Wood, 18, and Gary Crum, 16. In background is their high school auto mechanics instructor, G. L. DuBose. The souped-up "Canary" will race in the D-Gas class Sunday, a quarter of a mile from a standstill.

# Souped-Up D-Gasser Ready for the Races

When Michael Wood floorboards his customized '55 Chevy racer at the Amarillo Dragway Sunday, many of his Dimmitt High School

about **dimmitt and castro county** by b. m. n.

classmates will stop breathing until the quarter-mile race is over. **SEVERAL** carloads of Industrial Arts Club members will be there to see Michael race in the D-Gas class, and they'll be boosting him on. In fact, they'd get on the track and push if it would help, for many of them feel they have a stake in his bright yellow "Cantankerous Canary."

They've watched Michael, and lent a helping hand here and there, as he converted the "Canary" from a standard 12-year-old stock car to a red-hot racing machine.

**MICHAEL**, 18, is the son of Mr. and Mrs. John Hardy Wood. His main compadres in the race-car project are Gary Crum, 16, and Gail Crum, 15, the sons of Mr. and Mrs. J. C. Crum.

## Burglars Take \$200 at Schools

Burglars broke into both of Dimmitt's elementary schools Wednesday night of last week and helped themselves to the coin change in dispensing machines and in a principal's office.

Other schoolmates have helped on the body work, painting, sheet metal work and installations that went into the rebuilding of the car.

Outwardly, Wood's "Canary" still looks like a 1955 Chevrolet sedan. But inside and underneath, it isn't the same car anymore.

**GONE IS THE** original engine, and in its place is a 1965 Chevy 285-cu-in. V-8 that Michael and his classmates have bored .125 to make it a 301-cu-in. engine. They've overhauled the engine twice and have added two four barrel carburetors, aluminum racing pistons and a balanced racing assembly. The car has the hottest racing cam Chevrolet makes.

Gone is the original Powerglide automatic transmission, and in its place is an 11-inch truck clutch with a four-speed floor shift.

The burglars entered the schools by breaking classroom windows on the dark side of the buildings, Hiburn said. They gained entry to Mrs. Richardson's office by breaking a glass panel, then took \$100 in change from a coin box in the office.

**TO THE REAR** end of the car the boys have added a special set of traction bars which they built themselves, to provide more leverage for the rear wheels and keep them from wheel-hopping on the takeoff.

**CITY MARSHAL W. W. Jones** said he's checking a possible connection between last week's burglaries here and similar burglaries that have occurred recently in schools at Friona, Farwell, Bovina and other area towns.

They've put hundreds of hours of work into "Cantankerous Canary," and in a matter of seconds Sunday at the Amarillo Dragway, they'll learn whether they've produced a winner.

It is to be hoped that all Dimmitt business firms will observe DST. It has been a popular measure in the states where it has been observed for the past two to three decades, and undoubtedly has advantages that will please most people when they become accustomed to the change. Confusion could be rampant if some of the business firms observed the new time and others observed sun time. If you can't fight progress and win, you might as well join the hilarity and enjoy it.

The Jumbo community banquet or party, will be held in the Colonial Inn Restaurant Friday evening. Viola and I and Don and Verbie have an invitation and if it is possible we will be there. Time was when the chamber of commerce sponsored dinners at the various communities in the country with the farmers of the community being the guests of the businessmen. This is a project that should be revived. Besides the benefit of the public relations involved, the home cooking served by the women of the community was delicious.

Dimmitt continues to grow. I am always amazed at the number of new homes under construction, and prefabricated houses being moved in. The only explanation that I can think of is that a growing community can absorb more population than might be expected.

We are undoubtedly having our last cold front of the winter. Planting season should be here soon. What at first looked to be an early spring is turning out to be a rather late spring.

Mahammed Ali, alias Cassius Clay, says he is going to obey the law and appear before the draft board, but that he is not going to bear arms. If that old boy doesn't believe in fighting it seems that he may have been in the wrong business all of the time.

My neighbor to the north, Ray Bearden, is very anxious to find homes for two baby kittens. They are the offspring of his old mother cat and unknown adventurer. If you are in need of a kitten contact Ray and he will see that your need is taken care of.

# Hospital Bonds Go to Buyers

A San Antonio investment company bought all of Plains Memorial Hospital's expansion bonds across the state bid on the \$135,000 issue.

**THE HOSPITAL** board awarded the purchase to Dittmar & Co. of San Antonio, which bid to buy the entire issue at an effective interest rate of 3.66194 percent from the hospital district.

The general revenue bond issue will be for 13 years, with the final bond to mature in 1980.

Hospital Administrator Don Newman said the board was able to market the bonds at a lower interest rate than expected.

**"THE BOARD** considered nearly all of the bids to be very good ones," Newman said. "Seven financial and investment firms bid under 4 percent on the bonds, and another company's bid was 4.11 percent. The board wasn't sure whether it would be able to sell the bonds at less than 4 percent."

The \$135,000 to be paid by Dittmar & Co. for the bonds will be used to add a 20-bed annex to Plains Memorial Hospital. Construction on the annex, authorized by voters Feb. 11, is expected to start in December.

## Hospital Rates To Go Up Again

Room rates at Plains Memorial Hospital have been hiked for the second time in a year.

**AT THEIR** Monday night meeting, hospital board members voted to increase the hospital's room rates by \$3 to \$4.50 per day, effective May 1.

New rates will be \$19 per day for a semi-private room, \$24 for a private room and \$27.50 on two deluxe private rooms.

Current rates are \$16.50, \$20 and \$23.50, set in October.

**HOSPITAL** Administrator Don Newman said the new rate schedule "is in line with the major hospitals in the area, and still below the rates of metropolitan hospitals."

He said the upward spiral of hospital costs made the rate increases necessary.

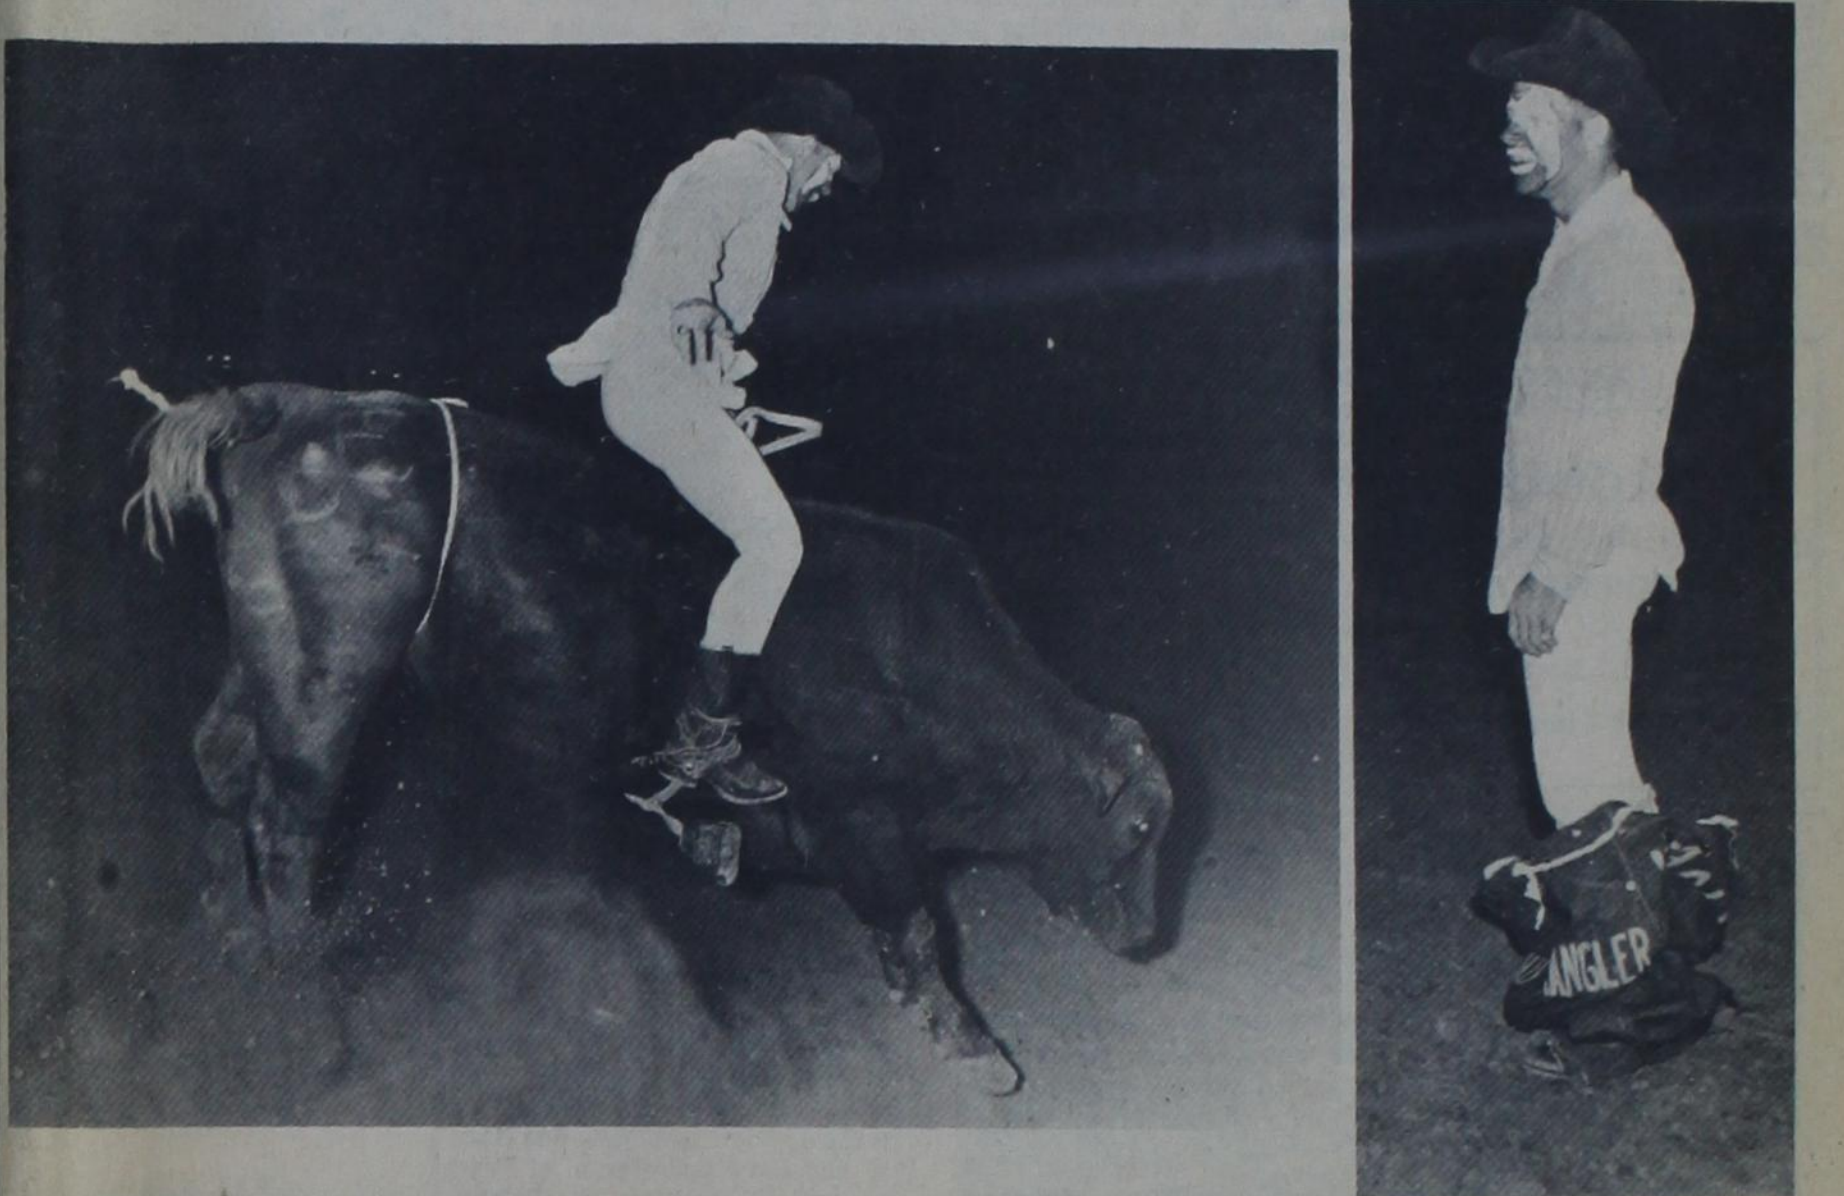

**THE HOSPITAL** board made no increase in rates for other hospital services, but Newman said "there will probably be some adjustments made later in the rates for other areas of the hospital."

**DOUBLE DUTY** was performed by 17-year-old Claude Groves of Ralls during the Dimmitt Junior Rodeo over the weekend. In left photo, he rides a big bull to the championship of the rodeo's most rugged event. An accomplished and well-trained rider, Groves was the only junior rodeo cowpoke in the three-day rodeo who managed to

stay aboard a bull — and he rode out two of them to finish as the only winner in the event. But the bull rides didn't take long, and Groves spent most of his time during the rodeo as the official clown. In right photo, he loses his baggy pants while arguing with the announcer.

# Roper Takes Rodeo Crown

The "Best All Around" title in the Dimmitt Junior Rodeo Thursday Friday and Saturday had to be decided by a coin flip after an Amarillo roper and a Ralls rider tied in points by sweeping two events each.

**IN RIBBON** roping, Brazile looped his calf, ripped the ribbon off its tail and hot-footed it back to the chute in just 11.9 seconds. Ricky Purcell of San Jon, N.M., was second with 14.4 seconds and Bobby Lewis was third with 15.4.

**THE RODEO'S** top title went to Jimmy Brazile of Amarillo, a 17-year-old lasso artist who placed first in both ribbon roping and tie-down calf roping.

Groves was the only bull rider in the entire field who could stay aboard. He rode out two big bulls during the rodeo and every other entrant got tossed, so Groves ended all alone in the event's point standings.

He won the deciding coin-flip over another double winner, 17-year-old Claude Groves of Ralls, who placed first in both bull riding and bareback bronc riding while doubling as the rodeo's official clown.

And Groves won the bareback bronc title with a near-perfect rating of 199 by the judges. Donald Carmichael of Dimmitt was second with 145 points and Tommy Stafford of Dimmitt was third with 142. Bob Crick of Hart placed fourth with 141 points.

Brazile captured the tie-down event with almost four seconds to spare, drawing the string on his calf just 10.5 seconds after leaving the chute. Jerry Light, another Amarillo entry, placed second with a time of 142 seconds, and Jess Stone was third with 161.

**IN GIRLS' barrel racing**, Glenda Light of Amarillo won first place by making the loops in 20.4 seconds. Debra Whitehead of Morton was second with 22.4, and Margie Arno'd was third with 23.1.

**SHERILYN MORRISON**  
... Valedictorian

**ROSE MARY LEE**  
... Salutatorian

# Hart High Names Top Honor Grads

Sherilyn Morrison, who has never made less than an A in any subject is the valedictorian of Hart High School's Class of 1967. She is the daughter of Mr. and Mrs. Theron Morrison.

Salutatorian of the class is Rose Mary Lee, daughter of Mr. and Mrs. Lorenza Lee. She finished her public school career just 1.93 points behind Miss Morrison.

**THE TWO GIRLS** were announced this week by Supt. Andy Gardenhire as the top-ranking scholars of Hart High's graduating class.

Miss Morrison compiled a grade average of 94.95 during her high school career, and Miss Lee's overall average was 93.02.

Gardenhire said Hart seniors will hold their baccalaureate services Sunday, May 7, at 8 p.m. in the First Baptist Church of Hart, with Rev. Douglas Gossett as the speaker.

**SENIORS** will finish their examinations May 12, then will leave the next morning for their senior trip to Colorado. They will return to Hart May 18.

Graduation exercises will be May 19 at 8 p.m. in the Hart Grade School gymnasium.

**THE CLASS'S** top two scholars are also active all-around students. Miss Morrison is vice-president of the Methodist MYF and student council, president of the Pep Club, editor of the 1967 Longhorn, senior class favorite, and a member of the FHA and girls' basketball team. She took part in the junior and senior plays and has held a class office in all 12 grades.

## Battles Heads 35th Tech Show

Roy Allen Battles of Dimmitt is chairman of the 35th annual Texas Tech Science and Engineering Show, which will be held Friday and Saturday.

Miss Lee is an accomplished accordionist, manager of the girls' basketball team, business manager of the Longhorn yearbook staff three years, class reporter, and a member of the Church of Christ, FHA and Pep Club.

