Western Germany Added To Aid Plan

Well...
I Dunno,
But...

Apparently most people are already heading part of the new traffic code that goes into effect in September. We notice that more drivers dim lights when approaching another car at night. That we understand is one of the items in the new code and a good one it is, too.

Many an accident has been caused by drivers being blinded by lights from another car.

But the thing that ought to be worked on most is fast driving. Automobiles are not built to match airplane speed but some drivers seem to think so. Statistics show that control over an automobile becomes less and less as the speed grows. Personally, we'd rather start in time and get there safely, than wait until the last minute and then make up time with speed.

Then there's the guy that insists on taking the left hand side of a curve. Sure you can drive around that curve faster on the inside, but there's always the chance that another car is coming from the opposite direction and abiding by the law to drive on the right hand side. That makes two cars heading together. Add to that excess speed and you have a perfect accident set-up.

But there's not much use of talking to the "road hog" and "speed demon". They're gonna go right on doing what they've always been doing until the law of averages overtakes them.

Susie Hansford has lost a very valuable flag and she asked us to help her find it. This is the way it happened. Two girls went to the Hansford home and asked to borrow the flag for a parade. After the two had promised faithfully to return the flag she agreed to let them have it. She didn't ask their names and now, weeks afterward, the flag still unreturned, she doesn't know how to go about getting it back. If the girls that got the flag read this, will you please take the flag back to Susie.

The flag is on a blue staff and is the size to be used in sidewalk display. Susie says that she's been using that flag in front of her home for 20 years and she'd sure like to get it back.

Word was received this morning that H. T. Schooley, formerly of Ranger is in a critical condition at the Scott and White Hospital in Temple. He sent word that he'd sure like to hear from some of his Ranger friends. His room number is 46.

Some of the Jaycees were down at Dublin Tuesday and came across Alex, the nimble hull fighter that was in the last year's rodeo and will be back this year.

Alex told the boys that for a few minutes yesterday he didn't know whether or not he'd be here this year. The reason, while rounding up some Brahma bulls his horse threw him. He survived all right, but the experience was jolting. His version of what happened was this "that horse she unloaded me."

The Ranger Country Club is planning quite a program of redecoration for the interior of the clubhouse and they're thinking up ways to raise the money to do it.

One of the first things they'll do to raise the money is to give a big dance on July 30 immediately after the first performance of the rodeo is over. The public will be invited to attend. In other words the doors will be thrown open for the dance, and whether you're a member of the club or not you'll be entitled to go by buying a ticket.

Yes, the Jaycees are still "taking". And the latest reports they had accepted a million from Charles Hodges. Of course, we told you yesterday that Vance Blausner had given ten the bread for the big barbeque tomorrow night at the arena.

However, they did tell us today that they had bought the beef to be barbecued for the picnic. So people, you'll have meat with your bread out there Thursday night.

Yesterday was a thermometer tester. The highest maximum temperature was 94.

Rob Taylor, sales manager of the Schweizer Sailplane Co., Elmira, New York, drops his glider right into the circle and up to the stick in a spot landing contest held at Wichita Falls, Texas, during the 14th annual National Soaring Meet. (NEA Telephoto)

INVITATION TO PEACE MEET SENT

WASHINGTON — The State Department formally announced today that it has invited the 11 nations on the Far Eastern Commission to hold a preliminary "peace conference" of deputies and experts on a Japanese peace treaty Aug. 19.

The announcement did not say where the conference would be held. But the United Press learned in other quarters that San Francisco or Washington were proposed as the sites.

The U. S. proposal would bypass the Big Four Council of Foreign Ministers, which was set up at Potsdam two years ago and has been drafting the European peace treaties.

Commission Is Drawing Jurors For 91st Court

A jury commission appointed by Judge Geo. L. Davenport of the 91st district court was busy today drawing petit jurors and also a grand jury for the August term of the 91st court which will convene on August 4. Three lists of 50 jurors each, were being drawn for petit jurors.

