JOE NELSON

Joe Nelson Is Honored for 4-H Club Work

Youth Is Among 14 in State to Receive Award

Joe Nelson, son of Mr. and Mrs. H. C. Nelson of Dimmitt, is among 14 Texas 4-H boys and girls who have been selected to receive the 1953 Santa Fe Educational Award.

Young Nelson, who has long been an outstanding Castro County 4-H Club member, will receive an all-expense educational trip to the National 4-H Club Congress in Chicago, November 29 to December 3.

Nelson was chosen for the honor on the basis of leadership and achievement in 4-H work; length of membership; participation in community, county, district and state activities; production records; and his over-all record submitted in the program.

A member of the Bobcat football team as well as an active 4-H'er, Nelson has also won recognition on a county-wide and state-wide basis, having been selected in 1952 for the 4-H Gold Star Award and in the summer of 1953 as a member of the Texas Talent Tour, sponsored by the Producer's Grain Corporation in cooperation with the Texas Extension Service.

County Agent Charlie Hudson has supervised Nelson's 4-H demonstration and activity program with assistance from the adult leaders of his club.

For more than 20 years these educational awards have been provided by the Santa Fe Railroad to Texas 4-H Club members.

Service Station To Open in Hart

A modern new Phillips 66 service station is under construction at Hart and will be open for business by November 15.

The new 30 by 64 foot concrete block structure will be owned and operated by Johnny Thompson, Hart Phillips 66 wholesale and retail dealer. The building will house a wash and grease room, mechanics shop, offices and rest rooms. Two pumps will be in operation at all times. The station will be located just south of the Hart Post Office.

Thompson came to Hart from San Angelo four years ago. He has been a Phillips 66 dealer for three and one-half years. Prior to that time he represented the Texas Company at Hico for a number of years.

Cost of the new project was not disclosed.

Hart Couple Observes Silver Anniversary

Open House will be held in the home of Mr. and Mrs. Bill Wood at Hart on Sunday afternoon, October Eighteenth from two to five to honor Mr. and Mrs. Sam A. Swopes on their twenty-fifth wedding anniversary. Friends and relatives are invited to attend.

Mr. and Mrs. Raymond Wilson and Patricia were called to Snyder Monday by the death of Mrs. Wilson's mother.

Jack Acker Accorded High Honor

Nazareth Youth is Selected Outstanding State 4-H'er

The two most outstanding 4-H club members in Texas from the standpoint of achievement for 1953 are Jack Acker of Castro county and Mrs. Pauline Hanson of Walker county. The announcement was made today by the state 4-H leaders and they will receive from the Ford Motor Company a set of miniature statues which symbolizes 4-H achievement. The awards are made available through the National 4-H Work, Chicago. Both records will be entered in sectional and national competition.

Jack is the son of Mr. and Mrs. Jacob Acker of Nazareth who have raised an outstanding family of 4-H members. Mr. Acker has served for many years as adult leader of the Nazareth 4-H Club and each of his sons have won trips to National 4-H Club Congress, Chicago. Their special-

ity has been swine production. Jack's demonstrations have included swine, beef and dairy cattle, rabbits and field crops. He has many ribbons, including 11 grandchampion banners, as evidence of his ability as a feeder and breeder. During the present drouth he has worked for other farmers to get the money to take care of his feed bills for his own crops have been very light.

He attended Club Congress last year and this year was a delegate to the State 4-H Roundup and leadership camp; is co-chairman of the district council and a member of the county council. He has served as president and secretary of his local club and takes an active part in school and community affairs in addition to such 4-H activities as safety, recreation, farm and home electric program and home beautification. His demonstrations, through the

eight years he has been a 4-H member, have steadily increased in size which is strong evidence of achievement.

His 4-H work is now being supervised by County Agent Charlie Hudson.

Mrs. Hudson is the daughter of Mr. and Mrs. Albert Sacksemmer of Glenwood City, Wisconsin and came to Texas as the wife of a young member of the merchant marine in 1952. Most of her 4-H work was done in Wisconsin but since becoming active in Walker county—it was practically from the time of arrival—she has completed a strong record.

She is a member of the Riverside 4-H Club and this year won the district public speaking contest, attended district camp where she served as a junior leader and won county medals in gardening, girls records, food preservation, frozen foods, clothing and home furnishing. In Wisconsin she won two trips to the State Fair, Danforth Camp and in 1948 was a delegate to National 4-H Club Congress, Chicago.

Soon after arrival at Huntsville she contacted County Agent Wesley Sherrill and found that no home demonstration agent was employed in the county. She enrolled for work under his supervision and one of her outstanding achievements has been assisting him in organizing five new 4-H clubs in the county. She reports that there have been disappointments and failures but that one 4-H thank you takes care of the failures. And there have been many sincere words of appreciation from the young folks with whom she has worked in Walker county.

She concludes her narrative report with these words: "This ends my story as a 4-H member and begins my career as a leader. May the Almighty God grant me the power to be humble, willing and intelligent worker and may I live up to the expectations of those who believe in me."

4-H work was the one thing she had in common with others when she arrived in Texas and through it, she soon found things which she could do to make life for others a little better.

JACK ACKER

port with these words. "This ends my story as a 4-H member and begins my career as a leader. May the Almighty God grant me the power to be humble, willing and intelligent worker and may I live up to the expectations of those who believe in me."

4-H work was the one thing she had in common with others when she arrived in Texas and through it, she soon found things which she could do to make life for others a little better.

Dimmitt Legion Is Recognized

The Dimmitt American Legion Post was cited at a zone meeting in Hereford Tuesday night for the distinction of being the only legion post in the 18th district that has reached its membership quota for 1954. The local legion was singled out by Ray Smith, Amarillo Legion officer who gave a brief talk on membership at the meeting.

Also on the Tuesday night program, which was held in the Hereford Legion clubhouse, were a group of local entertainers including Carolyn Rothwell, Fawcett Murphy, Raneal Ivey, James "Rosie" Bates and the "singing queens," composed of Charlotte McLeroy, Ann Gollehon, Omata Bradley, Hazel Rodgers, Joy Walker, Pat Board, Una Kirby and Jonalyn Aldredge. Young Murphy and Miss Ivey each sang two numbers accompanied by Miss Rothwell as the piano.

Miss Cooper also sang a number to the accompaniment of Miss Rothwell. Bates, local school dramatics and speech instructor, rendered a tap dance number and the "singing queens" concluded the program with a variety act and three vocal numbers. The program of entertainment was under the direction of Bates.

Also on the program were two Vega youths who gave a report of their experiences while in Austin as Boy's State representatives.

Pie and coffee were served all in attendance. Representing the local legion and auxiliary at the meeting were Commander and Mrs. Bill Houghtaling, Mr. and Mrs. Jack Flynt, Mrs. Gene Rutledge and John H. Wood.

Lubbock Negro Is Arrested on Liquor Charge

James O. Wills, 40-year-old Lubbock negro, was taken into custody Friday morning by Castro County Sheriff Houston Fowlkes after 73 jugs of wine, whiskey, gin and beer were allegedly found in his possession near the farm-to-market road between Hart and Nazareth. The defendant, charged with possessing intoxicating beverages, posted bail of \$750 shortly after he was jailed here and was released.

Sheriff Fowlkes said he was patrolling in the Hart-Nazareth area when he saw an old car in bad need of repairs parked just off the road. An investigation led to the discovery of the liquor which was found close by on the northeast corner of the Louis Stelert farm. Will's wife was in the car waiting for her husband to bring some new tires when Fowlkes made the investigation.

The sheriff arrested Wills when he returned and confiscated the liquor.

As to the amount of beverage in pints or half pints, Sheriff Fowlkes said, "I'm not sure, but the best I can figure out it was ten bushels of whiskey. The liquor will be turned over to the state liquor control board."

Bureau Committee Moves to Bolster Cattle Market

The Castro County Farm Bureau resolutions committee, meeting at the bureau office in Dimmitt Thursday night, went on record as being in favor of the U. S. Department of Agriculture placing buyers or all major markets to purchase cattle at 100 percent of parity based on packer grading under government supervision.

The committee also passed a resolution which in effect stated that they (committee) are not in favor of controlling cattle production until imports of beef into the United States have stopped.

In other resolutions the committee approved the recommendation that the U. S. Department of Agriculture and Secretary of State be urged to dispose of purchased surpluses to the foreign aid programs now in effect and that surpluses be traded for foreign products not traded or manufactured in the United States.

The committee hoping to put teeth into some of the bureau's policies, and help effect a solution to some of the problems now facing farmers, met to exchange ideas and make recommendations. The recommendations or resolutions passed will be put before the county farm bureau convention when it convenes here late this month. If they are endorsed at the county convention they will then be subject to state and national bureau conventions before being put before the secretary of agriculture.

Rites Set for Mother of Dimmitt Resident

Mrs. Stella Williams of Keys, Oklahoma, and mother of Mrs. P. P. Robb of Dimmitt, passed away Wednesday at 12:45 p. m. in the home of a daughter. Funeral services will be held from the Methodist Church in Keys, Friday at 2:30 p. m. Interment will be in the cemetery there.

Big Tent Show Coming to Dimmitt

The "Big Top" is coming to town—and for three successive nights, too!

