GRAND JURY MAKES FINAL REPORT

The 91st district court grand jury impaneled Tuesday morning by Judge Geo. L. Davenport made its final report after being in session four days. Four indictments were returned. The jury was discharged.

It was stated at the Sheriff's office that the persons against whom the indictment were returned, had been under bond to appear before the grand jury and would be taken into custody and held in the County Jail or under bond to await trial.

Following is the Grand Jury's final report:

THE STATE OF TEXAS COUNTY OF EASTLAND IN THE 91ST DISTRICT COURT OF EASTLAND COUNTY, TEXAS, JUNE TERM, A. D. 1945 To The Hon. George L. Davenport, Judge of Said Court:

We, the Grand Jury for the June Term, A. D. 1945 desire to submit our final report.

During this June Term of the 91st District Court, we have been in session two days, and have returned 4 indictments.

We have made a thorough investigation of all matters brought to our attention and have disposed of the same according to the law and the evidence, with the exception of one case in which we were not able to complete our investigation because all of the witnesses were not available.

We wish to express our appreciation to the Sheriff and his department, to the District Attorney, and to all of the Constables and Bailiffs for their cooperation during the Term.

It has come to our attention that in some sections of the County there are Teen-Age boys who are inclined to stay up much later at night than is customary for boys of that age, and are not disposed to avail themselves of the many jobs that are open, both on the farms and in various places in the town. Therefore, we urge all parents to keep a closer watch on their teen-age children and to encourage them to engage themselves in some gainful occupation.

Having completed our investigations, we respectfully request that we be discharged.

Respectfully submitted, Leslie Hagaman, Foreman, Oscar Wilson, Secretary

LE. ADLE L. MURPHY of Greenville and 2 sons, Texas, has more medals than any other man in the U. S. Army.

C.A.B. RULES NO SMOKING IN BERTHS

By Robert E. Aldrich
United Front Staff Correspondent
WASHINGTON (UP)—You can't smoke in your berth when flying to Paris, Cairo, or Balikpapan. The Civil Aeronautics Board says so.

The CAB has issued a new book of rules—part 41 to the civil air regulations—which lays down the law to air carriers who plan to fly those long oceanic hops. It's effective August 1.

To the question where does CAB authority leave off and that of the foreign country begin, the answer is, they're one and the same. International agreements worked out at the Chicago air conference last November, and elsewhere, prevent conflicts on such matters as how many beacon lights and what kind of radio equipment must be installed on the foreign routes. Anywhere in the world a U. S. plane may go, it will be bound by part 41—all 24 pages of it.

If a ship flies over 10,000 feet above sea level for more than half an hour, the crew must wear oxygen masks. The passengers won't have to put theirs on until the plane hits 12,000 feet. Many planes, though, will have pressurized cabins, meaning you can go above those heights without getting that woozy feeling.

The rulebook covers such matters as the instruments a plane must carry, qualifications of crew members and rules for landings and take-offs. It says how long a pilot can fly—12 hours—during any 24 hour period. When he has flown 20 hours in any 48 hour period, he's supposed to rest 18 hours before going back on duty.

This is to keep him from smoozing over Dago-Deago. Furthermore, he can't fly more than 1,000 hours in a year. While the war lasts, and six months afterward, the limit is 1,200 hours.

Part 41 gets a little technical in spots. But it puts you back on the beam if you were under the impression that Uncle Sam is going to kiss goodbye to his ocean-hopping planes at Staten Island and the Golden Gate. Fact is, the old boy is going along for the ride.

COMING HOME

15th AAF in Italy — Sgt. Velton C. Dunlap, son of Mrs. S. W. Dunlap, of Route One, Eastland, will return home soon with the veteran 301st Flying Fortress Bombardment Group, one of the oldest units in the European theatre of operations. Sgt. Dunlap has served 16 months with the Air Force overseas as an air plane mechanic.

