57th Year — No. 46

Dimmitt, Texas, Thursday, August 9, 1984

12 Pages Plus Supplement

'BEST WE'VE EVER HAD'—Workers at Dimco Industries, Inc., stack up "Big Al" brand onions for shipment throughout the US. The vegetable harvest is in full swing, and Dimco Manager Allan McClure said this year's onions and potatoes are "some of the best we've ever had" in both quality and yield. Dimco expects to ship 150,000 50-lb. bags of onions and approximately 300,000 100-lb. bags of potatoes, mostly to markets in Texas, surrounding states and

the southeastern US. Onion harvest is expected to last two more weeks and potato harvest will go until about Sept. 20, McClure said. Meanwhile, the early carrot harvest started Monday and Glen Odom of Blue Ribbon Produce Co. of Texas reported good yields, good quality and a good market. Blue Ribbon expects to ship as much as 400,000 50-lb. bags, mainly to major markets in Texas, the Southeast and Northeast.

New school requirements:

What's it all going to cost?

Although the Dimmitt Independent School District will get an estimated \$773,372 increase in state funds for the 1984-85 school year, most of it will go to cover the state-mandated teacher pay raises and the new career ladder bonuses, according to DISD Business Manager Gene King.

The basic state salary for a beginning teacher had been raised from \$11,110 to \$15,200. Figuring on approximately 130 teachers, the difference comes to \$531,700. Another \$48,700 in state funds is designated exclusively for funding of the "career ladder" for Level 2 teachers.

Local bonus contracts, already signed for the coming school year, designate at least \$1,000 per teacher above the state minimum.

Other new regulations passed by the legislature and mandated by House Bill 246 will also require more money, King said.

"Figures used by the state to establish the funding formulas may not have been entirely correct for the local district, which would cause us to not receive as much funding as the state has projected," King said. He noted that figures released by the TEA and recently published in area papers also were not entirely correct.

Based on the state's figures, DISD should receive \$3,012,639 in state aid, compared with \$2,239,267 estimated for the 1983-84 school year, which will not be completely closed out until Aug. 31.

At the Monday meeting of the school board, the 1984-85 budget must be adopted, despite many uncertainties.

"General figures that we will work from show a total \$5,175,759 in revenue and \$5,158,308 in expenditures," King said. He noted that inaccurate figures used to estimate state funds may cause the district to come out owing the state money at the end of the school year.

"One estimate shows we will be about \$90,000 short in one area alone," Supt. Robert Ryan said. "And next year we have been projected to lose another \$90,000."

Some of the new programs mandated by the legislature are difficult to estimate in the budget because regulations are not yet clear.

"The implications of all the charges are unending, with so many unknowns," King said. "There are still many things we don't know, but we have to go ahead anyway and try to make a go of it."

One thing local officials are sure of is that DISD will lose state funds over the next three years and will be forced to spend more local funds for the mandated programs.

The most expensive programs will include summer school classes

for preschoolers and half-day kindergarten for 4-year-olds.

Beginning with the 1985-86 school year, the Dimmitt schools will be required to provide kindergarten for 4-year-olds who are unable to speak or comprehend English or who come from low-income families. The school must provide the classes if 15 or more children are eligible to attend, but attendance is optional for the student.

A big problem will be finding adequate classroom space for the program, although Ryan said if those needing the classes would attend, it could provide definite relief in the area of bilingual classes later on.

Since Dimmitt is required to offer bilingual education, the system will also be required (starting in 1985) to offer summer preschool for students who will be entering kindergarten or first grade the coming school year and who have a limited proficiency in English.

Attendance will be voluntary. Classes will last half a day for the eight weeks immediately before

the start of the new school year. Instruction will follow an intensive bilingual program curriculum.

"These two programs together could give a child two years of concentrated English. If it works, it will be great," Ryan said.

He noted that a child participating in the two programs could conceivably attend school 22 months in two years, starting with pre-kindergarten (at 4 years old) for the school year. A month of summer school, then a school year of kindergarten. Then, after another month of summer vacation and eight weeks of summer school, the child would enter first grade.

Another costly change is the mandated teacher-to-pupil ratio of 1-to-20 system-wide. The average daily attendance is divided by the number of teachers to arrive at this figure.

"System-wide, our ratio is 1/15.33," Ryan said.

However, in the 1985-86 school year, the ratio for kindergarten through second grade will not be allowed to exceed 1/22. Ryan noted that during the heaviest attendance week of last year, the ratio was over 1/23 for the first and second grade, while at the beginning of the year both grades showed a ratio of around 1/21.

"For those three grades, we will have to hire one more teacher than we absolutely need in order to keep from having to hire one in the middle of the year," Ryan said.

"If we had followed this rule last year, it would have cost the district an additional \$30,400 in local expense at the new base salary for beginning teachers," he added. "And here again, it will require more space. We may have to lease or purchase a temporary building or expand our facilities."

Another cost to the district will be the administration of basic skills assessment testing to begin with the 1985-86 school year.

Presently, students in grades 3, 5 and 9 are tested. New requirements say that students in grades 1, 3, 5, 7 and 9 must be tested in reading and writing, and in grade 12 in math and English.

In addition, all students in grade 11 will be required to take an exit-level test and must pass all sections of the test by graduation time in order to get a diploma. For those who fail any section of the test, the school must offer remediation in that area.

"We hope that some remediation may be offered in the regular classes," Ryan said. "Otherwise, there will be an additional expense for outside instruction time."

Exception will be made for handicapped students.

Ryan said that testing for this school year will be the same as last year.

One expense that will start with this coming school year will be the provision of tutoring services for failing students.

The district is required to provide tutoring for students in English, math, science and social studies in grades K-12 on each campus. The service must be offered twice a week for a period of at least 45 minutes, and must be under the supervision of a teacher certified for that subject. It will not begin until the second six weeks, and it is not clear yet whether attendance will be mandatory for failing students.

Another expense to the district, although a smaller one, will be the cost of postage required for the mailing of all report cards each six weeks.

Parent conferences are required for students who are failing, and notice of unsatisfactory grades must be signed by a parent and returned to school. If not returned, notice must be mailed.

"It would be simpler to mail all report cards with a note for those who are failing," Ryan said. He added that the current system of parent conferences for all students in elementary will be discontinued.

Rules governing student discipline and suspensions will have to be coordinated with the new rules governing absences. More than five unexcused absences per semester will cause a student to

(Continued on Page 9)

Aldermen hold line; no city tax rate hike

The Dimmitt Aldermen voted Monday night to maintain the city tax rate at the same level established last year, which will bring in almost \$19,000 less in revenue.

"We established a balanced budget using last year's rate, and we feel the revenue will be adequate," Mayor Wayne Collins said.

Castro County Chief Appraiser Jerry Heller had announced the city's effective tax rate, the amount needed to raise the same revenue as last year, as \$2.973 per \$100 of assessed evaluation. Last year's rate was \$2.804.

Using the same rate as last year will raise less revenue because of a decrease in the tax base as a result of the \$7 million inventory reduction at Amstar.

In other business, the aldermen voted to postpone any decision on having hot mix applied to the tennis courts at the city park. Bids received on the project were termed "too high" by the aldermen, who had budgeted \$8,000 for

the work.

High Plains Pavers of Plainview bid \$6.50 per square yard with a 45-day completion date, for a total of \$8,463. Appian Corp. of Hereford bid \$6.82 per square yard with a 60-day completion date and a total cost of \$8,879.64. An engineering fee of 8% of the total project cost must also be added.

The aldermen discussed installing concrete instead of asphalt. City Manager Paul Catoe said a local contractor estimated the cost at \$15,000.

It was agreed to look into including the cost of the project in the budget for next year.

Catoe told the board that Chamber of Commerce Manager Delores Heller, on behalf of the Mayor's Council on Beautification, requested city help in finding a storage spot for junk cars.

The aldermen agreed to designate the north end of the city landfill as a repository for abandoned cars. Catoe reported that

the landfill permit allows placement of junk cars, but added that a Texas Dept. of Public Health official told him that other trash may not be dumped around the cars.

"We will also need to fence off the area to prevent entry by children or animals who could become trapped or injured," Catoe noted.

Catoe told the aldermen that Tom Moore, attorney for the city paving project, contacted him Friday afternoon to report progress on the project.

"He told me that he is having to revise his mechanic's lien contract because of some legal wording problem, and cannot begin the sign-up process until the contract is ready," Catoe revealed.

This may delay the starting of the paving, according to Catoe, who said that the base work, curb and gutter work, and possibly some of the paving could be done soon "if they could get on with it."

Police calls

'Peace-maker' gets shot

Investigation of a Saturday night shooting highlighted Sheriff's Office activity during the week. Officers have issued a felony fugitive warrant for a 34-year-old Dimmitt man suspected of shooting Rafael Enriquez, 48, in the upper left leg. Enriquez told officers he was shot when he tried to stop an argument between the suspect and another man. The incident happened in a farmyard 12 miles northwest of Dimmitt. Enriquez was hospitalized at Plains Memorial.

The Dimmitt Police Dept. investigated four traffic accidents during the week.

A car-pickup accident at the intersection of North Broadway and East Dulin last Wednesday at noon caused moderate damage to both vehicles, but no injuries to the drivers. Involved in the mishap were Shari Schilling, 18, of Nazareth, who was driving a 1975 Mercury Grand Marquis, and W. E. Grant, 77, of Dimmitt, driver of a Ford F-100 pickup. Grant was cited for failure to yield right of way.

