

GREAT ALLIED FLEET MASSED, SAY AXIS

NEW A BOOKS TO BE ISSUED IMMEDIATELY

B. E. Garner, member of the Eastland County gasoline rationing board stated today that the work of issuing the second A book will be issued to every automobile owner.

A representative from the office of Mark McGee, district director, met with the county board recently and outlined the work to the board. It was explained that everyone will have to file an application blank. These applications may be secured at the Chamber of Commerce and at filling stations and after they have been filled out they may be left at the Chamber of Commerce or mailed to the Board at Eastland.

Garner stated that persons are not to take their applications to the board and that no persons will be allowed to appear before the board to file the application. They must be either mailed to the board or left at the Chamber of Commerce and will receive the attention of the board in the order in which they are received.

"The board has a tremendous task before it in issuing the books to the public is urged to follow instructions of the board in order to speed the work", Garner said.

The following instructions have been sent out by the Eastland County War Price and Rationing Board:

Forms will be available at service stations, chamber of commerce, and other public places to be announced later. Applicants will secure Forms R-570, complete it and SEND IT BY MAIL to War Price and Rationing Board, Eastland, Texas. The new application must be accompanied by the back cover of the old A book which the applicant has already signed.

The old tire inspection record must show at least one tire inspection.

Juneteenth Quiet At Beaumont With Much Restriction

BEAUMONT, Tex., June 19. (UP)—Two possible cases of arson had been established today as two courts of inquiry continued their investigation into racial rioting Wednesday in which one white man and one negro were killed.

Meanwhile, negroes of this Gulf ship building town contemplated a quiet observance of "Juneteenth"—Emancipation Day for Texas negroes—as authorities took extra precautions to prevent any recurrence of trouble.

All forms of celebration have been prohibited under martial law which has been in effect since Wednesday night.

Except for 1,600 State Guardsmen patrolling the city, Beaumont appeared normal.

Two courts of inquiry, directed by Lt. Col. Royal S. Phillips, continued their investigations through most of the night.

Red Cross Asks For Bingo Prizes

The American Red Cross is asking the people of Ranger to contribute small bingo prizes which will be collected and taken to Camp Bowie where they will be used in the bingo games in the camp hospitals.

The prizes may be anything that might please or amuse a soldier and need not be expensive. Each should be wrapped and those wishing to contribute to the cause may leave the packages at the Ranger Times Monday where they will be called for and delivered to the Eastland headquarters of the Red Cross.

INFORMATION ON CASUALTIES BEING SOUGHT

Mrs. Joseph M. Perkins, chairman of the Eastland County Chapter of the American Red Cross, is trying to complete a casualty list for the county, listing all casualties of World War II and she has asked that anyone knowing of casualties that have not been listed to please contact her at once so that she may secure the necessary information, or signed up copies of reports determining if there are casualties which have not been reported to the county Red Cross, the list complete to date, is published here.

Staff Sgt. Jackson, Joe, killed on motorcycle Camp Hood, Father, R. Q. Jackson, Eastland.

Sikes, Jack (Lt) killed in air crash Sept. 20, 1942. Father, R. E. Sikes, Eastland.

Arnett, Johnny, Ranger. Killed in Louisiana on maneuvers 3 weeks before National Guard mobilized.

Murphy, Raymond A. died in Tampa, Fla., hospital, Nov. 11, 1942, mother, Mrs. Alice Crabtree, Ranger; wife Mrs. Mildred Covington Murphy, Eastland.

Skiles, Leonard, (1st Lt.) missing in Philippines, wife the former Mattie Bransner, Eastland.

Anderson, James, (Ensign) missing in action Nov. 1942, father, Mr. J. T. Anderson, Cisco.

Records Wanted

Members of the American Legion Auxiliary, under the direction of a committee composed of Mrs. Howard Elwood, Con Hazard and E. C. Ward, will conduct a campaign for the collection of used phonograph records to be distributed for use by soldiers.

Anyone having records to contribute are asked to leave them at the Star Dry Goods Company or if unable to take them to headquarters, call a member of the committee.

Fathers of America in 1943 are justly proud of their sons and daughters who are working and fighting for victory, and perhaps the proudest of all are the fathers whose sons are serving beside them in the armed services. As No. 1 father for 1943, Gen. Dwight Eisenhower has a son at West Point, and Major-Gen. Doolittle looks with fatherly pride on his son, who is now in the Air Force.

MINERS STRIKE IN PROTEST TO WAGE ACTION

By Raymond Lahr
United Press Staff Correspondent
WASHINGTON, June 19. (UP)—John L. Lewis met with the United Mine Workers party committee today to decide whether another nation-wide strike—the third held in three months—will close coal mines next Monday.

