Ridgway Takes Over Tokyo Command

MACARTHUR REMAINS SILENT OUT OF COURTESY TO RIDGWAY

TOKYO, April 15 (UP)—Lt. Gen. Matthew B. Ridgway assured the Japanese people today that as new Supreme Commander of their homeland he will continue Gen. Douglas MacArthur's benevolent occupation policy.

Ridgway arrived in Tokyo from Korea to assume his new duties within a few hours after turning over command of the U. S. 8th Army to Lt. Gen. James A. Van Fleet.

"There will be no change in basic policy," Ridgway assured the Japanese in a statement issued at 10 p. m. (8 a. m. EST), one hour after his arrival from Korea.

He promised also that he would do his utmost to assist in concluding a peace settlement with the Japanese "as soon as possible."

TEXAN WILL COME HOME

FIFTH AIR FORCE FIGHTER BASE IN KOREA, April 15 (UP)—The "Squire of Texas," Lt. Col. Charles H. (Squire) Williams, of San Antonio is being returned from Korea to train replacement pilots.

Williams was relieved from combat flying duty on March 24 after his 123rd strike against the Communists since his first F-80 fighter mission last June 27.

On his last mission, the "Squire" led four F-80 Shooting Stars credited with inflicting 250 casualties on the enemy near Sarwon.

Williams is considered an expert on jet fighter operations in Korea. He led the first strike in Korea, credited with destroying an enemy plane, over Suwon last June 29.

His wife and son, who have been living in Japan, will accompany him home.

RHS Will End Season Tuesday

The Ranger High School football team will officially wind up their 1951 spring training after their final workout Tuesday afternoon. By now the kinks are out of their muscles and they are in top physical shape.

Friday's practice included every thing that had been gone over during the 27 days of spring training. Looking good in the line up were boys like Bobby Justice, Herbert Williams, Don Varner, Jimmy Cantrell, Lee Hill, and John Rush. Jerry Rushing played top ball.

In the backfield it was Jimmy "Rip-roaring" Comacho again after several days of just average football, as Jim blasted his way through the rugged line to once more look like a champion. J. L. "Bulldozing" Barnes missed practice due to the illness of his mother, but this undying spirit was felt among the players. Charles Masagee and Jimmy Cole played good ball, as did Billy Rae Moreland and several others.

Gerald Bagwell and Wayne Jargraves looked like champions and stood out on the field among many champions. This writer did not get a chance to watch practice long but what he saw was good. The team, under able coaching, has improved one hundred per cent since the opening day of the training.

Conductor Slugs Persistent Guy

CHICAGO, April 15 (UP)—James E. Murphy, 24 years old and 124 pounds fighting weight, said today that he isn't a man to cross when he gets his Irish up.

For example, last night he was waiting for a street car.

The street car, he said, passed him up.

Murphy chased it down and rapped on the door.

The door opened and out popped a large-sized conductor. Murphy said the conductor punched him, got back in the car and rode away.

Murphy again overtook the street car. This time he passed it and lay in front of it.

Murphy said the conductor got out, carried him off the tracks and handed him to a by-stander who held him till the car got away.

At the station house police checked the conductor's identification number which Murphy had remembered and told him he had grounds for a complaint.

They advised him to take round

Maranda Bowie Funeral Services Held Saturday

Funeral services for Maranda E. Bowie, Ranger, were to be held at 2 p. m. Saturday at Killingsworth Chapel in Ranger with interment in the Eastland cemetery.

Rev. J. T. Gilliam, pastor of the Church of God, Ranger, was to officiate.

Mrs. Bowie died at a Ranger hospital Thursday night.

Survivors include her husband, two brothers, S. J. Arthur, Eastland and Phil Arthur, Collinsville, Ala., four sisters, Mrs. T. H. McCullough, Eastland; Mrs. Plummer Pitts, Collinsville; Mrs. J. M. White, Ranger and Mrs. L. C. Fowler, Dublin.

pallbearers were S. J. Arthur, Jr., Bill Arthur, Gerald McCullough, Eastland and Clifford McCullough, Eastland; Vester White, Ranger; Chester White, Ranger; Marshall McCullough, Dallas; and Oles Fowler, Dublin.

Dr. Vermillion Dies At Home

Dr. H. F. Vermillion, who suffered a stroke at his home Friday evening died Saturday morning at 10:30 at his home, 607 South Mulberry street, Eastland.

Funeral services will be conducted Sunday at 4:00 p. m. at the First Baptist Church in Eastland with Rev. L. M. Chapman officiating.

Interment will be in the Eastland cemetery.

Dr. Vermillion, a retired Baptist minister celebrated his 80th birthday about a month ago. He is the father of Henry G. Vermillion of Eastland.

He is also survived by his wife and six daughters.

Oldsmobile Motor Company, Eastland

Yankee Fights For Communist

MANILA, PHILIPPINES, April 15 (UP)—A six-foot American announced today he had joined the Communist-led huks in the mountains to "fight for what I believe."

He identified himself in an article published today in the Weekly Philippines Free Press as William J. Pomeroy, 34, of Waterloo, N. Y.

Pomeroy arrived in Manila with the liberation forces and married an attractive Filipino social worker. He spent four years at the University of the Philippines under the G. I. Bill of Rights. Records showed he was a bright student and had ambitions to be a short-story writer.

Pomeroy sent his article and a letter to Robert Hendry, the American Associate Editor of the weekly. The article said Pomeroy has been with the huks for about a year.

Hendry said Pomeroy had once turned down a job he offered to him on the weekly.

"I don't believe he is a Communist," Hendry said. "He's just a poor misguided fool."

Army reports have not listed Pomeroy's name in the huks' mountain campaign against Government forces.

Pomeroy said in his article that the Government's Police Regime was so "barbarous" that it must be eradicated.

"The regime couldn't stay in power for a week without guns and ammunition sent by the Americans," he said.

Pilot Lands On Mt. Rainier

LONGMIRE, WASH., April 15 (UP)—The only known pilot ever known to land an airplane atop 14,408-foot Mt. Rainier was still trying to get down today.

Air Force Lt. John Hodgkin apparently was in no hurry to get off the mountain, however.

For one thing, his commanding officer at McChord Air Force Base, Col. R. W. Etter, said he planned to discipline the 42-year-old reservist when he came down out of the clouds.

And friends at McChord said Hodgkin has a "passion" for high places.