Personnel of the commission drawing the list is as follows: Bill Herrington, Rising Star, T. O. Shelly, Gorman and E. T. Eubank, Ranger.

Says Coal Price Be Hiked Aug. 1

PHILADELPHIA — Despite a plea by President Truman against immediate price increases in the coal and steel industries, the retail price of anthracite will be raised Aug. 1, a top industry spokesman said today.

An overall boost of about 70 cents a ton will be necessary to meet extra costs incurred by the new wage agreement with John L. Lewis' United Mine Workers, AFL he added.

Courthouse Records

Marriage Licenses:
Joe Ben Hamrick, Cisco, and Miss Neva Lewis Denson, Cisco.
William E. Walton, Ranger, and Miss Alma Hughes, Ranger.
Joseph P. Tolland, Breckenridge and Mrs. Ina Newman, Ranger.
Suits Filed (91st District Court):
Eva K. Milmo vs. Daniel Milmo, divorce.
I. O. Wells vs. M. S. Wells, divorce and custody.

ON THE NOSE

Marshall told his news conference that the primary objective of the military members of the mission is to ascertain what equipment the Greek army needs from the United States to make it strong enough to combat the guerrillas.

KNIGHTS OF COLUMBUS MEET TUESDAY

At a meeting of the Ranger Council, Number 2123, of the Knights of Columbus, held Tuesday night at St. Rita's school in Ranger, officers for the year were installed.

Davis Lambright of Fort Worth, district deputy of the Fourth District, Knights of Columbus State Council of Texas, presided at the installation.

The following officers were installed: deputy grand knight, William L. Bourdeau of Ranger; chancellor, Anthony Falletti of Eastland; recorder, Hal Lavery of Cisco; financial secretary, James O'Neal of Ranger; treasurer, Morris Leveille of Ranger; advocate, Joe Daskevich of Ranger; warden, Philip Zeisel of Eastland; inside guard, Morris Campbell of Ranger; outside guard, Con Collins of Cisco; trustee, and C. A. Campbell of Ranger.

Grand Knight Collins made the following appointments: chaplain, Rev. John B. Duesman of Ranger and lecturer, Rev. J. J. Donnelly of Ranger.

Says Early Disposition Of Refugees Vital

WASHINGTON — Secretary of State George C. Marshall and other high administration officials told congress today that early settlement of Europe's refugees is vital to U. S. world leadership for peace.

Marshall, Secretary of War Robert P. Patterson, and Secretary of Commerce W. Averill Harriman asked a House Judiciary subcommittee for quick action on legislation to permit entry to the United States of 400,000 displaced persons in the next four years.

President Truman has repeatedly asked passage of the bill, but Republican leaders doubt it can be enacted in this session.

Party Leaders Arrested At Bucharest Port

BUCHAREST — The government today announced the arrest of 14 persons, including topflight leaders of the opposition National Peasant Party, at a suburban airport from which it said they were trying to flee abroad.

An interior ministry statement charged the newly arrested oppositionists were plotting to overthrow the leftist coalition regime of Petru Groza.

UN SHELVES BALKANS FOR 1 DAY

LAKE SUCCESS — The United Nations Security Council shelved the Balkans dispute for one day today despite the western powers warnings that delay may permit an "explosion" in southeastern Europe.

The United States was promised its urgently requested early show-down, however, when the Council scheduled three consecutive meetings to consider the east-west wrangle Thursday and Friday in view of the mounting trouble within Greece.

The United States appeal for a double meeting today was defeated in the closing minutes of a bitter session late yesterday at which the United States warned that the Greek situation "might burst into explosion any day" and Britain said that any delay in council action "invites disaster."

Fewer Women Barflies, Says Temperance Head

EVANSTON, ILL. (UP) — Women are staying out of bars in increasing numbers, says Mrs. D. Leigh Colvin, president of the National Women's Christian Temperance Union.

"The number of women drivers in public places has declined on an average of one-third throughout the country since the start of the year," she said.

