTS OF WRECK ON SANTA FE

TRAIN OVERTURNS NEAR TEMPLE AND MANY PASSENGERS ARE HURT.

### DEFECTIVE RAIL CAUSE

Engineer McGinnis Pinned Under Cab. There Will be a Long List of Injured.

Temple, Tex., Oct. 6.—Many passengers were injured, some probably fatally, when Santa Fe train No. 17 was overturned this morning three miles out of Saline. Engineer McGinnis was pinned under his cab and is reported dead.

The train was running at a high rate of speed when the accident occurred. It is believed to have been caused by a defective rail. Many of the injured have been brought to the Santa Fe hospital here, but a list is not yet available.

The accident took place in the early morning, when practically all the passengers were asleep and totally unprepared for the shock. Those in the sleeper were precipitated out of their berths and the list of injured will be a long one. Everything possible is being done to relieve the situation, but hospital accommodations here are very limited.

Belton, Tex., Oct. 6.—The train was derailed when it ran into a split switch at Saline south of Temple at 3 o'clock this morning.

Engineer McGinnis of Temple, is dead at the Santa Fe hospital, and Fleman Greer of Cleburne, is reported dying.

J. W. Winfield and E. F. Gresham, Fort Worth mail clerks, were injured when the mail car overturned, and Eliza Robinson of Houston and Sam Hollis of Ladonia, both negroes, were also among the injured.

The engine, tender, baggage mail and express cars, day coach and two sleepers landed in the ditch. The engine reversed its position when it was derailed. Several hundred feet of track were ripped from the ties.

Houston, Tex., Oct. 6.—While running at a rapid rate of speed, Santa Fe passenger train No. 17 was wrecked near Temple, Tex., early today, the engine overturning and several coaches leaving the track. Several passengers and Engineer McGinnis, who was pinned under the engine, are reported seriously injured and a number are suffering lesser wounds.

### Fatal Wreck in Illinois.

Springfield, Ill., Oct. 6.—One passenger was killed and thirty-five others injured, four probably fatally, in a collision last night between a state fair special, taking home several hundred excursionists and a regular passenger train on the Illinois Central at Farnell.

It was first reported that at least a dozen were killed and a hundred injured, but early today it was ascertained that but one person, Miss Clara Watson of Farmer City, was killed.

### KILLS SLEEPING MAN.

Murder and Suicide in Apartments at Memphis.

Memphis, Tenn., Oct. 6.—While his companion was asleep on a couch in the apartment, Mrs. Fannie Waters, a fashionable dressmaker, shot him dead, and then going to the bed nearby, sent a bullet into her own brain, some time last night, according to the police. The man is supposed to be E. C. Planary.

## ACCIDENTALLY KILLS MOTHER WITH SHOTGUN

Myrtle, La., Oct. 6.—Mrs. W. G. Taylor, wife of a hotel keeper of Myrtle, La., was killed last night by her eight year old son, who accidentally discharged a shotgun.

The boy was pointing the gun toward the door in the family room when his mother entered. She commanded him to lower the gun, but in obeying he struck the trigger and the discharge shot of a jec. The body will be buried at Queen City, Texas.

### CARPENTERS INJURED.

Texas News Service Special. Dublin, Tex., Oct. 6.—W. B. Warner, Harry Powell, Lewis Pencoek, C. P. Ewton and W. A. Blain, carpenters, were seriously injured this morning when a scaffold on the Knights of Pythias building gave way, hurling them twenty feet. Ewton, Warner and Powell are in a critical condition.

## STRENUOUS PACE IS TIRING PRESIDENT

WILL SPEND REMAINDER OF THE WEEK RESTING IN YOSEMITE VALLEY.

### EIGHTEEN HOURS A DAY

Receptions and Banquets Follow in Swift Succession and He is Tired.

San Francisco, Oct. 6.—After a few hours rest following a strenuous night of banqueting and receptions, President Taft departed today for a few days of real rest in the Yosemite Valley. He left this city at 8:20 this morning and arrived at Merced at about 2 o'clock. Late this evening he will arrive at El Portal, where he will remain until Sunday morning. Golf and kindred recreations have been provided for him there, but he expects to take as much rest as possible.

So far the president has stood his strenuous trip well, but when he retired at 2 o'clock this morning he was a thoroughly fatigued man. The receptions accorded him in the west have been very elaborate and he has been kept busy eighteen hours out of every twenty-four.

