One Killed, Five Hurt In Head-on 'Y' Crash

MRS. NELDA WILSON OF ODESSA DIED IN THIS CADILLAC . . . Fog obscured vision at 385-194 intersection Sunday night

A head-on collision Sunday night at the fog-shrouded "Y" of US 385 and State 194 resulted in the death of an Odessa woman and serious injuries to four Dimmitt residents and a Seagraves man.

TWO OTHER young men from Seagraves escaped serious injury in the wreck. The two-car accident occurred at 7:25 p.m. when a Dimmitt-bound Cadillac collided with a Hart-bound Ford sedan at the intersection.

Killed was Mrs. Nelda B. Wilson, 38, of Odessa.

TRANSFERRED to Lybbok's Methodist Hospital with serious injuries were Jose Rosado of Dimmitt, his wife Maria, and her mother, Mrs. Lola Torres.

Also receiving serious injuries were Mrs. Torres' husband, Hilario, and Bobby Woolridge, 20, of Seagraves. Both are in Plains Memorial Hospital.

Treated for minor cuts and bruises and released Sunday night were Danny Ammons, 17, and Gary Burris, 22, both of Seagraves.

MARSHALL W. W. JONES said Woolridge was entering Dimmitt in the Cadillac, owned by Mrs. Wilson, when it collided with the Ford driven by Rosado. The Rosados and Mr. and Mrs. Torres were en route to Hart, Jones said.

Both cars were totally demolished. Mrs. Wilson was pinned between the front seat and the dashboard-steering wheel of her Cadillac, Jones reported. She apparently died instantly. Woolridge received a severe scalp laceration and ammons and Burris, passengers in the back seat, received minor lacerations and contusions.

MRS. ROSADO'S right thumb was almost severed from her hand, physicians said. Frank Coleman, who lives nearby and was one of the first at the scene of the accident, held Mrs. Rosado's wrist to stem the flow of blood until ambulances arrived.

Mrs. Rosado also received a fractured leg and broken wrist in the accident. Her husband sustained a fractured hip joint and chest injury.

Mrs. Torres' knees were shattered, her left arm was broken and she received lacerations, physicians reported. Her husband received rib fractures.

SUNDAY night's accident was the third in recent months at the dangerous intersection.

Marine Tells of Battle And Death Near Da Nang

Marine Medical Corpsman Donny M. Stokes of Dimmitt has been recommended for a Bronze Star medal for valor after a two-day battle with Viet Cong forces near Da Nang Jan. 30 and 31.

BUT IN A letter to his family, the main thing he recalled was not his own courageous act during the running battle, but the nightmare of having his best buddy die in his arms.

Stokes is the son of Mr. and Mrs. N. B. Stokes, 402 NW Eighth St. His father is a farmer and his mother is a surgical nurse at Plains Memorial Hospital.

HERE'S HOW he described the two-day battle in a letter to his family:

Dear Mother, Daddy and Kids— "Here it is Friday and I haven't written to you in over a week. I am sorry I haven't, but you can't imagine how much hell I have been through in the last five days.

"Right now our company is sitting, with all our combat gear, ready to be called to where the VC are.

"AS OF this morning there are three divisions of VC surrounding Da Nang and we are in the middle.

"I am scared to death in a way—but in another way I know that if I get hit, then it is God's will. I know as long as I keep praying that the Lord will watch over me. If anything does happen—just keep praying, because as long as everyone is praying for me I feel a lot better.

"All the trouble started Tuesday morning. Our whole platoon was called out because one platoon was pinned down by VC. We were going out to help them.

"ABOUT 10 o'clock, three of our men got hit. There are only two Medical Corpsmen, myself and Doc Klein. We got them patched up and chased the VC away—then about 20 men plus myself went after them while Doc Klein and the rest of the men stayed to med-evac the three wounded.

"We got in the bush and I was the only corpsman with 20 men for the rest of Tuesday, all Tuesday night and all day Wednesday. The other people turned around and went back to our area because their radio didn't work. The lieutenant was with us.

"Anyway, after we left the other people, we had eight people wounded, two heat casualties, and my best buddy was killed.

"WHEN I GOT to Danny, my buddy, I knew he would never make it. He just looked up at me and whispered, "Help me, Doc." I couldn't do a thing. I have never felt so damn helpless in all my life. I pray to God that I never see anything like that again. Danny died while I held his head in my lap. And there was not a thing I could do to save him.

"I don't know why I am writing this to you—but I have to tell someone . . . "Danny was put up for the Silver Star medal because he risked his life to help everyone else. The Silver Star is the second highest medal given. Four more people were put up for the Bronze Star with the Combat V. The Bronze Star is the fifth highest medal given out. The lieutenant said I was put up for it because I was the only Corpsman there and that I risked my life to try to save some others.

"I WAS really surprised because all I did was to do my job. At one time I crawled out 50 meters to help two wounded people, but all the time I was praying, and I came out without a scratch.

"The lieutenant said he didn't know when I would get my medal but he said it would be a big ceremony and everyone else would get theirs too.

"We might have to go out anytime in the next two days or nights, if the VC try and take Da Nang. They can never take Da Nang—but we could really lose a lot of people . . . I really think it will be the turning point of the war. Just in the past three days there have been over 8,000 VC killed.

"PLEASE take care of yourselves and keep praying for me all the time. I will write again when everything settles down. Remember that I love and miss you all very much."

THE BANQUET was in Lamar Fellowship Hall of the First Methodist Church.

Miss Rando, one of 18 children in her family, is a junior in Friona High School. She leads a summer group doing farm work in the Friona area, and gives her reading and recitation programs during the school year. With her earnings, she hopes to attend college and become a teacher.

She and one of her readings, "I Am the Nation," have been featured in the Congressional Record.

Plains Memorial Hospital cleared its final hurdle Friday toward the funding of its new 20-bed wing.

Administrator Jerry Cockreham received the official word Friday that the State Board of Health had approved the \$135,000 grant in Hill-Burton federal funds to help build the new wing.

THE STATE board's approval was the final action needed before funding.

These federal funds will be combined with local bond money approved in an election last year to pay construction costs for the hospital expansion.

Cockreham said a meeting is being set up for March 5 between the architect, hospital officials and state representatives to set up a construction schedule.

"RIGHT NOW, we don't know when we'll be able to start taking bids," Cockreham said.

Also, Cockreham said, the state health board's Division of Hospital Services will conduct meetings with the local board to help in the administration of the funds. These meetings are being set up by Kenneth Nuhn, director of the division.

Principal speaker will be Howard Bertsch of Washington, D.C., administrator of the Farmers Home Administration. Also on the program will be Joe Manahan of Austin, chief of farm placement for the Texas Employment Commission, and Allan Webb, president of the Castro County Agricultural Housing Association.

MORE THAN 50 radio and TV stations, newspapers and farm publications have been invited to send representatives to the dedication, according to Elvon DeVaney, dedication chairman.

Another annual affair, the chamber of commerce banquet, has come and gone and from my personal observation, and from all reports, it was a very delightful affair. From the unique tickets and programs to the rustic western decorations and well conducted program, the whole affair reflected much planning and hard work by chamber officials and others who assisted in staging the affair. Congratulations on a job well done.

Our congratulations, too, to Superintendent Paul Hilburn who was honored as "Outstanding Citizen" of the year. Although not present to accept the award Superintendent Hilburn received a standing ovation as the presentation was made to his daughters by Joe Cowen. A tireless worker in civic as well as school affairs Superintendent Hilburn is always ready to help in any project designed for the betterment of the community. Being the administrative head of the Dimmitt schools is the biggest assignment and carries more responsibility than any other job or position in the county. The fact that Dimmitt schools have had an orderly, steady growth, and have instigated many new programs under Hilburn's supervision is ample evidence of his ability as an administrator. It is my opinion that Paul Hilburn, regardless of pressures, has always made the decisions that he thought would be the most beneficial to the school system as a whole. He enjoys a fine reputation throughout the state as a school administrator, and is highly deserving of the recognition he received at the chamber of commerce banquet. Congratulations, Paul.

Ace Reid, the cowboy cartoonist and banquet speaker, lived up to his reputation as a humorist, and following the business and serious part of the program he created a very unserious atmosphere for his audience who enjoyed his wit and jokes to the fullest. At this time in history when there is not too much to laugh about it is refreshing and helpful to have an Ace Reid come along and loosen up the laugh muscles. For the occasion and time the chamber of commerce program committee made an excellent selection in the choice of a banquet speaker when they asked old Ace to say a few words.

Dimmitt merchants are advertising George Washington specials for Thursday, February 22, in this issue of the News. If you think they have misled you in the past by advertising merchandise that they especially wanted to move, give them the benefit of the doubt during this one-day promotion when every thing is advertised as "Honest George" high type first class merchandise at reduced prices. You have my word for it, that the merchandise they are advertising is seasonable and at bargain prices. Dimmitt merchants deserve and appreciate your business. Tell them that you read about their desire to sell in the News.

College Counsel Offered Tonight

Representatives of 42 Texas colleges, universities and vocational schools will be in Lubbock tonight (Thursday) to counsel with students and parents.

THE ANNUAL "College and Vocational Night" program, sponsored by the Lubbock Public Schools, is open to all high school students, junior high students, parents, teachers, counselors, administrators, business and professional people in the area.

The session will be in Coronado High School, 34th Street and Vicksburg, from 7:30 to 9:30 p.m. A 20-minute general assembly will lead off the program.

EACH STUDENT will have the opportunity to visit with representatives of three colleges in each of three 25 minute sessions.

School representatives will discuss tuition costs, room and board, language requirements, dormitory life, scholarships and loans, entrance test scores, class transfers of credits between colleges, and other subjects.

Also, general discussions will be held on the Texas Opportunity Plan, health services and secretarial training.

Vernon Tragedy Claims Relative

A stopped-up vent was blamed last week for the death of a Vernon woman who had just returned home from visiting relatives in Dimmitt.

Mrs. Mammie Ashley, sister of the later Herbert Houtchens of Dimmitt, was found dead Friday in her home at Vernon. She apparently had suffocated Monday night or Tuesday.

HER SON, Lyndell, is still hospitalized.

Mrs. Ashley and Lyndell had spent the previous weekend with Mrs. Dora Houtchens and her son, Charles, in Dimmitt.

Funeral services were held in Vernon's Church of Christ Saturday afternoon. Attending from here were Mrs. Houtchens, Charles Houtchens, Mr. and Mrs. Roy Safford and Mr. and Mrs. Charles Hestand.

Ace Reid Wows 'Em

Using all the subtlety of a garage calendar, "Cow Pokes" cartoonist Ace Reid kept an audience of 414 guffawing at the annual banquet of the Castro County Chamber of Commerce Saturday night.

REID DIDN'T let a single serious moment creep into his speech as he set a folksy, light-hearted mood for the successful banquet. Complimenting Dimmitt on its climate ("A tornado got to the edge of town once, but a sandstorm blew it away") and his hardy people ("Grandpa doesn't want to get married—he has to"), Reid enthralled his audience with his laugh-a-minute routine and sketches, which he autographed and presented to local people.

REID MADE his speech in a banquet hall imaginatively decorated with branding irons, Dutch ovens, beargrass and blow-ups of his own cartoons. The table cloths and place cards bore historic cattle brands, and near each plate was an authentic sack of Bull Durham. The speaker's rostrum was fronted by Reid's own brand, the Draggin' S.

"I got drafted into the Navy in World War II, and felt like I ought to thank the Japanese and Germans for starting that war and getting me away from digging post-holes for three years," he said.

HE TOLD how, after the war, he did well as a farmer and his father in organizing a cattle auction company—just before beef prices plummeted.

Later, he said, he borrowed \$1,500 and flew over the Southwest lining up newspaper customers for his cartoons—just before the newsprint shortage hit.

"I WENT back to the banker later, after the newsprint shortage, and told him that if he'd loan me another fifteen hundred, I might make enough to pay him back the first fifteen hundred he'd loaned me."

Reid now syndicates his cartoons nationally, and his highly successful "Cow Pokes" also appear in books and calendars that are selling in the millions.

DESPITE cold, wet weather, visitors attended the banquet from Midland, Hereford, Midlothian, Friona, Lazbuddie, Lubbock, Muleshoe, Tulia, Portales, Plainview and Earth.

Dr. J. D. Blackburn served as master of ceremonies and outlined the chamber's goals for the year. The main project for 1968, he said, will be an industrial survey of the city by professionals.

