### B-36 FLIGHTS TO ALASKA STEPPED UP

FOR WORTH, Sept. 30 (UP)—B-36 training flights from Carswell Air Force Base to Alaska are being stepped up to a one-a-week pace, Eighth Air Force officials said today.

But, they added, no mass flights to the arctic are planned, and Superbombers will not be based there in strength.

The Eighth Air Force public information office said the flights were routine training missions, designed to familiarize crews with operations in the polar regions.

First B-36 flights from Carswell to Alaska were made this summer by three planes. Plans were chartered then for the training flights, but lack of specialized servicing and repair facilities in Alaska prevented the planes from being placed into immediate operation.

Three Superbombers flew from the Fort Worth base to Alaska this week, two of them returned yesterday and the other arriving here early today. Officers said crews on future training flights would also spend only "one or two days" in Alaska.

Planned one B-36 on the return trip was Maj. Toy B. Husband, who, as at the controls of another Superbomber when it crashed into Lake Worth here Sept. 15 during a takeoff from Carswell.

### Hungary Scraps Yugoslav Treaty

BUDAPEST, Hungary, Sept. 30 (UP)—Hungary scrapped its friendship pact with Yugoslavia today, accusing Marshal Tito's regime of defaming the treaty and plotting to overthrow the Hungarian Communist government.

The Hungarian government formally denounced the treaty of friendship and mutual assistance 24 hours after a similar action by Russia. The Budapest move against the Yugoslavs was in line with predictions that the Soviet action would set off a chain reaction among the Communist countries.

Foreign Minister Gyula Kallai handed the formal note nullifying the treaty to Yugoslav Minister Jura Jovanovic at noon.

The note said the recent trial in Budapest of Laslo Rajk, former foreign minister and No. 2 Hungarian Communist, proved that Tito's regime organized a plot to overthrow the Communist government of Hungary.

### More Gifts For Athletic Fence

E. F. Arterburn announced today that a gift of \$50 for the athletic field fence has been contributed by the Carl Barnes Post of the American Legion, along with other gifts.

Other gifts have been made by Greer's Boot Shop, D. E. Pulley, Brazda Clinic and Houghton's Repair Shop.

### Parking Meter Receipts \$217.96

Parking meter receipts for the past week ending Wednesday were \$217.96 making a total of \$850.22 collected for the month of September.

Receipts since the installation of the meters have been well over \$200 each week with \$271 collected for the first week, the top figure.

### Tear Gas Used On Strike Violence

An unidentified man and woman are forcefully taken into custody by sheriff's deputies in Niagra Falls, N. Y., after disorder at the Bell Aircraft plant was broken up with tear gas. At least 25 deputies were injured and 15 strikers were arrested. (NEA Telephoto.)

### CHAMBER OF COMMERCE MEMBERSHIP DRIVE DUE

With a goal of every business in Ranger a member of the membership committee of the Ranger Chamber of Commerce will launch its annual drive within the next few days.

F. P. Brashier, vice-president of the Chamber of Commerce and membership chairman, stated today that a concerted drive will be made with a view to completing the drive in one day. The drive will be kicked off at a 7 o'clock breakfast on the day chosen for the drive and which date will be announced later.

In addition to the regular firm memberships, Brashier stated that individual memberships will also be solicited this year and cards for these memberships, as well as the others, will be provided the workers.

The town has been mapped into sections with members of the membership committee heading the workers in the various sections. A. N. Larson will be captain of all workers for the section north of Main Street from the Texas and Pacific Railway west. B. A. Tunnell will captain the team which works everything south of Main Street and west of the T&P.

Bud Fuller will head the workers that cover everything east of the T&P, including all businesses along the highway and other businesses situated east of the railroad.

Members of Larson's committee are:

E. F. Arterburn, Roy Dawn, H. C. Adams, Chas. Milliken, Calvin Brown, Morris Newham, Dr. W. P. Watkins, Ted Bahain, Dr. Carl Straley, J. W. Elder, Jr., Floyd Killingsworth.

Members of Tunnell's committee are:

100 Block, Joe Graham, Price Crawley, W. F. Creager, 200 Block, Ralph Wagner, T. C. Weaver, O. G. Lanier, 300 Block, Gaston Dixon, T. J. Anderson, J. D. Johnson, 400 Block, Dave Cutbirth, Fred Bonner, Homer Robinson.