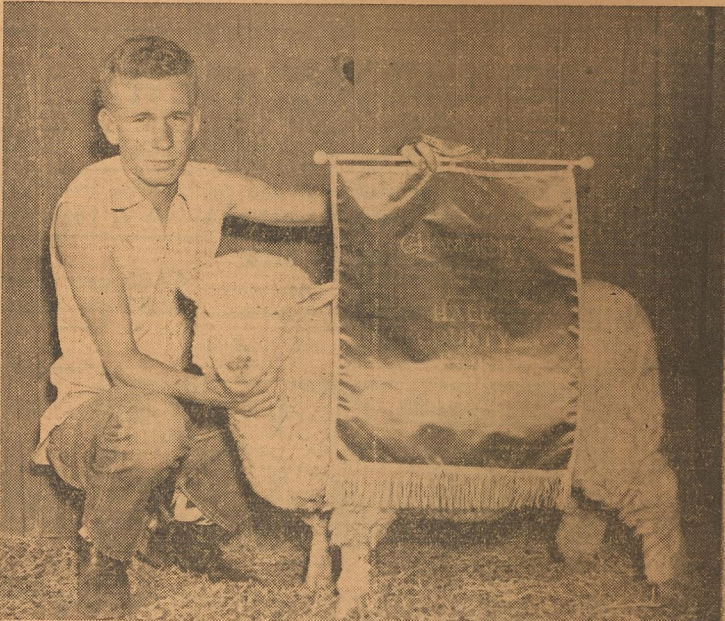

Youngsters and adults will thrill to some of the best vaudeville and specialty acts ever staged in

Dr. R. E. Cogswell Leaves for Clinic

Dr. R. E. Cogswell, veteran Dimmitt physician, returned to the Mayo Clinic in Rochester, Minnesota this week where he had been undergoing some advanced medical study when he was recalled to his practice here.

The doctor and his wife first went to the clinic in April. However, he was unable to finish his medical course then because Dr. Jerry Culwell resigned his position here leaving Dimmitt and Castro county without the services of a physician. Dr. and Mrs. Cogswell returned here in June and he resumed his duties until the services of another doctor could be obtained.

The coming of Dr. F. B. Faust and the re-opening of South Plains Hospital here recently has made it possible for Dr. and Mrs. Cogswell to return to Rochester. The date they will arrive back here was not disclosed.

Dimmitt Court Expansion Program To Be Completed Within 30 Days

The expansion program currently underway at Dimmitt Courts will boost tourist accommodations considerably, according to R. L. Haydon, owner of the courts.

Six new units are under construction now and if necessary more will be built, the owner told the News this week. Five of the units will house one bedroom and bath while the sixth, an end wing, will house a kitchen, bedroom and bath. The latter will serve as an apartment. The addition, when finished, will bring the total number of serviceable units in the court to 16, making the court one of the largest in the area.

Total cost of the addition will be \$12,000. The project is slated to be completed within four weeks. Wood construction is being used in all new units.

Managing the court are Mr. and Mrs. Howard Bridges of Sunnyside. They occupy two units which are used as an office and living quarters. Actually the courts consist of 18 units, including the part the Bridges occupy.

The expansion of Dimmitt Courts is only a small part of the over-all expansion program now going on in Dimmitt as the city continues to grow more rapidly than any other town of comparable size in the Panhandle.

A few projects slated for completion within the next month are the Pontiac place, funeral home, Cobb's Department Store and two new service stations. Under construction are two office buildings and the new Church of Christ building.

Crash Victim in Good Condition

Mrs. J. R. Gollehon of near Dimmitt, who was injured Monday of last week in a train-truck smashup just south of here near the city limits, was reported in good condition this week by hospital attendants. The victim has been removed from a clinic in Plainview to the hospital here.

Mrs. Gollehon suffered a broken right leg above the knee and will be confined to the hospital for about six weeks. Her leg has been placed in a cast. Physicians said they were unable to determine as yet whether the leg would heal satisfactory so as to enable the victim to walk on it again. Mr. Gollehon suffered a laceration of the lip and a fractured rib but was released from the hospital after receiving treatment.

The long-time Castro county residents were injured when their pickup stalled on a grade crossing south of Dimmitt. A diesel freight engine struck the vehicle from the side, completely turning it around. The victims reportedly were unable to abandon the truck before it was struck.

Sunnyside Youths Enter State Fair

Two Sunnyside Community youths will represent Castro county at the State Fair of Texas, which started last week-end.

John Bridges, an active 4-H Club member, will show two Southdown lambs and one commercial beef calf at the fair. Kenneth Don Howard, also an outstanding 4-H'er, will exhibit a fine wool lamb. Both youths had lambs on show at the recent Castro County Fair. Bridges showed the grand champion lamb at the county fair while Howard was runner-up with the reserve champion calf.

These are the only county entries registered for the Dallas fair to date, according to County Agent Charlie Hudson.

TO APPEAR HERE—Stephen A. Haboush, a former Galilean shepherd boy and now prominent Holy Land lecturer, examines his shepherd's rod. Each spile in the rod represents a dead jackal, hyena or wolf. The much-scarred rod more than once has meant the difference between life and death for him and his flocks on the lonely shores of the Sea of Galilee. The famed lecturer will present his Bible land travelogue on the Holy Land here with his wife at the local high school auditorium Tuesday at 7:30 p. m. A matinee will also be held in the auditorium beginning at 1:30 p. m. The program is under the auspices of the school and Lions Club.

Rev. Van Zandt Emphasizes Spiritual Growth at Tuesday Lion Club Meet

Addressing the Tuesday luncheon meeting of the Dimmitt Lions Club, Rev. Raymond Van Zandt, pastor of the local Methodist church emphasized spiritual growth, pointing out that the really great men are those who do things for God and their fellow man.

Quoting General Omar Bradley, the pastor said, "We have too many scientists but too few men of God. We've fattened the atom but have left out the sermon on the mount." He added that we are inclined to take life for granted and forget the fundamentals of living.

He continued, "We find people today who have not matured or grown. They may have matured in body but not in thought. We have people who are walking skeletons. They are dead but don't know it. They have died inch by inch and let the good things in life get away from them."

Rev. Van Zandt cited the lewd literature that the youth of today are buying and feeding upon. He said, "You can't grow on this—it must be banned from their lives. Anything that our boys and girls read that leaves in them the desire to do something great is the kind of literature they should feed upon." He pointed out that music that stirs our souls can help us to grow, too.

"Then we finally grow by proper exercise," the pastor remarked. He clarified this by saying that exercise of mind, heart and service helps us to grow.

Rev. Van Zandt asked Lion members if the statement of Gen.

Bradley shouldn't challenge us. He concluded, "Let's ask ourselves the question, How big am I? Have I been growing? Have I reached maturity? Have I grown enough to stand above the ugly and selfish things of life?"

In connection with the slated appearance of Stephen Haboush, noted Galilean lecturer, the Methodist preacher said, "He conducted the Sunday night service at the Methodist church. I believe he is a marvelous man of ability and I think he's well worthwhile hearing. Haboush will hold matinee and night lectures here in the high school auditorium on Tuesday."

Coach Leo Fields, called to comment on the football situation, exclaimed, "I'm a little disappointed in the boys showing against Olton. I thought it would have been a closer game. There was not enough teamwork and the boys did not play near as aggressive as they have." Fields indicated that the Olton game helped the lads. They have the right attitude and want to win, he added. Of the Kress team Fields said, "They employ the single 'T'—are well balanced but not too strong."

Hart Legion Post Has "Open House"

Members of the Hart American Legion Post will observe "open house" Friday at 7:30 p. m. in order to give the public an opportunity to see and inspect their new headquarters.

The 20 by 100 foot wood frame building was completed recently through the resourceful efforts of members and citizens of the community. Members volunteered their money and services while many citizens donated generously in order that the project could be realized.

Converted from an Army barracks to a modern new legion building, this structure was remodeled and refloored. It houses an auditorium, nursery and rest rooms. The building, located just southwest of the Hart School, will also be used as a community house.

Hospital News

Patients in hospital: Mrs. H. C. Chapman, Jim L. Wilkinson, Mrs. J. W. Skipworth, T. H. Patterson, W. A. Knight, Mrs. J. R. Gollehon, Mrs. Claude Heath, Mrs. F. J. Wilhelm, William Mattheson, Mrs. Cisco Cathey, Mrs. E. J. Wilhelm, Morales Loyas Useno, Ben Reys, Jr., Mrs. Enrique Guerra, Isabelle Martinez. Patients dismissed since last report: Raymond Braddock, R. L. Clark, Mrs. Amy Timmons, C. H. Smith, David Behrends, Mrs. J. C. Newton, Robert Singer, Jr., Joe Thompson, Teddie James Smithson, Antonio Vega.

A number of Dimmitt residents attended the golden wedding tea in Hereford for Mr. and Mrs. Frank Pinkert, Sunday. Their children acted as hosts for the occasion. Many lovely gifts were given the couple.

Mother of Dimmitt Resident Is Dead

Funeral services for Mrs. J. J. Carrell, 80-year-old Snyder resident and mother of Mrs. Raymond Wilson of Dimmitt, were held Wednesday at 2:30 p. m. at the Union Community church near Snyder. The Rev. Leroy Baker assisted by Dr. W. M. Clark and Rev. Burt Mason were in charge of services. Burial was in the cemetery at Snyder.

Mrs. Carrell was an active member of the Methodist church and took part in home demonstration work. Her husband predeceased her in death in 1944. She lived in Texas most of her life.

Besides her daughter here, Mrs. Carrell leaves three sons and three daughters; also 19 grandchildren and three great grandchildren.

Sam Gilbreath, Dimmitt resident, was an active pallbearer at the funeral.

Richard Wood, Delores Battles Reign as King and Queen of Football

Dimmitt High School's king and queen of football were crowned during halftime ceremonies of the Olton-Dimmitt game Friday night.

Richard Wood, son of Mr. and Mrs. Ted Wood, reigned as "king" of football. He is a junior and is active in playwork, football, basketball and agriculture.

The king's court consisted of Gale Sadler, Chad Moore, Maxie Warren and Don Johnston. All but Moore are seniors. The king and his court were elected by the High School Pep Club.

Delores Battles, daughter of Mr. and Mrs. Roy Battles, was crowned "queen" of football. She is a sophomore, second year cheerleader and is active in dramatics and FHA work.

The blonde blue-eyed beauty was selected by the Dimmitt football team. Attendants to the queen were Wendolyn Smith, a junior; Carolyn Rothwell, senior; Belva Warren, sophomore; and Mary Coke, freshman.

The queen rode on a float and stood in front of a large white football laced with purple and satin ribbon. On each end of the float were miniature goal posts decorated with school colors. The band played "Let Me Call You Sweetheart" and the Dimmitt "Glamorettes," under the direction of Master Harold Golden performed for the king and queen and their court. Little Miss Gwen Bothe concluded the entertainment with spectacular acrobatics.

