

RANGER DAILY TIMES

31st YEAR

RANGER, TEXAS, WEDNESDAY, OCTOBER 5 1949.

PRICE FIVE CENTS

No. 106

THE RANGER DAILY TIMES is the oldest daily newspaper in Eastland County, the first edition appearing on June 1, 1919. World news is furnished the readers through United Press daily wire service.

Ranger is the center of the agriculture and livestock industries of the area with relative industries bringing much business to the town. It is also the home of Ranger Junior College, one of the best public junior colleges in the state.

Low-Rent Housing Project Sought For Ranger

Well...
I Dunno,
But...

It was brought to our attention this morning that the Ranger School Band is taking some rough treatment at the hands of football fans and that damage estimated from \$100 to \$150 was done to instruments at the football game here last week.

A place is reserved for the band but apparently the public is not respecting that reservation and as a result the band is pushed about and suffers some loss to stands and instruments at practically every game. Last week along the casualties was a trombone that was trampled by somebody and put completely out of commission.

The band director is much concerned about the matter and is appealing to the public to seek seats somewhere other than the space reserved for the band. This will eliminate the damage to the instruments and stands which is running into too much expense to the band to say nothing of handicapping the organization.

Mayor Price Crawley and A. N. Larson both got a boost Monday night out of the fine comments about the town made by outstanding visitors here for the Texas Electric Service Company's big party.

Among those expressing delight over the way Ranger received them and entertained them were J. B. Thomas, president of the company and W. A. Hager, chief counsel for the company, both men not only were pleased with the reception given them but commented on the fine appearance of the town and the spirit of the citizens.

We can return the compliment. The company had one of the most enjoyable parties here that we've attended in a long time.

The food was excellent and the program fine.

Incidentally, we get a big bang out of the manner in which the company has been made a real character out of Reddy Kilowatt, the little electric man that shows up wherever you see or hear anything about Texas Electric. He was very much in evidence on the identification cards given guests at the banquet Monday night. And we'll have to admit that he's a very handy little fellow that works for us at the flip of a switch.

While we're on the subject of putting Ranger on the back let us call your attention to the membership drive that is being launched next week by the Chamber of Commerce.

Under the direction of F. P. Brashier, vice-president of the C. of C., the driver will seek a 100 per cent membership among the businesses of Ranger.

And ever business in town should be a member of the Chamber of Commerce. In fact, the Chamber of Commerce is the people of the town. Without them there would be no such organization.

Officials of the Chamber of Commerce give untriflingly of their time and energy to foster the welfare of Ranger and without any compensation. It stands to reason that the remainder of the town that profits by their efforts should make some kind of contribution toward the work.

Not all can give much of their time but the work of the Chamber of Commerce requires inspiration through the backing of the town and through financial support from the town. Your membership in the organization gives you a voice in its affairs and a voice that should be exercised.

Did you know that there was no other organization to push recent road improvements for Ranger; that the C. of C. is the group that started the ball to rolling for an adequate water supply for Ranger, that they are in every way possible encouraging the growth of the town through efforts to bring new industries here and to build up better relations between the town and surrounding areas, through various programs. There are dozens of other improvements that have been done by the Chamber of Commerce.

Navy Says Nation's Security Imperilled

Documents secretly given to newsmen in Washington pictured the U. S. Navy's morale as shot to pieces and the nation's security imperilled under the present unified defense setup. The documents included a statement by Admiral Louis Denfield, left, Chief of Naval Operations, that a "Navy stripped of its offensive power, means a nation stripped of its offensive power." Also included was a statement by Admiral A. W. Radford, right, commander-in-chief of the Pacific Fleet, that a majority of officers in that fleet concur in views expressed by Naval Capt. John G. Crommelin, center. (NEA Telephoto)

NEW ADMINISTRATION OF C OF C TAKES OVER

A new administration of the Ranger Chamber of Commerce took over duties last night when the regular meeting was held at the manager's office at 7:30 o'clock.

