60 Will Receive Diplomas at County Graduation Services

A total of 60 high school graduates in Castro county will wind up their school careers when they don caps and gowns to receive their diplomas at commencement exercises this month.

The Dimmitt senior class, which numbers 36, represents the largest graduating class in the county. Graduates will receive their coveted sheepskins at commencement exercises on May 22 at the high school auditorium. Dr. Ira Ithde of Eastern New Mexico University will be the principal speaker for the occasion.

The baccalaureate address scheduled for the auditorium, Sunday, May 17, at 8 p. m., will be given by Rev. Earl Landtroop, former Baptist pastor here and now of Plainview. Processional will be played by Carolyn Rothwell and the invocation will be given by J. E. White, faculty member. "Battle Hymn of the Republic," directed by Nolan Frohner, will be sung by the audience. Following a solo by Fawayne Murphy, Superintendent R. S. Vestal will introduce the

speaker, Rev. Landtroop. Rev. George E. Ray will give the benediction and the recessional, concluding the program, will be played by Carolyn Rothwell.

The grade averages of two members of the local graduating class reportedly are very close. Valectorian and salutatorian honors will not be disclosed until two days before the commencement exercises.

This year's graduating class which included 16 girls and 20 boys, departed for the class trip last Friday. After visiting several points of interest in Colorado, they returned here Tuesday night.

James Bates, speech instructor, is this year's senior class sponsor.

Nazareth High School will graduate eight girls and six boys at their commencement exercises in the school auditorium on Monday, May 25, at 8 p. m. Father Edmund Hartigan of Amarillo will be the speaker for the occasion. The baccalaureate address will be given at the Nazareth Holy Family Church Sunday morning, May 24.

Valectorian of this year's Nazareth High School graduating class is Virginia Burt. Phyllis Acker was accorded runner-up honors as class salutatorian.

As soon as graduation exercises are over Nazareth seniors will shed their caps and gowns and don travel attire for the senior trip, which this year will take them to Colorado Springs, Colo.

A class of ten seniors will be presented with diplomas at Hart High School. The graduating program for the five boys and five girls that make up the class will get underway Sunday, May 17, at 11:15 a. m. Rev. R. O. Browder, pastor of the Hart First Methodist Church, will deliver the baccalaureate address at the high school auditorium.

Dr. Jack Mears, dear of men at Eastern New Mexico University, will be the commencement speaker. The high school auditorium will also be the scene of commencement exercises, which are set for Friday, May 22, starting at 8:30 p. m.

Shirley Sharp, daughter of Mr. and Mrs. Al Sharp, compiled the best grade average to be chosen as the class valectorian. Peggy Davis, daughter of Mr. and Mrs. T. R. Davis, is the class salutatorian.

This year's senior class sponsor is A. R. Bostick, math teacher and coach at the high school.

A list of the county graduates is as follows: Dimmitt—Milton Milton Bagwell, Kay Bearden, Yvonne Bearden, Kenneth Bishop, Elmo Blackwell, Franklyn Brown, Liith Bruton, Roger Buckmaster, Jesse Burch, Jacqueline Clark, Barbara Clark, Katy Coke, Braunitta Cole, Jackie Copeland, Decima Dennis, James Dobbs, Rex Easterwood, Kenneth Fulfer, John Gilbreath, Billy Gregory, Billy Henderson, Bobby Jones, Kenneth McDermitt, Ray Murphy, Roy Murphy, Sandra Neumayer, Le Nora Poe, Shirley Pope, Jeanette Powell, Leland Shelton, Paul Starford, Dalia Twiner, Mitzl Wilson, Lindon Wolfe and Pat Carpenter.

Nazareth—Phyllis Acker, Mary Ann Acker, Don Acker, Kathryn Baucus, Estelle Hoelting, Evelyn Stork, Clyde Hoelting, Elmer Huseman, Floyd Schulte, Edwin Schacher, Michael Schacher, Irene Schacher, Grace Schacher, and Virginia Burt.

Hart—Antoinette Bauman, John Bridges, Shirley Clark, Peggy Davis, Bill Hill, Clifford Minshew, Peggy Murray, Shirley Sharp, Jimmy Bostick and Don Winnett.

Arney School Division to Dimmitt And Nazareth Is Approved By Board

Petitions by residents of the Arney Common School District calling for the annexation of certain sections of land in the district to the Dimmitt and Nazareth School Districts were approved as petitioned by the county board of trustees at a special session Saturday.

The approved petitions, which are immediately effective, provide for the transfer of approximately 28 sections of land to the Dimmitt district and nine sections to the Nazareth district. These sections will be taken off the Arney tax rolls and put on the tax rolls of the Dimmitt and Nazareth districts. No increase in taxes in Dimmitt or the Nazareth district is anticipated because of the transfers.

The move will increase the Dimmitt School enrollment by

some 18 students. Six families live on the nine sections being annexed to the Nazareth district.

The two transfers will provide Arney School children with high school facilities as the school there only included grades one through seven.

No further action was reported on the petition by residents requesting that some 40 sections of land in the district be consolidated with the Happy School District. This transfer, because it is a consolidation of districts, requires an election by both Arney and Happy residents before it becomes effective. County Judge Robert Estes has contacted Swisher County Judge Claude Shelton in regard to setting an election. The election reportedly will be set in a few days.

W. H. Brown Hurt In Accident Here

W. H. Brown, head of the Brown Gin Company of Levelland, was injured in a fall late last Thursday while supervising construction of Dimmitt's newest gin. The accident reportedly occurred when Brown fell from the entrance of the gin on a hard surface.

The victim was taken to Plains Memorial Hospital for emergency treatment. Hospital attendants said he suffered a fractured right hip. His condition was described as good Wednesday but he will be confined to the hospital for further treatment. Brown was crippled earlier in his life when he lost his right leg, according to attendants. The new injury must be carefully treated because of this fact.

Brown is building the new gin here at a cost of approximately \$150,000. Construction started only last week. The gin owner reportedly plans to move to Dimmitt.

Bill Hunter Elected

Bill Hunter, Dimmitt freshman, was recently elected to Sophomore Post 1 of the Student Senate in an election held on the West Texas State College campus. Hunter has served throughout his freshman year on the senate.

Hunter is the son of Mr. and Mrs. Sam M. Hunter, Dimmitt.

Mr. and Mrs. R. D. Rogers visited her parents, Mr. and Mrs. D. C. Baker of Lubbock, last weekend.

Halt on Sale of School Is Sought

A group of progressive-minded Dimmitt citizens have banned themselves together and are seeking a halt sale of the old school building in southwest Dimmitt until an effort can be made to acquire the property and convert it into a community center.

The board of trustees of the Dimmitt Independent District has been petitioned by the group requesting that action on sale of the property be held up. Texas of the petition follows: "The undersigned citizens of Dimmitt, Castro county, hereby request that the school board withhold action on the sale of the old school building in southwest Dimmitt until an effort can be made to acquire the same for a meeting place for various clubs and organization and the grounds for playgrounds for children."

The school board reportedly have taken the matter under advisement and was to render a decision sometime this week.

Little League Is Off To Good Start

Little League baseball is taking a firm grip on Dimmitt with the disclosure this week that kids in the area are practicing on a vacant lot near Carl Kemp's residence on West Bedford street.

Some 25 youngsters turned out for the first Little League meeting held recently in the rear of the high school, according to Thomas Harrison, who has been instrumental in getting the league organized. Harrison said the outlook is favorable for a good team, but that equipment is still needed. Anyone wishing to contribute toward financing equipment should contact Harrison at his office or telephone.

Harrison said that the immediate objective is to work up a Little League schedule and organize some five teams in surrounding towns.

Judging Committee To Tour Sunnyside

A Rural Neighborhood Progress Contest judging committee from the state extension service was scheduled to be in Dimmitt Thursday at 8 p. m. to tour the Sunnyside Community, which is entered in the contest, according to an announcement made by E. C. Martin, state leader.

The purpose of the judge's tour supposedly is to determine whether Sunnyside will be in the top tier category of communities placing in the contest and what their rating will be.

The committee will tour Sunnyside improvements that were made during the contest just as they will the other nine communities entered in the contest before making their final decision on a state basis. They are expected to announce final placings in mid June.

Dimmitt High Students To Appear in Concert

Four Dimmitt youths will be among those appearing in vocal concert in Hereford, Monday and Tuesday, May 18-19.