Fresno and Los Angeles will complete the California itinerary, he leaving the latter place next Tuesday afternoon for Phoenix.

## JEFFRIES-JOHNSON BOUT CONSIDERED DOUBTFUL

New York, Oct. 6.—Eastern sporting men are not certain that there will ever be a fight between Jeffries and Johnson. The purse of a hundred and fifty thousand dollars which is said Jeffries demands, is considered out of the question.

London, Oct. 6.—James Jeffries, who arrived here last night, said, in his opinion, the fight with Johnson would occur in San Francisco and added, "If Johnson is half as ready as I am for a fight, it won't be long after my return to America before we are at it."

### DOUBLE WEDDING.

Two Popular Young Ladies Become Brides Today.

At 1:00 o'clock today at the First Presbyterian church, two of Wichita's most popular young ladies entered the ranks of matrons, a beautiful double ceremony being performed. William Carey Lowry and Miss Maud Skinner, and Lillard Abbott Wallace and Miss Vallie Skinner were the contracting parties. The ceremony was performed by Rev. McKee.

Miss Maud Skinner was attended by her sister, Miss Bonnie Skinner, and Miss Vallie Skinner was attended by Miss Lena Matlock. Lamar Pain attended Mr. Lowry as best man, and Mr. Lowry was attended by R. T. Fowler of Fort Worth. D. D. Darling of Fort Worth and Charlton Durland officiated as ushers. Just before the entrance of the bridal parties, Mrs. Perry and J. R. Bradley sang a duet, "I Love You." The wedding march was rendered by Prof. Kats and orchestra.

The brides were attired in handsome traveling suits and the church was tastefully decorated for the occasion.

Following the ceremony Mr. and Mrs. Lowry left for points north, but will return shortly to make this city their future home. Mr. and Mrs. Wallace will also make Wichita Falls their residence.

## AMERICAN LANDS BALLOON TROPHY

EDGAR MIX OF OHIO, CAPTURES GORDON-BENNETT CUP AT ZURICH TO-DAY.

### CONTEST AT ST. LOUIS

Entries in Race There Are Scattered Far and Wide Over the Country.

Zurich, Oct. 6.—The International balloon race for the Gordon-Bennett cup was won by Edgar Mix, the American aeronaut from Columbus, Ohio, who takes the cup back to the United States.

St. Paul, Minn., Oct. 6.—The balloon St. Louis No. 3, is reported to have passed over St. Cloud, Minn., early today. The balloon was close to the earth and the pilots called out the number to the people below.

Reville, Minn., Oct. 6.—A balloon, reported to be the Indiana, passed over here at 7:30 o'clock this morning headed toward St. Paul. The balloon was about three hundred feet from the ground.

Birmingham, Ala., Oct. 6.—A special from Livingston, Ala., south of here towards the Mississippi line, says a balloon passed over about one mile east of there going southward at 11 o'clock today, sailing low and steady.

### Allendale Budget.

Allendale, Tex., Oct. 6.—Rev. J. H. Canwell of Archer City, preached here Sunday. He recently accepted the pastorate of the Baptist church at this place. One person was baptised in the afternoon.

Mrs. Hattie Rawson and baby, of Eric, Okla., and her sister, Miss Jessie Gwinn of Wichita Falls, visited relatives here Saturday and Sunday.

Mr. W. P. Billingsley and family and Messrs. Ed Hardwick and Houston Edds were among those from Allendale who attended the lecture of Dr. Stuart.

Messrs. Clyde Teague and Bert Bracan of Wichita Falls, were visitors in Allendale Sunday.

Mr. J. E. Derrick and family, who have resided in the Allendale community for the past two years, moved away last week. We regret very much to lose these people from our neighborhood.

ADMIRAL SEYMOUR AND SCENE ABOARD H. M. S. INFLEXIBLE AT HUDSON-FULTON CELEBRATION.

Admiral von Koester, who is in command of the German warships at the Hudson-Fulton celebration in New York, is the highest ranking officer participating in the event, and Admiral Sir Edward H. Seymour, who is in command of the British squadron, is second in rank. Rear Admiral Seaton Schroeder, the American commander, is outranked by both of these officers. The British admiral's flagship is the powerful cruiser Inflexible, one of the finest ships in King Edward's navy. The other ships of the British squadron are the Drake, the Duke of Edinburgh and the Argyll.

