

Dimmitt Construction Climbs to \$231,000 As First Half of 1957 Ends

about dimmitt and castro county

By Bascom Nelson

Before starting this column this week we would like to comment on a sorry spectacle here on our desk. It is a fly. We rarely comment on flies, since they are fairly insignificant. But this poor brute has his head down and legs braced far apart and he's panting like a steam engine. If we had the energy we'd swat him and put him out of his misery. This particular fly gives the impression of having searched desperately for a cool place to hibernates for a while but hasn't had any luck. It looks like he's sweated off several milligrams already because his skin is wrinkled and he's rather pale. It's too bad his one and only summer on this earth had to turn out so hot.

Last November there arose great din and clatter from the Republican ranks about how much they were going to do to curb inflation, to balance the budget, cut taxes and so on ad infinitum.

In fact, they were almost as vociferous as when they were clamoring at Harry Truman and the Democrats for not doing such things back about six years ago.

Now it is rather silly to blame the government for increased prices of everything from soup to nuts. About the only thing they could do would be to quit adding money to the economy and in this case the means could hardly justify the means. Price control in peacetime is too much like socialism. Nonetheless the Republicans berated the Democrats when the shoe was on the other foot.

President Eisenhower has yet to prove any real ability in keeping promises. He came out once for 100 percent of parity (just before he was elected) and he has always been for lower prices, less national debt, less government spending, tax cuts, greener trees in winter.

While he and his party should not be condoned for their failure to achieve any of their major publicized goals, it may be as unfair to criticize them as it was for them to criticize the Democrats.

A national government of such magnitude as ours is not something that can be run like a household—in fact it more or less runs our administrators, regardless of what party is in power.

The Democrats posted a better record while they were in office so far as national spending, taxes, and farm programs were concerned but it could not be for certain they could do so now. The large number of people with responsible positions in our government cannot be positively controlled. Most of the major government spending, when analyzed item by item seems apparently necessary for the good of the nation. Every time a new law is passed, and we've got a congress passing them just as fast as they can, it will cost more to administer it. There are a whole hodgepodge of government expenses we must put up with of seeming necessity.

At this particular point it may be that none of us are in any great pain to pay our federal government taxes. This may seem out of line since one of the reasons so many small businesses fail today is their failure to allow enough mark-up to cover the cost of high federal government taxes of one kind or another. Our taxes today run as high as one-third of our income on the average plane, although for some it is much less, but there is usually enough left over to live on which has not always been the case in world history.

If we concede that we can manage our present tax load, then what of future generations. Whenever a new program is enacted, which seems necessary enough at the time, the cost of government goes up. The chief question now is will we or will we not reach a leveling off point.

One way to cut taxes would be to do away with the farm program. We in this area certainly wouldn't agree with that. Then we might agree with cutting transportation subsidies, but those people couldn't make the grade without government help either. Maybe we could cut public welfare because there are a lot of free-loaders, but what about those whose very lives depend on such government aid. The big cut could come in foreign aid spending, but then again this might not work since these people need the money to resist communism and remain as members of the free world and our allies.

While the Republicans have claimed the Democrats were interested only in short-range stop-gap programs, they have failed to do any different.

Construction in Dimmitt continued its busy pace of the past several years during the first half of 1957 as \$231,000 in residential and business property was constructed.

This is about half the amount as the same period last year since there were no grain elevators constructed during the six-month period just ended. General business and residential construction remained about the same.

Broken down, there were \$64,485 spent on new homes and \$127,000 on business property. The business

Last Rites Held For Mrs. Beck Here Thursday

Funeral services for Mrs. Rosezella Beck were held Thursday morning, July 4th, at 10 o'clock in the First Methodist Church in Dimmitt. Officiating were Rev. D. L. Egger, pastor, assisted by Rev. George Ray, pastor of First Baptist Church, Dimmitt.

Born May 7, 1904, in Montague, Texas, Rosezella Beck married Mr. Foy Beck on May 17, 1951. She had moved to Dimmitt with her family in January, 1916 and was a member of the Methodist Church. She was 53 years old and died Tuesday, July 2.

Funeral arrangements were by Dennis Funeral Home and interment was in Castro Memorial Gardens.

