## Hunting Season Only Half Over But 150 Americans Have Died In Accidents; Firearms Cause Most

By United Press  
More than 150 Americans have died in hunting accidents this year with the open seasons on game only half over, a United Press survey showed today.  
The accidental death toll was about half that of last year but conservation officials said it probably would equal the 1949 toll by the time the seasons close.  
Firearms, as usual, caused the greatest number of deaths.  
At Mackinaw City, Mich., 14-year-old James Strasser was killed instantly yesterday when his father mistook him for a deer in the brush. His death was the first in Michigan as 400,000 hunters took to the woods for the opening of that state's deer season which last year claimed 25 lives.  
A New York hunter was killed when he used his loaded gun to club underbrush while flushing game.  
In Illinois, where most hunting seasons opened last weekend, a hunter shot himself to death when his gun discharged as he clubbed a rabbit he had wounded.

blast hit Miss Waltezing in the hip, exploding a shotgun shell in her pocket. She was wounded fatally.  
Many hunters died of heart attacks brought on by over-exertion and excitement while on the hunt. One heart victim was Aivin Anderson, Washington State director of fisheries.  
A Kentucky resident was crushed to death when a rock fell on him as he dug into a cave where a fox had taken refuge from his dogs. Two Utah hunters were carried to death when their horses fell over a cliff.  
The National Safety Council urged apertments to take special precautions for the remainder of the season, warning them to be wary of their firearms and to avoid exhaustion.  
Mos, victims, the council said, are between 15 and 20 years old. Many fatalities occur when the hunter is running or climbing over obstacles.  
Washington State reported the greatest number of hunting deaths, 19, so far this year. That was one more than the state's toll last year. Colorado and Maine were second with 13 each. Wisconsin had nine and Montana eight.

Two North Dakota farmers died in similar accidents. Both were carrying shotguns on their tractors in case they spotted game while working in their fields. The guns discharged accidentally, killing them.  
A Dallas man was working in a tree when an 80-year-old hunter mistook him for a squirrel and shot him to death. Another Texan stumbled while hunting doves. His gun fired and killed his 10-year-old son. One Texas resident bumped a wasp's nest and began running from the insects. He fell, discharged his gun and died instantly.  
Charles Caine of Quincy, Ill., took his fiancée, Dorothy Wolterling hunting. They planned to be married next Saturday. Caine's gun went off accidentally and the

## Part Of Damaged Refinery Will Close This Week

PORT ARTHUR, Tex., Nov. 16 (UP)—The Gulf Oil Co., refinery will be partially shut down until early next week due to severe damage by explosion and fire, company officials said today.  
A chain of seven heavy blasts, set off in the early hours Wednesday when escaping gas went into a fire box, fatally injured one man and sent two others to a hospital.  
Firemen brought the resulting blaze under control five hours later, ending fears that gasoline distilling units would explode and "blow the plant sky high."  
M. T. Swinney, 42, died of critical burns in St. Mary's Hospital. R. T. Smith, who injured an ankle in the blast, was released from the hospital, but Francis Laurence, 49, remained hospitalized for treatment of burns.  
Gulf authorities said the plant's huge catalytic cracking unit might be in operation again by Monday or Tuesday. The unit was used in processing petroleum for aviation gasoline.

## FHA Girls Hold 1st Meet, Elect Officers

The FHA girls held their first meeting, Thursday, Nov. 9. Mrs. G. E. Beighley, sponsor gave instructions on how to lay out patterns.  
Following officers were elected: Betty Dell Gardenhire, president; Charlotte Faye Rose, vice-president; Beverly Ann Moore, secretary; Barbara Nell Brock, reporter; Glinda Jean Webb, parliamentarian; Maxine Vandergriff, song and game leader.

## BANDSMEN, FLOATS, JEEPS, NATIONAL GUARD TO MARCH

Six sections will make up the Homecoming parade which will begin at 2:30 p.m. Saturday. Bandsmen, floats and jeeps will be strung from Commerce to Austin Streets.  
Two jeeps will lead the parade which will march down Main Street out to Hodge Street. Behind the National Guard jeeps and massed colors will be the car carrying Dr. G. C. Boswell, Ranger Junior College President.

## RJC Invites Everybody To Bonfire Rally

Last year's pep rally and bonfire the night before Homecoming may or may not have had anything to do with the way the football game came out. But it was the first time that a big rally was held before Homecoming and the Rangers went on to whip Decatur, 12-0.  
Two-hundred RJC boosters let loose with yells and cheers last year and this year's rally is expected to draw more than ever Friday night at 8. The pep rally will be held on the vacant ground connecting with the airport and behind the National Guard Building.  
The rally is planned by the cheerleaders and they hope to make the bonfire send-off an annual Homecoming affair. Cheerleaders and faculty extend an open invitation to all students, exes, merchants—in fact everybody that's in town Friday—to attend the rally and help make it the biggest and noisiest victory send-off ever held.