Louise Simpson, Bennie Gollehon and Fawayne Murphy, all Dimmitt High students, will be on the Monday program which starts at 8 p. m. at the First Methodist Church of Hereford. Appearing on the Tuesday program, which will also be held at the church at 8 p. m., will be Dale Russell.

The public is invited to attend the concert which is sponsored by the Mattie Mae Swisher Studio of Singing in Hereford.

Red Cross Blood Mobile Slated To Visit Dimmitt For 1st Time June 3

Castro county will be seeking to go over the top with its drive for blood when a mobile unit of the American Red Cross visits Dimmitt for the first time on June 3, according to Gene Rutledge, newly appointed chairman of the county campaign. Named to serve as chairman in charge of arrangements is Mrs. R. P. Wesson.

Rutledge disclosed that the county goal has been set at 200 pints of blood. The chairman added that a meeting would be held in the district court room of the courthouse Friday night to formulate plans for the campaign. He urged all interested in the project to be in attendance.

Tentative plans are for Red Cross helpers, who will arrive on the blood mobile, to set up quarters in the high school cafeteria.

52 Farmers and Businessmen Hear Address Given By Rev Brashear

Amidst laughter and loud rounds of applause evoked by the Rev. D. W. Brashear, principal speaker for the second farmer-businessman dinner at the Jumbo Community Tuesday night, some 52 farmers and businessmen from Jumbo and Dimmitt respectively, shared an evening of entertainment and fellowship.

The Dimmitt Chamber of Commerce sponsored event, which is held once each month at some community in the county, was climaxed by an auction of vanilla flavoring which netted some \$89. All funds derived from the auction will be used to help finance worthwhile projects in the Jumbo Community.

Preceding an address by Rev. Brashear, a group of Jumbo residents presented a short pantomime which was accorded a rousing applause.

The retired Dimmitt Methodist preacher remarked that the people living in this section of the world are living in the lap of luxury. In reminding the group of the tremendous strides and progress made in the rural areas, the speaker said, "It is impossible to evaluate the influence that has gone from this school house (former Jumbo school) but now a community building into the world."

In commenting about the fine books of literature, institutions and other great achievements

made in Texas, Rev. Brashear said, "If these institutions are to be perpetuated it will be by progressive-minded people such as you." He continued, "It is because of the great interest manifested between town and country that we achieve such great things."

The speaker cited the increased trend in church attendance and pointed out that the church is the basis of our existence. "Because of this, he said, there is more faith, honor and integrity now than the world has ever known."

Rev. Brashear concluded, "I am happy to renew old acquaintances and meet new friends. It is a pleasure to be here."

County Agent McLeroy spoke briefly summarizing the achievements made by Jumbo in the Texas Rural Neighborhood Progress Contest.

B. M. Nelson, Castro County News publisher, was in charge of the auction, which was considered a big success by all in attendance. Following the auction Nelson told the group, "We enjoyed our visit and hope that you will come to see us. We assure you that it's a pleasure and a privilege to be here with such fine people."

Dean Barden, Jumbo farmer, extended an invitation on behalf of the farmers for the businessmen to make a return visit. Barden expressed appreciation for the opportunity of getting together with businessmen for an evening of fellowship and fun.

The dining hall of the community house, scene of the dinner, was attractively decorated with flowers. All food for the occasion was prepared by women of the Jumbo Community.

Work on Ball Park Here Is Delayed

A delay in shipment of materials and the necessity of re-ordering some equipment has held up construction on the new baseball park here, according to Thomas Harrison, secretary of the Dimmitt Ball Park Association.

Harrison said members of the association and others interested in the project expected to set poles up around the field sometime this week. A fence partially around the park will also be constructed.

Total cost of the project is set at \$3000. This includes equipment already purchased from Wildorado, new equipment and cost of the lot purchased for the site of the park. The lot was purchased from the Dimmitt Gin Company. It is located immediately south of the fairgrounds.

Completion date for the new park has not been set but it is expected to be ready by the time the season gets underway in the area.

Large Crowd Seen For Hart Rodeo

The Hart Invitational FFA Rodeo, slated for the Hart FFA Arena, Friday and Saturday, promises plenty of excitement and entertainment, according to latest information received from the sponsors of the event, the Hart Future Farmers of America Chapter. Starting time for events will be 8:30 o'clock each night of the rodeo.

Already entered and competing for trophies in the event are Springlake, Tulia, Muleshoe, Boys' Ranch and Hart FFA Chapters. Awards will be given entries.

Features of this year's rodeo are bareback riding, bull riding, girls' barrel race, calf roping, ribbon roping and special riding events. An added feature will be provided by a Boys' Ranch musical troupe.

Admission prices for adults will be \$1 while students will be admitted for 50 cents. Ticket sales are reported brisk and a large crowd is anticipated for the widely-celebrated and popular rodeo.

Lion Club Members Discuss Plans For Honoring Outstanding Farmer

At the regular weekly luncheon meeting of the local Lions Club, Tuesday, County Agent Edd McLeroy informed Lion members that plans are underway to select the outstanding Castro county farmer in soil conservation this year for this district. McLeroy also exhibited the Lion plaque that is awarded each year to the farmer that is cited for this distinction.

Lion T. A. Singer, in response to McLeroy's question as to what Lion members planned for this year's selection and presentation, remarked, "I would like to see a fine program. Let's make the farmer that is selected know that he had done a fine service not only for his particular vicinity but for the county also. We can't do too much in honoring this man for he has done much to help prevent the depletion of our soil."

McLeroy pointed out that the matter should be taken care of before the regional program at Memphis on May 23. Awards will be presented to all farmers from each county in the soil conservation district that are selected for the honor at the Memphis event. Selections are based on the accomplishments made by farmers in soil conservation.

Lion President Russ Moran suggested that the club devote an entire program (or meeting) to honoring the farmer that is selected. Club members voiced unanimous approval.

Sewing Machine Is Won by Mrs. Witt

Mrs. Marvin Witt of Dimmitt was very doubtful as to her chances of winning a new sewing machine when she entered a General Mills jingle contest, recently. But when she received a letter on Mother's Day from the company, informing her that she had won, she enthusiastically remarked, "I just won't believe it until it's setting in the house."

Mrs. Witt said she saw the contest advertised in the paper and decided to enter; it was the first time she had ever entered a contest of this nature and admitted that she was very happy over the "whole thing."

The proud winner filled out a jingle advertising one of the company's products and took first place among a field of several thousand entries. She will receive a Necchi cabinet model sewing machine as soon as it can be shipped here.

Mrs. Witt thought it very coincidental that she received the "wonderful news" on Mother's Day and exclaimed, "It's a very fine Mother's Day gift."

Soil Conservation Tour is Slated

A soil conservation tour will be conducted in the southwest part of Castro county, Tuesday afternoon, May 26, County Agent Edd McLeroy announced this week.

The tour will give those making the trip a chance to observe soil building practices, fertilizer demonstrations, underground concrete pipe and other soil conservation practices.

The tour is being conducted by the Running Water Soil Conservation District and state extension service. Details of the tour, according to a later date.

CAPTAIN JOE D. BAILES

Capt. Bailes Cited By President For Making Supreme Sacrifice In Korea

Captain Joe D. Bailes, Marine fighter squadron pilot who died here before being re-called to active duty, has been accorded heroic praise and commendation by President Dwight Eisenhower for giving his life in line of duty in Korea on May 6, 1953.

The husband of Jane Bailes, who serves as principal of the local high school, and the son of Dr. and Mrs. Porter Bailes of Tyler, Captain Bailes was given the following recognition which was received here by Mrs. Bailes in the form of a telegram: "In grateful memory of Joe D. Bailes, who died in the services of his country on May 6, 1953 in Korea. He stands in the unbroken

line of patriots who have dared to die that freedom might live, grow and increase its blessings. Freedom lives and through it he lives in a way that humbles the understanding of most men." The telegram was signed, Dwight Eisenhower, president of the United States.

A graduate of Tyler High School, Captain Bailes received a degree from Baylor University. He was association president of the Baptist Brotherhood for this area and a past president of the Towr Hall, which was active here two years ago.

Captain Bailes was a Marine reserve and also saw action in World War II. He served as sales manager for Kiprpatrick Sales here before being called back into service.

During his latest tenure in service he piloted a F9F "Panther Jet" and was attached to the First Marine Air Wing. He had been overseas only about seven weeks when word was received here that he was killed in action.