A 14-year-old biker escaped serious injury when he was hit by a car last Wednesday afternoon while crossing East Belsher Street. Police said Junior Vargas rode his bike into the path of a 1982 Ford sedan driven by Clarence Cockrell, 53. The accident occurred in the 100 block of East Belsher.

Police Chief Don Franklin reminded bicycle riders that they are

supposed to ride on the right side of the street and observe traffic laws the same as drivers of other vehicles have to do.

The Broadway-Bedford intersection was the site of a mishap Saturday night that caused light damage to two vehicles. A 1976 Ford Elite driven by Norma Linda Bermea, 20, of Nazareth, collided

NATIONAL PAINT HORSE SHOW winners were shown by Bob and Betty Travis of Hart July 26-27 in Oklahoma City. At left, the Traveses are in the winners' circle with Jokers Bonanza, named Reserve Champion in amateur barrel racing at the national show. The horse has also earned the Register of Merit in heading, open barrels and amateur barrels, as well as being

named Grand Champion Stallion in halter and Reserve Champion at the Lubbock show. At right, Bueno Super Star, a Paint mare, ridden by Mrs. Travis is crossing an arched bridge. The horse placed third in the junior trail competition at the national show, and has earned the Register of Merit in open and amateur trail and open and amateur western pleasure.

On the Go

with Mary Edna Hendrix, 647-3343

Recent visitors in the Bob Crozier home have been their daughter and son-in-law, Leanne and Joe Holloway from Hico. Both took some additional work at Stephenville the first semester this summer, then made visits to Panhandle, Lubbock and here before returning home in time to attend coaches' clinic.

Summer is always time to attend "Texas". One evening recently the Bob Croziers met the Joe Holloways from Hico, the Dale Holloways from Panhandle, and the Bobby Croziers at Palo Duro for a picnic and the performance of "Texas". Karen Nelson was Sue's guest for the evening.

Sue Crozier has been in Houston this past week visiting with her aunt and uncle, Mary and Pat Brown.

Emily Clingingsmith has returned from several weeks of fun and work with her daughter and family, Ruby and E. W. Hallford and sons, Danny and Jeffrey in Fredericksburg. The Hallfords own and operate a peach ranch and a Health Food Store. Emily worked any place they needed her in the peach harvest, in the food store, or at the home, cooking. Emily reported it was extremely dry when she was there but they had some rain after she came home.

The Hallfords are spending their vacation in Munich, Germany with friends and they plan to ride the train to Helsinki, Finland to visit Pia, the first exchange student who stayed with the Clingingsmiths while she was in Dimmitt.

Jean, Kevin, and Dennis Petty had a going away party in their backyard on Saturday evening honoring Jim and Gay McClellan. Sandwiches and watermelons were served to about 25 seventh grade boys and their parents who came to say goodbye to the McClellans. Jim and Gay will be moving to Stinnett soon as Jim will be a coach there. Jim has been the seventh grade boys coach in Dimmitt and Gay worked at the bank.

The Thursday Bridge Club met at the Senior Citizens Center for lunch and a day of bridge with Emily Clingingsmith as hostess. Tina Rawlings won high score and Jo Gregory won second high. Others enjoying the day were: Fern Dickey, Susie Reeves, Jean Christian, Loranel Hamilton, Johnnie Vannoy, Opha Burks, Alice Collyer, Oleda Schumacher, and Josie Bradford.

The C. J. Johnsons have entertained relatives for several days. Their son and family, Russel and Eileen Johnson and twin daughters, Melissa and Michelle and another daughter, Jill, from McKinney and their daughter Carol's twin daughters, Carla and Darla Dennis from Lawton, Okla. They all went to see the play "Texas" while they were here. The Dennis twins are granddaughters of Trudy Dennis and they visited their dad, Don Dennis of Friona while they were in this area.

Have you ever been to a ballgame in Dallas in August? It is HOT! The Murdocks and I went to Dallas over the weekend. Their daughter was playing ball in Garland and since that is next door to Richardson where my daughter and family, David and Brent, live we decided to drive down together. We all went out on Saturday morning to watch Debbie play ball.

We attended church on Sunday morning. The pastor, Dr. Phil Lineberger, was on vacation but the associate pastor, Darrell Grice, who had been to Rio de Janeiro, Brazil on a mission trip crusade preached on the subject, "After Rio, What?"

Dr. Phil Lineberger has written a book, "Is This God's Will?" and dedicated it to the memory of Shannon Vaughan who was killed in a tragic automobile accident nearly a year ago. Shannon was the daughter of David and Sue Vaughan and granddaughter of Charles and Betty Vaughan and Mary Edna Hendrix.

On Saturday we watched Brent play tennis with a good friend who is coaching him. Saturday evening

we went to the home of other friends for supper and we all played the new game, Trivia. You need to be smart to play that game, but we had fun anyway!

On Thursday Guy and Oleta Walsler enjoyed the food and the play "Texas" in Palo Duro with several members of Guy's family: Jan, Ken and Jill Walsler, Don, Nickie, and Michael Walsler, Mike and Deanne Harris from Hereford. Bobbie Purcell from Canadian, and Betty Hays and Cody from Lockney. Oleta reported a fun time on a beautiful night and then the rain came after the performance.

Once again I would like to say "Thank you" to my country friends who give me vegetables every summer. They are so fresh and good.

Tricia Touchstone graduated from Lubbock Christian High School last week. Those attending the graduation ceremonies were: Dr. Bill and Ann Murphy, and Bill's daughters, La Wanda and Marianne from Austin, Truman and Betty Touchstone, Guy and Oleta Walsler, Kyle and Flo Touchstone from Lubbock, and Kyla Boozer. Tricia plans to enroll in Abilene Christian University next week.

Jo Prather and daughter Danna will leave Friday to join Lieutenant Colonel Dan Prather where he is assigned with NATO headquarters in Naples, Italy. He will serve as

executive officer to the Chief of Staff for AFSOUTH.

Lt. Col. Prather has just completed the Army War College at Carlisle, Pa. following a successful 31 month battalion command at Ft. Polk, La. He will be promoted to the rank of Colonel in early 1985.

Danna, age 14, will enter high school in late August. She will attend an international school in Naples. Her academic studies will be much the same as freshman in most high schools with the addition of three other languages. Danna says she's looking forward to the field trips she hopes to take with her class.

Charles and Betty Vaughan, Sherri and Kevin Baldrige attended a reunion of Betty's family, the Hewitt Clan, at the Holiday Inn in Lubbock this past weekend.

Old family pictures and reminiscing were enjoyed.

Most of all was the good time telling happy things on Betty's Aunt Olive who is 93 years young. Everyone hopes to be as active and on top of things as she is. She is the sister of Betty's lovely mother Rachel Taylor Hewett.

Many could not come this time but those from Texas, Oklahoma and Mississippi made a big splash.

A group of members of the local Eastern Star went to the Tulia chapter meeting Tuesday evening for a supper and to hear the Grand Conductress present a Rob Morris

memorial program. The Grand Conductress is Elsie Paladino.

Spending the weekend at Red River, N.M., were C. A. and Oleada Hance and their children and grandchildren and one great grandchild: Martha and Jake Isaacs of Dimmitt, Jeff Isaacs of Amarillo, David and Sandra Honea and Shari of Dumas, Lisa

Casados and son Christopher. They all reported a really good time, just being together with family and they all went to Taos to the art galleries and for some food. They saw Jack and Carolyn

Thompson and daughter Jacalyn and a friend of hers at Red River, as well as Kate Beecher's cousin Lloyd and Rosalyn Bowden and their granddaughter of Denver City.

"A cynic is one who never sees a good quality in a man and never fails to see a bad one."

—Henry Ward Beecher

COMBEST COMMENTS

By Larry Combest

Working for Fair and Effective Farm Policy

Last month I was invited to Dallas to join a group of farm representatives in a meeting with Agriculture Secretary John Block. Secretary Block's stated purpose in calling the meeting was to hear our recommendations on rewriting farm policy for 1985.

Tommy Fondren, representing the Texas Association of Cotton Producer Organizations, spoke about federal laws that increase our costs of production, laws that foreign producers do not have to contend with, and that hinder our ability to compete in the world market.

S. M. True of Plainview, president of the Texas Farm Bureau, told how important exports are to the future of America's farmers.

And I presented six proposals to help make future agricultural policy more fair and effective

for the people of the 19th district.

In some ways I was encouraged by the meeting in Dallas. This was the fifth regional meeting and others are planned before the policy is written next November.

These "listening sessions," as Block calls them, are a step in the right direction for the administration. Listening to farmers is essential to building a foundation for good farm policy.

But there was something the secretary said at the meeting that concerned me as I'm sure it did many others there. Block said the meeting should "help us understand why everyone can't always have everything he wants." This made me wonder if he'd fully understood the needs we presented.

The common thread that ran through the statements of almost

every representative there was that agricultural policy should be fair to all farmers. West Texas farmers don't need the government's help to understand that "everyone can't always get everything he wants." We don't want or expect anything more than we deserve from Washington—an effective agricultural policy that realizes farmers must make a profit, a policy that gives all farmers a fair shake on government programs.

In my closing statement I invited Secretary Block to conduct a similar hearing in the South Plains area. I did this to give him the opportunity to hear from the many outstanding farmers who could not attend the Dallas meeting and to let him know we intend to make sure he keeps the promise he made to us that day: "In the end, we will all get together and write the farm legislation."