We are glad to hear Mr. and Mrs. Gollehon were able to come back to Dimmitt here. Gollehon is in the hospital here.

Castro Reception Center Changed

Army inductees from New Mexico, Arizona, and Western and Central Texas will now report from their local induction centers to a new Reception Center at Fort Bliss, near El Paso, Texas.

The Bliss Reception Center has been created as the result of a new Department of the Army policy to process Army inductees directly to Training Divisions or Training Centers where they will be trained. The new plan is scheduled to be in full operation by October 1. It is expected to save time and money by cutting the period of induction processing to 72 hours and by eliminating much transportation cost.

Heretofore, new soldiers from the areas named were received at Fort Sam Houston, Texas, or Fort Sill, Oklahoma, and then assigned to various posts for training.

COMING EVENTS

Cat Record Stands At Four Wins and One Loss

Fumbles Prove Costly As Dimmitt Loses To Strong Olton Team, 48-6

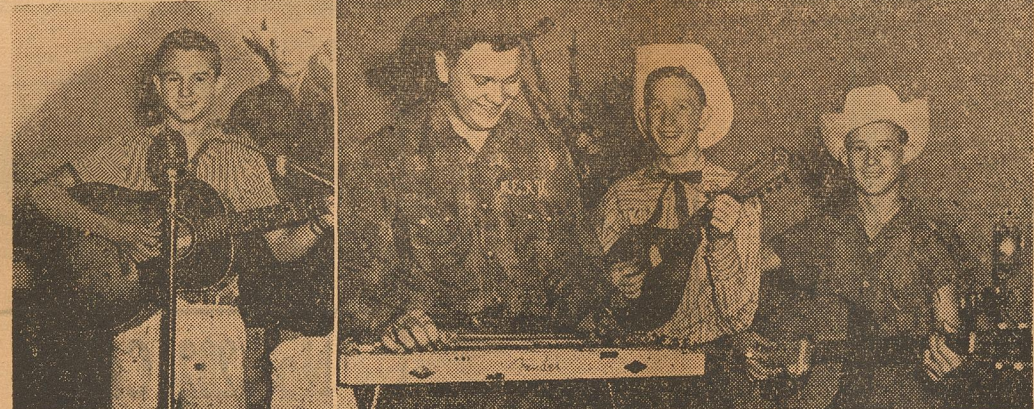

The Dimmitt Bobcats went down in humiliating defeat Friday night before the mighty Olton Mustangs as their victory skin was snapped at four straight. The final score, a shocking upset as the Mustangs were only slightly favored to win, was 48-6.

The Cats put on a brilliant show in the first half as they stopped the Olton club on their own four yard line and then held them at bay by the narrow margin of 14-6 at halftime. The Cat defense completely fell apart in the second half, however, and the jittery Dimmitt lads developed a nasty case of fumbleitis to contribute to the Olton cause. The Cat's timing, blocking and kicking was off in the third and fourth periods as they wilted before the Mustang onslaught.

The scoring went like this, Back Archie Souter went through center for one yard and a score after the game had been underway for three minutes. Souter

kicked the conversion and the score read Olton 7 and Dimmitt 0. Capitalizing on a wobbly kick off the toe of Souter the Cats moved the ball to the five with the help of a pass interference ruling. On a two yard buck through center Fullback Bobby Brock scored the lone Bobcat tally midway of the second period but the try for extra point failed and the score read Olton 7, Dimmitt 6. With the aid of a 35 yard pass and a 15 yard penalty against Dimmitt the Mustangs scored their second touchdown of the evening with Allcorn going over at the one yard line just before the half ended.

In the second half the fired up hoes took possession of the game as the Dimmitt defense fell apart. A screen pass enabled the Mustangs to move to the Cat 28 and on the next play Allcorn went wide around left end for 28 yards and a marker to make the score 21-6. Olton made its

TO PLAY FOR EISENHOWER—The Texas Future Farmer String Band who will play before President Eisenhower at the National Future Farmers Convention in Kansas City, October 15. Reading from left to right are: Sonny Curtis, Meadow; Marvin Dawson, David Kirby, and Boyd Moore, all of Jacksonville.

fourth touchdown of the game when Back Guy Granberry flipped a nine yard pass to Allcorn in the end zone. Souter kicked the extra point for both the third and fourth Mustang touchdowns and the score read 28-6 at this point. Allcorn returned a Dimmitt punt late in the third period and ran 55 yards for the fifth Mustang score. The try for extra point failed, though, and the scoreboard registered 34-6. In the

final period Back Bobby Bryant scored twice on runs of nine and 21 yards. Souter booted both of the last two conversions and the final score was Olton 49, Dimmitt 6.

Guard DeWayne Brown broke up what might have been another Olton score when he fell on a Mustang fumble on his own 15 yard line just seconds before the game ended.

Possibly the standout performer for Dimmitt was Fullback Bobby Brock while Archie Souter, R. V. Allcorn and Bobby Bryant looked good for Olton.

Both teams suffered a number of injuries in the hard fought game, but fortunately the Cats will take a breather this Friday when they battle the winless Kress Kangaroos, their first conference foe of the season. The Dimmitt squad will go into their first district game with a lot of costly experience tucked under their belts and should win handily.

law gives the State Department of Health authority to inspect all homes for health, safety and humane treatment of all residents. Failure to comply means loss of license, without which the home must close its doors.

Attendance at the October 19 meeting will acquaint home operators with what is expected of them, Dr. Cox said.

Mrs. Boren Attends Dallas Polio Meet

Mrs. R. B. Boren, Castro county volunteer March of Dimes worker, will be among more than 400 March of Dimes volunteer leaders from all over Texas to attend special planning meeting for the 1954 campaign in Dallas at the Baker Hotel, Friday.

In addition to the Texas delegation, a group of officials from the National Foundation of Infantile Paralysis in New York City will also be present. Purpose of the meeting at Dallas and a similar

Nursing Operators Meet To Discuss Care of Old Folks

Nursing home operators from all over Texas will convene in Austin October 19 for a two-day discussion on how they can give the best care to the old folks whom fate has placed in their hands.

The meeting, to be held in the auditorium of the State Department of Health, will open at 10 a. m. on Monday, October 19 and last through the following day.

State Health Officer Geo. W. Cox, long-time champion of Texas oldsters, promised that operators who attend will hear an outstanding panel of speakers cover the various problems associated with running a nursing home.

Specifically urged to attend are home operators who have been granted a temporary license under terms of the nursing home licensing law passed by the last legislature.

Subjects to be discussed during the 2-day meeting include an interpretation of the licensing law; medical and nursing services in nursing homes; sanitation and building standards; the problems of nutrition among the aged; and general standards, rules and regulations of acceptable operation.

Dr. Cox calls the problem of handling aged citizens "one of the most pressing facing our leaders today."

"These people belong to a generation which time is showing harshly aside," the health official said. "They deserve something better than to be forgotten."

The State Legislature apparently agrees with that sentiment. During its last session, a mandatory licensing law was enacted for all nursing and convalescent homes.

Designed to raise the standard of care given home residents, the

meeting that was to be held in San Antonio, Wednesday, is to outline and review present and past problems in the polio field and to explain plans for 1954.

In 1954 the March of Dimes Campaign will try to raise \$7,-

500,000 to test a vaccine which officials believe can prevent polio. In addition the campaign will include a drive for \$19,000,000 for the continuation of Gamma Globulin injections of the nation's children.

Sunday evening callers in the George Burch home were Mr. and Mrs. C. E. Williams of Hereford, Mr. and Mrs. W. T. Gollehon, Mr. and Mrs. John Turner, Mr. and Mrs. Bobby Myers and baby, all of Dimmitt.

Farmers, Don't Let the Ginner Burn Up Your Dollars

Cotton Burrs, when composted with bacteria, are one of your most valuable sources of fertilizer. When your cotton Burrs are burned, it costs you money. Your Ginner can Compost your Cotton Burrs with Bacteria and have them put back on your land at the end of the ginning season without any effort on your part. A minimum service cost is all you pay. Your ginner can get full information on composting your cotton burrs with Bacteria from the

When you want to GO
You want DYNAFLOW*
(We mean T.T. Dynaflo!)

THE GREATEST
BUICK
IN 50 GREAT YEARS

No doubt about it—as thousands of prideful owners will tell you.

When you press the pedal of a 1953 Buick with Dynaflo, you move.

You move with instantly responsive getaway, with great quiet, with truly infinite smoothness. You move in this special and spirited and soul-satisfying manner because you're bossing Twin-Turbine Dynaflo—where two turbines, instead of one, now turn out the magic.

We can put pictures before you to show how TT Dynaflo delivers its sensational performance and flowing-oil smoothness. And we will, if you ask.

But surely you ought to take the wheel of a 1953 Buick with this big-thrill wonder drive and let your own sensations tell you how wonderful it is. You ought to try it for getaway, for cruising, for

suave deceleration—for the sheer and restful comfort it gives you every step of the way.

And, very definitely, you ought to try it for the power that goes with it...

For the highest horsepowers and compression ratios, Series for Series, ever placed in a Buick—including the power of the world's newest V8 engine in every SUPER and ROADMASTER.

Why not come in and try out this terrific performance team of Buick power and TT Dynaflo?

We're ready, willing and eager to show you what you've been missing—and how easy it is, piecewise, to have it. Can you drop in on us for a no-obligation sampling—this week?

