Bill Baker's Grocery To Have Grand Opening This Weekend

Bill Baker's Grocery is holding its grand opening Friday and Saturday in a brand new building in North Dimmitt on US Highway 385. The store was a victim of a fire in late April and it had to be closed. Owner of the new building, Mrs. Jess Wright, decided to build instead of repair the old building so the frame building that once housed the store was moved to East Dimmitt and the new brick structure started in its place. The new brick building measures 60 x 50 feet and is tied into the Jess Wright building which houses Castro Cleaners and King Furniture Company. Mr. and Mrs. Baker, who own and operate the business, were open for business last week but postponed their grand opening until this week so final work on the building could be completed. The store is open until 9 p.m. daily and on holidays and Sundays. Mr. and Mrs. Baker bought the store from Mrs. Wright two years ago. It was known then as Cash and Carry Grocery.

Dimmitt Lions Club Host Foreign College Student Group Wednesday

Dimmitt took a tiny part this week in the growing cause of international understanding when the Lions were host to a group of four foreign college students and their two American companions. never having tasted a sample of the unique American life. The dark-skinned people may have also been the victims of race discrimination. Naturally these students are leaders when they return home. They are considered authorities on the United States by their families, their neighbors, and their associates. If they have a TV-image of this country, then this image is spread and believed.

The foreign students in Dimmitt Wednesday, who are out to be educated in our way of life were Ravinder Kumar Batra, 20, a pre-engineering student from India; David Blair Knight, 20, a geography student from Scotland; Bert Campbell, 18, journalism student from Luxembourg; and Gerhard Wessler, 28, theology and philosophy student from Germany. All of these young men made talks before the Lions, and they all indicated they had gained a highly complimentary image of the American people.

The two tour leaders, both Americans, are Dick Johanson, 20, of Cedar Falls, Iowa, and Lyle Dykstra, 21, of Madelia, Minnesota. These tour leaders conduct the foreign students from pleasant farm areas, busy industrial scenes, knotty trouble spots like Little Rock, Ark., and to scenic areas, talking and visiting with people all the while. The group usually stays in private homes that wish to take part in the program. From here the group goes on to the west coast.

Oregon Guests Mr. and Mrs. Hank Grindstaff of Oregon, former Dimmitt residents are visiting friends here.

NEW STORE—This is the new Bill Baker Grocery building in North Dimmitt on U.S. Highway 385. The building measure 60x50 feet and is all brick construction.

The Castro County News

Official Publication of Castro County, Texas

THIRTY FOURTH YEAR

DIMMITT, CASTRO COUNTY, TEXAS, THURSDAY, JUNE 29, 1961

10 PAGES—NUMBER 36

Castro County Receives Hail

Castro County farms received damaging hail Saturday evening which destroyed some crops totally. Some of the worst results of the hail was shown on farms north of Dimmitt in the southwest corner of the Jumbo Community, and northwest of Dimmitt.

Ed McLeRoy, farm representative of the First State Bank, said, "the cotton that was hit was really badly hurt, and some of the grain sorghum suffered an average of 15 to 25% loss while some of the wheat was a 100% loss but as a general rule about 60% of the wheat had been harvested." McLeRoy added that the older milo suffers much more from bad hail storms than does the younger milo.

Fred Kuntz Burned By Fertilizer

Fred Kuntz, local fertilizer dealer, was burned by anhydrous ammonia about mid-afternoon Wednesday when a hose slipped off of a coupling spraying him with the material. He was placed in Castro County Hospital and is expected to be released Friday.

NOTICE

The Sunnyside Community is having its annual July 4th picnic at the Community Building, beginning at 10:00 a.m. Everyone who has ever lived in the community is invited. Bring a basket lunch and meet your friends here. There will be a short program in the afternoon.

Riding and Rodeo Clubs To Meet Sunday

The Dimmitt Rodeo and Riding Clubs will have a meeting Sunday afternoon at 3 o'clock at the Rodeo Arena. Herb Mayfield, Rodeo Association president, has urged all members to attend and bring their horses. Preparations will be made to participate in the Rodeo Parade in Amarillo.