## Catholic Women Discuss Work For Coming Year

Members of the National Council Catholic Women, Abilene Deacons, met at the Sacred Heart Church in Abilene Tuesday afternoon, to discuss the work for the coming year. A group from the Ranger-Eastland-Cisco Parish Council attended the meeting.  
Committee chairmen for the coming year were announced by Mrs. Anna Yell of Strawn, new president of the deacons. They include: Confraternity of Christian Doctrine, Mrs. Tom Wiggins of Stamford; Lay retreats, Mrs. Grady Weir of Abilene; libraries and literature, Mrs. John Osborne of Eastland; legislation, Miss Catherine Cunningham of Cisco; Public relations, Mrs. Billy J. Watkins of Eastland; War relief and social service, Mrs. E. J. Keough of Cisco; organization and development, Mrs. Ray Maddox of Winters.

Mrs. A. M. Adams of Abilene, outgoing president, stressed that the local organization affiliates with the NCCW, adding the work of the NCCW to their local duties. In addition to local work, each local organization is asked to work on lay retreats, personal sanctification, Confraternity of Christian Doctrine, and literature and libraries. It all boils down, Mrs. Adams says, to Catholic action.

## Record 52,936 Jobs In Texas For Oct.

AUSTIN, Tex., Nov. 16 (UP)—A record peacetime total of 52,936 jobs were found in Texas during October, the Texas Employment Commission reported today.  
Here is the dilemma in which India finds itself.  
Tibet is being invaded by Chinese Communists, and the Tibetan government has appealed to the United Nations for aid.  
Somewhat pathetically, the Tibetan note said it was the understanding of the Tibetan government that the United Nations function was to preserve world peace.  
India would be Tibet's natural sponsor.  
Yet India has shown no disposition to take over the job, beyond President Rajendra Prasad's words that the invasion of Tibet is a matter of "deep regret to us."

## 5 Burn To Death As Sailor Saves Girl From Fire

NEW YORK, Nov. 16 (UP)—A wounded Navy seaman back from Korea less than 24 hours risked his life today to save a 15-year-old girl from her burning home where her mother, father, and three sisters died in their beds.  
Seaman Edward Kane carried the girl from the burning frame home on Staten Island and then rushed back to save other members of the family. But he was driven back by the flames.  
The flash fire broke out in the 2½ story home while Kane was saying good night to his girlfriend who lives across the street. Kane, son of a Staten Island detective, landed yesterday by plane from the Korean war theatre where he was wounded aboard a minesweeper.  
Firemen found the bodies of George Olsen, 51, his wife, May, 41, and their daughter, Ruth, 21, Florence, 13 and Evelyn 8, in two second floor bedrooms. All suffocated.  
A neighbor reported to police he heard an explosion and looked out his window to see the 2½ story Olsen home in flames from basement to attic. But by the time firemen arrived, it was too late to save the parents and girls.  
Kane, who suffered hand lacerations, said he found 15-year-old Dorothy Olsen, bent over the still form of her father and carried her out of the house.

Next in the parade's line will be the Ranger Junior College Band leading decorated cars and floats of Phi Theta Kappa, Student Council, Sweetheart Float, Rope and Spur, The Scampede, Sophomore Class, The Debs and the Spanish Class.  
The third section will consist of the Ranger High School Band and decorated cars of Page Plumbing, Peterson Floral, Clarke Motor and a spruced-up fire truck.  
The Mineral Wells High School Band will march in front of cars representing the Girl Scouts, Art's Tool and Supply, Anderson Chevrolet Co., E. L. Martin, Betty's Flowers, Commercial State Bank and Southern Ice.  
A second out-of-town band, from Gatesville High School, will lead the way for the decorated cars of the Boy Scouts, Crawley Motor Co., Greer Boat Shop, J. C. Peeney's Banner Flower Shop and Montgomery Ward.  
The last section of the Homecoming parade will be made up of the Gorman High School Band and cars of Leveille Motor Co., Ranger Transfer and Storage, Owen Implement, Junior Chamber of Commerce and trucks of the National Guard.

Following the parade, the five bands will meet at Bulldog Stadium for a last polishing up of the unique formations they will perform at half-time of the Ranger-Weatherford football game, Saturday night.  
As campaign coordinator for the eleven National Foundation for Infantile Paralysis county chapters, Healer will work with Brown, Callahan, Coleman, Conancho, Eastland, Erath, Hamilton, Lampasas, McCulloch, Mills and San Saba Counties in their January 15-31, 1951 fund raising campaign.  
(In Eastland County Healer will work with Stanley Webb of Cisco, who has been selected as campaign director in the county. Accepting the appointment by Stewart and Krueger, Healer noted increasing incidence of infantile paralysis in Texas as a challenge to conduct a stronger campaign. By October 28, he said, Texas had 458 more cases of the disease than during the same period last year.  
The objective of the campaign, which is the National Foundation's only fund raising activity, is to enable Texas to take care of its own polio patients and pay its share of the national programs of research, epidemic aid, and professional education of medical personnel, Healer asserted. He noted that in the past three years Texas has received \$257,000 more for patient care than it has sent in to the national organization, thus having no part in these programs.

