UN Tables Palestine Problem For One Week

Fighting Flares Again In Syria

TEL AVIV, Oct. 23, (UP) — Both Arab and Jewish reports said today that severe fighting has broken out in the Syrian border area of Northern Palestine. Syrian troops and Arab irregulars under Fawzi El-Kaukji are battling against Israeli troops in the Mansara area, these reports said. Jewish sources said their field reports admitted the Syrians had captured the heights of Sheik Abbad and were pressing the attack with considerable force. The Jews blamed the attack on the Syrians. Arab reports from Beirut said Israeli troops started the attack by directing mortar fire on Syrian positions. Syria has protested the attack to the United Nations, the Beirut dispatches said. Israeli officials said they had protested to United Nations truce headquarters in Haifa.

Israeli officials said the fighting was a "grave aggressive action which may lead to a general flareup in the whole region." Haifa truce headquarters reported that small-scale fighting continued in a number of sectors in the Negev region of Southern Palestine after the deadline of 3 P. M. (7 A. M. EST) Friday. Officials said their reports were based on brief messages from observers in the field in the Negev. They said they had no details on developments since early last night.

Dallas Man Held On Food Charge

DALLAS, Tex., Oct. 23, (UP) — Frank Powell faced charges of selling sulphite-treated meat to Dallas individuals. The district attorney's office filed the charges yesterday, bringing to 19 the number of cases filed in the last three days. The six charges allege that Powell, doing business as the Bunting Market, sold the sulphite-treated meat on Oct. 5, 8 and 9. Powell was the fifth Dallas dealer charged since the investigation of "treated" meat sales began more than two weeks ago. Two Dallas dealers already have paid fines of \$100 after pleas of guilty on similar charges heard by Judge Joe Brown in county criminal court.

Former Resident Dies Friday

Word was received Saturday of the death in Weatherford of I. B. Marquis, formerly of Ranger. Funeral services will be conducted Sunday afternoon at 2:30 o'clock in Weatherford and Ranger Masons will participate. Mr. Marquis was a 33rd degree Mason. Friends recalled Saturday that the deceased had been in business in Ranger during oil boom days and was a member of the Masonic Lodge here.

JURY INVESTIGATING HOUSE INVESTIGATOR

WASHINGTON, Oct. 23 (UP) —Justice Department officials said today it is "a toss-up" whether a federal grand jury now investigating Rep. J. Parnell Thomas, R., N. J., will act before election day. The grand jury began an inquiry here late yesterday into charges that the chairman of the House Un-American Activities Committee received "kickbacks" from employes of his congressional office. There was no indication just when the jury would take action. Justice department officials said the inquiry would be "comparatively long," at least a week or 10 days. One said that it is "a question" whether all the evidence can be placed before the jury by the end of next week. "That depends, to a great extent, on the attitude of the jury," he said. Thomas is up for re-election to a seventh consecutive term in the House on Nov. 2. Even Democratic foes concede that the 53-year-old congressman probably will win.

SENEGALESE TROOPS IMPORTED TO BATTLE FRENCH STRICKERS

PARIS, Oct. 23, (UP) —Tough Senegalese infantry from Morocco were rushed into the coal fields of central France today to reinforce 7,000 French troops who have been alerted to drive thousands of barricaded miners from coal pits in the St. Etienne area.

The French government declared a virtual state of siege and issued orders to the troops to shoot if necessary in their battles with the strikers. Communist officials of the coal miners union were reported handling out rifles, pistols and hand grenades to the miners. Heavy fighting was feared in the key Curist pit in the heart of St. Etienne, where 3,000 miners were waiting behind barricades topped by tubs of gasoline. The miners have threatened to ignite the gasoline and spill it on attacking troops.

The Moroccans won their first objective without a fight. Strikers fear colonial troops because they do not hesitate to shoot to kill when ordered.

Miners besieging about 100 security guards in the Alouette mine at Monceau-Les-Mines, 90 miles north of St. Etienne, withdrew and permitted the guards to march out when the Moroccans appeared.

Heavy fighting was predicted by both government and Communist leaders as the 20-day-old strike, in which at least seven persons have died, headed for a showdown.

The French government issued emergency orders last night, placing France in a virtual state of siege. The orders authorized troops to shoot, recalled reservists.

Bombers Being Converted Into Fuel Tankers

FORT WORTH, Tex., Oct. 23, (UP) — Conversion of B-36 bombers into "flying fuel tankers" is well under way here at Consolidated-Vultee Aircraft Corp. according to a Washington announcement.

The big bombers which just about cover a football field, will have a gasoline capacity of two tank cars each.

The announcement said the air force will be supplied with 20 of the "air tankers" and that many more will be supplied in the near future. The planes will use a refueling technique developed by the British and perfected by U. S. Air Force engineers. The refueling technique will enable the United States to deliver the atom bomb anywhere in the world without recourse to outside missions.

