Vandenberg Lashes Soviet Tactics In UN

SAYS FAILURE OF PEACE TO BE LAID AT SOVIET DOOR

ANN ARBOR, Mich. — Senate President Arthur H. Vandenberg, R., Mich., lashed out at Soviet tactics in the United Nations today and said the responsibility would be "crystal clear" if UN failed to save the peace. At the same time, the Republican foreign policy leader said in a speech here that a separate peace should be written for the American, British, French zones of Germany if Russian demands produced a deadlock at the coming London conference of foreign ministers. Vandenberg called on the United States to continue steps to make the UN effective—particularly restricting the use of the veto—but said it must be sure in the meantime to maintain a "totally adequate American national defense."

RUSSIA TURNS DOWN U. S. PLAN FOR PALESTINE

UNITED NATIONS, Flushing—Russia today rejected the American formula for partition of Palestine and submitted a plan of its own calling for British withdrawal by Jan. 1 to be followed by a year of UN Security Council rule over the Holy Land. The Soviet proposals were laid before the UN General Assembly's Palestine partition subcommittee by Soviet Delegate Senyon Tsarapkin. He flatly turned down the American blueprint for creating independent Arab and Jewish states in Palestine on next July 1 and leaving Great Britain in charge of the territory until then. Russia, he said, wants Britain to get out by the first of the year and turn over the responsibility to a UN commission consisting of the 11 nations on the Security Council. The commission would be directly responsible to the council, where the big five hold veto power.

Polish Leader Arrives In England Today

LONDON—Stanislaw Mikolajczyk, missing Polish opposition leader, was reported by British officials to have landed in England today aboard a Royal Air Force plane which brought him from Germany.

RANGERS TAKE GAME FROM WEATHERFORD

Ranger Junior College's Rangers overpowered the Weatherford Junior College Coyotes in a game at Weatherford Saturday night to win by a score of 13 to 7. The Rangers' passing machine accounted for the two touchdowns while the Rangers' Defense held the Coyotes. Ranger kicked off to Weatherford with Heathington kicking. The ball sailed over the double stripe and was brought back to the Coyotes 20 yard line. Battling a strong Ranger defense, the Coyotes were forced to kick, the punt going out on the 33 yard line. Ranger made a threat from there but failed to score. Still another threat failed and not until the second quarter were the Rangers able to score. Passes from Arterburn to Sullivan, Griffin, and Blitch setup the score. Fifem around the 12 yard line Arterburn flipped a pass to Blitch on the left end and Blitch went over. McClendon failed to convert the extra point by a kick.

Aircraft And Engine Class Opens Nov. 4

The Aircraft and Engine Class, recently established by the Eastland County Vocational School, will begin its first class on November 4th. Modern civilian engines of various horsepower, and complete airplanes, have been installed at the Class Headquarters, Cisco Municipal Airport, Ranger Number Three. At the present, continuous student enrollment, will go on indefinitely. C. B. Edwards, Director of the Eastland County Vocational School, states that all Veterans interested in the Aircraft and Engine Class, should present themselves, in person, at the following address and location. Eastland County Vocational School, Cisco Municipal Airport, Eastland National Bank Building Eastland, Texas (Third Floor).

Former Resident Dies; Burial To Be At Alameda

Friends and relatives were advised this morning of the death of Joe Watson, former Ranger resident. Mr. Watson died Sunday night in a Mineral Wells Hospital and burial will be in the Alameda cemetery Tuesday afternoon at 3 o'clock.

F. B. I. School In Eastland At The Courthouse

An FBI school of instruction for Eastland officers of Eastland County is being held in Eastland this week. The first class meets at 1:30 this afternoon in the County courthouse. Dwight Brightman will be the instructor for the class this afternoon. Instructors on specialized subjects will instruct at different times. While the school, which was brought to Eastland through the efforts of Sheriff J. B. Williams, is primarily for Eastland county officers, officers from other counties will be admitted.