WASHINGTON, June 19. (UP)—Soft coal operators and officials of the United Mine Workers scheduled a meeting at two-thirty this afternoon to discuss the War Labor Board decision denying the miners a wage increase.

Nearly 5,000 miners, protesting the War Labor Board's adverse decision on their four-months wage dispute, quit 48-hours ahead of the Sunday night truce deadline. Many others were expected to stay home today.

Almost before the ink was dry on the WLB decision, 2,150 miners in Alabama struck. The board's action was announced a few minutes before 3 p. m., yesterday and the 3 p. m. shift at five mines failed to report.

The protest strikes spread to the western Pennsylvania fields. Night shifts at Scalp Level, Pa., failed to show up and 1,600 were expected to stay away from the pit today. The entire night crew at Weirton Steel Company's big Isabella mine quit and none of the three day crews was expected to work.

Strikes in the Western Pennsylvania coal fields gathered momentum today as the miners took direct action in protest to the War Labor Board's refusal to grant their portal-to-portal pay demands.

Picking up new recruits, the walkouts embraced approximately 13,000 of the area's 125,000 miners, and more were expected to join in the strikes during the day.

Invitation Given To Attend Guard Gun Practice, Mon.

Captain Paul MacDonald of Co. B of Texas Defense Guard announced that men of Ranger have been invited to attend the guard gun practice being held each Monday night at the Armory. If ammunition cannot be secured it was stated that the guard would furnish it for visiting men.

It was stated that the guard has received a supply of haversacks cooking equipment pup tents tin hats gas masks and that bayonets have been shipped to the guard though they have not arrived.

SPAR cadets Leila Leverett, left, Eaton, Ga., and Helen Darland Los Angeles, of the U. S. Coast Guard Academy, New London Conn., get kick out of trip aboard a "jeep of the deep," 83-foot patrol boat.

T GAS RATION COUPONS TO BE VOIDED JULY 1

According to information just received from the gasoline rationing board of Eastland County all T ration coupons of the present series will become void on July 1 and holders of such coupons are warned that they will have no value after June 30.

In order to operate a commercial vehicle after June 30 owners must secure coupons of a new series which will be marked with a double T (TT) instead of the original single T.

Applications for the new coupons should be filed at once in order that the rationing coupons may be issued before the deadline of July 1. Unless the application is made in advance and the holder given time to attend to all applications some may find themselves without gasoline pending the action of the board.

State Service Officer To Be In Eastland June 23

J. P. Gray, State Service officer for the American Legion will be at the Eastland Chamber of Commerce, all day Wednesday, June 23, to assist parents and widows of American men lost in World War II in making applications for claims to which they may be entitled.

Men who have been discharged from service and are entitled to pensions are also asked to contact the service officer.

SIGNS POINT TO OFFENSIVE IN BURMA SOON

By Harrison Salisbury
United Press Staff Correspondent
LONDON, June 19. (UP)—Announcement that Britain proposes to set up a separate East Asia command and the appointment of Field Marshal Sir Archibald Wavell as viceroy of India were regarded today as the initial steps toward a major Allied offensive in Burma, possibly when the monsoon season ends, about Oct. 1.

Far-reaching plans for the Burma offensive, it was assumed, were blue-printed by President Roosevelt and Prime Minister Churchill last month in Washington during global strategy conferences in which both Wavell and Lieut. Gen. Joseph W. Stilwell, American commander in China, Burma and India, participated.

Stilwell may be entrusted with the supreme command of Allied forces in east Asia, it was speculated here, much as Gen. Dwight D. Eisenhower was made supreme commander over Allied forces in the Mediterranean theater. However, the top post might go to Generalissimo Chiang Kai-Shek with Stilwell as active commander of military operations.

Gun-Bearing Barges Join Other Units In Mediterranean Sea

TOLL OF PLANES IN AIR BATTLE IS NINETY FOUR

ADVANCED BASE, South Pacific, June 19. (UP)—An unconfirmed official report on the results of the greatest air battle ever fought over Guadalcanal said today that Americans destroyed 94 instead of 77 Japanese aircraft on Wednesday.

Seventeen airplanes were destroyed by shore flak or surface vessels—the enemy sought brought down by American fighter planes.

The latest reports boosted the score to almost 16 to 1 in favor of the Americans, who lost six planes. One pilot was rescued.

A Liberty cargo ship and a small vessel, both hit by Japanese dive bombers, can be salvaged, a spokesman said. The cargoes were not entirely lost.

American casualties were 25 killed and 29 injured and 22 missing.