A bomber in need of fuel picks up a line from one of the tank planes. Then, while the two craft fly within 100 feet of each other, gasoline is transferred at the rate of 100 gallons a minute.

W. B. Johnson Drilling Company of Longview brought in two of the new producers: No. 2 G. R. Sanders which gauged 198 barrels of 40 gravity oil in 24 hours through 12-64th choke and the No. 1 Cooper Inc., 160 barrels through 16-64th.

Even higher flow was recorded by the No. 1 Galloway of J. C. Man Jr. and E. P. Griffin of Wichita Falls, which made 250 barrels through 34th choke.

Directors Meet To Be Wednesday

A meeting of the directors of the Retail Merchants Association will be held Wednesday morning at 10 o'clock at the secretary's office. All directors are urged to make their plans to attend.

VFW To Meet Mon.

The regular meeting of the Ralph McKinley Post of the Veterans of Foreign Wars will be held Monday night at 8 o'clock at the VFW headquarters.

Plans will be discussed for accepting an invitation to be the guests of the Breckenridge Post on November 4. The district commander, Garland Coody, has extended the Breckenridge invitation.

Franz Lehar III

VIENNA, Oct. 23 (UP) —Franz Lehar, composer of "The Merry Widow," was in a coma today and had "hardly a chance at all" to survive his doctor said. He has been ill for some time and his condition recently was aggravated by a pneumonia attack.

New Mexico is the "cradle of Christianity" in the United States. The earliest Franciscan monks visited New Mexico with Coronado in 1540, or 50 years before the landing of the Pilgrims.

Legal Control Committee For Sale Of Beer

The following statement has been issued by the Legal Control Committee of Eastland County, relative to the coming beer election.

The Legal Control Committee was formed in the belief that the legalization of the sale of beer in Eastland County would be beneficial to the business and civic life of the county.

We feel that the time has come to outlaw the bootlegger in Eastland County and restore the sale of beer to tax-paying, law-abiding citizens of the county.

We know that business is being lost to our county because legal beer is obtainable in nearby towns. The sale of beer in neighboring towns not only takes money from the county business men but from the tax funds of the county towns and schools.

Since beer was voted out of Eastland County, the state of Texas has passed a new liquor Control Act. It is much stricter in its provisions regarding those who may secure a license to sell beer, hours of sale and in general many more restrictions are placed around the sale of beer.

It is our hope that the voters of the county will go to the polls on November 2 and vote out the bootlegger and place the sale of beer on a legal basis so that our business men and our public tax funds may benefit.

Four Indicted In Gangster Death

PEORIA, Oct. 23, (UP) — A county grand jury today indicted four men who sought to show that county officials were guilty of corruption in a case involving the death of the notorious gangster, Bernie Shelton.

The grand jury's action was directly opposite from the conduct of a previous grand jury which indicated Prosecutor Roy W. Hull, Sheriff Karl Spahn and Charles Somolgyi, Hull's special investigator on charges of malfeasance.

The indictments today were returned against Earl Shelton, brother of the slain gangster; Ray Walker and Jacob Ashby, Shelton associates; and Theodore C. Link, reporter for the St. Louis Post-Dispatch.

COUNCIL TO TAKE UP DISCUSSION ON DISARMAMENT & GREEK PROBLEMS

Union Warned To Oust Communists

WASHINGTON, Oct. 23 (UP) — The Atomic Energy Commission today issued a virtual ultimatum to the United Electrical Workers Union (UEA) to get rid of any Communist officials or lose its bargaining rights in atomic plants operated by General Electric Co.

Chairman David E. Lillenthal of the Atomic Energy Commission warned that union that the commission intended to act "promptly" if the union did not comply with provisions of the Taft-Hartley Labor Act and file non-Communist affidavits.

Lillenthal's position was made in a letter to Albert J. Fitzgerald, union president. Lillenthal said he had received no reply as yet to his letter of Oct. 6 to Fitzgerald which said that union leaders must purge themselves of Communist affiliations if the union is to be permitted to work in General Electric atomic plants.

At the time, Lillenthal asked for reply by return mail of the union officers' intentions. Today, he said, the delay in answering would indicate the officers of the electrical union would not take up the commission's request.

"The commission wishes to emphasize that it intends to move promptly on this matter," Lillenthal said in the letter to Fitzgerald.

Oak Ridge Opens Gates To Public

OAK RIDGE, Tenn., Oct. 23, (UP) — For the first time in history, the atomic city of Oak Ridge lifted the guard on its gates today and invited the public to come in and learn its secrets — some of them, anyway.

Science put on midwa dress in an atomic show called man and the atom. The doors were thrown open at 2 p. m. for an eight-day period in which no passes are required.

