OH, YE HYPOCRITES WHOM DO YE SERVE?

A FRANK STATEMENT BY W. W. HICK HALCOMB

I have been "advised" by some so-called best minds in this district to "lay off" the utility question. They say it doesn't mean anything, why call it reform? Some of the weakest vassals of the utility interests give lip service of approval public, while in private they insinuate dire things.

Up until a year ago this gang of robbers had things their own way. They still have, to a great extent, but conditions are changing. They can see that the people are disgusted with utility domination of the Legislature, for what State or Nation was ever able to patch freebooting while its government was bulldozed by its tribe?

What good are the backbreaking efforts at recovery of the district and State if the same old crowd is allowed to run rough-shod in the same old way? In recent months, when they were allowed to root up the peach orchard at will, everything was lovely. They do not want reform in the laws of this state, now or ever—unless they do the reforming. But who ever wanted reform on a full belly?

Talk about the money-changers in the Temple, the tin-horn crooks who met the wrath of Christ were cheap skates compared to the insulins who have their clutches on the people today.

Progress Being Made on Legion Hut, Cone Says

"We'll build a Legion hut in Dimmitt or some other project, they don't watch us," was the comment made this week by C. (Mutt) Cone, post commander of the local unit of the American Legion.

"Our plans are almost completed. We have some money in the bank, and we may start construction right away," Mr. Cone said. "In the event that it is impossible to build the structure as a Legion hut, then possibly some plan can be worked out for a community center."

The Legion and Study Club have been working on this project quietly for some time and will believe that their efforts will meet with success in the near future.

Location of the building will probably be on city lots adjoining the fire station and a commodious building, beautiful on the exterior and convenient on the interior is planned. The building would house the Study Club's library and be open to the public. Kitchen facilities, lounge rooms, etc., are planned, which would make the building credit to the community and a community gathering place.

"Such a building is not included, nor would it, take the place of an auditorium, but would supplement the public gathering place facilities that have now and supply a public need. Of course the Legion would like to build it strictly as a Legion affair, in conjunction with the Study Club, but in the event this is impossible, it will be built as a community center to be the property of the city," Mr. Cone concluded.

All local civic leaders are cooperating splendidly in the project, Legion officials claimed.

POSTPONE APRIL MEETING

PARENT-TEACHER ASS'N

The April P.-T. A. meeting is announced postponed until the May meeting, which will be held on Friday night, May 1st. This will be a social meeting of the month. A splendid program has been arranged. Don't fail to be present.

The friends of Miss Margaret Roduce will be glad to learn that she won a trip to Austin on her recent Care note book in Homecoming at the Childress High School. She left Wednesday for Austin.

Funeral Rites For Mrs. E. R. Gollehon Held Wednesday

Funeral services were held Wednesday afternoon at the First Baptist church for Mrs. Emily Robinson Gollehon, 78, pioneer Castro county resident who died Tuesday morning. Interment was made in the Dimmitt cemetery.

Rev. R. E. Bost, Baptist pastor, conducted the funeral services, with Rev. Alfred H. Freeman, Methodist pastor, assisting. Messrs. John Flanagin, J. O. Ayers, B. D. Woodlee, O. Stephens, Tom Tate and Carlos Reynolds were pall bearers. The church building was filled to overflowing standing room not being available for many.

The E. B. Black Funeral Home of Hereford was in charge of arrangements.

Mrs. Gollehon, affectionately known as "Mother Gollehon," became ill several weeks ago from a slight attack of influenza. Her condition was not considered serious until Saturday morning when she had an attack of pleurisy, and her decline in strength became rapid. Physicians in charge announced Sunday evening that there was little hope for recovery and friends and relatives were immediately called to her bedside. Death came at 8:43 a. m. Tuesday morning.

She had rational intervals throughout her illness. Monday afternoon she received relatives and friends at her bedside and talked rationally with them for about two hours. She also was rational for a short interval an hour or so before her death.

Mrs. Gollehon was born in the State of Georgia on October 24th, 1855. Her maiden name was Emily Robinson. She came to Texas at the age of 12. In 1878 she was married to J. M. Gollehon in Bosque county, Texas, who preceded her in death in April, 1922 at the age of 77 years. To this union were born three sons: J. R. and W. T. Gollehon, who survive her and live here at the present time, and Charley T., who died in 1878 at the age of two years.

