U.S. - Russian Peace Talks Labeled Propaganda

Well...
I Dunno,
But...

Aside from being treated to a satisfying defeat handy Eastland Thursday at the Ranger-Eastland football game, fans witnessed performances of two of the nation's best bands hereabouts.

We thought the Eastland combination of the U.S.A. and the Christian cross, formed while the Star Spangled Banner and Onward Christian Soldiers were played, was one of the most appropriate stunts we've ever seen. They deserved and got a big hand. The Ranger band staged a very impressive stunt, in fact, about the best. We liked it very much. Guess Nell Anderson is a pretty girl. We couldn't tell though, 'cause Keith didn't give us a chance to see her face.

Just like a bride, the Community Clubhouse will get a china shower next Wednesday.

The shower is being sponsored by the Ranger Civic League in cooperation with the Board of Governors of the clubhouse. The dishes have been selected by the board and are at Killingsworth's where the women of Ranger may leave their contributions on the set.

The dishes will be presented to the clubhouse on Wednesday afternoon of next week when a book review will be given at the clubhouse at 3 o'clock. Jo Oyler, talented reviewer, will review John Steinbeck's "The Pearl" and all women of Ranger are invited to attend.

Incidentally, in case you didn't know, the board of governors for the clubhouse is composed of the presidents of all the women's clubs in Ranger, Mayor Lee Dockery and City Secretary Lester Crossley.

Guess those football fans that have been hollering for years about a good football team, ought to be happy this morning, what with two clean-cut victories in the bag yesterday.

From our point of view up in the press box the Ranger Bulldogs looked right good, but it also looked to us like the Eastland team was after Jimmy Comacho's scalp. The rough treatment they gave him every time they tackled him would have sent a less hardy player out on a stretcher.

They weren't satisfied to let one Maverick do the job. When one got a hold on Jimmy, the rest piled on, too, and eventually, when the mass unraveled, out would spring Jimmy from the bottom of the pile, just as spry as ever and off in a trot.

In fact, the whole Bulldog string played a jump up good game.

But here's what we can't figger out. The weather man predicted "fair and warmer." And it was cloudy and colder and also what was predicted to be a light norther from the north turned out to be the coldest south winds we've faced in many a day. In fact, we think maybe that norther took a roundabout course and ended up blowing in from the south.

Anyway, whatever the cause, the result was the shiveringest best time we ever had at a football game. Even if it had been snowing a long with it, we'd have enjoyed the licking those Bulldogs handed Eastland.

Nice holiday we had Thursday. And a nice turkey dinner with all of the trimmings that we had with the VFW Auxiliary and Post. It was a nice party that the ladies of the Auxiliary had for the VFW post and glad we got in on it.

All 25 of the Japanese leaders who figured in the longest trial in history were found guilty in some degree.

DALLACE POLICE AND U. S. GOV'T TEAM TO HALT FORGERY RACKET

DALLAS, Tex., Nov. 12 (UP)—Dallas police and government officers today completed investigation of the "largest check forging team-operation ever seen in this area."

Estimate of money gained by three persons in the southwest area ranged upwards to \$14,000 as "bundles" of forged government and commercial checks were being examined.

