Allied Troops Spreading Out Over Japan

Clubs Select Movies Shown To Children

MILWAUKEE, Wis. (UP)—Shorewood, a progressive Milwaukee suburb, is today proving a testing ground for a children's movie program which may well become nation-wide in its efforts to secure better movies for children.

The plan was evolved by the Shorewood Mothers Club, a post-World War I organization of the suburb. The plan was to select a club committee upon recommendations of the national Parent-Teachers Assn., the Catholic League of Decency, the Council of Jewish Women and the Federation of Women's Clubs. So successful did the experiment prove that other Milwaukee suburbs and surrounding villages soon adopted the plan.

Don Ward Gets Promotion With U. S. Navy At Sea

Mr. and Mrs. E. C. Ward have received word that their son, Don Ward, has been promoted to the rating of fireman first class with the United States Navy.

Football Squad Members to Meet Saturday Morn.

Coach Jimmie Marshall announced today that a meeting of the Bulldog squad will be held Saturday morning at 10:00 o'clock at the field house.

Bingo Games To Be Held Tonight At Willows Park

The regular Thursday evening bingo games will be held this evening at 8:30 o'clock at the Willows park and the public is invited to attend.

W. T. Eaton Injured In Collision West Of Ranger, Wed.

W. T. Eaton was injured in a truck collision on highway 80 west of Ranger Wednesday afternoon and is in the West Texas hospital where it was reported that his most serious injury is a fractured pelvic bone.

Fire Slightly Damages Ranger Home Wed.

A fire which originated in a closet at the Jack Edward home Wednesday night between 9:00 and 10:00 o'clock caused slight damage, Chief George Murphy reported this morning.

BOYINGTON SAFE

OFF OMORI PRISON Camp, Tokyo Bay (UP)—Surviving 20 months of secret imprisonment and torture with a baseball bat, Maj. Gregory Boyington, 32 year old ace from Okanogan, Wash., was rescued by an expedition commanded by Cmdr. Roger Simpson, he said today.

After Hurricane Hit Port Lavaca

All that remains of a huge cotton gin at Port Lavaca, Texas after the hurricane passed was this pile of debris. Many homes were destroyed and property damage was high. (NEA Telephoto.)

91 Freight Cars Rolled Daily Into Army Post

PHILADELPHIA (UP)—If you put together all the freight cars used to bring Army cargoes to the Philadelphia Cargo Port of Embarkation from its opening to the end of the war in Europe, you would have a train reaching from Philadelphia to Toledo, O., and then some.

Commander of the Army's Philadelphia Cargo Port is Col. Alex P. MacNabb. It was under his direction that the millions of tons of general cargo, trucks, guns, tanks, food, locomotives and medical supplies were speeded across the Atlantic.

Peek month for the installations which operated 24 hours a day, seven days a week, was March, 1945, when Army rail traffic into Philadelphia totaled 6,961 freight cars.

Dr. Jackson Gives Health Talk At Rotary Meeting

E. T. Eubank was in charge of the program which followed the regular luncheon for the Rotary club held Wednesday in the Blue Room of the Gholson hotel.

September Ration Points Slashed

WASHINGTON (UP)—The OPA today slashed September ration point values on meat, cheese, butter and margarine. No points will be needed for canned milk, the office of Price Administration announced.

Study Charts In Tokyo Waters

Members of Admiral Halsey's staff and Jap navy officers and harbor pilots examine charts aboard the USS Missouri of Sagami and Tokyo Bay, prior to the U. S. Third Fleet entry. (U. S. Navy Radioteletype photo from Guam via NEA Telephoto.)

U. S. Destroyer In Sagami Bay

This photo was made from aboard the USS Lanier as it entered Sagami Bay Area, shows a U. S. destroyer in foreground and Fuji Yama in background. (NEA Radioteletype photo.)

CAMP BOWIE TIN SHOP EXPANDS INTO BIG JOB

From a little tin shop grew a project here at Camp Bowie that is saving the government thousands of dollars.

