Public Health Association Convention

Dr. Harry S. Mustard left New York City Health Commissioner; Dr. Leonard A. Scheele, Surgeon General of the U. S. Public Health Service; and Dr. Herman E. Hilleboe, right New York State Commissioner of Health, inspect one of the exhibits at the 77th annual meeting of the American Public Health Association during its convention in New York City. (NEA Telephoto.)

DALLAS EXPLOSION IS LAID TO ESCAPING GAS

DALLAS, Tex., Oct. 26 (UP)—An explosion that blasted an apartment building into rubble, injured 14 residents, apparently was caused by an accumulation of leaking gas, witnesses said today.

Authorities said it was a miracle that none of the victims was hurt seriously as the roof tumbled down upon them last night.

Eight of the injured were children but only one, Michael Staton, 4, was in serious condition with a head injury.

The fire department began an investigation to determine the cause of the blast.

Lee Shannon, a resident of the four-family apartment unit at the Cedar Springs Federal housing project in North Dallas, said he and his wife were preparing to retire when the explosion occurred about 10:30 P. M.

"First there was a flash of flame, then the explosion blew up the whole building," he recounted. "My two-year-old boy, Richie Lee, was just blown through a window and clear of the wreckage. He was hardly hurt."

"My wife and I were buried inside the room. I dug myself out, then dug her out."

He was burned severely on the hand and leg and his wife suffered minor burns.

Shannon said he advised maintenance personnel three times recently that gas was escaping in the concrete and steel structure.

"You could smell it every time you walked in," he said.

Dr. Charles Lodowski, the only resident not home when the blast came, was on duty at Parkland and treated his wife and two small children when they were brought in.

Lester Paul Jones, who was 200 feet from the building, said he saw flames leap into the air and then heard "a terrible blast."

The roof "blew off" then dropped down and the whole building collapsed," he said.

Firemen quickly put out the fire.

Desdemona Boy Wins Award At Texas State Fair

"Butch", 875 pound fat, Shorthorn calf exhibited by Joe Ben Koonce, Desdemona 4-H Club member was awarded reserve champion of the Shorthorn Division at the State Fair, Dallas, last week, according to Ed Steele, Jr. Assistant County Agent, Eastland.

"Butch" was bred by young Koonce's father, B. O. Koonce who has an outstanding herd of registered Shorthorn cattle.

Koonce received 43c per pound at auction for Butch and received \$362.81 with a 3 per cent shrink.

Joe Ben has been active in 4-H Club circles for the past 6 years, having fed out several Shorthorn calves during this period.

He won Grand Champion steer at the Eastland County Livestock Show last March with "Frosty" another Koonce bred Shorthorn.

He also received first prize in the County Sear's Show last September with his registered Duroc Jersey gilt which he won in the Sear's Roebuck pig program.

At the present time Koonce is feeding out a white Shorthorn calf which he is heading toward the Ft. Worth Fat Stock Show in January.

Guy Warden, son of Mr. and Mrs. T. E. Warden of Eastland also had a steer in the medium weight Hereford class at Dallas.

Love's Labor Lost JACKSON, Mich. (UP)—The efforts of a lot of Michigan hens were wasted when 750 dozen eggs smashed over highway US-12 after a truck overturned.

'BAD GIRL' SANDRA ON TRIAL AS JUVENILE

SAN SABA, Tex., Oct. 26 (UP)—A 17-year-old Massachusetts girl disowned by her parents as a "bad girl" goes on trial today as a juvenile on charges of aggravated assault.

For comely Sandra Peterson today's courtroom activity may be only a prelude to more serious legal action growing out of the roadside slaying of motorist Lewis Patterson of Brady last August 25.

The tough-talking Massachusetts girl claims she is only 17 therefore cannot be tried on anything but juvenile delinquency charges until she reaches her majority in December.