Larry Combest is a fourth generation West Texan raised on a West Texas farm. He served as area President of the F.F.A. and received the Sante Fe Award at the National F.F.A. Convention in 1963. He served as legislative aide for agricultural policy for Senator John Tower and is a candidate for U.S. Representative, 19th District.

The majestic serenity of the cross is a marvelous thing to behold. Nowhere throughout the pages of history do we find a symbol which has meant more to man than the cross. The early Christians carried it before them as they were driven to their deaths in the blood-stained Roman arenas. The Crusaders under its banner turned back the infidel enemy from the shores of Europe. During the cruel Nazi occupation of France, the Cross of Lorraine was the rallying point of all who fought against tyranny.

The church, your church, is the bulwark behind which the freedom loving people of the world have always gathered and through their combined efforts and the guidance of Almighty God have marched triumphant against every enemy of mankind. The church needs you, but more importantly... you need your church.

The Sign of God

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

RESIDENTIAL BEAUTY SPOT for the first half of August is the home of Reeford and Betty Burrous at 615 W. Andrews. A circular flower bed accents the manicured lawn, and trees and another curved flower

bed draws attention to a picture window. Geraniums give color to the flower beds, as well as to the clay pots on the porch step. Nominations for the beauty spot award may be made by calling 647-5406.

Nazareth

By Virgk Gerber, 945-2669

Congratulations to Virgil and Shirley Brockman of Dimmitt on the birth of a boy, Thomas John, on July 25 in a Plainview hospital. Grandparents are Arnold and Katie Brockman and Al and Leona Maurer.

Welcome home to Sisters Herman Joseph, Joesetta, Adrian, Immaculata, Celestine Marie, Anita and Josella. They've enjoyed the summer vacation and are ready to begin another year of teaching at the Nazareth School.

The Rickwartz family reunion was enjoyed by some 80 relatives at the Palo Duro Canyon Park on Sunday.

The annual mixed soft-ball tournament will begin Monday evening at the Nazareth Community Center. There will be games each

evening of the week with finals being played Sunday afternoon and evening.

Congratulations to Mick and Jane Gerber of Bovina on the birth of a girl, Laura Micki, on Aug. 4 in the Muleshoe Hospital. Grandparents are Leonard and Alvina Gerber and Vincent and Chec Guggemos.

Chris and Becky Book and their two daughters of Houston are going to make their home in Nazareth and Chris will be farming with his Dad. We are always glad to see our young people come back

here to live.

Denny and Dolores Heiman, Francis and Julene Gerber, Jo Ann Bowen of Plainview, Ione and Phil Taylor of San Angelo all enjoyed a weekend at the home of their sister Etta Mae Sellers and her husband Bill in Tahlequah, Okla. All seven of Etta Mae's children were there and also Father Harold Heiman of Subiaco, Ark.

THE PANHANDLE of Texas in 1983 sold more dollars worth of vegetables than did South Texas.

Sunnyside

By Teeny Bowden, 647-5703

Tommy Lewis of Olton, son of Cotton and Gaylia Lewis, was killed in a motorcycle accident in Olton Saturday morning. He and others rode their cycles in the parade Saturday morning, then rode to the gin yard where they often rode in a deserted burr pit. He hit a utility pole as he came up out of the pit and was killed. His mother, Gaylia Lilley Lewis, lived in the community from the time she was twelve until she married. L.B. and Teeny Bowden visited Sunday afternoon with Cotton and Gaylia and their daughter, Karen, Raymond Lilley of Big Spring, and Donnie Lilley of Canyon.

Olympic ribbons were presented Sunday morning during the services to Justin and Tracy Damron for entering the fourth event, to Christi Gwyn and Jason and Jared Brown for entering the third event. Lacy Loudder was presented her

blue ribbon last Sunday night before the services for the first event, and this Sunday night her yellow ribbon for her second event.

Mr. and Mrs. Rosendo Fabela killed a rattlesnake this week near their house. It had six rattlers and a button.

Gale and Verna Sadler and Adis Robinson of Wayland left Friday for the Foreign Missions Conference at Glorieta.

Dr. Strauss Atkinson and Trudy of Plainview visited Monday morning with Embree Roy and Willie Mae Sadler on their way to Glorieta for the Foreign Mission Conference.

Cindy Clatt, Jasmyne and Tyler of Allan came home with Gale and Verna Sadler from the Sadler reunion at Breckenridge last Sunday night and went back with Embree Roy and Willie Mae Sadler Friday for the Hensley

reunion. Susan Harmon of Lubbock and Susan Lefevre and Ryan of Brownfield visited with them Wednesday.

Maxine Tidwell of Dimmitt taught I Corinthians 13:1-3 to nine women in the home of Kathy Gwyn Tuesday morning. She will teach verses 4-7, the 7th, v. 8-12 the 14th and v. 13 Tuesday, Aug. 21. All the women in the community are invited to attend these studies at 10 a.m. each of these Tuesdays.

Mr. and Mrs. Floid Ivey went to Dalhart early Thursday morning with Mokey and Katy Ivey and Jimmy of Easter to see Paula Ivey named second runner-up to the XIT Rodeo Queen in ceremonies preceding the rodeo. There were five candidates for Queen. Mokey escorted his daughter in the grand entry even though it had been years since he had ridden a horse. Karen Ivey also participated in the event. They came home Thursday night.

A trace of rain was received Wednesday afternoon.

Rick and Susie Bell, Caleb and Kacie left Friday for Red River for a few days vacation.

Judy Damron, Justin and Tracy visited this week in Daingerfield with her father, B. A. Woodall and other relatives and friends.

Ezell and Verba Sadler and Randy Powell spent the week at Hubbard Creek Lake at Breckenridge and attended the Hensley reunion there over the weekend. Embree Roy and Willie Mae Sadler also attended the reunion over the weekend. The E. R. Sadlers visited in Abilene on their way home Sunday evening with his aunt, Maggie Seymore.

Alan and Rose Shive of McCamey returned from their vacation in Colorado Thursday and took Leslie, who had stayed with Noah and Ruth Spencer, home with them.

Teeny and L.B. Bowden visited with Mancil and Nita McWilliams in Plainview Saturday morning.

Mr. and Mrs. J. C. Holbrooks met Lynn Porter from California at the airport Saturday. She will visit with them for awhile. She is Toot's sister-in-law. Jeanette Walling of Bovina visited with them Sunday afternoon.

Mr. and Mrs. Jim Hargrove and their daughter and husband and granddaughter from Garland visited last week with R. V. and Bess Bills. Mrs. Hargrove is R.V.'s sister. The week before Bess' sister, Mr. and Mrs. Odis Kimbell of Dallas, and his sister and husband from Oklahoma visited with them.

Mr. and Mrs. Floid Ivey visited in Lamesa Sunday with their daughter, Hazel and Curtis Pruitt. Curtis was admitted to Highland Hospital in Lubbock Monday for tests. They visited Mokey and Katy Ivey and her mother and Jimmy at Easter Sunday evening.

Eulless Waggoner attended the "Bug Scuffle" reunion at Elliott Sunday.

Jack and Justin Bradley spent the weekend in Dimmitt with their grandparents, Weldon and Irene Bradley.

Sharon Bradley went to the Sadler reunion with Ezell and

Verba Sadler and Stacy Sadler last weekend to spend the week with Melody and Karla Sadler of Hobbs who were there. Several went from the lake to Six Flags for a day or two. She came home Sunday with Jake and Ruth King of Hereford.

Johnny Wayne Holbrooks of White River visited Thursday night and had supper with his parents, J.C. and Toots Holbrooks.

Linda Haensch from Gruver visited Tuesday through Wednesday night with her sister Terri and Lance Loudder, Lacy and Jake. Linda is Terri's sister.

14—CARDS OF THANKS

CARD OF THANKS

A special Thanks to all of you for the many acts of kindness you have showed to our families and to mother (Hazel McCormick) during her recent illness and stay in the hospital. All the visits and cards mean so much to all of us and your prayers were always felt.

A Big Thank You to the nurses! You are the greatest Bunch and you have loved her on the road to recovery. Thanks to Dr. Lee & Dr. Murphy — Mother is now recuperating at South Hills Manor. Go by and visit any time.

OMA DEE HEARD
14-46-1tc

CARD OF THANKS

Words cannot express our appreciation for your concern shown to us during Buck's recent illness. Thank you for your visits, phone calls, flowers, cards, and prayers. Also a special thanks to the Staff of Plains Memorial Hospital for the wonderful care which was given to Buck when he suffered his severe heart attack. May God bless each of you.

BUCK & BONNIE
TOMMY & SHERRI

NOTICE

Energas Company hereby gives notice of its intent to implement new rates for domestic and commercial type customer classes in the 63 cities and towns on its West Texas City Plant System, effective August 10, 1984. It is anticipated that the new rates will result in an average increase of 7.7% to a domestic and commercial type customer in the West Texas City Plant System.

A Statement of Intent to change said rates was filed with each of the cities and towns listed below on or about July 6, 1984, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street.

CITIES AND TOWNS AFFECTED:

LEGAL NOTICE

CITATION BY PUBLICATION: THE STATE OF TEXAS TO: B. D. OLDHAM and, if he be married, to his wife, MRS. B. D. OLDHAM, and if either or both of the above named parties be deceased, to their heirs, their unknown heirs and legal representatives of such or both of them as might be deceased, and to all persons, firms, or corporations which may claim any interest in the property described below, hereinafter called Defendants in the hereinafter styled and numbered cause.