**BATTLES**, a senior engineering student at Tech, is the son of Mr. and Mrs. R. E. Battles of Dimmitt.

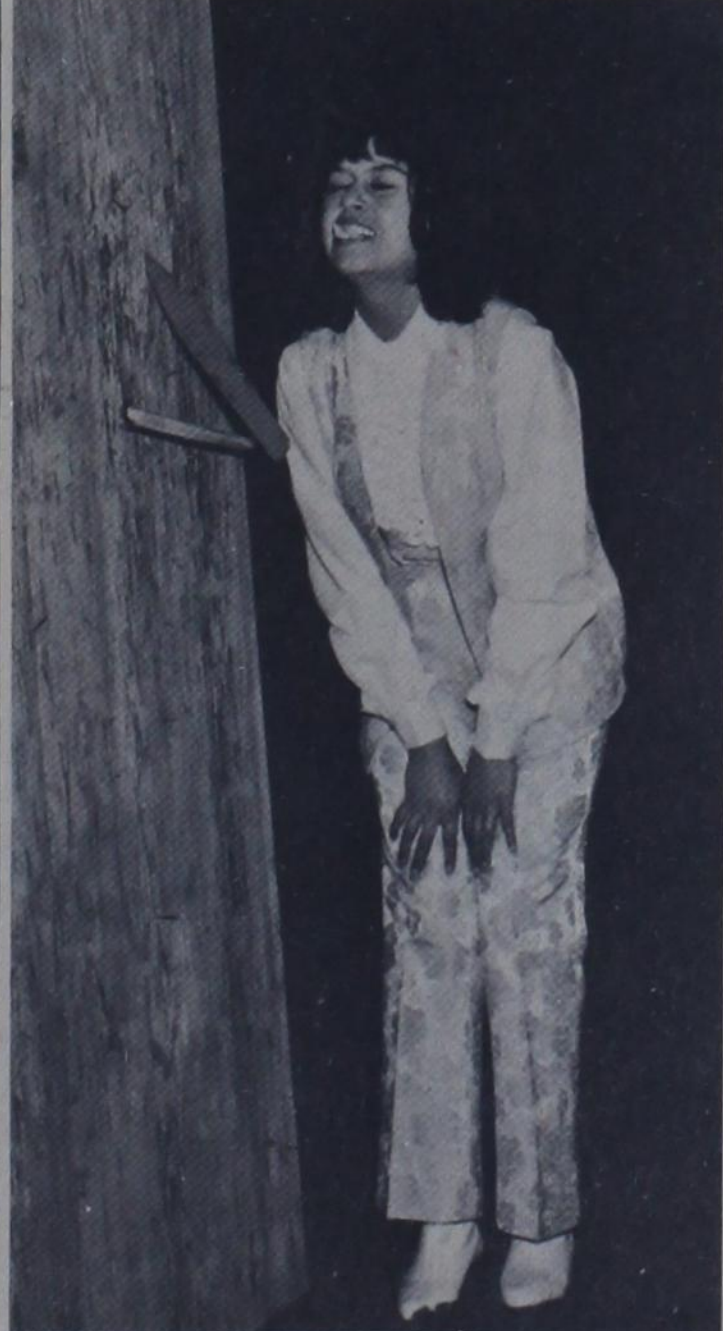

## Smorgasbord Planned Sunday at Nazareth

Purpose of the show is to demonstrate the technological and scientific progress being made at Texas Tech. Twelve departments of the college will participate in the show.

The foods of five countries will be featured Sunday when Nazareth's Band Mothers sponsor a smorgasbord dinner in the school cafeteria.

**WILKINSON** on Leave  
Hospital Corpsman 3-C Coyce Wilkinson is home on 14-day leave visiting his mother, Mrs. Faye Wilkinson, and other relatives and friends in Dimmitt. Wilkinson has been stationed at the US Navy Hospital in San Diego, and is now en route to a new assignment with a mobile construction battalion (Seabees) at Davisville, R.I.

The smorgasbord will be served from 11:30 a.m. to 2 p.m. Sunday and will feature German, Irish, Spanish, Italian and American foods. Admission will be \$1.25 for adults, 75 cents for school children under 12, and 25 cents for preschoolers.

**THE LONG ARM OF THE LAW** created a sensation during the Dimmitt Junior Rodeo as City Marshal W. W. Jones demonstrated his skillful knife-throwing act during each night's go-round. The girl with the pretty face and steel nerves is Rosie Martinez, 19, who showed complete faith in Marshal Jones's accuracy with the professional throw-

ing knives. Here, she holds in her mouth what's left of a small roll of paper while the rest of the roll falls to the ground, severed by the knife. The marshal also ringed her with knives as she stood with her back to the target-board, and severed another paper roll which she held in her hand.

## LVN School Graduation Set Friday

Plains Memorial Hospital's Licensed Vocational Nurses' School will hold its first graduation Friday at 8 p.m. in the First Baptist Church auditorium.

Four vocational nurses — two-thirds of the class that started last May 2 — will receive their diplomas in the graduation exercises, which will be open to the public.

**THE FOUR** graduates are K Sharca Freeman, Rosalie Neal, Leo'a Riels and Refugio Nino.

They have had a year's training in the Plains Memorial LVN School, which the hospital started last May to provide more locally trained vocational nurses to help solve the serious personnel shortage that is plaguing all hospitals.

**UNDER THE** guidance of Mrs. Mary Baldrige, head of the school, the graduates spent eight hours a day in class for three months, they divided the rest of the year between classroom instruction and on-the-job floor training at the hospital.

Their training included body functions, body structures, medication, nutrition and community health, central sunnly, emergency needs, obstetrics and bedside care.

Aiding Mrs. Baldrige as instructors have been Don Newman, hospital administrator; Mrs. Mary Thompson, LVN; and Mrs. Mitzi Brockman, RN.

Mrs. Robert Huseman and Mrs. Gus McLain attended the District 8 PTA Spring Conference meeting at Texline on Thursday, April 13. They reported a very informative meeting.

MR. AND MRS. C'em Neibur and Mrs. George Brockman of Umbarger visited relatives here Monday and Tuesday. Mr. and Mrs. Neibur who were living here the past two years are moving back to Minnesota to live with their sons and families, next week.

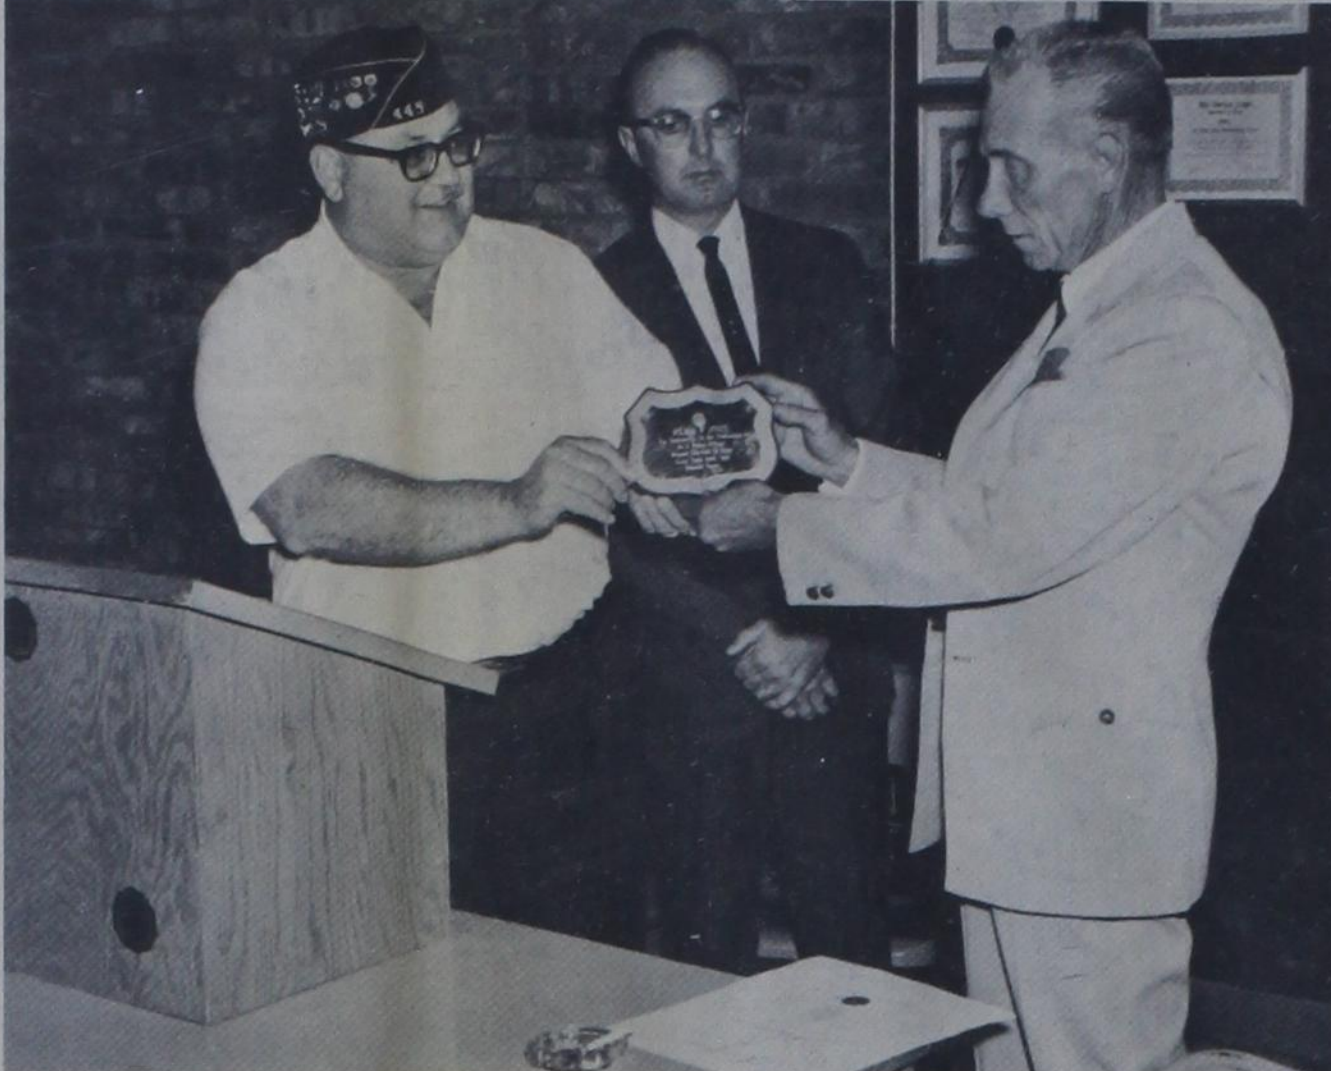

Five members of the Nazareth Court of Catholic Daughters of America attended the reception of new members to the "Mary Star of the Plains" Court in Amarillo at the Cathedral Hall on Sunday, April 16.

Art Albracht spent Friday night at home and left for Wichita Falls where he will be a sports writer for the Wichita Falls Times. Douglas Wilhelm accompanied him and came home by bus Sunday.

A group of teenagers attended the District I Texas Youth Conference at Plainview Friday evening and Saturday April 14-15. Mr. and Mrs. George Hicks of Jenkins, Mo., visited his daughter Mrs. Robert Huseman and family Saturday and Sunday on Sunday Mr. and Mrs. Joe Szalay and Gary and Sharon of Texline had dinner with the Robert Husemans and Mr. and Mrs. Hick of Mo.

The American Legion members entertained the patients at the Veterans Hospital in Amarillo Monday evening April 10. The Catholic Daughters furnished the birthday gifts. To do the entertaining were Mr. and Mrs. Francis Wilhelm, Mr. and Mrs. Paul Venhaus, Mr. and Mrs. Herman Birkenfeld, Mr. and Mrs. Ed Ramaekers, Mr. and Mrs. Robert Huseman, Mr. and Mrs. Charles Braddock and Mr. and Mrs. Junior Hochstein.

SUGAR BEET growers in Castro County last year produced 32,506,200 pounds of sugar from 5,940 acres planted in beets, according to the First State Bank.

A TURN-ABOUT was staged Friday night when Greer H. Estes Post 445, American Legion, issued a citation to Dimmitt's chief law officer. However, this citation was the honorary type as the Legionnaires commended Marshal W. W. Jones "for dedication to his profession as a police officer, beyond the call of duty."

Police Officer Salvatore DiCuffa, left, who explained that the American Legion has started a program to recognize outstanding police officers, "who have had more and more trouble during the past few years because of restrictive court rulings, beatnik demonstrations, and so forth." Bullets to Help Students Learn Highway Safety in Tests Friday

Students of Dimmitt, Nazareth and Hart schools will have an opportunity to see for themselves Friday how the false impression and sense of security that a driver of a modern automobile gets, can and does, often lead into the danger zone and trouble, when they participate in a series of driving tests.

THE TESTS, which will be in two parts, will be given under the direction of Ben Bullard, assistant safety director of the Texas Farm Bureau. The tests will be given at all three schools Friday beginning at Dimmitt at 10:30 a.m., Nazareth at 12:35 p.m. and Hart at 2:45 p.m.

The first section will be a short talk and film on traffic safety, while the second will be a demonstration given at each school.

HIGH POINT of the demonstration will come when driving tests are made with various students and faculty members in a specially equipped car. An electric detonator which is mounted on the front bumper of the car will fire yellow paint bullets to indicate the distance required to stop the car in an emergency.

The driver being tested will be signaled to stop by the report of the first shell. The second will be fired automatically when the brake is applied and the third

when the car halts. Distance between the spots of paint will then be measured to determine the reaction, braking, and total stopping distances.

Tests will be limited to 20, 30, and 40 mile per hour speeds because of the danger of making emergency stops at higher speeds. Law officers will be used as drivers in the high speed tests.

AS PART OF a program for safety on the highway, the Texas Farm Bureau Safety Department has presented this driving demonstration and test in Texas high schools since 1957. The program is being brought to the Castro County Schools under the sponsorship of the Castro County Farm Bureau, and is open to the public.

### Nine From Hart, Nazareth Place In 4-B UIL Meet

Hart students placed in six events and Nazareth students in three during the District 4-B Interscholastic League meet last week.

**BILLY HOELTING** of Nazareth captured first place in number sense competition, junior high division.

In the high school division's Interpretive speaking contest, Jerry Smith of Hart placed third in the district.

Nazareth's two other placings both came in oral reading. Kehr Klemm placed third among elementary boys and Jackie Gugge-

mos was the winner in the girls' competition.

**CHERYL NEWMAN** of Hart placed third in the district in high school shorthand competition.

In elementary spelling and plain writing, the Hart team of Jean Foster and Reta Heck tied for second place with Amherst. Lazbuddie won the event.

Rebecca Futrell of Hart was the third place winner in high school girls' poetry interpretation. And Bob Crick of Hart High School placed third among boys in persuasive speaking.

DIMMITT has almost doubled in population since 1960. Population was set at 2,522 in the 1960 census, and current population estimates range from 4,250 by First State Bank to 4,450 by the City of Dimmitt.

### Carpenter Reports

## Mahon Won't 'Cotton' To Poage's Proposal

After taking part in the recent Farmers Union "Cotton Fly-In" at Washington, D.C., Don Carpenter of Dimmitt reported that Texas Congressman Bob Poage and George Mahon are on opposite sides of the legislative fence on cotton price supports.

**CARPENTER, 32**, who farms in the northwest part of Castro County, was one of 90 Texas Farmers Union members taking part in the "Cotton Fly-In." FU members visited all the legislators they could and distributed brochures showing where the cotton farmer's share of price on finished cotton products is lower than ever.

"Congressman Poage has a plan to do away with the cotton loan program and replace it with a program of selling cotton at the world price, then having the government make up the difference between the world and domestic price through direct payments to cotton farmers," Carpenter said.

"**HIS PLAN** caused a lot of discussion among our group, which didn't like the sound of it when Poage outlined it to us. His plan caused so much discussion, in fact, that Poage met with us again later to clarify his position."

"Poage feels pretty strongly about this," Carpenter added, "and I think he's going to go ahead and introduce the legislation on it."

"Congressman George Mahon seems to disagree with Poage's plan. He said we need to keep the present loan program on cotton, and I believe this is also the position of the Plains Cotton Growers and the National Farmers Union."

"**THE REASON** there was so much discussion of this was that our group felt this direct payment plan would involve so much money there would be a need for limitations on government payments — putting a ceiling to the cotton price," Carpenter reported.

"Poage answered that the wool industry is already on the world market with a federal market differential payment system, and has never had a limitation placed on the price of wool, whereas the cotton industry has had two limitations placed on it under the loan program," Carpenter said.

Carpenter and his fellow Farmers Union delegates each visited 10 to 12 "city-based congressmen" also, giving them brochures that showed the present percentage that the cotton producer receives on the price of cotton goods. The cotton farmer gets only six per-

cent of the retail price of a white shirt, 14 percent of the money paid for a low-priced work shirt, and 23.5 percent of the price of a bed sheet. All these percentages — and the actual money amount — are below the share the cotton farmer received in 1947.

**POAGE** outlined his proposal at a breakfast meeting, Carpenter said, and the plan caused so much pro-and-con discussion during the day that Poage met with the FU delegation again at 4 p.m. the next day, claiming there was "some misunderstanding as to what I meant the day before."

"Congressman Poage restated his plan for direct payments at this second meeting," Carpenter said. "He told the farmers that his plan was realistic, and that they were businessmen in the biggest business in the nation, and to act accordingly."

**AT THE initial breakfast** meeting with the Texas congressional delegation, Sen Ralph Yarborough told the FU members that Texas cotton and grain producers are "being unfairly treated," and added that they have a "job of selling to do" to urban residents and city-based congressmen.

"Sen. Yarborough noted that a recent Gallup Poll showed that 13 percent of the nation's people agreed that farmers were due an increase in the price of their products," Carpenter said, "but six percent of this 13 percent were farmers. In the same poll, 38 percent of the nation's people said farm income should remain the same. Many people — especially those in cities — don't understand where the farm program money goes, and that a relatively small proportion of it actually gets to the farmer. They don't understand, either, that farm income has stayed just about the same in the last 20 years while income in other business and professions has skyrocketed."

**ALTHOUGH** the "Cotton Fly-In" was devoted mainly to cotton legislation, Carpenter said he managed a side trip to Congressman Bob Price's office to discuss both cotton and grain sorghum legislation.

"Price seemed sympathetic to a plan to get the price of grain sorghum up to 95 percent of the price of corn," Carpenter said. "Right now, grain sorghum brings only about 75 percent of the corn price on a bushel-for-bushel basis."

"**ALSO, PRICE** seemed to agree that some program is needed to offset the shipping cost on grain sorghum," Carpenter said. Cur-

rently, 38 cents must be deducted from the grain market price paid to local farmers to cover shipping costs to market.