Besides his wife and parents, he also leaves a brother, Porter Bailes, Jr., of Tyler, and his father and mother-in-law, Mr. and Mrs. W. E. Kiprpatrick, Dimmitt residents.

Hospital Price Offer Is Boosted By Commissioners

Castro county commissioners agreed to boost their original purchase offer for Plains Memorial Hospital and its facilities at a regular meeting, Monday. The new offer, free of stipulations, amounts to \$70,298.

The new offer has not been officially tendered to the hospital board of directors but chances for approval by directors is reported favorable.

Commissioners passed an order authorizing the issuance of \$70,000 in bonds and will have them printed and ready if they are needed, according to County Judge Robert Estes.

Commissioners increased their original offer of \$64,776.83 plus notes receivable of \$12,000 after the hospital board requested a modification of the figure, explaining that it could not meet the notes receivable figure.

No further action was reported in connection with leasing the hospital. Levelland Physician Dr. Jeff Davis has tendered a provisional offer for leasing the building and its facilities. Commissioners are considering the offer but it will not become effective, if accepted, until the hospital becomes county-owned.

Walker Fined for Possessing Beer

John W. Walker, who was jailed here the early part of May on charges of unlawful possession of beer and illegal parking, was fined \$100 and court costs Monday by County Judge Robert Estes for possessing beer. The defendant was fined \$25 and court costs in justice court for illegal parking. Walker was arrested Monday, May 4, by highway patrolmen south of Nazareth after his car was involved in a collision. Otto Dinwiddie of Hart was driving the automobile that crashed into Walker's vehicle. Dinwiddie told patrolmen that the other car was parked in the middle of the road with its headlights out, and that he failed to see it in time to avoid the collision.

Dinwiddie was hospitalized here but was released last week. Hospital attendants reported that he suffered a fractured wrist and bruises.

Annual Book Club Luncheon Is Held

A total of 21 members were present for the annual spring luncheon of the Dimmitt Book Club, which was held in the home of Mrs. J. C. Gilbreath. Following the luncheon, Mrs. R. B. Boren reviewed the book, "Teachers Are People" by Virginia Church. The room in which the luncheon was held was attractively decorated with a mantel piece of peonies and iris and a dining table centerpiece of silver candelabra epergne arrangement of iris, dried spira and snow balls. Mrs. Jack Miller of Amarillo, a charter member of the Book Club, was a guest at the luncheon.

Mrs. Mamie Williams and daughter of Henryetta, Okla., visited this week in the home of the former's brother, the Rev. and Mrs. D. W. Brashear and family. They were enroute to California for a months visit.

Motor Installed in Fire Truck

The Dimmitt Fire Department was given a boost in efficiency over the week-end when Fire Chief Reuben Mayfield disclosed that a new motor was installed in one of the department's trucks. Mayfield also revealed that the department's new truck would arrive here May 24, giving the fire station an additional boost, which might ultimately result in a new rating for the department.

The new motor was installed in the department's 1942 Chevrolet truck late last week. Mayfield did the job in his shop at a cost of \$300 to the city.

The fire chief commented that the new engine will increase the power and speed of the old truck. He said the old motor was in bad repair.

Local firemen attended a fire convention at Borger Tuesday where they were brought up to date on the latest methods of handling equipment and combating fires.

Mr. and Mrs. John Blaine and children spent the week-end in Dimmitt with friends.

Mr. and Mrs. C. G. Miller and Mrs. Pearl Sheffy visited relatives in Portales, N. M., recently.

Service Stations Are Leased Here

Two service stations in Dimmitt were leased recently and set up under new management, it was disclosed this week.

Homer "Zeke" Hyatt and Joe Thompson have leased the Phillips 66 station at the corner of West Bedford and West Second Streets from its owner, Fred Bruegel. The other station, located north on Highway 51 and formerly known as Northside Service Station, was leased by Hyatt and Thompson from Mrs. Blocker.

The two men have already taken over operation of the stations and a formal opening will be set at a later date. The stations will be under independent operation.

One station will be known as the Highway 86 Service Station and the other as Highway 51 Service Station. Equipment of the Highway 86 Station was purchased by Hyatt and Thompson from W. E. Kirkpatrick Sales Company. The 51 service station equipment was purchased from Continental Oil Company.

Sunnyside Elects Six New Officers

Six new officers were elected to responsible posts on the Sunnyside Community Progress Organization at the regular monthly meeting of the group recently at the community house.

Those elected follow: Howard Bridges, finance chairman; Mrs. Miburn Conrad, recreation chairman; Lloyd Blanton, road sign chairman; Mrs. Hubert Lilley, food committee chairman; George Brittain, photographer; and Mrs. Lloyd Blanton, publicity chairman.

State judges from the extension service were to make a tour of Sunnyside improvements early Thursday to determine their ranking in the Texas Rural Neighborhood Progress Contest which they entered a year ago.

WALTER ROGERS' WASHINGTON NEWSLETTER

IS HISTORY REPEATING ITSELF SO SOON? Many have forgotten during the past fifteen years the events that preceded World War II. On September 15, 1938, the Prime Minister of England, Neville Chamberlain, met with Hitler at Berchtesgaden concerning the Sudetenland. Hitler demanded self-determination for Sudetens and their return to Germany; he promised to refrain from hostilities until after Chamberlain's consultation with the British Cabinet. This was because the Prime Minister did not have authority to make commitments for the British Empire. Subsequently, on Sept. 22nd, Chamberlain and Hitler again met at Godesberg. The Prime Minister refused Hitler's demands for the immediate occupation of Sudetenland. Hitler refused to guarantee frontiers until his minority claims were satisfied. On September 29, 1938, the conference at Munich was held. The four powers, Germany, Italy, Great Britain and France, agreed to cession of Sudetenland. Britain and France offered to guarantee new boundaries of Czechoslovakia against external aggression. This was perhaps due in part to the indications on the part of Hitler that he was interested primarily in Sudetenland and did not anticipate or have in mind any hostilities. On October 1, 1938, in keeping with the Munich conference, Hitler occupied Sudetenland. On March 15, 1939, exactly six months after the Berchtesgaden meeting, he occupied Czechoslovakia. On August 23, 1939, the Hitler-Stalin non-aggression pact was entered. On September 1, 1939, Hitler invaded Poland. On Sept. 3, 1939, Britain declared war on Germany. On June 22, 1941, Hitler attacked Russia. You will recall in the beginning Hitler began his program on the theory that the German people needed living room. Shortly after World War II, and so far as we know before the end of World War II, Russia began moving on her program which for all intents and purposes has as its ultimate objective the same as was Hitler's, to wit, world domination. Russia's program differs from Hitler's only in the fact that Russia has not offered any excuse for her aggressive actions. She has moved in almost identical pattern, subjugating one country after another, and has procur-

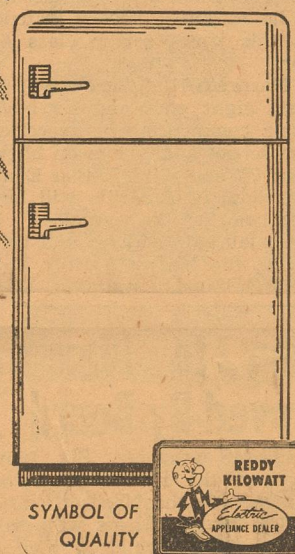

ed the willing services of the communistic forces in China and North Korea to carry the battle in Korea up to the present time. There has been some wonder as to what the next step would be after Korea. However, there seems to be little doubt now as to the correctness of the predictions that her next move would be in southeast Asia. It has been concluded by many here that Russia is delaying the present truce talks on the theory that she has full control of determining the day of cease-fire in Korea. The reports are that many of the Red Chinese troops are moved out of Korea. Where they are being moved to is not presently known, but it is safe to assume that they will be used as seasoned troops to bolster and carry attacks in Indo-China. When such movement of troops and building up of supplies have reached a point satisfactory to Russia and China, these two will then work out the necessary mechanics for the cease-fire in Korea. They feel that the progress of the truce talks so far leave them in a good position, as they have Korea, a divided country, with the dividing line just north of the 38th parallel. This does not meet with the approval of the South Koreans, and Russia knows that the situation there will continue to smoulder to the extent that the United Nations must maintain some sizeable force in South Korea. The communists will undertake to make cease-fire day conform to their timetable. This they can do by making certain commitments and then violating them, as they have so many times in the past, and as they have in recent days concerning the return of sick and wounded POW's. The communists are not interested in the controversial POW's held by the United Nations, except to use them as a pawn for argument and delay purposes. The communists have an abundance of manpower and are not interested in the POW's who do not want to return to communism, except for the purpose stated. The communists have forced the United Nations to give both men and material to the Korean front. They have substantially accomplished their purpose in that field and will move into Indo-China and other portions of southeast Asia to gain control of the vast supply of raw material in that sector that are so necessary in waging war. They will then no doubt move either into India or the Middle East, the latter for the oil that they so badly need for their war machine. Continental Europe will of course be next on the list as it has always been the prime target outside of the Americas. All of this adds up to one thing. The United States must awaken now. We must build the strongest possible defense. The primary problem of this nation is not domestic at this time. It is inter-

national, and if we fail to recognize what is so obvious and lessen our defenses and our defense program, we will be like an ostrich with his head in the sand. We can expect another Pearl Harbor, which of course will mean World War II. We in this country have within our power to prevent history from repeating itself in this respect. We must not fail.

