**Bobcats 2nd In Regional**

Dimmitt Bobcats ended their basketball season Saturday night by bowing out in the regional finals to the Canyon Eagles by a score of 52-44.

The Bobcats advanced to the finals Saturday with a victory over Comanche in an afternoon game. Dimmitt defeated Comanche 62-47. The Bobcats played one of their best games of the season when they met the Indians. The 'Cats hit 21 out of 41 field goal attempts for 51 per cent and hit 20 out of 30 free throws for 67 per cent.

The Bobcats opened the game with a free throw. Clint Summers stole the next pass in and scored to put Dimmitt out front 3-0. From here on the Bobcats rolled to a 21.9 first quarter lead and increased it to 35-16 by halftime.

The second half the Bobcats held on to their lead and coasted to victory. Jacky Nichols led scoring for the Bobcats by hitting 21 points. Nichols had a good game as he hit consistently from outside and inside.

Three other 'Cats hit in the double, figures to boost the high scoring victory. Landol Frazier hit 14 points and held Comanche's 6'5" scoring ace, Hugh Fletcher, to 10 points. Fletcher had been averaging 21 points a game. Clint Summers scored 13 points and played a fine hustling floor game as did Steve Hutton. Hutton scored 11 points.

Dickie Dyer did a good job of rebounding for the 'cats and also played a good defensive game. Bob Bradford, who splits playing time with Dyer also did a good job of defending Comanches' fine 6' 3" sophomore.

Overall it was a good team effort put forth by the Bobcats. Saturday night the Bobcats played the Canyon Eagles for the regional championship. The Bobcats stayed with the taller Eagles until the final minutes of the game.

Nichols and Summers fouled out late in the game and Canyon held on for an eight point victory, 52-44. With some two minutes remaining in the game Dimmitt trailed only four points, 42-38 but Canyon scored several baskets by throwing the ball the length of the court. Canyon led at the end of the first quarter 12-5 but Dimmitt tied it up 17-17 by half time. Canyon led at the end of the third quarter 31-28. The Bobcats didn't shoot well against Canyon as they did against Comanche in the earlier game. The 'Cats hit 16 out of 43 field goal attempts for 37 per cent and hit 12 out of 22 free throws for 55 per cent.

Clint Summers led the Bobcat scoring with 13 points and Landol Frazier had 12.

The Eagles, who were playing with two 6'4" boys and one 6'5" out-rebounded Dimmitt 42-29 and this was a major factor in the game.

The Bobcats made a good hard effort for the championship but just didn't quite make it.

Nichols was placed on the all-tournament team in the double A division. In addition to Nichols—Summers and Frazier were given consideration for the all regional team. These three boys are all seniors this year and will be hard to replace next season. They have done an outstanding job all season along with other team members.

The Bobcats ended the season with a record of 22 wins and 13 losses. Ten of these losses came early in the season.

**Murray Hall  
Loses Brother**

 Mr. and Mrs. Don Stripling and children were recent visitors in the Lawrence Birkenfeld home, while making arrangements for Don's latest assignment, a tour of 22 months service for the U.S. army in Germany. Don's wife has accepted a position as surgical nurse at St. Anthony's Hospital at Amarillo. She is the former Irene Birkenfeld from here.

Mrs. Ronnie Birkenfeld and baby son are visiting the Chris Birkenfeld's while awaiting the return of Ronnie, who is in the U.S. Navy, aboard the U.S. Hornet. His later assignments have been in Hong Kong and Japan.

Mr. and Mrs. Tom Annen made a business trip to Muleshoe last Wednesday. On their way home they stopped in Hart and spent the evening, visiting with her sister, Mrs. Frank Bauman.

Mr. and Mrs. James Clay and family spent Saturday visiting her parents in Plainview.

Art Albracht was elected president of the Newman Club at West Texas State University at Canyon, Wednesday February 26.

Mrs. Raymond and Mrs. Tom Annen and Mrs. Harry Klemann spent Tuesday with Mrs. Sonny Bell and enjoyed a delicious dinner, prepared by Pat and Sharolyn, honoring their mother on her birthday.

Fifteen members of the Order of Martha met in the home of Mrs. Louie Schacher, Tuesday February 25. Leinens sewed and laundered

by the members were turned in ready to be sent back to the Extension Mission Society. A Stanley party was given by Mrs. Lyn Ebbly. Instead of hostesses prizes 15 percent cash on all orders was given to the Missions. About twenty five dollars was realized.

Mr. Tom Annen is still sick in the Dimmitt hospital.

The Day of Recollection held at Holy Family Church Sunday March 1st, given by Father Joe James, teacher at St. Luciens Seminary

in Amarillo was well attended. Supper guests of the Francis Wilhelm family Sunday March 1st were Rev. Father Reichel, Rev. Father Joe James, Ed Wilhelm, Mr. and Mrs. Florence Albracht and Art.

Miss Joan Lange returned home from Florida where she spent several months. She is working at Cooper's Market in Hereford, where she has been employed for several years.

**"NUTRIENT BALANCE"**  
Proper nutrient balance continues to be the key to most profitable fertilizer use. To obtain proper nutrient balance, apply the nutrients that the soil cannot supply.

Proper nutrient balance may come from the application of nitrogen alone. Or it may take both nitrogen and phosphorus. Potassium, sulphur or minor elements may also be needed in a few cases to obtain the right nutrient balance.

A good illustration comes from an experiment conducted on wheat by Texas A & M University in Parmer County. The application of 80 pounds actual nitrogen per acre returned a net profit of \$3.39 per acre. The application of 40 lbs. of phosphorus as P2O5 returned a net profit of \$8.87 per acre. These are good returns. But the application of the two together, 80 - 40 - 0 per acre, returned a net profit of \$45.58. This is an unusually good profit - perhaps higher than normal - but it vividly illustrates the value of properly balancing plant nutrients. In other experiments, the application of nitrogen alone has given the most profit. In fact, application of phosphorus when it is not needed will result in decreased profits.

The main point to remember is to supply plant nutrients that the soil cannot supply. It is well known that nitrogen is deficient in nearly all soils in the area. Approximately 50 per cent to 60 per cent of our soils are deficient in phosphorus. Turn this around and you can see that about 40 per cent of our soils need no phosphorus.

The first step to proper nutrient balance is to find out if phosphorus is needed. This can be done with a soil test. Then determine nitrogen rate to fit yield potential. Apply the two for proper nutrient balance if both are needed.

