FRANK CROW, MINISTER **SPEAKER**

Mr. Driver, this is the time of the year when the sign, "School-20 M.P.H. Zone," becomes the most important traffic sign on the street.

This week and next, schools are opening for the 1947-48 season.

For the next nine months-five days a week and as often as four times a day— school children will place their fates in the hands of motor vehicle drivers on our streets and highways.

Teachers do everything in their power to instill safety habits in our boys and girls,

but sometimes, in the excitement of play, little folks forget the dangers of heavy traffic.

Mr. Driver, let's all cooperate with the teachers. Let's all help bring our children safely to and from school. Let's all remember that every street crossing is a place where some child may forget to stop, look and listen.

One of the most important rules observed by Texas Electric Service Company drivers is that even in an extreme emergency all "School—20 M.P.H. Zone" signs are care-