During the war, she said, half to more than two-thirds of the mid night patrons in most saloons were women.

Mrs. Colvin said that with men back from the war-fronts, "many have insisted that their wives stay out of the bars."

FUNERAL RITES FOR FORMER EASTLAND CO. WOMAN HELD TUESDAY

Funeral services were conducted at Proffit Methodist Church Tuesday for Mrs. J. O. Lewis, 68, a prominent citizen of the Proffit Community, who died of a heart attack Sunday in a Graham hospital, about 5:40 p.m.

The survivors are the husband, six brothers and four sisters. Newt Lewis of Eastland is a brother-in-law of the deceased.

Palbearers were nephews, one of which was Hub Lewis of Eastland. Interment was in Proffit Cemetery.

The deceased and her husband, J. O. Lewis, were reared in Eastland County, but moved away many years ago to near Newcastle in Proffit community.

Attending the services from Eastland were relatives, Mr. and Mrs. Newt Lewis, Mr. and Mrs. Earl Lewis, Hub Lewis, Vernon Lewis, Henry Van Geem, and W. A. McIntire.

SAYS U. S. MAY ADVISE GREEK ARMY

WASHINGTON — Secretary of State George C. Marshall indicated today that the military members of the American mission to Greece might give advice to the Greek Army—on an instructional basis—on how to wage war against the guerrillas.

Marshall told his news conference that the primary objective of the military members of the mission is to ascertain what equipment the Greek army needs from the United States to make it strong enough to combat the guerrillas.

Marshall did not know whether those military representatives would go to the region in north-west Greece where the Greek government claims an international brigade from Albania has invaded the country.

6 CASES SET FOR TRIAL IN COUNTY COURT

District Attorney Everett Grisham stated this morning that six criminal cases have been set for trial in Judge P. L. Crossley's County court on Monday, July 21. A new term of this court opened last Monday.

Following are the cases set: State of Texas vs. T. McCracken; State of Texas vs. Riley Freeman; State of Texas vs. J. O. Kimbrough; State of Texas vs. Altus Fox; State of Texas vs. J. D. Grisham; State of Texas vs. T. A. Graves.

Possum Kingdom Ass'n. To Have Barbecue Sunday

POSSUM KINGDOM LAKE, July 16 — Members of the Possum Kingdom Game and Fish Association will be guests at a huge barbecue and picnic Sunday, Aug. 31 at the old Jack's Camp at State Park.

Officials of the Association drafted plans for the barbecue at a meeting this week in Graham. Litt Masie of Palo Pinto, association president, will serve as general arrangements chairman.

"The event will start at 3 p.m. and there will be plenty of barbecue and free drinks for all," Masie said. "In addition there will be free boat rides for all who are interested."

Under the impetus of the \$50,000 fish rodeo there are now some 6,000 members in the association with the total membership expected to reach 10,000 by the closing date Nov. 15.

Meanwhile two "goldfish" were snaggled over the week-end in the rodeo. Ray Flora of Dallas caught tag No. 366, worth \$130 in prizes. He made his catch at State Park on the Breckenridge side of the lake. Fishing from Arthur's Place, G. H. Franklin of Jacksboro pulled in tag No. 149 and received \$100 in awards for his efforts. These were the 26th and 27th prize fish of the rodeo that have been landed.

Case Of Missing Silver Easily Solved By Man

ODESSA, Tex. (UP)—Police didn't have to work hard to solve this "case of the missing silver."

A local housewife, who had just returned from vacation with her husband, started cleaning house. She couldn't find her silverware.

Immediately the woman reported her loss to police. Later she went down to headquarters to give a full description of the pieces and tell of a possible suspect.

Meantime her husband came home from work and learned his wife was at the police station. He went down and asked what she was doing there. She told him.

"The silver isn't stolen," he said. "I hid it before we left."

MINGUS DOWNS STRAWN IN 1ST SHUTOUT GAME

The first shut-out game of the season in the Ranger Softball League was played Tuesday night when Mingus defeated Strawn 8-0, in a game played at the Ranger softball field.