## Research Group Announces Eighth Annual Field Day

Thursday, September 10, was selected for the observance of the Eighth Annual Field Day of the High Plains Research Foundation at the semi-annual meeting of the Board of Trustees for the Foundation at Halfway, Saturday, February 22, 1964. Ewald Quebe of Lockney, who is a Vice-President, presented preliminary plans for the Field Day.

The Board of Trustees unanimously approved expansion of the Foundation by the purchase of 504 1/2 acres from Mr. and Mrs. J. Frank Triplett of Amarillo. Slides and maps showing the proposed use of the new facilities were presented by Steve Taylor of Dimmitt, who is also a Vice President. The farm is located north of Cotton Center at the northwest corner of the intersection of farm to market highways 168 and 1315. Mr. and Mrs. Triplett made a sizable contribution in the reduction of acre cost below appraised value of the farm. Mr. Harold Hinn, Chairman of the Board, heads the committee to secure capital funds for the down payment. The Foundation will take full possession of the farm in January, 1965.

Asa Willis, Texline farmer and rancher, was elected to membership on the Board of Trustees. All trustees and officers were re-elected for 1964.

Amemorial service was held for two board members, E. E. Moss of Lubbock and H.E. Schuster of Muleshoe, who had passed away since the last meeting of the board in September, 1963.

C. I. (Stoney) Hall, Amarillo, was made chairman of the committee to plan the expansion of the research program of the Foundation in re-charge irrigation and bench-levelling.

The research progress report showing the practical farm adaptation and research achievements of the Foundation was presented through the use of color slides by Frank Moore, who is President of the Foundation.

Virgil Patterson, Amarillo, Vice-Chairman of the Board, presented the need for and requested the creation of a new staff position for the Foundation. The expansion of the staff was approved by the Board.

Chairman Harold Hinn presented the plan for an area-wide campaign for the Foundation's operating budget in March, which was approved by the Board. He then appointed board members in the various counties to head the campaign.

A tour of the Foundation's new facilities was conducted for the Board members, press and visitors following the noon luncheon at Halfway. The new gin, seed processing laboratory, shops, offices, and machinery storage were included along with new equipment and machinery.

## Senator YARBOROUGH'S REPORT

Dear Fellow Texan:

The United States Senate voted this week 74 to 19 for final passage of the bill for a tax cut of \$11,545,000,000. I have been advocating a substantial tax cut for seven years, and I'm pleased to have been among the overwhelming majority that supported this badly needed tax cut.

Why was it needed? First, to give some relief to American taxpayers overburdened by high taxes ever since World War II.

Second, because our economy has been plagued by a dangerously high unemployment rate, a rate that has never fallen below 5 1/2 per cent in the last six years, a rate certain to rise even higher had there been no tax cut. We have 70 million people employed, an all-time high. Yet, we had 5 1/2 per cent unemployment, between four and five million workers. This tax cut was an effort to create new jobs to alleviate unemployment.

Individuals in Texas will benefit some \$407 million in wages from this tax cut. The deductible rate on the weekly or monthly salary checks have been cut from 18 per cent to 14 per cent.

Of equal importance is the fact that this tax cut, with the stimulation of \$35 to \$40 Billion a year more in the Gross National Product, will mean some two million more jobs nationwide—when the tax cut is effected—than if there had been no reduction. This estimate by the Labor Department and other government authorities takes into consideration the fact that there would have been a further rise in unemployment rate without the tax cut.

The 88th Congress is not relying on this tax cut alone to combat unemployment. We passed five major education bills, the best education record of any Congress since the Morrill Land Grant College Act was passed in 1862 and signed by Abraham Lincoln. The Senate has passed a Youth Employment Act, now pending in the House of Representatives to help create jobs for your young people by a Youth Conservation Corps,

and a Youth Conservation Corps, and a Youth Conservation Corps, and a Youth Conservation Corps.

similar to the old Civilian Conservation Corps camps.  
The President has called for a high level commission on automation, because automation is cutting out a million and a quarter jobs a year. The Area Redevelopment Administration, a cooperative program with local government  
and business, has created more than 1600 new jobs in Texas. Fifty-five counties in Texas are eligible to take part. In addition, we have created many thousands of jobs by the accelerated Public Works programs for local cities and towns in Texas and elsewhere.

SELECTED "LITTLE SISTER" of the Young Homemakers Club last Thursday was LaDawn Kemp (left) senior in Dimmitt High School and active in F.H.A. Other lovely young girls were candidates for "Little Sister." They are (left to right) Jane Cleavinger, Eva Giles and Janice Baldrige. See story.

### Homemakers Club Recognized "Little Sister" Thursday

Miss LaDawn Kemp, a senior student of Dimmitt High School, was chosen Thursday at a tea in the Homemaking Dept. to represent the Dimmitt Young Homemakers' Club as their Little Sister. Miss Kemp was selected from a group of four young ladies.

Miss Kemp was chosen for her contributions to F.H.A., contributions to the community, scholastic average over 85 and being an active member of F.H.A.

The club comments, "We are proud to have LaDawn as our Little Sister and we know that she will serve well."

White carnation corsages were presented to the candidates Misses Janice Baldrige, freshman; Eva Giles, sophomore; and Jane Cleavinger, junior. Miss Kemp was presented a red carnation corsage.

The three candidates served the 24 guests present cake and punch from a table accented with red and white decorations.

Mrs. Claudine Langford and Mrs. Linda Minchew made two heart-shaped cakes iced in red and white for the tea. Strawberry punch was furnished by Mrs. Joyce Turner and Mrs. Elaine Melton.

Members present included: Mesdames Wanda Nelson, Joyce Turner, Elsie Moore, Ellen Hrabal, Eloise Varner, Martha Wilde, Claudine Langford, Bert Jacks, Beth Odum, Wyvonne Snider, Elaine Melton, Dickie Holcomb, Linda Minchew, Wilma Reeves and JoAnn Snider and Estelle Hottel, advisors. Visitors were Mrs. Reba Ogden.

### Exchange Student Speaks To Lucky Jumbo 4-H Club

Lucky Jumbo 4-H Club met last Thursday night in the home of Mr. and Mrs. Charles Burks.

Meeting was called to order and plans were discussed for "Share the Fun Contest."

Michele Bertonneau, foreign exchange student from France, presented the program for the evening. She spoke to the group about

her home, her family, teenagers in France and made an interesting comparison of the French way of life and the American way of life.