The family moved to Castro county in 1910, taking up their residence in Dimmitt in 1920.

The deceased accepted the Christian faith while she was in her teens, uniting with the Baptist church, where she had worked faithfully for the past 60 years.

Mrs. Gollehon is survived by a sister, Mrs. Holly Faulkenberry of Bowie, Texas; two sons, Robert and William, both of this place; three grandchildren, Joe Gollehon and Mrs. Ted Wood of Dimmitt, and Noel Gollehon of Hereford; two great grandchildren, Marylyn and Wanda Rhth daughters of Joe Gollehon, a niece, Mr. C. E. Dotson of Muleshoe; and two nephews, Frank Robinson of Tuscon, Arizona and Will Robinson of McLean, Texas.

Relatives of her husband attending the funeral were: W. R. Gollehon and wife and son of Post; Mrs. Georgia Gollehon and daughter Vera, of Post and perhaps others.

Among those who attended the funeral of Jeffy Vaden at Amarillo were: Mrs. J. R. Hastings, Mr. and Mrs. Joe Hastings, Chas. Hastings, Edgar and Edwin Ramey. Mr. Vaden had lived here many years with his parents and his tragic death was a shock to his many friends.

Mrs. L. S. Barron of Muleshoe was here Monday at the bedside of Mrs. J. M. Gollehon.

CANDIDATES AND OTHERS INVITED TO ARNEY SAT. NIGHT FOR PIE SUPPER

All county and district candidates will be given a chance to make brief talks.

Funds derived from the pie sale will be used to buy books for the singing class.

The Arney school house is located midway between Dimmitt and Happy.

A large crowd from Dimmitt is expected to attend.

Crop Loan Dead Line Set Monday

Monday, April 30th, is the final date for filing applications for Emergency Crop Production Loans, according to John S. Andrews, field supervisor.

All Castro county farmers who wish to apply for these loans are urged to do so immediately.

These feed and seed loans are available in small amounts to farmers unable to borrow from the PCA.

Through the efforts of Marvin Jones, Congressman from this district, the 1934 wheat crop has been excepted from the mortgage required in securing the same.

James Routh Is Killed By Tractor

James Routh, 32, living between Dimmitt and Hart on the Jim Powell place, was killed instantly Thursday afternoon shortly after 1 o'clock when a tractor bucked up and fell on him.

He was rushed immediately to Dimmitt for medical attention in hopes that he could be revived, but medical efforts were futile.

It is understood that there was but one witness to the accident, Houey Powell, who was working with him. The two men were working on a well using a tractor in their operations, when the accident occurred.

He is survived by his wife and three small children. He has lived in the vicinity of Hart for the past year and a half.

TABULATION CORN-HOG REDUCTION COMPLETED

The task of checking, tabulating and summarizing the corn-hog reduction contracts for Castro county was completed last week and sample contracts together with tabulation, summary and analysis sheets were forwarded to the State Review Board at College Station for approval. As soon as the figures are approved the contracts will be typed and final copies submitted to the producers for the necessary signatures.

Mrs. J. W. Turner received word this week that her grandson, George Slover of Lubbock, who was severely injured in a car accident two weeks ago, is improving. George received a fractured skull, broken arm, and a number of cuts and bruises.

Mrs. W. H. Gray and son, Raymon, Miss Margaret Ray and Miss Edna Fay Cole of Childress and Mrs. Gray's sister Mrs. Elmer Bagwell, spent the weekend in the home of Mrs. Edna Ray. Misses Dorothy Maples and Decimae Ramey were also Sunday dinner guests.

Plans Ready To Complete Wheat Papers

According to County Agent Thomas, notices have been sent out to all men who, because of distance, sickness, etc., who made applications but failed to complete their wheat allotment contracts last fall, with the information that the contracts can now be put through and the applicant will receive both payments for the 1933 crop. Those who failed to put in application last fall can now make applications for contracts but will receive the second payment of 7 cents only at this time but will receive the full parity payment for the 1934 crop.

Producers who had wheat in 1932 and 1933 only may qualify for a reduction contract and take a 155 per cent reduction from the 1932 acreages as a base and will receive one fifth of all benefit payments. Allotments on all new contracts will be based on the county adjusted average production of 8.3 bushels per acre.

Slight Rainfall Tuesday Night

A fifth of an inch of rain fell Tuesday night of this week and light showers were reported at various points in the county.

