Church hires music director

By TEENY BOWDEN

During the regular business meeting Wednesday night, the church called Mark Wysong, a student at Wayland, as music director and youth worker. He and his wife were there, and they had choir practice after the business meeting.

Jimmy Waggoner came in from WTSU last week as usual on Friday afternoon. He was hospitalized in Plains Memorial Hospital Saturday night until Wednesday of this week. He returned to college Wednesday evening or Thursday.

Mr. and Mrs. Cliff Brown visited with relatives in Lubbock last Friday.

comedy scheduled for Nov. 20.

Mrs. Irving King returned home from Monument, N.M., last week and last Saturday went home with Mrs. Mike King and Michael to spend a few days with her grandson Mike and family in Hereford and then went on to Amarillo to visit a few days with relatives there.

About 40 attended the Tide Fertilizer meeting at the vacant store building Tuesday morning, sponsored by Cliff Brown. Bob Laster of Littlefield was the speaker. Door prize went to Truman Stein of Earth. All who attended got \$20 certificates.

Debbie Morgan was home from Wayland last weekend.

Bill Morgan taught the Boy Scouts of Troop 614 some first aid on artificial respiration and how to stop bleeding at their weekly meeting Tuesday night in Earth. Steve Morgan is one of the members.

PAULA SUE HARRIS was the senior attendant for the Hart homecoming queen last Friday night, the highlight of the homecoming activities.

Mrs. Ray Joe Riley, with the help of Mrs. John Gilbreath, hosted their bridge club at the country club last Thursday afternoon.

Mrs. Buna Gerlach of Memphis arrived Monday to visit a few days with her niece, Mr. and Mrs. E. R. Sadler, and also the Gaye Sadler family. Her daughter, Floy and her husband brought her and visited with them for a little while. Mrs. Sadler took her to Tulsa to meet her daughter Thursday.

Floyd Ivey, Mokey Ivey and Edd Waggoner returned home Wednesday with five deer and some pheasants added to their list of game reported last week.

Mrs. Thelma McClanahan and Bill Matlock went to Alva in East Texas last Wednesday on business and returned home this Wednesday.

Those from Sunnyside attending the Brownie meeting at the Springlake community building Tuesday afternoon were Kim Haydon, Belinda Hampton, and Sue Bradley. The Junior Girl Scouts were Kay Howell and Dina Jo Hampton.

Floyd Ivey, Mokey Ivey and Edd Waggoner returned home Wednesday with five deer and some pheasants added to their list of game reported last week.

Mrs. L. B. Bowden visited for a few minutes Friday afternoon in Caron with Mr. and Mrs. Ben Louder, two of their daughters, Lucy Jo of the home and Mrs. Frank Chollar of Austin and their son, Dick Louder on leave from the Navy. The Bowdens had been to Amarillo for a medical checkup.

Rev. and Mrs. M. D. Durham of Lubbock visited Friday afternoon in the hospital with W. E. Louder and Mrs. Ezell Sadler.

MR. AND MRS. David Sadler and Melody came in Friday for the weekend. Mr. and Mrs. James Powell and children of Dimmitt and Mr. and Mrs. Larry Sadler and children of the community visited with the Ezell Sadlers Saturday and the Powells also spent Saturday night.

Mr. and Mrs. Larry Odem of Dalhart spent Friday night and Saturday night with Leslie Louder. Mrs. Odem visited with Mrs. W. E. Louder and Ramona Dones Saturday.

Mrs. Bonnie Swinney came up from Lubbock Saturday to teach several women interested in art another oil painting lesson.

Mr. and Mrs. Lowell Westmoreland and children of Littlefield visited with Mr. and Mrs. Alton Louder Sunday afternoon.

Forty-five attended Sunday School with 26 in Training Union Sunday.

TERRY BRIDGE led the Springlake-Earth Wolverines to victory over Bovina last Friday night with a score of 64-0. Terry made 29 points.

Terry Bridge will be a member of the cast of the Springlake-Earth senior play, "Rest Assured," a

Risters attend rites for niece

By MRS. JACK RISTER

Mr. and Mrs. Jack Rister attended funeral services for a niece, Mrs. Wanda Adkins, in Abilene Wednesday of last week. While there, they visited other relatives and her parents, Mr. and Mrs. S. B. Burson. Mrs. Burson was in the hospital.

MR. AND MRS. Bud McElroy, Sharon and David, and Mr. and Mrs. Jack Rister were in Hereford recently.

We were saddened last week by the death of a member of our community, Marvin Tisdale, who was killed in a two-truck crash at Tam Anne. Services were Wednesday afternoon in the Avenue Baptist Church of Hereford.

Several from the community attended the 4-H Awards Banquet in Dimmitt Saturday night.

