## Yugoslavia, Berlin Show War Tension

BELGRADE, Yugoslavia, July 12 (UP)—The Yugoslav press said today that motorized Bulgarian army units in battle array were marching toward the Yugoslav frontier. Romania and Hungary also were reported by the press to be taking emergency measures in their border areas. Reports circulated today that the heavily-armed Soviet-sponsored East German Peoples police were being groomed for duty in Korea.

The Communists denied the reports.

The American sector newspaper Berliner stadblatt said relatives of men on the 50,000 man, tank-equipped police force had not heard from the "policemen" for 10 days.

The newspaper said queries to police headquarters regarding individual members brought replies of "he is in good health" and "on special duty" and "you will get mail from him soon through our office."

The charges against Marshal Tito's cominform neighbors were circulated by the official news agency Tanjug less than 24 hours after Yugoslavia banned travel to frontier areas without special permits.

Tanjug said Romania had imposed a curfew on that side of the frontier, and Hungary had created a virtual state of emergency in the border regions.

The agency quoted the Communist organ Borba as saying the cominform was "whipping up a war psychosis" among the Bulgarian, Romanian and Hungarian people.

WASHINGTON, July 12 (UP)—A temporary restraining order delaying a Civil Aeronautics board decision on the sale of American Overseas Airlines to Pan American World Airways was issued in federal court today.

AUSTIN, July 12 (UP)—A young American mother, shoulders defiantly squared, said today Americans in Korea cheered the news that "President Truman was at least calling the Red's bluff."

## US Navy Looks For Subs Near Panama Canal

PANAMA CITY, July 12 (UP)—The US Navy is investigating reports that unidentified submarines have appeared in waters off the Panama Canal.

Rear Admiral Edward W. Hanson, commandant of the 15th naval district in the Panama Canal zone, said that so far the Navy had not been able to find any submarines in the area.

One unofficial report said American planes had sighted a submarine yesterday and could have bombed it.

Hanson refused to comment on any aspect of the reports beyond saying that "the Navy has received reports of unidentified submarines near the Panama Canal." Hanson said similar information had been given to authorities on various occasions throughout the past two years "and in particular during the past three weeks."

He added that these reports placed the unidentified submarines on both the Atlantic and Pacific sides of the canal.

"The Navy is constantly on the alert," Hanson said.

Last week a widespread search was conducted off the coast of Florida following a report that a submarine had been sighted there.

## Ranger Wins At National Highway Meet

Bulk Of Membership Dues To Stay Home

The Ranger Highway 80 Club pushed over its most important resolution at the national convention held at El Paso.

The resolution calls for the bulk of membership dues to be held in the local and divisional highway organizations.

This means, a spokesman for the club said, that the Ranger club can now pay for the cost of the highway sign at Weatherford through the organization. The sign advertises the stretch of US 84 from Weatherford through Ranger and further West.

C. S. Kerr, local tourist court operator and Ranger representative at the national convention will make a detailed report to the membership Friday.

A meeting of the membership has been called for 8 p. m. Friday in the Blue Room of the Gholson Hotel.

All who are interested in the development of the highway are being urged to attend the meeting.

## Simpson Blanks Rising Star 6-0

Billy Simpson allowed Rising Star only six hits as the Ranger softball team blanked the visitors 6 to 0.

Simpson struck out 14 batters, Seymour, back in form, furnished Ranger some heavy hitting, socking one homer far over the right fielder.

D. C. Arterburn accounted for the only extra base hit with a three bagger.

The Ranger Junior team lost a close game to Eastland, 10 to 9. The Ranger Junior team will play Gorman here Thursday. See inside for box score.

## North Koreans Have Only 13 Miles To Go To Reach Taejon Base

By Earrest Hoberecht  
United Press Staff Correspondent

TOKYO, July 12, (UP)—Massed Communist tanks and infantry hurled U. S. forces South across the Kum river today—last natural defense barrier guarding Taejon.

The smashing offensive by 80 tanks and up to 75,000 Red troops rolled back the entire American - South Korean line on the Western and Central sectors of the Korean front four to 10 miles.