A good deal of thunder accompanied the fall, which was heaviest in the southeastern part of Castro county.

A good shower was reported at Hart.

The western portion of the county did not receive any precipitation at that time.

Marvin Jones Again Gets Wheat Exempt

Congressman Marvin Jones has again succeeded in getting a modification of the regulations regarding Emergency Crop Loans, so that 1934 wheat will be exempted.

The mortgage clause has always proved a hardship on the wheat farmer, or rather would have, if it had been allowed to stand. Congressman Jones has been successful heretofore in getting an exception in this regard.

This is but another instance in which Mr. Jones has shown himself to be constantly on the alert to protect the interests of his constituents.

Local administrative officials of the Emergency Crop Loan are elated that farmers in this district will again be permitted to avail themselves of these seed and feed loans.

LIBRARY OPEN ON TWO DAYS OF EACH WEEK

Due to the discontinuance of CWA employment of a librarian the local library in the courthouse is open only two days of each week, it has been announced by the Study Club.

The library will be open on Wednesdays and Saturdays from 2:00 to 5:00 o'clock.

All patrons are asked to make arrangements accordingly.

Among those who attended the regional meet at Canyon last Saturday were: Mrs. A. L. Stringer, Miss Phillips, C. O. Bragg, Miss Hilma Bartlett and Miss Lorene Conner.

Keen Interest Shown In Kiddie Parade For Friday Night

Cash prizes will be awarded winners in Dimmitt's first Kute Kewpie Contest to be held tomorrow (Friday) night, it has been decided by the committee in charge.

A prize of \$2 cash will be given to the Kute Kewpie between the ages of 2 and 3 and a prize of \$2 cash for the Kute Kewpie between the ages of 3 and 5. A prize of \$1 will be given for the second place winner in each division.

All the boys (tiny tots) will be in one division for contest purposes, and a prize of \$2 will be given for first place and a prize of \$1 for second place.

This entire trade area is manifesting an interest in this big event, it is said and a capacity crowd is expected to fill the Dimmitt high school auditorium for the affair.

In addition to the Kewpie Contest the local Study Club will present a one-act play entitled: "Sauce for the Goshin."

Musical numbers will be supplied by the choral club, L. D. and Otis Baker.

FLAGG

The rabbit drive was quite a success. About seventy-five men were present to show their skill in marksmanship and an estimate of about five hundred rabbits testified to their ability. The business men of Flagg "set 'em up" to the hunters and the "banquet" was served on the prairie. We still have some rabbits, though!

The Sunshine Club met with Mrs. Olin Ivey last Thursday. Quilting was the order of the day.

Rev. Armstrong preached to a good crowd Sunday morning, following Sunday School. There were services and BYPU in the evening.

Mrs. Gene Ivey gave a singing at her home last Friday evening. It was well attended and all who like singing enjoyed it fine.

Miss Mattie Lee Rutherford and W. L. Longan, Jr., were Sunday dinner guests of Mr. and Mrs. Ray Steehens.

ROBBITT LAUDS ALLRED FOR GOVERNORSHIP

(From Cuero Record) From Attorney General Robert Lee Robbitt of Laredo, defeated in 1930 by James V. Allred, comes a tip to candidates opposing Allred in the race for Governor. "Get up your windshields and get out the blinders, because as there is going to be a lot of Texas dust raised in every direction."

Farm Notes

Joe Wagler, 10 year old 4-H Club boy of Cleo community, was knocked out of feeding his calf last year by an accident that kept him in the hospital for months, but this year while still on crutches he hopes to come back strong and has already selected two junior calves from his father's herd and will get them on full feed as rapidly as possible. The calves will be kept in a pen with ground feed before them at all times and allowed to nurse night and morning.

A number of cattle feeders with the County Agent, will attend the Annual Feeders' Day to be held at Spain on May 4th at the end of a 112 day feeding test carried on by the Experiment Station at that place. The experiment will bear on the following questions: (1) Can a part of the grain ration be replaced with cotton seed?

Mr. and Mrs. G. A. Barnett and Lois Rae and Mr. and Mrs. Andy Elder spent the week-end in Lubbock.

Mr. and Mrs. Rodus Wells and Mr. and Mrs. Doak Hearne of Sagraves were Sunday visitors with Mr. and Mrs. Vernon McCullough.