## HARDEMAN COUNTY IRRIGATION PLANS

FORCE LEFT HERE TODAY TO WORK ON BIG PROJECT UNDER WAY THERE.

### ROOSEVELT TO BE THERE

Ex-President Will Spend 1910 At Dam-site as the Guest of Col. Cecil Lyon.

With about thirty workmen, Manager Will Covine of the Damsite Irrigation Farm Work, left for Hardeman County this morning to begin work on the extensive irrigation project which is planned there. When completed, this irrigation plant will be one of the largest in Texas.

Colonel Cecil Lyon of Sherman, is at the head of the Damsite Farm and he expects to build up a very extensive plant in that section. Hog raising is his one particular hobby, but he is said to be planning a large fruit farm there also. Colonel Lyon was largely instrumental in securing the promise of Theodore Roosevelt to spend most of next year at Damsite, and the Texan is making elaborate plans for the entertainment of his guest. A handsome home will be ready for the ex-president and he will be provided with every convenience.

### PEANUTS HARD TO GET.

Wichita County Ought to Raise More, Says E. D. Kelly.

Some interesting side-lights are thrown on the peanut raising question by E. D. Kelly of the Crescent Candy Company, which company uses about fifty thousand pounds annually. If Wichita County raised enough for the home consumption alone, says Mr. Kelly, it would be a very considerable item. Said Mr. Kelly:

"It has been very hard to get a supply of nuts for the past ninety days. The Texas supply was exhausted in July and we were compelled to pay almost fabulous prices for the nuts. In August we paid as high as nine and a half cents per pound. The demand for nuts is increasing. It is hard to enumerate the many uses and methods of preparing them. The peanut industry alone is enormous."

### Will Submit Proofs.

Washington, Oct. 6.—Commander Peary accepted the invitation of the National Geographical Society to submit his proofs to them for verification.

### BOY RUN OVER.

Six Freight Cars Pass Over His Body. May Live.

Abilene, Tex., Oct. 6.—Marion Pruitt, aged sixteen, is in a critical condition this morning as a result of being run over by a switching train in the Texas and Pacific yards. Both legs are broken and one may have to be amputated. Six cars passed over his body, cutting his face and shoulders and crushing his feet. It is believed he will recover.

## LOWELL INSTALLED AT HARVARD'S HEAD

BECOMES PRESIDENT OF AMERICA'S OLDEST EDUCATIONAL INSTITUTION.

### NOTABLES ARE PRESENT

Impressive Ceremonies Mark Inauguration of New President at Cambridge.

Cambridge, Mass., Oct. 6.—Abbott Lawrence Lowell was inaugurated as president of Harvard University this morning in the presence of an immense crowd which gathered in this city for the event, and amid impressive ceremonies he pledged himself to his work as president of America's oldest educational institution.

Scholars, scientists and theologians were present and paid tribute to the new president. The ceremony was held outdoors on a stage erected in Old Harvard yard for the purpose.

Dr. Lowell succeeds Dr. C. W. Eliot, who resigned his work last year after a long term at the head of Harvard University. Dr. Lowell has been connected with Harvard University for a number of years.

Dr. S. E. Moses, president of the University of Texas, was among the visiting guests at this morning's ceremony and Dr. David F. Houston of St. Louis, formerly president of the Texas University, was also present. Dr. Houston was prominently mentioned to succeed Dr. Eliot.

## SANITARIUM PROPERTY BOUGHT BY DR. MILLER

Dr. R. L. Miller yesterday purchased from the Worthlake Investment Company the three-story concrete building at 8th and Lamar Avenue, and he expects to convert it into a sanitarium at once. The price paid was \$7500.

The purchase of this building puts an end, for the present, to the plans for a hospital to be under the control of the Methodist Episcopal Church. The church has had its eye on this particular property for this purpose for some time, but owing to other matters having prevented the proposition being taken up, it was not discussed to any extent until recently. If the church does establish a sanitarium here, it will be at some other point.

Dr. Miller expects to have the new sanitarium ready for the reception of patients inside of thirty days.

### RANDELL RETURNS.

Refuses to Discuss Recent Tilt With Senator Bailey.

