

USDA Authorizes Emergency Loans To Weather-Beaten Castro Farmers

The Dept. of Agriculture Tuesday authorized the Farmers Home Administration to make emergency loans during the next seven months to Castro County farmers whose 1966 crops were damaged by drought, early freeze and hail.

Congressman Walter Rogers notified the News that the loans will be available until next June 30 through the local FHA office.

DON JENNINGS, county FHA supervisor, said the emergency money will carry only a 3 percent interest rate, and that the loans are for "essential farm operating and living expenses only."

That's already under lien to another creditor.

MAIN PURPOSE of the loans, Jennings said, is to "tide the farmer over" and not underwrite expansion of his farm operations. "The 3 percent money is restricted to what the agency considers 'essential' expenses," he explained.

The FHA money comes from a contingency fund that has built up since the Eisenhower administration from interest collected on FHA emergency loans, and is not tax money, Jennings said.

According to the law authorizing the fund, this money can be used only to assist farmers and ranchers who have experienced crop or livestock losses through such as adverse weather.

3-AA Season Opens Tuesday

Dimmitt's Bobcats and Bobbies will play their first District 3-AA games Tuesday night when they travel to Floydada.

CURRENTLY, games are being played at 7 and 8:30. But Athletic Director Kenneth Cleveland said all conference games will be moved up half an hour, to 6:30 for girls and 8 p.m. for boys.

The Bobcats will have another hard weekend when they enter the West Texas Tournament at Canyon Friday. The Bobbies will enter the Shallowater Tournament for their final round of games before the conference season starts.

"Farm operators who suffered crop loss due to the reduced yields, and who are unable to get adequate financing from their normal credit sources, are eligible for these emergency loans," Jennings said. "There are no restrictions regarding the size of the farm operation."

But he emphasized, "If the bank, Production Credit Association or other credit sources will stay with you, we (the FHA) can't get into the picture."

COUNTY FARMERS can apply for the loans immediately. Jennings said processing time on applications is usually three to four weeks.

If a farmer is already in debt after his crop year, Jennings explained, he can use the FHA money to pay interest and depreciation to his first lien holder. But the money cannot be used to pay the principal on existing debts, or to refinance them, he said.

In loaning the 3 percent money, the FHA will require a first lien on the 1967 crop, but can take a second lien on farm machinery

A NEW FLAG goes up over the new Dimmitt post office during dedication ceremonies Saturday afternoon. Doing the honors is Andy Murphy, senior Boy Scout patrol leader. At left, behind the Scout color guard, are Assistant Regional Postal

Service Director H. Allen Dupree; Congressman Walter Rogers, who presented the flag and made the dedicatory speech; and Acting Postmaster John Hardy Wood. At right, the Dimmitt Bobcat Band plays the national anthem.

Post Office Dedicated To Pioneers and Future

Despite the fact that the ceremony had to be moved inside because of cold weather, Dimmitt's new post office was impressively dedicated Saturday afternoon.

Congressman Walter Rogers, in his dedicatory address, officially dedicated the new federal building "to the pioneers who paved the way for us today" and "to the future service and good will of mankind."

MASTER OF Ceremonies Joe Cowen, N. F. Cleavinger and Assistant Regional Postal Service Director J. Allen Dupree commended Congressman Rogers as the man most responsible for putting the new post office here.

The November election is history, but many post-mortems have been and are still being done by editorialists, columnists and letter writers. A letter to the editor appearing in the Albuquerque, N.M., Journal was called to our attention by our daughter, Mary Burnham, who with her family resides in that city. The letter struck me as being a very astute analysis of the political situation in Texas, as well as a fair explanation of the election results in the Lone Star State. The letter follows:

THE NEW post office managed to hold the crowd, which recessed outside just long enough for the raising of the building's new flag, presented by Congressman Rogers to Acting Postmaster John Hardy Wood, Boy Scouts, Cubs and the Dimmitt Bobcat Band took part in the flag-raising.

After noting "he great acclaim we pay to those who ride our space ships into the unknown," Rogers said, "In all the time they're cut there they're in constant contact with people on the ground. Those who came out and built this country didn't have contact with the people back home. They didn't know whether, or for how long, they'd have a doctor or mail service.

"This building should be dedicated to the pioneers who paved the way for us today," he added.

Dupree, in his address, traced the tradition of the postal service during the last century. He noted that Lincoln, before his election to office, had been a postmaster, clerk and mail carrier who often wrote letters for his customers who couldn't write.

TODAY, the US Postal Service handles two-thirds of the total combined mail of the world," Dupree said. "The amount is 74 billion pieces annually now, and by 1975 it's expected to be 90 billion pieces."

He said this rapid growth in mail-service demand is the reason for the ZIP Code system, established two years ago across the nation.

"This ZIP Code system sets up facilities for the time in the future when electronic scanners will be used," he added.

Rogers: 'I Heard Three Shots, Too'

Congressman Walter Rogers said here Saturday that he, too, heard three shots when President Kennedy was assassinated in Dallas in November 1963.

"No, that's a firecracker. Then I heard the other shots. "It seems to me like there were two fast shots, one right after another, then a third shot," he continued, "but I don't remember exactly — it could have been one shot, then a pause, then two quick shots. But they were grouped in a 'single' and a 'double,' and I knew a rifle shot when I hear it."

HIS STATEMENT backed up Gov. John Connally's and added more fuel to the controversy that has raged nationally for the past month.

Demands are being made publicly to reopen the Warren Commission's investigation of the tragedy, on the basis that reasonable doubt still exists over whether there were two or three shots, and one or two assassins.

"THERE WERE three shots fired," Rogers said at a luncheon Saturday before the dedication of Dimmitt's new post office.

"I was five or six cars behind President Kennedy in the parade," Rogers recalled. "I heard the first shot and I said, 'That's a rifle shot.' The fellow driving our car, a highway patrolman, said,

COULD ONE of the shots have been an echo reverberating through Dallas' "brick canyons"? "No — the buildings were not close enough there to produce such an echo," Rogers said.

He said his car was probably closer than President Kennedy's to the Texas Book Depository Building, where Oswald was hiding.

"You couldn't see the book depository building until you were almost past it," he said. "It was back from the street a good way,

Death Claims George Webb, County Resident Since 1917

George Harold Webb, 75, one of Castro County's best-known residents, died at 10:15 p.m. last Thursday in Plains Memorial Hospital, two hours after he was stricken by a heart attack in his home at 604 W. Stinson St.

Mr. Webb

Last rites were conducted at 3 p.m. Saturday in the First Methodist Church, which he helped build. Officiating were Rev. Weldon McCormick and Rev. E. Lee Stanford.

MR. WEBB, a retired farmer, had lived here almost half a century. He was born Aug. 31, 1891, in Arkansas, and came to Dimmitt in 1917 from Seymour. His farm was located between Dimmitt and Hart. When he retired, he had his family home moved into town.

He and his wife, Vera, were married June 7, 1914, in Westover, and celebrated their golden wedding anniversary two years ago.

Termed as "Mr. Methodist" by his pastor, Mr. Webb was probably best known for his church and interdenominational work. He had held virtually every layman's office in the First Methodist Church, and he seldom missed a Sunday in the bass section of his church choir.

Copeland of Monahans; a brother, Jim Webb of El Paso; two sisters, Mrs. Callye Hickman of California and Mrs. Sally Core of Burkburnett; and five grandchildren.

At the time of his death he was president of the church choir and an honorary lifetime board member of First Methodist. He had attended a church conference in Muleshoe just a few days before his death.

Members of his Sunday school class were honorary pallbearers. Active pallbearers were his nephews — Ken Birdwell, Norvell Birdwell, Bill Birdwell and Harlan Dodd of Dimmitt, Lee Webb of Amarillo, and Cloyce Allen Tabott.

Burial was in Castro Memorial Gardens under the direction of Dennis Funeral Home.

HE IS survived by his wife, Vera; a son, Allan, of Dimmitt; a daughter, Mrs. Mary Jean

He's Coming Today!

Santa Claus is coming to town today, kids!

He'll be at the courthouse from 6:30 to 8 p.m. to visit with you and give you a sack full of Christmas treats.

To get Santa to come to Dimmitt, somebody has to buy the hay for his reindeer. Dimmitt's merchants are doing it today through the Chamber of Commerce.

Next Thursday — and every Thursday until Christmas — He'll be back at the courthouse to see you, and he's expected to bring Mrs. Claus with him. The Dimmitt PTA will buy the hay for these additional visits.

Headline for entries is Dec. 15, and the contest is open to every resident of the Dimmitt area. If you wish to enter your Yule decorations in the contest, clip and mail it to the Castro County Chamber of Commerce, 201 E. Jones St., or deliver it to Mrs. Dorothy Magness, chamber secretary, at the city hall.

"OPERATION Christmas Greeting" has drawn only light response so far, with the deadline just a week away.

But donations toward the community Christmas card project are expected to increase between now and next Thursday's deadline.

Mrs. Faye Kenmore of First State Bank, who is accepting

and listing donations for "Operation Christmas Greeting," reported that 33 donors had given \$316.30 toward the project by noon Tuesday. Last year, 200 donors gave almost \$2,000.

PROCEEDS will be used to buy needed equipment for Plains Memorial Hospital.

Mrs. Alice Anthony, chairman, urged residents here to compute the amount they would normally spend on Christmas cards to local friends, and give this amount instead to "Operation Christmas Greeting" to buy hospital equipment.

These contributing will have their names listed on a community Christmas card to be printed as a cover page in the Dec. 22 issue of the News. The multi-color page will go to press Dec. 16, so no names can be accepted for it after the Dec. 15 deadline.

Wallace Shiflett Rites Conducted

Last rites were held in Fletcher, Okla., at 2 p.m. Tuesday for Wallace Shiflett, who had operated farms in Castro County for the last 10 years.

MR. SHIFLETT, who lived at 608 SW Third St., Apt. B, died at 7:45 a.m. Sunday. He was born June 6, 1921, in Fletcher.

Local arrangements were directed by Dennis Funeral Home.

Keith Crum Wins Area Title Before 76,000 in Cotton Bowl

Keith Crum did it again Sunday at Dallas.

COMPETING against two other Texas boys before 76,000 fans in the Cotton Bowl, he won the area punt-pass-kick championship in the 8-year-old division.

Keith Crum

The area contest was conducted before the Dallas Cowboys-St. Louis Cardinals football game.

His victory, the equivalent of a state championship, means he'll go back to the Cotton Bowl Sunday to punt, pass and kick against seven other area champs from across the country for the eastern division championship.

Nationally, the contest follows the same territorial lines as the National Football League, which co-sponsors it with Ford Motor Co.

KEITH AND his parents, Mr. and Mrs. Cecil Crum, 506 W. Belsher St., were guests of the Dallas Cowboys at a pre-game banquet and Sunday's NFL game. His sponsors, Mr. and Mrs. G.C. Brockett of Brockett Bros. Inc., were also there to see him compete.

The awed youngster was given a uniform and helmet, another PK trophy (his second), and the football he used — which he promptly had autographed by members of the Cowboy team.

Mothers Society Has Yule Party

The Christian Mothers Society held its regular monthly meeting Sunday afternoon in the community hall. After the regular meeting a Christmas program was enjoyed by about 80 members. Sharon Hochstein, Linda Huseman and Charlyn Braddock entertained the group with piano and accordion music. The lunch served carried out the Christmas theme. Two new members joined the society in a reception ceremony after the 10 o'clock Mass — Mrs. Mary Lou Birkenfeld and Mrs. Mary Lou Schmucker.

Tony Acker is home after spending over a week in the Plains Memorial Hospital in Dimmitt with a stomach infection. She is slowly improving.

Visiting in the Albert Schulte home for a few days were Mr. and Mrs. Clarence Lueb, Mr. and Mrs. John Lueb, and Mr. and Mrs. Richard Lueb of Boulder, Colo.

SEEING THE Dallas Cowboys beat the St. Louis Cardinals in Dallas Sunday were, Mr. and Mrs. Dickie Hoelting, Mr. and Mrs. Ronnie Hoelting, Mr. and Mrs. Ralph Albracht, Joe Venhaus and Delores Birkenfeld.

Herman Birkenfeld and two sons and Francis Wilhelm made a business trip to Vian, Okla., and also visited the Paul Klemm family.

MRS. TONY GERBER is home after being in the Plainview hospital a few days for minor surgery. Mrs. Joan Durbin is very sick in Plains Memorial Hospital in Dimmitt.

Mr. and Mrs. Ernie Brockman, Mr. and Mrs. Lon Brockman, Mr. and Mrs. Paul Venhaus and Mr. and Mrs. Ed Ramaekers went to Amarillo Saturday night to attend the Knights of Columbus banquet held at the K. of C. Hall.

Rex Vincen, son of Mr. and Mrs. Fred Acker, was baptized in Holy Family Church by Rev. Father Reichel Nov. 30. Sponsors were Mr. and Mrs. Douglas Melcher.

TODAY (Thursday) the Catholic World will honor the Mother of God in the title of the Immaculate Conception. She has been proclaimed Patress of the Americas. Holy Masses will be celebrated in Holy Family Church at 8 and 10 o'clock and prayers will be said for peace not only in the Americas but all over the world.

Father Elmer and Mr. and Mrs. Florence Albracht enjoyed supper last Thursday evening with the Francis Wilhelm family.

Douglas Wilhelm had to have surgery on the same knee he had surgery on a few weeks ago to remove some more cartilage. He will be in Northwest Texas Hospital in Amarillo for several days. Surgery was on Tuesday.

