ONE MAN'S "FLYING SAUCER"—The sketch above shows how a "flying saucer" might actually look, according to Alex Tremulis of Chicago, industrial designer. Inset is Tremulis' interpretation of the two-foot-high disc pilots reported in one recent saucer story. Tremulis believes the strange craft, reported by hundreds of witnesses, may come from another planet. "I could build a scale model of this that would fly," he said.

Rebekahs Have Social Tuesday

Members of the Ranger Rebekah Lodge No. 244 met Tuesday evening at the Odd Fellows hall for a short business meeting and open house.

During the evening games of forty - two and dominoes were played by the large group attending. Place cards and favors were the Easter motif. High score award was won by Mrs. H. E. Shipman and low score award went to Mrs. Blanche Nicols of Eastland, In a contest Mrs. Josephine Herring of Eastland was winner of a cake.

Following the games refreshments were served in the downstairs dining room where the tables were decorated with pot plants through the courtesy of Peterson Floral Company and Strong's Flower Shop.

Seven visitors from the Gorman lodge attended the party. It was announced at the meeting that meetings will be held at o'clock and members are asked to keep in mind the change of time. Plans will be made soon to attend the Oil Belt Association meeting of the IOOF and Rebekahs to be held in Breckenridge