LET'S NOT forget about the candy project for the GIs. Ladies, let's get that candy made. And if you can't make candy, donate some money so we can send the package to our servicemen. Let's consider — what if that were your son and someone didn't think of him at a time like

this. Our community surely has been wet, and a lot of milo is not out yet. We need some pretty weather now.

I know everyone missed the Bethel news last week. My phone is still out, so bear with me. If you have any news, you can mail it to me at Rt. 2, Hereford, 79045.

German measles campaign slated

The Texas Easter Seal Society is joining with the National Easter Seal Society and the US Public Health Service in a nationwide campaign to stop rubella, more commonly known as German measles.

FROM THE cyclical character of the disease, health officials expect a large increase in cases in 1970 unless large scale immunization takes place, according to Robert W. Milam, M.D., medical advisor for the Texas Easter Seal Society.

While rubella is a common disease of childhood, when adult women contract the virus, especially during the first month of pregnancy, it can become serious, causing babies to be born with abnormalities or the pregnancy can end in stillbirth or miscarriage. Some of the common defects of rubella-affected babies are cataracts, heart defects, deafness and mental retardation.

Past evidence shows that large outbreaks of rubella come every six to nine years generally in late winter and spring. The last major epidemic, in 1964, was probably the largest in 30 years. Health officials estimate that 20,000 to 30,000 infants were born with severe defects during that epidemic.

Preventing exposure of the pregnant woman is the principal objective of rubella control, Dr. Milam pointed out.

State's new minimum wage law to apply to many now exempt

The first Texas minimum wage law will go into effect the first of February.

According to James I. Mallett, Extension farm management specialist at Texas A&M University, the new law will cover those employees not covered by the federal minimum wage law, but does not supersede the federal statute.

The agriculture section of the new state law is designed to keep pace with future federal wage standards, with the provision that the state minimum wage will not be less than 20 cents below the federal level.

At the 1970 federal level of \$1.30 per hour, the Texas minimum wage for certain farm workers will be \$1.10 per hour. Non-agricultural employees will receive \$1.25 per hour until Feb. 1, 1971. At that time, the minimum wage will be increased to \$1.40 per hour.

WAGE RATES for piece work will become effective Feb. 1, 1971, and will be established by the end of 1970 by the state commissioner of agriculture. The new law provides that the piece rate will be equivalent to the hourly minimum wage for workers of average ability and diligence in harvesting.

Mallett added that the piece rate workers will be covered by the hourly wage scale until the commissioner of agriculture establishes the regulations and procedures for administering the piece rate work sometime next year. Piece rates will also apply to contract labor.

He pointed out that non-agricultural businesses, regardless of size, will be affected by the state law if they are not currently subject to the federal statute.

According to Mallett, the agriculture portion of the state law differs from the federal statute in three basic ways:

First, the state law says that

the new minimum wage will not apply to employers who did not use more than 300 man-days of labor during any calendar quarter of the preceding calendar year.

This figure of 300 man-days becomes significant when the second basic difference is considered. Under the federal law, a man-day is defined as a person working at least one hour a day. But the state law says that a man-day is any day during which an employee performs agricultural labor for at least four hours for wages.

The third difference is the exemptions for persons working with livestock. Under the new law, employees working with dairy operations and production of livestock are exempt from the law. A notable exception, however, is that workers in feedlots are not exempt. The federal law exempts workers in range production of livestock where hours are hard to calculate.

AGRICULTURAL employees living on the premises in quarters furnished by the employer must receive at least \$30 weekly in cash. The new law also says that any person whose earnings or productive capacity are impaired by age, injury or mental or physical deficiency may work at wages not less than 60 percent of the minimum wage.

In the case of this reduced pay rate, the employer must secure a medical certificate from a physician. However this provision does not apply to persons employed in agriculture as piece rate workers.

Issuing false earnings statements by employers is a misdemeanor and can draw a fine of not less than \$100 or more than \$500 or between five and 30 days in county jail, or both. Failure to pay the applicable minimum wage will make the employer liable for twice the unpaid wages plus attorneys' fees and costs of action.

MALLETT emphasized that the new state law does not interfere with the right of employees to bargain collectively for wages that are higher than the minimum established by the law.

The state law lists several exemptions that differ from the federal statute. Information on the state law can be obtained at the county agent's office or from the Texas Department of Agriculture in Austin.

Midland to host WTCC directors

The fall board of directors' meeting of the West Texas Chamber of Commerce will be held in Midland Nov. 13-14, according to an announcement by President J. Fike Godfrey of Spur. Headquarters for the meeting will be the Scharbauer Hotel.

Featured in the session will be an address by Ben Howell of El Paso, chairman of the Texas Board of Education. Howell will speak on "The Impact of Pending Schools."