Pictures Transmitted From Battleships

Direct radio telephoto coverage of the war in the Pacific moved to within sight of Japan shores in the latest naval plane bombardment of the Jap. homeland. Radio Telephoto transmitters built by Acme Newspictures are employed by a battleship of the U. S. 3rd Fleet off the Jap coast to transmit by relay through Guam. Pictures above shows USN pilots as they returned to their carrier after scoring direct hits with 1000-lb bombs on the Jap battleship Nagato at the Yokosuka Naval base, Tokyo Bay, on July 18, 1945. (USN Radiotelephoto from NEA Telephoto.)

PETAÏN AGAIN DENOUNCED AT TREASON TRIAL

PARIS (UP)—Former Premier Leon Blum charged today that Marshal Henri Philippe Petain destroyed France's republican institutions by force and substituted a "despotic power" the like of which never was seen in the orient.

"That was treason," Blum, leader of the pre-war popular front, shouted at the peak of his denunciation of Petain.

Blum testified for almost an hour. Petain, listless and drooping after a fitful night, listened impassively. His face as bleak as a mask.

Blum worked laboriously through a narrative of scheming and turmoil of the government, flight from Paris in 1940 and eventual establishment of Vichy.

Coming to the issue of Petain's alleged treason, Blum said he was no criminologist and was unable to define the word. But he said Petain received a mandate only to revise France's republican institutions.

Instead he destroyed them and replaced them to the ground in despair letting his country fall in a like manner — "no, he cannot say he was doing that for France's good or honor," Blum declared.

Lt. White Home After 16 Months Overseas Duty

Lt. Morris D. White, son of Mr. and Mrs. Homer E. White, Route 2, Eastland, is at home on leave after sixteen months with the 8th Air Force in England. Lt. White, veteran of thirty missions, holds the DEC, the Air Medal with three Oak Leaf Clusters and has four bronze battle stars on his service ribbon.

After completion of his tour of duty as pilot on B-24 and B-17 aircraft, he was appointed assistant Pathfinder force Squadron Operations Officer, training lead crews.

Upon arrival in Houston, he was sent to Ft. Leavenworth, Kansas. His wife met him there and they went on to Belleville, Kansas, where the Lieutenant met his eight months old son for the first time.

Before reporting for duty August 4, at Santa Ana, California, Lt. and Mrs. White and their son will visit Mrs. White's twin sister, Mrs. George Bland of Tucson, Arizona, and Capt. H. D. White and family of Salinas, California, brother of Lt. White. They are at present, visiting his parents, Mr. and Mrs. Homer White on Route 2 of Eastland.

People Urged To Cut Water Use Temporarily

Effective immediately the people of Ranger are requested to stop using city water for gardens, shrubs, and lawns and to use the water for household purposes only.

This action is being taken in order that part of the equipment at the lake may be repaired. While the repairs are being made, pumping facilities will be greatly reduced and will necessitate a temporary curtailment in water use.

City officials stated today that there is no water shortage. In fact the water supply is greater than in previous years due to excessive summer rains, but certain repairs must be made and this will limit the amount of water that can be pumped to the city.

It is expected that engineers now working on the equipment will have completed the work within a week and as soon as the work is completed, the people will be notified through the columns of this newspaper.

Brothers Finish Service With Identical Records

BONHAM, Tex. (UP)—Two brothers, veterans of the 36th Division, received the Silver Star their discharge and the same number of discharge points at the same time.

Having served four years and seven months in the army Charles G. and Woodrow W. Lovance were released at Fort Sam Houston. Neither was wounded in two years of combat.

Atlee Rushing Cabinet Forming

LONDON (UP)—Prime Minister Clement R. Atlee attacked the job of forming Britain's new labor cabinet today on a run because in the hope of naming 25 key men within a few hours and clearing the way for his return to the Big Three conference.

PVT. V. L. FRANKLIN COMPLETES COURSE
Madison, Wis., July 17 — Pvt. Vernon L. Franklin, 21, son of Mr. and Mrs. James E. Franklin of Route 1, Eastland, has been graduated from the AAF Training Command's eight-week radio repair course at Trux Field. Trained previously in a 20-week radio mechanics course, the soldier now is qualified to serve with the AAF anywhere in the world as an aircraft communications repair man. His next assignment, however, was not announced.