J. A. Bates, new president, presided at the meeting in which W. F. Creager, agriculture chairman, reported that new machinery for sterilizing cotton is being installed in the Ranger Gin and will be ready for use Monday. The gin will be opened for business Monday with T. D. Lauderdale in charge of operations.

H. C. Henderson, chairman on arrangements for the big Caddo-Ranger road celebration, reported that October 27 has been set as the date for the event and it is expected that all members of the State Highway Commission will be here for the occasion.

Directors voted \$25 to assist with expenses of the Eastland County Peanut exhibit at the State Fair in Dallas and also gave a vote of thanks to Joe N. Graham, retiring president, for the service rendered during his term of office. The secretary was instructed to write letters to Texas Electric Service Company officials thanking them for the fine banquet and program here Monday night.

It was announced at the meeting that another meeting of the

Country Store Thursday Nite

Thursday night at 7:30 o'clock members of the junior class of Ranger High School will stage their annual country store event and have announced the program for the occasion.

Following are the program numbers; quartet, junior girls; sidewalk chatter, pupils of Mrs. Homsley's School of Fine Arts; marimba numbers, Mrs. Joe B. Scott; two vaudeville dance numbers by "Two - Stepping Sam" and "Two Timing Louisa," accompanied by "One Finger Mitchell."

Guitar Solo, Margaret Meacham; clown skit, Mrs. Homsley's pupils; piano duet, Florence Ashcraft and Betty Jo Penn; Pumpkin Hill, Jo Oyler's grammar school speech class.

The public is invited to attend and proceeds from the event will be used in the work of the class.

There will be a number of prizes in the various events and concession stands will be operated.

Seek Identity Of Gunshot Victim

SAN JOSE, Calif., Oct. 5 (UP)—Police checked the identity today of a man found shot to death in an auto court where he was registered as George Wittner, 111 Sinclair Building, Fort Worth, Texas.

A pistol and an empty whiskey bottle were found beside his bed when his body was discovered yesterday.

Police held a 27-year-old hitchhiker who said he rode with the man from Los Angeles to San Jose.

The 49-year-old Wittner was believed to be in the oil business.

Band Jamboree Gets Big Crowd

Members of the Band Boosters Club Tuesday night launched their activities of the season when they staged a band jamboree at the corner of Main and Commerce streets.

A large crowd was present as the program and entertainment got underway with concerts by the Eastland and Ranger bands. The bands furnished music throughout the evening.

Funds taken in from a ducking pond, penny pitching game, a jail, and hot dog stand and cold drink stand will be used in work with the band and for the purchase of new instruments.

Members of the club today expressed themselves as being very pleased with the turn out for the event and the returns earned for their work.

Gilmer-Aikin Suits Thrown Out

AUSTIN, Tex., Oct. 5 (UP)—A suit by the El Paso Independent School District bringing Gilmer-Aikin education reform legislation into court for the first time was thrown out by the State Supreme Court today.

The Supreme Court, technically, overruled a motion by the El Paso district for permission to file a petition for a writ of mandamus against State Comptroller Robert S. Calvert.

The suit involved provisions of Gilmer - Aikin school laws bearing on local support to the program to be paid by districts comprising territory of federally-owned military reservations.

The cost of the Alaska Highway was \$138,000,000.

NINETY-ONE NEW LAWS GO INTO EFFECT TODAY

AUSTIN, Tex., Oct. 5 (UP)—Ninety-one new laws went into effect today in Texas, ranging from anti-lynching legislation to banning of high school Greek letters societies.

The measures lacked enough votes to go into effect immediately upon passage by the 51st Legislature. A waiting period of 90 days was required.

The anti-lynching act imposes a possible death penalty and was part of Texas' Civil Rights program outlined by the late Gov. Beauford Jester. Under the act, all members of a mob figuring in a lynching are subject to death, life imprisonment or imprisonment for not less than five years.

Two new laws require sportsmen to buy a \$2.15 big game license if they hunt deer or turkey, and set up a universal fishing license replacing a series of special licenses used in the past.

Both laws have been in practical effect since Sept. 1.