Refreshments of cookies, coffee and cakes were served to members; Carolyn, Patty and Mark Simpson; Betsy, Mickey and Benny Simpson; Dan and Kay Sheets; and Ronnie Burks.

Others attending were M. L. Simpson and Lisa, Mr. and Mrs. Bill Simpson, Mr. and Mrs. Branch Sheets, and hosts Mr. and Mrs. Charles Burks and Gregg and special guest, Michele.

Miss Bertonneau was supper guest of the Branch Sheets before attending the 4-H meeting.

### Plainview PCA To Mark 30th Anniversary With Annual Meeting

Members and guests from across an eight-county area of the High Plains will attend the 30th annual stockholders' meeting of the Plainview Production Credit Association Saturday, March 7, in the Plainview High School auditorium.

A luncheon will be served to all members and guests beginning at 11 a.m. in the high school cafeteria, General Manager Noel Woodley announced, followed by the business meeting at 1 p.m. in the auditorium.

The annual meeting of the nation's largest Production Credit Association will highlight 30th anniversary activities of the home-owned and operated agricultural financing institution.

"We want to urge all our stockholders to make every effort to attend their annual meeting," Woodley stated. "An interesting and informative program has been planned, and this is the one time each year the stockholders have the

term, did not seek election to complete the term.

Holdover directors are President Grady Shepard of Hale Center and Billy Carthel of Dimmitt.

Other business meeting activities will include a report of director activities during the previous year by Vice President Hayes, a financial report by General Manager Woodley and a report from the nominating committee by Chairman J. T. Eubanks of Bailey County.

Special musical entertainment will be provided by the West Texas State University Collegians and pre-meeting piano music will be furnished by Mrs. Inez Farrell of Plainview. President Shepard will preside at the meeting.

The Plainview Production Credit Association, owned and operated in its entirety by more than 1,700 farmer and rancher stockholders-borrowers loaned nearly \$46,000,000 in its eight county area during 1963 a new high for the association and largest loan volume in the nation among the 485 PCAs.

"We have but one business," Woodley explained, "And that is to provide a dependable source of agricultural credit at the lowest possible cost to our borrowers." He emphasized that loan funds are obtained through the sale of bonds to the nation's investing public through the services of the Intermediate Credit Bank of Houston, discount and supervisory agency for all 36 PCA groups in Texas.

The association was chartered in 1934 and since that time has loaned more than \$206,000,000 in its area. Since the association chartered in 1934, farmers and ranchers in the eight-county area of the High Plains have received more than \$206,000,000 in loans from the association. Offices are in Plainview, Friona, Dimmitt, Tulia, Silvertown, Muleshoe, Littlefield, Otton and Floydada.

W. H. CALKINS

opportunity to gather to conduct the business of their association.

A feature of the business meeting will be addresses by two nationally-recognized authorities on agricultural credit. They are W. H. Calkins, vice president of the Federal Intermediate Credit Bank of Houston and Paul Fankhauser, deputy director of short-term credit services of the Farm Credit Administration, Washington, D. C.

Stockholders will also elect three members of the association's board of directors. Nominated for three-year terms are Incumbent Henry Hayes of Plainview and Deon Awtry of Friona for one position and Incumbent Don Garrison of Silverton and T. C. Measles of Tulia for the second post. Hayes is currently serving as association vice president.

Nominated for the third directorship are T. C. Favor of Littlefield and Loyd Widener of Lockney, to fill one year of the unexpired term of L. R. Durham, who had earlier resigned. Watson Jones, who was appointed to fill out the remainder of this year of Durham's

SCOREBOARD RECORDS the 64-63 bi-district win over Denver City which sent the Dimmitt Bobcats to regional Saturday. Dimmitt fans yelled happily as the buzzer sounded and the Bobcats led by one point. —Staff Photo

Trimble, Truett Boothe, Dorit Smiley, J. G. Davis, M. E. Cleavinger, Cecil Vandiver, Helen Richardson, Nolan Froehner, Bill Reisdorff, Craig Howes, Bill Bennett, Russel Moran, Edd McLeRoy.

High score was won by Mrs. G. L. Willis Jr. and Mrs. M. E. Cleavinger.

#### MOVED TO DIMMITT

George Derrick and children, Kaye, a high school sophomore, and Glen, a seventh grader, moved to Dimmitt from Odessa Saturday. They will make their home on the Ben Derrick farm five miles north of Dimmitt.

**Fast Low Cost Earth Moving**

With an **Eversman** Hydraulic Controlled **SCRAPER**

Using your own tractor and the 2 1/2 yard Eversman Scraper you can do most earth moving jobs by yourself. Level land for efficient irrigation. Grade fields to improve drainage. Fill gullies and low spots. Build farm roads. Make terraces, grass waterways, reservoirs, ponds, dams, pit ditches. The Eversman responds instantly to single valve hydraulic control. Loads with low power requirements but with large scraper stability. Hauls at high speed. Front dump permits accurate control of fill. Strong rugged construction.

Increase Yields Per Acre by Finishing Fields with an **Eversman** AUTOMATIC LAND SMOOTHER

With an Eversman Smoother and your own tractor you can prepare an ideal seed bed free of back furrows and dead furrows—eliminate low spots and high spots while preparing on ideal base for mechanized farming. Smooth, level fields provide more efficient irrigation, improve surface drainage, stop excessive erosion and help retain rainfall. Low initial cost. Economical operation. Sizes to fit regular farm tractors.

Chevelle 300 6-Passenger Station Wagon

**Chevelle balanced performance is best!**

Passing, cornering, threading through traffic, sudden stops—Chevelle excels all around! Chevrolet's new surprise package has what it takes to meet any driving challenge: Six or V8 engines, hefty brakes, Full Coil suspension—and a trim size that makes the most of them!

Chevelle means performance aplenty—standard 120-hp Six or 195-hp V8—and optional at extra cost, a 155-hp Six, a 220-hp V8, a new 327-cu.-in. V8! But Chevelle's performance means more. Chevelle's a foot shorter than the big cars. And the space Chevelle saves in size comes off the ends, not the middle. So it rides like you want a car to ride.

Chevelle lets you choose Power-glide\*, 4-speed manual\* or 3-speed manual transmission. Knowing how people like the custom touch, we wrote out a long list of extra-cost options. Knowing all this, what's keeping you from a test drive? Certainly not your Chevrolet dealer! <sup>\*Optional at extra cost</sup>

Jaycee Radio
Day To Be
Annual Affair
Dimmitt Jaycees converged on
KDHN Saturday to take over the
duties of "Uncle Jay" and Jim Ray
for the day. Jaycee Radio Day is
a national project and was suc-
cessfully carried out Saturday by
Dimmitt Junior Chamber of Com-
merce.