PHILIP ACKER is in Northwest Texas Hospital in Amarillo, where he had surgery the past week. He is doing fine and will be home in a few days.

Mrs. Donald Adams Is New Council President

BY IRENE KEATING
COUNTY HD AGENT

Friday the 4-H leaders council met in a special called meeting. Officers elected were Mrs. Donald Adams, president; Robert Duke, vice-president; Mrs. John Womack, secretary; Mrs. Edd McLeroy, treasurer; and Mrs. S. R. Hutto, vice-treasurer.

DELEGATES who will go to the district leader association organization meeting in Amarillo Dec. 13 from 2 to 4:30 p.m. in the Flame Room of the Pioneer Natural Gas Co. were chosen. They are Mrs. Adams, Mrs. McLeroy, Duke, and Bill Simpson, Charles Hotel, county agent, will also attend.

Nazareth 4-H Club officers met Friday evening to complete their 4-H yearbook for 1966. Terry Huseman, Debra Hochstein and Debora Acker met with leaders David Acker and Margaret Womack. I also attended.

Congratulations to Marilyn and Judy McLeroy. Both girls were in Lubbock Saturday for the "Make It Yourself with Wool" contest. Marilyn was the first place winner in the junior division. Judy won third in her sub-deb division. Marilyn will go to state in Denton. We in Castro County can really be proud of these girls.

USING THE consumer market place to advantage includes choosing the best time to shop for goods of different kinds. Decisions

about best times to buy may vary with the types of goods to be purchased, whether or not there is always a dependable supply in the stores, and when the stocks are likely to be freshest in offering good choices to the consumer.

Choosing a good time to shop or buy may mean deciding whether to purchase in advance of need or at the time of need.

BUYING IN advance may be a good idea if the item can be found, if storage is not a problem, if money for the purchase is available, and if there is no risk of loss of quality or style before the goods are to be used.

On the other end of the scale, waiting until the last minute to make a needed purchase may mean the buyer has little choice and must take what is offered at a relatively higher price. As a result, excessive time may be spent in shopping for and making the needed purchase.

Quite often, seasonal sales help set the time in seeking replacement for goods. For example, white sales in August and January generally offer quality goods at dependable prices. End-of-season sales may offer real bargains in clothing and some types of household equipment, furniture and furnishings.

BARGAINS may be found at sales, but it often takes an experienced buyer to find them — by shopping in familiar, reputable stores in which the regular prices

are known and can be compared with sale prices.

For some, wise decisions can be made in the midst of a hectic "bargain" sale. Other buyers prefer times when the stores are not busy, allowing them to examine the merchandise, compare prices and qualities, and seek individual attention from store clerks.

Experience with buying will help consumers decide upon times that are best for them.

THE STRANGER AT THE DOOR Some strangers who come to your door are well meaning people with legitimate business. The Better Business Bureau gives these cautions when answering the door:

1. Do not let anyone into your home until his or her intentions have been definitely established. If alone, this is not always advisable. One might say, "I think

I will call my neighbor in — she might be interested in what you have to offer."

2. BEWARE of persons who claim to be making a survey or representing themselves as government officials wanting information.

3. Beware of "free offers" and ask the sales person to write down the free articles you are to receive, signing his name. Usually there are strings attached.

4. Read carefully anything you are requested to sign and suggest that the representative come back after you have discussed the matter with a member of the family. What you think is a receipt or statement could be a contract to purchase.

5. Beware of statements that "you were the winner of a contest" or "selected for advertising purposes."

6. If the caller is rude or discourteous, call the police.

7. If in doubt about the integrity of a firm, call the Better Business Bureau before buying.

Bible Thoughts

"GOING TO THE SAME PLACE ON DIFFERENT ROADS"
By Ronnie Parker

It is said of the new converts in Jerusalem that "the multitude of them that believed were of one heart and one mind." Acts 4:32. The same cannot be said of the people in this nation who profess Christ as their savior. The existence of sectarian bodies is a sad fact. The 1966 World Almanac shows 221 different religious bodies in the U.S. It is believed by many that we are all going to the same place but on different roads.

The Bible does not warrant such a conclusion. If such is true, the prayer of Christ becomes a mockery. John 17:20 says, "Neither for these only do I pray, but for them also that believe on me through their word; that they may all be one; even as thou, Father, art in me, and I in thee, that they also may be in us; that the world may believe that thou didst send me." Religious division is antagonistic to the teaching of Paul. In I Cor. 1:10 he says, "Now I beseech you, brethren, through the name of our Lord Jesus Christ, that we all speak the same thing, and that there be no divisions among you; but that ye be perfected together in the same mind and in the same judgment."

A spirit of union now pervades in many of these different bodies. But union is not the answer to the religious division that exists. Amos asked, "Can two walk together, except they be agreed?" (Amos 3:3). Unity, not union, is the answer and that will require a strict return to the Bible, the standard for unity. YOU ARE ALWAYS WELCOME AT THE 4th AND BEDFORD CHURCH OF CHRIST

I need the Answers to some SERIOUS QUESTIONS

Why am I here? What shall I do with my life? Where am I going? This young man is at the threshold of his adult life and needs the answer to some serious questions. Perhaps you find yourself pausing to take stock of your life and groping for direction. The Church of the Living God tells the truth about man's life, death, and destiny. The truths learned there will set you free to live a more abundant, meaningful, and creative life. "And ye shall know the truth and the truth shall make you free." John 8:32.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

tunity arises when the liberals find themselves constituting the balance of power in a conservative Democrat-Conservative Republican stand-off, as the special election in 1961 to fill Lyndon Johnson's vacated Senate seat.

In the initial phase of that campaign, forty-nine Democrats of various political persuasions and one lone Republican slugged it out for a place in the run-off election. Out of the melee emerged conservative Cowboy Bill Blakley, the interim appointee who tried to foist the myth that he was a poor Texan who owned only 125 acres (downtown Dallas!), and conservative John Tower.

To the liberals, the choice between Blakley and Tower was no choice at all. Actually, it was a dilemma, as each candidate desperately sought to convince the electorate of the genuineness of his conservative credentials. In the end, the liberals did one of two things: Either they "went fishing" on election day, or they voted for Tiny Tower on the assumption that in subsequent elections the conservatives would gravitate toward his faction and thus form a viable, two-party system in Texas. More importantly, once in Washington, Tower, as a Republican and junior senator would not be in position to discuss the patronage question.

QUICK ACTION averted a calamity last Thursday at 11:30 a.m. when a row of cotton bales caught fire in the center of the Panhandle Compress & Warehouse yard. The flames could have spread quickly to hundreds of other surrounding bales, but Manager Bob Cranford (stop bale, left) and his work crew attacked the fire and brought it under control quickly, needing only the Dimmitt Fire Dept. pumper truck and no other help.

and there was a slope. It was just coming into our view after we had turned the corner. That's when I heard the snits."

THE WARREN Commission concluded (1) that Oswald acted alone, (2) that he fired only two shots, the first wounding the President and Gov. Connally and the second killing President Kennedy, and (3) that it would have been virtually impossible for Oswald to have fired three shots with his bolt-action rifle during the assassination "time span" shown by an amateur movie film of the tragedy.

But a nationally publicized critique of the Warren Commission's findings has claimed that a reasonable doubt still exists over the number of shots fired — raising the further question of whether Oswald acted alone when he shot down the President.

Life Magazine demanded last week that the investigation be reopened. Gov. Connally, who is also certain three shots were fired, has said he feels the number-of-shots argument isn't sufficient evidence to justify a new investigation.

Congressman Rogers, who will retire from office next month to open his own law practice in Washington, said he isn't sure anything would be accomplished, either, if the investigation were reopened.

HOWEVER, he claimed the investigation wasn't as comprehensive as thorough as it should have been, but he said the Dallas Police Dept. and the FBI were more to blame for this than the Warren Commission.

The pleasures of winter camping are manifold, and the technique is a bit different from that of warm-weather camping. But not too different. Just different enough to be interesting. There are many long weekends and holiday periods during the colder season. A few advantages (over summer) are that pests such as insects and reptiles are no bother. There is little competition for camping space — which is something to consider these days, particularly at the height of the season.

The family tent, no matter what kind it is — provided it's large enough — is suitable for family camping in winter. The umbrella type, and that general category, should be commodious — and it should be enhanced with a couple of the new, safe catalytic heaters. "The petroleum-fueled lanterns and stoves should not be used inside an unventilated tent," stresses John Jobson, Camping Editor of Sports Afield Magazine. There are those who prefer a tent especially suitable for cold-weather camping. One of the best is the ancient, reliable A-wall. Many old-timers like this type with about a 10- or 12-inch sod cloth sewn around the lower inside perimeter. This folds out flat on the ground inside the tent. A tarp is spread inside, running over the sod strip. Thus the tent is draft-free. A removable tarp is ever so much easier to keep clean and dry than is a sewn-in floor. The A-wall should have a wood-burning sheepherder stove, with metal-ash-tox ring for the stovepipe. You can cook with it, but other advantages are: a clean, non-toxic warmth; meals without grease congealing before your very eyes; the fact that clothing and bedding can be dried in inclement weather.

A person must have a warm place to eat—whether it's inside a tent or near a cheery campfire. Scarcely anything is more miserable afield than eating cold food when you want it hot. Campfires, by the way, should be a bit larger in winter than in summer, for obvious reasons.

THE FAMILY LAWYER

Dead Letter Laws

Over a period of 42 years, the crime committed most often in Washington, D. C., was selling ice cream cones.

It seems that in 1921, as a health measure, the sale of ice cream in less-than-pint containers was forbidden. Yet, through the years, millions of less-than-pint cones were sold in brazen defiance of the law. They were licked in plain sight by residents, tourists, Congressmen, perhaps even Supreme Court justices. Not until 1963 did Congress finally end the scandal by repealing this obsolete law.

In Elko, Nevada, crime ran even more rampant. A 1918 ordinance, passed during the great flu epidemic, required everybody to wear a flu mask in public places. Not until 1964 did the city council let

Bobcats Down Eagles, 48-47

Dimmitt's Bobcats won another cliff-hanger Tuesday night when they squeaked past the Canyon Eagles, 48-47.

THE EAGLES had a chance to win as they set up a last-second shot, but the ball rolled off the rim.

John Howell was Dimmitt's high point man with 17 points. Mike Barnes paced the Eagles with 23.

Mrs. Dovie Jones Dies in Oklahoma

Mrs. Dovie Jones, mother of F. J. "Stub" Jones, former Dimmitt business man, died Friday in Durant, Okla., after suffering a stroke on her 87th birthday Sept. 12.

Funeral services were conducted Monday.

She is also survived by another son and three daughters.

Little Son Born

Born Friday, Dec. 2 to Mr. and Mrs. Douglas Adams a little son. The baby weighed 7 pounds and has been named Steven Douglas. Mrs. Adams is the former Wynema Fuller.

Bobbies Smother Eaglettes 44-21

Dimmitt's Bobbies topped Canyon Tuesday night, 44-21, as Debora Summers led the way with 27 points.

Coach Van Kountz's Bobbies built a 14-6 lead by the end of the first quarter, but the Eaglettes narrowed the lead to 18-15 by halftime as Kountz substituted freely.

IN THE third period, the Bobbies extended their lead to 26-19 and finally overwhelmed the Canyon girls with a 23-point lead by the final buzzer.

"Pacing the Bobbies' defense was Cathy Godfrey with 17 rebounds. Genita Aldridge also was instrumental in holding Canyon's score down.

In the girls' B team game, Dimmitt defeated Canyon 39-16.

"BUT WE do not discuss postal progress only in terms of new buildings and postal machines," he added. "Our post office employees are vitally important to our operation. Their dedication has given us a postal service that provides the most efficient service at the lowest possible cost."

As an example of postal service growth here, Dupree Lajer showed in an old cash book where the post office here had sold \$1 worth of stamps on Sept. 26, 1924. The day's stamp sales here last Sept. 26 was \$200, he noted.

In addition to the 100 or more residents, the crowd also included postmasters from Tulia, Quilake, Dalhart, Frican, Springlake, Hart, Hereford, Nazareth, Canyon and Wildorado.

'THE SWEETHEART TREE' was the theme Saturday night of Dimmitt High School's annual Best Beau Banquet, held in the plushly decorated North Elementary School cafeteria. Autumn-colored streamers surrounded the banquet hall, and the head table was backed by an

original painting of "best beaus" in a garden setting. The Sweetheart Tree contained double valentines with the names of each girl and her date. Main speaker was Rev. Frank Pollard (right photo) of First Baptist Church, who gave a fast-moving, humor-spiced talk in which he

urged the youths to give serious consideration to the three big M's in their life — mate, mission and master. Paralyne Render was mistress of ceremonies. The annual banquet is sponsored by DHS's two chapters of Future Homemakers of America.

Spotlight on 4-H

Nazareth Youths Are Winners

(Third in a series on the county's 4-H clubs, written by club members.)

The Nazareth 4-H Club has 16 members, and all work very hard on their projects and have made a good showing in everything they have entered.

AGNES ACKER says she has enjoyed her first year in 4-H because she has learned to sew and cook. She has won both ribbons and money in several contests. The ribbon she is most proud of is the white ribbon she won in district in Favorite Foods, and for that she made peanut butter cookies.

Rita Womack entered and received ribbons in the fair, Shattuck Fun Contest, team demonstration, project show, favorite food show, and the dress revue. She went to district twice and says she received a lot of experience. She also entered the Holly Sugar cook-off in Hereford. She plans to do a lot better next year.