Officials watched the experiment closely. It will furnish a preview of any problems that may arise when plans to throw open the town site permanently are carried out Jan. 1.

Wildcat Wells In Comanche County Starts Activities

A stir of activity should be set off by a wildcat discovery in Comanche County.

The well gauged 40 barrels of 28 gravity oil in 24 hours through 12-64th choke in the W-160-F-1 well with 900 pounds on the casing and 50 pounds on the tubing from 77 perforations at 2787 to 2818.

Haynes B. Ownby Drilling Company of Dallas owns the well, which is five miles north of DeLeon, on the W. F. Platt, in the H. & T. C. survey.

Fred Brown Resigns Job At Eastland Bank

Fred Brown, vice-president of the Eastland National Bank for the past five years, has announced his resignation from that position in order to devote all of his time to personal business matters.

Mr. and Mrs. Brown will continue to reside in Eastland. For the present, he will be active in oil matters and has other plans to be placed in effect soon after Jan. 1.

Walter Murray of Mineral Wells and Eastland, publisher of several newspapers, is president of the bank and will devote a considerable part of his time to active duties in connection with the bank.

Prior to coming to Eastland, Brown was in Mineral Wells as assistant manager of the Baker Hotel. During his connection with the bank, the capital investment of the institution has increased from \$50,000 to \$150,000. Deposits which were just over a million dollars are now close to \$3,000,000.

Porter Charges Johnson Supports Henry Wallace

NACOGDOCHES, Tex., Oct. 24, (UP) — Jack Porter of Houston Republican candidate for the U. S. Senate, said last night that "Sam Houston would turn over in his grave if he knew there were people in Texas who would not fight for retention of our tidelands and our state rights."

Porter asserted that seven years ago Lyndon B. Johnson, his Democratic rival for the senate post declared that his (Johnson's) views were the same as those of Henry A. Wallace. Four years ago, Porter said, Johnson supported Wallace for the vice-presidential nomination.

The Houston oilman urged Democrats to split the ticket and vote for him. "Let's put an end to the Republicans ignoring Texas and the Democrats taking us for granted," he said.

DIES WANTS QUERY INTO CAMPAIGN EXPENDITURES

By O. B. Lloyd, Jr. United Press Staff Correspondent AUSTIN, TEX., Oct. 23 (UP) — Former Cong. Martin Dies who has done a little investigating himself in his day called today for a U. S. Senate investigation of the campaign expenditures of both Lyndon Johnson and Coke Stevenson.

Earlier this week, a Senate investigator accused former Gov. Robert S. Kerr of Oklahoma of spending at least \$59,300 more than the state legal limit in his Oklahoma primary campaign for the Democratic senatorial nomination.

A Senate investigator, who probed the situation in Oklahoma, is now in Texas looking into Stevenson's oft-repeated allegations of fraud in connection with the Democratic primary vote in this state.

However, Dies charged that "any investigation in Texas would be a farce if the matter of expenditures is omitted."

"I think it is very important," he said, "that the investiga-

tor) go into the matter of expenditures."

"The least despicable part of the whole campaign," he said, "was the border vote. That's been going on for years. The big thing is that the corrupt practices act was violated even after I went on the air (to say that he would spend more than \$10,000 if he became a senatorial candidate).

"If they (the Senate committee) are going into it at all, they ought to go into it with a full dress investigation, and take the lid off once and for all."

"It will rock the state," he said. Under the state election laws, a senatorial candidate is limited to a total expenditure of \$10,000, four-fifths of that sum being set as the limit for the first primary and the remainder for the run-off. Both Stevenson and Johnson filed statements declaring that their expenditures, to the best of their knowledge, were under the \$10,000 limit.

BY R. H. SHACKFORD United Press Staff Correspondent PARIS, Oct. 23, (UP) — The United Nations political committee voted today to postpone debate on Palestine for one week in favor of disarmament debate and the Greek problem.

The postponement of Palestine debate, the second approved this week, was made on an Iranian motion that was approved 19 to 16, with 14 abstentions.

The vote to delay was a surprise reversal, coming shortly after the committee agreed without objection to take up Palestine. However, delegates bogged down immediately on a procedural argument over admission of representatives of the Arab higher committee as observers.

After an hour's discussion, Iran's Nassrollah Entezam proposed postponing the entire Palestine question for a week, to Oct. 30, to study the Arab higher committee's application.

The United States voted for adjournment. France and Russia voted against it. Britain abstained.

Poland's Julius Katz-Suchy immediately voiced previous Soviet bloc charges that adjournment of the Palestine question was maneuvered by the United States to put off debate until after the American election on Nov. 2.

Iran's reason for adjournment was a "flimsy pretext," he charged.