## M. B. Healer Is March of Dimes Area Chairman

AUSTIN, Nov. 16 (Sp.)—M. B. Healer, Braunwood civic leader and business man, has been appointed area campaign advisor for eleven Texas counties in the 1951 March of Dimes campaign, Ed Stewart of Abilene, and General Walter Krueger, San Antonio, announced today.

As campaign coordinator for the eleven National Foundation for Infantile Paralysis county chapters, Healer will work with Brown, Callahan, Coleman, Conancho, Eastland, Erath, Hamilton, Lampasas, McCulloch, Mills and San Saba Counties in their January 15-31, 1951 fund raising campaign.

## Billy Bonney Completes Navy Recruit Training

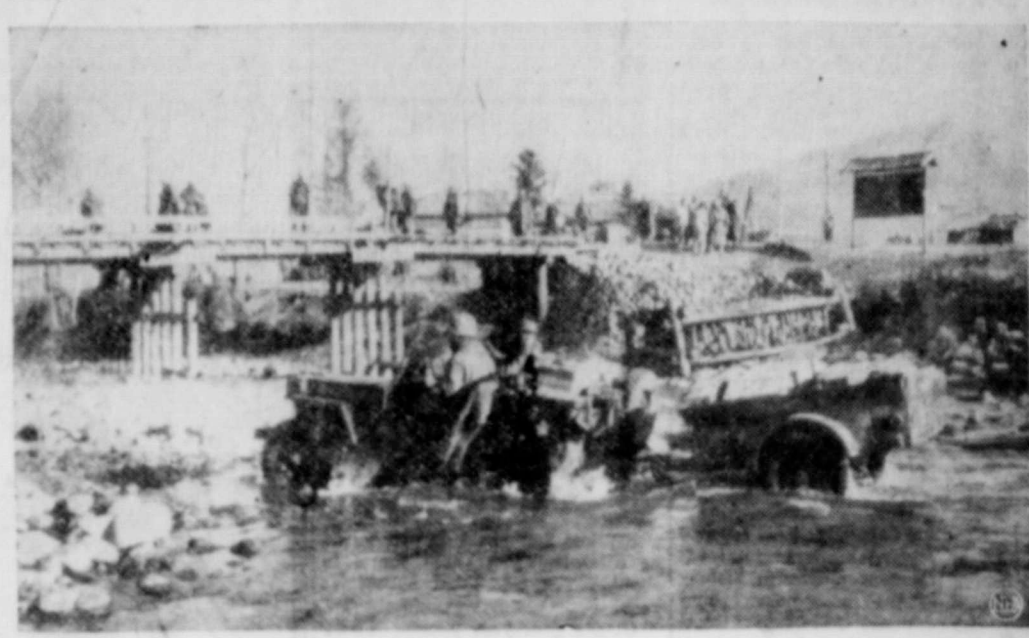

Indoctrinated into the traditions and color of naval life is Billy M. Bonney, seaman recruit, USN, of Ranger, who received his first military instruction at the Naval Training Center, San Diego, Calif., under the Navy's recruit training program.  
At San Diego, the training is designed to benefit the recruit through personal experience and by academic lectures in such diversified subjects as signaling, navigation, gunnery, basic ordnance, Navy customs and terms, and seamanship.  
Having completed recruit training successfully, he is ready for assignment to a Fleet unit on active duty, or enrollment as a student at one of the Navy's specialized service schools for further training.

## INDIA SOON WILL HAVE TO DECLARE ITS HAND AGAINST COMMUNIST AGGRESSION; TIBET INVASION POSES SERIOUS THREAT

By Phil Newsom  
United Press Staff Correspondent  
It looks as if India, like an unhappy poker player, soon will have to declare itself or throw in its hand.  
Events are closing in. And India is having more and more trouble maintaining its role of moderator between east and west. Clincher is the situation in Tibet and the Nationalist invasion of Nepal, both with strong economic and cultural ties with the government of Prime Minister Jawaharlal Nehru.  
Here is the dilemma in which India finds itself.  
Tibet is being invaded by Chinese Communists, and the Tibetan government has appealed to the United Nations for aid.  
Somewhat pathetically, the Tibetan note said it was the understanding of the Tibetan government that the United Nations function was to preserve world peace.  
India would be Tibet's natural sponsor.  
Yet India has shown no disposition to take over the job, beyond President Rajendra Prasad's words that the invasion of Tibet is a matter of "deep regret to us."  
The reason for India's reluctance may lie in the situation in Nepal, independent state sandwiched between India and Tibet high in the Himalaya Mountains.  
Nepalese Nationalists invaded Nepal, with the Indian border as a springboard. They want to overthrow Nepal's hereditary prime minister.  
Meanwhile, Nepal's king, deposed in a bloodless palace revolution, fled to New Delhi and was welcomed warmly by Indian officials.  
Any move on India's part in the United Nations in behalf of Tibet might bring instant retaliation from Communist states in the form of charges that India itself indirectly was sponsoring aggression in Nepal.  
No one has questioned Nehru's sincerity nor his hatred of violence.