Hodgkin was stuck at the 4,923-foot level today, trying to get the engine started on his souped-up private plane.

He flew to a spot near the top of the nation's fourth highest mountain Thursday to take pictures. When he tried to leave the peak, he couldn't start the plane's engine.

After nearly 24 hours, he finally got the engine going yesterday just as a ground party was on the point of rescuing him after making a dangerous climb up the mountain.

CIRCUS IS CHASED OFF

GARDEN CITY, N. Y., April 15 (UP)—The Golden Nematoide chased the whole Ringling Brothers and Barnum & Bailey Circus away from here today.

The tiny gold colored bug is about as frightening to the U. S. Agriculture Dept. as a house mouse is to an elephant.

Circus officials wanted to play a benefit performance for veterans on a vacant lot here, infested by the golden nematode.

But the Agriculture Dept. said "no." It was afraid the golden nematode—a farm pest—would join the circus and see the country.

The circus is looking for another lot.

Beat Him To Death

YARDVILLE, N. J., April 15 (UP)—The confession of a 64-year-old handyman that he killed a grocer for love of the man's wife, has caused her arrest on adultery charges.

Jacinto Carlos confessed to police yesterday and was held without bail on murder charges for the fatal beating of Leon A. West, 55, last Thursday.

Mexicans Are Sent Home

HOUSTON, April 15 (UP)—Twenty-four Mexican aliens left here by bus last night for their homeland on orders from the Immigration and Naturalization Service because they entered this country illegally.

The group was sent from here to San Antonio and back across the border at Laredo.

Three of the aliens were women and one was a convict who had just been released from Huntsville prison.

Texas Pair Have Troubles

KENOSHA, Wis., April 15 (UP)—Mr. and Mrs. Alvin Witherspoon began a 90-day sentence for passing bogus checks today and their troubles were just beginning.

Authorities in at least 23 cities in nine states have sent police here warrants or notices that they want to question the Witherspoons who call Dallas, Tex., their hometown.

The couple had admitted that they cashed a total of \$30,000 in worthless checks while touring the country with their three children because "it costs money to support a family when you're on the move."

Witherspoon, 28, and his wife, Billie Ruth, 25, were convicted of passing a check for \$38.65 here.

They said that most of the bad checks they passed were for the same amount "because no one ever got suspicious of such a small amount."

Municipal Judge Edward Ruetz said that he would be willing to turn them over to any other state with felony charges against them.

Employees Will Be Honored

Fifty-one employees of the Ft. Worth Production Division and Gulf Refining Company, Houston Pipe Line Division of the Gulf Oil Corporation will be honored April 19 at the company's 12th annual service award meeting.

At a dinner to be held at the Hotel Texas, diamond and ruby label emblems will be awarded to employees with periods of service ranging from ten to forty years. The principal speaker at the dinner, which is part of Gulf's 50th Anniversary Celebration, will be vice president K. C. Heald from Pittsburgh.

L. C. Henry, 226 Sycamore Street, Abilene, is in Ranger to destroy termite. Henry is classified as a termite expert and has been in the business for 17 years.

NARROW ESCAPE—Rescue crew, using rope and safety belts, work to remove occupants from auto marooned in Rock Creek Park in Washington, D. C., during flash flood. Elias Nadelman, a construction company president, and his 16-year-old twin daughters, narrowly escaped drowning. Here, one of the twins is being carried to safety. (NEA Telephoto).

Chinks Offer Bitter Resistance To Slow The American Advance

By Frank Tremaine United Press Staff Correspondent TOKYO, April 15 (UP)—Bitter Chinese resistance slowed the United Nations advance along most of the 100-mile Korean front north of the 38th Parallel today.

Only east of Yongdong and south of the Hwachon Reservoir in Central Korea did the Reds fall back without a fight. Some tried to escape by boat across the reservoir and were killed by Allied artillery.

Elsewhere above the Parallel, the Chinese fought to the death to gain time for elements of 18 fresh divisions—160,000 to 180,000 men—to get into position along the roads south from Kumsu and Pyongyang, the North Korean capital.

There was no immediate indication whether the build-up was intended for defense or for a long predicted spring counter-offensive.

The build-up came as Lt. Gen. James A. Van Fleet arrived at 8th Army headquarters and took over command of all UN ground forces from Lt. Gen. Matthew B. Ridgway, who has succeeded Gen. Douglas MacArthur as supreme UN commander.

Ridgway welcomed Van Fleet at the airport and jested with him to headquarters for a color guard review. He told newsmen in Tokyo earlier that the Korean situation seemed to resemble the anti-guerrilla campaign he directed in Greece, "only bigger."

U. S. B-29 superfortresses, meantime, hit their third North Korean airfield in two days to keep the revitalized Communist air force from using bases near the battle front to support ground forces.

Three B-29s dumped 30 tons of bombs on the runway, taxi strips and runways at Kang Airfield, 29 miles north of Pyongyang. Seven other superfortresses dropped 70 tons of explosives on the east coast supply center of Hamhung, through which enemy supplies have been moving.

No Communist fighter opposition was reported. It was the second straight day that the Communist Air Force has stayed away from American planes. B-29s and American jets shot down or damaged 33 enemy jets in aerial battles Thursday.

The sudden upsurge in fighting along the ground fronts was reflected in the enemy casualty figure of 4,315 yesterday. It was the first time the toll of enemy dead and wounded for a single day has exceeded 4,000 since Mar. 17.

Negroes Arrested In Murder Case

OCALA, Fla., April 15 (UP)—Police arrested two Negroes on suspicion of murder and whisked them away to the State Prison for "safekeeping" last night a few hours after Sheriff Edward Porter, Jr., was savagely stabbed and shot to death on a rural road.

An iceman found the riddled body of the popular 44-year-old sheriff in the front seat of his car, which had crashed into a tree off a dirt road four miles west of town. Deputy R. A. McDaniel said there was evidence that the slender officer engaged in a "terrific struggle" with his assailant, possibly someone he had arrested, while trying to steer the auto.

He had been stabbed six times in the stomach with an ice pick and was shot five times in the neck, chest and shoulder with his own service revolver. His pocketbook was reported missing.

State's Attorney Jess W. Hunter said the two Negro suspects were taken to the State Prison at Raiford, Fla., because crowds began collecting about town as news of the murder spread. Hunter said feeling ran high but there were no disorders. He declined to identify the suspects, who have not been formally charged.

