

Nazareth girls win state tennis title

In their first year together as a tennis doubles team, Karleen Kleman and Doretta Ramaekers held onto Nazareth's state Class B girls' doubles title in finals of the Texas UIL meet at Austin Saturday.

The other regional tennis winner from Nazareth, singles team which lost last year to Nazareth's Rachelle Pohlmeier and Rosemary Schulte—Melanie Jessup and Kellie Vernor of Barksdale Nueces Canyon—fighting to a 6-3, 4-6, 6-4 decision.

Kleman and Ramaekers lost only one match this year in a successful season for Coach Joe King's girl netters. They lost to state Class AA runners-up Suzanne Mills and Kelly Mull in the Amarillo Re-lays finals.

This is Kleman's last year to play for the Swiftettes, but her partner is only a sophomore.

Nazareth has another tennis team, Derwin Huseman and Wayne Heiman, competing in the state boys' meet at Austin this weekend. They won the right to go to state by downing a Fort Davis team in regional finals at Levelland.

STATE TENNIS WINNERS—Nazareth High School had two more state champions and a state runner-up to honor when it held its All-Sports Banquet Monday night. Here, Coach Joe King presents an "N" Award certificate to Glenda Gerber, state runner-up

in Class B singles, while Karleen Kleman and Doretta Ramaekers [right], the new state champions in girls' doubles, look on. The girls continued NHS's state prominence in tennis at the state tournament Thursday, Friday and Saturday at Austin.

Local races go into runoff

STATE CHAMPIONSHIP PROJECTS in their woodworking divisions at the State Industrial Arts Show in Waco Friday and Saturday were these three masterpieces by Dimmitt High School girls. From left are Cathy Byrd, who is standing in front

of the Early American buffet-hutch which she designed and built; Margie Sandoval, seated on her four-poster Early American bed; and Susie Cluck, who is standing between her Early American dresser and matching cedar chest.

Challengers forced runoff elections for two county offices while knocking off the incumbents in Saturday's Democratic Primary.

In the race for county treasurer, Oleta Raper and Jo Nita Smith will face each other in the primary runoff June 3. Raper polled 725 votes to lead the five-candidate field, while Smith received 468 votes.

County Treasurer Florene Leinen got 453 votes, missing the runoff by 15. Pauline "Polly" Manning polled 267 and Winona Bunch received 181.

A runoff also will be necessary in the Precinct 4 county commissioner's race. Former commissioner Alfons "Al" Maurer led the five-person field with 138 votes, and will face Richard Hunter, who polled 105, in the June 3 winner-take-all election. Incumbent Jerry Wilhelm came in third with 58 votes, followed by Marvin F. Jones with 54 and Aurelia Schoenberger with 21.

Despite predictions of a light vote statewide, Castro Countians registered a healthy 61% turnout as 2,491 of the county's 4,085 registered voters went to the polls in beautiful weather. The Democratic Primary drew 2,379 voters, while 112 cast ballots in the Republican Primary.

Voter turnout Saturday was better than the 1976 primaries, when 2,070 turned out, but was below the 1976 presidential election total, when 3,178 Castro Countians—a whopping 76%—cast ballots.

Castro County Democrats gave native Kent Hance a big margin of more than 4-1 over Morris Sheats in the race for US Representative, 1,646 to 399. Lubbock County also gave Hance a big majority, and the young state senator carried all but three of the 19th Congressional District's 17 counties to win an easy victory.

District Engineer George Wall Jr. of Lubbock, Administrative Engineer James W. King of Lubbock, and Ray Bradley, the Highway Department Project Engineer of Littlefield, will represent the Highway Department at the meeting.

Jake Diel of the Jake Diel Construction Company in Hereford, the project contractor, is also expected to attend the information session. Jerry Marvin, president of the Dimmitt Chamber of Commerce, said that the meeting is being held to give business people as much factual information regarding the highway project as possible.

He said the highway construction project is certain to cause inconvenience for every one in Dimmitt for a period of time and there is particular concern among business people because the construction work will disrupt parking along the two highways.

"The Dimmitt Chamber of Commerce shares this concern," said Marvin, "however, we believe that some of the problems expected to be associated with the highway construction work can be resolved if we have enough information and if we do adequate advance planning."

Marvin stressed that the meeting next week will give businessmen an opportunity to learn about the highway construction project and additional meetings may be held later to make plans for dealing with the construction work problems.

All Chamber of Commerce members will receive letters this week informing them of the meeting. Other interested persons are also invited to attend.

"We have found the Texas Department of Highways and Public Transportation extremely cooperative on this matter," Marvin said, "and the Jake Diel Construction Company has also been eager to share information with us regarding the paving project. We hope that all of our Chamber members who have businesses located along these two highways will attend the meeting Tuesday night."

These include Dimmitt Super Market, TG&Y, Mr. Burger, Parsons Drug, Falcon's Liquor Store, Bobcat Drive-In, Carlile Theater, Joe's Liquor Store and the Guadalupanas, women of the Catholic Church.

Garcia underwent surgery Friday with the hope of relieving serious paralysis which resulted from the injury.

Lemons ordered off ballot; DEC eyes legal options

When it met Tuesday to canvass the totals in Saturday's primary, the County Democratic Executive Committee found itself holding still another legal can of worms in the disputed race for county-district attorney.

Abiding by a 64th District Court order issued last Thursday, the committee denied certification to Keith Lemons Tuesday because he had not yet been able to produce a license to practice law.

Then the 17-person Democratic governing committee learned that, because of the court order, up to 10 more legal possibilities will now have to be studied before the November ballot is drawn up, and that the committee might find it necessary to arbitrarily appoint a candidate for the General Election.

Jack Miller, the committee's attorney—who called attention to the potential new problems at Tuesday's meeting—said he would research the election laws to see what courses the committee had open.

Although Lemons' name appeared on Saturday's Democratic Primary Election ballot, Judge George Miller of Floydada issued a temporary injunction two days earlier that barred him from being certified as the Democratic nominee.

Stating that he would give Lemons "until the last minute" to produce his law license, Judge Miller ordered the temporary injunction to remain in effect until 10 a.m. Tuesday (canvassing day). If Lemons could produce a law license by that time, the judge

said, he would reopen the case. Otherwise, he said, he would make the injunction permanent.

Lemons' deadline passed Tuesday with his bar exam still in the hands of the state examining board in Austin.

Lemons, who graduates this week from the Baylor University Law School, told the court Thursday that he had taken his bar exam Feb. 27 and had been told at the time that he should get the results in about 60 days.

Thursday's court order came as the result of a civil suit filed by County Attorney Jimmy Davis, asking that the District Court enjoin the County Democratic Committee from certifying Lemons as the nominee. Davis charged that Lemons was not qualified to be the nominee because he was not a licensed attorney.

A similar suit was filed by James Welch of Bethel as an

IA students win 11 state awards

Dimmitt High School's industrial arts students added to their statewide reputation Friday and Saturday when they captured 11 awards at the State Industrial Arts Fair in Waco.

And the DHS Industrial Arts Club's group project, a souped-up "Ford roadster," was named the best club project in its division.

Nine of Dimmitt's individual project awards were in woodworking and the other was for a power mechanics project. Students entering regional and state competition are required to start with base

materials—milled lumber, moldings, tubing, etc. They aren't allowed to use kits.

First-place individual winners in their divisions were Margie Sandoval, walnut four-poster bed in Early American design; Cathy Byrd, Early American buffet and china hutch of antiqued yellow pine; Susie Cluck, Early American dresser with hinged mirrors and matching cedar chest, both in walnut; and Sherri Wright, salad bowl.

Capturing second-place ribbons were two walnut cedar chests, one by June Norris and one by Florentino Quiñonez.

Third-place winners were Sherri Wright with an Early American four-poster bed of walnut, Donna Schilling with a 7½-ft. grandfather clock of Early American design in walnut, Jack Stewart with a large stereo cabinet of pecan, and Donny Carpenter with a go-cart.

The state winner's teachers are Lowell Weaver, woodworking, and Charles Cotter, power mechanics.

Donald Wright furnished the tractor-semi trailer rig to transport the projects to the state show, while Rex Wooten towed the IA Club's roadster

on its trailer. Dan Nelson and Supt. and Mrs. Robert Ryan provided transportator. Mr. and Mrs. Jimmy Cluck and Mr. and Mrs. Don Carpenter also accompanied the students and helped them unload and set up their projects for the state show.

The projects will be on public display during Dimmitt High School's "Fine Arts Night" next Thursday evening.

Relay, tennis teams in meet

Dimmitt's sprint relay team and Nazareth's tennis doubles team will represent Castro County in the State UIL Meet for boys at Austin this weekend.

Jimmy Stewart, Larry Bossert, Thompson Mayberry and Dennis Veals are on the Dimmitt High School team which won the sprint relay at the regional meet with a time of 43 seconds flat.

Wayne Heiman and Derwin Huseman make up the tennis team that won the Class B regional meet for Nazareth High.

County GOP votes favor Clements and Jim Reese

Republicans in Castro County voted by large majorities for Bill Clements in the governor's race and Jim Reese as representative from

the 19th Congressional District, in their party primary Saturday.

These two races were the only ones on the ballot that were contested. A total of 112 votes were cast in the county's GOP primary.

Clements received 74 votes to 28 for Ray Hutchison and 6 for Clarence G. Thompson. Clements and Hutchison also led balloting over the state and will be in the runoff.

Castro County gave Reese 97 votes to 9 for Joe Hickox and only 6 for George Bush Jr., who held a slight edge in district-wide voting and will oppose Reese in the runoff. Sen. John Tower, without opposition, received 96 votes in the county.

In the uncontested statewide GOP races, Gaylord Marshall was given 93 votes for lieutenant-governor, Jim Baker 92 for attorney general and James W. Lacy 92 for railroad commissioner.

Deanne Clark with 93 votes was returned as county Republican chairman.

Party precinct chairmen elected were James Baker, Prec. 2; Gary Moore, Prec. 3; Tina Rawlings, Prec. 4; Cyril Brockman, Prec. 5; Marguerite McLain, Prec. 6; Juanita Bruegel, Prec. 7; Tim Williamson, Prec. 10; Larry Hausman, Prec. 11; Larry Burks, Prec. 13, and Leora Little, Prec. 16.

On the three referendum questions on the ballot, county voters opposed legalization of pari-mutuel betting on horse races by 64-44; favored election of party convention delegates by direct vote, 75-29, and favored limiting state and local taxes, 87-20.

