Bible Thoughts FACTS YOU NEED TO FACE

By Ronnie Parker

- 1. You need to be sayed. Three verses in Paul's letter to the church in Rome point out the truth. "There is none righteous, no, not one." "For all have sinned, and fall short of the glory of God." "For the wages of sin is death." (Rom. 3:10; 23; 6:23).
- 2. Christ died for you. "But God commendeth his own love toward us, in that, while we were yet sinners, Christ died for us" (Rom. 5:8). The apostle John writes, "Herein was the love of God manifested in us, that God hath sent his only begotten Son into the world that we might live through him" (I John 4:8).
- You can be saved through grace. Paul taught: "for by grace have ye been saved through faith; and that not of vourselves, it is the gift of God" (Eph. 2:8). To be saved one must trust Jesus as his Savior and submit to Him as Lord. Salvation is free, but along with it comes discipleship, and that will cost us everything we have.

Christ is not your Lord unless you are willing and ready to obey him.

New Miss Dimmitt Represents City In July 4 Event

Sharron Flynt, Miss Dimmitt 1968, is representing Dimmitt at the July 4 festivities and Miss Firecracker Pageant in Hale Center today (Thursday).

MISS DIMMITT of 1967, Poppy Byrnes, was named first runnerup in last year's contest.

This year, the festivities include a parade beginning at 9:30 with representatives from surrounding cities participating in a convertible caravan.

A -talent contest is scheduled for 3 p.m. and a swim suit contest for 5 p.m.

The final judging and presentation of Miss Firecracker 1968 is expected tonight.

The View From Your Library

By VIRGINIA NEWSOM A few facts and figures again this week. I am so proud. I may pop a few buttons. We checked out a grand total of 1,100 books in the month of June. That means progress is being made. clieve that is an all time record for a single month. Also 140 youngsters have signed up for the reading program. A few youngsters are only lacking two or three books to finish their requirements. One of my young daughters, Trisha has 15 books to her credit. My other daughter, Jackie is half way, but claims she has to read "fatter" books. All and all it would appear that a lot of Dimmitt folks are spending some pleasant hours with books this summer.

KEEP JULY 13 marked on your alendar - that's the date for the annual book sale. The sale is being managed this year by David Acker, The sale will beein at 9:00 and continue until 4:00 p.m. Mary has several ladies to help her. I apologize for not having their names.

We have been doing the library how on Saturday mornings for the past two weeks with Jack Flynt. It has been most pleasant on the fine job he is dotop UPIN this summer. I was stening to Denise Stone one afterur wild teenagers, I get a real lift, when I think of some of the very productive young people 1 come in contact with here in Dimmitt. One of the boys who has used the library frequently, Perry Floyd, will be leaving Dimmitt in August, Serry to see Perry go and he tells me he will be sorry

WE HAVE met two young ladies rom Florida who are here to work at the Catholic Parish House for he summer. Cathy and Yolanda are doing home visitation during their stay here, also. Very nice airls and I hope their stay in Dimmitt is very pleasant.

We had a visit from a young ccuple from Fort Meyers, Fla., this past week. I regret to say, I didn't get their names. She said her husband was a "rock bound" and wanted to see the fireplace. She said she had enjoyed it so much, when she was in the fifth

here in August. A thought for this week: There a destiny that makes us brothers - None goes his way alone. All that we send into the lives of othcrs - comes back into our own. -Markham

HIS FAVORITE...

Ah! Just smell that . . . This is his favorite . . . prepared just the way he likes it. He's in for a real treat. Everyone has certain foods that they prefer over others and this is his.

Many people have favorite scriptures . . . these words can excite and satisfy

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

introduces a new cropping system to the Sorghum Belt

For areas with short growing seasons

Destined to push the sorghum belt Northward - MINI-MILO 50 can be planted when the soils warm up and will produce a summer feed grain crop safely.

In longer season areas

Its earliness makes it ideal for double cropping. MINI-MILO 50 sprints on quick after winter wheat or following vegetables. Now those idle acres can produce a cash crop.

After a full season crop has failed

A sure way to make those wasted acres pay if wind, hail, drought, excessive rain or any misfortune destroys your crop. Start again – Prepare the seed bed, plant thick and MINI-MILO 50 will shoot up to produce a good crop of grain on those

First Baptist News Shots for Dogs

This is the week that Dr. and Mrs. Perkins and their family will move into the parsonage at 606 West Lee Street. They will arrive in Dimmitt late on July 3, move in and leave shortly thereafter for a few days vacation. Dr. Perkins will preach for the first time as our pastor on Sunday, July 14. We are looking forward to this with great anticipation.

We will have a fellowship honoring Brother Dominy after church Sunday night in fellowship hall. Be sure and plan to attend and take this opportunity to express your appreciation for him.

On Wednesday, July 3, several of our high school young people will be going to Plains Baptist Assembly for Summer Youth Camp. This consists of many recreational activities such as table tennis, volley ball, baseball and swimming. It is also very spiritually enriching, and has been a blessing to the lives of those who attend.

Be sure to look closely at the newly revised building

plans and the water color elevation of the proposed church building located in the church foyer before Sunday, July 7. We will be voting to accept or reject the revised plans during the morning service. All of our members received a letter concerning this last week, and we ask that you make this an object of prayer by you and your family. Also, we would suggest that you discuss this with the young ones in your family that they might be well informed.

There are so many good things about our church that it is hard not to sound almost boastful at times. One of the things we are particularly proud of is the good music program that we enjoy Sunday by Sunday. Truitt Whitehead, a layman from Plainview, Texas, has been directing our choir for the past several months, and under his leadership it has certainly flourished. At the Association Choir Festival for 1968, in Muleshoe, Texas, our people brought back 5 Superior Ratings. Those winning