LEADERS OF NAZI SS ARE FOUND GUILTY

NUERNBERG—Lt. Gen. Oswald Pohl, former official of the Nazi S. S. was convicted of war crimes today and sentenced to be hanged. Fourteen of his henchmen also were found guilty. August Frank, Pohl's deputy, was sentenced to life imprisonment. Heinz Karl Fanslau, SS personnel chief, received a 25-year prison sentence, and Hans Foerner SS finance officer, was sentenced to 10 years. The verdicts were handed down by an American war crimes tribunal, which acquitted three of the defendants. All the convicted Germans were found guilty of taking part in the Nazi extermination program in concentration camps. Pohl was convicted of playing a major role in the extermination of Nazi prisoners, destruction of the Warsaw Ghetto, and the furnishing of victims to the SS for medical experiments.

At Least 51 Persons Killed In Peru Quakes

LIMA, Peru—Reports from central Peru said today that at least 51 persons were killed in the earthquakes that shook seven towns more than 70 times Saturday and Sunday. Officials said they feared the death toll would be 100 or more when all casualties are finally known. The earthquake shook great landslides from the mountains down into the Satipo river. These slides dammed up the river and forced it to go over its banks, sweeping away many houses and the people in them.

Officers Place Jiggs Anderson's Money In Bank

BRINKLEY, Ark.—Officers stated here today that money and bonds taken from the clothing of W. B. (Jiggs) Anderson after he died of accident injuries, had been placed in a safe in the Bank of Brinkley. More than \$4,500 in cash and \$7,400 in bonds was found in Mr. Anderson's clothing. Mr. Anderson died in a Brinkley hospital Tuesday, October 28 of injuries sustained in a two car crash.

Huge Saint Bernard Dog Town's Problem

FARMINGTON, Conn. (UP)—Humane officials at Farmington wonder what to do with their problem child—a huge Saint Bernard dog. The lost animal put a big dent in town funds when his ravenous appetite soon after the dog warden brought him in. Advertisements have failed to find the owner of the good-natured monster, who shows his exuberance by bounding about in his kennel, breaking windows and shaking the foundation. Head Dog Warden William Christensen had only this comment. "How could anyone lose a thing like that?"

Chinese Dog's Ransom Set At \$1,000,000

SHANGHAI (UP)—A brown spotted dog in hock for \$1,000,000 (Chinese), will go on the auction block soon. A Chinese soldier boarded the train for Nanking with the dog, but without a ticket for him. On learning he would be penalized and have to pay double, a total of \$432,000, the soldier left the dog as security. Return fair to Shanghai and rations of \$15,000 a day have boosted the bid to the million-dollar mark.

MIGHTY MUSTANGS WIN OVER LONGHORNS

The Southern Methodist University Mustangs took an early upper hand in their game with the Texas University Longhorns in the Cotton Bowl at Dallas, never letting up until the final gun sounded. Here, No. 18, Paul Page, one of the SMU fleet backs, slashes through left tackle for a short gain in the third quarter of the game. Other play ers are: No. 10, James Canady, Texas; No. 79, Dick Harris, Texas, who made the tackle No. 78, Errol Fry, Texas; No. 88, Dick Rein king, SMU, and No. 20, Bobby Lee Coy, Texas. Final score was SMU 14, Texas 13. (NEA Telephoto).

Eyes Bigger Than Stomachs Cited As One Cause Of U. S. Food Waste

By Rounelle Martin United Press Staff Correspondent ATLANTA, Ga. (UP)—Mrs. S. K. Dull, for more than 50 years among the country's sharpest cooks, contends that one cause of so much waste in the kitchen is that our eyes are bigger than our stomachs. She suggested a "table level" rather than a "White House level" food saving program. Mrs. Dull, who at 84, is still queen of the kitchen wherever she goes, is not enthusiastic about the overall chances of President Truman's wasteful program. "People are just selfish," she said in an interview, "Some of the folks will save, but there are enough greedy ones to grab what's left." Food conservation, she said, must be an individual thing to be played like an exciting game among individual families—the man and wife and three kids who put ten legs under the table twice a day, say God bless this food, and pitch in. But what happens? Junior, who filled his plate with every victal that came his way, goes to the kitchen for an extra glass of water and spies the apple pie. When he gets back to the table he thinks with every bite about the space he must save for the dessert. A lot of good wholesome caroties go charging into the garbage cans because of things

Texas Hat For Truman

President Harry Truman waves his new ten-gallon hat that was presented to him by John Ben Shepperd of Longview, Texas, National President of the United States Junior Chamber of Commerce. (Telephoto).