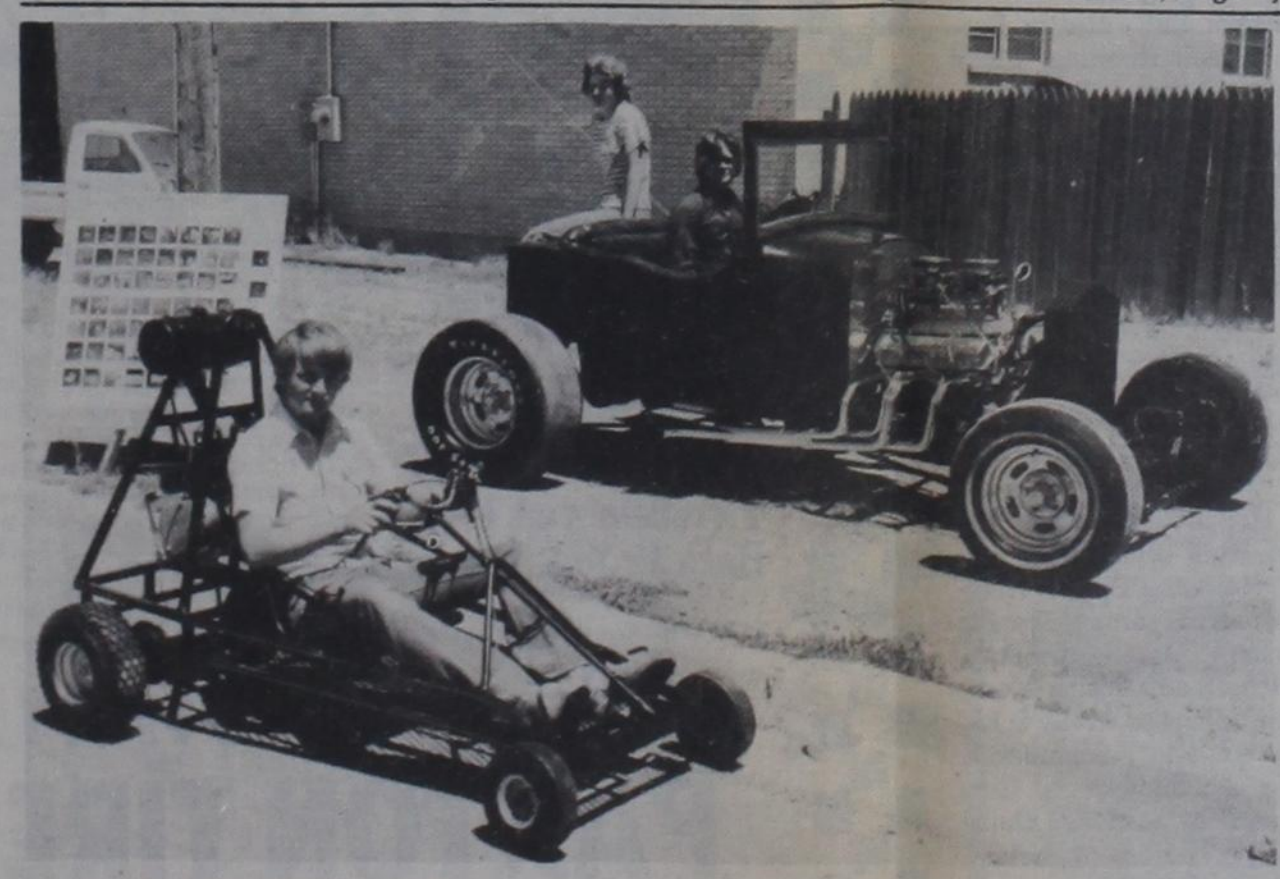

DHS Fine Arts Show scheduled

Fine arts students in Dimmitt High School will showcase their accomplishments in the annual Fine Arts Show next Thursday evening with concerts in the DHS auditorium and displays in the art and industrial arts departments.

The public is invited for this event. Its date is being changed this year from Sunday afternoon as in past years, to the evening hour in the hope that more community residents will find that a convenient time to visit the school.

Bands and choirs of both the high school and middle school will present programs, the bands under direction of Ralph Smith and Fred Allen, the singers of Doug Henry. The student musicians have won numerous honors in UIL contests this year, including sweepstakes award to the Bobcat Band for the 24th year.

State award-winning projects of industrial arts students will be among the wood and metal articles on display in their department, while art classes will show efforts in several different media.

POWER MECHANICS WINNERS at the State Industrial Arts Fair in Waco were this go-cart designed and built by Donny Carpenter, a third-place winner; and the Dimmitt High School Industrial Arts Club's "Ford roadster," which was named the best club project in its division. Club President Donna Schilling

perches on the roadster's padded trunk, while Vice-President Gary Bruegel sits in the driver's seat. The display board shows progress photos of the roadster project, explaining in detail all the innovations and modifications that went into its design and construction.

Highway project meeting called

A meeting Tuesday night to discuss the upcoming highway construction project in Dimmitt will be held at 7:30 p.m. at the city assembly room, sponsored by the Dimmitt Chamber of Commerce.

Several Highway Department officials will be present to discuss the planned reconstruction of Highways 385 and 86 through Dimmitt.

District Engineer George Wall Jr. of Lubbock, Administrative Engineer James W. King of Lubbock, and Ray Bradley, the Highway Department Project Engineer of Littlefield, will represent the Highway Department at the meeting.

Jake Diel of the Jake Diel Construction Company in Hereford, the project contractor, is also expected to attend the information session.

Jerry Marvin, president of the Dimmitt Chamber of Commerce, said that the meeting is being held to give business people as much factual information regarding the highway project as possible.

Fund will aid injured youth

A fund for Steve Garcia, Dimmitt youth who has been in Northwest Texas Hospital at Amarillo since he was critically injured in a pickup accident near Canyon in March, has been established with an account opened in the First State Bank.

To start the fund, Mr. and Mrs. Tony Martinez sponsored a benefit dance Friday. They expressed appreciation to business houses which donated cash or soft drinks to swell the proceeds.

These include Dimmitt Super Market, TG&Y, Mr. Burger, Parsons Drug, Falcon's Liquor Store, Bobcat Drive-In, Carlile Theater, Joe's Liquor Store and the Guadalupanas, women of the Catholic Church.

Garcia underwent surgery Friday with the hope of relieving serious paralysis which resulted from the injury.

Pest control meeting set at courthouse

A meeting has been scheduled for 8 p.m. today (Thursday) in the courthouse assembly room to discuss the Castro-Lamb pest management program, according to Charles Hottel, County Extension Agent.

The Texas Agricultural Extension Service started educational programs in pest management over five years ago. The Castro-Lamb program has been in operation for two years. The program demonstrated the need for systematic field scouting of pests to help producers decide on efforts in pest control.

The field scouting service will be placed under scout supervisors employed by the Texas Pest Management Association. The Extension Service through county and area entomologists will provide technical assistance.

Any group of farmers in Castro or Lamb Counties who would like to block an area for field scouting is welcome to do so, Hottel said. The school for scouts will be held the first week in June, he said, and any area for scouting should be blocked out before this date. All interested individuals are urged to attend the meeting Thursday night.

Nazareth boys place in state literary meet

Nazareth School's entries in state UIL literary contests at Austin last week both placed. Darryl Birkenfeld second in Texas for Class B schools in persuasive speaking, and Tony Brockman fourth in ready writing.

Both students had won second places in regional contests to qualify for the state meet.

Debbie Mumme was Birkenfeld's coach in speaking and Pat Black coached Brockman.

NHS all-sports banquet--parade of state winners

Nazareth High School's All-Sports Banquet Monday night featured a parade of state champions in girls' basketball and girls' tennis, with another state title still possible in boys' tennis.

Two girls who competed at the state level in two sports shared the top girls' trophy of the year, the Swift Award. They were seniors Cheryl Hartman and Karen Schulte, both of whom were all-state basketball players the past two years and state qualifiers in girls' track.

Winner of the Swift Award for Boys was Derwin Huseman, who was all-district and all-South Plains in football, all-district in basketball, and is a member of the boys' doubles team that will compete at the state tennis tourney in Austin this weekend.

Coach George Cox presented the Swift Award for Girls, while Coach Eddie Hooper may the boys' Swift Award presentation. The award is designated for the best all-around boy and girl athletes in the school.

Patricia Kern and Kenny Brockman were given special athletic-scholastic awards.

Many other NHS athletes won "N" Award certificates for distinguishing themselves in athletics as all-district, all-

regional, all-south Plains or state qualifiers. They were:

Football—Special "Fighting Heart Award" by the team, to Huseman; Eddie Hooper, Frankie Acker, Chris Book, Kenny Brockman, Jimmy Huseman, Jeff Schmucker and Dale Wilhelm.

Boys' basketball — Schmucker and D. Huseman, both all-district.

Girls' basketball — Doretta Ramaekers, Germaine Pohlmeier, Lynora Brockman, Colleen Gerber, Schulte and Hartman.

Cheerleaders — LaDonna Brockman, Glenda Gerber, C. Gerber, Cyrilla Brockman and Laura Kleman.

Girls' track — Gayle Book, Debbie Schacher, Joyce Acker, C. Gerber, Edith Durbin, Paula Maurer, Lori Gerber, Teresa Brockman, G. Pohlmeier, Hartman, Schulte, with special mention of the girls' cross-country team.

Girls' tennis — Diane Hochstein, Karen Gerber, Glenda Gerber, Karleen Kleman and Doretta Ramaekers.

Boys' track — Bernard Acker, Dale Birkenfeld, K. Brockman, Pat Hartman, Gary Huseman, Dwayne Heck, J. Schmucker, Neal Wilhelm.

Boys' tennis — Bud Birks, Harold Heiman, D. Huseman, J. Huseman and Stanley Hoelting.

Dimmitt VFD receives check

The Dimmitt Fire Department received a check for \$75 recently from Texas Farm Bureau Insurance Companies as an expression of thanks for the department's work on the property of Richard Connell.

The money will be used for their firemen's fund.

The Texas Farm Bureau Insurance Companies pay volunteer fire departments this amount when the department works a fire in rural areas, involving property insured by them.

Earnings

Continental looks at a ceiling, not a floor.

Contrary to what many people believe, Continental Telephone is not guaranteed a profit just because it is a regulated, public-utility company that has no competition in its franchise area.

The government agencies that regulate Continental's activities set a maximum allowable rate of return—a ceiling, not a floor. Our actual rate of return in any year may be much lower than the maximum allowed. It can be less, but it can never be more.

Unlike other businesses, we are not allowed to automatically raise our prices if our costs increase and our profits decrease. We can increase our rates only if the government agencies decide the rate hike is justified.

Our profits depend on how well we manage our business, how well we control our operating costs, and the volume of our sales.

Earnings are necessary for us to pay stockholders a fair return on their investment and to attract new investors. Their money allows us to replace outdated equipment with new and efficient equipment, expand our service to new customers, and provide the kind of maintenance that adds up to reliable service.

Through good management, we're doing our best to do more for you.

Sunnyside

Community meeting set Friday

By TEENY BOWDEN

Community meeting will be Saturday night at 8. Bring your favorite game, some cookies and a friend and enjoy yourself.

Rainfall for the week was 2.10 of an inch Tuesday, .15 Wednesday, and .30 Thursday. A few snow flakes were also seen Wednesday. Total for the week was 2.55 inches.

The revival services ended Friday night with a record attendance of 109. The pastor had agreed with the evangelist that if as many as 80 attended Friday night he would allow someone to throw a pie in his face. Since none of the members wanted the privilege, Rev. Glen Smith of Springlake did the honors.

Visitors included Rev. and Mrs. Glen Smith, Mr. and Mrs. Jim Zornes of Calvary Church, Friona, who gave his testimony, Mrs. Paula O'Brien and Mrs. Anna Mae Edwards, who sang several songs, their husbands and children, and Mrs. Anna Mae Thomas who accompanied them on the piano, Mr. and Mrs. L. G. Elkins of Olton, Mr. and Mrs. H. K. Cox of Lazbuddie and their daughter Mrs. Charles Self and daughters of Hereford.

Other revival visitors this week included Ernest Baker of Springlake Thursday morning, Rev. Glen Smith Friday morning, Mr. and Mrs. Weldon Bradley and Mr. and Mrs. Johnnie Olivarez Wednesday night, Jerry Shive of Lubbock Thursday night, and Mr. and Mrs. Jerry Cox and children of Dimmitt Friday night.

Leslie Louder was admitted to Plains Memorial Hospital in Dimmitt Wednesday morning with a blood clot in his leg. He was dismissed Friday afternoon and went to visit a few days with an uncle, Mr. and Mrs. Clarence Baggett of Tulia while he was having to stay off his feet.

Mr. and Mrs. Johnnie B. Lilley returned home from Houston Wednesday after attending the funeral services for her oldest sister there. They visited with her brother in the hospital in Big Spring last Saturday. They spent Saturday night in Stephenville with Mrs. Jess Lilley and daughters, Louise and Helen.

Mrs. Thomas Parson, Mrs. Raymond Jones, Mrs. Jerry Weiland, Mrs. Bruce Bridges and Mrs. David Sadler attended UMU camp at Plains Baptist Assembly near Floydada Tuesday.

Brandon Cox won third place in the 8-12 year old steer riding contest in the Springlake-Earth Junior Rodeo last Friday and Saturday.