Denison, Tex., Oct. 6.—Congressman Randell passed through here late last night en route to Sherman. Mrs. Randell is weak from her recent illness. Randell refused to discuss the tilt between himself and Senator Bailey or the B. O. Evans announcement that he will oppose him in the congressional race.

### BODGOOD NOT GUILTY.

Man He Killed Had Made Insulting Remarks.

Brewton, Ala., Oct. 6.—The jury in the case of Dr. Thomas Bodgood, a prominent physician of Escambia County, has returned a verdict of not guilty. Bodgood last October shot and killed James Gleason on the public square, using a shot gun loaded with buck shot. The defense proved that Gleason had made objectionable remarks about Bodgood's family.

## SENTIMENT FAVORS NEW CITY CHARTER

PLANS ARE ALREADY WELL UNDER WAY FOR PROPOSED NEW ORGANIC LAW.

### TWO LEADING CHANGES

Increased Tax Rate and Power to Enforce Paving Are the Main Features.

Although it may be fifteen months before the new charter for Wichita Falls can be secured, tentative plans for it are already well under way and it is hoped to take things through with a rush when the time comes. As outlined by those in the lead in the movement, the charter will empower the city council to levy a general tax rate of one per cent, instead of two-thirds of one per cent as at present. Another important change will cover the paving question and the city council will be empowered to force abutting property owners to pave the streets out to the center-line in front of their property.

If the legislature is called in special session in January, as it is rumored it will be, this charter will probably be embodied in the governor's call and in this case it can be secured a year earlier than it otherwise would.

Sentiment on the proposed new organic law has already been sounded to some extent and has been found to favor it very largely. While the increased tax rate will be something of a burden, it is believed that the improvements that are needed are more essential than a lower tax rate.

### SURE IT WAS A SALOON.

Dr. G. C. Rankin Replies to Inquiries Regarding His Statement.

In reply to a request by County Attorney Greenwood for specific information from Dr. G. C. Rankin as to the location of the saloon which he declares he saw open last Sunday morning, Dr. Rankin has written as follows:

"My Dear Mr. Greenwood:—When I got off the train Sunday morning at 2:15, the saloon right on the left hand side of the street as you go to the hotel and just about the first place on the street, I saw a saloon open and several men standing in it. I saw no sale; neither did I see any of them taking drinks. Had I stood there long enough I might have seen it, but I was not acting as a detective. Mr. Stuart, in his address Sunday afternoon, asked the question, 'Do your saloons close after midnight?' I replied that I saw one running after that hour. I merely answered his question. What I saw would not aid you in an indictment, because the thing was simply open and a number of men were standing around on the inside. Saloons usually stand open for business, but I did not examine this one long enough to see what business it was doing. That it was a saloon, there can be no doubt.

Sincerely,  
G. C. RANKIN.

The statement that he saw no sales of liquor take place clears up the many rumors that have been circulated regarding Dr. Rankin's statements, and his letter is considered an exoneration of the officers of this city and county.

### SPANISH CAMP ATTACKED.

Two Men Lost, But Moors Are Repulsed.

Melilla, Oct. 6.—A Spanish Camp under command of General Setzmayr was the object of a surprise attack early today by the Moors. The enemy was repulsed and shelled until nine o'clock. The Spaniards lost two men.

## DROUGHT NOW PREVAILS IN TOWN OF HENRIETTA

Henrietta, Oct. 6.—The drought now prevails in Henrietta. The time allowed the saloon keepers to close up expired this week, and this is once more a "dry" town. At present the law is being enforced and there are no visible chinks in the lid. The recent election affected only this city, the rest of the county being already dry, and five saloons were closed as a result.

## AMUSEMENTS

The next attraction at the Wichita Theatre will be the annual visit of the Black Patti Musical Comedy Company, presenting "A Trip to Africa."

An advance notice says: Great things are promised by the Black Patti show when it comes to the Wichita Theatre, Monday, October 11th, to pay its annual visit in "A Trip to Africa," the original three-act musical comedy, written by "Jolly" John Larkins, and staged under his personal supervision. The production this year has been greatly enlarged, and the joint stars are Sissieretta Jones the original "Black Patti," and "Jolly" John Larkins, the funny man. The musical hits include, "Boola-Boola," "In Zululand," "Mother's

Child," "The Great I Am," "The Beaming Sun," "Happy Days," "In the Bright Moonlight," "Honey I Want You," "All Hall the King," "Rag Time Base Ball," and "A Trip to Africa."