Patricia Hochstein has been a 4-H member for one year, and says she joined 4-H because she had a great interest in helping other people and working with them. She went to district with her method demonstration on Foods and Nutrition and won a blue ribbon. She was the county Bake Show Queen and was proud to go to the Tri-State Fair for the county with a fruit pie and batter rolls.

DEBOA ACKER says the past year she had a very enjoyable year and won many ribbons. The one she is most proud of is the blue ribbon she won on her method demonstration at district and

the two loving cups she won at the Youth Fair. She also won several ribbons at the Tri-State Fair and a blue ribbon at the Holly Sugar cook-off in Hereford on candy.

Debra Hochstein has been in 4-H for five years and this year she is secretary of her club. She entered the dress revue, where she won second place in the senior division. She also entered the project show, bake show, method demonstrations and the youth fair. She is most proud of the ribbons she won on the method demonstration. She and her sister won a blue ribbon in county and district, and she was able to go to the state round-up at Texas A&M.

Julie Huseman has been in 4-H for three years. She has had much experience in cooking and sewing. She has learned to help her mother better, and thinks 4-H has helped her do this. She helps her mother by sewing some of her own clothes and by cooking some of the foods her family eats. She likes 4-H because she wins a lot of ribbons and some money.

SHARON HOCHSTEIN has been a member for seven years and these years have been profitable to her. Last month she was named Castro County Gold Star 4-H Girl for 1966. In her clothing project she won first place this past year and represented the county at district. She has also won awards in her foods project at the county fair, project, bake show and the Tri-State Fair. She also enjoyed the experience of attending state 4-H round-up at College Station, giving a demonstration on safety. She entered the Holly Sugar cook-

off in Hereford and won one first and two third place ribbons and \$45. She enjoys working with the other 4-H club members and, as president, she hopes this will help her attain a higher standard of leadership.

Terry Huseman is in his fifth year in 4-H. He likes to be a 4-H member because it gives him an opportunity to learn how to be a leader and to "do many things that I would not have a chance to do otherwise."

"IN MY third and fourth year of 4-H my brother and I won district with our beef cattle demonstration," he said. "I was a junior member and couldn't go to state with my demonstration. The past two years I took fire prevention and won district with my records, then the fire prevention records were sent to state and I won at state. I have had pigs to feed, and cattle too, but never won much on them, although I made some money for my education fund. This year I am going to feed two steers on a commercial basis."

Raymond Huseman, in his fourth year of 4-H, says he is proud of the honors and medals he has won. "When you work real hard and win, it makes you feel good," he said.

Raymond and his brother Terry won in district with their beef cattle demonstration two years in a row, but both were junior members and couldn't go to state. Raymond has fed pigs and cattle, mostly for commercial purposes. "I am going to feed a calf for commercial use this year also," he says. "This way I can learn how to feed regular cattle

for profit." Raymond was named champion farmer one year.

STEVE ACKER says, "This year in 4-H I have worked with my Chester White pig and my calf (that I will show in the project show next spring. This year I also won lots of ribbons at the youth fair and was named champion farmer and champion gardener, for which I received loving cups. I am most proud of my blue ribbon that I won at district for a poultry demonstration. 4-H is lots of fun but you have to really work to win any prizes."

Lester Womack says, "What 4-H means to me is that it has taught me the safety and care of a tractor. I am also learning a lot in my livestock and fire prevention projects."

ROBBIE HUSEMAN has been in 4-H two years, and said he joined, "because I wanted to raise pigs and calves and show them. I won a Sears pig and when it was half grown it died. Next I got a calf to feed but it wasn't good enough to show. I like to go to 4-H meetings because I have a lot of fun there."

Larry Hochstein said, "This last year I had a Chester White pig and showed it in Dimmitt and at the Tri-State Fair in Amarillo. This year I entered the 4-H wheat show at the Tri-State Fair and won 10th place. I am raising a calf this year for the fat stock show in Dimmitt. I like 4-H and working with the other members."

Our two new members, Olen Schulte and Norman Acker, are looking forward to showing calves and participating in the other 4-H activities.

FHA Agent Will Speak Tonight To Young Farmers

The Dimmitt Young Farmers will meet at the DHS Vo-Ag Building at 7:30 p.m. tonight (Thursday), according to President Glenn Odom.

THE PROGRAM will feature Don Jennings of Plainview, local Farmers Home Administration representative, who will tell of the types of loans that are available to farmers. He will also tell how these loans may be obtained.

Final plans will be made for the Young Farmer-Young Homemaker Annual Awards Banquet. Also, reservations will be made for those desiring hotel rooms for the State Young Farmer Convention in Corpus Christi in January.

Odom said all interested farmers of this area are welcome to attend the meeting and hear Jennings' talk.

THIS OIL RIG near Arney, north of Nazareth, went on a wild mud-spewing spree Saturday night after its drill had passed an air pocket a mile beneath the earth's surface. The dark portion of the drilling tower shows how high the mud reached when it shot out of the hole. Workers shut off the mud spout Sunday morning and "killed" the air hole with water. The well is being drilled for Union Oil Co. by the Capitan Drilling Co. Depth was 5,200 ft. Sunday, and the contract calls for 6,800 ft.

Proffitts Buy City Drug Store

Mr. and Mrs. James L. (Jasper) Proffitt took over operation of the City Drug Monday after purchasing it from Glenn Render, who has owned it for the last 10 years. Proffitt, 35, a well-known Castro County farmer, said he will devote full time to the drug store at 105 N. Broadway, and will no longer farm. For the last 12 years he has operated a farm 5 1/2 miles east of Dimmitt. Proffitt resigned Monday night as president of the Castro County Farm Bureau, a post he has held for more than a year. The Proffitts said City Drug will continue to be the home of Wallace Pharmacy, owned by Duwayne Wallace. Mrs. Flora Gunn will continue as fountain manager, they added.

Homemakers Plan Activities

Dimmitt's Young Homemakers planned a banquet and Christmas display and helped 18 youngsters rehearse Christmas carols at their general business meeting last Thursday night in the DHS home-making department. **THE JOINT Young Farmers-Young Homemakers** banquet will be Dec. 17 at 7 p.m. in the Colonial Inn Restaurant. Eighteen children were present to rehearse Christmas carols they'll sing for the folks in the Golden Spread Rest Home. The club completed plans for the Christmas display that it built this week on the courthouse lawn. **FIFTEEN members** attended, plus advisors Joanne Snider and Brooka York. Barbara Quinby was a guest. FHA girls who babysat for the Young Homemakers during their meeting were Janet Whitten, Marie Dones, Janis Mooney, Beth Strickland and Janis Killough.

673 'Poachers' Fall to Wardens

The unusually good fall weather bringing multiple outdoor recreational temptations to live recklessly is reflected in the monthly arrest report of the Texas Parks and Wildlife Department. **HERE'S THE sad evidence:**
Hunting violations, 322.
Fishing violations, 223.
Water safety violations, 117.
Commercial fishing violations, 11.
Total violations, 673. The department emphasized that for every misguided person tripping over some chance or another, there were thousands playing it safe and enjoying one of the most elaborate outdoor programs in years. **THIS IS** the way the unhappy folks fell by the wayside.
No fishing license, 195; failure to have life jackets for each person in boat, 91; hunting in closed season, 76; discharging firearm on public road, 63; refusing to show license, 55; hunting at night, 13; using electrical device to take fish, 9; netting game fish, 6; operating motor boat without number displayed, 8; operating a boat without registration, 7; killing protected bird, 3; exceeding bag limit on doves, 8; illegal net or seine, 3; skiing in unauthorized zone, 1; served time in jail, 4; resisting arrest, 1.

Tax Guide Tells Elderly Benefits

Internal Revenue Service offices have made available a free guide which outlines special tax benefits for people 65 and older. **THE 18-PAGE** booklet is called "Tax Benefits for Older Americans," and was prepared in cooperation with the President's Council on Aging. This guide is of special importance to retired persons living on a fixed income, says Miss Leo C. Lane, Extension family life education specialist at Texas A&M University. A simplified explanation of how the provisions of the Federal income tax laws apply to older Americans is included in the guide. Tax-saving information discussed in the booklet includes an explanation of benefits for a surviving spouse and head of a household, added exemptions for age and blindness, amount of tax credit which is allowed for retirement income, and tax bill changes which became effective in 1964.

Long Distance Rates to Drop

The West Texas Telephone Co. has announced that effective Jan. 1, the long-distance rates within Texas will be reduced on station-to-station calls over 56 miles in distance. The reduction will vary from 5 to 15 cents less for three minutes, depending on the distance involved. Reductions are even greater for calls of over three minutes' duration. **IN ANNOUNCING** the reduced rates, the management of the company said that it was made possible as a result of technological developments, as well as the cooperation of telephone customers in placing their calls by number and using area codes, enabling the company to pass along to the users the benefit of such operating economies. This is the 10th reduction in long-distance rates for Texas telephone users since the end of World War II.

City Now 70 Percent Brighter With New Lights, SWPS States

Dimmitt's new street lighting system, just completed, will provide 70 percent more illumination on the streets of the city, according to Earl Brock, local manager for Southwestern Public Service Co. **ALL OF** the new street lights are of the mercury vapor type. The lighting is controlled automatically, with a series of photo-electric cells putting the system into operation when a certain level of darkness is reached. The highest lighting levels are found in the areas of heaviest traffic, such as the business section, around schools and the park, and on the highways. However, the greatest improvement in light levels is in the residential areas, where the old incandescent lamps have been replaced. The street lights are installed, maintained and the energy provided by Southwestern Public Service Co., with the City of Dimmitt paying a monthly rate based on the size of the light. While the new lighting systems adds 70 percent more illumination, the cost to the city increased by only 35 percent, Brock said. Southwestern Public Service invested an additional \$30,000 in the street lighting system. **"OUR CITY** commission has once again taken a forward step for Dimmitt with the approval of this new street lighting. Good street lighting helps business, cut down on traffic accidents and improves safety, particularly in residential areas," Brock said.

Final Cotton Details Outlined; Elder Recaps Rules for Voting

MODERN AGRICULTURE

Farmers now can vote in the marketing quota referendum knowing all essential details of the 1967 upland cotton program, Jim Elder, chairman of the Agricultural Stabilization and Conservation Castro County Committee announced this week.

Information on program payment rates, plus other details have just been announced by the US Department of Agriculture.

ELDER pointed out that all features of the cotton program will be available only if marketing quotas for the 1967 upland cotton crop are approved by at least two-thirds of the producers voting in the referendum. Ballots may be returned to the ASCS county office — by mail or in person — through Friday. Ballots have been mailed to all growers on record in the ASCS county office.

Elder emphasized that the general voting rule is one ballot to one person. Any questions a-

bout voting eligibility — as in the case of a grower with an interest in farms in more than one county — should be taken up immediately with the ASCS office for the county where the grower lives.

Under quotas, if the grower chooses to take part in the voluntary cotton program, early next year he will file an application to participate and then divert into soil-conserving uses any acreage he wishes to sign up — between 12 1/2 and 35 percent of his effective cotton allotment; — and meet other program provisions.

FOR THIS participation, the producer will be eligible to receive price-support loans and payments and acreage diversion payments. The loan rates will be based on a national average loan rate of 20.25 cents per pound for middling one-inch cotton at average location.

The price support payment will be 11.53 cents per pound, times the farm's projected yield per acre, times the average planted within the farm's domestic allotment (65 percent of the effective allotment.)

The diversion payment will be 10.78 cents per pound, times the projected yield per acre, times the acreage diverted from cotton production and put to conserving use.

Cotton growers on 'small farms' those with a cotton allotment of not more than 10 acres or on which the projected production is not more than 3,600 pounds and from which cotton acreage has not been released) are not required to divert acreage to qualify for payments.

Jan. 3, 1967, is the closing date for filing applications requesting export market acreage for 1967 and for filing applications for the transfer of cotton allotments by sale or lease or otherwise. The export reserve acreage feature of the cotton program will be available if marketing quotas are approved.

If marketing quotas are not approved in the referendum, only cotton loans will be available to growers who do not exceed their acreage allotments; the loan level will be at 50 percent of parity (now about 21.55 cents) as directed by law.

Elder Says '67 Grain Program Assures Farmers Good Returns

A farmer's best assurance of getting good returns from his feed grain crops is to take part in the 1967 feed grain program, Jim Elder, chairman of the Agricultural Stabilization and Conservation Castro County Committee, said this week.

PROGRAM provisions for next year encourage the planting of a larger acreage of feed grains. Corn and grain sorghum are again included in the 1967 program, but barley is not. So a program participant will be able to produce more of the feed grains in 1967 and at the same time his crop income will be protected by the price-support loans and payments available only to participants.

A widespread participation in the program, "no, will mean feed grain supplies which are in balance with demand, serving to stabilize both market supplies and prices and to avoid building up a surplus, Elder said.

Farmers will be able to qualify for price-support loans and payments on their 1967 corn and grain sorghum crops by signing up to take part in the 1967 feed grain program and then diverting 20 percent of the farm's feed grain base and meeting other general program provisions.

GROWERS ON small farms (with feed grain bases of 25 acres or less) will be eligible also for diversion payments equivalent to 20 percent of the total county support (plus price-support payment) for the first 20 percent of the base acreage diverted, and 50 percent of the support on any additional acres diverted, up to the total base.