No doubt about it...

Chevrolet trucks must be the best buy!

This year—for the 12th straight production year—truck users are buying more Chevrolet trucks than any other make. That couldn't be true unless Chevrolet trucks offered more of what you want.

Already, 1953's official sales figures tell a remarkable story of clear-cut and decisive preference for Chevrolet trucks. But, this is not surprising, for Chevrolet trucks everywhere are discovering how far ahead of all others Chevrolet trucks really are.

They are discovering things like the tremendous new power in advanced Loadmaster engines in heavy-duty models . . . the remarkable gasoline economy . . . the extra ruggedness and strength of heavier, more rigid frame construction. And, in addition to all these advantages, the Chevrolet line lists for less than any other trucks of comparable size and capacity. So, before you buy any truck, stop in and see us.

The biennial initiation of Court Archbishop Gerken 1368, of the Catholic Daughters of America, will be held on Sunday, June 7. Plans for the day, as announced at the May 6 meeting of the court, include a tea and dance.

The fraternal group chose Mrs. Leo Ehly as its new grand regent; Mrs. Ray Annen, vice regent; Regira Brockman, prophetess; Mrs. Leonard Wilhelm, financial secretary; Mrs. Joe Birkenfeld, historian; Mrs. John Schacher, treasurer; Mrs. Frank Leinen, monitor; Mrs. Emil Huseman, sentinel; Mrs. Tom Annen, lecturer; Mrs. Florence Albracht, organist; and Mrs. Frank Annen and Mrs. John Hanson, trustees.

The newly-elected officers then chose Father Morsch as their chaplain.

The present lecturer, Mrs. Tom Annen, gave a financial report of the year's work of the lecturer's committee. The remainder of the lecturer's fund is to be used for the purchase of a new stove for the community hall. Appointed by the grand regent to buy the stove were Mrs. Tom Annen, Mrs. Ray Annen, and Mrs. Ed Brockman.

The CDA voted also to adopt a Korean family, to whom they will send financial aid. Following their custom, the group will also give the money for the Bible awards to the children of the various grades.

In their May 3 meeting, the mothers' group voted to send their officers to the meeting of the Catholic State League in San Antonio, July 18-23. The officers are Mesdames Ed Brockman, Henry Wilhelm, Leo Ehly, and Chris Birkenfeld.

Report of the Lamesa DCCW meeting was presented to the assembly.

Mother's Day was marked in Nazareth community by an entertainment by the Children of Mary for their mothers. Special guest at the program was Mrs. J. E. Hyland, who has been chosen the Catholic Mother of the Year in the Amarillo diocese. She received gifts from the Mothers' Society and the Children of Mary. As the mother of the largest family, among mothers present, Mrs. Hyland was given another gift. The oldest mother was Mrs. Louisa Kern; the most recent mother, Mrs. Arnold Brockman; and the youngest, Mrs. John Warren.

Cyril Brockman, prefect, gave the address of welcome. Ted Conrad and Gladys Annen each presented a reading. Rubye Mae Annen presented the Children of Mary gift to Mrs. Hyland, and offered the congratulations of the sodalists. A response on behalf of the mothers was given by Mrs. Joe Warren.

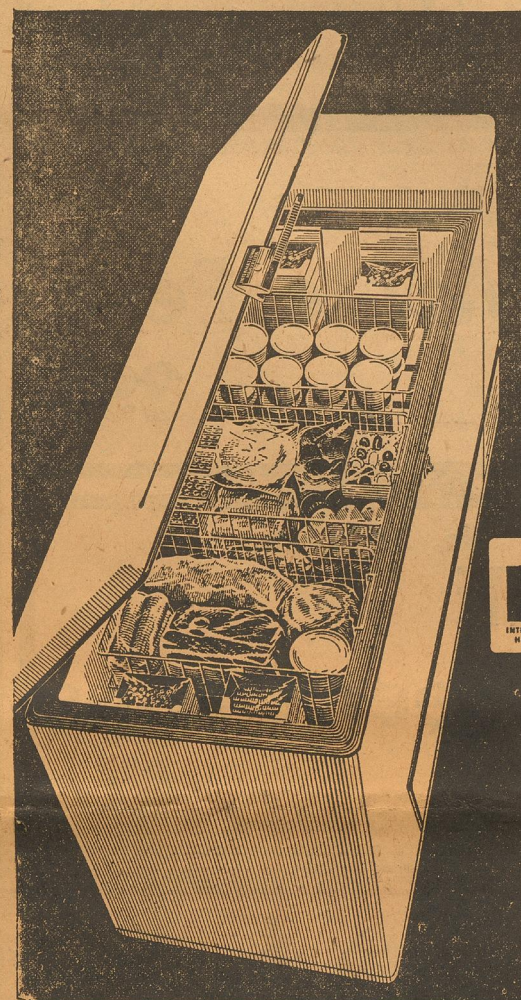

Father Thomas Moore, CSSR, was the main speaker on the program.

For those of you planning summer camping trips, here are a few suggestions on food by Colonel Townsend Whelen, noted camping authority.

MEATS—Fresh meat will keep several days without refrigeration if hung out at night where the cool air will chill it. Bacon, ham dried beef will keep indefinitely

without ice if you keep them wrapped in wax paper away from flies and bugs. There are wonderful selections of canned meat and fish on all grocery shelves nowadays. Fresh eggs will keep for weeks if each is dipped in paraffin or even wiped with a little lard and then wrapped in newspaper to keep from breaking. Egg powder used alone is no substitute for the fresh article, but is fine when used in bread and puddings, or scrambled with creamed dried beef.

VEGETABLES—By all means take all the fresh potatoes and onions you wish in an old gunny sack. Lettuce, cabbage, celery, radishes, etc., will keep for weeks wrapped in wax paper or aluminum foil and then in brown paper. Canned corn and tomatoes go fine in camp. A can of old tomatoes makes a splendid drink in hot weather. Personally, I draw the line at dehydrated vegetables, which cannot compare with the fresh article it is so easy to take.

FRUITS—Fresh oranges, bananas, lemons and apples are always desirable. The first two will keep well without ice for a couple of weeks and the last two almost indefinitely. Then there are all the dried fruits—apples, prunes, apricots and berries which need only to be stewed and sweetened with sugar.

BREADS AND CEREALS—With a bag of flour and a can of baking powder you can always have fresh bread and biscuits. Self-rising pancake flours are convenient. Many bread and biscuit mixes will be improved with the addition of powdered milk, lard or butter for shortening, and corn meal. Don't hesitate to take along baker's bread which will keep perfectly the first week. Cereals are quicker and easier to prepare than bread and very nutritious substitutes for it—rolled oats, corn meal, hominy grits, etc.

CONDIMENTS and SEASONINGS—Butter keeps alright for weeks if kept reasonably cool; or canned butter is just as good and keeps indefinitely. Salt and pepper of course, and an extra amount if you are going to use salt to preserve skins or the pepper to keep flies from meats. Most campers use the frypan so much that a large can of lard or vegetable shortening is needed. Curry powder is fine for seasoning meat and rice, if used sparingly. Add a jar of mayonnaise dressing so you can have salads. Sweet chocolate comes in fine for lunches.

convention. In the summer of 1951 he directed the public relations for the Plainview Hospital and Clinic.