Dumith, pitching for Mingus, gave up four hits, walked none, and struck out six, while Lane, pitching for Strawn, allowed seven hits, walked one, and struck out four.

Mingus' first score was made in the second inning and the score remained 1-0 until the sixth inning when they tallied five more runs, adding two in the seventh to make the final score 8-0.

Kitchens of Strawn and Gibson of Mingus made the only two base hits of the game.

Umpiring were Virge Johnson, W. L. Jacoby and Jacoby.

Asks Flood Control

WASHINGTON (UP) — President Truman today asked Congress to undertake a 10-year comprehensive flood control program for the whole Mississippi River basin, beginning with expenditure of more than \$250,000,000 in the next 12 months.

Car Production Stopped

DETROIT (UP) — All passenger car production at General Motors Corporation plants will be halted for one week, idling 180,000 workers, because of a steel shortage, the company announced today.

GREEK GUERRILLA

Communist guerillas such as this one, who wore a U. S. Army blouse when his picture was made at the Greek frontier village of Kastanofiton, were reported facing stubborn resistance from government troops as the guerrillas advanced on Kalpaki near the Albanian border, threatening the important business center of Yanina, (NEA Telephoto).

DIRECTORS OF C. OF C. HAVE MEET

The regular meeting of the Ranger Chamber of Commerce directors was held at the manager's office Tuesday night with the following directors attending, T. C. Wylie, B.A. Tunell, H.C. Henderson, L.R. Pearson, J.A. Bates, H.P. Earnest and R.V. Galloway.

Mr. Tunnell presided in the absence of the president, M. L. King, and reports from various committees were heard. Mr. Henderson and Mr. Wylie reported on the recent good will trips and explained that the trip to Morton Valley has been postponed until next week in order that more thorough plans can be made.

Mr. Galloway stated that plans are being perfected for a group of men from Ranger, Eastland, Breckenridge and Caddo to appear before the Highway Commission on July 31 with reference to the state taking over the Caddo - Ranger road for rebuilding and upkeep.

Mr. McKeever, chairman of the aviation committee, reported that he and members of his committee had appeared with Engineer Edwin S. Martin Jr. before the city commission to explain plans for airport improvements and to explain the formal application for federal aid on the work.

Plans were laid for a group to go to the Sheen and Gont show and sale on July 23 and 24 and lend support to the move to secure the 1948 show and sale for Ranger.

Republicans Fledge Tax Issue In '48 Campaign

WASHINGTON — House Republicans today renewed their pledge to make lower taxes a 1948 campaign issue if President Truman wins his veto fight against their new tax reduction bill.

The White House said the President's veto message probably would reach Capitol Hill Friday. Indications are the veto will be overridden in the House but sustained in the Senate. A veto sticks unless both chambers override.

Army sources had reported earlier that the Greeks had broken the guerrilla invasion, and were driving the enemy back toward Albania.

CIO Blessed Candidate Wins

BALTIMORE — Edward A. Garmatz, Democratic candidate supported by CIO President Philip Murray in defiance of the Taft-Hartley labor law won a three-cornered race for U.S. representative in Maryland's third congressional district, complete returns showed today.

EXPECT BITTER DENUNCIATION OF ACTION FROM RUSSIA

WASHINGTON — The United States today tossed western Germany into the "Marshall Plan" for the economic rehabilitation of Europe.

The decision was headed for bitter denunciation by the Soviet Union and eastern Europe where the U. S. already has been accused of seeking to build up Germany at the expense of the rest of Europe.

And it may be greeted with skepticism by some of the nations which have just completed procedural plans for implementing the "Marshall Plan." France has never changed her opposition to revival of German industry beyond a subsistence level, and Holland and Belgium also have opposed an increase in German production.

But the American decision coincides perfectly with long-irred British views for allowing German industry—especially in the Ruhr—to grow back nearly to pre-war levels with "appropriate safeguards" against a reversion to militarism.