The scenery is furnished by the Hyde Scenic Studio; New York costumes, which have no equal with any other negro organization, from the Eades Customing Company, New York City. The properties are by Stedel, electrical effects by Kielgel and wigs by Bach. The chorus with the company this season has been trained by a well known New York professor and a special feature will be the "Jungle Drill," by the "Zambo Tribe." Not only is this one of the great attractions, but the "Cat's Jubilee," in which a number of the chorus men take part is one of the most comical situations ever seen.

Seats will be on sale at Bean and Huey's Saturday morning.

### "IN THE HOUR OF DEATH."

A Note on the Authorship of a Well Known Poem.

The question is often asked in newspapers and magazines, "Who wrote the poem beginning 'In the hour of death, after this life's whim?'"

The answer is given that nothing is known of the author. It is true this poem was published with only the initials of the writer in the University Magazine in 1879. But I hold the manuscript of the poem, and I have also Blackmore's letter that accompanied it. Blackmore has been so long dead I do not feel that there can be any harm in giving his letter to the public. I subjoin an exact copy of it; also of his poem.

AGNES E. COOK.

Tedda., Jan. 5, 1879.

"My Dear Sir—Having lately been at the funeral of a most dear relation, I was there again (in a dream) last night and heard mourners sing the lines enclosed, which impressed me so that I was able to write them without change of a word this morning. I never heard or read them before to my knowledge. They do not look so well on paper as they sounded. But if you like to print them here they are, only please do not print my name beyond initials or send me money for them. With all good wishes to Mrs. Cook and yourself, very truly yours,

R. D. BLACKMORE.

"K. Cook Esqre LL. D."

Domineus illuminatio mea.

In the hour of death, after this life's whim,  
When the heart beats low, and the eyes grow dim,  
And pain has exhausted every limb,  
The lover of the Lord shall trust in him.

II.  
When the will has forgotten the lifelong aim,  
And the mind can only disgrace its fame,  
And a man is uncertain of his own name,  
The power of the Lord shall fill this frame.

III.  
When the last sigh is heaved and the last tear shed,  
And the coffin is waiting beside the bed,  
And the widow and child forsake the dead,  
The angel of the Lord shall lift this head.

IV.  
For even the purest delight may pall;  
The power must fall, and the pride must fall,  
And the love of the dearest friends grow small,  
But the glory of the Lord is all in all.

### DISCIPLINE.

The Way Binks Tried it on His Six-months-old Baby.

Binks had sent Mrs. Binks on a visit to her mother, and he was on the job with the six-months-old baby.

In the night the baby woke and cried. Binks looked at his watch—three-quarters of an hour till bottle time. He said to himself:

"Let him yell. He's a healthy little Indian, and he must be disciplined." Then Binks tried to sleep.

But Binks couldn't sleep. Every cry grew more pathetic and abused and heartick and discouraged. Each cry said more and more plainly: "I have no friends or relatives. I'm unhappy and uncomfortable and want some one to be good to me."

But Binks, the stubborn and stiff-necked, stuck it out, though each cry stabbed him clear through.

Finally (maybe he set it forward a bit—who knows?) Binks' watch announced the arrival of bottle time. He went to the icebox for the food, heated it and took it to his now faintly sobbing infant son.

But the infant son could not take the bottle. He choked on the first swallow, then put up his hands and renewed his wordless plea to the big man he could see dimly through his tears.

Then that father said, "Discipline be hanged!" Maybe, though, it wasn't "hanged" he said, but the vowel sound is right, anyway. He took up that baby, and the baby stuck to his daddy like ny paper. Further attempts to lay him down were futile. He wanted no food but heart food, no milk but that of human kindness. So the big man laid that baby beside him on the pillow: the baby put one rose petal hand to his father's stubby cheek, gave a long, quivering, satisfied sigh and slept for six unbroken hours.

As Binks lay there, afraid to stir lest he disturb the little one and feeling like a horse thief because he had let the love-hungry infant cry his heart out, he repeated frequently:

"Discipline be hanged!" — Chicago News.

She Was Willing.

He—Do you know that as long as I have known you I have never seen you dressed in white? She—Indeed! Are you, then, so partial to the color? He—Not exactly that, but whenever I see a girl dressed in white I am always tempted to kiss her. She—Will you excuse me for a quarter of an hour?