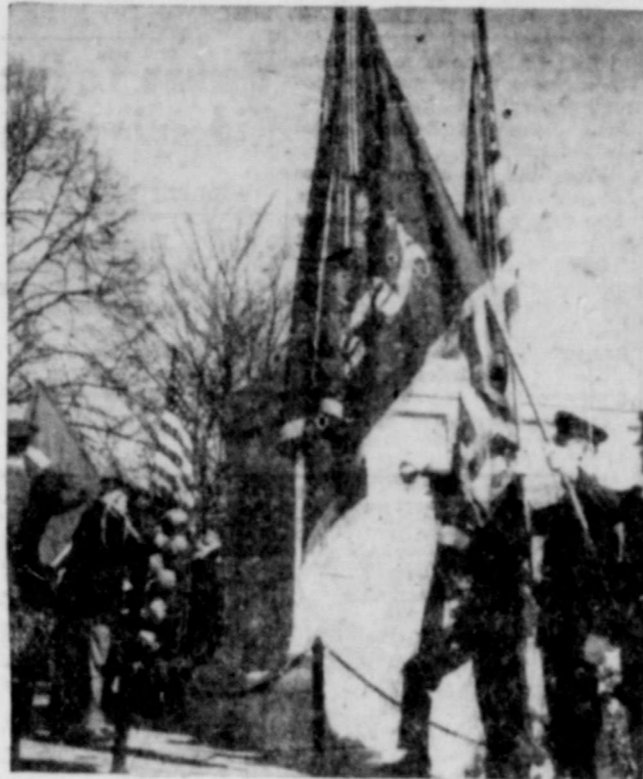

The apparent final smash-up of the ring came last night with the arrest of a 30-year-old Beaumont man who admitted verbally that he was the third member of the ring.

A 23-year-old blonde of two children, and her 25-year-old husband already have signed statements admitting the forgery of \$7,000 in government checks.

The married couple were in the Dallas city jail, and the third member of the ring was being held at Beaumont.

Federal and city officers questioned the man and woman here all through the day yesterday.

Three Ranger Students On Dean's List

DENTON, Tex., Nov. 12—Barbara Marie Getts, James M. Metcalf, and James Earl Pepper, all of Ranger are among the 524 junior and senior students who have been named to the dean's honor list at North Texas State College for the fall semester.

The list, which also includes the names of 298 graduate students who are automatically on the roster, is the largest in the history of NTSC. To be included, students must maintain at least a B average for 12 hours' work the previous semester, with no grade below C.

Inclusion on the list exempts students from the usual penalties for class absence and gives them special library privileges.

Miss Getts, daughter of Mr. and Mrs. H. B. Getts, Ranger, is a junior business major. Metcalf, senior speech major, is the son of Mrs. E. Metcalf, of Eastland and Pepper, an accounting major, is the son of Mrs. J. E. Pepper.

Weak Distress Signal Believed From Superfort

SAN FRANCISCO, Nov. 12 (UP)—Weak distress signals, believed to be from crewmen of a B-29 Superfortress missing for five days between Japan and Guam with 11 men aboard, were intercepted today by at least five coast guard radio stations.

The coast guard reported the faint message from a portable "Gibson-girl" transmitter apparently originated about 120 miles east of Saipan.

The coast guard said the barely audible distress signal was heard by radio listening posts at San Francisco, Seattle, Honolulu, the Coast Guard Weather Ship Fox and several merchant ships. It gave the identification number of the B-29—"2067"—and reported its position as 15.15 north latitude and 148.05 east longitude. That position is near Saipan.

The B-29, missing since Tuesday, was on a flight from Okinawa to Guam when it disappeared. A radio message believed to be from the superfort at that time, reported it was on fire and "going to ditch at sea."

Good Weather Moves Peanuts In Good Volume

Farmers' stock peanuts moved to southwest mills in fairly heavy volume during the past week, the U. S. Department of Agriculture reports through its Production and Marketing Administration.

Mostly good picking weather in Texas and Oklahoma favored a higher quality product. Recent tests have run largely around 72 per cent sound mature kernels.

Warm, humid weather east of the Mississippi slowed picking in the Virginia-Carolina section, long exposure to unfavorable conditions has caused some discoloration of peanut shells. Although farmers had about completed digging in that area, not more than 15 per cent of the peanuts had been picked from the vines. About 85 to 90 per cent of the crop had been marketed in the southeastern states.

Prices remained unchanged on both farmers' stock and shelled peanuts in all areas. Support values prevailed on farmers' stock while shelled No. 1 Spanish moved slowly at 16 1/4 to 16 1/2 cents a pound in the southwest.

Peanut meal advanced \$2.50 to \$3 a ton for the week. Southwestern mills quoted meal with 41 per cent protein at \$67 to \$68 a ton in carlots. Peanut oil sold a little higher at 20 1/2 to 21 cents a pound for prime crude.

Commodity Credit Corporation made some sales of farmers' stock peanuts to Texas and Oklahoma crushers this week.

Rains Fall In Part Of Texas

Badly-needed rains fell last night and today over a wide section of Texas except for the Panhandle and South Plains. But the rains were not of sufficient amount to make a dent in a prolonged drought from which most of the state is suffering.