Specifically, the state in today's action alleges that Sandra and a pretty 15-year-old hitchhiking companion, Loretta Fae Moringo, forced Miniford McCoy of Merkle at pistol point to drive them to San Saba after hitchhiking a ride with him at Lampasas.

Companies Hold Gas Survey Meet

At a meeting held Tuesday at noon following a luncheon at the Gholson Coffee Shop dining room employees of the Lone Star Gas Company held a gas survey meeting.

Herbert King of Dallas, chief dispatcher for the Lone Star Gas company, presided at the meeting at which measures and methods for meeting the demands of winter were discussed.

Objective of the meeting was to assure the usual efficient service through the winter months when there is a heavier demand upon service from the company.

Others from Dallas attending were T. S. Bacon, Lee Thompson, Bill Burke, John Vignini, Bill Stone, and Bob Schfield. Still others attending the meeting were Herman Dempsey, Marvin Brock, Johnnie King, Charlie Dean, W. J. Van Bibber, Archie Robinson, T. R. Sparling, Ira Wolford, Paul Langley, V. V. Cooper Jr., and James Gallagher, all of Ranger; Ben Flowers of Pueblo; Bruce Smith of Breckenridge; L. M. Cawley of Pueblo; Jack Carothers of Bradford, and Harry Owens, all of Eastland and Fred Scott of Cisco.

Burk Harrison of Gordon and Jess Haskins of Strawn.

Shivers To Call Special Session; Run For Governor

EL PASO, Tex., Oct. 26 (UP)—Gov. Allan Shivers said today in an interview he favored an omnibus tax bill and that he would call a special session of the Texas Legislature in January to provide funds for eleemosynary institutions.

The governor, here to address the regional convention of the National Rural Electric Cooperative Association, repeated an announcement he made in Mexico City last summer that he would run for governor in 1950.

Shivers recalled that Gov. Bradford Jester vetoed bills appropriating \$18,000,000 for state institutions, and said a start must be made on construction of new buildings needed by the institutions.

"We need more money," Shivers said. "A detailed study is being made. We want to do it in a business-like way."

Pupils to Fly High NEWPORT, Vt. (UP)—Vermont high school pupils will be given a chance for higher education, literally. The Vermont Aviation Trades Association announced it will give free flying lessons to two outstanding high school seniors from each of the state's 14 districts.

One-third of all the existing "saw" timber in the United States is located in the western half of Washington and Oregon.

Air Force Joins In Search For Missing Plane

DALLAS, Tex., Oct. 26 (UP)—Three C-47 Air Force planes from Biggs Field were added today to scout planes of the Civil Air Patrol and National Guard in a search of East Texas area where a light plane was reported sending out distress signals Friday night.

The plane was believed to be carrying George H. Harrington, Houston consulting geologist, and his pilot, Orville Sweitzer, Jr. on a flight from Tulsa to Houston.

Searching planes reported this morning that they had found no trace of the missing ship but with clearer weather they were able to make a more careful survey.

The search is being centered around Clarksville and Scottsville where residents had reported seeing flares dropped between 7:30 and 8 o'clock Friday night.

The Harrington plane was equipped with three flares. Two of them were reported to have been dropped about 17 miles northwest of Clarksville about 7:30 P. M. Friday and another was reported seen about 8 o'clock near Scottsville.

Food Prices Soar

NEW YORK, Oct. 26 (UP)—The Dun & Bradstreet Wholesale Food Industry abruptly reversed its decline of the past six weeks today and rose 14 cents in the biggest jump in 12 months.

The spurt boosted the index to \$5.72, wiping out half the decline which had cut the food figure from \$5.85 on Sept. 13 to \$5.57 on Oct. 11. The index made a small improvement last week, but not sufficient to signify an end to the declining trend.

Last week's gain measured only one cent, boosting the index to \$5.58. Today's increase was the largest since July 13, when a gain of 24 cents to \$7.36 was recorded.

Age No Barrier HOUSTON, Me. (UP)—Through Jeremiah Campellton is 110 years old, he still gets down on his knees three times daily to say his prayers.

