MUSSOLINI SAYS WAR SURE TO START SOON

PEEPING THRU THE KNOTHOLE

With BILL MAYES
For more than a week we have been making ourselves thoroughly popular with some by writing at what others wanted us to write. We have had requests to write this and that from nearly everyone from the hotel porter to members of the school board, but requests have been fulfilled with the exception of one minor one for next week, which will come later. Now we are going to branch out and get back to our own writing once more.

Walton Instructed To Discipline Any Pupil Misconduct

At a meeting of the board of trustees of the Ranger Independent School District, held Tuesday night, the entire board discussed the action of some members of the board, who were reported to have done considerable damage to hotel fixtures while in San Angelo Sept. 30. After some discussion a motion was made by Dr. R. H. Hodges, seconded by Felton Brashier, declaring the conduct of the board members who might have been guilty of misconduct which was reported to the board, and putting the board directly on record as being vigorously opposed to such actions. The motion instructed Supt. W. J. Walton to take such disciplinary measures as he deemed necessary in the future, even to expulsion of such students as might be found guilty of misconduct.

Committee Asks Support For Ranger Band

A few days ago three committees, representing the Ranger band made an earnest effort to see every business man in Ranger in soliciting funds for the operation of the band for the coming year of 1935-36. The committees met with 100 per cent cooperation from all whom they were able to see. There were quite a number of the citizens who were out of town and the committee is using this month's edition to solicit new. So when the Ranger band boys come around to see you in the next two or three days do not turn them down—they will have a small amount assessed you for each month of the year. New officers were elected to look after the band and it will certainly be much easier if all will cooperate. In this way the band will be able to have some needed materials and will be in better shape to render better service. The entire town is behind the band and its able director, J. F. Whitefield, so the committee will certainly be grateful to all if they will help us in a small way to finance the band like it should be financed. F. D. Hicks, chairman. C. E. May, Sec.-Treas. Mrs. E. M. Glazner. J. A. Johnson. Dr. W. L. Jackson.

CHICAGO WINS 3 TO 0 IN THE SERIES OPENER

NAVY FIELD, Chicago, Oct. 2.—The Chicago Cubs, with Louie Warneke, the Arkansas smoke ball king, on the firing line, picked up right where they left off in their sensational drive to the national league pennant today, to defeat Detroit 3 to 0, in the opening game of the 1935 world series. A crowd of 50,000, which packed every inch of the spacious stand, saw Warneke, given a typo run lead in the first inning, handcuff the famed Detroit sluggers with his blinding speed, wicked hooks and curves. Over the full nine innings the Tigers touched him for but four hits, at the futile rate of one an inning. Demaree added to the two run lead given Warneke in the first inning when he hit a home run into the left field bleachers in the eighth for the final score of the (Continued on page 2)

BAND AND PEP SQUAD WILL GO TO POLY GAME SATURDAY NITE

At a joint meeting of members of the Ranger Band committee and the Ranger High School athletic committee, held this morning, it was voted to have the pep squad and band go to the Polytechnic game at Fort Worth next Saturday night, under the same plan as used last year at the Central game. Everyone who is going to the game and who will have room for one or more members of the band or pep squad has been urged to take as many as possible along with them, and to notify Miss Eleanor Kirkpatrick, sponsor of the two organizations, in order that places may be assigned for all. The group of fans who go to the game will meet at Marine Park, on West Seventh street, Fort Worth, at 6 o'clock, where they will assemble for the trip into town, escorted by motorcycle police from Fort Worth. Marine Park is near the Trinity river bridge as one approaches the business section of town. The group of cars, estimated to be about 100, will leave Marine Park at 6:30 and will proceed through town to LaGrave field, where the game is to be played. Last year the same routine was followed and the parade of cars from Ranger, headed by the three motorcycle police, made quite an impression as it wended its way to the playing field. Fire Chief G. A. Murphy was elected as marshal of the parade in Fort Worth at the meeting today and will follow the police, with all cars bearing fans, members of the band and the pep squad, to the field. It was also decided at the meeting that transportation would be furnished the band to conference games, wherever possible, throughout the year.

AMERICA TO REMAIN OUT OF ALL WARS

SAN DIEGO, Calif., Oct. 2.—In the blunt language characteristic of his talks, President Roosevelt served notice on a world torn with fear of strife this country will remain "unentangled and free." He chose this Southern California city, now in the midst of an exposition, to develop and project his foreign policy of "good neighbor" and at the same time to set forth his principles of religious liberty and a regime of domestic accomplishments of the New Deal. Observing the two most menacing clouds are "malice, domestic and foreign war," he added: "The second cloud, foreign war, is more real, a more potent danger at this moment to civilization. It is not surprising that many of our citizens feel apprehension lest some of the nations of the world repeat the folly of 20 years ago and drag civilization to a level from which recovery may be all but impossible. In the face of this apprehension the American people can have but one concern and speak but one sentiment. Despite what happens overseas the United States of America shall and must remain as the Father of Our Country prayed that it might remain—unentangled and free."

