137 to Graduate in County

The county's three high schools will graduate 137 seniors during the next eight days as the 1967-68 school year comes to a close.

AT DIMMITT High School, a record 91 grads will walk the aisle of the High School auditorium for baccalaureate services Sunday night and commencement exercises Monday night. Both services will be at 8 p.m.

Baccalaureate speaker will be Joe R. Barnett, minister of the Central Church of Christ of Amarillo.

THE D.H.S. commencement was updated to let the graduating seniors out of school a week early, since they're exempted from

classes during the final week anyway. Undergraduates and elementary pupils will have six more days of school after commencement, with final exams scheduled for May 27 and 28.

Class speakers at the Monday night commencement will be Debra Summers, valedictorian, and David A. Harris, salutatorian. School Board President Ward Golden, who has twin sons in the graduating class, will present diplomas. He will be assisted by Supt. Paul Hilburn.

HART HIGH School will graduate 22 seniors Friday night. The commencement exercises will begin at 8 p.m. in the high school auditorium.

David D. Harris will give the valedictory address and Lynda Shive will present the salutatory. Supt. Andy Gardenhire and School Board President Ralph Futrell will present the diplomas.

The Hart High School seniors held their baccalaureate service May 5 in the First Baptist Church. NAZARETH High School's 24 graduating seniors won't take their final walk together until May 24.

The NHS seniors will attend baccalaureate mass at Holy Family Church at 8 a.m. Sunday, then will hold their commencement exercises at 8 o'clock the following Friday night in the school cafeteria.

Class speakers will be Theresa Pohlmeier, valedictorian, and Sharon Hochstein, salutatorian. Diplomas will be presented by Supt. John Slavik and School Board President Francis Wilhelm.

Hart Farmer Is Shooting Victim

Judd Davis, Hart farmer, was admitted to Plains Memorial Hospital Saturday evening with a bullet wound in his leg following a shooting incident in his home.

HIS WIFE, Mary, was hospitalized at the same time in a state of shock and hysteria.

County law officers are declining comment on the incident since neither Davis nor his wife have made a statement.

County Attorney Jimmy Ross confirmed that the incident occurred about 6:30 p.m. Saturday, and said Mr. and Mrs. Davis apparently were the only ones in their home at the time. He said he didn't know whether his office would file charges or not.

Davis is in good condition, according to his physician, and is expected to be released from the hospital today (Thursday).

Civil Defense Meeting Called

County Judge Raymond Wilson has called a meeting for tonight (Thursday) to organize a county-wide Civil Defense unit.

THE MEETING will be at 7:30 p.m. in the assembly room of the courthouse.

The new CD unit is being formed mainly to provide organized help in case of tornado or other natural disaster, Judge Wilson said. He urged all persons interested in working with the life-saving volunteer organization to attend tonight's meeting.

about dimmitt and castro county by b. m. n.

Had coffee with Judge Wilson and Commissioners Wright and Winders the other day and they agreed with me that the number of voting precincts in the county should be reduced to eight. There are now sixteen polling places in the county. The number should be cut in half. I predict that the Commissioners Court will take care of this bit of streamlining and upgrading of the voting arrangement in the county.

Wonder what effect the one-man one-vote edict will have on the rearranging of commissioner precinct lines in Castro County. It will come sooner or later and probably sooner. In order to place an equal number of voters in each precinct a considerable amount of shifting of precinct lines will have to take place. When it happens, chances are that a goodly number of people who vote dry will find that they are living in a wet precinct.

During the coffee break with the county officials, mentioned above, I didn't get very far with the idea of paving the courthouse square for a parking area. However, it will be done sooner or later because it is an economic necessity.

The run-off primary will be held on June 1, just a little more than two weeks from now. I will make you a prediction that Don Yarborough will be the victim of more mud-slinging in the next two weeks than any candidate has ever been favored with in Texas' mud-slinging history. A Port Arthur type story will probably be invented, and maybe some promotion agency will come up with a fifty thousand dollar lie, similar to the one told on Senator Yarborough in his last campaign. It is hard to imagine what it will be but mark my words, it will happen. The establishment will go all out to keep a Yarborough out of the governor's office.

The three big money spending candidates, Locke, Carr and Briscoe have already endorsed the candidacy of Preston Smith. John Hill is the only hold out among the big four and he promises to make a statement by the end of the week.

The special interests just have to have their man in the governor's office. Preston Smith wasn't their first choice, but since he made the run-off in spite of their druthers they will go all out to see that he is elected. As voters the people of Texas are the nation's most gullible. Tex doesn't realize that while the fair-haired boys, representing the special interests, pat him on the shoulder with one hand he has his other hand in Old Tex's pocket up to his elbow.

Just for an example consider Governor Connally's latest proposal. He recommended that the law empowering cities to levy a sales tax be repealed. This law is less than two years old, but it hasn't taken on fast enough to suit the power structure. They want a law that will give the state authority to collect a city sales tax and reapportion it back to all cities and towns whether they want it or not. The present law isn't good enough for Mr. Connally, the people have to vote a sales tax on themselves if they want it. That's not for Prince John, he wants to cram it down their throats. Maybe that's the way Tex wants it, if it is, he will eventually be well pleased.

Bands to Give Concert Sunday

Dimmitt's four school bands will present their annual spring concert Sunday at 2:30 p.m. in Dimmitt High School auditorium.

SHOWING their array of musical wares during the concert will be the fifth grade, sixth grade, junior high and high school bands, according to Ralph Smith, director.

The Bobcat Band will highlight the concert by playing the pop music which it performed recently at HemisFair '68 in San Antonio.

Troop to Serve Sausage Sunday

A sausage dinner is in store Sunday at Nazareth.

BOY SCOUT Troop 265 will host the dinner in the Nazareth Community Building to raise funds to pay its council dues.

German-style sausage and trimmings will be served from 11:30 a.m. to 2 p.m. Prices will be \$1.50 for adults, 75 cents for students and 25 cents for pre-school children.

Troop 265 is sponsored by the Knights of Columbus. Dean Irbeck is the Scoutmaster and Michael Lake is assistant Scoutmaster.

MRS. EARL LUST (LEFT) ACCEPTS 'TRAY AWARD' ... From Mrs. Irene Keating, county HD agent

Mrs. Lust Named HD Title Winner

Mrs. Earl Lust of Bethel was named the "Woman of the Year" Monday by the Castro County Home Demonstration Council.

THE HONOR was announced by County Home Demonstration Agent Irene Keating at the association's annual luncheon in the Colonial Inn. Mrs. Lust was presented with an engraved silver tray.

The new Home Demonstration Woman of the Year was a charter member of the Bethel Home Demonstration Club when it was organized in 1929, after the county commissioners court first provided for an HD agent here.

AT FIRST, Mrs. Lust recalls, the HD clubs carried a different type of program than they do today. The Depression was on, and the main emphasis was placed on economical food preparation and preservation. Not everyone had a refrigerator in those days, and no one had a freezer since rural electrification had not come into being here.

So the home demonstration club quickly became a vital part of the homemaker's world, Mrs. Lust recalls. During the Depression, club members were taught to can meats, fruits and vegetables, to make their own cheese and hominy—in short, they learned to "make their living" on the farm.

TODAY, the emphasis in HD clubs is on home management, home furnishings and family living. Mrs. Lust said that she enjoys these programs, too, and that she's especially pleased that so many younger women take an interest in their HD clubs because of these programs.

Mrs. Lust has served as president of the Bethel HD Club, has been a member of the county council, and has served on many HD committees during her almost 40 years as a member.

She still takes part in all the Bethel HD Club's activities, in-

cluding the bake sales and strenuous clean-up days.

IN ADDITION to being a dedicated HD club member, Mrs. Lust also is a member of the Plains Memorial Hospital Auxiliary, Dimmitt Book Club, American Legion Auxiliary and Community Handwork Club.

In the First Methodist Church, she is a charter member of the Woman's Society of Christian Service and has been a Sunday school teacher and member of the church's board of stewards. She also has served as an officer in WSSC and has held sub-district offices.

Her favorite hobby is her flower garden, which has blooms from early spring through fall. She also crochets and knits.

Her husband, Earl, is a retired farmer. The Lusts have three married children, two daughters and a son, all of whom are college graduates.

MAIN SPEAKER at Monday's HD council luncheon was Zito Sartorelli of Brazil, American Field Service exchange student at Dimmitt High School. Mrs. Rachel Cleaver, council chairman, was the emcee, and entertainment was provided by the Paper Dolls, a vocal ensemble composed of Juanelle Conard, Paula Birdwell, Mary Hays and Janice Moo-

Schools Face Another Test

(First in a series on what is right and wrong in the Dimmitt Public Schools, according to a new study by the Texas Education Agency.)

Dimmitt's schools will face another rugged examination this fall when the Texas Education Agency sends in a full sized evaluation team.

IT WILL be the fourth evaluation of the local school system within two years.

The first was a self-evaluation conducted in 1966-67 by the local school system. More than 20 committees of Dimmitt area residents studied nearly all phases of the school system — physical plant, finances, course offerings, teacher salaries, grievances, administration, teacher-student ratios, etc.

Such a self-evaluation is required periodically by the Texas Education Agency. But this first

evaluation program was also intended to pave the way for a second one.

THE SECOND evaluation was conducted by a visiting committee of professional, headed by Dr. Morris Wallace of Texas Tech. It was extensive, exhaustive, and didn't tread lightly around any hot potato issues.

This evaluation by Dr. Wallace's team was requested so the Dimmitt Public Schools could apply for accreditation in the respected Southern Association of Schools and Colleges. It was tough and thorough, and it resulted in a 122-page book of findings.

After this evaluation, the Southern Association turned down Dimmitt's school system as not meeting its rugged standards for accreditation.

THIS TURN-DOWN by the Southern Association led to re-

Summers, Harris Top DHS Seniors

With a four-year grade average of 94.48, Debra Summers is the valedictorian of Dimmitt High School's Class of 1968.

Salutatorian is David A. Harris, who compiled a four-year grade average of 93.02.

FOR THE salutatorian's honor, it was a paper-thin scholastic race between Harris and Elaine Davis, with Harris winning the title by .08 of a point.

Miss Summers is the daughter of Mr. and Mrs. Bill Summers, 610 W. Cleveland St. Harris' parents are Dr. and Mrs. Jack Harris, 505 NW Eighth St. Miss Davis is the daughter of Mrs. Ernest L. Davis, 1001 W. Lee St.

BY BEING the top scholar in the 91-member graduating class, Miss Summers qualifies for a state college scholarship, which she plans to use at the University of Texas.

In addition to being a top student scholastically, Miss Summers also has posted a fine record in girls' basketball and other extracurricular activities.

SHE HAS been captain of the Dimmitt Bobbies for the last two years, and has been a starting forward on the team since her sophomore season. She was named

to the all-district team as a junior, and this year was selected to both the all-district and all-regional teams. She also was named to the All-West Texas Scholastic Basketball Team.

She is president of the Junior Engineering Technical Society, vice-president of the National Ho-

nor Society, secretary of the Lyre Club and Latin Club, and a member of the Bobcat Band, Science Club, Future Teachers of America and Future Homemakers of America.

HARRIS attended Hart High School before transferring to DHS at mid-term of his junior year. He

plans to attend Oklahoma State University.

Harris has posted an outstanding record in mathematics, debate and drama. In stage play competition this year, he performed in "Dark of the Moon," was assistant director of "Summer of Sorrow," and was named honorable mention all-district actor for his portrayal of Mr. Martin in the one-act play, "The Bald Soprano."

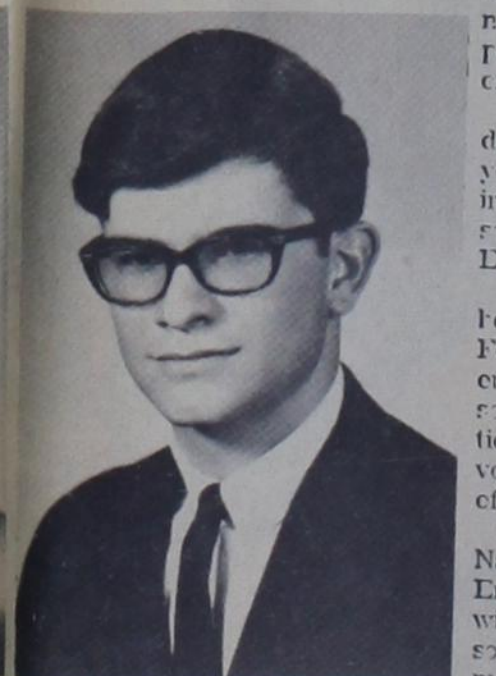

He was also on the school's debating team this year, and last year he won the regional "Youth in Action" oratorical contest sponsored by the Deaf Smith County Electric Cooperative.

AS A junior at Hart High School, he won a National Science Foundation scholarship for accelerated summer study in math and sciences, was an honorable mention all-district football player, volleyball captain, and member of the student council.

At DHS, he is treasurer of the National Honor Society and Junior Engineering Technical Society, winner of the Mathematics Association of America Award, and member of the Science Club, Tri-Span Society, Future Teachers of America and high school chorus.

DEBRA SUMMERS Valedictorian

DAVID A. HARRIS Salutatorian

CHARTER OFFICERS of the new Dimmitt United Lions Club are (standing, from left) Robert Garcia and Desi Pesina Sr., one-year directors; Jimmy Diaz and Sam Espinosa, two-year directors; Raul Ramos, Lion tamer; Herman Vasquez, tail twister; (seated, from left) Desi Pesina Jr., president; Mario Martinez, secretary; Tony

Garza, first vice-president; Ray Sandoval, second vice-president; and Moises Murillo, treasurer. At right are Zone Chairman Milton Laurie of Kress (seated), the club's extension officer, and Ed Salinas, president of the Hereford Paisano Lions Club which helped organize the new club here.

New Lions Club Forms

Dimmitt now has a second Lions Club.

IT'S THE United Lions Club, and it was formed last Thursday night to accommodate mainly Spanish-speaking civic workers in the city.

The new club will meet the second and fourth Thursday nights of each month at Sally's Steak House, and is still signing up charter members.

The organizational meeting took place in the Colonial Inn Restaurant, with approximately 30 men attending, including 15 Lions Club members from Hereford, Easter, Kress and Dimmitt.

CHARTER officers of the new United Lions Club are Desi Pesina Jr., boss Lion; Tony Garza, first vice-president; Ray Sandoval, second vice-president; Mario Martinez, secretary; Moises Murillo, treasurer; Raul Ramos, Lion tamer; Herman Vasquez, tail twister; Sam Espinosa and Jimmy Diaz, two-year directors; and Robert Garcia and Desi Pesina Sr., one-year directors.

Fellow Lions from throughout the Panhandle will gather in Dimmitt Thursday night, June 20, for the new club's charter night banquet.

THE UNITED Lions Club is being extended by the Paisano Lions Club of Hereford, and its banner, bell, gavel, flags, etc., are to be provided by clubs in Dimmitt, Easter and Hereford.

The organizational meeting last Thursday night was conducted by

Ed Salinas of Hereford, president of the Paisano Lions Club.

Also on hand for the meeting was the new club's extension officer, Zone Chairman Milton Laurie of Kress, who will take office July 1 as district governor of District 27-1.

LIONS CLUB is a men's service club with no age or occupa-

tional restrictions. Civic service is the primary mission, with the main continuing programs devoted to sight conservation, youth activities, disaster relief and community improvement. Lions International has clubs in virtually all nations of the free world, and comprises the largest service organization in the world.

No Hay - Jury Grants \$97,000 Damages in Cattle Feed Suits

A District Court jury Saturday claims after a six-day suit and counter-suit trial between Hill Farms Feed Lot of Hart and Western Minerals, Inc., of Olton.

THE ALL-MALE jury deliberated 15 hours Friday and Saturday before completing its findings and assessing damages in the complicated trial between the cattle-feeding partnership and the Olton feed-blending firm.

The case dated back to 1965, when Western Minerals, Inc., was furnishing a custom-formula premix feed for Hill Farms Feed Lot.

The feed blending firm filed a claim in District Court on Dec. 23, 1965, charging that the feed lot had failed to pay bills totaling \$21,073.68. The Olton firm also asked \$5,166.64 in attorney's fees. HILL FARMS filed a counter-claim charging that feed delivered by Western Minerals in June

1965 and fed to more than 6,000 Hill cattle was contaminated with arsenic, lead and mercury, and that the feed had caused \$155,000 in losses through cattle deaths, sicknesses, weight loss, lower market prices and veterinarian fees.

The jury heard four days of testimony on the suit and counter-suit before retiring at 3 p.m. Friday. After a session that lasted until 1:30 a.m. Saturday the jury returned until the next day, then returned its findings Saturday at 3:30 p.m.

THE JURYMEN awarded Hill Farms Feed Lot \$97,000 in damages after deciding that the feed had been contaminated although delivered in good faith by Western Minerals, and that the contaminated feed had been responsible for financial losses to the feed lot.

Then the jury ordered the cattle feeding partnership to pay the full debt of \$21,073.68 to Western Minerals, plus \$5,265.96 in attorney's fees.

Retired Judge Lewis M. Goodrich of Shamrock presided at the trial, sitting in for District Judge James Joy.

John and Ron Get GOP Nod

Texas Sen. John Tower and California Gov. Ronald Reagan emerged as double winners in the Castro County Republican Convention Saturday night.

THE 15 delegates to the county GOP convention voted to support Sen. Tower as a favorite son candidate, but passed a resolution calling on the Texas delegation to throw its support to Gov. Reagan for President after the first ballot at the national convention.

Castro Republicans elected Mrs. E. R. Little as their delegate to the state GOP convention, with Mrs. Marilyn Carver as alternate. "However, we hope to take a carload to the state convention, even though we're entitled to only one vote," said Dr. David Bechtol, county chairman.

TWO OTHER policy resolutions adopted by the county convention Saturday urged that:

—Any person receiving unemployment compensation for 30 days be required to go to work for the federal government on public work projects until re-employed.

—Any non-profit organization that is in competition with private enterprise be required to pay income tax.

Country Club Pool to Open

The Castro County Country Club's new swimming pool will open at 2 p.m. Saturday.

COACH AND MRS. Kenneth Cleveland will operate the pool for the Country Club this summer, serving as life guards and swimming instructors, the club's directors have announced.

The pool will be open only to club members and out-of-county guests. The board's policy on pool use states, "Under no circumstances may a member bring a guest who lives in Castro County to the club for swimming purposes. A member may bring a guest who lives out of the county and use the pool, but there will be a \$1 fee per guest regardless of age."

BOTH THE swimming pool and the golf course will be free to members.

The board has called a meeting of all committees for Tuesday at 8:30 p.m. at the clubhouse.

Dimmitt FFA Award Winners Named at Parent-Son Banquet

Dimmitt High School's Future Farmer's of America awarded an Honorary Chapter Farmer Degree to Dr. David Bechtol, veterinarian, and presented foundation awards and certificates of merit at their annual Parent and Son Banquet last week.

THE BANQUET was held outdoors on the south schoolward of DHS, near the vo-ag department. The boys served barbecue and arranged hay bales into seats for an "amphitheater" effect.

Guest speaker was Bryce Finch of the Plainview District FFA Association.

DR. BECHTOL received his Honorary Chapter Farmer Degree for his work with the boys in their animal projects during the two years since he established his animal hospital here.

Foundation award winners were:

Star Greenhand — Mark Simpson.

Star Chapter Farmer — Teddy Smithson.

Crop Farming — Jackie Matt-

hews.
LIVESTOCK Farming — Teddy Smithson.
 Dairy Farming — Mark Simpson.
 Agribusiness — Junior Hargrove.
 Agricultural Mechanics — Don Ott.
 Farm and Home Electrification — Brock Merritt.
 DeKalb Outstanding Senior Award — Tommy Martin.
BOYS WINNING certificates of merit were Jackie Matthews for swine production, Darrell Pope for sheep production, and Johnny Davis, Jimmy Coleman, Junior Hargrove and Terry Templeton for farm mechanics.
 Beef for the barbecue was donated by Jimmy Cluck.

Bible Thoughts

NO GOD?

By Ronnie Parker

Do you believe in God? How do you know there is a God? To find out the meaning of a word, one would go to the dictionary because that is what a dictionary is for. To learn about medicine, one would study a medical textbook. To solve a problem of physics, one would consult a text on the subject.

The answer to questions about God cannot be found in a book on calculus. The Bible is the only reliable source of information about God. It declares, "In the beginning God created the heaven and the earth" (Gen. 1:1). From that introduction of God the Bible continues to reveal Him to man throughout its pages. The God of heaven is real, living, all powerful, and eternal. "He that cometh to God must believe that he is." (Heb. 11:6). Col. John Glenn said, "My God is not so small that I would expect to see Him in outer space." Gherman Titov, cosmonaut of the U.S.S.R. said, "I was up there for seventeen orbits and didn't see anything of God or angels up there." These two statements are now classic in the space age. One assumes the existence of God and shows confidence in His abiding presence. The other denies His existence and derides those who do believe in Him. Atheism is fostered not only in the Communist world but in many educational circles of America. Scientists, professors, and teachers have expressed their doubt in the true living God.

BREAKING UP — The Paper Dolls are ending a long and popular singing career in Dimmitt and the surrounding area. The girls soon will break up their act — but not voluntarily. All three will graduate from Dimmitt High School Monday night, and they'll go to separate colleges. Here, the Paper Dolls perform at Monday's Home Demonstration Council annual luncheon at the Colonial Inn. From left are Mary Hays, who'll attend Texas Tech; Juanelle Conard, who will go to Hardin-Simmons; and Paula Birdwell, who will attend West Texas State. At right is Zito Sartarelli, American Field Service exchange student from Brazil, who was Monday's banquet speaker. The fourth member of the Paper Dolls is Janice Moon-ey, accompanist.

LEGAL NOTICE

NOTICE TO CONTRACTORS

Sealed bids addressed to the Mayor of Dimmitt, Texas, will be received at the office of the City Secretary, City Hall, until 7:30 p.m., May 20, 1968, and then publicly opened and read for furnishing all plant, labor, material and equipment and performing all work required for the construction of a shop hangar and an alternate bid on a 8 unit T-Hangar at the Dimmitt Municipal Airport. Bids will be submitted in sealed envelopes upon the blank form of proposal attached hereto and marked in the upper left hand corner "Bid for Airport Hangar." All proposals shall be accompanied by a cashier's or certified check upon a national or state bank in the amount of five (5 percent) percent of the total maximum bid price payable without recourse to the City of Dimmitt, Texas or a bid bond in the same amount from a reliable surety company, as guarantee that bidder will enter into a contract and execute performance and payment bond within ten days after notice of award of contract. The bid security must be enclosed in the same envelope with the bid. Bids without check or bid bond will not be considered.

The City will issue time warrants to the successful Contractor in the exact amount of the successful bid bearing interest at the rate of five (5 percent) percent per annum, maturing serially over a five year period, the last maturity date being on or before five years from the date of issuance of said time warrants. Arrangements have been made with The First State Bank of Dimmitt, Dimmitt, Texas, to purchase such time warrants at par value from the Contractor upon issuance. Such time warrants will be issued to the Contractor for assignment to the bank as work progresses and is accepted by the City.

