Stern Gang Admits Killing Bernadotte

Well...
I Dunno,
But...

A new reader of this column chided us today for using the ungrammatical contraction "ain't". Well "ain't" ain't correct we know but when it comes to placing emphasis on anything and wanting it to stick there just ain't nothing like "ain't" to get the job done.

We were taught when young that it wasn't polite to make comparisons, that, of course, referred to comparisons of people. And in this case it may not be safe to make comparisons, but we can't keep from recalling that it was an assassination that set off World War I. We recall also that the world was in a state of unrest when that assassination occurred in 1914. And it was a nobleman that was assassinated.

Yes history repeats itself, but at least in this instance, we hope that history is on the wrong track.

Detcha though, that Russia accuses the Western Powers of fomenting the assassination of Count Bernadotte. Who no takers? Then we all agree.

Guess that Coke Stevenson is correctly dubbed. For if we ever saw a fellow that was calculatin' he's the guy. And it looks like all of the tricks of the legal profession will get on airing before that fight is over.

Incidentally, we keep noticing where fraud or irregularities of one kind or another keep popping up in election returns all over Texas. And where more and more contests are being filed. Another race like the Johnson-Stevenson one and politics in Texas should be thoroughly cleaned.

Locally speaking, it looks like rain. And it would be a welcome sight for those parts. Since June we've had only .16 of an inch of rain and that's not enough, so the farmers and ranchers are saying.

Looks like all of the mistakes that we've made in the paper recently have been on church items. This week in a story appearing in one of the papers concerning a meeting of the ladies of the First Christian church, the name of Mrs. B. H. Clifton was omitted through some slip after the copy left the editor's desk.

We regret the omission which was unintentional.

Our hat's off to the Jaycees. In over three short years they have put over one of the best little rodeos in Texas and this week will begin the repayment of money which supporting citizens put into the rodeo.

The payments will be a percentage of the principal. While we're sure that the stockholders will appreciate the payment, we're also sure that some was uneasy about getting that money back with such a live wire bunch of fellows behind the project.

Incidentally, we believe that the payment is something a little new in such deals. Usually when a patriotic citizen gives money to such a move, he kisses it goodbye when he pays it and charges it up to charity on his income tax.

Yes sir, those Jaycees really get the job done.

Texas Called On For 670 Men

Austin, Tex., Sept. 18. (UP) — Texas has received a call for 670 men — the first under the new selective service system. Col. Morris Schwartz, Assistant state director of selective service announced today. Schwartz said the induction would come sometime in November. However, the definite date, he said, has not been determined.

JAYCEES TO PAY 10 PER CENT DIVIDEND THIS WEEK

Members of the Junior Chamber of Commerce announced today that they will pay a dividend this week to all stockholders in the Jaycee rodeo.

This is the first payment that has been made on the stock and will amount to 10 per cent of the principal on all outstanding stock.

A committee of Jaycees will call on all stockholders this week to make the payments and to present a financial statement of the condition of the rodeo.

Russia To Fight German Talk At UN Paris Meet

BERLIN, Sept. 18 (UP) — Russian warned the Western Powers today that the Soviet bloc in the United Nations at Paris will battle against any attempt to discuss the German question.

The warning was contained in a front page editorial in the Red Army paper Tagliche Rundschau, often used as an unofficial sounding board to express the Soviet attitude an international questions.

The paper said the German problem, including the peace treaty, belongs in the competence of the Big Four foreign ministers, NOT the United Nations, "and Turgivye Lie knows it."

The editorial also charged that the United States was threatening world peace "in sharp contradiction to United Nations statutes."

The Soviet warning followed approval by German Communist leaders of the Soviet plan demanding withdrawal of all occupation forces from Berlin and inclusion of the capital in the Soviet zone economy.

TRUMAN SAYS GOP 'GLUTTONS OF PRIVILEGE'

DEXTER, Ia., Sept. 18 (UP) — President Truman opened his mid-west farm campaign today with an acrid denunciation of his republican opponents as "gluttons of privilege."

In making the announcement the Jaycees stated that they are pleased to be able to make the payment which has been made possible by the success of the rodeo this year. They stated that they are very grateful for the support that the citizens of the town have given them in this and all other projects and asked for their continued support.