Besides her husband, Mrs. Beck is survived by her mother, Mrs. Nancy Bell; a sister, Mrs. Ruby Webb, Lella Lake; a brother, Roy Bell of Plainview, one nephew and one niece.

Palbearers were R. L. Nelson, Estelle, and V. R. Nelson, Jack Flynt, Jack Tucker, Allan Webb, and J. B. Moore of Dimmitt.

Vegetable Program Shows More Progress

The overall development of the vegetable program for the Dimmitt area is progressing according to officials of the Dimmitt Produce Company. The new building, on Fort Worth & Denver Railway property, in Northeast Dimmitt which will house the vegetable processing plant is rapidly taking shape and the processing equipment, on order for the past several weeks, is beginning to arrive.

Construction of the all steel 60x160 ft. building, on a dock-high concrete floor, will be completed within the next two to three weeks after which the installation of equipment will begin immediately. The Tom Davis Construction Company has the contract to erect the steel building and Truett Boothe was awarded the concrete contract. The Ira Page Construction Company contracted and is in the process of making the sand fill for the dock-high floor.

The Dimmitt Produce Company has already received shipment of processing equipment which will be installed in a temporary location so that early onions may be processed and shipped before the permanent building is completed. About the first of August the plant will be equipped with the very latest carrot and cabbage processing and packing machinery.

GRAND OPENING—Celebrating their grand openings this week were Castro Cleaners in the south part of the above building and King-Seely Furniture and Appliances, in the north three-quarters. Both firms are moving from older quarters to the new on Highway 51 about three blocks north of the traffic light. This is Dimmitt's newest business building in use.

buildings included two medical clinics, one service station, the Jess Wright Building and the vegetable processing plant now under construction. The second six-month period of this year is expected to see the most building. Several buildings were completed this year, but their construction costs had already been counted in preceding periods, depending on when they applied for permit to build at the City Hall.

County income has increased slightly. During this same month in 1956, there were \$3,740,743.36 on deposit at the First State Bank, while this year the figure has risen to \$3,849,820.37, for a round-figure increase of more than \$100,000.

Dimmitt business is generally considered good to slightly better than last year although there have probably been decreases in some businesses. Higher operating costs and increased costs of materials have been blamed for lack of increase in most net profits even though gross sales are up.

Building Starts On New Texaco Service Station

Work began this week on a new Texaco Service Station to be located on Highway 51 two blocks north of the traffic light in Dimmitt.

It will be the third station for Texaco wholesale dealer Joe Benson and will be a modern type with three pumps. Two-way approaches will be made for the 27x43 foot building. The entire front will be 8,500 square feet of concrete. It will be considerably larger than either of the two present Texaco stations. It is being constructed by E. S. Rice of concrete block.

There has been no commitment yet as to who will operate the station for Benson.

News 3rd In State General Excellence Contest

The Texas Press Association announced Saturday that the Castro County News had placed third in the general excellence division of the Association's annual newspaper contests.

A certificate and ribbon were presented at the Association Convention in the Gunter Hotel in San Antonio Saturday morning to editor Bascom Nelson. It was the first such award ever made

to the News and it covered the year 1956.

The General Excellence award was made in the division covering newspapers published in cities of from 2,001 to 3,500

population. First place winner was the Post Dispatch and second place was the Tulsa Herald. The Pleasanton Express was fourth in this division.

The Texas Press Association, presentors of the award, is a daily, semi-weekly, newspaper of the come from the Association.