Porter, who served as a master sergeant in the Aleutians during World War II, was one of the most popular sheriffs Marion County ever had. He had recently been commended by a grand jury for anti-gambling work.

Detroit Stages A Celebration

Detroit's 250 birthday festival, a year-long celebration of the city's founding by Antoine de la Mothe Cadillac, is well on the way to its climax during the week of July 22-29. Throughout the year the Motor City has been the site of civic demonstration in which all residents and visitors have an opportunity to participate.

Because of Detroit's position as the largest border city in the world, and the cooperative spirit existing between Detroit and Windsor, this is an excellent opportunity to display to the world the amity that can develop between two peoples.

The celebration will end with a tremendous cavalcade parade, July 28. It will be a departure from the usual festive parade, in that it will, by means of tableaux and recordings on the floats, tell the story of Detroit's development from wilderness to the present day automobile center of the world.

Wounded Marine Hero Returns Home To Find Wife Living With Another

HILLSBORO, April 15 (UP)—The wife of a Marine who was wounded in action in Korea faces District Court trial here on charges of bigamy.

County Attorney S. F. Brown filed the charge after the Marine, Carl G. Voker, Jr., said he returned from Korea to find his wife living with Jimmy Garvin, a service station attendant.

Volker, still on crutches from leg wounds, said he married his wife at Hillsboro, April 8, 1950. The county attorney charged that Mrs. Volker married Garvin Sept. 5, 1950 at Van Buren, Ark.

Mrs. Volker and Garvin, charged with her, pleaded innocent and were released on \$1,000 bond.

Stronger Draft Bill Is Figured

WASHINGTON, April 15 (UP)—House members figured today that a House-Senate conference will return to them a somewhat stronger draft and universal military training (UMT) bill than the one they passed.

The House voted late yesterday 372 to 44, for a bill lowering the draft from 19 to 18½ but requiring draft boards to call first all available men 19 through 25, to lengthen the draft term from 21 to 26 months, and to set up a UMT commission with a promise that Congress will study its recommendations.

Actually, some members said the bill wasn't much more than an extension, for three years, of the present 19-through-25 draft law which expires July 9.

The Senate has passed a bill lowering the draft age to 18½ with the same provision for use of older men first—and to set up in law now a UMT program that could be put into action whenever Congress or the President halts the draft.

These and other differences between House and Senate bills must be ironed out in conference committee, composed of key members of the House and Senate Armed Services Committees.

Dr. Boswell States Facts About RJC

Dr. G. C. Boswell, President of Ranger Junior College, issued the following statements today:

The following personnel has been elected by the Board of Trustees for another year:

Mamie Ruth Hamrick, Richard Henderson, C. W. Blanche, R. B. Crawley, Kathryn Gibson, J. A. Dean, W. M. Crow, Dewey Cox, W. F. Couser, Fred Baumgardner, Kathleen Earnest, Boone Yarbrough, Gladys Hunter, Anna McEver, R. L. Snider, R. L. Willis, R. F. Webb.

President Boswell stated that he believes the college is closing out of the best years in its history, and that the college faculty, student body have worked magnanimously for the college to receive great honors during the year.

Much improvement has been done to the physical plant. The library has been brought up in first class condition in every respect. The cafeteria has been greatly improved. One of the latest pieces of equipment to go in the cafeteria has been a frialator. About 100 trees have been put around the college campus, including pecan, sycamore, pear, cherry, apple, plum, and peach.

The prospects for 1951-52 are for a larger enrollment than the college has had for any previous year. All high school students will be permitted to obtain at least one and perhaps two years of college work before they enter military life should they so desire.

The college will offer some new courses another year, such as photography, elementary accounting, and additional courses in the field of music.

The college has been recognized favorably but not accredited by the Southern Association of Secondary Schools and Colleges. The music department has recognized full accreditation. A great deal of equipment has been added to the business administration department due to the increased enrollment. In fact, the college officials are anxious for any student who attends Ranger Junior College to be able to get a course or courses that will suit the student's needs.

The college has done remarkably well in all phases of activity. Take not of our speech department, the tennis boys, basketball boys, and certainly we have no condemnation to bring on the football team, although they may not have been a winning team, it was a great ball club.

Through the cooperation of the mayor and the city commission we have been enabled to fix up a practice football field. In a few days we hope to have a flag pole on the college campus. If you pole not driven out and driven around it, it is hard for you to picture just what is being done for Ranger Junior College.

NEW RATING IN NAVY

NEW ORLEANS, April 15 (UP)—A new rating, "Officer Candidate", has been incorporated into the Navy's personnel structure and will soon designate enlisted men who are in training for Line commissions in the Naval Reserve.

Eighth Naval District headquarters here announced that the new rating applies only to students of an Officer Candidate School which will be opened at Newport, R. I., in early June.

The Navy's first OCS will convene bi-monthly classes of 300 students for indoctrination periods of four months.

The Officer Candidate program replaces the present program under which trainees were appointed Ensigns and ordered to indoctrination school at Monterey, Calif.

Under the OCS system, students will not be commissioned until successfully completing the school. Those who fail will return to active duty ranks with their previous ratings, or in the case of civilian candidates, as seaman recruits.

Candidates selected from civilian sources will enroll as OC with the pay grade of a seaman recruit, while those selected from active or regular service will have their rates changed to OC in corresponding pay grades.

Graduates become Naval Reserve Line Ensigns and must remain on active duty for three years. They retain their commissions as reservists for eight years, including active duty service.

Applications from regulars and reservists on active duty will be made through official channels. Civilians who possess previous "ROC" qualifications should apply to Officers of Naval Officer Procurement in Dallas or New Orleans.

Appeasement? What Do You Think?

AN EDITORIAL
By Darrell F. Holmes, Jr.

The United Nations was started for a good purpose but has not done much toward reaching its true goal. Almost all of the men FIGHTING in Korea are Americans. While the banner of the United States, (oops I mean the United Nations), is advancing in Korea, Russia sits in the UN as a member. How many troops does she have in Korea? Probably plenty. We know she has tanks, planes, guns, etc. The only trouble is that they are FIGHTING not AIDING the "United Nations."

The administration does not have a BAD Foreign Policy, they have NO Foreign Policy. Truman wants his administration "remembered for peace." Yet he is pouring Americans into Korea to fight a war under the name of "Police Action". He doesn't want us to go into China to fight because that would make the "BIG BAD BEAR" mad. Who cares? Let him get mad. Truman is admitting that Russia is the cause of the mess in stating that it would make Russia mad to go into China or Korea's Northern territory. Therefore we stay below the 38th Parallel. That's like seeing a man stealing your property and only chasing him off of the place. Then leaving him free to rob elsewhere or come back to you later. Are we appeasing Russia? What do you think?