Heaviest precipitation reported to the Dallas Weather Bureau was 2.8 inch at Crystal City, Dallas, one of the driest spots in the state, reported 27 inch; Texarkana, 25... Waco, 17; Fort Worth, 16; Austin, 13; San Antonio and Del Rio, 12 each.

Heavier rains were expected in the northeast portion of East Texas and upper gulf coast region.

A cool front moved in from the Panhandle today. However, very little change in temperatures was expected.

Yesterday, temperature was 71 at Dal Rio but most readings were in the 60's. Overnight, the low was 28 at Amarillo; Lubbock reported 30, Wink and Clarendon, 32.

The weather bureau held out hope for fine football weather for Saturday afternoon games. The forecast indicates partly cloudy skies but no rain.

WESTERN SOURCES CALL PEACE PLAN PART OF NEW RUSSIAN OFFENSIVE

1948 Football Favorite Named

Nell Anderson a senior student at Ranger High School and daughter of Mr. and Mrs. John D. Anderson, was named football sweetheart for 1948 at between-the-half ceremonies at the Ranger-Eastland football game Thursday.

Miss Anderson was chosen from eight senior girls all of whom participated in the ceremony as representatives of eight players on the Bulldog team.

As the band standing in an open heart formation, played "Let Me Call You Sweetheart," Miss Anderson was led onto the field, into the center of the heart, by Capt. Keith Munnerlyn. The seven other young ladies and their escorts formed an aisle through which the couple passed and as the one heart was closed by the band, Raymond Comacho went forward and presented Miss Anderson with a bouquet of sweetheart roses.

Others participating in the ceremony were, Cora Beth Whaley and R. C. Smith; Carolyn Pruet and Marvin Wilson; Patsy Pruet and Jimmy Lee; Jerris Bowen and Charlie Campbell; Jane Hardy and Ralph Cooper; June Drinkard and Charles Wheat and Ann Davis and Meredith Sides. All eight of the girls had seats of honor on the side line at the game.

Senator Sends Russia Warning

PHILADELPHIA, Nov. 12 (UP)—Sen. Arthur H. Vandenberg, R. Mich., warned Russia last night that President Truman's election did not change the U.S. bipartisan foreign policy.

"I repeatedly say to these Soviet statesmen that the fact and the record belie any such Soviet consolation," he said at a military hall held by the Reserve Officers Association.

Vandenberg was awarded the organization's 1948 peace award as the person who has done the most for peace this year.

Vandenberg, who steps down as chairman of the Senate Foreign Relations Committee in January when the Democrats take over control of Congress, said Russian leaders were indulging in dangerous self-deception by interpreting the President's election victory as a repudiation of U. S. bi-partisan foreign policy.

"It would be unfortunate for all concerned to have the Kremlin fool itself upon this score because wrong strategy often flows from wrong presumptions," he said. "It is not good for the honest understandings, which are the roots of peace."

BRIDGES URGES TRUMAN TO HURRY AID TO CHINA

By John L. Steele
United Press Staff Correspondent
WASHINGTON, Nov. 12 (UP)—Sen. Clydes Bridges, R., N. H. today urged President Truman to call an immediate special session of Congress to provide more aid for "desperate" China.

Bridges said in a statement that Mr. Truman should recall Congress at once to receive the "real facts" on China and to rush additional aid to the Nationalist government of Generalissimo Chiang Kai-Shek.

Bridges is chairman of both the Senate appropriations committee and the joint congressional "watchdog" group which checks on the foreign aid program.

He said the situation in China has become "so desperate that a positive and effective American aid program is urgently needed to prevent the Communists from taking over the whole of China, lock, stock and barrel."

BULLETIN

PARIS, Nov. 12 (UP)—Secretary of State George C. Marshall denied flatly today that the United States is considering sending any peace mission to Moscow.

An earlier ban on quoting Marshall was lifted this afternoon.

PARIS, Nov. 12 (UP)—Very high Western Power sources said today that reports of possible high level American-Russian peace talks came from a Soviet propaganda offensive of a very dangerous kind.

American officials have not discussed in any way the idea of direct talks between President Truman and Premier Josef Stalin, or the sending of a "peace mission" to the Kremlin, since Mr. Truman several weeks ago considered sending Chief Justice Fred Vinson to Moscow, the sources said.