Dr. Blackburn also presented presidents Bill Benoit and Don Newman, and to outgoing directors Wes Anthony, Earl Brock and Carl Bruegel.

BEFORE Reid's speech, Joe Cowen announced Dimmitt School Supt. Paul Hilburn as the winner of this year's "Citizen of the Year" award. Hilburn was in Atlantic City, N.J., at a convention of the National Association of School Administrators, and his plaque was accepted by his daughters, Mrs. Larry Morris and Mrs. Clayton Neal.

However, he was not there to receive his award. Hilburn and his wife are in Atlantic City, N. J., where he is attending the convention of the National Association of School Administrators.

His award plaque was accepted by two of his daughters, Mrs. Larry Morris of Hereford and Mrs. Clayton Neal of Canyon.

JOE COWEN, who made the announcement speech and presented the plaque, cited Hilburn for his willingness "to put principal and excellence above security and personal comfort . . . to initiate pioneer programs . . . to answer criticism not with rancor but with positive programs of action . . . to share pilot programs with giant school systems . . . to rehire 19 teachers who had left Dimmitt but for some reason wanted to return . . . and to hire many former Dimmitt High School graduates as teachers."

As superintendent of Dimmitt's public schools since 1959, Hilburn has gained a reputation as a pioneering administrator.

DURING HIS superintendency here, Dimmitt's school enrollment has climbed from 1,200 to 1,800, a net \$1.3 million high school has been built, and Dimmitt has led the way among schools its size in occupational training, remedial reading and Operation Head Start, as well as teacher training and advanced public-school courses.

"Paul wants a balanced school program here," a fellow worker said. "He wants to provide the best."

Patrol Reports Six Accidents During January

The Texas Highway Patrol investigated six accidents on rural highways in Castro County during January, according to Sgt. W. E. Wells, Highway Patrol supervisor of this area.

THESE CRASHES resulted in two persons injured and an estimated property damage of \$4,710.

'Pink Ladies' Set Banquet

Plains Memorial Hospital Auxiliary members will receive their "pay" for the year Saturday night at their annual awards banquet.

THE BANQUET will be at 7 p.m. in South Grade School cafeteria and is open to the public. Tickets at \$2.50 each can be purchased at the Village Shop, Parsons Drug or the hospital.

In addition to recognizing local "Candy Strippers" for their volunteer work at the hospital during the year, the banquet is to honor the hospital staff, physicians and their wives.

Hello, Sun!

MRS. NEWLON ROWLAND RECEIVES BETA SIGMA PHI CROWN
... From Mrs. Ronnie Farris, past winner

Mrs. Rowland Crowned

Mrs. Newlon Rowland has been crowned Valentine Sweetheart of Chi Phi chapter of Beta Sigma Phi of Hart.

SHE WAS crowned by Mrs. Ronnie Farris, previous sweetheart. The ceremony was held in Fellowship Hall of the First Methodist Church in Hart.

Mrs. Rowland received an arrangement of red carnations, the queen's pin and a charm for her bracelet.

A supper was served preceding this crowning, with games following. Valentine decorations were used throughout the hall.

Mrs. Rowland is a charter member of the society and has served

as president. She is the daughter of C. C. Jones of Hart, a graduate of Olton High School and West Texas State University, and has taught school in Plains, Levelland and Hart. Her husband farms east of Hart. The Rowlands have four children — Rhonda, 9, Rickey, 6, Suzhan, 4 and Scist, 1.

Wheat Supply Goes Up Again

US wheat supplies for the 1967-68 marketing year are 133 million bushels higher than last year and total about 1.98 billion bushels.

JOHN G. McHANEY, Extension economist at Texas A&M University, said in his "Economic Outlook for Wheat in 1967-68" that this will probably be the first time since 1960-61 that the supply has increased from the previous year.

The supply is made up of carry-over of 426 million bushels, the smallest since 1952; a record crop of 1,554 million bushels in 1967 and imports of about a million bushels, McHaney said.

The use of wheat in the US during the period July 1, 1967 to June 30, 1968, may amount to 682 to 707 million bushels, about the same or a little higher than last year, he continued.

THIS FIGURE may increase if there is more wheat used for feed. Feeding of wheat was greater during July and September 1967 than a year earlier, due to the narrow spread between the price of wheat and feed grain. But with probable lower prices for feed grains, the rate of wheat feeding may decline from the high level for the first three months of the present marketing year. For the 1967-68

marketing year, feeding is estimated at 100-125 million bushels compared with 93 million last year, the economist said.

The food use of wheat for 1967-68 may total 510 to 515 million bushels, compared with last year's

608 millions bushels. The seed use is likely to total about 70 million bushels, down about eight million bushels from last year's total. McHaney said this is due to the reduction in the national allotment for 1968 wheat.

The US Department of Agriculture announced its export target for 1967-68 as 750 million bushels, about eight million bushels more than last year's exports. The commercial exports are likely to be below last year's while the Food for Freedom exports may be larger than last year's, he pointed out.

The total disappearance of wheat that was used in the US and exported for the present marketing year will be about 1.43 to 1.45 billion bushels, compared with last year's 1.42 billion. With this indicated level of use, the carry-over on June 30, 1968 is expected to be about 524 to 549 million bushels. Last year's carryover was 426 million bushels, McHaney said.

Plenty of ROOM!

Have you ever, when on a vacation, in the peak of the tourist season, looked and looked along the highway for a roadside park with an empty table so that your family could have a picnic lunch and rest? Then, of course, all might travel refreshed. How nice it is to come upon a park like this one, with the breeze blowing across the water.

Isn't it wonderful that there is always plenty of room at the House of God? There is always a church where you can receive spiritual food, and sweet rest of the soul. The church holds out its arms in welcome to all, inviting everyone to come and learn of God. Won't you attend this week?

"Come unto me, all ye that labour and are heavy laden, and I will give you rest." Matthew 11:28.

Coleman Adv. Ser.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

LEGAL NOTICES

ELECTION ORDER AND NOTICE

The State of Texas
County of Castro

On the 5th day of February, 1968, the Board of Trustees of Dimmitt Independent School District convened in regular session with the following members present:

H. W. Golden, President; Jack Miller, Frank Wise, Carrol Webb, G. L. Willis, John Merritt and Jim Golding constituting a quorum and among other proceedings had by the said Board of Trustees was the following:

Whereas the term of office of John Merritt, Jim Golding and Carrol Webb, members of the Board of Trustees of the said School District will expire on the first Saturday of April, 1968, said first Saturday being April 6, 1968, and on said date a trustee election will be held in said School District.

Whereas it is necessary for this Board to pass an order establishing the procedure for filing for and conducting said trustee election.

Therefore be it ordered by the Board of Trustees of Dimmitt Independent School District:

1. That an election be held in said District on April 6, 1968, for the purpose of electing 3 members to the Board of Trustees of the said School District.

2. That all requests by candidates to have their names placed upon the ballot for the above mentioned election shall be in writing and filed with Secretary of the Board at Dimmitt, Texas, not later than March 7, 1968, at 5 p.m.

3. That said election shall be held at the following place and the following named persons be hereby appointed officers for said election:

At Junior High School Building in Dimmitt, Texas, in said School District with Ray Bearden as presiding Judge.

The above order being read, it was moved and seconded that the same do pass. Thereupon, the question being called for, the following members of the Board voted Aye: Golden, Miller, Webb, Wise, Merritt, Willis and Golding, and none voted No.

H. W. Golden
President of Board

Attest:
Frank Wise
Secretary 18-21c

Americans Observe National FFA Week

It's National FFA Week, a time set aside by both national and state governments to salute the Future Farmers of America and the role they play in both the present and future of American agriculture.

THE FUTURE Farmers of America is a national organization of, by, and for boys studying vocational agriculture in the public schools. The FFA is an educational, nonprofit, nonpolitical youth organization of voluntary membership, designed to develop agricultural leadership, character, thrift, scholarship, cooperation, citizenship and patriotism.

One of the requirements for membership is that the boy must be enrolled in a high school class of vocational agriculture. The age limit is 14-21.

NATIONAL membership is over 450,000 and is sponsored by the US Office of Education. The Texas Association of FFA is sponsored by the schools in Texas. The local vocational agriculture teacher serves as FFA chapter advisor.

The FFA is furnishing well-trained leaders and citizens for responsible positions in agricultural business and industry, professional agricultural work, farming, and ranching. Four out of every 10 employed persons in the United States work in some phase of agriculture.

FUTURE Farmers practice

these:

1. Belief in God as we understand Him.
2. The importance of the individual.
3. The dignity of work.
4. Private ownership of property.

5. The government as a protector, not a provider. FFA is in its 39th year in Texas. There are over 46,000 members studying vocational agriculture in 968 high schools in the state. In these vocational agriculture classes, students are provided an opportunity to secure technical and scientific training in agriculture as well as to receive training in leadership, citizenship and cooperation.

TEXAS membership has grown from 28,643 in 1950 to over 46,000 in 1968. In a recent study conducted by George Hurt, state director of vocational agriculture, it was found that over 60 percent of the vocational agriculture students who graduated from high school last year and were available for employment are now in full-time farming or in agricultural related occupations. Over 40 percent of this number are in full-time farming.

The theme this year for the FFA is "Challenging Youth in Agriculture," and it certainly is. It involves those who process and distribute many agricultural goods.

Many people are employed in agricultural occupations — such as engineers, scientists, management, personnel, sales and service personnel and educators. Also, there are over 60,000 desirable openings each year for farm operators, farm engineers and full-time hired farm labor.

Vocational agriculture and the FFA are striving to provide a sound and continuing education to help produce the leaders and work force so direly needed in our nation's agriculture industry.

MODERN AGRICULTURE

Nino Serving In Vietnam

Marine Lance Corporal Amelio Nino, son of Mr. and Mrs. Emilio Nino of 509 SW Third St., Dimmitt, and husband of the former Mary S. Munoz of Rt. 2, Hereford, is in Vietnam serving as a member of the First Battalion, Seventh Marine Regiment, First Marine Division.

THE PRIMARY mission of his battalion is to search out and destroy enemy forces operating in South Vietnam. They accomplish this through daily patrols and ambushes as well as large scale operations.

The unit is also engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of wells, culverts, small bridges and schools.

Extension Service Invented Its Own Demonstration System

(First in a series of articles explaining programs of agencies serving Texas agriculture.)

The Texas Agricultural Extension Service carries on a statewide educational effort in its role as the field educational arm of Texas A&M University and of the U.S. Department of Agriculture.

THE AGENCY was created in 1915 when the state legislature accepted provisions of the Smith-Lever Act. Reaching now into every community, Extension conducts educational programs in 44 subject-matter areas of agriculture, home economics and related fields.

Extension gives major emphasis to nine important areas. They include efficiency in both production and utilization of agricultural products; conservation of natural resources; management on the farm and in the home; family

living; youth development; leadership development; community improvement and public affairs education.

THE COUNTY staff is Extension's basic educational unit, and every effort is made to provide services of both agricultural and home demonstration agents, along with needed assistants, to people in each Texas county.

In Texas, Extension maintains well-trained county staffs of "generalists" who speak the language of local people and understand their problems. County personnel get strong support from highly skilled teams of state and area specialists stationed at strategic locations.

Each county has a broadly representative group of local leaders who serve voluntarily on "program building" committees. Initially, these committees are organized by local Extension agents, but once organized, they develop their own rules and objectives.

THE COUNTY program building committee usually divides itself into a number of study groups to review the county situation. They consider all aspects of agriculture and related business organizations, population characteristics and all natural, institutional and human resources of the county.

Once studies are complete, a long-term program for the county is developed. It describes the existing situation, problems and opportunities, and establishes objectives desirable to the committee.

The committee then divides itself into subcommittees based on particular interests and economically important agricultural enterprises of the county.

EXTENSION widely employs the results demonstration, a teaching tool of its own invention. It involves the field testing of new research findings and adapting them to local situations. Last year, more than 4,000 result demonstrations were conducted in Texas, covering all phases of agricultural production. Almost as many were conducted in home economics.

Extension's educational work is supported by three levels of government. The Federal Government participates through the U.S. Department of Agriculture; the State Government through the Board of Directors of Texas A&M University; and County Government through the County Commissioner's Court.

Grain Sorghum CHAFF

By WES ANTHONY

We, as citizens of Castro County, have a most, most unusual opportunity to help ourselves. We can all own something that we will all be proud of and many other people will be envious of. We all want to be at least a small part of it.