Hilburn is a night editor for the Daily Texan, University student newspaper, and has reported sports on the Plainview Evening Herald. He is the son of Mr. and Mrs. H. S. Hilburn, 707 West 11th, Plainview.

Egg powder used alone is no substitute for the fresh article, but is fine when used in bread and puddings, or scrambled with creamed dried beef.

VEGETABLES—By all means take all the fresh potatoes and onions you wish in an old gunny sack. Lettuce, cabbage, celery, radishes, etc., will keep for weeks wrapped in wax paper or aluminum foil and then in brown paper. Canned corn and tomatoes go fine in camp. A can of old tomatoes makes a splendid drink in hot weather. Personally, I draw the line at dehydrated vegetables, which cannot compare with the fresh article it is so easy to take.

FRUITS—Fresh oranges, bananas, lemons and apples are always desirable. The first two will keep well without ice for a couple of weeks and the last two almost indefinitely. Then there are all the dried fruits—apples, prunes, apricots and berries which need only to be stewed and sweetened with sugar.

BREADS AND CEREALS—With a bag of flour and a can of baking powder you can always have fresh bread and biscuits. Self-rising pancake flours are convenient. Many bread and biscuit mixes will be improved with the addition of powdered milk, lard or butter for shortening, and corn meal. Don't hesitate to take along baker's bread which will keep perfectly the first week. Cereals are quicker and easier to prepare than bread and very nutritious substitutes for it—rolled oats, corn meal, hominy grits, etc.

CONDIMENTS and SEASONINGS—Butter keeps alright for weeks if kept reasonably cool; or canned butter is just as good and keeps indefinitely. Salt and pepper of course, and an extra amount if you are going to use salt to preserve skins or the pepper to keep flies from meats. Most campers use the frypan so much that a large can of lard or vegetable shortening is needed. Curry powder is fine for seasoning meat and rice, if used sparingly. Add a jar of mayonnaise dressing so you can have salads. Sweet chocolate comes in fine for lunches.

Apply in Advance For Home Loans Veterans Are Told

Veterans who plan to seek GI loans from private lenders for homes, farms or businesses should apply to Veterans Administration regional offices in advance for certificates of eligibility, Robert W. Sisson, Manager of VA Regional Office, Lubbock, announced today.

This will reduce delays in processing the loan application later, Sisson said, when the veteran is anxiously awaiting completion of the deal or is pressed for time to close the loan.

Certificates of eligibility are proof for lenders that VA will guarantee or insure a loan if the veteran meets other usual loan requirements.

In the past, veterans have been advised to submit their discharge or separation papers to the lending institutions making the loan. They in turn would submit them to VA on behalf of the veterans.

Now, to pass on a veteran's eligibility, VA must know whether the veteran served in World War II or since the start of the Korean conflict, or both; what prior use of his loan guaranty benefits, if any, has been made; the status of any prior GI loans, and whether the veteran still owns real estate purchased with such loans.

Thus, by applying to the VA Regional Office at Lubbock in advance, veterans and lenders may save considerable time in processing the loan application.

Loan Guaranty personnel at the regional office can quickly determine what will be required in order to pass on a veteran's eligibility, Sisson said. This will do away with needless correspondence and expedite issuing certificates.

Most World War II veterans have until July 25, 1957 in which to apply for GI loans under the original GI Bill, but veterans with service since June 27, 1950, the beginning of the Korean conflict, have until ten years from the end of the current emergency in which to apply.

Currently serving as deputy district governor under Milton Morris, Gentry is a Key and a Master Key member and has a 100 per cent attendance record since becoming a Lion. He also served as zone chairman under Dr. Marshall Harvey in 1950 and 1951.

Gentry is widely known and has engaged in extensive operations on the Plains. He is credited with doing much toward the advancement of modern and progressive agriculture during his period of 33 years in the farming industry.

Dimmitt Resident to Get Rank of Ensign

Among the 837 men graduating with the rank of Ensign, from the Navy's only Officer Candidate School is John D. Damron, son of Mr. and Mrs. Clyde T. Damron and husband of the former Miss Clydene C. English all of Route 4, Dimmitt.

These new officers will join other OCS graduates already serving every type of ship in the fleet.

Many will go to specialist school where they will be trained further as pilots, aviation ground officers, beach masters, underwater demolition team officers or "frog men", gunnery liaison officers, who may eventually serve with the Marines in Korea, and some will receive training for Navy Research projects.

In four months of intensive study and training, these men have covered the same Naval subjects that College NROTC students do in four years. Foremost in their study was gunnery, navigation, seamanship, engineering, damage control and operations.

Franklin Swanner Circle Has Meeting

The Franklin Swanner Circle met with Mrs. Dennis for Bible study, recently. The meeting was opened with prayer.

After business reports were assigned, an interesting lesson was given by the teacher, Mrs. Strother.

The circle will meet at the church for missionary program, Monday, May 18, at 4 p. m. All members are urged to come.

Refreshments were served to Mesdames Howell, Newton, Boothe, Strother, Curtis, Hendrix, Greathouse, Hays and Ramsey.

What Makes One Job Better Than Another?

What if the tables were turned . . . and college graduates stopped filling out job applications, and instead, submitted questionnaires for companies to fill out? It might be they would ask:

"Why should I work for your company? . . . Is your bank balance healthy? . . . Are you expanding fast? . . . Will I get responsibility in a hurry? . . . Can I pick the type of work I like? . . . Are you fun to work with? . . . Do you have smart men I can learn from? . . . Free schooling to train me further? . . . Research and know-how? . . . Money for the finest equipment? . . . Will you recognize and utilize my talents?"

Isn't it a sign of a pretty good job when young men with talent can have a clear road ahead, can learn from people they respect and admire, and can work on projects of national importance?

From where we sit, we've been watching this happen. Teams of people at General Electric—in their twenties most often—are solving problems of jet plane engines, new chemicals, home appliances, guided missiles . . . everything from atomic power to air conditioning. And they're working in responsible jobs, with experts of recognized authority.

Maybe it's because we're growing fast that young men move into new and bigger jobs. Or because we've been lucky enough to hire the type of men who grab responsibility and work hard to achieve success. Whatever single factor or combination it is, young men and success do go together at General Electric.

JUMBO NEWS

Jimmy Carrol Hyatt and Sonya Lowe of Dimmitt and Lauretta Binn of Jumbo spent the night with Louise Simpson last Wednesday.

Mr. and Mrs. H. E. Rich left May 13 to meet their son, Hugh Lee who is serving in the Navy on the U. S. S. Repose, a hospital ship. He has been in Korean waters for some months. They met his ship in Long Beach, California.

While there the Ritch's also visited Mr. Ritch's brother, Jerry Ritch, in Glendale, Calif. Another brother, Percy Ritch, in El Segundo, Calif. and his sister, Mrs. Jack Oliver, of Eagle Rock, Cal. Hugh Lee returned home with his parents and they came by Pueblo, Colorado to visit the Ritch's daughter, Charlotte, who is a dietician there.

Mrs. Bill Simpson has been accepted as a new member in the Les Meres Child Study Club at Hereford. She attended her first meeting Monday night, May 4 at Mrs. Naomi Brisenstrom's.

The Home Demonstration clubs of Castro county entertained the county commissioners Thursday night at the Fair Park with a chicken fry. Those attending from this community were Mr. and Mrs. Virgil Lamb, Mr. and Mrs. Harry Smith and Martha Burt.

Mr. and Mrs. Hugh E. Ritch went to Lubbock Saturday to see Mrs. Rich's mother, Mrs. T. W. Morris, who fell recently.

The Jumbo Home Demonstration club met Thursday at the school house with Mrs. Virgil Lamb as hostess. Mrs. M. L. Simpson, Sr., was program leader. The program was on Bedroom Lighting. Mrs. E. L. Carpenter was welcomed as a new member. Others present were: Mrs. Addison Hunter, Mrs. Harry Smith, Mrs. W. E. Cloudway, Mrs. Dean Barden and Mrs. Bill Simpson.

Mr. and Mrs. R. C. Dobbins of Jumbo and son, Robert of Fort Bliss, Texas, were dinner guests Sunday in the Joe Scott home. Mrs. Dobbins and Mr. Scott are brother and sister.