Other new laws governing Texans included:

Oil unitization which permit cooperative developments of state oil fields with apportionment of oil production according to a formula among lease

C. OF C. SEEKS 100 PER CENT MEMBERSHIP

F. P. Brashier, vice-president of the Ranger Chamber of Commerce and chairman of the membership drive, announced today that the drive will be launched at a big kick-off breakfast next Tuesday morning at 7 o'clock at the Gholson Hotel. A goal of every business in Ranger as a member of the Chamber of Commerce has been set.

Workers at the breakfast will be guests of the Chamber of Commerce and it is urged that as many workers as possible attend the meeting.

The town has been divided into three sections for the drive and leaders for these sections are A. N. Larson, B. A. Tunnell and Bud Fuller. Larson will direct the drive in the district from Main Street north and west of the Texas and Pacific railway. Tunnell will take the section south of Main Street and west of the railroad. Fuller will have everything east of the railroad and along the highway.

It was pointed out today that enough workers are being enrolled to complete the work within a few hours and thus not drag the work over a period of days. It is hoped that there will be a ready response from workers so that no great burden will fall on anyone in the drive.

"We want every business in Ranger in the Chamber of Commerce," Brashier said today, "and that's what we're going to try to do in a few hours next Tuesday. He asked that business people be ready to receive the workers in order not to delay the drive.

Five Break Jail At Amarillo

AMARILLO, Tex., Oct. 5 (UP)—Five prisoners escaped from the Potter County Jail early today after overpowering a jailer.

Sheriff Paul Gaither said they presumably fled in a 1941 car, stolen a few minutes later from its parking place two blocks away from the jail.

Three federal prisoners, in transit from Santa Fe, N. M. to the Federal Reformatory at El Reno, Okla., engineered and led the escape, Gaither said.

They forced a jail trusty to accompany them, and additionally they unlocked a tank-type cell and released another prisoner who joined in the flight.

The reformatory-bound prisoners were identified by Gaither as:

Jim Daniels, 22.

Dave Early, 19.

Dwight Butterfield, 24.

He said all three were being sent to the federal reformatory on Dyer Act (stolen car) violations.

They released W. L. Buzzard, alias W. L. Harrison, 50, a local prisoner held for two months on swindling and forgery charges.

Marion Moss, 31, a jail trusty, was forced to accompany the men at the threat of bodily harm, Gaither said.

Former Resident Dies In Graham

Friends this morning received word of the death in Graham of Mrs. Mary Wells, formerly of Ranger.

Mrs. Wells died in a Graham hospital this morning. She had been a patient in the hospital for about four months.

Services will be held in Graham Thursday afternoon.

Two From Ranger At Hardin-Simmons.

Two students from Ranger are among the 1800 students enrolled this fall at Hardin-Simmons University. Persons from 32 states are enrolled in the student body. The Ranger students are Keith Munnerlyn and Robert Balch.

Munnerlyn, a freshman, is the son of Mr. and Mrs. G. M. Balch is a sophomore at the university, and the son of Mrs. R. S. Balch of Ranger.

Reds Promise Peace Treaty With Germany

BERLIN, Oct. 5 (UP)—The Soviets indicated today they would sign a peace treaty with a Communist-dominated central government to be formed in eastern Germany and then withdraw Russian occupation troops.

Official and unofficial reports indicate the new government, claiming jurisdiction over all Germany's 65,000,000 people, would be formed Friday by proclamation of the Soviet Zone Peoples Council.

Taegliche Rundschau, official newspaper of the Soviet Military Administration, said the new state "will be a government which will not be hampered in its activity by regulations in an occupation statute of unlimited duration."

At the same time the Communist Socialist Unity Party, which dictates German political policy in the Soviet zone, issued a statement Friday by proclamation of the Soviet Zone Peoples Council.

Allied sources admitted that a peace treaty, in contrast to the western Germany occupation statute, would be of tremendous propaganda value to the Communists and would have wide appeal to German nationalism.

A Russian withdrawal, however, still would leave a powerful Soviet zone German police force organized along military lines with tanks, mortars and heavy machineguns to "maintain order" in the Soviet zone.