Our affairs are in the worst mess that they could possibly get in. Every thing we do is being contradicted by something else we do. Take MacArthur's dismissal. He was supposed to be the United Nations Commander not just that for the United States. How can Truman fire the UN General. Is he the full UN now.

We will let Russia start wars all over the world and we will fight them.

Should Russia keep this up for about ten years and have us fight hundreds of small wars all over the world, she would have us bled dry. Russia knows better than to attack us now, although she probably would stand a better chance with MAC gone. Moscow was the only one who really profited by the removal of the general.

Which is better, to be shoved around and made to walk narrow and carry a small tooth-pick or to walk wide and swing a big stick. It would be better to hold a middle course. But World affairs will not let us do that.

Therefore before we can have peace we must stand up to Russia and say "Okay big boy, start your war. If you don't we will... the next time you get out of line." Then when they get off of the straight and narrow, start riding wide and throwing a wide loop. Hit them with Atomic Bombs so fast and so often that they haven't got time to retaliate. There can be no appeasement between a slave and a free world. We must fight. There is no other way for peace.

Korea is not the answer anymore than a dozen more Koreas will be. Many boys who a year ago had probably never heard of Korea and never expected to go there have fought and died on that bloody battleground. Is this the peace Truman wants to be remembered for? Lets face it...

He is a man who was too small to run a small clothing business, how can he run this nation. He CAN'T and has never given indication that he could. We are headed straight for the place where it never gets cool and unless we pull out of it now, we never will.

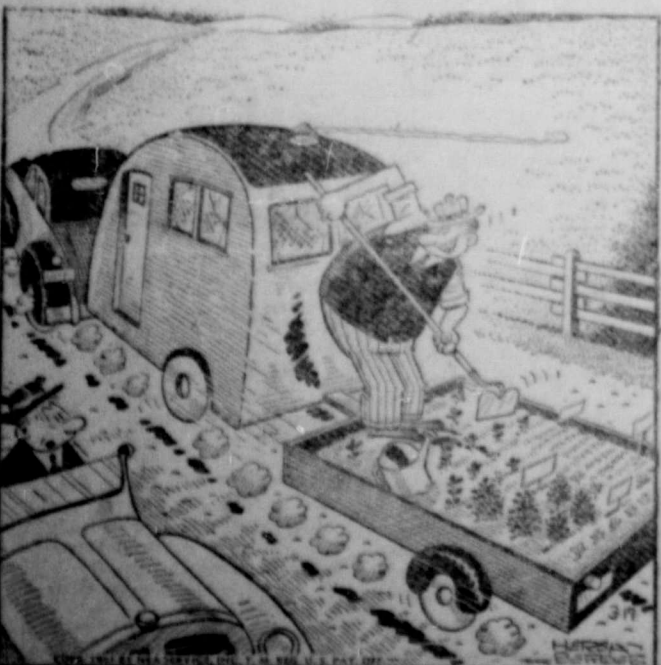

We should want peace so bad that we are willing to fight a war to get it. Are we going to be sold down the river to Russia like we were a few years back. So long as we have a man at the wheel who will fire a general without notice and order him to "Travel to such place as you may select" at Government expense, we are fighting a losing battle for life.

What's Going To Happen?

OODLES OF TIME—Time is of the essence in this big, new 2500-pound brass sun-clock, which will top a small hill in a Frankfurt, Germany, park. The complicated clock not only shows local time, but also the time in major cities all over the world. Signs of the Zodiac encircling it portray the course of the sun during the year. Crimson Holiday

By Jane Holsinger

COPYRIGHT 1951 BY NEA SERVICE, INC.

THE STORY: Uncompromising and hateful Lavinia Grenable rode to her death when her wheel chair, with the emergency brake saved in two, rolled off a terrace and into a ravine at her home. Witnessing the murder was Lisa, whose encouragement to Lavinia's oldest son, had been expressed by Henry Farwell, Lisa's father, who warned Lisa that Lavinia would make her miserable. But Lisa cannot forget that just after the violent death of Lavinia Grenable, she had seen her father on a ridge nearby and he had said nothing about being there. Lisa, Elizabeth Stratten, Lavinia's sister, has been seeing suspiciously.

to know. She hadn't been able to bring up the matter of his telephone conversation with Elizabeth Stratten that she had overheard and she couldn't find the right words to tell him she had seen him on the ridge. Lisa only knew she was ready to deny it if anyone questioned her.

On the way over to Grenable's she said casually, "Angus said if we wanted him he'd be around." Henry Farwell turned sideways in the car to look at his daughter carefully. Unexpectedly, she smiled, and for just that moment his round face resumed its customary genial countenance.

"That is good to know," he said calmly. But she wasn't at all sure if he meant what his words said on the surface.

LISA FARWELL followed Angus Kent back to the door. "Some people have queer taste," she reminded him. "Or maybe she wasn't really crying—she might have had the hickeys or something." She meant it as a joke, but Angus looked down at her.

THE Grenable house looked as ungodly and menacing in the morning sunlight as it had seemed to be yesterday evening, and not even the gay yellow of the early forsythia bush on the east corner lessened its prevailing grimaces.

Lisa parked the car near the police car in the bend of the drive and they followed the flagstone path to the side entrance. As Lisa and her father passed under the whispering oaks and elms to the house she wondered vaguely if all the lives and all the years could return to haunt these terraced lawns, what their testimony might add to the summation dimly she turned back to the house.

Sheriff Lane telephoned about 8:30 as Angus had predicted. Lisa and her father were to be at the Grenable house between 9:30 and 10 o'clock, not later.

Lisa was relieved when the time came for the thoughts crowding her mind were frightening her more than she wanted her father

motion for oral argument. Taylor. Cases Submitted: J. S. Hearn, Jr. vs. A. E. Frazier. Shackelford. Employers Casualty Company vs. Onyx Refining Co. Taylor.

Interviews For Chief Of Police Are Indicated

FORT WORTH, April 15 (UP)—Interviews for selection of a Fort Worth police chief to succeed George T. Hawkins, resigned will probably begin late next week it was indicated today.