Members of Fuller's committee are:

Pat Thomas, J. E. Meroney, H. P. Earnest, Roscoe Hopper, Bruce Harris, R. J. Rains, Jim Ratliff, Aaron Stiles, J. R. Merchant, H. O. Foster, Joe Dennis, Earl Swoveland.

### KANSAS CITY OLD FOLKS HOME FIRE TAKES 7 LIVES

KANSAS CITY, Mo., Sept. 30 (UP)—A convalescent home occupied mostly by old-age pensioners became a death trap for seven of the more than 15 occupants early today when flames fanned through the two-story frame structure.

Five of the seven victims suffocated and two others were burned to death. At least four more persons were hospitalized with minor burns and shock and exposure.

The dead were identified as: Myrtle M. Hersey, 25, Marion Hersey, Jr., 26 months, Myrtle Marie Hersey, 9 months, Lorraine Ellis, 17, Owen Richards, 85, Florence Richards, 85, Mrs. Cora Andrews, 68.

Those taken to the hospital were Mrs. Aurora Bayse, owner of the house, Bert Morgan, 83, Charles Seale 80, and Betty Fishback, 64. None was believed dangerously injured.

Mrs. Ola Jones, a neighbor, said she first became aware of the fire when Mrs. Bayse ran into the yard screaming for help.

Other neighbors said they were aroused from sleep also as the fire broke out about 4:45 A. M.

### "Field, Stream" Film Shown At Lions Meeting

Members of the Lions Club were in their element Thursday at noon when for a short time they were carried on a duck and goose hunt through a film shown by Joe Nussale.

The film which is a release from "Field and Stream" Magazine followed the hunters through all the details of the hunt and the myriad of ducks and geese that were shown flying across the screen, occasionally elicited a deep sigh from among the members.

Nussale was assisted in showing the film by R. B. Thomas Jr., president of the club, who at the conclusion of the film heard a discussion and vote of the club to have such a film once each month.

During the business session of the club, Joe Collins was elected to membership. Collins is manager of the Ranger Airport.

### Schedule For One Train Changed

B. A. Tunnell, Texas and Pacific Railway agent in Ranger, stated today that only one train serving Ranger will be affected by the schedule change that has been announced by the company.

He stated that the train known as "The Westerner" will leave Ranger at 12:34 A. M. instead of at 12:50 A. M. as in the past. The train is the west bound through train which makes connections for California.

### Truman Whets Romance Rumor

KANSAS CITY, Mo., Sept. 30 (UP)—President Truman said last night he is happy that Vice President Alben Barkley is "about to become a citizen of Missouri."

His remark was an obvious reference to the 73-year-old vice president's romance with Mrs. Carleton S. Hadley, attractive St. Louis widow.

Barkley, seated at the other end of the speaker's table at a Democratic rally, grinned broadly. "A friend from Vermont told me a while ago if he could speak like that vice president, he would carry Vermont in the Democratic column," the President said.

"The vice president is a grand man, and I am proud that he is my friend and my counselor. And I am also exceedingly glad that he is about to become a citizen of Missouri."

The president also praised Barkley's eloquence as a speaker. "A friend from Vermont told me a while ago if he could speak like that vice president, he would carry Vermont in the Democratic column," the President said.

### Band Jamboree Site Announced

It was announced today that the big Ranger School Band jamboree will be held at the intersection of Main and Commerce Streets and on the LeVelle Motor Company parking lot adjacent to that intersection.

The jamboree will be held at 7:30 Tuesday night and in addition to the events already announced there will be a ducking pond and a fortune teller.

Bands from Cisco and Eastland will join the Ranger band in furnishing music for the occasion.

### PART OF LOOT FROM GLOBE THEFT FOUND

Chief W. G. Pounds of Ranger stated today that all of the sterling silver and one of the watches taken in the week-end robbery of The Globe have been recovered.

The silver and watch were recovered Thursday afternoon in an ash pile on property adjacent to the rodeo grounds in the west edge of Ranger. Following a tip from an unnamed man, the Chief went to the spot indicated and there found the silver and watch in a pile of ashes which also contained paper clips, indicating that papers taken from the safe at The Globe had also been burned at the site. Chief Pounds said the discovery was made by a man who was out staking his cow.

Still missing are two diamond studded wrist watches, a diamond ring and cash and checks.