Dog Vaccination Set For July 12 In Fire Station

All dog owners are asked to bring their pets to the fire station on Wednesday, July 12, sometime between the hours of 1 p.m. and 6 p.m., to have the dogs vaccinated for rabies and given a city license. The city will begin picking up strays at that time, according to E. B. Noble, City Manager.

96.2 percent of County Farms in Grain Program

Castro County farmers have gone almost all-out in the federal government's new grain sorghum program. There were 1,013 farms signed up in the county for the program, according to an ASC announcement last week. This is 96.2 percent of the total and represents 79,850.6 diverted acres.

Price support for grain sorghum this year will be up about 40 percent over last year's figure. This year's support is \$1.89 per hundred, making the crop much more significant to the county economy.

To qualify for this higher price support, farmers for the first time this year will submit to limited acreages on this crop. An average cut of about 20 percent of past plantings will be made on each farm. Measuring of cotton and feed grain acreage has begun.

Fire Destroys Huckabay Agency

A fire Thursday night, June 22, totally destroyed the Bob Huckabay Insurance and Abstract office located in the old Turner home at the corner of Southwest Sixth and Bedford. Although all of the office equipment was destroyed completely, the records were saved by Dimmitt's Volunteer Firemen. Huckabay said that the "biggest loss is the labor over many years of hard work."

Huckabay said that the fire department "deserves a great amount of credit. The firemen did a real good job—in fact, every one of them acted as if it was their own building that was burning. Even when the fire was going strong the firemen were going in and out of the house salvaging whatever they could." The fire, which started around 1 a.m. and lasted until 2:30, damaged the old building beyond repair. The building, which was formerly the old Turner home, is a landmark familiar to all who have lived in or around Dimmitt. Mr. Huckabay and family plan to remain in Dimmitt and "we are still open for business."

Visit in Littlefield Mrs. E. G. Underwood spent the day Thursday with her mother, Mrs. J. W. Brown of Littlefield.

Funeral Services For Ernest Jones Held Saturday

Funeral services for Mr. Ernest Jones were held in the Hale Center Baptist Church on June 24. Rev. Handtrock officiated with Rev. Stevens assisting.

Mr. Jones, 72, was born in Parker County, Texas on June 12, 1889. Mr. Jones moved to Hale Center in 1891 by covered wagon from Parker County. Jones moved to Castro County in 1916 and married Mary Barton Benson in 1917.

Mr. Ernest Jones, one-time farmer and rancher, died in the High Plains Hospital in Hale Center as a result of a series of heart attacks.

Mr. Jones is survived by his wife, Mary, two sons, Billy Nash Jones and Bobby Gene Jones, of Dimmitt, one sister, Mrs. Myrtle Flake of Lubbock, five brothers, Claude of Plainview, Charlie of Olton, Virgil, Bence, and Orville of Hale Center, and a granddaughter, Mary Elizabeth and one grandson, Robert Rawlings.

Rodeo, Homecoming Set For August

The dates currently set for the annual Dimmitt Rodeo are Thursday, Friday and Saturday, August 10, 11, and 12. The Old Settlers Reunion will be held in conjunction with the rodeo, on August 12th. Plans for the weekend celebration will be announced later.

Lack of Oxygen Sends Local Man to Hospital

Mr. Jack Powers, a professional painter, suffered a respiratory ailment Monday about noon when he passed out from lack of oxygen. Mr. and Mrs. Powers also manage Dimmitt Motel and they had been doing some work around the motel when Mr. Powers felt the attack coming on. When he later failed to get better Mrs. Powers called the fire department and requested oxygen for her husband. The department used all it had but failed to revive Mr. Powers sufficiently and he was taken to Castro County Hospital by Dennis Ambulance. He was released Thursday morning in a much improved condition, although he still has some trouble breathing. He has suffered a similar attack about six months previously.

Freight Train Derails Saturday

A Fort Worth and Denver 90-car freight train loaded with wheat partially derailed at 10:15 Saturday night about three miles south of Dimmitt.