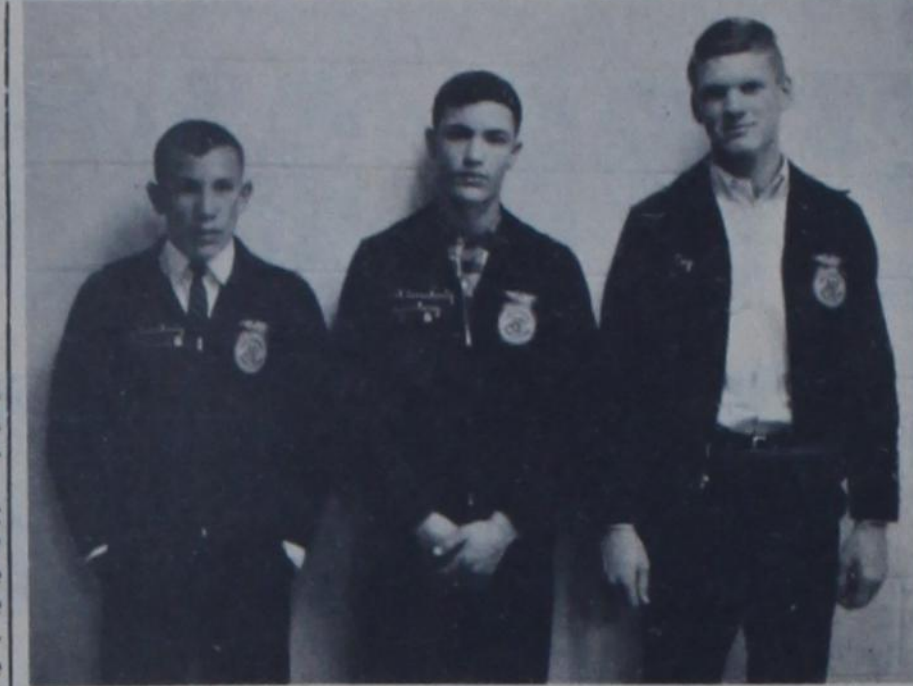

"Price also said he's against the REA Bill as it is currently written, although he would vote for it if an amendment were made to charge 2 percent on money borrowed to set up banks." The REA Bill would authorize rural electric co-ops to seek private capital for expansion funds and to set up electric co-op banks similar to the farm co-op banks now in existence.

### Pollard to Aid In Revival Clinic

Rev. Frank Pollard of Dimmitt's First Baptist Church will help conduct a clinic for ministerial students in revival work May 13 at Wayland College in Painesville.

**GWIN MORRIS**, religious activities director at Wayland, said this would be the first such program sponsored by the student department of the Baptist General Convention.

The clinic will not be limited to students participating in youth-led revivals, but will be available to anyone interested, Morris said. It will begin at 9 a.m. May 13 and continue to 7:30 p.m.

BOYS RANCHERS CONDUCT 'TOUR' ... Larry and Paul Cuschnig and Kenneth Coy

### Three From Boys Ranch Present Slide Show for Young Farmers

Three boys from Cal Farley's Ranch conducted the Dimmitt Young Farmers on a color-slide "tour" of Old Tascosa at last Thursday night's YF meeting.

**THE BOYS**, accompanied by Jon Henderson, vocational agriculture teacher at the Ranch, showed slides of the many activities performed by the boys and pictures of the buildings and points of interest around the Ranch.

Henderson explained how Boys Ranch operates, and outlined future plans.

**HENDERSON** said Boys Ranch officials hope to make the well-known facility as self-supporting as possible in the future through

the use of additional land recently purchased by the Ranch. By 1970, they hope to have 800 acres under cultivation, he said. Some of this acreage will be in feed grains while the rest will be devoted to raising vegetables for use on the Ranch.

Also, Boys Ranch plans to increase its beef, swine and dairy cattle operations, Henderson said. In answer to a question, Henderson said the main immediate need at Boys Ranch is for more grain and hay for the boys' livestock.

CASTRO County has 24 churches, one for every 445 persons.

### Nazareth Legion Will Be Cited For Member Gain

Nazareth's American Legion Post 528 is one of 21 Legion posts that will be honored for membership attainment at the annual 18th District spring convention in Amarillo Saturday and Sunday.

**DISTRICT Commander Roy R. Beard** announced that the Nazareth post, headed by Commander Robert Huseman, will be presented a citation for attaining its 1967 membership quota. Also, the three that will receive an additional citation for having reached an all-time high in membership.

Registration for the district convention will open at 1 p.m. Saturday at the home of Post 54, Seventh and Madison Sts. in Amarillo, where all sessions of the convention will be held. A social hour will begin at 5 p.m., and the joint session will kick off with a banquet at 7 p.m.

**PRINCIPAL speaker** at Saturday night's banquet will be Hershel L. Doyle of Albuquerque, who is department adjutant of New Mexico.

## New weed killer for sugar beets

Stop weeds and grass through harvest with Treflan® Treflan has just been cleared for weed control in sugar beets. It should be applied... at thinning... when your beets are 2 to 6 inches high. Be sure your field is free of growing weeds when you apply Treflan since it does not kill established weeds.

**Treflan is waterproof.** Once mixed with the soil, it stays on the job, killing weeds and grass as they germinate. Treflan doesn't need rain or irrigation to make it work. Yet heavy rain or repeated irrigation won't leach Treflan away or cause harmful concentrations to build up in the row. And, you can shallow cultivate without affecting the weed killing power of Treflan.

Treflan can be applied and incorporated in one operation with a front-mounted over-top sprayer and rear-mounted Lullston rolling cultivator.

Look at the weeds Treflan controls. Annual grasses are effectively controlled, including:

- |                 |             |                  |
|-----------------|-------------|------------------|
| Watergrass      | Crabgrasses | Texas panicum    |
| (barnyardgrass) | Sanchar     | Stinkgrass       |
| All foxtails    | Cheat       | Jungle-rice      |
| Johnsongrass    | Stinkgrass  | Annual bluegrass |
| (from seed)     | Bromegrass  | Sprangletop      |
| Goosegrass      | Brachiaria  | Wild cane        |

Treflan also puts an end to over a dozen of your worst broadleaf weed problems, such as:

- |                  |                 |                 |
|------------------|-----------------|-----------------|
| Pigweeds         | Purslane        | Kochia          |
| (spiny, redroot) | Carpetweed      | Stinging nettle |
| Carelessweed     | Russian thistle | Puncturevine    |
| Lambsquarters    | Knotted         | Goosefoot       |
|                  | Florida pusley  | Chickweed       |

**Treflan is easy to apply.** Apply Treflan as a broadcast, over-top spray and incorporate immediately. PTO-driven tillers or cultivators set to cut 2-3 inches deep or rolling cultivators set to cut 2-4 inches deep and operated at 6-8 m.p.h. can be used for incorporation. To get effective weed control in the row, adjust the implement so that Treflan-treated soil is thrown up around the young beets.

Right now is the time to find out more about Treflan for effective weed control in sugar beets. See your local Elanco agricultural chemicals dealer today. For use only in California, Oregon, Washington, Idaho, Colorado, Texas.

## 150 Attend 'Taxpayers Bawl'

By MRS. MYRTLE SHEFFY. Approximately 150 of us attended a most enjoyable party at the Country Club Friday night when Mr. and Mrs. Steve Taylor and Mr. and Mrs. John Merritt hosted a "Taxpayers Bawl" with Snozz Dunn and his band making music.

Guests were greeted by "Uncle Sam" dressed in his red, white and blue suit. He was Flip Taylor. Then inside, the hostesses were all dressed alike in the popular tent style. The tables had crying towels and centerpieces of black balls and chains — Big signs saying "Money Isn't Everything" and "The Love of Money is the Root of Evil." A big round table was full of food and baskets of flowers hung from the ceiling over it.

★ **AND THE W. E. Kirkpatrick** had a big, big party celebrating 50 years together Saturday. I had to miss this party, but I hear he was dressed in a gold jacket and she in a lace dress, seated on a gold love seat. Peggy Webb greeted the guests and introduced them to the family. Jo Evans, Lillie Marie Howard and Janis Mooney played the organ during the afternoon.

Edwin Ramey says he helped keep the folks moving and meeting everyone. Many relatives from Fort Worth, Abilene, Oklahoma and all around the country were there. Many lovely gifts were presented the "Kirks." The serving table was covered with floor-length satin cloth with gold rope and tassels in festoon. The centerpiece was of golden fruit and flowers, a three tiered cake and punch were served by Mrs. Frank Pollard, Oleta Gollehon, Mrs. Ona Bagwell of Stanford, Mrs. James McQuerry of Dallas, Mrs. Clifton Cobb of Stanford and Mrs. Jewell Gillian of Lubbock.

★ **MR. AND MRS. W. E. Kirkpatrick** entertained their family and members of the house party with a dinner at the Colonial Inn Saturday night. Eighty were there. The family gave their gifts at the supper.

★ **Raymond and Beral Hance** visited Rev. and Mrs. Earl Landtroop at Clovis Sunday. Rev. Landtroop is pastor of the Calvary Baptist Church and a former pastor here.

★ **Mrs. House of Abilene** is here for a visit with her daughter and family Mr. and Mrs. E. L. Morrison. They said the eight inches of rain that fell at the lake near Seymour left so much mud in the water they can't fish for awhile. They have a trailer house there.

★ **IRA BROWN and Archie Keys** of Plainview are attending the grand assembly of the Knight Templars of Masons Lodge in Wichita Falls this week.

Hazel and Earl Taylor helped move their daughter Earlene and husband Jerry Gee to Irving this week. Earlene plans to teach school next fall, don't know the job Jerry has.

★ **Maxine Skipworth Erdman** of Mott, North Dakota writes that she enjoys the news of Dimmitt folks. She sent me a silver spoon, the handle showing the state buffalo. Thank you for the gift and the letter. She finished school here in 1937. Will that class please let her know when you have the reunion.

★ **Bob and Jennie Estes** of Bovina, Flo and John Nichols of Tulia were visiting friends at the "Taxpayers Bawl" Friday night.

★ **BILL AND Earleen Belsdorff** were hosts at a bridge party at the bank Thursday night. Refreshments were served to about 30 guests. Some walked in, then out, had some conversation and others played games. It was a get together for the teachers.

Alice and Wes Anthony spent a few days at the ranch near Clayton, a place called Clapham.

Alice said they fixed fence, dug holes and stretched wire. I bet she just acted as straw boss.

Wanda Truelock said her friend LaNette Hoyle Thompson, who is in nurses' training at SMU, Dallas, called her. LaNette's mother is a sister of Mrs. Carlos Calvert, Mrs. Bill Murphy and Travis Campbell and did live here a few years ago.

I saw Wanda and her children at the cafe. Her son, 10-year-old Shannon, to'd me that he rode a bull for two jumps at the Junior Rodeo Friday night. He said Brad Du'aney and Keith Crum and Sherman Presley rode one probably for three jumps. They were impressed when the rodeo clown and also Rosie Martinez stood calmly for Marshal Jones to throw knives at and around them. Marshal Jones is a good knife thrower, but I am not that "brave."

★ **MRS. PORTER Buchanan** (Margie) of Mariette, Okla., is here for a visit with her folks, the Studer family. Her father, Earl Studer is in Methodist Hospital in Lubbock recuperating from surgery. He is doing well. Junior Rothwell is in Plains Memorial Hospital here. He had a heart attack Thursday and Jeannette Howard, daughter of Keith and Lillie Marie is not well, a gland trouble I hear. She is in a Plainview Hospital.

And young Sherry Vaughan is here getting well from a broken hip. She is the daughter of Mr. and Mrs. Charles Vaughan.

Shannon, A'Lann and Muffy Truelock visited their grandparents, Mr. and Mrs. J. H. Truelock at Portales this weekend.

★ **MR. AND MRS. George Behrends** and Mr. and Mrs. Francis Jackson made a trip to Whiteface to visit Girlstown. They, the girls, send thanks to the Dimmitt folks for their support of money and clothes.

Well! I hear that our fine young lawyer, Jimmy Ross, borrowed Bill Bennett's Western Ammonia car and the Highway Patrol stopped him for not having plates on the car. He had a hard time convincing the trooper it was legitimate, but you know that lawyer! He can convince. Jimmy went to Austin on business and a visit with his folks this week.

★ **"LIFE BELOW Hell's Canyon,"** a story of Mrs. Jordan and her family on the sheep ranch land near the Snake River near Hell's Canyon, in the bad 1930s was told by Mrs. Walker of Plainview, Wednesday at the regular meeting of the Book Club. Mrs. Walker is a well-known reviewer and has been here several times. She was the guest of Mrs. Goodwin Miller. Hazel Merritt presided at the business session and she and Mrs. John Merritt served coffee and cake (cinnamon) to 41 ladies in the community room at the bank.

★ **WE ARE saddened** by the death of Mrs. Milt Ott, who was a long time resident of this county. Her people, the Phipps family, were among the first to settle in the old Springlake community. Milt preceded her in death a few months ago. She leaves a big family and many friends.

★ **EDD HUGHES** was over this week from his ranch in southeast corner of Arizona, says he is gathering up barbed wire to do a bit of fencing.

★ **Lynda Williamson** of Olton has moved here recently. She lives at Mrs. Pearl Johnston's house and works with Jeannine Wimberley at the Blue Room Coiffures.

★ **I SAW dozens** of beautiful girls in town Saturday getting ready for the eighth grade banquet, Joan Stone, Jill Braafadt, Trudy E'lder, Cindy Scoggins, such a cute age.

★ **O Yes!** Deanna Morgan is wearing a pretty diamond ring. She is engaged to Charles Harris, both plan to attend school at Wayland this fall.

★ **Mr. and Mrs. Gerald Sandlin** and daughter Kay of Lubbock were weekend guests of their daughter Jerry and Jimmy Jack Butler and boys.

★ **Mr. and Mrs. P. L. Cunningham** were hosts at a bridge and salad supper Thursday night. Guests were the Jay Lee Touchstones, the J. R. Browns, H. H. Carliles, Clarence Beardens, Faun Welker and Maurine Bice.

★ **OPAL BEARDEN** is visiting a few days with her sister Naomi Ruth Patton at Hollis this week. The Pattons have adopted a new baby girl. They all want to go see her.

★ **Have you seen Donald and Katy Wright** on Channel 4, Amarillo

TV? They are advertising some kind of maize and they show up well in color.

★ **Suzan Reynolds** of Odessa and her friend Suzan Williams of Beaumont, both students at Tech, Lubbock were weekend guests of Suzan's grandmother Ruth Wilson. The girls are so pretty, they are a joy to look at.

★ **Mrs. Lewis of Sweetwater** is here for a visit with her daughter Ina Cleavinger, Jim and boys.

★ **Mrs. Rommie Farris** has as her house guest her cousin Mrs. Arthur Few and daughters Alice and Mandy of Houston. Mrs. Few is the daughter of the former Mary Cowser. They were dinner guests of Mrs. Jack Cowser on Monday.

★ **Mrs. Maggie Gollehon**, Mr. and Mrs. Es Noble and Mrs. Stella Burch visited last weekend with their brother Dixon Turner and Mrs. Turner at Mineral Wells. Mr. Turner is a retired Baptist minister.

★ **DORA JOHNSON** and Mattie Turner attended the note burning ceremony at the new Baptist Church at Sunnyside. Mrs. Turner was the only charter member present.

★ **Dorit and Merle Smiley** and their daughter Glenda and Gary He'ler went to Hobbs Saturday for the wedding of their niece Margaret Sharp. The ceremony was in the Rock Chapel Baptist Church.

★ **Bob and Helen McLean** and their niece, Chris James, attended the big open house at Kemper Military College in Missouri as guests of son, Robert McLean. Chris was selected as one of the beauties or as they say, "Honorary Colonel," of the school. She is one of the top five girls. Robert submitted her picture to be judged.

★ **MRS. ANN SINGER** attended the funeral of Mrs. Ray Stiff in Lubbock last week. She was the mother of her son-in-law Glen Stiff. Ann went on to Roswell for a few days visit with Juanita and Glen. And she has been staying 10,000 in vegetables, 6,000 in soybeans, and 5,940 in sugar beets, ia who is quite i'l. Mrs. Alex-

ander is the mother of Mrs. Robert Singer.

★ **Mr. and Mrs. Ozro Stephens** of Amarillo were down for a visit with son Harold and Shirley. Also attended the Kirkpatrick Golden Wedding party.

★ **Betty and Sandy Parsons** went to El Paso Monday, where Sandy will attend some Masonic Lodge meetings. He will work on some of the higher degrees, Betty said several nice things are planned for the ladies and they go into Mexico for a sight seeing trip.

### MRS. JAKE SPEAKS UP

The Jaycee-Ettes held their regular meeting April 12. We were happy to have a guest, Mrs. Barbara Hardin. We hope she will join us before long.

★ **WE HAVE** been busy the past week working at the Junior Rodeo selling concessions.

★ **Laura Jean Presley** is chairman this year, but due to illness Yuvonne Huffines has taken over her job. A big thank you goes out to Yuvonne for a job well done.

★ **The girls working** were Martie Benton, Ann Hederson, Gene McDaniels and Juvonne Huffines.

★ **We would also like** to thank the Rodeo Association for letting us have the concession stand at all their events.

★ **A BIG "thank you"** goes to each member of the Rodeo Association who worked and moved our concession stand and got it ready for us.

★ **We would also like** to thank Lewis McDaniel for the work he did.

★ **See you next week.** Mrs. Jake

★ **ACRES PLANTED** in major crops in Castro County last year were 129,396 in grain sorghum, 71,427 in wheat, 36,253 in cotton, 10,000 in vegetables, 6,000 in soybeans, and 5,940 in sugar beets, according to the First State Bank.

### Couple Recite Vows In Home Ceremony

The Leather Rogers home in Dimmitt was the scene April 5 of the wedding of Miss Henrietta Hubbard of Oklahoma City and Jackson Cheadle of Los Angeles. Bro. Ellis Mayberry officiated at the wedding, which was held at 8 p.m.