French Regime May Resign

PARIS, Oct. 5 (UP)—Members of Premier Henri Queuille's 13-month-old middle-of-the-road cabinet said today after an hour-long cabinet meeting that the government was "virtually finished."

The settlement followed an announcement from Queuille that he had failed to arbitrate union demands for more wages and would visit President Vincent Auriol this afternoon.

Reliable sources at the premier's residence said the premier might hand the president his resignation at that time.

Queuille, leader of France's longest postwar government, could not reconcile union demands for more wages with his "hold the line" order.

An emergency cabinet meeting was held this morning following reports of continuing disagreement among ministers on measures taken by the cabinet last Saturday to hold wages at their present levels and attempt to reduce some prices.

HOW THEY VOTED

WASHINGTON, Oct. 4 (UP)—The vote by which the Senate approved 38 to 37 the Russell-Young amendment providing 90 per cent price supports for basic crops included:

Democrats for—Connally, Johnson of Texas.

The highest point in Oregon is Mt. Hood, 11,245 feet above sea level.

HURRICANE DAMAGE NOW STANDS AT \$8,000,000

HOUSTON, Tex., Oct. 5 (UP)—The Texas hurricane took a toll of two lives and wrecked \$8,000,000 worth of property and crops, officials said today.

The dead were Mrs. Alpha Herbert of Port Neches, Tex., who grabbed a dangling "live" wire in trying to break a fall, and Jimmie Simpson, 21, Palacios, T. Tex., who apparently drowned while trying to swim from a stalled cabin cruiser in Matagorda Bay.

The 112-mile-an-hour blow wrecked power transmission lines and communications wires.

Widespread damage was reported in the 75,000 acres of low-lying ricefields from the heavy rains accompanying the storm when it roared off the Gulf of Mexico early yesterday. Texas spring cotton, corn and hedges, suffered a \$800,000 loss.

Damage was most severe in Freeport, the first coastal city hit by the whirling storm. Authorities

APPLICATION FOR PHA AID TO BE MADE AT ONCE

J. E. Meroney Heads Board Of Five Named To Direct Affairs Of Project

At a meeting of the city commission held Tuesday night, members voted to proceed immediately to make application for government aid in a low-cost housing project for Ranger.

The movement got into full swing today as a board was named to direct operations and to push the effort to a conclusion. Members of the board who were named and who have accepted the appointment are J. E. Meroney, Morris Newnam, James Ratliff, Joe Nussle and Wilson Guest. A meeting of the board was planned for later today and further plans concerning the project will be announced in the near future.

The financing of the project will be through government aid and objective is to provide better homes for the low income brackets in Ranger. The units will have to be built according to government specifications and will be for certain income brackets to be determined by the local group and approved by the Public Housing Administration.

Rents on the units cannot exceed one fifth of the income, including utilities.

The building of low-rent housing in Ranger has been made possible through recent federal grants for the work but it is a part of the program started by the United States Housing Act of 1937.

Further details as to who will be eligible and how to make applications for the units will be announced later.

At the commission meeting Tuesday night, City Secretary Lester Crossley reported that a total of \$4,411.69 has been collected on delinquent taxes since the drive was started in June. He also reported that \$5,541.53 has been collected on 1949 taxes.

It was also reported at the meeting that a total of \$3,312.14 has been collected from parking meters since their installation in July. This is an overall report and includes meter receipts, zoning fees and fines. A payment of \$425 has been made on the meters by the city.

In addition to the above figure on the parking meters, collections today amounted to \$222.55.

Oilmen Attack Oil Imports

FORT WORTH, Tex., Oct. 5 (UP)—Leading independent oilmen took potshots at the federal government's oil import policy yesterday before adjourning their two-day convention here.

The Independent Petroleum Association of America passed a resolution declaring the American petroleum industry can supply all U. S. oil needs from developed resources in this country. Foreign imports are not necessary, the resolution stated.

The oilmen described the administration's foreign trade officials as "tools of the importers."