The three center cars that derailed were not damaged to any extent as they did not overturn or damage the contents of the cars. The deraillment damaged about 230 feet of track which was repaired by 3 p.m. Sunday afternoon.

Former Korean War POW Tells Experiences Here

"We must educate our families and friends about the stark realities of world communism," a former prisoner in the Korean War told the Dimmitt JayCees Tuesday. Mr. Lee McKinney, veteran of three years in World War II and three years in the Korean Conflict, is presently secretary of the Tullia Chamber of Commerce. 28 months of his army service in Korea was spent as a prisoner of the Chinese Reds.

The tall, slender former platoon leader told how he had signed up for the reserves on receiving his separation from the army after World War II. Then in June of 1950 he was recalled to active duty after he had made plans to get married. In K Company of the 19th Infantry Regiment of the 24th Infantry Division, Mr. McKinney's squad was caught in a massive counter attack that smothered his sector of the front lines under Chinese soldiers. "My men didn't have a chance," he said, "It was just like being caught in a flood." He managed to hide out behind the lines but was captured.

What followed was a brutal march northward that consumed the lives of 1,000 of 1,500 men who started out. "Men died of malnutrition, starvation, infected wounds and exhaustion," he said. They were eventually billeted at a Korean village where death was an everyday occurrence. Forced to live on boiled maize and millet, the men were dressed in freezing weather only in pants and shirts made of light sacking material. McKinney told of his periods of solitary confinement "because I was considered a troublemaker by the Chinese." The men slept in rooms seven feet square, nine men to the room.

"The communists fear the Bible," he said, "and I sincerely believe that Christianity is the best possible way of combating world communism. They are dedicated to taking us over and our chief hope is to continue spreading the Christian religion. I lived as a prisoner of people who believed in communism for 28 months and I know this scourge is a real and dangerous menace to freedom-loving people everywhere."

NOTICE All stores in Dimmitt will be closed for the July 4th Holiday next Tuesday.

Schmucker Rit To Be Held Saturday, July

Henry Frank Schmucker, Nazareth, died in the Castro County Hospital at 8:20 p.m. on Wednesday June 28. Funeral services will be in the Holy Family Church at 9 a.m. on Saturday. Rev. Prosper Lindenaur, pastor of St. Meinrad Church in Indiana will officiate in the service.

Mr. Schmucker was born in Elen, Germany August 12, 1883 came to Nebraska when he 10 years old. In 1908 he moved to Nazareth where he lives since that time.

Survivors include his wife of home; two sons Elvis C. Schner of Hereford; Captain Arno Schmucker of Tucson, Arizona; two daughters Mrs. Agnes W. of Woodward, Oklahoma and Maurine of St. Scholastica Convent Fort Smith, Arkansas; and brothers Casper and Frank of dyce, Nebraska; two sisters Theresa Boehmer, St. Helena, Nebraska; Mrs. Francis Bonert Fordyce, Nebraska.

Funeral services are under direction of Dennis Funeral Home and interment will be in the Family Cemetery in Nazareth.

High Plains Farm Return Near 11%

High Plains farmers have highest return on their investment of any farm area in the United States, according to Department of Agriculture survey.

In a research study of costs and returns, the USDA, the highest return per \$100 invested has been \$10.99 on the irrigated high plains. This is eight percent return on the farm investment.

It was also announced that average tobacco-dairy farm in 1950 lost an average of \$2.06 \$100 invested. Cattle ranches in the South showed earnings of \$3.34 and horse ranches, \$4 per \$100.

Rev. Hugh Blaylock Is Officiating For Relative's Funera

Rev. Hugh Blaylock, minister of the First Methodist Church in Dimmitt, and wife left this week, plane, to Los Angeles, California where Rev. Blaylock will officiate in the funeral services of his wife's brother-in-law, Mr. O. D. Jacobs. Mr. and Mrs. Blaylock will return to Dimmitt on Friday of this week.

Returned From Colorado Mr. and Mrs. O. K. Howe have been in Colorado where Mrs. Howe attended Colorado State College taking a course under Dr. F. MaKee, author of a reading to book Mrs. Howe uses in teaching the first grade. Mr. and Mrs. Howe visited with their son, Lt. O. Howe in Colorado Springs.