Don Newman was Jaycee in
charge of the Radio Day. Helping
Newman on the committee were
Larry Allen and Horace Henley.
Giving the news commentary
were Jaycees Fred Bruegel, Jr.,
Dr. Blackburn and Don Newman.
Sports was reported by Herb
Mayfield. Don Webb gave the wea-
ther and Pete Wright presided
over the society news.

All Jaycee members donated leg-
work in rounding up advertisement
for the Radio Day. They sold all the
ads, prepared all copy and gave
the ads in addition to running the
radio station all day.
Plans were confirmed to make
Jaycee Radio Day an annual af-
fair here. The day will be the last
Saturday in February each year.

Swifts Complete
Basketball Season
With 18-6 Record
Nazareth Swifts finished their
basketball season when they drop-
ped bi-district to Channing 42-33
last week at Amarillo. This is the
first year for the Swifts to attain
bi-district playoffs.

The Swifts completed their sea-
son with a 18-6 record. In district
the Swifts achieved seven wins and
one loss. Their only district loss
came from the Happy Cowboys.
The Swifts had an outstanding
season as they averaged 48.4 points
per game. Their opponents aver-
aged 34.3 points per game. Team
averaged 41.8 per cent of their
field goals. The Swifts sank 54 per
cent of their free throws for a
good average. In rebounding the
team averaged 26.4.

The Swifts will lose three regu-
lar starters and their number one
substitute. Seniors this year are
Denis Gerber, Julius Birkenfeld,
Tommy Wethington, all season,
starters; and Lester Schulte, sub-
stitute.

### Fallout Discussed

A nuclear bomb is a fearful and devastating weapon. However, should our nation be attacked with this weapon, the greatest danger and our greatest need for protection, would be from radioactive fallout.

Protection from nuclear fallout entails three general principles. They are distance, time, and shielding. The principle of distance is simply that the greater the distance from the source of radiation, the greater the protection. When this distance is doubled the intensity of the radiation is reduced to 1/4 and with three times the distance it is reduced to one ninth. Time is another important prin-

ciple in protection from fallout. Radioactivity from a nuclear weapon begins to lose its energy soon after the explosion through the process known as radioactive decay.

A formula, important in determining decay, is that with a seven-fold increase in time there is a ten-fold decrease in dose rate. For example, if one hour after a blast the radiation intensity measures 1,000 roentgens per hour, it will decay to 100 roentgens per hour in seven hours. In 49 hours it will decrease to 10 roentgens per hour, and in 343 hours, or about two weeks, it will decay to 1 roentgen. This it would be safe to leave shelter after two weeks.

Shielding is the third principle of protection from radiation. Dense, heavy material is needed to stop gamma radiation but any material placed between people and the radiation offers some protection. All these materials offer about the same amount of protection. Three feet of earth, 24 inches of concrete, 2 inches of lead, and 90 inches of wood, give excellent protection.

Shielding is really the only effective method of protection from radiation, and everyone should have some type of fallout shelter.

These shelters will be discussed in future articles on civil defense.

### Miss Celia Patton - John R. Simpson Pledge Double Ring Wedding Vows

Miss Celia Fay Patton and John Robert (Bob) Simpson pledged double ring wedding vows in a ceremony at 2 p.m. Sunday, March 1 in the home of the bride's parents. Officiating minister was the Reverend N.S. Daniel of the First Methodist Church, Seminole.

The bride's parents are Mr. and Mrs. R. C. Patton, who live 1 1/2 miles west of Seminole. Simpson is the son of Mr. and Mrs. M. L. Simpson, Sr. of 113 Star Street, Hereford.

Mr. Patton presented his daughter in marriage. She wore a street length white brocade dress featuring a sweetheart neckline and long petal point sleeves fastened by tiny buttons. A row of buttons also closed the bodice in the back. The skirt fell in soft pleats from the waist line that came to a dropped point in the center front. A pearl crown held a tiered veil of silk illusion which fell to the shoulders. The bride wore a sixpence in her shoe and a blue garter made and worn in the wedding of her great aunt, Mrs. H. H. Carille of Dimmitt. Her bouquet was of red roses.

Mrs. Curtis C. Allphen, Jr. of Seminole attended her sister as Matron of Honor. She wore a red brocade street length dress with jacket and carried a long stem white carnation.

Joe Nelson, Dimmitt, served his brother-in-law as best man.

Traditional wedding music was furnished by organist, Miss Mona Dell Hunter, cousin of the groom from Dimmitt. She accompanied

Mrs. Joe Nelson, sister of groom, as she sang "Because" and "The Lord's Prayer".

A reception in the home followed. Mrs. Bob Bergeron, sister of the bride from Clovis, New Mexico registered guests.

A fifty-year old doll with china head and kid body was dressed as a bride and centered the registration table.

Miss Norma Moore, Abernathy, served the white tiered wedding cake and Miss Fay Davis, aunt of the bride from Austin, served red punch. The table had a white lace cloth over red with a centerpiece of red carnations around white candles.

Helping in the houseparty were Misses Patty Simpson, Carolyn Simpson, Betsy Simpson, Linda Adams and Denise Hartman, and Mesdames Bill Simpson, Pete Adams Jiggs Hartman and Johnny Davis.

For travel, the bride wore a red silk suit with matching patent accessories. Her corsage was white carnations.

After a wedding trip through the western states, the couple will be at home in Dimmitt.

Mrs. Simpson is the Castro County Home Demonstration Agent with headquarters in Dimmitt. A graduate of Seminole High School and The University of Texas, she holds a Bachelor of Science Degree in Home Economics.

Simpson is a graduate of Dimmitt High School and Texas Tech with a Bachelor of Science Degree in Agriculture. He is a dairy farmer on Route 5, Dimmitt.

Out-of-town guests attending the wedding were from Austin, Hereford, Dimmitt, Jayton, Friona and Clairmont, Texas and Clovis and Albuquerque, New Mexico.

## NEWS FROM BETHEL

A large number of Bethel folk were at the bi-district basketball game at Whiteface on Tuesday night of last week and more attended the regional games at Lubbock on Saturday. Among those who were at Lubbock were the Jack Howells and John and Jimmy Howell the Tommy Stantons, Elbert Smiths, Donald Gilreath, Houston Lusts, Chas Wales and perhaps others whose names are not available.