Early in 1945, in a little tin building, with two civilians working in it, repair of shelter poles and the sharpening of a few knives, gave birth to the idea that much more could be done to save the government money if other items for which replacements couldn't be gotten, could also be repaired.

A grand total of \$91,998 items were repaired at a saving of \$1,327,788 in 1944. The records show during the

Public Invited To Attend Formal Opening Service

A special invitation has been issued to the public to attend the formal opening program of Ranger high school and Ranger Junior College which will be held at 10:30 o'clock, Thursday, September 13 at the Recreation building.

Formal printed invitations have been issued to city officials, members of the school board and ministers of Ranger and to families of Gold Star men and women of the Armed Forces. The service will be in the form of a memorial ceremony for former Ranger high school and junior college students who gave their lives in World War II.

Certificates will be presented to representatives of the G. I. Star families, following an address by Maj. John M. Walters of Camp Walters.

TOKYO LEVELLED

SAN FRANCISCO (UP)—American network broadcasts from Tokyo today said the Japanese capital had been "levelled" by thousands of square acres.

In the past few months a program has been instituted by the War Department to repair so-called items unfit for Army use in which, for example, pieces of material are pieced together so that it can be sent to destitute persons abroad.

And the clothing section repairs all clothing and textiles and returns them for further military use or to station stocks. Included for repair are comforters, mattresses, blankets, mosquito nets,

President Says Country To Blame For Pearl Harbor

WASHINGTON (UP)—President Truman said today that he thought the Army and Navy Pearl Harbor reports showed that the disaster resulted fundamentally from "the policy which the country itself pursued" in 1941—a policy of non-preparedness.

Discussing the reports under rapid fire questioning by a packed news conference, the president said he had read the reports carefully and came to this conclusion: "The whole thing was the result of the policy which the country itself pursued. The country was not ready for preparedness."

He went on to say that every time the late President Roosevelt tried to get a preparedness program through congress, it was "stifled." And every time Mr. Roosevelt in statements tried to arouse the country for the need for preparedness, he was "vilified," Mr. Truman said.

And then, the President added, his primary thought was the country as a whole, more than any individuals, was to blame for the Pearl Harbor disaster.

He said he had no intention of ordering courts martial or any of the officers involved, but that he had no objection to such courts martial being held.

The president expressed his views at a press conference while numerous congressmen were demanding further investigation.

Air Industry Second Largest In Ohio State

COLUMBUS, O. (UP)—The manufacture of airplanes and their parts has become Ohio's second largest industry since the war with approximately 170,000 men and women engaged in it.

Only steelworks and rolling mills with more than 200,000 workers exceed the airplane industry in the number of employees according to the 1944 edition of the Manufacturers Directory.

Compared with the 170,000 workers in the plane industry in 1944, only 896 people were working in airplane plants in Ohio when the last directory was published in 1939.

The 1944 directory lists 175 plants engaged in the business. Goodyear Aircraft Corp., at Akron is the biggest plane building company in the state with 25,711 employees listed.

But the Wright Aeronautical Co., at Lockland, which makes airplane engines, is the largest employer in the field with 33,672 employees listed in the directory.

Columbus Curtiss-Wright is the second largest plane building employer with 30,284 and the Fisher Bomber plant at Cleveland ranks third with 8,474 workers. The smallest airplane parts manufacturer listed in the directory is L. M. Cooper, Columbus, with 3 male employees.

The 1944 directory shows 49,010 women are employed in Ohio's aircraft industry.

British Naval Units Take Over Crown Colony

CHUNGKING (UP)—British Naval units will enter HongKong harbor today to take over the British Crown Colony from Japanese occupation forces, Lt. Gen. Albert W. Wedemeyer announced.

Discussing the communist situation, Wedemeyer pointed out that American forces in China were still authorized to support the central government of Gen. Chiang Kai-Shek and to carry out a policy of assisting Chiang's forces to occupy all Japanese-held areas.

McARTHUR'S ORDERS BEING COMPLIED TO BY JAPANESE

TOKYO BAY (UP)—The conquering American and British Allies spread over Sagami and Miura peninsulas tonight among Japanese who did not lift a hand or eye brow to protest the first enemy invasion of their homeland in 2,000 years.