Also featured at the meeting will be the presentation of five WTCC

'Follow Through' parents to meet

A meeting has been called for tonight (Thursday) for all "Follow Through" parents whose children attended Head Start classes under the pre-school migrant program.

THE MEETING will begin at 7:30 p.m. in the east cafeteria of South Elementary School.

Copies of the "Parent Take Home Program" will be distributed during the meeting, and teachers and administrators will explain to parents how to use it. The program is designed to teach parents what the child is learning in school, so they can help their children at home.

DHS to stage 'Menagerie'

The Dimmitt High School Drama Department will present Tennessee Williams' famous play, "The Glass Menagerie," as its fall production.

ROBERT FARRER, director, announced this week that the play will be presented at 8 p.m. Nov. 15 in Dimmitt High School auditorium.

Pioneer asks rate hearing postponement

At the request of Dimmitt and other cities, Pioneer Natural Gas Co. has asked the Texas Railroad Commission to postpone the hearing on Pioneer's gate rate adjustment application until Nov. 24, according to an announcement this week by K. B. Watson, senior vice-president and general counsel for the company.

THE GATE rate will apply to cities on Pioneer's West Texas System only, and will have no immediate effect on the current gas rate to consumers.

"Several communities wish to be represented at the hearing called by the Railroad Commission and felt that the hearing date of Nov. 4 would not afford them the necessary time," Watson said.

According to information received by Pioneer, a group of cities — including Dimmitt — have formed a steering committee made up of 12 representatives from the various communities. A representative of this group requested the postponement.

"**THE CITY** of Dimmitt will have a representative at the hearing," City Manager E. B. Noble said. "We aren't taking a position of opposing the increase; we're just investigating to see if the proposed rate increase is fair and justified."

Reports coming in from other cities and towns on the Pioneer West Texas Distribution System indicate that a number of the cities that have elected to participate in the hearing expressed satisfaction with Pioneer and its service, but wanted to keep their residents informed by being represented at the Railroad Commission hearing, Watson said.

Smith commends Texas Lions Camp

Gov. Preston Smith has officially proclaimed November as "Texas Lions Camp for Crippled Children Month."

LIONS League President E. J. Grindstaff of Ballinger and Executive Director Frank Robertson were in Austin to accept the proclamation.

Gov. Smith stated: "For 17 years, the Lions Camp for Crippled Children at Kerrville has provided two weeks of summer fun — without any cost whatsoever — to more than 11,000 blind, deaf, mute and crippled children of Texas.

"**IN RECENT** years, through its Rehabilitation Program for the adult blind, the camp has helped more than 700 Texans to return to the sighted world as productive citizens.

"The camp for children operates during the three summer months and the balance of the year is devoted to the adult training program.

"Lions is an international organization whose motto is, 'We Serve,' and the efforts of Texas Lions in behalf of crippled children, the deaf, the mute and the blind have contributed much to the welfare of these disadvantaged citizens of Texas.

"**ALL CITIZENS** of Texas take great pride in this worthwhile pro-

Nothing in its field can match it for luxury.

The elegant Torino Brougham is rich in looks, lavish in appointments. Compare it to other intermediates. You won't find its equal anywhere—not in appearance and certainly not in price. It has a longer wheelbase for a smoother ride. A wider track for better road holding. Hideaway Headlamps, concealed windshield wipers. 302 CID V-8 are just a few of the standard features. Take your choice of 2- or 4-door hardtops. Either one is worth a visit just to see how beautiful it is.

Hart, Lazbuddie to clash in 3-B title game Friday

When Hart's Longhorns visit Lazbuddie Friday night, it will be the "game of the year" in District 3-B.

THE TWO teams, sporting identical 6-1 season records, are both undefeated in district play.

The contenders seem so closely matched that only partisans and fools would try to pre-guess the outcome of Friday night's game. But there's little doubt that the game will determine the district championship.

The bout is rated as a toss-up. Considering Lazbuddie's heavy list of returnees from last year's district championship team, Hart was given only a dark-horse chance in the district race in pre-season pickings, with Lazbuddie listed as the odds-on favorite to repeat.

BUT Coach Doug Higgins' Longhorns have amassed such an impressive record this year that they have turned the heads of nearly all forecasters, and the stock of the Castro County team is now on a par with that of Lazbuddie.

Hart has scored 250 points while holding its opponents to 77 for an average score of 36-13. Lazbuddie, meanwhile, has rolled up 262 points while its stingy defense has allowed opponents only 45, for an average score of 37-6. Lazbuddie has logged four shut-outs, while Hart has allowed all its foes to score.

ONLY ONE team has scored more than a touchdown against Lazbuddie. That was Class A Bovina, which rang up 32 points while handing Lazbuddie its only defeat this year, 32-26. No opponent has held Lazbuddie to less than three touchdowns.