Well... I Dunno, But...

Numbers of people have called to our attention the fact that the Eastland Telegram made the Reader's Digest last issue, but D. E. Pulley wants to be practical about the whole thing and weigh the merits of the statement in the Telegram. Here's what he sent us: Mrs. Ducker: Clipped from Reader's Digest: "The Eastland, Tex., Telegram announces: 'Eastland's population will be 10,000 by 1950 if we do something.' Do you think such arrangements would help Ranger?" D. E. Pulley.

There are those who questioned the value of the National Youth Administration which under took to give educational advantages of a practical nature to boys and girls during the depression years.

We saw a good example of the worth of that effort Friday night. In the press box at the football game between Minerals and Ranger, there were three boys who are with the Mineral Wells radio station who got their first radio training at the NYA radio shop in Ranger during the days of the NYA operation here. They were Ray Blocker, Junior McCreary and Bill Potett, the former from Mineral Wells and the latter two from Weatherford.

Birds have it on humans according to astatement in our mail this morning. They know how to solve their housing problems and in the most modern manner.

Here's what they tell us: "The vice-president in charge of research for Owens Corning Fiberglas Corporation reports that all nests in the vicinity of the company's Newark, Ohio, plant are now fabricated of Fiberglas." Jimmie June Johnson who spends her spare time writing poetry is having a real thrill. She has just received a copy of her first song to be published. She wrote the words and James Bruce wrote the music. The song is "If You Want Me To" and was published by the Gordon Music Company of Hollywood, California. She said that a record of the song is on its way to her.

After complaining all summer about the hot dry weather, we think it only fair to give the weather its dues. The last week has had some of the prettiest weather that we've ever experienced and we've said before this our favorite season. Just one thing yet to come that is particularly like, the killing frost that will turn the trees into the multitude of fall colors and shades.

U. S. Tropical Country Visiting Scot Decides

ST. LOUIS (UP)—A group of British textile men who visited St. Louis while on a tour of the United States commented on the American business man's preference for light-weight clothing. "And what could be more natural, with all your fine heating systems in homes, cars, and trains?" remarked W. Thom Munro of Edinburgh, Scotland, delegation chairman. "You are, after all," he said, "a tropical country—three months of warmth outside, and nine months inside."

Asks Officials' Aid

NEW ORLEANS — President Truman today asked the nation's municipal officials to aid in solving the housing shortage. The nation's 1947 honey crop was about two per cent below that of last year and 10 per cent below the all-time mark set in 1945. Minnesota, California and Iowa have to produce one-fourth of the nation's honey.

12-Year Old Boy Admits Killing Lonnie Fellick

CHICAGO — Twelve-year-old Howard Lang signed a one-line, hand-written confession today that he killed Lonnie Fellick, 7, by stabbing him several times in the chest and smashing his head with a rock while another boy held the victim down. Lang's attorney, Julius F. Cordell, protested that the confession was obtained by coercion, however, and said he would seek a writ of habeas corpus for the boy's release. Supplementing the written confession under oral questioning, Lang told psychiatrists and police that he killed Lonnie during a quarrel that started when Lonnie threatened to tell Lang's mother that he had stolen \$10 from her.

Masked Youths Kill Palestine Police Leader

JERUSALEM—Masked youths today burst into the Jerusalem home of Sgt. Shalom Gurevitz, of the criminal investigation division of Palestine police, thrust his wife aside, and shot him to death. Police authorities attributed the assassination of Gurevitz to the Jewish underground. He was understood to have received threatening letters warning him to quit police work. One suspect was arrested.

The Weather

Fair tonight. Tuesday partly cloudy. Temperature at 1:00 p.m. today: Maximum — 78, Minimum — 48. Hour's Reading — 58. Temperature for the last 24 hours ending at 1:00 p.m. today: Maximum — 78, Minimum — 48.

Mrs. Mary Fellick, mother of murdered 7-year-old Lonnie Fellick, is comforted by Robert Shafer, her son by a former marriage, as she weeps at the inquest in Chicago. Lonnie's battered body was found in a woods near Chicago on October 29. (NEA Telephoto).

You Women Who Suffer HOT FLASHES then FEEL CHILLY!