**GIVEN IN marriage** by her brother-in-law, Leather Rogers, Miss Hubbard wore a two-piece suit of antique white with matching accessories.

Gilbert Porter, soloist, sang, "The Wedding Prayer."

Witnessing the ceremony were Mrs. Malissa Rogers, Mr. and Mrs. Homer Eastman of Hereford, Mrs. Francis Smith of Oklahoma City, Bro. and Mrs. Mayberry and family, Mr. and Mrs. Gilbert Porter and Jesse Silmon of Dimmitt.

**A RECEPTION** in the Rogers home followed the ceremony. The couple will be at home in Oklahoma City.

**'WAIST MONEY'** — \$89 of it — was collected by Group 3 Camp Fire Girls at the recent father-daughter banquet and presented last Thursday to the treasury of the newly organized Dimmitt Council of Camp Fire Girls. Here, Mrs. Shirley Hall, council secretary, accepts the money from Group 3 President Vicki Carpenter and Vice-President Karen Baldrige (foreground). The girls collected the money at the banquet by measuring all fathers' waists and charging them a penny an inch. Other Group 3 members, from left, are Elaine Brooke, Karen Acker, Linda Elder, Jean Hamilton, Debbie Hogue, Sharon Gowdy and Beverly Henley. The recent banquet was attended by 258 Camp Fire Girls, Blue Birds and their fathers.

### Two Ladies Named To District Posts

Mrs. Eupha Mae Griffin was elected junior vice-president of the District 13 VFW Ladies Auxiliary Sunday during the annual VFW and Auxiliary district convention in Canyon.

**ALSO ATTAINING** a district office was Mrs. Melvina Witt of Dimmitt, who was elected three-year trustee.

They and other new district officers were installed by Mrs. Gertrude Sweatt, Texas department president.

Attending the convention from Dimmitt VFW Post 8056 and Auxiliary were Mrs. Griffin, Mrs. Witt, Marvin Witt and Reece Kessler.

### Five Earn Titles At GA Services

Lee Street Baptist Church's Junior GA's held a presentation service recently, with five girls earning titles.

**NORMA WALL, Melynda Harris, Rita Wall and Donna Hudson** became maidens during the service. Achieving the next highest step of lady-in-waiting was Elaine Harris.

The meeting included missionary songs, a missionary message by Jake Harris, and presentation of GA emblems and autograph books by Lois Waggoner, WMU president. Linda Huggins, counselor, received the girls into the King's Court.

The GA's and two counselors went to the Junior GA banquet at Littlefield's First Baptist Church April 17. Five of Lee Street Baptist Church's six GA's attended.

of the VFW Auxiliary was represented at the district convention also. Attending from here were Kathy Sue Griffin, Karon Slough and Terrye Dowty.

### Kirkpatricks Host 200 at Reception

Mr. and Mrs. W. E. Kirkpatrick were honored by their children Saturday afternoon at a 50th wedding anniversary reception at their home at 206 NW Third St.

**PRECEDING** the reception, the couple repeated their vows with the Rev. Frank Pollard, pastor of the First Baptist Church, officiating. The six Kirkpatrick grandchildren attended their grandparents: Kristan Kirkpatrick of Fort Smith, Ark., Kirk and Mark Smith of Wharton, Keri and Meri Kirkpatrick of Dimmitt, and William Koonce of Golf, Ill.

Traditional wedding music was played on the organ by Janice Mooney. Mr. and Mrs. Noel Gollchong sang "I Love You Truly." During the reception, Mrs. Hugh Evans provided background music on the organ.

Over 200 guests were greeted at the door by Mrs. Allan Webb, who presented them to the Kirkpatrick children: Sam Kirkpatrick, Mrs. Adolph Smith and Mrs. John Koonce.

**THE HONORED** couple accepted congratulations while seated

on a gold antique velvet Victorian love seat, which was elevated on a throne decorated with white satin in front of a background of draped white satin accented with gold and white rope silk festoons. Tall flower stands holding white and gold flowers flanked the love seat.

The table was overlaid with a floor length white satin cloth trimmed with gold silk ropes and festoons. A gold arrangement of fruits and flowers, accented with vintage bride and groom, encased in a Victorian treasure dome, centered the table.

The three-tiered white wedding cake was decorated with gold bells and topped with a golden "50." The credenza was decorated with a gold centerpiece of fruits and flowers portraying the fruits of a good life.

**GUESTS** were served wedding cake, pineapple punch, salted nuts and mints. Mmes. Frank Pollard, Noel Gollchong, Clifton Cobb, Ben Bagwell, James McCrary and Hughes Gilliam served cake and punch.

Serving in the houseparty were Mssrs. and Mmes. Raymond Hane, Edwin Ramey, Gene Morrison, Elmer Youts, Ulys Davis, Floyd Copeland, W. R. Gipson, Allan Webb and Noel Gollchong, and Mrs. Faye Kenmore.

Out of town guests were Mssrs. Hugh English and children, Crockett and Ann, of Dallas, Murry Smith of Kilgore and Marvin Post of Denver City; Mmes. Ann Yarbrough of Kilgore, Jewel Gilliam of Lubbock, C. V. Payne of Haskell, R. C. Cobb of Stamford, Nena Bagwell of Stamford, Bea Hcuse of Abilene, R. L. Stanley and Lugina of Dallas, A. O. ## Friona Girl Presents 4-H Program at Mulkey

By IRENE KEATING  
Mulkey 4-H Club was host to all the 4-H clubs Friday night in the Assembly Room of the Court-house.

Guest speaker was Mary Rondo from Friona. Mary is a sophomore in high school and one of 18 children. She gave three oral recitations. They were "Will Rogers and Wylie Post," a humorous one about Margo; being late to school, and the very inspiring "I Am the Nation." Mrs. Rhodes introduced her and Mrs. Joe Whitten played the piano.

**4-H PARENTS** and leaders, remember the leaders' meeting tonight (Thursday) at 8 o'clock in the assembly room of the courthouse. Dr. Ed Schlutt, associate state 4-H leader, will be here. Saturday is the District 1 4-H Ford Show in Canyon. Girls who will represent Castro County are Diana Adams, Rita Womack, Debra and Patricia Hochstein.

**IN VIEW** of today's concern over rising food costs, it seems particularly appropriate to call attention to the sharply reduced prices on canned pears in all markets. This reduction reflects the Bartlett pears harvested this past season. Excellent growing conditions of excellent quality.

Cost and product information like this is sometimes slow in reaching the consumer. The pear industry will appreciate any assistance you can give in spreading the word. Following are some ideas for helping share this information.

Economical shoppers know the meaning of grades for canned pears. Grades refer to shape rather than quality. Fancy grades are perfectly shaped and labeled "Extra Heavy Syrup." Choice pears, identified by the words "Heavy Syrup," have a high percentage of perfectly shaped pears. Standard pears have the term "Light Syrup" on the label and are economical for cut-up fruit salads and desserts where the pears may have a more irregular shape. All grades of canned pears are the same high quality.

**THE GENTLY** curved centers of drained pear halves are adapted to handle a variety of fillings

to transform them into interesting and delectable salads, desserts and meat accompaniments. Here are a few examples.

Try filling centers of pear halves with chopped prunes or dates and nuts, then swirl with a fluffy meringue and bake until golden.

Fill chilled pear halves with a scoop of vanilla ice cream mint sherbet in the pear centers with a choice of toppings.

To go with lamb or ham, fill the pear centers with currant or mint jelly. And with hamburger patties, try a zesty pickle.

**CANNED PEARS** are double delicious and nutritious when teamed with cottage cheese, sour cream and ice cream.

For a sprightly spring salad, mound centers of pear halves with cottage cheese mixed with bright accents of chopped radishes and green onion. Pass French dressing.

Another time, add a dash of lemon juice and a few table-

spoons sour cream to a cup of cottage cheese. Season with a smidgin' of dried sage and celery salt, then spoon into the centers of pear halves to serve with cold cuts of meat.

**CRAB OR shrimp salad** is especially good heaped into the centers of chilled pear halves when made with this tempting sweet and sour dressing. Simply combine 1 cup dairy sour cream with 1½ tab'spoons sugar, ½ teaspoon salt, ½ teaspoon dry mustard and 2 tablespoons vinegar.

Calorie counters go for this pear halves on crisp lettuce and fill centers with orange sections. Top with dressing made by blending 1 cup cottage cheese with 2 tab'spoons lemon juice and a dash of salt. Sprinkle with cardamom or nutmeg.

Serve canned Bartlett pears, "dressed" to suit the occasion, as a combination salad and meat accompaniment. Place them on the dinner plate with the entrée and vegetable, eliminating the need for individual salad plates or bowls.

Horseshadish or mustard folded into sour cream or mayonnaise the perfect pear topping to serve with roast beef or corned beef. The classic accompaniment to curry, be it lamb or chicken, is a chutney filled canned pear half.

**WITH PORK** roast or chops, we suggest spooning cranberry sauce or finely chopped stuffed green olives in the pear centers.

Give the unexpected touch to a seafood dinner, with Parmesan pears. Dip cut sides of pear halves in grated Parmesan cheese. Serve chilled or broiled just until heated through.

### Girls VFW Unit Elects Officers

Kathy Sue Griffin was elected president of the Junior Girls Unit of the Ladies VFW Auxiliary last Thursday at a meeting in the home of Mrs. Bud Griffin, advisory counselor.

**OTHER NEW officers** elected are Karon Slough, senior vice-president; Vicki Britt, junior vice-president; Margo West, secretary and treasurer; Terrye Dowty, chaplain; Kathy Jo Calhoun, conductress; Norma Lindsey, guard; Debra Phares, patriotism instructor; and Karon Slough, reporter.

Color bearers are to be appointed later. The Junior Girls Unit is open to any girl 5 to 16 whose father is eligible for membership in the Veterans of Foreign Wars. Any girl wishing to join may contact any member or Mrs. Bud Griffin at 647-5438.

CASTRO County's current population is estimated at 10,700, an 8.3 percent growth since the 1960 census, which set the county's population at 8,923.

# Church at Sunnyside Burns Mortgage Note

By TEENY BOWDEN  
Sunnyside Baptist Church members celebrated the paying of their mortgage with a note-burning ceremony Sunday afternoon on the sixth anniversary of the dedication of the new building.

The \$44,000 building and \$8,000 parsonage replaced the property destroyed by the devastating tornado the night of April 12, 1960.

Financial assistance came from Baptist Churches all over District 9 and from friends throughout the region.

After making a fund-raising drive in the church, the trustees of the church were authorized to sign a 10-year note for \$18,000 with the First State Bank of Dimmitt to take care of the needed amount. By making two payments four dif-

ferent years, the church was able to pay off the note in seven years. It was paid in full in January.

EDDIE HOWARD led the congregation in the hymn, "Praise The Lord." E. B. Wilson led in prayer.

The pastor, Rev. M. D. Durham, greeted the guests, Mrs. Roy Phelan, program chairman recognized the building and finance committee.

PUTTING THE MATCH to the mortgage note of Sunnyside Baptist Church Sunday afternoon are (from left) Trustees L. B. Bowden, Milburn Haydon and Roy Phelan. In background is Rev. M. D. Durham. The note-burning ceremony drew visitors from throughout the region, and signified the completion of a large building project that started seven years ago after a tornado leveled the original church and parsonage.

Roy Phelan, who was the chairman of that committee, recognized other committee chairmen who served during the building program.

Mrs. Phelan gave a brief history of the growth of the church and its various building programs. She recognized Mrs. John Turner of Dimmitt as a charter member. Howard Bridges was recognized as the person who has been a member longer than any other (45 years); E. R. Sadler, who has been a member 42 years; Mrs. E. R. Sadler, 41 years; Mrs. W. E. Loudder, 37 years; Mr. Ezell Sadler, 37 years; Mrs. Howard Bridges and Mrs. Rachel Elsie, 34 years; Mrs. Ezell Sadler, 36 years; and Mrs. L. B. Bowden, 31 years.

Mrs. J. Paul Waggoner sang the song "In Times Like These."

TRUSTEES of the church, Roy Phelan, Milburn Haydon, and L. B. Bowden burned the note. Weldon Bradley led the prayer of rededication.

The pastor spoke on the subject, "What God Expects."

The song, "We'll Work Till Jesus Comes," which gave such reassurance and courage during the difficult days following the tornado, was sung as a benediction. Fifty-seven attended with seven visitors and nine former members present.

A PERIOD of fellowship with refreshments was held in fellowship hall after the service.

Visitors were Don Nelson and Mrs. Claude Johnson of Dimmitt, Mr. and Mrs. Ross Middleton of Earth, Mr. Sid Taylor of Lubbock, Donna Stevens of Wingate and Mrs. Bob Ball of Olton.

Former members were Mrs. Sid Taylor of Lubbock, Mr. and Mrs. Kobert Paschal, Janie and Keith of Wingate, Mr. and Mrs. Earl Phelan of Ft. Worth, Mrs. Lula Phelan of Weatherford, Mrs. James Powell of Dimmitt and Mrs. John Turner of Dimmitt, the charter member.

## Sunnyside Last Rites Held for Mrs. Ott

By TEENY BOWDEN  
Mrs. Milton Ott, 73, died about noon April 12 in Deaf Smith County Hospital in Hereford following a heart attack. She had been admitted to the hospital two days earlier.

Funeral services were conducted in the First Methodist Church in Earth Friday afternoon with the pastor officiating, assisted by Rev. M. D. Durham. Burial was in the Springlake Cemetery with Dennis Funeral Home in charge.

Her grandsons, Dwayne and Doug Loudder, Rayburn Ott, Richard Mitchell, Ronald Ott and Don Ott, were pallbearers. Ray Axtell, Roy Phelan, J. E. Shirey, Cecil Curtis, and Irving King of the Sunnyside Community and Howard Bridges of Weatherford, were among the honorary pallbearers.

Mr. and Mrs. J. I. Phipps and their seven children moved from Missouri to the community in May, 1909. They settled as neighbors to the Fred Otts, who had come from Kansas in March, and the O. C. Axtells, who had come from Kansas the year before. Geneva was the Phipps' oldest child.

She and Milton Ott were married in 1913 by Rev. Hensell, pastor of the Congregational Church which was located at Old Springlake, three miles south of their home.

The Otts had lived in the community since 1909, and had reared their seven children here. Mrs. Ott attended Axtell School, which was one-fourth mile west of where Mr. and Mrs. Ray Axtell live today. She and Ray Axtell were the only present residents who attended this school.

Mr. Ott preceded his wife in death Jan. 18, 1965.

MR. AND MRS. David Sadler left last Saturday for Treasure Island, Calif., to bring Richard Armstrong who has been serving in the Navy to his home in Amarillo. They returned home Wednesday.

Marsha Dawson won first place in poetry interpretation in the Literary events in the University Interscholastic Spring Meet Friday in Farwell. Joan Dawson won first place in shorthand, and Janis Bridge won first place in oral reading.

Jimmy Alair was one of the four members of the Springlake-Earth farm skill team which took second place in the Littlefield district Thursday.

MRS. ELDON LILLEY visited

in Dimmitt Monday morning with Mrs. Lynn West and baby and with her father, Edd Sweatt.

Mr. and Mrs. Ray Joe Riley and Kevin went to Bonham last Sunday and spent the week there. Jody stayed with his grandparents, Mr. and Mrs. Ray Riley in Dimmitt.

Mrs. Ray Axtell attended a Sunday School luncheon of her class members at the home of Mr. and Mrs. Jack Hinson of Springlake Tuesday.

Lyle Loudder underwent a tonsillectomy at Plains Memorial Hospital in Dimmitt Wednesday morning. He was dismissed Thursday morning.

Only eight attended the church services Wednesday night because of the weather. They had a prayer service.

Five men attended the Brotherhood meeting Tuesday night. Rev. M. D. Durham spoke to the group.

Mrs. Ray Axtell attended the Dimmitt Book Club review in Dimmitt Wednesday afternoon.

MR. AND MRS. Earl Phelan of Ft. Worth and Mrs. Lula Phelan of Weatherford visited Tuesday with Mr. and Mrs. Roy Phelan. Mrs. Phelan stayed until Friday. The Earl Phelans spent Thursday night with them and Mrs. Phelan went home with them Friday.

Mrs. Edna Lippard of Dimmitt visited Monday through Friday with Mr. and Mrs. Calvin Lippard and Dana.

Mrs. Louise Strickland of Lubbock visited Wednesday afternoon with Mrs. Pearl Sadler at the Ezell Sadler home. She visited also with Mrs. Ezell Sadler and Mrs. David Sadler.

Mrs. Lynn West and daughter of Dimmitt visited Thursday with Mrs. Eldon Lilley.

Mr. and Mrs. Howard Bridges of Weatherford arrived Thursday to attend the funeral services of Mrs. Ott and to attend the note-burning ceremony at the church. They have visited with Mr. and Mrs. John Bridges, Bruce and Brad several times.

CHARLES AXTELL of WTSU in Canyon had dinner with Mr. and Mrs. Ray Axtell Thursday.

Mrs. E. R. Sadler and Mrs. Ed Thompson were in Lubbock Thursday to help prepare for the State Convention's art and china show Friday and Saturday. They attended the show Saturday, and visited after the show with Mrs. W. B. Little of Lubbock.

Kent Bradley was admitted to Plains Memorial Hospital Thursday evening and underwent major surgery Friday morning. Kelby stayed with his grandparents, Mr. and Mrs. Jess Matlock part of the time and with Mr. and Mrs. Weldon Bradley and Lee part of the time.

Debra Kay Grider and her father attended the Group 6 Campfire Girl's Father-Daughter banquet in Dimmitt last Friday night.

Mrs. John Gilbreath entertained her bridge club in the Colonial Inn in Dimmitt Thursday afternoon.