Gold Rush In Alaska

One of the "residences" in the three-day-old community of Fishwheel, Alaska, is ready for occupancy. The city, 100 miles north of Circle, Alaska, is the site of Alaska's latest gold rush. These prospector tenants flew to Fishwheel from Fairbanks. Left to right, they are: Solomon Flitt; Joe Peters; Earl Hirst and Sam Gamblin. (NEA Telephoto.)

TRUMAN SIGNS BILL THAT WILL RAISE WAGES OF MILLION, HALF

Jack Frost Nips Panhandle Area

By United Press Frost in the Panhandle and rising waters along the Trinity River in East Texas dominated the weather picture today.

However, the Weather Bureau Reported the river should reach a crest of 35 feet during the afternoon at Dallas. There was little danger of floods except in lower areas.

At Dallas, the river reading early in the day was 34.3 feet and still rising. A Rosser stage forecast of 36 feet was predicted by the Weather Bureau for tomorrow afternoon. A general fall in muddy waters was forecast.

Frost seeped into the Dalhart and salt flat areas with a low of 30 degrees being recorded at Dalhart. Salt flat had 35-degree reading. Jack Frost can be expected in areas where the temperature drop within four degrees of the freezing mark, the weatherman said.

Other lows for the night included a 37 at Ozona, 38 at Junction and Amarillo. A high nightly reading of 62 was reported at Brownsville in the Rio Grande Valley.

Highest day reading yesterday was a 71 at Corpus Christi, while Dallas had a "cold" low maximum of 55 degrees.

Some rain was reported at Victoria and Texarkana, but the Weather Bureau said that generally fair skies would prevail throughout the state today and tonight, with East Texas getting some clouds Thursday afternoon.

Suit Against Humble Dismissed

AUSTIN, Tex., Oct. 26 (UP)—The State Supreme Court today dismissed a gas flaring suit against the Humble Oil and Refining Co., terming the issue "moot," but left the way open for the Railroad Commission to enforce its anti-flare gas order.

The case came to the Supreme Court on direct appeal from a decision of the 98th District Court in Austin, which ruled in favor of the Railroad Commission on May 20.

Humble was a party to suits filed Nov. 24, 1948, to restrain enforcement of anti-flare gas order by the commission.

Humble was ordered to cease flaring of gas in the Tijernia-Canales-Blucher field in Jim Wells and Kieberg counties.

However, the court said, since that time, the commission on July 25 amended its original order.

"The Railroad Commission, the Supreme Court said, has achieved the result desired by it in this case and there is now no actual controversy . . ."

Book's Rules Ignored

SPOKANE, Wash. (UP)—Two young Bible salesmen were charged with burglary here. Sheriff Ralph Smith said William M. Lowry, Detroit, and Francis E. Mefford, Holyoke, Colo., both 23, admitted breaking into the home of Lee Horner. The Bible salesmen complained to the sheriff that business had been "poor" lately.

Three Questioned In Man's Death

HENDERSON, Tex., Oct. 26 (UP)—Three men were questioned here today in connection with the fatal shooting of George Boyd Gee, 27, who died yesterday in an Overton Hospital.

Two of the men jailed by Rusk County Sheriff Gordon Strong brought the wounded "Gee" to the hospital, a gunshot wound in his left side, Strong said. The third man, he added, had been with Gee shortly before he was shot.

The sheriff said he recovered a .44 caliber pistol from one of the three men.

It was believed that Gee was shot while seated in an automobile. He lived one hour after reaching the hospital.

Name Too Apt DENVER (UP)—The list of names disqualified for the job of Colorado liquor law enforcement officers included that of Ryland A. Drinkwine.

"THE ROCKET" Is Easy On The Pocket Osborne Motor Co. Eastland

Well... G. Dunno, But...

Ranger just missed a frost by a narrow margin this morning but if that dew had been frost it would have been a whopper. It was so heavy that it almost looked like frost anyway.

