TEXAS COAST APPEARS SAFE FROM STORM

BROWNSVILLE, TEXAS, June 12.—The Texas coast is safe from the hurricane threatening eastern Mexico, weather observers believed today when the barometer went back to normal.
Clear weather and a slight breeze were other indications the storm would miss this section. The Gulf of Mexico still was choppy, but not so much as yesterday.

WASHINGTON, June 12.—The weather bureau reported today that the tropical disturbance off the Mexican coast has weakened somewhat to the southwest and probably had decreased in intensity. The exact position was uncertain, but believed to be about 125 miles northeast of Vera Cruz, Mexico.

Candidates to Arrange Dates For The Speeches

Eastland county candidates for county and district offices met at the courthouse Monday in an effort to arrange speaking engagements for the coming campaign up to the date of the first primary, July 28th.

W. D. R. Owen acted as chairman of the meeting. All candidates had been advised of the meeting, but not all of them were present. Most of those not present, however, had sent messages advising that they were willing to abide by the decisions of the meeting.

Due to the fact that the candidates for representative, including those for the 106 and 107th districts felt that their speeches would require so much more time than those seeking county offices, it was decided by a majority vote that the legislative candidates would arrange separate speaking dates.

Committees were appointed by both the legislative and county candidate groups and these committees are arranging speaking dates to be announced through the press later.

Tonight all candidates are invited to a meeting at Grapevine and Friday night they are invited to attend a meeting at Mangum. Neither of these dates were made by the candidates.

Sept. 12 Fixed As Shady Grove Fall Fair Date

SHADY GROVE, June 12.—September 12 was tentatively set as the date for the Shady Grove community fair this year at a meeting of the community council group Saturday evening. The meeting was held at the school building.

A general committee was named to consist of Wayne Thurman, Mrs. Frank Ziehr, Miss Willie Word, Charlie Wende and Edgar Altom. This group will direct the organization for the fair.

County Agent J. C. Patterson made a brief talk on keeping farm records and accounts and he and Vocational Instructor J. M. Bird, Cisco, distributed record books to the farmers.

Bird discussed the foot rot disease found to have affected small grains in this territory, doing particular damage to wheat, oats and barley.

Present were the following members of the council: Mr. and Mrs. John McKinney, Mr. and Mrs. J. Graves, Wayne Thurman, Bobbie Thurman, Obbie Thurman, J. C. Thurman, Avery Holt, Albert Schoor, Mr. and Mrs. Frank Ziehr and Willard Ziehr.

France to Default War Debt Payment

PARIS, France, June 12.—France decided officially today to default on its \$59,000,000 war debt installment due the United States June 15.
The decision was reached at a cabinet meeting over which the president presided.

"A Spirit Filled Church" Is Subject At Revival Meet

The revival meeting being held at Central Baptist Church, Rev. E. D. Dunlap preaching, is in the second week with crowds and interest growing. Each service Rev. Dunlap is preaching from a text dear to the heart of Christians and full of power for the saving of souls. At this morning service he spoke on "A Spirit Filled Church," to a splendid crowd. He gave some marks of a church whose members are filled with the Holy Spirit and of the power of such a church. Central is striving to be a Spirit Filled Church and her members are uniting in prayer and Bible reading and personal work for the souls of men.

Prayer bands continue to be largely attended and much Bible reading is being done by its members.

Tonight Rev. Dunlap will give one of his best sermons and Ranger is cordially invited to attend. The meeting rapidly drawing to a close, just a few more days left. Don't let them go by and you not profit by them. Each service is a blessing to those attending. Come early, get into the prayer band, join in the singing and let's worship together.

Soft Ball Umpires And Managers to Meet Wednesday

Dr. Harry A. Logsdon, soft ball commissioner, has called a meeting of all managers and umpires, to be held in the office of the chamber of commerce Wednesday afternoon, June 13, at 4 o'clock.

All managers and umpires are urged by Dr. Logsdon to be present at the meeting in order that plans for the second half of the season may be taken up. The present schedule ends next Wednesday, unless a play-off for first place is necessary, and the next schedule should start Monday, of the following week.