JAPS WARNED WHERE FORTS STRIKE NEXT

GUAM (UP)—America's 29th Air Force, putting teeth into the Potsdam ultimatum, today told the Japanese the names of the next 11 Nipponese cities which will be burned out by Superfortresses raids, in a move unprecedented in any war.

As three more of Japan's flimsy war centers were still flaming from the last B-29 incendiary raid, six Superfortresses cruised over the 11 targets to be hit at midnight, dropping 60,000 leaflets warning civilians to evacuate or be burned out.

Thus, the 29th Air Force, for the first time in any war naming its targets in advance, laid down the most direct challenge possible to the Japanese to fight, quit, or else.

Maj. Gen. Curtis E. Lemay, commander of the 29th declared: "The Japs have nothing to look forward to except total destruction. We've reached the point where they refuse to fight while we burn down their cities. Now we're telling them where we're going to do it."

The leaflets named the following target cities to be added to the 49 already hit by devastating fire raids:

On Honshu — Ichinomiya, Tsu, Ujiyama, Nagasaki, Nishinomiya, Aomori, Ogaki, and Koriyama.

On Shikoku — Usajima.

On Kyushu — Kurume.

On Hokkaido — Hokodate.

All are secondary industrial centers with populations of between 10,000 and 20,000.

Conference Is Slated To Reopen This Afternoon

POTSDAM (UP)—President Truman and Premier Stalin marked time today, uncertain just how quickly new British Prime Minister Clement Atlee would join them.

The Big Three was scheduled to resume its conference this afternoon. There was no word as to whether Stalin and Mr. Truman would meet alone if the British representative fails to appear.

Identity Of Woman Pends Pair's Arrival

Positive identification of Ranger's amnesia victim awaited today the arrival of a Mr. and Mrs. Lawson of Houston, said to be her relatives, and who were contacted yesterday when it was discovered that the young woman could recall something about Houston.

While talking with one of the hospital attendants shortly after noon Thursday, the unidentified woman, said that she could recall a Masonic Lodge No. 4. Dr. F. M. Kuykendall contacted J. F. Donley, secretary of the Ranger Masonic Lodge, and asked where lodge No. 4 was located. A check of the directory revealed that the lodge was in Houston.

Donley took the directory to the hospital and the young woman was asked to check the list of members of lodge No. 4, which is Temple Lodge No. 4 of Houston. While going down the list she found a name that was familiar. The chief of police at Houston was called and asked for a check on the person named.

Shortly afterward the bureau of missing persons in Houston called Dr. Kuykendall and reported that the name mentioned had been given them in connection with a report on a Houston woman that was missing. A comparison of marks was then made with the Houston bureau and it seemed certain that the young woman missing in Houston was the one under observation here.

The name of the woman from Houston was given as Mrs. Violet Dennis.

When the contact was made with Houston, Chief George Murphy had A. E. Crawley, Ranger postmaster, wire the postmaster at Houston for a check on the key believed to be a postoffice box key and which was found on the woman. In reply the Houston postmaster stated that the key had been issued to a Mrs. J. L. Dennis and also gave the name and address of her brother-in-law.

It was stated that the young woman wanted in Houston had once before been an amnesia case and had remained unidentified for one week in Houston.

Arrival of the relatives had been expected all day but no further word from them had been received at 2:00 p. m. today.

Miss Hightower To Head R. J. C. Piano Department

Dr. G. C. Boswell announced today that Miss Ruth Hightower of Breckenridge has accepted the position as head of the piano department of Ranger Junior College and will take up her duties as such at the opening of the fall term.

Miss Hightower is widely known as an outstanding musician and has studied under some of the leading musicians of the country. She has had experience as a college teacher having been associated with Birmingham Southern College in Birmingham, Alabama. For the past 14 years she has been teaching in Breckenridge.