Chief Pounds stated that Sheriff J. B. Williams and Texas Ranger Johnnie Cope of Breckenridge have been in Ranger today checking over the discovery and the spot where the recovery was made.

Only one or two pieces of the silver were too badly burned to be repaired. It was stated that the blades of the knives were melted loose from the handles but the silver was not irreparably burned.

### Former Ranger Resident Killed At Kermit Today

Mr. and Mrs. C. E. Durpre received word this morning of the death in Kermit of D. B. Fissel, formerly of Ranger.

The message stated that Mr. Fissel had been killed in an accident. It was stated that since he was employed in the oil fields that it is presumed that the accident occurred on a well.

Funeral services will be held Sunday at Kermit.

The Fissel family had lived near Ranger for about five years and went to Kermit about five years ago.

### Farm Bureau Official Back From Meeting

Mrs. John Love, secretary-treasurer of the Eastland County Farm Bureau, Eastland, returned Thursday from a two day meeting in Waco.

Services offered to the members of the Farm Bureau were outlined by speakers. Among the speakers were: Walter J. Hammond, president of the Texas Farm Bureau; D. C. Mieber, and Paul E. Edwards vice-presidents of the Southern Farm Bureau Life Insurance Company.

Survivors are Mrs. Fissel, and their children, Dewey Fissel, Patzy Fissel, Jean Fissel and John Willard Fissel. A sister, Mrs. Henry Murphy resides in Eastland.

It was learned by this newspaper today that Saturday is the 56th birthday of Morris Caudle, a man who has been blind all of his life.

He has been a resident of Ranger for 30 years and has made his way in life through poultry raising. He resides with his mother who is bedridden and a birthday card or gift from those who wish to remember him will be timely.

He is a familiar figure about town as he is led about by a tiny dog.

The tomato is legally a vegetable, botanically a fruit. In 1893, the U. S. Supreme Court ruled that it is a vegetable. But by botanical definition, the tomato, snap or green beans, garden pepper and many others are fruits.

### Mrs. W. E. Walton Dies; Funeral To Be Saturday

Funeral services for Mrs. W. E. (Mattie) Walton, wife of the late W. E. Walton, will be conducted Saturday at 3 o'clock at Alameda cemetery. The Rev. Jasper C. Massee will officiate, with Killingsworth's in charge of arrangements.

Mrs. Walton died at her home, 1221 Vitalious Street this morning. She was born in Tarrant county July 28, 1886 and had lived in and near Ranger for 45 years. She was a member of the Second Baptist Church. Mr. Walton preceded her in death on February 19, 1918.

Survivors are one son, William E. Walton and one daughter, Miss Winnie Walton, both of Ranger; three brothers, G. N. Love of Ft. Worth, J. W. Love of Ranger and A. H. Love of Route 3, Gorman and a sister, Mrs. H. L. Walton of Sweetwater.

### Game Warden Issues Warning On Deer Hunting

G. M. Stricklin of Cisco, state game warden, today issued a warning concerning deer hunting in Eastland County.

He stated that for the first time in two years the county will be open for deer hunting and warned that applications for leasing land for shooting preserves must be obtained before hunting is allowed on the land.

Stricklin stated that those who wish to secure the application blanks may get them from him that when they are filled out the applications should be returned to him. The shooting preserve license must be obtained before November 16 which is the date for the opening of deer hunting season.

The same applies to Stephens and Palo Pinto Counties which have also been opened for hunting this year. Stricklin said.

### Texas Weather Generally Fair

The weather generally was fair over the state today, except for partly cloudy skies in the Panhandle and around the El Paso area.

The weather bureau predicted partly cloudy weather for the state tomorrow with slowly rising temperatures. Widely scattered showers were predicted for the Panhandle, South Plains and Pecos Valley westward tonight or Saturday.

Yesterday's high was 93 degrees at Laredo and the low maximum 72 at Texarkana. Generally, low temperatures were reported yesterday over northeast and east Texas.

The average automobile scrapped today is 15 years old and has traveled nearly 30,000 miles.

### STEEL FURNACES SLOWED AS SETTLEMENT LAGS

The flow of molten metal from the nation's steel furnaces slowed to a trickle today as the midnight strike deadline loomed closer, but in another major labor dispute 100,000 coal miners were ordered back to work.