Mr. and Mrs. Ernest Johnson of Littlefield were Saturday night visitors in the Kirksey home.

NEW RELIEF PROGRAM FARM FOLKS OF TEXAS

AUSTIN, April 24.—Many farm families in Texas were cut off from various Federal Emergency Relief rolls on April 1st, but a new program will be put into immediate effect for aid of a different and more business-like kind, it was announced today by Director Marie Dresden of the Texas Relief Commission.

New relief for most families will be directed toward helping them to become self-sustaining. Families not suited to farm projects may be continued on work projects, or, where no other course is open, will be given direct relief.

During the government's program relating to reduction of certain crops in Texas, many tenant farmers became displaced only to find themselves on the relief rolls of the state.

Director Dresden is of the opinion that many landowners who let tenants go, due to inability to care for them, would now be willing to have those same tenants, or an equal number of them, live on their farms under the jurisdiction of the Texas Relief Commission's rural rehabilitation division.

Mr. and Mrs. F. E. Montigue and daughter of Talia spent Sunday in the E. N. Mitchell home.

MRS. ERNEST JONES IS HONORED WITH SHOWER

On the afternoon of Tuesday, April 10, Mrs. J. G. Binswanger, assisted by Mrs. Kirksie, complimented Mrs. Jones with a beautiful shower.

The room was beautifully decorated in pink and blue.

It was planned that Mrs. Jones should be entertained by a friend until a late hour and all the guests have time to arrive before her arrival, and when she entered the room she was asked to take a chair, which was decorated for the occasion. Over the chair hung a beautiful umbrella.

Immediately all the guests entered into a contest which furnished a great deal of amusement. Mrs. Sid Sheffy was the winner of the prize, which she in turn gave to Mrs. Jones.

Soon it was announced that we would have a shower. Mrs. Floyd, in apparently careless manner, overturned the umbrella and a number of gifts fell upon the honoree. She in return tid them in very pretty words how she appreciated each and every one.

Mrs. Senters was called upon to explain the reason for the occasion. She spoke without any hesitancy and told that it was in appreciation of Mrs. Jones and the love she had shown for all.

Refreshments, which carried out the color scheme, were served to the following: Mrs. Simpson of Amarillo, Mrs. Strather Walker of Lazbuddy, Mrs. Boren and Mrs. Boswell of Dimmitt, Mesdames Arms, Collins, Birdwell, Frazier, Sheffy, Senters, Woods, Ivey, English, McGee, Stevens, Horton, Walker, Simmons, Teague, Kirksie, Wait, Hall, Dameron, Adams, Hawkins, Floyd, Smyers, Miss Gilliland, Mrs. Jones, honoree, and Mrs. Binswanger, hostess.—Rep

KNOW THE TRUTH ABOUT MOTOR OILS— Conoco dares to give you the facts! Here are no idle claims—But PROOF! COMPARE this positive proof of superiority with all the exaggerated claims you hear about motor oils—now the facts can be told. We arranged with the Contest Board, American Automobile Association, to test five widely-known and advertised motor oils along with New and Improved Conoco Germ Processed Motor Oil in a daring "Destruction Test." These six oils, a single fill of 5 quarts, with no more oil added, in six brand new strictly stock cars, were driven until the motor in each car was destroyed from lack of lubrication. The first oil failed with motor destroyed at 1,713.2 miles—others failed in rapid succession. The best of the competing oils ran a total of 3,318.8 miles... while New and Improved Conoco Germ Processed Motor Oil lubricated its motor for a total of 4,729 miles!... more than 3,000 miles farther than the first oil to fail... and more than 1,400 miles farther than the second best oil. Thanks to Conoco's Hidden Quart protection, this amazing victory stands unchallenged! This is evidence... these are facts... that should open a new era of results and economy for your motor. Drive into a Conoco Station or dealer—fill with this New and Improved Conoco Germ Processed Motor Oil. There's no longer any guess about what oil is best for your car! Warning TO NEW CAR OWNERS Some car manufacturers are using new types of bearings which will stand greater pressures and temperatures, resulting in increased power and speed. New and Improved Conoco Germ Processed Motor Oil has been exhaustively tested on these new bearings. The results show that it gives them greater protection against damage than many straight mineral oils now on the market. Protect your new car by using the motor oil you can be sure of.