Incidentally, speaking of the weather, we had the lowest minimum temperature of the season during the night. It hit the 38 degree mark, and at 8 o'clock was only 41 degrees. Highest for Tuesday was 63 degrees.

This taken from the Scottish Rite Herald strikes us as being right good philosophy.

WHAT IS YOU Don't make no difference what you do

Or how much trouble you been through? Or how much credit you can take, Or how much money dat you make —You am only what you is.

How high you ride don't matter much, Or clothes or big words and the such, As in de public place you roam It's how you act when you're at home

—You am only what you is. To cry on Sunday in de Church Dem leave de needy in de lurch, Or sing de loudest voice what's there

When in your heart you doesn't care —You am only what you is.

You help folks be misunderstood, But dat don't mean dat you is good—Pretending wid eyes to Hab'n and sighs

While you am out a-spreading lies —You am only what you is.

You'd better git religion, man, De kind what good folks understand

If all de good's in what you're doin' De world am facing certain ruin —You am only what you is.

Be fair and try to understand Dat there am good in every man, Dis judging others am too hard, You'd better leave dat job to God, —You am only what you is. —Vesey.

Plans All Set For Barbecue

Those in charge of the barbecue to be given Thursday night at the Ranger Country Club stated today that plans are all complete and that about 900 are expected to attend.

Members of the ticket committee stated this morning that the sale of tickets met with better response Tuesday.

The program opens with a band concert at 6:30 o'clock and the supper will be served shortly afterward. If the weather permits the supper will be served in front of the clubhouse and if the weather is bad it will be served inside. Chairs will be set up outside the clubhouse for the comfort of the guests.

Morris Newnam of the Frozen Food Co. is serving the supper and all of the drinks are being furnished by M. L. King of the Dr. Pepper Bottling Company.

Delbert Downing of Midland will give a short humorous address after the supper and other features of the program will be announced tomorrow.

Traffic Worst Hazard CHICAGO, (UP)—The National Safety Council reports that motor vehicle accidents are the principal cause of accidental death among teen-agers and young adults. Drowning, burns and falls are next in that order.

AS The Sideline Sees It

as the side sees it JACK C. Ranger's football this week is all away from home but from what we hear both the college and high school teams will have a sizeable following to the game.

Ranger Junior College goes to Clifton tomorrow night for a conference game and should come away the victors. The improvement that the Rangers have shown in the last two games if carried into the Clifton game should give the edge.

But the Bulldogs have a tougher row to hoe Friday night at Hamilton. Hamilton promises to be the most formidable team that the Bulldogs have faced this year and they'll have to turn loose some real football tricks to pull that one out of the bag.

However, Hamilton is the lightest team that the Bulldogs have faced this year. They have averaged 27 points per game while Ranger has averaged 22. Hamilton has allowed an average of only seven points to opposing teams while Ranger has allowed 10 1/2.

Ranger and Hamilton are admittedly the contenders for District 8-A championship and this in itself will add spice to the game.

The Bulldogs cheer leaders and high school students want some help in singing the Alma Mater song. And they believe that the reason they do not get more help is because people don't know it. So they have asked you to print it so that you may clip it out of the paper and carry it along to the game Friday night.

And here it is:
Hail! to the Bulldogs.
Hats off to you.
Ever you'll find us Loyal and true.
Firm and undaunted Ever we'll be.
Hail! to the school we love.
Here's a toast to thee.

High Scorer

Randall Clay, senior right halfback for the University of Texas is the leading scorer in the Southwest Conference. He has compiled his impressive total with good, hard ball-carrying and accurate kicking on placements. A great competitor and a clutch player, he is a leading all-conference candidate. He is from Pampa.

Coaches stated today that the starting lineup for the Ranger-Clifton game will likely be the same as against Howard County last week with one exception. T. K. Hardy may start at right guard instead of L. Williams but this is not certain.