"The real reason is a political maneuver to postpone a solution of the Palestine problem until after presidential elections are held in one certain country," he said. "My country considers it very unfortunate that the United Nations should be persuaded by such political maneuvers."

Chairman Paul-Henri Spaak of Belgium prevented another debate on this issue by refusing to recognize other speakers. He announced that the committee would proceed Monday with consideration of disarmament and then with the Greek problem, and then adjourned the meeting.

Another procedural tussle was expected on the Greek problem. During the morning session, Yugoslavia introduced a resolution asking the committee to admit as an observer a representative of Gen. Markos Vafiadis' "provisional Greek democratic government."

The resolution said it was necessary to hear both sides in the Greek dispute because "it is necessary to make all efforts to help the Greek people establish peace in their country and thereby contribute to strengthening peace in the world."

Australia's J.D.L. Hood also developed adjournment of the Palestine debate.

"It is most unwise on the part of this committee to be led astray at this point by the kind of an issue which certain delegations have pretended to raise this morning," he said.

He added that if the committee proceeded in such a way "with such a lack of sense," it would correctly reserve the censure of world opinion he predicted the committee would get.

Hopes for peace in the East-West cold war, meanwhile, were considered the brightest since the United Nations assembly convened five weeks ago.

Observers warned however that no agreement has been made yet to settle the Berlin crisis, despite the small-nations compromise resolution which the West has accepted and Russia reportedly is considering seriously.

Truman Stumps Mine Regions

By JOSEPH NOLAN
United Press Staff Correspondent
In a forthright challenge to John L. Lewis, President Truman stumped the coal mining regions of Pennsylvania today appealing for the election of a democratic administration pledged to the protection of labor's rights.

In Scranton, the president paid tribute to John Mitchell, first president of Lewis' United Mine Workers, as a "great labor statesman" and pioneer in the development of collective bargaining.

Mr. Truman made no mention of Lewis who recently urged the miners to vote against him on the ground that he is "unfit" for the White House.

While the President staged his one-day campaign swing through Pennsylvania, Gov. Thomas E. Dewey was nursing a head cold in Albany, N. Y., and working on speeches for his own windup tour which starts Monday night.

In Wilkes-Barre, Mr. Truman appealed for the support of foreign-born citizens on his record on the admission of European displaced persons. He recalled his original proposal that refugees be admitted to this country "without any discrimination." But he said the Republican Congress passed a bill which "excludes all displaced persons who belong to the Jewish faith, and... an unfair proportion of those belonging to the Catholic faith."

AUSTIN, TEX., Oct. 23 (UP)—Coke Stevenson, scheduling his second statewide broadcast in support of Jack Porter, G. O. P. senatorial nominee, announced today he will detail in a speech Monday night why he contends that Lyndon Johnson is not the legal senatorial nominee of the Democratic party.

The 15-minute talk will be broadcast over 23 stations beginning at 6:15 P. M., and carried again at 6:45 P. M. over KRBC, Abilene, and at 7:45 P. M. over KNOW, Austin.

Man Burns To Death In Barn

LEAVENWORTH, Kan., Oct. 23. (UP)—Everett Francis Dewey was burned to death early today in his motorcar, parked in a barn at a place one-half mile north of Victory Junction.

The home near the barn was occupied by John W. Wilhoit. He works nights and was not at home at the time. His wife, Mrs. Agnes Wilhoit, said she saw fire in the barn about 3 a. m. The barn was destroyed.

Goens was reported to have been seen at a cafe at Victory Junction about an hour earlier.

Goens lived on Route 1, Basehor, Kan. He was survived by his wife and two children.

30-Year Dream Of Reunion Ended

GREEN BAY, Wis., Oct. 23, (UP) — Mike Kornish's 30-year dream of being with his wife was ended today.

Five years after Kornish came from Yugoslavia in 1913, his wife followed him. But her ship was guaranteed, and she was forced to return.

Escaped Forger Sought By Police

(UP) — Prison authorities today reported the escape of a prisoner from the repressive farm in Brazoria county.

The man was identified as W. B. Jones, 39, serving a five-year sentence for forgery from Harris Galveston and Brazoria Counties. Guards missed him when they made a routine check at 6 a. m.

Dim Your Lights—Save A Life

Only Yearn For More Cigarettes

ENCINAL, Tex., Oct. 23 (UP) — A shortage of cigarettes was the chief complaint today of seven men and a boy who spent a week lost in the brush country 26 miles southeast of here.

The party was rescued yesterday. They were lost last Saturday on a hunting trip.

The lost men were Cayetano Lozano and his son, Humberto, Jacob Lee Wilburn, Manuel Torres, Benny Villarreal, and Sandoval, all of San Antonio, and Arturo Siller of Peasall.

The party was trapped in the brush by mud and heavy rain. Another man, George Ortiz, made his way out 26 miles to the nearest highway to report the location and get the rescue operation started.