The rodeo was launched in 1946 after a whirl wind campaign to raise the money and after the Junior Chamber of Commerce had been organized in the month of March. The first rodeo was staged in August of the same year. In the \$30,000 arena that the stockholders' money helped to build.

Since then the rodeo has been held each year and has grown in popularity among rodeo circles and among fans. Generally it is conceded that the rodeo has been one of Ranger's greatest assets and has proved inspirational in promoting other livestock events in Ranger.

New Credit Laws Start Tomorrow

The Retail Merchants Association wishes to remind buyers that the new credit regulations of the Federal Reserve System will start in operation tomorrow.

All items excepting for the purchase of automobiles will require 20 per cent down. This includes such items as Stoves, Washing machines, and radios. Those wishing to buy automobiles on the installment plan must pay one-third down.

The law will be administered in the field by the 12 Federal Reserve Banks and their 24 branches located throughout the country.

In charging that the G. O. P. had pitchedforked the farmer, the president said:

"They have already done their best to keep price supports from working. Many growers have sold wheat this summer at less than the support price because they could not find proper storage."

RJC Elects Five Yell Leaders

In the regular assembly of the Ranger Junior College student body held in the auditorium at 11 o'clock Thursday, Sept. 16, the following yell leaders were elected by the student body:

Sara Frances Whitley, head yell leader; Robert Williams, Mary Helen Kirkpatrick; Joyce Cole; Georgeanne Rogers. Miss Whitley was one of the yell leaders of Ranger Junior College last year. The others are freshmen in Ranger Junior College. Robert Williams, who is from Eastland, was one of the leaders at Sunset High School in Dallas during 1946-48. Miss Kirkpatrick was a freshman yell leader at Saint Joseph's Academy in Abilene during her high school days. Miss Cole was yell leader of a Ranger High School during 1947-48. Several students tried out for the five positions.

The students and yell leaders will be ready to back the Rangers at the Texas Military Institute of Terrell, Texas-Ranger Junior College game, which will be held at the Ranger Stadium Thursday evening, Sept. 25.

Mrs. Hamrick Listed In Who's Who In Education

Mrs. Mamie Ruth Hamrick, head of the Foreign Language Department of Ranger Junior College, has been listed in the Thirteenth Edition of Who's Who In American Education, 1947-1948.

Who's Who In American Education contains biographical data of people who have at least five years of successful teaching, research, or administrative experience, a good educational background, and a good standing in their professional group.

Mrs. Hamrick is the third member of the Ranger Junior College faculty to be listed in Who's Who In American Education. The others are Dr. G. C. Boswell, president of R. J. C., and Mrs. Hal Hunter, Guidance Director.

Dry Week-end Is Predicted

Texas faces a comparatively dry and comfortable weekend today. A few scattered showers are forecast for South Texas during the afternoons and in West Texas from the Pecos Valley eastward through tomorrow, but elsewhere skies are expected to remain partly cloudy.

Light showers fell in the southwest portion of the state yesterday afternoon and last night with Victoria recording 19-hundredths inches, Del Rio .07, San Antonio .05 and Austin .10.

Maximum temperatures yesterday ranged from 83 at Gaudaloupe Pass to 95 at Presidio, while minimums today ranged downward from 78 at Galveston to 63 at Amarillo, 62 at Clarion and 60 at Gaudaloupe Pass.

Many Oil And Gas Tests Are Being Made

In almost all parts of Eastland County, important developments are going forward, including an excellent new well in the Kleiner pool, a well in the southern part of the county which is causing great interest because it is producing from the Ellenburger, a gasser also in the southern part of the county and on the northern border, a test which is drilling to the Ellenburger.

The Hunter well on the Blackwell, midway between Carbon and Gorman is reported as good for four barrels an hour from the Ellenburger. Production from this deep pay will open up possibilities over a wide territory.

Lone Star Producing Company's No. 1 G. W. Daniels in the Kleiner pool, north of Cisco, gauged 303 barrels of 41 gravity oil with 570 pounds on the base and 530 on the tubing from 492 perforations from 3922 to 4034. The Mississippi lime was struck at 3,846.