Dimmitt Goes International With 36 Exchange Students as Houseguest

By Joey Cowen "Look at that airplane go!" and "It nearly hit the ground!" cried one of the thirty-six foreign exchange students watching the D & D Aerial Spray team at work spraying a crop. This incident marked the beginning of an interesting day with the students who spent Tuesday, Wednesday, and Thursday morning in Dimmitt on their long tour to New York City and to their home lands. After the crop had been sprayed and the youngsters had inspected the aircraft closely they then traveled on to the Easter Community

where they toured the grain storage barns and examined the different methods used to store grain. Terry Cracknell, who is employed at Community Grain, joined the tour of the farms immediately when he found a "fellow Englishman," Miss Eileen Booth, among the foreign exchange students. The bus and automobile caravan then went from Community Grain to various neighboring farms in the Easter and Frio Communities. The astonished students, with cameras bouncing along, hurriedly ran ahead of combines at work to take pictures and to watch how

the "amazing machines" worked. Of course the intrigued youngsters tried to learn how to set irrigation tubes along a ditch. They did not have much luck, however, until Jim Dowdy, high school agriculture instructor, and Cracknell showed them how it was done. "Look at all the cattle," exclaimed one of the many fascinated students who were at the Mundell Farm on their trek through the stock pens. The youngsters, who were beginning to get a little weary, then journeyed on to Dimmitt for a two-hour rest at dinner stop at the legion hall where the Dim-

mitt Wheat Growers Grain Company fed them with barbecued steak, which, according to a number of students, "was the best meal we have had since we have been in the United States." Then to begin the tour of the city, the well fed young people went to the North Gin where they had the opportunity to see the huge equipment used in ginning cotton. When the excursion stopped at C & S Equipment Company, all of their attention was held on rows of new tractors in the warehouse. The students climbed on the tractors and studied the controls as Mr.

Goldman Dyer started some of the operations of the John Deere. The city tour was then continued, by foot, to the city hall where the young people met the mayor and some of the city employees. The city jail then held the students in interest as Chief of Police, W. W. Jones showed them the operations of the huge door locks. The next center of interest was the fire department where Fire Chief Willie Word led the students examine all of the fire fighting equipment and his new living quarters. The high school students then disbanded and

went to the stores in town to buy souvenirs and to look around for about thirty minutes. The youngsters assembled at the bus after all business in town was done and went to the swimming pool where they cooled off for about an hour. From the hours of five and seven p.m. the students went home with the families they were staying with and they cleaned up, dressed and rested before the family-style picnic at the city park and the party held in the Legion Hall. All of the families brought food and drink for everyone at the park.

Each one of the foreign boys and girls introduced themselves and told where they lived in California and where their original home was. Mr. Tomaso Busachi, of Italy, made a speech in behalf of all the students thanking the Dimmitt citizens "for the most enjoyable stay since we left California." All of the foreign exchange students and the Dimmitt students as well seemed to thoroughly enjoy the party and dance held at the legion hall. Mrs. Bruce Taylor furnished refreshments for all of the tired, hot students during the dance. The day ended for the students at

eleven p.m. when they all went home with their families. The youngsters left by bus hereford Thursday morning. The students said that the tour of Dimmitt and Castro County was best organized and enjoyable that they had received. James E. Wolgemuth, O. president of the local American Field Service, said "We deeply appreciate the acceptance of the students and the help given us in American Field Service by the residents of Dimmitt and Castro County."

... They watched crop dusters ... and irrigators ... and the cameraman ... and they picnicked and visited at the park

Senator YARBOROUGH'S REPORT

Literally thousands of you have written me, giving me the benefit of your views on issues before the Congress, since this new session opened in January. Your letters, which tell me what you and other Texans in your area are thinking, and needing, and wanting done are invaluable to me.

Responsible, informed exchange of ideas between citizens and their congressmen is basic to the successful operation of our Democratic system of government by the consent of the governed. Your position and reasoning as expressed in your letters is given the most careful consideration, and this despite the fact that I receive a veritable mountain of mail. For example, recently I received a letter from an eleven year old boy urging me to vote against a bill because he said he felt that its passage would put his dad out of work. A few months later I received a letter from the boy's father, asking me to ignore his son's letter because as he quoted it: "was extracted by duress from him by the school faculty." That's what we call getting both sides of a question from the same family.