Here's the way it was set up last week:
If Ranger receives the ball in the Thursday game the starters will likely be LE D. Jones, LT J. Jones, LG, C. Neal, C. Joe Neal RG, L. Williams; RT, G. Boynton RE, H. Frasier and backs, Barrett, Ford, Crawley and B. Williams.

But if Ranger has to kick off there will be some changes. In such a case, C. Neal will play LE D. Jones will be at LT; Knapp-enburger will play LG; J. Jones will be at RT and Boyd at RE. Backs will be Ford, Crawley, McWhorter, B. Williams and Chessir.

If you haven't seen the Ranger High School girls play basketball you should. They are a bunch of peppy, fast moving players and are just as trim and attractive as can be in their pretty maroon suits.

Walnuts Found Nutritious
BERKELEY, Cal. (UP)— Dr. Agnes Fay Morgan, home economist and food technologist at the University of California says walnuts contain on the average from 14 to 16 per cent fats, two per cent ash, and from three to five per cent water.

Spotlight On Dalhart-Hereford Game This Week

By ED FITE
Unite Press Sports Writer

The eyes of Class A schoolboy football followers will be on the Panhandle for the second straight week end this week as Dalhart meets Hereford in the No. 1 contest among an even dozen top-flight games on the card.

Five of the 12 big games will, for all intents and purposes, decide district or sub-district titles, while the others could have a big bearing on their respective races.

The games at Hereford matches undefeated, untied teams with the winner almost certain to win the 1-A title and advance far in the state race. Hereford, scored on only in one game this season, will attempt to turn a trick the potent Phillips Blackhawks failed to accomplish last week.

Dalhart rolled over the Blackhawks 39-20 last Friday night, but Hereford kept its undefeated, untied pace with a 32-0 win over Perryton. The winner of Friday night's contest at Hereford was expected to win 1-A and go far in the state race.

Other decisive games on tap will send Ballinger to San Angelo and to play Saturday against Texas. Multiple bruises kept several first-stringers away from yesterday's practice.

Wondering who could fill the Walker slot now that Payne is maimed, Bell said, "I wish I knew."

Glimpses At The Southwest Grid

By United Press
FORT WORTH, Tex., Oct. 26 (UP)—Coach Myer claimed to have found "a secret weapon" today for use Saturday against the undefeated Baylor Bears.

"But I'm not talking about it," he added quickly.
The "weapon" was tried out yesterday during the Texas Christian scrimmage, which also was devoted to passing practice.

AUSTIN, Tex., Oct. 26 (UP)—The Texas Longhorns were due today an intensive defensive workout against Southern Methodist plays they will encounter Saturday in Dallas.

Coach Blair Cherry put the team through offensive practice yesterday.

DALLAS, Tex., Oct. 26 (UP)—Replacement quarterback Frankie Payne, suffering a broken hand, added to Coach Matty Bell's headaches today as the Southern Methodist mentor counted his team's injuries.

All-American Doak Walker was still hospitalized and not scheduled to play.

against Waka View High in a 7-A title affair, Ranger to Hamilton to settle the 8-A dispute, Henrietta to Bowie to a 10-A battle of the leaders, and Franklin to Mexia to settle the supremacy squabble in 20-A west.

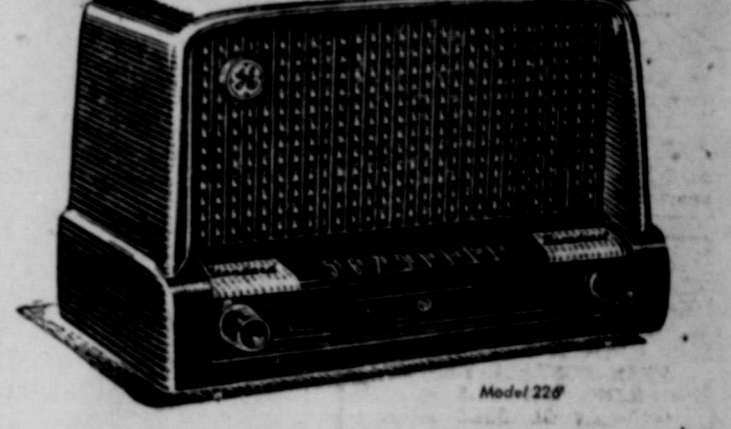

More than 200,000,000 packages are transported annually to all parts of the United States by 10,000 daily trains over 196,000 miles of railroad from 23,000 offices of the Railway Express Agency.