Five miles west of the "ghost town" of Leary and half a mile south of the Stephens County line, Lone Star is drilling below 3,000 feet on an Ellenburger test on the Mitcham, about a mile northwest of A. G. Hill's Mitcham which has two Lake sand and two Duffer lime producers.

A 4,000-foot gasser has been completed in the upper Marble Falls by T. A. Kirk of Fort Worth on the Moseley, four miles north and a little east of the one-time boom town of Sipe Springs. Kirk, with Griffin & Man and Mul-Berry Oil Company, also is drilling on the Carter, three and a half miles north of May, Brown County. This well is about a mile north of the same operators' Henry, recently completed for 290 barrels in the Marble Falls.

Emil Ludwig Dies In Switzerland

ASCOMA, Switzerland, Sept. 18. (UP) — Emil Ludwig, famed historian and biographer, died at his home here last night of a heart ailment from which he had suffered for several years. He was 67.

Ludwig, born in Germany, but a citizen of Switzerland since 1932, was the author of more than 30 biographical and historical books. His subjects included such diverse personalities as Napoleon, Beethoven, Stalin, Roosevelt, Cleopatra Hindenberg and the Nile River.

At the time of his death, he was at work on a biography of the Brothers Humboldt, noted German philosophers and world travelers, and had begun research on a projected study of King David.

Ludwig was born at Breslau, Germany, on Jan. 25, 1881. His father was Herman Ludwig Cohn, who changed his name because of anti-semitic prejudice. His son was quoted years later as saying, "I would not have done it. Cohn is a fine estimable name."

Certification Ruling Awaited

AUSTIN, Tex., Sept. 18 (UP) — Attorneys for Former Gov. Coke R. (Calcutt) Coke Stevenson effectively cut off the last avenue today for immediate certification of Lyndon B. Johnson as Texas' junior U. S. Senator until a federal court acts next Tuesday.

Lawyers for the former governor, who had not lost an election in 30 years of political life, are joined Secretary of State Paul H. Brown and 254 county election boards in Texas from putting Johnson's name on the Nov. 2 general election ballot pending an injunction hearing.

Federal District Judge T. Whitfield Davidson is scheduled to rule in Fort Worth Tuesday whether a permanent injunction should be issued against Brown and top democratic officials.

SAY COUNT WORKED FOR BRITISH; ISRAEL MOVES TO PUNISH OUTLAWS

Western Envoys Confer With Red Foreign Minister

MOSCOW, Sept. 17. (UP) — The western envoys conferred tonight with Foreign Minister V. M. Molotov in the second meeting at the Kremlin since the Big Four talks on Germany shifted back here from Berlin.

Before driving to the Kremlin at 5 P. M. (10 A. M. EDT), the western diplomats met for half an hour at the British embassy. From there they drove in their separate cars through the rain to the Kremlin, each car flying its own national flag.

The meeting followed by four days the Kremlin session of an hour and a half which marked the resumption of the talks here. The western delegates were entirely non-committal Tuesday after they saw Molotov.

The Tuesday meeting was the shortest of 10 conferences at the Kremlin. It followed a series of talks among the four military governors in Germany.

Ambassador W. Bedell Smith had hoped to clean up the Moscow talks on Germany in time for him to attend the opening session of the United Nations Assembly in Paris next Tuesday. But yesterday he was reported to have canceled plans to go to Paris, deciding to stick it out here until the situation cleared up one way or another.

Draft Registration Moves To Eastland

Saturday September 18 was the final day for draft registration in Ranger. All men who reached their 18th birthday following this date must go to Eastland to register.

Many men have been under the false impression that membership in any of armed forces reserve program exempts them from registering. The only men of age exempt from the registration are members of the armed forces on active duty including members of the Coast and Geodetic Survey and the public health service; cadets of the U. S. Military Academy and Coast Guard Academy; Midshipmen, U. S. Naval Academy, also foreign diplomatic and consular representatives and members of their families.

Persons born on or after Sept. 19, 1930 will register on the day they are 18 years old or within five days after they are 18.

Thus far a total of 302 have registered in Ranger. Failure to register entails imprisonment up to five years and fine up to \$10,000 or both.