You and each of you, as Defendants, are hereby commanded to appear before the 64th Judicial District Court of Castro County, Texas, to be held at the courthouse of said county, in the City of Dimmitt, Castro County, Texas, at or before 10:00 a.m. of Monday next after the expiration of forty-two days from the date of issuance hereof. That is to say at or before 10:00 a.m. Monday, the 10th day of September, 1984, and answer the petition of V. R. NELSON, Plaintiff, in cause no. 5370, styled V. R. NELSON, Plaintiff, vs. B. D. OLDHAM, et al, Defendant, and which petition was filed in said court on the 25th day of July, 1984, and the nature of which suit is as follows:

TRESPASS TO TRY TITLE for title and possession of the following described real estate situated in the County of Castro, State of Texas, to-wit:

All of Lot Twelve (12), Block Ninety-five (95), of the Original Town of Dimmitt, Castro County, Texas, according to the map or plat thereof of record in the Deed Records, Castro County, Texas;

Plaintiff also claims title by virtue of the ten (10) and twenty-five (25) year statute of limitations as more fully shown by Plaintiff's petition on file in this suit. If this citation is not served within ninety (90) days after date of its issuance, it shall be returned unserved.

WITNESS the hand and seal of office of Joy Jones, Clerk of the District Court of Castro County, Texas, at office in the City of Dimmitt, this the 25th day of July, 1984.

JOY JONES, DISTRICT CLERK
BY: LAURIE WATTS, DEPUTY

NOTICE OF SALE

KNOW ALL MEN BY THESE PRESENTS THAT

Whereas, on the 29th day of May, 1980, David Cole, Dimmitt, TX, executed and delivered to Seiling Equipment, Taloga, Oklahoma, Seller, a certain Variable Rate Retail Installment Contract and Security Agreement which was subsequently remitted to John Deere Company, Lender, and thereon mortgaged the following described property, to wit:

1 JD 7720 Combine, SN 359004

The maker of the Variable Rate Retail Installment Contract and Security Agreement has defaulted in compliance with the terms of said Agreement. John Deere Company, the owner and holder of said Variable Rate Retail Installment Contract and Security Agreement on account thereof, is offering said Variable Rate Retail Installment Contract and Security Agreement. John Deere Company reserves the right to bid.

Now, therefore, notice is hereby given that on the 20th day of August 1984 at 10:00 a.m. of said date, John Deere Company will offer for sale at C & S Equip., Co., Dimmitt, TX to the highest bidder the above described property.

Conditions and Terms of Sale: All items will be sold "as-is" and in their present condition. NO GUARANTEE OR WARRANTY OF ANY NATURE, EITHER EXPRESSED OR IMPLIED, is made. Any statement of description is for identification only and not a warranty or representation. All goods are subject to redemption prior to sale. The terms of the sale are cash. The high bidder must submit certified funds (Bank money order or cashier's check) for the full purchase price at the time of the sale. All bids must be submitted in person; all sales are for cash and are final. Individual buyers may be required to pay any applicable sales tax on the sales (purchase) price. John Deere Company reserves the right to bid.

Additional information concerning the security interest held by John Deere Company in the above described collateral may be obtained from:

JOHN DEERE COMPANY

Hearing on dam to be Wednesday

A public hearing on Umbarger Dam and spillway (which previously held Buffalo Lake) will be held Wednesday at 7:30 p.m. at West Texas State University in Canyon in the Virgil Henson Activity Center.

The Bureau of Reclamation, Dept. of the Interior, is holding the meeting to give the public an opportunity to express its views and comment on environmental concerns.

The bureau plans to prepare an environmental assessment on the study of the dam. The study is being conducted on behalf of the US Fish and Wildlife Service, which is responsible for operation and maintenance of the Buffalo Lake National Wildlife Refuge. The dam and lake are part of the refuge.

The study will hopefully identify approaches to correct deficiencies in the dam and spillway, which were determined to be unsafe years ago.

Additional information may be obtained from Gene Bass, Chief, Environmental Branch, Division of Planning, Bureau of Reclamation, 714 South Tyler Street, Suite 201, Amarillo, 79101, phone (806) 378-5477.

Two locals make ACU honor list

Two students from the Dimmitt area are among 626 students listed on the Dean's Honor Roll at Abilene Christian University for the 1984 spring semester.

They are Pamela Lee Nelson, daughter of Mr. and Mrs. Dan Nelson of 1016 Maple, and Brenda Parker Schrader, daughter of Mr. and Mrs. Ronnie Parker of 1606 W. Bedford.

To be listed on the Dean's Honor Roll, a student must be enrolled for at least 12 semester hours for a grade and earn a 3.5 grade point average or higher.

ACU is the fourth largest private university in Texas and the largest nationwide of those affiliated with the Churches of Christ. Enrollment in the four undergraduate colleges and the graduate school averages more than 4,500 each fall.

Farm and ranch workers are now covered by workers' comp

Farm and ranch workers no longer are exempt from workers' compensation coverage requirements in Texas.

A state district judge earlier this year ruled that the exemption was unconstitutional. That ruling presumably remains in effect for the rest of 1984, after which a new law passed during the Texas Legislature's 1984 special session takes over.

Provisions of the law, according to Donald Johnson, Executive Vice President of Lubbock-based Plains Cotton Growers, Inc., were the result of a compromise between agricultural employer representatives and labor groups, who for many years have fought for repeal of the long-standing farm worker exemption.

Passage of the Workers' Compensation for Farm Workers Bill, effective Jan. 1, 1985, means two things. First, ag employees who are required to pay workers' compensation premiums will be saddled with a new expense. Second, a covered farm or ranch worker hurt on the job will be entitled to payment of medical expenses and disability pay if he or she loses more than one week's work.

The law provides that all "migrant" workers, those whose work requires them to be away from home overnight, are to be covered, as are seasonal workers doing the same work at the same time and at the same location as migrant workers. A seasonal worker is one employed temporarily to do seasonal work but not required to be away from home overnight.

However, seasonal workers not working with migrants (if the employer's annual payroll is less than \$25,000) are exempt unless employed on a truck farm, vineyard or orchard. The \$25,000 seasonal worker exemption is to be adjusted for inflation each year.

Non-migrant, non-seasonal workers, such as permanent employees, are to be phased in over a six-year period. For the first three years (1985, 1986 and 1987) workers are to be covered only in

operations where the employer's annual payroll is \$75,000 or more. In 1988, 1989 and 1990, the payroll exemption level drops to \$50,000.

In 1991, all workers employed by an employer with a payroll of \$25,000 or more are to be covered. In future years the same \$25,000 payroll figure will be used to determine who is to be covered, except that it will be adjusted each year for inflation.

However, beginning with 1991, the number of exempted, non-migrant, non-seasonal employees will be limited to two, whatever the employer's payroll.

Disability pay for covered wor-

kers who lose more than a week's work, called a "temporary total disability payment," is to equal two-thirds of regular pay but not to exceed \$189 per week.

"We weren't anxious to see our producers assume this additional expense," Johnson commented, "but the phase-in feature of the law as finally passed and the exemption of small farmers obviously is better for us than would have been the more severe provisions sought by the labor groups."

TEXAS fisheries produced \$186 million worth of seafood in 1982.

TULIA LIVESTOCK AUCTION REPORT

A total of 1184 cattle and calves sold Friday, August 3, at Tulia Livestock Auction. Good stocker calves were steady to strong. Feeder hfrs. were steady to \$1.00 higher. Choice feeder str. were fully steady. Packer cows and bulls were steady with last week.

Announcing ...

Taylor Feed Lot is now Birdwell Cattle Feeders, Flagg Division

Effective Aug. 1, we have leased the Taylor Feed Lot and our pasture facilities to the J. E. Birdwell II family of Lubbock.

J. E. Birdwell II and his two sons, J. E. Birdwell III and Clay Birdwell, will operate the facilities under the business name of Birdwell Cattle Feeders, Flagg Division.

We consider the Birdwells to be a good, professional family, thoroughly knowledgeable about the cattle feeding industry. J. E. Birdwell II is presently first vice-president of the Texas and Southwestern Cattle Raisers Association, and is well known in the cattle feeding industry. The Birdwells for many years have operated a feedlot in Bailey County.

The Taylor family established Taylor Feed Lot in 1968 and has operated it 16 years, custom feeding cattle for people throughout the state. We are proud of the reputation Taylor Feed Lot has built for service and efficiency. Ours was the first feedlot to use the micronization process in preparing milo for cattle feed.

We feel the Birdwells will add to and enhance the reputation of the feedlot, and we extend to them our best wishes for success.

More about Police calls...

[Continued from Page 1]

with a 1976 Chevrolet driven by Carol Rendon of Lockney. Police said Rendon was attempting a left turn off of North Broadway and Bermea was westbound on Bedford when the accident occurred. Rendon was cited for having no insurance.

Jose Veliz of the Azteca Housing Complex reported to police that his 1984 Chevrolet pickup had been hit by an unknown vehicle sometime between 9:30 and 11:15 Sunday night, while his pickup was parked and unoccupied. The hit-and-run incident caused heavy damage to the right side of Veliz's pickup, police said.

Three burglaries were reported during the week in Dimmitt.

Larry Gonzales, 104 NW Fifth St., reported last week that his lawn mower was missing from his yard and believed stolen. He said the burglary occurred between July 27 and 30.

Lucia Ornelas reported that the license plate was stolen from her GMC Suburban while it was parked in East Dimmitt Saturday night.