For corn, the 1967 loan rate will be \$1.05 per bushel, national average, and the price-support payment rate 30 cents a bushel on the projected yield of the acres planted, up to 50 percent of the base acreage. For grain sorghum the loan rate will be \$1.01 per hundredweight, national average, and the price-support payment 53 cents per hundredweight, figured the same as for corn.

Sign up under the 1967 feed grain program will take place early next year.

Dallas to Host Cotton Seminar

Latest results in research and their application to cost-reducing practices will be explained to cotton producers during the 1967 Beltwide Cotton Production Mechanization Conference in Dallas Jan 12 and 13.

Fiber length, quality, cottonseed, chemicals, fertilization, insect control and new developments will be discussed. The two-day meeting, sponsored by the National Cotton Council, will be held at the Statler-Hilton.

Visits Sister Mrs. Annie Strchmeyer has been visiting her sister, Bobbie Morrison in a hospital in Amarillo.

GSPA Goes After Big-Budget Plan

The most aggressive program and the largest budget in the 10-year history of the Grain Sorghum Producers Association was proposed in a special meeting of the farmer-elected board of directors in Amarillo Friday.

ATTENDING from Castro County were C. W. Anthony of Dimmitt; Charles Heck Jr. of Nazareth; Bill Waldrop, Melvin Barton, Charles Frye, John Smith and Raymond Wiley of Easter; and D. A. Bass and Theron Morrison of Hart.

Eighty-two directors and farm leaders from the tri-state grain sorghum area of Texas, New Mexico and Oklahoma appraised the area situation for grain producers' expected farm income, market potential, production expansion, and changing government and industry relations.

They voiced concern over a possible "profitless prosperity" unless producers make a concerted and organized effort to keep grain sorghum accepted and moving in the markets at home and abroad, and keep an eye on government policy relating to produc-

tion, use and marketing of feed grains.

AFTER NOTING that area farmers were complacent in paying their membership dues of two pounds per hundred this fall, GSPA President Elbert Harp said, "Even though we have proposed the strongest and most costly program ever — a minimum \$30,000 increase over last year's \$55,000 budget — it still is just a proposal and no expanded activity will get underway until a membership and budget expansion effort is successfully initiated and completed."

In fact, without additional farmer and agri-business support, Harp said, much of the existing association programs will be curtailed or discontinued.

Directors decided to take the reins in their individual county drives, to be started immediately and completed by Jan. 15.

Price Forming Cotton Advisors

Congressman-elect Bob Price of Pampa has announced he is forming a committee to advise him on the needs of the cotton farmer.

"I WILL BE needing advice from people who are presently engaged in cotton farming if I am to do the best job possible for the people of the district," Price told members of the Childress Rotary Club last week.

The newly elected 18th District representative noted that Childress County is one of the largest cotton producing counties in the district. "For this reason I hope to have a resident from this county on my cotton advisory committee," Price stated.

"From my discussions with those involved with cotton, I know that many are now losing money — and some face an even worse disaster," he added.

"I am looking forward to working with all those interested in cotton production to see that the best possible conditions exist for growing this most important commodity," Price concluded.

USDA Moves to Boost Soybean Output in '67

Farmers will grow more soybeans in 1967 if they follow production objectives of the Dept. of Agriculture according to Jim Elder, chairman of the Agricultural Stabilization and Conservation Service Castro County Committee.

Secretary Orville Freeman has said soybean production next year should be one billion bushels — about 70 million bushels more than was produced in 1965.

FOR 1966, soybean production is forecast at 929 million bushels — 10 percent more than the 1955 record crop and 41 percent above the five-year 1960-64 average. Acreage to be harvested for beans in 1966 is indicated at nearly 37 million acres, almost 7 percent more than in 1965.

To have some degree of assurance that the 1967 crop will be one billion bushels, Elder pointed out, US farmers need to plant to the crop at least three and up to five million acres additional. They also need to adopt improved cultural and tillage practices associated with soybean production.

US soybean production has tripled since 1950, primarily because of a similar increase in harvested acreage. The average yield per acre has shown little trend during this period.

Since 1956, US average yields have varied between 21.8 bushels per acre in '56 and 25.2 bushels in the '61 peak year. The indicated per-acre yield for 1966 is also 25.2 bushels. The relatively stationary yields partly reflect the

rapid expansion of soybeans into new areas for which available varieties were not so well suited, and the planting of soybeans by many farmers lacking experience with the crop.

GROWERS HAVE been urged to consider carefully the desirability of planting soybeans instead of feed grains next year. Soybeans are in good demand and production increases continue to be vital if needs are to be met.

Growers who take part in the 1967 feed grain program may plant soybeans on acreage intended for producing feed grains under the program and still receive the price-support payment earned through program participation. However, soybeans may not be grown for harvest on diverted acreage.

Price-support payments will be 30 cents per bushel for corn and 53 cents a hundred-weight for grain sorghum. The payments are

made on the farm's projected yield for the feed grain acreage planted under the program, up to 50 percent of the total feed grain base.

Utilization of soybeans in 1966-67, USDA expects, will be substantially greater than last year because of increased domestic requirements. A growing foreign demand for soybeans, particularly in Europe and Japan, also points to a possible increase in exports — perhaps around a tenth above last year's record 251 million bushels.

BECAUSE of the continued relatively close balance between supply and prospective utilization in 1966-67, soybean prices to farmers are expected to average well above the 1966 support rate of \$2.50 per bushel.

Let School Devotionals Continue

BY GARLAND JARVIS
One C. T. Gifford, director of the Department of Religion and Public Education of the Texas Council of Churches, says a majority of the public school districts of Texas are "acting unconstitutionally" because they continue to "conduct religious devotionals despite recent US Supreme Court decisions."

make surveys, such as the one upon which Dr. Gifford's opinion was based.

With this generous observation out of the way, I therefore grant myself, and a considerable number of other citizens in Dimmitt and elsewhere over Texas, the right to express our thoughts, too. If in Texas or elsewhere in the land, public school pupils are forced, against their will and the will of their parents, to attend religious services during school hours, I agree with Dr. Gifford. I further agree with his assumption that he thinks it's all right — up to now, anyway — for the Bible to be studied in school hours, for its historical and literary value.

BUT IF HE is talking about the sort of religious activity which goes on in Dimmitt as being "unconstitutional," or for any other reason, then I disagree with him — right up to his ears!

In Dimmitt High School a religious emphasis week is held each year. During this week preachers and speakers from different churches in the area are asked to present a program. It is just like a church service. There is an opening prayer, a lesson, and then a benediction. A few "good ole" religious songs are usually sung before the speaker begins. During this week, the FFA goes as a group to one church on Sunday. Also during this week, religion is emphasized very greatly.

Now if this or any part of this is unconstitutional then I will eat every bit of this paper! I do not believe that praying to God and showing a special reverence for Him by setting aside one week is unconstitutional. If anyone does believe this, then I want to talk to him. He is in worse shape than any of us. No one, not even

the Supreme Court, has the right to tell us we cannot show reverence by praying and having devotionals in school. This country was built on the principle of religion, and our first schools were established to teach reading so people could read the Bible.

Why, if it were not for religion, then the United States of America would not even have been founded in its basic form, and the Supreme Court might not even exist.

OF COURSE, the court says that there are some who do not believe in God and, therefore,

should not be made to attend these services. All right. If they don't want to attend, then let them leave. We're not going to force or tie them to their chairs. I'm sure that our school officials would excuse anyone who did not wish to attend these assemblies. Since there are a few who do not want to attend, because of religious beliefs, then the entire devotionals are banned. This is sacrificing the will of the majority for the will of the minority.

As I see it, all Americans — including students — should be encouraged to pay more attention to greater spirituality and morality. I see no harm in "Religious Emphasis Week," and I hope no one else does either. A great deal of good is accomplished.

I hope I have re-affirmed some minds and convinced a few others about school devotionals. However, at the same time — and regardless of the council and the doctor and the theories of the Justices — I shall ring my own bell, and sound out my own opinion — and hope most of the citizens in these parts will do the same.

Pep Club Gives Football Awards

Pep Club met during second activity period Nov. 23 for the Football Awards Assembly. Awards were given to the following girls for earning the most points and working the hardest during the football season on the Pep Club. Runners up: Chris James, Vickie Powell, Robbie Sheffy, Darla Kay, Joy Branaman and Sandra Hilger.

Third place ribbon — Linda Bruton. Second place ribbon — Cathy Godfrey. First place ribbon — Beth Strickland.

Grand Award Trophy — President Mary Lee Stone. The Pep Club also discussed business as follows:

Uniforms will no longer be worn to games until further notice. Pep Club members should receive something identifying them as members within the next week which will also get them free admission to all home games.

All members are asked to sit near each other and to YELL! Points will be taken off for wearing blue jeans. To receive points for being at the game, you must turn your name in to the parliamentarians or the president.

Schedule of the games, and of committees are being passed out to all members. "Do Your Best For DHS."

Speaking Out

Why Follow Fashion Fads?

Why do some teenagers feel it is important to dress in some of the "cutlaidish" styles of the day? This question is probably asked as much as any question of the day. Perhaps it is because it is the only way some teenagers have been able to express their rebellion against the rules which they feel are crowding in on them.

These "fad-followers" say they wear these types of clothing to express individuality. They say they want to be different.

ACTUALLY, they are defeating their own purpose because they are not expressing individuality at all, but are simply adhering to the rules set by a group, which is open rebellion to all forms of tradition.

Aren't you glad you live in Dimmitt, where the teenagers still feel well-dressed in fashions which are becoming and acceptable to the society of which we are a part?

Bulldogs Outlast Bobcats, 74-52

Tuesday night, the Dimmitt Bobcats fell to the Plainview Bulldogs by a score of 74-52.

The Bobcats are Class AA while the Bulldogs are AAAA; the Cats had a tough time keeping up with them.

RONNIE KENMORE led the attack for the Bobcats with 17 points, while Ray Bradley trailed with 9 points.

Thursday night the Bobcats will take on Abilene Cooper at 6:00 in the Plainview Tournament.

Fledgling Journalists Learn Through Practical Experience

"Freedom of the press!" "Sure we will have it someday." This probably was said in many conversations before the Revolutionary War. They did fight, and they won this freedom and more.

Today we are still proud of this great freedom won for us by our ancestors. We have grown and expanded so that now we even have school newspapers.

Newspapers are the best way of giving the public facts and data. To make a good newspaper one must have first had training. A journalism class teaches students how to write, and what to write about.

This year Miss Littlepage is teaching journalism and American history. She went to the University of Texas and got her Bachelor of Arts degree. Here she majored in English and history. She was privileged to work on the DAILY TEXAN, the university paper. She also attended North Texas and got her Master's degree with a major in English and a minor in history. Her first job came when she returned to Dimmitt and taught English two years.

THE JOURNALISM class has two phases, the newspaper and

Queen Bees Top Bobbies, 53-38

On Tuesday, Nov. 27, the Bobbies met the Queen Bees of Wayland Baptist College in the college gym. The Bobbies started out in the lead but then fell to the Queen Bees at the end of the first quarter.

The second quarter was tough for the Bobbies and the half-time score was Bobbies 15 and Queen Bees 30.

DURING THE second half the Bobbies and the Queen Bees both scored the same number of points. At the end of the ballgame the score was Bobbies 38; Wayland Queen Bees 53.

Allan Webb led the Bobbies in scoring points by making seven field goals and four free shots for a total score of 18 points. Debra Summers followed in scoring with 15 points.

As of this game, the Bobbies record is three wins and two losses.

Let's all get out and support our Bobbies and see if we can keep the losses at two. Work hard, Bobbies!

Spanish Club, Council Meet

The Spanish Club met Nov. 21 to discuss the Christmas party. The party is to be Dec. 16 at the home of Linda Langford, and is for the club members and their dates.

The student council met Nov. 21 to count the ballots for Personality King and Queen.

Peggy Godfrey, Benny Hastings Chosen as Seniors of the Week

This week, we have chosen two seniors who are very likeable people. Each of these students get along well with others and has great potential.

Peggy Godfrey is the daughter of Mr. and Mrs. Glenn Godfrey. She was born on December 22, 1948.

PEGGY IS very active this year, she has been throughout her high school days. She is taking English IV, physics, drama, journalism, band, and has a goof-off hour. Peggy is a member of FTA, FHA, band, co-editor of the Bobcat, and the drama club, where she serves as vice-president.

Among some of her favorite likes, Peggy lists the song "Comin' on Strong." She also likes to cook very much. Maybe some of these days Peggy will invite all of us over to eat a piece of Peach Spice Cake. Incidentally, that is her specialty.

Peggy's favorite subject is drama. She plans to go into the field of speech. She was in the all-school play last year and is a member of the cast of "Pollyanna" this year. Peggy is also a member of the National Thespians.

Next fall, she hopes to enroll in East Texas State University. She is looking forward to college since she really plans to have a good time.

DHS Freshmen Top Muleshoe

Last Monday the freshman team turned in a victory against the Muleshoe Fresh here. The score stood 41-38 at the end of the fourth quarter. Scoring for Dimmitt ran, 9 points in the first quarter, 12 in the second, 8 in the third, and 12 points in the fourth quarter. High point man was Bobby Baker with 10 points, Lester and Cleaver were tied for second in scoring with 7 points each, and Birdwell was next with 6 points. The boys turned in a good game all the way around.

Garland Jarvis, editor of the newspaper tries each week to get in a well-balanced newspaper which has stories to interest everyone. The paper tries to inform everyone of the activities in D.H.S.

Carlyn Dunn and Peggy Godfrey, co-editors of the annual, are trying to produce the best annual in the history of D.H.S. They direct the people working on the annual and tell them how and what to do. This is an important part in any journalism class.