City Commission Meeting Postponed

Roy Jameson, city secretary, today announced that the regular meeting of the city commission, scheduled for tonight, had been postponed by the members because of the Allred speaking engagement at 8:30 tonight. Most of the commissioners wanted to hear the candidate and requested that Dr. Logsdon postpone the meeting until some future date. No announcement as to when the meeting would be held was made.

C. C. Robey Dies At Home of Mother

Word was received in Eastland this afternoon of the death of Charles C. Robey, which occurred at 12:05 this afternoon at the home of his mother in Greenville.

No details as to funeral arrangements had been received today as the telegram contained only the information that he had died.

Lions, Rotarians to Have Joint Meeting

Announcement was made today that a joint meeting of the Lions and Rotarians would be held Wednesday at noon, the regular meeting date for the Rotary club, at which time plans for the Willows for the summer will be taken up for discussion.

Colonel Brashier, newly elected president of the Lions club, urged all Lions to remember the change in meeting date this week and to be present on Wednesday instead of Thursday.

CHARTER GRANTED

AUSTIN, June 12.—The secretary of state today granted a charter to the Mineral Wells Crystal Producers of Mineral Wells, incorporated at \$30,000. The incorporators were H. S. Coulson, L. R. Coulson and L. E. Reinhart.

It's a Horse and No Boloney

It may seem like boloney, but this is a horse. Furthermore, he's one of the most popular horses in Idaho, because when his child jockeys fall off they haven't far to go. It has been suggested that he be sent across the sea as a mount for the Prince of Wales, but his owner, Lester J. Anthony, of Anthony, Idaho, shown with him, wouldn't think of parting with "Shorty the Dachshund."

DARROW BOARD MAKES SECOND NRA REPORT

WASHINGTON, June 12.—The unofficial text of the Darrow board's second report, a new attack on national recovery administration of small business, was revealed today.

The second Darrow report also charged that the retail code was offered after it had been approved by the industry and before it was submitted to President Roosevelt for signature.

The document levels its strongest criticism against the retail trade code. The board took special notice of the recent NRA order regarding price-fixing and continued its attack on the administration of Gen. Hugh S. Johnson.

Elks of Oil Belt To Celebrate Flag Day On June 14th

National Flag Day will be celebrated in Ranger on the night of June 14 by the Elks of the Oil Belt in an impressive and interesting ceremony at the Elks hall.

C. J. Moore, chairman of the program committee, has announced that the nine flags under which the United States has served, will be used in the program and that the Boy Scouts and National Guards will participate.

The program is open to the public and everyone is cordially invited to be present. The American Legion Tickleville Band will render a patriotic program during the ceremonies.

Elks from Eastland, Breckenridge and Cisco are expected to be present at the program, which is conducted each year, each town in the Oil Belt district taking turn about in putting on the program.

Baer and Carnera In Good Condition

NEW YORK, June 12.—Max Baer, challenger for Primo Carnera's championship, was given a thorough physical examination by physicians of the New York Athletic commission, and reported in "fine shape."

Carnera, who arrived late, also was examined and reported in "excellent condition" despite the fact that he is "suffering with the after effect of a slight touch of laryngitis."

Tugwell Approved As Undersecretary

WASHINGTON, June 12.—The agriculture committee voted 16 to 2 today to report favorably to the senate the nomination of Rexford Tugwell to be undersecretary of agriculture.

Chairman Ellison D. Smith, Dem., S. C., and Senator Henry Hatfield, Rep., West Va., cast the only vote against Tugwell.

JURORS HEAR OPINION READ IN GAS CASE

AUSTIN, June 12.—Twelve jurors in Fifty-third district court today listened to the drone of lawyer's voices as a long pamphlet giving the opinion and order of the state railroad commission for reduction of natural gas rates was read.

The report was read at the suggestion of Judge Charles Wheeler when it was offered as part of the record of the case in which Attorney General Allred asks an order requiring the Lone Star Gas company to obey the order to reduce its rate from 40 to 32 cents a thousand cubic feet.

After reading the order first testimony is expected to be from D. A. Huley, assistant to the president of the company, on the contention the 32-cent rate does not give adequate returns to the company.

Phil-Pe-Co Club To Have Second Golf Tournament

RIISING STAR, June 12.—The second annual invitation golf tournament of Phil-Pe-Co Country club, located midway between Rising Star and Cross Plains, will be held Friday, Saturday and Sunday, June 22, 23 and 24. Club officials here expect a big entry from all over West Texas.