Mr. and Mrs. Perion Winters of this community had dinner Sunday with their daughter, Mr. and Mrs. Buster Tidwell, south of Dimmitt. Another daughter, Mr. and Mrs. J. B. Davis and children of Littlefield were there also.

Mrs. Bill Carthel was in Plainview on Monday to shop and visit Mrs. Douglas Cox and new baby boy.

Mr. and Mrs. Archie Lamb, Betty Ruth, and Clifford, Mr. and Mrs. Melvin Summers and boys and Oney Lee Lamb all of Dimmitt were Tuesday guests in the Virgil Lamb home.

Mr. and Mrs. Wayne Lawrence and Joe Stagner of Hereford had dinner with Mr. and Mrs. Harry Smith.

Mr. and Mrs. Addison Hunter, Monadelle and Richard ate dinner Sunday with Mrs. Hunter's parents, Mr. and Mrs. E. C. Burks, of Arney.

Mr. and Mrs. Dow Adams, Gary and Linda of Albuquerque, New Mexico, visited in the M. L. Simpson, Sr., home over the week-end. Mrs. Adams is the Simpson's daughter.

Another daughter, Mr. and Mrs. Jiggs Hartman and Denise of Hereford ate dinner Sunday with Mrs. Schuder's brother, Mr. Lorne Holster, and his family of this community.

Mr. and Mrs. M. L. Simpson, Sr., and Louise, Mr. and Mrs. Bill Simpson, Betty and Mickey of Jumbo and Richard Wood of Dimmitt had dinner Sunday with Mr. and Mrs. Jiggs Hartman of Hereford.

The Jumbo Community Progress club met Friday night in the second meeting of the new contest year. Edd McLeroy, coun-

ty agent and G. P. Dyer of Dimmitt showed two films. One on "Parliamentary Procedure" and the other "Price of Freedom".

After the films Dean Barden chairman took charge of the meeting and the following were appointed: committee chairman: M. L. Simpson, Jr.; Increasing and Managing Farm Income, Mrs. M. L. Simpson, Sr.; Improving Health Home Grounds; Mrs. H. E. Ritch, Encouraging Social Participation.

The committees met and made tentative plans for the coming year.

It was decided to meet every second and fourth Friday nights until we get our program underway.

FRIO NEWS

by MRS OWEN ANDREWS
 Sunday was "Family Day" at Frio church services. Family groups sat together, and a sermon by the pastor dealt with the Christian Home. Mrs. T. L. Sparkman, Sr., received the corsage from the church, presented by the oldest mother present, and Mrs. Lester Irwin received the corsage for being the youngest mother present. 105 persons were counted in the Sunday School report and 93 were present for Training Union at the evening worship.

The H. D. Robbins had all their children home for Mothers Day. They are Miss Lyla Robbins of Abernathy, Mr. and Mrs. Weldon Stephens of Hereford, Mr. and Mrs. E. H. Little, Peggy and Becky, Mr. and Mrs. Frank Robbins, Carole and Stevis, and Glenda and Pat Robbins.

Mr. and Mrs. Robert Simpson and Nelle were in Wellington visiting Mrs. Simpson's parents and other relatives during the week-end.

Mrs. H. M. Mobley had her children, the Floyd Coles and Raymond Mobleys, La Nelle Mobley, Austin and Don, all at home during the day Sunday, and during the noon hour the other daughter, Mrs. Lee Johnson of Seminole, called the family on the phone.

Mr. and Mrs. Charles King, and Miss Anita, all of Amarillo, spent Saturday night and Sunday in the parental J. E. Andrews home. Others there during the day Sunday were their other children, Mrs. Elmer Jones, Patsy and Marilyn of Hereford, the Owen Andrews family, the Henry Andrews, and Doris Jean, the T. L. Sparkman, Jr., family and Miss Alma Andrews.

Mr. and Mrs. Laurence Warrick and daughter of Wellington spent the week end with their parents, the J. E. Warricks.

The Herb Schmidts and Ernest Harders couldn't go to see their parents, the D. P. Schmidts, at Clinton, Okla., but they talked with them on the phone. Another son, Leonard, had just called from near Dothan, Ala., where he is stationed in the Army, so it was a three way get-together, for the family.

Mr. and Mrs. H. E. Lindley, Mr. and Mrs. Ted Bush, Mr. and Mrs. Elza Warrick and children visited their parents, the Greens, near Black Sunday. Both Mr. and Mrs. Greens have been ill recently.

The Leonard Irwin family visited his brother, R. C. Irwin home Sunday. They report that Mr. and Mrs. Luther Dowdy and children had moved from Tulsa back to Oklahoma to live.

Mrs. H. M. Mobley visited her sister, Mrs. Claud Price at Floydada, and her other sister, Mrs. Geo. Bentley, of Grand Falls, who met her there at Mrs. Prince's home. They then visited their mother, Mrs. Lelia Taylor, at Throckmorton.

Mr. and Mrs. H. E. Lindley were gone several days last week visiting in Wellington where they picked up Mr. and Mrs. H. L. Duncan, and then went on to Oklahoma City to visit a sister there.

Walthall-Gunter Vows Are Recited in Candlelight Ceremony, May 1

Cathedral candles held in byranch candlelabrums, greenery and floor baskets of white gladioli set a beautiful alter scene Friday evening for the formal ceremony spoken by Miss Mildred Lanelle Walthall, formerly of Dimmitt, and Isaac Henry Gunter, III, of Hobbs, N. M.

Vows were pronounced at 7:30 p. m. in the Second Baptist Church in Odessa with the Church Clergyman Rev. Richard Philpot officiating for the double ring ceremony.

Wedding prelude music was given by Mrs. R. H. Philpot, organist, who accompanied Miss Fippi Slingo, Waco vocalist, who presented, "I Love You Truly" and "Because".

The bride is the daughter of Mr. and Mrs. E. T. Walthall, 2720 North Kay, and the bridegroom's parents are Mr. and the late Mrs. I. L. Gunter, Jr., of Hobbs, N. M.

and then to Siloam Springs, Ark., and Bee Bee, Ark., to visit other relatives. At Bee Bee they visited Mr. and Mrs. Cloyce Duncan, son and daughter-in-law of the H. L. Duncans. Mr. Lindley was also to see his physician. They returned home Sunday.

Mr. and Mrs. W. H. Thompson, Tavana and La Von took Sunday dinner with their daughter, Mrs. Lester Irwin, and her family.

Robert Dobbins came Saturday to spend a few days with his parents, the Carlton Dobbins, and sister, Mrs. Edgar Vinson and girls. Robert has just finished his Army training at Ft. Bliss, El Paso and is to report to Seattle for further assignment.

Mr. and Mrs. Arthur Blackburn and children visited last week at Leonard, Texas, with Mr. Blackburns mother and sister, Mrs. Lewis Collins and family. The Blackburns and Raymond Sargent also visited their uncles and aunts, at Van Alstyne and attended Memorial Services at Cameron Cemetery where their mother is buried.

Young people who worked at the church, painting the Intermediate Sunday School room on Tuesday night were Veradelle Andrews, Nelle Simpson, Sue Ewton, Nora McLallen, Frances Andrews, LaNelle Mobley, Dan McLallen, Glenn Andrews, Billy White, the pastor, D. W. Ward, Mrs. R. L. Simpson and Joe Andrews.

Glenn Andrews visited school at Wayland College with Dan McLallen Tuesday.

Given in marriage by her father, the bride was radiant in a formal floor length gown of white chantilly lace over satin. Fashioned with a deep yoke of tulle, outlined with lace scallops, trimmed with seed pearls and sequins, the gown had a fitted bodice, long sleeves pointing at the hands and a full skirt that swept into a chapel length train.

Her veil of bridal illusion was secured to a crown of seed pearls and silver bugle beads. She carried a white Bible topped with a white orchid showered with stephanotis and ribbon streamers.

Mrs. J. D. McReynolds, Amarillo, the bride's sister, attended her as matron of honor. She wore a gown of pink nylon net over taffeta and carried an arm bouquet of white gladioli. Bridesmaids were Miss Peggy Messenger, Lubbock, and Miss Betty Luckert of Odessa. Their gowns were ice blue nylon net over taffeta, designed ballerina length. Each carried an arm bouquet of pink gladioli. J. D. McReynolds served the bridegroom at best man.

Groomsman were M. L. Hancock, Hobbs, and Jim Conelly of Odessa. Ushers were C. H. Hickman and W. A. Sellers, Odessa.