Pre-war world destroyers shot down four enemy dive bombers during the battle. One 1200-ton destroyer was attacked time after time but was able to escort ships into port after repelling the attackers.

Both Lt. Gen. Henry H. Arnold and Gen. Douglas MacArthur messaged congratulations on the efficiency and courage of the American units.

Packers Shut down Until Subsidized Against Any Loss

SIoux CITY, Ia., June 19. (UP)—Slaughter of beef cattle was suspended today at four independent packing companies here.

The companies who suspended slaughter were the wholesale packing co., Smith Brothers, Packing Co., and the Raskin Packing Co.

Officials of the companies said they had been losing money for several days "because of the uncertainty about any compensation we might receive from the Federal Government through its price rail-back plan."

Two major companies in Louisville, Ky., had also closed, saying they had killed for the last time until government subsidies insure against loss.

Devastation From Dusseldorf Raids Said To Be Great

LONDON, June 19. (UP)—RAF bombardment of the great German industrial city of Dusseldorf has devastated more than 1,000 acres in the heart of the Nazi war production center and the total may be 1,500 acres, the air ministry news service said today.

The news service said that the estimate of damage to the Rhine-land city was not complete.

The RAF term "devastated" means more than 65 per cent destroyed. Dusseldorf has been hit by three great RAF night attacks.

Farmers have more to lose if we win the war and lose the peace through a runaway inflation than any other group. Invest in War Bonds instead.

Aircraft carriers, battleships, destroyers and other units among great fleet said to be gathering at Gibraltar

By United Press
Large Allied landing barges with cannon mounted on the bows were reported by Spanish dispatches to be moving into the Mediterranean theater today as Fascist Premier Benito Mussolini extended the emergency war zone to the entire Southern and Adriatic coasts of Italy.

Shortly after Axis reports of Allied concentrations in the Eastern Mediterranean were circulated, a dispatch from the Spanish frontier town of La Linea said that warships and convoys continued to stream through Gibraltar, an unspecified number of cannon-bearing landing barges were

for attack, the Turkish dispatch said.

An assault by Red Army troops that captured a new line in the Oreel sector and continued Soviet air attacks on German air dromes marked a growing scale of fighting on the Russian front.

ALGIERS (UP)—A compromise whereby Gen. Charles De Gaulle could carry out his army reforms without involving the French war effort has been arranged, it was reported today.

Missouri River Highest In 35 Years, Receding

KANSAS CITY, Mo., June 19. (UP)—The rushing Missouri River, which held tenacious for seven hours at its highest flood crest in 35 years, receded at the rate of one-tenth of a foot an hour today as weary dike walkers and sand-baggers saw their first chance for rest in nearly a week.

The big river, taking its biggest offering of water from the overflowing Kaw since 1935, crested at 27.1 feet Sunday night, and for seven hours there was no change in the roaring stream.

At 5:30 a. m. the first sign of recession was noted by Federal river observers when the flood level was recorded at 29 feet. The last time the Missouri had reached such gigantic proportions was almost 35 years ago to the day, on June 17, 1908.

Republican Flays Work of OPA

TOPEKA, Kan., June 19. (UP)—Rep. Frank Carlson, R., Kan., in a speech here last night warned of the dangers of post-war planning by citing certain administration agency activities which he termed as bordering on illegality.

The Kansas Republican, addressing the annual meeting of the Kansas State Chamber of Commerce, aimed a particularly heavy broadside at the Office of Price Administration.

"The OPA in many instances had not only violated congressional intent of law but also has violated the letter of the law which created it," Carlson said. "It is an agency operated solely on the theory of centralized control such as the socialistic form of government."

In addition, he said, the OPA "has a short-sighted policy that inflation can be retarded or prevented by fixing prices without reference to supply and demand, and ignoring entirely the production and distribution systems."

"GET THE JOB DONE" IS THEIR MOTTO

Wherever they go, these U. S. fighting men are leaving calling cards of bullets and cold steel. No complaints from them about long hours, lack of food and giving up the comforts they used to know. Their motto is "get the job done—get it done now."

What are you doing to help? Are you buying all the War Bonds you possibly can? Are you cooperating cheerfully in the rationing and conservation programs? Are you volunteering your services for civilian defense? Millions of Americans are. It's the American way—the necessary prelude to Victory—and the return of our fighting men to their homes.

BUY WAR BONDS NOW
A New ALL-GAS KITCHEN Later

Take care of your present gas appliances and make them last. Buy War Bonds and earmark them for the purchase of the finer gas appliances that will be available after the war.

Mrs. Frank Hatten, who before her marriage Wednesday, was Miss Fannie Dell Swaney.