Sandra Grigsby of Saint Jo arrived Saturday to visit a few days with her sister Mr. and Mrs. Martin Lefevere.

Mr. and Mrs. J. Paul Waggoner visited at Kingsland with Mr. and Mrs. Eldon Lilley last Sunday through Wednesday.

The Robert Hawkins have killed five rattlesnakes so far this spring, various sizes and places.

Mr. and Mrs. W. T. Autry moved into Dimmitt recently, and their granddaughter and husband, Mr. and Mrs. Ray White, moved out to the farm. He will be employed at Waggoner Dairy.

Mrs. Glen Wilson visited with her parents in Clovis Wednesday. Her mother has been quite ill.

Thomas Parson attended the Baptist Men's Rally at Lee Street Baptist Church in Dimmitt last Tuesday night. D. L. Kite, missionary at Van Horn, was one of the speakers. Richard Faling, state co-ordinator of missions, brought the message.

Rev. and Mrs. Mack Turner of Lubbock had dinner Saturday with Mr. and Mrs. Roy Phelan. They will be moving soon to Bethel Baptist Church near Frederick, Okla., where she was raised. Mrs. Noble Armstrong of Dimmitt, Mr. and Mrs. Bob Ott, Mrs. Lillie King and Mr. and Mrs. Hershel Wilson visited with them also.

Mr. and Mrs. Milburn Haydon returned home from Roma and Falcon Heights Thursday after attending the dedication services of the Guarara Baptist Church in Old Mexico, a mission of the church at Roma, last Saturday.

Mrs. Jo Eddy Riley, Jodie and Ken Craft of Earth attended a 4-H gun safety program at Olton Monday. The boys passed the Texas Parks & Wildlife Certification test.

The Springlake-Earth band held its annual spring concert at the school Tuesday night. Several from the community attended the concert and helped with the bake sale sponsored by the band boosters.

Mr. and Mrs. Jim Zornes of Hub visited after the Friday night services with his nephew, Martin Lefevere.

Hershel Wilson left Sunday afternoon for Lovington, N.M. to lead the singing for a revival there this week.

Mrs. Hershel Wilson and Mrs. Carl Dean Carson took the G.A. girls to Littlefield Sunday night to a GA Coronation at the First Baptist Church and a fellowship following. Those going were Stacy and Laura Sadler, Shannon Ott, Chanin Ross and Karla and Melody Sadler.

Mr. and Mrs. Ezell Sadler returned home from Breckenridge Lake Friday night.

Tommy Graham, Daneen Wilson and Clint Dawson were among the Springlake-Earth seniors honored with a luncheon Wednesday in the First Baptist Church of Earth.

Mr. and Mrs. Winston Waggoner and Mr. and Mrs. Cliff Brown spent last weekend in Fort Worth. Mark Lindsey of Plainview

stayed with his grandmother Mrs. Eules Waggoner Saturday and Sunday while his parents, Dr. and Mrs. Robbie Lindsey, attended the funeral services of his grandmother Sunday afternoon in Memphis.

Mrs. Ray Joe Riley was a hostess for the bridal shower of Kim Jones, bride-elect of Kevin Hinson Saturday afternoon.

Mrs. Ty Jones and daughter of Hereford visited in the Sunday morning services.

When Mr. and Mrs. Weldon Bradley were at the revival services Wednesday night, they invited the church to their home in Dimmitt after the services Sunday night for a fellowship to show their appreciation for the fellowship and money tree given honoring Lee and family recently.

JACK STEWART, a first-year woodworking student in Dimmitt High School, captured a third-place ribbon at the State Industrial Arts Fair last weekend with this massive stereo cabinet of pecan. Under the ledge is an eight-track tape player-recorder with AM-FM stereo radio, with two large speaker cabinets inset below. Behind the grillwork at the bottom corners are more speakers. Inside the doors are sound-response light boxes.

Senior Texan lunch today honoring 12

A dozen older residents of Castro County have been nominated by civic clubs for recognition at the Senior Texan Luncheon at noon today (Thursday) in the County Expo Building.

M. A. Pennington, chairman of the Castro County Aging Committee, will present the awards. Also to be recognized are outstanding workers at the Senior Citizens Center, who will be introduced by Ruth Coleman, coordinator of the center's activities.

The 12 nominees are Edwin "Goose" Ramey, by the Dimmitt Rotary Club; Myrtle Sheffy, Kiwanis Club; Philip Acker, Nazareth Lions Club; Myrt Loman, Hart Lions Club; Mr. and Mrs. Wes Anthony, Dimmitt Lions Club; B. M. Nelson, United Lions; Mr. and Mrs. Hacento Ramos, Guadalupe; Mr. and Mrs. H. D. Behrends, Easter Lions, and Roy Phelan, Sunnyside Lions.

Key Club members from Dimmitt High School will set up tables for the luncheon. Women of the Senior Citizens Inc. are preparing the food and the tables will be decorated by members of the Young Homemakers Club.

Contest speech is given for Rotary program

Dale Wells presented for the Dimmitt Rotary Club program Friday the speech he gave at the district contest of Toastmasters Clubs in San Angelo recently, as winner of local competition.

Mixing humor with serious statements, he described this as "the Golden Age or propaganda—not of politics or ideology but through advertising media into the daily life of Americans."

"An insult to public intelligence," he said, television advertising is intended to lull the listener and prevent any thought about the message.

In response to the tricks in the commercials, Wells said citizens can combat ridiculous or offensive advertising simply by not buying the products touted, advise friends to act the same way, write to sponsors and to the Federal Trade Commission to protest.

In the business session, Rotarians set their work day May 13 to begin at 8:30 a.m. with a meeting at the Boy Scout Hut to unpack and assemble new flags which will fly on Dimmitt streets during patriotic holidays and other special occasions, also to check and clean the flagstaff holders in front of business houses.

The club sets the flags out and takes them in on the special days. Memorial Day, May 29, will be the next occasion for flag flying.

Members volunteered to work specified days next week to deliver Meals on Wheels to Dimmitt residents, and a schedule was set up.

Tennis clinic is announced

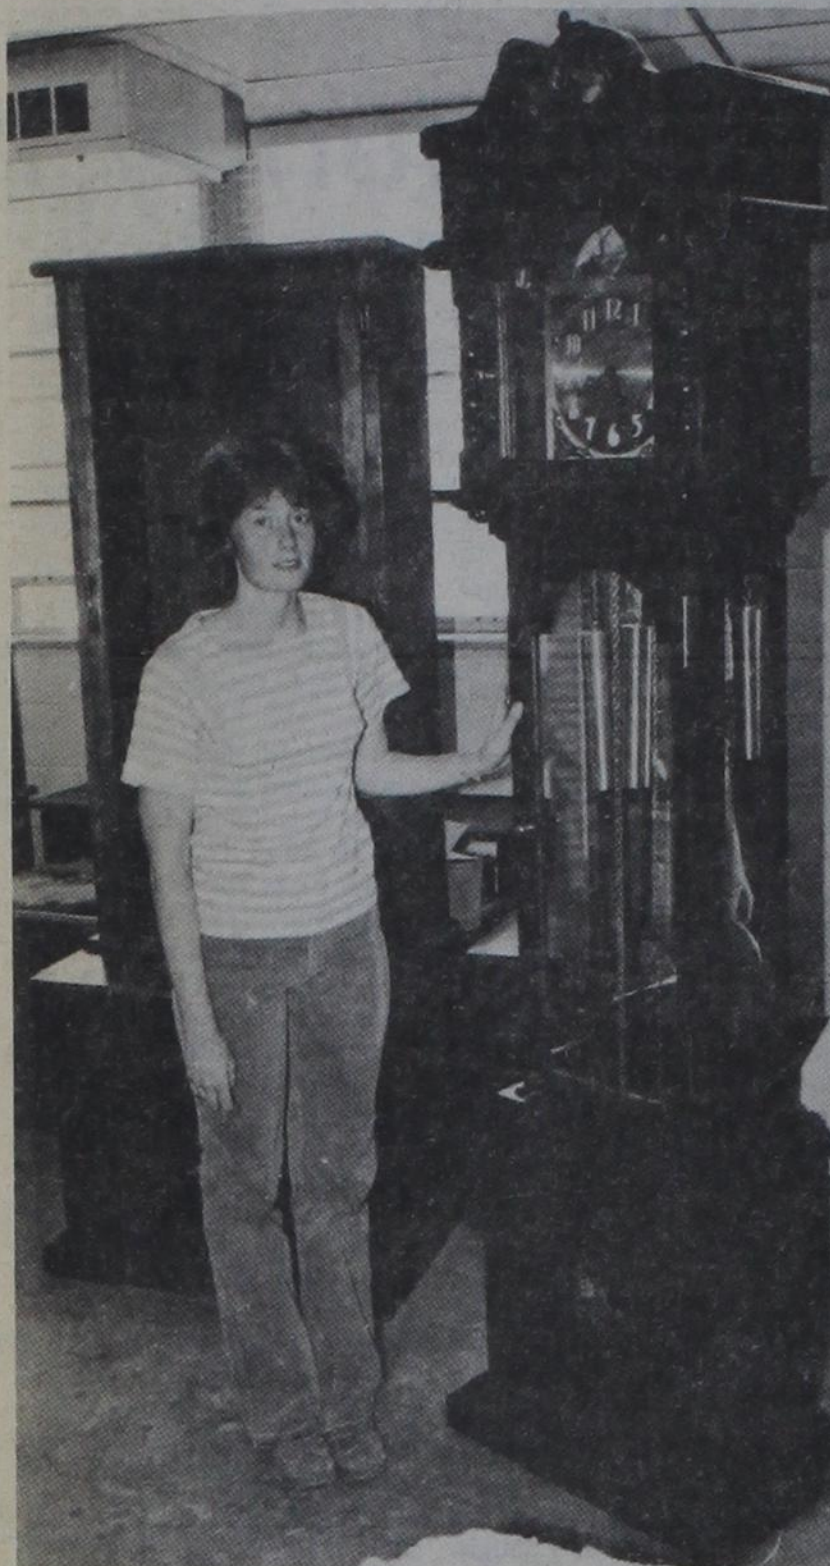

Tennis clinics for beginners and intermediates, both youngsters and adults, will be conducted in three week-long sessions on the Ruskin Racquet Club courts by Kim King, former state singles champion and member of Texas Tech and A&M tennis teams, and Joe King, who has coached state champions at Nazareth High School.

King will become manager of the Ruskin Club immediately after his contract as Nazareth school superintendent expires June 30. He is retiring there this year.

He will become the club manager to succeed David Martin, who goes to Pampa as teaching pro at the country club for the summer and then will be high school tennis coach.

The tennis clinic to be directed by King and his daughter, Kim, will be held May 15-19, May 22-26 and June 5-9. Classes will be formed according to age and skills, and times may be arranged to suit the convenience of pupils.

Registration may be made at the club with either Kim or Joe King.

DONNA SCHILLING isn't short, but she'd have to stand on a box to reach the top of her big grandfather clock, a third-place winner in the State Industrial Arts Fair at Waco over the weekend. The beautiful walnut clock stands 7½ feet high, and features German-made clockworks, a moon-phase dial and chimes. All DHS woodworking students have to build their contest projects of milled lumber and mouldings; no kits are allowed.

ASCS Notes

Date reminders given

By CHARLEY E. HILL
County Executive Officer

Sign-up Date Extended—The sign-up date into the 1978 farm program has been extended to May 15. You are urged to measure your crop acres, field by field, and certify accurately.

The required set-aside must be at least 1 chain (66 ft.) wide and contain not less than 2 acres. The requirements as to cover and eligible land have been outlined in previous newsletters. If you have any questions, please come by and check with us.

Grain Reserve—1977-crop corn and sorghum may be placed in the grain reserve program effective May 1. These loans are interest free after the first year.

Crop-Livestock Reports—During late May or June many Texas farmers and ranchers will receive a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the service's field staff.