At Yokosuka Naval base white flags fluttered from gun positions, as the Japanese complied with Gen. Douglas MacArthur's instructions that the remaining civilians in the yard get white umbrellas to signify their acceptance of the surrender.

At Yokohama and Atsugi it was the same story. Adms. Chester W. Nimitz and William F. "Bull" Halsey went ashore from the deck of the Cruiser San Diego at 1:30 p. m. and toured the strangely-deserted naval base in a Japanese limousine.

GEN. MACARTHUR'S HEADQUARTERS, Yokohama (UP)—Gen. Douglas MacArthur set up headquarters in Yokohama today as the first 40,000 troops of his occupying army raised the stars and stripes over Japan's largest naval base, two airfields and a big slice of the Tokyo plain.

A half dozen or more Japanese towns, some within a few miles of the southern outskirts of Tokyo, were occupied by Allied air and sea borne forces in their first few hours ashore.

MacArthur, supreme occupation commander, established his headquarters in Yokohama's new Grand hotel with other top American officers less than an hour after landing at Atsugi airfield from Okinawa.

From the top of the hotel MacArthur could see Emperor Hirohito's palace in the heart of Tokyo.

American and British Marines and Blue Jackets also raised the American flag over three fortified islands guarding three approaches to Yokosuka, Cape Fitau, seven miles across the entrance to Tokyo Bay from Yokosuka, and the half sunken hull of the Japanese battleship Nagato.

The air and sea borne landings on Japan were carried out under a canopy of 2,000 warplanes and the big guns of hundreds of warships in Tokyo bay and adjoining Sagami bay.

The troops landed with full combat equipment, but not a shot was fired by either side. Japanese officers were polite and bowing. Civilians were docile.

Truman Indicates Lend Lease Bills Will Be Canceled

WASHINGTON (UP)—President Truman indicated today that the "overwhelming portion" of Allied obligations for \$42,000,000,000 worth of American lend-lease aid will be cancelled.

To add \$42,000,000,000 to the already enormous financial obligations of our Allies, the President said in the 20th lend-lease report to congress, would threaten to disrupt political stability and "help sow the seeds of a new world conflagration."

VETERAN LOSES SON DALLAS, Tex. (UP)—A Spanish-American war veteran who served at Manila, has been notified by the War Department that his son, captured at Manila by the Japs, is dead.

The father, Sam Cooper, learned that his son, Joseph W. Cooper, lost his life when the transport on which he was being transferred to Japan, was sunk last December 19.

THE WEATHER WEST TEXAS—Mostly cloudy, a few scattered showers in west central portion tonight. Friday partly cloudy.

WASHINGTON COLUMN

(Letter columns in vacation)

BY DOUGLAS LARSEN
NEA Washington Correspondent

WASHINGTON, D. C.—If, as expected, Edward Frederick Lindley Wood, the Earl of Halifax, retires from his post in Washington, he will bring to a close one of the most successful embassies in British history.
Lord Halifax is now in Britain, having left Washington before the votes were counted in the recent election. He is expected back some time in the early fall but few people expect him to stay. Even if the Conservatives had won, it is believed doubtful that the tall, lanky nobleman would have returned to Washington for any length of time. Now that Labor has won its overwhelming victory, it seems almost certain that he will return to his Yorkshire home for good.
Halifax came here at the very beginning of America's participation in the war. Never before had Anglo-American relationships taken on such enormous importance. In addition he succeeded the highly popular Lord Lothian who had died tragically on Dec. 12, 1941—just five days after Pearl Harbor.
The fact that Churchill chose his foreign minister and one of the chief members of the inner war cabinet to come to the United States as ambassador is an indication of the importance assigned to the post. On top of that, Churchill sent Halifax to America aboard Britain's newest and finest battleship, the King George V.
To give point to the special nature of his mission, President Roosevelt personally went to meet the Lord when he anchored in Chesapeake Bay, an honor previously reserved only for heads of states.
Despite all this, the appointment of Lord Halifax drew loud cries of anguish from many left-wingers who were suspicious of his conservative views.
It is doubtful if any ambassador ever had a bigger job than Halifax, that any ever worked harder at it. Naturally sincere or not, Lord Halifax started learning about Americans and making friends with them. Perhaps no ambassador of a foreign power has covered so much American territory.