Miguel Velasquez, manager of the Azteca Complex, reported Monday morning that two vending machines in the housing office had been burglarized of candy and gum sometime Sunday night, but that no money was taken. He said the display window of one machine was broken and the samples taken, and that the other machine apparently had been shaken to jar candy and gum into the serving bin.

Dept. of Public Safety troopers arrested two Dimmitt men during the week on misdemeanor DWI charges in separate incidents. Both men spent a night in jail before posting bond, and were both placed on two years' probation by County Judge Polly Simpson.

Riley is named to cotton board

Ray Joe Riley of Hart is among the eight producer representatives serving on the Cotton Board who have been reappointed as members. Seven others have been named as alternates, four of them for the first time.

Riley, along with the others, will serve a three-year term through Dec. 31, 1986, on the Cotton Board, which administers the Cotton Incorporated Research and Promotion Program for America's cotton producers.

The members and alternates were named recently by the Secretary of Agriculture, who appoints the 19 members and 19 alternates in keeping with the Research and Promotion Act of 1966, according to Glen Stevens of Fresno, Calif., who as chairman was also reappointed to the board.

Ethridge is promoted

Johnny Ethridge of Dimmitt, an employee with Continental Telephone of Texas for 10 years, has been promoted to Installation and Repair (I&R) Supervisor in Dimmitt.

The appointment is effective Friday.

Ethridge replaces Mike Traylor, who recently transferred to Andrews as Business Office Supervisor.

Ethridge transferred from Emory, where he was associated with the I&R work group for six years. Previously, he spent four years in Dimmitt serving in a similar position.

A former captain of the Dimmitt Volunteer Fire Dept., Ethridge is a 1972 graduate of Hart High School. He and his wife, Kathy, have three children — Michael, Wendi and Amy.

Coal pipeline project stops

Sponsors of the ETSI Pipeline Project, a coal slurry joint venture, announced last week that the project has been terminated.

According to ETSI President, Paul G. Doran, "the decision to terminate is a result of protracted railroad opposition that has brought about costly delays in securing all necessary permits, rights-of-way and other clearances for the project, leaving no other recourse but to take this action."

ETSI proposed a 1,800-mile, \$3 billion large-diameter coal slurry pipeline from Wyoming to Mid-south and Gulf Coast electric utilities. The joint venture consisted of subsidiaries of Bechtel Group, Inc., InterNorth, Inc., KN Energy, Inc., and Texas Eastern Corporation.

Anthony's to observe birthday of founder

The C.R. Anthony Company, based in Oklahoma City, Okla., is celebrating the 100th anniversary of the birthday of its founder, the late Charles Ross Anthony.

The local C.R. Anthony store in Dimmitt, which is managed by Leroy Maxwell, will present a \$100 gift certificate to the first local baby born on Friday — C.R. Anthony's birthday. Parents of the baby must be residents of Castro County.

Anthony was born in Gibson County, Tenn., on Aug. 10, 1884. He died June 16, 1976 at the age of 91.

Anthony was the embodiment of the "rags to riches" story, born and raised in rural poverty, orphaned, then founding a major American retail company from one small dry goods store in 1922 in Cushing, Okla.

The first Anthony store in Cushing was known as the "Dixie Store". Originally planned as part of the J. P. Martin store chain, for whom Anthony worked at the time, the store became Anthony's after Martin decided not to enlarge his chain. Anthony bought out Martin's share in the store, and from then on, was in business for himself.

The "Dixie Store" blossomed into a fast-growing chain which was incorporated in 1926. The C.R. Anthony Company then moved to new headquarters in Oklahoma City, where Anthony

Charles Ross "C.R." Anthony

became as well known for community leadership as he was for his dedication to business.

The C.R. Anthony Company is commemorating the birthday of its founder with posters and a special commemorative book entitled "The Chief".

Company President Bob Anthony announced that the C.R. Anthony Board of Directors has authorized a \$100,000 total contribution from the C.R. Anthony Foundation and the C.R. Anthony Company to support medical training and research for the well-being of children everywhere.

AC pins local nursing grads

Seven students of the Dimmitt Chapter of the Amarillo College Vocational Nursing program were pinned in ceremonies Friday in the Concert Hall Theater on the Washington Street Campus.

The seven students were among 51 student nurses participating in the program.

The Amarillo section of the program graduated 39 students while the Hereford branch pinned five students.

Those graduating at this time will qualify to take the State Board examinations scheduled in Fort Worth on Oct. 24. Those who pass the examination will be certified as Licensed Vocational nurses, according to Sue Ann Hicks,

chairman of Vocational Nursing at Amarillo College West Campus.

Students from Dimmitt who completed the course are Cindy Ellis, Sheril Hucks, Twila Ortiz, Pat Summers, Dorothy Traylor, Bobbie Wooten and Janet Yeary.

Applications are now being accepted for the fall semester 1984 in Amarillo, Hereford and Dimmitt. The Fall Semester begins Aug. 27 and regular registration is Aug. 22 on the Amarillo College Washington Street Campus.

Hereford registration is Aug. 21, from 7 to 8 p.m. at the Hereford High School.

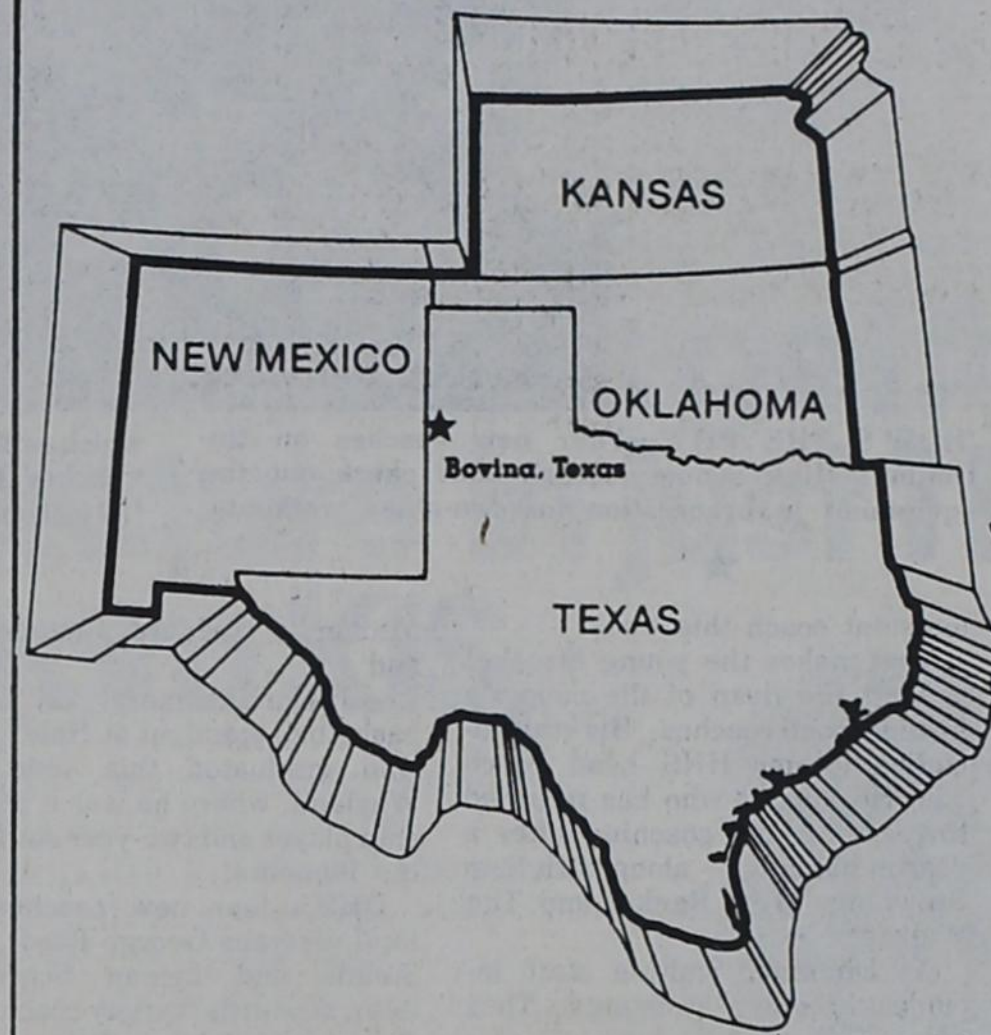

EREUTHOPHOBIA is the fear of blushing.

Dance lessons set

The Castro County Kurlie Q's square dancing club will begin lessons Monday night at 8 in Hart at the American Legion Hall.

Sid Perkins will be the caller and teacher. Those interested in taking lessons, as couples or as a single, please contact J. R. Mixson or any member of the club.

Sports

'Two-a-days' will start Monday

After the final roar of the American-dominated Los Angeles Olympics echoes away this weekend, it may be with an extra measure of pride and enthusiasm that high school athletes jump into two-a-day football workouts Monday.

At Dimmitt High, new Head Coach Clifford Smith expects up to 80 high school boys to report for workouts. Shoes, workout shirts and shorts are being issued Wednesday through Friday, and players will have a squad meeting Friday night to see the morning and evening times for their twice-a-day workouts that will continue until school starts.

DHS football hopefuls are to take their physical exams on their own and turn in their forms before workouts start Monday.

At Hart High, Head Coach Mark Stroebe expects 40 boys to report for workouts. The Longhorns were scheduled to take their physicals Wednesday and be issued shoes, shirts and shorts Wednesday night.