The successful bidder must furnish performance and payment bonds upon the forms which are attached hereto in the amount of 100 percent of the contract price from an approved surety company holding a permit from the State of Texas or other surety company acceptable to the Owner.

The right is reserved to reject any and all bids and to waive any informality in bids received. Plans, specifications, and bidding documents may be secured from the office of the City Secretary, Dimmitt, or at the office of McMorries and Associates, Inc., 6300 Canyon Drive, Amarillo, Texas, 79106, on deposit of Twenty-Five (\$25.00) Dollars per set which sum so deposited will be refunded, provided: (1) All documents are returned in good condition to McMorries and Associates not later than 48 hours prior to the time for receiving bids; or (2) The contractor submits a bid and all documents are returned to McMorries and Associates not later than five (5) days after the time that bids are received.

CITY OF DIMMITT, TEXAS

PLACIDITY

"Thou wilt keep him in perfect peace, whose mind is stayed on thee. Because he trusteth in thee." Isaiah 26:3

"The peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus." Phillipians 4:7

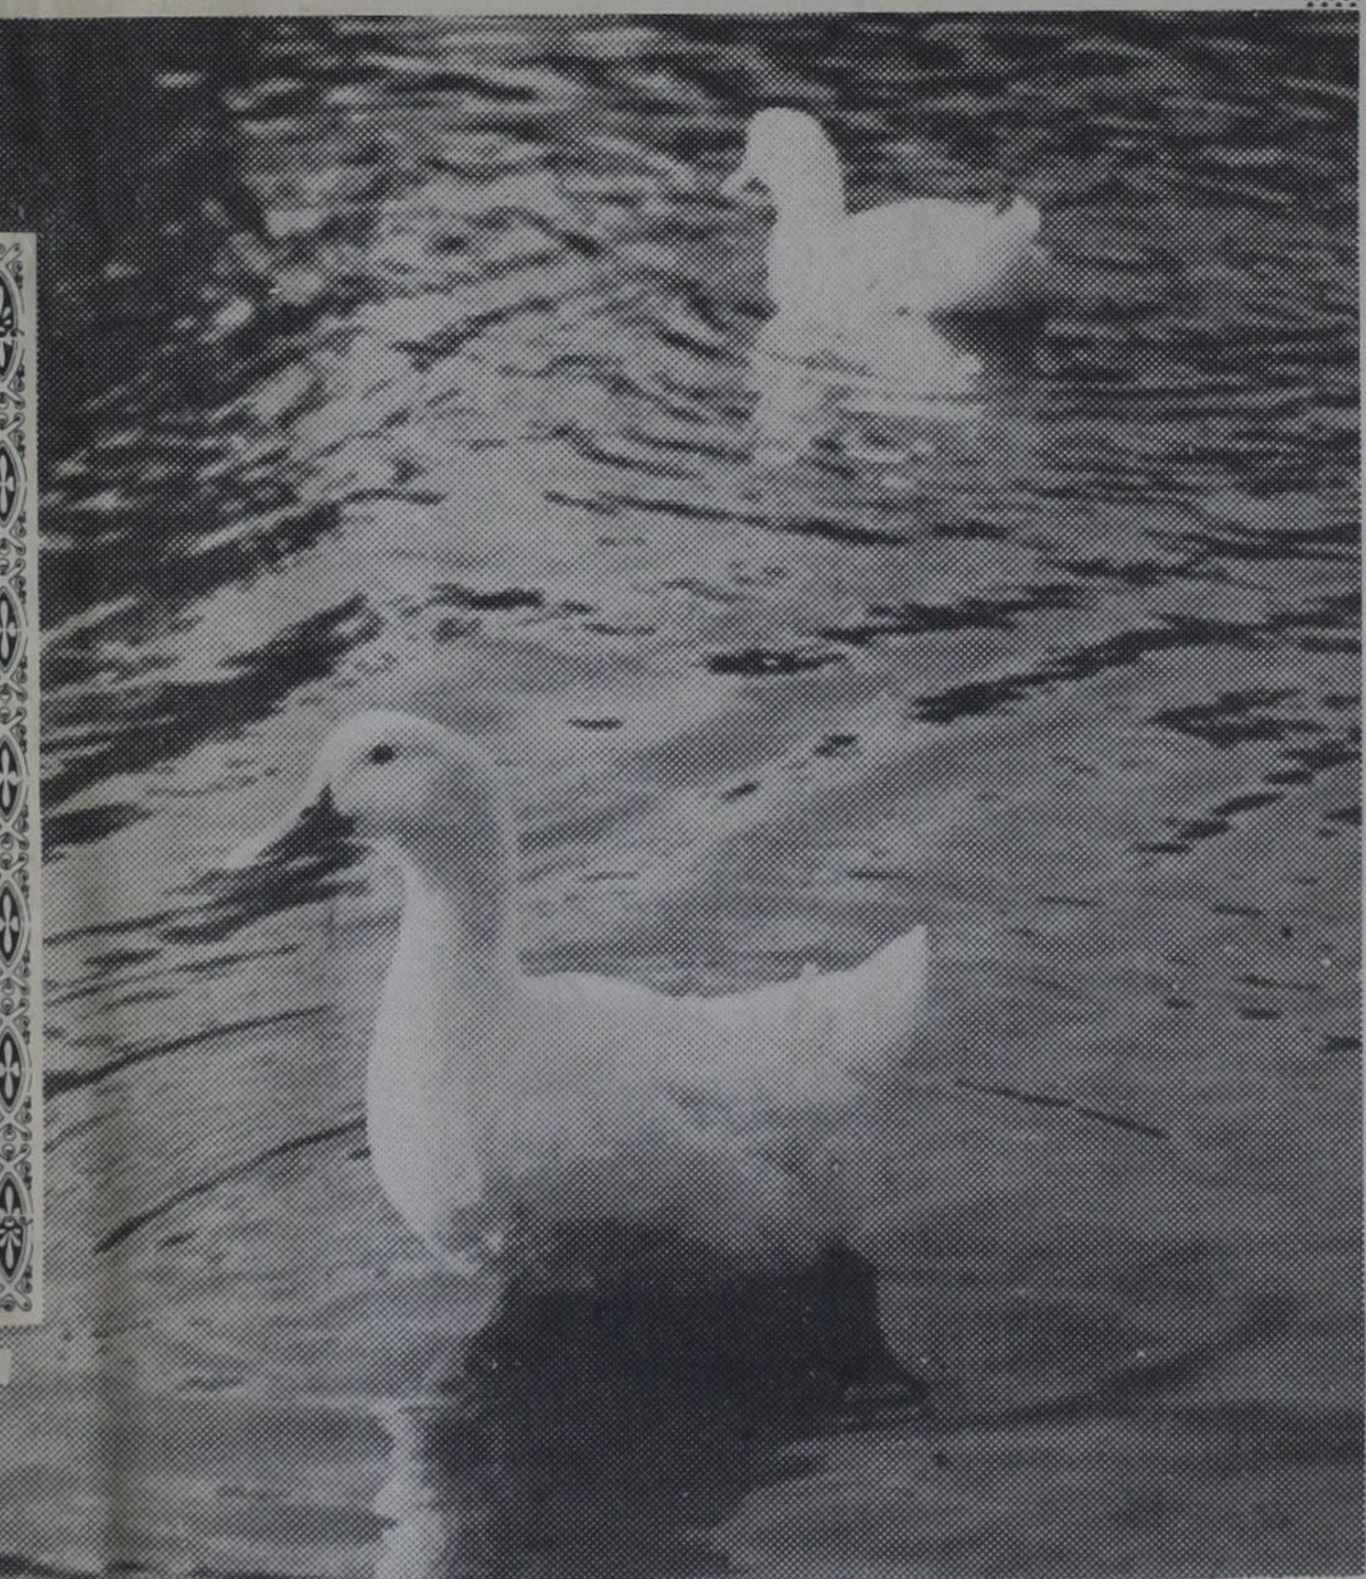

God has never promised life without trouble nor progress without striving. He has, however, promised that amid the tumult and strife He would give us an inner peace if we let Him live in our hearts.

Learn about this unusual peace offered to all freely.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

HONOR SCOUTS — Hart Girl Scouts "capped" in a special ceremony last week were (from left) Becky King, Jeton Jones, Carol Miller, Sharon Brooks, Francis Cunningham, Brenda Covington and Carolyn Cole.

7 Girl Scouts Capped at Hart

Seven members of Cadette Girl Scout Troop 158 of Hart won the highest honor attainable in Girl Scouts at a capping ceremony recently in the First Methodist Church of Hart.

Approximately 50 parents, friends and relatives of Cadette Troop members were present. Badges and awards were presented by Mrs. Wanda Miller, troop leader.

CAPPED into Senior Scouts in an impressive ceremony were Sharon Brooks, Carolyn Cole, Brenda Covington, Jeton Jones, Becky King, Carol Miller and Francis Cunningham.

Eighth grade Girl Scouts served cookies and punch following the awards presentations and capping ceremony. The program also featured the reading of the troop prophesy by Dee Anne Clevenger, the troop will by Becky King, the troop history by Jeton Jones, and musical numbers by Dee and Iona Clevenger, accompanied by Brenda Armstrong.

THE FOLLOWING Girl Scouts received badges and awards during the program:

Sharon Brooks — active citizenship challenge, child care, dressmaking, my government, world trefoil, textile art, homemaking, outdoor safety, good Girl Scout challenge, first class.

Brenda Cheves — active citizenship challenge, child care, my government, world trefoil, homemaker, outdoor safety.

Dee Clevenger — active citizenship challenge, my government, child care, world trefoil, homemaker, outdoor safety.

CAROLYN COLE — active citizenship challenge, my government, child care, dressmaking, textile art, homemaking, world trefoil, outdoor safety, social dependability challenge, good Girl Scout challenge, first class.

Brenda Covington — active citizenship challenge, dressmaker, child care, my government, world trefoil, textile art, homemaking, outdoor safety, good Girl Scout challenge, first class.

Social Security Seeks Children Who Are Eligible

The Social Security Administration is looking for a special group of children according to Travis C. Briggs, district manager of the Amarillo social security office.

THESE CHILDREN are the dependents of women who have qualified for retirement or disability benefits or who have died. He says that some 175,000 children will be eligible for social security benefits.

Before the 1967 amendments they could have received benefits only if the mother had recent employment covered by social security before the date she retired, became disabled, or died or was furnishing at least one-half of the child's support at that time.

According to Briggs, this meant that in many cases children were left without protection after their mother retired or died or became disabled.

NOW A child may receive benefits on the mother's account if she worked long enough under social security at any time. Unmarried children who could qualify are those under 18, or between 18 and 22 who are full-time students. Children, regardless of age, who became severely disabled before they reached age 18 may also be eligible.

Briggs said that the local social security office has no way of identifying children who may now be eligible. He suggests that anyone who knows of such a child contact the social security office for

an explanation of these changes in the social security law.

The office at 1006 Adams Street, Amarillo, is open from 8:15 a.m. to 4:30 p.m., Monday through Friday, except Thursday when the office is open until 6:30 p.m.

HOUSEHOLD HINTS

If you have a young fingerprint artist in the family, keep his clothes free of the paint with a pint-size artist's smock. Ideal for this is a man's old cotton shirt. Cut the collar and sleeves off and finish with a machine stitch. Shorten the hem. The finished "smock" is worn backward. Pop in the washing machine with colored cottons.

7 Girl Scouts Capped at Hart

Seven members of Cadette Girl Scout Troop 158 of Hart won the highest honor attainable in Girl Scouts at a capping ceremony recently in the First Methodist Church of Hart.

Approximately 50 parents, friends and relatives of Cadette Troop members were present. Badges and awards were presented by Mrs. Wanda Miller, troop leader.

CAPPED into Senior Scouts in an impressive ceremony were Sharon Brooks, Carolyn Cole, Brenda Covington, Jeton Jones, Becky King, Carol Miller and Francis Cunningham.

Eighth grade Girl Scouts served cookies and punch following the awards presentations and capping ceremony. The program also featured the reading of the troop prophesy by Dee Anne Clevenger, the troop will by Becky King, the troop history by Jeton Jones, and musical numbers by Dee and Iona Clevenger, accompanied by Brenda Armstrong.

THE FOLLOWING Girl Scouts received badges and awards during the program:

Sharon Brooks — active citizenship challenge, child care, dressmaking, my government, world trefoil, textile art, homemaking, outdoor safety, good Girl Scout challenge, first class.

Brenda Cheves — active citizenship challenge, child care, my government, world trefoil, homemaker, outdoor safety.

Dee Clevenger — active citizenship challenge, my government, child care, world trefoil, homemaker, outdoor safety.

CAROLYN COLE — active citizenship challenge, my government, child care, dressmaking, textile art, homemaking, world trefoil, outdoor safety, social dependability challenge, good Girl Scout challenge, first class.

Brenda Covington — active citizenship challenge, dressmaker, child care, my government, world trefoil, textile art, homemaking, outdoor safety, good Girl Scout challenge, first class.

Debra Hardy — active citizenship challenge, child care, my government, world trefoil, homemaker, outdoor safety.

Nancy Graves, active citizenship challenge, child care, my government, world trefoil, homemaking, outdoor safety, textile art.

Jeton Jones — active citizenship challenge, child care, my government, world trefoil, homemaking, outdoor safety, dressmaking, good Girl Scout challenge, textile art, first class.

Becky King — active citizenship challenge, child care, my government, world trefoil, homemaking, outdoor safety, dressmaking, good Girl Scout challenge, textile art, first class.

NK 275 CAN DELIVER HIGHER YIELD POTENTIAL ON YOUR GRAIN SORGHUM LAND.

CLYDE H. DAMRON Rt. 4, Dimmitt Phone 647-2230

CAN PROVE IT. Plant NK 275 and push for higher yields. Smut resistance and high yield potential make this Northrup King hybrid a great choice. NK 275 plants have uniform medium height and good standability. And look at these yield trial results: in an average of 3 test locations, NK 275 yielded over 9,600 pounds of red grain per acre. So plant all the NK 275 you can get.

Schulte and Melcher Wounded in Action

By Mrs. Florence Albracht
Rain is the big news this week. It started Wednesday night and has rained off and on since. About 1½ to 2 inches have been received so far and it's still foggy and cloudy.

SGT. LESTER SCHULTE, son of Mr. and Mrs. Clarence Schulte, was wounded in a rocket attack in Vietnam. He caught shrapnel in his leg, arm and side and his ear drum burst. He had 59 days left to serve there when he was wounded. His folks got the word and report that he is doing okay.

Mrs. Viola Melcher received word that her husband, Calvin, was wounded in Vietnam. He got hit with shrapnel in his neck and abdomen.

MRS. LEONARD SCHULTE, Mrs. Tom Wethington and Mrs. Ed Drerup attended the Bi-County PTA Council meeting in Hart last week.

The Ed Drerup family entertained the Guggemos family, honoring their mother, Mrs. Loretta Guggemos on Mother's Day with a dinner. Also enjoying the day were the families of Leonard Wilhelm, Vincent Guggemos, Ralph Shirleys and Jim Balls of Bovina.

Leonard Bartels of Summerfield, Ed Hoffmans of Hereford, Mrs. Chandler and children of Oklahoma City, Dan Schmuckers and Joe Drerups.

MR. AND MRS. Ernie Brockman, Mr. and Mrs. Leonard Wilhelm and Mr. and Mrs. Wade Mills attended the recent Fort Worth Press banquet in Plainview. At this banquet, awards are given to outstanding farmers in this area and also to the best essay written from schools in this area.

Mr. and Mrs. Florence Albracht spent the weekend in Wichita Falls with their son, Art. They attended a wedding Friday evening of Art's former roommate, Jim Hadder, at which Art was best man.

Mrs. Margaret Kielman of Dyer, Ind., is visiting Mrs. Lizzie Birkenfeld and family.

BETH POHLMEIER took her state board exam for lab technician in Amarillo Friday.

Mr. and Mrs. A. P. Hoelting, Mr. and Mrs. Clyde Hoelting and family and Mr. and Mrs. Edwin Schacher and family were dinner guests on Mother's Day of the Ed Venhaus family in Amarillo.

CAPT. TED CONRAD and family spent several days last week visiting here, in Amarillo and UMBARGER. Capt. Conrad has just returned from an eight-month tour of duty with the Air Force in Vietnam. He is the son of the Leonard Conrads.

On Monday evening, his sister, Mrs. Cyrell Brockman and family, entertained the Conrad families with a supper. Enjoying it were the Leonard Conrads, Ted Conrads, Vincent Ramaekers of UMBARGER and Leroy Hoeltings of Amarillo.

Capt. Conrad and family have been living in Phoenix, Ariz., the past few years and were on their way to Fort Hood, where he will be stationed the next 18 months as a public information specialist for the Air Force.

MRS. RAYMOND ANNEN spent Friday and Saturday with her daughter, Mrs. Larry Spencer in the Psi Xi Chapter of Beta Sigma Phi sorority, of which Mrs. Spencer is a member, entertained their mothers with a dinner at the downtown Blackburns Cafeteria.

On Sunday, Mrs. Gene Hubbard and family, daughter of Mrs. Annen, hosted the family with a covered dish dinner, enjoyed by the Raymond Annens, Tom Annens, and Larry Spencers.

Mr. and Mrs. Raymond Annen visited Mrs. Emma Huseman Sunday evening. Since she had been sick a few days, they took her to Plains Memorial Hospital Sunday evening for tests.

BAPTIZED in Holy Family Church Monday by Rev. Father Reichel was Brian Henry, son of Mr. and Mrs. Ed Ramaekers. Sponsors were Mr. and Mrs. Carl Dean Kleman.

After attending mass at St. Lawrence's Church in Amarillo Sunday, Mr. and Mrs. Raymond Annen were entertained by Mrs. Justin Skinner and daughter with coffee and doughnuts at the school cafeteria. Mrs. Skinner is the former Justin Heck.

On the Go
Bob and Joy Baker spent the weekend in Clovis to be with his grandfather, B. M. Green, who is seriously ill in the hospital there. Mr. Green is 83.

On the Go
John and Sue Merrit and Ray and Jettie Sheffy went to Amarillo Sunday afternoon for the reception.

SENIOR GIFT — Hart High School's seniors last week presented their alma mater with this deluxe guard rail for the Longhorn emblem in the hallway. By tradition, students and visitors are not supposed to tread on the Longhorn, and this railing will assure it.

The View From Your Library

By VIRGINIA NEWSOM Librarian

Good Housekeeping magazine carries an article, "The Young Wife's World," by Helen Valentine, in the May issue. She had something I feel is well worth repeating in my column this week. "HERE'S A Habit Worth Cultivating:

"I know a delightful young lady who just turned 6. Among her prized possessions is her library card. It was her own idea to have one, and she applied for it herself. Now, when she wants some books, she is escorted to the library, but is a loved to go in and do her own choosing.

"For this young lady, the library is a place of excitement. Her mother considers it a key that will open a world of wonders to supplement and expand her youngster's education. For, no matter how good the school or how dedicated the teacher, the education that counts most is that which we get by our own efforts. And part of that education consists of reading anything and everything — the good, the bad, and in-between. Only by trying them all can we establish our standards of taste.

"I THINK it is a good idea for mothers to take their children to the library as soon as they are old enough to look at picture books. Let the little ones get to know the "feel" of the place. Let them meet the librarian. Let them develop the library habit, so that going for a book becomes as natural and easy as going for a loaf of bread."

My thanks to Helen Valentine — she expresses my feelings so well.

A SMILE for the week — Betty Boothe told me this week that her young son saw me downtown one day, and said, "Mommy, there goes Mrs. Books."

A book borrowed from the Amarillo library is missing. If you have "Sam Houston's Indians" by Malone, please return it to the library. Thank you.

The Story Writing Contest will end May 18. Please get your stories in to the library.

Stone to Get WTSU Degree

Jay D. Stone will be among the 880 students who will receive degrees from West Texas State University Sunday.

HE IS a candidate for a bachelor of science degree.

Stone, who is a member of Alpha Chi and Beta Beta Beta, is the son of Mr. and Mrs. Leroy Stone of Turkey and the son-in-law of Mr. and Mrs. Arnold Morgan of Dimmitt. His wife, Thelva, is a 1964 graduate of Dimmitt High School.

Stone has accepted an assistantship at Iowa State University in Ames, Iowa, to work toward his master's degree in entomology.

Jay D. Stone

Governor Names Bill Clayton To National Water Congress

State Representative Bill Clayton of Springlake has been appointed by Gov. John Connally as a delegate to the National Rivers and Harbors Congress to be held in Washington, D.C., June 4-7.

CLAYTON and other delegates from Texas will attend the conference as official representatives of the state. Water resource development for the United States will be the main topic of the conference. Every state in the nation will have representatives attending.

Clayton, whose legislative district is composed of Oldham, Farmer, Deaf Smith, Castro and Lamb Counties, has been a leader in the Texas Legislature in the field of water and water resource development.

"Clayton's vast knowledge of water and water problems of the State make him a valuable asset to the Texas delegation," Gov. Connally said.

What makes a Pontiac a Pontiac?

(And what makes ordinary cars ordinary?)

Only Pontiacs have Wide-Track. Drive a Pontiac and you'll wonder who took all the bumps and curves out of the road.

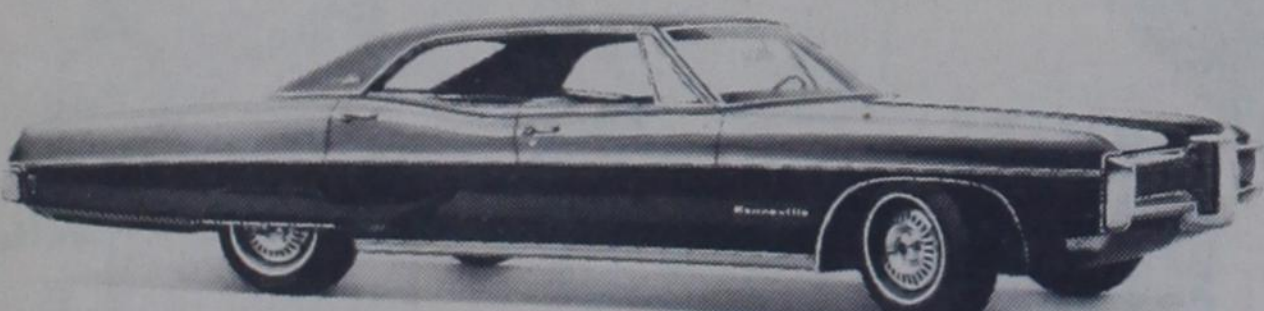

Even our lowest priced Pontiac has a unique 175-hp Overhead Cam Six. Unless you count cylinders, you'll swear it's a V-8.

Pontiac interiors make you glad you left home — soft Morrokide and simulated wood trim so real only a termite can tell it isn't.

Innovations like GTO's Bumper-of-the-Year make Pontiacs look expensive. But record sales prove we know how to price them, too.

THE GREAT WIDE-TRACK DRIVE IS ON!