ASC Announces New Rules for Cotton Measure

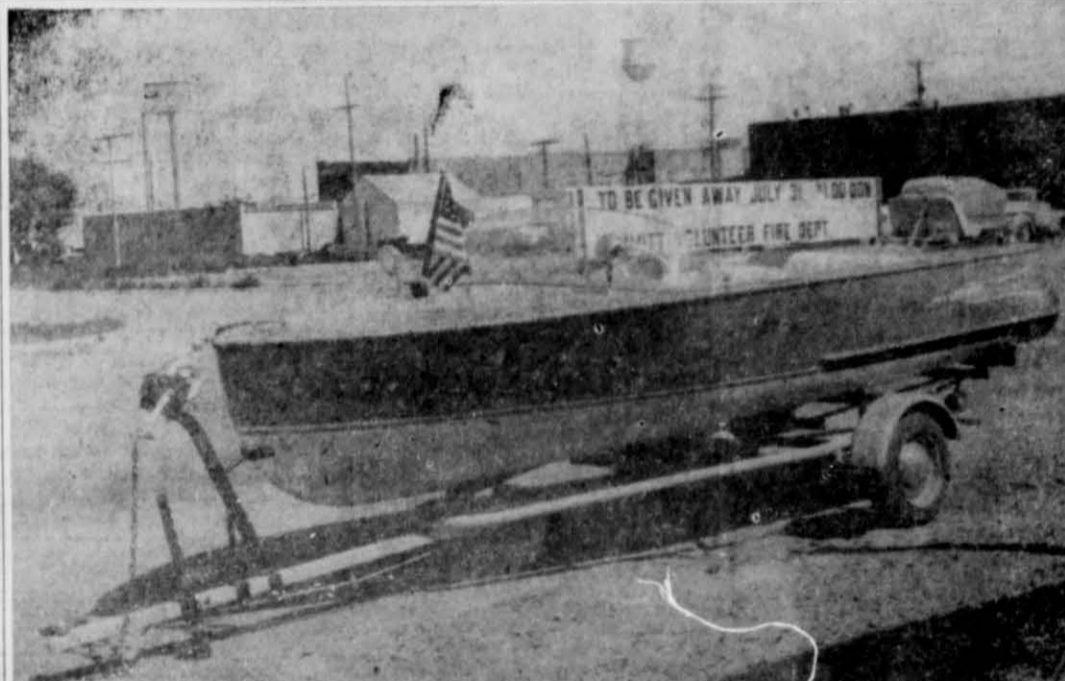

The following announcement concerning 1957 cotton acreage measurement was made this week by Charlie Hill, Secretary of the Castro County Agricultural Stabilization and Conservation office:

It is very important that the operator of an overplanted cotton farm pay very close attention to the following restrictions. The following regulations are new and should be followed closely if a producer wishes to avoid a Marketing Quota Penalty," he said.

"The operator will have 20 days from the date of the Notice of Measured Acreage to call at the ASC Office and either pay \$10.00 per farm plus \$2.00 for each plot over one for a Remeasurement or \$2.00 per farm plus \$1.00 for each plot over one for checking destroyed excess cotton.

"Operators who have their farm remeasured will only have 7 days after the date of remeasurement notice to notify this office and pay the necessary fee for checking the destroyed excess.

Regulations provide that only two overplanted notices may be mailed to each farm. If the farm cotton acreage is in excess of the allotment after the second measurement, the farm will be considered overplanted and a penalty will be due on the overplanted acreage making the farm ineligible for price support. Don't wait too long and let the above happen to you."

JUST A DOLLAR—For only one dollar some person will be able to buy this Soonercraft boat complete with trailer and 40-hp Scott-Attwater motor. It will be given away on July 31 by the Dimmitt Volunteer Fire Department who are taking \$1 donations for their general fund. One of the donors will win this \$1,960 rig, complete with radio and not even have to be present to win. Any fireman has the tickets issued when donations are made. About 700 \$1 donations have been made to the firemen's general fund which is currently sponsoring four Dimmitt boy scouts and their adult leader to the Scout Jamboree in Valley Forge, Pa. The money collected will go for similar projects in the future. The firemen also wanted to send several Boys Ranch boys to the firemen's school at Texas A & M college but did not have the money.

County Exposition Building Bond Election Fails to Carry

Castro County voters turned thumbs down Saturday to a proposal to build a new county exposition building.

By an almost two-to-one defeat the chances for building such a building were washed out for several years at least according to opinions of those sponsoring the project. The vote was 121 for, and 250 against.

The building, had the \$115,000

bond election carried, would have been used for the annual county fair and other county-wide events.

It was the first time in recent county history that a bond election of any kind has failed to carry.

Greatest opposition to the building came from Hart, Nazareth, Arney, Summerfield, and Big Square, where 152 voted against

and 13 for. Only one community, Sunnyside, approved the proposition, and they voted 9-7 for Absentee balloting was two for and one against. Only two other precincts passed on the issue. These were Dimmitt's 2 and 3 by a vote of 35-21 and 39-26, respectively.

