SHIPPING IS TIED UP NOW

NEW YORK, June 16 (UP)—CIO Maritime Unions went on strike today on the East, West and Gulf Coasts in an effort to tie up all the nation's non-defense ocean shipping with demands for higher wages and shorter hours.

Eighty thousand seamen, engineers and radio operators began refusing to sign up for new berths in East and Gulf Coast Ports shortly after midnight EDT when Union contracts expired and negotiations here reached a stalemate.

The strikers were joined 4-12 hours later by West Coast CIO radio operators who likewise were unable to reach agreement on a new contract with West Coast ship owners in San Francisco.

The strike, called by the National Maritime Union (N.M.U.), the American Radio Association (C.I.O.) and the Marine Engineers Beneficial Association (C.I.O.), was to enforce demands for a 40-hour week, 25 per cent pay increase, a vacation plan and other benefits.

Special police strike patrols were ordered to New York's waterfront early today. But they reported that all was quiet.

Baptist Will Hold Revival

By Rev. Jasper Masseege
The Second Baptist Church enters a week of evangelistic service beginning with the Sunday services and continuing every night at 8:00 o'clock through June 24. Rev. Jasper Masseege, pastor, will be in charge and Clyde Rodgers will direct the singing. Testimonials of God's saving grace will be an important feature of the services.

Jimmie Houghton will give his testimony Monday night telling the group how the Lord's grace was sufficient for his conversion one night shortly after midnight in the Eastland County jail. You will not want to miss Jimmie's testimony.

Christians and all who love the Lord are invited to support the revival with their prayers and attendance this week. Claim God's promises and come, (2 Cron. 7:14) The services will be held each night at 8:00 o'clock June 17-24. Thirty minute prayer meetings will precede each evening service beginning at 7:30. A large group of boys and girls of Junior age are expected each night and this group will bring special singing during the revival.

Cisco District Methodist Rally Set On Monday

Methodist Churches of the Cisco District will have a rally Monday evening at 8 o'clock at the First Methodist Church in Cisco. This will be the regular quarterly district youth meeting. Miss Jessie Elizabeth Whaley of Eastland will be one of the speakers for the youth meeting.

Also meeting in another section will be adult leaders from all of the churches: Church School Superintendent, Chairman of Board of Stewards, President of the Woman's Society of Christian Service, and Pastors.

Rev. Leslie W. Seymour, who begins his second year as superintendent of the Cisco District of the Methodist Churches, will preside at the adult meeting.

The local youth and adults will meet at the Methodist Church to group in cars for transportation.

LONE STAR IS BUILDING A RADIO TOWER NEAR RANGER

A radio tower is being erected at the Lone Star Plant six miles west of Ranger on the Breckenridge Highway for the use of Lone Star's mobile units, communication between plants, as well as being available for use in emergencies which could arise in Ranger.

The tower is about 185 feet high but will be 300 feet when completed. C. O. Diller, Supt. of the Electrical Department with offices at 1915 Wood Street, Dallas, said that the work will be complete and the tower in use in about 30 days.

Lone Star has long been recognized as an asset to Ranger. The Compressor Department alone employs enough local men to have 54 families living in the Ranger District. Lone Star brings a large payroll to this area and is beneficial to the whole of Eastland County.

ANDERSON CHEVROLET CO. CELEBRATES POWERGLIDE RUN

Celebrating the production of 500,000 Powerglides, Chevrolet dealers throughout the country have set aside a special period for the demonstration of its Powerglide automatic transmission to the public.

According to Anderson Chevrolet Co. the activity here will run from June 18 to June 30.

"Because of automotive shortages that continue to exist," Anderson Chevrolet's, "Powerglide to many automobile owners so far is merely a name. We have, of course, been able to demonstrate its advantages to many customers but due to demand, the opportunity to do so has been limited."

"Now, observing a production milestone and an extremely meritorious manufacturing achievement, we are devoting two weeks to demonstrations. We have arranged to obtain an adequate number of Powerglide-equipped passenger cars will hold them through this period exclusively for demonstrations."

Mr. Anderson pointed out that Powerglide differs from other automatic transmissions on the market in that it represents a completely automatic "Power Team." Included, besides the revolutionary automatic shift, are a more powerful engine of 105 horsepower and an "Economiser" rear axle.

"The opportunity for mass demonstrations here will show what owners have learned in more than a billion miles of driving." "Even a brief trial will prove that Powerglide-equipped cars are easier and more restful to drive."

"With Powerglide, the car has no clutch. This means the elimination of hundreds of manual operations in the course of an average day's driving. The result is that a driver finishes the day more refreshed and relaxed. A person has to experience the effortless process of automatic Powerglide fully to appreciate its advantages."

"We urge everyone not acquainted with Powerglide to visit our showrooms during the special demonstration period to find out for himself all the advantages of Powerglide automatic transmission."

Chief Johnson is getting ready to put his men through the paces and he hopes to eventually get the equipment needed to fight a fire efficiently.

Word comes that Mr. Hall Walker has given the company a beef to be barbecued some time in July. Now if a few other civic minded gentlemen will come forth with the trimmings "Smoke-eaters" will eat barbecue July 5th.

Commissioner John Taylor Eg-an of the United States Public Housing Administration said the proceeds will refund outstanding privately financed temporary notes, pay back advances from the government and provide additional money to complete construction of about 100 low-rent projects. The bids will be for several million dollars in bonds throughout Texas.