Greek Brigade Joins In Battle Against Invaders

ATHENS — Sources close to the Greek general staff reported that the Greek 23rd Brigade joined battle at dawn today against 1,500 to 2,000 guerrillas who had broken out of an army encirclement near the Albanian frontier.

The 23rd brigade was reported to have moved westward from Metsovon and, supported by strafing planes of the Greek air force, intercepted the guerrillas about 9 miles from the Albanian border.

The newspaper Estia, with close connections in the general staff, said the battle had been raging since dawn on the slopes of Mount Ganyla.

Army sources had reported earlier that the Greeks had broken the guerrilla invasion, and were driving the enemy back toward Albania.

Machines Tell How Much You Have To Drink

NEW YORK (UP)—Science has caught up with the men who get home and explain to the little woman that they have had "just

a couple of beers with the boys." Two machines, the intoximeter and the drunkometer, can be used to gauge exactly how much alcoholic beverage he's had.

Dr. Walter W. Jetter of Harvard University explained the devices to the traffic court judges and prosecutors conference at New York University. They measure the exact alcoholic content in a person's blood and breath, and

the evidence is admissible in most courts.

Dr. Jetter explained that if a person's blood shows .05 per cent to .15 per cent alcohol, his intoxication may be questionable. Above .15 per cent, he's drunk. A score of .25 per cent or more and he's flat on his back.

To get the .15 per cent figure, Dr. Jetter said, the average man weighing around 150 pounds must

drink six or seven ounces of alcohol in a half hour. That, he added, is not social drinking.

NEWS FROM CARBON PHONE 18

L. T. Reese—Correspondent

Carbon, July 15—Mr. and Mrs. Elzo Been of Long Branch spent Sunday here with his mother, Mrs. Julia Been.

Mrs. O. Stone was brought home from the Gorman hospital, Friday and is improving.

Mrs. H. V. O'Brien and Mrs. Nina Hastings were shopping in Eastland Saturday.

Mrs. Chesley Tipton and son, Dannie, of Cisco spent the past week-end with her parents, Mr. and Mrs. Dan Boatright.

Mrs. Clyde Bethany is in Fort Worth at the bedside of her mother, Mrs. Watson, who is seriously ill.

Bill Jackson and family of Andrews visited relatives here last week.

Bill Partin of Abilene spent the past week-end here with his mother, Mrs. Nina Parsin.

The construction crew of the Katy railroad has just completed a switch from the main line to the Swift & Company peanut shelling plant and ending at the Carbon Watermelon Growers' shed. This will accommodate about 50 cars for loading processed and farmers' produce that heretofore had to be trucked to and from the railroad station. Our accommodating Katy agent tells us that about 434 cars were loaded and unloaded at the station last season.

Les Southerland, who formerly operated the brick garage here before he was employed by the

county, is erecting an iron and cement building 30x40 feet on the east side of Main street to house his welding and automobile machinery.

The City of Carbon is having some substantial work done in the way of cement culverts and bridges. One has been completed just west of the Church of Christ on the street connecting with the Okra public road and another is nearing completion on Avenue D at Commerce street and just south of the Methodist church.

Mr. and Mrs. J. T. Morrow of New Orleans flew in to attend the funeral of Charlie Morrow of Sipe Springs, uncle of J. T. Morrow, and visited in the home of Mrs. Morrow's father, C. J. Williams and Mrs. Williams.

Mr. and Mrs. R. L. Huckabee, Mr. and Mrs. C. J. Williams and Mrs. Willie Miller were at Possum Kingdom dam last week.

Miss Betty Collins has employment with the First National Bank at Gorman.

Miss Beulah Speer of Eastland spent last week here with Mrs. May Speer and attended the meeting.

Miss Stina Fields of Cisco is visiting her brother, Willie Fields.

Mr. and Mrs. Charlie Harlow and daughter, Mary Lee, are visiting his brother, Bob Harlow and other relatives in Big Spring.