In the first break in the 12-day coal strike, the United Mine Workers ordered all 78,000 soft coal miners west of the Mississippi to return to the pits Monday.

Anthracite and western bituminous are used mainly for heating homes, and acute shortages had developed in many areas.

In the steel crisis, federal mediators redoubled their efforts but settlement hopes were dwindling rapidly with the deadline for a paralyzing walkout by 600,000 CIO United Steel workers only hours away.

About 5,000 steel workers already were idle in gun-jumping strikes in the Pittsburgh area, while most companies were banking furnaces and laying off thousands of workers in anticipation of a strike.

Federal Mediators William Margolis and Peter Seitz, sitting in on the main negotiations between U. S. Steel and CIO president Philip Murray, hoped that before the few remaining hours ran out they could find a "common ground" to settle the steel dispute.

But Murray was standing pat on his demand that the industry must accept a fact-finding board's recommendation for a pension and welfare plan financed entirely by the companies.

The firms were equally insistent that the workers should contribute from their paychecks to the plan.

Murray claimed that the agreement by Portsmouth, (O.), Steel company to meet the union's demands had cracked the industry's lines.

About 600,000 union members would be involved directly in the strike but the walkout eventually might idle more than 1,000,000 men for lack of materials from the rolling mills and forges.

Gov. Thomas E. Dewey said he was keeping "close watch" on the Bell Aircraft strike at Niagara Falls, N. Y., where women pickets slugged it out yesterday with deputies.

At Detroit, the auto workers were getting ready for a showdown with Chrysler Corporation on their demand for pension benefits. It was expected that the union would insist that the company settle on the same \$100-a-month pension terms that averted a strike at Ford Motors this week.

### Dr. Finch Acting A. U. President

GEORGETOWN, Tex., Sept. 30 (UP)—Dr. William C. Finch was serving today as acting president of Southwestern University until a successor is chosen for the late Dr. J. N. R. Score, who died earlier this week.

Dr. Finch, administrative assistant for the past three years, was named acting head by the University board of trustees.

## Rice May Break Five-Year Old Undefeated Jinx

By United Press  
A rough and ready Rice team left Houston today for Baton Rouge and their annual nerve wracker with Louisiana State's Bayou Tigers.

The Owls, already dubbed the dark horse of the Southwest Conference, have never defeated the Bayou Tigers since the two teams started their interconference series in 1944.

Whether the uninjured Owls will break the five-year-old Saturday jinx remains to be seen, but statistics favored the Houston team. LSU has one of its poorest teams in years.

to run better than last year. Shellers were active in central and eastern Texas with shelled peanut prices about steady under slow demand. No. 1 Spanish sold at 16 1/2 cents per pound, with a few quoted at 16-3/8 cents for late October delivery. These prices were about the same as a year ago.

General tone of the market on futures for October and forward delivery was slightly weaker in

all sections of the country. Prices of oil and meal continued to slip as crushings of new crop peanuts increased. Peanut meal of 41 per cent protein content was quoted mostly at \$56 per ton in the Southwest, or unchanged \$6 lower than the previous week. Some peanut oil sold at 13 1/2 cents per pound, a half to cent lower than a week ago.

## Perfect Records Take Trimming

By UNITED PRESS  
The state's Class AA and City Conference perfect record list of football teams got its first slashing of the week end last night and a further trimming of the undefeated, untied roster was certain tonight and tomorrow.

The Gladewater Bears knocked Dallas Sunset from the select circle last night 19-0.

Houston Lamar managed to keep its record clear by a narrow, 7-6 win over Houston St. Thomas.

In other games, San Antonio Brackenridge opened its district campaign with an easy 32-6 victory over Lanier; Fort Worth Poly nosed out Dallas Forest 6-0 and Texas City slipped by Beaumont High 13-12.

Tonight, two of the games will pit perfect record teams against each other—Paris VS. Corsicana and Fort Arthur VS. Houston San Jacinto.

Other top games will find Austin playing host to Fort Worth Arlington Heights, Amarillo entertaining Fort Worth Paschal, Corpus Christi host to San Antonio Jefferson, Marshall at Dallas Adamson, Wichita Falls plays host to Abilene and Highland Park meeting one-tied but unbeaten Sherman.