INSTEAD of remaining in the customary orbit of diplomats which may include Washington, New York, Florida, and New England for the summer, Halifax visited such places as Montgomery, Ala., and Oklahoma City. He wore 10-gallon hats and Indian head-dresses, in the well-established custom of public figures in the U. S., and his speeches were events in many out-of-the-way places.
If Lord Halifax works hard, to not his wife. A small, likable woman, she soon was on easy terms with Washington, and helped her husband make friends on his many trips.
Washington will miss the Halifaxes and is wondering what kind of a man will be picked to succeed him. Some Britishers in the capital believe that a trained career man like Sir Archibald Clark-Kerr, now his Britannic Majesty's ambassador at Moscow, will be chosen. Others think that a prominent member of the Labor Party will be sent. In any case, he will have a hard time equaling the Halifax record.

SPORTS

BY MARY GRAYSON
NEA Sports Editor

DAVE FERRISS is the first major league pitcher to win 20 games this season, which has the baseball writers recalling the night few have performed the feat as freshmen.
Statisticians can dig up only a half-dozen who have had the good fortune in the 45 years the American League has been in existence, and none came close to crashing the Hall-of-Fame.
Since Grover Cleveland Alexander turned in 28 victories in 1911, a 20th century high for a freshie, only Chief Melton of the Giants, and the Braves' veterans Jim Turner and Lou Fette, have won as many as 20 games their first time around in the National League, and they were no great shucks, as it was subsequently demonstrated.
Where it not for Grover Alexander and a faithful old-timer, off the record you might suspect that only a pitcher with trick stuff could account for 23 big league victories in his maiden whirl.
This would seem true especially when you consider that such as Jack Chesbro, Big Ed Reulbach, Rube Waddell, Eddie Plank, Wild Bill Donovan, Big Ed Walsh, George Mullin, Chief Bender, Jack Coombs, Rube Bressard, Smokey Joe Wood, Walter Johnson, Babe Ruth, the Coveleskes, Eddie Cicotte, Herb Pennock, George Uhlir, Whitey Healy, Robert Moses, Grove, Dizzy Dean, Lefty Gomez, Carl Hubbell, Paul Derringer, Bob Feller and Spud Chandler are among the several thousand who failed to make the grade.
But, while Old Pete Alexander might be the modern exception.

Out Our Way By J. R. Williams

MOURNING DOVE and WHITE-WINGED DOVE OPEN SEASONS for 1945

Map of Texas showing hunting zones for Mourning Doves and White-winged Doves. Includes text: 'MOURNING DOVES OPEN SEASON-- NORTH ZONE: Sept. 1 to Oct. 30, both days inclusive. Texas Game, Fish and Oyster Commission

WAR STRIKES 4 TIMES IN HOUSTON HOME

HOUSTON, Tex. (UP)—The misfortunes of war have struck four times at 1831 Taber Street in Houston, the home of Mr. and Mrs. S. H. Doan.
Two of the hard blows have come within four days. During that time, Mr. and Mrs. Doan were notified that one son 18 year old Howard had been killed in action and that Hayne, 22 was missing in action on Okinawa.
Two other sons, greatly decorated Mildred, and Harold, a veteran of 18 months in the Pacific, recently were released because of serious injuries. Harold was injured when a shell exploded near him.

Uncle Sam's Lend-Lease Ledger

Uncle Sam still is "in the red" by somewhat more than 35 1/2 billion dollars on his lend-lease operations, as shown by chart above based on the report of Foreign Economic Administrator Leo T. Crowley. The money-bags at left show dollar value in goods and services, advanced to individual nations, totaling more than 41 billion dollars. Reverse Lend-Lease accounts for the 5 1/2 billions

The Backward Bird

Designed for the pilot's unobstructed view rather than to fool an enemy into thinking it's flying backward, this new British plane, pictured above flying over England, has small wing in front and larger one in rear. Expected to be especially suitable for camouflage, plane is called "Libellula" and was designed by George Miles.