Gid Faircloth, Ranger, is defending champion, and Bill McMahon, Cisco, was medalist in 1933. Both have signified their intention to enter the 1934 tournament in defense of their honors.

J. T. Hammett, Rising Star youth who was medalist in the West Texas tournament at Big Spring, and semi-finalist in the Ranger tournament, will lead the local contestants.

Fishing and bathing, in Lake Phillips, along with the golf course is laid out, will be features of the play during the three days of the tournament.

Morton Valley to Have Revival Meet Beginning Sunday

The Morton Valley Baptist church announces their summer revival meeting beginning next Sunday night, June 17, and continuing through July 1. Services will be held twice daily, at 10 a. m. and at 8 p. m. Rev. A. A. Davis of Carbon will do the preaching.

While the singing will be under the direction of the Rippey brothers, well known singers of this section of the country.

The Morton Valley Baptists extend a cordial invitation to all neighboring towns and communities to be in attendance upon these services.

"Ex-Bomber" Fails In Extortion Plot

NEWARK, N. J., June 12.—A letter mailed to Miss Doris Duke, probably the richest girl in the world, threatened she would be "bombed" if she failed to make a payment of \$3,000 to the writer. It was disclosed today in federal court.

The letter signed by "Ex-Bomber" said the payment must be made before May 26, on threats of a bombing at 3 p. m. of that date. The day passed safely, however, for Miss Duke.

Oklahoma Slayer Suicide Victim

MEALSTER, Ok., June 12.—John Lenke, bald, vision-seeing slayer from Custer county, hanged himself with a rope made of a sheet in his cell on death row at state's prison today.

A guard found him gasping and struggling weakly at the end of the crude cord as it hung from the top of the cell door. Lenke was cut down and taken to the prison hospital, but died as he reached it.

James V. Allred, Candidate For Governor, Will Speak Tonight

Speaker Tonight

James V. Allred, attorney general of Texas and candidate for governor, will speak in Ranger tonight at 8:30. The speaking will be on North Rusk street, between Main and Walnut streets. The change in the location from in front of the Liberty theatre was made in order that the revival services at the Central Baptist church might not be disturbed, it was announced today by H. J. Stafford, who is in charge of arrangements for the speaking.

"There will be seats provided for everyone," Mr. Stafford said today in announcing the change in location, "with half the block being filled with seats enough to take care of any kind of crowd that might be expected, and it is anticipated that a large number of the citizens of Ranger and this territory will be on hand."

The candidate is bringing with him his own loudspeaking system, which will be used so that everyone may hear all he has to say about his campaign for the governorship.

Dr. Harry A. Logsdon, mayor of Ranger, has been secured to introduce the speaker.

Allred's first job was that of dishwasher, at 25 cents a day. He was a shoe-shiner in a barber shop, and magazine salesman. He served in the United States navy while Franklin D. Roosevelt was assistant secretary of the navy, then he worked in a law office as stenographer, and studied law. Then he practiced law, became a public prosecutor, on his second race he was elected attorney general of Texas, that stopping stone from which many candidates have offered for governor.

Allred was born in Bowie, Montague county. After he grew up he located in Wichita Falls until he went to Austin as attorney general.

After Allred's return from the navy he studied law, and went to Cumberland university, where many Texans received their law training. He received his diploma in 1921, returned to Wichita Falls, and entered the law office of Martin & O'Neal at \$50 a month.

About that time the future Mrs. Allred, Miss Joe Betsy Miller, moved with her family to Wichita Falls. Mr. Allred first saw her when she gave a piano recital.

Mr. and Mrs. Allred have two sons, Jimmie Jr., four years old, and William David, four months old.

At the age of 24, Allred was named by Gov. Pat M. Neff as district attorney of the four-county Wichita Falls district.

Ten years later, Allred appointed Pat Neff Jr. an assistant attorney general.

In 1924, Allred was elected to a full term as district attorney. In 1926 he resigned to run for attorney general.

Allred lost to Claude Ballard of Houston by 4,000 votes.

Four years later, in 1930, he ran against Robert Lee Bobbitt, who had been appointed attorney general and was running for a first elective term, and defeated Bobbitt.