See your Pontiac dealer. He's out to smash sales records for the 7th straight year!

COLLEGE SHOPPING TOUR — G. L. Dubose, head of Industrial Arts Department at Dimmitt High School, accompanied four of his students at Oklahoma State Tech, Okmulgee, May 3 to study vocational opportunities offered by the school. Dubose also visited the student financial aids office to get information for his students on financial assistance to attend OST, and discussed the possibilities of two prospective students from Dimmitt to work on the school's off-campus college work study program this summer, prior to their enrollment this fall. Discussing the vocational technical program at Tech are guests, left to right: Daniel Murillo; Dubose; Jerry Dodson and Julian Acevedo, both prospective students for the fall trimester; and Larry Young.

LEGAL NOTICES

NOTICE TO BIDDERS

SEALED PROPOSALS addressed to the Commissioners Court of Castro County, will be received until 10:00 o'clock A.M. on the 27th Day of May, A.D. 1968, at the office of the County Judge in the Courthouse at Dimmitt, Texas, for furnishing all labor and materials and performing all work in connection with the construction of approximately 2.5 miles of County road in Castro County, Texas, in accordance with plans and specifications therefor, and now on file in the office of the County Clerk, where they may be examined without charge.

ALL BIDDERS must submit cashier's check or certified check issued by a Bank satisfactory to the Commissioners Court, or a proposal bond given by a reliable surety company authorized to do business in the State of Texas, payable without recourse to the order of Hon. Raymond E. Wilson, County Judge, in an amount not less than 5 percent of the amount of the proposal or bid as a guarantee that the bidder will enter into contract and execute performance and payment bonds within ten days after notice of awarding contract to him. Bids without required check or proposal bond will not be considered, and all bids must be submitted on the forms provided.

THE SUCCESSFUL BIDDER will be required to furnish a Performance bond and a payment bond, each in the amount of the contract, written by a responsible Surety Company authorized to do business in the State of Texas, and satisfactory to the Commissioners Court, as required by Article 5160, V.A.T.C.S., as amended by H. B. 344, passed by the 56th Legislature, Regular Session, 1959.

BIDDERS are expected to inspect the site of the work and to inform themselves regarding all local conditions.

ATTENTION of bidders is directed to the provisions of Article 5159A, Revised Civil Statutes of 1925, as amended, requiring that not less than the general prevailing rates of per diem wages for work of a similar character in the locality where the work is per-

Connell Named Top Ag Student

Richard Connell of Dimmitt has been named the outstanding junior in Texas Tech's Department of Agricultural Economics.

CONNELL, son of Mr. and Mrs. Cleo Connell of Flagg, was one of six students singled out for individual recognition by the department at the end of the school year.

The other five award winning students were Lu Ann Aday, Waxahachie senior, the Wall Street Journal Student Achievement Award; Dan Newman, Stratford senior, leadership award; Louis Glass of Levelland, outstanding senior; William E. Cornett of Knox City, outstanding sophomore; and Jackie Smith of Roscoe, outstanding freshman.

formed, shall be paid all laborers, workmen, and mechanics employed in the construction of public works.

PLANS, SPECIFICATIONS, AND CONTRACT DOCUMENTS may be obtained from the office of Douglas Engineering Company, Consulting Engineers, 210 S. First Street P. O. Box 781, Muleshoe, Texas, upon deposit of \$15.00 which sum shall be returned upon receipt of a bona fide bid, and the return of the plans and specifications in good condition within ten days after the bid opening.

NOTICE IS HEREBY FURTHER GIVEN that it is the intention of the Commissioners Court of Castro County to pay all of the cost of such improvements in cash, and bids shall be on a cash basis.

NO BID may be withdrawn after scheduled closing time for receipt of bids for at least thirty (30) days.

THE COUNTY reserves the right to reject any or all bids, and to award the contract to the bidder or bidders, who in the opinion of the Commissioners Court offers the proposal determined to be in the best interest of the County, and to waive all formalities.

THE CHILDREN of Mr. and Mrs. Elmer Dixon met at the home of Mr. and Mrs. Weldon Bradley last Sunday to honor their mother with a dinner on her 70th birthday.

Those present were Mr. and Mrs. Weldon Bradley and Lee, Mr. and Mrs. James Worthington and girls of Fort Worth, Mr. and Mrs. Bill Bailey and children of Plainview, Rev. and Mrs. Harry Harris of Weatherford, Mr. and Mrs. A. A. Dodd of Dimmitt, Mr. and Mrs. Roy Ward Jr. of Plainview, Mr. and Mrs. Vernon Scott and boys of Farwell, Mr. and Mrs. Carl Bradley and boys, Mr. and Mrs. Elmer Dixon, and Kay Lynn Willis of Dimmitt.

Mr. and Mrs. Jimmy Aldridge of Palestine and Mr. and Mrs. Jirks Dent of Sudan were guests of the Weldon Bradleys last Tuesday.

David Harris attended the baccalaureate services in Hart last Sunday night and left Monday on the senior trip instead of leaving Sunday afternoon as was reported last week.

PHILLIP JONES and Earl Parish of Earth fished at Lake Kemp last Friday, Saturday and Sunday.

Mrs. E. R. Sadler and Mrs. L. B. Bowden worked at Plains Memorial Hospital in Dimmitt Monday.

MR. AND MRS. B. L. MOORE AND FAMILY

CARD OF THANKS
We would like to express our appreciation to our many friends, for the beautiful flowers, the cards, food, and words of sympathy, at the loss of our dear mother, Mrs. Moore. May God bless each and every one of you for your kindness.

MR. AND MRS. B. L. MOORE AND FAMILY

LEGAL NOTICE

THE STATE OF TEXAS
TO: The International Land Company, a corporation, and The International Land Company, a partnership, and if either said The International Land Company, a corporation or The International Land Company a partnership be dissolved, to the last Board of Directors of The International Land Company or to the surviving partners of The International Land Company, a partnership; and the unknown stockholders of The International Land Company; M. Harrah, T. E. O'Hara, Jesse H. Newbar, O. B. Davis, Roy F. Barber, Henry Wilcox, Enoch Swab, O. the Staats, E. J. Jordan, J. H. Thompson, W. F. Hamilton, J. M. Blough, J. C. Koonz, John Urbon, W. E. Kile, A. R. Wise, C. D. Blough, C. N. Blough, L. E. Anderson, W. H. Miles and J. F. Hilyard; complaining of the spouses of the last individually named persons and if any or all of said individually named persons or their spouses be deceased, complaining of the heirs and legal representatives of such of them as may be deceased; J. R. Moore and his wife, Rebecca I. Moore, and if either of said persons in this paragraph be deceased, to the heirs and legal representatives of such of them as may be deceased; and all persons, firms or corporations claiming any interest in the lands hereinafter described adversely to Plaintiff, Defendant, GREETINGS:

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday, the 10 day of June, 1968, at or before ten o'clock A.M. before the Honorable District Court of Castro County, Texas, at the Courthouse of said County in Dimmitt, Texas.

Said Plaintiff's Petition was filed in said court on the 25 day of April A.D. 1968, in this cause numbered 3177 on the docket of said court, and styled, RAY L. JOHNSON, Plaintiff, vs THE INTERNATIONAL LAND COM-

PANY ET AL. Defendants. That the names of the parties to this cause are as follows: Ray L. Johnson is the Plaintiff. The Defendants are those persons first named in this Citation and to whom it is directed. A brief State of the nature of this suit is as follows, to-wit: The Plaintiff sues for the title to and possession of the following described real estate situated in Castro County, Texas, to-wit: Lots Seventeen (17), Nineteen (19), Twenty (20), Twenty-one (21), Twenty-two (22), Twenty-three (23), Twenty-four (24), in Block forty-six (46); Lots Thirteen (13), Fourteen (14), Fifteen (15), Sixteen (16), Seventeen (17), Eighteen (18), Nineteen (19), Twenty (20), Twenty-one (21), Twenty-two (22), in Block forty-five (45); Lots One (1), Seven (7), Eight (8), Nine (9), Twelve (12), Fifteen (15), Seventeen (17), Eighteen (18), in Block forty-seven (47); Lots Thirteen (13), Fourteen (14), Fifteen (15), Sixteen (16), Seventeen (17), Eighteen (18), in Block Thirty-eight (38). All of the aforesaid lots and parts of lots being located in the original town of Summerfield, Castro County, Texas, according to plat of such original town which appears of record in Volumes 11, page 470, of the Deed Records of Castro County, Texas.

Plaintiff sues in trespass to try title and additionally claims title to the above described property under the Ten Year Statute of Limitations and adverse possession; and the Twenty five Year Statute of Limitations and adverse possession. Plaintiff prays for title to and possession of the real estate above described and that any cloud cast on Plaintiff's title by any of the Defendants be removed; as is more fully set out in Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved. The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the seal of said Court at office in Dimmitt, Texas, this 25 day of April 1968.

Sunnyside

Holcomb Hurt in Pickup Mishap

By TEENY BOWDEN
A pickup driven by Ben Holcomb of south of Dimmitt was involved in a one-car accident one mile north of Sunnyside Thursday afternoon when he momentarily locked down and lost control of the vehicle as it hit the muddy shoulder of the road.

The pickup damaged one of the curve markers, then ran endwise across the culvert at the David Sadler crossing.

Holcomb was admitted to Plains Memorial Hospital in Dimmitt with a broken shoulder, a cut eye, laceration of the arm, and numerous bruises.

Roy Lilley of Dimmitt was meeting him at the time and dodged the pickup twice as it spun into the path of traffic. John Gilbreath witnessed the accident following Roy Lilley. When the pickup hit the culvert it knocked the wheels out from under it and they went east across the road. The pickup went into the air for several feet, but didn't overturn, and landed on the west side of the road at the Sadler fence.

THE CHILDREN of Mr. and Mrs. Elmer Dixon met at the home of Mr. and Mrs. Weldon Bradley last Sunday to honor their mother with a dinner on her 70th birthday.

Those present were Mr. and Mrs. Weldon Bradley and Lee, Mr. and Mrs. James Worthington and girls of Fort Worth, Mr. and Mrs. Bill Bailey and children of Plainview, Rev. and Mrs. Harry Harris of Weatherford, Mr. and Mrs. A. A. Dodd of Dimmitt, Mr. and Mrs. Roy Ward Jr. of Plainview, Mr. and Mrs. Vernon Scott and boys of Farwell, Mr. and Mrs. Carl Bradley and boys, Mr. and Mrs. Elmer Dixon, and Kay Lynn Willis of Dimmitt.

Mr. and Mrs. Jimmy Aldridge of Palestine and Mr. and Mrs. Jirks Dent of Sudan were guests of the Weldon Bradleys last Tuesday.

PHILLIP JONES and Earl Parish of Earth fished at Lake Kemp last Friday, Saturday and Sunday.

Mrs. E. R. Sadler and Mrs. L. B. Bowden worked at Plains Memorial Hospital in Dimmitt Monday.

Attest: Zonell Maples Clerk, Castro County, Texas By Lola Faye Veazey, Deputy 29-tc

day afternoon at the desk, gift shop, library and cart service.

Mr. and Mrs. Ezell Sadler visited in Heritage Home in Plainview with his aunt, Mrs. Hugh Henslee, Monday evening.

Mr. and Mrs. James Powell and children of Dimmitt visited Monday night with Mr. and Mrs. Ezell Sadler.

Mr. and Mrs. Earl Phelan of Fiddlton and Mrs. Lu a Phelan of Weatherford visited Wednesday with Mr. and Mrs. Roy Phelan. Mrs. Lu a Phelan stayed until Friday.

CARL DEAN Carson was injured in a three-vehicle accident in Dimmitt last week. Mr. J. M. Lain, driver of one of the pickups, was thrown from his pickup into the path of Carl Dean's pickup as they sideswiped each other, after Lain's pickup had collided with a Mustang driven by Jackie Matthews of Dimmitt. Mr. Lain died of his injuries. Jackie Matthews and Rick Noble, his passenger, were hospitalized.

A trace of rain was received Wednesday night with 1.10 recorded for Thursday and .65 Saturday night and Sunday.

Mr. and Mrs. O. E. Price and Jan of Friona visited last Sunday afternoon with her uncle and aunt, Mr. and Mrs. R. E. Dalte.

MRS. L. D. WINDERS of Earth and two of her daughters, Mrs. Clifford Layman of Earth and Mrs. Craig Kennedy (Madge) of San Bernardino, Calif., had dinner with Mr. and Mrs. R. E. Duke Monday.

The WMS met Wednesday night for the general missionary program. The president had charge of the program in the place of the chairman.

Mrs. L. B. Bowden taught the last part of the third chapter of the book, "A Church Organized and Functioning," at the prayer service for the pastor, who has been teaching the book for several Wednesdays. Rev. and Mrs. Durham arrived home from California in time for the service. He reported 21 conversions, two additions in the revival services he was leading.

MR. AND MRS. Odell James of Vinita, Okla. visited Wednesday with Mr. and Mrs. R. E. Duke, Mr. and Mrs. R. V. Bills and Mr. and Mrs. Larry Sadler and children. They had come to Plainview to be with her father, who had suffered a stroke, and to visit other relatives.

Ray Axtell helped canvass the ballots in the Democratic primary in Dimmitt Tuesday afternoon.

HOUSEHOLD HINT

There are several ways you can give cotton garments a custom-finished look when you sew. Here's one: use the zigzag attachment on your machine to finish inside seams. The garment will look better and wear longer.

HOUSEHOLD HINT

Here's a sewing tip. Sometimes a zipper tape in a cotton garment will shrink and look puckered after the garment has been washed. Avoid this by soaking zippers and drying them flat before stitching into a cotton garment.

Shelly's Chatter

Mothers Get a Break Sunday

By MYRTLE SHEFFY AND BERAL HANCE

Sid and I (your chattering reporter) have gone to Van Horn this week to visit our son, Rex Sheffy, and his family. I wanted to see the hills and the desert, and go out to see the sulfur mine they are building. I heard some newsy things which I sent in, and have asked Beral Hance to be your reporter this week. See you next week.

MRS. BILL KELLAR of Hereford visited her son, Merle Busssey, and Judy. They went on to Austin Friday to visit one of her brothers who has been in Vietnam. They plan to go on to HemisFair in San Antonio.

I talked with Mrs. T. G. Hall of Plainview, who comes to Dimmitt occasionally to help at the office at the courthouse. The regular clerk is Myra Hays, who went over to Wellington this week to visit her mother, Mrs. J. T. Hays.

Mrs. Chet Braafladt played the piano for Dwight Joiner to sing a selection of different type songs — folk, ballad, romantic and Broadway — at the Rotary Club luncheon Friday. You remember Dwight directed the Lions Club Follies this year and he teaches music. Helen Braafladt and Jo Evans played the piano and organ for the Junior-Senior Banquet.

Mrs. P. L. Cunningham and Mrs. Horace Carlile went down to Lubbock to see "Gone With the Wind." The picture is being shown at the beautiful and unusual "round" theater, the Winchester, way out in the south part of town.

Mrs. Roy Cluck was hostess at a bridge and dessert party at the Castro County Country Club Friday afternoon. Guests were Mmes. P. L. Cunningham, Gladys Cleavenger, Clarence Bearden, Ann Singer, Maggie Boren, Josephine Bradford and Ceal Carlile. Myrna Buckley went up north to Bangor, Maine, to visit her folks for a few days — Mother's Day present of herself. Myrna is a beauty operator at the Blue Room and is the wife of Larry Buckley.

JANE POLLARD of Tulia was here visiting Esta Vandiver and a few others downtown last week. Her husband, Frank, is pastor of the First Baptist Church there, and formerly was here.

Peggy and Allan Webb and Johnny went to Lubbock Sunday to hear their daughter, Kristi Weston, sing in the Texas Tech Chorus. This was a Mother's Day program.

Mr. and Mrs. Herman Acker

were hosts at a Sunday dinner for his parents, Mr. and Mrs. Philip Acker, sister Clara Acker, sister Mrs. Henry Acker and family of Summerfield, Mr. and Mrs. Paul Acker, and the Herman Acker children, Arnold and Alice and Eugene Oldham and baby of Canyon. Rose served a typical Italian dinner to these typical "Texas Germans."

LA DAWN KEMP, will finish school at Baylor University at Waco in May. She has accepted the job of youth educational director at the First Methodist Church this summer. She has done church work at Waco and has been a summer camp counselor at Kerrville.

M. E. Cleavinger met the plane in Amarillo Thursday to get his daughter Judith and little Krista, who will visit the Cleavingers and the O. B. Winkles while her husband, Tom Robinson, is at a training session in insurance at Hartford, Conn. Jane and Roy Stallings of Canyon were here for the Mother's Day dinner with the Cleavingers.

Mr. and Mrs. Cecil Vandiver were hosts at the Castro County Country Club with dinner and bridge Thursday evening. Their guests were Msrs. and Mmes. Weldon Skinner, Joe Benson, Glen Ratcliff, Joe Cowen, Nolan Froehner, M. E. Cleavinger and Frank Latimer.

MR. AND MRS. Jim Roberts and Mr. and Mrs. Ben Holcomb and their children are home from a fun trip to Ruidoso. They have a cabin up there in "them tall hills." Linda says, "Guess what, it snowed — pretty too, on the pines."

Polly Bell and granddaughter, Kristi Sheffy of Canyon, left by train at Hereford for Los Angeles to visit her sister and some in-laws. She plans to fly home in two weeks.

THE BOOK CLUB luncheon at Hereford Country Club Wednesday was a beautiful affair. The tables were covered with sunny yellow linen, the centerpiece was yellow and white mums in a small green wheelbarrow, and that good food was chicken breasts on rice — mushroom sauce, very elegant.

Miss Hazel Merritt, outgoing president, introduced Mrs. Ray Axtell of Sunnyside, who reviewed the book, "Vietnam Doctor," by Dr. James Turpin, who told the story of his and his wife, Mollie's life. Dr. Turpin studied to be a Methodist minister, but wanted to be a medical doctor, so back to school he went. Then they lived very affluently in beautiful Coronado, Calif. He did some relief work in Old Mexico, became interested in teaching medicine and nursing to less fortunate people — so on to China, Hong Kong, then Vietnam he went. Read this book.

The new incoming president is Mrs. Charlie Hays; vice-president is Mrs. Charles Vandiver, secretary-treasurer is Mrs. Jack R. Miller, and parliamentarian is Mrs. Russell Moran.

The club expressed thanks and appreciation to Hazel Merritt and her co-workers for a great job well done the past four years. The library is growing with books and interest. It needs more space. Someone always must work hard to get things done, and Hazel has worked tirelessly, and has had excellent help from her co-workers.

IRENE KEATING gave a birthday party for 6-year-old Cleve Saturday. Kelly Nelson, Steven Rose from Olton, Rickey and Rusty Rickerd, and Mark and Susan Fancher from Hub helped him celebrate. Irene served ice cream and punch with his birthday cake. A cowboy tablecloth and napkins emphasized the theme of the party.

Four-month-old Joe Flores stayed with Betty and Lon Boothe several days while his parents went to Old Mexico to attend the funeral of Joe's grandfather. She had plenty of help with him, as Janie and Lonnie enjoyed helping her care for him.

Attendance at the churches Sunday was down, as it was pouring rain at church time. Does it always rain on Mother's Day?

DAN AND OMA DEE Heard had her parents, Clinton and Hazel McCormick from Lubbock here for Mother's Day. Also visiting the Heards were her brother and sister-in-law Mr. and Mrs. LeRoy McCormick of Littlefield and their daughter, Linda of Texas Tech and Mr. and Mrs. Martin Young and children.

Margaret Wilson is in Kansas City for a visit with Patricia and Bob Brock and their boys. The Wilsons and the Brocks all will be in Kansas City for Bob's graduation from medical school May 22.

Ronnie and Judy Howard, Jim and Connie, have moved to Kansas, where he has the TV cable franchise.

SARA NORTHERN from Amarillo was here for Mother's Day with Mrs. Etta Brashears. They and the Dewey Wrights and Dorothy were guests of Donald and Katy Wright for the day.

her daughter, Lavelle Mapes. She is greatly improved and her mother thinks she will soon be completely well.

Jack and Myrna Miller and Shirley Wise took their Camp Fire group to the Miller's cabin at Cowles, N.M., for an outing over the weekend. They hiked in the snow and had a wonderful trip. The girls who went were Teresa Bruegel, Cynthia Dyer, Jana Hill, Mary Hamilton, Kim Miller, Leslie Nossaman, Linsae Snider and Susan Wise.

CHARLES HOTTEL had some distinguished guests here Thursday for a tour of the feed lots. John Hutchison, director of the Extension Service, and Dr. Earl Rudder, president of A&M University, were here. There were about 25 men in all who came from the university and the Extension Service.

Geneva and Betty Dennis took Debbie and Connie to Six Flags Over Texas. Decima Dennis, who teaches in Dallas, met them at Fort Worth and they had a nice visit with her. Decima will teach next year in the Philippines.

Ulys and Millicent Davis returned Monday from Rochester, Minn., where Ulys received treatment at the Mayo Clinic for three weeks. They said that Pete and Hattie Whitlow of Happy, former Dimmitt residents, were there and that Pete underwent surgery. He is a brother of Louise Kemp.

BOB, BETTY and Lissa Huckabay went to visit the V. O. Newtons, her parents, for Mother's day in Lubbock. Kathy, who is a student at Texas Tech, was also there. Kathy's husband, Larry Blakeman, is in the Navy and is on the USS Turner B. Joy, which patrols the coast off Vietnam.

Sunday night after church, friends of Connie and Patsy Morrison gave a "going away" party for them in fellowship hall of the Bedford Street Church of Christ. The Morrisons are moving to Van Horn and will continue to be with Western Ammonia.

Alton and Marilyn Guinn of Lubbock were visiting here over the weekend with her parents, Mr. and Mrs. Travis Campbell and her sister, Mrs. Dean Wiseman and family.

Janice Carpenter and her husband of Lubbock were here for

Mother's Day with her parents, Cecil and Aleta Curry.

Larry Odom is at home from Vietnam for a visit with his parents, M. B. and Lucile Odom. Larry has spent a year over there, and before that, he was stationed in Germany for several months.

THE SENIORS are busy with all of the end-of-school activities. I believe there are 89 of them this year. Friday night they were entertained with a party at the Hereford Country Club. Hosts were Msrs. and Mmes. John Merritt, Ward Golden, Da'e Prather, James Bradford, Cecil Crum, Russell Moran, Jim Hays, Russell Nelson, Charlie Hays, Ted Sheffy, Jim Golding and Bob Huckabay.

Gary and Eva Morrison and son, Michael, are here from Atlanta, Ga., where he is a pilot with Eastern Airlines. They are visiting their parents, the Bud Giles and the Gene Morrisons. They had dinner with the former Genda Smiley and her husband Thursday at Canyon, and with Kristi and Steve Wesson Friday at Lubbock. Saturday night they went to Olton to the Doug Giles home for a get-together with Cue and V. H. and the other Giles kin.