MILTON BERLE stars for BUICK
—in the BUICK-BERLE SHOW on TV
Tuesday evenings. Also, every Saturday, tune in The TV Football Game of the Week—a "GM" Key Event

Dodge Offers New Royal V-8 for 1954

Highlight of the 1954 Dodge line is the new super deluxe series known as the Royal V-8. A completely new interior styling is keyed to harmonize with 11 different body colors and 14 two-tone combinations. The Royal V-8 series is keynoted by Jacquard upholstery fabric, previously used only for rich tapestries and expensive furniture. On the exterior, a new spear-like chrome moulding accents the low, sweeping lines and lends a smooth, modern look. There

also is a new grille design and treatment of headlights, taillights and wheel covers. The 1954 Dodge line also introduces such engineering advancements as PowerFlite, a new fully-automatic transmission; the economy-and-endurance tested Red Ram V-8 engine stepped up to 150 h.p. and 7.5 to 1 compression ratio; and a new type full-time power steering unit. The Coronet Six and Meadowbrook Six have been stepped up to 110 h.p. and 7.25 to 1 compression ratio,

BETHEL NEWS

Glenn Lust from Tech spent Friday night at home with his parents, Mr. and Mrs. Vern Lust. Mr. and Mrs. J. C. Williams were among the Sunday dinner guests of Mr. and Mrs. R. M. Warren. Those present were Mr. and Mrs. Loyce Warren and Lynice, Mr. and Mrs. Leldor Rawls and children of Levelland, Mr. and Mrs. Gaylon Gill and son of Hale Center, Mr. and Mrs. Emmitt Sheek and boys and Mr. and Mrs. Charles Howell and children of Friona and Odell Warren who is returning to Brazil later this month.

Mr. and Mrs. Leland Smith and Wesley and Mr. and Mrs. Ivor Bagwell and Nelda visited Zella Vee Smith at the Plainview Clinic Sunday afternoon. Zella Vee is much improved this week from last as she was pretty sick for

low, sweeping lines. Combined with a four-inch increase in the overall length of four-door and club coupe models, and a five-inch increase in the sport coupe and convertible, the new exterior trim lends a smooth, modern look to the entire line.

In restyling the interiors of the entire line, Franklin Latimer revealed that Dodge had contracted for all available mill capacity on a new type of upholstery fabric known as Jacquard.

"Although new to the automotive industry," he said, "Jacquard is a class of exclusive fabrics previously used only for rich tapestries and expensive furniture. Jacquard has been chosen for the 1954 Dodge because it is adaptable to unusual and elaborate patterns that contribute an entirely new feeling to our interiors."

and children of Hereford were Sunday afternoon visitors of their parents, Mr. and Mrs. J. C. Williams.

Mrs. Harry Rothwell and Mrs. Bobby Warren, visited Mrs. Henry Timmons in the Plains Memorial Hospital Sunday morning.

Mrs. Houston Lust and son, Joe, visited her sister in the Canyon hospital Friday and accompanied her to the home of her mother, Mrs. Joe Fink at Tulla.

Mrs. Roy Haberer was called to the bedside of her uncle who is seriously ill at Muleshoe Monday afternoon.

Mr. and Mrs. Earl Lust, Mr. and Mrs. Vern Lust and Mr. and Mrs. Kay Roberts were among the many who attended the Golden Anniversary of Mr. and Mrs. Traylor in the home of their daughter, Mr. and Mrs. Allen Webb, Sunday afternoon.

Bethel W. S. C. S. met in the home of Mrs. Earl Lust Monday afternoon. We are having some very interesting lessons at present.

As the refreshments were served everyone stood and sang Happy Birthday to Mrs. W. C. Copeland. We were so happy to have Mrs. Copeland to meet with us. Others present were Mesdames Kay Roberts, J. C. Williams, Vern Lust, Ira Brown, Harry Rothwell, Roy Haberer, Wes Anthony, John Coke, and the hostess. We will meet Monday, Oct. 26 with Mrs. Vern Lust in Dimmitt.

Milton Bagwell from Canyon visited his parents, Mr. and Mrs. Ivor Bagwell, during the weekend.

Mrs. Jim Givan and Mary Elizabeth were recent visitors of Mrs. Harry Rothwell and Mrs. Bobby Warren and Gary Keith.

Mrs. Harry Rothwell and Mrs. Leona Rothwell were in Plainview Tuesday and visited Mrs. A. W.

several days with a cold. Mr. and Mrs. Glenn Williams Bates.

Bobby Ray Bagwell is here on leave from his army base near Santa Barbara, Calif., to visit his grandparents, Mr. and Mrs. J. A. Bagwell and other relatives. His mother, Mrs. John McDaniel of Ray, N. M., also visited in the Bagwell home while Bobby Ray was here and visited her sister, Mrs. Velma Holland.

J. A. Bagwell from Amisted, N. M. is here for a few days helping in the grain harvest. At present he is with Billy Brooks Sinclair.

There has been a number in the community on the sick list for the past several days with terrible colds and different kinds of flu.

Elzada Faye Smith is home from Amarillo for a few days recovering from a cold.

Mrs. George Bagwell and Mrs. Kay Roberts were Plainview business visitors Tuesday.

Nazareth Dairyman Tests Three Cows

Three registered Brown Swiss Cows owned by Vincent Braddock of Nazareth recently completed lactation records on herd test and 2x milking, according to Fred S. Idtse, secretary of the Brown Swiss Cattle Breeders' Association, Beloit, Wisconsin.

They follow:
Savage's Marydale Queen BB 174312 age, 5-0; days, 305; pounds milk, 13659.3; percent, 4.03; pounds fat, 549.83.
Kenwood Betty 176299 age, 6-1; days, 305; pounds milk, 10139.5; percent, 4-5; pounds fat, 420.87.
Baby Brownie 185175 age, 4-4; days, 305; pounds milk, 11569.1; percent 3.78; pounds fat, 437.02.

Local Dodge Dealer Announces New Luxury Model For 1954

A new super deluxe series known as the Royal V-8 highlights the lineup of 1954 Dodge passenger cars now being displayed in the showroom of Latimer Motors. Franklin Latimer, owner of Latimer Motors, said the 1954 Dodge also introduces completely new interior styling, more than a dozen body beautifications and several major engineering advancements in its entire line consisting of 20 different models.

Latimer said the 20 different models are in three series—the new Royal V-8, the Coronet V-8 and Six and Meadowbrook V-8 and Six. They are being offered in 11 new body colors and 14 two-tone combinations that are keyed to harmonize with the completely new interior styling.

He announced that the 1954 Dodge line also offers such mechanical advancements as the economy and endurance tested Red Ram V-8 engine stepped up to 150 h. p. and a 7.5 to 1 compression ratio; PowerFlite, a new fully automatic transmission; and a new full-time power steering unit. Meadowbrook V-8 models will continue at 140 h. p. The horsepower of the six-cylinder engines has been raised to 110 and the compression ratio to 7.25 to 1.

Although the new Royal V-8 features super deluxe appointments and fittings, the entire 1954 Dodge line is marked by many new styling changes.

On the exterior, a new spear-like chrome moulding accents the

The Greatest Gasoline Development in 31 Years

New Conoco Super Gasoline

with TCP*

Start the "TWO-TANK TEST" today!

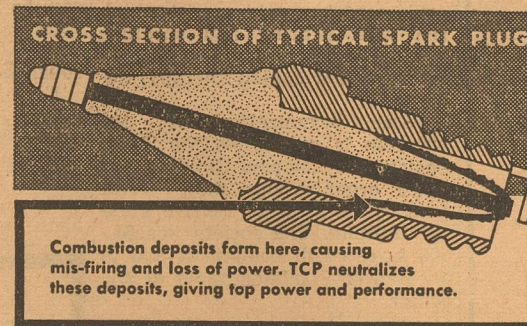

Conoco Super Gasoline with TCP has been rightfully called the greatest advance in motor fuels since the introduction of tetraethyl lead in 1922. For here, at last, is a gasoline so dramatically different that the average motorist can feel the improvement in his car after just two tankfuls. Yes, after your second tankful, chances are you will know why we say Conoco Super with TCP will:

- Boost power as much as 15%!
- Increase spark-plug life up to 150%!
- Give you extra gas mileage!

For Conoco Super is a new kind of gasoline—a gasoline especially developed to correct the greatest single cause of power loss affecting most of the cars on the road today.

Combustion deposits drastically reduce power

When you drive your car, deposits constantly build up on spark plugs and in the combustion chambers. These deposits can "cheat" you of power two ways. First, they short-circuit spark plugs—causing them to mis-fire. Second, deposits in the combustion chambers cause fuel to ignite before it should. This is called pre-ignition or "wild ping." The combined

Combustion deposits form here, causing mis-firing and loss of power. TCP neutralizes these deposits, giving top power and performance.

effect of mis-firing and pre-ignition is loss of power, lack of "pop" and wasted gas.

How Conoco Super with TCP works

TCP is a special chemical additive which is added to Conoco Super Gasoline. It was specifically developed to overcome the loss of power and fuel caused by combustion deposits. TCP neutralizes harmful deposits on spark plugs—your plugs spark as they should. It prevents deposits in the combustion chambers from causing pre-ignition—"wild ping" is controlled. Thus, every time you fill up with new Conoco Super, it's like getting your spark plugs cleaned and your engine tuned-up.

TCP helps your car, whether new or old

If you are driving a new car, with a high-compression engine, you need Conoco Super Gasoline to keep your car delivering all the power that was built into it. If you drive an older car, with tens of thousands of miles on the speedometer, Conoco Super can restore much of the "new car" performance and power you've been missing.

Start your "TWO-TANK TEST" today

When your gasoline tank is one-quarter full or less, fill it with Conoco Super with TCP. Now, there will still be some ordinary gasoline mixed in with your Conoco Super. So make sure your next tankful is Conoco Super, too. So rapidly does Conoco Super work, that with this second tankful, chances are you'll feel as if your engine has had a tune-up. You'll feel a boost in power. Try it today. We're sure you'll stay with Conoco Super.

Mrs. Richard E. Jackson OF 2510 37th, LUBBOCK, TEXAS, LIKES

ELECTRIC COOKING!

Mrs. Jackson finds electric top-of-range cooking cool and clean. All the heat goes into the food to be cooked—none spills over to heat up the kitchen.

She likes the even baking and economy of electric oven-baked cookies and other pastries, pies and meats. Meat shrinkage is at minimum with electric baking.

Too, she likes the easy method of preparing timely meals. Before going out, Mrs. Jackson sets oven controls—meals cook electrically while she's gone.

She says -

"Some of the outstanding features I like about electric cooking are the cleanliness and the coolness of my kitchen, the easy method of preparing timely meals, the even baking and economy. For my family of four, it costs only a few cents a day to prepare the meals."