THERE IS no one asking us to give them anything (except a chance) to help ourselves. It simply is an investment. There are only a few of these projects in the nation but not one has gone broke, but are proving to be a good investment.

If each farmer will make a small investment we can make it, but it will take most of us. It will also take some of the pressure off our government. In a few years we will not depend on government subsidies. It will be worth more to us.

IF OUR PLANT will process 10, 20 or even 40 thousand bushels a day, each day of the year it will cut quite a hole in the so-called surplus.

Don't you think it is much better for several hundred home people to own this plant than for some large investors from somewhere else to own it.

Of course you know I am speaking of our corn milling plant.

Wilhelm-Ringwald Vows Read In Nazareth Church Saturday

Miss Joyce Carol Wilhelm became the bride of Larry Vaughan Ringwald in a formal ceremony Saturday afternoon in Holy Family Church of Nazareth.

THE BRIDE'S parents are Mr. and Mrs. Leonard E. Wilhelm of Nazareth. Ringwald, who is stationed at Lowery Air Force Base, Denver, Colo., is the son of Mr. and Mrs. Coy E. Ringwald of Nazareth.

The double-ring ceremony was performed at 2:30 p.m., with Rev. Wilmer Reichel officiating at the nuptial mass.

The church was decorated with floral arrangements of champagne gladioli and mums, with Boston English ivy.

MAID OF HONOR was Sheila Birkfeld, and matron of honor men were Elbert Sammon of Plainview, sister of the groom. Bridesmaids were Jo Ann Guggemos, the bride's cousin, and Yvonne Huseman of Amarillo.

Dean Wilhelm, the bride's brother, served as best man. Groomsmen were Elbert Sammon of Plainview, Robert Steffens of Lubbock and David Ehly. Ushers were Gary Shirley of Friona and Kevin Wilhelm, both cousins of the bride, and Gerald Brockman.

Leaflet missals were given out by Nancy Drerup and Shirley Brockman, cousins of the bride.

MASS SERVERS were Richard and Hal Brockman, Gordon Wilhelm and Harold Schacher, all cousins of the bride.

Mrs. Leonard Conrad, organist, performed traditional wedding music.

Given in marriage by her father, the bride wore a formal wedding gown which she had designed herself and which her mother had made. It was of peau de soie, and its empire line bodice and straight line skirt were both appliqued with Chantilly lace re-embroidered with seed pearls. The long sleeves had wide lace inserts, and the full cathedral train was attached at the empire waist and trimmed with lace inserts, lace bow and panel. The bride's tiered veil of English illusion was secured by a coil made of Chantilly lace petals edged in seed pearls.

THE BRIDE carried a bouquet of white carnations centered with a white orchid.

For something old, she carried a handkerchief be-

MRS. LARRY VAUGHAN RINGWALD
... The former Joyce Carol Wilhelm

longing to her aunt, Mrs. Ed Drerup. Something borrowed was a gold rosary belonging to her grandmother, Mrs. Loretta Guggemos. She also wore the traditional blue garter.

The maid and matron of honor wore empire-waist dresses of champagne brocaded taffeta, each trimmed in the back with a bow and long streamers of emerald green satin. Their headpieces were crowns of seed pearls and green ribbons, and they carried champagne feathered mums with Boston English ivy.

FOLLOWING the ceremony, a reception and wedding dance were

held in Nazareth Community Hall. For traveling, the bride wore a double-knit wool honey beige coat ensemble with yellow accessories. Her corsage was the orchid from her bridal bouquet.

Following their wedding trip, the newlyweds will live in Denver, Colo., where Ringwald, a 1967 graduate of Nazareth High School, is taking technical training at Lowery Air Force Base.

THE BRIDE is a 1967 graduate of Nazareth High School and recently graduated from the Career Academy of Houston as a dental assistant.

Try This Recipe For Tasty Pudding

By IRENE KEATING
Several times in the past I've given you some of Mrs. Dewey Wright's recipes. She has a new one that really has been highly rated by the girls in the courthouse. Some you may want to try it. I thank Mrs. Wright for letting me give you her recipe.

APPLE NUT PUDDING

2 cups sugar
1 stick oleo
2 eggs
2 teaspoons vanilla
1/2 teaspoon Adams butter flavoring
2 cups flour
2 teaspoons soda
2 teaspoons cinnamon
1/2 teaspoon salt
2 Tablespoons water
4 diced fresh apples
1 cup chopped pecans
Preheat oven to 350 degrees. Cream together in bowl: sugar, oleo, eggs, vanilla and the butter flavoring. Sift together flour, soda, cinnamon and salt. Add to creamed ingredients. Add water and beat for 2 minutes. Stir in apples and pecans. Grease and flour a 2 x 9 x 4 inch aluminum pan. Pour in mixture. Bake for 1 hour.

SAUCE

1 cup water
1 stick oleo
1 cup sugar
2 Tablespoons flour
1/2 teaspoon salt
2 teaspoons vanilla
1/4 teaspoon butter flavoring
Bring to a boil in medium saucepan, water and oleo. Sift together in a medium size bowl sugar, flour and salt and add to oleo and water mixture. Add vanilla, butter flavoring and let cook until it bubbles. Serve hot,

pouring over individual servings of Apple Nut Pudding. Serves about 10.

I WOULD like to express my appreciation to the ladies who attended the drapery workshop the past two Thursdays. It is inspiring to me to see that homemakers are interested in making their own draperies.

Square Eggs?

Homemakers may some day be serving cubed eggs to their families.

Researchers have learned they can improve upon nature's natural egg shell packaging. Food technologists, says Dr. W. E. Black, Extension economist in marketing, can freeze shelled eggs into cubes, wrap them in plastic, and do away with much of the present lack of appeal and cost of handling shell eggs.

Public Meeting Slated on Wills

A special county-wide meeting on wills and investments will be held next Thursday at 2:30 p.m. in the assembly room of the courthouse.

THE MEETING is sponsored by the County Family Living Committee, and is open to the public.

The program will be given by Russell Burwell, local attorney, and James Horton of the First State Bank.

Miss Simpson

Hereford Rite Set

Mr. and Mrs. M. L. Simpson Jr. of Dimmitt announce the engagement and approaching marriage of his daughter, Carolyn Jane, to Ronnie Clark Andrews, son of Mr. and Mrs. W. H. Andrews of Hereford.

A MARCH 30 wedding is planned in the First Presbyterian Church in Hereford.

The View From Your Library

By VIRGINIA NEWSOM
Librarian

There's nothing more enjoyable than a good book review, and I had the pleasure of hearing an excellent one at Book Club last Wednesday.

MRS. MAXINE TIDWELL presented Eugenia Price's new novel "The Beloved Invader." I've never heard a review done more beautifully. As an added bonus she presented the book to the library. Our sincere thanks to her.

I wonder how many people are aware that the primary purpose of the Dimmitt Book Club is to give assistance to the library. Whenever there is a need for help, we can depend on the Book Club to give that help willingly. And may I add a personal comment, "I have never met a lovelier and

more sincere group of ladies." **BOOK** circulation continues to rise with a total of 130 books checked out this week. Thanks go to Mareeta Smithson of the Young Homemakers for lending a hand at Story Hour Friday. We had 14 youngsters in attendance. Sylvia and I hope to see you in the library soon.

What kind of

installs Gas Air Conditioning in the Winter?

A WISE ONE! He's the kind of nut that's hard-headed about solving a problem before there is a problem. That's the story in a nutshell. Install gas air conditioning now. You'll like the way it makes big cooling jobs seem small. Next summer you'll be the cool one while others are cracking under the heat.

Arney Club Hears Book Reviewed; Schedules Annual '42' Tournament

By Mrs. Albert Schoenberger
"Frogs in the Milk" was reviewed by Mrs. Wallie Gravitt to members and guests of the Arney Community Club at its February meeting.

THE BOOK was written by Roselle Price Shelby, as narrated by Nannie L. Archer Sheets, mother of Branch Sheets of the Arney community. Mrs. Sheets was born in Collingsworth County in 1894 and with her parents, brothers, and sisters pioneered the Panhandle.

The club members decided on the three consecutive Saturday evenings, Feb. 24, March 2 and 9, for the annual "42" tournament starting at 7:30 each evening. High and low prizes will be given each evening with a grand prize at the closing of the tournament. Everyone interested in

"42" is invited to try their skill. "GLORIA" of Gristown USA is now being sponsored by the club, and her birthday on Feb. 21 will be remembered with individual gifts and a visit from some of the members.

Bruce's Grill in Tulia, was chosen as the place for the "Sweetheart Banquet" Feb. 15, with members treating their husbands for St. Valentine's.

Next scheduled meeting will be March 6 at the community building, when George Blake will show films and talk about his native land of Scotland.

Red hearts and flowers enhanced the setting for the afternoon meeting. Decorated cakes and punch, reflecting the Valentine theme, were served by the hostesses Mmes. Dozier Thornton, T. V. Coile and Jack Dempsey.

Bethel News

Bethel Welcomes Keating Family

By MRS. J. T. STEHR
647-4221

We welcome to Bethel Community Mr. and Mrs. Max Keating and son Cleve. They moved to the Bud Hill farm last week. Mrs. Keating is well known as the Castro County home demonstration agent.

MRS. IDA FINCK, grandmother of Mrs. Houston Lust, celebrated her 100th birthday last Thursday. Mr. and Mrs. Lust visited her that day and several relatives, along with their children, who were unable to attend Thursday, visited their grandmother Sunday in her home in Amarillo.

Mr. and Mrs. Charles Wales visited his father at New Deal, where he is recovering from recent surgery.

We extend our sympathy to the Bruegel family on the death of Mr. Bruegel's brother in Germany, where the Bruegels Sr. went to attend the funeral.

VISITORS in the Elbert Smith home Sunday were Mr. and Mrs. Homer Thomas, Mrs. Smith's parents of Hereford, and her brothers and families, Mr. and Mrs. Glenn Thomas and the Charles Thomases and their little son. Charles Thomas will soon go to Vietnam and his family will stay with her parents at Canyon.

Mrs. James Welch took six girls to see "Gone With the Wind" at Lubbock Saturday. They were overnight guests of her daughter, Rhonda. Enjoying the trip were Renee Baker, Becky Carpenter, Sondra Jones, Donna Hudson and Flo Lust.

Sue Lust went to Canyon to take the college entrance tests last week.

THE FRED BRUEGELS JR. went to the Texas Outstanding Young Farmer banquet at Snyder Saturday. As Castro County's Outstanding Young Farmer, he was an entrant in the state contest.

V.F.W. NEWS

By GEORGE DERRICK The Ladies Auxiliary of our post will hold its annual "Sweetheart Ball" Saturday night at the post clubhouse.

FOOD WILL be served, starting at 6:30 p.m. The menu calls for steak, baked potatoes, salad and trimmings, and the dance will start at 9 p.m.

Music will be furnished by Mrs. Lily Marie Howard. Tickets will be sold at the door. Members and guests are invited.

OUR POST has sent a Texas flag to a Dimmitt Marine serving in Vietnam. Donny Stokes, son of Mrs. and Mrs. N. B. (Stacks) Stokes of Dimmitt, contacted our post and requested a Texas flag for his unit there. He is serving with the 3rd Marine Division near Da Nang. Donny graduated from Dimmitt High School in 1965, and went to Texas Tech one year. He enlisted in the Marine Corps July 5, 1966 and was sent to Vietnam last Dec. 11. He is 20.

Passing Thought: Give your girl friends a "bikini" for her birthday and see her beam with delight.

BREAKS ARM Mrs. J. M. Lain, 403 SW Sixth St., received a broken and disjuncted left arm in an accident last week in her home.

'GOOSE' RAMEY'S LAPEL NOW BEARS 45-YEAR SERVICE PIN Here, he uses his unofficial but accurate homemade gauge

Weather Observer Cited For 45 Years' Service

The US Weather Bureau Friday presented a pin and citation to Edwin "Goose" Ramey of Dimmitt for 45 years service as a cooperative weather observer. TWO WEATHER bureau representatives from Lubbock made a special trip Friday afternoon to reward Ramey for the thousands of trips he's made to his rain gauge.

More About Hilburn Wins

(Continued from page 1) best education possible for all our kids — rich and poor alike. He believes the schools should be instrumental in making a bet life possible, and giving kids the ability to cope with our increasingly complex world.

WITH THE consent of Dimmitt's school board, Hilburn has put the local schools on new ground in several educational areas.