Are you going through the functional "middle-age" period peculiar to women (38-52 yrs.)? Does this make you suffer from hot flashes, feel so nervous, high-strung, irritable, weak? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this! Taken regularly — Pinkham's Compound helps build up resistance against such "middle-age" distress. It's what Doctors call a uterine sedative. It positively contains no opiates — no habit-forming drugs. It helps nature (you know what we mean). Pinkham's Compound is also a great stomachic tonic!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Heartsease

Solitude
May I share something breath-takingly beautiful with you?
"A Day of Quietude"
Red Crowell

"It would not be at all amiss if we took one whole day to live deliberately; to leave the ceaseless whirl and seek a lane and walk its peaceful, shadowed length again; with thoughts attuned to nature's wroking things . . . to hear the feathered whir of thrushes wings; to stand in silence by a gentle stream, unruffled by a vague or fretful scheme; to

But Ike No Like

Peggy Frebault, secretary for the "Draft Eisenhower for President League," displays a poster-sized picture of the "I Like Ike" buttons expected to flood the country soon. But General Eisenhower, through Maj.-Gen. Floyd L. Parks, Army chief of public information, deplored the formation of "Ike-for-President" clubs, saying he "has no interests or intentions of entering political life or of being a candidate for any office."

spoken to the whisper of the grass as over it the playful breezes pass; to bring our scattered selves to bear until we really see the sky beyond the hill. To have an evening meal with prayerful grace; to note the smile upon a loved one's face; to give attention to a spoken word and try to show that we have truly heard. To gain a calm in which to hear a sage speak from the frame of some old classic's page. And underneath the sprinkle of the stars look upward from the earth and all its scars. We would face days ahead in better mood for living one bright day in solitude."

Thank you for reading it . . . for in it lies the only answer to our troubled hearts.
Look upward, just for one day, from the earth and all its scars; live one bright day in solitude.

FAULTY BITE FOUND OFTEN CAUSE FOR POOR HEARING

PHILADELPHIA (UP) — Approximately 40 per cent of the 10,000,000 persons in the nation suffering from impaired hearing could be helped by a visit to their dentists, Dr. David J. Goodfriend of the University of Pennsylvania believes.

Studies at the university's special ear and throat clinic showed that an abnormal dental bite can be an outstanding cause of faulty hearing, Dr. Goodfriend said in a report published by the American Medical Association.

The studies proved, he said, that dental malocclusion (faulty bite)

directly effects the eustachian tube, connecting the inner ear with the throat.

Of a group of 25 patients with hearing complaints who showed no abnormalities of the ear itself, 23 were found to have an abnormal bite, he said. In another test, 55 per cent of a group of 168 dental students showed dental malocclusions and their hearing was 13 per cent less than those having normal bites.

The progressive adult type of deafness, responsible in 70 per cent of all cases, previously was

considered incurable, but the studies showed that proper dental treatment will help even progressive deafness of short duration, Dr. Goodfriend asserted. In older cases, the rate of deterioration can be slowed.

When You Buy Real Estate—

... you not only buy the land and all that's attached to it above and below, but some kind of a title—good or bad. The abstract is a written history of the title and is the evidence of your security or insecurity. Since security is the basis and measure of all land values the abstract becomes the most important factor in every real estate transaction. Always demand an abstract when you buy real estate.

'Girl Who ...'

Comely Bettie Thomas, of Chicago, joined the endless "girl who" procession when she was chosen Miss Druggist of 1947 at the National Association of Retail Druggists' convention there. Pill-rollers agreed Bettie's the gal they'd "like most to take a powder with."

PHENOMENAL PUBLIC ACCEPTANCE!

-THE RESULT OF SUPREME BEAUTY, LUXURY and VALUE

THE FRAZER MANHATTAN

ONE OUT OF EVERY FOUR OF OUR OWNERS DRIVES A FRAZER MANHATTAN

You Can Afford America's Largest-Selling Fine Car!

The Frazer Manhattan has broken every sales record in the long history of the automobile industry. Never before has any big, luxurious fine car sold in such volume in less than seven months from the date it was first announced! It has had a truly phenomenal public acceptance—more than 25,000 buyers in less than seven months!