Following is a tabulated list of the voting:

Precinct	Located	For	Against
1.	SE Dimmitt	4	7
2.	SW Dimmitt	35	21
3.	NW Dimmitt	39	26
4.	NE Dimmitt	7	10

Cathey Services Held Tuesday In Baptist Church

Funeral services were held Tuesday in the First Baptist Church for Mr. William M. Cathey, 53, of the Arney community who died at 12:40 p.m. Sunday in Castro County Hospital of a cerebral hemorrhage.

Services were conducted by Rev. George Ray, assisted by H. C. Payne, minister of the Arney Baptist Church. Burial was in Castro Memorial Gardens.

Mr. Cathey, who was employed on the Homer Herring farm, was a Sunday School superintendent and deacon at the Arney church. He had attended Sunday School Sunday morning and had just given the devotional reading and dismissed the group when he clutched the pulpit and fell to the floor.

William Maut Cathey was born February 18, 1904 at Castle, Okla. He was married to Mrs. Chloe Garner at Bonham in 1924. They moved to Castro County about eight years ago.

Palbearers were Clarence Hance, Raymond Hance, Truman Claborn, Buster Morgan, Bobby Higgs and Dozier Thornton. Survivors include his wife, five children, Penon Eugene of Irving; James Carlton and Thomas Leon, both of Tulsa; Mrs. Jeff Bivert of Tulsa; and Mrs. Lozetta Konnimer of Arney; 14 grandchildren; his mother and step-father, Mr. and Mrs. R. H. Crisp of Mena, Ark.; two sisters; one brother; two half sisters; and one half brother.

Post Office Position Open

The U. S. Civil Service Commission has announced exams for substitute clerk-carrier at \$1.82 per hour for employment in the Dimmitt Post Office.

Further information and application forms may be obtained at the post office or from the regional director, Eighth U. S. Civil Service Region, Room 103, 1114 Commerce Street, Dallas, Texas. Applications must be in the mail not later than July 22, 1957.

Four Local Scouts Leave for Jamboree at Valley Forge

Four Dimmitt explorer scouts and their adult leader, Mr. R. D. Rogers, left from the Court House Square Tuesday morning at 9:30 for the Fourth National Jamboree, to be held July 12-18 at Valley Forge, Pa.

Making the trip with Mr. Rogers will be Joe Burkett, James Rogers, David Hayes, and Elmer Hershey. It will be the first time a delegation has attended a national scout jamboree and the first trip to the event for any of these boys.

During the trip they plan to sleep out most of the time. When they sign in at the Waldorf Astoria in New York City they will be looking forward to their first night indoors since leaving Dimmitt. They will probably spend one night inside at the YMCA at Hamilton, Ontario also.

280 boys from the South Plains Council will make the trip. There will be a total of about 60,000 at the national jamboree.

The scouts will reach Valley Forge on July 9, where a huge tent city on 2,033 acres will house the delegates to the Jamboree. The tent city will comprise 68 "villages" of about 1,400 campers each.

Foreign delegates will provide an international flavor at the Jamboree. About 500 scouts and leaders are expected from Australia, the Bahamas, Brazil, Canada, Chile, Cuba, Denmark, Great Britain, Greece, Iran, Israel, Peru, the Philippines, Sweden, Switzerland and Venezuela.

Purpose of the Jamboree is to

strengthen the program of the individual troop and to provide an opportunity for boys to be associated with Scouts from all parts of their own country.

The Jamboree is a self-liquidating enterprise. Each participant pays a \$50 fee, which provides the food, use of equipment and covers

the cost of building the camp. Jamboree campers are at least 12 years old with second class Scout. Explorer apprentice or higher rank. Each has camping experience to enable him to care for himself in the open.

The Dimmitt delegation will return in about three weeks.

OFF FOR A BIG TIME—These explorer Scouts and their leader left Tuesday morning by chartered bus for the Boy Scout Jamboree in Valley Forge, Pa. They are (left to right) Joe Burkett, David Hayes, Adult Leader Mr. James Rogers, Elmer Hershey and James Rogers.