Since I'm so far away from Texas, your letters are my best source of information, the best way to express your wishes, and the best means by which I can render an informed service.

Fellow Texans, please continue to give me the benefit of your views. We work to answer all the mail. To me there is no unimportant letter.

HOMES FOR EVERYBODY I. E. H.

You know how important nitrogen is to your small grain. Monsanto Anhydrous Ammonia packs more nitrogen per pound and per dollar than any other type of nitrogen fertilizer. It is guaranteed 82.2% nitrogen.

Monsanto Anhydrous Ammonia resists leaching... remains "locked" in the soil, ready to work when your crops need it most... and you put it right in the root zone.

It's easy to apply... saves time and labor. Applicator tanks are quickly filled. No bags to tote, tear or tip. You can apply all you need for the entire growing season in one operation, or you can use it before planting, followed by an early side-dressing of ammonia. Let us help you build your fertilizer program around Monsanto Anhydrous Ammonia.

Christian Church Joins National Contest

The First Christian Church of Dimmitt has entered the summer campaign of "The Lookout", a national Christian Church Bible School publication to show an increase in attendance during July and August over the same period of the past two months. The Harvest For Christ is the campaign slogan for churches in the campaign. The Dimmitt church will compete with churches of similar size over the nation to try to show the greatest gain. Its last July-August average was 28. Its last quarter average just closed was 31. With several recent additions the church membership is now 38 and growing. During the past quarter, Bible School attendance reached 60 one Sunday and 52 three Sundays. Efforts are being made to have over 60 to set a new high for the church established in Dimmitt February 25 of 1960.

church met for its regular fourth Wednesday fellowship meeting by having a basket dinner on its church lawn. Attendance was good though some could not attend because of the harvest. All enjoyed the feast and fellowship. "A Psalm For Every Need" will be the 10:50 a.m. topic on July 2. Evening services are at 6:00 p.m. "Christ in the Psalms" will be the sermon theme. These two sermons are intended to help with a better understanding of the Psalms, the best loved Old Testament Book. The Bible School meets at 9:45 a.m.

BISCHOFFS RETURN FROM NEW YORK
Dr. and Mrs. Harold W. Bischoff will return this Friday from a combined business and pleasure trip to Washington, D. C. and to New York City. Dr. Bischoff was appointed to a special committee in the American College of Chest Physicians and met with the committee while in New York City.

Hunt-Bradley Exchange Vows in Dennis Chapel

Miss Ann Hunt, daughter of Mr. and Mrs. Floyd Hunt of Levelland, and Bobby Bradley, son of Mr. and Mrs. Jack Bradley of Dimmitt, were united in a double ring ceremony June 17, in the Dennis Chapel in Dimmitt with Mr. D. C. Lawrence, Minister of the Church of Christ in Ralls officiating.

Draped satin and garlands of lacy fern flanked with baskets of white gladiol and mums formed the altar decorations.

Mrs. Milton Sharp was the organist and her husband, Mr. Sharp was the soloist.

The bride, given in marriage by her brother, Ronald, was attired in a blue two piece suit. She carried a white carnation bouquet on her Bible.

Miss Sandra Powell of Whiteface served as maid of honor. She wore a beige dress and matching accessories. Miss Linda Bradley, sister of the groom was ring bearer.

Jack Bradley, father of the groom was best man. After a wedding trip Mr. and Mrs. Bradley are residing at 210 S. W. Third in Dimmitt.

Mrs. Sheffy is Bridge Hostess Monday

Mrs. Sid Sheffy was hostess Monday afternoon with a bridge party honoring Mrs. Loyd Wheelus of Santa Rosa.

Coconut Cake and raspberry sherbet was served to Mesdames Raymond Wilson, George Bradford, Clarence Bearden, Norman Cleavinger, Posey Cunningham, Loyd Wheelus, Margaret Boren, R. N. Carpenter, Richard Bills, and H. H. Carlie.