Henry J. Kaiser and Joseph W. Frazer put the seal of their approval on this new product of Willow Run, last March. They knew they had put into it supreme beauty and luxurious appointments, smooth power and maximum performance, unusual safety features and long-lasting dependability—plus the balance and poise that would make it the easiest riding car in the world. They knew they had spared no

expense—in engineering, in materials, in precision manufacturing methods. They knew, in short, that this car had what America wanted! Then they priced it "right"—hundreds of dollars below what would have been justified by such superlative quality. To everything else they added value! For they wanted to make and sell this great car in volume.

They were right in their planning. For while Frazer Manhattan production has been increased five-fold since last April, public demand has never yet been filled!

Come and see—and drive—this big, handsome, roomy, ultra-modern motor car. You will agree with its makers that it has everything you have hoped to enjoy in a post-war automobile—and at a price you can afford to pay!

Morrison, Mr. and Mrs. Kelly Buckman, Mr. and Mrs. Major Langford and Mildred, Mr. and Mrs. Paul Langford.

TEXAS TOUCHDOWN

The second Texas touchdown is scored by Tom Landry. He took one of Bobby Layne's passes and ran over the score. The SMU tackler is Raleigh Blakely. Texas missed the extra point after this touchdown to give SMU the game by a score of 14-13. (NEA Telephoto).

Advice To Lovers
Don't Rush Marriage

UNIONTOWN, Pa. (UP)—Mr. and Mrs. Harry N. Krepps, 86 and 78 years old, respectively, reflected on their 62 years of wedded life and came up with some advice for lovers.

"Don't get married until you're ready to settle down," said Mrs. Krepps.

"Maturity counts a lot," said Mrs. Krepps. "Even in the happiest of marriages, and ours has been that, all is not happiness."

Don't Believe All Housewives Warned

ALFRED, N. Y. (UP)—At Alfred University even the housemothers get textbooks.

titled "Manual for Housemothers" and says that "a housemother must listen to complaints about the food, service, faculty and students."

"If she believes all she hears," the book continues dryly, "she will find herself turning with each report like a weathercock."

Vesper Choir Elects Officers

The Vesper Choir sang for the evening service at the Methodist Church Sunday, with Mrs. D. D. Pickrell, director, Dr. A. W. Brazda, assistant, and Miss Lilla Jean Brown, organist.

Following the service, the members of the choir met in the recreational center of the church where a business meeting was held. The following officers were elected: president, Joyce Garvin; vice-president, Bill Brazda; secretary, Florence Ashcraft; book committee, Bob Justice, chairman; assistants, Scott Forney, and Weldon Needham; membership committee, Ann Wolford, chairman; assistants, Angela Parsons and Katherine Tollett; entertainment committee, Dena Pulley, chairman; assistants, Peggy Russell, Cecil Lynn Robinson, and Sara Beth King.

Following the business meeting refreshments were served to the members with Mrs. Archie Robinson and Mrs. Lee Russell as hostesses.

Next rehearsal for the choir will be held Wednesday evening at 6:30 o'clock at the church.

Rangers Ramblin's
By Ben Young

The Masquers club met last week for the initiation of new members and the election of club officers. There were seventeen new members. The officers installed were: James Sims, president; Loretta Culppeper, secretary-treasurer; Clarice Westfall, reporter; and Leonard Boyd, sgt.-at-arms. The meeting was presided over by Miss Jo Oyler, sponsor. Plans were gotten underway for the production of several plays. The Masquers Club is loaded with talent this year, so great things can be expected of them.

BAND BOOSTER CLUB TO MEET TUESDAY

The Band Boosters Club will meet Tuesday night at 7:30 o'clock in the band hall. All members and prospective members are urged to attend.

Personals

International Relations Club

The International Relations Club held its first important meeting last Monday night. Leland Howard, president, presided over the meeting. The subject for discussion was the United Nations. After a brief discussion by Mr. Willis, the group engaged in a forum on the subject. The group entered the discussion very enthusiastically and several good points were brought up.

The next meeting, which is scheduled for Monday night, November 10, will be held in Room 1 of the college building. The subject for discussion will be Communism and what it is. The public and faculty members are always welcome to attend these meetings and join the discussion.

Students of R.J.C. Friday night is the night! The first big social event of the year will be held in the form of a Halloween party. Due to mid-semester exams the Spooks will not arrive until November 7, for the students. Leonard Boyd and his committee have worked very hard to make