ITALIANS TOLD ITALY IS NOT TO BE STOPPED

20,000,000 Hear Mussolini Tell of War Which Is To Start At Any Time.

ROME, Oct. 2.—Premier Mussolini told the Italian people in a ringing warlike speech Italy is ready for war and cannot be stopped from its conquest of Ethiopia. To 20,000,000 Italians called from their homes and work in the greatest test mobilization, Mussolini declared: "To acts of war we will respond with acts of war." Mussolini spoke from the balcony of the Venezia palace. He recited Italy's grievances against Ethiopia, the failure of allies to grant Italy a share of colonial spoils after the World War, and Italy's readiness to proceed on her course despite international penalties. "The blackest kind of injustice is now being done toward Italy and Italy is being refused her just place in the sun," he declared. Mussolini announced hostilities are about to open in East Africa. "Fascist Italy," he declared, "is firm in its aims and the decision to maintain contact with its soldiers in East Africa to serve as an encouragement to them as they are about to fight." He did not say when hostilities would start, but said: "A solemn hour is about to sound in the history of the fatherland."

"20,000,000 Italians are gathered in all the squares of Italy. These 20,000,000 have only one heart, only one will and only one decision. This manifestation wants to signify the complete and absolute identity between Italy and Fascism. Only ignorant brains can think the contrary because they do not know what Fascist Italy of 1935 is. "It is not only an army which is marching toward its destiny today but there are 44,000,000 Italians as well marching with this army." Both in Venezia square and everywhere else it was a scene of enthusiasm possibly unparalleled in Italian history. When Mussolini finished after speaking for 18 minutes the national mobilization was declared ended. The vast crowd broke into a roar of cheering. The waves of sound beat against the walls of the palace and echoed back into the square.

ADDIS ABABA, Oct. 2.—The Ethiopian government charged that Italy already has invaded its territory decided today on immediate general mobilization. The government was informed the Italians massed at Assab in Eritrea had constructed two attack bases in the Ethiopian territory and dangerously near French Somaliland. The emperor, it was said, has therefore decided to decree mobilization tomorrow, unless there is a last minute change of plans.

University School of Business Administration

It is the objective of the School of Business Administration of the University of Texas to provide professional training for prospective business men and women which will improve their efficiency as employees, employers and citizens.

There are opportunities for Texas-educated people in Texas. The business interests of the state are large and growing. The products of the farm and the ranch must be sold.

Then the bulletin asks this pertinent question: "Shall opportunity for Texas youth be deflated?" This is an argument that should appeal to all the people under Texas skies.

This is the warning given to the friends of education everywhere in Texas; to parents and guardians, to law-makers and laymen: "last year three of the strong faculty members of the School of Business Administration left Texas to accept positions paying about half the salaries paid here."

This is the pertinent inquiry on the part of those responsible for the education of the youth of Texas: "It is statesmanlike to continue to deflate educational opportunities for youth, when so many billions of dollars are being spent to inflate other activities."

"Early Bird" Orchestra to Present Double Attraction in Ranger Tonight

Yes, there are special happenings scheduled in the social calendar for tonight. This afternoon brought to Ranger the Early Bird orchestra of WFAA, Dallas, with the popular Hyman Charninsky, director, among the personnel of sixteen radio artists.

The musical revue, under the auspices of American Legion Carl Barnes Post No. 69, will be given at the Recreation building this evening at 8 o'clock, followed with a dance at the Legion clubrooms, at 10:00.

According to Miss Marjorie Lee Robison, booking manager and general manager, a snappy floor show will be a high light of the dance hour which is being highly anticipated by a large number of dancers, not only in Ranger but nearby cities who are in receipt of invitations.

The double attraction brings to the social autumn whirl, a program which promises to live, long and long, in the memory of those who have the evening reserved for the pleasant event.

PEEPING THRU THE KNOTHOLE

(Continued from page 1)

that the opposing team will kick, the entire Poly line with the exception of a couple of tackles, drifts back to form interference for the safety. This has been working admirably to date.

However that is not new, as the TCU Horned Frogs had that kind of system back in the days when Cy Leland was running wild through the Southwest Conference. But Dexter Shelley, now coach at Cisco High, and at that time halfback on the University of Texas Longhorns, put a stop to that.

As we remember it it was fourth down and nine or 15 yards to go. Shelly dropped back. So did the TCU line. When the ball was snapped instead of kicking Shelly ran, the TCU line make perfect interference for him down the field. Before they found out what was going on behind their backs, and as they turned to lead Leland back up the field to a touchdown, Shelly snaked around them at top speed and made a touchdown.

Reports are that thereafter TCU left more linemen to guard against running plays.