MRS. O. K. HOWE, in recent correspondence, states that she and Mr. Howe are still waiting in Houston until it is possible for her to have the cornea transplant. Many of us who made the trip to San Antonio visited with the Howes when they came over to San Antonio to spend the day. The Howes are receiving their mail at 1956 Dryden, Houston, Texas, 77025.

Our sincere sympathy is extended to Robert and Frances Duke and family on the recent death of Frances' brother.

Glenda and Charles Rickerd and boys spent the weekend in Hobart, Okla., with her parents and his mother. They said it rained all the way home.

THE TABLES were decorated with white, yellow and purple iris at the annual THDA luncheon at the Colonial Inn Monday. The programs carried out the theme of flowers and spring. Grace Lust was named Home Demonstration Club Woman of the Year. Mrs.

D. L. Cleaver is chairman of HD Council and was master of ceremonies. Mrs. M. F. McRee is THDA chairman.

Mrs. Vadabel O'dham, who teaches in El Paso, was here for Mother's Day with Verbie and Don Nelson and children.

DANELE CROWLEY, daughter of Mr. and Mrs. Paul Acker, will be on the graduation list at Texas Tech this month, but she will graduate in absentia.

Danelle has been in Europe France, Spain, Germany, Switzerland, Greece, Turkey, Tangier, Morocco and Portugal.

She hiked to the top of Gibraltar, and said it was quite a climb.

She will be going to Italy later to visit relatives of Rosa Acker and Rosetta Bellinghausen, and to Ireland to visit a cousin of Mrs. Paul Acker.

PEARL SHEFFY was in Amarillo for the weekend for the 50th wedding anniversary of Dr. and Mrs. Vick. She was an attendant at their wedding. They pledged their vows anew at the First Baptist Church Sunday morning. Thirteen of those who were present or in the original wedding party stayed at the Travel Lodge and all had dinner Saturday night at the Amarillo Country Club. Pearl stayed in the Vick home when she taught her first school.

Life Jacket Must Be Okayed by CG

A boater's life-saving device not Coast Guard approved is not in compliance with the Texas Water Safety Act, says enforcement officials of the Texas Parks and Wildlife Department.

"OUR GAME management officers are continually issuing tickets to boaters who are totally unaware of what the law specifies, and carry unapproved devices in the boat, thinking they are in compliance with the law."

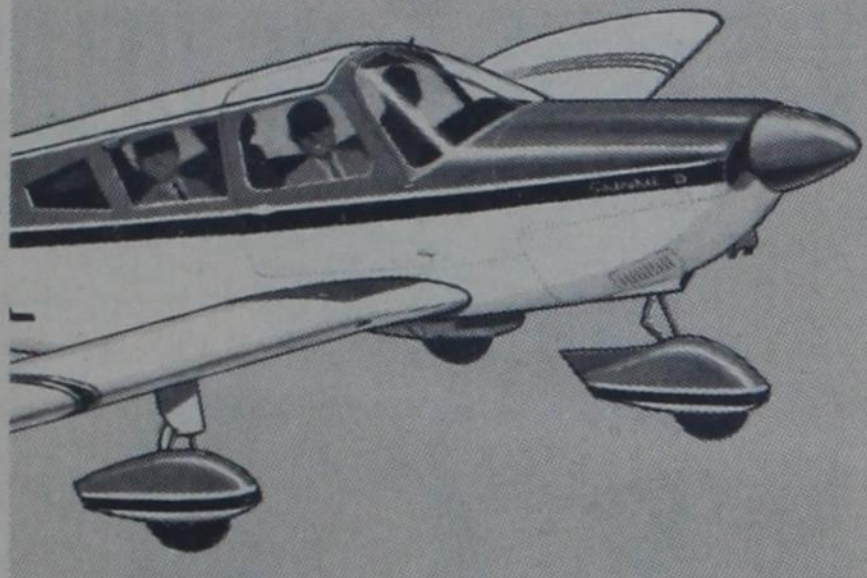

There are many types of vests, cushions, and belts for sale that may be termed "life preservers," but not all of them meet the requirements of the act.

A life preserver stamped and labeled "Coast Guard Approved" and affixed with an approval number, must be carried for each occupant in the boat.

SOME illegal flotation devices have been found with the words "Coast Guard Approved," stamped on the plastic sales bag, but this alone is not enough.

Boaters should use care in buying their preservers, and they should obtain information concerning the law to be sure their equipment meets all the requirements.

You'll like flying!

it's such a practical sport

The fast growing sport of flying is so practical, too. You save time and money when you fly on business trips and enjoy every mile over the roads. Same for family trips, too.

Come fly with us and see why hundreds of thousands of men and women say flying's the most practical sport in the world. Why not come out to the airport today or this week-end and try our special introductory flight lesson? With an expert government-rated flight instructor you'll fly the airplane. You'll see why so many people are taking up flying.

SPECIAL \$5 INTRODUCTORY FLIGHT LESSON IN A PIPER CHEROKEE

DIMMITT F.F.A. BOYS and their guests go through the barbecue line during their annual Parent and Son Banquet and awards program. Beef for the barbecue was

furnished by Jimmy Cluck. The banquet and program were held Tuesday evening of last week in the courtyard near the DHS vo-ag department buildings.

OUTDOOR PROGRAM — Dimmitt High School's FFA boys, their dates and parents gather at an "outdoor auditorium" of hay bales and grass for the annual Parent and

Son banquet. Dr. David Bechtol, veterinarian, was named the Honorary Chapter Farmer, and certificates of merit and foundation awards were presented.

Conservation

Now's the Time For Waterways

By LARRY STARNES
This is the time of the year that farmers should be thinking about establishing that waterway they have been planning.

WATERWAYS are an excellent method of transporting water across the soil surface without erosion.

In planning his waterway, a farmer must be sure that it is wide enough to slow the water to a safe velocity. He must take into consideration the acreage draining into the waterway, the slope of the channel itself and the highest rainfall expected.

The expected rainfall is usually considered as a 10-year frequency rain, or the highest rainfall which might be expected every 10 years.

TO INSURE proper functioning of his waterway after establishment, the farmer must plan a satisfactory outlet for his waterway and plan proper maintenance of all structures and the grass.

The grass that a farmer chooses for his waterway may be of several different varieties, depending on his personal desires and other farming operation. Some grasses which are commonly used are bermuda, western wheatgrass, and sideoats gramma.

Your local Soil Conservation Service welcomes the opportunity to assist Castro County farmers both in planning and applying waterways on their farms.

H-D Notes

It's 'Back to School' For Agent This Summer

By IRENE KEATING
Home Demonstration Agent

Last week I learned that I've been accepted to attend the National Extension Summer School at the University of Colorado June 17-July 5.

I'LL TAKE two courses related to Extension. You'll hear more about them in a few weeks. I plan to come back real eager to work and do a better job because of these classes.

I have begun helping the staff at the Golden Spread Nursing Home. I help check menus, discuss nutrition, etc. The state health department will need to

check my training credits on foods to see if I'm qualified to serve on a permanent basis. Even if I only serve a short while, it is excellent experience.

OUR BASIC clothing construction workshop began last Monday. We have a small group, and I'm really looking forward to working with them. It is a wonderful experience for me to help people with something that they aren't familiar with.

This is the time of year when we are doing spring house cleaning. When we do this, let's remember to do the places that we can't see as well as those that show. Wash on top of refrigerators, door frames, and other high places.

★ **SINCE** school will be out soon, I'd like to give you some "summerizing" suggestions:

1. Give all the rooms in your house the light touch. For example, replace heavy, winter-weight pillows with bright, summer-gay ones in formal patterns or nature's colors. Since daisies are making decorating news this season, put some daisy power in your decor — from pillows, bedspreads, towels and place mats to magnetic hooks for holding pot holders.
2. Retire as many mini-objects as you can. Too many whatnots and souvenirs all around don't allow for the cool, spacious feeling. Replace a few of your heavy ashtrays with light sunny ones and where you need those inevitable things-to-put-things-into, use baskets in various sizes. Be sure that the items you're storing for winter are put away clean. Wash them (if they're washable), then wrap in plastic bags for their coming out in the fall.
3. If you have prints and paintings on your walls, rearrange them, or move them from one room to the other. This will make you think you've done more redecorating than you have.
4. **BRING** the outdoors in — or if you have a garden, arrange flowers or greens in pitchers, pots or baskets for every room in the house. Anything that can hold flowers or greens should be used. If you have a small garden or none at all, use longlasting greens and intersperse them with the latest paper or papier mache flowers.
5. Take advantage of the paper revolution. Use paper flowers, tableware, furniture, clothes and whatever else is bursting out in paper, for an up-to-the-minute lock and minimum upkeep.

Sheila Birkenfeld
★
Music Bow

Sheila Birkenfeld, 18-year-old senior, is the Nazareth Swift Bandman of the Week.

THE DAUGHTER of Mr. and Mrs. Harry Birkenfeld, she plays second chair of B-flat clarinet, and is in her sixth year in band.

In addition to being a "B" student and band member, she is a member of Future Homemakers of America and was one of the high school's cheerleaders during her junior year. Her favorite subject is literature, and her favorite pastimes are movies and dancing. Sheila plans to attend Amarillo College after her graduation.

"700 acres of PIONEER sorghum averaged 8,568 pounds for me."

Elvin Wilson, Friona, Texas

Many of last year's bumper yields came from small acreages. But Elvin Wilson had 735 acres—all Pioneer hybrid 820—that averaged 8,568 pounds per acre.

Good weather, good farming and good seed boosted Elvin's yields. He double rowed on a 40" bed, watered four times in addition to pre-watering, controlled weeds with Propazine, and put on 280 pounds of nitrogen.

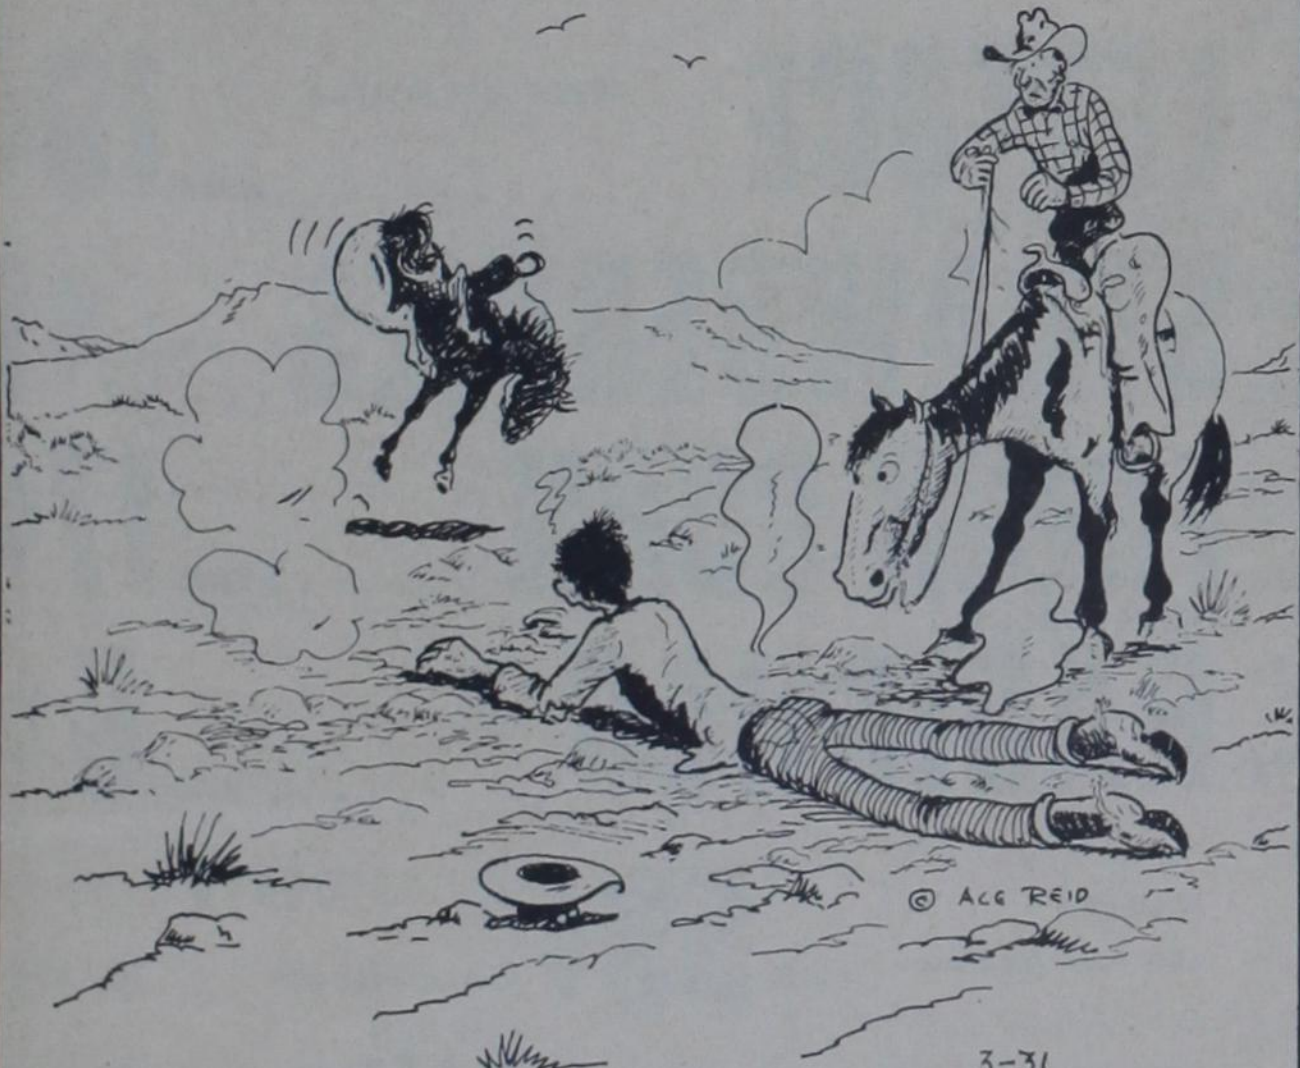

Hybrid 820 makes the most of his good farming—shades the ground fast, produces big yields, stands right up to harvest. Isn't this the kind of sorghum you want, too? See me soon.

for the sensitive ones

Flair conditioning is designed for sensitive people. People who like living with a flair. People who like to surround themselves with luxuries. People like you. But flair conditioning only performs like a luxury. You don't pay luxurious utility bills. If you already have a forced-air gas furnace, you're half way there. In less than a week you can have year-round comfort to use as lavishly as you like. After Pioneer Natural Gas Company makes a free home cooling survey, flair condition your life. You'll feel good about it. It's designed for the sensitive ones.

Pioneer Natural Gas Company

Friday's the Deadline On Cotton Referendum

If you are a cotton producer in Castro County, Charley E. Hill, office manager of the Agricultural Stabilization and Conservation County Committee, reminds you that Friday is the last day to vote on the transfer — by sale or lease — of 1969 upland cotton allotments outside the county.

BALLOTS were mailed early this month to all cotton producers of record, and the referendum started Monday.

BalLOTS may be mailed or delivered in person to the ASCS county office, but they must be in the office or be postmarked not later than May 17, and mailed ballots must arrive at the county office before ballots are counted on May 22. A ballot in an envelope postmarked after May 17 will be ineligible, Hill said.

THE VOTE will decide only the question of whether a farmer in this county can sell or lease his 1969-crop upland cotton allotment to someone who would use it in another county of this state. A two-thirds affirmative vote will permit such transfers. In no case can transfers be made outside the state.

Hill cautioned farmers to follow all instructions in marking their ballots. They should be sure to sign the certification — or the producer's mark should be written on the back of the envelope sent to them by the ASCS county office. This serves as evidence that the ballot was marked by the producer personally without undue influence by any person. Ballots are kept secret, although the counting of the ballots is public.

THE PUBLIC counting of the ballots will take place Wednesday at 9 a.m. in the ASCS county office. Anyone who wishes may witness the counting.

"Because the transfer of cotton allotments is so important to growers, it is hoped that a large percentage of the county's cotton producers will cast their ballots," Hill said. "Any cotton producer in the county who has not received a ballot by mail is urged to get in touch immediately with the ASCS county office."

Farmers Union Seeks Action

Directors of Texas Farmers Union, meeting in San Antonio last week, asked the USDA and members of Congress from Texas to take action on several matters affecting Texas agriculture.

THE Farmers Union board, representing 110 organized county units in the state, asked members of the Texas congressional delegation to bring about the extension of the 1965 Farm Act as a "priority matter, which should be acted upon without delay."

Texas congressmen and senators were asked to carefully study some of the amendments to the 1965 act which have been proposed by various groups and USDA to determine whether or not they are in "the long-time best interest of family farmers, and will increase net producer income."

The Farmers Union board urged members of Congress to support the Mondale Bargaining Bill and

to speak out publicly for the proposal to give farmers and ranchers legal authority to negotiate price. The resolution emphasized the need to adopt Title I of the bill, which it termed "essential for bargaining authority."

Turning to recommendations directed at USDA, the farm organization leaders asked Secretary Orville Freeman to "assure an orderly marketing of cotton stocks remaining in CCC hands and an improved bargaining position for farmers by announcing an extension of the cotton loan program after July 1."

USDA was also asked to "comply with the recommendations of wheat farmers at the Amarillo hearing by announcing a mandatory diversion program with payments and an additional voluntary diversion program with payments to assure a substantial reduction in wheat acreage for 1969."

A&M Visitors Study Feed Lots

Members of the board of directors of Texas A&M University and University Administrators, including President Earl Rudder and Dean of Agriculture, H. O. Kunkel arrived in Amarillo Wednesday evening for a tour of the rapidly developing cattle feeding industry of the area.

THE TOUR which was hosted by the Texas Cattle Feeders Association, left The Villa Inn Motel this Thursday morning to inspect cattle feeding operations in Amarillo, Hereford, Friona, Tulia and Dimmitt areas. Also included on the tour will be a visit to the Missouri Beef, Inc. at Friona. The new beef packing operation which has just recently been completed, will be the largest beef killing plant in the nation.

The tour was planned to provide the Texas A&M officials with a first-hand view of the state's most dynamic agricultural industry. Cattle feeding in Texas has grown from 227,000 head fed in 1955 to 1,614,000 head fed in 1967. This volume is estimated to double by 1975.

THIS BILLION dollar a year industry depends heavily on the research and extension activities being carried on by Texas A&M University. As this region develops into the beef producing center of the nation, research and extension work will play an increasingly important role.

The Feeders Association will host the visitors and other business leaders at a dinner Thursday. Highlights of the tour were reviewed at this time.

MODERN AGRICULTURE

Water Importation Should Be Non-Partisan Issue, Ford Says

Frank Ford, Republican candidate for the Texas Legislature, this week pledged his efforts toward water importation on a non-partisan basis, and urged increased use of lake water and tail-water return systems in an effort to conserve our underground water supplies.

"EVERY farmer and business man knows that the value of anything he needs in his production is determined by its replacement cost," Ford said, "and the replacement cost of our water is

Keep Your Fish Fresh and Edible

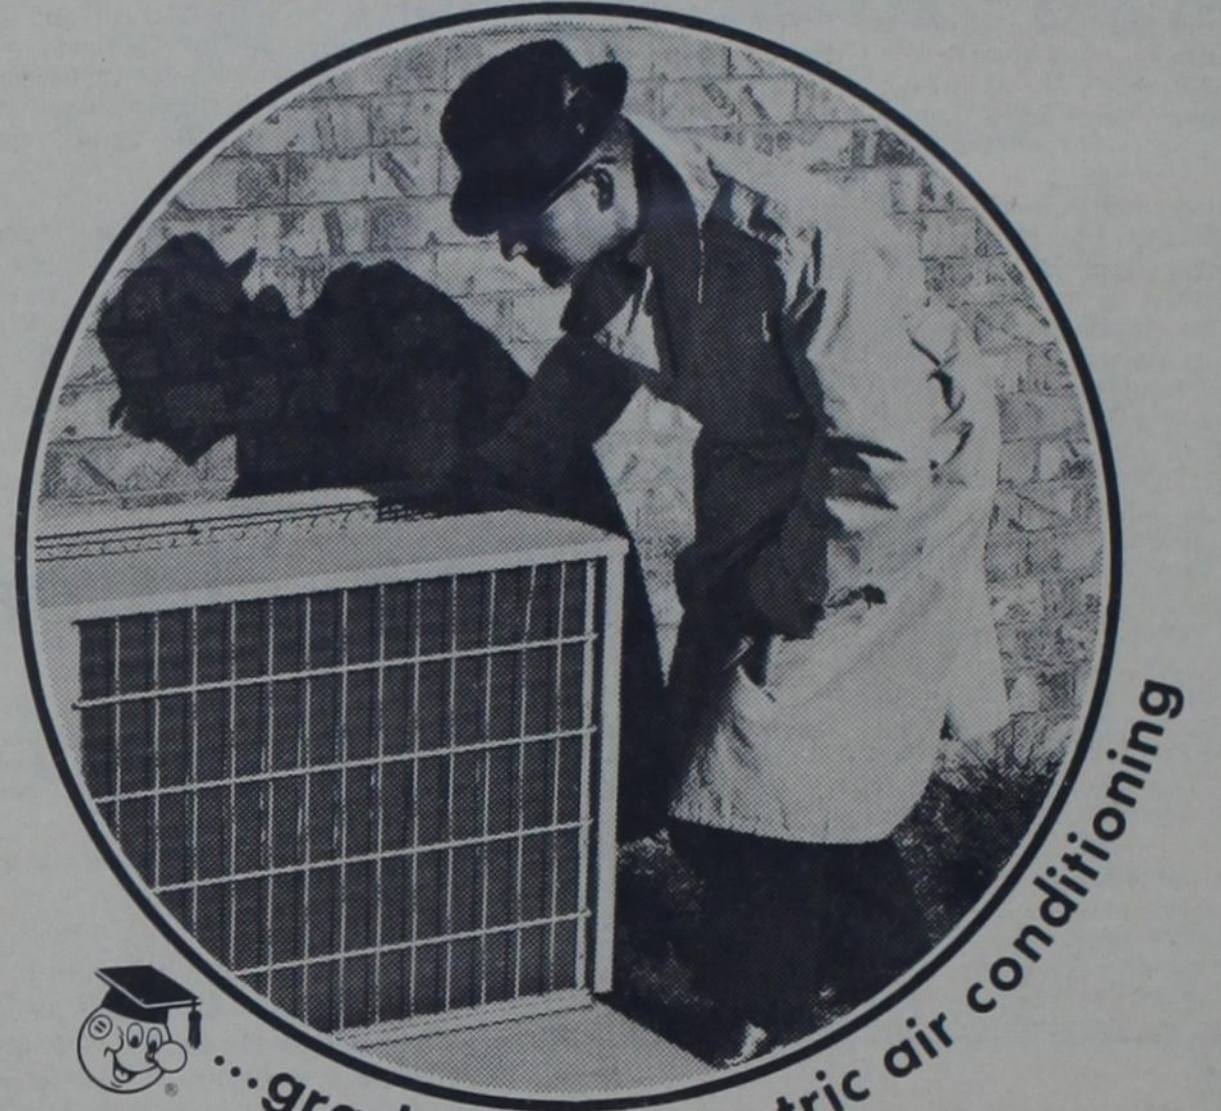

Certain steps are in order if the fisherman wants his catch to reach the dinner table in the best possible condition, says Henrietta Gossett, home economist in the seafood marketing division of the Texas Parks and Wildlife Department.