Didn't Believe in It.

The Squire—That's a splendid horse, Giles. I suppose you feed it daily with punctuality.

Giles—Now, zur. None o' yer no-fangled foods vur me. Just 'ay and oats—onis and 'ay.—London Telegraph.

Business.

Miss Coy (at the garden party)—Let you kiss me? Certainly not. I've only known you an hour. Mr. Hustler (looking at his watch)—Well, then, suppose I come around in an hour and a quarter?—Boston Transcript.

He that is ill to himself will be good to nobody.—Scottish Proverb.

## Big Values in New Dress Goods

Everything in our dress goods department is now ready for what we believe is going to be the biggest winter's business we ever did.

We have two reasons for thinking so:

1st. Money is easy and people are already buying very freely.

2nd. We never before had such wonderful values to offer as we have this year.

Our prices are not much, if any, lower than other stores, but the value we give for those prices will surprise you—we couldn't do it if it were not for our exceptional buying facilities.

Our buyer is a wizard at dry goods buying and has gathered together some of the biggest values that ever came to the city.

Our Poplins and Solettes in all colors, at 50c to 35c per yard, are just two hints of the immense lines we can and want to show you.

**WEATHER FORECAST.**  
 For Wichita Falls and Vicinity  
 —Tonight and Thursday, increas-  
 ing cloudiness. Not much change  
 in temperature.

Kickers and croakers have no place in any live, bustling city like Wichita Falls. But it is well to remember that it is not always the fellow who does not view things in the same light as you who is the kicker or croaker. When this feeling occurs to you, just take your measure and see if there has not occurred and undue or abnormal growth of your cocoon. It might be that you are the fellow who more properly should be placed in the class with kickers and croakers. The genuine croaker or calamity howler is that fellow who is ever-ready to wring his hands, pace the floor and wall his eyes around like a dying calf, proclaiming that if this or that occurs, the town is sure to take a backward movement on the toboggan slide. This is the easiest and surest way to retard the growth and prosperity of any thriving, growing city. The surest way to build a city is to advertise to the world that your city is one in which the most humble citizen can express his honest convictions in the proper way without fear of financial loss, because he has dared to voice his own convictions instead of those of some other fellow; that your city is not one in which a small coterie of citizens are supposed to do all the thinking and the voting, and if you happen to disagree with them you are not expected to leave town or go fishing on election day, instead of to the polls; that Wichita Falls is a city built on the American plan, where every man is free to pursue the even tenor of his way so long as he does not interfere with the rights of others and stays within the law. That is the kind of city Wichita Falls is and always will be.

The Dr. Cook haircut is the latest. The head is cropped close except for a ridge of hair running from the north pole to a point south, between the eyes, the ridge showing the explorer's route. Those who desire a touch of realism might sprinkle gum drops along this ridge.

The peanut crop is said to be rather short in Texas this year. But no such complaint is being made from the peanut politician crop. It seems unusually luxuriant of late.

Dr. Cook has received fifty thousand dollars for making five speeches. Peary has done a lot more talking than that and hasn't got a cent to show for it.

In addressing the Jones County Farmers' Institute one day last week, Tom Frazier, the well-known Bosque County hog raiser, said, among other things, "No section can succeed unless it is based upon the stock farm idea, and no county can succeed that is based upon the one-crop idea." What Mr. Frazier said has been most thoroughly demonstrated in nearly every county in the state. So long as Wichita County stuck to the one-crop idea, neither the county nor the town was prosperous, and when a failure came—one of those dry summers—there was little or nothing to fall back upon. As a natural consequence, the farmers were compelled to desert the county and then everything had to begin at the bottom. Finally, the farmers solved the problem by crop diversification, and raising stock and poultry, and today there is no more prosperous county in the state than Wichita and none that has grown faster, in both wealth and population. It used to be the case—ten or twelve years ago—that the best land in the county sold at from \$10 to \$15 per acre; that was when only small grain crops were raised. But now these same identical lands could not be purchased for less than double that value. Diversified farming and stock raising has accomplished this and will do the same for any county.

In renewing for the Times for another year, one of our readers who is now making his home in an Oklahoma town, much larger in point of population than Wichita Falls, writes a few encouraging words as follows: "I feel like giving you a few words of praise for your paper is clean and new—far ahead of \_\_\_\_\_ papers, although I dare say I ought not to say that out loud. Best wishes for your paper and the town."