Ted Smothers of Porterville, California, is visiting his sister, Mrs. Ike Butler.

F. M. Woods of Cisco spent Sunday here with his sister, Mrs. W. W. Martin and Mr. Martin.

Mr. and Mrs. Douglas Kelley of Cisco spent the past week end with her parents, Rev. Lee Fields and Mrs. Fields.

Miss Evelnor Adair is visiting in Stamford.

Mrs. Blanche McGahoney of Rising Star spent Sunday here with her brother, R. Gray and Mrs. Gray.

Mr. and Mrs. L. D. Wyatt and family spent Sunday with his parents, Mr. and Mrs. Walter Wyatt.

L. E. Phelps and "Bud" Thurman are on the Colorado fishing.

Mr. and Mrs. J. T. Wilson and boys spent the past week end in Gorman visiting her parents, Mr. and Mrs. Tom Greer.

Mr. and Mrs. M. E. Crossley of

DENTISTRY

Ranger, Texas

Rising Star spent the past week end here with his parents, Mr. and Mrs. M. V. Crossley.

Mr. and Mrs. A. G. Spencer of Lubbock spent several days here with her sister, Mrs. W. E. Trimble and Mr. Trimble.

Ray Watt was in Stephenville Saturday on business.

Mr. and Mrs. Hudson of Rhyone, Georgia; Mr. and Mrs. J. D. Pittman and daughters, Anna and Jean of Flatwoods visited Mr. and Mrs. J. H. Pittman Sunday.

Pat and Mike Collins visited in Eastland Monday.

Mrs. Clyde Campbell underwent major surgery at a Gorman hospital Thursday.

Mr. and Mrs. Morenger of Eastland visited in the home of their grandparents, Mr. and Mrs. Walter Wyatt Sunday.

Kirksey Parker of Dallas has bought the E. H. Eoyett home and is moving in this week.

Mrs. Raymond Powell left Saturday to join her husband at Kermit.

College To Have Two New Dormitories

ELPASO, Tex. (UP)—Housing of boarding students on the campus will not be a problem next fall at the College of Mines and Arts, a branch of the University of Texas, according to Dr. D. M. Wiggins, president.

Two new dormitories, one for men and one for women, and a dining hall which will seat 300 students at a time will be completed by fall at a cost of approximately \$800,000.

The architecture will follow the

RANGER JUNIOR COLLEGE
SOLICITS PROSPECTIVE COLLEGE STUDENTS
The College offers courses in many fields. If the college student is interested in medicine, law, engineering, teacher certificate, secretarial work, public speaking, accounting, vocational, or terminal education it will do well to investigate the courses offered by Ranger Junior College. The Public Junior College faces in a favorable way the opportunities and responsibilities for bridging the gap between high school and life career. The Public Junior College is a recognized educational college, and is endorsed by universities and educators as being an idea college for freshman and sophomore students. Ranger Junior College teaches every thing that is taught with a view to its usefulness. Ranger Junior College is fully accredited and has a very liberal course of study planned for the purpose of giving two years of college work at a reasonable cost, thereby saving the student much money, and allowing it a great deal more money for the completion of the bachelor degree. The College is interested in the development of Ranger and Eastland County. It is a Home College. The College has Veterans' Housing Units

Well I Dunno...

(Continued from page 1)
perature hit the 101 mark. Today don't seem no better.

Heard this morning of the little boy who went home from Sunday school with his pockets bulging with money. When questioned as to where he got it he replied, "Well, we're always putting money into the church and never getting anything out of it so I just took the birthday money this morning". But we bet he never does it again. His mama took him back to the church, made him walk the full length of the packed main auditorium and return the money.

Personals

Word was received this morning that Mrs. M. S. Wade who underwent major surgery at All Saints' Hospital in Fort Worth Monday is recovering satisfactorily.

Mrs. Jack Cox and daughter, Mary Jane, of Midland, and Mrs. Turner Dobbins and daughter, Ramona, of Stamford, are visiting their sister, Mrs. Ellis Gregory and Mr. Gregory.