YOU CAN always recognize Miss Littlepage by her business-like manner. When she is not teaching history or encouraging the journalism, she likes to read. She particularly enjoys historic novel or mysteries for late at night. She also likes to play bridge and cook.

Journalism is a very important subject. It requires much work and sometimes long hours. It develops many good traits, character, work habits, as well as cultivating one's writing ability. As a result of this hard work and determination, Miss Littlepage and her students have maintained an excellent department. Through their united efforts, they can help to maintain freedom of the press.

We asked Peggy this question. "If you had one wish, what would it be?" Peggy said, "If there could be world peace, everything would be wonderful."

Good luck to you, and may you hope to achieve your one wish.

BENNY HASTINGS is the son of Mr. and Mrs. Odus Hastings. Benny, too, was born on the 22nd of the month, but the month was May, 1949, instead of December, 1948.

Benny takes part in many affairs in school. He is taking English III and IV, health ed, typing, band, and American history. He plays the tuba in band and is also a member of the Lyre Club and Science Club.

Benny's favorite song happens to be "Devil with a Blue Dress On," and this blue mentioned here might also have something to do with a blue GTO that Benny owns.

Benny works at Tidwell's Spraying Service and this provides experience for his hobby, his main interest and his future. Benny is interested in flying. He simply loves to build airplanes and uses this as a favorite pastime. Benny plans to attend WTSU, then become a commercial pilot for an airline company.

Benny's reply to our question "If you had one wish, what would it be?" was, "I want to have a good future."

Well, Benny, with intentions as worthwhile and with such high ambitions, we know you will have your wish.

Six Longhorns, Five Swifts Named to All-District Berths

Hart's Longhorns and Nazareth's Swifts landed the equivalent of a full football team, 11 boys, on the District 1-B all-conference selections.

SIX OF Coach Don Ewing's Longhorns were named to eight all-conference posts, and five of

Coach Wayne Potter's Swifts received seven berths. Three Hart players were named to the District 1-B first team defense. They are end Tommy Gonzales 172-pound junior linebacker George Edd Benne t, 155 pound senior, and halfback Bob Crick, a 140-pound senior.

BENETT was named twice in the selections, earning an honorable mention as an offensive halfback.

Hart's other two-way choice was W. A. Hawkins, 124-pound junior, who received honorable mention as a defensive halfback and offensive quarterback.

Also receiving honorable mention on offense, in addition to Bennett and Hawkins, were Hart's David Harris, 165-pound junior tackle, and Larry Parker, 134-pound senior end.

NAZARETH placed two players on the all-district first team. Senior end and co-captain Tommy Pohlmeier, a 175-pounder, repeated as an all-conference offensive end, although he was sidelined most of the season with injuries. Named to the first team defense was Nazareth's Clyde Venhaus, 140-pound junior linebacker. Venhaus also received honorable mention in the offensive selections as a halfback.

Senior lineman Claude Annen, a 211-pounder, gained honorable mention both as an offensive guard and defensive tackle.

TWO OTHER Nazareth grid-ders received honorable mention on offense. They are guard Bobby Schulte, 140-pound sophomore, and Gene DeMeier, 140-pound junior halfback.

'Few Are Killed By Loaded Guns'

Gun carelessness by both adults and youngsters is marring a successful fall wildlife harvest, according to reports to the Texas Parks and Wildlife Department.

THE RESULTING fatalities have boosted this fall's death toll beyond the 1965 total and have pressed veteran department field men to try to recall any such wised series of mishaps.

For example: A deer hunter, preceding companions back to camp, hid in some brush, shook the bushes and growled like a beast. He was killed.

A YOUNG man, stepping into his pickup at dusk, was wounded by one of three rifle slugs embedded in the vehicle in a 12x9-inch area. Investigators found two rifle cartridges 97 feet from the "target." There was a small bush between the gunner and the victim, about 60 feet from where the victim was struck.

A nine-year-old boy was shot out of his tree blind by an older companion who said he fired at wild turkey. The previous week a boy hunter killed himself when his shotgun, being carried in a car, fell when the rig stopped suddenly causing the weapon to slip.

A 10-year-old boy was killed by a 15-year-old boy when the latter was being shown a deer rifle which discharged.

A 14-year-old boy was killed when he stumbled over a deer rifle left leaning against a darkened wall.

Bobcats Topple Post by a Point

Dimmitt's Bobcats, vying against 15 other teams of all classes, captured the consolation championship of the Plainview Invitational Tournament over the weekend.

THE BOBCATS had a rough start Thursday night when they opened against Class AAAA Cooper High of Abilene, the tourney favorite.

But Coach Kenneth Cleveland said his Cats played "their best game of the year up to that time" against Cooper before bowing, 65-54.

After falling behind by 18 9 at the end of the first quarter, the Bobcats came back and led the surprised Cooper quintet, 44-43, going in o the final period.

But Cooper rallied in the last last frame, outscoring the Bobcats by 10 points to take a 65-54 victory. Cooper went on to win the tournament with lopsided victories—and as it turned out, Dimmitt gave the highly touted Abilene boys their closest game of the tourney.

Rennie Kenmore and John Howell scored 18 and 17 respectively

to lead the Bobcats against Cooper.

FRIDAY afternoon, Dimmitt went up against Adrian for the third time this season, and downed the men from the north again, 63-54, to advance a step in the consolation bracket. Leading the Bobcat scoring were Kenmore with 22 and Howell with 13.

Saturday morning's consolation semifinals brought up an old foe, Hreford, which the Cats had downed by a single exciting point earlier this season. Playing steady ball, the Cats topped the Whitefaces again Saturday, but by the wider margin of 58-51.

Stanley Byrnes came off the bench early in the game and hit five straight field goals from the top of the circle to boost the Bobcats to a 10-point halftime lead. The Cats maintained their lead during the second half with their full court press and pattern offense to ice the contest.

Howell led the scoring in the Hreford game with 19, followed by Stafford with 13 and Byrnes with 10.

This victory advanced the Bobcats to Saturday night's consolation game against a top flight Post team.

Post, due to an extended football season, had worked out only one week prior to the tourney. But a big factor in Post's favor was its two-time all stater, Ronnie Pierce, one of the best net swishers in the state.

The game was close throughout the first half as Dimmitt took a 32-30 lead into the intermission. But in the third period Pierce got hot and hit 16 points, giving Post a 50-39 lead over the Bobcats at one stage of the third frame.

HOWEVER, the Bobcats refused to give up, and fought back to within five points of the Postmen by the end of the third quarter, 48-53.

The Cats continued to hack away at the Post lead during the last period, and finally tied the game at 62-all with two minutes remaining.

Post went into a stall, planning on one last shot, and called time out with just 15 seconds left.

BUT ON THE throw-in, the Bobcats threw up an airtight defense and forced Post back across the midcourt stripe. The miscue

cost the Postmen the ball and gave it to Dimmitt.

With the final seconds ticking away, the Cats worked the ball downcourt. Kent Lindsey lobbed a pass to John Howell at the post, and Howell whirled and hit a beautiful driving layup with three seconds left to give Dimmitt the consolation championship with a 64-62 victory.

"As a team, our boys played good basketball in both games Saturday," Coach Cleveland said.

RONNIE KENMORE, who played outstanding ball for the Bobcats throughout the Plainview festival, was named to the all-tournament team. Several other Dimmitt players were also nominated for the all-tourney squad. Cleveland said it was "a very good weekend" for his Bobcats. "They played four tough games and gained a lot of experience from each of them," the Dimmitt mentor said.

THIS WEEKEND the Bobcats go into the West Texas Tournament at Canyon, which features fixed pairings. They'll play Happy at 3 p.m. Friday, Clarendon at 10:20 a.m. Saturday, and Canyon at 9:20 p.m. Saturday.

Hart Tournament Kicks Off Today

Eight boys' teams and seven girls' teams will compete this weekend in the Hart Basketball Tournament, which gets underway today (Thursday) in Hart High School gym.

BOYS' TEAMS entered are Hart, Nazareth, Dimmitt B, Olton B, Booker T. Washington of Plainview, Plainview sophomores, Flomont and Bu'a.

Girls' teams in the tourney are Hart, Nazareth, Dimmitt B, Olton B, Flomont, Bula and Booker T. Washington.

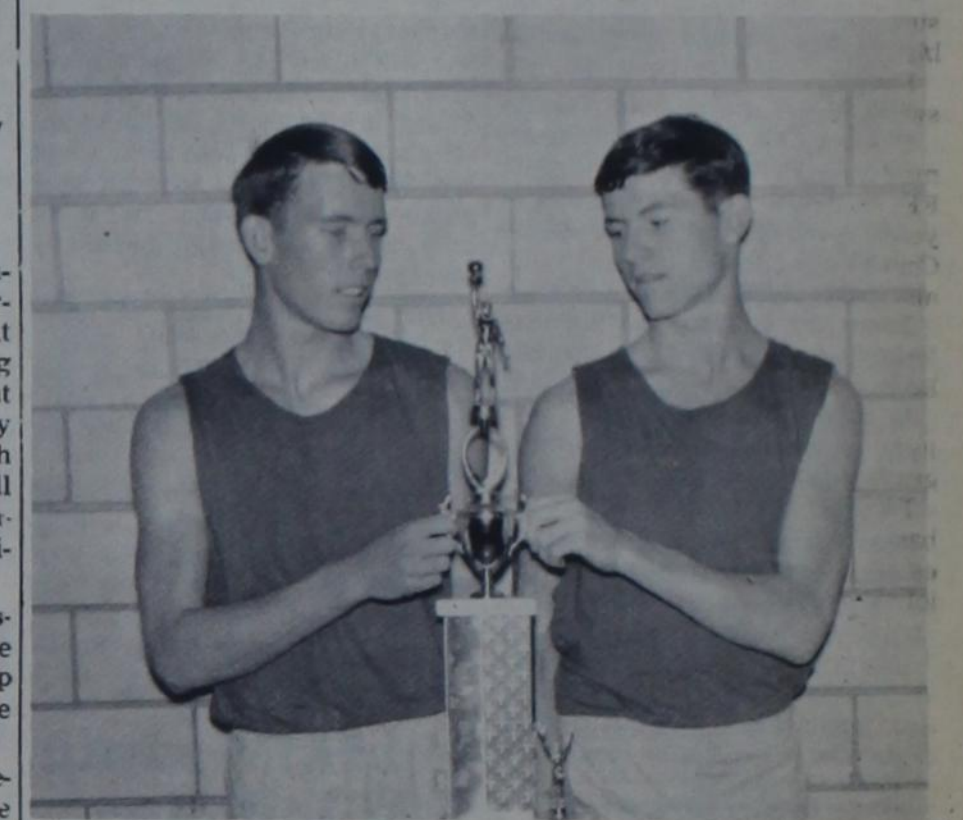

In the boys' first round, Olton B and Nazareth will kick off the tournament at 10:30 a.m. today (Thursday). Other boys' openers will pit Bula vs. Booker T. Washington at 1:30 p.m., Plainview sophs vs. Flomont at 5 p.m., and

Dimmitt B vs. Hart at 8 p.m.

Nazareth and Booker T. Washington will lead off the girls' tourney with a first-round game at noon today. In other opening games, Bula will meet Flomont at 3:30 and Dimmitt B will play Hart at 6:30. Olton B, which drew a bye in the first round, will meet the winner of the Nazareth-Washington game at 12 noon Friday.

THE SATURDAY afternoon session will start at 3 p.m. with the girls' consolation championship bout. The boys' consolation title game will follow at 4:30.

Championship games will begin at 7 p.m. Saturday with the girls' title game. The boys' championship bout will be at 8:30 Saturday night.

Sweetheart Tree Is Highlight Of Best Beau Banquet Saturday

The FHA girls were hostesses for the annual Best Beau Banquet Saturday, Dec. 3. The theme was the Sweetheart Tree. Each year the girls do a tremendous amount of work on this banquet and each year the decorations and atmosphere become more beautiful.

The annual sales were finished Nov. 30. Pity the poor souls who forgot to purchase their '67 Bobcat — they'll be missing out on a great yearbook and a lot of fun and parties, too!

A NEW PEP Club is being organized to support our fighting Bobcats and Bobbies during basketball season. The organization is open to all high school girls — that means band members, too. Sign up today and back our teams to victory!

This Friday and Saturday the all-school play, "Pollyanna," will be presented in the high school auditorium at 7:30 p.m. The admission prices will be \$1 for adults, 75 cents for high school and junior high students, and 35 cents for elementary and pre-

More Join Pep Club

The Pep Club (Bobbettes) met Tuesday to expand the membership for the second semester.

The sponsor, Mrs. Kountz, stated that uniforms for new members weren't required. Badges for identification at the games were selected.

Mondays were designated as workdays for the decoration committees.

BOTH CHAPTERS of FHA met Wednesday to vote for the Best Beau.

The theme for the banquet was "Under the Sweetheart Tree." Each member checked in her yearbook with the required 150 points in order to attend. The names of guests were put on the datelist.

Those on the work committees for the affair were reminded of their duties. Decorating for the banquet began Friday afternoon immediately after school in the South Grade Cafeteria.

THE STUDENT Council discussed having an all-school party, and decorating the halls. It was decided DHS members will lead a discussion group at the District Convention, Dec. 10.

The club also decided to sell beanies to the "Fish" for 50 cents each. "Fish" will be required to wear them the week of the first district basketball game and all following ones. If caught without a beanie, the forgetful "Fish" will be fined 10 cents.