The oldest county in West Virginia is Hampshire, which was formed in 1759, 110 years before West Virginia became a state.

Storm Plays Havoc With House Wiring

MEXIA, Tex. (UP)—Life is an electrical mess for the Wallace Welch family since a lightning storm flashed over Mexia early in July.

Welch reported that his wiring system in the house has been "screwy ever since."

He said that when he turns on his radio, the radio doesn't play, but the light in his bedroom goes on. Turning the switch for his bedroom light will cause a floor-lamp in the living-room to glow.

Welch has witnesses to prove it, too. He said electricians from nearby cities in addition to those in Mexia have checked every inch of wiring, the connections, etc., and found nothing out of order.

It all started, he said, when the storm struck. During that night, all the lights in the house glowed dimly intermittently for several minutes, although no lights had been turned on at the switches.

On top of it all, one circuit of lights in the house won't burn with

a fuse in the fuse-box. But take the fuse out, and the lights work. Welch said it was somewhat amusing to begin with, but the prospect of re-wiring the whole house in order to eliminate the trouble detracts a lot of the humor from the situation. Besides, he said, he is afraid to answer the telephone nowadays. He's afraid coffee, or something, might come pouring out.

Talking is all Right-

... If you are running for office or courting your best girl but when it comes to buying land or town properties don't let anyone talk you out of an abstract. The fact that the seller has owned the land for many years doesn't mean that the title is always good. The safest plan is to get an abstract before you buy. The cheapest property on earth is too high if the title is faulty.

LARGEST X-RAY UNIT FOR GI CANCER CLINIC

CHICAGO, (UP)—The proposed new cancer clinic, at Hines General hospital, a veteran's installation, will house the largest X-Ray machine ever used in the treatment of cancer.

Charles G. Beck, hospital manager, said the two million volts generated by the new machine is double that of the highest voltage unit now in use.

Veterans suffering from cancer of the lungs and esophagus will be treated in the proposed new 600 bed clinic, Beck said.

The oldest resident at the Heart Mountain, Wyo., Relocation Center was 93 year old Mrs. Eka Inouye who recently returned to her former home in San Francisco.

BARBS

AND so most of the world turned out to celebrate—and went Jap happy!

When General MacArthur said, "I will return," he neglected to mention that the Philippines would be just a stop-off on the way to Tokyo.

Some men become proud fathers and pass out cigars—others just pass out.

A Tokyo broadcast to the Nip troops said, "We have lost, but this is temporary." The word must have a new meaning.

By the expression, "So sorry," shall we always know the Japs—just a sorry race!

Seaman Doesn't Enjoy Flagpole Battle Station

AUSTIN, Tex. (UP)—One place Seaman First Class Ralph R. Moreland doesn't want to be again is atop a flagpole during a battle.

During the Okinawa campaign, 18 year old Moreland wrote his parents here that he was painting the top of a flag pole on a Navy hospital ship.

"All hell broke loose as two Jap suicide planes headed for a battleship in the midst of the ship concentration," he wrote.

He said the American ships put up a terrific anti-aircraft fire. The two Jap planes plunged into the water without hitting their mark, Moreland said.

"When I turned back to my job, I discovered that my forehead was

Vets Interest In Education Begins To Grow

DALLAS, Tex. (UP)—Veterans are showing an increased interest in educational opportunities both vocational and general. Col. James Gilruth, executive director of the Veteran's Service Center, reported.

In the last two weeks, Col. Gilruth said that such an interest has become one of the foremost in the type of information wanted.

The official valuation of railroad property in Wyoming this year is more than half million dollars higher than that of 1944.

covered with cold sweat," the center concluded.

ANNOUNCING THE PURCHASE OF THE EASTLAND CREAMERY BY J. P. KILGORE

Having recently closed a deal by the terms of which I became the owner of the Eastland Creamery, I am taking over the active management and control of the business, September 1, succeeding Mr. and Mrs. H. S. Bouchillon who have successfully operated the business for the past seven years.