Rep. and Mrs. Jim Wright and son, Jimmy, were in Ranger Tuesday and were guests of Mr. and Mrs. R. B. Pitchford. Mr. Wright is State Representative from Parker County.

Airport Activities

Speedy says---

J. B. Juter, Albany, landed here Tuesday enroute from Ft. Worth to Albany. He was flying a J-3 Cub.

Charlie Bond accomplished his first night flight Tuesday night. He flew from Ranger to Abilene, Wichita Falls, Fort Worth, and back to Ranger. The entire flight required 4 hours and 10 minutes. All aids to navigation were made use of during the flight.

People that park on the airport late at night had best turn on their lights when an airplane comes in for a landing. I don't know what the result would be when an automobile and an airplane run together, but I don't think the result would be anything that the people have ever seen before. It would be much better if automobiles didn't park on the airport.

The army tried the dry ice idea of Mrs. Ducker's, and it actually rained. It took a B-29 and Lord knows how many pounds of dry ice.

The Smith Construction Co., Ft. Worth, bought two B.T. 13's from C. C. McKeever, yesterday.

Tom Steele and S. A. Boyle landed here today in a P.T. 19. Both pilots were from Marlowe, Okla.

Ice on aircraft wings is formed when the ship flies through any area of supercooled water droplets. The supercooled water droplets are suspended in air at a temperature from 15 to 32 degrees and do not freeze until they are hit by an airplane wing.

Sue Billings of Albuquerque, New Mexico is the guests of Mrs. Sidney Melbourne.

Visits Husband

Sylvia Wallis, wife of Ernest Wallis, who is being held in Chicago by the FBI in connection with thefts which involved atom bomb material taken from the Los Alamos, New Mexico, plant, as she appeared at the Chicago police station where she came to visit her husband. (NEA Telephoto).

SOCIETY

Ladies Club Board Meets On Tuesday

A meeting of the executive board of the Ladies Club of Ranger Country Club was held Tuesday afternoon at 4 o'clock at the Clubhouse with the president, Mrs. Perry Horton, presiding.

Plans for redecorating the interior of the clubhouse were discussed and ways and means of raising money outlined.

Those attending the meeting were Mrs. P. M. Kuykendall, Mrs. Deane Crawley, Mrs. Harry Wallace, Mrs. J. A. Bates, Mrs. Horton, Mrs. F. P. Braahier, Jr., Gid Faircloth, James P. Morris, B. E. Garner and M. L. King.

L. L. L. CLASS TO HAVE BREAKFAST

The L.L.L. Class of the First Baptist Church will be entertained Thursday morning at 8:00 o'clock with a breakfast at Willows Park.

Hostess will be Mmes. A. L. Stiles, J. W. Tibbels, and J. F. Shirley. All class members and their families are invited to attend.

Personals

Mr. and Mrs. W. P. Stockmier of Dallas, and Mrs. M. E. Schneider of Waco are visiting Mr. and Mrs. O. R. Gafner.

Mr. and Mrs. Dalton Morgan and son of New Mexico are the guests of his parents, Mr. and Mrs. Tim Morgan.

Patsy Wheat, Ronald Pruet, Hattie Lou Kirk, Junior Richardson, Barbara Stewart, Billy Anderson, Marie Harper, Loretta Culpepper, Betty Cox, and Rev. D. C. Ham of the First Baptist Church were in Leuders Tuesday evening where they attended the coronation ceremony at the Baptist encampment.

Juke Box Infiltrating Even American Home

CHICAGO (UP)—The juke box has invaded the quiet of the American home.

It is now possible to rent a juke box on a "one night stand" basis. The juke people set calls to install the 500 pound mechanical minstrel in lodges, hotel rooms, basements, summer cottages and even the homes of the rich.