Dimmitt now leads the state in its occupational training program. "This program takes the kids who used to drop out and keeps them in school, and gives them an occupation so they can earn a decent living," a school official explained. "The program teaches them mechanics, woodworking, metal working and other good occupations. And we're seeing the results of this program now — youngsters are saying in school here better than they ever did before."

DIMMITT also leads the way in Operation Head Start. It was one of the first schools in Texas to initiate the pre-school training program for disadvantaged children, and is one of the few schools having a year-round Head Start program. The nearest other schools with year-round Head Start programs are Big Springs and Snyder.

Hilburn also initiated a remedial reading course here under Title I of the National Elementary and Secondary Education Act to combat the problem of "Johnny can't read." Four remedial reading teachers give specialized training to young students who haven't kept pace with their classmates.

"THE SCHOOL could have gone into this remedial reading field under the "PESO" program, but that would have been much more expensive," a school official said. "Instead, Paul and others tailored our own program here and got the same thing for a lot less money."

This school year, for the first time, Dimmitt moved into a program of ungraded reading courses for students in the first two grades. This program is intended to allow students to learn reading at their own speed — whatever their speed may be. Before starting this program here, Hilburn and others in the local school system studied similar programs already underway in Post, Plainview and other schools.

"As I visit other school men around the state," a fellow worker said, "I hear superintendents refer to Dimmitt as being a leader in public school education, and they refer to Paul as being one of the outstanding administrators in our state. I think he operates about 4 1/2 jumps ahead of everybody else."

HILBURN hasn't carried out his pioneer programs here without criticism. Most of it involves his use of federal education programs. "Being a school superintendent

All cooperative weather observers serve without pay. Ramey has logged Mother Nature's moods and history here for the official records since 1923, when he became Dimmitt's first weather bureau observer.

HE STILL records moisture totals here, sending his figures monthly to the National Weather Records Center at Asheville, N.C. His successor, Howard Cook, records each day's high and low temperatures and precipitation and reports to the US Weather Bureau office in Amarillo.

Ramey's official gauge is still located at his farm halfway between Dimmitt and Nazareth. But in his back yard, he has a homemade rain gauge which he feels is just as accurate.

His homemade gauge is the two-unit type, made from a fruit can and an olive jar. One inch of rainfall in the can will fill the jar to the six-inch level, making possible more accurate measurements to the tenth or hundredth of an inch. On his olive jar he has painstakingly painted a proportionate scale marked in tenths.

"WE HOPE you continue to find your weather work interesting and many more years are added to your worthwhile record of public service."

Department of Commerce, the administrator of the Environmental Services Administration, and the Director of the Weather Bureau in congratulating you upon the completion of 45 years as a cooperative weather observer.

"This is an outstanding record of public service. The results of your efforts are used every day by many organizations and individuals in governmental activities as well as in private enterprise. Without the wholehearted support of persons like yourself, this valuable information could not be made available.

"WE HOPE you continue to find your weather work interesting and many more years are added to your worthwhile record of public service."

Rites Held For Markley's Sister Funeral services were held Saturday afternoon in Pampa for Mrs. Willa Marie Long, 57, sister of Harold Markley of Dimmitt.

MRS. LONG died Wednesday of last week in West Texas Hospital in Lubbock after a lengthy illness.

She was born in Oklahoma and moved to Pampa in 1946 from Sayre, Okla. She and her husband owned a grocery store in Childress.

Relatives from Dimmitt attending the services were Mr. and Mrs. Harold Markley, Mr. and Mrs. Murray Hall and children and Mr. and Mrs. W. O. Markley and family.

OTHER survivors include her husband, C. W.; three daughters, Mrs. Joe Strickland of Prairie Village, Kan., Mrs. Don Chittin of Dallas and Mrs. Leon Beesinger of Lubbock; three sisters, Mrs. Iva Thompson of Sweetwater, Okla., Mrs. Ruth Pyle of Sayre and Mrs. Ethel Youngblood of Grimes, Okla.; and eight grandchildren.

100 Teachers Meet at Hart Approximately 100 teachers gathered in Hart Wednesday of last week for the second annual meeting of the District IX Texas State Teachers Association.

HART Public Schools hosted the meeting in the school cafeteria. Weldon Bates, Hart High School and District IX TSTA president, conducted the business meeting.

Main speaker was Mrs. Emmett Broderson of Dimmitt, who spoke on the Teachers' Educational Professional Standards program.

Shower Honors Killingsworths

Mrs. Jim Killingsworth was honored with a pink and blue shower in the home of Mrs. Bill Gregory recently.

THE TABLE was covered with a white cutwork cloth with appointments of crystal and silver. The centerpiece was a large pink heart with a miniature cradle and baby doll suspended with picot ribbon. The base was covered with pink nee, blue French carnations and pink roses.

Tiny cinnamon rolls, spiced tea and coffee were served by Mrs.

Larry Gamblin and Mrs. Winston Waggoner. Mrs. Donny Nelson registered the guests.

SERVING as hostesses were Mmes. Winston Waggoner, Don Gregory, A. R. Gibbs, Jerry Cockreham, Dan Nelson, Jack Miller, Larry Gamblin, Don Mobley, Don Carpenter, Dean Wiseman, Donny Nelson and Bill Gregory.

Workshop Tonight For Beet Growers

Texas A&M's Agricultural Extension Service will conduct a workshop for the area's sugar beet producers tonight (Thursday) in the Hereford Community Center.

THE MEETING will start at 7:30 and is expected to last two hours.

Topics to be discussed include: "Diseases and Their Control in Sugar Beets," by Dr. Robert Berry, Extension plant pathologist from Lubbock.

"Sugar Beet Insects and Their Control" and "Beet Leafhopper Survey" by Lyndon Almand, Extension entomologist from Lubbock.

"FERTILIZER Research on sugar Beets" by Dr. Arthur Onken, agronomist at the South Plains Research and Extension Center at Lubbock.

Hart Youngsters Capture Honors At El Paso Show

Don Sanders of Hart exhibited the reserve champion barrow in the Southwestern International Livestock Show in El Paso last week as Hart FFA and 4-H members captured a long list of honors.

SANDERS' 218-lb. crossbred barrow won first in the middle-weight class and was named champion crossbred before competing for the grand championship. The barrow sold for \$1.75 a pound to Big 8 Produce of El Paso.

Other top placings by Hart youngsters included:

Danny Rice — second place light cross, second place middle cross, reserve champion of class.

Donny Burress — first place light cross.

Debbie Davis — first place heavy Duroc, 10-h and 20-h Hereford.

GARY COLE — third light Poland China.

Clifford Ray — third middle Duroc.

Jim Tucker — eighth light Duroc.

David Harris — eighth light cross.

Roger Cleaver — ninth light Poland China.

Dean Hill — 10th Angus.

TAKING THE animals to El Paso for the show and sale were Doyle and June Davis, Bill and Evelyn Hill, Jim Tucker, Debbie Davis, Danny Rice, Dean Hill and Bob Waide.

TOMMY GONZALES
... Named "Best Beau" at banquet

Hart FHA Holds 'Beau' Banquet

"Moonlight and Roses" was the theme for the Hart FHA chapter's Best Beau Banquet Saturday night.

DECORATIONS of light and dark pink roses and crepe streamers turned the Hart School Cafeteria into a romantic scene for the Future Homemakers and their beaus. The dinner was served by candlelight.

The members honored Tommy Gonzales as the "Best Beau of 1968" with a gift.

Special guests were Principal and Mrs. Weldon (Doc) Bates, Supt. and Mrs. Andy Gardenhire, and chapter mothers and their husbands, Mr. and Mrs. B. H. Rogers, Mr. and Mrs. Bob Bennett and Mr. and Mrs. L. C. McLain.

Entertainment was provided by the "Paper Dolls," girls' trio and pianist from Dimmitt. Their selections included "You Are My Special Angel," "Love is a Many Splendored Thing," and the banquet theme song, "Moonlight and Roses."

Women from the Catholic Church of Hart catered the meal.

GONZALES is the 18-year-old son of Mr. and Mrs. Arturo Gonzales of Hart. He is currently serving as treasurer of FFA, vice-president of Longhorn Letterman Club, was all-district and All South Plains in football, and is captain of the basketball team. He was recently chosen the Most Friendly and Class Favorite of the senior class.

Upon completion of high school

Mrs. Carrell In Royal Blue Book

Mrs. Sawnie M. Carrell of the University of Wyoming, former Dimmitt resident and teacher, has been selected to appear in the coronation edition of the Royal Blue Book, published in London.

THE ROYAL Blue Book is an international register of the leaders of contemporary society. It includes the world's royalty and aristocracy as well as top professional people in the English-speaking world.

Mrs. Carrell, who is working toward her doctorate degree and conducting a special field education project from the University of Wyoming, is the daughter of Mrs. H. M. Bartlett of Dimmitt.

He plans to attend Cisco Junior College and major in accounting, and he hopes to play college football.

Yeager's Unit Wins AF Award

Staff Sergeant Jerry Yeager, son of Mr. and Mrs. William E. Yeager of Hart, has been recognized for helping his unit earn the US Air Force Outstanding Unit Award.

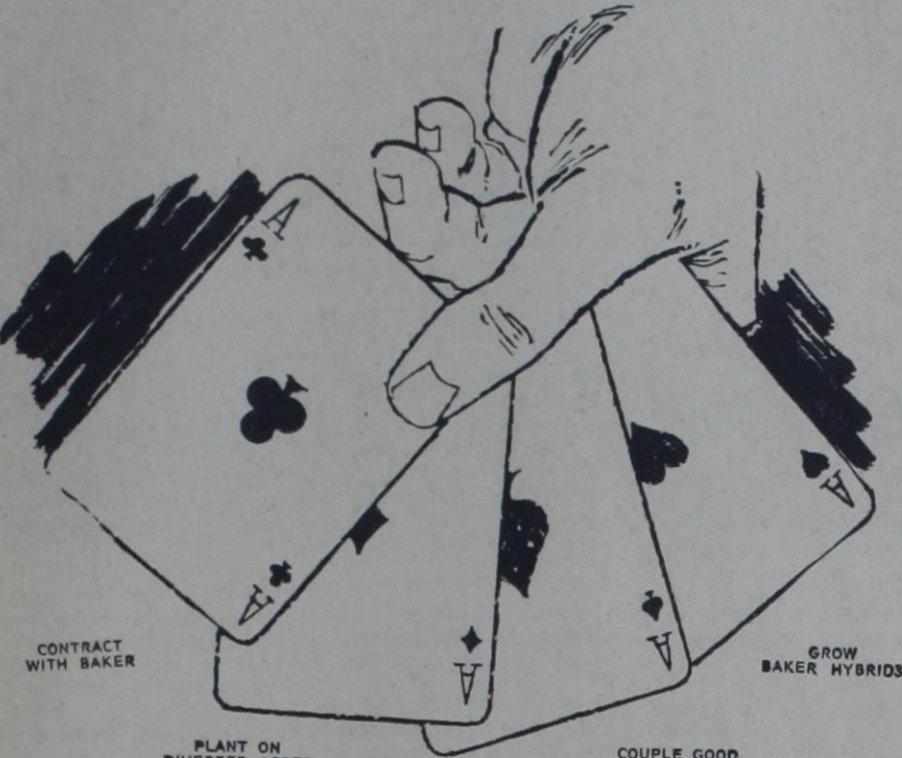

SERGEANT YEAGER, a weather observer in the 6th Weather Squadron (Mobile), Tinker AFB, Okla., will wear the distinctive ribbon as a permanent decoration.

The sergeant's unit was cited for exceptionally meritorious service from July 1, 1964 to June 30, 1966. During this period, members of the squadron overcame numerous operational problems and provided outstanding mobile weather observing services to several governmental agencies throughout the world.

SERGEANT Yeager is a graduate of North Little Rock (Ark.) High School.

His wife, Yvonne, is the daughter of Mrs. H. Leasure of Philadelphia.

Mom Almost Becomes a Victim At Daughter's Slumber Party

This week has been an especially busy one. Friday night, Jill Braafladt had a slumber party. What's this about your mom almost suffocating?

AS YOU'VE surely noticed — it snowed! The snow was welcomed and enjoyed by all but it just wasn't snow enough to turn out school.

The Minor Details played for a Valentine's Day dance Saturday night. It was lots of fun and we're proud of these boys and their talents.

Ask Alex Catoe how he got his black eye. Chuck Lay's car was crunched by a hit-and-run driver. Chuck is anxious to learn who did this black deed to his car.

MONDAY half the senior class was missing. Shame on you, seniors.