The Spanish Club is having a Christmas party Dec. 16, and all members are invited to attend with their dates. Gifts will be exchanged and there will be plenty of goodies.

B-Cats Drop Double-Header

On Tuesday, November 29th, the Bobcat B team ventured to Plainview to play the sophomore and junior varsities. The Bobcats split up into two teams and almost everyone got a chance to play.

In the first game against the sophomore varsity, Denny Johnson was high point man with 11 points. Lint Merritt was next with 8 points. Ronnie Huckaby managed to tie Lint with the 3 points he scored in the overtime. At the end of the fourth quarter the score stood 31-31. The game went into overtime which ended in a score of 35-34, a victory for Plainview.

THE SECOND game featured Plainview's junior varsity against the remainder of our B team. High point man was Doug Hays with 11 points, followed by David Land with 7 points. The final score of this game was 41-36 in favor of Plainview.

Coach Hunter said an outstanding effort was made by everyone who played and the team showed a lot of promise for the games to come. The record stands at 3 wins and 3 losses for the season.

TWU Requirements

Outlined for Girls

Miss Gwen Marks, a 1965 graduate of Texas Woman's University, met with the girls of the junior and senior classes on Tuesday, Nov. 29. Miss Marks discussed the requirements for entrance, as well as the activities, the social life, and the traditions of the famous school. The girls enjoyed the informal discussion and wish to express their appreciation for Miss Marks' information.

THE SENIOR class met Monday, Nov. 28, to discuss ordering graduation invitations. A style was selected for the 1967 invitations. Each member of the class should turn in the exact number of invitations and cards he wants in the next two weeks.

Father and Son Take Canoe Trip

Dr. Charles Vandiver was telling about the most interesting trip he and son Craig had taken recently, when they and Dr. PERKINS OF Littlefield; his son Mike, a freshman at Baylor and Charles' nephew, Mike Smith, a sophomore at Austin College at Sherman, made a canoe trip sixty-five miles down the Rio Grande River. He says they put canvas in the Rio at Castalon and came out at Boquillas. Big Bend National Park. It was the most beautiful and some of the wildest country you ever saw, Dr. reports. I didn't get the details, we must hear more. Esta and son Loren visited in Amarillo while they were gone.

GUESTS IN Faye Kennore's home recently were her daughter, Monet and George Ray, their children Mark and Jana of Cresson. George will be remembered as Pastor Ray's son of the First Baptist Church here. They will all visit Mrs. W. H. Connor at Gould, Okla., near Hollis. Mrs. W. H. Connor is Faye's mother.

Callers in the Claude Johnson home lately were, daughter Rosa Sheppard, Hart and Colo.; Polly Smith, Rowan Crader, Kim and Cody of Mancus, Colo.; Sarah Crader of Edmondson; Mrs. C. J. Johnson; and their only grandchild, David Dennis. Claude and Dora have just returned from Houston after Caudé's check-up.

ONE OF THE very prettiest parties of the year was Saturday night at the Colonial Inn Restaurant dining room, when the ex-students of Jeanne Campbell's Charm School had their annual

Christmas dinner. Bobbie Kellar told me the ladies wore those beautiful long glitter dresses and their husbands came as special guests.

Fruit punch was served at a visiting period before dinner. The tables were decorated with red velvet ribbons down the center with holly and candles. The piano was the center of attraction with two small golden trees with a small angel standing watch.

The hostesses for arrangements were Gail and Bobbie Bruegel, Goldie Stanton and Jeanne Campbell. Theo Campbell was master of ceremonies; James Welch gave the invocation; Johnny Clark, Superintendent of Schools at Hereford was the banquet speaker and Helen Braafladt presented special music. Then a "Sing Along With Helen" was enjoyed by all thirty-five or more people.

Pauline and W. W. Gilbreath were hosts at a dinner recently for her parents' Winnie and Posie Cunningham, his brothers and sisters, Sam of Dimmitt, the Woodfords and the Posys of Hereford, a sister Lois Agness and family of Amarillo.

Mr. and Mrs. Lawrence Buckmaster and Mr. and Mrs. Horace Carlile went to Dalhart Friday to visit their friends, Mr. and Mrs. Red Powell. Mr. Powell is seriously ill.

MARY AND Joe Goffebon of Portales have been visiting her sister, Mrs. Umberson, his brother Noel and family. They went on to Orlando, Fla., to spend Christmas with their daughter, Marilyn and family. Wanda and family of Albuquerque will fly down later.

Lester and Clara Gladden are home from a wandering around trip over Louisiana and Arkansas. They tried to be sure and get home for the post office dedication and a visit with Congressman Rogers.

Charles and Linda Minchew and boys Kirk and Kyle and Don Minchew, Tech student, visited their sister, Mrs. Barry Epps in Port Worth recently.

Mrs. Bruce Taylor called to tell us about the new granddaughter, Lisa Michelle, who is the child of Berle and Annabele Hyatt, who live in Austin. Berle is with the Seaton Hospital and a parttime student at TU. Mr. and Mrs. Homer Hyatt are the grandparents, as is Bruce Taylor, too. Mrs. Taylor plans to go to Austin Wednesday.

MR. AND MRS. G. C. Brockett and Mr. and Mrs. Cecil Crum accompanied the Crum's son, Keith Crum to Dallas where he was a contestant in the "Pun-Pass and Kick" Contest sponsored by the Ford Co.

Eight-year-old Keith won first place in his age group which was held in the Cotton Bowl between and before the big ballgame between the Dallas Cowboys and St. Louis Cardinals.

Keith was given a suit by the Brocketts and the Cowboys. Had picture made with some of the boys. He won at Okla. City and Dallas and will go back next week. Virginia says it was a fun weekend watching the games with 80,000 other people.

Donald and Katy Wright, Ricky, Jim and Sherri flew down to Dallas Saturday to see the ballgame — Cowboys vs. Cardinals, and for a short vacation to see the town.

Kay Willis was hostess to about thirty-five girls Saturday night after the "Best Beau" banquet. They had a good time re-living the banquet. Read about it in the Bobcat Tales.

Mrs. Glen Merritt was hostess Thursday afternoon for a bridge

and refreshment party out at the farm place. Her guests were Dorothy Gilbreath, Jo Eddy Riley, Ruth Jackson, Ina Cleavinger, Katy Graham, Dorothy Mayfield, Carolyn Jones, Shirley Wise, Ina and Jim Cleavinger and sons Jimmy and Tom visited her mother, Mrs. Lewis at Sweetwater recently.

DORA MONEY and Katy Buckmaster visited this week with their brother, Frank Hyatt, who had surgery on his face. Do write to Frank at the Veterans Hospital, Amarillo, in the Sixth Wing. He has many friends in Dimmitt.

Florene Leinen has had a house full of company in and out lately. Her son, Dale and his friend Jack Swayze, WTSU, and Mr. and Mrs. E. D. Belden of Fort Worth, Mr. and Mrs. Terry Hill of Levelland, also visiting his parents, the Charley Hills, were all here. Then Sunday she was hostess for a birthday dinner for her father, Johnny Stork, Kathy Sue Shannon, Da'e, 20th birthday and Shirley's. Other guests for this party were the John Storks, the Fate Shannons and the Terry Hills.

Mr. and Mrs. Edgar Ramey were hosts at a dinner and conversation party at the Colonial Inn Restaurant Friday evening. A steak and good go-withs were served to the O. K. Howes, N. F. Cleavingers, Edgar Rameys, Horace Carliles, George Bradfords, Sid Sheffys, Clarence Beardens and the P. L. Cunninghams.

MRS. JIM BAGWEL of Clayton, N. M. and her daughter, Christine of Perryton were visiting George and Ivor and families. They were greeting old friends at the cafe Sunday.

Mrs. Elta Brashears, Mrs. Dewey Wright and Dorothy have been visiting Sarah Northen, who is in St. Anthony's Hospital recuperating from a bout with pneumonia.

Rev. and Mrs. H. D. Seago were Sunday guests of his sister Mattie and J. O. Seale and boys. Mr. Seago is district superintendent at Brownfield.

THEO CAMPBELL is having a one-man show of his paintings at the Dimmitt Galleries Saturday from 10 till 6 p.m., Sunday from 1 to 6 p.m. And a very special treat at the Bethel Community building Saturday night will be Christmas Chalk Art in fluorescent light. The hour is 7:30. Everyone is invited to both showings. Mr. Campbell is known as one of the coming artists of our area.

A group of friends surprised Marshall and Daisy Langford with a housewarming Friday night. A money tree was the gift for the house which is on Pine Street.

A SILVER TEA and Christmas Bazaar will be hosted by the Dimmitt Garden Club Tuesday, Dec. 13 at the First State Bank community room at 3 p.m. Arrangements and gifts by the members will be on sale. Please come. Hostesses will be Mrs. J. C. Gilbreath, Mrs. Goodwin Miller and Mrs. Richard Wooten.

The Pink Ladies of the hospital will have the Bazaar and Tasting Tea Saturday at the Fellowship Hall of the Methodist Church. This event was postponed from last Saturday because of the death of our good friend George Webb. Do come for dinner and see and buy your Christmas gifts.

Our paper goes to many far away places. I received a short letter from Major Garnett Holland, Polly and little Vanesa, who are with the United States Service stationed in Thailand.

We really enjoy "Sheffys Chatter" in the Castro County News. This will be our last Christmas in the service. We come home Oct. '67 retired. Twenty-seven years, you know I don't even feel that old. We are enjoying a beautiful assignment.

The Garnett Hollands.
A. D. Schreck and his friend Terry Williams of Odessa, both students at WTSU, were home for the weekend with the Art Schrecks.

CAROLE FARRIS said she met Mrs. James Tom of Midland for a day of shopping and visiting. She and Kay were roommates at Tech. Carole also told me about the fun party at the Glenn Merritts Friday night. Pick-up foods, dips, coffee, tea and cakes were served and "42" was the game played by the Calvin Pettys, the Ronnie Farrisses, the M. F. Moores, the Jimmy Bosticks, the Bill Grahams Jr., the Bob Johnsons, the Red Baldridges, the D. L. Cleavers, the Jasper Profitts and Mrs. Omeida Hutto.

Mrs. Fred Bruegel and daughter Sandy are in Cleveland, Ohio. It was nice seeing Congressman and Mrs. Walter Rogers of Washington, Rep. Bill Clayton and all the important people who were here for the dedication of the new post office Saturday.

Mr. and Mrs. Jack Cowsett celebrated forty years of married life Monday. Where have the years gone? "With the Wind" I guess.

MRS. JIM BAGWEL of Clayton, N. M. and her daughter, Christine of Perryton were visiting George and Ivor and families. They were greeting old friends at the cafe Sunday.

Mrs. Elta Brashears, Mrs. Dewey Wright and Dorothy have been visiting Sarah Northen, who is in St. Anthony's Hospital recuperating from a bout with pneumonia.

Rev. and Mrs. H. D. Seago were Sunday guests of his sister Mattie and J. O. Seale and boys. Mr. Seago is district superintendent at Brownfield.

Nazareth Hosts Bi-County Council

A speech by Nazareth High School Supt. J. M. Slavik and a lively question-answer session highlighted the recent PTA Bi-County Council meeting in the homemaking department of Nazareth Public School.

NINETEEN parents and three teachers attended the meeting, with all but one school in the Swisher-Castro area represented.

Speaking on the public's rights in the school system, Slavik said, "Unless you become involved in school activities, you will never be interested in what's going on."

He noted also that school superintendents are usually "very human people" and that they need to keep "an ear to the ground and an eye to the future" at all times to help all their students.

FOLLOWING his speech, a question-answer period covered a multitude of topics, such as the value of a school sports program, whether every school must take part in all sports, means of voicing disapproval with any phase of a school's program, the public's place at school board meetings, and how to interest children in school activities without relying on the "herd instinct."

During the business meeting Mrs. Mavis Davis of Hart was elected vice-president for the rest

of the year to serve out an unexpired term.

Representatives from each school present summarized what their local PTA units are doing this year, in an idea-swapping session.

MRS ALBERT Schoenenberger reported on the recent PTA state convention. Included in her report were legislative printers and a discussion on driver education and the current move to change the minimum age requirement for driver's licenses.

Mrs. Mavis Davis and Mrs. Jeanne Schulte also gave their comments on the recent state convention.

Next meeting of the bi county council will be Jan. 24 in Kress.

Golden Spread Rest Home

BY DORIS GRAY

The Golden Spread Rest Home sure looked prety Monday morning when I arrived as we were honored last week with many floral arrangements.

Allan Webb brought one pot plant and two arrangements of cut flowers for the people here to enjoy. Thanks to the Webbs for their thoughtfulness. Also, our deepest sympathy on their loss of Mr. George Webb.

THE DAILY mail carrier here brought the home a pot plant from the post office open house.

Also from a "Mystery Source" we received a beautiful blue artificial flower arrangement. Thanks to whoever was responsible.

The Church of Christ had services at the home at 11:40 Sunday.

The Missionary Bible Church from Clovis, N.M., had services Sunday at 3 p.m.

T. B. Cox from Hart dropped in to see Henry Connally Saturday morning.

Carl Moore came and took his wife Mayme out to dinner Sunday.

IRVIN REEVES of Hereford visited with his mother, Emma Reeves last week.

Mrs. Lela Cobb of Plainview visited with Mr. and Mrs. Lewis on Monday. Mrs. Cobb is a friend to the Lewis's and the mother of Mrs. Para Render of Dimmitt.