Daughter of Mrs. M. L. Perdue Dies

Funeral arrangements for Mrs. Ethel Cone of Cisco were pending today with plans tentatively made to hold services sometime Thursday.

Mrs. Cone, 58, daughter of Mrs. M. L. Perdue of Ranger, died in Cisco early this morning. She had been seriously ill for about four months.

Farming was rated as the fourth most dangerous occupation in 1948. Only transportation, construction work and mining and quarrying had higher death rates per 100,000 workers.

FEDERAL AID SLATED FOR TEXAS FLOOD CONTROL

WASHINGTON, Oct. 5 (UP)—Senate and House members today were expected to give quick approval to a compromise \$664,178,190 appropriation for flood control and rivers and harbors work, with about \$37,360,000 going to Texas.

Of the allotment to Texas, about \$11,837,000 was earmarked for four dams on the Upper Trinity river in the Dallas vicinity. The appropriations issue had been contested, but a Senate-House conference committee yesterday broke a four-month deadlock to reach its compromise.

The committee version of the Army Civil functions bill allots \$366,330,400 for general flood control and \$197,849,690 for rivers and harbors work. The remainder was set aside for the Mississippi River, the Sacramento River, an emergency fund, and for administrative expenses.

The bill is expected to win final approval within a few days. The Senate originally voted \$754,440,690, the House \$593,292,270. One of the most controversial senate additions to the bill — \$2,500,000 for the Tennessee-Tombigbee project — was omitted from the construction features of the final measure, but the conferees allowed \$200,000 for project planning.

The following list for the southwest gives final compromise project figures (projects not included were eliminated):

Rivers and harbors (construction)
Arkansas: Bank stabilization, \$600,000 bank stabilization below

Dardanelle, \$500,000; Morrilton cut-off, \$250,000; Dardanelle Lock and dam, \$1,100,000.

River and harbors (planning)
Arkansas: Arkansas River, \$500,000; Overton - Redriver waterway, \$50,000.

Texas: McGee Bend Dam, \$200,000.

Flood control (construction)
Arkansas: Blankely Mt. Reservoir, \$2,300,000; Blue Mt. Reservoir, \$35,700; Bull Shoals Reservoir, \$12,777,500; Carden's Bottom, \$270,000; Conway County Levees, \$96,000; Conway County Levee No. 6, \$11,000; Crawford County Levee District, \$300,000; Little Rock, \$333,000; Narrows Reservoir, \$3,460,000; Nimrod Reservoir, \$59,500; Norfolk Reservoir, \$744,100; Red River Levees, \$520,000; West of Morrilton, \$596,300.

Texas: Belton Reservoir, \$1,485,000; Benbrook Reservoir, \$3,500,000; Garza Little Elm Reservoir, \$2,232,300; Grapevine Reservoir, \$3,500,000; Lavon Reservoir, \$2,604,300; San Angelo Reservoir and Floodway, \$3,900,000; Texarkana Reservoir, \$5,000,000; Whitney Reservoir, \$10,500,000.

Flood control (planning)
Arkansas: Millwood Reservoir, \$200,000; Water Valley Reservoir, \$150,000.

Texas: Canton Reservoir, \$150,000; Ferrell's Bridge Reservoir, \$75,000; Mill Creek, \$25,000.

Flood control Mississippi River and tributaries, \$67,000,000.

Flood control, Mississippi, emergency fund, \$500,000.

as today as the big wind that only 36 hours ago was a hurricane blustered into southern Arkansas. The U. S. Weather Bureau at Dallas said Arkansas points reported heavy rains but strongest winds were clocked at only about 30 miles per hour.

Considerable cloudiness continued in the eastern section of Texas, but skies were fair in the El Paso and Big Bend regions.

Mid-morning temperatures ranged from near 60 in the extreme northwest portion to the upper 70's along the lower coast.

The lowest temperature recorded last night was 52 degrees at Salt Flat. Brownsville reported the highest reading, 75 degrees.