Mr. and Mrs. Bryan Sinclair entertained Sunday with a birthday dinner for their son-in-law, Fate Shamon. The guests were Mr. and Mrs. Lloyd Veazey of Amarillo, Mr. and Mrs. Robert Leinen and family of Dimmitt and the honoree and his family.

Mr. and Mrs. Houston Lust and children visited Mrs. Lust's brother, Alva Finck and his family at Tulla Sunday.

Mr. and Mrs. Earl Lust went to Shallowater Sunday afternoon to attend a reception in the Fellowship Hall of Methodist Church, honoring Rev. and Mrs. J. E. Peters

on their 50th wedding anniversary. Hosts for the occasion were the couple's son, Vernon Peters, of Lubbock and their daughters, Lillian Garay of Odessa and Sylvia Lovelace of Big Spring and their families. Rev. Peters and family lived in Dimmitt from 1929 to 1931 while he was pastor of the Dimmitt Methodist Circuit. Rev. Peters retired from active ministry several years ago and he and Mrs. Peters make their home in Shallowater.

Mr. and Mrs. Oran Howell and children of Stratford arrived Sunday night for visit with his parents Mr. and Mrs. Ross Howell.

Mrs. J. A. Bagwell, grandmother Bagwell to her many Bethel friends, observed her 92nd birthday on February 22nd. There was no formal celebration of the day, but a number of friends and relatives called to offer their good wishes.

The regular meeting of the Bethel Circle of the Woman's Society of Christian Service met with Mrs. Earl Lust. The study of the book, "The Christian Family and its mon-

er" was concluded. The next meeting of the circle will be March 9th at home of Mrs. Vern Lust. Mr. and Mrs. Ronald Cleavinger and children were guests of Mr. Cleavinger's sister, Mrs. Chas. Wales, and family Friday night.

Mrs. G. A. Shwen and Mrs. J. C. Williams of Dimmitt visited Mr. and Mrs. J. A. Bagwell Saturday afternoon.

On the sick list for past two weeks is Roger Underwood, son of Mr. and Mrs. Roy Dale Underwood. He is in Castro County Hospital for treatment for rheumatic fever.

Mrs. Ivor Bagwell was dismissed from the Castro County Hospital more than a week ago, following several days of medical treatment. The Bagwells daughter, Mrs. Marion Fallwell of Waco came to be with her mother during her illness. On Thursday Mr. and Mrs. Bagwell and Mrs. Fallwell went to Colorado to visit the Milton Bagwells at their ranch near Villa Grove.

Mrs. Kay Roberts entered the Northwest, Texas Hospital in Amarillo last Thursday. A number of her friends and neighbors have visited her at the hospital. It is hoped that she can come home by the last of this week.

Mr. and Mrs. Moss Howell were business visitors in Amarillo last week. Other Amarillo visitors were Mrs. Chas. Wales and her mother, Mrs. N. F. Cleavinger of Dimmitt. Mr. and Mrs. George Sides and family were in Lubbock on business and visited his parents, Mr. and Mrs. B. H. Sides, last week from Thursday until Saturday.

Mr. Moss Howell was in Lubbock last week to visit his mother who is now living at Ray's Hospitality House. Mr. Howell took his mother a television set for her entertainment.

Mr. and Mrs. James Welch were in Tulla Thursday night for a Farmers Union Banquet. The speaker was the Texas Commissioner of Agriculture White.

### You save enough to buy

**2 MONTHS SUPPLY OF MILK** when you **DRY WITH GAS**

You can save \$24.00 a year on your utility bill when you dry with GAS. That's enough to buy a two months supply of milk for an average family of four. And GAS dries your clothes faster yet so gently.

SAVE ON INSTALLATION AND MAINTENANCE, TOO. A GAS clothes dryer costs less to install and maintenance costs are the lowest of any dryer. A GAS burner, the heart of your dryer, carries a lifetime guarantee.

### Jaycee Jake Says

Dimmitt Jaycees had their weekly meeting last Thursday and there were several things discussed. Among them was the moving of the airport hangars to the west side of the airport.

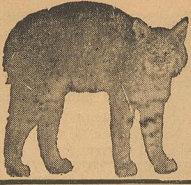

The Jaycees took over Radio Station KDHN this past Saturday for a full day of radio advertising which is a national Jaycee Project. This day, I think, was very much enjoyed by everyone that participated. Don Newman was in charge of this very important project. Don put a lot of hard work on this and really did an exceptional good job. Our thanks are extended to Steve Taylor and "Uncle Jay" at radio station KDHN. I think we really put "Uncle Jay" through the mill, but we hope he enjoyed it as much as we did.

The Jaycees annual banquet will be held April 4 and tickets will be on sale very soon. Everyone is invited and urged to attend. Jim Reese from Odessa will be the featured speaker. There will be a dance afterwards. Well this is all for now. See you next week.

## Bobcats Win Bi-District

Dimmitt's mighty Bobcats fought to a 64-63 victory over the Denver City Mustangs after trailing by 7 points at the half to win Bi-District and a chance to try their luck at Lubbock Saturday. Feb. 29, in regional play.

The Denver City Mustangs led all the way into the fourth period. Denver City took an easy first period lead 20-15 and stroled comfortably through the second period to lead 36-29 as half time rolled around. Denver City also led through the third period and entered the final period of play with a 49-45 lead. Dimmitt's mighty Bobcats began to click and tied up the score 49-49. At times Dimmitt led as much as 5 points but the Mustangs Denver City then took the ball down court and dropped in their two points as the game ended with the Bobcats on top 64-63.

Landol Frazier led the Bobcats with 29 points and he also found room to come out with 10 rebounds. Clint Summers netted 15 points for the Cats. Jack Nichols led the Cats with 11 rebounds and he also punched in 10 points.

The Bobcats led 63-61 in the final seconds of the game and then Clint Summers dropped in a free throw with thirty seconds left. Meeting was then adjourned.

## President Johnson Signs Tax Bill

On February 26, 1964, President Johnson signed the tax cut bill, which will cut up to 20 percent off personal income taxes. At a speech which he made after the signing of the bill, he said that the bill would benefit the economy in two ways: (1) It will benefit the individual taxpayer by leaving more money in his pocket, and (2) it will benefit the economy as a whole by encouraging investment of some some of the extra money into more money-making ventures.