Miss Swaney and Mr. Hatten Married Wednesday at Post Chapel in Douglas

In a ceremony performed Wednesday afternoon June 16, at 1:30 o'clock in the Post Chapel at the Advanced Flying School in Douglas, Arizona, Miss Fannie Dell Swaney, daughter of Mr. and Mrs. Willard R. Swaney became the bride of Mr. Frank Hatten, cadet in the United States Air Force, and son of Mrs. G. L. Hatten of Eastland.

Chaplain D. V. Sieberg read the service before the altar which was banked with palms and dotted with baskets of white and yellow gladioli. Altar candelabra held catherine tapers which lighted the altar. Penitential music was given by Aviation Cadet Carroll W. Fuller, organist and Aviation Cadet Harrell Agel who sang "I Love You Truly" and "Because".

The wedding march from Lohengrin was played by Cadet Fuller. Mrs. Charles Hodapp, who attended the bride as matron of honor, wore a pale blue net and lace dress and carried a bouquet of pale yellow gladioli tied with blue, the shade of her dress.

The bride, who was given in marriage by her mother, was lovely in a gown of white marquisette over satin, designed with a square neckline and short puffed sleeves. Insertions of delicate Chantilly lace were used on the tight fitting bodice and repeated on the sleeves. The very full skirt fell into a slight train. Her finger tip veil of imported bridal illusion fell in tiers from a dainty calot of the same Chantilly lace. She carried a shower bouquet of white roses and stephanotis.

The bridegroom was attended by Aviation Cadet William Helm as best man.

Immediately after the ceremony a reception was held at the YWCA where the bride's table was laid with white and centered by a three-tiered wedding cake. White peonies were used in the table decorations and a white candle lighted the room. Presiding at the table were Mrs. Hodapp and Mrs. W. Mathis.

The young couple will make their home temporarily at the Gadsden Hotel in Douglas while the groom completes his training for the Air Corps. He will be graduated the last of June.

The bride who was reared in Ranger is a graduate of Ranger Junior College and attended the University of Texas where she was a member of the Mexican Literary Society and of the Sigma Delta Pi sorority. The groom attended Texas Christian University and the University of Texas.

Richard Cox is Honored By Scouts

The Boy Scouts assisted by Mrs. M. S. Wade, A. H. Powell, O. G. Lantz and Mr. and Mrs. E. L. Martin entertained Monday evening at 7:30 honoring Richard Cox who left Thursday to enter active duty with the Navy.

The scout meeting was opened with the scout oath, followed by the pledge of allegiance to the flag and the scout motto. Richard West was in charge of the meeting

Royal Neighbors Meet In Eastland

The Royal Neighbors of Ranger and Eastland held an all day joint meeting in Eastland Friday.

Mrs. Carrie Henry and Mrs. Mary Johnson of Ranger attended the meeting and the covered dish luncheon which was held at noon in honor of Mrs. Myrtle Carter, State Supervisor.

It was announced that the district convention will be held in Ranger, October 4 with the Ranger Camp as hostess.

Officers for the convention were elected in Graham as follows: president, Mrs. Claude Strickland, vice president Mrs. Edna Downing; recorder, Mrs. Frances Butcher; marshal, Mrs. Mable Southers of Ranger.

Plans for the convention underway, and practice will begin Monday night, June 21. All members are urged to attend this important business meeting.

SECOND BAPTIST CHURCH

Jasper C. Massee, pastor
SUNDAY—
Bible school 9:45 a. m. J. E. Marshall, supt.
Morning worship 11:00 a. m.
Sermon by Evangelist W. C. Campbell.

FIRST CHRISTIAN CHURCH

H. B. Johnson pastor
Church school 10 a. m. with Lawrence Bryan supt.
Golden Rule Bible Class taught by the pastor.

Communion 11 a. m.
Preaching by the pastor 11:15 a. m. Subject "Father's Day".

There will be no services in the church at the evening hour as the pastor is to fill the pulpit at the First Methodist church at that hour. This is to be an exchange of pulpits but Brother English will fill the pulpit in First Christian church one night in August. Hope all the members of First Christian church who can, will be in the service at Methodist church this evening.

Remember this is Father's Day. Come and worship.

Mr. and Mrs. A. J. Ratliff have gone to Electra, where they will be joined by their son, Pfc. James Ratliff of Sheppard Field, and they will spend the week end as guests of Mr. and Mrs. Fred Warren.

Churches

Mr. and Mrs. Wayne White and daughter are spending the week end in Wichita Falls, where they are the guests of Pvt. and Mrs. Dwight Dennis.