BULLDOGS FACE TEST OF SEASON AT HAMILTON

The crucial test for the Ranger Bulldogs, with District 8A honors at stake, will be staged at Hamilton when the Bulldogs meet the Hamilton High powerhouse Friday night. Both teams have lost one early season game, and Hamilton will be out to avenge the defeat they suffered last year from the Bulldogs.

Hamilton's 195, pound fullback, Rusty McCollum will be leading the crew. McCollum has blasted his way for plenty of yardage and plenty of touchdowns this season, to be one of the leading class A backs of the state. Fleet-footed James McKie, shifty and runs like the wind, will be in to give his line mates any needed help. The line, though not excessively heavy has proved to be very powerful.

The Bulldogs' smooth T-formation, under the guidance of Buddy Hamrick, has proved very efficient in all games, but with everything considered will more than likely use every trick in the bag. The Bulldog line has proved to be an almost impenetrable wall allowing only an average of 10.5 points per game during the season, to be scored against them. While they have cleared the way for the Bulldogs back to average 22 points per game. The Bulldogs will be in top physical condition for the fracas Friday night, barring any injuries the rest of the week.

Coches Onis Warden gave the lads tough workouts Monday and Tuesday, on both offense and defense. The defense workout was

LF: English, CF: Morris, RG: Mitchell, RG: Whately, LG: Scott, LG and Henry, CG.

against the Hamilton formation, unbalanced line with double wing, run by the second string. They looked mighty good and seemed in good spirits, which means a lot in winning a ball game. Coach Warden said the Hamilton crew was a tough outfit and looked for a close game and a hard fight.

And by the way, if you haven't realized it, the game Friday will be the top class A game in the state. Ranger and Hamilton are rated two of the top powers in the state class A competition. The outcome will be anxiously watched by other class A teams and coaches. These Bulldogs are fighting' outfit with the determination to win. Show them you want them to win, back them all the way, and be present at the game Friday night.

The Bulldogs starting line-up will remain the same unless some injury acquired late this week should hamper one of the starters. Hamilton's starting line up probably be as follows:

Pos	Name	Wt.
LG	74 Sinton	155
LG	78 Gautier	160
C	61 Douglas	160
RG	64 Rost	160
RT	71 Allen	190

Special Match Results

Ranger bowlers journeyed to Brownwood for two Special match es, and when the shooting was over, the result was still a tie. The "A" team went down to defeat by a 106 pin margin, while the "B" team won their match by 65 pins. Richard Bonney was high for both teams with a 200 game and 569 series, followed by Ted Babain's 552 total. Next in order for Ranger were Jim Christy with 541 and Rollie Kenney with 528. For Brownwood, Snyder led with 211 and 541, Red Herring participated in only two games, but scored games of 211 and 199. Hilbert was next with a 516 series. A return match between the same teams is scheduled for Sunday, November 6 at home.

Several of the ladies made the trip with the men, and engaged in an informal match with the Brownwood Ladies. Lazelle Johnson and Joan Kenney led with 457 and 541, respectively. For the Brownwood Ladies, Mrs. Snider was high with 485.

Bowling Briefs

The high spots of the weeks bowling activities were Gruber's Bush's 236 game and Ann Loper's 195 game, only 5 points away from the coveted '200' game. Grub, at 12 years of age is the youngest bowler to make the Honor Roll. His score was registered as a pin boy, else he would have topped all men's scores for the week.