Hart's only defeat came in a 20-15 squeaker at the hands of

Class A Vega. That was the only game this year in which the Longhorns scored less than three touchdowns.

The contenders have faced two common foes — Amherst and Nazareth. Hart downed Amherst four weeks ago, 36-6, and Lazbuddie

Smith on Lockney:

'Best team we've faced'

By **DON NELSON**
Dimmitt's Bobcats and Lockney's Longhorns have one main thing in common — a lot of respect for each other.

"**WHEN WE** play Lockney, we'll be playing the best ball team we've played all year long," Bobcat Coach Brown L Smith said this week.

And from Lockney comes the word that the feeling is mutual — Longhorn Coach Jack Tayrein considers Dimmitt the toughest team he'll face all year.

The two crews will tip helmets Friday at 7:30 p.m. in Bobcat Stadium.

IT WILL be Dimmitt's last home game of the regular season, and it will be Dad's Night. The fathers of all Bobcat varsity squadsmen, wearing their sons' numbers, will be recognized on the field at 7:10 p.m.

Dimmitt and Lockney scouts have had eight chances this season to size up each other, so they're well acquainted. As a result, you'll see some custom-tailored maneuvers Friday night, right from the opening whistle.

If Dimmitt kicks off and sends a "scribble kick" to one side, or if the Bobcats boot their first punt out of bounds, it won't be due to a lack of precision — it will be to keep the ball away from one Tracy Dickson, senior Longhorn halfback who is notorious for his runbacks.

AFTER seeing Dickson streak to touchdowns on open-field returns in early games, Lockney's opponents have been avoiding him with their kickoffs and punts. Last week Abernathy forgot the lesson and booted one to him — and he raced 55 yards for a touchdown. It was his eighth runback TD of the season.

If you see Lockney "stacking" along the defensive line, it will be to stop fullback Nelson Chavers'

patented break-throughs and blast-offs. The Longhorn coaches reportedly have more respect for Chavers than for any back they've seen this year.

But at the same time, they'll be flanking their quickest defensive men to try to stop outside sweeps by halfbacks Roy Thomas and Danny Newton, for whom they also have voiced considerable respect.

BOTH TEAMS will keep their guards up in the secondary, because each knows the other has a good passing game.

Longhorn quarterback Larry Glasscock will throw mainly to end Tim Jeffress, a fourth-year varsity standout who nabbed 26 passes for more than 400 yards last year.

Although he will throw readily, Glasscock is noted mainly as a runner.

"He's a fine quarterback and an outstanding runner," Smith said. "He likes to keep the ball and bootleg a lot."

HIKING the par value of Lockney's backfield is senior halfback Robert Duckworth, one of the district's finest ball-toters. He was the main charger for Lockney last year in the offensive race which Dimmitt won, 33-22.

Joining Glasscock, Dickson and Duckworth in the Longhorn backfield will be Doug Hodel, powerful senior tri-captain who was converted from a guard post this year to fill the fullback slot.

Working from a Wing-T and pro set offense, the Longhorns will field a crew that is virtually the same size as Dimmitt's. Lockney's lineup includes eight offensive and seven defensive regulars from last year.

The Bobcats have a long-strike, race-horse crew this year instead of a ball-control team. But ball control will be especially important against Lockney Friday night, because the Longhorns sport a kicking game that's probably the best in the district. No team has bested the Longhorns in exchanges this year, and a fizzled drive will mean a lot of yards to make up the next time around.

LOCKNEY sports a 5-3 record, with losses only to Post (37-21), Floydada (24-20), and Olton (28-6). The Longhorns have beaten Crosbyton 34-6, Ralls 34-0, Idalou 34-8, Friona 39-6, and Abernathy 20-7.

Dimmitt's coaches aren't looking at those Lockney losses to Floydada and Olton. Instead, they keep staring at that 20-7 Lockney score over Abernathy last Friday night, and worrying a lot.

"We know what a good team Abernathy has," Smith said, "and they had to be up for Lockney Friday night because they were playing for survival."

THAT GAME served notice that Lockney's coaches and players—bitterly disappointed over their poor showing against Olton the week before—were determined not to have any more "cold" nights.

Dove bands show travels

Dove bands returned to the Texas Parks and Wildlife Department reveal a good bit of travel by some mourning doves.

BANDS were recovered as far away as Kansas, California and Mexico.

One of the doves killed in Mexico was four years, four months old. Department biologists say this is a relatively long time for a dove to live.

Of 28 bands reported on, seven were from Mexico, two migrated to Kansas, one migrated to California. 11 were recovered in the same county in which the doves were banded, and seven were recovered in different counties from which the doves were banded, but remained in Texas.