At some points, the North Koreans were believed only 13 miles from Taejon, the provisional capital of South Korea. Artillery fire was heard in the capital.

The North Korean government radio broadcast a wholly unsubstantiated claim that Red forces surrounded an American infantry unit on the North bank of the Kum river yesterday and killed more than 700 troops.

Another 500 Americans were captured, along with four tanks, more than 1,100 automatic rifles, several anti-tank guns and other war booty, the Pyongyang broadcast said. Fifteen tanks and five armored cars were claimed damaged.

It said the battle occurred South of Chochiwon, 20 miles North of Taejon, and added: "People's army units which broke through the American defense line are continuing to advance Southward."

Gen. Douglas MacArthur's headquarters made no comment on the enemy report. However, observers recalled that Pyongyang broadcasts frequently are exaggerated and often entirely false.

MacArthur announced the American withdrawal South of the 200 to 250 yard wide Kum river in his afternoon communique, but gave no details.

However, a headquarters spokesman confirmed the loss of Chochiwon and said the retreat to the South bank involved the main U. S. forces from Chichiwon to Kongju, 14 miles to the Southwest.

Some Americans still may be fighting on the North bank of the Kum in that area, he said, but probably not more than delaying and patrol action.

Other Americans are giving support to South Korean forces in the Chongju area of the North bank, some 18 miles Northeast of Taejon, he said.

## Commissioners Put Wright On Regular Basis

City commissioners voted last night to put Jake Wright on the regular payroll of the water department. Wright has been working for the city on an hourly basis.

The commissioners also approved the monthly bills at the regular meeting.

Decisions on the purchase of a second hand motor for a city-owned Ford pick-up truck, and to purchase some bonds with sinking fund accrual were delayed until next week's meeting.

## Texas Electric Puts In Radio Dispatcher

The Texas Electric Company is installing a car to dispatcher radio system.

Through the use of the system the District dispatchers office or the district superintendent's office will be able to talk directly to trouble shooters and construction crews.

The radio system will speed up the handling of trouble and general line operations.

# Rodeo Edition Features History

The city fire department will probably complete decoration of Ranger for the Jaycee rodeo this week end.

The Jaycees have scheduled a work party at 7:30 p. m. tonight at the rodeo grounds to complete the repainting of stands and repair of fences and gates.

A motorcade to advertise the rodeo in neighboring towns will leave here at 8 a. m. Saturday morning. Final arrangements are being completed.

## Ranger Group Attends Meet

A group from Ranger attended the associational workers conference at the New Hope No. 3 Baptist Church Tuesday. Rev. H. D. Blair, missionary, presided. Pastors who spoke on the program were: Reverends D. C. Ham, and Jasper C. Massey of Ranger, Clifford Nelson of Oden, and Rev. John Foster of Caddo.

The annual meeting of the Cisco Baptist Association will be held the second week in September in Ranger.

Mayor Price Crawley finds this one of the pleasanter duties of his office. Here he is welcoming two beautiful rodeo enthusiasts to the big four-day celebration that gets under way in Ranger on July 19. On his left is Mrs. Helen Bradford, a top cowgirl in anybody's rodeo. On the right is pretty Betty Milton Underwood. Without adjectives, our news source reports that's Price in the middle.

being completed for a parade at 4 p. m. next Wednesday which will open the big four-day round-up.

The Ranger Times has printed a special rodeo edition for distribution throughout this area.

The special edition, which was made possible by Ranger businessmen and others in this area, will contain a complete digest of Ranger and Eastland county history.

It will also carry rodeo pictures, a special Rambler's colym and other features by well-known county writers.

The Times staff designed the special edition to help newcomers in this area become better acquainted with its history and to allow old timers to renew acquaintances.

The rodeo will feature such stars as Don Wilcox, Mitty Lucas, Ruth Mariani and Shivers Johnson.

Tex Gouldy's Texo Hired Hands will participate both in the rodeo and play for American Legion sponsored dances.

Two scrambles for 4-H club boys and Future Farmers will be part of the celebration.