Mr. and Mrs. Cecil Curtis and Debbie visited Sunday afternoon and evening with her parents, Mr. and Mrs. E. M. Stephens in Petersburg, and also his brother, Mr. and Mrs. Glenn Curtis and family.

Mr. and Mrs. Hershel Wilson left Sunday morning for El Paso where they will spend the week. The children are staying with Mr. and Mrs. Alford Crisp and Terry.

Mr. and Mrs. Earl Phelan of Ft. Worth and Mrs. Lula Phelan of Weatherford were Sunday dinner guests of Mr. and Mrs. Roy Phelan and attended the note-burning services with them. Mrs. Lula Phelan stayed to visit a few days.

ONE-TENTH of an inch of rain was received Tuesday morning with .80 Tuesday evening. .80 of an inch was received Wednesday evening. The angry looking clouds put most everyone in their cellars Wednesday night, the anniversary of the devastating tornado of seven years ago, and about the same hour. A barn south of the store was damaged by a strong whirlwind. It is near the path of the tornado which destroyed a barn there belonging to Bud Jones of Earth. Bill Summers of Dimmitt owns the property now.

The church began to receive a new coat of paint to the wood trim, the well house, and the storage building.

La Donna Kay Franklin was one of two Springlake-Earth students who entered the competition in Littlefield. She is a fifth grade student. The other contestants were from the sixth, seventh and eighth grades.

DEBBIE CURTIS, Terry Crisp, and Marsha Dawson helped serve at the Springlake-Earth Junior-Senior Banquet Saturday night. Joan Dawson attended the banquet.

THE BRIDAL shower for Mrs. Ivey Jean (Carr) Miller of Lubbock will be Saturday, April 22, at 3 p.m., at the home of Mrs. Ezell Sadler one mile north of Sunnyside.

The film "On the Square" will be shown at the community meeting at 8 p.m. Monday night, April 24. Everyone is urged to attend this meeting.

Susan Sadler was confined over the weekend with measles.

MR. AND MRS. Kobert Paschal Janie and Keith and a friend from Wingate spent Saturday night in Dimmitt with Mr. and Mrs. James Powell and children, and attended the Sunday morning and Sunday afternoon services. They were Sunday dinner guests of Mr. and Mrs. E. R. Sadler, and visited Sunday evening with Mr. and Mrs. Howard Cummings and Bobby on their way home.

Mr. and Mrs. Sid Taylor of Lubbock visited in the Sunday morning and afternoon services and were dinner guests of Mr. and Mrs. Howard Bridges.

Mr. and Mrs. Roy Lilley visited Sunday evening with Mr. and Mrs. J. Paul Waggoner.

105 attended Sunday School, 54 attended Training Union, and 57 attended the note-burning service.

THRIFTY Americans soon will enter the 27th year of U.S. Savings Bonds with a record high of more than \$50.3 billion in E and H Bonds salted away. The first E Bond was issued May 1, 1941.

HART GIRL SCOUTS of Troops 333, 158 and 47 went on a "bicycle hike" Monday afternoon to the farm of Mr. and Mrs. Percy Hart south of Hart. Not to be outdone by their young charges, Mrs. Wamon Foster and Mrs. Dwight Miller made the

trip on bikes, too. Other adult leaders, Mrs. W. T. King, Mrs. Kenneth Covington and Mrs. Max Stephens, went along in cars and pickups. The girls enjoyed sandwiches, potato chips, pop and cookies when they arrived at the Hart farm.

HART NEWS

Stone Injured in One-Car Mishap

By MYRT LOMAN

Junior Stone, son of Mr. and Mrs. Earl Stone of Hart, was injured Friday night in a one-car accident just west of the city limits.

He lost control of the car on the north side of highway near the railroad tracks.

Ed Ousley, city night patrolman, rushed him to Plains Memorial Hospital in Dimmitt, where he received emergency treatment and was released with several stitches in his face and a pulled back ligament.

Stone is a mechanic for Dimmitt Motor Co.

Mrs. Warren Lemons will return to the classroom on Monday to finish this term of school, replacing Mrs. Raymond Graver, the second grade teacher.

THE BROTHERHOOD of the First Baptist Church met Monday night in Fellowship Hall of the church.

Welcome was given by Weldon Davis and invocation by Charlie Martin. Bill Mason of Edmonson showed slides of Buckner Boys Ranch at Burnet, Texas.

The Ruth and Dorcas Sunday School classes served the 20 men a delicious meal of fried chicken with all the trimmings.

Mr. and Mrs. Judd Davis honored their daughter, Mrs. Jerry Kittrell, Sunday with a birthday dinner in their home.

Guests were Mr. and Mrs. Lloyd Davis and family, Mr. and Mrs. Tom McLain and family, the honoree Mrs. Jerry Kittrell and family.

ON TUESDAY from 9:30 to 3 p.m. a "Training Day for Elementary 5-6 Plainview District Camp Counselors" was held at the First Methodist Church.

The educational and children's workers met to discuss plans and secure counselors for the children ages 5 and 6, who will be attending camp June 26-30.

For a full camp of 200 children, a need of 16 men and 16 ladies are needed as counselors. Deadline for registration is June 5.

Mrs. Denzil Leonard and daughter, Ann, were in Hart on Thursday of last week on business. Ann spent the weekend in Hart in the home of Corrie Bailey.

Mrs. Bill Yeager was admitted to Plains Memorial Hospital in Dimmitt last week for medical

treatment.

Mr. and Mrs. Joe Newman were in Lubbock on Sunday to pick up their daughter, Cheryl, Mandy Rogers and Rebecca Futrell, who spent the weekend with Mrs. Newman's sister, Mr. and Mrs. R. H. Ready.

Mr. and Mrs. R. A. Futrell returned Saturday from a 10-day visit and fishing trip at Lake Buchanan, and visited with relatives at Kingsland and visited with her sister, Miss Nellie Wingreen and Mrs. Lenora Smith at San Angelo.

AT THE FIRST Baptist Church Sunday morning, in the morning worship service, the primary choir will present two special numbers, "Oh, Come Let Us Sing Unto the Lord," and "Children of Other Lands."

Mrs. Lowell Richburg is superintendent, with Miss Jo Ann Clark assistant and Mrs. Weldon Davis as pianist.

The adult choir will also bring a special message in song when they present the arrangement of "Heaven Came Down."

Choir director is David McGinnis of Plainview, with Mrs. Weldon Davis at the organ and Mrs. Carl Rambo at the piano.

Miss Kay Smith and Miss Laura Sue Wheeler of Hart are two essay winners of District 1 in the 22nd annual Scil and Water Conservation Awards Program of the Fort Worth Press.

A regional awards program honoring the group is scheduled May 19 at the Coronado Inn at Pampa.

Grade School Supt. Goode Graves reports the "Junior Olympic Track Meet" of the first six grades in Hart Elementary School will be Thursday at 12:30 on the Longhorn Football Field. Ribbons will be presented to the first four winners in events.

Librarian Lists Nine New Books

Mrs. Sandra Robb, librarian, announced this week that the Castro County Library has received a number of new books. Some of the new ones are:

"The Last Battle" by Cornelius Ryan. This book is the story of the last three weeks of battle in Berlin during World War II. Mr. Ryan is also the author of the best seller, "The Longest Day."

"Miracle at Philadelphia" by Catherine Drinker Bower. The author tells the story of the stormy session of the Constitutional Convention which saw the birth of the Constitution of the United States. She relates it in a most interesting way, as if the reader were actually there, actually involved in the arguments and witnessing a dramatic moment in history.

"The Search For Amelia Earhart" by Fred Goerner. Mr. Goerner painstakingly spent several years digging into rumors and fact on what happened to Amelia Earhart and her navigator, Fred Noonan. Was she a spy? Was she captured by the Japanese? Was she simply lost at sea? The

answers are in the book. "They Also Ran" by Irving Stone. Irving Stone is very well known for his biographical novels, such as "The Agony and the Ecstasy," "The Immortal Wife," and "The Last Days of Pompeii." In this book he has taken the profiles of the twenty-three men who suffered identical fates - they were defeated for the presidency of the United States. It provides an interesting history of the United States since 1924 and he states in dramatic terms that everlasting city, "What if?"

1066 - The Story of a Year" by Denis Butler. This is the month by month account of the great events of the year 1066 - events which decisively altered the course of English history. That was the year Harold, King of England, defeated the Saxon's invader Herald Hardrada at Stamford Bridge and in turn met defeat and death at Hastings at the hand of William the Conqueror's invading Norman Army.

"This America" by Lyndon B. Johnson. The President of the

United States sets forth his aspirations for a nation - his vision of the Great Society. His words are joined with photographs by Ken Heyman.

"Through Darkest Adolescence" by Richard Armour. This is a knee-slapping book on the diseases of teenagers written by satirist Richard Armour. He is the father of two teenagers and confesses to having been a teenager himself once - and only once. This is a book to be loved, laughed over and learned from.

"Trail of the Abominable Snowman" by Gardner Soule. This book is written for ten year olds and up. Mr. Soule is a diligent searcher who devotes most of his time gathering material on creatures which stir a man's curiosity or credulity. There have been mysterious man like footprints in the snows near Mt. Everest, the earth's highest mountain. Men call it the Abominable Snowman because they don't know what else to call it.

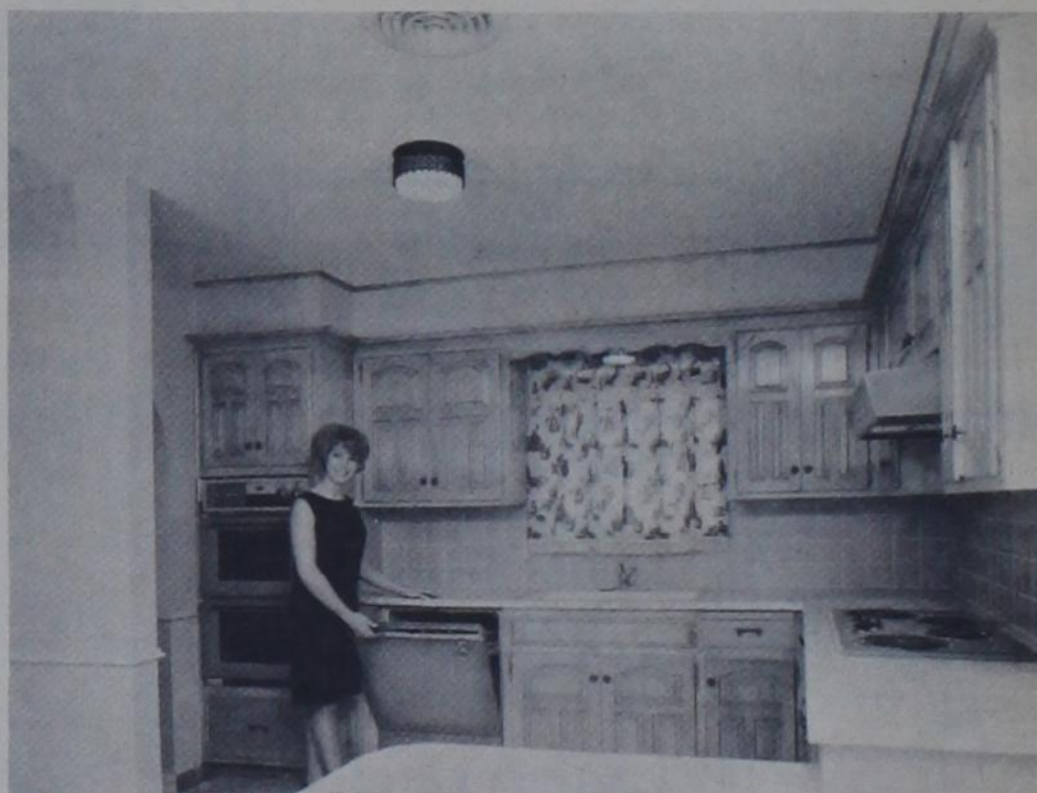

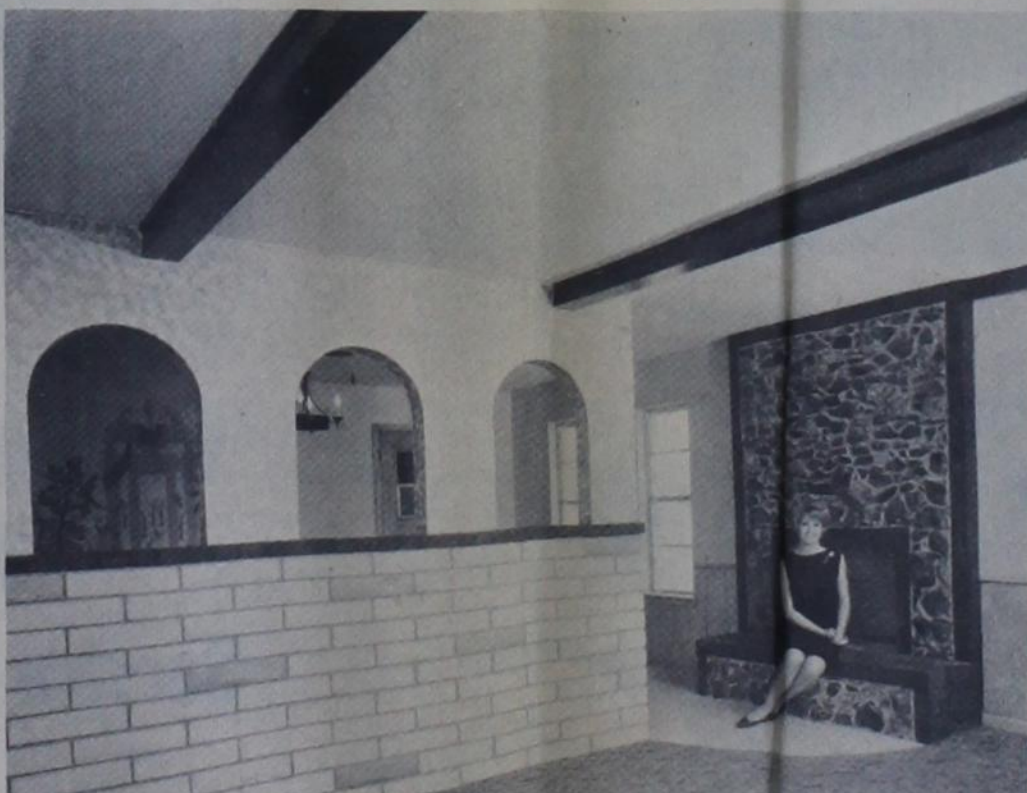

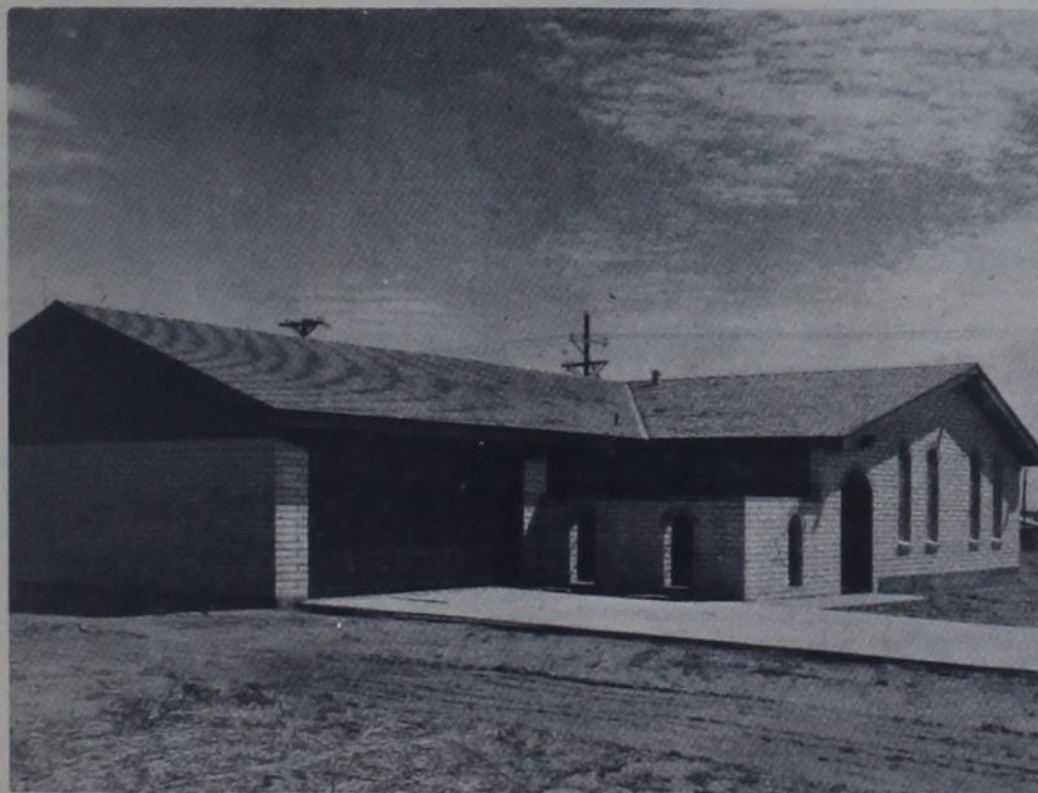

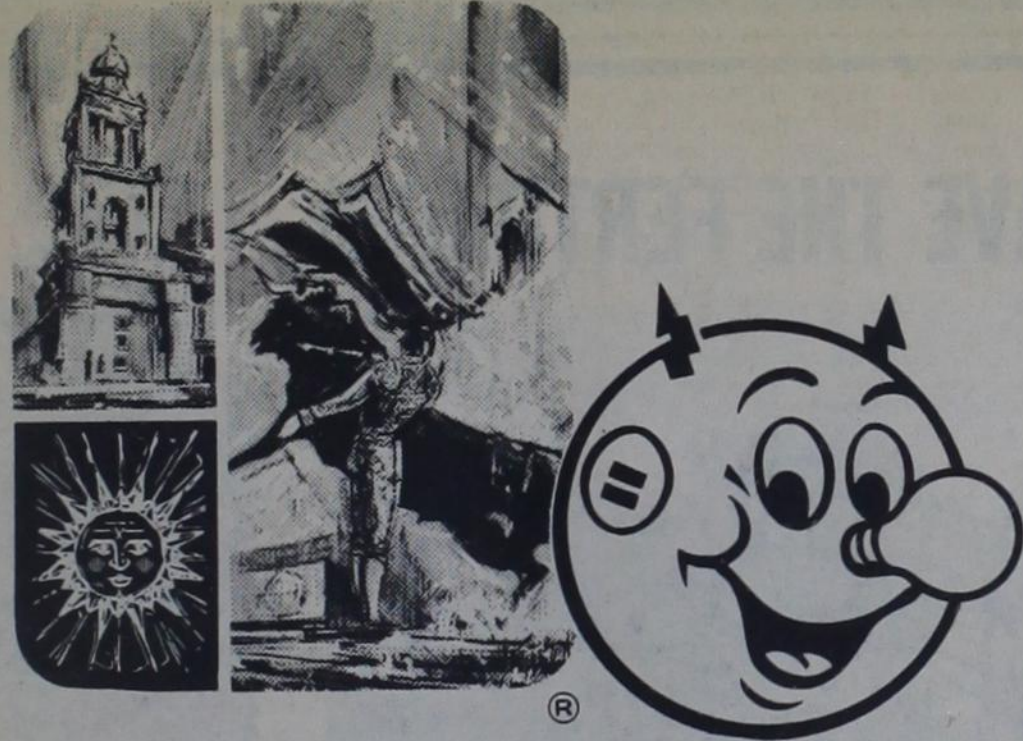

"Phyllis Diller's Housekeeping Hints" by Phyllis Diller. If you like comedienne Phyllis Diller's type of humor, you will love this book. Example, "Cooking: 'Don't taste the food while you're cooking it. You may lose the nerve to serve it.'"