MR. AND MRS. JOHN BUNYAN TRAYLOR

Mr. and Mrs. John Traylor Observe Golden Wedding Anniversary Sunday

Mr. and Mrs. Allan Webb entertained Sunday from 4 until 7 p. m. in honor of Mrs. Webb's parents, Mr. and Mrs. John Bunyan Traylor, who were celebrating their golden wedding anniversary.

Mrs. George Webb, Mrs. L. G. Manning and Mrs. E. C. Caudle presided at the tea table, which was centered with the traditional white wedding cake decorated with gold roses.

Coffee, punch, sandwiches and wedding cake were served to the many friends and relatives of the couple who called to offer best wishes.

The silver service used was a wedding gift to Mr. and Mrs. Traylor in 1903. The house was

decorated in white and gold flowers and several wedding gifts from 1903 were among the decorations used.

Those attending the anniversary observance showered the couple with beautiful gifts of china, crystal, linens, pottery and flowers. Mrs. Traylor wore a corsage of pale pink carnations, the same that she wore when she and Mr. Traylor were married in Rockwall, Texas, in 1903.

The couple moved here three years ago from Dallas.

Among those attending the celebration were Mr. and Mrs. Virginal Traylor, brother of sister-in-law to the honoree, Mr. Traylor.

13 Warranty Deeds Filed in County Clerk's Office During Past 2 Weeks

A total of 13 warranty deeds were among legal instruments filed in the office of Castro County Clerk Mrs. Neva Hastings during the last two weeks. They follow:

Vera Jacob to Wilbur Wilson, lot 11 in block 141, of the original town of Hart, Castro county, Texas.

Jack Summers et ux, to Frank Bailey Grain Company, two and one-half acres of land out of the southeast corner of the south one-half of section 46, block K-13, Castro county, Texas.

E. L. Calhoun et ux, to T. E. Harrison, et al, all of lot number two in block 85 of the original town of Dimmitt, Castro county.

Elmer Noble, et ux to George Bradford, et al, all of that portion of the northwest one-quarter of survey number three in block M that lies north of Highway 86 except a 45 foot strip in width east and west of the entire east side of said tract, save and except five acres of land out of the southeast part of said tract.

George Book, et ux, to Clarence Birkenfeld, southwest one-fourth of acreage lot seven, being a part of the west one-fourth of survey 218, block M-6, situated south of the town of Nazareth, Castro county, Texas.

W. E. Campbell et ux to Campbell Cotton Gin, Inc., approximately ten acres of land out of the northeast part of survey number 23 in block two of the W. E. Halsell Subdivision, Castro county, Texas.

Sid Sheffy, et ux to Robert

Estes, all of east 35 feet of lot four and all of the west part of lot three being that part of lot three not previously deeded to H. J. Thomas in Sheffy Addition, city of Dimmitt, Castro county, Texas.

T. H. Campbell, et ux to George A. Sinnigan, all of southeast one-quarter of section 170, block M-6, survey by Virtue of certificate 227, issued to Stone, Kyle and Kyle and containing 171 acres of land, Castro county, Texas.

A. E. Grantham, et ux to Swain Burkett, all of lot eight, block 96 of the original town of Dimmitt, Castro county, together with all improvements thereon.

A. C. Hays, Jr., et ux to G. L. Willis, Jr., all of lot 29 of the Myrtle Wright Subdivision of block four, five, six, seven, fourteen, fifteen, sixteen and seventeen in Clifton Heights Addition to town of Dimmitt, Castro county and a strip of land lying west of said block out of section 26, block M-10-A.

G. L. Willis, Jr., et ux to A. C. Hays, Jr., all of lots ten, eleven and twelve of block eleven of Clifton Heights Addition to town of Dimmitt, Castro county, Texas.

Ida May Monnett et vir, to Dimmitt Motor Company, lot 23 in block 74 of original town of Dimmitt, Castro county, Texas.

Mrs. Lenore Woodlee to Alvin Vasquez, all of lot ten in block 54 of the original town of Dimmitt, Castro county, Texas.

How Long Will West Texas Ranges Take To Recuprate From Drouth?

In many cases purchased feeds will have to be relied upon rather than range forages for wintering sheep this year in Texas. For this reason, says Assistant Professor W. G. Kammlade, Jr., of Texas A & M College's department of animal husbandry, it is very important that efficient management practices be used.

Since wintering costs are high, only the most productive ewes and best ewe lambs should be kept and the use of top quality

sires will pay.

Hormone treatments should not be used to induce earlier breeding or more uniform lamb crops, says Kammlade. In many cases, adds the professor, the use of hormones has not only proved very expensive and ineffectual but also some of the substances have had detrimental effects on later breeding performance of treated ewes.

During the last six to eight weeks of the ewe's gestation period, 70 per cent of the fetal development of the lamb occurs. Because of this points out Kammlade, the nutritional demands of the ewe are greatly increased during this period. Concentrate feeding during the last four to six weeks of pregnancy will result in heavier lambs at birth, an increase in the number of lambs born alive, their liveability, resistance to pregnancy disease and fewer disowned lambs.

The addition of about a half pound of concentrates—corn or cottonseed meal—to the ration during this period will usually meet the demands when fair range forage is available. Oats can be used to advantage with corn or cottonseed meal to help supply bulk in areas where roughage is extremely short.

Few factors which affect the growth of a lamb after birth are more important than the milk production of the ewe, says Kammlade. Each additional pound of milk consumed by the lamb from birth to one month of age will

SHIRLEY WILLIAMSON

Mr. and Mrs. J. D. Williamson announce the engagement of their daughter, Shirley, to Thomas Finley, nephew of Mrs. Peck Wyrer of Dimmitt. Date and plans for the wedding will be revealed later.

BETTY BROCK

TO WED—Mr. and Mrs. E. B. Brock of Arapahoe, Colo., announce the engagement and approaching marriage of their daughter, Betty Cothran, to Doyle H. Houtchens, son of Mr. and Mrs. H. H. Houtchens, Route 1, Dimmitt. The wedding date has been set for Nov. 2.

Baptist Circle Meets

The Smiley Circle held its first meeting of the new year Monday at 9:30 a. m. in the home of Mrs. Dorit Smiley, circle chairman.

Opening prayer was led by Mrs. Lee Norman. After a brief business session, Mrs. Kirkpatrick brought an interesting lesson from the mission book, "Let's Listen."

Refreshments were served to eleven members.

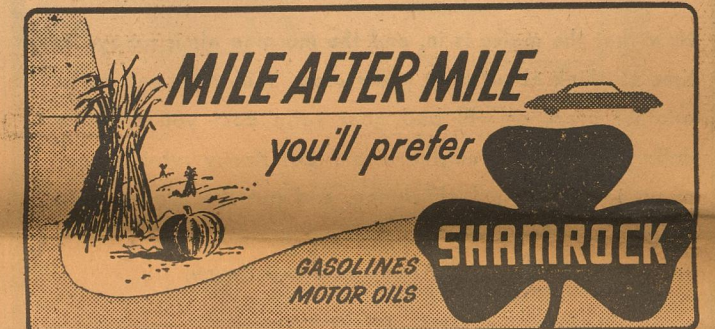

Mr. and Mrs. Halton of Crosbyton visited their son, Ray, and Heler Halton, Sunday.

Speech Therapy Offered at Tech

A cooperative program in speech correction between Texas Tech and Lubbock Cerebral Palsy Treatment Center has made available to Tech equipment and a training program for speech therapist unavailable elsewhere in West Texas.

Dr. P. Merville Larson, head of the Tech Speech department, announced this week that Tech has joined the treatment center in a program to help children with speech difficulties. The treatment center housing much of the latest equipment in working with children with hearing and speaking hurdles, will serve as a laboratory for advanced speech therapy students.

When organization of the program is completed, the Texas Society for Crippled Children and other organizations may refer persons to Tech to receive clinical training. The society has \$1,500 invested in equipment and in an auditory training room at the center.

CLEO CLUB

The Cleo club met in the home of Mrs. H. H. Houtchens Thursday. Hand work was done after a business meeting. Refreshments were served to Mesdames Caruth, Copeland, Smith, Summers, Autry, Dodd and the hostess, Mrs. Houtchens.

The next meeting will be with October 22, at 2:30.

Mrs. Bub Ramey of Amarillo was here Sunday visiting friends and relatives. She also attended the golden wedding tea for the Traylors.

The Russel Morans visited the Raymond Kings. They also attended the football game at Lubbock over the week-end.

Mrs. Pearl Sheffy and Mrs. John Merritt visited Ollie Harrison and Minerva Sheffy in Canyon, Monday.

Recent visitors in the home of Mr. and Mrs. Raymond Hance were her sisters and brother, Mr. and Mrs. L. R. Cole and family of Dallas, Mr. and Mrs. C. E. Green and Sue of Lamesa, Mr. and Mrs. A. H. Smith and Ronnie of Ackerly.

News of Our Neighbors

WELLINGTON—(from the Wellington Leader) The Wellington School Board in a recent meeting lowered the tax rate for the Wellington Independent School District from \$1.50 to \$1.40 per \$100 valuation. At the same meeting Dr. Dale Watkins was appointed to the board to take the place of Harold Drummond, who recently moved to Midland.

MEMPHIS—(from the Memphis Democrat) The Memphis School Board adopted a 1953-54 school budget recently. Income during the year has been set at \$161,497.15. Last year's budget was \$174,637.51. Interest on bonds came to \$13,922.50 last year and \$14,000 has been set aside for this purpose in this year's budget.

CANYON—(from the Canyon News) Canyon's new dial telephone system will be placed in operation at midnight, October 31. Final preparation for the cutover to dial are now being made. Installers have placed most of the equipment into position in the new dial telephone building and are engaged in hand soldering thousands of connections necessary for the equipment to function. New telephone directories listing all the new dial numbers will also be distributed prior to the end of the cutover.

EARTH—(from the Earth Sun) A school for colored students of the Springlake Independent School District is being provided in Earth and is expected to open here around November 1. The school building is located in the south edge of the town-site near Earth Laundry on a lot purchased by the school. A negro Baptist church which is already organized in the community will be housed in the school building temporarily.