Each farmer or rancher receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agricultural Statistician in Austin.

Loans for Structures—Storage facility loans are now available for the storage of

high moisture forage and silage. These loans are in addition to the storage facility loan program previously announced for the storage of grain. If you are interested, please come by and we will discuss the program with you.

Grain Storage Survey—If you haven't returned your grain storage survey form, please do so immediately.

Failed Wheat-Barley Acreage—Failed wheat and barley acreage must be appraised by the county ASCS office prior to making other use of the land.

Reminder—May 15, closing date to sign into the 1978 farm program. You are urged to come on in and not wait until the last minute. It has been taking from 30 minutes to 2 hours to sign up a farm in the program.

Holiday—Memorial Day. The ASCS office will be closed May 29 in observance of Memorial Day.

Thought—If you are beginning to encounter some hard bumps, be glad. At least you are out of the rut.

UNITED NATIONS figures show that only half of the world's population can read and write.

NATIONALLY, farm export sales totaled about \$24 billion in 1977.

Hart ISD board to let bids for improvements

A special meeting of the Hart Independent School District board was called for 8 p.m. May 22 to review bids for new ceiling, insulation and light fixtures for the elementary school building.

That action was taken at the board's regular meeting Monday, when the 1978-79 school year calendar was approved, a date was fixed for the tax equalization board meeting, Plan-A policies were adopted, and secretaries, teacher aides and cafeteria workers for next term were employed.

Ike Moore, Plan-A supervisor for Castro County schools, met with the board and explained that special education program, presenting policies which board members approved.

June 26 was set for the tax equalization board meeting.

Lloyd Farris, Jimmy Ray Davis and Doug Higgins were appointed to serve on the board, with Jim Werner, Kenney Hill and F. A. Smith as alternates.

The summer recreation program was approved to run from June 5 through July 6.

Twenty transfers were approved for attendance at schools in Hart ISD in the next school year.

Board members decided to sell a 48-passenger 1969 Chevrolet school bus, and to take bids on it to be opened at the next regular meeting Monday, June 12 at 8 p.m.

Secretaries employed for the school system for next year are Elsie Black, Nancy Bowden, Claudine Aven and Kay Berry.

Employed as teacher aides were Lula Mae Hanes, Cindy Davis, Mary Reyna, Marsha George, Rosa Perez, Marie Clevenger, Bev Garza, Angelita Morales, Mary Malone and Susie Gonzales.

Cafeteria workers employed were Christine Bok, Bertha Griswold, Elena Martinez, Bessie Grensberg and Violet Sharp.

The resignation of Gail Bandy as kindergarten teacher was accepted. Miss Bandy plans to be married this summer.

Irene's Ideas

Sunburn time is here

By IRENE KEATING

This is the time of year when we're getting outside more and frequently get sunburned. It is important that we know basic facts about the sun and our bodies.

Excessive exposure to the sun can damage the skin. The most frequent damage is sunburn, which usually goes away in a few days. However, some of the sun's damage takes years to become evident. They include premature wrinkling ("aging") of the skin and skin cancer.

To determine how much sun is right for you, remember:

1) If your skin type is either (a) you burn and never tan,

(b) you burn but keep some tan, (c) you burn slightly and develop a good tan or (d) you rarely burn and always tan.

2) Environment—the higher the altitude, the less atmospheric filtering protects you against ultra-violet rays; climate also is a factor, as is haze or smog.

3) In the summer we're closer to the sun, snow reflects up to 85% of the ultra-violet rays, wind increases burns and clouds still transmit 70% of the sun's burning power and water reflects the burning rays.

4) The sun's ultra-violet rays are the strongest from 10 a.m. to 2 p.m.

These facts will help you to determine your best "suntanning" schedule.

Area girls' coaches view change dimly

Coaches of girls' basketball in Castro County high schools opposed the switch from six-player to five-player teams effective for the 1978-79 season, and area school heads voted against it, but it was passed by UIL member schools.

Announced last Saturday, the change was approved by a 549-369 margin, and UIL athletic director Bill Farney said his office was surprised at the large majority although it was expected to pass since the shift had already been approved to begin a year later.

That approval, voted last year, was by only a 26-vote margin but coaches in this county said this year's wider approval was probably due partly to the fact that "they saw it coming". The five-player college game was given most of the credit—or blame—for the change.

"Now that it went that way, I'm in favor of it," Dimmitt Bobbies' Coach Jimmy Hoyle said although he had opposed the change. "It will be a big change for the girls who have been playing with six on a team, and it will take some time to adjust but I think in a year or two we'll be seeing good basketball again."

"I feel we will be competitive," he said of the Dimmitt team, "because we've got some good athletes, the ones who can play well in either type of game."

Officials from Class A schools were the only group of voters who registered statewide opposition to the change, but it wasn't a matter of small vs. large schools because Class B voted for the change.

"And we will have to go along with the majority anyway," said Supt. Ted Averitt of Hart, a Class A school. He and the girls' coach, Kim Rattliff, favored the six-player team, although she played five-girl basketball at West Texas State University.

"We changed our vote

since last year," Averitt said, "as we voted for the five-player plan then, but after seeing it tried in our B team and junior high, we decided the six-player system is better."

"With the change, it means one less girl gets to play, and I believe the game won't be as fast as it has been under the rules where the girls at one end of the court get a breather while action is at the other end, so they are fresh for their next chance to handle the ball," he commented.

Coach George Cox of the State Class B Champion Nazareth Swiftettes expressed a dislike for the change, and Supt. Joe King said he opposed it "for the girls' sake."

He believes the larger schools are mainly responsible for the change, and many other opponents expressed that view, saying they will have an edge by virtue of superior numbers.

But Farney said, "I think the areas with high basketball interest now, like Canyon and Nazareth, will retain that interest."

Hospital joins observance of national week

National Hospital Week is being observed, May 8-13, with the public invited to visit Plains Memorial Hospital during hours when the PMH Auxiliary members are on duty there, 9 a.m. to 12 noon and 2 to 4 p.m. Monday through Friday.

Women of the Auxiliary perform services for the patients and keep the gift shop in the lobby open during these hours on weekdays. They are giving special attention to the hospital staff during this week.

Also an event of the week, the Auxiliary had its annual awards ceremony Tuesday morning.

Theme of National Hospital Week this year is "We Wish You Well."

Key Club convention report given Kiwanis

Johnny Merritt, president of the Kiwanis-sponsored Key Club at Dimmitt High School, was backed up by Laura Lapins and Kelly Hill, voting delegates from Dimmitt, as he reported to the Kiwanis Club at lunch Monday on the regional Key Club convention at Dallas last weekend.

Eight girls and 13 boys from the local club, accompanied by Mr. and Mrs. Ed Hickman, the new sponsors, and Mr. and Mrs. Randall Craig, made the trip. Merritt thanked the Kiwanis Club for helping finance the plane trip.

At the convention's farewell brunch Sunday morning, David Montiel of Dimmitt was sworn in as lieutenant-governor of the combined districts 33 and 7. Diane Love was the Dimmitt entry in the sweet-

heart contest.

Meetings were in the new Hyatt-Regency Hotel, with caucus sessions, training sessions, a breakfast, banquet and the brunch, in addition to entertainment including a hypnotist's performance, band program and skating.

Key Club members will set up tables for the Older Texans Award Luncheon here today (Thursday) and several Kiwanians volunteered to help with that task.

Bob Crozier, president, appointed a nominating committee for the annual election of Kiwanis Club officers who will be installed in October. Joe Nelson, Randall Craig, Walter Spinhirne and Jack Patton, all past presidents, will serve with Crozier on the committee.

'FUN BREAKFAST'—A crowd of 112 turned out at 6:30 a.m. last Wednesday for the Dimmitt Chamber of Commerce "Fun Breakfast" for members, featuring a celebrity roast of Carl King, state Democratic committeeman and president of the

Texas Corn Growers Association. Chamber directors and other "volunteer" cooks prepared a breakfast of scrambled eggs, bacon, biscuits, orange juice and coffee in the County Expo Center's kitchen. Master of ceremonies was CoFC President

Jerry Marvin, who welcomed new members, recognized the growth and expansion of present member businesses, and served as toastmaster for the celebrity roast.

Commissioners' court adjusts county budget

The Castro County Commissioners' Court at its Monday meeting examined the semi-annual county auditor's report, adjusted the present budget and started working on the new budget which will take effect Oct. 1.

Adjustments made to the present budget included transferring funds designated for gas, oil, materials and supplies to the maintenance and repairs categories.

The purchase of three new pickups and a used tractor and shredder are among the items to be included in the new budget. Two of the pickups will be for Precinct 2 and Precinct 3, while the third one will be for the new assistant county agent, and will have a club or crew cab if possible. The tractor and shredder will be for Precinct 3. Also, pneumatic rollers are needed for Precinct 4.

The commissioners discussed their options and preferences for using the county's revenue sharing funds. A proposed-use public hearing on the funds will be held May 22 at 1:15 p.m. in the commissioners' court room.

The commissioners also amended an earlier motion setting the date for the county industrial equalization board hearing. The hearing will be June 15 at 1 p.m. in the commissioners' court room with representatives of Pritchard and Abbott present. It had previously been set for July 6.

County Agent Charles Hotel told the court that the new county entomologist should be arriving by next week, and that the Extension Service is seeking a new assistant county agent for the county. The

new entomologist is Mark Powell from Maryland.

In other business, the commissioners:

- Approved a \$2,319.49 payment to Big 4 Oil Company for culverts for Precinct 3.
- Renewed the county's agreement with the Comprehensive Employment and Training Administration (CETA). The county now participates in the program through Balance of State rather than through the Panhandle Regional Planning Commission as in the past.
- Discussed what to do about a salary for the Justice of the Peace in Precinct 1, but made no final decision.
- Decided to move the office for the food stamp program out of the courthouse and into office space at the Migrant Housing Project in East Dimmitt.
- Announced a special meeting to be held May 17 with Ron Sebring, who will inform the commission on new jail standards.

break any laws of the land," he said, "it's because I have to follow God's laws." Then he removed the book from the library. The following weeks saw the corruption at the public library denounced from the pulpit in several Blue Mound churches.

The new library board found it difficult to keep a librarian who would work the 20 hours a week for 93 dollars a month, so they rehired Ms. Arnold. When news of this reached the city council two weeks later, there was a general uproar. Two days later, without word to anyone, the mayor locked the door to the library. The mayor pro tem made a suggestion to close the library permanently.

At a later council meeting there was an overflowing crowd of townspeople. One member of the council made a motion to reopen the library but it was lost for lack of a second. Library board members warned that if the library was not opened by March 17 of this year it would lose all future state and federal funds. Reluctantly, the council voted to reopen the library and reinstate librarian Arnold.

The next morning at her desk at the library, Ms. Arnold told ALA, "I don't trust them."

Nursing degree to be received

Vera Elizabeth Birkenfeld, daughter of Ida E. Birkenfeld of Nazareth, will receive an associate degree in science Friday from Amarillo College's associate degree registered nursing program.

After graduation, in exercises at 8 p.m. in the Amarillo Civic Center, Miss Birkenfeld will be employed by High Plains Baptist Hospital at Amarillo, in the intensive care unit.

She is a 1976 graduate of Nazareth High School.

Rawls, Bradford make All-South Plains team

Dimmitt's state finalist Bobcats placed two men on the Class AA All-South Plains team announced Friday by the Lubbock Avalanche-Journal, and Rocky Rawls was voted Player of the Year.

Two others from District 3-AA were on the first team along with a repeater from Frenship.

Rawls and Jim Bradford, who have already been named on the All-State first team and the All-Regional Tournament team, were the two Bobcats picked for the South Plains honor team.

Rusty Lamar of Morton and Lonnie Twitty of Littlefield were the other selections, with Frenship's Lloyd Strong, the only choice who had also made the 1977 All-South Plains.