Revise Intelligence Agency To Avert Future 'Pearl Harbor'

By Peter Edson

NEA Washington Correspondent

WASHINGTON—(NEA)—If the Russians decided to throw their navy and air force into the Korean war against the United Nations, would there be ample U. S. intelligence reports and advance warning? If the Russian army decided to move against Iran, would leaders of the anti-Communist countries know what to expect? If the Italian satellite countries were ordered to attack Yugoslavia, would Marshal Tito be given proper support in time?

Or if the Russians themselves advanced any place in Western Europe, would the correct estimates have been made on the Soviet potential for waging an all-out war?

These are just a few of the key questions with which the U. S. government's Central Intelligence Agency is daily concerned. They are the same sort of questions which faced the U. S. before Pearl Harbor and before the North Koreans made their sneak attack across the 38th parallel last June.

There was great debate after both these wars were started as to whether the U. S. intelligence services gave adequate warning. Army and Navy intelligence services both maintained that they had furnished adequate information to anticipate the attacks. The fault was said to be in failure to estimate and evaluate the information from the intelligence services correctly.

It was to remedy this defect that the U. S. CIA was created by Congress three years ago. That the defect was not entirely corrected is evident from what happened in Korea. But the argument still rages in Washington over whether the Korean attack caught the United States off guard because of an intelligence failure or a command failure.

When Lieut.-Gen. Walter B. Smith was made director of Central Intelligence last October, one of his principal moves to strengthen the organization was to improve its system for making estimates of intelligence reports. He created an Office of Estimates. Its head is now Dr. William Langer, Harvard and Columbia University professor and wartime chief of research and analysis in Office of Strategic Services.

Dr. Langer's staff is small. Its function is, briefly, to receive intelligence reports from Army, Navy, Air Force, State Department, FBI, Atomic Energy Commission and other government agencies, as well as CIA's own staff. These reports are pulled together and evaluated. Then a report is prepared which will give the President, the Department of Defense and the State Department the information they need to have in order to make their policy decisions for diplomatic or military moves.

SOMETIMES, of course, the estimators assigned to any "task force" cannot agree on what interpretation to make of their intelligence. The problem then passes to the Intelligence Advisory Committee. This group is headed by General Smith. Its other members are W. Park Armstrong, Jr., of State Department's intelligence research, and the heads of intelligence for the three armed services: Maj.-Gen. Alexander R. Bolling, Army G-2; Rear Admiral Felix Johnson, chief of ONI—Office of Naval Intelligence; Maj.-Gen. Charles F. Cabel, A-2 for the Air Force.

Intelligence reports go primarily to the National Security Council, which is the country's top policy committee. In addition to the President and Vice President, it consists of Secretary of State Archon, Secretary of Defense Marshall, Chairman W. Stuart Symington of National Security Resources Board and General Smith.

The reports are constantly revised and brought up to date. And by this system, General Smith believes that the government is now equipped to avoid the intelligence breakdowns of Pearl Harbor and Korea.

Pastor Reports Big Attendance

(The following article was submitted by the Rev. Ralph E. Perkins, pastor of the First Baptist Church.)

The high spiritual hours enjoyed by the membership and visitors of the First Baptist Church during the highly successful two-week revival is bearing fruit in an increased attendance in all phases of work during the week. Truly the Lord's work ought to be first in the hearts of all people who would enjoy to the fullest the draught of life. A few always desire the dregs of common things.

A hearty welcome is always awaiting all who visit the First Baptist Church, that has the name of "One of the friendliest churches in the state", and truly it is. If you have no church home, or if visiting in the city for a while come visit with us and make this your church home. The doors are always open for membership.

The officers of both Sunday school and Training Union are making adequate preparation for an increased attendance on the Lord's day. The pastor is conducting a class at 10:15 in the main auditorium for those who have joined the church during the past six months, either by baptism or by letter or statement. There have been one hundred and fifty additions during the past six months. The Lord's supper will be served at the morning hour and the ordinance of baptism at the evening service. You are always welcome at the First Baptist Church.

Mission Study Lesson Monday

Mrs. C. E. May, Mrs. Vernon Deffebach, and Mrs. Price Crawley will present the Mission Study lesson under the direction of Mrs. Lowell Rainwater at 3:30 p.m. Monday afternoon in the First Methodist church.

Mr. and Mrs. Thurman Taylor of Big Lake, Texas have been visiting his cousin, S. M. Shell and Mrs. Shell.

Sunday School Convention

The state Sunday school Convention that will convene in Amarillo at 1:30 Monday and closing Wednesday at noon will be one of the highlights in Baptist work during the spring. Several cars of messengers are leaving the First Baptist Church Monday morning for Amarillo. Those desiring to attend will phone the pastor or the church office.

Both state and southwide leaders will conduct conferences and speak during the three day session. The Southwide slogan for Baptist Sunday schools for the past two years has been, "Bring the Family to Sunday School." Truly this has been a key note in the 600,000 increase in Sunday school attendance for Southern Baptist Churches during the past year. The Baptist of the south have a goal of 1,000,000 as a record of increased enrollment for this year. "Bring the Family to Sunday School" is a slogan of merit for all Baptists.

Baptist Zone Meet At Cisco

The Training Union Department of the Cisco Baptist Association will meet in the First Baptist Church of Cisco, Sunday afternoon April 15 at 3:00 o'clock. The officers and members of all the Training Unions are urged to attend this inspirational meeting.

The officers of both the East and West zones are to meet at 2:15 in the First Church of Cisco. Mrs. J. J. Jones, Associational Training Union Director is urging pastors, deacons and all other leadership of the churches to attend this Sunday afternoon meeting.

The Reverend W. R. Kirkkaltis pastor of the First Baptist Church of Moran, will bring the main address of the afternoon.

Several cars will leave the First Baptist and Second Baptist Churches for the meeting about 2:30. Those desiring transportation will be at the churches by that time.

Elite Study Club Meeting

Members of the Elite Study Club met at the Odd Fellows Hall Wednesday for a covered dish luncheon and business meeting. Mrs. W. M. Eyley, president, called the meeting to order at one o'clock. Pal gifts were exchanged and new names were drawn.

Those present were Mmes. W. C. McDonough, Ethel Wright, G. O. Strong, Jim Young, John Ivy, H. E. Shipman, M. P. Williams, E. J. Greer, Joe Calder, Lorena Harrod and Laura Melton.

The next meeting will be held May 9th at the hall.