## Fans Tear Into Strategy Used In All Star Game

By Ed Sainsbury  
United Press Sports Writer  
CHICAGO, July 12 (UP)—Sec-  
ond-guessing baseball fans today  
tore into the strategy used by rival  
managers Burt Shotton and  
Casey Stengel in the 17th annual  
all star game, but the dour, vic-  
torious Shotton answered that home  
runs eliminate any need for ex-  
planations.

Shotton's National League  
squad triumphed, 4 to 3, in 14 in-  
nings, in the first overtime match  
of the 17-year-old series. Both  
the chance for triumph and the  
win itself came on four-bagger  
belts by Pittsburgh's slugger  
Ralph Kiner and the St. Louis  
Cardinals' Red Schoendienst.

Kiner, first man to bat for the  
winners in the ninth inning, slam-  
med his second all-star game home  
run into the upper left field deck  
to tie the game. And only that  
blow kept the American League  
from garnering its 13th triumph  
in regulation distance.

It also set up five extra in-  
nings of play which finished when  
Schoendienst blasted a same-two  
pitch into virtually the same spot  
in the left field stands, jammed  
nearly to capacity with a record  
paying crowd of 46,127 fans.

The Schoendienst blow finished  
the junior circuit nine, and Teddy  
Gray, slender Detroit southpaw  
who served up the pitch, was charged  
with the loss in his first all  
star effort.

The second guessers rapped  
Stengel for pulling out Boston's  
left fielder Ted Williams, first  
baseman Walt Drope, who had  
hit a triple and another long ball  
which nearly went for the circuit  
and second baseman Bobby Doerr.  
Tom Di Maggio replaced Will-  
iams and while his fielding was  
satisfactory, he went hitless. Fer-  
ris Pate, Drope's replacement, had  
a single, but didn't hit for Drope's  
distance. And Gerry Coleman, who  
supplanted Doerr, not only made  
what might have been a vital bob-  
ble infield, but went hitless.

Stengel was also criticized for  
yanking his own catcher, Yogi  
Berra, for Cleveland's Jim Hegan  
because the latter struck out three  
times.  
Shotton was criticized only for  
his use of the Philadelphia Phil-  
lies' top relief hurler, Jim Kon-  
stanty. Konstanty appeared in the

sixth inning, struck out two bat-  
ters and made the third ground  
out.  
"Who wants to know?", Shot-  
ton growled when asked why he  
didn't let Konstanty go more than  
one inning. "I just had him in  
there to finish up (Don) New-  
combe's three innings."

Shotton had another answer,  
other than the home run blasts  
which won for his side. His next  
two hurlers, the New York Giants'  
Larry Jansen and Cincinnati's E-  
well Blackwell, were the top pit-  
chers in the game, with Jansen  
the standout.

The Giant right hander went  
five innings, one short of Lefty  
Gomez' all star game record, giv-  
ing up only one hit and striking  
out six. Blackwell, who was cred-  
ited with the win in his second  
all star appearance, went three  
innings, granting one hit and  
striking out two.

Robin Roberts, the National  
League starter, gave up one run  
when Washington's Cass Michaels  
got a ground rule double, advan-  
cing on Phil Rizzuto's bunt, and  
scored on George Kell's fly. New-  
combe gave up two counters as  
Bob Lemon walked, Larry Doby  
doubled, and Lemon scored on an-  
other Kell fly while Doby counted  
on Ted Williams' single.

The National League's first two  
runs came off starter Vic Raschi  
in the second when Jackie  
Robinson singled, scored on Enos  
Slaughter's triple, and Slaughter  
came home on Hank Sauer's fly.

## Lamotta Will Have Doctor In His Corner

NEW YORK, July 12 (UP)—  
With a physician in his corner,  
unpopular Jake Lamotta of New  
York will attempt his first de-  
fense of the world middleweight  
crown—the ring's "Jonah" dia-  
dem—against handsome, young  
Tiberio Mitri of Italy, Europe's  
best 160-pounder.