The Weather Bureau said partly cloudy weather would continue today, tonight and Thursday, with some rain in the extreme northeast portion this afternoon. No important changes in temperature were expected.

At 6:30 A. M. today, the weather bureau said that 3.43 inches of rain had fallen over a 24-hour period at Lufkin, which felt some of the punch of the dying hurricane. Tyler had 2.32 inches, Texarkana 2.72 and Palestine 1.15.

Less than half an inch fell at Waco, Abilene, San Angelo, and Mineral Wells.

Cookies Safe Now
MEMPHIS, Tenn (UP)—Grand ma Cora Phinnessell doesn't have to hide the cookie jar any more. Once she used it as a temporary container for the dog biscuits and forgot to tell the children in the neighborhood about the change.

Office by taking three points from Air Patrol moved back into second place in league standings. Lead by C. D. Beck, team captain and lead off man, this was a battle in each game down to the last legler, who had 496 series and H. S. Perry with high game of 177 and series of 451, the Office emerged from the battle 52 pins and two games which gave them three points. For the losing Air Patrol, W. W. Mitchell had high game of 148 while M. W. Krajaer had high series of 412.

This is a great moment in the lives of the Pups and a turn out of fans would be greatly appreciated. There's one thing about it, while they may not be varsity, there never was a string of players that went into a game more eagerly. The eagerness is not only on the part of the boys, but we've seen a lot of tense interest on the part of parents whose sons will be playing in their first scheduled game.

Furthermore we are placing our pennies on the fact that the fans will get a real treat at the game tonight. These kids know pretty well what the game is all about and they'll have you know it—witness the scapling we got last week when we made an error about their Eastland game.

Then Saturday night, (that's right, it isn't Thursday), the Ranger Junior College Rangers go to Odessa for a game.

The team will leave here Saturday morning early by bus.

Like we said before we aren't making any predictions but we have a feeling that the boys have a pretty good chance to defeat Odessa.

From what we hear about half of Ranger will move out for Dallas Saturday morning to see the ever popular Texas - Oklahoma game at the opening of the State Fair.

This game annually gets a lot of attention from Ranger. Notice where the students at Oklahoma got a pre-game lecture on their football manners. All by way of reminding them that officials of the University of Oklahoma don't want a repeat performance of the 1947 conduct.

Gaugers with a new series team record of 3049 and also high team game of 1954 took three points from the Gange who were not so bad themselves with a team series of 3016 and game of 1040. For the Gaugers, Chesley Tipton obtained the high series title to date with a 566 and G. C. McGowan came back into the upper brackets with a 466 series. The Gange had H. G. Bridges with a 208 series and E. R. Rogers with a 4450 series, their high to date.

Auto-Elec continued to show their opposition no opportunity to kick them down the ladder as they won four points from Trucks.

Each kegger for the Auto-Elec had better than a 400 series with J. M. Jones leading with 449 while anchor man Kilborn had high game of 178. For the losing Trucks, J. B. Weekes was high man with a 180 game and 506 series.

Each succeeding week the so-called inexperienced bowlers in the league continue to improve and space does not allow plaudets to all who are bowling and improving. Come applaud for your favorites.

HOW CLASS A STACKING UP

By Ed Fite
United Press Sports Writer

While games ran generally true to form in the state's Class A schoolboy football circles last week, favorites got rude treatment in seven of the 32 districts.

For instance, Memphis in 2-A was bumped off by Lefors, as was Lockney in 3-A by Abernathy, Pecos by Kermit in 4-A, Albany by Faskell in 5-A, East, Carlisle by Gerten in 6-A, Caldwell by Breham in 23-A and Freer by Falfurrias in 29-A.

Most of the games figured to be close since both teams were well-rated in their respective districts, and the losses by Memphis and Carlisle were the only ones coming close to being a major upset.

Here's a district-by-district rundown as of this week:
1—Phillips defeated Shamrock 41-18. Dallhart stopped Wellington 33-6 and Hereford remained unscathed on by downing Friona 20-0 to share the co-favorites' roles.

2—Lefors went to the head of the class by walloping Memphis 35-0.