She attended Peabody, Vanderbilt, Northwestern University at Georgetown and also studied in Chicago. Dr. Boswell stated today that the college was very fortunate to secure her services as a teacher.

Miss Hightower and her mother have purchased a home in Ranger where they are now residing.

First Lt. Mills Now With Air Force In Pacific

Mr. and Mrs. E. H. Mills have received word that their son, First Lt. Buster Mills, has arrived safely at a station somewhere in the Pacific.

Lt. Mills is serving with the Army Air Corps and has been in the service since October 16, 1942. He received training at Waco Army Air Field, Tampa, Florida and at Aloc Army Air Field at Victoria, Texas where he was promoted to first lieutenant in October 1944.

There are 176,543 Texans enrolled for Naval service.

DECISION MADE AT JAPANESE CABINET MEETING TODAY, AS 3 JAP CITIES GO UP IN FLAMES

BULLETIN

CHUNGKING (UP)—A Chinese military spokesman declared today that a Jap Brigadier General in a broadcast to his own people said it is "an open secret that Japanese troops in China are discussing peace overtures."

PEARL HARBOR (UP)—Tokyo chose the shortest route to oblivion today.

Japan will ignore the Allies' surrender ultimatum and will fight on "to the bitter end," the Domei news agency has announced.

Domei said the Japanese cabinet held a special meeting this afternoon—Tokyo time—to hear a report from Foreign Minister Shigenori concerning the ultimatum issued yesterday by the United States, Great Britain, and China.

The decision to ignore the edict apparently was taken at that meeting.

Meanwhile the flimsy war centers of Omuta, Matsuyama, and Tokurama, in southern Japan, blazed fiercely after being attacked by three task forces of B-29s—over 250 strong—shortly after midnight.

The giant bombers dropped 2,200 tons of gasoline incendiaries on the three cities.

The fires achieved a roaring conflagration.

Japanese broadcasts said another 200 land-based planes, apparently from Okinawa, had followed the B-29 strike with a three hour attack on the Kobe and Osaka area between 6:30 and 9:30 a. m. today—Tokyo time.

Gen. Douglas MacArthur's headquarters announced new 400 ton raids on Shanghai that left great fires on three of the China ports air fields Tuesday and probably sank six freight-transports and a Japanese gunboat.

Senator Predicts Tax Reduction

WASHINGTON (UP)—Chairman Walter F. George, D., of the Senate finance committee today forecast a complete revision of the forecast complete revision of the in reducing federal tax collections by \$18,000,000,000 to \$27,000,000,000, during the first year after Japan's defeat.

Speaker Sam Rayburn has announced there will be a 350 bed ex-servicemen's home in Bonham, Texas.

Leonard, Texas, honored its war dead by planting in memorial 25 trees at the juncture of two highways.

New British Prime Minister

Their smiles reflecting the Labor Party's sweeping victory over the Conservatives, Clement R. Atlee, Labor Party Leader, and wife (foreground) are cheered by supporters at Mile End, London, after Atlee's election as Prime Minister.

Japan's overtures for peace, reported to have been handed to Stalin for transmittal to President Truman at the Big Three Conference, are shown on the above telemap. (NEA Telemap.)

Disabled Vets Get Quick Action On Applications

DALLAS, Tex., (UP)—Disabled veterans who are entitled to pensions now receive authorization of their claims within six or seven days after application is filed with the Dallas Headquarters of the Eighth Service Area. Every day 300 claims are examined by the Dallas office for veterans in Texas, Oklahoma, Arkansas, Louisiana and New Mexico. Since the office was established here by the Veterans Administration March 1, 1944, 54,702 cases have been disposed of, 92 per cent of which were authorized for pensions. The amount of monthly pension given to veterans is determined on a disability rating, said S. P. Kohen, manager of the Dallas office.

If a veteran is judged 100 per cent disabled through injuries received in action, he is given a pension of \$115 a month. If he is adjudged 34 per cent disabled, he receives \$24.50.