The Bobcats and Bobbies returned victorious from Sudan Tuesday night. Congratulations, and good luck to you!

Wednesday was Valentine's Day. The FHA held a Sweetheart Game in an assembly. The FHA would like to thank all who participated in it and put in work behind it. Congratulations to Linda Bradley and Alex Catoe, the winners.

THURSDAY THE Junior Class held a slave sale. Junior boys and girls were auctioned off by

Johnny Davis, who did an excellent job as an auctioneer. Also, a few teachers were sold. The Juniors made over \$100 and they hope there were no hard feelings — Mark Cleavinger.

This week was full of activity and homework. If you don't believe it, ask any Senior in English IV!

Teenager Views National News

Korea captured a US warship and its crew. LBJ has not done a thing besides tell them to please give it back.

IN VIETNAM, the Cong have stepped up their attacks and have captured several cities. LBJ says send more men so they can run the Cong out, so they can attack us again and we'll lose more men.

Most teenagers agree that these steps are right, to a certain point. If these talks fail within a week on the outside, action should be started and on a full scale. Prolonging the killing will get us absolutely nowhere. The Pueblo should have been released and with a full crew within a week after it was captured.

THE RACIAL riots are causing quite a big disturbance now too. As a teenager, I don't see much sense in it. If somebody wants something, they should do it peacefully like everybody else does.

TEXAS, according to the Texas Forestry Association, has been one of the top lumber-producing states for the past 80 years, with a production of 970 million board feet in 1967.

THE TEXAS Parks and Wildlife Magazine has a circulation of more than 70,000 — a 40 percent increase over the past two years.

Sportsmanship Awards Given

The journalism staff has decided to select a Bobcat and Bobbie for Sportsmanship Award. This Award is given for sportsmanship, backing of the team, athletic skill, and effort. The staff has chosen Bobcat Ronald Huckabay and Bobbie Shirley Leinen.

RONALD IS the son of Mr. and Mrs. Robert Clifton Huckabay. His home is at 710 Oak. He was born in Lubbock, Dec. 1, 1949, No. 42. Ronnie has played for two years in basketball as low post. Going to Texas Tech and earning a law degree are Ronnie's future plans. Ronnie says this about the team, "This has been a very good year for both football and basketball. Coach Cleveland has done a good job this season and I wish the end of the season wasn't so near."

SHIRLEY IS the daughter of Mrs. Florene Leinen. She was born Nov. 29, 1949 in the City of Dimmitt.

She has been on the varsity for two years playing the position of guard.

After graduation Shirley plans to go to Texas Tech and major in either elementary education or fashion designing.

"I like basketball and will really miss it, but most of all I am going to miss the girls, coach, and all the great times," replied Shirley when asked her opinion of the team.

Senior Girl of Week: Chris James

Hello, Chief? This is Agent 86 reporting. I followed the girl for a few days to find out about her. She's not a KAOS agent. Chief, she's a senior in Dimmitt High School. Her name is Donna Chris James, and her parents are Mr. and Mrs. C. H. James. She was born in Dimmitt on Aug. 25, 1949.

I ALSO GOT the confidential info on her. Her favorite pastime is doing as little as possible, which is typical. She spends much of her time listening to country and western music, which is her favorite.

Chris isn't particular about cars — any old Pontiac or Oldsmobile (late model, of course) will do. As far as movies are concerned, she would rather watch Paul Newman playing in "Hombre" than anything else.

Since she has to go to school, she thinks Mrs. Hottel is a great teacher and Homemaker IV is her chosen class. And Chief,

Student's Plight

By BETSY SIMPSON
Thirteen pages, six long hours, and one lost temper later a student wearily "hits the sack."

English themes, algebra problems, geometry theorems, and homemaking budgets make for much of the time spent in study. This is entirely too much for some people.

SOMETIMES students don't think teachers realize how many extra-curricular activities they really have. They heap lesson

upon lesson on students and expect the best results the next morning. It seems to students, also at time that teachers can't understand the amount of time they have to study for their class.

Students do have other lessons to work on, yet when teachers assign 500 word themes, they seem to forget they have other classes besides their own.

Although some teachers are not to blame, these are the ones most often found to provide study halls in order for the students to stay caught up on their work. It would therefore be the students fault if he did not discipline himself enough to diligently work on his assigned lesson.

WE AS STUDENTS have many extra-curricular activities such as: band, basketball or sports, play rehearsals, church, clubs, and various other pastimes. To be a well-rounded person, one does not really help himself if he does not get out and around.

Part of our education is making friends and getting along with others and five minutes between classes is hardly time enough to begin this task.

AND THE homework we have had in health we learn that we have to have at least eight hours of sleep yet after all our activities and homework little time is actually left for sleep.

Student Teachers Assigned to DHS

Just recently our school received two new arrivals, our student teachers. They are both seniors at Tech and are majoring in Home Economics education.

Maryette Nichols of Centerville is teaching under Mrs. Hottel, and Terry McGovern of Houston is with Mrs. Snider. They are both living with Mrs. Cauldwell while they are here.

Miss Nichols says that she finds Dimmitt "a very friendly town."

Miss McGovern agrees although she has never been in a town so small. She was rather shocked on her first day because her graduating class in high school was as large as our entire student body.

WHEN THEY leave here to teach in the big world outside Dimmitt, both would rather live in a larger city. It has something to do with "being young" and "looking for excitement." I think they said. The most important thing that can be said about either one is the fact that they miss their boyfriends!

Time to Consider A Job for Summer

A summer job is necessary for some, a desire for others, but it is something that can prove to be of great value. There are many available jobs for summer work in and around Dimmitt, but the important thing to remember is to apply early, perhaps as early as March for some jobs.

FOR BOYS, most of the jobs they will have will be manual labor. There are vegetable and fruit packaging houses which hire a great number of high school boys in the summer. For those who are mechanically inclined, there are sometimes jobs open at filling stations, or auto repair shops.

Then, of course, there will always be farming jobs opened by various people through the county. Those boys who prefer indoor work may be able to find employment at clothing or grocery stores. Many of the jobs that can be looked into require little or no experience at all, and the pay is actually very good.

GIRLS ARE also seeking employment during the summer. If a girl has had business experience in high school, such as typing or shorthand, she may apply for various secretarial jobs in Dimmitt business firms. Most of these jobs have very good hours and pay. They may also find a job in a clothing or department store or work as a clerk. Although these jobs are numerous, investigation and application must be made early to insure the best employment.

rates as the grooviest teacher. WHILE IN DHS, Sammy was in the Industrial Arts Club and the Drama Club. He really spiced up the all-school play, "Dark of the Moon," and earned a part in the one-act contest play.

He dislikes people who hang up on him when he is talking to them on the phone.

As soon as Sammy returns from his little trip, he will, of course, be given a ticker-tape parade through New York and receive the Congressional Medal of Honor. Then he will settle down to college and maybe the Army. But no matter how one looks at it, Sammy was a great credit to the senior class of 1968.

Senior Boy of Week: Sammy King

The world is still in a state of great excitement, for you see, today the first man in history explored the surface of the moon with only his sand pail and scoop and his sidewalk surfboard!

THIS BRAVE and daring young man is Samuel Vernon King, son of Mr. and Mrs. W. F. King. He was born Sept. 17, 1948.

Since Sammy's favorite pastime is "gettin' a few," he decided to try the moon for a while. He took several things with him besides his junior explorer kit, however. He took his transistor radio so he could listen to "Skip a Rope." Sammy also enjoys listening to Dean Martin croon through a few songs. He carried along his portable movie theater and the film "A Fistful of Dollars" in case he ran out of something to do, but he still thinks James Coburn is a neat actor.

The old drawing pad went along too, in case Sammy felt like drawing a few pictures, and his provisions were entirely Mexican food. The only thing that there wasn't room for was his beautiful Road Runner, which is a psychodelic blue. Sammy will also miss his favorite class while he is on the moon, which is wood-working, although Mr. Farrer

There's Talent Aplenty in DHS

Among all of the wonderful talent in Dimmitt High School today, there are two groups that excel in musical ability and showmanship.

THESE TWO groups are the Minor Details and the Paper Dolls. Both of these groups of people have a great deal of talent. But their style differs in some ways.

The Minor Details, consisting of Anthony Stanford, Gail Crum, Jerry Frazier, Steve Buckley and Gary Fenimore, started working together at the first of last summer. Ever since about a month after that, the "Pit" has been their home — their place of practice, leisure, and fellowship.

The boys are really proud of this place because of the tremendous amount of work put in it — mostly interior decorating. Due to the diligent practicing at the "Pit," they have become choice enough to play at many engagements around the countryside. DHS is truly fortunate to have a group of young men so talented and versatile.

THE PAPER DOLLS, differing from the Minor Detail's "pop" style, sing in a more conservative style. They entertain for various school functions, civic organizations, and churches. In their field they are one of the best. They have been singing together for about two years. But, unfortunately, after the school year is over, we'll not be hearing the Paper Dolls again for they are leaving to separate colleges.

Good luck to both of these great talents of DHS. To those talents who are coming up in DHS, may you follow the example of these two great groups' ambition. Quote Jerry Frazier of the Minor Details: "The taste of success is sweet!"

SPEARED AWAY — Lorenzo's Johnny Watson dealt Dimmitt's Bobcats all kinds of misery in their practice game last Thursday night as he anticipated the Bobcats' shots and speared them away before they got to the basket. Here, he intercepts a shot by Dimmitt's Jerry Brady in the first quarter.

AND AGAIN — Lorenzo's Johnny Watson ricochets another potential basket away from the Bobcats Thursday night as he blocks Bobby Baker's shot under the rim. The powerful Lorenzo team downed the Bobcats 76-63. In an earlier bout, Dimmitt's Bobbies defeated Bula by a 74-36 score.

Cowboys Take 4-B Cage Crown

By JIM REED

In the District 4-B tournament held at Hart Tuesday and Thursday nights last week, Happy defeated Nazareth in the finals to take both district basketball crowns.

In the first round of play, Happy girls defeated Lazbuddie 5-4 and Nazareth stopped Hart 5-48 in overtime. Linda Mayes hit for 29 points for Happy in its win while Claire Robinson had 18 for the losers.

In the Nazareth-Hart game, Sandy Gerber paced the scoring with 34 points while teammate Cince Hoelting hit for 12. Linda Popejoy paced the Longhorns with 18, followed by Rebecca Futrell with 17, Margaret Swindle with 7 and Debbie Newson had 6.

The Longhorn chances for victory dimmed as two of Hart's star players, Linda Popejoy and Allen Van Vliet, left the game just before the end of regulation play because of fouls. The score was tied 48-48 at the end of regular play and Nazareth outscored Hart 3-0 during the overtime to take the win.

In the Boys' division, neither game was much of a contest as Happy stomped Lazbuddie, 69-32 and Nazareth rolled over Hart 55-38. Mark Moudy tossed in 13 to pace the Happy Cowboys while Steve Foster hit 11 for the losers in that game. Mark Gerber paced the Swifts by hitting 12, while teammate J. C. Pohlmeier had 11. Mark Porter sank 10 and Harold Bob Bennett had 8 in Hart's losing effort.

In the finals Thursday night, the Happy girls slipped past Nazareth

43-42 in a very hard-fought thriller. Peggy Bates paced the scoring with 21 points for the winners, only to take second place to Nazareth's Sandy Gerber, who sank 22.

The boys' game of the finals quickly became a rout as Happy scored at will, turned the second team loose and still took a 74-44 victory from the Swifts. Mark Moudy hit for 29 points to lead Happy's scoring and Wicky Culp tossed in 16 to take second place honors for the Cowboys. Jim Schruicker had 15 for Nazareth while J. C. Pohlmeier sank 11.

Easter Appeal Starts March 1

The 1968 Easter Seal Appeal will begin March 1 and continue until April 14, Easter Sunday, it was announced by Mrs. Walter Maynard, Easter Seal Representative for Castro County.

During those weeks a statewide appeal for funds will be made by the Easter Seal Society for Crippled Children and Adults to finance treatment and rehabilitation for crippled children and adults in Texas.

Last year, 17,622 handicapped persons received help from the Texas Easter Seal Society explained Mrs. Maynard.

The Easter Seal Appeal mail will be delivered in Castro County about March 1, Mrs. Maynard said.

Funds raised in the appeal help support 21 Easter Seal centers in Texas where crippled children and adults are provided services regardless of ability to pay.