ACCORDING to Miss Gossett, a few simple steps will retain freshness in fish.

The fish should be cleaned as soon as possible after it is landed, with all of the internal organs removed. An alternative to this is to keep the fish alive in bait wells or on a stringer, says Miss Gossett.

Since fish decomposes rapidly, it should be refrigerated as soon as possible, she says. The lower the temperature, the lower the rate of spoilage, so ice would be a good investment to protect the catch.

Before you buy, be a private investigator.. get the facts about **ELECTRIC** air conditioning!

...graduate to electric air conditioning

ASK YOUR PUBLIC SERVICE MANAGER

Comfort **ELECTRIC** Cooling

The facts are that electric air conditioning takes less space, is fully dependable, fully efficient and uses just clean air and electricity. Chances are you have an electric refrigerator that may be as much as 15 years old... yet it's still dependable, still faithfully performing its cooling duty.

And that's the way it is with electric air conditioning.

ASCS News

Cotton Voting Now Underway

A referendum to decide whether or not cotton allotments may be transferred by sale or lease to another farm outside of Castro County will be held by mail during the period May 13 through May 17. Ballots may be returned by mail or delivered by hand to the ASCS Office during this time. Mailed ballots must be postmarked no later than May 17 and must arrive at the ASCS County Office before ballots are counted on May 22.

IF YOU are an eligible voter and do not receive your ballot or have any question concerning the referendum, please contact the ASCS Office.

Ballots were mailed to all known eligible producers and their wives on May 10. Please read the instructions carefully that were enclosed with your ballot.

MEASURING SERVICE

Measuring service for feed grain, cotton and diverted acres is again offered to interested producers. Requests for this service will be accepted through June 7, 1968.

1967 COTTON LOANS

The final date for producers to obtain loans on 1967 crop cotton has been extended from April 30 to May 31.

WAGE RATES SET FOR SUGARBEET WORKERS

Workers employed on a time basis must be paid not less than \$1.40 per hour for each of the hand labor operations of trimming, hoeing, hoe-trimming, blocking and thinning, weeding, pulling, topping, loading, or gleaning. Special wage and hour provisions cover the employment of workers 14 to 16 years old.

When employment for hand labor operations is on a piecework basis, the following minimum rates per acre apply: trimming \$11.25; hoeing \$13.50; hoe trimming \$16.25; and weeding (following trimming, hoeing, or hoe trimming) \$8.50.

The piecework rate for blocking and thinning, weeding (which does not follow hand labor operations) and for any other hand labor operation involving the removal of beets or weeds and for pulling, topping, loading, or gleaning shall be that agreed upon between the producer and worker, provided the worker's earnings average not less than \$1.40 per hour.

Eligibility for a Sugar Act payment depends upon the producer compliance with these wage rates and requirements.

THOUGHT: Habit is like a cable we weave a thread of it every day and at last find we cannot break it.

HOUSEHOLD HINTS

For rainy days indoors, make a sheet playhouse for the children. Simply drape an old cotton sheet over a card table and a door, and let children decorate the "walls" of the fabric house with crayons or water colors.

DENNIS FUNERAL HOME

is no longer associated with Wallace Monument Co. of Clarendon, due to it being out of the Dimmitt territory. We are now associated with a fine monument firm closer to home, Browder Memorials. We have a complete display of monuments, and handle a complete line of concrete vaults.

New 4-H Club Formed

By MRS. J. T. STEHR
Bethel 4-H Club was organized Friday night. Mr. and Mrs. Charles Rickerd are the adult leaders.

MR. AND MRS. Jack Phares visited relatives in Tallahatchy, Okla. They also visited Mr. Phares' father in a hospital in Ada, Okla.

The women who are learning to refinish furniture at Bethel report several are interested and meeting for the instructions.

The Fred Bruegel Sr. home was the scene of a gathering Sunday for several friends of Sandra and Mike Bruegel.

RECENT visitors in the George Sides home were his parents, Mr. and Mrs. Horace Sides and brother, Jack Sides.

Mr. and Mrs. George Bagwell and Mrs. Kay Roberts were guests in the George Sides home on Mother's Day.

The Deibert Timmons spent Saturday night visiting relatives at Whitharrel.

MRS. LOIS AUSTIN of Hereford has opened the Tam Anne Cafe. The cafe is open from 7 until 7 right now.

MR. AND MRS. A. T. Morgan were supper guests of Mr. and Mrs. Charles Harris and attended the revival services at the First Baptist Church in Plainview Friday night with Max Hastings of Dimmitt.

day night. Mrs. Max Keating honored young Cleve Keating with a party on his sixth birthday Saturday. Guests were Ricky and Rusty Rickerd, Kelly Nelson, Stephen Rosa, Mark and Susan Fancher. They report a grand time.

After attending Cleve Keating's birthday party, the Charles Rickerds went to Oklahoma to visit Mrs. Rickerd's parents.

RECENT visitors in the George Sides home were his parents, Mr. and Mrs. Horace Sides and brother, Jack Sides.

Mr. and Mrs. George Bagwell and Mrs. Kay Roberts were guests in the George Sides home on Mother's Day.

The Deibert Timmons spent Saturday night visiting relatives at Whitharrel.

MRS. LOIS AUSTIN of Hereford has opened the Tam Anne Cafe. The cafe is open from 7 until 7 right now.

MR. AND MRS. A. T. Morgan were supper guests of Mr. and Mrs. Charles Harris and attended the revival services at the First Baptist Church in Plainview Friday night with Max Hastings of Dimmitt.

Mrs. Chas. Rickerd, Mrs. Max Keating and Mrs. James Welch were on the decorating committee for the spring luncheon for the Home Demonstration Clubs at the Colonial Inn at Dimmitt Monday.

By DeLORISE GILLILAND
This week is National Nursing Home Week, and you are invited to visit residents of Golden Spread Nursing Home this week.

Mrs. Moss Howell had the two small children of the Charles Howells visiting her while the Charles Howells attended the funeral of a sister of Mrs. R. M. Warren, at Lecland. Mrs. Warren now lives in Florida. Mrs. Charles Howell is Mrs. R. M. Warren's daughter. Mrs. Shown visited Mrs. George Bagwell Friday afternoon. Mrs. Kay Roberts was also a caller.

THE DON GILBREATHS planned to fly to Oklahoma City to take their daughter, Judy, to the allergy clinic — but due to the weather, they hurried there by car Thursday.

Mrs. George Bagwell attended the Book Club Luncheon at Hereford Country Club.

Mrs. Buster Morgan and Mrs. Jimmy Ivey of Lazbuddie were shopping in Hereford Tuesday.

Mrs. Don Gilbreath was chairman for the fifth grade spring party at the park.

THE FILM, "On the Square" (made in Russia and widely advertised by the late Cotton John) will be shown at Bethel Friday night. Y'all come, and bring a pie!

Golden Spread Home

Nursing Home Week Is Here

By DeLORISE GILLILAND
This week is National Nursing Home Week, and you are invited to visit residents of Golden Spread Nursing Home this week.

The average age of nursing home patients in this country is 77, and there are more than 700,000 patients. But don't be misled by the chronological age of these patients — they're not all "old." Many are alert, interested — and interesting — personalities who have one or more chronic illnesses which require that they be under constant nursing supervision.

The goal of the national observance is to assure that every patient in nursing homes across the country will be visited on this special week. Nearly a million persons participated in the program last year, and officials hope this mark will be exceeded this year.

MAY 8 Mrs. Claude Milsap and her Bible class visited the home and sang songs and read scriptures to Mrs. Caldwell and seven other residents. They brought homemade cookies. All enjoyed these. Mrs. Higgins visited her mother, Mrs. Maude Van Horn.

MAY 9 Miss Pat Preston is the proud owner of a new color television.

MAY 10 Mrs. Randall Craig and daughter visited Miss Pat Preston.

MAY 11 Mr. and Mrs. Roy Conard from Hereford visited his mother, Mrs. Bertha Conard.

Mrs. Underwood and Mr. and Mrs. C. Godfrey from Hart visited with Mrs. Davis and Mrs. T. W. Martin.

Mr. and Mrs. Clyde Thomas and Cynthia, Mrs. Gene Batenhorst and Cheryl, Randy and Milana, and Mrs. Dale Barkly, Valerie and Alisa visited their grandmother and great grandmother, Mrs. Lula Thomas.

Mrs. Lowe and Mrs. Kirby visited with Miss Nannie Tedford and Mrs. Linnie Caldwell.

Mr. and Mrs. Jimmy Diaz visited with his grandfather, Mr. Juan Ramirez.

MAY 12 Mr. and Mrs. George Venhaus from Happy visited with Mrs. Annie Venhaus.

Mrs. Callie Martin spent Mother's Day with her son and daughter.

Miss Annie Browder had dinner with her niece and family Mrs. Swain Burkett.

Paul Venhaus visited his mother, Mrs. Annie Venhaus.

Mrs. Mamie Moore spent Sunday afternoon with her husband, Carl Moore.

Grandmother Thomas has been very ill, but is much improved. We know she is better because she is telling everyone what to do. She is 91 years young and is the pride of the Nursing Home.

The nurses presented Mrs. Griswold with a Mother's Day corsage of red carnations, which made her very happy.

The Church of Christ held services at the home. Everyone enjoys these services each Sunday.

The YWA from Sunnyside presented the home with a beautiful Mother's Day cake for the residents.

Mrs. Griswold had all the employees in for Mother's Day dinner.

Mrs. Francis Vera had her children and grandchildren as her visitors.

Mrs. Higgins from Hereford was a visitor in the home.

Tex Conard visited his mother, Mrs. Bertha Conard.

Miss Pat Preston had as her visitor, her grandfather.

Nazareth High Seniors Tell History of Class

In September 1956, Sister Herman Joseph took the heavy task of leading an expedition of mountaineers starting up the mountain of education.

THIRTY students started this trip. They included Jerry, John, Dale, Richard, Tommy, Gene, Mark, Jimmy, Dean, Benito Ovalle, Arturo Salazar, Howard Thorne, Oscar Ramos, Fred Warren, Sheila, Charlyn, Juanita, Sandy, Sharon, Cynthia, Kathy, Linda, Phyllis, Carol, Brenda, Theresa, Beth, Paulette Brockman, Vicki Stork, and Conception Ortegon.

Lot of these kids remember the fun that they had behind the little school, especially Cince. Is it? John, have you ever had the sudden urge to walk home again? Sharon, it sure doesn't pay to kneel backwards in church. The opportunity to ring bells has never been quite the same as it was in the first grade.

IN OUR second year we moved to the large red school house. At least dinner wasn't such a long walk away. Sister Ligouri took over the job of leading the large band of mountain climbers. Vicki was no longer with our expedition. Merle Dodson and Janet Schmucker became members of the expedition for a time. Beth, you haven't tried to tear any more dresses lately, have you? This was the year that all brains came to light because most of us made A's.

Sister Marcella led us up one more level of the mountain. Naps and going barefoot become part of the agenda. The members of our expedition stayed the same. We showed our great acting ability by putting on our first play. Carol Jones was awarded the part of the crippled child because she was the smallest one in the class. We especially looked forward to Friday afternoon because that was our day for art. We also had some very heated discussions on who would win the World Series.

SISTER LOYOLA, in 1950-1960, taught us knitting and square dancing. Remember all of the tangled arms from playing "find the needle in the hay stack"? Mr. Froehner had many of us musically inclined people learning to play different instruments. The non-band kids kept the floor nicely polished and slick. Does anyone remember the slight accident that occurred right after you had finished polishing the floor one day? If you don't ask Dubby, Sheila remembers one thing from this year: getting fuddled isn't the best thing that can happen to a person on the monkey bars. Three new members joined the expedition. They were Elias, Ofelia and Mary Bermea.

Under Sister Clarrisa we learned again to use the dexterity of our fingers. Crocheting of all sorts of dollies took up much of our time. We even had an art expedition for the whole school, where we displayed our great artistic accomplishments. It seems that Brenda and Howard Thorne had something in this grade because Brenda kept calling him cute little names and even writing them. Dale, have you recovered from that collision with the baseball? New additions to the class were Jeannie Craig, Anita Cameron and Julia Alcasar.

THE SIXTH grade was the year of Cokes and candy. Alex Albrego joined into the activities. Kathy and Anita were instrumental in starting rival clubs. The Gene McDaniel's Club and the Crusaders of Christ. We also had another teacher trying to get something into our heads. Mr. Jack Aldridge taught us geography. Mr. Hillock taught some of hand. One teacher wasn't enough for us in the seventh grade. Mrs. Acker, Mr. Rue, Mr. Carl Wayne Irlbeck, Sister Donata, and Mr. Daughton were our teachers. Anita and Alex were no longer with us. All kinds of rules and regulations which we ourselves made into laws had to be obeyed. The

penalty for breaking one of these was decided before a court which we set up ourselves, and the lawbreakers were tried. Beth and Sheila got to sit in study hall for a week because they ran down the hall. And you were guilty, weren't you?

IN THE eighth grade we were in a world of our own. We had the old cafeteria all to ourselves. Jerry was a little thankful the desk was so close to the chalk board. It doesn't hurt as bad as it should, especially after you took so long to find the board he used. Sandy and Jimmy hit it off. Notes were a daily ritual. I remember reading a few of them myself.

Sandy's favorite song was "James, James, Hold the Ladder Steady." Is this still true? Tommy, what makes soap run out of the dispenser so fast, especially when nobody is using it? Could it be because of a small hole in it? Spittwads and tacks can cause some trouble, can't they Gene and Phyllis?

Greg Anderle and Lonny Pinkert came just in time to be a part of this happy-go-lucky group. The teachers who had to put up with us were Mr. Heffernan, Mr. Rue, Mrs. Acker, and Mr. Carl Irlbeck. Here we are in good ol' NHS. We lost many and gained a few. Theresa, Linda, Charlyn, Paulet, Julia and Gene went somewhere else to get an education. Mary Clayton, Kenny Murrell and Cyde Venhaus became a part of the group. Sister Stephanie, Mrs. King, Mr. Gibson, Mr. Carl Irlbeck, Mr. Heffernan, Sister Benedict and Mr. Froehner were our proud teachers this year.

Dean, excuses such as being tied up do not get very far with PE teachers, especially when the teacher thinks it was a girl. Richard, how did the name P.P. come about? I'm sure all of us remember the slimy bananas and the crunchy cornflakes. The boys' basketball team won district but lost bi-district by one point to Anton.

THE SILLY sophomores of '66 were taught by Sister Stephanie, Mrs. King, Mr. Potter, Mr. Stulting, Mr. Christian, Mr. Seale and Mr. Froehner. The girl's won district in basketball and went to state in volleyball. Gene (now known as Dubby) came back at the beginning of the year, and Julia and Theresa joined us at mid-term. They couldn't seem to stay from us too long. Kenny, couldn't you quite make up your mind as to where you wanted to go to school? Cince, do you remember Sister Stephanie helping you remove some carbon that got on you?

Charlyn and Linda rejoined the troupe our Junior year. Sister Charles Marie, Sister Benedict Marie, Mrs. King, Mr. Potter, Mr. Seale, Mr. Stulting and Mr. Savik were our teachers. Brenda, is it true that fish swim backwards? And boys, what is this about your having such a grand time at your painting jobs for the prom? Painting isn't so dull, is it? We all remember working on the prom. Have you remembered to put six twists in the streamers? But a little arguing always makes the job more exciting.

We've reached the next to the last stage of succeeding in our ascent up the steep mountain of education. Here we are seniors. Most of us are happy that there is so little time left till we go out into the world. Mark will remember that it doesn't pay to leave class early, does it Mark? People can find you in the funniest places! Linda, it's awfully hard to have all your wits available during second class in the morning, not? Kenny Murrell came back to our class and Susie left. We are very grateful to Mr. Slavik, Sister Stella, Sister Benedict Marie, Mr. Froehner, Mr. Smith, Mr. Christian and Mr. Stulting for taking time to try and teach us something. Because of the size of our class,

we gave two plays this year. "Quit Your Kidding" was a big success and the same is hoped to be seen of "Murder in the Library."

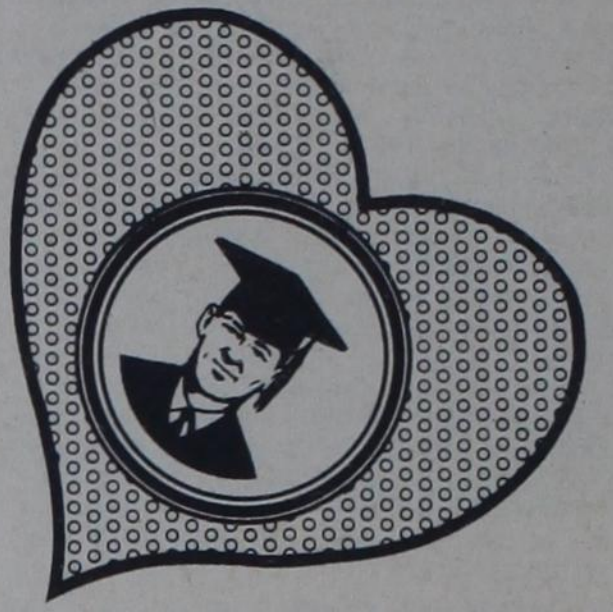

THE END of the year is close at hand. We have almost reached the end of our journey up the 12-year mountain of education, but we still have a greater one to climb — the one of life. We came, we saw, and we have as of yet to conquer.

MRS. R. D. NORTEN of Amarillo spent Mother's Day here with her mother, Mrs. Etta Brashears.

HART NEWS

22 Seniors Will Graduate Friday

By MYRT LOMAN
Commencement exercises for the 22 graduating seniors of Hart High School will be at 8 p.m. Friday in the Hart High School auditorium.

David D. Harris, son of Mr. and Mrs. Duard Harris, has been named valedictorian of the class with a four-year average of 93.56.

Salutatorian is Lynda Shive, daughter of Mr. and Mrs. Eldon Shive, with a four-year average of 91.44.

The 1968 "Longhorn" annual of Hart High School has arrived and some have been delivered, with a few extra copies at the high school.

The annual was dedicated this year to Mr. and Mrs. Lanny Tucker, teachers in the local school system.

Tucker is vocational agriculture teacher and Mrs. Tucker teaches the second grade in elementary school.

The "Longhorn" staff is composed of Iona Clevenger, editor; Harold Bob Bennett, co-editor; Bill Bledsoe, Tony Miller, Rebecca Futrell, Sue Bates, Mandy Rogers, Sheila Gardenhire, Becky King, W. A. Hawkins III and Veronica Cox, with Mrs. Jim Reid, serving as advisor.

WADE COX suffered a stroke Monday morning in his home. Mrs. Pete Brown of Pottsboro spent this week in the home of her parents, Mr. and Mrs. G. C. Keenom and other relatives and friends.

OTTO DINWIDDIE reminds us that Memorial Day is May 30 and that a clean-up project at the Hart Cemetery has been planned for May 29-30. Let's all meet and do our part, not wait for a neighbor or friend to do our duties.

American Legion Post 311 of Hart will again sponsor a program at the cemetery May 30. Time will be announced in next week's paper.

VISITORS in the home of Mr. and Mrs. H. E. Loman were Mr. and Mrs. Ellis Jennings of Wildorado and Mr. and Mrs. Roy Pyeatt of Tulia. Both families are former Hart residents.

Mr. and Mrs. Robert Brooks were in Plainview Saturday to attend the funeral of their niece, Mrs. Albert A. Johnson, who died early Friday morning after a lengthy illness.

SEVEN members of the Women's Society of Christian Service of the First Methodist Church

were guests Wednesday afternoon in the home of Mrs. Ed Bennett for a Mother's Day program.

The president, Mrs. H. H. Parker, gave the devotional and each lady had a part on the Mother's Day program.

Present were Mmes. H. H. Parker, L. L. Swindle, Bill Yearger, W. C. Crick, C. B. Landers, W. A. Hawkins Sr., and Mrs. Bennett.

Rev. Fred Brown, pastor of the First Methodist Church, was released Wednesday of last week from the Veterans Hospital in Amarillo, and is resting at his home with only a limited amount of visitors allowed.

CADETTE Girl Scout Troop 158 held a tea honoring the eighth grade girls, mothers and grandmothers Saturday from 2:30 to 4:30 p.m. in the community room of Farmers State Bank.

Carolyn Co'e and Jeton Jones were at the refreshment table, which featured a white cloth, cut glass punch bowl and an Owl Graduate as the centerpiece. Punch and cookies were served.

Francis Cunningham registered the guests, Becky King and Brenda Covington presided at the gift table, and Carol Miller and Sharon Brooks greeted the guests.

There were 18 girls present with their mothers and grandmothers.

BROWNIE Troop 23 and Junior Troop 47 met at the First Methodist Church Wednesday of last week to practice on the badge ceremony and Brownie flying up ceremony to be held this week.

Mrs. Kenneth Covington, leader, and 14 Brownies were present, along with Mrs. W. T. King and eight Junior Scout Girls.

WELDON BATES, high school principal, has announced that Hart School will dismiss at 2:30 p.m. Thursday and Friday, and that all report cards will be mailed to the students.

THE LIONS Club met Monday in the community room of the bank for lunch and short business session.

Lion Boss Kenneth Lambert reports 15 members present. The men voted to sponsor a light bulb sale Saturday, June 1.

The annual broom sale was held Saturday and despite the rainy weather the club earned \$156.12 for its community service projects.

DAVID SMITH was selected Star American Farmer of Area I at the area FFA convention in Lubbock last weekend.

He will now compete on a statewide basis for the title of Star American Farmer of Texas. He previously was chosen runner-up for the Lone Star Farmer of Texas award.

The American Farmer Degree is awarded on the basis of one recipient for each 1,000 members. Four were named in Area I this year, with David being named the Star Farmer.

MR. AND MRS. W. A. Hawkins Jr. and Mr. and Mrs. Ed Harris entertained the Hart High School seniors with a baked ham dinner Tuesday night in the back yard of the Hawkins home.

The Ed Harris back yard was the setting for trampoline and other outdoor sports.

Special guests were Mr. and Mrs. Don Ewing, Mr. and Mrs. Jim Rich, Mr. and Mrs. Doc Bates, Mr. and Mrs. Andy Gardenhire and Mr. and Mrs. Larry Irby of the Hart High School faculty.

FRANK Sanders received word last Tuesday of the death of his brother Herman, 76, of Bakersfield, Calif.

Mr. Sanders was a former Lubbock resident, having moved to California in 1933.

He is survived by his wife, three daughters, three sons, two

brothers, one sister, 20 grandchildren and seven great grandchildren.

MRS. LEON SANDERS of Dimmitt presented her piano pupils of Hart in a recital Friday night in fellowship hall of the First Baptist Church.