Last December he announced at Del Rio. He demanded, in his first statement, stringent legislation to clean up unsavory lobby influences affecting the legislature, a strengthened state police force and an aggressive policy to stamp out crime in the state.

The local relief office today announced that another old clothes drive would be staged in Ranger beginning on next Monday.

All churches and organizations in the town as well as the Boy Scouts were urged to aid in the work and the cooperation of the citizens of the town was requested.

Anything in the line of old clothing would be appreciated, it was stated, and just because the clothing is somewhat worn need not keep anyone from donating it to the cause, the announcement said. Anyone who has anything that can be contributed can call the local relief office and a truck will be sent out for the clothing.

The local relief office does not have any funds at this time for purchasing clothing and there are many families that are in dire need that would appreciate anything in the clothing line.

TWO MEN ARE UNIDENTIFIED BY COMPANION

SHOOTING OCCURS AS OFFICERS SOUGHT TO QUESTION TRIO IN AUTOMOBILE.

MIAMI, Okla., June 12.—A young officer and two unidentified gunmen were slain today in a battle on Main street.

Jack Dunaway, 35, merchant policeman, was killed as he walked up to an automobile to which he and two companions had pursued suspicious characters. The shooting began without warning as he asked:

"What's going on here, boys?" The gunman, one about 35 and the other 25, were believed to be from Muskogee and Cookson Hills sections. Their companion at the car, who gave his name as Frank Sims, said he was from Webber Falls, but denied he knew either of the victims. He was unarmed.

Fingerprints were taken and sent to Oklahoma City for classification in an effort to identify the men. Sims refused to talk except to say he had been an unwilling companion of theirs.

Officers believed the two men killed intended to rob a drug store. They entered the store a few minutes before the shooting and looked the place over.

National Planning Board to Draft Greater New Deal

WASHINGTON, June 12.—The national planning board within a few weeks will submit the draft of the first steps in translating President Roosevelt's proposed "greater new deal" from words to blue prints.

Officially recognized as a vital unit of the recovery administration, this board has been engaged in research on which the government may base its future policies.

Its work promises to bring a step near realization the President's ideas for planned progress for the nation. Its report will be submitted to President Roosevelt and Secretary of the Interior Ickes, jointly.

Hitler and Mussolini To Hold Conference

VENICE, June 12.—Chancellor Hitler of Germany is due to arrive here at 10 a. m. Thursday for his conference with Premier Mussolini. It was learned today.

Mussolini will meet Hitler at the airport where he will be waiting for the chancellor's arrival from Munich. Mussolini and Hitler will go to Venice by launch and to the Grand Hotel, which will be Hitler's headquarters.

COLLECTED DRIFTWOOD

PERRY, O.—Fifty-six different kinds of driftwood from one Lake Erie Beach have been collected over several seasons and named by the Rev. W. A. Warren. Included are black walnut, yellow pine, cherry and white oak. Some of the wood had apparently come from shipping boxes thrown off boats, and broken furniture, long "drift." Strips of white ash from an old broom handle hold the display case in place.

Cleburne PWA Fund Cut By One-Third

WASHINGTON, June 12.—The Public Works Administration today announced a change in its previous allotment to Cleburne, Texas, for improvements to its waterworks, reducing its original \$30,000 to \$10,000.

The original loan was recalled at the request of the applicants and the allotment changed to grant only 30 per cent of the cost of the labor and materials to be used on the project, the public works administration said.

Joint W. M. S. Circles Plan Banquet to Honor Men

The Friendship and Wide Awake circles of the Women's Missionary Society of the First Baptist church, met at the church Monday afternoon for general reports from standing committees which were submitted very satisfactorily, and approved by the president, Mrs. J. G. McGee, who presided during the hour.

Immediately after adjournment of the period members motored to the home of Mrs. C. B. Pruet, and complimented her with a dainty miscellaneous shower.

A discussion was held during the pleasant visit to the Pruet home, regarding plans to be completed in the near future for a banquet to be given at the church on the evening of Friday, June 22 in compliment to the men of the church.

The following committees were appointed by the president as follows:

Men's committee: Mmes. Bob Hodges, Nannie Walker, Ross

Hodges, Colonel Brashear, Hanic, and Hugh Russell.