A French professor says that the way to live long is to get the germs to fighting among themselves. Between the Cook-Peary controversy, Baffinger-Pinchot controversy and the Bryan and Bailey controversy, it does look like we could spare the germs at least one of them.

A New York woman entertained her friends at a dinner paid for with a Confederate \$50 bill. If she had lived in Philadelphia, it could have been said with reason that she didn't know the war was over.

In St. Louis men refuse to give up their street car seats to ladies because the latter refuse to say "Thank You." In Wichita Falls, a smile is considered ample reward for such a courtesy.

Judging from the ovations Taft is receiving, there is cause for refuting the bromide that nobody loves a fat man.

**Died of Typhoid.**  
 O. A. Dedrick a carpenter, aged 32 years and five months, died at his home at 1195 Bluff street, this city last night at 8 o'clock of typhoid fever.

Deceased was a member of the Odd Fellows lodge, and leaves a wife and one child.

The funeral was conducted from the family residence at 4 p. m. this afternoon by Rev. R. R. Hamlin, pastor of the Christian church, and the remains were laid to rest in Riverside cemetery with all the honors that could be conferred by the order to which he belonged.

For plain and fancy sewing see Mrs. Linville, Fourth street between Austin and Burnett. Prices reasonable. 123-124

## BIG TENT THEATRE.

Tonight at the big tent theatre the famous Korak Wonder Company will appear in the sparkling comedy drama, "The Troubles of a Married Man." This bill permits the liberal introduction of comedy and also has a very interesting story. The plot is easily followed and "Uncle Obediah" keeps the audience in a constant state of good humor. For the balance of the week R. Rucker has selected the following plays: Tomorrow night "CAMILLE," Friday night the novelty performance of the week, "A BIG MINSTREL SHOW," in which the entire company will appear, and on Saturday night as a grand farewell performance, the entire company will appear in the entrancing comedy, "WANTED—A WIFE." 125-1f

## SHORT ITEMS OF INTEREST

The county commissioners will meet Friday morning to approve the tax bills and attend to other routine business. The prohibition election petition will not, it is stated, be ready for presentation at that time and will hardly come up before the November meeting.

The visiting capitalists from Chicago, are on a trip up the Wichita Falls and Northwestern today, accompanied by several of the officers of the road. The visitors have been enthusiastic in their praise of this city and section.

As a result of a scuffle between an officer and a young man on Ohio avenue last night, a plate glass window in front of a store was broken out. The fight was largely due to a misunderstanding.

A. L. Jones of Denison, representing a peanut factory of that city, is in Wichita Falls today and has interested local parties in the raising of Spanish peanuts.

## DR. RUCKER.

At the big tent theatre last night Dr. H. D. Rucker entertained a very large audience with one of his interesting talks, and he held the large crowd at full attention and all within the reach of his voice, applauded him several times. Dr. Rucker, while he is in the medicine business and sells his own discovery, does not bore the audience with a bland review of what he has to sell, but in a few words, plain spoken, demonstrates that what the people of this country need most at the present time is the Korak Wonder medicine, the conditions of the water, and the constant floating of dust which settles on every portion of the body, and which causes no end of trouble but can easily be exterminated by the use of Dr. Rucker's famous Korak Wonder, which is on sale at the big tent theatre at every performance. 125-1f

### Iowa Park News Items.

Iowa Park, Oct. 6.—The following young people of Iowa-Park and vicinity were married Sunday: Albert May and Miss Beulah Frances Parker; Geo. B. Dunn and Miss Frances Mills; J. W. Ellison and Miss Beulah B. Brubaker. The many friends of these young people wish them prosperity and happiness.

Rev. J. C. Clement, pastor of the Baptist church at this place has gone to Clarendon and other points to recuperate, he having been sick for some time.

Jno. J. Clark returned Friday to his home at Thorp Springs.

The Home Department of the Christian Sunday School held its quarterly meeting Thursday at the home of Mrs. Gilres. Officers were elected as follows: President, Mrs. E. Boyd; Vice-President, Mrs. J. P. Herod; Secretary, Mrs. Lee Clark; Treasurer, Mrs. Walter Gilres. Other routine business was transacted and refreshments served.