GRAND JURY MEETS

Judge Geo. L. Davenport will convene the 91st district court grand jury Monday morning at 9:30. Fifteen persons have been called from which to select the jury.

SUPERFORTS ON PARADE HIT TARGETS ON TIME

WASHINGTON, Sept. 18 (UP) — B-29 Superfortresses, roaring into the United States from bases strong from Japan to Germany began hitting their targets with precision today in the air force's greatest air show.

The first to hit their targets were two B-29's which roared over Pittsburg after a 4,553-mile nonstop flight: from Iceland via West Palm Beach, Fla.

Piloted by Maj. James R. Dale, Wise, Va., and Lt. Lt. John D. Javis, Denton, Tex., the planes which hit Pittsburg were from the 43rd Bomb Group, Tucson, Ariz. They touched down at Pittsburg at 8:58 A. M. EDT and 9:01 A. M. EDT for an elapsed time from Keflavik airport of approximately 20 hours. They were the first two of 50 superforts to reach their targets.

JERUSALEM, Sept. 18. (UP) — The Stern gang boasted today that its assassins killed Count Folke Bernadotte "because he worked for the British and carried out their orders."

The government of Israel outlawed the Stern Gang and rounded up hundreds of its members. They were charged with incitement and conspiracy against the security of the state.

At Tel Aviv, where the jails overflowed with arrested suspects, tension erupted in a flurry of violence. Demonstrations attacked the Soviet ambassador's car, ripped away its flag, and damaged it before police dispersed them.

United Press Correspondent Eliav Simon reported from Tel Aviv that some 200 top Sternists were rounded up in the country-wide sweep of their hideouts.

The Israeli troops and police moved with a ruthless efficiency which Jews compared with the methods employed by the British Army in its searches for underground saboteurs.

Houses were searched and lines formed before police barriers for screening and checks on identity cards. The Stern Gang was understood to consist of some few hundred members and about 1,000 sympathizers.

The searchers confiscated thousands of pamphlets and other pieces of propaganda material. One pamphlet showed Bernadotte being kicked, and was captioned: "Good advice to Bernadotte, — get out of this country."

The assassination of Bernadotte by Jews rocked the young nation to its foundations. A Tel Aviv dispatch called this "Black Sabbath" — the Jewish sabbath — and said the government and the people agreed that the assassination might have the gravest impact on Israel.

In Paris, the United Nations revealed that the ranking UN official in Palestine, Dr. Ralph Bunche of the United States, placed responsibility for the assassination of Bernadotte upon the Israeli government, accusing it of a breach of the truce of "utmost gravity."

The government, throwing all its resources into the manhunt and its ramifications, posted a strong guard around the home of James MacDonald, American delegate to Israel. He called on foreign Minister Moshe Shertok last night and told him that he had been warned to leave the country.

MacDonald reported that youths came to his table at a Ramat Gan cafe and told him "you are not wanted here." He told Shertok that he would leave for home at once if he were not wanted. Shertok assured him that everything would be done to guarantee his safety and within 10 minutes his house in Ramat Gan outside Tel Aviv was surrounded by military police.

The Sternist admission of the assassination, a customary procedure after acts of underground violence, was made public by Hazit Hamaledet, head of the so-called "Splinter" group of Sternists. He sent foreign diplomats in Tel Aviv a note reading:

"We killed Bernadotte because he worked for the British and carried out their orders."

ST. LOUIS (UP) — Two St. Louis Boy Scouts who planned, separately, to frighten a hiking group, merely scared themselves. Each boy, without the other's knowledge, stole away from the group to get to a "haunted house" before the others arrived. When the two collided under a dark staircase, both fainted.

McNatt To Be Here Wednesday

Glen McNatt, representative of the Social Security Administration in Abilene, will be in Ranger at the Retail Merchants Association on Wednesday, Sept. 22 at 3:30 p. m.

He will be available to assist anyone in filing a claim for old-age retirement payments or death payments. He also can answer questions about social security. Those wanting to talk with him should be at the Retail Merchants Association promptly at 3:30 p. m.

Prank Backfires

As the bombers moved onto a stage that covered the entire United States, Gen. Muir S. Fairchild, Air Force vice chief of staff, cautiously gave details on three new jet fighters and a sonic research plane now in the ground taxing or test flight stage.