## Anti-English Note Sets Off Egypt Riot

CAIRO, Egypt, Nov. 16 (UP)—A pro-government riot broke out today soon after Egypt demanded that Britain get out of the Suez Canal Zone and the Anglo-Egyptian Sudan immediately.  
Premier Mustapha Nahas Pasha touched off the demonstration in reading King Farouk's speech from the throne before the new parliament.  
First reports said at least 41 persons, including three police officers and 30 police regulars, were injured when hundreds of students smashed through the gates of the offices of the opposition newspaper, Akhbar El Yom.  
The paper's staff hurled bottles filled with water and sand at the students from the rooftop.  
Premier Nahas denounced the Anglo-Egyptian treaty of 1936 and said "the government will struggle without hesitation or procrastination to fulfill the nation's aims."  
The 1936 treaty gave Britain the right to keep troops in the Suez Canal Zone to safeguard the Canal.

ABILENE, Tex., (Sp.) Nov. 15—The Hardin-Simmons University freshman basketball team will play an 18 game schedule this season, Warren B. Woodruff, athletic director, announced today. Bill Scott will coach the Buttons.  
The Buttons will play nine games at home and nine on the road.  
The first game of the Buttons schedule is with Ranger Junior College, December 1.

## Pie Supper Held Tonight To Help Displaced Family

Like pie? Homemade pie? At only 15 cents a slice? Then the Methodist Church is the place for all pie-lovers. The young people of the church are holding a pie supper tonight at 7.  
Along with the pie coffee and hot chocolate will be served. Money from the pie-sell will be used to help pay expenses of a displaced White Russian family which the Cisco district of young people is bringing to live on a farm near Dublin.  
Mothers of the Methodist young people are making the pies for the charitable event.

## Young School Entertains HS With Band Music

A tonette band, made up of selected music students from Young School entertained the high school at a regular assembly program Wednesday. The class, under the supervision of Robert R. Gans, and Mrs. C. Harris, is a new idea here in Ranger. It prepares Ward School children for the Junior high and high school band program, and is popular with both the administration and the students.  
After a short introductory message by Gans, the program was turned over to Mrs. Harris.

### Rowland Reaches 5,000 Yds. In Football Offense

ABILENE, Nov. 16 — Brad Rowland, McMurry College's half-back, brings to a close one of the most illustrious careers in collegiate football when the McMurry Indians entertain the Southwestern University Pirates here Friday night.

A possible appearance in the East-West or other all-star games is the only spot ahead of him before pro ranks beckon, as the McMurry win-loss record of 3-5 is not attracting serious attention by bowl committees.

And the pros are likely to make their bid. Last year one pro scout proclaimed him second in the nation only to Florida's Charlie Hunsinger, now with the Chicago Bears.

Rowland already has reached the 5,000-yard mark in total offense, the first player in history to attain this record, according to the National Collegiate Athletic Bureau. His total gains now amount to 5,147 yards—4,294 of it by rushing.

For the past three seasons, Rowland has exceeded 1,000 yards in total offense. He brought his total for 1950 up to 1,117 last

Brad Rowland

week, but fell short by 35 yards of attaining the 1,000 mark in rushing for the third successive year.

Over a four-year period, for 89 games, Rowland has been averaging 132 yards a game in total offense, 110 in rushing. His best nights, particularly in rushing, have been against out-of-state teams rated ahead of McMurry.

Rowland's peak night in runs from scrimmage came in McMurry's 35-19 win over Mississippi Southern this season. He scooped 211 yards, not counting a 40-yard scamper called back. It wasn't because the Southerners hadn't been warned, for he amassed 197 yards rushing against them the year before. He hit into Tulsa University for 122 yards last year.

#### We Ask That "Fares" Play Fair

Judge Cunningham was telling about a taxi ride he took over to the County Seat last week. The cab was all littered with cigarette butts, plus candy and gum wrappers. This annoyed the Judge and he spoke to the driver about it.

To his surprise the cabman answered right back. "Don't blame me," he said "Fast as I clear this taxi out, the fares just mess it up again. I like a clean cab as well as anybody, but a man has to have some co-operation!"

Judge figures the fellow was in the right, and maybe we ought to

do a little campaigning with the public. I agree with him—that's why I'm writing this article.

From where I sit, it's important for us to remember the fellow who's going to get in the cab after we leave it. Because he pays the same as we do, he's got the same right to a clean, comfortable ride—just as he has the same right to enjoy the beverage of his choice (be it coffee, beer, lemonade, or what have you).