The tax cut is in two stages; it will go into partial effect this year, and will go into full effect by 1965. As an example, a family that makes \$4,000 a year and filing a joint return would have to pay about \$800 in taxes under the old system, but only about \$620 under the new system.

Corporations will also benefit by the new tax cut, making greater profits, higher dividends for stockholders, and extra money to invest. The small business benefits because more money is left over to improve it.

The tax bill will cut approximately \$9,000,000,000 off the total Federal income, but it is hoped that the economy will improve enough to offset the loss MXM of money to the Federal Treasury.

Under the new bill, the system of deductions will be slightly different. Under the new system, one can take \$300 standard deduction on gross income, plus \$100 for each dependent, up to a limit of \$1000. The taxpayer can elect to use either the new system or the old system of deductions.

## The Young Homemakers

The young homemakers which consist of the young married women met on the following dates: December 5: The program was on gift wrapping and Linda Minchew was in charge of the program.

January 16: Beth Mullins demonstrated Hair Care and styling. Martha Wilde was in charge of that program.

February 13: Ellen Hrabal was in charge of the program on Cake Decorating. She had Mona Merritt to demonstrate on how to decorate cakes.

February 27: The young homemakers had a tea for their little sisters. The little sisters were: Senior - La Dawn Kemp Junior - Jane Cleavinger Sophomore - Eva Giles Freshman - Janis Baldrige

They chose for their main little sister La Dawn Kemp. Congratulation La Dawn for being chosen little sister of the Young Homemakers.

The Young Homemakers are meeting to promote better household and homemaking skills. This group seems to bring a great job lets boost them on that they may continue to have this group to promote more skills of homemaking.

**Another New Teacher**  
 Their new teacher on Dimmitt High School is Jean Gattis. She is a graduate of Texas University. She has her B. A. in English. Her hobbies are: Jazz, tennis, painting, and reading. Miss Gattis said she thought the school system and the kids in the school were "Wonderful". Miss Gattis is teaching Sophomore English and Latin I and Latin II. She has assumed Mrs. Hilburn's classes since Mrs. Hilburn's illness. We welcome Miss Gattis to our campus and hope she loves it as much as we do.

## Personality of the Week

Always a smile on her face, and always mischief in her head. This is none other than Lora Ann Scarborough. Mr. and Mrs. J. S. Scarborough cheerfully welcomed the fluffy white stork on December 2, 1947, because, you see, he was being the second child to this family. Little Miss Ann already had an older brother by the name of Don, and she had another sister who would arrive in three more years.

Yes, Ann's life began in Petersburg, Texas, but she and her family moved to Dimmitt when Ann was getting ready to start the second semester of her fifth grade year. Mr. Scarborough, since then has been engaged in farming, and their address is Star Route, Hereford.

This sixteen year old sophomore has been keeping herself busy with lessons from her various subjects which she is attempting to handle this year. Who wouldn't have trouble handling band, English II, Typing I, Home Ec. II, Geometry, and World History?

Ann likes to spend her free time playing the piano as her hobby, or simply having fun with her friends. The one thing that Ann doesn't like is cold, unfriendly people. Chevy; super sport? well who doesn't like them? As far as cars that is Ann's favorite. Her other favorites are: colors, blue and yellow; food, Mexican food, and song, "Can't Get Used To Losing You".

Texas Tech is her choice in colleges; and she plans to be there in about two more years. Ann's major is, rather she hopes it to be, a Vocational Homemaking Teachers.

Although college and her own life is ahead of her, Ann fears it will be hard to leave this very friendly little town where all the people, especially the students, are always smiling and bright.

## Twentieth Century Tragedy—Dropouts

An important decision—whether to drop out of school or to remain through graduation. The difference—standing in an unemployment compensation line the rest of your life, or working at a steady job and earning a capacity salary.

The problems facing young people in school are many. One is the important question of deciding how much education is enough.

The choice is a hard one, especially for those who find no joy in class work. Some see no value in what they are studying. They fail to understand the relationship between more schooling now and their own improved chance for lifelong job success.

A million boys and girls, young men and women, each year, make the wrong decision and drop out of school. By doing so, they doom themselves.

For these persons who will have trouble finding work since they are able to compete only for the dwindling opportunities in unskilled labor. They are the last to be hired, receive the lowest pay, and are the first to be laid off. Frequently, their jobs can be taken over by machines.

Before the end of the decade, 7 1/2 million more will be added to the already staggering number of American citizens who are academically and vocationally unprepared for this changing and challenging age.

One out every three young people in the fifth grade drops out of school before high school graduation.

The most frequent reason given by school dropouts for their leaving is simply lack of interest.

This may mean that a student was discouraged over his progress, disliked a certain subject or teacher, or saw no value in what he was studying.

It might mean that he felt excluded from the social life of the school.

Sometimes teenagers drop out to help with the care of the family or to add to the family income. Boys, especially, feel they will have a better chance as wage earners by starting young.

The decision to drop out is frequently made because the student has no real goal in life and is not aware of the probable consequences of his action.

If the dropout finds work, he may have a period in which he feels he is accomplishing something worth while. He has a paycheck and more money to spend than many who stay in school.

But this is usually temporary. U. S. Department of Labor statistics show that one out of every six persons in the 16-21 age group is unemployed. Without adequate education, a young man or woman has no access to modern jobs the economy is constantly creating.

Most dropouts will waste their lives because they cannot qualify for jobs in today's demanding world.

"The future of any country is irreparably damaged whenever any of its children is not educated to the fullest extent of his capacity." John F. Kennedy

## Our School

HAIL TO DIMMITT HIGH WE RAISE OUR VOICES  
 HAILING BE OUR LOVED AND HONORED SCHOOL.  
 LONG MAY OUR VOICES RING- AS WE OUR PRAISES SING.

As every loyal student should know, this is the Dimmitt High School Song. Not only are the words fitting for our school, but the music is beautifully written. Why then, do we so often forget, and take its words for granted?

Our school has always had a reputation of having the very best sportsmanship and school spirit. What happened to us the day our principal had to remind us that booing and making ill remarks during the games were not the things to do? Have we forgotten that by doing this we are not only hurting our Bobcats but also our school's honor? I would rather like to think that we only did it because we are such a dedicated group to our school. However, this is not the impression that we give other schools; instead, we make them think that we have no pride for our school or for the ones who are fighting for it. Please, let us in the future regard our school as one above all others, and if the breaks do not fall our way, smile and show we're the best.

The very next time our school song is sung, stand up and proudly sing the words, expounding upon every note the beautiful simplicity in its written words.