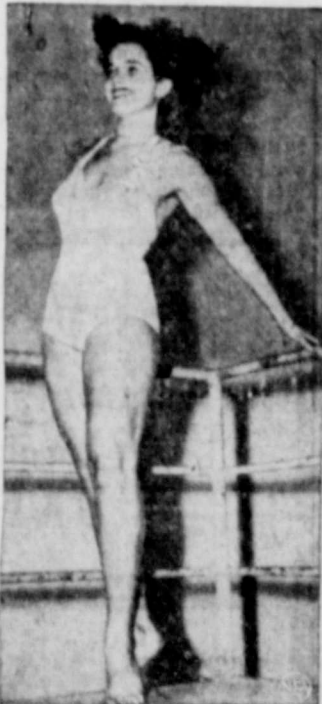

To Seek Trial Of Forger At El Paso

SIOUX FALLS, S. D., Oct. 23, (UP) — Federal authorities said today they will ask for a trial at El Paso, Tex., of Ray Van Kleeer, 25, Tulsa, Okla., wanted on bad check charges in 12 states.

Van Kleeer was arrested at Pierre, S. D., Oct. 13. U. S. Attorney Leo P. Flynn said he would ask that he be transferred to El Paso to face charges of passing a \$1,500 bogus check there. The request will be made Monday or Tuesday, Flynn said.

During the next five years \$50,000,000 will be spent on new construction in the medical center district of Chicago. Hospitals and laboratories already in the 300-acre tract are valued at \$100.

Imagine This

Judges of Italian beauty contests must have imagination. They picked Fulvia Franco Miss Italy of 1948, even though she was wearing a long skirt. To satisfy general curiosity, she reveals that the judges' imagination was pretty good.

Our X-RAY Shoe Fitting Service Reveals the Cause of Foot Troubles
 If you've never had "foot trouble" in your life, you should be thankful . . . and careful! Remember, it takes only one pair of mislabeled shoes to start serious foot ailments that may bother you for years. Why take chances, when our X-Ray Fitting Service makes certain that the shoes you buy fit properly?
 If you already suffer discomfort or pain from foot troubles, a Free X-Ray Foot Examination may reveal the cause. Chances are we can put your feet back on the path to foot health with the right size and style of shoe . . . or suggest other corrective measures. This service costs you nothing, yet may save you or some member of your family from years of needless suffering.

District Rebekah Meeting Is Held

The Oil Belt District I.O.O.F. Rebekah Association met in Stephenville Thursday evening for the regular semi-annual meeting.

President Earnest Belcher called the meeting to order after which supper was served in the lodge dining room. A program followed the supper.

The program was opened with a prayer and song and the presentation of the flag. Tribute to the flag was paid by the Cisco Lodge and the welcome address was given by Mrs. Burnett of Stephenville. A. H. Blackwell of Ranger responded to the welcome.

A men's quartet from Stephenville sang and the Gorman Ladies directed a floor drill. The Dublin Rebekahs furnished a vocal number and piano numbers were given by Weldon Cloninger of Stephenville.

The Ranger lodge presented a play "The Farmer Comes To Town" and a memorial service was directed by the Breckenridge degree staff.

Masquers Start Year's Activities

In the business session a roll call showed that all officers were present and the minutes were read. All committees gave reports which were accepted.

New officers elected and installed were president W. T. Burnett of Dublin; vice-president, Velma Bennett of Gorman; second vice-president, Mrs. Moore of Cisco; secretary, Mrs. Barnett of Dublin; treasurer, Mrs. Gregory of Dublin.

The next meeting will be held at Dublin in April. Lodges represented Thursday at Stephenville were, Gorman, Breckenridge, Dublin, Cisco, Ranger and Stephenville.

Nine past presidents of the association were present. Those from Ranger attending were Misses Carla Daniels, Jessie King, Irene Sides, Eula Blackwell Ruby Greer, Laura Melton, Anna Mae Robinson, Clara Ivy, Virgie Williams, Lena McDonough Bertie Shipman, and Messes. A. A. Daniels, A. H. Blackwell, C. E. Bell, John Ivy, J. A. Robinson, J. F. Mitchell and A. H. Williams.

Researchers trying to list all the uses of wood once reached the total of 4,500, without even approaching a full classification.

Masquers Start Year's Activities

The Masquers, dramatic club of Ranger Junior College, held its first meeting Thursday, Oct. 21, at 11:30 and elected Jack Townsend president.

Applications for new members were received, and the following are neophytes: Joyce Cole, Nita Hill, Mary Helene Kirkpatrick, Kenneth Mayhall, Wanda McClellan, Georgeanne Rogers, Gloria Rogers, Wanda Rose, Bill Townsend, Bo Deaton, Joann Deaton, Wanda Bailey. The neophytes will prove their dramatic ability and be elected to full membership on Monday evening, Oct. 25, in the auditorium of the Administration Building of Ranger Junior College.