AMBASSADORS FOR FRIENDSHIP — These young men appeared before the Lions Club at the noon luncheon Wednesday to tell of their tour throughout the USA as part of the Ambassadors for Friendship program being conducted for foreign college students in this country (See story, page 1). Left to right are Ravinder Batra, India; Dick Johanson, tour leader from Cedar Falls, Iowa; Bert Campbell of Luxembourg; Lyle Dykstra, tour leader from Madelia, Minnesota; and Gerhard Wessler of Germany. They were spending several days in Olton and came over to eat and talk with the Lions Club.

Cleaver-Varner Vows Read In Dennis Chapel

Miss Eloise Nan Cleaver, daughter of Mr. and Mrs. D. L. Cleaver of Dimmitt and Jerry Wayne Varner, son of Mr. and Mrs. Edgar Varner of Hart, were united in a double ring ceremony on June 14 in the Dennis Chapel with Rev. Denzil Leonard of the Hart Baptist Church officiating.

Plumosis fern and satin draped the altar, with baskets of white stock flowers on either side.

Miss Laura Ivey was the organist and Miss Kathy Gollehon was the soloist.

The bride, given in marriage by her brother, Gary, was attired in a dress fashioned with chantilly lace and a floor length skirt. Her bouquet was a cluster of white carnations and two orchids placed on a white Bible.

Miss Beth Cleaver, sister of the bride, was maid of honor. She wore an orchid nylon dress featured with a short skirt.

Edgar Byrd of Tulia attended the groom as best man. Groomsman was Gene Varner, brother of the groom.

The reception after the ceremony was held in the home of Mrs. Woody George. The serving table was decorated with a centerpiece of orchid candles and the attendant's flowers.

The bride chose a pink cotton dress and a jacket ensemble with pink and beige accessories for travel. After a wedding trip to New

Mexico, Mr. and Mrs. Varner will reside in Hart.

Mrs. Varner graduated from Dimmitt High School this year. Mr. Varner was a 1958 graduate of Hart High School. Mr. Varner is engaged in farming near Hart.

Mrs. L. Eual Robinson In Denton Attending TWU Institute

Mrs. L. Eual Robinson of Dimmitt is in Denton June 12-August 1 to participate in a special Texas Woman's University Summer Institute in Radiation Biochemistry for Senior High School Teachers.

The Institute is jointly sponsored by TWU and the National Science Foundation and the Atomic Energy Commission. It is concerned with the theory and methods of radiation detection and is directed by Dr. Harold T. Baker, associate professor of chemistry and physics at TWU.

Mrs. Robinson, whose address is 304 S. W. Seventh, teaches science in Dimmitt High School.

PARTY HOSTESS
Mrs. Fred Moulton was hostess a Stanley Party and later the evening to a "42" party on July 27. Zola Langford was the Stanley guest. A total of twenty-three guests were present.

VISIT LINDA HANCE
Diane Fischer of Lubbock, Jani Greer of Graham, and Donna Zoloid of Shallowater visited Linda Hance Friday. Miss Hance returned to Lubbock with them to spend the weekend.

Fertilize cotton cheaper with Monsanto Anhydrous Ammonia from

DIMMITT WHEAT GROWERS INC.

You want cotton-producing nitrogen—not the package. With Monsanto Anhydrous Ammonia there's no bag to tear, tote or tip—and you save the cost of bags and bagging. Better yet, Monsanto Anhydrous Ammonia is 82.2% nitrogen, so you get more nitrogen per pound than with any other nitrogen carrier. State test results show an average increase from ten to fifteen pounds of seed cotton for each pound of nitrogen.

Monsanto Anhydrous Ammonia is easy to apply... saves your time and labor. Applicator tanks are filled quickly. You can apply all the nitrogen you need for the entire season in one operation. We can help you plan your complete fertilizing program with Monsanto Anhydrous Ammonia... why not call or stop in today?

WE WILL CLOSE TUESDAY, JULY 4th. **PIGGLY WIGGLY** We Give S & H Green Stamps.