Voting was by area cage coaches. Ken Smith of Denver City was given the Coach of the Year title. He brought his team, placed fourth in District 5-AA in the pre-season poll, to the district championship and then runner-up spot in regional.

Rawls, Dimmitt senior forward who also made the All-State Tournament team, averaged 16 points and 5 rebounds a game, had 6 assists and 10 other credits per game. He hit 52 percent from the floor and 83 percent of his free tosses this year.

Bradford was credited with 13 points, 6 rebounds and 3 assists for the average game. He is a senior, standing 6 feet, 2 inches.

Seven girls competing for Rodeo Queen title

The contest for Dimmitt Rodeo Queen is underway, with seven pretty girls now in the running for the belt buckle award and the chance to reign over the annual rodeo June 15-17.

Kathy Greenwood, Pam Nutt, Debbie Dennis, Candace Stewart, Jackie Anthony, Carla Carpenter and Julie Hrabal are the girls entered in the contest. The title winner will be decided by cash votes placed in money jars that have been set in various locations in Dimmitt business houses.

Protest on proposed gun law urged

The Bureau of Alcohol, Tobacco and Firearms is preparing to register ALL firearms. This regulation was published March 21, 1978 in the "Federal Register" and will become the "law of the land" on May 22, 1978 unless met with great opposition.

The principal provisions are: 1. All new firearms will carry a special serial number, 2. Gun manufacturers, importers and dealers would have to report thefts or losses of firearms within 24 hours, 3. Quarterly reports of all gun manufacturing and sales would be made to the federal government.

Besides costing you the freedom to bear arms, it would cost the taxpayer about 100 million dollars a year to keep up with the records.

Send your letters to: Director, Bureau of Alcohol, Tobacco and Firearms, Washington, D.C., 20226; Attention: Regulations and Procedures Division. Mark your letter, "Comments for the Record."

Date is fixed for pupils to pre-register

Pre-registration for children who will be kindergarten and first-grade pupils in the Dimmitt School System next term, or for any other children who have never before been enrolled in Dimmitt schools, is scheduled for Tuesday of next week.

It will be held at Richardson Elementary School from 9 a.m. to 12 noon and 1 to 3 p.m., according to Principal Elmer Berryhill.

Children may be pre-registered for kindergarten if they will be 5 years on or before next Sept. 1. First graders will be those who will be 6 years old by that date.

Double MVP award is among citations to DHS athletes

Most Valuable Player awards to Thompson Mayberry, Rocky Rawls, Dennis Veals, Dorothy Rivers in two sports and Annette Littlejohn climaxed the annual athletic banquet at Dimmitt High School Tuesday night.

Presenting awards in basketball and track to Rivers, girls' coach Jimmy Hoyle said, "It was coach Dennis Miller who coined the phrase, 'Give and go', to mean 'Give the ball to Dorothy and get out of the way' and Dorothy also certainly earned the MVP certificate in track."

She was senior guard on the girls' basketball team and a regional qualifier in the 100-yard dash in girls' track.

Rawls, who was named all-district, all-regional, on the three all-state teams, to the Amarillo Globe-News Super Team and as all-South Plains player of the year, "got all the team's votes but one and I'm sure it was his own vote he didn't get," Bobcat coach Ken Cleveland said in presenting the boys' basketball award to Rawls.

Making the award to May-

berry in football, Coach Jerry Vance said "There just aren't enough words I can say about this young man... He'd play anywhere you wanted him to and not say a word, and give it everything he had."

Veals' MVP award was in boys' track, and Vance commented, "Everything he's tried so far, he's excelled at. He anchors the spring relay team that's going to state and was also a regional qualifier in the 100 and 220."

Littlejohn was given her award in tennis, and was cited by Coach Grisham for "significant achievement in skills and attitude, which was reflected in the attitude of the other players toward her."

Introduced at the banquet were Sue Rita King, football queen, and Amy Merritt, basketball queen.

Dr. Bill Murphy was presented a gift from Bobcat football players and the Booster Club in appreciation for his services as team physician.

Ronnie Parker was the master of ceremonies. Coaches recognized the school's all-

district, all-regional, all-South Plains and all-state players as they introduced their teams.

Dimmitt teams were state runners-up in boys' basketball, regional runners-up in girls' basketball and boys' track, qualified for regional in boys' and girls' golf and had winning records in football, tennis and girls' track.

Cleveland announced that a new MVP plaque has been donated by W&C Grain Inc., with names to be engraved for permanent display in the school's trophy case.

Consolidated school bus routes given approval

Next year's band trip, four new tennis courts, consolidation of several bus routes, and a change in the meeting date of the equalization board were among the items discussed at the Monday night meeting of the Dimmitt school board.

All of the board members present were in favor of the band taking a trip to Nashville, Tenn., but decided to wait and see when the boys' district track meet would be set before making a final decision.

The board agreed to give Superintendent Robert Ryan authority to further negotiate with the City of Dimmitt on the placement of four tennis courts on school property.

The bus routes will not be changed until the end of school in order to prevent confusion. The route which is run by Bus 11 northeast of Dimmitt will be consolidated with routes 1 and 12 which operate on either side of 11, and the route west of town which goes to the Bethel and Flagg communities will be consolidated with the two routes on either side of it.

"There will be very little increase in driving time for any of the routes," Ryan told the board. He added that the changes must be approved in Austin by June 1.

The meeting for the board of equalization was changed from June 22 to June 15 at 12 p.m., and members for the board were appointed including James Bradford, Jim Elder, Edd McLeroy and John Gilbreath, alternate.

In other business the board: —Approved the monthly tax addition-deletion report,

and bill paying, as well as the reading of the minutes.

—Heard departmental reports from music department personnel Doug Henry, choir, and Ralph Smith, band, and from industrial arts department personnel Charles Kotter and Lowell Weaver.

—Examined the 12 goals and goal indicators prepared by the citizens' committee of the school self-study project. The goals will be sent to a wide selection of patrons of the school district for evaluation.

—Received a 'thumbnail' summary of UIL rules, and also a letter explaining the functions and duties of a school board and its members, and laws governing the same.

—Read a thank-you note from the C. G. Miller family.

—Accepted the resignation of Johnny Mason as director of special services. Mason will become the new superintendent of Nazareth schools.

Girls place at state meet

Three of Nazareth High's School's four entrants in the Texas UIL Girls' Track Meet at Austin placed third, fourth and sixth in their respective events in Class B.

Gayle Book, with a mile run in 5:31.5 which bested her winning time at the regional, placed third although her time was better than the former state record of 5:54.3.

Germaine Pohlmeier was fourth in the shot put with a toss of 37 feet, 10½ inches, a fraction short of the 37-10.7 throw she made in winning regional. The winner of that event set a state record of 43-7.2.

Cheryl Hartman had an off day in the high jump, managing only a sixth place with a jump of 4-10. She had tied the regional record of 5-4 to qualify for state, and that was the height that won the state championship.

Nazareth's fourth state qualifier, hurdler Karen Schulte, did not place.

Both Lemons and Davis filed for the county attorney's office in February, but Lemons sued successfully to have Davis' name taken off the primary ballot because he had not lived in the county six months before the filing deadline, as required by the Texas Election Code.

After losing an appeal to the Texas Supreme Court, Davis filed the civil suit that was heard here last Thursday.

Lemons' attorneys told the court they would appeal the decision.

Meanwhile, Lemons' name stayed on the ballot and he received 1,044 of the 2,379 votes cast in the Democratic Primary Saturday.

County Democratic Chairman Oscar Wylie said the committee "will take no action until this new case runs its course. It's on appeal, and I imagine it will go to the Supreme Court just like the last one did."

Dimmitt volunteer firemen were called to the intersection of Broadway and Bedford at noon Tuesday, when a Chevrolet van owned by Pete Rangel received minor damage from a fire that started with a short in the wiring under the dash.

Marriage announced

The marriage of Mary Helen Botkin, formerly of Dimmitt, and Garnet Reeves Jr. of Lubbock was solemnized in a late afternoon ceremony Saturday in the Forrest Heights Methodist Church at Lubbock. Mrs. Reeves is the daughter of Mr. and Mrs. Andy Behrends of Flagg, and is now an assistant dean of students at Texas Tech University in Lubbock. Reeves owns the Reeves Insurance Agency at Lubbock and the couple will make their home in that city.

SUMMER BRIDE-ELECT—Mr. and Mrs. Kenneth Cleveland announce the engagement of their daughter, Beth, to Darrell Buckley, son of Mr. and Mrs. Jimmy Buckley. Both families are Dimmitt residents. The wedding is planned for 10:30 a.m. July 17 in the First United Methodist Church here. Both Miss Cleveland and Buckley are graduates of Dimmitt High School. She attends Texas Tech University and he is a farmer.

Lately-wed couple at home here

Mr. and Mrs. Tommy Fowler are at home here following their recent marriage in the home of the bride, who is the former Jo Hogue. The evening ceremony was performed by Dale Wells, minister of the Bedford Street Church of Christ.

Close friends and relatives were present for the wedding, in which Tommy Hogue gave his mother in marriage and Debbie White, her daughter, was matron of honor. Mack Fowler served his brother as best man.

The other four Fowler brothers were among guests, and others present from out of town were Mr. and Mrs. James Autry and daughter, Luann, of Rocky Ford, Colo. A reception was held in the home after the ceremony.

TO AVOID accidents while cleaning in the home, wear shoes with good support and traction. Don't do housework in floppy slippers or stocking feet.

DELORES GOLDEN
... Alpha Epsilon Tau sweetheart

Chapter honors two members at dinner

Honor members of Alpha Epsilon Tau Chapter of Beta Sigma Phi were introduced at a Founders Day dinner in the Hereford Country Club last Wednesday, when officers for the coming year were installed. Gail Bruegel was named Girl of the Year and was presented a plaque noting her choice for that title by other chapter members. Delores

Golden received a bouquet of roses to designate her selection as Sorority Sweetheart. Her husband, Ronald, was named Man of the Year. Jan Baca as president heads the list of new chapter officers. Installed with her was Allan Bradley, vice-president; Diane Sanders, secretary; Lucy Nelson, treasurer, and Carolyn Watts, parliamentarian.

FHA installs officers and sets year's goals

The Nazareth High School chapter of Future Homemakers of America installed new officers at its annual banquet last week, set goals for 1978-79 and planned more programs aimed at helping people and the community. The FHA members are looking forward to a very good year, Paula Maurer said after she was installed as president. Teresa Brockman took office as secretary, Christine Huseman as treasurer, Joyce Schacher as historian and Jean Schulte as parliamentarian. The five vice-presidents and the fields they will direct are Kris Altman, programs and Impact; Cyrilla Brockman, Encounter; Laura Kleman, projects; Debbie Schacher, recreation; Roanne Acker,

publicity. Honors were awarded to chapter mothers, members who completed the Encounters goals, graduating members and the chapter advisor, Debbie Mumme.

Dinner given at church for seniors

Seniors of Dimmitt High School were entertained with a dinner Monday night, when members of the Bedford Street Church of Christ were hosts in the church fellowship hall.

The program featured a vocal group from the Sunset Church of Christ at Lubbock, who sang spirituals.

David Gregory welcomed the class after the invocation by Lelon Ginn. Dale Wells, minister, was master of ceremonies. Jeff Bell expressed the seniors' thanks for the hospitality and Donny Carpenter gave the benediction.

In addition to class members, special guests were the senior sponsors, Mr. and Mrs. Kenneth Cleveland, and High School Principal D. W. Harkins.

Genealogy Society meeting scheduled

A working and sharing session of the Castro County Genealogical Society will be held at its meeting tonight (Thursday) in the Rhoads Memorial Library clubroom.

The meeting will begin at 7 p.m. and is open to anyone in the area who is interested in genealogy as a study or a hobby.

CARL KING (RIGHT) RECOILS FROM ZINGER BY FRED BRUEGEL JR. While his wife, Fran, breaks into laughter

SHOWING 'REPUBLICAN SUPPORTER' CERTIFICATE ... "Now, that was a big mistake!"