Mary Martha Class Social

The Mary Martha Class of the First Baptist Church will meet for their monthly business meeting and social Monday night in the home of Mrs. W. H. Gay, 524 Pine St., at 7:30 p.m.

Mrs. A. L. Sittles will be co-hostess.

New Era Club Meeting Wed.

The New Era Club met in the home of Mrs. W. W. Mitchell Wednesday at 4 p.m. Mrs. Howard Oliver, first vice president presided in the absence of the president. The club collect was repeated in union.

Mrs. Vernon Deffebach, program leader, introduced Mrs. Howard Oliver who discussed, "A Well Intentioned Personality." Then she introduced Mrs. B. S. Dudley, Jr., who discussed, "Emotional Maturity Necessary for Survival."

The next club meeting will be on April 19th at 8 p.m. at the First Baptist Church. At that time Mr. Baumgardner will present his Madrigal Singers and other musical numbers.

The public is invited to this program. Refreshments were served to Mmes. W. F. Creager, Arthur Deffebach, Vernon Deffebach, B. S. Dudley, Sr., B. S. Dudley, Jr., J. H. Fuller, Edwin George, Howard Oliver, W. A. Robinson, J. L. Turner and A. W. Warford.

Rebekah Lodge Meeting Tuesday

Members of Ranger Rebekah Lodge No. 244 meet at the Odd Fellows hall Tuesday evening for a business meeting which was presided over by Noble Grand, E. E. Patterson. Routine business was transacted and sick reports made. Committee reports were heard and invitations have been sent to all lodges belonging to the Oil Belt Odd Fellow & Rebekah Association which will meet here Thursday April 26th for a night session. Talks were made and the penny prize furnished by Mrs. E. J. Greer was won by Mrs. L. T. Rushing.

Mrs. Mamie Henson signed the members register. Fifteen members and one visitor were present.

Ladies Urged To Bring Eggs

The ladies of the First Christian Church are urged to bring as many eggs as possible to the church Sunday or Monday. These eggs will be sent to the Juliet Fowler Orphans Home in Dallas.

Columbia Study Club Meeting

The Columbia Study Club will meet Tuesday afternoon at 3:00 p.m. in the home of Mrs. L. R. Pearson. Mrs. John W. Thurman will give the book review.

Hospital News

WEST TEXAS HOSPITAL
L. N. (Major) Thompson is a medical patient.

Boyce Bryan was treated for a fractured ankle in the West Texas Hospital but was dismissed.

Mrs. Jack Deaton of Gordon was a medical patient but was dismissed.

Mrs. John Reauer was dismissed.

First Christian Church Sermons

Rev. A. Lynn Robbins, pastor of the First Christian Church announces the following sermon topics for the church services at the local church.

On Sunday morning at the 11 a.m. worship hour, he will preach on the subject, "Peter's Shadow," and at the evening service at 7:30 p.m., his topic will be: "The Wagons of God Roll On."

The church school meets preliminary to the morning service with classes for all ages beginning at 9:15 a.m. You are extended a most cordial welcome to attend and participate in any or all the services at the First Christian Church of Ranger.

First Methodist Sermon Topics

Rev. Garland Lavender announces the following sermon topic for the Sunday morning preaching service at the First Methodist Church, "Making Our Foundations Secure," based on Psalm 11:3.

The Chancel Choir will sing for their anthem, "Hark, Hark My Soul," by Shelley. The Youth Activities will be in charge of Mr. and Mrs. Arthur Deffebach with shuffleboard and ping pong available.

Mr. and Mrs. Albert Anderson and Billy Don of Plains, Texas, have been visiting his parents, Mr. and Mrs. A. N. Anderson. They left today to return to their home.

Captain and Mrs. Sandefer Mitchell have been visiting Mr. and Mrs. W. W. Mitchell. Captain Mitchell has just returned from Korea and will be stationed at Ft. Leonard Wood, Missouri.

CARD OF THANKS

We sincerely want to thank our many friends for their kindnesses and floral offerings during the illness and death of Mrs. Henry Grisham.

The Henry Grisham Family

Sermon Topics:

You are invited to attend the Church of Christ and hear the following sermons: Morning: "The Second Mile." Evening: "Why We Do Not use Instruments of Music in the Worship."

If you have wondered why we do not use instrumental music, we invite you to come and hear this sermon, said Floyd J. Spivy, minister. We invite all—all will find a hearty welcome.

Sequel To Father Of Bride At Arcadia Today

SPENCER TRACY and ELIZABETH TAYLOR have nothing but problems in this scene from MGM's "FATHER'S LITTLE DIVIDEND."

U. S. Says No To Suggestion

WASHINGTON, April 14 (UP)—The United States today turned down Great Britain's suggestion that Communist China be allowed to help write a Japanese peace treaty.

State Department spokesman Michael J. McDermott announced that the United States "does not contemplate discussions with the Peiping regime regarding a Japanese peace settlement."

McDermott said the United States also stood by its policy of deciding the future of Formosa by peaceful means.

The United States views, McDermott said, have been explained anew to British ambassador Sir Oliver Franks.

The British 10 days ago in an official communication suggested that Peiping help write a Japanese treaty and that Formosa be returned eventually to "China"—meaning Communist China which Britain recognizes as a legitimate government.

McDermott said the Anglo-American exchange should not be regarded as a split. He said the United States simply recognizes the Nationalist government of Generalissimo Chiang Kai-Shek while the British recognize the Communist regime.

The United States reply to the British aide memoir was disclosed a few hours before John Foster Dulles, state department spokesman on the Japanese treaty, was scheduled to leave by special plane for Tokyo to discuss the treaty with Japanese leaders and Lt. Gen. Matthew E. Ridgway, newly appointed supreme commander.

Dulles' assistant, John M. Allison, remained in Washington to continue bilateral conversations with other governments that fought the Japanese, including the Russians if they are willing.

Girl Is Raped By Armed Thug

HOUSTON, April 15 (UP)—Police today investigated the rape of a 13-year-old girl in her home by an armed man who posed as a police officer.

The girl told Police Lt. Alex Bartlingok that the man threatened her with a pistol and knife, gagged her and left her bound hand and foot with bright colored wire after placing a blanket over her at her request.

The girl was found lying on the bed in an upstairs bedroom by her father.

She said the man knocked at her door and first asked for her father, then her mother, but neither was home. Then he showed a badge, saying he was a police officer.