3—Lockney's 18-7 defeat by Abernathy left a four-way scramble involving those two teams and Floydada and Spur.

5. Monahan coasted by Fort Stockton 25-6 and Kermit whipped Pecos 14-0 to remain the undefeated favorites.

6—Haskell whipped Albany 20-7 to eliminate what appeared to be the top opposition in the east half, while Rotan downed Snyder 29-0 and Hamlin stopped Anson 27-0 to stay atop the west half standings.

7—Ballinger and Brady rolled along toward an eventual title-deciding game, the former downing Stamford 46-12 and Brady beating San Antonio Edison 21-6.

8—Ranger gradually emerging

BE SURE YOU USE A TIME-PROVED LAXATIVE
Black-Draught has been a family laxative with four generations. Black-Draught acts promptly and thoroughly, usually to relieve constipation. When overeating, overwork, worry or other irregular habits cause constipation take Black-Draught for headache, upset stomach, nausea, bad breath, due to ordinary sluggish bowel action. Buy Black-Draught today at your nearest drug store.

Speaking on the Subject of Quality—
It is always an appreciative compliment when so many of our customers tell us they like our abstracts. They must for many of them have been doing business with us for more than a quarter of a century and still are. There is no secret attached to this expression of confidence. A quality product produces confidence. And we are proud that we have both—the confidence of a host of customers and a quality product to sell them.

O. U. Students Get Lecture On Game Conduct

NORMAN, Okla., Oct. 5 (UP)

Student fans got a dose of fatherly advice today as more than 32,000 Oklahomans prepared for a weekend migration to Dallas for the Texas - Oklahoma football game.

Dr. George L. Cross, University of Oklahoma president, told Souther students he wants them to be

as top team, whipping Burk Burnett 25-0, Hamilton, chief contender, beat Coleman 27-0.

9—Holiday strengthened its top role, downing Olney 43-0.

10—Top-rated Bowie held to 13-13 tie by Arlington outside district. Henrietta sounded warning by downing Wichita Falls Rowdies 3-19.

11—Very unsettled with all four members—Diamond Hill, Handley, Birdville and Arlington—about equal.

have in Dallas as well as they did last year—and better than they did two years ago.
"We want no repetition of the unpleasantness that marked the 1947 game in Dallas," Cross said, referring to the pop bottle throwing by O. U. fans who were enraged by the decisions of Referee Jack Sisco. "We hope students will behave as they did last year—in a manner befitting Oklahomans and university students."
A total of 6,812 O. U. students bought Dallas game tickets, and

26,500 tickets to the game were sold by the University to alumni and other Oklahoma fans. No tickets have been available here for a month, and O. U. Ticket Sales Chief Cleo Fitzgerald said thousands of requests for seats have been turned down.

Most Oklahomans will reach Dallas by private automobile, but three special trains and several chartered airliners also will move the mob across Red River and back again.

You'd Be Surprised!

Legion Auxiliary Has Meeting

A meeting of the Ladies Auxiliary of the Carl Barnes Post of the American Legion was held Tuesday night at 7:30 o'clock at the Legion hall.

Mrs. Con Hazard, president, gave a report on the work that the Auxiliary is doing at the Veterans Hospital at Temple. She reported that the auxiliary last year gave over five thousand gifts to the hospital at Christmas. The Ranger Auxiliary has been asked to assist with the work this year.

Chairman for the Auxiliary work were appointed and are as follows: hospitals, Mrs. Al Tune; poppy sales, Mrs. R. H. Gordon; membership and programs, Mrs. Don Butler; legislation, Mrs. E. E. Johnson; junior safety, Mrs. Frona Ames; civic improvement, Mrs. Charles Sürbrook; child welfare, Mrs. T. E. Hale; rehabilitation, Mrs. H. C. Croom and visiting, Mrs. Howard Elwood.

The Auxiliary voted to sponsor a series of bingo games to be held in the Legion hall throughout the winter months.

Mrs. Sürbrook will entertain the Auxiliary with a wicker roast Tuesday night at her home on Blundell Street.