The Ranger Junior College Rangers will get their first taste of real football Friday afternoon when they take on the Daniel Baker College freshmen in a game at Lillard field.

Coach E. T. Sealey has been giving his charges some important football dope and has given them a number of tricky looking plays, including laterals, backward passes, forward passes, straight running plays and just plays. They have been able to master most of them in pretty good fashion, it seems in practice, and they get their baptism of fire here Friday.

No doubt some of the plays will click and his fast, but more or less light backfield, behind a fairly heavy line, should make a good showing against the freshmen from Brownwood, about which nothing has been heard, except that they have a football team that is calculated to put up a good game.

If we can crash the gate we will be on hand to see how the Rangers look. We have seen them in practice and in scrimmage and they look more promising than one would think, since little has been said about them. But even if we do crash the gate it is doubtful if we will see the game from the press box. It looks too dangerous, and we had rather be nearer the ground in case anything happens to the press box.

Annual Ward Week Missionary Movie Starts in Ranger Retail Ward Store Will Be Shown at A Local Church

Today marks the beginning of "Ward Week," one of the outstanding selling events in the United States, in which Montgomery Ward retail stores offer special and unusual bargains.

Ward Week is an annual event that is looked forward to by many Ward customers throughout the nation, and by customers of the Ranger store living over a radius of nearly 100 miles.

As is customary during Ward week, special purchases have been made by the company, with large quantity buying making the usual values possible. These bargains are offered throughout the week, after which the regular retail prices will again prevail.

Many thrifty shoppers throughout this section of the state watch for Ward Week and plan purchases several months ahead in order to take advantage of an opportunity that is offered locally but once a year.

"Skylines," a Missionary movie, will be shown at the Presbyterian church tomorrow night, Oct. 3, at 7:30 o'clock. This new picture, sent out by our board of National Missions, will be presented by Rev. J. L. Cleveland of Fort Worth. Mr. Cleveland is the newly appointed representative of this Board, for the Presbyteries of Abilene and Fort Worth. He gives the lecture, and pictures accompanying it, at Strawn on Oct. 2nd; at Ranger, Oct. 3, 7:30 p. m. and at Eastland Oct. 4th. Then on further west each night for a week or more. It is hoped that every member of the church and all our friends will attend the Ranger meeting, and find out just what the church is doing in the cities, and all over the nation for the expansion of the Kingdom. You will enjoy the service, and the pictures.

'Pursuit' Is Chester Morris' First MGM Film at Arcadia

When Chester Morris went into the principal male role in "Pursuit" at the Metro-Goldwyn-Mayer studios, he went in as the latest contract player with the organization.

On the eve of his new picture, which comes Wednesday to the Arcadia Theatre, the actor was signed on a long-term contract. His outstanding hit in "Public Hero" preceded his signing.

The son of William Morris, famous stage star, Chester Morris came to pictures some years ago to score outstanding hits in "The Big House," "Alibi," "Fast Life" and others. He was the hero of "Red-Haired Woman," one of Jean Harlow's greatest hits.

Recent pictures in which he has scored include "Public Hero," "Society Doctor," "The Gay Bride" and "Gift of Gab."

Before coming to pictures he won note on the stage, especially in "Alibi." He began his career with Lionel Barrymore in "The Copperhead" on Broadway and was leading man at seventeen in "Turn to the Right." His brother, Gordon Morris, is a well-known screen writer.

In his first picture under his new contract he is teamed with Sally Eilers in a comedy romance of high adventure in which a young couple spirit a child, object of a guardianship suit, out of the state by automobile, through auto camps, farms and to the Mexican border. Edwin L. Marin directed and Lucien Hubbard and Ned Marin produced, with a cast that includes C. Henry Gordon, Henry Travers, "Scotty" Beckett, Dorothy Peterson, Harold Huber and Minor Watson.

Minimum Age of CCC Enrollees Is Lowered a Year

AUSTIN.—Minimum age limit for CCC enrollees has been lowered from 18 to 17, State Enrollment Supervisor Neal E. Guy announced Saturday.

The ruling will apply for the October enrollment, when every eligible person in the state is expected to be given a chance to enlist in the CCC.

Enrollment will be open for all unmarried men between 17 and 28 whose families are on relief rolls. The dates are inclusive, and a person who has passed his 17th birthday is eligible, as is one who has not reached his 29th.

Mandatory discharges have been discontinued, and enrollees may stay in camps indefinitely. Also, persons honorably discharged may re-enlist, provided their previous service was not less than four months. Eligible enrollees, however, honorably discharged prior to Oct. 21, 1933, may be re-selected without regard to length of previous service.

Guy advised persons in the lower age brackets, particularly the 17-year-olds who are in school, to continue their schooling as long as possible, with the hope of enlisting later. For those who cannot continue in school, the CCC conducts an educational program in each camp, he pointed out.