They said Moscow press comment on the advisability of such an undertaking represents a propaganda peace offensive of very dangerous kind because everyone in the world wants peace. They said that was just the procedure to animate that desire, and thereby weaken the U.S. position in the cold war.

The comment dashed cold water an any possibility of early direct negotiations between Russia and the United States.

Comment in the Russian press about the desirability of such direct negotiations, the sources said, was designed to animate the world desire for peace with a view to "weakening our position."

The sources expressed belief that the leaders of the Soviets were becoming discouraged at the failure of the "peace offensive" and so called anti-war mongering campaign they have been waging since the 1947 meeting of the United Nations General Assembly.

A UN majority of 52 nations is lined up on the side of the western position in the cold war, the sources pointed out.

Authoritative sources said there had been no discussion other than in the press of Truman-Stalin talks or sending any U. S. peace mission to Moscow since Mr. Truman's plan for sending Chief Justice Fred Vinson to talk with the Russian premier.

The source, who could not be named immediately, represented Secretary of State George Marshall as feeling that the Moscow peace talk reflected Kremlin anxiety over the failure of anti-war mongering strategy which Russia has been following more than a year.

The comment appeared to deflate speculation that Mr. Truman might be planning to revive his pre-election plan for sending an emissary to talk directly with Stalin.

BULLDOGS PACK TOO MANY WEAPONS FOR EASTLAND; TAKE 13-0 VICTORY

BY MARVIN GROSS

The Eastland Mavericks carried out the Armistice Day peace program too literally yesterday at Bulldog Stadium laying down their arms before the warring Bulldogs in a one-sided but interesting football game, 13-0.

A two touchdown superiority might indicate a nip and tuck affair but breaking down the statistical end of the situation makes the actual story a bit clearer. The Bulldogs powered to 18 first downs, threatened for three more scores while the punchless Mavericks eked out but two first downs and never made a threatening gesture.

It was a day in which the Bulldog line turned in a performance that bordered on the flawless. The high-flying Jim Smith and the pulverizing Jack Kelly, twin spear-

heads of the Eastland ground attack were stopped colder than a 12-day old mackerel. The local forward wall, always getting the first smack in, held the Maverick offensive to a meager 39 yards.

And the Bulldog blocking was crisp, shattering, opening gaping holes for the Comacho and Kenneth Williams. Dean Elder, Keith Munnerlyn and Raymond Comacho sprayed Mavericks all about the windswept field in a near perfect display of precision blocking.

While the Bulldog offensive, limited primarily to ground activities, was potent a couple of certain touchdowns were tossed away through slip-ups. Ranger touched off the fireworks with two first period six-pointers, held the upper hand the rest of the way but couldn't improve on the first stanza totals.

But with the victory they definitely eliminated the Mavericks from any title consideration. It was the second defeat in conference play against four victories for the Mavericks. While the Bulldogs now have a five and one record — perhaps good enough to put them on top of the heap — the Hamilton-Dublin affair of the 19th will be the decider.

The Bulldogs received a tiny break at the start and magnified it to touchdown proportions. Stopped on the first running try, the Mavericks sent Colonel Don Dugher back to punt. But as he did throughout the game, Brasher tried to kick away from the heptefoot fumbling Bulldog safety-men.

The punt dribbled out on the Eastland 41 and the Bulldogs took over. Three off tackle smacks netted seven yards a carry with Raymond Comacho, Kenneth Williams and Jimmy Comacho doing the lugging. Another trio of carries moved to the two but here

a back in motion infraction set up a five yard detour. Williams took a pitchout on the next play, took a lonely seven yards around left end for a touchdown that proved enough to win.

Jimmy Comacho missed the conversion.

A gorgeous coffin corner punt that squirted out on the six set up the final Bulldog tally minutes later. It was Billy Wayne McKinney, a fine, accurate booter all day, who applied the toe to send the Mavericks into a deep hole.

Williams returned Brasher's weak, answering punt all the way away through slip-ups. Ranger touched off the fireworks with two first period six-pointers, held the upper hand the rest of the way but couldn't improve on the first stanza totals.

From the 32 the Bulldogs rolled and roared to the Eastland two but on a mix-up R. C. Smith fumbled and Eastland recovered in the end zone.