A "thought for the month" program has been adopted and the thought for October is "Soft words have solved many a hard problem."

The next meeting will be held in the home of Mrs. Don Butler on October 18.

WSCS Program Monday On Japan

The Women's Society of Christian Service of the First Methodist Church met at the church Monday afternoon at 3 o'clock with the president Mrs. James L. Turner presiding.

The opening prayer was offered by Mrs. Turner and the group joined in the singing of the hymn, "The Lord And Father of Mankind."

In a short business session Mrs. Vernon Deffebach was elected secretary of promotion and Mrs. R. E. Johnson named secretary of the status of women.

Mrs. Turner gave the devotional based on the subject "How Japan Got That Way" with scripture taken from John. Mrs. Arthur Deffebach was in charge of the program on Japan and Mrs. W. F. Creager gave a short history of Japan.

Mrs. Cecil Ellis offered the closing prayer.

Mrs. Pat Thomas will be in charge of the meeting Monday and will give a program on the subject "Meet The Japanese."

Dim Your Lights And Save A Life

WMS Circles In Meeting Monday

Circles of the Women's Missionary Society of the First Baptist Church met at the church Monday afternoon at 3 o'clock for a business session.

The meeting was opened with the singing of a hymn and with a prayer offered by Mrs. Lee Mitchell.

During the afternoon officers made reports on their work and Mrs. David C. Ham reviewed on chapter of the book, "America Must Be Christian."

Fifteen members were present for the meeting.

Miss Oyler Gives Review In Cisco

Jo Oyler was in Cisco Tuesday afternoon where she was the guest book reviewer at a tea at the First Methodist Church.

Miss Oyler reviewed Vincent Sheehan's "Lead Kindly Light". The occasion was a birthday party for the Woman's Society of Christian Service and Miss Oyler was introduced by Mrs. Paul Wood who arranged the program.

Following the review Miss Oyler was the guest of honor at tea.

Two Leave For Houston Meeting

Mrs. P. M. Kuykendall and daughter, Mrs. James P. Morris, left today for Houston where Mrs. Kuykendall will attend a meeting of the executive board of the Ladies Auxiliary to the State Medical Association of Texas.

Mrs. Kuykendall is vice-president of the auxiliary and will give a report on her activities and other matters at the meeting Thursday. On the program for the day are a luncheon and dinner with the business session in the afternoon. The meeting will be held at the Holston Country Club.

Mrs. Kuykendall will return to Dallas Saturday in time to attend the Oklahoma-Texas game with a party from Ranger, Dallas and Ft. Worth.

Bible Study Group Has Meeting Mon.

The Vida Elliott Bible study group of the First Christian Church met Monday afternoon at 3 o'clock in the home of Mrs. Henry Martin.

During the meeting it was announced that the group will not meet next Monday as the County Council for ladies of the church will meet at the church at 2:30 o'clock. The next meeting of the group will be on Monday October 17 at the home of Mrs. F. M. Moffett.

Those attending the meeting Monday were: Mmes. Bob Allen, Dick Jones, Lottie Davenport, E. T. Mathews, W. R. Faifer, Jim

Freshman Class Is Entertained

Members of the freshman class of Ranger High School were entertained Saturday night at a picnic and dance.

The class gathered at the Willows Park at 6:30 for a picnic supper after which they went to the Teen Canteen for dancing. Sponsors of the class are Mrs. Lillian Eastland, Mrs. Bagwell and Mrs. Russell.

Seniors Elect Room Mothers

In a meeting held Tuesday at the high school Mrs. W. R. Swaney, Mrs. T. A. Wilson and Mrs. R. C. McCord were elected room mothers for the senior class.

Jackie Poyner and Glen McCleskey were named recreation chairman and are making plans for a hayride which the class will have on Saturday October 15.

VFW Auxiliary To Meet Thursday

The regular meeting of the Ladies Auxiliary of the Veterans of Foreign Wars will be held Thursday night at 7 o'clock in the VFW Headquarters.

All members are urged to attend.