N. O. Tedford of Tulia visited his sister Nannie Sunday. Nannie has been on the sick list the past week.

Helen Backus visited her mother, Mrs. Annie Venhaus, Thursday. Also Mrs. Huseman and children of Nazareth on Thursday visited their grandmother.

Visiting Miss Annie Browder last week were Mrs. A. O. Gregory, Mrs. Gellehon, Mrs. Johnson, Mrs. Mooney, Mrs. Calhoun, Mrs. Rothwell and Mrs. Lippard.

MR. AND MRS. Dutch Childress from Tulia visited her parents, Mr and Mrs. R. A. Freeman, Sunday.

I went in to visit Mr and Mrs. Frank Conard and she was cleaning her closet. She said she didn't have any company much, just "in and outs," and none would stay all night. Mr. Conard is still on sick list.

I went in to see Addie Miner and Susan Brown, and they hadn't had any visitors. But they make mighty good baby sitters for my son, Mark Allen, while I gather news.

Frank Hoelting of Nazareth visited his father-in-law, John Heiman, last week.

SHELBY SMILEY of Marlow, Okla., visited his brother, Bill Smiley, Tuesday. Also a brother, C. R. Smiley of Littlefield, visited recently.

Mrs. Frank Henderson visited her father, Mr. John Simmons, Monday.

Mr. and Mrs. John Nix of Tulia visited her father Mr. Barnes on Sunday.

Mrs. Sam Lane and Mrs. Melba Presley were in to visit Mrs. Wyatt on Monday morning.

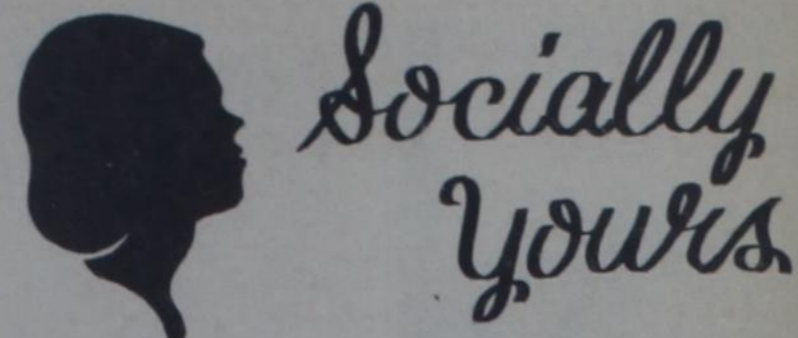

(Delayed From Last Week)

On the Tuesday before Thanksgiving the GA Girls of the Sunnyside Baptist Church brought ice cream cones filled with goodies for favors. Mrs. M. D. Durham, GA director, Mrs. Hershel Wilson, counselor for intermediate girls, and Mrs. Bill Morgan, junior girls' counselor, led the girls in several songs, and Thanksgiving poems were recited. It was certainly enjoyed by all.

The Young Homemakers fixed a tray of cookies with turkey in the center and a box of fruit for the folks at the home at Thanksgiving. Mrs. Elsie Moore, president, and Mrs. Stephanie Love, secretary, brought them to the home.

The Bedford Street Church of Christ had services at the home at 11:45 a.m. Nov. 27.

WE WELCOME a new patient, Mrs. Nora Wyatt. Her visitors have been Mrs. Ocie Bolton of Dimmitt, Mr. and Mrs. Leo L. Barrows of Dallas, Mr. and Mrs. Garry Wyatt of Dalhart, and Mrs. Sam Lane and Mrs. Melba Presley.

MRS. PATRICK STEPHEN BALDWIN
... Formerly Robbie Jo Buntyn

Miss Buntyn Weds Patrick S. Baldwin

Robbie Jo Buntyn, daughter of Mr. and Mrs. Robert Buntyn of Dimmitt, became the bride Friday of Patrick Stephen Baldwin of Lubbock.

AFTER a civil ceremony in Lubbock, the couple exchanged vows in St. Thomas Episcopal Church in Hereford, with Rev. Staley Hackley, rector, officiating.

The bride is a 1964 graduate of the Selwyn School in Denton, and last year studied at the Sorbonne in Paris, France. She is now a languages major at Texas Tech.

BALDWIN, son of the late Mr. and Mrs. Frederick A. Baldwin of Alice, is teaching undergraduate courses in French at Texas

Tech while working toward his doctorate in this field. He is a graduate of North Texas State University.

The newlyweds are now at home at 2106 W. Eighteenth St. in Lubbock.

CDA Schedules Craft Show-Sale

Nazareth's chapter of the Catholic Daughters of America will stage a public hobby and crafts display and sale Sunday at 2 p.m. in the Nazareth community hall.

ANYONE with a handcraft hobby may bring items to the show, either to display or to sell. Entry fee is \$1 per person, regardless of the number of items. Baked goods and sewing displays are also eligible as hobby items.

All items should be brought to the community hall by 2 p.m. so the ladies may start the show on time.

Proceeds will go to the Madonna Plan.

Tea and Bazaar Reset Saturday

The Hospital Auxiliary postponed its annual Christmas Bazaar and Tea on Saturday because of the funeral of George Webb, and will hold the event this Saturday instead.

THE TEA will be from 11:30 to 1 in Lamar Fellowship Hall of First Methodist Church, and will feature a parade of favorite menus of meat dishes, vegetables, salads, breads and desserts.

Recipe copies of each dish will be available for 10 cents each.

The bazaar will begin at 11:30 also, and will last most of the day. Placed on sale for special Christmas gifts will be all the handcraft items the Pink Ladies have made during the year at auxiliary workshops.

PROCEEDS of the holiday event will go to buy equipment for the hospital and provide nurses' scholarships.

Schulte-Birkenfeld Vows Are Recited

St. Anthony's Catholic Church in Hereford was the scene of the Thanksgiving Day wedding of Sherrie Lynn Schulte of Hereford and Bryan William Birkenfeld of Nazareth.

THE BRIDE is the daughter of Mr. and Mrs. Joseph A. Schulte of Hereford. Birkenfeld, who is serving in the US Navy, is the son of Mr. and Mrs. Chris Birkenfeld of Nazareth.

Conducting the mid-afternoon ceremony was the Rev. Alexander Beaton, S.A. The marriage vows were recited before an altar decorated with white chrysanthemums.

Jarice and Denise Albracht of Nazareth carried the couple's wedding rings on white satin pillows that had been used to carry the rings at the marriage of the bride's parents.

GIVEN in marriage by her father, the bride wore a floor length sheath gown of bridal satin, featuring a bodice overlaid with lace embroidered with sequins and pearls. Her gown was designed with a chapel train attached at the waist, and her elbow length veil of illusion was attached to a crown of seed pearls. She wore a diamond necklace belonging to her mother.

The bride's sister, Patsy Schulte was maid of honor. Bridesmaids were Stephanie Birkenfeld, the bridegroom's sister, and Loretta Hoffman. Each wore a street length princess style dress of royal blue velvet, accented by metallic shoes, and each carried a gold basket bearing white mums. The ring bearers' frocks were designed in the same style as the bridesmaids' dresses.

Rennie Birkenfeld of Lamar, Colo., served his brother as best man. Groomsmen were George Schulte, brother of the bride and

Carl Birkenfeld. Ushers were Conrad Schulte, Tommy Reiter and Wayne Reinart of Amarillo, and Joe Venhaus, Leslie Birkenfeld and Louie Acker of Nazareth.

MRS. AIRHART Reinart was organist, and Lynn Hale was vocal soloist.

Mothers of both the bride and groom wore suits of light blue with white carnation corsages.

A reception in the auditorium of the church followed the ceremony.

After their wedding trip, the newlyweds will be at home this weekend at 760 Avenue H, Colorado, Calif., where Birkenfeld, an NHS graduate, is based with the USS St. Paul.

THE NEW Mrs. Birkenfeld wore an olive green suit with matching accessories for traveling. She is a 1965 graduate of Hereford High School, and was graduated in August from Western Republic College in Amarillo. She was employed by the J. C. Penney Co. before her marriage.

Out of state wedding guests included Mr. and Mrs. John Lueb, Mr. and Mrs. Richard Lueb and Mr. and Mrs. Clarence Lueb of Boulder, Colo., and Mr. and Mrs. Rennis Birkenfeld of Lamar, Colo.

Miss Futrell On Dean's List

Lois Carol Futrell, daughter of Mr. and Mrs. R. A. Futrell of Hart, has been named to the mid-semester Dean's Honor Roll at Wayland Baptist College.

McLains to Observe Golden Anniversary

Mr. and Mrs. Ira McLain will be honored with a golden wedding anniversary reception Dec. 18 in the home of their daughter and son-in-law, Mr. and Mrs. Virgil King, Olton.

THE KINGS' home is located on Highway 70 in west Olton. Calling hours will be from 2 to 5 p.m., with all friends invited, and the McLains have specified that no gifts be given.

The McLains, longtime Castro County residents, were married on Christmas day, 1916, in Lamb County. They have two children, Mrs. King of Olton and Laurence McLain of Hart, plus four grandchildren and five great grandchildren.

McLain, a retired farmer, was born in Prescott, Ark., in 1896 and came to Castro County in 1904. Mrs. McLain, the former

Angie Henderson, was born in Higgins in Lipscomb County in 1897, and came to Castro County with her family in 1902.

Cubs Set Date For Yule Party

Dimmitt's Cub Scout Pack 267 will hold its Christmas party Dec. 20 at 7 p.m. in the South Elementary School cafeteria.

THE BOYS will sing carols, trim a Christmas tree with handmade decorations, and hold a skit and flag ceremony. No presents will be exchanged.

Mothers of the boys are to provide cookies for the party, and den mothers will bring coffee and hot chocolate.

Boys Ranchers Need New Suits For Christmas

A new suit for every boy at Christmas!

THAT'S THE goal of the annual Christmas Suit project now underway for the 346 boys now making their home at Cal Farley's Boys Ranch.

For \$25, the ranch is able to outfit a boy with a new suit or a combination of clothing, depending upon each boy's individual needs.

"A new suit is the most useful gift a boy can receive, and one he appreciates so much," ranch founder Cal Farley said. "Our boys wear the same ones every Sunday at services in our non-sectarian chapel, on their Saturday town trips and on school trips away from the ranch. By the end of a year, the suits are pretty well worn out and in most cases, fit rather tightly. We are still able to purchase a coat and pair of slacks for \$25 at a special rates to the boys."

ANYONE desiring to make this a memorable Christmas for a young man at Boys Ranch can do so by mailing their contribution to Cal Farley's Boys Ranch, P. O. Box 1890, Amarillo, 79105, or by taking the gift to the ranch office at 600 W. 11th St., Amarillo.

Hey Red!

Hey Red, I recently changed hair-dressers and had to tell the girl each move to make. First I told her to give me 3 shampoos. Then told her how many rollers and pin curls to make and which direction, I had to tell her to warm the dryer then to cool it. I asked her to use my hairbrush because hers were too stiff. I had to tell her to spray my hair 3 times each time before spraying again. Do you know what? She didn't EVEN ask me to come back again. What shall I do?

Bewildered Bess

Dear Bewildered, 3 cheers for your new hairdresser!!

Why don't you try and let the PROFESSIONAL hairdressers do what she thinks best for your hair. Let her roll it HER way and comb it HER way and you might be surprised at how relaxed YOU are for letting HER do it, while YOU rest. (of course, at the Blue Room).

The churches of Hart held their annual joint community services Sunday at the Hart Baptist Church.
Rev. Gossett of the First Methodist Church read the scripture for the evening worship, followed by prayer by Mr. Cheatham. Congregational singing and special music by the choir was led by David McGinnis.
Bro. McGinnis welcomed and recognized the visitors of the evening by church groups. He introduced Weldon Bates, high school principal, who introduced the faculty of the Hart School.
Cheatham introduced the guest speaker, Andy Gardenhire, superintendent of schools at Hart.
Gardenhire delivered a message on individual Christian responsibility and the challenge of witnessing for Christ in the small duties of every-day living.
A social hour followed in the Fellowship Hall.

THE COURTHOUSE LAWN started heralding the season of sugarpilms and tinsel this week as clubs erected their Christmas scenes and displays. The first display to be put up Tuesday was this one of Santa and his reindeer, by the Dimmitt Garden Club. Mrs. Raymond Wilson, who is in charge of the courthouse square decoration campaign, said all displays will probably be in place by the time Santa Claus arrives today (Thursday) at 6:30 p.m. In background is a large, striking red candle, built around the square's mileage post. It was designed by Jon Pollard and built by Fred Lemme, Nick Gonzales and Al Jackson.

REV. AND MRS. BURNETT, WITH BRUCE AND BARRY
... During gift-laden reception Sunday night

'Safety Sunday' Set for Dec. 11

Gov. John Connally said this week in proclaiming Dec. 11 as "Safety Sunday" in Texas that useless infliction of human injury is "an abuse of God's most precious gift — life itself."

THE GOVERNOR also called attention to the fact that 3,028 persons were killed and 186,062 injured on Texas streets and highways in 1965 "despite an intensive and continuing campaign by both official state agencies and citizen-support groups."

"Safety Sunday" is sponsored each year by the Texas Safety Association. Purpose of the observance is to focus public attention on the moral obligations and responsibilities of vehicle drivers to protect their own lives and the lives of others. It is observed each year during one Sunday in December to give further emphasis to the need for accident prevention during the season.

S. Ross Carr of Houston, TSA president, reported that the Texas Safety Association Holiday Safety Campaign begins the first of December and is carried through New Year's Day. Approximately 1,000 kits of holiday safety campaign materials have been mailed to the various individuals and groups throughout Texas planning to participate in the campaign activities.