Raymond Comacho easily carried off game offensive honors. The bolting fullback was never stopped for less than three yards. Late in the game Raymond carried three times running and tore off 48 yards but this drive was

stopped by the clock on the two-yard line.

GROSS

UNDERSTATEMENTS BY MARVIN GROSS

A trio of top-notchers, Notre Dame, Army and Michigan are forced to meet on some more punishment on Saturday's battlefield. And of the three bonecrushers only Notre Dame may have to prep a slight bit.

The Irish take on a team currently headed for the Rose Bowl — but in these days a Rose Bowl prospect is no claim to fame. The South Bend Bombers are simply too good for anyone around including Michigan. Northwestern will scrap for the first half but the Irish have the shock troops and should own a three touchdown margin by finish time.

The Eastern spotlight centers on Franklin Field where the undefeated Cadets invade Quaker territory. Penn was decisively whipped by Penn State last week and likely worse against Army. Gil Stephenson will have another field day with only the passes of sophomore Red Bagnell causing the Caisson boys any woe.

At Ann Arbor the Michigan Wolverines have a carload of wicked plans set up for Indiana. Perhaps the margin won't be too big but add another Michigan victory to the amazing string.

On the coast the California Bears, most logical representative for the Rose Bowl, have an easy time scheduled with Washington State. While elsewhere Illinois should inch past Ohio State and Minnesota has enough to get by Iowa to take care of Big Nine action.

Columbia has been bounced like a rubber ball lately but should bounce the other way tomorrow for the simple reason they play Navy. The Middle seem to get more fun out of losing. Dartmouth will be a slight underdog in their battle with Cornell but the Ivy League is a bad place for selectors.

Not to forget the big battles in the Southwest-Conf. Over in Fort Worth, the Texas Longhorns slightly puffed over their Baylor victory have a date with T. C. U. winners on their own grounds this year. We fear the Fregs will still be wireless with the Steers to win by a little over a touchdown.

S. M. U. still quivering after the Aggie squeak rolls to Arkansas for a joust with the Razorbacks. Clyde Scott's team is far from the club that trounced T. C. U. at the start of the year. The Mustangs to win and not with too much trouble. We're just a little tired seeing those pluck Aggies get thumped week after week with their two touchdowns. The string will be broken tomorrow at College Station when the Aggies will pin back the Rice Owls despite what anyone says.

Baylor has some non-conference work to do with Tulane. The Greer Wave has a big hard-hitting team but we look for the Bears to rebound after the Texas crusher and restore conference prestige.

The Bulldog "B" squad defeated in its only two outings will attempt to down Breckenridge for the second time this season tonight at Bulldog Stadium.

Couch Cam Allen team opener to infant schedule with a 13-0 win over the little Bucks played at Breckenridge. It followed this year with a 22-0 conquest over Weatherford in the only home appearance which adds up to an undefeated, unscared year for the future Bulldogs.

The "B" stringers have one more game scheduled — with Weatherford on the latter's field.

RANGERS TAKE SIXTH STRAIGHT ROMPING OVER DECATUR, 27-0

The Rangers proved just as effective on foreign fields in yesterday's Armistice Day attraction at the home of the Decatur Baptists grinding out a smooth 27-0 verdict to keep pace with Hillsboro in the eight conference games.

Heavily outweighed along the line, the Rangers overcame some costly fumbles to shut the door on the beefy Baptists and blank an opponent for the fourth time this season. Decatur made their heaviest threat in the second period moving to the Ranger 15 after recovering a fumble-but in turn they bobbed one and the drive died.

The Rangers mixed a well-oiled ground game and some key heaves to roll to their four touchdowns. It was Junior Arterburn who regained his pitching prowess to chuck for two scores and set up another. The Rangers had the ball game won with two first half touchdowns then added a couple more in the final stanza to set up one insurance.

With Hillsboro's 26-0 victory over Clifton yesterday the Rangers added increased importance to their Hillsboro Nov. 25 pay-off battle. Both are undefeated in conference play and both will probably stay that way until game time rolls around.

The Rangers rolled 62 yards with the opening kick-off to head unchecked into end zone territory. Howard Frazier returned from his 10 to the 38 with the opening boot and the Rangers launched their assault.