Long Illness Fat To Ernest Shaw Rites Saturday

Funeral services for Ernest Douglas Shaw, 23, will be held Saturday afternoon at 4 o'clock in the Church of Christ. He died about 12:40 p.m. Thursday in Castro County Hospital. Interment will be in Castro Memorial Gardens under direction of Dennis Funeral Home.

He had been in poor health and hospitalized much of the time since late last fall and had been unable to work since the first of December. Exact cause of his death was unknown but was believed to be an incurable infection.

Mr. Shaw was in partnership with his father, H. R. Shaw in a Dimmitt plumbing business before illness stopped him from working. He was married in Dallas and moved to Dimmitt in 1954 where he worked for several grocery stores here before joining his father in business. He had been in good health until last fall.

Ernest Shaw is survived by his wife, Novelle, three daughters, Marilyn Sue, 2; Terry Lee, 1; Marian, 4, of Amarillo; and one stepdaughter, Diane Henry of Dimmitt; his father and mother, Mr. and Mrs. H. R. Shaw of Dimmitt, and a sister, Mrs. Lowell Richburg of Dimmitt.

Mr. R. E. Peters Funeral Services In Chapel Friday

Mr. Robert Estel Peters of the Flagg community died Tuesday at 1:30 a.m. in Castro County Hospital. He was 43 years old.

Funeral services will be held Friday in Dennis Chapel at 2 p.m. with Rev. Don Jones, Gospel Tabernacle of Plainview, and Rev. Bartlett of Hart officiating. Arrangements are by Dennis Funeral Home.

Mr. Peters, a maintenance worker for the county, was born in Granberry, Texas, July 20, 1913. He is survived by his wife, Katherine, two sons, Robert and Jimmy and a daughter, Melba; three brothers and four sisters.

Palbearers are R. J. Brock, Ray Ellis, Ellis Simmons, Earl Snow, Walt Gilmore, J. Alexander, Houston Jordan, and Warren Mill-

My 4-H Club Trip

By Mary Thack

I was happy to go to the 4-H Roundup again this year as a Contestant in the team Cooperative Demonstration. Jack Sharp and I won County and District contests which made us eligible to compete in state. The Dimmitt Wheat Growers were our sponsors and our expenses were paid by the Coop.

We left Monday by car at 2 p.m. spent the night at Temple, and got to A & M College Tuesday afternoon.

Wednesday morning the cooperative team elimination began at 8:30 a.m. at the Memorial Student Center in room 3D. There were nine teams, we were eighth to give our demonstration. We won fourth place in the State contest. All who participated in the cooperative program were invited to a chicken dinner at the Western Cafe. The theme of our program for the 1957 Texas 4-H Roundup was: "People to People Partnership" and Bruno Schroeder, Executive Secretary of Texas Federation of Cooperatives, Austin.

Mr. Bowles, Mr. Ammons, and Mr. Schroeder talked on Cooperatives. Also Mr. Howard McClaren, Administrator Institution of Cooperatives, Director of Youth Education, Washington, D. C. gave an interesting talk on youth and cooperatives.

Each contestant received a \$20 check from Mr. Bruno Schroeder and a little pocket note book with each contestant's name written in gold from the Midwest Cooperative Oil Mill, Hamlin, Texas.

We checked out of the college and started home. On our way home we stopped at Austin to see the Capitol. One of the Capitol police gave us some literature on the Capitol and took us on a special tour through the Capitol. We met and talked to the Judge of the Supreme Court, Mead Griffin, and also we went down to the under ground vault of the Capitol and Mr. Hart told us how the vault was built and what was in it. We were Austin about 4 p.m. and spent the night at Abilene. We got home Friday about 2:30 p.m.

This trip was very educational and full of fun.

I would like to thank the Dimmitt Wheat Growers for sponsoring this trip.

We were to leave the bus station in Amarillo Monday afternoon at 3:00 p.m. We ate supper in Childress about 6:00. When we boarded the bus we passed Wichita Falls, and the Hotel Hotel where we were to spend the night. We arrived in Childress 8:30 and 9:00 p.m.