Immediately following the vows, a reception honored the couple. Held in the bride's home, the hostess received and presented the wedding party.

The bride's table was spread with a lace cloth over pink. The center piece was a beautiful arrangement of white snap dragons and stephanotis. Silver and crystal appointments were used. The three tiered wedding cake was decorated in all white and was topped with a miniature bride and groom in a carriage drawn by white swans. Mrs. F. W. Dodson, Van Horn, served the cake and Mrs. W. A. Sellers presided at the punch bowl.

For traveling, the bride changed into a white imported linen suit with navy accessories. After a short honeymoon in Ruidosa, the couple will be at home in Hobbs.

Mrs. Gunter is a graduate of Dimmitt High School and Odessa College. She attended West Texas State College at Canyon this year and was a business administration major.

Her husband attended John Tarleton College, Stephenville, after graduation from Sundown High School. He is employed with Mid-Continent Supply Co., in Hobbs.

WELLINGTON—Fifteen-year-old Alta Jackson of Quail spelled all other contestants down in the District Spelling Bee contest held at Amarillo recently. She will receive an expense paid trip to Washington, D. C. to compete in the National Spelling Bee. Alta's last remaining opponent went down on the word "Paraphernalia." Odetta Ball of Nazareth was district winner in 1952.

EARTH—Thirteen blocks of street paving were completed here last week. Over 95 per cent of the paving costs will be paid by property owners as soon as the project is completed. The contract provides for a paving strip 30 feet wide.

LOCKNEY—Ralph Johnston has been sworn in as county judge of Floyd county. Johnston was appointed judge by the county commissioners court only recently. He will fill the unexpired term of Frank L. Moore, who died two weeks ago. Johnston served in the Air Force and attained the rank of Major.

MEMPHIS—Identical twin brothers are the valedictorian and salutatorian of Memphis High School. They are Burt and Bob Sheen. A total of 48 seniors will receive diplomas this year.

HAMLIN—Three first division and one second division ratings were awarded Hamlin School bands in the Region 2 band festival held at San Angelo recently. The high school band was accorded first place in concert and sight reading while the junior high band won first place in concert and second in sight reading.

MULESHOE—Plans for a co-op gin were made recently. If enough interest is generated a two-unit gin will be constructed. Twenty-five farmers have already expressed their desire to assist in financing the project.

PLAINVIEW—A deep oil test will be made seven miles south and one mile east of Hale Center

soon. The well will be known as the McGuire No. 1 L. C. Wheeler. It is to be drilled 9,500 feet or to production granite. The well is a farm-out by Stanolind Oil and Gas Co.

HALE CENTER—Part of a shipment of Third Dimension equipment has arrived at the Pix Theatre here and will be installed soon. The Pix will be one of the first theatres in the High Plains area to afford its customers 3D. Only two or three theatres in the entire area now have 3-D.

Construction of a new Phillips 66 Service Station here is under way. The new station will represent the largest private investment ever made in one building project in the city. Plans call for a gas dispensing plant, a wholesale and retail plant for gas, oil, butane and other fuels, a building for an inside wash and grease rack, shop and office, enclosed inside a Spanish-styled plaza. Total cost of the project is estimated at \$72,000.

HEREFORD—Preliminary plans here call for a housing project which will see the construction of 104 new homes. New homes will be GI and FHA financed and will run \$8,000 to \$12,000 in price, including lots with paving.

So called teenage "gang wars" have landed several Hereford youths in jail and others have been assessed fines. The youths were arrested by Parmer county sheriff after they invaded Friona, supposedly to make trouble with youths there. The thirteen boys in the group were charged with "riot."

COLORADO CITY—A crude oil pipeline, largest in North America, was dedicated here this week. The 26-inch arterial giant is 466.5 miles long and is capable ultimately of transporting 440,000 barrels of Permian Basin crude oil daily.

Your present State Legislature has repeatedly turned down a lobbyist control bill which would require lobbyists to register and to state whom they represent. Another bill would require them to reveal their expense accounts and to state the purposes for which these accounts were used. This bill has had even less luck.

As anyone familiar with our government knows, our legislative halls are overrun with paid professional lobbyists. These professionals have long been accepted as part of the Austin scene, daily contacting legislators and carrying on their trade. YET when school teachers, Optometrists, Farm Bureau members and others come to Austin to represent their views, there is always a group of legislators who cry, "Pressure Group."

It is well for everyone to remember that the right "To petition the government" is one of the five basic freedoms guaranteed by our Constitution and the Bill of Rights.

John White, Texas' Commissioner of Agriculture, says grafters are getting a good share of the \$30,000,000 Texas spends each year on cotton seed for planting. He warns of the slicker salesman who claims his product has been treated with a secret chemical to kill cotton pests—or with any wild unusual claim.

Gas companies obtain Texas Panhandle natural gas at unequaled low prices for their pipe lines. Naturally these low prices encourage them to sell as much as possible from our Panhandle fields and to hold other areas in reserve. The best estimates show that this, our gas supply, will last about another sixteen to twenty years.

The pipeline companies repeatedly assure us that they will be eager to send gas—from other higher priced fields—or coal gas from the north when our gas is gone.

Senator Grady Hazelwood, of Amarillo, and most of the Panhandle representatives are sponsoring a bill to conserve our supply

and to make it last longer. They are not having much luck.

Last week, for the first time since 1937, your State Senate applied the Gag Rule. This meant that all debate and right to speak against a bill or any amendment to it were cut off. The legislation under consideration was a series

of bills to OK statewide Toll Road building. This is one of the administrations' pet projects. The opposition to creating this Toll Road system claimed it would cost the people of Texas much more money than if the State continued its present free public highway system. Only four votes were cast against the new plans.

Also last week your State House of Representatives approved a Senate-sponsored resolution asking the Federal Government to quit holding secret hearings but turned down an amendment to stop their own secret, and closed meetings.

*** Texas has only two surviving Confederate Veterans. One is 110 years old Walter Williams, of

Franklin, receives a \$150 per month pension from the State. The other is Thomas Riddle, Mrs. Carrie Hardin, of Childress, discovered him in poor circumstances at Wichita Falls a few years ago and arranged for him to be carried to the Confederate Home in Austin. There, he carries on alone today in a place once crowded with the South's heroes.

Staff Expects Annuals Soon

The annual staff is making only one promise: You will receive your annual. It seems that more and more high schools are publishing annuals, and the printers cannot print them fast enough to deliver the yearbooks on contracted dates. The Newsfoto Publishing Company has assured us that we will receive the annual before the end of school.

If you like any part of the annual tell us. We know you will tell us what you do not like. There are many changes in the make up of the book. Compared with last year's yearbook, there are 28 more pages, 12 of which will come out during the summer. There is a grade school section of 11 pages. This makes a gain of 17 high school pages. Division pages as such have been eliminated. This makes another 11 pages. Thus there will be about 28 more pages of pictures.

All pages contain pictures except the title page and two calendar pages. Division pages will be pictures of students in various activities. These pages will be bordered by drawings by Harold Waggoner. Each division has its own theme. The favorite section will be bordered by drawings by Kenneth Bishop. Also the title page was drawn by Kenneth. The entire book has no theme other than school activities.

New Cheerleaders Are Named

Seven cheerleaders have been named for the 1953-54 football season. The roster will include three freshmen and four sophomores. The freshmen leaders include Wilma Noble, Wilton Ivey, and Mary Coke. Sophomores will be Delores Battles, Belva Warren, LaNette Hoyle, and Jeannie Gladman. Dolores will be serving her second year as cheerleader. It will be the first year for the other six girls. They will be replacing Yvonne Bearden, Katy Coke, Dalia Twiner, Jackie Clark, and Mitzi Wilson, who will be claimed by graduation.

Springtime

by David Adams

Every year at springtime, The earth seems full of magic; All your problems work out fine Nothing happens tragic. It seems to me at springtime This earth contains no sorrow, Day turning to night and Night a better tomorrow. To the spring there is no equal, Nothing quite so fresh and green, Nothing has such priceless treasures, Waiting to be seen. Springtime was surely made for youth, Gaiety, and joy, Just tailor-made for a dog, and A little barefoot boy. Tho' winter's cold and summer's heat, I sometimes can't endure, The beauty of a springtime morn, Make up for it I'm sure. Spring is king of all the year, The monarch of them all. Spring is the best thru any test Of winter, summer, and fall.