After entering the house and threatening to kill her father, he bound and raped her after partly disrobing her, the girl said. She said she worked her gag loose just as the man prepared to leave and asked him to cover her with a blanket.

He did, she said, and left.

Longshoremen Stage Parade

More than 2,000 Longshoremen walked off 12 New York piers at 11 a. m. yesterday and started a noisy parade to a waterfront park to protest President Truman's action in firing Gen. Douglas MacArthur.

Public opinion throughout the nation was sharply divided as extremists burned the President and Secretary of State in effigy and women organized a petition march on the nation's capital.

Encourage To Fight

NEW YORK, April 15 (UP)—The Inter-American Association for Democracy and Freedom yesterday launched "A Letter For Liberty" campaign designed to encourage Latin-Americans to fight "the terrible menace of dictatorship" in Argentina and other South American countries.

GOOD AND BAD NEWS ON SHEET

By Harry Ferguson
United Press Foreign News Editor
Balance sheet for the week between good and bad news in the hot and cold wars:

Good News

1. The Communists have challenged American superiority in the air above Korea and have lost the first round. The Reds threw 95 Russian built jets against a fleet of more than 114 jet fighter planes and bombers. The score was 35 Communist planes destroyed or damaged and two American bombers damaged. Loss of control of the skies would be a severe blow to Lt. Gen. Matthew B. Ridgway.

2. The British are planning to step up their war effort in Korea their plans call for a full Commonwealth division of some 20,000 men compared with the 12,000 British troops now fighting there.

3. Gen. Dwight D. Eisenhower apparently is pleased with what he sees and hears on his tour of units making up his Western European Army. Progress in forming the force which is counted upon to deter the Russians from starting a world war is well on schedule and each passing day is to the advantage of the Allies.

Bad News

1. Regardless of the merits of the controversy between President Truman and Gen. Douglas MacArthur, the removal of the general widened the breach between the two schools of thought on how the nation's foreign policy should be conducted. The bitter feeling was exemplified by the demand on one hand that President Truman be impeached and a charge on the other that MacArthur had been heading America straight toward World War III.

2. Red China refuses to discuss or even recognize indirect offers that an attempt be made to settle the Korean War by negotiation. Peiping seems determined to carry on the war indefinitely, take damaging losses and hope that the Western Powers eventually will tire of the conflict and withdraw their forces.

3. Moscow made threatening gestures against Yugoslavia. A bitter propaganda broadcast accused Marshal Tito of violating the territorial integrity of four Russian satellites—Albania, Romania, Hungary and Bulgaria. The Russians said Tito was being urged on by Americans who wanted to use Yugoslavia as the springboard for a World War.

Men Grab Women On Rome's Streets

ROME, ITALY, April 15 (UP)—A pretty woman—or for that matter any woman—wasn't safe in Rome today.

Hundreds of young men with weird hats stalked the streets grabbing blondes, brunettes and redheads. They demand a kiss or one lire (a fraction of American cent).

Dope Runners Can't Get Bond

EDINBURG, April 15 (UP)—Four or five Fort Worth and Houston men arrested in two major narcotics hauls in the Rio Grande Valley remained in jail in lieu of bond today as friends sought to scrape up the required money.

Raymond Lee Gray, of Fort Worth, was let out when his two brothers at Harlingen posted his bond.

But Raymond Alsop, arrested with Gray Wednesday night, still said he doubted if he would be able to get bond papers signed. He was held at Brownsville.

At Edinburg's jail where Calvin Terry Lee, 50, George Spencer, 19, and Norman Adams, 41, all of Houston. However, friends of the trio were reported in Houston seeking bond.

The Houstonians were charged with smuggling \$60,000 worth of Heroin from Mexico.

The two Fort Worth men were arrested north of Harlingen in separate cars. Customs agents found 11 1/2 pounds of rough marijuana and 1,000 marijuana cigarettes in Alsop's car.

Ohio Couple To Be Extradited

OKLAHOMA CITY, April 15 (UP)—Gov. Johnston Murray today signed extradition papers to send an Ohio couple charged with

D. E. PULLEY
Jeweler
Diamonds - Watches - Jewelry
Silverware

child stealing back to their home state.

However, Charles Adams, attorney for Mr. and Mrs. Herman F. Moehle, formerly of Marion, O., said he will seek a District Court order preventing the couple's return to Springfield, O., where they are charged.

Stanley N. Husted, Clark County, Ohio, Prosecuting Attorney said the indictment was returned against the couple by a grand jury after they left the state 1 a s t month with Mrs. Moehle's two children by a former marriage, Jimmy, 13 and Sandra Jean, 10.

Young People's service 7:00 P. M.
Evening Service 7:30 P. M.

FIRST CHURCH OF CHRIST SCIENTIST
Eastland, Texas
Plummer and Lamar Streets
Reading Room open Tuesday and Friday from 2 to 5 P. M.

You have called a man to become your minister; you have chosen him with calm deliberation... with great care. That means that you desire a spiritual church in the service and worship of God.

The minister is your prophet, even as he is also the prophet of the Most High. It follows that you have promised to harken to the message which that "preacher-prophet" is to bring. Else, why did you make him your minister? He expects, through prayer and meditation, to find the will of God for himself and for you and for our world. Listen then to what the divine purpose for you may be!

The preacher is the leader of his people, under the Spirit of God. How necessary that there shall be women and men to follow where he marks out the path of Christian living! That likely means regular attendance at the services of prayer in your church. It means also an eager listening to the Scriptural exposition, in which men find what God has for them to be and to do, as well as the blessed aid of His Spirit in all one's efforts.

The Church is a fellowship of women and men, inspired by the example and the teaching of the Master, united about the Spirit of the Lord Jesus Christ, and committed with Him to the coming of the Kingdom of God upon the earth. It takes us all together to create and to maintain such a healing and strengthening and comforting fellowship. You and I need the divine comradeship which the church affords. Let's do our part to make a good church in our community; God will do His part, we may be sure. As much so as does the Preacher, we have a ministry to carry out. "Take heed to the ministry which thou hast received in the Lord, that thou fulfill it..." Attend your church.

It Takes a Lot of Figuring—

... to make ends meet these days, but it doesn't take too much calculating to find out where we are going. We need to do more thinking and acting for our own good. Some folks know they need an abstract but keep putting off the job of having it made. While we are quite busy for the moment making abstracts for others, we are not too busy to make yours. Come in today, or any day, and let us figure with you.