Sepaking in San Francisco, he said these planes are the KF-85 "parasit" fighter which has been launched from a B-29; the XF-85, a twin-jet, high-speed fighter; the XF-89, jet version of the wartime Black Widow night fighter, and the X-4, a research plane designed to explore the region around the speed of sound.

Sain And Spahn Hurling Braves To Pennant Flag

Stringing along with his one-two pitching punch Billy Southworth threw Johnny Sain against the Pirates Friday and the big right-hander tossed a five hitter to give the Braves a 6-2 victory. Meanwhile the Cards moved into second place by defeating the Dodgers 4-2 at Brooklyn. Tight flooding support by Stan Ruzak, Enos Slaughter and Erv Rusk sided Howe Pollet in his 13th success.

Johnny Vandermeer continued on the comeback road downing the Giants, 5-3. For no-hit Johnny it was his 15th win.

A four run fifth inning highlight by home runs by Gran Hamner and Del Ennis gave the Phils a 6-3 victory over the Cleags.

Over in the American League the Red Sox held their precarious lead by thumping the Browns 9-3 at St. Louis. And the Yanks tallied six times in the opening inning to coast to a 13-5 victory at Detroit. They remain one full game from the lead.

Cleveland and Bob Feller sent Washington down to their 17th straight setback, 4-1. Feller fanned 11 and hung up his 16th victory. The A's continued to win, rallying for five runs in the ninth to turn back the White Sox, 9-6.

Hope To Prevent Foreign Sweep

FOREST HILLS, N. Y., Sept. 18, (UP) — Richard (Pancho) Gonzalez and Herbie Flam, a pair of 26-year-old Californians who have been on the big time only two years, were the last remaining hopes today of preventing an American freezeout in the final of the U. S. Amateur tennis championship.

Only twice before in the 67 year history of the tournament has there been a tennis catastrophe of that sort, but the odds were riding this time on the foreigners — stylish Eric Sturges of South Africa and Jaroslav Drobný, the tactician Czech.

Gonzales, 8-6, 2-6, 7-5, 6-3, victory over top-seeded Frankie Parker in the greatest upset of the season, squares away against Drobný and Flam meet Sturges in the center court semi-finals. Drobný earned the right of his berth in the semi by polishing off Wimbledon champion Bob Falkenberg of Hollywood, 8-6, 6-1, 6-3, while Flam and Sturges qualified on Thursday.

Lubbock Ball Club Has Title Chance

OKLAHOMA CITY, Sept. 18 (UP) — With brilliant pitching to back them up, the Phoenix Clark Smith Autos knocked off two rivals last night to move into the finals of the losers' bracket in the Men's World Softball Tournament here.

The Phoenix team will meet the Lubbock Tex. Bluebonnets in tonight's game with the winner to face the unbeaten Taft, Calif. Merchants for the championship tomorrow.

Kenny Law went on the mound in both games last night to pitch his team to victory. He eliminated Toronto, Canada, 2-1, on three-hit pitching and then came back to give Greeley, Colo., only one hit in 11 innings. The phoenix outfit won that one by a 1-0 score.

Wells Bowls Here In Special Match

Garner Wells, nationally known bowler will square off against Rollie Kenny local pride today in a special exhibition match to mark the opening of the Ranger Bowl under the management of C. T. Babain.

Wells of Fort Worth has carried a composite average of 202 in league competition for the past four years. In 1946 he won the Oklahoma City Times singles classic. And in the same year he just missed first place in St. Louis in the Weibels Singles and took second place of \$1,000.

Last year he was with the world champion team in Chicago, the Kathryns. He was teamed with Ned Day, Buddy Bomar, Ed Kowalski, Joe Kristoff and Ed Brosius. His winnings last year were approximately \$7,000. He is now manager and part owner of Beardon's Bowlines in Fort Worth.

Rollie Kenny's mark of 735 for a league series has stood since 1929 in Fort Worth. In addition the local legler has bowled several 300 games.

RANGER FACES KILGORE ELEVEN MINUS SERVICES OF YARBROUGH

By Marvin Gross

Minus Head Coach Boone Yarbrough, still convalescing at home 33 Rangers left by bus yesterday morning for their opening 1948 game with a potentially great Kilgore eleven.