### Electric Co-op Slates Meeting

Deaf Smith County Electric Co-operative will hold its 29th annual membership meeting in Hereford next Thursday night.

The yearly event, expected to attract over 1,500 co-op members and guests, will begin with registration at 10 a.m. in the Bull Barn.

MEMBERS who were receiving electrical service in 1956 will be able to pick up their patronage refund checks at the registration desk. Nearly \$146,000 in capital credits will be returned to members this year.

A barbecue lunch will be served at noon and will be catered by the Hereford Rotary Club. The Rotary has served the meal for several years and always does an excellent job.

The meeting will be called to order at 1 p.m., with business and entertainment to follow. Featured speaker will be Jim Morris, information director for Texas Electric Cooperatives in Austin. Morris is to speak about the Supplemental Financing Bill that is now being considered in the House Agricultural Committee.

THE BUSINESS session will include the election of three directors. Those whose terms expire this year are Sloan H. Osborn of Friona, Noel Gollehon of Dimmitt, and Tom Draper of Deaf Smith County. All are seeking re-election. Other nominees are Charles Packard for Deaf Smith County, George Bagwell for Castro County and Carl Schlenker for Parmer County.

The 1967 Government-In-Action Youth Tour Oratorical Contest winners, Levenie Benefield of Hereford and David Harris of Dimmitt, will be honored with plaque presentations.

A cartoon movie will be provided for children during the business session.

### Pollard Named To Exec Board

Rev. Frank Pollard, pastor of Dimmitt's First Baptist Church, has been appointed as a member of the executive board of the Baptist General Convention of Texas. The executive board handles business of the convention between annual sessions.

STATE AND county taxes paid in Castro County last year totaled \$259,178.36.

THERE ARE 7,805 registered motor vehicles in Castro County, and 228 miles of paved highways and farm roads.

### Social Security Visit Scheduled

A field representative of the Social Security Administration will be at the courthouse in Dimmitt Wednesday morning to help local residents with matters relating to Social Security.

### Federal Land Bank Association Now in 50th Anniversary Year

Federal Land Bank Associations were cited by Gov. John Connally as he declared April "Federal Land Bank Month." In an official memorandum, the governor praised the Federal Land Bank System and called upon all Texans to pay tribute to those engaged in farming and ranching.

The Federal Land Bank System, encompassing 73 local associations in Texas and 700 associations throughout the US, is observing its 50th anniversary this year. The anniversary year is dedicated to "America's Farmers: Providers of Plenty."

THE FEDERAL Land Bank Association of Dimmitt is participating in the year's activities by recognizing the farmers and ranchers of Castro County.

The Dimmitt Association has 337 members, and current loans amounting to \$9,750,000. Dividends paid to member-borrowers since 1950 amounts to \$165,146.40.

The Federal Land Bank of Houston — which serves all of Texas — ranks among the leaders in providing long-term real estate financing on farms and ranches. The history of the Federal Land Bank of Houston and its 73 associations closely parallels the agricultural growth of Texas.

The Houston FLB made its first loan May 22, 1917, and from a modest beginning the 73 local associations today have recorded long-term real estate loans of more than \$1.1 billion to 185,000 Texans.

April, 1917, marked the beginning of the Federal Land Banks, providing the first nationwide means of making private capital investment available to farmers and ranchers so that their holdings could be improved and the productive capacity expanded.

### Lee Attends Conferences

L. C. Lee, Dimmitt real estate agent, attended a two-day farm and land brokerage conference at the KoKo Palace in Lubbock last week, and an earlier conference for real estate men in Amarillo.

HE WAS ONE of 150 real estate dealers and advisors from throughout the state to attend the specialized conference, which covered many phases of land value, water use, tax and investment considerations, and the effect of government programs on land value.

The statewide meet was sponsored by the Texas Real Estate Association, in cooperation with Texas Tech and the Realtors Association of New Mexico.

LEE REPORTED that at the earlier conference he attended in Amarillo, First Federal Savings & Loan Association announced it was reinstating 90 percent new home mortgage loans for qualified borrowers, and also commercial construction loans. The institution had discontinued both types of loans during the recent tight money situation.

"I think this is proof that the tight money days are over," Lee said.

SESSIONS will be from 7 until 9 p.m. each night, Dr. Clapp said. Emphasis in the training session will be on efficient record keeping for the small businessman, with Dr. Clapp as coordinator. The seminar faculty will be composed of professional people who have had training and experience with business records.

The Credit Bureau of Plainview, the Small Business Administration and Wayland College are co-sponsoring the seminar. Enrollment can be accomplished by contacting Dr. Clapp personally or by mail.

Chris James

**Miss James Picked As Cadet Major**

Chris James, 16-year-old Dimmitt High School junior, was named honorary major Saturday of the Corps of Cadets at Kemper Military School and College in Boonville, Mo.

SHE WAS ONE of five finalists for the title of honorary colonel of the corps, and was announced as runner-up of the contest during commission ceremonies at the school's annual Military Ball Saturday night.

Other finalists were Gayle Kleweno of Shawnee-Mission, Kan.; Christine DeBus of Longview, Texas; Silva Saurez Bond of Mexico City, Mexico; and Patti Hammen of Jefferson City, Mo.

MISS JAMES was nominated for the honor by her cousin, Cadet Sgt. Robert B. McLean Jr., a Kemper College freshman and son of Mr. and Mrs. Bob McLean of Dimmitt. She attended the military college's annual festivities with the McLeans.

Miss James resides with her aunt and uncle, Mr. and Mrs. Hugh Evans. She was escorted at the military ball and presentation ceremonies by Cadet Sgt. McLean.

**DHS Superintendent to Attend Austin Seminar on Evaluation**

Dimmitt High School Supt. Paul Hilburn will be one of 30 Texas school administrators to take part in an executive development seminar in educational administration next week in Austin.

THE SEMINAR, presented by the University of Texas' Dept. of Educational Administration and Division of Extension, will be held Monday through Thursday at the Lakeway Inn in Austin.

Theme of the seminar will be "Evaluation," with daily lectures and workshops on evaluating school programs, personnel, instructional practices and goals.

HILBURN is presently coordinating a thorough evaluation of Dimmitt's public school system. Dr. Morris Wallace of Texas Tech is heading the project, and 23 local committees are working with professional educators and consultants from Tech and West Texas State University. The evaluation report is expected to be compiled in final form soon, Hilburn said.

Seven professors of educational administration from the University of Texas and the University of Houston will conduct next week's Austin seminar.

**Library Continues to Expand; Eyes 'Resource Center' Concept**

"For a better-read, better-informed America, use the library."

THAT'S THE THEME of National Library Week, April 16-22, and trustees of the Castro County Library are taking it to heart as they attempt to make local residents better-read and better-informed.

Hazel Merritt, chairman of the library's board of trustees, reported that 75 new books have been placed in the Castro County Library since Jan. 1, and that Mrs. Ray Axtell's book selection committee will meet today (Thursday) to order another \$600 worth.

Similar activity is underway at libraries throughout the state through a "Plan for Texas Libraries," formulated by the Texas Library Association. The plan resulted from the Governor's Conference on Libraries, Miss Merritt said.

ference on Libraries, Miss Merritt said.

"AT THE LOCAL level, the plan's twin goals of increased resources and economy of operation call for public libraries to unite into systems," she said. "Within each system there will be designated a system headquarters, which would develop into a resource center from which local libraries can borrow books and other library materials."

The designated "resource center" for the 26 northern counties of the Texas Panhandle is the Mary E. Bivins Library of Amarillo. Another resource center is planned at Lubbock.

Through the ambitious "resource center" plan, Miss Merritt said, library users across the state will be given immediate access to a wealth of books and resource material once thought available only in a few university libraries.

The Plan for Texas Libraries carries as its battle cry, "Library Excellence Is Today's Necessity." "THE PLAN formulated by the Library Development Committee is ambitious, yet attainable," Miss Merritt said. "To be successful, it requires action not only from librarians and such supporters of the libraries as trustees, friends, college regents and school boards, but from the state government as well. Also, the support of Castro County citizens is needed to encourage the development of this plan."

**Dystrophy Film To Be Shown Here**

Howard D. Wright, district director of the Muscular Dystrophy Associations of America, Inc., will be at the Dimmitt Fire Station at 8 p.m. next Thursday to conduct a public showing of a film on muscular dystrophy.

GUY WALDROP, city fire chief, said the film will depict the MDA's fight against neuromuscular diseases through its scientific grants, research facilities, therapy and service programs and clinics. He urged all who are interested in the Muscular Dystrophy Association's works to attend the film report.

The Muscular Dystrophy Association is supported by annual nationwide fund drives.

**We sell pesticides too!**

Naturally, Cyanamid Farm Supply is known for its fertilizer products and service. But don't forget us when it comes to pesticides!

We have a product to control every major pest you have to worry about. Many are Cyanamid's own products, while others carry other noted brand names.

Pesticide time is coming. So make Cyanamid Farm Supply your headquarters for both quality fertilizers and pesticides this season. Prices are right, too. So save yourself a lot of running around and buy both under the sign of the red oval.

Phone or come in soon!

**'67 Toll so Far: 14 Auto Wrecks, Four Fatalities**

The Texas Highway Patrol's official highway accident tally for March in Castro County showed three wrecks resulting in four persons killed, eight persons injured and an estimated property damage of \$4,950.

SGT. W. E. WELLS, Highway Patrol supervisor for this area, said the summary for Castro County during the first three months of 1967 shows 14 accidents, four deaths, 18 persons injured, and property damage estimated at \$14,300.

The 1966 Texas traffic records have been closed, Sgt. Wells said, and final figures show an all-time record high of 3,406 persons killed, 208,310 persons injured, and \$557,414,000 estimated property loss. The figures for 1965 were 3,028 killed, 186,062 injured and an estimated property damage of \$498,070,000.

"IF THE death rate increases during the last four years of this decade as it has during the first six years, the death count will stand at 4,745 in 1970," Sgt. Wells said. "The only solution to the problem is with the individual motorist."

**2,000 Growers Get Beet Checks**

Holly Sugar Corp. last Thursday mailed \$3.1 million in additional beet payments to 2,000 Holly growers in Texas, New Mexico, Colorado, Utah, Wyoming, Nebraska, Montana and North Dakota.

Dennis O'Rourke, chairman and chief executive officer of the corporation, said the additional payment brings the total amount received by Holly growers in the eastern district to date to just over \$24 million for the 1966 crop.

GROWERS in Texas and New Mexico received \$783,000 of last Thursday's additional payment, according to Percy M. Rosenow, agricultural manager for the Hereford district.

Flying Club Meets to Study

By MRS. RUBY STONE
The Easter Flying Club continues to meet each Wednesday night at the Easter Community Building. The program Wednesday night was "Navigation and Radio." Mrs. Bill Kirkland of Amarillo and Don Scarborough of Ft. Huachuca, Ariz., visited Mr. and Mrs. John H. Burnett Monday afternoon. Mrs. G. H. LaPlant is on the sick list this week.

William Moss and Garland Jarvis were among the men fishing at Lake Brownwood this week. John H. Burnett visited his son and wife in Dalhart Wednesday and transacted business in Oklahoma Thursday. Donald Scarborough of Arizona is visiting his parents, Mr. and Mrs. S. J. Scarborough, until the last of April. Tom Bob and Gary Moss, students at WTSU were at home last weekend visiting their parents. Mrs. Jewel Turner returned to her home in Ventura, Calif., by plane on Saturday, after a six-weeks visit with Mr. and Mrs. W. A. Epperson and other relatives in Hereford. Mrs. Trent Downing and Laura spent last week in Lawton. Mr. Downing joined them at his par-

ents' home for the weekend and all returned home on Sunday. Mr. and Mrs. Richard Shaddy and I. G. Ho'mes of Lubbock were Sunday visitors of the Loy Stones. Easter Club met Thursday in the home of Mrs. Keys for their regular meeting with six members present. There was not much business to transact so the time was spent in visiting. Those present were Anna M. Moss, Anna M. Burnett, Lana Downing, Ruby Stone and Mrs. Keys. Castro county's population increased by a whopping 40 percent between 1950 and 1960. The county's population was 5,417 in the 1950 census and 8,923 in the 1960 census. Castro's current population is estimated at 10,700, indicating an increase of 8.3 percent since 1960.

Bible Thoughts

"HAVE WE FORGOTTEN?" By Ronnie Parker

In the long ago, Isaiah rebuked Israel because they had forgotten God. "The ox knoweth his owner, and the ass his master's crib: but Israel doth not know, my people doth not consider. Ah sinful nation, a people laden with iniquity, a seed of evildoers, children that are corrupters: they have forsaken the Lord, they have provoked the Holy One of Israel unto anger, they are gone away backward" (Isa. 1:3-4).

These same words could be spoken against our generation. We place great value on personal pleasure, earthly possessions, and the doing of our own will while we forget God and all that he has done for us. Our unconcern is seen in how little we read and study about God and His way. It is not necessary for us to burn all the Bibles to make people forget God. If we just leave the Bible unread and unstudied it will have the same effect.

This is the reason for pleading with you and all others to study your Bibles. Read it daily that you might know and remember God. His way leads to eternal life. Don't take the "backward" way of forgetfulness for it leads to eternal death.

BE IN BIBLE STUDY THIS WEEK — 9:30 a.m. Sunday 4th and Bedford Church of Christ

LEGAL NOTICES

NOTICE OF SALE THE STATE OF TEXAS: COUNTY OF CASTRO:

By virtue of an Order of Sale issued out of the Honorable District Court, 69th Judicial District of Texas, in and for Moore County, Texas, on the 16th day of March, 1967, by the Clerk thereof, in the case of Municipal Assessment Co. vs. A. C. George and V. A. Cope, and being numbered 4635 on the docket of said Court, and to me, as Sheriff, directed and delivered, I will proceed to sell the hereinafter described tract of land to the highest bidder, for cash, between the hours of 10:00 o'clock a.m. and 4:00 o'clock p.m. on May 2, 1967, it being the first Tuesday of said month, at the Courthouse Door of Castro County, Texas, in the City of Dimmitt, Texas; said tract of land having been levied on by me on the 24 day of March, 1967, and to be sold to satisfy a judgment rendered in the above described cause on the 19th day of September, 1966, and recorded in the minutes of said Court in Volume 14, page 412. Said judgment was in favor of Plaintiff, MUNICIPAL ASSESSMENT CO., establishing its debt in the sum of Six Hundred Ninety-Four and 52/100 Dollars (\$694.52) thereof, together with interest thereon at the rate of eight per cent (8 percent) per annum from September 19, 1956, until paid, together with foreclosure against A. C. George and V. A. Cope and all parties claiming under said parties since the filing of Plaintiff's suit to foreclose a certain lien securing Plaintiff's debt upon the following described property, to-wit: Lot Number Two (2), Block Sixty-Two (62), Original Town of Dimmitt, Castro County, Texas. Said judgment and Order of Sale direct that the above described property be seized and sold as under execution in satisfaction of said Judgment and that said lot be sold, the proceeds of sale applied as follows: From the proceeds of the sale of Lot Number 2, Block 62 of the Original Town of Dimmitt, Castro County, Texas, to the satisfaction of the costs of suit and sale; then to the payment of the judgment rendered in favor of Plaintiff secured by the lien for foreclosure against Lot Number 2, Block 62, of the Original Town of Dimmitt, Castro County, Texas, together with interest on \$694.52 at the rate of eight per cent (8 percent) per annum from September 19, 1956, and with in-

terest on all costs thereof at the rate of six per cent (6 percent) per annum from September 19, 1956, and with interest on all costs thereof at the rate of six per cent (6 percent) per annum from September 19, 1956. GIVEN UNDER MY HAND AND SEAL OF OFFICE, This the 20 day of March, A. D. 1967. Jack Cartwright Sheriff, Castro County, Texas 25-31c

GREEN THUMB

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

GREEN THUMB .. is the way of describing those that have a way with plant life. The ones, who are so gifted, will tell you that to be successful with plants, you must see that they have plenty of water. God knows too, that a soul must be watered in order for it to mature and grow. "... and thou shalt be like a watered garden, and like a spring of water, whose waters fail not." Isaiah 58:11

Cheerleader Hopefuls To Have Yelldown Soon

It is getting toward the end of another school year. The fifth and final six weeks is underway. Many things are happening as the students wrap up another high school year — the last year for the seniors.