**Simple Rules Make Turkey Carving Easy**

COLLEGE STATION, Nov. 16 Carving turkey at Thanksgiving or Christmas is really quite easy when a few simple rules are followed, says F. Z. Beanblossom, poultry marketing specialist for the Texas A. & M. College Extension Service. He has several suggestions for making the job easy.

First, Beanblossom advises using a sharp knife. Nothing is more discouraging than to saw away at a roasted turkey with a dull carving knife.

Place the turkey on its back with the legs facing the carver. Pieces of apple or bread cut in wedge shapes and placed along the back of the turkey will form a cradle and hold the bird in position.

Hold the end of the drumstick with the left hand and cut down between the body and the left thigh. A little pressure applied with the left hand on the drumstick away from the body will help locate the hip joint and make the removal of the leg easier.

To carve the drumstick and thigh, first separate them at the joint. Next lay them flat on the platter and place the fork astride the bone and cut parallel to the bone.

After the necessary amount of dark meat has been carved, return to the bird and place the fork astride the breastbone and cut into the wing joints. Press down to disjoint the wing.

Next, start cutting the breast meat with a downward sweeping motion. Thickness of slices may vary according to the carver and the needs of the occasion. When one side of the turkey is finished, reverse the turkey and repeat the process.

Beanblossom states that it is entirely proper for the person doing the carving to stand. It is also helpful if the guests will engage themselves in ordinary conversation and occasionally comment on how well the carver is doing the job. This helps to relieve the tension of those inexperienced in the art of carving turkey.

**How to make good coffee...every time!**

Here's an easy way to make good coffee every time—economically!

Have your coffeemaker scrupulously clean. Be sure your coffee is fresh, and the correct grind for your coffee pot. Always use freshly boiling water. Measure coffee and water carefully. The best rule is 2 level tablespoons of coffee to 5 measuring cups (or 1 ordinary cup) of water for each person.

Especially recommended for fine flavor are Eight O'Clock, Red Circle, and Boka Coffee...brought to you exclusively by A&P. Sold in the flavor-sealed bean and "Custom Ground" to order, they're extra fresh. You'll make the best-tasting coffee ever—and save money in the bargain!

## 16 Class A Titles To Be Decided By Sat.

By Ed Fite  
United Press Sports Writer  
It's 16 down and 16 to go in the state's bulky Class A school-boy football race today as the 220-club circuit rings down the final curtain on the regular opening round of the five-week play-off starting next week.

Exactly half of the 32 districts had teams assured of playoff berths. The others have to be decided by midnight Saturday, and it may take careful screening by district committees to settle some of the scrambled sections.

Four of the 14 clubs still unbeaten at this stage will lock horns to settle private district feuds. They are Olney at Crowell in 10-A and Brenham vs. Elgin at Neutral Austin in 23-A.

Those games are among six on the card in which the winner will grab a playoff berth. The others involve Haskell and Albany in 9-A, Carthage and Jacksonville in 17-A, Burnet and Llano in 22-A and Nederland vs. Beaumont French in 26-A.

Already assured of playoff spots regardless of this week's games were Shamrock in -A, Kermit in 5-A, Colorado City in 6-A, Coleman in 7-A, Arlington in 12-A, Mineola in 14-A, Mount Vernon in 15-A, Mexia in 19-A, La Vega in 20-A, Georgetown in 21-A, New Braunfels in 24-A, Wharton in 27-A, Karnes City in 28-A, Sinton in 29-A, South San Antonio in 31-A and Pearsall in 32-A.

Hereford, Phillips and Dalhart in 1-A and Paducah, Tulia and Spur in 3-A are involved in three-way ties which could settle themselves this week, but which are more likely to come to committee decisions. Elsewhere, here was the situation:  
4-A—Levelland if it beats Tahoka; Littlefield if Tahoka wins or ties.  
8-A—Hamilton if it beats Dublin; Ranger if Dublin wins.  
11-A—Newcastle if it beats Decatur; Birdville if Decatur wins.  
13-A—Terrell if it beats or

## Sheriff Tells Of Crooked Horse Betting

NEW ORLEANS, Nov. 16 (UP)—Criminal sheriff John Grosch said he won \$50,000 on crooked horse races at fair grounds race track, and makes no secret of it. That would be lying, and besides he had to pay federal income tax on it.

Grosch, whose fast fists and disarming candor carried him from the slums of the Irish Channel to the southern amateur lightweight boxing title and, in 1931, to New Orleans chief of detectives, told yesterday how he amassed the small fortune on "boat races." He also informally announced that he will be a candidate for mayor in 1954.

The easy horse money wasn't graft, he said.

"It was just the advantage of being on the inside."  
"I bet crooked horse races—'boat races' we called them. My two detectives at the track would hear of a fix. They'd phone me. I'd say get down a hundred for me. I made about \$50,000 on boat races when I was chief of detectives."

ties Kaufman; if Kaufman wins those two clubs and Athens would be tied if Athens beats Royston City as expected.