Kitten Club Becomes Bobcat Gals

The Bobcat Gals had their first meeting Wednesday, May 6. Pat DeLozier is our new president, and Melba Shelton, vice-president. Betty Faye McDermitt was elected secretary and Rita Holcomb, reporter.

We are to come out with our new suits this next season. They are purple corduroy slacks and weskit with white D. H. S. on each lapel and Bobcat Gals across the back. Our blouses are white corduroy with long, puffed sleeves and purple buttons. We are getting purple and white beanies and white gloves.

Wouldn't you like to join and help us back our team?

Copeland Wins Again

Jackie Copeland repeated his winning in the FFA Public Speaking Contest by placing first at Canyon Saturday in the Area Meet. He had qualified for Area by winning the District at Sudan. The subject of his speech is "Man and the Development of His Environment." Jackie plans to enter the State Contest, which will be held at A & M this summer. Last year he was second in the Area, and Bill Hurter, 1952 graduate, was first in the area and second in the State.

Old Cowhands Hit Trail

So long, Pardon. After a good warm breakfast beside the campfire, we're ready for the trail. Pick up your bedrolls, grab your bandanas, and let's go!

The seniors, wearing Western attire, attended a breakfast given in their honor by the W. S. C. S. in the Methodist Fellowship Hall on Friday morning before leaving on their trip. Lee Stanford, Pastor, gave the invocation. Mrs. Sid Sheffy, accompanied by Mrs. Dilmord Neumayer, led the group in singing "Home on the Range," "Red River Valley" and "Old Texas." Mrs. Sheffy, president of the W. S. C. S., welcomed the seniors. After they had eaten, the group sang "Tell Me Why," "Sing Your Way Home," "This is My Father's World," "Dear Henry and Gentle People," led by Mrs. Stanford. The breakfast ended with the group joining hands and singing the school song. The decorations followed the Western theme. A covered wagon filled with flowers made up the center piece. Miniature campfires provided the light until the sun came up (electric lights were turned on.) A miniature bedroll with a washcloth, toothpaste, and soap were placed favors Red and blue bandanas served as napkins for the affair. Small cowboy and cowboy dolls stood on the place cards.

The menu consisted of steak, fried potatoes, scrambled eggs, hot biscuits, butter jelly, milk, and coffee.

Spring Colors Shown in Fashion Show

Spring colors and gay attire highlighted the May fashion revue presented by the clothing classes of Dimmitt High School last Wednesday, at 7:00. The revue was held in the high school auditorium under the direction of Miss Potts, Homemaking teacher. The First year class modeled skirts and blouses; the Second year class, all occasions; and the Third year class modeled dressy dresses.

The script was written by the students, and reading for the Junior class was Barbara Clark; sophomore class, Lorina McAfee; and freshman class, Wanda Cook.

Louise Simpson sang "Will You Remember," and "Shortnin' Bread." Evelyn McLeod played "Undie the Double Eagle," and LaNette Hoyle completed the program by playing "Wheel of Fortune."

O. C. Renfroe provided incidental piano music during the fashion revue.

The fashion revue was presented in a lovely garden scene. In the background were two May poles decorated with pastel spring colors. Sitting under the poles were Johnnie and Carolyn Holcomb wearing sun dresses that were made by their sister, Rita, a freshman student. The picket fence in the background was loaned for this occasion by the Dimmitt Lumber Company.

In addition to the girls of each class, the department presented Sally Howard. Sally wore a cotton dress made by her sister, Dalvia, a junior student.

Home projects were displayed in the homemaking department. Approximately 150 people were served punch and cookies after the fashion revue.

B & C Dates Set

Once again the time is drawing near to that highlight of Dimmitt High, the graduation exercises.

The Baccalaureate program will begin at 8:00 P. M. Sunday, May 17. The Rev. Earl Landtroop is the speaker. He is former pastor of the First Baptist Church here.

At 8:00 P. M. on Friday, May 22, the seniors will receive their diplomas in the Commencement exercises. Dr. Ira Ihde, vice-president of Eastern New Mexico University, will deliver the address.

Miss Merritt Hostess to Last NHS Meeting

The National Honor Society met Monday night, May 4, at the home of Miss Hazel Merritt for a chicken supper. Buttered corn, tossed salad, creamed gravy, hot biscuits, fried chicken, iced tea, pineapple sherbet, and chocolate drop cake were served by Lilith Bruton, Sandra Neumayer, Decimae Dennis, Barbara Clark, and Miss Merritt.

This being the last meeting, Roy Murphy, President, presented the National Honor Society pens to Sandra Neumayer, Barbara Clark, Lilith Bruton, Pat DeLozier, and Carolyn Campbell. Those receiving pens who were absent were Edwin Cartwright, and Gerald Aldredge. Miss Merritt gave a short, but impressive talk on the ones receiving pens, and expressed her appreciation for the enthusiasm shown by this year's National Honor Society members.

Those who have previously qualified for the National Honor Society are: Yvonne Beraden, Jacqueline Clark, Mitzi Wilson, La Nora Poe, Katy Coke, Roy Murphy, and Decimae Dennis. Other members are Carolyn Bagwell and Eileen Ballard.

Those sponsoring this organization in Dimmitt are Miss Merritt, Mrs. Bailes, Mr. Morgan, and Mr. Smith. Guests were Miss Potts and Mrs. Morgan.

Vandiver Chosen Drum Major

Thursday afternoon, May 7, at five o'clock, the twirlers and drum majors gathered to try out for the 1953-54 season. Trying out were: Twirlers: Melba Chism, Blanche Ballard, Myrna Thompson, Peggy Dixon, and Nancy Neumayer. Drum majors: Jerry Vandiver, Pat Wilson, Wanda Cook, Fawayne Murphy, and Mary Ann Witt. Completion was not known until Friday because of a tie between Jerry and Mary Ann. They both had to direct the band Friday morning. Mary Ann was appointed head twirler and assistant drum major; Jerry was appointed drum major. Since Mary Ann did not get drum major, there were only two places open for twirlers. Peggy Dixon came out on top. Blanche Ballard and Melba Chism had to have a try-out at noon as they were tied. Melba came out on top, and so, with the new drum major, Jerry Vandiver, and twirlers, Mary Ann Witt, Neida Bagwell, Zella Vee Smith, Peggy Dixon, and Melba Chism, the band should look good next year.

These positions in the band will be left vacant by graduating seniors. Kay Bearden is drum major this year, and Shirley Pope is head twirler.

Edwin Writes Letter

I wish to take this means to express my thanks and appreciation to my many friends for the nice television set. It has provided me with many hours of enjoyment. I also wish to thank you for all the cards, letters, gifts, and nice flowers that you have sent me during the past months. Thanks to the Fire Boys for the blood donations and the ambulance service.

Thanks again for everything.
 Edwin.

Banquet Managed By Committees

The Junior-Senior banquet was well worth all the time spent on it. The hall was decorated in a "Gay 90's" style, the theme having been chosen by a committee Carolyn Bagwell, Jack Jones, Eileen Ballard, Don Johnston, and Peggy Alley.

Those who were on the program committee were Pat DeLozier, Gale Sadler, Mary Nelson, and DeWayne Brown. The Gay 90's decorations were done by the decorations committee: Carolyn Rothwell, Fawayne Murphy, Gerald Aldredge, Harold Waggoner, David Adams, Clark Dobbs, Melvin Witt, Dalvia Howard, Laoma Hershey, Nina Drake, Nancy Thomas, Joe Paul Weatherford, Oran Howell, Clarence Rogers, Jimmy Bradley, Jamie Smith, Harley Worrell, and Robert Yates, with other members of the class helping them.

The food, tomato juice cocktail, fried chicken, English peas in potato nest, pickles and olives, stuffed angel food cake, and iced tea was arranged for by Christine Young, Don Hardy, David Burkett, Benrie Gollehon, and Nay Dell Stine.

The class mothers, with Mrs. Bernard Brown acting as chairman, prepared the food.

Howard and Nelson Co-Captains

The Juniors are represented in girls sports by three members. They are Mary Nelson, Dalvia Howard, and Carolyn Campbell. Mary is a three-year letterman and has played "A" team forward each year. She was a captain last season for the Bobbies. Dalvia is also a three-year letterman. She has served double-duty each year as forward and guard. Dalvia along with Mary, is co-captain for the next season. Carolyn has been manager for the last three years.