Nazareth High Head Coach Rex Minshew expects 32 to 36 boys to report for practice. Shoes, shirts and shorts were issued Wednesday evening, and players are to turn in their physical exam forms before workouts start Monday. The Swifts' two-a-day workouts will start at 7 a.m. and 6 p.m.

Two of the three local head coaches are new to the helm, but they aren't new faces. Dimmitt's Coach Smith was an assistant here in 1979-81 under Wayne Garner, and returned this year after three years at Merkel, where he ran the boys' basketball program and assisted in football.

At Nazareth, Minshew accepted the head football coach's post after working many years in all boys' sports at NHS. He's assisted by Johnny Hampton, and the school was still trying to hire another

'HOW'S THE FIT?'—Four new coaches on the Dimmitt High School football staff check out the equipment in preparation for two-a-day workouts, which will begin Monday. From left are Assistant Coaches Roy Dudgeon, Junior Ashmore and Stan Carter, and Head Coach Clifford Smith.

assistant coach this week.

That makes the young Stroebe at Hart the dean of the county's head football coaches. His staff includes former HHS head coach Ken Hoskins — who has returned to teaching and coaching after a year in banking — along with Sam Browning, Mike Rankin and Tim Walker.

At Dimmitt, Smith's staff includes three new assistants. They are:

—Roy Dudgeon, 24, a Sudan native who lettered two years as an offensive lineman at McMurry and has coached with Smith two years at Merkel;

—Stan Carter, 25, who played his high school football at Midland Lee and lettered four years at McMurry, and who has been coaching the past two years at

Midland's Goddard Junior High; and

—Junior Ashmore, 22, former basketball standout at Hale Center who graduated this year from Wayland, where he was a scholarship player and two-year starter for the Pioneers.

DHS's four new coaches join local veterans George Rasor, Alan Steidle and Lyman Schroeder. Also, new girls' varsity coach Doug Porter and Athletic Director Ken Cleveland will help during the two-a-day workouts.

The Bobcats will scrimmage Bovina there Aug. 24 and will host Farwell for a scrimmage Aug. 31. They'll travel to Roosevelt for their

opening game Sept. 7.

The Longhorns will scrimmage New Deal there Aug. 23 and will host Lubbock Cooper in a scrimmage Aug. 31 before opening their season at home against Anton Sept. 7.

The Swifts, defending bi-district champions, will travel to Sudan for a scrimmage Aug. 24 and to Springlake-Earth Aug. 31. They'll open their season against Lubbock Christian High Sept. 7 in Lubbock.

The Bobcats are in a realigned

District 2-AAA this year, with Tulia, Littlefield, Muleshoe, Friona, Floydada and Idalou. They'll play only four non-conference games before jumping into what is expected to be a super-tough district race.

The Longhorns are in district 3-AA; their stablemates are Abernathy, Hale Center, Olton, Springlake-Earth and Bovina.

The Swifts are in District 2-A North, along with Vega, Farwell, Kress, Happy and Lazbuddie.

Pre-school children in county may be screened

Next week, two early childhood screenings will be held in Castro County for pre-schoolers (ages 3-5).

In Hart Tuesday the screening program will be held in the Hart Elementary Early Childhood room from 9 a.m. to 3 p.m.

Next Thursday (Aug. 16) the free program will be conducted in Nazareth in the homemaking room. Hours will also be from 9 a.m. to 3 p.m.

The purpose of the screening is to locate children who may need special education pre-school programs to help them succeed in regular kindergarten programs.

Each child brought to the screenings will be tested for fine motor, gross motor, conceptual and communication skills. Counselors trained in the identification

of children with special education needs will review the screening results with the parent or guardian of each child screened. A parent or guardian must accompany each child participating in the screenings. The total process should take about one hour.

A checklist of characteristics for parents to look for that may indicate children with learning problems includes children who were late walkers or tip-toe walkers, children with speech difficulties or whose voice is excessively loud or soft or a monotone, children who seem clumsy or fall often or drop things excessively, children who exhibit squinting, redness, watering, or crossing of the eyes, children who have difficulty getting along with others or who move about excessively, and children who are easily distracted or are resistant to discipline.

If problems are identified at the screening, it is up to the parent whether or not to enroll the child in the Early Childhood program.

For additional information, contact the Director of Special Education for the Castro County Cooperative for Comprehensive Education in Dimmitt at 647-3103.

ANTHONY'S

At National Convention

Greg Odom meets Ronald Reagan

Greg Odom, son of Mr. and Mrs. Glenn Odom of Dimmitt, was one of 100 state FFA officers who met July 31 with President Ronald Reagan.

The meeting at the White House was a highlight of a week-long State FFA Presidents' Conference in the nation's capital. The conference, sponsored by Chevrolet through the National FFA Foundation, Inc., is designed to help new state officers lead more effectively by expanding their knowledge of the FFA and the nation.

Odom was elected First Vice President of the Texas FFA Association at the State Convention in Lubbock July 11-13.

Reagan told the group, "You represent the best in America. FFA is giving more than a fine start to young people like yourselves. By cultivating traditional values, leadership skills and patriotism, the FFA ensures the strength and vitality of our country."

He praised business and industry for their support of vocational agriculture. "FFA has some 14,000 adult teachers and state advisors who are good, caring Americans who are offering a gift of a lifetime, the gift of opportunity, and it's all made possible in

part by the generosity of the private sector," he said. This year business and industry are expected to give more than \$2 million to provide incentive awards to FFA members.

Following Reagan's speech, the National FFA Officers presented him with a plaque commemorating the White House visit.

Earlier in the day, FFA members attended a Congressional luncheon on Capitol Hill with remarks from Senator Robert Dole and Congressman E. De la Garza. Secretary of Agriculture John Block spoke to the group on July 27.

National FFA President Ron Wineinger said, "This week in Washington is not only an opportunity for FFA officers to grow personally, but also an opportunity for all of us together to tackle the challenges in education and agriculture."

The group also toured historic points of interest in Washington, D.C., and attended a theatrical performance at the Lazy Susan Dinner Theatre.

DRAGONFLIES are the speediest insects, reports the National Wildlife Federation. Some dart by at over 50 miles per hour.

Caddell and Braafladt are parade co-chairmen

Bob Caddell and Chuck Braafladt of the Dimmitt Lions Club will be the co-chairmen of the big Harvest Days Parade Saturday, Sept. 15.

They were appointed by Boss Lion Jim Naylor during the club's August business meeting Tuesday at noon. Other Lions Club members will assist them in organizing and forming up the parade.

Theme of this year's parade is "Remember When?" Any individual, business, organization or group planning to have a parade entry or float should contact the Chamber of Commerce office at 647-2524.

In other action at Tuesday noon's meeting of the Lions Club at Ann's Cafe, Mike Foskey and Marvin Bryant volunteered to operate the Hi-Plains Eye Bank

booth at the Tri-State Fair in Amarillo the afternoon of Sept. 4. Lions from throughout District 2T-1 will man the booth during the fair, signing up eye donors for the bank, which is operated as a public service by Lions Clubs throughout the Panhandle.

Also, six members volunteered to deliver Meals on Wheels the rest of this week.

Co-Chairman Dick Perrin and Joe Josselet said they would assign individual work times next Tuesday for the annual Lions Club Broom Sale to be held Aug. 21. The club will sell brooms, mops and dozens of other household and commercial cleaning items from Lighthouse Industries, which employs blind workers.

Robert Jones, a new employee of the First State Bank, was welcomed as a transfer member from the Olton Lions Club. Jones, son of Carolyn Jones, is a graduate of Dimmitt High School and Texas Tech, and is joining the bank as an agricultural finance specialist.

More about School ...

[Continued from Page 1]

fail a course regardless of grade average. At present, suspension of a student could bring up to three unexcused absences per suspension.

Ryan said that a system of in-school suspensions may have to be worked out. Criteria for a new discipline management system have not been developed yet by the state board, but the local system must begin groundwork for the program this year.

Excused absences will be allowed for personal illness, sickness or death in the immediate family, quarantine, dangerous weather or road conditions, attendance at and travel to and from religious holy days with a parental written request and any other unusual cause acceptable to the principal.

Other new rules include not beginning the first semester before Sept. 1, not allowing any exemptions from final exams of any semester, not allowing social promotion, and monitoring of compliance by the state on a three-year basis, rather than on the current five-year basis.

Cook is named chairman-elect

Marshall Cook, administrator of Plains Memorial Hospital in Dimmitt, was named Chairman Elect of the Panhandle Division of the Texas Hospital Association at a meeting in Amarillo in June.

He also served as an official delegate to the THA Convention held in San Antonio in July.

That's how much you could lose just on resale value if you don't buy a John Deere

Looking for a big discount when you buy a tractor? Don't get stuck with an even bigger discount when you want to sell it. **Always consider resale value** when you price a field tractor. Because the differences among brands may sometimes be bigger than ANY purchase incentive.

Compare John Deere with our two leading competitors. According to the Spring 1984 Official Guide of the National Farm and Power Equipment Dealers Association, the average 5-year-old John Deere 4440 sells for 106 percent of its 1979 list price. One leading competitor averages 87 percent of its 1979 list price. The other averages 73 percent.

What's that mean in dollars? Add the John Deere gain on original price to the competitor's loss. The John Deere advantage is as much as \$8,938!

Is this only true of one model? No. Every 40 Series 90- to 180-hp tractor has an average resale price that's higher than its new price five years ago.