Tuesday morning we ate in the Hotel Coffee Shop. We left Wichita Falls at 7:00 and ate dinner in the Chicken Shack near Waco.

We arrived at A & M College at 5:30 Tuesday afternoon. Mrs. Shepard and Mrs. Dunn, Donna Shepard, Gwen Dunn, Mona Dell Hunter, and I registered.

Wednesday there were district meetings from 7 till 8, at district markers and our district agent, Miss Wilson, was in charge.

At 8:00 we went to the program in the G. Rollie White Coliseum. The People to People Program, Share the Fun Festival, and the Heart of 4-H Club work. After the program was over if you wanted to walk around you could, but you were to be in the dorm at 10:45 and lights out at 11:30.

Wednesday, Mrs. Shepard, Donna, and I went to the New Horticulture Farm Laboratory, for this was where Donna and I along with other teams were to give our vegetable demonstrations.

At 11:30 we went to dinner in Spina Hall. That afternoon we went back to the Farm Laboratory where they took us around the farm on two tractors and trailers.

Some men from Texas in Review were there and took some pictures.

At 4:00 we went back to the dormitory and at 7:00 we went to the Chuckwagon Barbecue. 7:30 we went to the G. Rollie White Coliseum for the Grand Finale.

Thursday morning we left for home at 7:00 and we arrived in Amarillo at 9:00 Thursday night. I really enjoyed my trip to Roundup. I met a lot of people and had loads of fun.

Killingsworth-Stafford Wed Saturday Evening In Dimmitt Church of Christ

TV Interference

Due to the fact that the writer of this column is a farmer's wife and is still very busy in the harvest time when farmers' wives abruptly change their status from "housewife" to "General Flunkie", this column will, of necessity, be hurriedly written.

Practically everyone out here has had little time for visiting; however, some of us did manage to squeeze a little in. Anything can happen out our way.

Mr. and Mrs. Carl Bruegel and children were Sunday visitors of the Killingsworths.

his parents, Mr. and Mrs. Fred Bruegel.

Mr. and Mrs. George Sides of Lubbock recently visited in the home of Mrs. Sides parents, the George Bagwells. They arrived last Friday and returned to their home Wednesday.

Mrs. Gene Rutledge and children of Orange, Texas have been visiting friends in Dimmitt and neighboring communities this past week.

Mrs. Dilmond Neumann and Nancy were visitors in the home of Iver Bagwells and Milton Bagwells last Friday afternoon.

Miss Nelda Bagwell, who had minor surgery on her foot last week is reportedly doing very well. It isn't too painful and it affords her with an excellent excuse for getting out of some work.

Mrs. Jack Howell has an attack of appendicitis and was required to spend Saturday night in the Hospital. We are glad to report that at the writing, she is doing very well.

Sunday visitors in the J. A. Bagwell home, Sunday included their daughter, and family, Mr. and Mrs. Jack Howell and daughter, Shirley, of Lubbock.

Mrs. Duster Cooper and Mrs. Elma Bell were hostesses at a dinner party Monday evening in Dimmitt.

Miss Nelda Bagwell, Mrs. Milton Bagwell and son, Stevie, and Little Miss Mary Lynn Bagwell were in Plainview Tuesday afternoon.

Mr. and Mrs. J. A. Bagwell were pleasantly surprised by a visit paid them by their nephews and family, Mr. and Mrs. Spencer Haney and son, Allen, and Mrs. Miss Peas and Mrs. Lewis Higgins all of Amarillo, Alabama.

The guests arrived Sunday and left for their homes Wednesday. While here, they were also guests of the George Bagwells for supper Monday and of the Iver Bagwells for dinner Tuesday.

Miss Nelda Bagwell, Mrs. Milton Bagwell and son, Stevie, and Little Miss Mary Lynn Bagwell were in Plainview Tuesday afternoon.

Davis-Light Wedding Vows Read Friday, June 14th at Hart First Baptist Church

In an impressive ceremony at the First Baptist Church of Hart Friday, June 14, at 6:30, Elizabeth Davis, daughter of Mr. and Mrs. Harvey C. Davis of Hart, and Fred Light, son of Mr. and Mrs. A. C. Light Sr. of Otton, were united in marriage.