King zinged during CofC 'roast'

Carl King was, in his own words, "drawn, quartered and barbecued" at a celebrity roast that highlighted the Dimmitt Chamber of Commerce "fun breakfast" last Wednesday.

Four persons zeroed in on King's individual traits and tossed verbal zingers at his work as president of the Texas Corn Growers Association and District 31 committeeman on the Texas Democratic Executive Committee.

The roasters were Fred Bruegel Jr., a fellow agribusinessman but an unfellow Republican; Deanne Clark, chairman of the County Re-

publican Committee; Ronnie Parker, King's former minister; and Joe Cowen, longtime Democratic cohort of King's.

Another speaker defended the roastee. He was Oscar Wylie, fellow farmer who followed King as chairman of the County Democratic Committee.

Barbs were as thick as greenbugs. For instance:

FRED BRUEGEL JR.: "Carl has the uncanny ability to create issues rather than resolving them. To put it bluntly, he's a troublemaker, even to himself . . ."

"If you let Carl give you instructions or directions, it takes him 15 minutes to tell you how to get from the Colonial Inn to the bank . . ."

"If you haven't had the privilege or trying to have a conversation with Carl—or almost trying it—you've missed a treatment . . . He gets close enough to you to make sure you understand what he has to say."

DEANNE CLARK: "Carl is having difficulty giving his support to our Pres-

ident, Jimmy Carter, right now. You know, Carter has the credit for making the 'Car-tron Bomb'—it knocks out supporters without damaging opponents . . ."

"I know Carl is a Democrat, because he can talk easily out of both sides of his mouth."

RONNIE PARKER: "It's a good thing Carl doesn't have to pay taxes on what he thinks he's worth. "When there's nothing more to be said, Carl is still saying it . . . Carl is smarter than he looks—and that, of course, is reassuring."

"To sum it all up, Carl is nasty, repulsive, repugnant, disagreeable, offensive, belligerent, pugnacious, antagonistic—and those are only his GOOD points."

JOE COWEN: "About 20 years ago, the editor of the local newspaper, Carl King and I were on a political misadventure in Am- arillo, and we found ourselves in the men's room of a hotel. I was dancing around on one foot and trying to find a dime. Not Carl King. We had been to town before, and had learned to bow to the delicate requirements of a complex society. But not Carl King. He said, 'No, I'm not going to spend a dime for that. It's not natural to pay for something so natural.' He was in the same mood then that he's been in for the last four months—he went on strike."

But the bouquets outweighed the barbs.

Heading up the defense, Wylie reeled off a list of impressive statistics that put a new light on the value of King's contribution as a farmer.

"Not only does he talk to Austin and Washington about agriculture, but he practices

what he preaches, because Carl King knows how to feed a nation," Wylie commented. "There was a time when a farmer was charged with feeding himself, his family and five other people. That has changed. It went up to seven, then to 21, to 32, to 48 and now it's over 50, the number of people the average American farmer feeds."

"I took the liberty of going to the ASC office, to the county agent and the home demonstration agent . . . to find out just how many people Carl King could feed, using his average acreage and yields for the past five years."

"Carl doesn't feed 100 people. He doesn't feed 200. His agricultural output, including his sheep pens . . . will feed 1,700 people for a year."

"According to the figures that were given to me, he could feed 1,000,700 people one meal a day for a year . . ."

"It takes one pound of agricultural products to feed a person breakfast. If you put all of Carl's agricultural output into a package ratio, this morning 8½ million people could eat a breakfast off of Carl King. That's two-thirds of the population of this state."

And the other speakers all finished their roasts with tributes to the beleaguered honoree.

"Carl King is an American of the highest quality," Bruegel said. "He believes in what he's doing, and he does it well. Besides being a full-time farmer, he performs a job that many of us wouldn't attempt for any amount of money."

"His only pay is the satisfaction that he is helping his fellow man—the farmers in his community, the business people in his home town, and his neighbors down the street. He's an ambassador of this community, with a voice that stretches from Austin to Washington. That voice is heard and being listened to by politicians, and will have some effect on all of us who are here this morning."

"There's probably no single person who gives more of his own energy, his time and his money to the things he really believes in," Parker said. "We are indebted to him. He will fight our battles for us. He will stand for his convictions, he will fight for those convictions."

"I think more than anything else, we're honoring Carl because he's a worker, and he cares," said Chamber of Commerce President Jerry Marvin, who served as emcee. "He cares about his country, he cares about his community, he cares about his profession. You never see Carl when he is not either just fixing to leave to go to Austin

Junior High Rites held for Mrs. Lindsey

Honor students from Hart Junior High graduating class are Clay Barnes, valedictorian and Dora Bonsal, salutatorian. Supt. Ted Averitt announced last week.

Son of Mr. and Mrs. Frank Barnes, the top student had a grade average of 94.42. The salutatorian's average was 93.61. She is the daughter of Mr. and Mrs. Jerry Bonsal. Both will have parts on the program for the eighth grade graduation exercises.

End-of-school activities at Hart this week include the Longhorn Band banquet at 8 p.m. today (Thursday).

Cheerleaders for the 1978-79 term have been chosen in both high school and junior high, with representatives from each class.

High school cheerleaders are Stacy Averitt, senior; Lori Barnes, junior; B. J. Brantley, sophomore; Suzahn Rowland and Teresa Mapp, freshmen. Those from junior high are Julia Diaz and Vickie Ponce, eighth grade; Sherryl McLain and Kathy Ortega, seventh grade.

Funeral services for Mrs. Lucie M. Lindsey, 81, of Memphis, mother of Robert Lindsey of Dimmitt, were conducted Sunday afternoon in the First Baptist Church at Memphis and burial was in Fairview Cemetery there.

Mrs. Lindsey died Friday in Lubbock. She was born in Van Buren, Ark. and moved to Memphis in 1919. Her husband, Horace H. Lindsey, died in 1977.

She is survived by two sons, Robert of Dimmitt and Gene of Memphis; two daughters, Betty McBee and Mrs. Norman Heath, both of Lubbock; a sister, a brother, 10 grandchildren and four great-grandchildren.

MANY onions in both commercial plantings and backyard gardens are flowering this spring due to cooler than normal temperatures. This means smaller bulbs for eating and lack of storage quality. The plants with flowers should be dug up and the bulbs eaten fresh. Those without flowers can be left to grow until leaves fall over at maturity.

"Ideal" is a word frequently used to describe excellence or the lofty goals many of us would like to attain. Often, we use the word to refer to an individual who serves as a model for others.

When a person sets high professional standards and then goes about turning aspirations into achievements, he or she wins the respect of others—especially when others benefit from this commitment to excellence.

At The Bankers Life, we have our share of individuals who, through their exceptional level of service to others, illustrate how a person achieves

Sheffy's Chatter

Women see 2000 miles of bluebonnets in Texas

By MYRTLE SHEFFY

Edith Ramey and friend Lena Benton went by car to the East of us. They shopped a little in Dallas, probably Neiman Marcus, on to Little Rock, Ark. and visited Helen Benton and a niece of Edith's. A stop first though at Cleburne to visit Lena's daughter Ruth Ann Hill. Ruth Ann gave a beautiful antique shawl to Edith to wear to a wedding in July. Then on they went to Shreveport to visit her favorite niece Jackie McCrae and family, and niece Frances Buchannon. Edith says they saw 2000 miles of bluebonnets and blooming shrubs, so lovely, but when they reached our Plains, Lena said, "How restful not to have to look at trees and things."

Frank and Josephine Lattimer and sister Mrs. Roland Wheat of Higgins are home from a good trip to Louisiana, a stop in Shreveport, then on to Denham to visit son Jeff and wife Jodie, who have a pretty new home. The son and Jodie took them on one of the plantation tours. They saw three fine old homes, one at Rosedown with beautiful rose gardens, oak trees that touch the ground two times, limbs so big. On to another house near Baton Rouge, one named Birdside. They went to a very elegant restaurant where Jeff says he hasn't eaten such good bread since Mrs. Bert Fuller made it for him as a kid, and such good fish. The two guides showed them plac-

es and told the stories of the houses, many flowers and perfect weather.

Mrs. Granville Martin tells me that all the Castro Sheriffs' pictures are framed and on the wall of the sheriff's office and she and Mr. Martin wish to give special thanks to Goose Ramey for helping find the last three. These men were among the first county sheriffs and their names are Mr. Frank Vaughn, Mr. Perry G. Cox and Mr. J. E. Boyce. Do go to the courthouse for a visit and to see the pictures.

Tommy Allen came in from Los Angeles last week for a visit with brother Louie Allen and Lena. I saw them out at South Hills visiting friends, Mr. Metcalf, Mrs. Easter, Mrs. Addie Miller and others. They probably went to Lubbock to visit a cousin, Mae Hastings. The Allen home place was south on Sunnyside Road where Teeny and L. B. Bowden live now.

Richard and Ruth Wooten are home from a trip by car camper to Proctor Lake near Comanche. They loved the beautiful flowers. The fish were biting and the weather perfect. Others going with them in their own cars were Harold and Nina Markley, Jesse and Ruby Wooten. They visited many other folks there.

Mrs. J. L. Kay of Mooreland, Okla. came over for a visit with daughter Marie and Curtis Tate. All went to Houston to visit Pat and Ken True-love. Marie says she saw the bluebonnets blooming for her first time. Now she must paint a picture. Home again and Marie spent a week with her mother in Oklahoma.

Many good dinners this week I must attend. First, the Methodist ladies will serve dinner to us and ladies from Kings Manor at Hereford.

Wednesday the Book Club will have lunch and a review at the Hereford Country Club. Wednesday evening Ruby Moultrie is taking a few friends to Amarillo for food.

Thursday (today) the Senior Citizens are serving a big dinner at the Expo building. If you like to eat, go to that one.

School people going to a big

meeting in Houston last week were Emmett Broderson, Elmer Berryhill, Verbie Nelson, Evie Froehner, Faye Walker and Waurane Hughes, Connie McManus, Mary Nell King, Pat Evan and Pat Keith. Maybe others, these I heard about. They had fun looking at the big shops and eating food and such. Verbie stopped in Lubbock to visit her mother Vada Belle Oldham and some visiting cousins.

Of course I voted Saturday, as did many others, and I met Jeannie Anderson there from Tech in Lubbock. She and her friends came up to learn about voting and the different processes. These girls came, too, Candy Mays, Celeste Shelton, LaMoore Gram, Ann Hill, Jim Gafarz, Karen Miller, Kathy Speer. They are special friends of Mr. Sheats.

Carl King flew off to Washington, D.C. this week to talk about the sugar bills or the problems of the sugar farmers. He will tell us about it later. Mr. King is president of the Corn Growers and is trying to make the government people understand our problems, like expensive gas to pump water, high priced fertilizer, extra expensive machinery and the same market prices for grain. But I have no idea what the lawyer trained Washington fellows can do about that. Do you?

Cleo Forson and Elizabeth Huckabay went to Plainview last week to attend the Retired Teachers' meeting, that is MRTA workshop at the fel-

lowship hall of First United Methodist Church. Eight units from the Panhandle area attended that meeting.

Shane Smithson had a group of his teenage friends in Friday night to do what they call dancing to music on records. There were 15 pretty girls and 15 handsome boys. Sorry I couldn't go. His parents, Howard and Mareta, served many pick up foods to the crowd. Other parents dropping in were Rex and Dorothy Sheffy, Danny and Brenda Bruton, Wanda Murdoch, Teddy and Vickie Smithson (not parents).

Walt and Virginia Hansen are home from a visiting and looking at places trip to California. Guess that would be fun. Their daughter Debbie, a Tech student, was home for the weekend.

Don't forget the big Rodeo and all the different activities coming at that time, the queen contest, the big rodeo dances, music by Jerry Frazier and friends. They are called the Whiplash. All eight different cafes and hamburger places will have good food for the hundreds of people coming in.