I have had several years experience in the creamery business and plan to make the Eastland Creamery second to none in this section. We will operate under the most scrupulous sanitary conditions and with the most modern equipment as it is available. We will handle the best and safest dairy products.

I extend a cordial invitation to former patrons of the Eastland Creamery to continue with me.

J. P. KILGORE

THANKS TO THE PUBLIC

We have sold the Eastland Creamery to Mr. J. P. Kilgore, formerly of Temple, who will assume management and control of the business September 1, and wish to express our sincere appreciation and thanks for the generous patronage we received during the seven years we have operated the business. Especially will we remember the farmers and dairymen who have supplied us with raw products, and the business firms, who, in handling our finished products, furnished us an outlet for these. And last, but not least, the consuming public which has been our market.

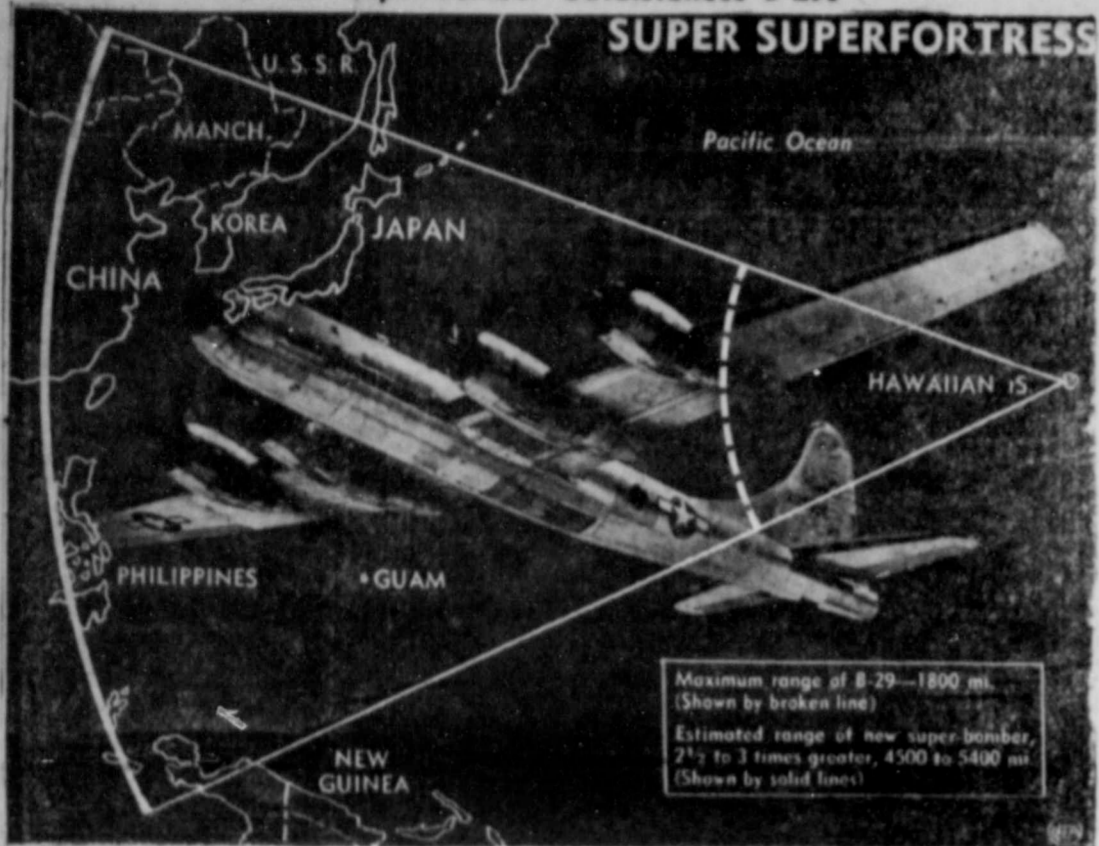

Mr. Kilgore is an experienced creamery man and we are sure will serve you ably in the future. We bespeak for him a continuance of the loyal support that has been ours.