COLORADO CITY—(from the Colorado City Record) Jerry (Woody) Howell, 16-year-old Colorado City High School football player, was injured recently when a 22-rifle accidentally discharged, injuring his right leg. A one-year letterman he will be unable

to play football for the remainder of the season.

MATADOR—(from the Matador Tribune) One of West Texas' finest and most modern drug stores has scheduled an all-day formal opening here, for October 15. Stanley Pharmacy, which moved into a new location in the Jackson building, will be celebrating 8 years of business in Matador.

FARWELL—(from the State Line Tribune) Farwell's newest business venture—a hardware store will open to the public in the near future. The business to be known as the Farwell Hardware Store will be owned and operated by Johnny McDonald. The new building measures 50 by 20.

AMHERST—(from the Amherst Times) C. R. Stevens, for the past four years owner and operator of the Lamb Theatre, recently announced the sale of the theatre to Elvis Roberts of Lubbock. Roberts has been in the theatre business for the last three years and has been associated with theatre work since 1936.

QUITAQUE—(from the Quitaque Post) Rev. Claude Withrow, who has accepted the call to the pastorate of the Quitaque Baptist Church, will assume his new duties this week. Rev. Withrow began his ministry in Wayland College and held his first pastorates at the Flagg Community church and Hart Church. He also attended Baylor University at Waco.

IT'S THE LAW in Texas
A public service feature of the State Bar of Texas

LAWYERS ON CHANGE OF NAME EXPLAINED
Tired of your name? Perhaps you can change it. To most of us our name is too much an integral part of our everyday life to want to change it. There are occasions, however, when a legal change of name is desired, and Texas laws contain provisions for changing the names of individuals, business firms and corporations.

Being tired of a name is not sufficient in itself to warrant a legal change. There are occasions, however, when a change of name may be sufficient benefit to a person to justify a change under the statutes. For example, a name may be too long and cumbersome or so difficult to pronounce as to become a business or social handicap.

A legal change of an individual's name in this state involves a procedure in District Court. The person desiring a change must file an application in proper form in the District Court of the county of his residence, setting forth the reasons for his desire for a new name. If the Judge is convinced that it is for the interest or benefit of the applicant to change his name, he may decree that the adopted name of the person shall be substituted for his original name.

In addition to the provisions for change of name in ordinary cases, our laws permit the court in entering a divorce decree to include an order changing the name of either party especially petitioning for such a change in proper manner during the proceedings. Provisions for changing the name of a minor are the same as for an adult, except that the application for change must be filed

by his guardian or "next friend." By this latter term is meant a parent or some other person who is looking after the interests of the minor.

A change of name will not be allowed to injure third persons under the laws. The change does not operate to release the applicant from any responsibility which he may have incurred under his original name. Nor will it defeat or destroy any rights or property or causes of action which the person may have had or held in his original name.

Any person transacting business in Texas under any name other than his real name is required to file in the County Clerk's Office in each county in which he conducts his business an "assumed name certificate," giving the name of the business and the true full name and post office address of each person carrying on the business. Whenever there is a change in ownership or in the name of the business, a new certificate is required to be filed setting out the facts.

Whenever the name of a corporation is changed, Texas law requires that its corporate charter must be amended and the amendment filed with the Secretary of State.

(This column, based on Texas law, is written to inform—not

Livestock Diseases Grows As Cattle Receipts Dwindle

An uncontrolled livestock disease can be just as destructive as an uncontrolled forest fire. Livestock diseases have been smoldering since long before the domestication of the animal. In these days of concentrated meat animal production, the threat of disease grows more alarming—taking a big bite out of the grower's profits.

The extent of this problem can be illustrated by a partial list of a few of the better known livestock diseases and their corresponding dollar loss.

Brucellosis, a disease which affects both animal and man, costs the industry in excess of \$86 million annually. Mastitis presents

an estimated yearly bill of \$100 million and Hog Cholera costs livestock agriculture approximately \$50 million.

Not even the conservative dollar loss estimates have been attempted with such diseases as Anthrax, Foot and Mouth, Pneumonia, Shipping Fever, Swine Erysipelas, X-Disease, Black-Leg, Atrophic Rhinitis, Anaplasmosis, and Ketosis, to name a few. If we could determine it accurately, the loss would be staggering.

One agriculturist has hazarded a guess. Dr. L. M. Hutchings, of Purdue University, said, "Based on animal population figures and average values per head, animal agriculture failed to realize a potential gross income of \$2,791,000,000 in 1951 as a result of death losses alone."

These figures point up the value of strict sanitation measures on the farm. Good sanitation is the first step in breaking the disease chain. Today's antibiotics potent drugs, vaccines and improved feed supplements have accomplished a great deal. However, they have a steep up-hill battle if they are not used in conjunction with a sound sanitation program.

Area Pastors to Attend Baptist State Convention

Six Baptist church pastors from the Dimmitt and Hereford areas will attend the Baptist General Convention of Texas, slated to be held in San Antonio October 20-22, and the State Brotherhood and W. M. U. Convention, also to be held in San Antonio on October 19-20. A large number of church officials from over the Panhandle will also be present for the events.

Those attending from this vicinity are: the Rev. George Ray, pastor of the Dimmitt church; Rev. George Brittain, Summyside pastor; Rev. E. J. Kieth, Hart pastor; Rev. Russell Pogue, Hereford Eastside Mission pastor; Rev. Howard Scott, Hereford Baptist Church pastor; and Rev. C. M. Field, Friona pastor.

Among business matters to be taken up at the general convention is the expected adoption of a \$14,000,000 budget for the next fiscal year.

The theme of the 68th annual session of the general convention of the state is, "The Development of Christian Character." Forrest C. Freezer is the out-going president of the convention and James N. Morgan, vice-president, becomes president by constitutional provision. Some of the principal speakers include: Maxie Jarman, president of the General Shoe Corporation; Ivan L. Bennett, Chief of Chaplains, U. S. Armed Forces; Roland Q. Leavell, president of New Orleans Baptist Seminary; J. W. Storer, president of the Southern Baptist Convention; Duke McCall, president of Southern Baptist Seminary; Dr. Daniel, U. S. Senator from Texas; R. G. Lee, former president of the

Nazareth Knights Slate Water Meet

An open meeting on water conservation, sponsored by the Nazareth Council Knights of Columbus, has been called for Tuesday, October 20, at 8 p. m. The important meeting will be held in the community hall.

District water conservation officers from Lubbock will be on hand for the meeting as well as members from the Castro County Water Conservation committee. They will explain the reason for requiring drilling permits for new wells and discuss other problems concerning irrigation and water conservation. The group will be open to questions from anyone present for the meeting.

All residents of Castro county and adjoining territory are urged to attend the meeting, which is expected to clear up a number of pressing water problems.

Southern Baptist Convention; and Morgan and Freezer.

Among the main speakers at the State Brotherhood and W. M. U. Convention, which will be presided over by President T. Gordon Ryan, will be: R. B. Anderson, secretary of the Navy; Price Daniel, U. S. Senator from Texas; and Forrest Freezer.

Buchanan Speaks At Bureau Meet

L. O. Buchanan, manager of the Lubbock cotton classifying office, explained how grade and classification of cotton is determined during a recent meeting of the Castro County Farm Bureau in the local high school auditorium.

The cotton official pointed out how field conditions, moisture and methods of harvesting and ginning affect cotton grades. He also stressed that cotton growers should take precaution in harvesting of cotton in order to get the best grade and staple. Buchanan invited county farmers to visit his Lubbock office and watch cotton being classified.

Also appearing on the farm bureau program with Buchanan were Roy Davis, of the Co-Op Cotton Oil Mill at Lubbock, and

a representative of the National Cotton Council. Davis emphasized the importance of a support price for cotton seed while the council representatives explained what the cotton council is doing to promote research in the use of cotton.

J. D. Jordan of the Littlefield State Employment office, also on hand for the meeting, briefly reviewed the state labor situation.

Firemen Answer Call

Dimmitt firemen made a run to the residence of Homer Herring on Front Street Friday morning. The residence was filled with smoke caused by a washing ma-

Arney Baptist Church Pastor to Be Ordained

Verrel D. Leeper, pastor of the Arney Community Baptist Church, will be ordained during services at the church Sunday at 3 p. m. The ordination comes at the request of the church congregation.

The church has extended a special invitation to Rev. George Ray, pastor of the Baptist church here, to attend the ordination. Mr. Leeper is presently attending Wayland College in Plainview.

chine motor shorting out. Firemen said the machine stalled in operation due to an overload.

Alert firemen reached the residence in time to prevent any damage to the house. Mrs. Herring turned in the alarm.

Hoyler Circle Meets

The Hoyler Circle met Monday with Mrs. P. L. Hoyler. Mrs. Ruth Hays taught the lesson, "Missions Turn A Corner," from the book "Let's Listen."

Mother Allredge was appointed stewardship leader; Mrs. E. C. Lollar, community missions; Mrs. Dan Heard, secretary; and Mrs. Jim Hays, mission study.

Refreshments were served to the following members, Mesdames, E. C. Lollar, O. L. Arnold, G. Cameron, P. L. Hoyler, Dan Heard, Jim Hays, Dick Greathouse and Mother Bell.

Mrs. J. D. Westberry was a visitor at the meeting.

Visiting over the week-end in the Roy Smith home were Mr. and Mrs. Tom Davis from Petersburg and Mr. and Mrs. Forrest Chapman from Plainview.

Bob Hilburn Is Scholarship Winner

Bob Hilburn, son of H. S. Hilburn, president-publisher of the Plainview Herald, and nephew of Edgar and Edwin Ramey and Mrs. Etta Brashears of Dimmitt, recently received a \$300 scholarship in recognition of his outstanding grades for the first three years of college.

A University of Texas student, young Hilburn is news editor of the Daily Texan, school student newspaper. He is vice-president of the Grass Roots Press Club, president of Sigma Delta Chi, journalism fraternity, and editor of the Wesleyan, a Methodist student publication.