TROUBLE IS ON THE MAKE

TEHRAN, Iran, April 14 (UP)—Scores of armed police converged on Tehran's Parliament Square to prevent a scheduled pro-Communist rally while fears mounted of renewed outbreaks in the southern Iran oil fields.

(British foreign secretary Herbert Morrison told Commons in London today that nine persons including two British seamen were killed in yesterday's riots at the oil town of Abadan, southwestern Iran.

(Morrison said the government would "not hesitate to take appropriate action" to protect Britons in Iran.)

Defiant leaders of the scheduled demonstration toured Tehran in cars equipped with loudspeakers. They blared out a call for all "true Iranian patriots" to attend the mass rally later in the day.

Gen. Abdul Hussein Hejazi, chief of police, last night banned all public meetings on grounds they would "interfere with traffic."

Premier Hussein Ala conferred with the Shah this morning on the tense situation. Anti-British feeling has risen with the Iranian Parliament's decision to nationalize the oil fields despite British protests.

★ THE SCOREBOARD ★

'No-Name' Stengel Identifies All Players Only by Pantomime

BY HARRY GRAYSON
NEA Sports Editor

NEW YORK—(NEA)—In the best Stengelian, the Yankees have the slickest double-play combination in "the little fella" and "this here other guy."

The agile infielders are, of course, Phil Rizzuto and Jerry Coleman. Like a couple of other old-time managers, Casey Stengel doesn't bother about names. Perhaps it's the influence of Wilbert Robinson, under whom the head man of the New York Americans broke in as a major leaguer in Brooklyn. Uncle Robby was known to keep players with names difficult to pronounce out of the batting order because he couldn't spell them, and didn't want to ask.

Connie Mack to this day thinks his great catcher, Mickey Cochrane, was Corcoran. Groves remained Groves even when Lefty, not a name-thrower himself, told the kindly man who managed the Athletics for 50 years that it was Groves.

Babe Ruth was another magnificent baseball figure who never fooled with names. Everybody was "Kid."

Stengel puts on a vastly superior show than did Robinson, Mack and Ruth identifying the Yankees and all other ball players by size and characteristics. The weather-beaten gent who quit pulling teeth to pull World Series home runs for John McGraw does it by inimitable pantomime.

Joe Dimaggio, you would know, is "the big guy." Hank Bauer is "the quick fella," because of his speed on the bases. Bill Johnson is "The Bull." Allie Reynolds is "The Indian." Eddie Looat "the smart fella." Yogi Berra just "that there fella." Whitey Ford was "The Kid," Bobby Brown "The Doc."

Speaking of the Bombers' pitching acquisitions, Linguist Stengel says: "None of the new guys except the young fellow" has shown much." He means he likes Tom Morgan, the 20-year-old right-hander from Binghamton of the Eastern League who turned in 19 consecutive scoreless rounds.

Mickey Mantle, the phenomenal recruit, already is "Muscles," and so on down the line.

"The old guys are just getting in shape and I'm just looking at the other guys," is a typical Stengel quote.

"The guy I was hoping would come back to help us was 'the fat guy.' Me's (Spec Shea) the guy we know can win up here. Before he was hurt he was really loose, throwing from way back here." Ol' Case lifts his arm way back.

CUSTOMS MEN MAKE HAUL

EDINBURG, April 14 (UP)—Three Houston men and two from Fort Worth have been jailed in connection with federal seizure here and at Harlingen of narcotics worth \$75,000 on the underworld market.

The Houston suspect, George Spencer, 19, Calvin Terry Lee, 50, and Norman Adams, 42, were captured by U. S. Customs Agents who said they possessed 23.8 grams of Heroin, enough for 23,000 "shots."

Raymond L. Gray and Raymond Alsop, the two Fort Worth suspects were put under \$1,000 bonds. Gray posted his bond this morning and was scheduled to be released around noon. Alsop told U. S. Commissioner Carlos Watson he didn't think he could post a bond.

Customs Agents trailed Gray and Alsop 25 miles north of Brownsville Wednesday night and found a thousand Marijuana cigarettes and 11 1/2 pounds of bulk Marijuana, valued at about \$15,000, in their automobiles.

Agents Herbert Scott and Lake R. Rymer of McAllen, acting on a "tip," picked up the Houston men as they returned from Ciudad Aleman, Mexico, across the Rio Grande from Roma, Tex.

The officers said they trailed the trio's truck 75 miles to Edinburg and made the arrests as Lee, Spencer and Adams finished their supper in a cafe.

The Heroin was found in a pocket strapped under Lee's left sock and covered by the top of his cowboy boot.

The drug is a processed form of Morphine forbidden in the United States under any circumstances.

U. S. Commissioner J. C. Hall set a \$2,000 bond for Lee, and bonds of \$1,000 each for Spencer and Adams.

Customs Agency Chief Bernard McLeish in Brownsville estimated the Heroin would have brought \$60,000 on the underworld market.

He said it tested 86 per cent pure and would have made 25,000 12-grain shots.

The Fort Worth men were arrested by Agents O. J. Dompier, John R. Kent and Joe F. Ray, who withheld the names pending arraignment.

New Locations Made In Area Of Eastland

P. S. Kendrick & R. G. Piper are to drill the No. 1 J. L. Fox, an offset, four miles southeast of Eastland, 1,650 feet from the north and 330 feet from the east lines of Section 44, League 3-4 McLennan CSL. Depth is 1,900 feet with cable tools.

Edgar H. Staper of Los Angeles has filed location for the No. Oliver Canet, offset, in the same area, 440 feet from the north and 1,100 feet from the west lines of Sections 53, Leagues 3-4, McLennan CSL. Depth is set at 1,650.

Five miles west of Eastland, Bert Fields has staked three projects.

The Fields No. 2 V. M. Smith is located 377 feet from the North and 439 feet from the west lines of the northeast quarter of Section 60, Block 4, H & TC.

The No. 3 Smith will be 467 feet from the north and 1,596 feet from the east lines of the same section.

The No. 1 J. W. Hilgenbert is to be located 1,310 feet from north and 330 feet from the east lines of the northwest quarter of section 60. Projected depth is 4,000 feet with rotary.

In the Bankline Owen Field five miles northwest of Eastland Strahan and Barton will drill the No. 1 Matthews Estate 1,650 feet from the north and 330 feet from the east lines of Section 59, Block 4, H & T C Survey. Depth will be 4,000 feet with rotary.