'Life' Program Honors Burnetts

Rev. and Mrs. Johnny Burnett, who are preparing to go to Equatorial Brazil as missionaries, got a big sendoff Sunday night from their fellow members at First Baptist Church.

THE SENDOFF started the Burnetts at first, as Dr. Charles Vandiver broke into Sunday night's song service and turned the gathering into a "This Is Your Life" program, complete with script and voices from the past.

Rev. Frank Pollard, the church's deacons and many other members had worked for weeks to prepare the surprise program. Friends and relatives came from hundreds of miles around to take part in the program. Included in the crowd were 12 members of Rev. Burnett's original congregation in Plainview.

ONE BY ONE, they recalled the childhood days of Rev. and Mrs. Burnett; his election as music director and janitor of Plainview's Parkview Baptist Church while he was a Wayland College student; long train trips to Hayesville, Kan., every weekend to serve the First Baptist Church there while still a student at Southwestern Theological Seminary in Fort Worth; the Burnetts' courtship and marriage at Hayesville, and their service since that time.

The Burnetts served the First Baptist Church of Woodward, Okla., Buchanan Baptist Church in Amarillo and Floydada Baptist Church before coming here.

They and their three sons, Barry, 6, Bruce, 5, and Bret, five months, are scheduled to leave in January for Campinas, Brazil, west of Rio de Janeiro. They were appointed last month by the Foreign Mission Board of the Southern Baptist Convention.

BEFORE LEAVING, the Burnetts will spend most of their remaining "stateside" time visiting relatives in Texas and Kansas.

After the "This Is Your Life" program Sunday night, church members gathered in fellowship hall for a reception and coffee hour.

The reception brought a heretofore surprise for the Burnetts — an entire tableful of them, in fact. Among the farewell gifts from their congregation were a camera, automatic slide projector, a ship coming in (with a green paper cargo), curtains, blankets and other items that will be useful to them in their mission.

Silverton Visitors
Mr. and Mrs. Glenn Merritt and children visited friends at Silverton Sunday.

Billy Graham Movie Booked

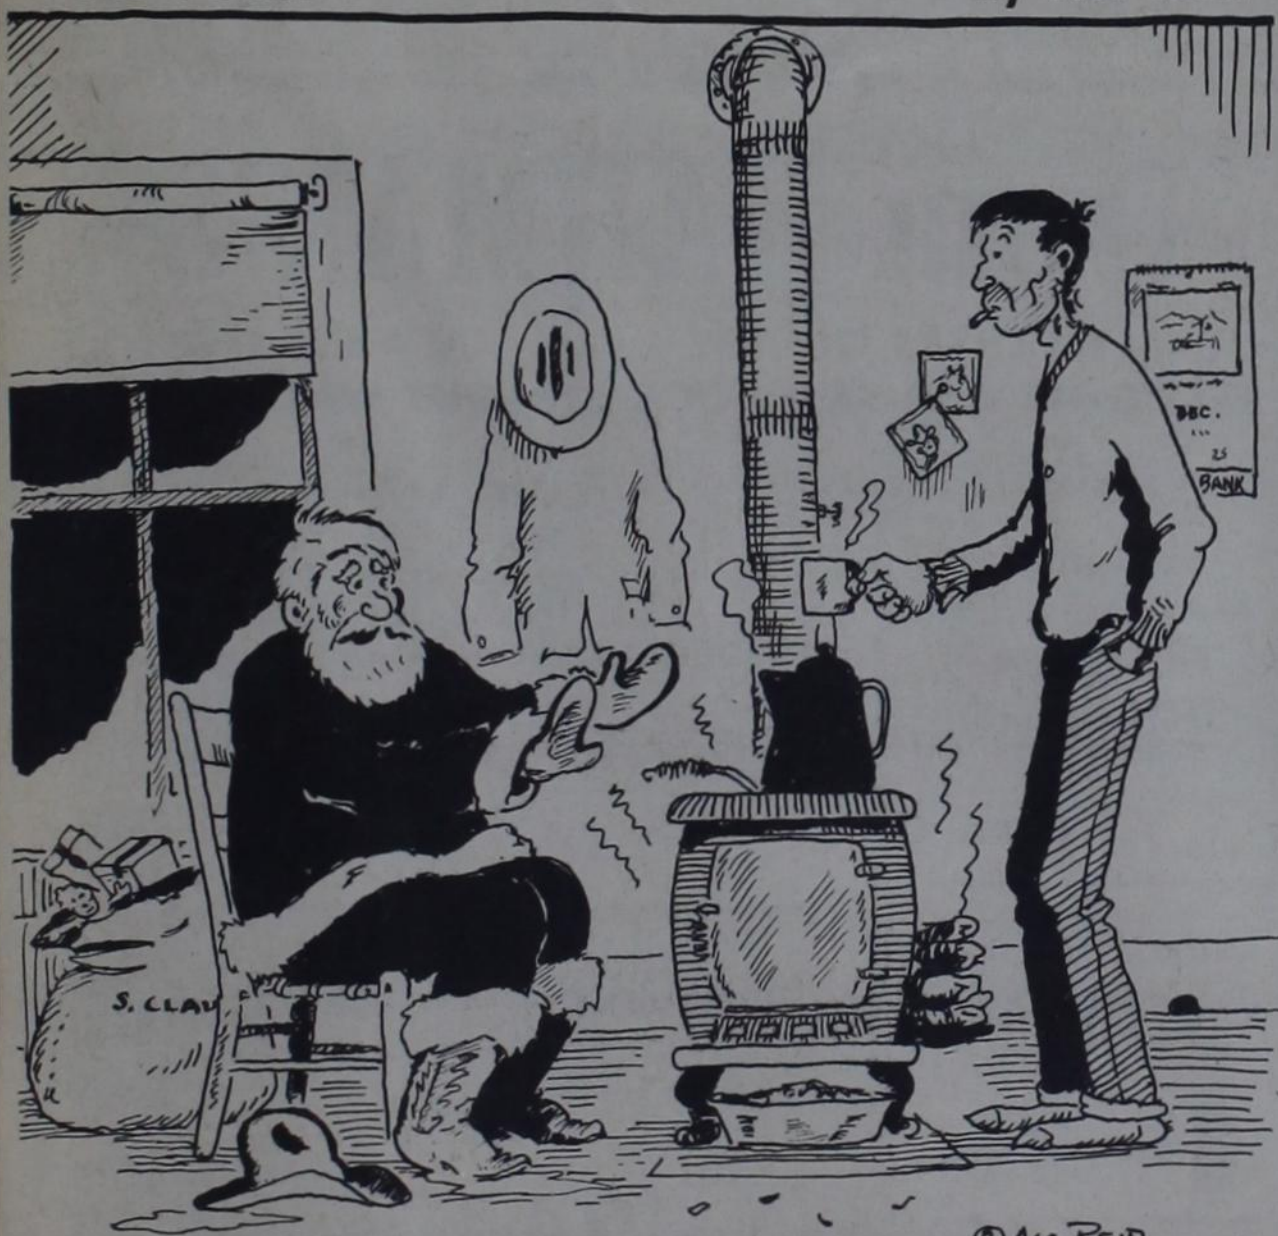

"The Restless Ones," considered the most successful motion picture yet produced by Evangelist Billy Graham, will be shown through Tuesday in the Granada Theatre. Showings will be at 6:30 and 8:45 nightly, with matinees scheduled for 1:30 and 4 p.m. Saturday and Sunday.

WITH THE accent on youth, this feature length film deals with the teen-age crisis. With a background setting provided by the 1963 Billy Graham Los Angeles Crusade, "The Restless Ones" is a hard-hitting, bold approach to our social problems.

One reviewer said: "Here is a picture that tells the world the truth and comes up with an answer, not an easy answer, but an answer from beyond us." This answer is expected to satisfy, challenge and inspire young and old alike and appeal to churchgoers and non-churchgoers. The Christian message comes through in the midst of realistic teen-age situation, cleanly and without cloying. Swift moving plot episodes highlight the opportunities facing the church.

M. A. PENNINGTON, COORDINATOR
Tailors students' classes to their jobs

Through Classroom and Store, Students Learn Self-Support

Dimmitt's schools are branching into the market place with their special education program.

FOR THE first time here, boys and girls of high-school age who are enrolled in the "work experience" class of special education are earning to support themselves by holding jobs of their own, and the class is helping train them for these jobs.

The program is made possible through the cooperation of local merchants. DIRECTED by M. A. Pennington, vocational adjustment coordinator, the program for educable youngsters is an upward extension of classes previously developed in the elementary and junior high schools here.

Through the special program, high-school age boys and girls who have the ability to learn manual work are now being placed with employers in the community so they can become self-sufficient in a particular job or vocation. Their school training is tailored to help them in their outside jobs.

The students' work time and class time are tailored, too. Training in school varies with the time a student's job requires and the individual's circumstances, Pennington explained. Some attend school half a day and work half a day; others hold jobs that require more time.

THE CLASS is authorized by a three-way agreement between the local school district, the Texas Education Agency and the Federal Vocational Rehabilitation Agency. One class member is training as a school janitor, one washes dishes at Northside Cafe, two others stock groceries at Taylor & Sons Grocery and Ben's Food, one

ler left Friday evening to join them. MRS. W. E. LOUDDER lost a nephew in a one-car accident near Breckenridge Friday night. Mrs. Edith Powers left Saturday morning for Cisco, where the boy's mother and brothers live. She stayed through Monday.

Mr. and Mrs. Ezell Sadler left Saturday evening to attend her cousin's funeral in Cisco Sunday. They spent Saturday night with his cousin, Mr. and Mrs. Hollis Buchanan of Abilene, and left Sunday evening for Fort Worth where they will spend a few days.

Mr. and Mrs. Alton Louder and Mr. and Mrs. L. B. Bowden left Saturday afternoon to attend the same funeral Sunday. They returned home Sunday night. Leslie Louder and W. E. Louder left Saturday, spent Saturday night in Breckenridge with relatives and will stay for a few days with relatives.

Mr. and Mrs. Thraill and Bobby of Fort Worth spent last weekend with their daughter, Mr. and Mrs. Robert Duke and family. Mr. and Mrs. Wendell Payne and family of Big Spring spent last weekend with her grandparents, Mr. and Mrs. Edd Duke. They all had Thanksgiving dinner together.

Mr. and Mrs. Edd Duke had dinner Sunday with Mrs. L. D. Winders in Earth. Mrs. Robert Duke was unable to go to school Monday morning because of illness. Sixty-eight attended Sunday School with 42 in Training Union Sunday.

is an attendant at Marie's Beauty Bar, and another is training in the Pains Memorial Hospital laundry.

Pennington said he is trying to steer his students away from seasonal work and help them adjust to steady employment, since spasmodic employment seems to be one of the major problems his special students face.

PENNINGTON'S work doesn't stop in the classroom. He also works with the students' employ-

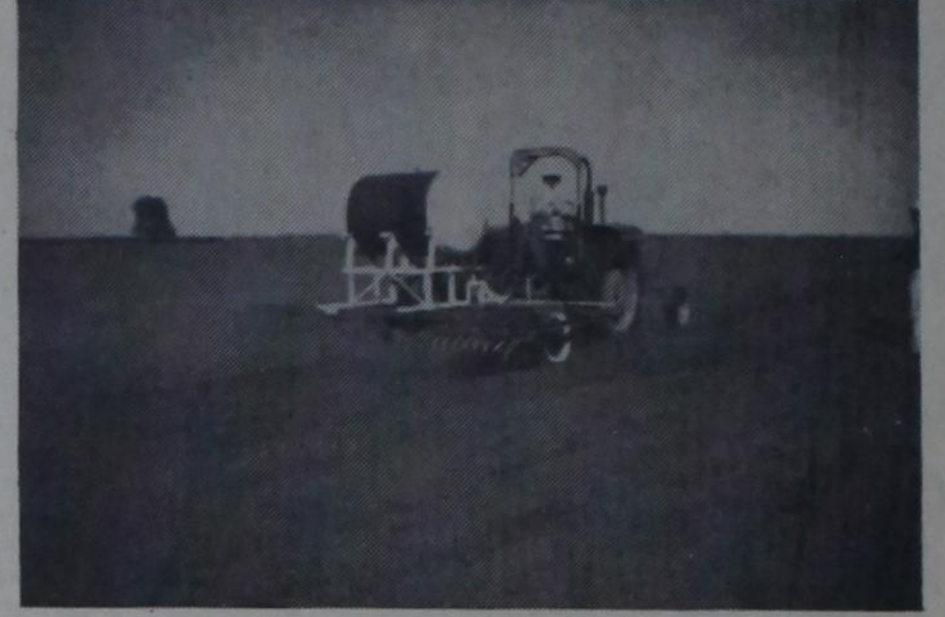

ers and parents to attain one of the class's primary aims: an upgrading of the youths' ideals and attitudes.

Special education students are not graded by figures, as in most regular classes. Instead, they are placed in levels. Levels 1, 2 and 3 are on the elementary campuses and levels 4 and 5 are in the junior high school. It's in levels 6 and 7, in the high school program, that they receive their vocational training.

IN ALL, Dimmitt's schools have six units of special education, serving 89 students.

"As usual, Dimmitt takes care of her own," Pennington said. "The businesses in Dimmitt have gladly accepted their position in the program by employing the students. It is a pleasure to assume such a difficult task when there are so many fine people who assume their part so willingly."