For Yarbrough it meant the first ball game he has missed in 15 years of coaching. Line Coach G. B. Rush assumed the yeoman-like task of handling all the coaching duties.

The Rangers from Kilgore were ranked as favorites despite the loss of 23, 1947 lettermen. Coach Will Walls' squad has the size, the speed and the savvy to improve on the once-defeated record of last season. In tailback Bobby Dill, the Kilgore Rangers have a super-charged back who averaged better than six yards a crack.

The Kilgore outfit works from a single and double wing, disdaining the T. Their forte is power play although their aerial repertoire shapes up as a dangerous weapon.

"We'd have a big shiny feather in our caps if we took this one," said Yarbrough. "I still don't know exactly what I have but this ball game will show who's going to play for us this season."

In the signal calling spot for the Rangers is the veteran Junior Arterburn, a 160-pound passing man who can break up a ball game with a single heave. Junior smacked the Rangers to most of their 1947 successes.

At the left half spot, a first year man Claude Neeley from Strawn started the game. Neeley can step in high gear when he shakes loose but how he'll stand up under game pressure is a question. Lanky Jimmy Crawley holds forth at the other halfback spot and the slim 145-pound speedster should come in for a large share of offensive duty.

Yarbrough and Rush were undecided up until game time as to the fullback post. Either Leonard Boyd, 165-pounder from Graham or yearling Bailey Wood 185-pound home town boy will get the starting nod.

Rush started two medium-sized boys at the tackle spots. Bob Herrington at 190 and Wayne Royce from Graham started for the Rangers. While at center the reliable Johnny McClelland answered the starter's whistle.

Edwin Crum watch charm 155-

pound guard was the smallest man in the starting array teaming with Jack Townzen at the other guard position. The terminal spots were manned by pass grabber Howard Frazier who shapes up as one of the ace pass receivers in the district, and the experienced Ben Blitch who may possibly handle the punting chores.

Varying offensive and defensive alignments will be put to use by Rush in hopes of keeping the team fresh and rarin' to go. Backs like Bobbi Williams, Jud Jones and Dale Jones will probably see most of their duty when the Rangers are forced on the defense.

Then in the forward wall, Gene Knappenberger and big Charles Sullivan will play a major part in the defensive set-up. The loss of Mace Oylar 215-pound tackle robs the Rangers of needed defensive strength.

The Junior College boys hopped on a bus immediately following the game and will arrive in Ranger sometime this morning. Thursday evening the initial home game will be played against Texas Military College.

Area OIL News

EASTLAND COUNTY — Gorman Area

Following is a report on the activities the Gorman oil field for Friday, September 17:

Grace Lenczyk Picked For Title

PERBLE BEACH, Cal., Sept. 18 (UP)—Grace Lenczyk of Newington, Conn., and Helen Sigel of Philadelphia, two golfing

gals who slug the ball farther than nearly all the men stars, faced each other today in the 36-hole final round of the Women's National Amateur Golf Championships.

Miss Lenczyk, a husky junior at Stinson College, Deland, Fla., was favored over the tiny Miss Sigel, 28-year-old veteran.

TEXAS DIAMOND DOINGS

By United Press LONGHORN LEAGUE
The Vernon Dusters will be fighting on their home grounds to stay in the running with the Midland Indians, as play resumed in the final playoff series of the Longhorn League.

The Duster trail the Indians by two games, Midland sweeping the first two contests.

Three games are scheduled in Vernon and the teams then will return to Midland if more games are necessary in the best-of-seven series.

Kilgore jumped into a heavy lead in the second inning Friday night in the pay-off game with Henderson in semi-final play in the Lone Star League to win easily, 9 to 2, and take the series, 4 games to 3.

The big second inning uprising netted Kilgore 6 runs and Kilgore thereafter was never headed. Henderson picked up its two tallies with single scores in the eighth and ninth innings. Each team registered 10 hits for the game and Henderson contributed two errors. Kilgore, No. 1 team during the regular season, moves into the final bracket and will play Longview for the league title. Longview needed the finals by noosing out Tyler, 4 games to 3.