A pleasant social time was spent and the department adjourned to meet next time at the home of Mrs. Lee Clark.

The first month of school closed Friday. Nearly every child in the community is enrolled. Thursday was a banner day, as there were no tardies.

Conditions seem almost ideal here now. The weather almost perfect, no serious sickness in the community, farmers busy with corn and cotton and receiving good prices, both grain running, the carpenters at work, merchants having a fine trade, ranchmen shipping fat cattle out to market and others in to grass, dairymen selling cream and dairy cattle, poultrymen getting fancy prices for eggs and the moral and intellectual interest of the community seems to be keeping pace with the material advancement, as is evidenced by the work of our churches and school. As a united people, we can say, 'it is good to be here.'

### A Pleasant Way to Cure Catarrh.

Poor deluded victims! Constantly sprinkling and spraying and stomach dosing.

What are you doing it for? Trying to kill the catarrh germs? Might just as well try to kill a cat with fresh milk.

Sticking a piece of chewing gum in the upper left hand corner of the right ear would slaughter just as many germs.

You can't kill the germs that cause catarrh unless you get where they are. You can get where the germs are by breathing Hyomel, the powerful, yet soothing antiseptic, which is prepared especially to kill catarrh germs.

Just breathe it in, that's all. It gives joyful relief in five minutes. It is guaranteed by Mater-Walker Drug Company to cure catarrh, or money back.

It is sold by leading druggists everywhere. A complete outfit, including inhaler, costs \$1.00. Extra bottles, 50c. Cures sore throat, coughs and colds.

'I take especial pride in recommending Hyomel to asthmatic sufferers, as I know by experience that it is a remedy that cures. I have not since using Hyomel had any recurrence of asthma.'—Mrs. Wm. Burton, Owosso, Mich., June 22, 1909.

There's work for a want ad—when the cook leaves; or when most any part of the home machinery stops.

Two Ways of Looking At It.

After buying that bill of lumber you are going to need, and using it, you may be either glad or mad. It depends on whether you buy good, dry lumber from us, or carelessly accept lumber that's only half seasoned, from somebody who's not so particular about the quality of their stock as we are. There are no two ways about it: You can buy any kind of lumber or building material to better advantage right here than you can anywhere else in this part of the country. Let us make you an estimate on what you want.

**DANGEROUS DANDRUFF.**

Will Make America Baldheaded Nation if Not Checked.

M. Pasteur, the great French Physician of Paris, once said: "I believe we shall one day rid the world of all diseases caused by germs."

Dandruff is caused by germs, a fact accepted by all physicians.

Dandruff is the root of all hair evils. If it were not for the little destructive germs working with a persistency worthy of a better cause, there would be no baldness.

Parisian Sage will kill the dandruff germs and remove dandruff in two weeks, or money back.

Mater-Walker Drug Company guarantee it. It will stop itching scalp and make the hair grow thick and abundant.

It puts life and lustre into the hair and prevents it from turning gray.

It is the hair dressing par excellence, daintily perfumed and free from grease stickiness. It is the favorite with women of taste and culture who know the social value of fascinating hair.

A large bottle costs only 50 cents at leading druggists everywhere, and in Wichita Falls by Mater-Walker Drug Company. The girl with the auburn hair is on every package.

**Local Gin Receipts.**  
Up to yesterday, at the close of business 1027 bales of cotton had been ginned by the two gins in this city, divided as follows: Farmers' Union Warehouse Gin, 555; Wigham Gin, 472.

At both gins, in answer to questions asked by the reporter, the managers stated that about half the crop had already been ginned.

This is considerably less than the number of bales ginned at the two gins at this time last year.

Come out tonight and let us have a good old time revival—let us work together for lost souls.

**Your Assistance Please**

We are closing our Store during the winter months at six o'clock p. m., with the exception of Saturdays.

We think that twelve hours is as long as anyone should be required to work, especially confined in the house. In order that we may give the best of service and at the same time treat our clerks right, we are going to ask that you send in all afternoon orders as early as 3 o'clock if possible, and in no event later than 5. 8 hours work, 8 hours play and 8 hours sleep is said to be the proper division of the day and it does seem as though twelve hours hard work should be all that is required even of a grocers clerk. Now let us have your co-operation and we will do our utmost to give prompt and efficient service during those hours.

Yours for a fair deal,