Decimae Beene of Friona and her dad Edwin Ramey went to Lubbock Saturday to attend the Mosely family reunion. Their special friend Edith Mosely Johnson was there, as were 59 other folks.

The Phoenix Club, a West Texas State University ex-students' group, held the an-

nual banquet last Friday night in Amarillo. Joe Ramirez, Cleo Forson and Helen Richardson attended and enjoyed the fellowship and the recognition given the outstanding WT man and woman students, as well as the excellence awards to outstanding ex-students and college professors. 320 people attended the awards banquet.

Frank and Shirley Wise went kin visiting last week. First to Midland to see his sister and husband the Walter Parkers and a stop in Lubbock to see sister Nita and Bill Lewis.

G. L. and Ouida Willis went by car on a rambling around trip to the East of us. Made a stop to visit friends in Louisville, Ky. and all attended the Kentucky Derby. That area should be a flower garden now.

Carlee Warren was the birthday girl last Friday, so to celebrate Roxie McLean cooked some good food and asked friends Jan Baca, Vicki Clary, Martha Jo Hyman, Jean Morris, Patricia Braafladt, Sue Kemp, Mary Jo Ray and Sandra Potts. All came bringing gifts and much conversation.

Don and Paraly Moore have bought the Murray and Shirley Hall house at 1008 Cleveland and will be moving there soon. Shirley has moved to the apartment house on 11th Street. Murray is down south on business at the present time. You know that Shirley is manager of the

Chamber of Commerce.

Durward and Betty Patterson and son Lonnie have sold their house at 1006 Cleveland to Robert and Roxie McLean, who will move there the middle part of June. The Pattersons are building a new home near Kingsland on Buchanan Lake. Durward will probably be teaching at Burnett or maybe the other schools.

John Denver, the singer, presented a 2 1/2 hour show at the Coliseum in Lubbock one evening last weekend, and going from here to hear him were Ronald and Delores Golden, Jack and Jan Edwards, Ken and Jan Justice. They report a very good program.

Bob and Betty Huckabay took Durward and Betty Patterson and son Lonnie to the El Monterey in Clovis for Mexican food Saturday evening. I suggest trying Dimmitt's Mexican food places some time.

Mrs. George Bradford was hostess at the Friday Bridge which met at City Hall as-

sembly room. She served pick up lunch with Italian creme cake to Retta Cluck, Ruth Wright, Bobbie Damron, Dorothy Elder, Bessie Elder, Carolyn Copeland, Myrtle Sheffy, Cletha George, Betty Cartwright, Gladiola Shipley, who won high score and Betty Renfro who came in second high.

Mrs. O. K. Howe assisted by Bessie Elder had a few friends in for coffee Friday afternoon to get acquainted with Mrs. Bill Clark Sr., here from Vernon to visit with her son Bill Clark and grandson Greg. Bessie baked a good [See CHATTER, Page 9]

A Crown for Mother You, as a Mother, are honored by your children on a special day - Mother's Day. How the little things they make for you with their own small hands please you and warm your heart. It warms and quickens the heart of God when you honor Him on His special day. "Remember the Sabbath Day, to keep it holy." Exodus 20:8. Worship God on this next Sunday in the church of your choice. We should honor our loving Heavenly Father even as we expect our children to honor us. Attend church on Mother's Day.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God. Students score at Austin

By VIRGIE GERBER High School state qualifiers who represented their school this past weekend in Austin. Congratulations to Nazareth

Doretta Ramaekers and Karleen Kleman won first place in tennis doubles, Glenda Gerber second in tennis singles, Darryl Birkenfeld second in persuasive speaking, Tony Brockman fourth in ready writing, Germaine Pohlmeier fourth in shot put and Gayle Book third in the mile.

Going to Austin this past weekend were Ed and Leola Ramaekers, Carl Dean and Mary Kleman, Mona Brockman, Bobbie Schmucker, Sandee Hoelting, Cary and Wade Hoelting, Tricia Gerber, Danny Gerber, Charley and Bev Hill, Todd and Traci Hill, Albert and Virgie Gerber, Albert and Rita Hartman, Gilbert and Dolly Schulte and George and Rita Book.

Receiving the God, Home and Country Award Sunday morning were Cheryl Hartman, Karleen Kleman, Debbie Schilling, LaDonna Brockman, Rocky Wilhelm, Cecil Wilhelm, Kenny Brockman and Tony Brockman.

Enjoying dinner Sunday with the Robert Husemans were Julie Huseman of Amarillo, Linda and Johnny Grisett and daughters Amy and Renee of Perryton, Raymond and Kimmie Huseman and daughter of Nazareth.

Calvin and Kathy Yarborough of Sunray visited with their parents the Jerome Brockmans over the weekend.

Deacon John Dalton and Jerome Brockman attended a Deaconate program in Lubbock this weekend.

Mrs. Sybil Steffens has returned home after spending

two weeks in the Rio Grande Valley visiting her sister and family, Mr. and Mrs. Fred Edwards, her brother Joe Martin and wife and several nieces and nephews who live in the area.

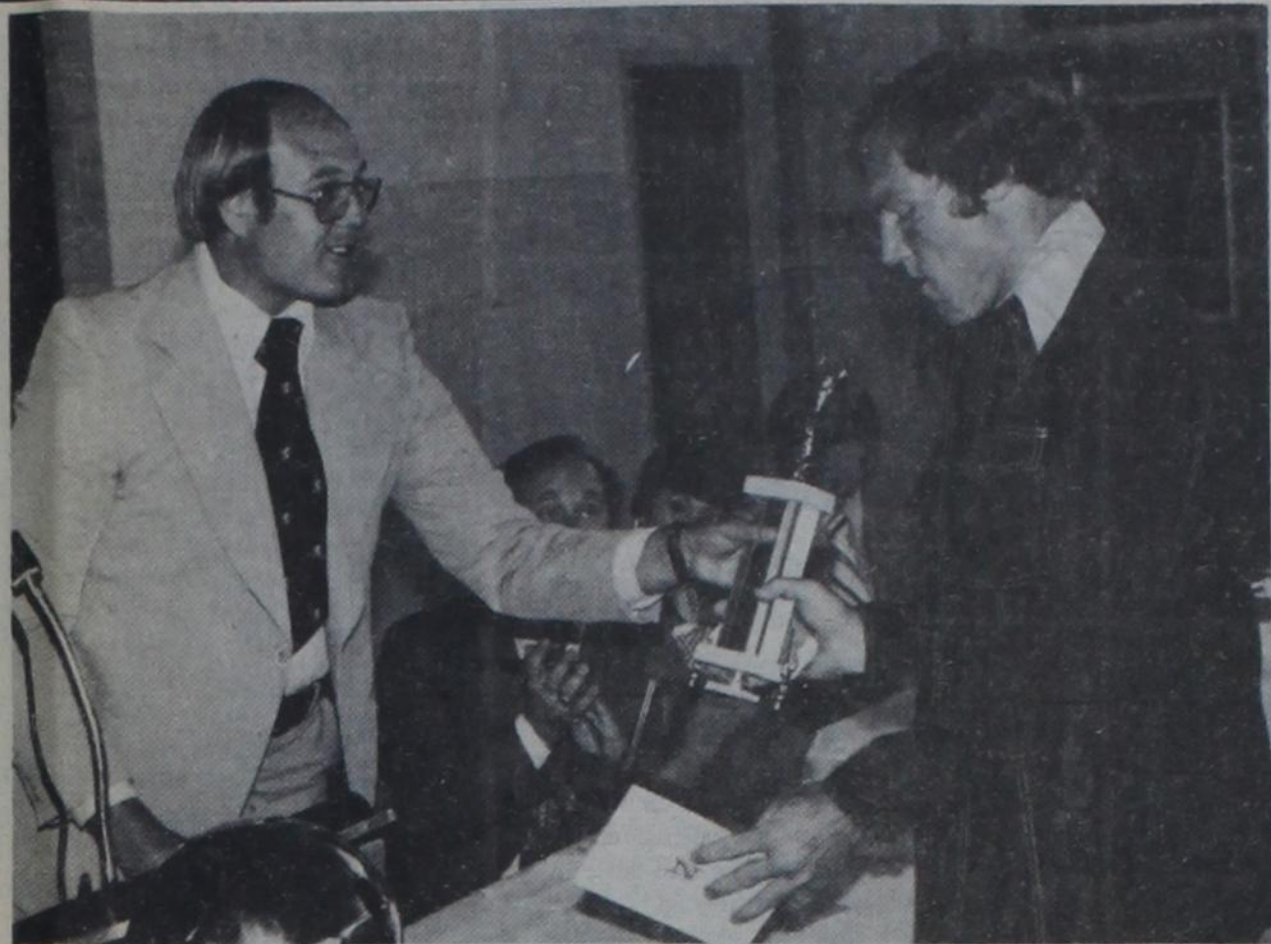

Parishioners crowded the church Sunday evening to attend the annual May Crowning of our Blessed Mother. Debbie Schilling, senior member of the Catholic Youth Organization, with her chosen court, performed the crowning ceremonies.

A large group of people met at the church Sunday afternoon and marched through the streets parading the Rosary, joining the whole world at the same time across the nation, proclaiming their faith and joining together in prayer and in witness in "The People's March."

Mrs. Dora Albracht, Ed Hoelting, Wirt and Irene Albracht of Hereford attended the funeral of their uncle Frank Fladung of Olpe, Kan.

Rose Warren, Ella Hoelting, Fonsa Huseman, Helen Backus and Dora Albracht attended an all-day Third Order of St. Francis Day of Recollection in Amarillo Saturday at the St. Francis Convent.

The Albert Gerbers, Charley Hills and Sandee Hoelting had an enjoyable weekend in Temple with Donna (Gerber) Charanza and family. She and her two sons, Kris and Bryan, were in Austin Friday and Saturday with us. Kris Ryan came home with the family to spend a week with grandparents and family.

TOP MALE ATHLETE—Coach Eddie Hooper presents Nazareth High School's "Swift Award" for boys to Derwin Huseman during the school's 1978 athletic banquet Monday night. Huseman earned all-district and all-South Plains honors in football, was all-district in basketball, and will compete at the state tennis tournament this weekend in boys' doubles.

Panthers and 'Bonnets win

In the girls' Junior Baseball league, Monday night games saw the Pink Panthers defeating the Flying Queens 24-10 and the Bluebonnets coming out ahead of the Rangerettes in a close contest, 16-15.

Tied at 11-all after four innings, the Bluebonnets gained their one-run margin in the fifth when they scored 2 and the Rangerettes managed only 1. Both teams added 3 runs in the final sixth frame.

The Panthers led the Queens throughout the game. The Queens failed to score in the first inning, and had their only big inning in the second, scattering runs through the remainder of the game.

Nine-in-one drama set by DHS actors

Nine folk stories are combined in a modern version to form the play, "Story Theatre," which the Dimmitt High School drama and speech classes will present at 10 a.m. next Wednesday, May 17, in the DHS auditorium.

Elementary school pupils are invited and adults will also find the show enter-

taining, Nancy Shurbet, director says.

Popular Grimm Brothers fairy tales and Aesop's Fables are adapted for the stage to make up the play which was a hit on Broadway, according to Miss Shurbet, drama and speech teacher in DHS.

One of the stories is "The Fisherman and His Wife," which features the jingle, "Flounder, flounder in the sea, pritheer, harken unto me; Ilsebil, my willful wife, does not want my way of life." In its cast are Steve Stone, Julie Maples and Beth Maxwell.

Students will stage the play as well as act in its various stories. Lights will be manned by Gary Bruegel.