The president of the club is always elected from the old members, and the other officers are selected from the entire membership of the club after the initiation of the neophytes. The following are old members: Leonard Boyd, Jimmy Crasley, Loretta Culpepper, Beth Garrison, Jimmy McClelland, Charles Sullivan, Jack Townsend, Sara Whitley, Mrs. Hal Hunter is sponsor of the club.

O. E. S. To Meet Monday Night

A stated meeting of the Ranger Chapter of the Order of the Eastern Star will be held Monday night at 7:30 o'clock at the Masonic Hall.

All members are urged to attend and visitors are welcome.

Julia Alexander Grove To Meet

Members of the Julia Alexander Grove No. 1954 will meet at the I.O.O.F. hall Wednesday for a covered dish luncheon.

The afternoon will be spent studying the ritual and all members and officers are urged to attend.

1947 Club To Meet

The regular meeting of the 1947 Club will be held Tuesday night at 7:30 o'clock at the Community Clubhouse and all members are urged to attend.

Personals

Mrs. J. N. Nussle and daughter, Dede, and Miss Adell Bourke have gone to Rochester, Minnesota where Mrs. Nussle will go through the Mayo Clinic.

Marvin Gross, Ray Ward, Onis Warden and Sam Aills were in Fort Worth Saturday night to attend the T.C.U.-Oklahoma game.

CHRISTIAN SCIENCE SERVICES

"Probation After Death" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientific, on Sunday, October 24.

The Golden Text is: "If any man be in Christ, he is a new creature: old things are passed away; behold all things are become new" (II Corinthians 5:17).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And be not conformed to this world, but be ye transformed by the renewing of your mind, that ye may approve what is that good and acceptable, and perfect, will of God" (Romans 12:2).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "But he, who is begotten of the Beliefs of the flesh and serves them, can never reach in this world the divine heights of our Lord" (page 325).

CARD OF THANKS

We wish to express our deep appreciation to those who were so thoughtful of us on the return of the remains of our loved one, Staff Sgt. George L. (Dale) McCleskey, to this country for reburial. The kindness shown us and the beautiful floral tributes were comforting to us and shall remain with us as treasured memories.

Ranger Hi Girls Lose To Morton

The Morton Valley High School girls basketball team more than doubled the score of the Ranger High Girls Thursday night at the Recreation Building. Morton Valley won 32-15.

Miss Hazard of Morton Valley was high scorer for both teams with six field goals and five conversions for 17 points. Miss Hathcock took second honors with 14 points while Evelyn Hargraves was high for the losers with six points.

Morton Valley Junior High followed their varsity with a 16-7 victory over the Ranger Junior High girls. Miss Langletts and

Miss Brown shared scoring honors with eight points each. Leona Box took care of all the scoring for the losers.

In the opening game of the night B team 1 lost to B team 2, 26-10. Helen Squyres chipped in with 10 points to lead the winners while Jane Anne McMinilian scored all 10 points for B team 1.

BULLDOGS STAGE MIRACLE COMEBACK TO SQUEEZE PAST INDIANS, 26-25

BY MARVIN GROSS

The Bulldogs tore a page from the most fantastic Hollywood scenario last night, staging a frenzied last half drive to wipe out a 25-0 Comanche lead and pull a hopelessly lost game into the win column 26-25.

A nightmarish first half saw the underdog Comanche Indians start out with a rush that knocked the Bulldogs stumbling and reeling deep into their own territory. And the Redskins boomeranged every Bulldog miscue into a score and there were plenty of miscues.

The Ranger bench flashed looks of concern when the Indians pushed the first score across, then despair at the second score and when the count rose to 25 it was the dismal end of a promising season.

But although 95% of the Ranger fans gave up the ghost not one of the Bulldogs was ready to hand over their scalp to the rampaging Indians.

They trotted out from the intermission with an impossible job to do—and they did it. It was Raymond Comacho

who ignited the victory flame with a 40 yard kick-off return. From there on out no high school team could stop the Bulldogs and only the clock was a possible obstacle to victory.

It was a night when the entire team wore the hero's mantle. Little Buddy Hamrick took over for the ailing R. C. Smith, handling the reins like a three year veteran. And Captain Keith Munnerlyn playing the inspirational leader like a blue ribbon champion scored the winning seven points with the fire of a madman.

The first hints of disaster threatened the Bulldogs when early in the first period Bobby Jones punted dead on the one yard line. After Comacho's kick out it was Comanche's ball on the Bulldog's 30. From a spread formation the Indians move to the 10 where Jones faded and hit Kerley in the end zone for the first touchdown.