The Rev. Don Carson of Denton, a former associate of the groom, officiated at the single ring ceremony.

The altar, centered with white satin wedding table, was banked with emerald greenery and banked with white cathedral pews. Baskets of white gladioli, white and orchids and snap dragons, and orchids were placed on either side of the altar.

The pre-nuptial program of music was presented by Mrs. Milton Sharp, Weldon, Dallas, brother of the bride, sang "Always," "Believe," and "The Lord's Prayer." The traditional wedding marches were played.

Given in marriage by her father, the bride wore a floor length gown of white chambray lace over tulle, set with white French lace and nylon tulle over net and satin, designed with a portrait neckline framed with a ruffled collar, embroidered with sequins and seed pearls, fitted bodice and ruffled sleeves. Tiers of ruffled tulle, topped by a circular train of lace extending to deep

her waist. Her hair was styled in a short, wavy, finger-wave. She carried a white sash and a white corsage. The groom wore a white tuxedo with a white bow tie and a white boutonniere.

Immediately following the ceremony the bride party and wedding guests were honored at a reception in the new home of the couple. Led with a white hand-made, red-cust-work linen cloth over the table, the serving table was centered with the bride's made bouquets of white carnations flanked by crystal candelabras bearing orchid tapers.

The tiered wedding cake was served by Mrs. Johnny Mack Hodges of Otton, sister of the groom, and the punch was ladled by Mrs. A. C. Light Jr., sister-in-law of the groom.

DON'T BE UNCONCERNED!

"And fear not them which kill the body, but are not able to kill the soul; but rather fear him which is able to destroy both soul and body in hell." Matt. 10:28.

Many are unconcerned about Hell. The rich man tried to warn others, Lk. 16:27ff. It is a place of torment, Matt. 25:41; Rev. 14:10, 11.

Hell will be filled with horrible souls. Those who satisfy the lust of the flesh, Gal. 5:19-21; Rev. 21:8. The dignified unbeliever, Jno. 12:42-43. The most uncharitable people, Matt. 25:42-44. Some religious people, Matt. 7:21-23. They follow their own ways rather than God's commandments, Mark 7:7. Some good moral people. Good morals are not enough, Acts 10. Lukevark church members will be in Hell, Rev. 3:16. Also hypocrites, Matt. 23:13-29. All the disobedient, 2 Thess. 1:7-9.

Area Credit Union Featured in Article

MADISON, Wis.—Good relations between the community credit union and two banks in Herford are featured in an article in the June issue of The Credit Union Bridge, official monthly magazine of the Credit Union National Association (CUNA). CUNA is a nonprofit organization serving 22,000 credit unions in North America with 11 million members.

The Bridge, with circulation of more than 40,000 is written for credit union career people throughout the Western Hemisphere. Each month the editors choose one credit union and feature its operations.

The Herford credit union story was written by Bridge Assistant Editor John A. Lovelace, a Texas native who joined the CUNA magazine staff in January, 1957.

There are numerous stockholders in the union who live in Castro County

The credit union treasurer-manager, Mrs. Dyantha B. Benson, is pictured visiting officers of both Herford State Bank and First National Bank of Herford. The story includes examples of how the credit union, with 2,400 members and more than \$1 million assets, has cooperated with and secured cooperation from officers of both banks.

Beautiful in motion—Chevrolet Bel Air Sport Sedan with Body by Fisher.

Here's why Chevy's best showroom is the road!

Because Chevrolet's sleek good looks, its advanced features, are only part of the story. The big bonus is its remarkable roadability, the crisp precision handling that has posted an entirely new standard for cars in every price class. You can't read about that... but you can feel it in one minute on the road!

Good drivers know roadability is the single thing that means more

driving satisfaction for more thousands of miles than anything else. More safety, too, for it grants greater stability on curves, greater traction on wet roads, better "bite" under hard braking, more accurate steering. There are reasons for all this, of course: Chevrolet's balanced weight distribution that takes excessive loads off the front wheels, the wide stance of outrigger rear springs, Ball-Race steering, spherical-joint front suspension. Sure, you can admire the sculptured lines in the showroom. But Chevy's

a car specifically designed for beautiful motion—you have to travel in this one to know just how terrific it is. Try it, this week!