The linescore:

TEXAS LEAGUE

Playing in their own backyards, Houston and Shreveport emerged victorious Friday night in Texas League playoff contests, with Houston notching its first triumph and Shreveport squaring its series.

The Houston Buffs nosed out Tulsa, 7 to 6, routing four Oiler hurlers, to register in the victory column in the third game of the Houston-Tulsa series. Tulsa took the first two games, played in the Sooner city.

The Buffs exploded for four runs in the second inning and then added three more in the fifth frame to insure the victory. Tulsa was fighting to the end, scoring runs in the eighth and ninth frames, but couldn't tally enough to tie up the game. Pete Bryant, who entered the fray in the fourth inning, got credit for the triumph.

At Shreveport, the Sports rolled up a 7-to-1 decision over Fort Worth, squaring the series at two games each. Garth Mann gave up seven hits as he kept the Cats wild in check. The Sports grabbed two runs in the last of the first in-

ning and kept out in front the rest of the way. The five-run rally in the fourth frame nailed down the victory for the Sports.

BIG STATE LEAGUE

The battle for the Big State League championship moves to Wichita Falls Friday, with the Spuders two games behind the Sherman-Denton Twins in the best-of-seven series.

The Twins won the first two games of the series easily, with the Spuders being able to score only in one game, pushing over a lone tally in the second contest.

Three games are scheduled at Wichita Falls. If more are necessary, the scene will shift once again to Sherman.

WEST TEXAS - NEW MEXICO PLAYOFFS

Play resumed last night in the West Texas-New Mexico League final playoff, with Pampa battling at Amarillo to make it two in a row over the Gold Sox.

Pampa won the first tilt Thursday night. No game was scheduled Friday.

The teams will shift the playing site to Pampa today, with three games scheduled, if necessary. If any more games in the best-of-seven series are needed after that, they will be played at Amarillo.

North Tex. State Defeated, 14-6

OKLAHOMA CITY, Sept. 18 (UP)—The Eagles of North Texas State nursed a 14-6 defeat at the hands of Oklahoma City University here and said they would later see OCU fullback George Raines in action when he didn't have an ailing foot.

Raines led his team to victory in the second half of last night's game before a TAF stadium crowd of 7,000, after the Texans walked away with the first half. The Eagles kept OCU worried for the first 30 minutes, although their lone score didn't come until the final quarter.

But after the second half kickoff, Raines, still recovering from a foot operation, cut loose for a 58 yard dash to score the first touchdown of the evening. Tulsa, in the final quarter, with the chiefs leading, 7-6, Raines again took off with a punt return and sprinted 55 yards for the winning tally. Guard Frank Bruno wrapped things up by place-kicking both extra points.

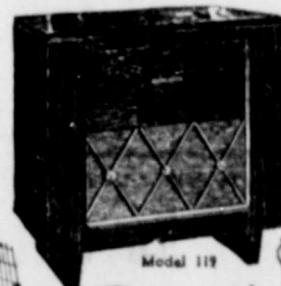

The game sent two Chief players to the hospital, putting end Everett Hare out for the season. Hare suffered a compound leg fracture while Dick Noble, OCU wingback, went out with a broken collarbone.

Coach Orville Tuttle reported today that Noble will miss play for at least six weeks.

Curse of Television

NEW YORK (UP)—Two Salvation Army Captains, Olive McKeown and Luella B. Larder, the "Angels of the Bowery," have started a campaign to raise money for a television set for the liquorless Bowery Red Shield Club. They explained that many men, determined not to drink, were lured in to bars by television.

Our Sympathies

We wish to extend our sincere regrets to Mr. & Mrs. C. O. Culpepper and their employees for the misfortune that befell them and their business last Monday night.

We recognize in the disastrous fire that swept the plant, a damaging force to them personally and to the whole town which had enjoyed the fine services of the Ranger Dry Cleaning Plant.

We hope to see them back in business very soon.

World's Richest Man Surrenders To Indian Army

HYDERABAD, Sept. 18 (UP)—The Indian Army today formally accepted the surrender of the world's richest man and his 17,000,000 subjects in the princely state of Hyderabad.

With little ceremony, Indian officers received the capitulation of the Nizam of Hyderabad, delivered through his son the Prince of Berar, to all the Indian demands which led to the five-day blitzkrieg which began last Monday.