Is resale your only John Deere advantage? No. Don't forget the remarkable fuel efficiency of today's 50 Series

John Deere tractors. And don't forget our unmatched reputation for high quality and high reliability. See your John Deere dealer. He'll be happy to explain the big difference between a low-price tractor and a low-cost John Deere: 100-hp 4050, 120-hp 4250, 140-hp 4450, 165-hp 4650 or 190-hp 4850.

NOTE: Average resale prices taken from Spring 1984 Official Guide of the National Farm and Power Equipment Dealers Association. Percentages calculated from best currently available information on 1979 list prices.

Mr. and Mrs. Hays at home after California honeymoon

Mr. and Mrs. James Douglas Hays are expected to return to their home in Dimmitt today (Thursday) after their honeymoon trip to Monterey and San Francisco, Calif., following their July 28 marriage.

The bride is the former Yvonna Gail Vanstory, daughter of Mr. and Mrs. Eugene Vanstory of Morton. The groom is the son of Mrs. J. R. Hays of Dimmitt and the late Mr. Hays.

The double ring ceremony was performed by Harold Drennan of Morton in the First Baptist Church of Morton.

Matron of honor was Robin Jackson of Dexter, N.M. Brides-matron was Guylene Robertson of McCamey.

Tom Jarecki of Amarillo, brother-in-law of the groom, served as best man. Groomsman was David Hays of Dimmitt, brother of the groom.

Ushers were Douglas Vanstory of Lubbock, brother of the bride, Norman Hays of Dimmitt, brother of the groom, Scott Hays of Dimmitt, nephew of the groom, and Lint Merritt of Dimmitt.

Wedding music was provided by pianist Christene Polvado, accompanied by April Polvado on the flute. Selections included "Bridal Chorus from Lohengrin" and "Wedding March" from Mendelssohn's Midsummer Night's Dream. Eric Vanstory of Lubbock, brother of the bride, sang "The Wedding Song" and "Me and My House."

Guests were registered by Connie Merritt of Dimmitt.

The bride, escorted by her father, wore a champagne gown of crepe. It featured a fitted bodice with a long-sleeved jacket overlay.

MRS. JAMES DOUGLAS HAYS
...nee Yvonna Gail Vanstory

The loose fitting jacket consisted of a front drape beginning at the left

shoulder, with covered-button closure in back. The skirt was slightly gathered and attached to the bodice at the waistline.

Her hat was covered with bridal illusion that formed three loops in back and extended into a three-tiered veil. She carried a cascade of white roses, a white orchid and stephanotis atop her Bible. Completing the look was a pearl necklace belonging to the bride's grandmother, Mrs. J. W. Vanstory of Lubbock, along with pearl earrings belonging to the bride's mother, who had worn them on her own wedding day.

The feminine attendants wore identical dusty pink dresses of crepe de chine in a style similar to the bride's gown. In their hair, they wore sprigs of baby's breath, and they carried nosegays of pink carnations and purple statis laced with baby's breath.

A reception was held in the fellowship hall following the ceremony. The bride's table was draped with a dusty pink tablecloth overlaid with white lace. The five-tiered cake was trimmed with white and pink silk flowers and topped with two white porcelain doves. Milk glass and brass appointments were used to serve the cake and punch.

Servers were Debra Sava and Cara Higgs, both former students of the bride, and Kristi Kelley, all of Dimmitt.

The groom's table was covered with a dusty pink cloth overlaid with beige lace. The three-layered German chocolate cake and coffee were served by Paige Hays of Dimmitt and Michele Bradley of Denton, nieces of the groom, and Cindy Stephens of Lubbock, cousin of the bride. The table also featured plates of fresh pineapple, strawberries and grapes. Brass and crystal appointments were used.

Also helping with the reception were Phyllis Redman, Bobbie George, Brenda Gardner, Wanda Gunnels, Maxine Yearly, Mrs. Blackie Reynolds and Cindy George, all of Morton, and Debi Avery of Lake Ransom.

Jennifer and Heather Avery of Lake Ransom, cousins of the bride, distributed rice bags. The bride is a graduate of Morton High School and Baylor University in Waco. She is employed by Dimmitt Independent School District as a teacher.

A graduate of Dimmitt High School and West Texas State University in Canyon, the groom is employed by Hays Implement Co. in Dimmitt.

Mr. and Mrs. C. J. Fowlkes

Couple to be honored on 50th anniversary

Mr. and Mrs. C. J. Fowlkes will be honored with a 50th wedding anniversary reception Aug. 19 in the Castro County Senior Citizens' Center in Dimmitt from 2 to 4 p.m.

The reception is being hosted by the daughter and grandchildren of the couple.

In July of 1934, Irene Waggoner and C. J. Fowlkes were married in Clovis and spent their honeymoon night in Lubbock.

After farming in Castro County for a while, they bought a drug store in Earth. Later they moved to Lubbock, and now reside in Rockport.

Fowlkes moved to Castro County as a child in 1926. Mrs. Fowlkes was 8 years old when her family moved in to the county.

The couple has a daughter,

Lavonda Norman of Midland, two grandchildren and two great-grandchildren.

Happy anniversary!

Wilhelms establish new home in Amarillo after July vows

Mr. and Mrs. Stephen Wilhelm are at home in Amarillo after a honeymoon in Colorado Springs, Colo., following their July 28 wedding.

Father Harold Waldow officiated at the formal, double-ring ceremony in the Holy Family Catholic Church in Nazareth.

The bride is the former Mary Jean Huseman, daughter of Mr. and Mrs. Louis Huseman of Nazareth, and the groom is the son of Mr. and Mrs. Lavern Wilhelm, also of Nazareth.

Music was provided by Greg and Glenda Birkenfeld, Dwayne Klem and Judy Goronsky, a cousin of the groom. Selections included "The Rose," "Endless Love," "I've Waited a Lifetime," "Flesh of My Flesh," "Evergreen," "There to Love," "On Eagles' Wings," "Let It Be," and "Where Ever You Go."

Serving the bride as matron of honor was her sister Jenny Teafattler of Tulia. Bridesmaids were Becky Ramos of Tulia, Bonnie Huseman and Lori Huseman, both of Amarillo, all sisters of the bride, and Dorothy Wilhelm, sister of the groom.

Greg Huseman of Amarillo, brother of the bride, was the best man. Groomsmen were Damien Wilhelm of Amarillo, brother of the groom, Paul Huseman of Nazareth, brother of the bride, Edwin Wilhelm of Amarillo, cousin of the groom, and Alan Acker of Amarillo.

Jessica Haschke, niece of the groom, served as flower girl, and Nicholas Ramos, nephew of the bride, was the ringbearer.

Ushers were Bart and Mike Huseman of Nazareth, brothers of the bride, Henry Wilhelm of Nazareth, and Pfc Cecil Wilhelm, USMC, stationed in the Philippines, brothers of the groom.

Given in marriage by her mother and father, the bride came down the aisle in a white formal-length gown of organza over taffeta. The fitted bodice featured a Queen Anne neckline outlined in lace, and lace applique decorations. The sheer organza formed puffed sleeves gathered at the elbow, accented with a wide lace ruffle, then continuing to the wrist, ending in lace trim. A large lace applique decorated the forearm. The full skirt was a cascade of ruffles and lace sweeping into a

MRS. STEPHEN WILHELM
... She's the former Mary Jean Huseman.

cathedral-length train. She wore a single strand of pearls and completed her attire with a picture hat trimmed with organza ruffles and flowers. A large bow of organza at the back fell to form a waist-length veil. Her bouquet was a nosegay of pastel pink roses, rainbow-colored carnations and white daisies.

The feminine attendants wore formal-length gowns of dotted Swiss over cotton underlays in a rainbow of pastel pink, yellow, blue, lavender and apricot. The simple bodice and full skirts featured rows of tucks on the sleeves and skirts. Wide sashes of ribbon tied at the back. Narrow white lace trimmed the rounded neckline and elbow-length sleeves. Matching picture hats sported dotted Swiss and lace on the brim, and a wide ribbon tied in the back. Each attendant wore a single strand of pearls and carried a nosegay of daisies and carnations in colors identical to their dresses.