We consider all customers and producers our friends and to them we can not find words to express our appreciation—So just Thanks.

New Super-Bomber Outdistances B-29s

SUPER SUPERFORTRESS

Announcement by Gen. Henry H. Arnold, commander of U. S. Air Forces, of a new Army super-bomber reveals a plane that would cover all of Asia, the Pacific and the Atlantic from present U. S. bases. With a range two and one-half to three times that of a B-29, pictured above, it could fly from Hawaii to the China coast for a bombing mission and return, as shown on map.

THIEF SNATCHES BILL BUT GETS ONLY HALF

FINDLAY, O. (UP)—A tug of war, may cost Dominick Carusone, Carusone refused to let go and so 70, \$10, but that's for Uncle Sam did the thief. Finally, neighbors

came to Carusone's rescue and the thief tore the bill in half and fled with part of it.

Police said they believed Carusone's portion of the bill was large enough to entitle him to at least half credit for it. If he has three fifths of it, he gets the full amount.

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 2 pints a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headache and dizziness. Frequent or steady thoughts with a stinging and burning sensation show there is something wrong with your kidneys or bladder. Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 48 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

NEWS FROM Carbon

(By Special Correspondent)

CARBON, Tex. Aug. 29—Eloke Green of Cisco visited M. C. Tucker this week.

Mr. and Mrs. J. T. McGregor have had as their guests, Mr. and Mrs. J. B. McGregor and family of Phoenix, Arizona, and Mrs.

Triumphal Arch

Big Leaguers Still Have Pulling Power

Mr. and Mrs. Sandlin of Springtown have been visiting their son, D. D. Sandlin.

ADVANCES QUICKLY TO LST COMMAND

NEW ORLEANS (UP)—There is plenty of room for advancement in the Navy, and Lt. (jg) Daniel D. Sandefur of Bunkie, La., can testify to the fact.

In January, 1942, Sandefur enlisted in the Navy as a third class petty officer. Promotion carried him through the enlisted grades of second and first class petty officer, and he was commissioned an ensign on Oct. 1, 1943.

He recently was placed in command of the LST 510 and promoted to his present rank while the ship was being repaired in an English port. Sandefur brought his new command back to the states and managed to visit his home port briefly.

Big Jim Konstanty, foreground, former Cincy pitcher, strokes some crew members of powerful Sampson Bluejackets at U.S. Naval Base at Sampson, N.Y. Behind him are outfielder Walt Chipple, Senators; pitcher Clem Dreisewerd, Red Sox; infielder Huck Geary, Pirates; catcher Mickey Owen, Dodgers; and infielders Eddie Yost, Senators, and George Fallon, Cards. (Official U.S. Navy photo from NEA.)

Will you hold a FAT-SALVAGE BEE for your country?

HERE IN AMERICA, when a neighbor needs help, it has always been the custom for all the folks to pitch in and give him a hand. Many a harvest would have been lost without the help of a husking bee.

YOUR COUNTRY NEEDS a fat-salvage bee right now! Millions of tons of fat have been used up to supply the thousands of battlefield and home-front needs in this war. And there's still a lot of war ahead!

A PLEA TO EVERY WOMAN! Our country is calling on you, the women in small cities and towns and on the farms, to save every drop of used fat. Your used fats are desperately needed to meet our country's requirements.

So scrape all pans and roasters. Skim soups and gravies. Keep your used fats in a tin can—any kind will do. Save meat trimmings and plate scrapings in a bowl; melt them down and add the liquid fat to your can.

When the salvage-can is full, take it to your butcher. He'll give you 2 red points and up to four cents for every pound. If you have any difficulty turning in your used fats, call your Home Demonstration or County Agent.

Needed this year: 100,000,000 more pounds of used fats

Approved by WFA and OPA. Paid for by Industry

SOCIETY

FIFTH ANNIVERSARY OF SOCIETY OBSERVED

The fifth anniversary of the Woman's Society of Christian Service of the Methodist church was observed Monday afternoon when Mrs. M. H. Hagaman and Mrs. Leslie Hagaman entertained at the home of the former at 4:00 o'clock with a tea for ladies of the church.