After a short plunge, Bobby Gene Williams took an Arterburn sitchout, picked up deadly blocking and carried to the Decatur 20 the play being good for 35 yards. Bailey Woods and Frankie Ford split the Decatur line to move to the five. Arterburn took a short step backwards just Ben Blitch and the Rangers had a six point lead. Blitch was off with his conversion attempt.

Early in the second period the Baptists had their prime opportunity but the break never got past the opportunity stage. Williams tried a quick kick from his own 15 but the line broke through, blocked the punt and the Baptists had possession on the 25. Aided by a penalty the Baptist notched a first on the 13 but the property was too much—a fumble on the next play and the Rangers covered on the 10.

Following the program bingo was played and prizes awarded. The group was dismissed in time to attend the Ranger-Eastland football game.

MOLEY PREDICTS INFLATION DURING NEW ADMINISTRATION

NEW YORK, Nov. 12 (UP)—The general economic effects of the Truman Administration presumably will be some wage inflation and some limited form of price control, Raymond Moley, contributing editor, Newsweek Magazine, predicted today.

Moley, addressing the annual meeting of the cotton-textile institute said perhaps this will take the form of stand-by control, but that it certain will not be an overall ceiling or anything like it. Moley declared "it is nonsense" to say the election upset was due to the fact that too many Republicans stayed home. An examination of the Ohio returns, his native state, Moley said convinced him that it was the rural counties that defeated Gov. Thomas E. Dewey.

"It was not because people in rural counties stayed home," Moley said, "it was because too many farmers came out and voted for President Truman."

"In a sense," Moley said, "the Roosevelt era is ending, as did the Jefferson era, in the administration of another Monroe." Politically, the election puts it up to the Republican party to develop a philosophy somewhat to the left of the Coolidge and Hoover administrations, and somewhat to the right of Roosevelt and Truman, Moley said. With resolute leadership," he declared.

Endurance Fliers Are Forced Down

LONGVIEW, Tex., Nov. 12 (UP)—Two sad Texans, whose dream of shattering the world's record for endurance flying ended with the final sputter of their craft's engine last night, marked up their defeat today as merely a triumph of matter over mind.

Fred Vinmont and Bert Simons, both of whom pushed "Uncle Sam's" aircraft through the skies during World War II, called it quits and made an emergency landing near Gregg County airport last night. They were just one week shy of tying the existing record of 726 hours of continuous flying.

The pilots, both of Dallas, blamed the failure on a "frozen engine" — a condition that generally is caused by failure of the oil system.

Their single-engine Luscombe Silvalre had logged 529 hours of continuous flight when the engine "cut out." They had been confident of breaking — even doubling — the 1934 record of Al and Fred Keys over Meridian, Miss.

ed, it is possible to establish a firm structure of principle in that general direction, but the Republicans, in defeat, will have to have more vision than they showed in the campaign."

Greek Premier Resigns Post

ATHENS, Nov. 12 (UP)—Premier Themistocles Sofoulis handed in his long-promised resignation today, and King Paul was expected to set in motion at once the machinery for forming a new government.

Foreign minister Constantin Tsaldaris was regarded as the most likely candidate to succeed Sofoulis. Tsaldaris is leader of the populist party, the largest in Parliament.

Sofoulis' resignation followed a split in his liberal party. Supporters Venizelos, deputy leader of the party, announced withdrawal of confidence from the government yesterday, automatically precipitating the resignation.

But Sofoulis had threatened repeatedly recently to resign. The latest threat was made last weekend, but Sofoulis agreed to wait for the United Nations to finish debating the Greek situation.

Fifteen Nazis Hanged For Crimes

LANDSBERG, Germany, Nov. 12 (UP)—Fifteen guards and officials at the Mauthausen concentration camp were hanged today in another of a long series of war crimes executions.

The Germans were convicted by U. S. war crimes tribunal of slaying thousands at the notorious camp, including American and British paratroopers. The mass execution brought to 185 the number hanged for war crimes here. Fifty more were awaiting their turn.

Today's parade to the gallows lasted two and a half hours.

One of the victims was Josef Kisch, former SS or Elite Guard corporal who was convicted of having a hand in the killing of 47 American and British paratroopers. Some were beaten to death, and those still alive were forced into a stone quarry where they were shot.