Pension claims which come to the Dallas headquarters are first examined by the mail and record section where they are checked to see if they are complete.

They then go to the rating division where they are examined by a board which determines the degree of disability and whether the disability has been received in service.

The authorization division next examines the claim to decide whether the claimant is legally entitled to a pension and what amount he should receive.

If the claim is authorized, the financing division places the name of the pensioner on the payroll and he receives his monthly check from the Treasury in Washington

D. C. within six or seven days after his claim is entered.

Missing Check Found Blowing Around On Street

AMARILLO, Tex., (UP)—County Treasurer L. D. Heyser is wondering where a \$4.90 check has been since he mailed it last October.

Heyser sent the check to V. Rippey of Potter County for work which Rippey had done to the courthouse. Later, Heyser received another bill from Rippey for the same amount.

Recently, Postmaster W. D. DeGraess was walking down the street when he picked up a check from the sidewalk—the \$4.90 check made out to Rippey and signed by Heyser.

"I couldn't have carried the check in my billfold and had it as clean as it was," Heyser said. Anyhow, Rippey has received his check for \$4.90.

Acute Gas Pains? Stomach Distress?

Try Hot Water To Which A Little Neutraacid Has Been Added

At the first sign of distress smart men and women now know just what to do. They put a teaspoonful of Neutraacid in half a glass of real hot water and drink it after meals, that's all. Neutraacid is new—it's made especially for symptomatic relief of gastric hyperacidity. Nothing quite like Neutraacid to bring fast quick relief to the sufferer of stomach distress, acid indigestion, gas pains, heartburn, burning sensation, and other conditions when caused by excessive stomach acidity.

Ask for Neutraacid at Texas Drug Store and all druggists.

Your Electric Refrigerator IS A Priceless POSSESSION ...GIVE IT GOOD CARE

Your electric refrigerator is built to give long service. Like all equipment, it serves you best if you give it proper care. To help your refrigerator operate better and last longer, here are some timely suggestions:

- Defrost your electric refrigerator regularly—at least once a week in the summer, or when the layer of frost becomes about as thick as a lead pencil.
- Avoid using a knife, ice pick or other sharp instrument to loosen ice trays. You might puncture the freezing coil.
- Your refrigerator needs breathing space. Be sure there is air space in back of the refrigerator, and over the top.
- If your refrigerator has an open type mechanism, it should be oiled according to the manufacturer's instructions.

Should your refrigerator need adjustment or repair, call the dealer from whom it was purchased, or some other reliable service man who is experienced with your make of refrigerator.

Such Is Youth

Despite bullet fragments still lodged in three places in his brain, 4-year-old Larry Roe is gay and chipper as he leaves St. Mary's Hospital, Rochester, Minn., with his dad, Raymond, after operation. The Fairfield, Mont., youngster, injured when bullet fired accidentally on June 14 pierced his ear drum, has only loss of hearing in right ear to remind him of accident.

'Is Everybody Happy-y-y?'

hour was enjoyed by the following, Miss Lillie Wilson, Edna Blackwell, Bessie Harris, Ruby Greer, Hattie Lester, Lena McDonald, Eva Stallings, Fecia Lattinister and children, Maxine and Willie Ra, and Evelyn Brooks.

The next session will be a business meeting at the L. O. J. E. hall on Wednesday, August 1, and all members are urged to be present.

CPL. HATHCOCK WEDS BRECKENRIDGE GIRL

Breckenridge, Texas — Miss Winnie Fay McNutt became the bride of Corp. John T. Hathcock, son of Mr. and Mrs. C. E. Hathcock of Ranger at 10:00 o'clock July 23, in the home of Mrs. Cliff Harrison, sister of the bride.

The Rev. G. W. Thomas read the ring ceremony before an improvised altar in the living room of the home. A large floor basket filled with white lilies, with fern forming the background. Pink roses completed the wedding decorations.

The bride was prettily attired in a frock of blue floral design with navy blue accessories. Her corsage was of pink carnations and tiny white tailfin roses.