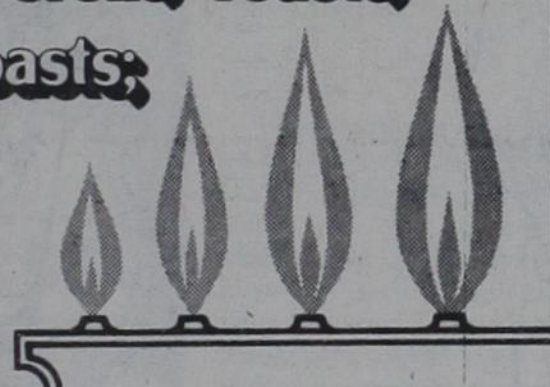

A familiar humorous tale, "Bremen Town Musicians," will be presented by Kelly Davis, Danny Saunders, Valerie Klause, Joe Arce, Jessie Lopez and Eddy Oldfield. Many of the actors will play parts in more than one of the stories.

In the cast of "The Little Peasant" are Bryan Brock, Terri Moore, Greg Howell, Laurie Ewing, Bebe Flores, Cuca Ortega, Jeff Isaacs, Sheryn Roberts, Stone and Klause.

Actors to appear in "Robber Bridegroom" are Sherman Grosz, Maricela Quinonez, Howell, Maples, Stone, Ewing, Ortega, Flores and Klause, while Danny Sanders, Charito Arce, Oldfield and Davis will have roles in "Is He Fat?", another comedy.

THE original plans for the Washington Monument called for it to be five feet taller than it is with a big Greek temple at the bottom, but the builders ran out of money.

GAS COOKING OUTDOORS

Gas cooking outdoors sure makes sense in the summertime. It keeps the heat out, so your house stays cool. You save on air conditioning. Plus there's no charcoal or lighter fluid to buy, and no wait. Gas reaches cooking temperature fast and cooks full family dinners, everything your inside range and oven can cook, with that great outdoor flavor.

Take the heat out of the kitchen. Install a gas grill on the patio. It sure makes sense in the summertime, or anytime!

Plains Cotton Growers holds annual meeting

By CHARLES AXTELL
Castro County Grower Director
Plains Cotton Growers, Inc.

Plains Cotton Growers Inc. held its 21st annual meeting last Wednesday afternoon in South Park Inn at Lubbock. Lloyd Cline, president, and Donald A. Johnson, executive vice-president, reported on PCG activities of the past year.

They reported another successful year for the boll weevil program, in which 1.25 million acres were treated at a cost of \$1.42 per treated acre. This program has performed as a protective zone that benefits the farmers involved and also protects all the High Plains cotton and allows continued production.

PCG has worked with the EPA to try to get a new specific pesticide released for treatment against the boll weevil and there is a prospect of it being released by fall.

PCG has sponsored research at Texas Tech Textile Research Center on new products and technology in the open-end spinning system, an area where there is a great potential for use of the type of cotton grown here.

Additional research in production, processing and new fabrics is sponsored where limited funds permit or other funds can be obtained through donations or grants.

Legislative efforts by PCG have had limited success. In the 1977 farm bill PCG was unable to keep the loan level determination based solely on US prices. However, there is a bill pending that, due partly to PCG efforts, will provide a more equitable method for loan determination if passed.

The first speaker was John

McNutt, director of international marketing for Cotton Inc., on the subject, "Milling and Marketing" with attention to export phases. He spoke of the two types of cotton spinning and types of cotton needed for each.

For traditional spindle spinning, for which our cotton is presently graded, the mills want a fiber that has high grade and mike with the longest fibers being best. Open-end spinning is a method which can be highly automated, and its fiber requirements are much different.

The ideal fiber is 1 1/16 length, mike 3.0, with a strength of 90,000 PSI Presley (26 gm 1 tex) with strength being the most important. Fiber strength is not presently tested or noted on normal grade card.

McNutt challenged growers to plant 20 percent of their 1978 acreage in varieties that produce fibers of high strength quality. Open end spinning presents the greatest opportunity to expand the market for High Plains cotton.

The export market is where most potential exists now. Europe has 45 percent of the world's open-end spinning. Only 15 percent of the US mills use the method with another 10 percent to be converted by 1980.

European mills have not bought much US cotton in several years. Cotton Inc., PCG and others are trying to get our cotton back into that market. To increase this potential, growers should produce varieties adapted to open-end spinning, and these varieties can be grown here.

The second speaker was Donnell Echols, who was one of three cotton producers selected to go to the Elanco Cot-

CROP FLOURISHES with minimum tillage

Conservation

Minimum tillage offers cost cuts

By CLAYTON JOBE

Nationwide, farmers are facing spiraling production cost and farm labor shortages. This compounded with the low crop prices received the last several years has made agriculture a dismal scene and a very disappointing one for those new and old to the agricultural life.

Irrigation farmers have been especially hard hit with pumping costs doubling each year. But tillage of farmland now comprises a major part of farming cost—fuel, oil, repair, labor and machinery ownership cost account for as

much as one-half of the total production costs.

Conventional methods of farming or clean-till preparation of land with specific combinations of operations are based on tradition as much or more than any other reason. Of course, producers measure success by profits and in the past many have been successful with conventional tillage.

Each new year has proven, however, that costs are quickly surpassing profit. Where this is true, less costly tillage methods must be initiated. Texas has seen a gradual but solid trend toward minimum and no-tillage.

SCS statistics show that 261,879 acres of no-tillage was practiced in 1977 with 300,000 acres estimated for 1978. Minimum tillage figures show 2,356,914 acres practiced in 1977 with an estimate of 2.6 million acres to be minimum tilled and 7.7 million no-tilled nationwide.

Refined chemical herbicides along with the development and perfection of limited tillage equipment have removed the major barrier: that have tied tillage to the farming picture for centuries.

Several farmers in the Texas Panhandle have accepted the challenge to stray away from tradition. Two local farmers are Charles Hough, who farms at Friona, and Chester Wiggains, Summerfield.

Charles Hough's equipment operation: shredder, disk, chisel, cultivator, large tiller-ridger, planter. Charles said that he has cut fuel consumption 25% and has seen quite a savings in labor, equipment and tractor time.

Chester Wiggains' equipment operation: shredder, chisel, with coulters, Orthman bed splitter, tri-level bed planter, cultivator.

Anyone wanting more information can contact the Soil Conservation Service at 3rd and West Bedford, Dimmitt.

Transportation Week proclaimed by mayor

A proclamation has been signed by Mayor Elmer Youts, designating May 14-20 as National Transportation Week.

Special programs will be held in a number of cities in the Lubbock District of the Texas Department of Highways and Transportation, including Dimmitt, with department officials as speakers.

The Dimmitt program will be at 7:30 p.m. Tuesday in the city hall assembly room, sponsored by the Chamber of Commerce and open to the public, according to Doyle L. Wassom, maintenance fore-

man in the highway department office here.

Speakers will be George C. Wall Jr., district engineer, and James King, administrative engineer from the Lubbock office, also C. W. Nall.

The mayor's proclamation calls attention to the essential role of the nation's transportation system in the life of all citizens.

ton Conference, where representatives from European mills, American producers and cotton buyers were present for a frank discussion from all sides.

Major complaints of the Europeans were that American cotton generally has poor strength, is not in uniform lots, difficulties with synthetic bale ropes and cotton being received in poor condition. American buyers said European mills have higher than necessary standards for cotton.

Next we need to identify our cotton for strength and variety to enable assembling homogeneous lots which would satisfy mill requirements.

The final speaker, Millard Townsend, an ex-ginner now management assistant officer of the Small Business Administration, gave an entertaining and challenging talk, "The Drumbeat."

The newly elected directors were confirmed by those present. Your directors for Castro County are Edd McLeroy and Charles Axtell. See us or contact PCG, Box 3640, Lubbock, 79452, or telephone 806-762-0553 for more information.

4-H scholarship award is made to Becky Hand

Becky Hand, daughter of Robert and Nancy Hand, has been named winner of the \$300 scholarship given each year to a senior 4-H club member by the Home Demonstration Clubs of Castro County.

Becky has been active in 4-H since she was nine years old. She is currently president of her club.

Her many 4-H projects have included foods and nutrition, clothing, dog care and training, sheep, swine, citizenship, leadership, poultry-egg production, wildlife, entomology, child care, photography, bicycle care and safety, money management, parliamentary procedure, terrarium, leathercraft, liquid embroidery, home environment, personality development and macrame.

Highlights of her 4-H years were going to the state dress revue, the state dog show, attending State 4-H Roundup, being named Lubbock County Gold Star Girl, and being a state winner in citizenship so that she received a trip to National 4-H Congress.

Becky Hand

Becky is also active in band, first chair all-region band the past two years. She is secretary of the National Honor Society in Dimmitt High School. She is also secretary-treasurer of the United Methodist Youth Fellowship.

Becky plans to attend Texas A&M this fall, majoring in accounting or computer science.

Hotline open for state's handicapped

A toll free statewide telephone number is available now for all handicapped in the state: 1-800-792-1139.

Called Handicapped Hotline, the new service is part of the 1978-79 Governor's Conference on Handicapped Individuals.

From now through summer it will be in service 8 a.m. - 4:30 p.m., Monday through Friday. Plans are underway to expand its availability in the early fall.

The GCHI as established by Gov. Dolph Briscoe is part of an executive order to examine and identify problems facing individuals with physical and mental handicaps.

Through the Hotline, planning and orientation sessions throughout the state, 6 forums in five regions all during

September, and a state conference in October, it will be possible to assess the problems and formulate solutions.

Another important activity of the conference will be to interpret much of the new federal and state legislation concerning employment of the handicapped and transportation accessibility.

It is further planned that during the October conference some out of state individuals will participate in exhibit and entertainment presentations.

Local, state meetings set to study SCS act

A meeting in the Castro County Expo Building for discussion of the 1977 Resources Conservation Act has been set for June 8, according to N.A. Bryson, district conservationist for the Soil Conservation Service here.

Earl Harkins, Dale Winders and Paul Venhaus represented Castro County at a meeting at Amarillo last Wednesday in

preparation for the local meeting.

A public meeting for residents of the entire state will be held next Tuesday at Stephenville, to let interested persons give their views on present soil and water conservation programs and to propose needed changes or additions to present approaches, Bryson said.

The meeting will be on the campus of Tarleton State University, beginning with registration at 8:30 a.m. George C. Marks, state conservationist for the SCS, and Carl Spencer, executive director of the Texas Soil-Water Conservation Board, will be co-chairmen.

"Meetings are being held as a result of the Resources Conservation Act which became law last November," Marks said. "The act recognizes the need for public participation to insure that conservation programs are effective and responsive to public needs."

"The right to private ownership and management of land is one of the cherished privileges of American citizenship," Spencer stressed. "We hope to receive public input so the appraisal of grassroots conservation programs will provide means for their improvement."

Individuals or groups with an interest in conservation are asked to attend the statewide meeting or a local meeting, bringing written or oral statements about the direction they think conservation programs should take in the future.

Information and suggestions received at public meetings and from surveys and inventories, Spencer said, will be used to determine quality and quantity of soil, water and related resources, ability of these resources to meet current and future demands, changes in condition resulting from past uses, costs and benefits of alternative conservation practices, alternative irrigation methods and their effects on conservation and the environment.

Based on all this data, the SCS will work with similar agencies and individual land-users to set new objectives, and to present to Congress by the end of 1979 an appraisal and program resulting from the 1977 act.

This will be followed by the first evaluation on SCS services which is to go to Congress by the end of fiscal year 1982.

Plant'em BOTH

It's your best opportunity for sorghum profits

By planting these two great hybrids from Pioneer, you get high yields, heavy bushel weight and spread weather risks. Both are hard-seeded and tolerant to downy mildew, anthracnose and MDMV. And they're perfect field companions since they mature at about the same time. Plant both 8311 and 8501 for dependable yields year in, year out. You need 'em both.

High concentrations of hydrogen sulfide gas from liquid manure storage pits can be lethal to nearby workers, especially when the manure is being agitated in a confined area with poor ventilation. Such situations can occur particularly in confinement swine and poultry operations. As gas concentrations increase, symptoms go from eye irritation to headaches, dizziness and nausea to respiratory irritation.