Decorative committee: Mmes. J. A. Shackelford, Walter Jackson and Otto Bundick.

Table committee: Mmes. James Cozby, Webber, J. T. Tibbles and J. G. McGee.

Program committee: Mmes. G. W. Thomas, Lee Mitchell, W. A. Lewis and Felton Brashear.

Every man is extended a cordial invitation and asked to keep in mind the approaching date.

Mrs. Smith to Hostess Bridge Party Wednesday

Mrs. C. A. Smith will act as hostess to the New Era club members and guests at home, Summit and Wilson streets, Wednesday afternoon at 3 o'clock with bridge the diversion of the hour.

A pleasant hour is anticipated since guests are familiar with the Smith hospitality. This comes as the first social courtesy to the club personnel since their luncheon a few weeks ago marking the close of study until early fall when all clubs will reassemble for an active course of work.

To Live at Graham

Mrs. M. E. Dennis, who has resided at 427 Pine street for the past few years, was married to Mr. J. O. Williams Monday afternoon at Breckenridge, with the Rev. H. S. Goodenough, pastor of the Presbyterian church, reading the ceremony.

Mrs. Williams is well remembered as a capable seamstress, while Mr. Williams is employed by the Stovall Hot Water Wells company at South Bend.

Mr. and Mrs. Williams will be at home in Graham.

"Beneath the Arctic Circle"

A motion picture from the Board of National Missions of the Presbyterian church, will be shown tonight, 8:15 o'clock, at the First Presbyterian church of Ranger. Rev. L. R. Hogan, Field Representative, will make an address while the picture is going on. Come, you will enjoy it, and will have an opportunity to learn much about Alaska, the land of scenic beauty, the home of glacier and iceberg. You will see shots of Taku and Mendall Glaciers; Gold mine at Ju-

YOUR GROCER HAS THIS SUNNY WAY TO BETTER HEALTH

Check Common Constipation with a Delicious Cereal

Food has a lot to do with how you feel and how you look. For instance, you need plenty of "bulk" with your meals to avoid the risk of common constipation. This ailment frequently causes headaches, loss of appetite and energy. Yet, in most cases, it can be overcome pleasantly and safely by eating a delicious cereal.

Kellogg's ALL-BRAN furnishes "bulk" in convenient and concentrated form. Laboratory tests show the "bulk" in ALL-BRAN is safe and effective. In fact, it is much like that found in leafy vegetables.

Within the body, the fiber of ALL-BRAN absorbs moisture, and forms a soft mass. Gently, this clears out the intestinal wastes.

In addition, ALL-BRAN provides vitamins B and iron. Isn't this sunny way better than taking patent medicines—so often harmful? Two tablespoonsful of ALL-BRAN daily are usually sufficient. Chronic cases with each meal if seriously ill, see your doctor. ALL-BRAN makes no claim to be a "cure-all."

Enjoy ALL-BRAN as a cereal, or cook into appetizing recipes. Be sure you get Kellogg's ALL-BRAN. It contains much more needed "bulk" than other bran products. It is the real-bran cereal. Made by Kellogg in Battle Creek.

Rioter Hurls Back Grenade, in Startling Action Photo

One of the most remarkable pictures taken during the Toledo strike riots is this one, showing a rioter an instant after he had caught a smoking gas grenade flung by an Ohio guardsman and hurled it back into the troops' ranks. The picture plainly shows the grenade just after it had left his hand. This graphic shot was taken by George Blount, Toledo News-Bee photographer, an aerial cameraman overseas during the World War. With another photographer, who is shown foreground getting a dose of gas, Blount braved bullets and stones to snap this startling action. In the left, through the trees, is shown part of thousands watching the affray.

TEE PEE WINS FROM ELKS BY 19 TO 1 SCORE

TEE Pee Played heads-up ball throughout the game Monday afternoon to defeat the Elks club by a score of 19 to 1. The Elks had lots of trouble both at bat and in the field, getting but three hits throughout the game, while in the field they made 18 bobbles to allow many of the Tee Pee runs to come in.