Other students receiving similar scholarships were Dorothy Bielinski of Mingus and Howell S. McCreary of Palestine. The awards were made by the Borden Company Foundation, Inc. Hilburn, although handicapped by arthritis and confined to a wheelchair, has compiled a straight "A" average while in college.

Mr. and Mrs. Ernest Jones are in Hale Center on business this week.

Mrs. Clarence Bearden is in Hollis, Okla., visiting relatives.

Commissioners Seek New County Auditor

Castro County Commissioners, meeting in regular session Monday, received an application filed by Amarillo accountant F. E. Coan for the position of county auditor. Three other applicants for the job will be interviewed Monday, October 26, the next meeting of commissioners.

The vacancy was created when Mr. G. A. Sahli, former Castro auditor, died in Amarillo September 18. The position is expected to be filled soon.

Mrs. Emma Easter attended open house Sunday afternoon at Mr. and Mrs. Charlie Newells in Hereford in honor of her mother, Mrs. Raiser.

Mr. and Mrs. Springer visited Sunday in the home of Mr. and Mrs. Elbert Summers.

Mrs. W. T. Autry went to Lubbock with her daughter, Mrs. Cecil Hutton, to take Steve home.

Mrs. Autry's daughter, Mrs. John Hogue, was home over the week-end.

Mrs. Ross Summers visited in the home of Mrs. A. A. Dodd Wednesday.

Meet The Bobcats

Name: Edgar Dennis
Position: Back
Weight: 154
Years Lettered: 2
Age: 17
Classification: Jr.
Remarks: Plays fullback and halfback. Ed is a hard and elusive runner.

Name: Ivan Sinclair
Position: Back
Weight: 132
Years Lettered: reserve letterman
Age: 17
Classification: Jr.
Remarks: Ivan is a good all around back. Lack of experience is his greatest handicap.

Name: Alton Whitworth
Position: Back
Weight: 155
Years Lettered: none
Age: 16
Classification: Soph
Remarks: Alton is a hard running scrappy fullback.

Name: Gale Sadler
Position: Back
Weight: 147
Years Lettered: 1
Age: 18
Classification: Sr.
Remarks: Gale is one of the fastest boys on the squad. A bad ankle has slowed him up considerably.

Hereford "B" Bests Dimmitt

The Hereford "B" team pulled by the "B" team of Dimmitt Thursday night, by a score of 28-19. The Dimmitt boys were out-weighted and out-classed. Although the lads suffered defeat, they showed some very fine ball playing.

The backs who scored for D. H. S. were Don Mobley and Rlyne Dunn. Quarterback Mobley, who was field general for the future Bobcats, scored twice, while Fullback Dunn hit paydirt one time.

Bobcats Drop Non-Conference Tilt Friday

The previously unbeaten Dimmitt Bobcats suffered one of their worst defeats in the history of the school last Friday night according to the scoreboard.

The Cats played good ball the first half although Olton was in the lead 14-6. Olton had the breaks and scored first on a six yard plunge by R. V. Allcorn. The Cats, not to be denied, fought back with Bobby Brock hitting off guard for Dimmitt's lone touchdown. The conversion failed. Olton's second TD came after the Bobcats had been penalized within one yard of their own goal. Allcorn went over on the first try.

The half ended without further scoring and up until this point the Bobcats had played good ball not as good as they were capable of playing, but nevertheless good ball.

The second half started with Olton scoring two more touchdowns in the third period. The Bobcats seemed unable to get rolling. Their offense wasn't blocking and the defense wasn't tackling.

When the fourth period began, the Bobcats were trailing the Mustangs 28 to 6. It was during this fourth and final period that the roof fell in on the cats. Olton scored at will. R. V. Allcorn was the Olton standout, making several sensational long runs and scoring 5 of Olton's 7 T. D.'s.

The game ended with the Mustangs leading by a score of 48 to 6.

Next week the Bobcats take on Kress in the first conference tilt. Kress is not rated high in games won, but if the Cats play as they did last week end, the final score will not be one sided. The game will be played in Bobcat Stadium. Game time is 8:00.

Rent It—Buy It—Sell It Through a NEWS Want Ad

Richard Wood Is Grade News Player of Week

Richard Woods was named Globe News Player of the Week last week for the high plains class "A" pick.

The honor went to Richard based on the last play of the Panhandle ball game. With one minute of playing time left Richard received a pass from Maxie Warren and went the rest of the way for the winning touchdown. The play covered 46 yards.

Richard is a junior and plays the position of back on the Bobcat football team. This is Richard's first year to play on the "A" team. He was a reserve letterman last year and played on the "B" team. He is the first member of the team this year to be named player of the week.

Richard suffered a broken collar bone in workout last week and will probably see no more football action this season.

Senior Who's Who

"Ah-ha I wouldn't go anywhere else." This is what Pat DeLozier replied when asked, "What do you think of Dimmitt High School?"

Pat is a blond headed, green eyed, seventeen year old member of the senior class. She seems to be a very busy girl as she is a member of the National Honor Society, F. H. A. Club, reporter of the senior class, president of the pep squad, and editor of the annual.

Pat chooses as her favorite pastime going somewhere while her pet peeve is people who don't like for her to talk. Her favorite food is broiled steak and for her favorite subject she chooses journalism.

After graduation Pat plans to attend college and work on a newspaper.

Senior Who's Who

If you see a smaggle tooth boy smiling as he walks down the hall think nothing of it because it is only Clark Dobbs. Clark has attended Dimmitt schools for the past 9½ years and he went to Frio for his first 2½ years of schooling. Clark is a member of the F. F. A. and Senior class.

Grade News

The Eighth Grade The Dimmitt eighth grade football squad won over the Tulia team 6-12 in an exciting game at Dimmitt Tuesday night, October 6. They have two more home games and the members of the 8th grade expect to have concessions.

The class is using water colors now for art. They are having quite a bit of fun in art. Starting Monday, Oct. 12 they will make history reports once each week.

We have finished with our six weeks tests and some are dreading what they will find on their report cards.

Our English books finally came in. In a way we're happy to see them.

7-B We are glad that our six-weeks test are over.

The girls in the 7-B room are excited about their basketball game. They are going to play the 7-A girls. The winner will play the eighth grade girls.

7-A This surely has been a full week, because we are having six weeks test. There has been some real good grades.

The Tab Book Club met Thursday, October 7, in the class room. In art we are making Fire Prevention posters, and in Science we made posters for foods.

There is going to be a 7th grade football game between Dimmitt and Hereford.

6-B The 6-B room had their second club meeting October 2, 1953. The secretary read the minutes and they were approved. The name of our club is the Friendship Club. We had a very good program and the meeting was adjourned. The President, Vice-President, Secretary, and assistant Secretary will decide each week who will choose the best citizen of the week. This week, Janie McDermitt will be our citizenship officer.

5-A The 5-A room is happy to have the following new students: Aurturo Puga from Beeville; Juanita Moran from Eagle Pass; Manuel Suniga from Welaco; Pablo Sanchez from Abilene; and Maria and Joe Reyna, Dimmitt.

We were happily surprised Friday morning to find an addition to our specimen collection of insects and other small animal life. This addition was a 5 inch centipede with 40 legs. Mr. Sheppard and Mr. Queary found the centipede in the hall of our building before the school children began to arrive. We appreciate the interest and helpfulness of Mr. Sheppard and Mr. Queary in our school work.

He was F. F. A. president last year. Clark plays left end on the football team and is also one of the co-captains of the team.

Clark's favorite subject is Speech. He enjoys going to the show and when he has made his choice of the actors he prefers seeing Marilyn Monroe and Tony Curtis. Clark is a heavy eater and his favorite food is fried chicken. His favorite pastime is sleeping. His pet peeve is grippy teachers.

Royalty Crowned at Olton Game

Queen Dolores from the House of Battles and King Richard from the House of Wood were crowned at the half of the Dimmitt-Olton football game Friday night, October 9, 1953. Her Majesty, the queen was dressed in a deep aqua suit complimented by black accessories. She carried an arm arrangement of purple and white mums. The Queen's beautiful float was a gigantic white football with purple lacings. At the front and back were miniature goal posts of silver and purple. The Queen's honor guards, Jim Ratcliff and Alton Fields, were dressed in Bobcat football uniforms as they knelt in front of her.

The striking 70-piece Bobcat band entered the field from the north and marched to the 50 yard stripe. The Glamourettes, the junior twirlers directed by James W. Bates, entered from the south end of the field and formed two lines in salute to the queen.

The float was pulled by a red '53 Ford convertible in which the attendants rode. Mary Coke wore a rust suit with brown accessories. Gwen Smith wore a black velvet suit with black accessories. Belva Warren wore a grey suit with black accessories. Carolyn Rothwell was dressed in a grey suit with wine accessories.

The float entered the south end of the field and slowly moved up the east side, across the north end, and to the 50 yard line where the band had formed a cupid's heart. Half of the twirlers moved to the north 30 yard line and the other half moved to the south 30 yard line where they again saluted the queen. The float stopped at the top of the heart where the King's attendants escorted the princesses to the center of the heart. They were met by Pat DeLozier, President of the Pep Squad, Clark Dobbs, Co-captain of the Bobcats, and Little Miss Vickie Byars and Master Larry Fields, bearing the gleaming silver crowns on purple satir pillows. Maxie Warren escorted Mary Coke; Don Johnston, Gwen Smith; Gale Saddler, Belva Warren; and Chad Moore, Carolyn Rothwell. Co-captains Clark Dobbs and Maxie Warren assisted the Queen from the float and

to the center of the heart where she was crowned by Clark Dobbs. She received a kiss of congratulations from both captains. Pat DeLozier, Pep Club President, presented the crown and a coronation kiss to King Richard. The band played "Let Me Call You Sweetheart" as the King and Queen along with their court of royalty left the field. The band and twirlers made their exit while still in formation. During the remainder of the game the Queen reigned on her huge silver throne which could be seen over the entire stadium.

Why some combines cost \$150 a year more than others

A \$3,000 combine, left outside year 'round, depreciates \$150 a year faster than one kept in a shed when not working. In 10 years, this loss would equal half the cost of the machine.