Participating on the program were Sharon Brooks, Sharon Barron, Patricia Smith, Dana McLain, Louisa Carbajal, Robert and Debbie Lacy, Carolyn Cole, Donice Clark, Joyce and Donna Welty, Brenda and Kathy Cheves, Roni McGill, Jana Mapp, Carol and Brenda Armstrong, Eliza-

beth Stephens, and Thomas Cunningham, with Gary Cole and Patricia Smith presenting vocal solos.

MEMBERS of the Hart High School senior class and sponsors Mr. and Mrs. Raymond Keller, left Saturday morning for Denver, Colorado Springs, Pike's Peak and other points of interest in Colorado, and are to return home tonight (Thursday).

Commencement exercises for the senior class will be Friday night, at 8 in the Hart High School auditorium.

The public is invited.

MRS. RONNIE FARRIS (LEFT) ACCEPTS AWARD ... From Mrs. Melvin Aven, chapter president

Sorority Picks 'Girl of Year'

Mrs. Ronnie Farris was named "Girl of the Year" last Thursday night when the Chi Psi Chapter of Beta Sigma Phi held its annual Founders Day and Mother's Day Banquet.

THE AWARD is given annually to the member who has contributed most to the chapter. The award gift was presented to Mrs. Farris by Mrs. Melvin Aven, chapter president.

The banquet was held in the community room of Farmers State Bank at Hart, with 17 members and 16 guests present.

FOLLOWING a salad supper, Mrs. Theron Morrison read a message from Walter W. Ross, founder of Beta Sigma Phi.

Decorations were of fresh cut yellow roses and greenery. Each guest received a corsage.

yellow roses and greenery. Each guest received a corsage.

Kent Hance Is Honored At 'Law Day'

Kent Ronald Hance, University of Texas Law School student from Dimmitt, was among the 35 outstanding students honored during the sixteenth annual Law Day.

HANCE received a \$100 award from Andrews, Kurth, Campbell and Jones of Houston as the student who has contributed most in an extracurricular way to the welfare of the law school.

President of the UT Student Bar Association, Hance graduated from Texas Tech with a bachelor of business administration degree. He is a member of Delta Tau Delta social fraternity.

His parents are Mr. and Mrs. R. L. Hance.

On the Go FLORENE LEINEN had her parents, the John Storks, and all of her sisters and their families for Mother's Day at her home. Also present were Dale, who is a junior at Texas Tech, and Kathy and Terry Hill from Levelland.

First Walleye Season Begins

The first Walleye Perch fishing season ever held in Texas opened May 1 at Lake Meredith, near Borger, according to Robert G. Mauermann, deputy director of the Texas Parks and Wildlife Department.

DAILY bag and possession limit is five Walleyes.

Fishermen are reminded that it is unlawful to fish by any means or method except as specifically allowed by Panhandle regulatory proclamations of the department.

Not more than 20 hooks altogether may be used in any combination of the following: pole and line, set line, artificial lures or natural baits, rod and reel, and not more than one trotline.

Leo Lewis, regional fisheries supervisor at San Angelo, says fishermen will have their best results from 500,000 walleye fry that were stocked in Meredith in May 1965.

Biologists' net samples show that walleyes have been taken up to 22 inches in length and up to five pounds in weight. Lewis said the average weight was 2 1/2 pounds.

However, catches will not be limited to the earlier stocking, since two million were stocked in May 1966. Samplings also have shown that the walleyes have spawned.

Department biologists say that walleyes can be found in deep water in the daytime and in the shallows at night since they are extremely sensitive to light. Satisfactory baits for the fish include both artificial lures and minnows.

THE YELLOW PIKEPERCH (or walleye) is the largest member of the perch family and may grow to 36 inches in length and weigh about 25 pounds. They are indigenous in the Great Lakes area, with the greatest numbers caught in Lake Erie.

Lake Meredith was completed last year and is operated by the Candalean River Municipal Water Authority. Portions of the 16,500-acre lake are in Moore, Potter, and Hutchinson County. The dam is located 10 miles northwest of Borger.

On the Go DINNER guests of Mrs. Sam Maynard Sunday for Mother's Day were her daughter Mrs. John Hamilton of Dallas, her mother and dad, Mr. and Mrs. G. E. Phillips of Amherst, a brother and sister-in-law, Mr. and Mrs. Albert Phillips of Lubbock, Mr. and Mrs. John Smith of Memphis, Mr. and Mrs. Wade Maynard.

"42" PARTY TO BE HELD There will be a "42" party at the Castro County Country Club Friday evening at 8:00 o'clock. Everyone is invited.

On the Go

MR. AND MRS. Wade Maynard, Mrs. John Hamilton and Mrs. Sam Maynard visited in the home of J. S. Maynards and Mrs. E. C. Caudle Sunday night at Lubbock. Mrs. Hamilton returned home to Lubbock after spending the weekend in the home of her mother Mrs. Sam Maynard.

On the Go

MR. AND MRS. Elzie Teague have returned home from Walsenburg, Co., where she had been with her daughter, Mrs. Eob Mapes, who had been ill. Mrs. Mapes is now reported much improved.

LEGAL NOTICES

NOTICE OF CALL FOR BIDS The Hart Independent School Board of Trustees call for separate sealed bids for complete repair and remodeling on each of three houses, located one block south of First Baptist Church. Bids are to include all labor, carpentry, plumbing, wiring, and installation of one (1), 60,000 BTU panel wall heater, and addition of service porch equivalent to that of rent house No. 12. Bids are to be submitted to Board President Ralph Futrell or to the school business office, envelopes to be marked "Bids Enclosed." Bids will be opened May 20, 1968. 30-2tc

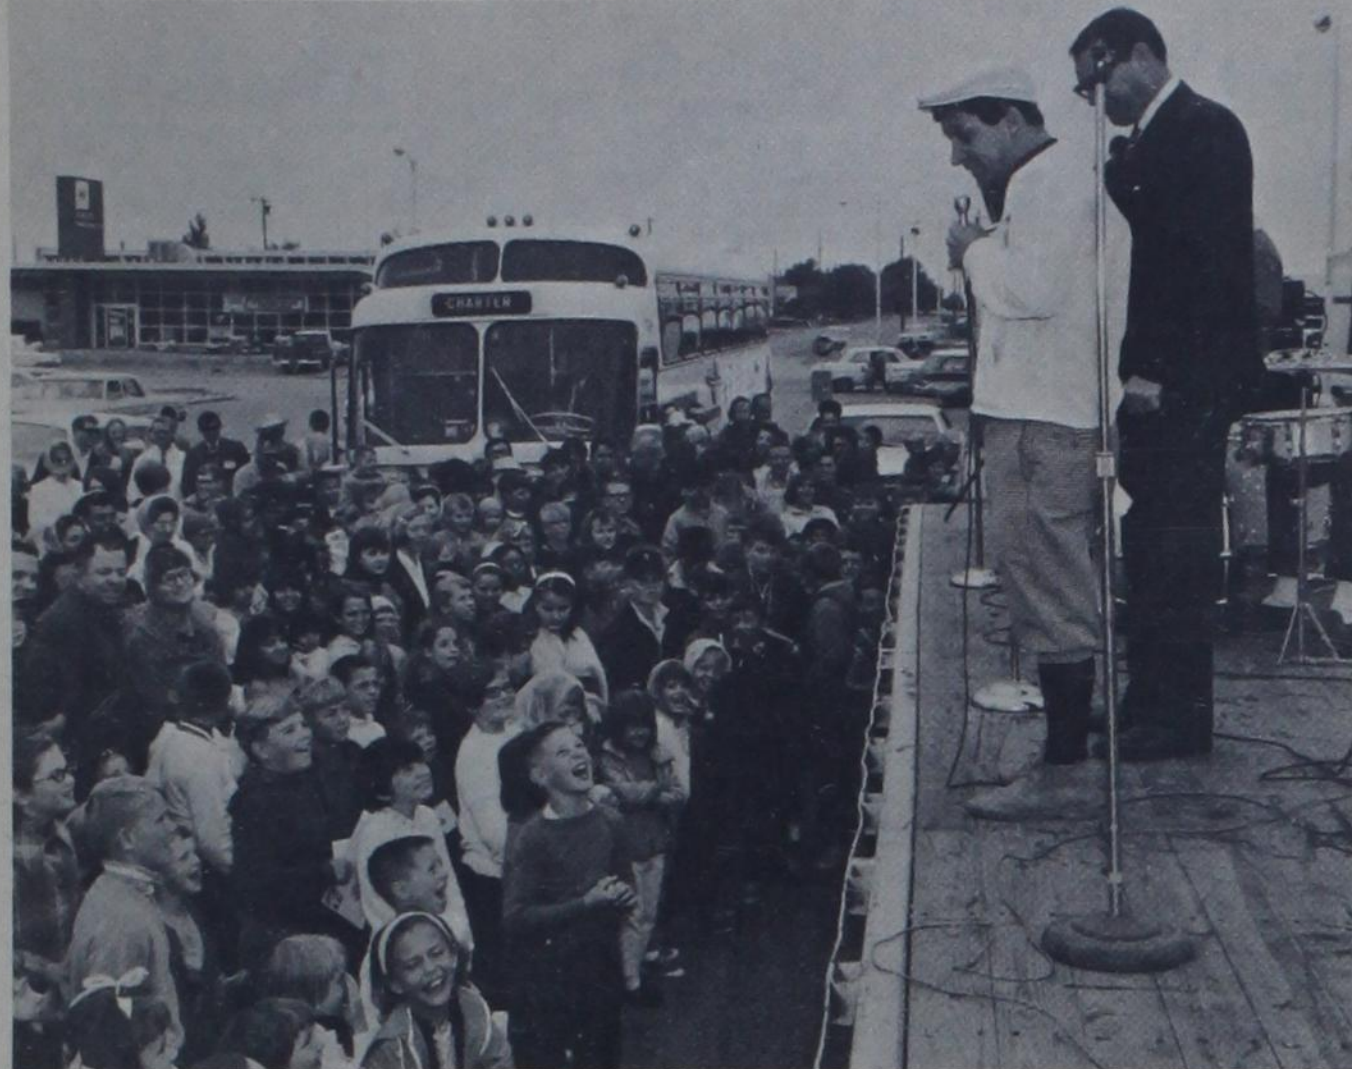

Our Compliments to the SENIORS

State Capitol Highlights

Runoff, Special Session in Spotlight

By VERN SANFORD Texas Press Association Presently there are two major topics of speculation in capitol corridors:

- 1. WHEN WILL Gov. John Connally call the legislature into special session?
2. Who will win the gubernatorial runoff race . . . Conservative Preston Smith or Liberal Don Yarborough?

As for Item 1, Gov. Connally must call the lawmakers back to

the capitol by mid-June at the latest to pass a 1969 budget and a new tax bill ranging in the \$125-million a year bracket. Congressional approval of the 10 percent federal income tax surcharge may drive the state tax requirement even higher. This because a reduction in income will affect the sales tax revenue in Texas.

Gov. Connally. "Under his leadership, the Texas Department of Public Safety has become recognized throughout the nation as a symbol of law and order. Its reputation will live as a personal tribute to Col. Garrison."

Wilson E. Speir is serving as acting director of DPS.

COURTS SPEAK US Supreme Court has postponed a suit which would require the State of Colorado to meet the obligations of downstream discharges from the Rio Grande a long as the state meets compact requirements for supplying water to Texas and New Mexico. Suit can be resumed any time Colorado fails to comply.

State Supreme Court upheld a \$44,400 damage verdict favoring a Jefferson County woman who claimed she suffered back injuries when a 200-pound bill collector for a loan company pushed her against a wall by forcing open a door. The over-zealous collector came to collect a car note.

The high court set June 12 for review of an insurance company's claim that it is not obligated to pay on its bond covering a building contractor for concrete sold directly to the owner of a new apartment complex that's under construction.

Travis County 126th District Court continued its temporary injunction against the Liquor Control Board enforcing the ban on cash sales in private bottle clubs. The case will be heard in July.

NEW BAR OFFICERS State Bar Association reports that Josiah Wheat, 39-year-old Woodville attorney, is the new president-elect of the State Bar of Texas. He defeated Bar Vice-president R. E. Schneider Jr. of George West in mail balloting among state lawyers. He will assume the presidency July 1, 1969.

ELECTED TO THE BAR BOARD were Ralph Elliott of Sherman, Ed Fleming of Dallas, W. A. Keils Jr. of Teague, Louis R. Renfrow of Lufkin, George E. Pletcher of Houston, Jim Bowmer of Temp'e, Carl Cayton of Lamesa and John D. Logan of San Angelo. A vice-presidential runoff will be held between Morris Harrell of Dallas and C. M. Hudspeth of Houston.

Ralph Brito of San Antonio takes over the presidency at the Bar convention in Houston on July 3-6.

OIL-GAS LEASES SOLD Sale of 34,368 acres of state oil and gas leases the first week in May brought \$1,400,000 in new revenue to the state's coffers. So reports Land Commissioner Jerry Sedler.

Biggest single bid was \$211,235 for 640 acres in Ward County by Humble Oil and Refining Company. Bids on 1,590 acres of sulphur leases brought \$155,267. Highest of these bids was by Duval Corporation for \$76,918 on 40 acres in Culberson County.

KINDERGARTEN STANDARDS For the first time, the State Board of Education has adopted professional standards for Texas kindergarten teachers. This step could be in the direction of recent suggestions of public, state supported kindergartens.

THE BOARD also took note of the state's desegregation problems.

VETERAN D.P.S. CHIEF DIES Col. Homer Garrison Jr., 65, Texas' top police officer and head of the vast Department of Public Safety for 30 years, died of cancer.

ALL OF the state's highest officials joined in mourning his loss. "He was one of the most capable and effective law enforcement administrators in America," said

PLAINVIEW HI RABORN Phone CA 4-6433

by approving the appointment of two more staff members to the Texas Education Agency to work solely with local school districts in complying with federal law and court decisions on the subject.

Also getting the Board's endorsement was a preliminary plan to study how best to make use of Texas' educational manpower and to assess pupil needs. Study is being made in conjunction with the U. S. Office of Education to help TEA coordinate programs supported by some \$129 million in federal funds.

SHORT SNORTS Constitutional revision committee suggests that Texas' top state appellate judges be appointed rather than elected.

GENERAL revenue fund dipped into the red to the tune of \$73,200,000 on May 1, but will be coming up soon with franchise and quarterly sales tax collections, says State Comptroller Robert S. Calvert.

American Party of Texas now claims a membership of 90,000, or nearly six times the needed 14,000 strength to get Alabaman George Wallace on the November ballot as a presidential candidate.

Legislative Budget Board has recommended a \$657,000 appropriation to build and equip a veterinary diagnostic laboratory on the Texas A&M University Campus.

DEMOCRATIC and Republican executive committees met in Austin Tuesday to canvass statewide primary election returns.

Kyle Thompson, veteran UPI newsmen who broke in on the Wichita Falls Record News, is the new press secretary to Gov. Connally.

During the month of March, 1,873 criminal complaints were filed by the Liquor Control Board, with 1,688 convictions, nine jail sentences and fines totalling \$61,236.

STATE Auditor George W. McNeil named Lee H. Ashmore of Fort Worth as first assistant state auditor.

Attorney General Martin has ruled that it is illegal for commercial airliners to serve liquor or beer on flights over Texas.

Also, Attorney General Martin reports that his office won 261 law-

suits out of 263 cases tried in April. During the fiscal year 2,297 cases were won by the state and 54 lost. A total of 3,132 cases still are pending.

HOUSEHOLD HINT Needles and pins and thread all stay together where you can find them if you make a miniature pin cushion out of a spool of thread. Just stick a cotton cosmetic ball in the hole in one end of the spool and keep pins and a needle there.

GRADUATION SUNDAY

The Seniors of our church will be special guests in our services Sunday morning, May 19th.

Congratulations, seniors. Our prayer is that each one of you will have a full and happy life, serving God in everything you do.

There will be no services Sunday evening in order that our people may attend Baccalaureate.

Join in Honoring Our GRADUATES

SUPPORT OUR YOUNG PEOPLE WITH YOUR PRESENCE AND PRAYERS

Growing Character

Through the years many parents have found encouragement as well as a challenge in the proverb, "Train up a child in the way he should go; and when he is old, he will not depart from it." The truthfulness of this teaching is daily borne out in the lives of Christian people everywhere. Habits established in the sunlit years of youth have become patterns of worth-while living.

A good character, like most worth-while things, doesn't just happen; it has to be grown. Love, understanding, and discipline tempered by kindness; all are a part of the molding of a life. Fortunate indeed is the child who has Christian parents to train him in the way he should go.

May we, as parents and children alike determine to make our homes what God would have them to be.

"A good name is to be chosen rather than great riches, and favor is better than silver or gold."

— Proverbs 22:1

Dear Lord, make us aware that good Christian homes can only be made by good Christian people. In Jesus' name. Amen.

Allsup to Get Wayland Degree

Carl E. Allsup, son of Mr. and Mrs. Dewitt Allsup, 611 W. Halse, Dimmitt, is to be awarded a BS degree in Wayland College commencement ceremonies May 25. ALLSUP'S major is chemistry, and mathematics is his minor. He is one of 106 prospective Wayland graduates. Dr. Abner V. McCall, president of Baylor University, will deliver the commencement address in the 10 a.m. proceedings which will include the baccalaureate service. Dr. T. A. Patterson, executive secretary of the Baptist General Convention of Texas, will deliver the baccalaureate challenge. DR. ROY McCLUNG, Wayland College president, will confer the degrees. Graddy Turnell of Plainview, chairman of the board of trustees, will present the diplomas. The commencement, Wayland's 58th, will be the first program held in the almost completed \$500,000 Harrel Memorial Auditorium on the Wayland campus.

Flying Service Offers Special 'Intro' Lesson

A special introductory flight lesson tailored to show the non-pilot the rudiments of flying is now being offered by Tidwell Flying Service at Dimmitt Airport. IN MAKING the announcement, M. A. Tidwell, president of the firm, said the \$5 introductory flight was designed to let people who have never flown an airplane before see what it's like to handle the controls of a modern plane. Tidwell said the special flight included a pre-flight indoctrination on the controls and their functions. During the flight itself the "first-flight" is pput in the left-hand seat of the Piper Cherokee, the pilot's seat, with a government-certified flight instructor sitting alongside of the dual controls. After take-off, the instructor shows the effect of the controls on the flight of the airplane... wheel back to climb, wheel forward to descend, wheel to the left to bank to the left, to the right to go to the right. "WITHIN several minutes we find the average person can be handling the airplane straight and level with ease and confidence," Tidwell said. The \$5 cost of the introductory flight lesson is considerably less than the actual value of dual flight instruction if it were charged at normal rates, Tidwell said. Lessons are offered at the local airport seven days a week. TIDWELL reports a noticeable surge in interest in flying. The national trend has seen the yearly rate of new student pilots double in just five years, he said. Aircraft manufacturers are also witnessing a tremendous increase in the use of private aircraft for business and pleasure.

FHA Takes Lead In Modernizing Rural Facilities

"Rural community progress in Texas has been spurred by the development of 436 modern water systems, sewer systems and recreation centers through the Farmers Home Administration," Hale and Castro County Supervisor Donald R. Jennings said this week. JENNINGS reported on benefits brought to the state under Rural Community Facilities programs that have been enlarged under President Johnson's efforts to improve living conditions in rural areas. Water supply problems have been solved for more than 180,000 people in rural Texas through 418 water systems made possible by FHA loans and grants totaling more than \$54 million. The new systems serve both rural towns and countryside where the people have had to exist on uncertain and, sometimes, unsafe water supplies. Jennings reported that three rural communities in the state also have new or improved waste disposal systems through FHA loans and grants approved the past two years. At present, there are 48 waste disposal projects underway in Texas from application stage to those under construction. "WE ARE beginning to make real progress toward the President's goal of clear, constant water for all of rural America," Jennings said. "Towns benefited by the program are able to improve living standards and accommodate new business and industry when they can offer the same kind of water service as is found in the city." "A typical effect," Jennings said, "is seen at Cotton Center since a community system was completed in 1963." THROUGH insurance of private loan financing, the agency also has made possible the construction of 15 outdoor recreation centers developed by community associations and serving an estimated 13,500 people in rural Texas. The centers give rural families the same opportunity as city and suburban dwellers to enjoy modern swimming pools, playing fields, golf, boating and other forms of outdoor recreation. Jennings said the agency also has made grants to 60 counties of the state for comprehensive planning of the future development of water and waste disposal services in rural areas.

Brock Completes Medical College

Robert Allen Brock, son of Mr. and Mrs. Earl Brock of Dimmitt, will receive his Doctor of Osteopathy degree Wednesday from Kansas City College of Osteopathy. DR. BROCK will serve his internship at Mesa General Hospital in Mesa, Ariz. His wife, Patricia, is the daughter of Judge and Mrs. Raymond E. Wilson. The Brocks have two sons, Raymond Earl and Shea. Dr. Brock, who did his undergraduate training at the University of Texas at Arlington, was elected to Rho Sigma Chi honorary society and was awarded a special Certificate of Achievement by the Kansas City College of Osteopathy. He has also been a member of the Neuropsychiatry Society, American Osteopathic Association, American College of General Practitioners, Alpha Phi Omega, and Iota Tau Sigma at KCCO.