Bible Thoughts

SIN

By Ronnie Parker

Sin originated in the garden of Eden. The story of the first sin is familiar to all and is recorded in Genesis 3. In Romans 5:12 Paul says, "Through one man sin entered into the world." But when does sin enter into me? This question is answered for us in Romans 6:16. "Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness." Sin enters when we yield ourselves to sin and begin to obey Satan rather than God. Sin makes us cowards. The wise Solomon said, "The wicked flee when no man pursueth; but the righteous a bold as a lion!" (Prov. 28:1). It was sin that caused Adam and Eve to try to hide from God. Then too, sin takes peace from the soul. Men might think that they have found peace even while they are in sin, but God says that peace is not the case. "There is no peace, saith Jehovah, to the wicked" (Isa. 48:22). Sin separates us from God. The Israelites of old wondered why God had forsaken them. The answer came back, "But your iniquities have separated between you and your God, and your sins have hid his face from you, so that he will not hear" (Isa. 59:2).

The panacea for sin is found in Christ and the Gospel reveals this great truth to us. In the words of the old song:

What can wash away my sin?
Nothing but the blood of Jesus."

Christ let it be known that his blood was "Shed for many for the remission of sins." (Matt. 26:28). But the believer must obey from the heart that form of doctrine (Rom. 6:17-18), to reach that blood. Paul teaches, "all we who were baptized into Christ Jesus were baptized into his death. We were buried therefore with him through baptism into death; that like as Christ was raised from the dead through the glory of the Father, so we also might walk in newness of life." (Rom. 6:3-4).

HART NEWS

Work Underway On Farm Road

By MYRT LOMAN
Work is underway on Farm Road 928, extending from Farm Road 168, five miles north of Hart, to the Swisher County line.

BOB REED of Hart and Bob Hickman of Tulia, employees of the Harris Lumber Co., spent a part of last week in Wichita, Kan., attending a school of Couplar Steel Buildings.

The Alpha Chi chapter of Beta Sigma Phi will sponsor a Bridge and 42 Tournament Friday and Saturday at 7:30 p.m. in the Hart School Cafeteria.

Admission of \$2 per person or \$4 per couple will be charged, with proceeds to be placed in the sorority's general fund. The sorority helps support Girlstown, assists in school programs, and mails boxes to our servicemen in Vietnam.

Bring your partner, please.

LYNDA SHIVE of Hart was among the nine "Good Citizens" from the Plainview area who were honored Wednesday by the Daughters of the American Revolution at a tea in the Woman's Clubhouse in Plainview.

"Good Citizens" were awarded a DAR Good Citizen Pin. The girls were selected for this honor by faculty members of their

respective schools on the basis of citizenship, scholarship and leadership abilities. Mizz Shive has maintained a 92 average throughout high school.

She also has served as Pep Squad vice-president, senior class secretary, FHA treasurer and FTA secretary. She is a member of the First Baptist Church of Hart, and plans to attend West Texas State University after completing college, she hopes to teach handicapped or underprivileged children.

Mrs. Eldon Shive, her mother, was a special guest at the tea.

The Maroon and White chapter of the FTA met Monday night in the Hart High School.

Ben Gramling, Dimmitt High School counselor, spoke on the availability of scholarships and the financial aspects of college life.

Hostesses were Thelma Martin, Frances Cunningham and Joan Dredt, who served Valentine treats of hot red punch and cake covered with white frosting and red hearts.

The table was covered with a white cloth overlaid with red nylon net, with decorations of two white candles and centerpiece a flower arrangement.

There were 41 members present, plus the sponsor, Mrs. Andy Gardenhire, and guest, Mr. Gramling.

HART GIRL Scouts will be selling cookies Feb. 29 through March 14. The Girl Scouts goal is to sell 100,000 boxes in the Caprock Girl Scout Council.

The 56th birthday of Girl Scouting will be observed by the Caprock Council with a Girl Scout Fair March 23 at the Fair Park Coliseum in Lubbock.

A Cadette trip to Austin is planned for March 1-3 for Scouts in the seventh through ninth grades.

TRUSTEE election of the Hart Independent School District was called for April 6 by the board in a called meeting. Deadline for candidates to file with the school business office, or with Mrs. Laurence McLain, secretary of the board, is 4 p.m. Wednesday, March 6.

The terms of Bob Bennett and J. M. Kendrick are expiring. The presiding judge will be DeWayne Brown and alternate judge, Wister Clevenger. Voting place is the city hall.

BOYS OF the local fire department were called last Wednesday to the Bill Hill home north of Hart to extinguish a fire started in the kitchen from an overheated pan of grease. Mrs. Hill was heating the grease to French-fry

potatoes when the telephone rang, and when she looked back the pan was ablaze. The vent over the stove sucked the flame into the attic, where considerable damage was done to insulation and rafters.

ERNEST RUBALCABA was admitted to Plainview Hospital and Foundation last week, after having a heart attack.

Mr. and Mrs. Cecil Seaney moved last week into the former home of Mr. and Mrs. Lloyd Davis on Third and Ave. E. Seaney is co-manager of Big N Fertilizer, Inc.

THE YOUNG people of the Spanish Mission were honored Saturday night with a Valentine party in the community room of the bank with 20 members present. Sponsors, Beth and Libby Lawson had charge of the games and refreshments.

The crowning of the Sweetheart King and Queen were the highlights of the party. King is Salomon Garcia and the queen is Eva Gonzales.

J. W. WELTY had major surgery last Thursday in the Plainview Hospital and Foundation and reported to be doing as well as could be expected. Mrs. Zella Height of Waxahachie arrived in Hart Saturday afternoon to visit with friends and tend to business. Mrs. Height is a former Hart resident.

Mr. and Mrs. Willis Hawkins Sr. arrived home Saturday after spending some time on the lower Gulf Coast, repairing their cabin that was damaged by Hurricane Beulah.

C. O. Burt remains ill in Plains Memorial Hospital in Dimmitt, suffering from a heart condition.

KENT BIRDWELL, Castro County tax assessor and collector has announced that a temporary

Bethel to Hold Community Party

Bethel residents will hold a community party Saturday night in the community building.

THE PARTY will start at 7:30 p.m. Bill Waldrop of Easter will show the Easter Lions Club's movie on the desirability of attracting purple martins to the area to reduce the mosquito problem.

Invitations are being sent out, notifying families what to bring to the party.

office will be set up in the Farmers State Bank at Hart on Feb. 27, 28 and 29 for the purpose of selling vehicle license plates.

TROOP 246 Boy Scouts of Hart spent last weekend camping in Haynes Boy Scout Camp, with temperature near and below freezing and with snow, sleet and fog, which proved to be a test of stamina and endurance.

The boys camped in patrols and also did their cooking, hiking, etc. using the patrol system.

Those attending the Woodpecker Patrol were Duane Clevenger, the Patrol Leader and Cecil Jackson, Danny George, David Armstrong, Bill Bates, Sonny Mancini, Roy Gonzales, Pete Niabes, Teddy Gutierrez, Theron Hawkins and James Warren.

The Wolf Patrol included Dirk Rambo the Leader and David Hawkins, David Warren, Kim and Stan Dyer, Kim McGill, James McLain, Ike Graves, Ricky Black and Jerry Swindle.

The senior patrol leader was Vic Nelson.

Adult leaders were Scoutmaster Deryl Clevenger and assistants, Jack Dyer, Cleve McLain, Paul Armstrong, G. C. Graves and Robert Hawkins.

The group left on Friday after school, returning Sunday evening.

VICKI VAUGHAN, sophomore, playing her first varsity game, gets a shot away for the Bobbies in the waning minutes of last Thursday night's Dimmitt-Bula practice bout here. In background is Dimmitt's Ruth Dyer. The Bobbies had easy pickings against the Bula girls, scoring a 74-36 victory.

Nazareth PTA Plans Carnival

The Nazareth PTA will hold its annual School Carnival Sunday, starting with a ham dinner from 11:30 to 1:30.

PRICES of the dinner are \$1.25 for adults, 75 cents for children under 12, and 25 cents for preschoolers.

During the afternoon, PTA members will conduct game and concession booths in the cafeteria.

The carnival is open to the public.

Spencer Enters Dallas Hospital

By TEENY BOWDEN
Mr. and Mrs. Noah Spencer and Harold left for Dallas early Tuesday morning. Mr. Spencer was admitted to Parkland Hospital instead of Baylor as mentioned last week. He will undergo tests for about two weeks. He is in room 624. Harold left for Fort Rucker, Alabama Friday morning. Mrs. Spencer came home Friday night.

Mrs. J. C. Holbrooks was admitted to Plains Memorial Hospital in Dimmitt Monday morning with a severe headache. She was dismissed Wednesday.

Mrs. Hershel Wilson underwent major surgery in the University Hospital in Lubbock Tuesday. Mrs. Weldon Bradley was admitted to the Dimmitt hospital Wednesday night after a fall on her way home from church. No bones were broken, and she was dismissed Thursday night.

Mr. and Mrs. Alton Louder visited Wednesday afternoon in Littlefield with Mr. and Mrs. Lowell Westmoreland and children. They also spent the night with them and the children, Lori, Gena, and Zane came home with them for the rest of the week while their parents are out of town.

MR. AND MRS. Larry Sadler entertained in their home Wednesday night with an enchilada supper. Those present were the Sadlers, Carrie and Stacy, Mr. and Mrs. Doug Louder, Lyle and Dara, Mr. and Mrs. Carl Bradley, Kent and Kelby and Mr. and Mrs. Jerry Cox of Dimmitt.

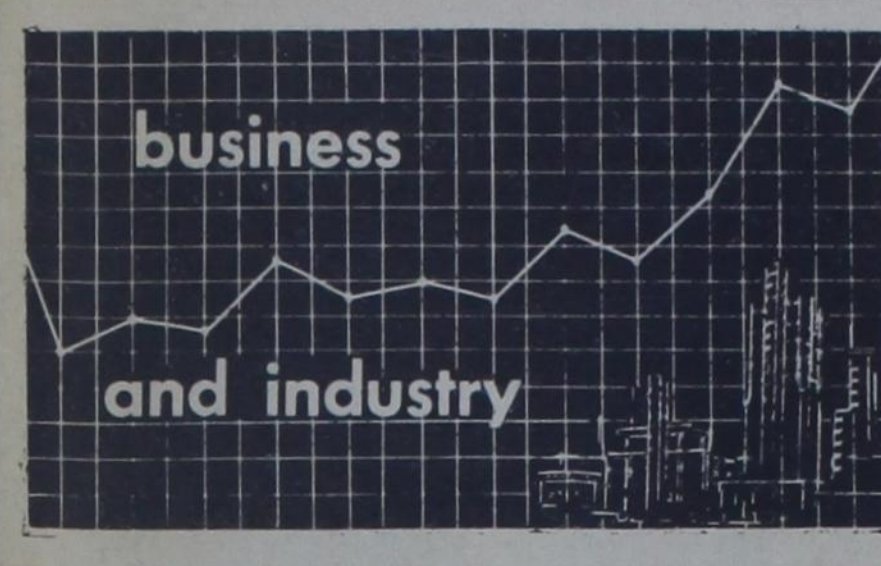

THE ANNUAL Valentine Banquet for the youth of the church was postponed from Monday night to Thursday night because of the snow. About 40 attended.

TIMOTHY EPPERSON, infant son of Mr. and Mrs. Johnny Epperson was admitted to Plains Memorial hospital Thursday with pneumonia.

MR. AND MRS. E. R. Sadler entertained in her home Thursday morning with a jewelry party.

Several from the community attended the basketball games in Dimmitt Thursday night.

A farewell party honoring Bob and Jean Little and family of B&J Food will be held at the community building Friday at 7 p.m. Everyone come and bring your favorite game. Call Irene Bradley for details.

US Need Not Be Crowded in 2000

With sound comprehensive planning, American communities could be less congested, be free from smog and pollution, and have better distribution of prosperity by the year 2000, says Reagan Brown, Extension sociologist at Texas A&M University.

Brown said that space-starved cities and job-starved rural areas are not two isolated phenomena. They are twins. He said urban-rural America is out of balance. Roughly seven out of every 10 persons now live on one percent of the land. The result is widespread urban overcrowding.

He pointed out that while other three out of 10 persons living on 99 percent of the land have plenty of space, they have relatively little economic, social and cultural opportunity. "If present trends continue in the next 25 years, 100 million additional American will be piled up on top of the 140 million already in our cities and suburbs," he declared.