In the white glare of Madison  
Square Garden's ring lights, stocky,  
bull-shouldered Lamotta will try  
to keep the hoodo title that brought  
bad luck and untimely death to  
Marcel Cerdan, Vince Dundee,  
Tiger Flowers, Harry Greb, Billy  
Papke, Stanley Ketchel and Kid  
McCoy.

Lamotta was favored at 7-5  
because he is champion, because  
he is so rugged he never was  
knocked off his feet in 93 pro-

## Ranger Rambling

"A Houston candidate for the  
state legislature today threw the  
book at the Red Front in Texas,  
asking Gov. Allan Shivers to call  
a special session to outlaw Com-  
munist and to subject proto-  
spunks if Communism to the  
death penalty."

That is the lead to a United  
Press story today.  
And very possibly this candidate  
is sincere—and is not seeking  
votes and publicity on a safe  
issue.

I picked this story to start today's  
column only because I think it  
so graphically illustrates the tech-  
nique by which the American pub-  
lic has been played for suckers.

Today American boys are dying  
in Korea because we have allowed  
politicians to drag red herrings  
across the face of every American  
newspaper, across the floor of  
Congress, across clear, statesman-  
like thinking.

And the result is a smell much  
worse than the smell of any her-  
ring. The smell is of blood, of  
death, or gangrene.  
And those smells should sicken  
us so thoroughly that we will no  
longer allow red-baiters, union  
baiters or capitalist baiters to  
mislead us so that they can sluff  
off their responsibility while we  
are blinded by prejudices.

I don't know who was responsi-  
ble for getting us into a cold war  
with Russia in the first place. I  
don't know whether it was Stalin,  
Roosevelt, Churchill or some other  
politico of lesser note in Russia,  
England or the United States.

I don't know whether a mili-  
tary clash was inevitable between  
the United States and Russia in  
professional fights, and because he  
has a withering body attack that  
wears down most opponents.

But his personnel physician, Dr.  
Fillipo Buroni of the Bronx, will  
be in Jake's corner because the  
"Bronx Bull", at 29, has gone  
through a difficult ordeal in par-  
ing down to the 160-pound limit  
for the first time since he won  
the title from the late Marcel  
Cerdan at Detroit, June 16.

responsibility for this present de-  
bacle.  
Neither am I advocating that  
we shield our heads in the sand  
while the Communies spy on us and  
sabotage our industry. A spy is a  
spy and there is all the precedent  
in the world to back him up a-  
gainst a wall and shoot him down.  
But at the same time I do  
fall for the sucker play of some  
politicians allow ourselves to be  
mouse-trapped into a witch-hunt,  
that destroys all criticism of eter  
the military, the Administration,  
the Republican party, the Southern  
Democrats, Labor Unions, Big  
Business or Small Business, we  
might as well tell Stalin and  
company to come on over and  
start running this country.  
If criticism becomes impolitic,  
we will have renounced our in-  
heritance from Samuel Adams,  
Washington, Jefferson and Thom-  
as Paine. If we destroy democracy  
at home, we will not only have  
nothing to fight for—we will not  
even be able to fight and win.

### LET'S GO FISHIN'

By Onous Dick

### By Onous Dick ANTELOPE SEASON SET FOR OCT. 10

Details of the fall antelope shooting season authorized for October 2 to 10 inclusive, by the Game, Fish and Oyster Commission, are being worked out, according to the executive secretary.

The final number of permits to be issued will be determined after results of the present antelope survey in the area west of the Pecos are compiled.

The executive secretary said the number of special permits, which cost \$5 each, probably will be less than the 702 permits issued in 1948, the last season that antelope were hunted legally.

The total bag that year of male antelope was 629. The executive secretary explained that more than 90 percent of the hunters usually get their antelope.

Hunters again will make their application to the Game Department in Austin. Then, because the number of applicants usually exceeds the number of available permits, drawings are made to designate the lucky nimrods.

Present plans are to continue the arrangement whereby persons sending in their \$5 and being assigned a permit, may notify the department if they find they cannot make the trip so that their places may be taken by hunters who lost out in the drawing.

The hunt is arranged in three-day periods so that the concentrated game warden may closely supervise the shoot. The overall hunt covers from 30 to 35 ranches.