Hereford Board Seeks Applicants

State Selective Service is accepting applications from qualified persons with Civil Service status, based on previous federal service, to fill the executive secretary's position in the Hereford draft board. APPLICATIONS with postmarks no later than May 24 will be accepted. Qualified persons who live in Castro, Deaf Smith, Parmer or Randall Counties are eligible to apply. Interested persons who believe they qualify may get application blanks from the draft board or any post office. WHEN completed, these applications should be forwarded at once, with a copy of Standard Form 50, Notification of Personnel Action, received from their last employing agency to the Personnel Officer, State Headquarters, Selective Service System, 209 West 9th Street, Austin, Texas 78701. THEN, OUR citizen finds out too late that the policeman who walks his beat has been ordered not to be too harsh on those who would rob him, or burn his store and thereby endanger his life as well as destroy his property. He finds the attorney general of the United States taking issue with, and undermining the authority of,

Sen. Tower

Law-Abiding Citizen Is the Forgotten Man

By SEN. JOHN TOWER (R-TEXAS) I think we ought to remind ourselves this week about the real forgotten American — the law-abiding citizen. LET'S take a look at that forgotten man, in the form of a small merchant operating in any city of our nation. Let's draw a typical picture of a citizen who has saved enough money, or borrowed enough money, to set up a small shop where he can display his wares. This is apt to be a grocery store, or a service station or something similar. From the very beginning this citizen of our republic is circumscribed and directed by various levels of his government. He must conform to government-imposed ordinances about fire hazards and sanitation. HE, HIMSELF, can work as long and hard as his physical stamina will allow. But if his business gets large enough to employ a helper he must pay that helper no less than the government dictates, and the hours must be no longer than the government dictates. He must not defraud his customers. He must not falsely advertise his products. He must not discriminate in his hiring practice or in selling his wares. He must, in short, operate the way government tells him to operate or he must not operate at all. The citizen of whom we speak accepts all these rules and regulations. Perhaps not happily, perhaps grudgingly, but nevertheless legally. In return he is allowed to pay a heavy tax burden to practically all levels of government. HE PAYS a tax for schools even though he may not have children in school. He pays taxes for parks and recreational areas even though his own business may demand so much of his time that he seldom uses a public park. He pays taxes that sometimes go to subsidize his competitors. All this he does because it is required of him by the law, and he is a law-abiding citizen. And, he also pays taxes for the financial upkeep of a system of law and order that is an absolute necessity if freedom is to prevail over anarchy, if the individual is to have any rights as opposed to the whims of the temporary mob. THEN, OUR citizen finds out too late that the policeman who walks his beat has been ordered not to be too harsh on those who would rob him, or burn his store and thereby endanger his life as well as destroy his property. He finds the attorney general of the United States taking issue with, and undermining the authority of,

local officials who have voiced their determination to see that law and order is upheld. It has been said time and time again in the field of foreign affairs that it does this nation little good to possess massive military power if we lack the will to use that power in the defense of the republic and for the security of our citizens. By the same token, it does us little good to have the means to protect the lives and property of our citizens if we lack the will to use those means. We might as well, under those circumstances, disarm and disband our police and turn our streets over to the tender mercy of arsonists and looters. MUCH HAS been said about some kind of sickness abroad in our land that causes this unbelievable rioting and looting. And, the villain somehow turns out to be the decent, hardworking, law-abiding American citizen. Despite the fact that he gives up more than 30 billion dollars annually in programs to aid the poor and underprivileged, the decent citizen is castigated as the creator of the ghettos, the cause of riots, the oppressor of the poor. The law-abiding citizen is expected, because of his manifold sins, and because of his "sickness," to suffer in silence and to pay still more, as ransom for his home, his business, his system of law and order. Otherwise, he is told, he must expect the torch; he can expect everything, in fact except protection by his government in his hour of need. I WILL accept the fact that there is a sickness in our land. But the patient should not be identified as the law-abiding citizen. The patient should properly be identified as the fuzzy-brained, foggy-thinking, opinion-makers, who blame everyone but the arsonist for burned buildings; who attempt to blame every citizen of our republic, except the murderer of course, for murders. Yes, there are sicknesses in our land. There is that sickness of dismay

Three Hospital Staffers Needed for Each Patient

By JERRY COCKREHAM
Hospital Administrator

Scan today's headlines and the impression is that we live in a self-serving society. We are, it might appear, a people dedicated to fulfilling our personal whims at the expense of any who stand in our way.

IT ONLY appears that way. In truth, we are a nation of people who care about others. And nowhere is this concern for others more evident than in the nation's more than 7,000 hospitals.

Within these hospital walls is an army of dedicated men, women, and teenagers working in concert for a common goal... the provision of the highest quality patient care. The patient seldom sees the majority of the hospital people, but they are there in force. Hospitals now employ more than two million people, and hospital based occupations are among the fastest growing in the nation.

The people who fill these occupations come from every walk of life and from varying educational backgrounds. High school graduates, through on-the-job training, fill such jobs as nursing aids, electrocardiograph technicians, food service supervisors, dietary aids, laboratory technicians, physician aids, or surgical technician aids. Professional nurses complete at least three years of education in training beyond high school in preparation for their work.

COLLEGE graduate pursue health careers in hospital engineering, purchasing and public relations. Persons with post-graduate work serve as occupational therapists, physical therapists, medical social workers, hospital administrators, health science librarians or speech pathologists.

The 1968 observance of National Hospital Week, sponsored by the American Hospital Association, is May 12-18, and is a fitting week in which to recognize the vital contributions made by these rarely seen and too often forgotten hospital employees.

Actually, there are more than

Swifts Win District Title

Nazareth's Swifts shut out the Vega Longhorns 9-0 Tuesday to capture the district baseball championship with an unblemished 4-0 record.

THE SWIFTS will meet Higgins in the bi-district game, but the date and site of the playoff had not been decided by press time. Tuesday's clinching victory was an important one for the Swifts—and a surprising one. In their earlier meeting, the Swifts had determined Longhorns, 11-9.

Jimmy Schmucker tossed a fine shutout game and Francis Ackers added power at the plate to assure the Swifts their district title.

Last Rites Held For J. M. Lain

Funeral services were conducted last Thursday morning for J. M. Lain, 79, who was killed in a three-vehicle collision at Sixth and Bedford May 7.

LAST RITES were in the Lee Street Baptist Church with Rev. Don Cass, pastor, officiating.

Graveside services were conducted Thursday afternoon at the Panhandle Cemetery by Rev. Raymond Hall, pastor of Panhandle's First Baptist Church. Dennis Funeral Home was in charge of arrangements.

Mr. Lain, who lived at 403 SW Sixth St., was a retired Olton farmer who had been a Dimmitt resident three years.

HE IS survived by his wife, Cora; three daughters, Mrs. Nadine Hamm of Dalhart and Mrs. Ruby Tow and Mrs. Evelyn Burleson of Amarillo; a son, Ford, of Panhandle; a stepson, Russell Bales, of Floydada; four stepdaughters, Mrs. Mary Woods of Weatherford and Mrs. Ruby Sartor, Mrs. Alice Manley and Mrs. Clara Dunn, all of Lubbock; a sister, Mrs. Eva Anderson of Panhandle; 21 grandchildren and 24 great grandchildren.

ing agents, pharmacists, clerks, medical record librarians, etc.

IN RECENT years, the public's attention has been focused on the tremendous technological advances hospitals have made in patient care. Certainly, new and sophisticated machines and techniques have helped immeasurably, but unfortunately, it is too often forgotten that human hands must operate these machines and that technology is useless without technologists.

In short, we need nearly three employees to care for each patient admitted to Plains Memorial Hospital.

In summation, regardless of the personnel filling the various job classifications — which of course vary in background, education, and skills — we all work toward a common goal: better patient care with a firm belief that a hospital is truly people caring for people.

This year the observance begins on the birthday of Florence Nightingale, whose efforts led to the establishment of the first hospital school of nursing.

Hospital Grant Comes Through

The US Dept. of Health, Education and Welfare awarded a grant of \$135,000 to Plains Memorial Hospital last Thursday to help pay for a 20-bed addition, intensive care unit, receiving room and new hospital laundry.

THE GRANT came from Hill-Burton matching funds, and represents half the expected cost of the new wing. The other \$135,000 is to be raised by a bond issue approved by county voters last year.

Jerry Cockreham, hospital administrator, said the grant represented the second step of a four-step process in constructing and financing the new wing with Hill-Burton funds.

NEXT, HE said, preliminary plans for the addition must be approved in Washington. These plans are now under study in the capitol, he added.

"We hope to award a contract for construction by the latter part of this year or the first part of next," Cockreham said.

SPORTS AFIELD

By Ted Kesting

Thanks to the many inventive minds that are being directed toward improving artificial baits, we have reached a high degree of proficiency in lure manufacturing. It appears that most of the ideas for lures have come from fishermen who are forever trying to increase their success in attracting fish to strike, states Robert D. Hall, Salt-Water Fishing Editor of Sports Afield Magazine. Although there have been some weird ideas advanced on just what a lure should be, the majority that finally reach the hands of the fishermen are generally good.

It is indeed very unfortunate that many excellent lures have passed off the market and are forgotten, to be replaced by some new item that is highly advertised and promoted. The lampwick trolling lure, which was very effective for bluefish and school tuna, disappeared after the death of its inventor, Dave Engel. The lure was made with a lead-thimble head and a cotton lampwick, and its action improved with use, as the ends of the wicking became frayed. The fisherman further enhanced its effectiveness by soaking it in menhaden oil before it was trolled.

ON SALE TODAY—Bobcat Tales sponsor Robert Farrer and Editor Betsy Simpson look over the bound copies of this year's Bobcat Tales, which will go on sale today at Dimmitt High School. The keepsake editions, printed by News Publishing Co., are 75 percent their original newspaper size

and are bound with red leatherette finish covers. Many advance copies have already been sold at \$3 each. Proceeds from the sale of the bound copies will be used by the high school journalism staff to help pay the printing cost of the 1967-68 annual.

Price Reports:

Farm Program Extended, But Revisions Foreseen

By BOB PRICE

The House Agriculture Committee voted a one-year extension of the 1965 Food and Agriculture Act last Thursday.

THE ACT was extended by the committee to the end of 1970 without amendments but will still have to hurdle the Rules Committee and a vote on the House floor where it may be opposed by some of the big-city congressmen. And the Senate Agriculture Committee has not yet agreed on an extension.

I supported the extension because the great majority of producers who testified before the committee were in favor of extending the bill now, rather than waiting until next year when the act is due to expire.

The present programs were not changed in any way, although I believe some of them should be, and probably will be, in separate proposals that are now under consideration by the committee.

PERSONALLY, I feel that the present program should be completely overhauled and more local control should be returned to County ASC Committees. And the farmer must have a stronger voice in the administration of his programs and the operation of the Department of Agriculture.

There should be more men in the Department of Agriculture in high positions with broad farm experience and backgrounds. And this also applies to both the House and Senate agriculture committees.

Although the farm population has dropped four million since 1960, Department of Agriculture employees have increased by 40 percent to more than 120,000.

Specifically, I believe substantial expenditures by the department can be diverted to research in an effort to cut production costs. And there must be a further expansion of our export trade in farm products.

INDUSTRY must be attracted to rural areas, and the migration to overcrowded and riot-torn cities must be halted. And inflation

must be stopped. Farm profits have been eaten up by skyrocketing increases in all farm production costs — machinery, labor, fertilizer and interest rates.

I believe parity on farm products should be increased automatically as the cost of living increases. Such increases are now tied to the cost of living index for retired federal and military employees, and Congress has recently voted increases for all federal and military personnel as well as Social Security retirees. But farm income actually dropped by 11.5 percent last year as farm operating costs went up.

I think there should be a FLOOR of at least 85 percent of parity for all farm products rather than a ceiling as at present.

THERE should be a better balance of agricultural imports with exports, and the high rate of

meat, dairy and textile imports should be corrected. Congress needs to update tariff and quota legislation. There is now too much left to administrative decision through loosely worded legislation that leaves interpretations of laws to the discretion of these administrators in the various government agencies.

There is a real and urgent need to improve all farm programs and, consequently, farm income. I and other members of the House Agriculture Committee are seriously concerned with the depressed state of the farm economy and the dire necessity of some changes such as I have outlined.

More About Schools Face

(Continued from Page 1)

newed interest in the local schools by the Texas Education Agency. Last month the TEA sent in a two-man team of specialists—Dr. J. A. Anderson and Ted E. Edwards—to look over the school system again and see whether progress is being made to carry out the recommendations of Dr. Wallace's committee and the TEA.

At their last meeting, the school district's trustees received and read the new evaluation report of Edwards and Dr. Anderson. This report—like the ones before it—partly critical. It contained 18 suggestions for improvement, six specific commendations and six general observations.

AT THE same time, the TEA notified the local school board that a form-type evaluation report will not be sufficient during the 1968-69 school year. Instead, the TEA served notice that it will send its own full-sized team here to re-evaluate the school system this fall.

Apparently, there's no danger that the Dimmitt school system will lose its state accreditation. But the TEA feels that another detailed evaluation is necessary if the Dimmitt school system is to reach the level of excellence to which it aspires, and if it is to keep pace with the increasingly tough program required of a good public school.

THE FINDINGS of the TEA's April evaluation report will be the basis for this series. It takes the original recommendations of Dr. Wallace's visiting committee into consideration, and brings into focus the progress that Dimmitt's schools made this year and the progress that still needs to be made.

The new TEA observations contain a few shockers, and take shots at a few sacred cows—curriculum emphasis, tax rates, athletics, teacher and administrative duties. It calls for buildings to be remodeled or moved, land to be bought, new staff people to be added, programs to be changed.

THIS SERIES will delve into the new evaluation report point by point in an attempt to tell the public how the "pros" feel our school system is progressing, and what still needs to be done.

and Mrs. Raymond Gauna of Route 2, Dimmitt. She has been named Nadine.

JUST THINKING

About the seniors. They're quite a group, these young men and women. They're a big, big part of our home town. Once they were the little boys you saw playing football on a vacant lot, and the little girls having play tea parties for their dolls.

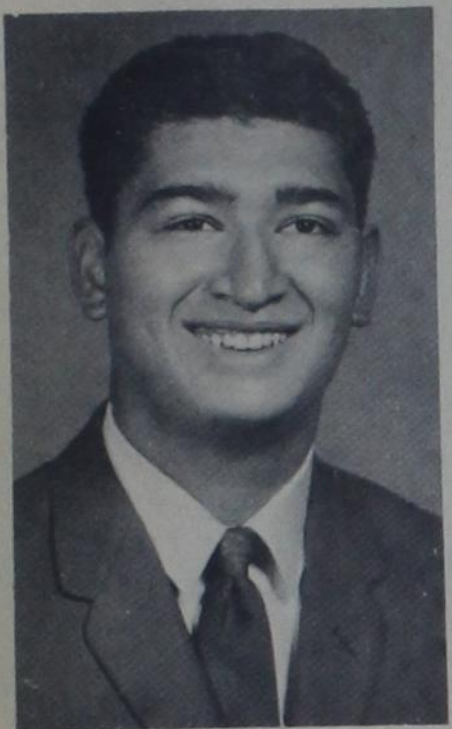

Today, they are mature young people on Graduation Day and ready and confident... eager to take up new challenges, strive for new goals.

We're exceptionally proud of you, Seniors, and we wish each of you a full measure of success and happiness in every endeavor.

Hart Seniors Compile Last Will and Testament

We the Senior Class of 1968, being of sound body and absent mind, do establish this, our last will and testament:

LARRY HENDERSON wills his ability to tear up perfectly good cars to Jimmy Allensworth.

Danny Rice wills his bad luck to Steven Hanes.

Allene Van Vliet wills her ability to speak and spell so well to Nancy Reed.

W. A. Hawkins wills his book-keeping grades to Bob Waide, Richard Murray and Joe Quiroz. Don't fight over them boys, they're not that good!

Jim Swindle wills to Richard Murray his great ability to feed show animals.

Donny Irwin wills his great economic and mental status to Gary Rambo.

MANDY ROGERS wills her "Wind Song" to Linda Bailey and her "little girl innocence" to Ina Featherstone; she's getting tired of it.

Julie Perez wills her great PE star ability to Iona Clevenger.

Roger Cleaver wills his chemistry grades and his ability to run track to Ronnie Barham.

Thelma Martin wills the tradition of holding "operation rescue" together to Iona Clevenger, Cathy Sharp, Sandra Lacy, and Shirley Robinson.

Patricia Smith wills San Juana Garcia her high scholastic stand-

ing on the National Honor Society.

Coy Ethridge wills his ability to keep his trap shut at the right time to Ricky Bennett.

PAUL GUZMAN wills his good physics grades to Joe Quiroz, Oscar Morales and Tony Martinez.

Linda Popejoy wills her natural smile and ability to talk naturally to Rebecca Futrell.

David Harris wills his tackle position to Tony Miller — lots o' luck!

Lynda Shive wills her American History notes to Phil Davis.

Bennie Martinez wills his ability to run the 880 to Jackie Fincher. Oh, there's a special bonus: the socks too, 'cause they're so stiff

Hart Senior Prophecy

Way back in the "Soaring Sixties" when things were really groovy, there were 22 swingers who took advantage of the opportunity to drop their coins in the fountain and make their wishes concerning the future.

TWENTY YEARS have passed since that time — did all of them have their wishes granted? — Some did and some didn't. Nevertheless, here is where they all are now.

Coy Ethridge and **Allene Van Vliet** have finally become a success as a team in the cultural arts after having studied for years under Mrs. Rambo and Mr. Bates. Coy is a ballet dancer and Allene accompanies him as an opera singer.

Donny Irwin, the most renowned of the group, has become a brain surgeon and is almost always being called for consultation in cases at Walter Reed Army Hospital.

W. A. Hawkins has been "called" as preacher for one of the dozen congregational churches at Hart. He has become quite well known for his "brimstone" sermons.

Linda Popejoy, after having trained for twenty years for the olympics has been disqualified from the races. They just lowered the age limit and she is two weeks and three days too old. It was really a blow and now she spends her time polishing the medal she won in good old Hart High School.

THELMA MARTIN has finally realized her school day ambitions. She is making her debut as a "Playboy Bunny" after working for years in a chorus lineup in several theaters back east.

Roger Cleaver, having always been very clothes conscious, has just been made head model for H.I.S. and is being featured this month in "True," the man's magazine.

Another model we are very proud of is **Danny Rice**. A year after graduation he won a Twiggy look-alike contest and is now modeling Twiggy Lashes at Landers', one of the leading department stores in Hart.

The illustrious **Tommy Gonzales** having won a scholarship in chemistry is now head chemist at the Hart Research Center. What they are searching for is still very classified information.

THE BIGGEST surprise of all has been **Patricia Smith**. After a couple of years of married life she decided she needed an outside interest and has become the Dodge Rebellion Girl.

Paul Guzman always said he would run a mile for a car and has spent his life doing just that — running mile, after mile, after mile — he's a chain smoker.

Immediately after graduation **David Harris** decided he'd had all the studying he could take and decided not to accept any of the scholarships that were offered to him. He completed a six-month hairdressing course in 36 hours and is now head hairdresser at Enrico's in Edmonson.

Mandy Rodgers has displayed a buried talent that none of us guessed she had. She is now a mortician and has recently built a beautiful new funeral home. Rodgers' Restful Repose.

Benny Martinez showed such fantastic abilities in bookkeeping class that he is now head bookkeeper at NASA and has chosen as his secretary the shorthand and typing genius of Hart, 1968, **Sandra Layton**.

TIDEL ORTIZ spent so many years in World History in high school that it became so indelibly imprinted on his memory that he decided he might as well make a

they could run it by themselves. **Mandy Rogers** wills her love for Hart to Steven Hanes — you'll get used to it, Steve!

TOMMY GONZALES wills his ability to play sports to Oscar Morales.

Donny Irwin wills his great driving ability to Jackie Fincher. **Patricia Smith** wills Linda Bailey the ability to "get your man." To **Margaret Swindle** she wills her rabbit named Fred.

Lynda Shive wills her ability to throw paper at the wastebasket in typing class to Nancy Reed.

THE SENIOR CLASS OF 1968 wills to the Senior Class of '69 its very rebellious attitude.

career of it and is now teaching World History to all the Army recruits preparing for overseas service.

Larry Hill studied pre-med at Nazareth Tech then after eight

and a half years at Dimmitt Medical College he is now a cancer specialist at M. B. Anderson Hospital in Houston.

Larry Henderson had such a sentimental attachment for Hart that he couldn't think of leaving his hometown and has climbed steadily up the ladder of success, having very recently become head trash man for the United Trash Workers of Hart Park.

Julia Perez, the swingiest of all the seniors just couldn't settle down to the hum drum life that Hart offered so she joined Barnum and Bailey Circus and is now their center ring attraction as an acrobat. Another star attraction for Barnum and Bailey this year is **George Heck** on the high wire. He is trying this amazing feat without a net at the first performance of the spring show on April 1 this year. If you want to see it be there for the first performance.

LYNDA SHIVE has kept her occupation a secret until just recently — she was unmasked on Big Time Wrestling last week. She has been wrestling under the name of the "Female Phantom, the Lady Wrestler."

Last, but not least and perhaps the most famous of all is **Jim Swindle**. Just as our parents all feared the trend in music got much, much, worse before it got better and **Jim** plays lead guitar for the Blueberry Doorknobs.

HOUSEHOLD HINT

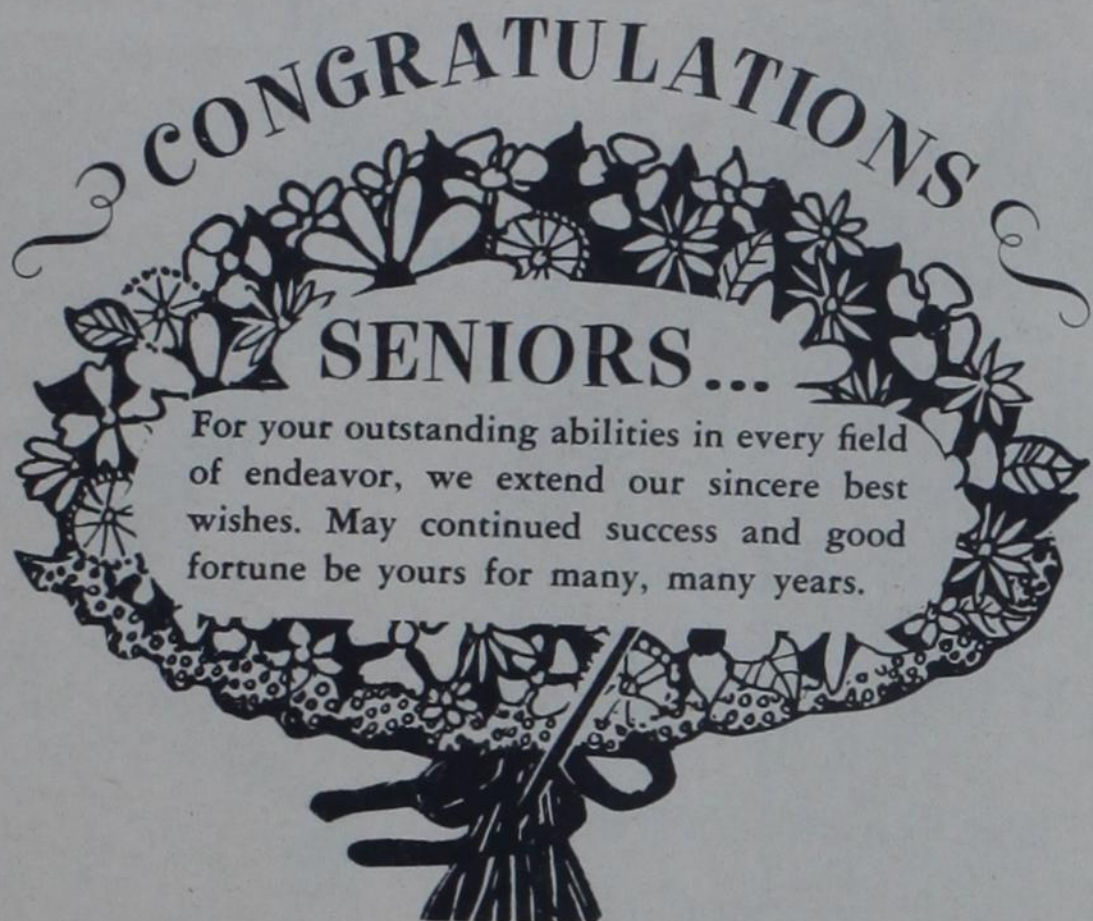

Wearing cotton may be one way to keep well! Medical researchers have discovered that viruses do not live as long on cotton as they do on other fabrics. While a virus may live for three months on some fabrics, it will only last about three days on cotton. If the cotton fabric is treated with a wash and wear chemical, the virus only lives one day.