16-A—Dekalb if it beats New Boston; Atlanta if New Boston wins.

18-A—Huntsville if it beats or ties Livingston; A Huntsville-Livingston-Crockett tie if Livingston wins.

25-A—Alvin if it beats or ties Dickinson; if Dickinson wins, Lamarque would get the nod if it beats Cleveland.

30-A—Donna if it beats Pharsan-Juan-Alamo; if Donna loses, Weslaco could take it by beating Mission.

## Husband Kills Wife, Lover

PALATKA, Fla., Nov. 16 (UP)—A prominent trucking firm owner killed his wife and a Jacksonville city commissioner yesterday after he trailed them to a lonely lakeside cabin and found them lying in a nude embrace.

## 100,000 Hunters Expected To Bag 40,000 Tex. Deer

United Press Staff Correspondent

By Lloyd Larabee  
The 1950 deer season got underway in Texas today, with some 40,000 bucks expected to be bagged by a horde of hunters headed by Gov. Allan Shivers before the Dec. 31 deadline.

Game officials predicted a "normal" shoot for an estimated 100,000 hunters, despite sub-par prospects in extreme South Texas and along the coast.

Shivers planned to take part in the opening day's shoot on a ranch near San Marcos.

Executive secretary Howard Dodgen of the Texas Game, Fish and Oyster Commission said there was "good distribution" of deer over the state, but he expressed disappointment at the warm, summer-like weather.

Last week's brisk weather would have been ideal, he said, because deer move around more in cool weather.

Dodgen said the hill country west of Austin was in "pretty good shape" for deer-hunting, but he figured deep South Texas hunters were not likely to fare so well. Deer definitely are in bad condition in southern areas such as that around the King Ranch.

Sportmen also will be firing at turkey. The month - and-a-half whitetail deer season was preceded by a short hunt west of the Pecos for mule deer, Nov. 6-11.

However, Dodgen said last summer's screw-worm outbreak caused hunting to be below normal in the West Texas area.

The hunt is regulated by Texas' big game license law, enacted by the 1949 state legislature. The statute calls for a \$2.15 license to hunt deer, and requires sportsmen to tag the deer they kill.

Dodgen said this year's paper tags are made of tougher paper than last year, when many were lost, and he advised hunters to tie the tag to the deer's horns.

FORT WORTH, Tex., Nov. 16 (UP)—(USDA)—Livestock: Cattle 1300. Early sales about steady, later trade dull and weak. Few lots medium slaughter steers and yearlings 24-27.50, load good 12-18, odd head above 21, canners and cutters 12-19. Bulls 18-25. Few medium and good stocker yearlings 24-28. Common and medium stocker cows 18.50-21.

Calves 1.000. Very slow. Killers weak to 50c lower, stockers weak to unevenly lower, some sales \$1 off. Good slaughter calves scarce at 26-28, common and medium 20-25, culls 17-19. Common and medium stocker calves 20-27. Medium and good 27-30.

Hogs 500. Butcher hogs 25c lower than Wednesday, sows steady, pigs scarce. Good and choice 190-270 pound 18.75 and 19, good and choice 150-185 pound 18-18.50. Sows 16.50-18.

Sheep 300. Feeder lambs and aged wethers steady, other classes poorly tested, demand narrow for the few slaughter lambs offered. Good wethers 15. Feeder lambs 25-27.50.

## MISS GRIFFIN, MR. COLE EXCHANGE WEDDING VOWS IN FIRST METHODIST CHURCH CEREMONY

Miss Myrlene Griffin, daughter of Mr. and Mrs. M. B. Griffin became the bride of Jack Cole of Ranger, at 7:30 p. m. Saturday, November 11th, 1950, in the First Methodist Church in Eastland.

Mr. Cole's parents are Mr. and Mrs. Odell Cole of Ranger.

The Rev. J. Morris Bailey, officiated before an altar, decorated with fern, greenery, and palms. Tall baskets of white chrysanthemums and white carnations with tall candelabra holding cathedral tapers flanked each side. Bouquets of matching white flowers were used on the altar, piano and chancel rail.

Candles were lighted by Mrs. Bill Arthur and Mrs. Don Doyle. Mrs. E. L. Wittrup presented the wedding music and accompanied Miss Mary Katherine Hoffmann, who sang, "Because" and "The Lord's Prayer" at the close of the ceremony.

The bride entered on the arm of her father, who gave her in marriage. She wore a dress of white slipper satin, fashioned with a tight fitted bodice, which had

a large yoke of Chantilly lace, made into an overlapping bertha and was closed at the neck with a tiny collar made of the lace. Small satin covered buttons closed it from the collar to the waistline. Long fitted sleeves formed points over the hands and were buttoned tightly at the wrist.

The full gathered skirt of satin had a lace inset across the front and flared out behind to form a train. She wore a lace and satin cloque, to which the full gathered fingertip illusion veil was attached. She carried a white heart shaped bouquet which was made of gardenias and stephanotis, and white lace.