'Sociable'

"Just to be sociable," M. E. Schroeder, Olweiss, Ia., locomotive fireman, picked up his phone and put through a call for Russian Foreign Minister V. M. Molotov in Moscow. The Kremlin answered and the fireman and the foreign minister had a friendly three-minute chat.

HAPPY LAD

Smiling as he is hugged by his mother, Mrs. Harry T. Nelson, right, and his sister, Nancy Lee, left, Franklin Dee Nelson, 2, was happy again after being found by police walking down a railroad track. Franklin wandered from his ranch home near Niles, California, and was lost for 15 hours. (NEA Telephoto).

FUNNY BUSINESS

"One more chirp outa you an' you go to th' showers!"

ACCIDENTS DO HAPPEN— BUT NOT TO ME!

I know that with increased traffic and higher speed driving, accidents increase. That's why I check my car regularly at LEVELLE MOTOR CO.

That quick, efficient Ford service insures me against troublesome kinks in my car. My old car rides like new too, since expert mechanics keep it in "smooth" condition.

Accidents won't happen to you either if you give your car personal attention the Ford way—today!

How Mr. Parker gets good telephone service

Mr. Parker just got the telephone and he and his family have been waiting for. He wanted an individual line because the Parkers do a lot of telephoning. But no individual lines were available because of shortages, so he took a party line instead.

Now Mr. Parker is wondering... "A party line... hum-m-m... what kind of service...?"

Party-line service is good service. It's simply a service you share with neighbors and they share with you. Of course, you can't call while someone else is using the line, but on the other hand, no

one else can call while you're using it, either—so it's "even Stephen!"

Party-line service is best when conversations are kept reasonably short so everyone has a chance to call—or be called. A little thoughtfulness of the other fellow, a little practice of the golden rule do wonders on a party line.

One of these days, when we've provided service for everyone waiting and there's enough equipment, we'll be around with those individual lines Mr. Parker and hundreds of other folks would like to have.

SOUTHWESTERN BELL TELEPHONE COMPANY

HOSTESS' LIFE LONG WALK, BIG SMILE

By Claire Cox

United Press Staff Correspondent CHICAGO (UP)—The middle-aged woman in coach seat No. 13 was irate. She was sitting next to a man and she didn't like it.

A man 12 cars back had a backache. He wanted a hot water bottle. A woman in a brown hat wanted a bottle for her baby. A Mrs. Smith from Milwaukee wanted to know where she was.

That was my introduction to the life of a railroad stewardess. For two nights and a day I tramped back and forth through the 12-car City of Los Angeles as a stewardess on the streamlined train, as it sped through mountains and over plains.

It seemed I walked almost half the 2,000-mile route from Los Angeles to Chicago, which was covered in 39 1-2 hours.

The Union Pacific and North Western Railroads, which operate the luxury train daily between the two cities, recently inaugurated a stewardess service to keep the passengers happy.

I went along to "help" stewardesses Florence Patton, Livermore, Ky.

The life of a railroad stewardess, I discovered, is just one long walk and one big smile. She has to listen to the problems of the passengers. And in the course of each day, she makes at least 12 regular trips through the train.

And there are emergency calls on her services.

Such as the one from the lady who insisted on being moved to another seat because she didn't want to ride sitting with a man.

"I might wake up in the middle

ARCADIA

WEDNESDAY & THURSDAY KING OF THE WILD HORSES Preston Foster Gail Patrick Bill Sheffield

of the night with my head on his shoulder," she said. She was given another seat, next to a prim-looking matron with bony shoulders.

Then a young mother in a Pullman car five cars back wanted a bottle for her baby. The man with the aching back had fallen several days before he boarded the train, but he didn't get a backache until somewhere between Cheyenne, Wyo., and Omaha, Neb.

He wanted a hot water bottle. We telegraphed ahead for one. When we got to the next stop, the hot water bottle was there, but he didn't want it. We sent it back.

Mrs. Smith stopped me as I limped toward my berth for some rest.

"Where are we?" she asked. I didn't know.

"What's that body of water over there?" she asked.

"That's a lake," I said, and walked on.