The home was attractively decorated with garden flowers and in the dining room the tea table was covered with a lace cloth and centered with an arrangement of marigolds and zinnias. Mrs. Leslie Hagaman presided at the silver tea service and Mrs. C. E. M. a y served the birthday cake.

During the afternoon life memberships were presented to Charles David Wolford, Don Deffebach, and Sandra Shellen Scott. Mrs. Peggy Skilleen was presented a life membership pin which was awarded to her daughter, the late

Mrs. O. L. Phillips, last year. About fifty guests called during the afternoon.

MISS CARPENTER, SGT. PUGH ARE MARRIED

Announcement has been made of the marriage of Miss Dorthea Carpenter to Sgt. John S. Pugh. The ceremony was performed in Fairfield, California on August 27.

The groom who is stationed at the Fairfield Army Air Base is the son of Mrs. Mittie Pugh of Ranger and the bride is the daughter of Mrs. C. W. Carpenter of Eastland.

Mrs. Pugh is making her home in San Francisco while her husband is still in the service.

REBEKAH LODGE HAS MEETING ON TUESDAY

Members of the Ranger Rebekah Lodge No. 244 met at the IOOF hall Tuesday evening at 8:00 o'clock for a business session which was presided over by the vice grand, Mrs. Freda Rainwater. Routine business was transacted and sick reports were made.

Hour of the meeting has been set for 7:30 o'clock during the winter months and this hour will be started at the next regular meeting.

PERSONALS

Mr. and Mrs. Herbert Stafford and daughter, Genelle, of Port Arthur are the guests of Mrs. R. R. Stafford and Mrs. Stanley McNelly.

Mrs. Harold W. Brewer returned to her home in Lawndale, Cal. after a three week visit with her husband who has returned from overseas.

Coxswain and Mrs. Brewer spent five days in Napa with Mr. and Mrs. M. M. Brewer and family and then went to Seattle, Washington where Brewer reported to his ship.

Coxswain Brewer is serving on an A. P. A. transport with the Navy and has participated in several invasions including the liberation of the Philippines and the invasion of Okinawa.

Mrs. Brewer is the former Ella Joy Ferris and is making her home with her mother Mrs. J. B. Ferris, 14922 Eastwood Ave., Lawndale, California.

Mr. and Mrs. B. V. Baker and daughter, Barbara, of Amarillo, Texas, have returned to their home after a short visit with Mr. Baker's mother, Mrs. S. B. Baker.

Rev. and Mrs. Wallace N. Dunson, Miss Virginia Dunson and Wallace Dunson have returned from a visit in Brownwood.

Mrs. A. S. Whitley is a medical patient in the West Texas hospital.

Lt. John Bourdeau who has been the guest of his parents, Mr. and Mrs. W. M. Bourdeau, left Wednesday to return to his station with the Navy at Norfolk, Va. He was accompanied to Dal-

las by his parents and from there took a plane for Norfolk.

Mrs. M. E. McKinney of Sulphur Springs is a guest in the home of her daughter, Mrs. M. S. Wade.

Filly Anderson, S. 2-c who has been visiting his parents, Mr. and

YOUR ADMIRATION PACKAGE IS

Now fresher than ever!

Have you noticed? Admiration's famed LAMOFILM package once again has the added protection of a heat-sealed, moisture-proof outer wrapper. Right! It's cellophane—back with honors from a distinguished fighting career. War requirements have been relaxed to permit of large quantities for civilian use. Always first with the finest, Admiration naturally is again using cellophane.

This addition gives you triple protection: First in the LAMOFILM inner liner—two sheets of special paper, bonded together with rubber. This makes an airtight, aroma-saving package in itself. Second in the cellophane outer wrapper, which keeps out moisture. Buy a package of Admiration. Observe when you open it how the aroma fills room. That shows a really fresh coffee!

Delicious Admiration Coffee