Azzatte Joseph again outscored all contestants with a 234 high for the week. This is getting to be a habit with the man. For the Ladies, Ann Loper's 195 was top. Followed by Audrey Rose's 175. Carolyn Babain led the Gals with 139, and Jim Cole was high for the Boys, with 202. Willis Clarke Jr. made his initial entry on the Honor Roll with his first '200', a nice 205.

HONOR ROLL

MEN
Azzatte Joseph — 234-220-213-205
Frank Oakley — 206
Willis Clarke Jr. — 205
Jim Christy — 204
Jimmy Cole — 202
LADIES
Ann Loper — 195
Audrey Rose — 175
Petey Babain — 156

BOYS

Jimmy Cole — 202

Hear Evidence In League Squabble

AUSTIN, Tex., Oct. 26 (UP)—Evidence in a reported violation of Texas Interscholastic League rules by New London and Glade water will be heard by the League today.

The TIL said it had been informed that B teams of the two schools had played football against ARP, suspended last January because of failure to submit "correct and complete" information in certifying player eligibility.

The alleged violation is substantiated, both the offending schools may be suspended from

football play until 1951.

The TIL State Executive Committee, in a session at 2:15 P. M. today, will hear officials of the two schools and make a ruling.

Speaking on the Subject of Quality

... it is always an appreciative compliment when so many of our customers tell us they like our abstracts. They must for many of them have been doing business with us for more than a quarter of a century and still are. There is no secret attached to this expression of confidence. A quality product produces confidence. And we are proud that we have both—the confidence of a host of customers and a quality product to sell them.

Club Meets With Mrs. Pickrell

Mrs. E. E. Crawford was in charge of the program when the Columbia Study Club met Tuesday afternoon at 3 o'clock in the home of Mrs. David D. Pickrell.

Mrs. Crawford presented Jo Oyler who reviewed Taylor Caldwell's book, "Let Love Come Last."

In a business session at which the president, Mrs. L. R. Pearson, presided, it was announced that the next meeting of the club will be held in the home of Mrs. McLaughlin and Mrs. W. L. Downtain will present the program.

At the close of the program, refreshments were served from a lace covered table decorated with a harvest arrangement of fruits and flowers. Mrs. Crawford presided at the silver coffee service.

Those attending were Mrs. M. E. L. Kng, J. E. Matthews, Pearson, E. L. McMillan, Crawford, James P. Morris, Downtain, McLaughlin, P. M. Kuykendall, Joan Ducker and Miss Oyler.

1947 Club Has Meeting Tuesday

The regular meeting of the 1947 Club was held Tuesday night at 7:30 o'clock with the president, Mrs. Joe B. Scott, presiding.

In a business session a gavel was presented to the club, a gift from Mrs. A. W. Brazda, one of the organizers of the club. The gavel was made from a 30-year-old cedar from the J. S. McDowell ranch and was made by the Smith brothers of the West Texas Vocational School.

The program was directed by Jo Oyler who conducted a parliamentary drill.

Choir, Juniors To Be Entertained

Member of the Vesper Choir and Junior Department of the First Methodist Church will be entertained at a Halloween party at the church Thursday night from 7 o'clock to 9 o'clock. All members are invited to attend.

Lone Star Ladies To Meet Thursday

The Lone Star Ladies Club will meet Thursday afternoon at 2 o'clock in the club room at the Lone Star Producing office and all Lone Star ladies are invited to attend.

WMS Meets Monday Afternoon At 3

The Woman's Missionary Society circles met Monday afternoon at 3 o'clock at the church for Bible study.

Mrs. Fred Moeller offered the opening prayer after which Mrs. David C. Ham directed the Bible study on the subject "Fruits of Love."

Twenty members of the society were present for the meeting.

Fellowship Club Meeting Tonight

The regular meeting of the Fellowship Club of the First Methodist Church will be held tonight at 7:30 o'clock at the church.

A supper will be served after which a program will be presented.