Ila Gene Griffin was her sister's maid of honor and wore a wine colored taffeta faille gown made similar to that of the bride, with the exception of the long pointed collar which was closed to form a low V neckline. Her bouquet was of wine red roses and gold lace, tied with wine colored satin streamers.

Miss Joyce Cole of Ranger, sister of the groom, and Miss Vir-

ginia Creamer of Temple were bride's maids and wore dresses made identical to that of the Maid of Honor but were in winter pink and blush colored taffeta faille. They carried garden baskets of yellow chrysanthemums and tiny pom-poms, tied with satin bows matching their gowns.

Richard Kelly of Ranger served as best man.

A reception followed the ceremony and was held at the Woman's Club. Guests were received by Mmes. Will Van Geem and B. G. Blair and were presented to the wedding party, parents of the bride and groom and were directed to the bride's book by Mrs. C. W. Hoffmann. Miss Marilyn Witt-

rup registered guests at a table which was decorated with bouquet of the maid of honor. Guests were directed to the bride's table by Mrs. W. W. Walters. Mrs. G. I. Wingate served the bride's cake, which was white, three tiered and topped with a miniature bridal couple, and was decorated with fresh rosebuds matching the gown of the maid of honor and the bride's maid. The table was laid with a white Maderia, linen cut-work cloth and was centered by a bride and groom standing back of the bride's bouquet. Mrs. Wingate also served the groom's cake, which was old fashioned fruit cake. Mrs. J. C. Creamer of Temple ladeled the pink frosted punch.

Mrs. E. L. Wittrup furnished background music throughout the reception and Mrs. Harold Durham was at the exit door for the good-bys. Others in the house party were Mmes. Joe Anderson, John Sledge, Lon Horn and Lee Horn. Out of town guests were Mr. and Mrs. John Cole and Judy McCamey, Mr. and Mrs. W. W. House of Junction, Mr. and Mrs. W. B. Elkins and Bennie Elkins of Hamlin, Mr. and Mrs. Travis Elkins of Austin, Mr. and Mrs. Rigdon Elkins and Ramona and David of Fort Worth, Mr. and Mrs. Gene Eaton of Abilene, Mr. and Mrs. B. J. Day of Dallas, Mr. and Mrs. C. L. Fields and Charlie Joe and Milton Pierce of San Angelo, Mr. and Mrs. J. C. Creamer Virginia Ann and Jackie Coy of Temple, Jimmy Spalding of Ardmore Okla., Mrs. Ruby McDonald of Abilene, Mrs. Herman Hague and Joe of Fort Worth, Misses Barbara Hague, June Bearmore and Ladell Gauen of Denton, Mrs. Claude Crossley of San Antonio, Jeanne Caldwell and Angela Duncan of Fort Worth, Sgt. Bill Coe of Fort Worth.

When the couple left for a honeymoon trip, Mrs. Cole was wearing a gaberdine dress of tiny brown checks, with brown velvet trim, with brown accessories.

The couple will make their home in Ranger, where Mr. Cole is employed by the Lone Star Production Company.

Mrs. Cole is a graduate of Eastland High School and attended North Texas State College at Denton.

Mr. Cole is a graduate of Ranger High School, Ranger Junior College and attended Texas A&M College.

with Chevrolet's Hypoid Rear Axle

Chevrolet trucks are engineered to "take it," in every way. Chevrolet's heavy-duty hypoid rear axles offer maximum strength . . . with single-unit housings formed into tubular steel beams, and splined axle-to-hub connections that deliver power more evenly. Gears last longer, too . . . pinion gear is ball-bearing supported at each end, with adjustable thrust pad to prevent distortion on extra heavy pulls. Add these advantages to powerful Valve-in-Head engines, Synchro-Mesh transmissions, and channel-type frames. Then you'll know why Chevrolet is the most popular truck in America. Come see these great Chevrolet trucks today!

### Boyce House Gives You Texas

Recently, the nation was supposed to observe "Write a Letter Week." Just write a letter about anything to anybody. This "week" was about the silliest one yet.

If those who proclaim these weeks want to do something worthwhile, why not proclaim a "Read a Book Week," or, even better, "Read a Boyce House Book Week." That would be the greatest boost to literature since Shakespeare wrote his sonnets!

Advertising placard in a Dallas street car:

Dallas, the Hospitable City—Blank Undertaking Co. That really is carrying hospitality to an extreme!

When Dallas was naming its bowl, what a splendid pun was passed up in not calling it the Cotton bowl.

An acquaintance tells of being a guest in a club some years ago and seeing a multi-millionaire oil man feed half dollars into a slot machine for an hour. If all the fun that a multi-millionaire can find is to work the lever of a "one-arm bandit," it hardly seems worthwhile to put so much of one's life into getting rich.