A fired-up Comanche line stopped the Bulldog's answering thrust and when Jimmy Comacho bobbed one the Tribe was deep in touchdown land again on the 12. On the first play of the second quarter Jones bullseyed to Kenneth Hicks for another Comanche success.

The hungry Indians struck again two minutes later when Dudley pounced on Raymond Comacho's blocked kick on the Bulldog 11. Momentarily losing the ball the Indians used two more Jones' heaves to score—the payoff pitch going to Hicks. For the third time Vinyard fluffed the conversion.

Then the Bulldogs tried their hand at the aerial route but it was a mistake. Jones stole Hamrick's toss at midfield and scooted back to the five. Charley Roberston, a bruising runner all night plowed over and this time Vinyard converted making it 25-0.

Then quietly the Bulldogs changed from fumbling boys to determined men. Comacho took the second half kick-off, almost slipped free down the sidelines and was hauled down on the 35. Raymond and Jimmy tore through the surprised Comanche line to the 15. Hamrick and Kenneth Williams kept up the assault with a first on the five. Here Raymond took a pitchout, swept left end for the first step in the uphill climb. Alton Stiles missed the conversion leaving the Bulldogs down 25-0. After a Comanche punt the Bulldogs took over on their own 26.

Two power thrust moved to the 39. Then Hamrick faded and faded, tossed long and true to Jimmy Lee on the 35 who stole the ball from the Comanche defender. Jimmy unwound those long legs, flicked off a tackler on the 15 and the Bulldogs were back in the game. Stiles attempt was blocked leaving the score 25-12.

Two minutes gone in the final period E. P. Robertson made the first of his two interception giving the Bulldogs possession on their own 33. After a first down on the 48 Raymond Comacho hit the middle slot, gave the heave-to three worried Braves and dashed 38 yards to the 10. A holding penalty almost chilled the bid but Hamrick warmed it over when he cooled down from the 12 and threw to Munnerlyn who snagged it with his back to the playing field. Little Jimmy Comacho eked out the important conversion leaving the Bulldogs six points down with six minutes to play.

After the ensuing kick-off the disorganized Indians couldn't move and punted out to the Bulldogs 39. Here the younger Comacho picked the spot to engineer his longest dash of the year. Taking Buddy Hamrick's hand-off Jimmy ran up through tackle, stumbled loose at the center stripe and was off. A desperation lunge floored him on the 11 as the Bulldog rosters suddenly found their collective hearts beating in their throats.

Despite a damaging rule infraction Raymond and Williams plunged to the four. Then came the clincher. Jimmy Comacho burst through tackle was hit on the two and the ball squirted loose over the goal line. After agonizing seconds a black-striped arm went into the air as on the bottom of the pile Keith Munnerlyn had fixed a death grip on the ball. Hamrick called the redoubtable captain into the backfield for the extra point try and Keith dragged the entire wigwam over for the winning plunge.

A flurry of flickering Indian passes never came close. And the miracle Bulldogs were down knocking for another score when finally the referee saved a few heart attacks by calling it quits.

Helicopter Crash Victim Identified

EGLIN FIELD Fla., Oct. 23, (UP)—The Air Force today identified an officer who was killed in a helicopter crash in the Gulf of Mexico yesterday but withheld identification of another officer who was injured.

The dead officer was 1st Lt. William M. Major, 32, of Kansas City, Mo., killed when his H-5 helicopter crashed into the Gulf near Destin, Fla.

The helicopter was on a routine test flight mission, the public information officer here said. W. J. Johns of Seattle, Wash., saw the plane fall a short distance offshore as he rode along the Gulf coast scenic highway. He waded out and helped pull the injured officer from the wrecked craft.

Name of the injured officer was withheld pending notification of next of kin.

Boudreau Honored At Illinois Game

CHAMPAIGN, Ill., Oct. 23 (UP)—Lou Boudreau, manager of the world champion Cleveland Indians, will be an honored guest today as his alma mater, the University of Illinois, faces Purdue on the gridiron.

Boudreau who starred in baseball and basketball while in college received a hero's welcome when he returned to the campus yesterday. More than 5,000 fans greeted him at the station and

Women's Tennis Finals Played

MEXICO CITY, Oct. 23 (UP)—Top-seeded Dorothy Head of Alameda, Calif., met fourth-seeded Mrs. Sheila Summers of South Africa today in the women's finals of the Pan-American tennis tournament.

Mrs. Summers disposed of Helen Pastall of Los Angeles, 3-6, 6-4, 6-4, while Miss Head, who has yet to lose a set in this tournament, eliminated Nancy Chaffee of Ventura, Calif., 6-1, 6-3 in yesterday's semi-finals.