SOME OF the seniors left for Los Alamos on a Science Club trip, Thursday, April 13. The group returned on Saturday, April 15.

As the end of school draws near, the cheerleading tryouts do to. Students who wish to try out for cheerleader should be practicing, and those who are not sure should be thinking about it. A date will be set soon for practice with the 1966-67 cheerleaders. Tryouts will be sometime near the end of May.

The tennis season has ended for Dimmitt. The district tournament was in Abernathy April 11. Mark Cleavinger and Jerry Birdwell were the only district winners for Dimmitt. Other students participating in the tournament were Paralyn Rander, Kay Bradley, Tommy Stafford, Kent Lindsey, Keri Kirkpatrick, Marsha Baldridge, and Ruth Dyer.

MARK CLEAVINGER, Jerry Birdwell, Graham Shoffy, Scott Moran, Bobby Baker, and Ronnie Praetner participated in a golf tournament at Hale Center, Monday, April 10.

Saturday, April 15 was a very busy day for quite a few people. The Junior Rodeo began on Thursday night and ended Saturday. Thrills and spills kept the audience tense, and we understand several kids got bruises and scratches.

The Interscholastic League Literary Meet was at Hale Center, and last but not least the eighth grade had an exciting evening. The annual Eighth Grade Banquet

was given in the South Grade Cafeteria.

Ronnie Kenmore, a little bit absentminded on April 14, went to the second period American History Class thinking he was reporting for Journalism. Ronnie, Journalism isn't until sixth period!

Drama Students Give 'Journey'

"The Happy Journey to Camden and Trenton," by Thornton Wilder, was given in an assembly Thursday morning by the drama class.

THE "Happy Journey" is the story of a family going to visit relatives in Trenton, New Jersey. The numerous funny incidents which usually occur on a trip are represented in the play.

The cast of characters include: Ma Kirby, a we'l meaning mother, portrayed by Deanna Morgan; Wendell Moore portrayed Pa, the quiet, serious type; Beth Moore and Randy Hasley played the parts of Caroline and Arthur. Caroline always got the best of Arthur. Beulah, just recovering from an illness, was played by Paulitta Simpson. The stage manager, who played parts ranging from old cronies to service station attendants, was played by Donny Arnold.

THE PLAY was directed by Sandra Coffman. As with most student directed plays, Sandra did the majority of the directing, while Miss Griffing helped smooth out the rough spots.

This production was only one of the fine plays that the speech and drama students have been working on this year. The drama class hope the students and faculty enjoyed the production.

A one-act play, "Happy Journey to Camden and Trenton," written by Thornton Wilder, was given to the DHS student body in the auditorium April 13.

Pete Wilson from WTSU, was on the DHS campus Monday and Tuesday, April 10 and 11. He explained the opportunity program for helping students attend college.

THE SHOWCASE in the south hall is an attractive one. It is a reminder that school is almost out and students should not wait until the last minute to do such things as projects, daily work, term papers, exams, reports and finals.

In the Homemaking showcase dresses made by two Homemaking II students are displayed. Patty Simpson made a yellow long sleeved dress, and Doricell Oldham made a two-piece jumper of a flower print material. Nice job girls!

A few of the sophomore and junior boys have been riding their bicycles to school. I guess they enjoy riding through the water puddles and in high winds. I guess it is all for a good purpose. They are actually getting in shape for football next year.

We'l, I guess this about rounds up another week of activities for DHS, so until next week, bye-bye.

Tennis Teams Finish Season

The Dimmitt tennis teams will not go to regional however, they were not totally defeated Tuesday.

MARK Cleavinger and Jerry Birdwell were the only district champs from Dimmitt, but Bobby Baker won his first round and was barely defeated in the second.

Paralyn Rander and Kay Bradley did a fine job in the first round, but were defeated by Abernathy in the second.

TOMMY Stafford and Kent Lindsey lost their matches to Abernathy.

Marsha Baldridge and Keri Kirkpatrick also lost theirs. Ruth Dyer was downed in the first round by Olton.

We want to congratulate the Bobbies and Bobcats for the honors they have received during tennis season.

It's National Library Week

If the librarian and her corps of student assistants give service which meets the needs of the student body and faculty they serve, they have realized the purpose for which they exist as an integral part of the school.

National Library Week will be observed during the week of April 16 to April 22. The purpose of this special week is to call attention to the vital role that reading and libraries play in our lives. The need for a "better-read, better-informed America" continues to grow. Population explosions and advances in knowledge and technology create new needs for more reading materials to be made widely available.

National Library Week provides support for local reading and library development through a combination of nation-wide and local activities. It tries to attract public opinion to the growing demand for improved library services and to the changing role of the librarian in the community. It also inspires more people to more thoughtful reading.

What is your library doing for you? Does it introduce books to students by publicity? Does it teach the use of reference tools? Does it supply factual material for study units? Does it introduce fresh collections recently purchased?

Everyone should make a visit to our library during National Library Week. Book marks are being distributed, posters are on display, and the library staff are all wearing buttons that advertise National Library Week.

DHS Is Fourth In League Meet

Saturday, April 15, the District Interscholastic League Literary events were held in Hale Center.

FOR EACH event, in which one places, the school receives a certain number of points. The school who receives the most points is awarded a trophy. Floydada won this year, while Dimmitt placed fourth.

The "Intellectuals" left Dimmitt around 7 a.m. Saturday, and the first events began at 9 a.m. The ratings were posted about 1 p.m.

THOSE WHO placed were: Garland Jarvis — First place, Persuasive Speaking.

Deanna Morgan — First place, Informative Speech.

Vikki Otte — First place, Short-hand.

Linda Harman — First place, Ready Writing.

Boys Debate Team — Robert Froehner and Ronnie Burks — Second place.

Girls Debate Team, Mary Lee Stone and Tommie Hutchison — Third place.

Sharron Flynt — Third place, Poetry Reading.

Sandra Coffman — Third place, Persuasive Speaking.

THE JUNIOR HIGH students who placed were: Lonnie Markley — First place, Poetry Reading.

Kent Bradford — Second place, Number Sense.

Pam Barker — Third place, Number Sense.

Editorial

A Matter of Respect

By GARLAND JARVIS
Mr. Joe B. Bow, Senator from the state of Anywhere, USA, was the guest speaker at an important town banquet. As the good senator rose to speak, he received a standing ovation. He was very surprised at this action because his party did not have a majority in that part of the country. His speech was very good, and he

thanked the people for their friendliness and courtesy toward him. As his speech ended, the audience again gave him a standing ovation. Needless to say, his visit caused a great deal of good will to be spread.

IS THERE anything very special about the preceding paragraph? No, not really. The only thing the paragraph brought out was the amount of deep respect and admiration the people of the community gave this visiting celebrity.

Today more than ever before, respect is essential for a successful and happy life. I'm not talking about respect for one's elders,

but also respect for each other. Today, one seldom finds much respect for the other fellow. People are just too concerned for their own welfare and happiness to waste time paying courtesy to a fellow human being. The world has lost one of the essential qualities of America, respect for the other man and his opinion. After all, this country was built on the principle that all men are created equal. Doesn't this also apply to respect? Shouldn't all men be respected equally?

PERHAPS in today's world, people have forgotten how to pay respect and honor to another person. For example, how many people do you meet who say "hello?" Just count them up and see what number you come up with. On a recent television show in New York City, a survey was taken on the reaction of people to others who said "hello" to them on the street. The results were amazing. Every person observed thought the old boy had gone completely out of his mind. This is exactly what I am talking about. All over the country, people have forgotten how to be friendly, and when they do meet a friendly person, people are amazed and call him "forward."

Royalty Crowned At Sport Banquet

"Miss A'llan Webb, 1935-67, Basketball Queen." A'llan was crowned at the athletic banquet held April 8. She was presented a bouquet of roses and a crown was placed upon her head by Kent Lindsey and Tommy Stafford.

HER PARENTS are Mr. and Mrs. Allan Webb. She is a junior and plays forward on the Bobbies basketball team.

A'llan has been on the All-District team for the past two years. She is also a member of the Bobcat Band, FHA and FTA.

Earlier in the evening, A'llan was honored as the "Most Valuable Player" in girls' basketball.

PARALYN Rander was crowned as the 1966-67 Football Queen. Paralyn was crowned by the football captains, and presented with roses.

Queen Paralyn's parents are Mr. and Mrs. Gen Rander. A few of Paralyn's other honors include: elected Miss DHS, drum major of the Bobcat Band, president of FHA. She is a member of the Bobcat Band, FHA, science club, National Honor Society, and FTA.

MIKE BRUEGEL, son of Mr. and Mrs. Fred Bruegel Sr., was presented as the "Most Valuable" football player. Mike has played tackle on the varsity team for three years. Mike was on the All-District team his junior and senior year. This year Mike was also on the All South Plains and All-State teams.

JOHN HOWELL, son of Mr. and Mrs. Moss Howell, was honored as "Most Valuable" basketball player.

John has played varsity for three years. He made the All-District team both his junior and senior years, and this year he also made All-Regional and third team All-State.

DAVID Bellinghausen, son of Mr. and Mrs. William Bellinghausen, a sophomore, was voted "Most Valuable" member of the track team. This is David's first year in track and he ran the 880 yard dash. David also placed seventh in the District Track meet.

We are proud of our 1966-67 athletic royalty. These students achievements represent a high degree of interest, integrity and Hard Work!

Senior of Week: Charlie Summers

Does November 22, ring a bell? Well, it should because that is the birthday of our Senior Boy of the Week, Charles William Summers known as Charlie—is the son of Mr. and Mrs. Melvin Summers.

Charles has been very active throughout his high school career. He has been manager for basketball four years, football manager for three years, a member of FFA, FTA, "D" Club, and Science Club. He has been treasurer of the Dimmitt Chapter of the Future Farmers.

Charlie says there not too many things he dislikes, but if he had to choose just one, it would be people who brag. For right now, Charlie has just one ambition: to get out of high school. I think this ambition is shared by every senior, too. As for the future, Charles plans to go to WTSU.

When asked if he would miss D.H.S., he replied, "At the moment, I don't think so—but I may change my mind."

We want to wish Charles every bit of luck in carrying out his ambition and future plans. A boy as fine as Charles deserves the achievement of his desires.

WHAT HAS happened to the friendly spirit of America? It has been lost in the ever-growing ocean of worries and money. Even the slightest amount of friendliness and respect can get you anywhere you want to go in life. An employer will definitely hire a friendly man before he will hire an unfriendly genius.

After all, it only takes a few minutes to be friendly and to say a kind word to someone. Even the smallest show of kindness can do so much for a person. It can brighten up a dull day, or chase away the blues.

So just remember one thing. The next time a speaker comes to an important event, have the time to give him not only courtesy, but two standing ovations. It will not only help him, but it will help your cause as well.

# Science Club Visits Los Alamos Laboratory

Los Alamos Scientific Laboratory was the site of a fun-filled weekend trip for the Science Club. **AFTER MANY** weeks of planning, twelve club members and three sponsors left Dimmitt on Thursday for Santa Fe. The party spent the night in Santa Fe, where we enjoyed sight seeing in the second oldest town in this country. The next morning came early as we started to Los Alamos.

Upon arriving at 9 o'clock, we were grouped into buses and driven to an administration building. After passing by several armed guards, we entered the auditorium. We were greeted by Dr. Norris E. Bradberry, director of Los Alamos Scientific Laboratory. Dr. John Marshall explained the Sherwood Project. The Los Alamos Lab has been working on this project ever since the discovery of plasma, the fourth state of matter. The projects purpose is to find a way to harness and control the heat of plasma, which is almost pure energy. In these experiments temperatures of one hundred million degrees are after reached.

**THE FIRST** tour of the Sherwood Project then began. We saw a huge machine made up of many wired, pipes, tubes, and other interesting gadgets. This machine called Scylla IV, was used to produce plasma for a few micro-seconds. It was demonstrated. A deafening noise was followed by a blinding flash of red light. After this exciting tour, we were escorted back to the auditorium.

**AFTER LUNCH** we saw a very impressive film entitled "Ten Seconds That Shook the World." It showed the beginning of the atomic bomb and Los Alamos.

After the film was shown we were taken to a building which contained the vertical and linear accelerators. These machines receive their power from static electricity. They have a potential of

also saw a cyclotron, which accelerates positive particles such as protons and deuterons.

Last but not least, we were driven to the liquid disposal site. This building is used to dispose of radioactive material from all buildings at the scientific laboratory. A settling and drying process is used. The greenhouse was also in this building. Here we saw

## Martha Gets Surprise Party

"Happy Birthday dear Martha, Happy Birthday to you!" This is what greeted Martha Nitsa as she entered the bank Sunday afternoon, April 16. Unaware of the surprise birthday tea, given in her honor, Martha thought the singing was a late "tease" for her birthday. She was called to see her table of presents and her money tree, and she looked at it, was so overcome with surprise she just sat down. She was again called to the table, and the hostesses told her it was all hers. She broke into tears of happiness. Although the tea was late (her birthday was on Friday, April 14) she was really excited.

About fifty girls were served chips and dips, cookies, and pink lemonade. The colors used were pink and white, Martha's favorites. The centerpiece was of pink carnations, and the money tree was done in pink and white dogwood blossoms. The chocolate cake, iced in pink, read "Happy Birthday, Martha."

Martha received \$37.04 on her money tree, four charms for her bracelet, and a shorts set. I think Martha really enjoyed her late birthday party. The hostesses want to thank everyone for helping and coming to the party. We hope everyone had a good time.

how experiments with radiation can help to develop bigger and better plants. We also observed mechanical arms used to handle radioactive materials. We were allowed to try these arms ourselves and pick up blocks inside the shielded room.

**AFTER AN** exciting and a very informative day, the six hour tour ended. We were exhausted, but we had seen many interesting machines. We returned to Santa Fe.

Saturday we finished our tour of Santa Fe and late Saturday afternoon arrived in Dimmitt, tired, but a great deal more interested in science. We appreciate Mr. Cooper and the sponsors who accompanied us, and the administrators who made the trip possible.

## WTSU Official Counsels DHS'ers

Pete Wilson, student financial representative from WTSU, spoke to the juniors and seniors Monday, April 10, about financial help each might need to attend college.

**WILSON** stressed that each student should begin to make plans now for what he plans to do after graduation.

Also he stressed that it was very important for students to include college in their plans because of the growing world need for educated people today.

During the day Monday and Tuesday, Wilson was in the counselors office where students were able to talk to him about getting aid for college.

**AT THE MEETING** he discussed the different loans, scholarships and grants which were available. At the end of the meeting questionnaires were filled out concerning ourselves and what plans, if any, each had for his future.

## April Is Anniversary Month Of Old Glory and Appamattox

April has thirty days. During these days several important events of history have occurred. For instance, on April 4, our present flag was adopted. Congress would remain thirteen, standing for the thirteen original colonies, but the flag would have twenty stars, with a star being added each time a state came into the Union.

**APRIL 9,** is Appomattox Day. Lee surrendered to Grant at Appomattox Courthouse marking the end of the war between the states. Lee, with his starving army had evacuated Richmond and was moving south when his retreat was cut off by General Sheridan, and Lee was forced to surrender.

Thomas Jefferson, the third President of the United States was born April 13, 1743, at Shadwell, Virginia. He entered the College of William and Mary at 17. At 26, he was elected to the Virginia House of Burgesses. He was elected to the Continental Congress in 1775, and while a member of that body drafted the Declaration of Independence. In 1779, he became Governor of Virginia. He was then sent to France

to better our relationship with that country until 1789, when he entered the Cabinet of Washington as Secretary of State. When Adams was elected President, Jefferson was elected Vice-President. In 1800 and again in 1804, he was elected President of the United States. He died in Monticello, Virginia, on July 4, 1826.

**APRIL 21** is the anniversary of the Battle of San Jacinto. Texans forced Mexico to recognize their independence.

April 27 is the birth date of the leader of the northern forces during the Civil War.

James Monroe, the fifth President of the United States, whose place in history is assured because of the famous Monroe Doctrine, which was issued during his presidency. He succeeded Madison as President in 1817, as the candidate of what is now known as the Democratic party, defeating the Federalists party by a majority of 149 electoral votes. During his first term, the Federalist party went to pieces and he was re-elected for a second term without every electoral vote but one, as one of the electors was unwilling that any President after Washington should be elected unanimously.

## Library Club Observes Week

Activities for the National Library Club Week were planned in a meeting of the Teenage Library Club held Wednesday, April 12.

Publicity and relations with the public were discussed as well. The club also discussed ordering pins.

## 55 Years Ago, Titanic Sank

Fifty-five years ago, in April, 1912, the finest liner yet launched set out on its maiden voyage from Southampton to New York. It was a big 46,000-ton titan and could travel at 23 knots. One word could describe it - "luxurious." It had everything—a heated swimming pool, push cabins, gymnasium, and a hospital. It's greatest trait was the fact that it was unsinkable.

No less than five ships had warned the Titanic that ice-burges were in its path "but with speed unabated the unsinkable ship steamed on."

At 11 p.m. on April 14, 1912, the Titanic heard the California radio operator say "We are stuck in the ice." The Titanic, trying to keep Cape Pace, replied, "Keep out, you are jamming my signals." The irritated California operator shut off his set and retired for the night.