## RANGERS LOSE GAME TO TARLETON BY 27 TO 0

Playing a superb brand of ball the Tarleton Plowboys defeated the Ranger Junior College Rangers 27 to 0 in Stephenville Friday night. After racking up a lone six points in the first quarter, they picked up in the third and fourth quarter with tricky passes and hard line punches to get their other 21 points.

Dale Witcher took Bobby Gene Williams opening kick on his own two and returned to his own 27 yard line before being stopped by a vicious tackle by Howard Frasier Oris Brown, on a line play picked up eight yards. Jack Serpus passed to Elon Baker for a first down on the Tarleton 42. After three more plays with no gain, the Plowboys put Rad Mitchell in deep punt, who kicked out on the Ranger 13.

On their first play from scrimmage, a mix-up in the Ranger backfield caused a fumble and Tarleton recovered on the 12. The Plowboys tried the line again only to find their plays being stopped by Frankie Ford, Chick Neal, and Jud Jones for very little yardage and gave up the ball on downs. Attempting to kick out of danger, Williams got off a bad punt which went out of bounds on the Ranger 18 yard line and gave the Plowboys another break.

On an end sweep with Brown carrying behind perfect blocking, he went to the Ranger one yard line. Lloyd Corder scored on a line plunge. Corder's attempt to convert was wide and no good, giving the Plowboys a 6 to 0 lead in the first quarter.

Jimmie Crawley took the kick on his three yard line and started up field. He picked up a block on the 25, shook two tacklers on the 30 and cut for the left sidelines, shook another tackler on the 35 and it looked as if he was loose, but Dan Coultas knocked him out of bounds on the Stephenville 42, a 53 yard return, which looked mighty good. Here the Rangers bogged down and were forced to kick. Williams kicked out on the Stephenville 12.

On their first play the Plowboys quick-kicked over the Ranger's safety man. Stackstill took the ball on his forty, was hit on the 45 and fumbled and Jones of Stephenville recovered on the Ranger 42.

Serpus' pass to Brown was intercepted by Joe Neal who was downed immediately on the 50. Crawley took a pitch out from Barrett, dropped the ball, caught it on the first bounce to race around right end for an eight yard gain. Jim Brock hit the line and got a first down. Again the Rangers bogged down and were forced to kick on last down. Williams kicked to Brown on the goal line and he returned to his own nine. With some nice runs by Savazos and Brown and a couple of passes from Serpus to Jones, the Plowboys had moved the ball to the Ranger 40 yard line as the half ended.

The Rangers took the kick off on their five and moved it up to kick. Williams kicked out on the 35 before being forced to Tarleton 36. The Plowboys tried three line plays and failed to pick up enough yardage for a first down. Jones fourth down kick rolled dead on the Ranger 16. Crawley picked up five through the line. An attempted pitch out was

fumbled and Coultas of Tarleton recovered on the Ranger 12. Two line plays with Cavazos carrying and the Plowboys had scored. Corder converted and the Plowboys led 13 to, late in the third period.

After taking the kick off the Rangers tried their aerial game, but it just wasn't there. When the passes found the receiver, they couldn't seem to hold on to them, and the Rangers were forced to kick.

The Plowboys moved the ball up to their 46 and from there, Witcher on a reverse over left tackle traveled 52 yards behind good blocking to the Ranger two yard line being brought down by Crawley. Cavazos drove over and Corder converted making the score 20 to 0.

Late in the last period Barrett's pass to Frasier was intercepted by Jones on the Tarleton 40. A couple of line plays moved the ball across mid-field and gave the Plowboys a first down. Oris Reynolds passed to Cavazos who carried to the Ranger four before being brought down. Reynolds plowed over from there for the last score. Attempting to convert, the ball was fumbled, Corder picked it up and ran the extra-point-over, making it 27 for Tarleton and 0 for Ranger.

The last few minutes of the last quarter found both teams losing yardage to penalties, off-side, illegal motion, and holding.

The Rangers played a good ground game stacking up yards. Crawley and Brock were determined runners, picking up good yardage nearly every time they carried the ball, but they couldn't get that extra last block to shake them

## AS The Sideline Sees It

Bulldogs versus Bulldogs will head the program at Bulldog Stadium tonight. It will be the Ranger Bulldogs pitched against the Burk Burnett Bulldogs, and should be a battle worth seeing.