SUCCESS

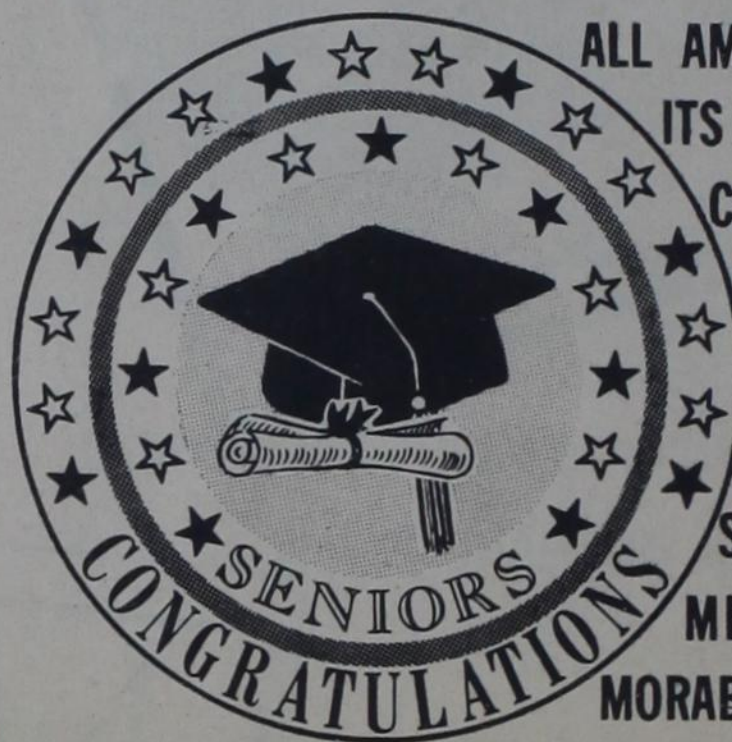

Whatever your direction... whatever your goal, we know you will achieve it. As you start upon your journey into life we extend our heartiest GOOD LUCK,

SENIORS!

For your outstanding abilities in every field of endeavor, we extend our sincere best wishes. May continued success and good fortune be yours for many, many years.

PANHANDLE COMPRESS & WAREHOUSE CO.

ALL AMERICA IS PROUD OF ITS YOUTH. HERE IN OUR COMMUNITY WE ARE ESPECIALLY PROUD OF OUR EXCEPTIONALLY GIFTED AND ACTIVE SENIOR CLASS. TO EACH MEMBER OF THIS MEMORABLE CLASS WE EXTEND OUR HEARTIEST WISHES FOR HAPPINESS AND SUCCESS.

On the Go

Nelda and Marion Falwell and daughter of Midland were here for Mother's Day with her parents, Mr. and Mrs. Ivor Bagwell. Also spending Mother's Day with the Bagwells were Mr. and Mrs. Milton Bagwell and children.

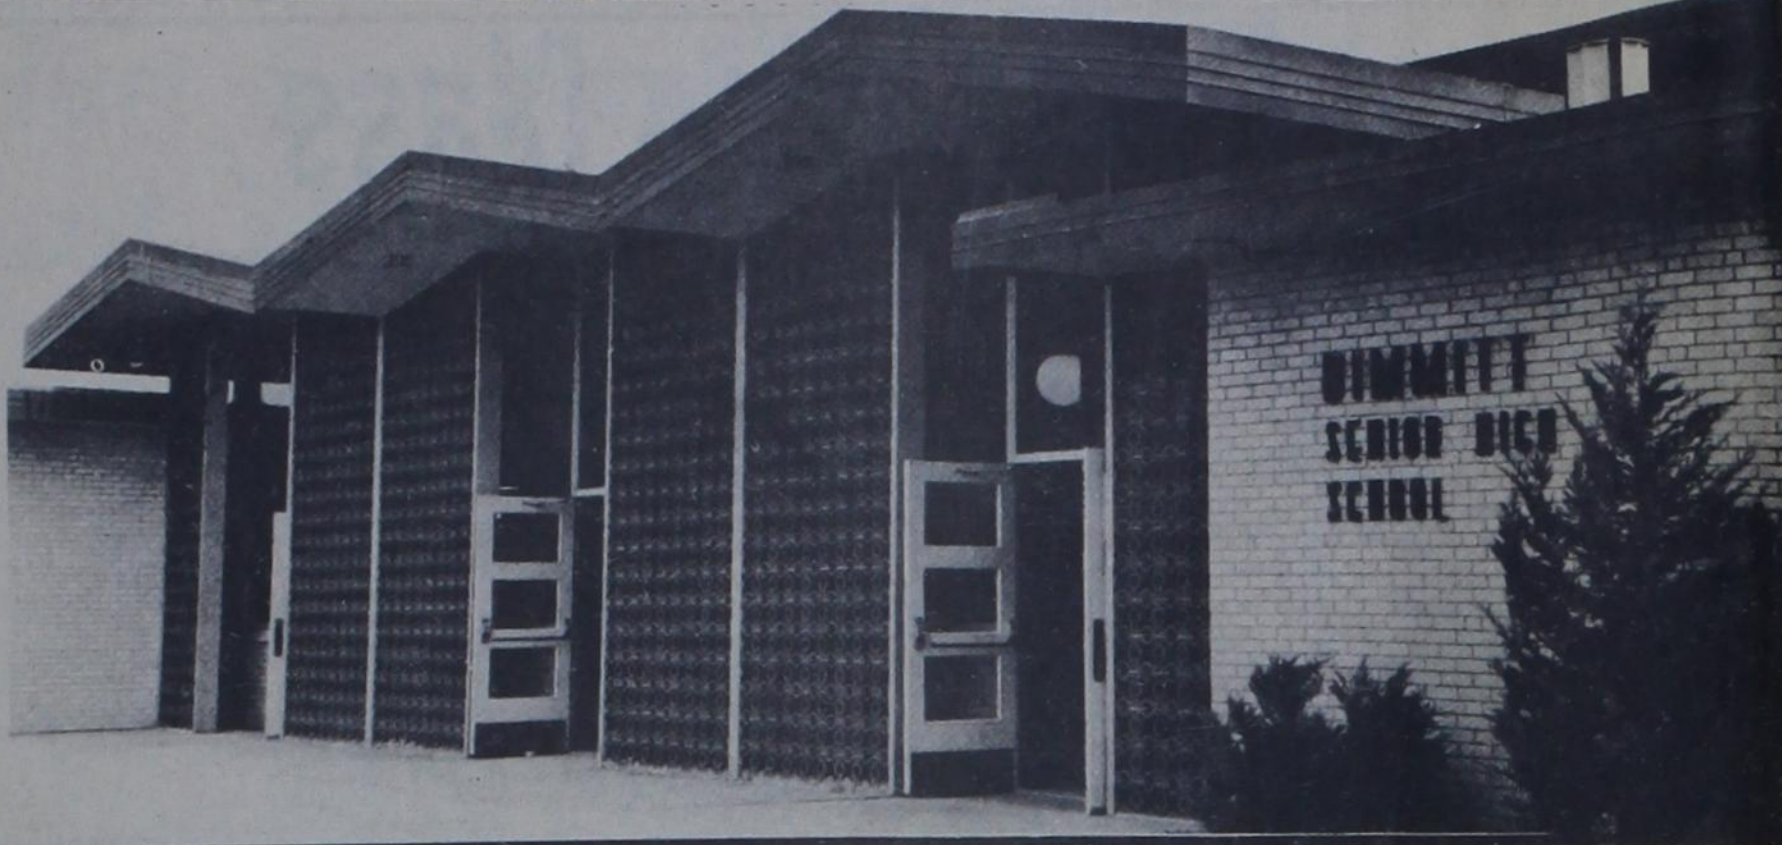

AMERICA IS PROUD OF ITS YOUTH

Today, more than ever before, our country needs its youth. We need youth's inquiring mind... youth's unquenchable desire to excel. There is a better tomorrow for our nation only if there is vitality in our youth today.

The new Graduates personify these ideals to a high degree. We are sincerely proud of each of them. They have proven themselves to be eager for tomorrow... and ready for whatever challenge tomorrow brings.

We salute the new Seniors and are proud to offer to them our heartiest wishes for continued success and happiness.

We're Proud of You

Accomplishment

Throughout the history of Man, in both good times and evil times, there have been those who have striven ever upward. They have gone forward with hope, with courage, with faith in the ultimate achievement of their goals.

We are both proud and grateful that our new graduates possess these qualities to such a rich and abundant degree. We are confident they will be a part of this great tradition of striving toward newer, finer, greater goals.

We send our best wishes to the seniors and trust our pride in them will continue to grow throughout the future.

Congratulations Grads

Because we value your good will and friendship, because we enjoy the associations of the fine people of this community, and because it is our home, we pledge our untiring efforts to serve the Graduates of this year and every year.

Class of 1968 !

The world has changed since you entered school 12 years ago. Astronauts now circle the earth in less time than it takes you to drive 100 miles, and that's pretty fast.

Electricity and electronics have contributed greatly to this changing world, and Rural Electrification has made a big contribution too.

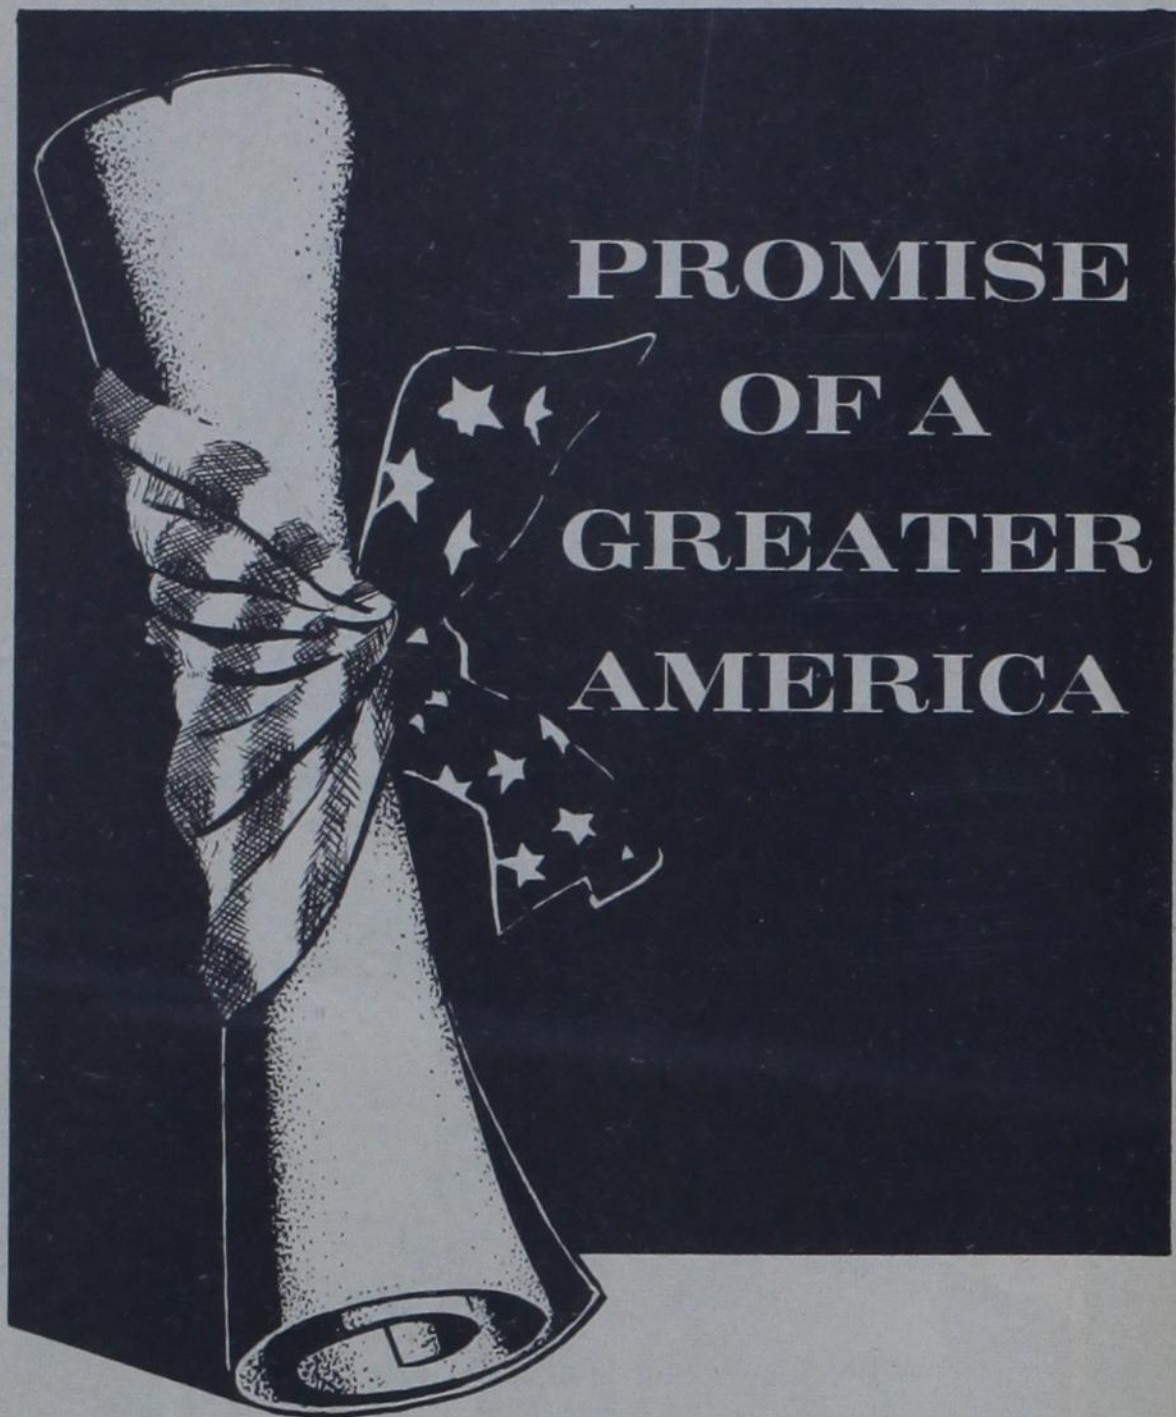

Of course, you probably take electricity for granted on your farm today, but it hasn't always been so. Your fathers can remember well when they lived on the farm . . . without the helping hand of Willie Wiredhand. He now helps on almost every farm in our three county area.

let Willie Wiredhand help you

If you're going to farm when you complete your college training, Willie Wiredhand will still be "standing by" to help you . . . to allow you to have "electric living" on the farm, to give you the many labor saving aids that would be impossible without this little gent. Truly, electricity will add many hours of pleasure to your life, and many more dollars of profit to your farm operation.

Deaf Smith County Electric Cooperative, Inc.

—OWNED BY THE PEOPLE WE SERVE—

**PROMISE
OF A
GREATER
AMERICA**

The Seniors... young people on their way to ever-higher goals; young people dreaming bigger dreams and working hard to make dreams come true. This is what gives promise to making America's future ever greater.

The diploma, like the flag is simply a symbol. The real test of greatness for people or for nations is in honorable and continuing achievement.

The new Seniors have, by their past achievements, given every indication that they are willing and able to meet that test... to help make tomorrow's America greater than ever.

Our prayers and best wishes go with this outstanding Senior Class.

Bi-County PTA Installs Leaders

New officers were installed and a school of information was conducted when the Bi-County PTA Council met last week in the First Methodist Church of Hart.

INSTALLED as officers of the Castro-Swisher PTA Council for the coming year were Mrs. Melvin Gibbs of Kress, president; Mrs. Sammy McGill of Hart, vice-president; Mrs. Tom Wethington of Nazareth, secretary; and Mrs. W. G. Patton of Dimmitt, treasurer.

They were installed by Mrs. Wiley Alexander of Amarillo, outgoing president of District 8.

Mrs. Alexander and Mrs. Red Lambeth of Vernon, state vice-

president, conducted the school of information for local PTA officers and members.

Mrs. Albert Schoenenberger of Happy, outgoing council president, conducted the meeting. She presented gifts of appreciation to Mrs. Alexander and Mrs. Lambeth. Mrs. Don Beatty of Kress presented Mrs. Schoenenberger with a past president's pin.

The Hart PTA served sweet rolls and coffee.

MR. AND MRS. D. L. Wright and sons from Abernathy visited his parents, the Dewey Wrights, over the weekend.

SORORITY INSTALLS — Delta Xi chapter of Delta Kappa Gamma, composed of teachers in Castro, Deaf Smith and Parmer Counties, installed officers Saturday morning at the Colonial Inn in Dimmitt. New officers of the teachers' sorority are, from left: Mrs. Alice Cowen of Dimmitt, president; Mrs. Opal Bookout of Hereford, first vice-president; Mrs. Lauretta Pool of Farwell, second vice-president; Mrs. Para

Render of Dimmitt, treasurer; Mrs. Patricia DiCuffa of Bovina, recording secretary; Mrs. Ruth Skinner of Dimmitt, corresponding secretary; and Miss Hazel Merritt of Dimmitt, executive secretary. Not pictured is Mrs. Sue Painter of Hereford, parliamentarian. The new chapter officers, installed by Mrs. Eloise McDougal of Hereford, will serve two-year terms.

Carol Sugar Is Shower Honoree

Carol Sugar, bride-elect of Mark Martin, was honored with a shower Saturday at the home of Mrs. Ed Harris, Hart.

Mrs. Harris received guests with Mrs. Gary Heiler at the register. The serving table's centerpiece was of green and white carnations set in candelabra, and green and white flowers at the register table and in the den.

Refreshments of punch and cake were served the 61 guests by Mrs. DeWayne Brown, Mrs. Boots Rogers, Mrs. Leon Melton and Mrs. Worth Jones.

Hostess gift was a copper tea service.

Assisting with hostess duties were Mrs. Worth Jones, Boots Rogers, DeWayne Brown, Theron Morrison, Fred Bass Jr., E. B. Cambell, Leon Melton, Ed Harris, W. T. Sanders, Jack George, L. D. Williams, A. L. Holland, Everett Heiler, Gary Heller, Wilis Hawkins Jr., Ed Bennett, Ralph Futrell, C. O. Burt, Clyde Witlen and Mrs. Carl Rambo.

Miss Petty

Betrothal Revealed

Mr. and Mrs. Calvin Petty of Dimmitt announce the engagement and approaching marriage of their daughter, Sherlon Sue, to Edward Maxwell Dyer of Amarillo.

DYER IS the son of Mr. and Mrs. Max M. Dyer of 902 Highland Ave., Alice.

A June 29 wedding is planned in Dimmitt's First Baptist Church, with friends and relatives of the couple invited.

Miss Petty attended West Texas State University and is now employed by the Southwest Osteopathic Hospital in Amarillo.

Dyer is a graduate of Texas A&M University and is now associated with the Sentry Group of insurance companies.

Daughters Honor Mrs. Cleavinger

Mrs. Jim Cleavinger was hostess Friday morning at a special "Mother's Day coffee" for Mrs. N. F. Cleavinger.

THIRTY ladies called during the morning. Two of the honoree's daughters, Mrs. Ed Dawson and Mrs. Goldman Dyer, took "coffee breaks" from school to attend.

Mrs. Charles Wales and Mrs. Orville Cleavinger served coffee and cookies from a table that was centered with an arrangement of yellow and brown irises.

Homemakers Plan Fitness Program

Mrs. Shirley Kountz will present a program on physical fitness tonight (Thursday) when the Dimmitt Young Homemakers meet at 8 o'clock.

The meeting will be in the Dimmitt High School homemaking department, and is open to all interested young homemakers. Baby sitters will be provided.

On the Go
PAUL HILBURN, Dimmitt school superintendent, was in Raleigh, N.C., Monday and Tuesday to attend a conference on "Creating Opportunities for Tomorrow," sponsored by North Carolina State University. Main purpose of the conference was to study and discuss the recent findings of the presidential commissions on civil disorders and rural poverty. Top educators from throughout the South were invited.

On the Go
MOTHER'S DAY visitors of Mrs. Ethel Lowe were her children and grandchildren, Mrs. Mildred Ezell and Mrs. Ray Cotter and Ricky of Amarillo, and Mrs. Leroy Fisher and family of Sudan. Her grandson, Mike Fisher, a junior at the University of Texas at Austin, also visited her.

HARMAN'S

Miss Young

June 1 Date Set

A June 1 wedding is planned by Miss Carolyn Sue Young of Dimmitt and Billy Dean Dutton of Friona.

The engagement and approaching marriage were announced this week by her parents, Mr. and Mrs. Nolan Young of Dimmitt.

VOVS ARE to be exchanged in the First Baptist Church of Dimmitt at 8 p.m. June 1, with all friends and relatives of the couple invited.

Dutton, son of Mr. and Mrs. Floyd Dutton of Friona, attended Friona High School and is engaged in farming.

Miss Young is a 1967 graduate of Dimmitt High School and is now attending McBride's School of Hair Design in Plainview.

AURAL DAVIS had two of her girls home for Mother's Day, Suzie is teaching in Travis Junior High in Amarillo and Janis is a Sociology major at North Texas State at Denton.

Ladies Take Part In 'Re-Marriage'

Mrs. Pearl Sheffy was hostess Friday to two long-time friends, Mrs. Audie Verner and Miss Jessie Vick of Rule.

THE THREE ladies went to Amarillo Sunday to take part in the golden wedding anniversary celebration and "second wedding" of Dr. and Mrs. Lester Vick. The ceremony was in Amarillo's First Baptist Church, and the ladies served as bridesmaids, as they had when the Vicks were married 50 years ago. The best man, Elgin Corothers of Abilene, served again also.

61 Piano Pupils Play in Audition

Sixty-one piano students from the classes of Mrs. H. E. Hershey, Mrs. Leon Sanders and Sam Penelton played in the National Piano Playing Audition held May 2, 3, and 4, in the First Methodist Church of Dimmitt.

HONORS received were above the average percentage estimated for this number of students playing in a local audition.

Each entrant will be certificated, given a gold or bronze embossed pin, and will become a member in the National Fraternity of Student Musicians and Piano Hobbyists of the World for a year.

Piano Students To Give Recital

Mrs. Keith Howard will present her piano and organ students in a recital Monday at 7:30 p.m. in the First Methodist Church. The recital is open to the public.

Miss Hale

Couple to Be Wed in Germany

A wedding in Wiesbaden, Germany, is planned by Miss Lynn Marie Hale of Hereford and Pfc. Alan Morris Gowdy of Dimmitt, who is stationed there with the US Army.

THEIR engagement was announced by her parents, Mr. and Mrs. Gerald Hale of Hereford.

Gowdy is the son of Mr. and Mrs. Morris Gowdy of Dimmitt.

The wedding is planned for June 8, shortly after Miss Hale's graduation from Hereford High School. Her parents and her sister, Cynthia, plan to accompany the bride-elect to Wiesbaden for the wedding, in which her sister will be a bridesmaid. They plan to leave for Germany June 4.

On the Go
MR. AND Mrs. W. C. Boatwright of Amarillo were here for a visit with their nephew, Dr. Jack Harris, and Mrs. Harris, and to attend a school play in which Becky Harris was a member of the cast.

Happy Graduation Day

We're proud and happy for you - and wish you much success.