Brown said creating a more reasonable and responsible distribution of American business, industry and manpower can be done only by intelligent imaginative and painstaking rural planning at the local, regional and state level. Assistance as needed from the federal level is important.

DESPITE all that is wrong with the countryside, there is much that is right in rural America, he said. It has tremendous advantages—fresh air, clean water, space, peace and beauty in abundance—things the people of America yearn for. The Texas Community Improvement Program has proven in hundreds of Texas communities that people can find opportunity and happiness in the rural area.

Rural America has much to offer business and industry—electric power, excellent communications, splendid highways for transport.

Tulia Savings-Loan Association Reports 16 Percent Hike in Loans

The annual stockholders' meeting of the Tulia Savings and Loan Association was held in its office Wednesday of last week.

A REPORT ON 1967 by Olan Alexander, vice president and managing officer, showed total assets of the association as of Dec. 31, 1967, of \$6,050,815.56, up more than 16 percent from a year ago. Savings totaled \$5,626,013.42, compared with \$4,837,884.69 a year ago.

Alexander noted that compared with the 1966 gain in savings, 1967 had been an excellent saving year for the association.

Record dividends totaling \$259,283.60 were paid during 1967, Alexander reported. Mortgage loans put on the books during the year amounted to \$734,658, to bring the total loans to \$5,065,185.

In looking ahead to 1968, the annual report indicated that there was a possibility that 1968 might see another round of tight money; however, during the tight money year of 1966, Tulia Savings and Loan Association had an adequate supply of funds to meet the housing needs of the area.

"All in all, I am confident 1968 will be another year of progress and development for the association," President R. T. O'Daniel said.

The following directors were re-elected: Ray Bivens, L. F. Campbell, R. B. Dawson, Jr., Al-

Cottonseed Flour Process Devised
U.S. Department of Agriculture scientists have developed a process of making high-protein edible cottonseed flour.

Experimental trials indicate that 100 tons of cottonseed should yield about 36,000 pounds of high-quality edible flour containing 65 percent protein. The US could produce about two million tons of the flour and the rest of the world about six million tons. The product could make a major contribution toward easing the protein malnutrition in much of the world.

AWARDS offered to Future Farmers of America members encourage them to work harder in their study of vocational agriculture.

MORE THAN 60,000 members each year get leadership experience by serving as officers of local FFA chapters.

SWPS Nominated For Edison Award

The Southwestern Public Service Company is one of five of the nation's investor-owned electric companies to be nominated for the 1967 presentation of the Edison Award, the industry's highest honor, it has been announced by Charles Avila, president of the Edison Electric Institute.

The review committee for the Edison Award selected Southwestern for "implementing a program to help solve the electric utility industry's critical professional manpower shortage by developing a seminar program with New Mexico State University to improve the image of power system engineering and thereby encourage outstanding students to seek careers in the investor-owned electric utility industry."

The Edison Award consists of a gold medal, a certificate of presentation, and a check for \$1,000 for the employees' benefit fund of the winning company. The winner will be announced at the annual meeting of the Edison Electric Institute in June.

The other nominees in addition to Southwestern Public Service Company are West Penn Power Company, Philadelphia Electric Company, Public Service Company of Colorado and the Central Hudson Gas and Electric Corporation.

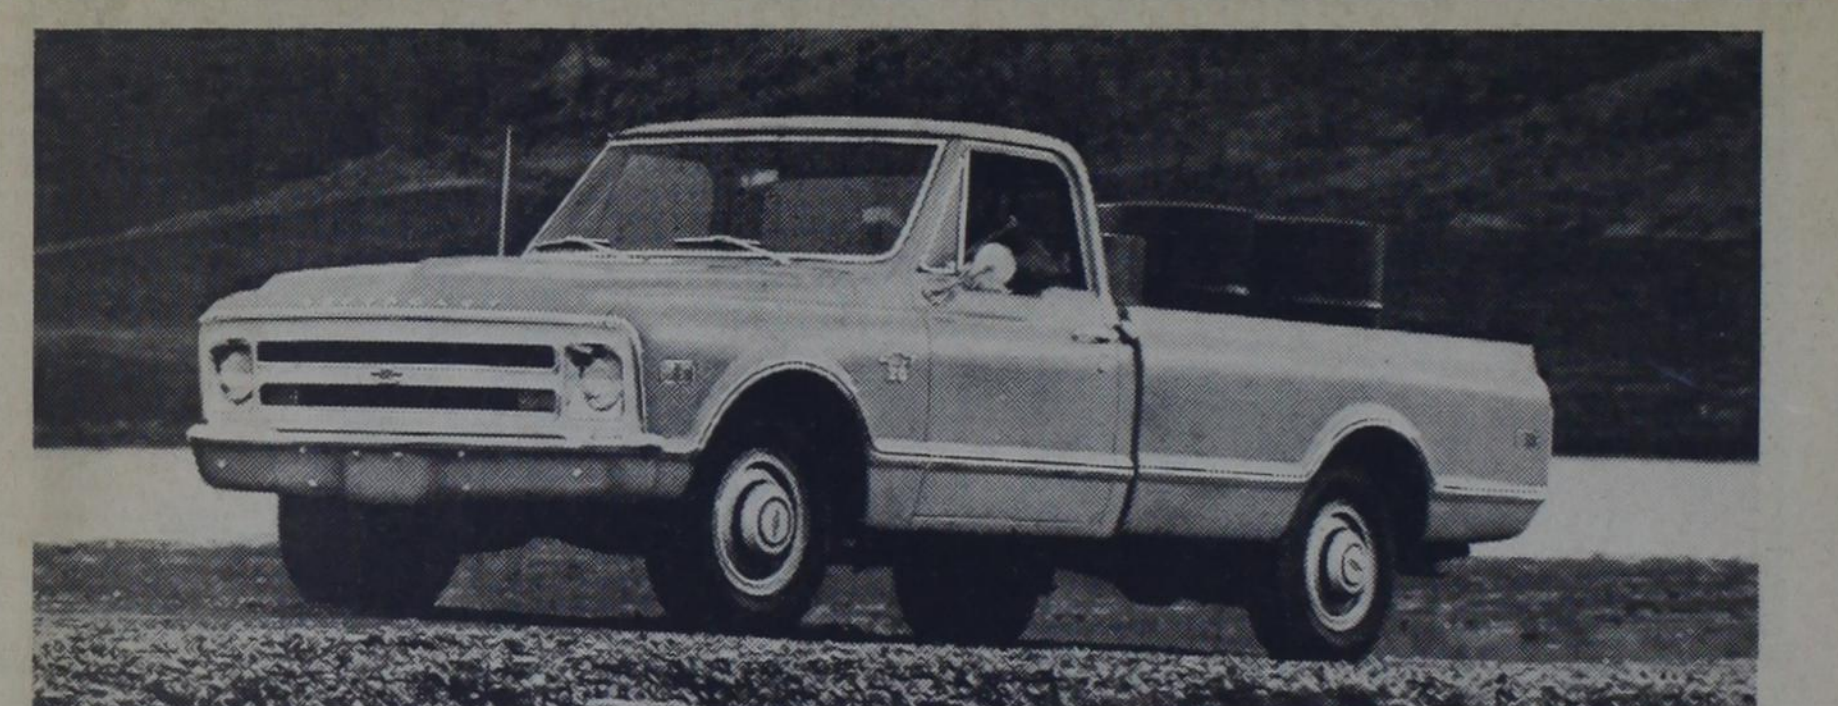

EACH October, about 10,000 persons attend the National FFA Convention in Kansas City, Mo.

DEBBIE DAVIS WITH GRAND CHAMPION BARROW . . . Meanwhile, she was winning at El Paso, too

JIM TUCKER WITH CHAMPION DUROC BARROW . . . He also won the showmanship trophy

4-H'ers Win At Hereford Show

Castro County 4-H'ers showed three champion, including the grand champion barrow, in the Hereford Junior Livestock Show Friday and Saturday. **MOREOVER**, all three champion animals were raised by Hart 4-H Club members. Debbie Davis of Hart scored highest of the county's youthful stock breeders when her Hampshire barrow won the grand championship in the Swine show. It brought \$1.50 per pound from Hart's Sun Vue Fertilizer Co. and

the Hart Buyers Club. While her Hampshire was winning the grand trophy at Hereford, a Duroc she had raised was placing first in its class and two of her Hereford calves were placing 10th and 20th at the Southwestern International Livestock Show in El Paso. **COMPETING** with Miss Davis' Hampshire barrow for the grand championship at Hereford was a Duroc shown by her fellow club member, Jim Tucker. His pig was named champion barrow of the

Duroc breed, and Tucker walked off with the showmanship trophy in the swine show. The third championship went to Dennis Hill, who showed the best lightweight Angus calf in the show. A Castro County 4-H judging team placed second in the Hereford judging event. Team members were Marvin Smith, Danny Trotter and Brent Sanders. Marlan and Gary Hart of Hart placed the second and third place Southdown lambs in the show.

OTHER county 4-H members who placed with their animals at Hereford were Dean and Terry Hill of Hart, Cindy Hill of Hart, Brent Sanders of Jumbo, Curtis and Sue Smith of Frio, Raymond and Eugene Warrick of Frio, Danny Trotter of Jumbo, and Darrell Walker of Jumbo. **NATIONAL FFA Week** is scheduled in February to honor George Washington, who was an outstanding farmer as well as a great leader.

On the Go
Recent visitors in the J. C. Gardner home were his uncle and aunt, the E. G. Hemphills and Evelyn of Pampa, Mrs. Ruth McGahey of Wildorado and Mr. and Mrs. Raymond Lee Smith and children of Edmonson. **IT TAKES** about 70,000 blue corduroy jackets each year to satisfy the demands of FFA members throughout the nation.

Bi-District Tilt On Tap Tuesday

The new coliseum at South Plains Junior College in Levelland will be the site Tuesday night for the bi-district showdown between the Dimmitt Bobcats and the Midland Carver Hornets. **TIP-OFF** time will be 7 p.m. The evening will feature a double-header, with the Class A bi-district clash between Lorenzo

and Sudan to follow the Dimmitt-Midland game at 8:30. Admission will be \$1.25 for adults and 50 cents for students. **THE COLISEUM** will be divided into four separate seating sections for fans from Dimmitt, Midland, Lorenzo and Sudan. Dimmitt fans will sit in Sections J, K, L, M and N.

Nazareth FFA Boy Exhibits Reserve Pig

Bobby Schulte, Nazareth FFA member, showed the reserve champion barrow in the Hereford Junior Fat Stock Show Friday and Saturday and helped three teammates win second place in livestock judging.

The Bobcats will be playing on a new gym floor that's the only one of its type in this part of the country. It's a poured "Tartan" plastic floor developed by Minnesota Mining & Manufacturing Co., maker of Scotch Tape. The plastic floor is reputed to have greater resiliency and easier maintenance than standard hardwood floors. **MIDLAND Carver** will be a formidable opponent for the Bobcats. To win their 4-AA district crown, the Midland lads swept past Stanton, champion of the Caprock Tournament. Carver has used its run-and-shoot style to rack up a 24-3 season record. Those three losses were all to Lubbock Dunbar, Class AAA powerhouse.

Church Observes Eighth Birthday

A record attendance is expected at First Christian Church Sunday when the church celebrates its eighth anniversary.

THE CHURCH began in the present building on the last Sunday in February 1960, although trustees, a chairman and secretary-treasurer had been chosen before that date. Decision also had been made by then to purchase the two-acre site on which the church and parsonage now stand on Western Circle and Grant.

Bedford W. Smith was the minister when the church was organized. He closed his ministry three years later when the property was formally dedicated free of all indebtedness. By the end of the second year the church, which had had support from the West Texas-New Mexico Evangelistic Association to aid with the minister's salary, became self-supporting entirely.

MINISTER Loren Dickey, no itinerant and instructor at Ozark Bible College in Joplin, Mo., served the church for two years before Minister Smith returned in January 1966 to begin his second ministry here.

Minister Smith will preach the two special sermons at the regular worship hours Sunday. There will also be special music at both the 10:50 a.m. service and the regular 6:00 p.m. service. The Woman's Council will prepare a birthday cake for a social gathering after the evening service. Former members living away are scheduled to be present at one or both services.

Arrangements for this spring revival with Dalton Carr, former missionary to American Indians in two states, have been completed with the date set for March 10-15.

THE AMERICAN Farmer Degree is awarded to about 450 outstanding FFA members each year. Only one member in a thousand may receive it.