A reception was held in the community hall, with a dinner

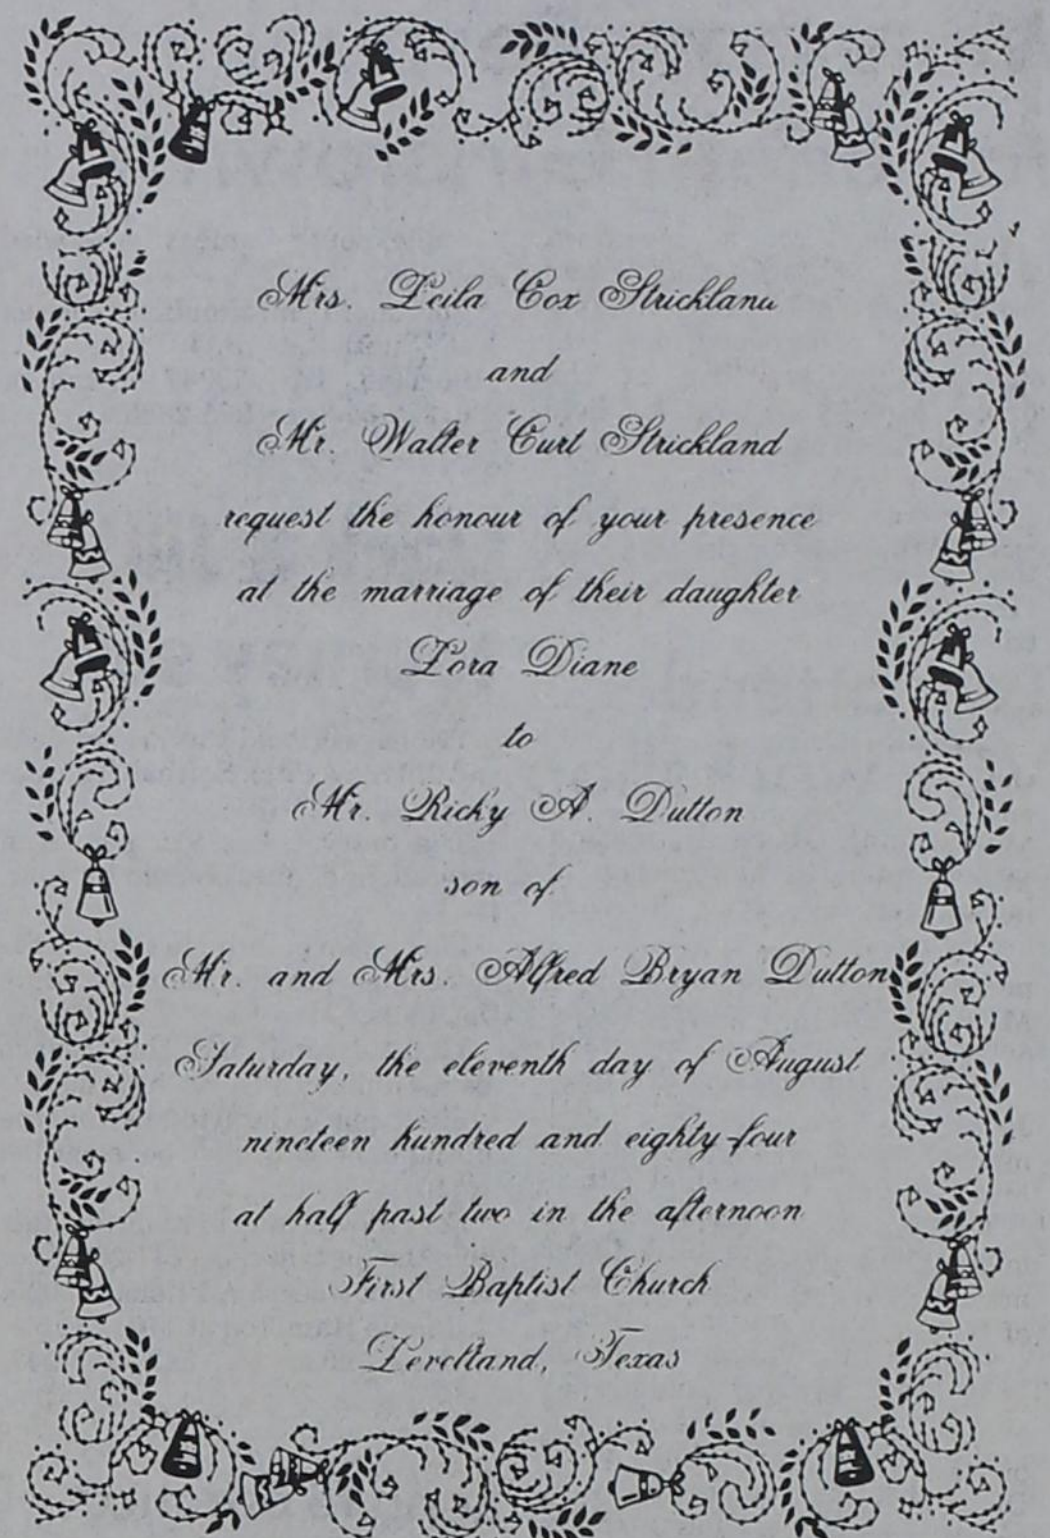

followed by a dance. Music was provided by the Rough Riders.

Tables were decorated with small baskets and crystal bowls filled with silk summer flowers. The head table held a four-tiered wedding cake garnished with daisies and roses, and topped with a golden wedding cross centered in a bouquet of silk summer blossoms.

Edith Durbin presided at the punch bowl and Sherita Hale registered the guests.

The bride is a 1983 graduate of Nazareth High School and is majoring in accounting at West Texas State University.

The groom is a 1979 graduate of Nazareth High School and is presently self-employed as a framing sub-contractor in Amarillo, where he also does custom furniture and cabinet making.

June vows unite pair

Mr. and Mrs. James Anthony Pipes are at home in Hughes Springs after being joined in marriage June 23.

The two were wed in the Church of God in New Diana.

The bride is the former Pamela Kay Patterson, daughter of Mr. and Mrs. David Patterson of Hughes Springs, formerly of Dimmitt.

The groom is the son of Mrs. Jim Heims of Ore City and Joe Pipes of Houston.

Bridesmaid was Jeanie Patterson of Hughes Springs, sister of the bride.

Best man was David Patterson Jr. of Aberdeen, Md.

The reception followed in the home of the bride's uncle, W. H. Patterson.

AT GREATEST risk of developing iron deficiency are pre-school children, women of childbearing age and pregnant women.

FFA hears Jenkins

Castro County Sheriff's Deputy Ron Jenkins of Hart was the guest speaker at the Dimmitt FFA meeting held July 31 at 7 p.m. in the Dimmitt Ag. Shop.

Jenkins has served as a peace officer for eight years, the last three in Castro County. He deals primarily with drug cases.

Jenkins spent one hour informing the FFA about different types of drugs and drug abuse. He stressed the danger and consequences a person can pay when using drugs.

Club reporter, Woody Glass, welcomed 11 greenhands to their first meeting.

Cinnamon Cox gave a report on the outcome of the State FFA convention.

Mark Standlee, president of the Dimmitt FFA, presided.

MANY major illnesses and premature deaths are linked to life-style habits.

Obituaries

Tommy Lewis

Funeral services for Tommy Lewis, 30, of Olton were held Monday in the First Baptist Church of Olton with Dr. Travis Hart, pastor, officiating.

Burial was in Olton Cemetery under the direction of Parsons-Foskey Funeral Home of Olton.

Mr. Lewis was the son of a former Sunnyside resident, Gailye Lilley Lewis. He was pronounced dead at noon Saturday at Central Plains Regional Hospital in Plainview from injuries sustained in a motorcycle accident west of Olton.

Mr. Lewis had been riding his motorcycle in a burr pit at a gin yard when he emerged from the pit and struck a utility pole, according to reports.

Born Dec. 9, 1953 at Amherst, he had lived in Olton all his life. He was engaged in farming with his father and was a member of the First Baptist Church of Olton.

He is survived by his parents, Raymond "Cotton" and Gailye Lewis of Olton; a sister, Karen Livesay of Olton; his grandfather, Raymond Lilley of Big Spring; and two nephews, Coby and Cleyton Livesay of Olton.

The family suggests memorials to the Olton First Baptist Church building fund.

Trap team to compete

Twelve 4-H Trap Shooting Team members will be competing in the State 4-H Trap Shoot at San Antonio today (Thursday) through Saturday.

Nine Castro County 4-H Trap Shooters participated in the Hereford Invitational Trap Shoot held Saturday east of Hereford.

Jerry Rickert won first high individual honors in the senior division and took second place honors along with Scott Hays as a senior two-man team.

In the junior division, Todd West was first high in individual scoring and Mark West was second high. The two combined as a team and won first in the two-man team competition.

A sub-junior team composed of Kevin Wheelless and Jay Gruhlkey won first in the two-man competition, and Wheelless was named first high individual and Gruhlkey was named second high.

Others who competed were Ty Kellar, Kerry Lewis and Royce Schulte.

Kiwanians see film

"In the past, it took up to 30 minutes of labor for the farmer to produce one bushel of corn. Today it takes two minutes to produce the same bushel," proclaimed a film on plant genetics shown at the Monday meeting of the Dimmitt Kiwanis Club.

Club member Barry Love gave a screening of the film "The Science of Genetics," produced by the Pioneer seed company.

The film showed the process of hand cross-pollination used in genetic research and explained how bacteria are studied in relation to their effect on plants.

Thirteen club members were present.

Next week's program will be brought by Leroy Maxwell. Anyone interested in joining the club is welcome to attend.

Allred to be here

State Comptroller Bob Bullock has announced that Lloyd Allred from his Lubbock Field Office will be at the Castro County Courthouse in the County Commissioner's Room on Wednesday (Aug. 15) from 10 a.m. to 12 noon. A comptroller's representative is available to assist local residents at the courthouse the third Wednesday of each month.

Bullock urges anyone with problems or questions concerning state taxes to contact Allred at the courthouse in person or call the Lubbock Field Office at (806) 795-0691. A toll-free number (1-800-252-5555) is also available to Texas taxpayers.

Two attend VOE workshop

Vocational Office Education teachers attended a workshop in Houston at the Hyatt Regency Hotel July 30-Aug. 2.

Those attending from Dimmitt were J'Lyn Ryan, Vocational Office Education teacher, and Sue Howell, Office Duplication Practices teacher.

Ryan was elected to serve on the V.O.E. & A.T. (Vocational Office Education Teachers Association of Texas) Board for the next three years. Howell has just completed a three-year term on the VOCCT (Vocational Office Careers Club of Texas) State Advisory Committee.

Recent legislation and changes in the school curriculum were discussed at this workshop, as well as teaching materials and methods available. "Teachers are Terrific" was the theme of the keynote speaker.