Indian troops immediately occupied the princely state's principal military establishment, at Secunderabad, just across the river from Hyderabad City. The main body of the Indian First Armored Division, which spearheaded the drive into Hyderabad, had not reached Secunderabad as yet, because of mines planted by the Hyderabad troops before the Nizam ordered a cease-fire yesterday.

The Nizam's Army and his volunteer irregulars, the fierce *Isakars*, vanished so completely after the ruler gave up the fight that Indian officers were having trouble finding any Hyderabad officers who could guide them through the minefields.

Clark Tells Senator To Mind Own Business

WASHINGTON, Sept. 18 (UP)—Attorney General Tom Clark suggested bluntly today that Sen. Homer Ferguson, R. Mich., mind his own business and let the justice department handle all Communist and espionage cases.

In a sharply-worded reply to Ferguson's challenge that he prosecute all known Communists in and out of the government, the attorney general said: "I would appreciate it if you would quit trying to claim credit for the work of the Federal Bureau of Investigation and the Department of Justice, and keep your political activity out of the field of serious prosecution of offenses under federal statutes."

Ferguson, who is chairman of a special Senate investigating committee, said yesterday that the justice department has sufficient evidence in its files right now to proceed against Communists in six major cities. He named Washington, San Francisco, Los Angeles, Denver, Salt Lake City and Dallas.

Hinting broadly that his department is already preparing to seek indictments against Communists in some of the cities mentioned, Clark criticized Ferguson for disclosing "most confidential criminal matters."

"Your indefatigable desire for headlines in this regard," Clark told the Senator, "is very detrimental to the prosecution of important cases."

Other justice department officials said U. S. Attorneys are ready to go before federal grand juries in several cities, perhaps next week to seek indictments against a number of alleged communists once employed by the government. They will be charged, it was said, with concealing their Communist affiliations to remain on the government payroll.

T&P Financial Report Gets Judge's Vote

In the final ratings of an independent board of judges for the Financial World Annual Report Survey, the Texas and Pacific Railway Company was judged as having the best 1947 annual report of the southwestern rails industry. The bronze "Oscar of Industry" trophy will be presented J. B. Shores, Director of Public & Employee Relations, representing W. G. Vollmer, President of Texas and Pacific Railway Company at the Annual Awards Banquet in the Grand Ballroom of the Hotel Pennsylvania in New York on October 21, 1948.

Annual reports were submitted in this national survey, the eighth in the series and these were judged in one hundred industrial classifications for "Best of Industry" awards. In the "southwestern rails industry" category, Denver & Rio Grande Western (Denver Colo.) was runner-up for top honors while Southern Pacific (San Francisco, Calif) took third place.

The jury who made the final selections was under the chairmanship of Dr. Lewis Haney, professor of economics at New York University. He was assisted by Dr. Glenn Griswold, publisher of Publisher Relations News; Sylvia F. Porter, financial editor of the New York Post; Elmer Walsor, United Press financial editor; and Lester Tichy, industrial designer, who served as art director.

Weston Smith, vice president of Financial World and originator of the annual report survey, will present the "Oscar of Industry" trophies at the annual awards banquet, which will be attended by more than 1,000 business leaders from all over the country.

Galveston Jury Charges Fraud In Election

Galveston, Tex., Sept. 18 (UP)—The longest grand jury session in Galveston county history adjourned late yesterday, after returning 13 indictments charging irregularities in the July 24 Democratic primary voting. The session lasted 103 days.

Names and specific charges returned by grand jury were withheld by Judge J. G. Howard.

The investigation arose from the discovery that about 35 voters transferred from Precinct 13 to precinct 33 on the same day. Later, all who transferred voted absentee. The grand jury reported finding considerable evidence of election fraud.

No Bed of Roses

COLUMBUS, O. (UP)—A Cincinnati couple investigated the mattress used by their four-year-old daughter and discovered it was stuffed with milk bottle caps, chewing gum wrappers, nuts, bolt, match boxes, nails, empty cigarette packages and orange peelings. The manufacturer, called to account, told Gov. Thomas J. Herbert that the mattress had been made by disgruntled employees.