A little later, a report from the Titanic's lookout sighted another berg straight ahead. The first officer made a tight turn but the knife-like protrusion from the berg got in deadly work. It slashed a 300-foot gash in the hull.

The passengers were unwilling to trade their safe quarters aboard a ship that couldn't go down for a life boat in a frigid sea.

At 2:22 a.m. on April 15, 1912, the great Titanic shot straight into icy depths carrying 1,517 persons to their death.

Had it not been for the nearest ship, only a few miles away, having its radio off because of the Titanic's noisy radio message, most or many of the passengers might have been saved. The California was silent and did not hear until it was too late to prevent the disaster of the unsinkable Titanic.

## Party Planned For Martha

Arrangements for a birthday party for Martha Nitsa, our foreign exchange student, was planned by the DHS girls in a meeting Tuesday, April 11.

**IT WAS DECIDED** to have the party at the community room in the First State Bank on Sunday, April 16.

Martha's birthday is actually Friday, April 14; but, Sunday seemed to be the best time for everyone to honor her.

The party will be a come and go affair; and refreshments will be served. The girls were asked to bring the dips, chips, cookies, and other supplies.

## Golf Team Falls In District Meet

The Dimmitt golf team composed of Graham Sheffy, Mark Cleavinger, Jerry Birdwell, Bobby Baker, Ronnie Prather, and Scott Moran placed last at the District Golf Meet at Hale Center, Monday, April 10.

**THE OLTON** linksters took first place honors, while Floydada came in with second place. Olton and Floydada will go to Lubbock for regional play later this month.

After eighteen holes of play, Mark Cleavinger was the low scorer for the Dimmitt team with a score of 87. Even though our golf team didn't come in first, we are proud of them for representing our school in such a fine way.

## FHA Now Selling Teacher Recipes

The Future Homemakers now have a supply of all six "Favorite Recipes of Homemaking Teachers" cookbooks on hand.

**THESE INCLUDE** the meats, desserts, salads, vegetables and casseroles editions along with the new edition of Foreign Foods.

These make wonderful graduation and bridal gifts, and the ladies who have the first editions will want to complete their cookbook library with the Foreign Foods edition.

They are available from any FHA member or from Mrs. Snider or Mrs. Hottel. The price is \$3 each.

## Three Tracksters Place in District

Go to your block! Get set! Go! The Dimmitt Tracksters are very familiar with this sound, but they won't hear it any more this year: the track season has ended!

The district track meet was held April 8, 1967, at Olton. Mike Bruegel won third in discus with 135 feet, 7 inches. David Bellinghaus won in the 880 yard dash Larry Gambel rated 5th in the pole vault. We think these boys did a fine job in representing the Dimmitt fans in varsity competition.

The Freshman track team won the highest honors in their division. Among the members bringing in the honors were Bill Sanders, Jerry Birdwell, Mark Cleavinger, Roy Thomas, and Nelson Thomas. We want to congratulate these boys on their fine achievement.

## FFA Meets

The Future Farmers of America heard reports from the chairmen of the work committees for the annual FFA banquet in a meeting Thursday, April 13.

Castro Lodge AF & AM 879, Regular meeting 3rd Monday. Practice every Thursday, Bruce Wood dell, Worshipful Master, Ira E. Brown, Secretary. Visitors Welcome.

# Housewarming Held for Zetzsches

By Mrs. Owen Andrews  
Mr. and Mrs. George Zetzsch and family were honored with a housewarming at their home, 10 miles north of Friona, Sunday afternoon. Hosts for the occasion were Rev. and Mrs. James Martin and family, Mr. and Mrs. Lawrence Baird and family and Mr. and Mrs. Phil Phipps and family. During the afternoon a program was presented. A poem, "What Is a House?" was read by Mrs. Baird and Judy Martin sang "Bless This House," accompanied on the piano by Mrs. Phipps.

A large painting of a rural scene was presented to the honorees by the hosts.

Refreshments were served by the hostesses. Those attending included parents of the honorees Mr. and Mrs. J. B. Zetzsch, Friona, Mr. and Mrs. Owen Andrews and other relatives Mr. and Mrs. James Zetzsch and children, Lubbock, Mr. and Mrs. Robert Zetzsch and children, Friona, Mr. and Mrs. Joe Andrews and children, Mr. and Mrs. Herbert Bruns and children, Mr. and Mrs. T. L. Sparkman Jr., Mrs. Eugene Baldwin, Mrs. Tommy Sparkman.

Also attending were Mr. and Mrs. Olin Baird, Mrs. R. V. Tackitt, Mr. and Mrs. Daniel Reeds, Mrs. J. B. Hcbson, Mr. and Mrs. Kenneth DeHart and children, Mr. and Mrs. Leonard Schmidt and children, Mr. and Mrs. Gerald McCathern and children and Joe Landers.

MRS. B. H. Baldwin and Miss Viola Keene left Friday morning, flying from Amarillo to visit relatives in Crowley, La. and other points in the area for about two weeks. They expect to also fly the return trip. There will be a gathering of the Henderson and Keene family groups, who are relatives of Mrs. Baldwin and Miss Keene's father.

Mrs. H. M. Mobley, Mrs. D. C. Miller and Mrs. Dorothy Johnson, all of Midland, left during last weekend to spend most of this week visiting the Raymond Mobleys at Farmington, N.M.

Visiting the San Organs during the weekend were Mrs. Ogan's sister, Mrs. Frank Lawrence, Lubbock and their aunt, Mrs. Parker Rampley of Silvertown.

FRIO JOLLY Workers 4-H Club members were guests of Frio Homemakers Club Tuesday, when

it met in the kitchen at the Frio Church. The program presented by the 4-Hers included demonstrations on "Kitchen Safety" by Patty and Jerry Robbins, "Egg Facts," by Raymond Warrick and Earl Behrends, "Soybean Production," by Sue and Curtis Smith, "Broccoli Casserole" by Genie Robbins and "Dollar Sense" by Diana Adams. Sponsors Mrs. Don Adams and Mrs. Fritz Smith also were visitors. Others attending the meeting were Mesdames J. L. Brooks, Dee Taylor, Laura Littrell, Martin Welty, E. F. Vcger, Frank Robbins, Herbert Bruns, Owen Andrews and Miss Alma Andrews.

The 4-H Club gave demonstrations last week to Easter Lions Club and to Mon Amis Study Club, both meetings held at Easter Community Center. Demonstrations were given the groups on "Water Conservation" by Eugene Warrick and Marvin Smith, "Switches and Outlets" by Kenneth Adams and David Hutchins, and the ones on "Egg Facts" and "Dollars and Sense" as given the Homemakers Club.

Mrs. Mary Virginia Buchanan, 89, died at her home in Manteca, Calif., March 30. Funeral services were held at Manteca on Saturday, and the body went by train, arriving in Hereford on Monday afternoon. Graveside services were held at Plainview Cemetery Tuesday morning April 4. Coming also on the train were her son, Cleo Buchanan, and nephew Bill Buchanan, both of Manteca. Here to meet the train was Cleo Buchanan's daughter, Mrs. Marvin Holland, and Mr. Holland and daughter Lisa of Plainview.

Mrs. Buchanan had visited her relatives here many times over the years. She was a native of Cotter, Ark., and lived for some 20 years near Plainview, being widowed in the twenties. About twenty years ago she had moved to Calif.

Bill Buchanan, nephew, who lived several years in the Pa'o Duro Community before moving to California a few years ago lived with his aunt during the Plainview residence, having been orphaned as a young boy.

Local relatives of Mrs. Buchanan include Mesdames A. T. Jones, T. L. Sparkman Jr., and Duward Roberson neices and J. E. Springer, nephew all of Hereford.

Mrs. J. W. Benson and Mrs. Elbert Summers, Dimmitt, Mrs. Ann Springer, Mr. and Mrs. Owen Andrews were among other relatives attending graveside services.

★  
**MR. A. L. HODGES, who died** Wednesday at his home in Tulia, is a former resident of this community. They lived a mile north of Jumbo and came to Frio to church during the 1950s. Due to his ill health they sold the farm and have owned and operated a cleaning business in Tulia since leaving here.

Among those from here attending the funeral for Mr. A. L. Hodges at Tulia, Saturday were Mrs. E. M. Green, Mrs. Edgar Vinson, Mrs. Carlton Debbins, Mrs. Betty Shepard, Linda and Ronnie. Johnny Hodges arrived home on Friday night on 30-day leave from Army duty in Vietnam. Other survivors include his wife Nadine, and daughters, Mrs. Charles Love of Manteca, Calif., and Mrs. Kidwell of Idaho Falls, Idaho.

★  
**TED BUSH, who has been in** the Dimmitt hospital this week was improving the last of the week.

Mrs. John Simpson came from the hospital on Tuesday to the home of a son, Robert. On Thursday she came on home. Her granddaughter, Mrs. Ronnie Ford and daughter of Dodson, came Thursday to stay with the Simpsons until Monday.

★  
**MR. AND MRS. Joe Andrews** and children went to Amarillo Sunday, April 2 to attend Amarillo Air Force Base celebration on its 25th anniversary. A special program of events and open house to the public marked the occasion as well as a parade and performance of the Drum and Bugle Corps. Thunderbirds performed in the air and the celebration ended with a concert by the 589th USAF Band of the Golden Spread.

Mrs. Andrews' brother, Robert Haseloff, is completing the first phase of training in the Air Force at the Amarillo Base and has been informed he will transfer to the Wichita Falls Base for further training beginning next week.

Mrs. Herbert Haseoff, Abilene, came to visit her daughter-in-law, Mrs. Robert Haseloff, at Canyon and to attend the Amarillo celebration on Sunday. She visited Monday and spent the night with her daughter, Mrs. Joe Andrews and family here.

★  
**MISS VIOLA KEEN, Mrs. B. H. Baldwin** and granddaughter, Donna West, spent Tuesday and Wednesday visiting the Rev. and Mrs. Darold Baldwin and Diane at Brownfield.

Mrs. Floyd Cole and Mrs. Sam Ogan accompanied a group of Girls Auxiliary Juniors to a banquet at Muleshoe Friday evening. It was an associational wide Baptist event and the featured guest speaker was Mrs. Thurman Bryant, Baptist Missionary to Brazil, who is home on furlough. The Bryants who are scheduled to return to Brazil this summer are stationed in Sao Paulo. Girls attending were Virginia Newberry, Ruby Reyna, Patty Robbins, Jill Stephan, Rhonda Stephan, Beverly Cole and Melissa Johnson.

Miss Alma Andrews had a number of ladies come to her home Thursday afternoon to help her celebrate her birthday. The guests included Mrs. Laura Littrell, Mrs. Elmer Jones, Mrs. Chesley Johnston, Mrs. Mearl Findley, Mrs. Jack Baker, Mrs. Eugene Baldwin, Mrs. T. L. Sparkman Jr., Mrs. Tommy Sparkman, Darlene Sprakman and Debbie Ogan.

Mr. and Mrs. Bill Williams received a phone call from their son, Lee Roy, that his ship USS Coast Guard Cutter Gresham, would be leaving Sunday afternoon. Seaman First Class Williams said they expect to be on duty off the coast of Vietnam for the next ten months. He has been stationed on board in the San Francisco harbor most of the time the past 2½ years.

★  
**MR. AND MRS. D. P. Smith,** Corn, Okla., have been visiting their children, the Herbert Schmidts, the Leonard Schmidts and the Earnest Harders. They came home with the Herbert Schmidts when they were visiting in Oklahoma about two weeks ago. Mrs.

Schmidt, who has been in extremely ill health is much better than she has been in many months, and able to enjoy the visit here. The Earnest Harders took them home during the past weekend.

Mrs. Joe Andrews was hostess at a coffee at her home on Friday morning, honoring Mrs. Don Teague, a new comer to Hereford. The Teagues have recently moved here, when he was released from the Army. Captain Teague has just finished a two-year tour of duty in Germany. He is here to be manager of a local produce shed. The Teagues have two children, Camille, 4, and Don Wayne, 2. Mrs. Teague is a native of Vernon and was a school mate of Mrs. Andrews.

Mrs. Houston Frye and Mrs. Clark Andrews assisted the hostess. Others attending were Mesdames Bill Warrick, Pat Thompson, Jerry Terrell, Charles Frye, We'don Stephan, Earl Harkins, Tommy Spakman, Eugene Baldwin, Dee Taylor, Sammy Leslie, Charles Springer, Kenneth Frye, Pat Robbins and Walker Parris.

★

## El Paso Natural Gas Company Reports:

# We're setting new records serving a growing west

Last year, El Paso Natural Gas Company delivered a record 1.51 trillion cubic feet of gas to 11 fast-growing western states.

That's the energy equivalent of more than 250 million barrels of crude oil.

And major new expansion projects, now pending before the Federal Power Commission, will increase our certificated deliveries to customers by another 186 billion cubic feet per year—or about 12 per cent.

To keep these vast supplies of low-cost energy flowing in ample quantity, we are continually adding to our gas reserves—which stood at an all-time high of 40.4 trillion cubic feet at year's end.

Among other highlights in our 1966 Annual Report:

- Sales and profits at record levels in 1966. Operating revenues reached \$572,827,000, with net earnings of \$43,256,000.
- Continued expansion into diversified fields of service, including petrochemicals, agricultural chemicals, plastics, textiles, mining, and oil and gas production. Contributions of non-regulated activities were at new highs in 1966.

More details about our natural gas operations in 11 western states, our other diversified operations, and our plans for the future are contained in the 1966 Annual Report. We'd like to send you a copy.

## Hightower Says New 'Nurse Act' Wouldn't Endanger LVN Licenses

State Sen. Jack Hightower last week dispelled rumors that vocational nurses were in danger of losing their licenses under a bill revising the state vocational nursing practice act.

"NOTHING could be further from the truth," Sen. Hightower said.

"It certainly is not the intention of the authors to revoke the license of any vocational nurse or put in jeopardy any nurse who has qualified for a license under waiver," he said.

The senator said "widespread rumors and misconceptions about the proposal have caused unnecessary apprehension among the state's vocational nurses."

THE MEASURE, SB 460, proposes seven major changes from the present vocational nursing practice act, including an updated definition of a vocational nurse. Sen. Criss Cole of Houston is co-sponsor.

Sen. Hightower said SB 460 and SB 363 were designed primarily to provide professional and vocational nurses with an effective, up-to-date practice act.

"Our hope also," Hightower said, "is to see the nursing profession upgraded to attract more young women into its ranks."

THE SENATOR said that at present only about 16 of every 1,000 17-year-old girls in Texas were entering the nursing profession. The national average is 34 per 1,000.

A special report, climaxing a year study of the needs of the nursing profession in the state, was re-issued April 10 by a Senate interim committee.

Senators Hightower and Cole were members of the panel, appointed by the 59th Legislature.

## Teacher-Coach Resigns at DHS

Roy Hunter, Dimmitt High School coach and algebra teacher for two years, announced this week he is resigning his position here effective at the end of the school year.

HE SAID he expects to leave the teaching and coaching profession, although his future plans are indefinite.

Hunter, 27, coached two years at Pampa before coming to Dimmitt High School in 1965. A 1963 graduate of West Texas State University, he has been assistant varsity football coach, and coached freshman football, B team basketball and freshman track. His freshman track team won its district this year.

"I wish to express my regret at leaving such a fine group of kids and an outstanding community, both of which possess outstanding promise of a successful and progressive future," he said.

"MY TENURE with Dimmitt High School has been a rewarding experience and a most beneficial one," he added. "The association that I have made with the students and athletes are cherished ones, and my interest and concern will certainly be with them forever. My small part in the community has been enjoyable, and the friends I have made will long be remembered."

# TORNADO Safety Rules

TO KNOW WHAT TO DO WHEN A TORNADO IS APPROACHING MAY MEAN THE DIFFERENCE BETWEEN LIFE AND DEATH!

### I If you are near a tornado cellar:

When time permits, go to a tornado cellar, cave or underground excavation which should have an air outlet to help equalize the air pressure. It should be kept fit for use, free from water, gas or debris; and preferably equipped with pick and shovel. THERE IS NO UNIVERSAL PROTECTION AGAINST TORNADOES EXCEPT UNDERGROUND EXCAVATIONS.

### II If you are in open country:

1. Move at right angles to the tornado's path. Tornadoes usually move ahead at about 25 to 40 miles per hour.
2. If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine.

### III If in a city or town.

1. Seek inside shelter, preferably in a strongly reinforced building. STAY AWAY FROM WINDOWS!
2. In homes: The corner of the basement toward the tornado usually offers greatest safety, particularly in frame houses. People in houses without basements can sometimes be protected by taking cover under heavy furniture against inside walls. Doors and windows on the sides of the house away from the tornado may be opened to help reduce damage to the building.
3. Standing against the inside wall on a lower floor of an office building offers some protection.

### IV If in schools:

1. In city areas: If school building is of strongly reinforced construction, stay inside, away from windows, remain near an inside wall on the lower floors when possible. AVOID AUDITORIUMS AND GYMNASIUMS with large, poorly-supported roofs!
2. In rural schools that do not have strongly reinforced construction, remove children and teachers to a ravine or ditch if storm shelter is not available.

### V If in factories and industrial plants:

On receiving a tornado warning, a lookout should be posted to keep safety officials advised of the tornado's approach. Advance preparation should be made for moving workers to sections of the plant offering the greatest protection.

### VI

Keep calm. It will not help to get excited. People have been killed by running out into streets and by turning back into the path of a tornado. Even though a warning is issued, chances of a tornado striking one's home or location are very slight. Tornadoes cover such a small zone, as a rule, that relatively only a few places in a warned area are directly affected. You should know about tornadoes though, "just in case."

### VII

Keep tuned to your radio or television station for latest tornado advisory information. Do not call the Weather Bureau, except to report a tornado, as your individual request may tie up telephone lines urgently needed to receive special reports or to relay advisories to radio and television stations for dissemination to thousands in the critical area.