Let us end this with a few words taken from the "Bobcat Handbook."

"School spirit is an important factor for your school and its success. As a student and citizen of Dimmitt High School, it is your responsibility to back your school, not only in sports, but in all other activities. School spirit calls for obedience, respect, loyalty to the school in all that it undertakes, and co-operation to make the undertakings successful."

## Morality

Today America is a great nation, and its individuals are a great people; thus recognizing the fact that this country places the utmost importance upon individual worth, we come to realize that these great people possess human qualities both good and bad. Because America has achieved greatness, does not exclude her from the fact that she has made mistakes as a nation. Her people have also made innumerable mistakes, and they are still doing so. As long as there is freedom to decide for oneself, right and wrong, there will always be the problem of those "wrong choices", but the fact that we do have these choices helps to make America the nation she is today.

## Snooper

This week the Snooper was a regular "busy bee." He found out rather—personal things about many of the students and is here to tell you kiddies all about them.

To start off with: Ask Janis Baldrige where she has been bending her car lately. It seems she has been having a problem keeping her car off the lawn. The Snooper is wondering what is happening to the car. Is there a large dog wandering in the neighborhood or is there other reasons? By the way, they're going to put up signs on the school lawn saying, "Keep Off The Grass."

Ask Pat Moran if O.S. from Colorado has told her about A.A. from Ohio? Pat, it looks like that you have been "shot out of the saddle", but don't cry, Pat; he isn't the only fish in the sea. You still have JEL. . .you know, the one who always calls you "Pat the Rat."

David Vaughn, have you had trouble controlling your tongue lately? What does Sue think about this? What does Linda Davis say about it? Boy, you sure mouth off, but as they always say, "Pueri puerunt."

Ask Miss Redman what happens when you wear high heels climbing stairs? That was a graceful fall that you made. Hope you didn't hurt yourself—the seats!

Ask Miss Gattis how her 6th period Latin class is going. Is it really true that you are trying to finish the book before the six weeks? According to the students you are giving it a good try.

Ask Miss Gattis how her 6th period Latin class is going. Is it really true that you are trying to finish the book before the six weeks? According to the students you are giving it a good try.

We, the students of D.H.S. do not make it a practice of criticizing other teams or the officials at a game, but at some of the recent games there has been a considerable amount of poor sportsmanship and this tends to hurt the teams on the court instead of help them. This has not been done only

## Morality

Today America is a great nation, and its individuals are a great people; thus recognizing the fact that this country places the utmost importance upon individual worth, we come to realize that these great people possess human qualities both good and bad. As long as there is freedom to decide for oneself, right and wrong, there will always be the problem of those "wrong choices", but the fact that we do have these choices helps to make America the nation she is today.

Statistics show that America's morals are decaying. Immoral America is written in big print throughout the book of History. Each page is full of immoral aspects of American life. Moral decay has filtrated American democracy.

Yes, people can write about America's declining morals, but how about the other side of the story. How about the greatness and respect which also filtrate American life! It has been said that America is losing respect for herself; thus we must all re-evaluate our faith and our values, and with the help of God restore America's honor!

## Our Campus

—A welcomed Congratulations goes to the Boy's Basketball team as they are the Bi-District Champions of 3-AA district. Good Luck at Regional, boys!!

—We would like to commend the students of D.H.S. on the excellent school spirit they have been showing our district and bi-district games. Let's keep backing our school and boost our team through playoffs.

—The Student Senate met for their weekly meeting last Wednesday. —It seems Steve Hutton was very surprised by a surprise birthday party given in his honor last Friday!! Happy Birthday, Steve!!

## Letters To Josephine

Dear Josephine,  
 I have a few problems I would like for you to help me solve. I did not think that the school was supposed to have social classes, but it does! There are the wheels who think no one is equal to them. This class has money and think they can get themselves anything they desire and almost do! In contrast to this class, there is the class without money who try to stand up for what they believe in and get adult support.

Next is dating. Some of the high class boys would like to go with girls of a different class and they are afraid they will be criticised if they do so. Criticism is partly the cause of this and some of them are just scared to ask.

Dear Wondering,  
 I do not truly feel that social classes in America are built on the amount of money a person's parents have. Anywhere that men are free, social classes are to be expected. These social classes are not especially based on how much money one's parents have though. I will admit that money helps but it is not everything. The main ingredients are your personality, friendliness, and consideration of others. In America you have the freedom to whatever kind of life you are willing to work for.

I agree with you about the boys though. I feel that if a boy wants to go with a girl bad enough though he will go with her no matter what.

Good Luck,  
 Josephine,  
 To the girls of D.H.S.,

In reply to a recent letter accusing the boys of showing a lack of courtesy to the girls. This letter also stated that the girls would appreciate a boy who would do such things as open doors for them. The other day after school I had two boys to hold the doors of the main entrance of the school open for all the girls who passed through them. Of the 75 girls to pass through these doors, only 15 were appreciative enough of the boys to say thanks and about 5 of these girls knew about this survey. I would like an explanation from the girls; I might agree.

## F. F. A.

The Dimmitt F.F.A. Chapter met Tuesday, February, 25, with Tommy Gross presiding. They discussed a Parent-Sweetheart Banquet and decided on April 18, for the date, but they haven't reached a decision on the menu. They also discussed the fees for the district, area, and state judging contest.

by the students themselves, but by the ex-graduates and supporters of D.H.S. We must remember this at our on-coming games and represent our town and school with the best sportsmanship possible!

—Last Thursday night some senior girls met at Mrs. Buckmaster's house and called an ex-student of D.H.S., Gayle Logan, and sang Happy Birthday to her over the phone.

Ask Sandra Powell and Glynda Green what happened to their door at their house one afternoon. It's always fun to crawl through the window, isn't it girls?

—The Student Senate met for their weekly meeting last Wednesday. —It seems Steve Hutton was very surprised by a surprise birthday party given in his honor last Friday!! Happy Birthday, Steve!!

## Resolutions

Predictions are often risky—but there's one that was made with certainty for this New Year: a good thing happened at school right after the first of January—the assignments poured in at a greater rate than at any other time during the year. Did I say good? Each morning our Receiving Room—where we are assigned lessons looked like a post office in the midst of the Christmas rush.

The reason? Your New Year's resolutions! Faced with a fresh New Year, many of you decided to really work as hard as you could to develop your studies and to start right now. The teachers think that is wonderful. The only trouble is that this great determination doesn't always last long enough. You get sidetracked with other things—and what is the result? The "January rush" of assignments dwindles to normal in a few short weeks. Your well-intentioned New Year's resolution to work hard at your studies too often shelved after the holidays—just as you put away the Christmas decorations—to be brought out again next year for a few weeks.