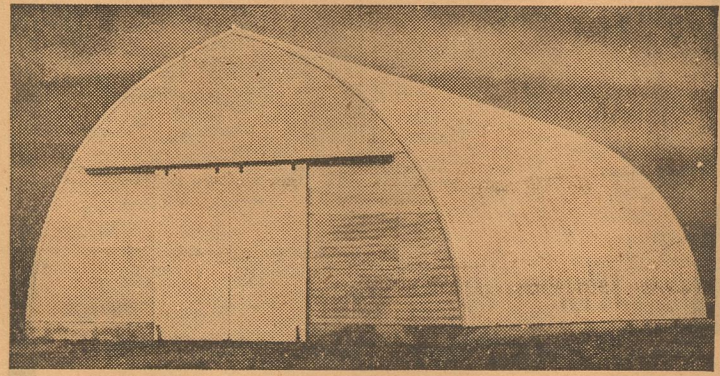

A recent university survey showed that the average farm machine lasts twice as long when properly stored. Can you afford to let the weather eat away your machinery investment?

In less than a day you can put up the entire framing for a 40'x60'

Rilco machine shed. The glued laminated wood rafters are four times as strong as nailed construction—and they need no posts or braces, so every square foot of a Rilco machine shed is usable space.

"Exterior", marked on every rafter, means the wood is permanently bonded with waterproof resorcinol glue.

See us soon and let us tell you how economically you can build a Rilco machine shed.

All material for this Rilco machine shed will cost only about a dollar a square foot, and will pay for itself in a few years by cutting machinery depreciation.

ONLY GENUINE RILCO RAFTERS BEAR THIS TRADEMARK—YOUR ASSURANCE OF A SUPERBLY ENGINEERED PRODUCT.

DEALER'S NAME
I am interested in building. I'd like to know how Rilco Rafters can be used in:

No Real Losers In This Game

Many of the students of NHS have written essays for the essay contest sponsored by the Amarillo Globe News. The essays are on current news events and are very important because they increase the interest of the students in current history. Even for the student who doesn't win, it is well worth his while to enter this essay contest. He must read the news to write an interesting essay and this increases his knowledge of the world and its problems. Those who have entered from NHS and have received honorable mention are Rita Wilhelm, and Mildred Conrad. Proof that the contest does pay off was evident last week. Ruby Mae Annet won the first prize of five dollars with her essay "Repatriation Commission Should Act." Josetta Acker won second place and the prize of three dollars with her essay "Earl Warren's Middle-of-the-Road Philosophy." This gives NHS a total of eight points. That's a good start, so let's keep it up.

Grade News

The Junior-C. B.'s met on September 31. Dianna Hoelting and her group entertained with some interesting songs, poems, and quiz.

The girls and boys are having a race in spelling and arithmetic. In the fifth grade, the girls beat in spelling and in arithmetic. The sixth grade boys lost in arithmetic by one-sixth. In spelling the boys lost by three-eighths of a point. In social studies, Romald Dobmeier's team is trailing Sam Burt's by four points.

The lower grades were very busy practicing fire drills last week since it was Fire Prevention Week.

Mr. and Mrs. Bill Summers and Debra visited in Lockney Sunday.

Mr. and Mrs. Jack Gladman and children visited relatives in Dimmitt a week while Jack was driving the truck on the bread route.

Senior Pictures

"Smile," "Say Cheese," Adjust your collar; you have your cap on backwards." These and many more were the remarks heard Sept. 30. The seniors were engaged in having their class pictures taken. Everyone was wearing his brightest smile, and eyes were shining with the satisfaction that at last they had reached that triumphant time in a student's life when their picture would be hung in the Nazareth "Hall of Fame". Four poses were taken of each senior, and we feel sure that we will be well satisfied with the products. Choosing our frames proved to be a very hard task, since there was such a wide variety of beautiful one. After a lot of hard thought, we finally decided. Now we are anticipating the arrival of our proofs.

Who's Who

Last weeks who's who were Iona Heiman and Cyril Brockman. This week we're presenting two girls. Try to guess them.

Eyes—Blue
Hair—Brown
Height—5 feet 9 inches
Weight—148

Mrs. C. M. Wooten visited Mrs. Lavonia Carruth Tuesday.

George Young, one of Gerald Summer's school friends, spent two nights with him while his folks were moving to Cottor Center.

Junior Class To Present Play

The junior class will present a three act comedy-drama by Charles George, "The Red-headed Stepchild," on Monday and Friday, Oct. 19 and 23 at eight o'clock.

When Richard Russell brings his young daughter by his first marriage from the western ranch where she has been brought up without education or culture, to his fashionable Chicago home to live, society freely predicts that the experiment will be a failure; and it is. What with her unhappy propensity for antagonizing her step-mother by her social blunders, and for winning the heart of her step-sister's beau, wild Bess soon finds herself about as popular with the women of the household as a case of measles. The play abounds in laughable situations and lively dialogue, and sparkles with humor.

The cast includes: Richard Russell, a financier, Walter Acker; Mrs. Edith Russell, his second wife, Gladys Annen; Elizabeth Russell (Bess), his daughter from the West, Norita Schulte; Lucia Russell, their daughter, Della Pohlmeier; Dudley Russell, their son, Ted Conrad; Mrs. Oliver Woodruff, and Mrs. Emory Scott, society matrons, Betty Leinen and Dolores Stork; Ethel Ashly and Lucille Christy, young society girls, Josetta Acker and Dolores Huseman; and Flora Farnum, Dudley's inamorta, Dorothy Gerber.

Most-liked low-priced car

... among people who want more for their money when they buy . . . and more money when they sell!

There's a big reason why more folks are buying more Fords than ever before. No other low-priced car offers so many of the things people want and need for today's driving. In fact, to get such "Worth More" Ford features as a V-8 engine, completely automatic transmission and fine-car power steering in any other car, you'd have to step well up from the low-price field.

Of course, Ford owners will discover that Ford's worth more when they sell it, too. Surveys of used car prices show year-old Fords returning a higher proportion of their original cost than any other car.

because it's most like high-priced cars

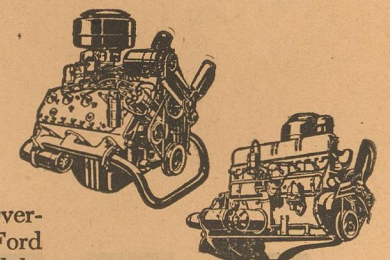

... more and more people are considering Ford as the one fine car in the low-price field!

It's hard to believe that a car which is built like the finest still sells in the low-price field. Yet a Ford with its huiltight Crestmark body, its Full-Circle Visibility (most in its field), its new fine car ride and roomy luggage locker (roomiest in its field) delivers at a figure that keeps it right down in its price class.

Ford's the only low-priced car which offers you a choice of a completely auto-

matic transmission (Fordomatic), Overdrive or Conventional Drive. And Ford Master-Guide, available on all V-8 models, is the last word in power steering . . . makes turning up to 75% easier.

See . . . Value Check . . . Test Drive Ford at your Ford Dealer's.

Ford's 110-h.p. V-8 is the same type of engine now powering America's finest (and costliest) cars. Ford's Mileage Maker is the most modern Six in the industry.

"WHY MUST I HAVE A PRESCRIPTION?"
That slip of paper is a message from your physician to your pharmacist. When you bring it here, it passes on to us & the responsibility for preparing the medicine especially for you. Your physician has determined your needs, and we welcome the responsibility of interpreting and fulfilling them.
We maintain an extensive stock of hundreds of products to fill any prescription you may bring to us. Combined with this extensive stock is an up-to-date scientific knowledge of all kinds of drugs and pharmaceuticals. We are trained to know how much of each type medicine should be given to people of different ages . . . which substances are harmful or ineffective when mixed with others . . . which products may not be sold legally without a prescription to protect you.
We relieve your physician of these tasks and allow him more time for personal attention to you—time he would not have if he had to prepare your medicine whenever you went to see him.

Burch, and John Turner all of Dimmitt and Mrs. D. E. Layman of Earth. Hostesses were Mesdames M. E. Phillips, Judd Davis, Joe Dogge, Kenneth Covington, Carl Huggins, John

Local Group Sees Lubbock Ceremony

Members of the Dimmitt

Shepard, A. C. Myers, C. B. Alexander and W. H. Felder.

Church of Christ accompanied by their minister, T. J. Finley, attended the ground-breaking services of the Lubbock Children's Home, Sunday.

The ceremony was held east of Lubbock on the Idalou Highway where a choice block of land was donated for the home. The mayor of Lubbock, Dr. E. W.

Jones, president of Texas Tech College, Dan Morris, president of Abilene Christian College and J. P. Crenshaw of the church in Plainview were the principal speakers for the occasion.

An elderly matron and member of the Broadway Church of Christ in Lubbock donated the 100 acre tract for the building site. The

capacity of the home after it reaches its maximum growth is estimated at 360.

Mr. and Mrs. Billy Gregory of El Paso visited their parents here over the week end. They attended the ballgame Saturday night. Gregory is an ex-Bobcat and his wife an ex-cheerleader.

DOLLAR FOR DOLLAR YOU CAN'T BEAT A PONTIAC!

It's GM's Lowest Priced Eight!

Quality Proves It!

Quality shows up in Pontiac wherever you look: In size—with its long, road-leveling 122-inch wheelbase... unmatched at the price! In beauty—with smart Silver Streak styling and surprising luxury. In the unseen quality of engine and chassis—features that reveal themselves in the long, economical life Pontiac cars always deliver.

Performance Proves It!

Simply come in and drive a Pontiac. You'll feel the eager response of America's best-proved high-compression engine. You'll see how Pontiac's power reserve supplies all the pep you'll ever need for town traffic, a velvety smoothness that makes highway driving a pleasure. And with Pontiac dependability, you can go on and on like this—with an absolute minimum of service.

Price Proves It!

All of Pontiac's extra value is yours for just a few dollars more than the smallest, lowest-priced cars! And Pontiac ranks with the leaders year-in and year-out in resale value. That's our final reason why, dollar for dollar, you can't beat a Pontiac. Now come in and let this handsome Pontiac prove it's the best buy for you, too!