Speakin' g of money—In St. Louis recently, in a museum, I saw a "piece of eight." You will recall that in "Treasure Island," the seekers were looking for pirate loot which was a chest filled with "pieces of eight." A piece of eight meant a Spanish coin worth eight reales. My impression is that one real was worth about a quarter.

A versifier once wrote these high-sounding lines:

Let observation, with extensive view,

Survey mankind from China to Peru."

Dr. Samuel Johnson said that the actual meaning was, "Let Observation, with extensive observation, observe mankind extensively."

### How Long Does CHANGE OF LIFE Last?

For some women mid-life's crucial "change" may be a reasonably short time; for others, unfortunately, much longer. In either case the sensible thing is to make the most of the period as easy as possible. That's why today thousands of women know Cardol. ### Dixie Walker Is Leading Choice As Card Manager

NEW YORK, Nov. 16 (UP)—Fred (Dixie) Walker, once the "peoples choice" in Brooklyn, is a leading choice to be the next manager of the St. Louis Cardinals, it was learned reliably today.

It is not yet definite. But Walker went to St. Louis recently to visit Cardinal owner, Fred Saigh, Jr., and discuss the job. Dixie slipped into and out of town without being noticed—and now awaits another summons from Saigh.

At his Birmingham, Ala., home, Walker was obviously flustered when questioned about the significance of his clandestine meeting with the St. Louis owner. But he refused to deny either that he met Saigh, or that he will shortly be named the next Redbird manager.

"Let's put it this way," he hedged, "I have not signed a contract yet with any club.

"Yes," he admitted, "I have been listening to some offers but I'm quite willing to return to Atlanta as manager."

The 40-year-old ex-Dodger outfielder piloted the Atlanta Crackers to a Southern Association pennant last season and won recognition as one of the outstanding managers in the minors.

"Quite frankly," Walker added, "I can't say what is in Mr. Saigh's mind. He is in Cincinnati (for today's draft meeting) and I'm here. He hasn't said anything about a new manager, has he?"

Saigh has said he has interviewed several men for the job but he never mentioned Walker's name although the two had a long conversation about the job.

### BOYCE HOUSE SAYS

The hall was filled and it was past time for the lecture to begin but the speaker had not arrived. The chairman came forward and said, "Ladies and gentlemen, the distinguished lecturer will not be able to be here as he has a bad cold."

Someone said something from the side of the stage and the chairman turned back to the audience and said, "The joke's on me; he has pneumonia."

A woman called the grocer and said, "I want my little boy to your store for a pound of plums and I got only half a pound; your scales must be wrong." The merchant replied, "My scales are all right, ma'am; have you weighed your little boy?"

### Crime Probers Turn To Calif. Gambler's Profit

LOS ANGELES, Nov. 16 (UP)—The Senate Crime Investigating Committee turned its attention today to the Southern California underworld and its never-ending struggle for lush film-colony profits.

Committee members, attorneys and investigators moved here after digging yesterday into legalized gambling operations in Las Vegas and the possibility of their tieups between Nevada operators and organized outlaw gambling in other parts of the country.

Twenty-two persons, topped by notorious gambler Mickey Cohen, have been subpoenaed for two days of closed door hearings in the federal building here before Sens. Estes Kefauver, D. Tenn.; Charles W. Tobey, R. N. H., and Alexander Wiley, R. Wis. The hearings open this morning.

The committee was expected to inquire into the gangland tug-of-war for control of bookmaking and other rackets which has led to eight underworld murders in 10 years.

State officials, hotel owners, gamblers and businessmen paraded in and out of the committee room in the Las Vegas federal court building yesterday.

"It's about time somebody got mad in this country and told those people where to get off," said Tobey, who said he felt "outraged" by the things he heard in Las Vegas.

"So-called legitimate gambling and its effect upon the life of the community," also were decried by Sen. Wiley.

"The fact that men in high places are participating in such low activities was a sign the public morality has sunk to a new low," he said.

### Rickey Gets First Pick From 5,668 Baseball Draft List

CINCINNATI, O., Nov. 16 (UP)—Branch Rickey, former Brooklyn president and now Pittsburgh Pirates general manager, will have first chance at the 5,668 eligible minor league players at the annual baseball draft today in the office of baseball commissioner A. B. Chandler.

Following the draft, club owners must thrash out the problem of what to do about the \$875,000 paid for radio and television rights to the 1950 World Series. Players would like to have the million split among the top four teams in each major league, while Chandler wants the money put into the player's pension fund.

Then the major league officials will hold separate executive sessions before assembling to consider a number of undisclosed topics.

Team representatives arrived here in bunches late yesterday for backroom chats and to draw up the American Association 1951 playing schedule, which will not be announced until next month.

Rickey will get the first chance at the "grab bag" to strengthen the last-place Pirates. Just one player may be taken from each team, unless it has some unrestricted list, former major league or bonus players.

Club owners had good reason to take closer looks at the few worthy candidates, mainly in the Triple A classification, than they