The bride was attended by her sister, Mrs. Cliff Harrison, and Buster Hathcock, brother of the groom, stood as best man.

The wedding was attended by the immediate families of the young couple and by a few close friends.

The groom has just returned from a year of overseas service. Immediately after the wedding the couple left for a short wedding trip.

Mrs. W. L. Kight and Morris Kight transacted business in Fort Worth Thursday.

SOCIETY

MRS. BROOKS HOSTESS TO GROVE MEMBERS

Mrs. Mildred Brooks was hostess to the Juan Alexander Grove No. 1354, of the Woodmen Circle when members of the organization were entertained with a covered dish luncheon at her home Wednesday at noon.

The dining table was covered with a hand-crocheted lace cloth and centered with an arrangement of garden flowers. The tables for four were crisscrossed with vase filled with alibinis.

Following the luncheon a social

NEWS FROM Olden

Olden, July 24 — Miss Barbara Dick has returned after a visit with her grandparents, Mr. and Mrs. B. E. Hill in Iran.

The Rev. S. B. Berry of Ardmore, Oklahoma, is visiting his daughter, Mrs. Vergil Christian.

Mrs. Glenn Adams spent last week-end visiting friends in Fort Worth.

Billy Crane left Tuesday for Dallas to report to the navy.

Jack Brockman spent several days in Dallas and Ft. Worth the past week.

Sgt. and Mrs. James L. Hardin and daughter are visiting his parents in Claremore, Oklahoma, and will go from there to Denver, Colorado to visit his sister.

Mrs. W. C. Strange will spend several weeks with her daughter, Mrs. Garland Sydow in Gatesville. She was accompanied by her daughter-in-law, Mrs. Weldon Strange.

Bobbie Langston is confined to his home from a case of mumps.

Mrs. J. C. Sims is at home after several days in a Ranger hospital.

Mrs. W. P. Edwards and daughters spent last week-end in Dublin with her parents, Mr. and Mrs. McCune.

Mrs. June Heineman of Fort Worth spent her vacation with her parents, Mr. and Mrs. L. T. Groves.

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

- Civilians at War
- The Government needs and asks its citizens in this 19th week of the war to: Do your part in the vast job of transporting men and materials for the big push against Japan by:
1. Taking top-priority railroad job if you are a railroad worker. A hundred thousand experienced workers are needed to haul three million returning veterans, a hundred million tons of materials plus essential crop shipments. Apply to your local U. S. Employment Service Office.
 2. Waiting at home for your returning soldier. By meeting his need, you add to already serious problems of transportation and housing in seaports.
 3. Putting your sea experience to work with the Merchant Marine. Delayed sailings because of incomplete crews may upset carefully planned military schedules. Wire collect, Merchant Marine, Washington 25, D. C.
 4. Joining the WACS if you are between 25 and 35 and have had two years of high school. Ten thousand WACS are needed in the next 6 months to handle administrative detail in the Army's enormous job of maintaining the big offensive in the Pacific.

- REMEMBERS

SGT. B. L. DONALDSON IS AWARDED AIR MEDAL

With The 32nd Infantry Division in Northern Luzon, P. I. — The Air Medal has been awarded to Sergeant B. L. Donaldson of Eastland, Texas, for meritorious achievement while participating in aerial flight over enemy territory during the fight near Aitape in New Guinea.

Since this operation, Donaldson has returned to the United States under the army redeployment plan. Donaldson entered the army in Nov., 1941 and began overseas duty in April, 1942. Veteran of four major engagements in the Southwest Pacific, he holds the Distinguished Unit Badge, the Good Conduct Medal, the Combat Infantryman Badge,

Guy C. Myers, above, Wall Street financial agent, was named by Oklahoma Rep. Lyle H. Boren as "the most important figure in alleged manipulations" to deprive U. S. Treasury of \$500,000,000 in taxes yearly through formation of "non-profit corporations" as cover-up for earnings of giant industrial concerns. Congressman demanded legislation to block alleged scheme, which he dubbed "Syndia, Inc."