Of all the gifts you received this Christmas—no matter how precious none compared with a gift you may already have the God given gift of being a genius or not for that matter—is useful only to those with the will to constantly work at developing it. Too much genius unfortunately goes to waste because those who are lucky enough to have it take it for granted—and don't have enough purpose and drive to develop it through hard work and study.

If you made the New Year's resolution to work on your studies with dedication and a large measure of self-discipline you have to achieve success. Don't let go of that dedicated attitude, and you'll fulfill another "sure" prediction: This time next year you'll be a lot further toward your goal of realizing your full responsibility as a student.

Start now—your resolution is great—if you stick to it. Don't waste any more time.

## Dimmitt Bobcats Complete Season With 23-13 Record

Dimmitt Bobcats concluded a successful season after winning second place at regional Saturday.

The Bobcats did not prove much of a district threat during the earlier part of the season. However as the 'Cats worked together week after week with Coach Kenneth Cleveland the polished winners of district and bi-district began to show. The Bobcats did an exceptionally fine job as they defeated Morton in the two out of three game district playoff series. They poured hard work and hustle into the bi-district game to send Dimmitt fans home thrilled and happy with a 64-63 victory.

Dimmitt has a good season record with 23 wins and 13 losses. The Bobcats have sent 2,092 points swishing through the baskets during the season. They have averaged 59.8 points per game. Their opponents have averaged 53.7 point per game.

Defensively the Bobcats did a fine job with their lack of height. They rebounded 1,219 for a 34.8 average per game. The Bobcats made 743 out of 1,962 field goal attempts for 38 per cent. They sank 530 free throws out of 844 attempts for 63 per cent.

Individual Bobcat statistics:  
Jacky Nichols, F.G., 188-494, 38 per cent; F. T., 72-123-60 per cent; total points, 448; average 12.8.

Landol Frazier—F. G., 180-416, 43 per cent; F. T., 146-267, 55 per cent; total points, 506; average, 12.8.

Clint Summers—F.G., 143-342, 42 per cent; F. T., 102-155, 66 per cent; total points, 388; average, 11.1.

Steve Hutton—F.G., 112-330, 34 per cent; F. T., 105-145, 72 per cent; total points 329, average-9.7.

Dickie Dyer—F.G., 44-140, 32 per cent; F. T., 23-35, 66 per cent; total points, 111; average-3.3.

Tommy Nichols—F.G., 19-55, 35 per cent; F.T., 18-30, 60 per cent; total points, 56; average 1.9.

Bob Bradford—F.G., 26-94, 28 per cent; F. T., 41-57, 72 per cent total points, 93; average 2.7.

Robert Lindsey—F. G., 22-61, 36 per cent; F. T., 24-36, 67 per cent; total points, 68; average 2.2.

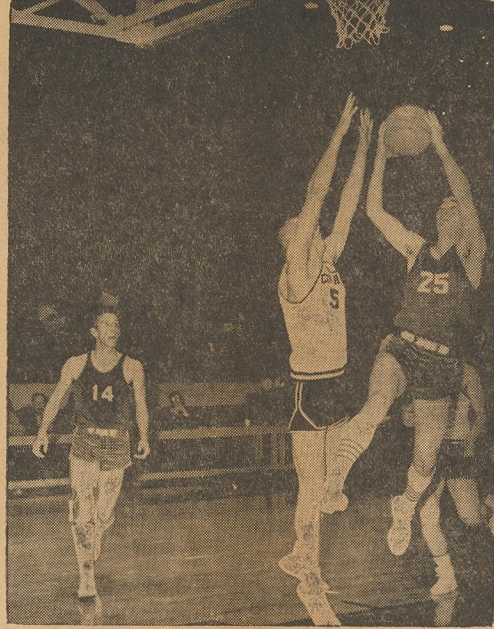

Others—F.G., 8-29, 28 per cent; F. T., 6-6, 100 per cent; total points, 24.

Totals—F.T., 743-1962, 38 per cent; F.T., 530-844, 63 per cent; total points, 2092; average 59.8.

## Missionary Couple Presents Program To Church Here

Mr. and Mrs. David Savage, missionary recruits with the British Columbia Christian Indian Mission, presented their proposed work in the First Christian Church of Dimmitt Tuesday evening, March 3.

Preparation for their work has included graduation from Ozard Bible College, eight years in the ministry in Missouri, Kansas, and Wisconsin, and working for a short time with the Christian Indian School at Sedona, Arizona.

Their aim in presenting the Gospel in the field of over 40,000 Indians in the province of British Columbia is well expressed in this poem found in one of their brochures:

### OUR PRAYER

Lay me on your anvil, O Lord,  
Beat and shape me to suit your will.

Then please give unto me, O Lord,  
A useful place which I can fill.

Lay me on your anvil, O Lord,  
Measure me with unchanging rule.

Your instrument I'll be, O Lord,  
In your service, a needed tool.

Lay me on your anvil, O Lord,  
In your perfect image from me.

An example I'll be, O Lord,  
Leading others this way with thee.

FIRST TEAM from Castro County to attend the Texas Woman's Bowling Assn. 29th Tournament in Midland this year is Easter Gin Bowling Team. Members of the team are (left to right) Lou Ann Harbour, Mae Hargrove, Georgene Snider, Mary Lou Rountree and Ruth Hackleman. Also attending the tournament with the group was Floyce George of Colorado, former team member. Other teams from the county will be attending the tournament at a later date.

## Easter Gin, Inc. Bowlers Attend Midland Tourney

For the 29th year, the women bowlers of Texas began their quest for State Champions, as the Texas Woman's Bowling Association tournament opened in Midland.

The first week-end was marked with high scoring in several divisions.

Attending last weekend from Dimmitt was Easter Gin, Inc. The team is composed of Lou Ann Harbour, Georgene Snider, Mary Lou Rountree, Mae Hargrove and Ruth Hackleman. In the team event the girls scored 1,904.

More than 800 women bowlers poured into the Permian Basin city in a three-day period to compete in the second largest tournament in the 29-year history of TWBA. A total of 1,472 five-woman teams will visit in Midland before this tournament completes its six week run on April 12. A total of \$42,428.50 in prize monies is up for grabs, as the lady keggers advance on the tempins.