However the top action took place in the men's singles semi-finals where Eric Sturges, the former South African pilot, dumped Richard (Pancho) Gonzales of Los Angeles, 11-9, 6-0, 6-4, while defending champion Jaroslav Drobny of Czechoslovakia won a three hour and 10 minute marathon from Frankie Parker, 8-10, 2-6, 11-9, 6-3, 6-4.

crushing it administered to heretofore unbeaten, untied Houston Reagan last night.

But Reagan's was not the only head to fall in a night of bruising football which saw most districts swing into high gear in title play.

An underdog Breckenridge eleven outplayed the Stephenville Yellow Jackets all the way in a District 7-AA battle to win 20-0 at Stephenville. A barrage of aerials by an unheralded passer, Wilson Thompson, was the factor which dropped Stephenville from the ranks of the unbeaten.

Greenville came through with a mild upset by nipping Waxahachie, 7-6, in 9-AA. However, the victory was heavily shaded in surprise value by what was regarded generally as "the" upset of the night—San Antonio Height's 21-0 blanking of the Brackenridge Eagle, the 1947 class AA state champions.

Olden Hornets Win Over Moran

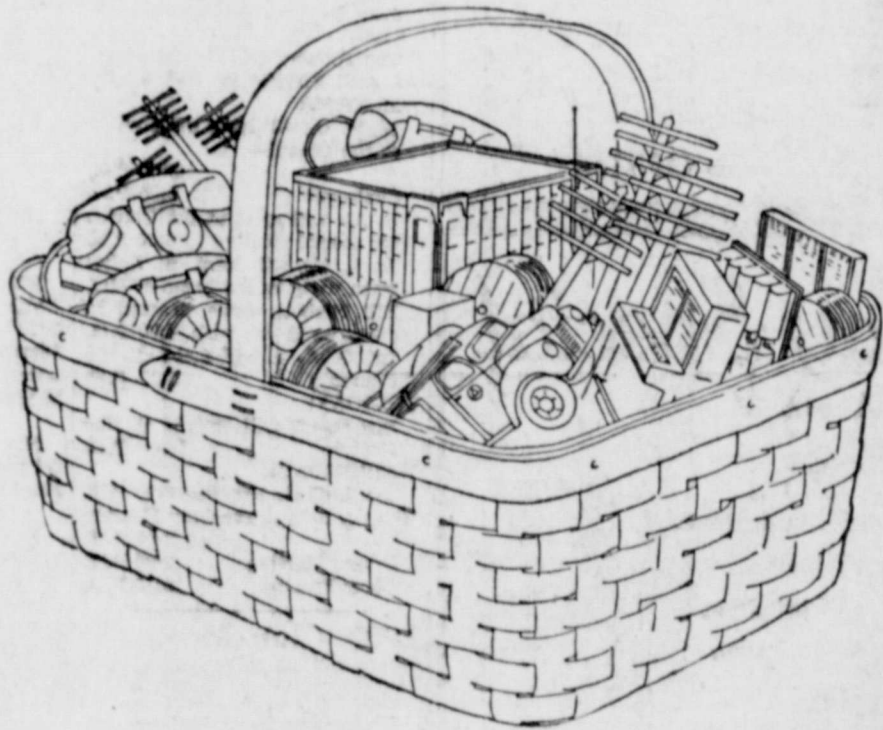

Olden defeated Moran at Moran last night by a score of 6 to 0. This was the fifth game Olden has played this season. In four of them they have been the winner.

Inside the ten yard line the first time and with one down, Olden was called back because the official made a mistake and blew the whistle when the player who did not have the ball, was tackled. Renfro carried the ball over when it was called back.

The game was a defensive battle with both teams losing often on fumbles and bad breaks. Moran was never closer than the 45 yard line. Olden's lone tally was on a pass from Edwards to Holt. The Hornets will meet Abilene "B" team on November 13. The best performances of the game with Moran were turned in by passer for Olden, Tommie Edwards.

The telephone company's cost of living in Ranger has gone up, too!

When the telephone company goes to market today, it finds just as you do, that the cost of living has gone up.

While you buy food, clothing and fuel, the telephone company fills its market-basket with poles, trucks, cables and copper wire. Here is what has happened to the cost of these items since 1940:

A telephone pole that cost \$6.30 in 1940 now costs us \$18.11!

Trucks are up 80 per cent!

Copper is up 105 per cent!

In addition, the payroll in Ranger—more than half the cost of furnishing telephone service here—is almost five times as high as it was in 1941.

Yes, telephone revenues are up, too, for there are more telephones in use in Ranger today than ever before.

But expenses have risen faster than revenues, and the telephone company is operating the Ranger exchange at a loss. We are not collecting enough money for telephone service in Ranger to pay the actual cost of furnishing the service.

To put earnings on a sound basis, an adjustment in telephone rates, established 26 years ago, is necessary if we are to continue to enlarge the telephone system to furnish more and better telephone service to the people of Ranger.