Howell Chosen Class Favorite

John Howell of Dimmitt and Adele Barnhill of Clarendon have been elected the Freshman Class Favorites at Clarendon College.

THEY, along with other campus and class favorites, will be featured in this year's college yearbook. They were presented in a special assembly last week in the college auditorium.

Howell, a 1967 graduate of Dimmitt High School, is a member of the Clarendon College basketball team. He is the son of Mr. and Mrs. Moss Howell of Belhel.

FUTURE FARMERS of AMERICA WEEK

FEB. 17th-24th

Learning to Do... Doing to Learn... Earning to Live... Living to Serve...

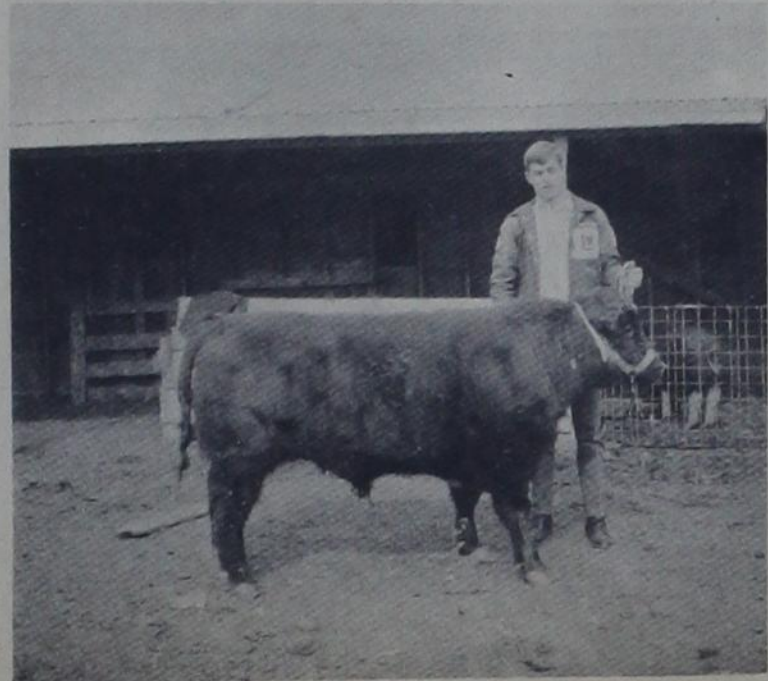

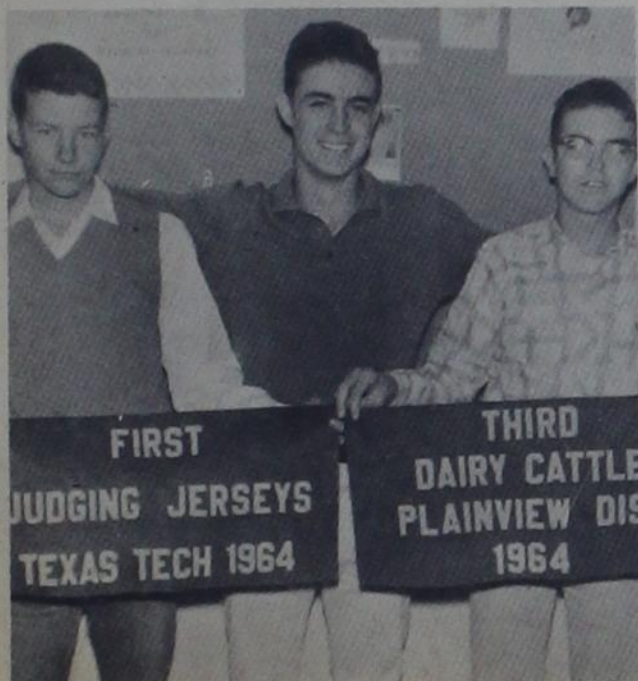

With this motto, Future Farmers of America prepare for careers of leadership and accomplishment in agriculture. During Future Farmers of America Week, February 17th to 24th, we especially salute our local FFA members for their many contributions to the good and growth of our community. Their dedicated efforts and achievements are truly outstanding.

FFA Provides Challenge To Youth in Agriculture

Today the business of agriculture is one of vast complexity and many hardships. There are great problems and decisions facing the agriculturist of today. Because of these many awesome facets of the agricultural scene, there are great challenges to be met.

THESE challenges must be put before the new generation of agriculturists, for these are the men that must meet this challenge. They must be stimulated by this great need and take steps to solve their problems.

The challenges facing the agricultural youth of tomorrow are staggering. It will take a vast amount of training to meet these challenges. The road to success will be long and blocked with obstacles. The Future Farmers of America, the youth in agriculture and the leaders of tomorrow, have accepted the challenge.

It will take a certain type of

man to lead American agriculture. It will take a man with the determination and stamina of a hickory switch. He must be able to make the right decisions at the proper time. He must be a leader, but he must also be able to accept suggestions and listen to reason. He must be a universal genius, for he must know the skills of the scientist, inventor, technician, and business manager or his operation cannot survive.

ALONG with the manager, there must be an efficient operation. A good manager with a poor operation has the same effect as no manager at all. The operation must utilize all labor and capital to the greatest and most efficient extent possible, for in the future it will be the efficient operation that survives.

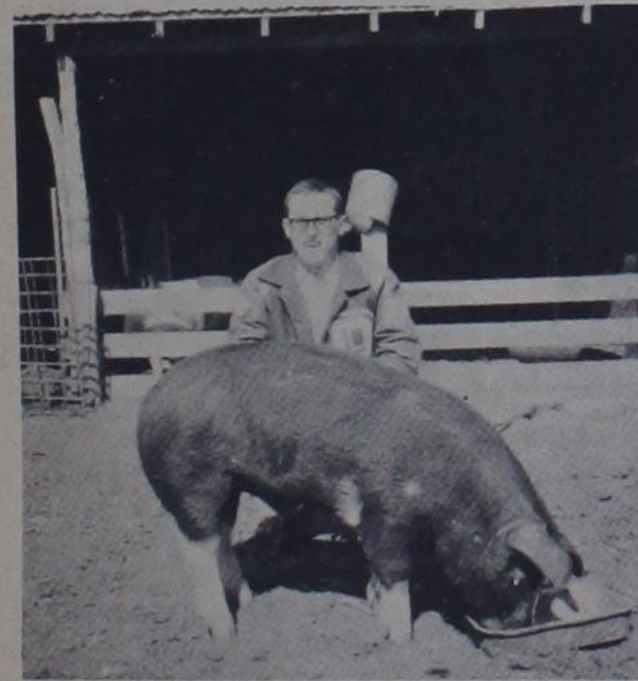

In tomorrow's world of agriculture, there will be many vast and nearly unbelievable changes. In

general, the agriculture of tomorrow will involve a complex array of machinery and computers.

PERHAPS the biggest challenge facing the Future Farmers is that of feeding the ever-increasing population. Meeting this challenge will require all of the skill, brainpower, and desire they can muster.

Future Farmers of America are celebrating FFA Week, February 17-24. Their theme — "Challenging Youth In Agriculture."

Training agriculturists is the business of vocational agriculture classes in high schools throughout the state and nation. The FFA program, a part of vo-ag education, gives Future Farmers an opportunity to acquire agricultural abilities, develop skills of leadership and appropriate attitudes of citizenship and cooperation.

Past Winners

By JOE LIVELY
The Dimmitt FFA has done a commendable job in the past years. It would take the Castro County News nearly two months to be able to list all the past winners.

WE WOULD like to recognize a few of the outstanding winners. In 1964, three boys made up the dairy cattle judging team which placed third in the Plainview District and took first place in the Texas Tech Judging Contest. Those boys were David Lively, Johnny Adams and Terry Hill.

The same year, John Howell, Charles Kuntz and M. C. McClenny placed fifth in poultry judging. Mike Bruegel, Charles Summers and Ray Thommarson made up the Dairy Products Team that placed fourth in the Plainview District.

SOME OF the winners in livestock showings (placing first or better) were Jim Aldridge, David Lively, Gene Carson, Kerry Struve, Dana Wall, Joey Hammonds, Darrell Pope, Keith Gross, Tommy Martin, Donny Johnson, Gall Crum, Rick Noble, Jackie Maltews, Jimmy Coleman, Richard Seale, Ronald Johnson, Richard Connell and Teddy Smithson. A few of the past FFA boys who received the State Farmer Degree have been Richard Connell, Tommy Gross, Kerry Struve, Tommy Martin, Darrell Pope, Keith Gross and Gene Carson.

Past History

By MIKE HUTTON and JOE LIVELY
On Oct. 17, 1936, the Dimmitt Chapter of Future Farmers started in Dimmitt. The first advisor was Mr. South.

SIX years later, Mr. J. O. Seale became the vocational agriculture teacher and FFA advisor.

In 1942-43 the officers of the Dimmitt FFA were: Gene Watson, president; G. D. Carson, vice-president; Bill Simpson, treasurer; Jim Dyer, secretary; Joe Wagley, reporter; and Bill Gram Jr., sentinel.

Johneen Bice was the Dimmitt FFA Sweetheart that year.

WILBUR DIXON was the first Dimmitt FFA member to receive the American Farmer Degree.

Mr. Seale taught vocational agriculture at Dimmitt for about 20 years. Mr. Jim Dowdy took over and taught for about two years over es head vocational agriculture teacher in 1966. This was the year a new vocational agriculture building was built.

In 1967 Mr. John Quinby and Mr. Marvin Cepica became the vocational agriculture teachers. Mr. Quinby teaches VA II and VA III. He also teaches Agriculture Cooperative Part-Time Training. Mr. Cepica teaches VA I and Farm Power and Machinery.

Frio

Homemakers Study 'Health Checks'

By Mrs. Owen Andrews
Frio Homemakers Club met last Tuesday in the home of Mrs. Laura Littrell for a program on "Health Checks."

pointed out the different types of health checks; what to expect and other ideas on the subject. Others attending the meeting were Mmes. Jack Baker, T. L. Sparkman Jr., Harlan Barber.

David Yandell, Jim Brooks, Eugene Baldwin, Sam Ogan, Frank Robbins, Dee Taylor, Herbert Bruns, Owen Andrews and Misses Sparkman.

Also helping with the work and visiting were two grandchildren, Shirley and James Simpson. Shirley, a student at Wayland, came with Mrs. Lindley when she stopped in Plainview to see her.

are parents of a daughter, born Tuesday, Feb. 13. She has been named Laura. The Rodriguezes live in the former home of the Glenn Andrews and he farms for Joe Andrews.

LEGAL NOTICE

THE STATE OF TEXAS
TO: The International Land Company, a corporation, and The International Land Company, a partnership; and if either said The International Land Company, a corporation or The International Land Company, a partnership be dissolved, to the last Board of Directors of The International Land Company or to the surviving partners of The International Land Company, a partnership;

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday, the 1 day of April, 1968, at or before ten o'clock A.M. before the Honorable District Court of Castro County, Texas, at the courthouse of said County in Dimmitt, Texas.

MRS. JIMMY BARBER of Hutchinson, Kan., has visited her in-laws, the Harlan Barbers here and her parents, the Howards in the Lubbock area during the past few days. Her husband Jimmy is on a tour with Grace Co. employees to San Germon, Puer Rico, where they are visiting seed fields where research and experimentation is being done. They are due to return home Feb. 15.

Take notice that a public hearing will be held at 7:00 P.M. on Monday March 4, 1968, before the Board of Adjustment, at the City Hall for hearing the petition filed before the Board of Adjustment on February 6, 1968, for the location of a junk iron yard on the land described as following to wit:

Smith Brothers Grain Company, a corporation, and Smith Brothers Grain Company, a partnership, and if either said Smith Brothers Grain Company, a corporation or Smith Brothers Grain Company, a partnership be dissolved, to the last Board of Directors of Smith Brothers Grain Company, a corporation or to the surviving partners of Smith Brothers Grain Company, a partnership;

Said Plaintiff's Petition was filed in said court on the 13 day of February A.D. 1968, in this cause numbered 3156 on the docket of said court, and styled, George B. Miller, Plaintiff, vs. The International Land Company Et Al Defendants.

Visiting the John Simpsons Friday through Monday were their daughters, Mrs. Sam Lindley of Brownwood; Mrs. Leon Roberts of Wellington; and Mrs. Roberts' daughter, Patricia Ford and baby of Dodson. The women paped living, dining and bedrooms Friday and Saturday for their parents, getting the Simpson home freshly redecorated in the past few weeks.