The Ranger Bulldogs will field a snappy T formation working off a balanced line, featuring two speedy backs, Jimmy Camacho and Kenneth Williams on their quick opening plays. Buddy Hamrick will handle the man-under duties and also the passing. The Ranger boys have a fine record so far this season and will be out to improve this record with another victory.

The Bulldogs from Burk Burnett also have a fine record so far. They have played three games, won them all without being scored upon. They will outweigh the Ranger lads 19 or 15 pounds per man. Their single wing with unbalanced line formation could spell lots of trouble for the hometowners if they are not on their toes. Lots of power can be developed from this formation, hitting either side of the line with lots of it. The difference in weight will have little to do with the outcome. The Ranger Bulldogs made a very good showing against a team of similar weight last week in Stephenville. Their defensive line showed they were a lot stronger than what the scales show.

Adding all things up and comparing them, it should be a good game. So be there tonight and back your team for another victory.

The starting line-up for the Burk Burnett Bulldogs will be: Pemberton and Reasoner at ends, Hunt and Turpin at tackles, Taylor and Brookman at guards, Leimer and center, Felty, Smith, Crane and Boyd round out the backfield.

The Ranger Bulldogs will start Stiles and C. Williams as ends, Hummel and Elder Tackles, Sutton and Patterson, guards, and Robinson, center, Hamrick, Camacho, Williams and McKinney will handle the mail.

### 1920 Club, Guests Entertained At Reassembly Luncheon Thursday

The fall reassembly meeting of the 1920 Club was held Thursday at 1 o'clock when members and their guests were entertained at a luncheon at the Community Club-house.

Floor baskets of fall flowers decorated the rooms of the club house and in the main room a low basket filled with white and yellow mums centered the large table. Tables for four at which the luncheon was served were centered with red roses and a single red rose marked the place for each guest.

Mrs. M. L. King, president of the club, welcomed the guests and Mrs. Cecil Ellis offered the invocation. Following the luncheon which was served by ladies of the First Christian Church, games of forty-two and bridge were enjoyed.

Mrs. Saule Perlestein was high score winner in bridge and Mrs. E. T. Eubank was high score winner in forty-two.

Hostesses for the occasion were members of the hospitality committee of the club and who are Mmes. James P. Morris, J. J. Kelly, H. X. Wallace, T. G. Wylie, and Boone Yarbrough.

Those attending the luncheon and party were Mmes. Emmett Hightower, Ross Hodges, J. Floyd Killingsworth, King, J. S. McDowell, J. E. McLaughlin, Kelly, Morris, G. D. Nicholson, Saule Perlestein, C. ## Oil Drilling Equipment Off For Middle East

ORANGE, Tex., Sept. 30 (UP)—The steamship M. V. Aminoil, fully equipped with the most modern oil rig and drilling equipment was scheduled to sail from Orange today for Kuwait, at the northern end of the Persian Gulf.

The sailing of the Aminoil, carrying a cargo of supplies to last the first year's operation, marked an advance of 10 American independent oil producers' participation in the development and production of oil in the middle East.

Ralph K. Davis, president of American Independent Oil Co., said the Sheikh of Kuwait in 1947 granted the independents a 60-year concession for the exploration, development and production of petroleum in the natural zone between Kuwait and Saudi Arabia.

The actual drilling will be carried out under contract by Kerr-McGee Oil Industries, Inc., of Oklahoma City and the Brown Drilling Co., of Long Beach, Calif. The 10 independent oil operators comprising the American Independent Oil Co. include J. S. Abernethy, Houston; Ashland Oil & Refining Co., Ashland,

BAYTOWN, Tex., Sept. 30 (UP)—A verdict was withheld today in the death of Clifford H. Mitchell, 30-year old fisherman found fatally burned last night in the smoldering ruins of his shack on Cedar Bayou.

Officers were trying to trace Mitchell's activities, going on the possibility that he may have been robbed, beaten and the cabin set a fire. Although Justice of the Peace Roscoe Zierlein said burns caused the man's death, he said examination disclosed lacerations and bruises on the head.

The fire was discovered by Leonard Olive, who lives near Mitchell's shack. The fisherman was pulled from the burning cabin, but died an hour later in a hospital.

WICHITA PALES, Sept. 30 (UP)—A pathologist's report showed today that Emmett E. Hamilton found dead in his jail cell Tuesday, died of a fractured skull.

City detectives said Hamilton, 63, struck his head in a fall prior to his arrest for drunkenness.