TEE Pee played almost perfect ball, only one error being chalked up, that against Delmasco at third base that might possibly have been scored as a hit, but he got both hands on the hot grounder and let it get away from him long enough to let the batter reach first base. Throughout the remainder of the game, he scooped up better hit balls with ease, making running throws to first that kept runners from reaching first.

He threw out four runners at first base and started a double play, Delmasco to McKinnon to Heidin, in the first that pulled Fitcher Robinson out of the nearest thing like a hole he encountered all afternoon.

In five innings the Elks were retired in one-two-three order, only in the first and fifth did they get a man on base and only four men batted in the first and five in the fifth.

This was the last scheduled game for Tee Pee for the first half of the season, while the Elks have a game with Service Club that was rained out in the first week of the season, which is to be played on Wednesday of next week.

The box scores:

Car Registrations Show An Increase

AUSTIN.—New passenger car registrations in Texas made another favorable showing during May, according to the University of Texas Bureau of Business Research. Seventeen counties representing all major sections of the state had a total of 5,599 registrations, against 5,425 in April and 3,760 in May, 1933, gains of 3.1 and 50 per cent respectively. In past years there has usually been a decline in sales from April to May.

Total sales during the first five months of the year were 21,748, compared with 13,276 during the corresponding period last year, a gain of 64 per cent.

CLOCK 119 YEARS OLD

BEAVER DAM, Wis.—A 119-year old clock with wooden movement, owned by Edward Ardorfer here, was restored to first class running condition by minor repairs made recently. It was made by Eliah Hotchkiss, Burlington, Conn., and purchased in 1815 by Gidney Howe, an ancestor of the present owner.

The engineers selected a place at El Jardin, between Laredo and Del Rio, as one of the sites for a storage dam with a capacity of 1,500,000 acre-feet.

The other site is at the lower end of the San Juan River in Mexico.

The engineers are making a survey on possibilities of equalizing and conserving the flow so that lower Rio Grande residents will not experience a drought one month and a flood the next.

Relief Costs Will Be Reduced By State Commission

AUSTIN, Tex.—Relief administration costs were again earmarked for reduction throughout the State, it was learned today from Director Marie Dresden of the Texas Relief Commission.

An immediate saving of \$3,500 monthly in State relief expenses is to be accomplished through a new "classification of position" system going into effect immediately.

Employees of the Relief Commission will receive wage reductions under the new system, excepting those now receiving minimum wages under the law.

Pay reductions, initiated in the interest of administrative economy, will be based on an appropriate wage scale, arrived at out of consideration of the duties performed by employees, thus bringing all employees doing the same kind of work into the same classification.

Plans for installing the system were discussed recently in New Orleans and in Kansas City where Federal Emergency Relief representatives conferred to discuss administrative problems touching six southern states. These representatives considered the feasibility of putting this "position plan" into effect elsewhere to insure a uniform system of employee pay-rating and duty classification.

All persons in the State relief service performing the same duties will be placed under the same work classification and receive the same pay.

Under the new set-up the administration will establish a set scale of service values, which will eliminate promotion except on basis of merit.

The establishment of the rate of pay for each separate classification of work will be determined from the minimum wage code requirement prevailing for that class of work.

The new program will be effective in two weeks in counties and today in central office.

Each relief employee in Texas has filled out forms containing personal history, the employee's ideas concerning scope of his duties and his supervisors' check-up, thus insuring accuracy in determining the actual field covered by each employee and percent of time spent on each task during an average day. This information will enable the administration to properly classify each employee according to types of duties actually performed in the regular course of his work.

The State is to be divided into areas. These are designated according to population and relief load. The relief load of the county is the number of relief rolls in relation to the population census of the county. The division of the counties into these areas will make possible the comparison of like situations. Group classifications of positions then can be obtained.

The system embraces a model organization chart which will be used in county administrative offices. On this chart will be mapped the definitions of duties of each employee. The necessary duties of each position will be

clearly outlined under each work classification.

The only exception to be made to the system will be where the county has certain exceptional conditions prompting the State administration to modify the plan in that area.

This program will ultimately save the State approximately \$65,000.00 each month.

Other savings instituted during the first sixty days of Director Dresden's administration are \$55,000.00 monthly through adoption of stringent purchasing policy and elimination of unnecessary personnel throughout Texas, making a total saving of \$275,000.00 monthly.