No Harm Done
STEEEN, Minn. (UP)—A tornado smashed through this town 16 years ago and took with it a good share of the William Funk home. Mrs. Funk lost her wedding ring. She has it back now, though. She turned it up as she dug in her garden. It was unharmed by 16 years in the ground.

CARD OF THANKS

We wish to express our sincere appreciation and thanks to our many friends for their kindness during the death of our husband and father. Also for the beautiful floral offerings. May God's richest blessings be with you always.

The Miller Family.

TEXAS News Briefs

AUSTIN, Oct. 26 (UP)—The Texas State Board of Registration for professional engineers prepared to end a three-day meeting today under the chairmanship of newly-elected E. W. Pittman of Beaumont.

Also named in a board election yesterday were Datus E. Proper, San Antonio, vice-chairman, and Carl L. Svensen, Lubbock, executive secretary.

AUSTIN, Oct. 26 (UP)—Mrs. George T. Jester of Corsicana, mother of the late Gov. Beauford Jester, accepted appointment today as a member of the state advisory committee for adoption of the poll tax amendment.

In a letter of acceptance Mrs. Jester wrote, "I heartily endorse this amendment. Beauford was interested in this and would doubt less want to see it adopted by the state."

The amendment, repealing the poll tax as a prerequisite for voting, will go before tax-payers on the Nov. 8 ballot.

AUSTIN, Oct. 26 (UP)—Potential poll tax payers in Travis County thought it over today. They had received tax notices, as usual, after Oct. 1. But yesterday county tax assessor and collector Steve Heffington warned that paying the tax now would simply confuse things.

He suggested waiting until after the Nov. 8 election to see whether the tax will be repealed as a prerequisite to voting.

"Paying the tax," said Heffington, "would be like buying a suit for \$45 today that you may get for \$35 tomorrow."

WESLACO, Oct. 26 (UP)—Donald B. Jackson, 31-year-old geologist with the State Board of Water Engineers, today was regarded as first choice for the water supervision position in the lower Rio Grande Valley.

Jackson's appointment was recommended by the Valley water conservation Association to the organization's governing board yesterday.

The board will meet Tuesday and is expected to approve his appointment.

AUSTIN, Tex., Oct. 26 (UP)—General rains have dampened down the harvest of mature crops in Texas to a virtual standstill, the United States Department of Agriculture reported today.

Some rice harvest continued despite muddy fields, but filed

Railroad Vets To Be Guests On Week-End Trip

DALLAS, Tex., Oct. 25.—For the third time in as many years, the Texas & Pacific Railway Co., will be host next month to its retired employes and veterans with 40 years or more of service for a weekend of travel and sightseeing along the line.

More than 125 persons—members of the T&P 40-year veterans and retired employes' association—will be guests of the railroad Nov. 12 and 13 for a weekend at New Orleans. They will travel from Marshall, Texas, to the resort city in a complete special train.

H. C. Kain, of Marshall, president of the association, said that invitations were being mailed this week to all members.

The association's all-Pullman special train with diner and lounge cars, will leave Marshall the morning of November 11 and arrive in New Orleans that evening. Members will sleep on the train that night, and the following day will be taken on an extensive sight-seeing tour of the Crescent City and a cruise on the Mississippi River. The train will leave New Orleans in late evening November 12 and arrive in Marshall the following morning.

Mr. Kain said that the first association trip in 1947, also to New Orleans, attracted 60 veterans while the trip last year to El Paso brought out 100.

READ THE CLASSIFIEDS

work and harvesting was retarded generally.

The rains were expected to lower the quality of open cotton. On the good side, the USDA said the precipitation would be beneficial to small grains, winter cover crops and pastures.

BAYTOWN, Tex., Oct. 26 (UP)—Howard R. Dickey, administrator of San Jacinto Memorial Hospital here for the past 18 months, has resigned effective Nov. 30.

The hospital board said Miss Louise Wilkinson, assistant administrator, would be acting head until a permanent choice is made.

The hospital has been in operation since April, 1948.