Volunteer Fire Chief of the R.V.F. alerted that department last night to stand by in case of disaster when a huge black cloud passed over Ranger about 11:30 p.m. The Ranger Volunteer Fire Department has always stood by during all local emergencies and has often given a great amount of aid. The group have even policed the town.

Mr. and Mrs. George Rogers said today that they wish to thank each and everyone of the persons who aided in the putting out of the fire at their home this week. They said that no amount of thanks would ever be sufficient to show their gratitude. The couple said that it showed the true neighborly spirit of the people of Ranger.

Truman Signs Papers Today

WASHINGTON, June 16 (UP)—President Truman today signed papers ratifying a permanent organization of American states.

The charter, drawn up at the 1948 Bogota Conference, binds together the 21 American republics in a regional organization within the frame work of the United Nations.

The United States became the 12th nation to ratify. At least two more must sign before the agreement becomes effective.

Truman said in a statement that he is very gratified to see the 20 South and Central American republics join the United States in a demonstration of "hemisphere unity."

"In the present period of world tension," he said, "that unity assumes an even greater importance. The moral, material and military strength of the western hemisphere is rooted in this unity in the cause of freedom. The destinies of our 21 nations are closely linked together for the security and for the well being of our respective peoples."

"We are bound together by a common task and by common beliefs; we must move forward together working always in close cooperation."

GUARD FIRED FOR SHOOTING

SUGAR LAND, June 16 (UP)—O. B. Ellis, manager of the Texas Prison System, disclosed today that he has fired a guard at Harlem Prison Farm No. 1 for shooting an inmate.

Ellis said he fired B. W. Anderson after an investigation into the shooting of Alcario Sanchez, serving a five-year term from Travis county for murder. He was hit in the knee by a charge from a shotgun.

Warden Joe Hines said the shooting occurred as three work squads were moving from one field to another.

According to Hines, Anderson said he fired after Sanchez advanced on him with a hoe from eight feet away.

But the Warden said several pattern tests of the shotgun were made on targets after Ellis arrived. He said these tests showed that the spread of shot indicated the inmate was 25 to 30 feet from the guard when the shot was fired.

Firemen Alerted During Night

Volunteer Fire Chief of the R.V.F. alerted that department last night to stand by in case of disaster when a huge black cloud passed over Ranger about 11:30 p.m. The Ranger Volunteer Fire Department has always stood by during all local emergencies and has often given a great amount of aid. The group have even policed the town.

MacArthur Will Wind Up Texas Tour In Cowntown

HAIL DOUGLAS MacARTHUR Hero, General, American

(An Editorial)
General Douglas MacArthur is in Texas and is aiming direct attacks at the Truman administration while being cheered for it by thousands and tens of thousands of loyal Texans. Texas likes winners and MacArthur is a winner no matter what Truman and his crowd think about it.

The Dallas Morning News ran an editorial which was worthy of being read by every man, woman, and child in America. In it the editorial writer stated that "This business of negotiating freedom and horse trading with dictators may be great stuff at Blair House or in Missouri. But it is no go in Texas."

We didn't ask to go to Korea. Tens of thousands of us didn't rightly know where that little country was. But when Texas blood wet Korean soil, we bought ourselves a stack of chips. We're aiming to sit in. And we don't aim to accept any deal off of the bottom of the deck.

The general talks and shoots straight and could be the man to lead Texas and the nation out of the mess the Missouri graft gang has pulled us into. He is being cheered by the men and women who make up the real America. An America that isn't afraid to say what she thinks and believes and to fight and if necessary die for those principles in which she believes. Lets all back the general. When he passes through Ranger enroute to El Paso, should he accept the El Paso invitation to visit that city, lets line the highways to cheer his Cadillac as he drives through. Mac's our kind of people. Lets treat him like it. Hail a great general, a great hero, and a great American.

Paris Streets See Riots On Election Eve

PARIS, June 16 (UP)—Thirty persons were injured early today in fierce street clashes between rival political factions on the eve of Sunday's nation-wide parliamentary election.

The biggest clash came when Leftists and right-wing supporters of Gen. Charles De Gaulle tried to break up a meeting organized by Jacques Isorni, lawyer for Marshal Henri Philippe Petain who is serving a life prison term as the "traitor" head of the wartime Vichy government. Isorni is campaigning on a frankly "pro-petain" extreme nationalist ticket.

Petainists and anti-petainists fought with chairs and clubs in the Wagram Hall where Isorni's meeting was held. They continued fighting outside when Police intervened.

A grocery was reported virtually ripped apart, one tourist car was heavily damaged, a cotton gin was nearly flattened and several houses were either unroofed or twisted about on their foundations.

East of town, on U. S. Highway 80, the Highway Patrol reported that construction material along the highway had been hard hit by the twister but there was no estimate on damages.

An unconfirmed report said that a couple sleeping in one of the damaged tourist cabins had been slightly injured.

Mrs. W. L. Bradshaw, on duty at her husband's restaurant when the storm struck, said that lights in the city went out at 10:30 p.m. as rain and high winds hit the city. About 15 minutes later, she said the roaring tornado hit the downtown area.

"It took two men to hold the kitchen door on the back of our safe," she said. "Everything happened so fast we hardly knew what hit us."

See The Sarge As In The Army

DALLAS, June 16 (UP)—Protection for Gen. Douglas MacArthur at his Adolphus Hotel Penthouse improved last night after complaints of lack of police guarding the stairway.

Maj. Gen. Courtney Whitney, aide to MacArthur, found his way blocked. Asked how he finally got by the police, Whitney laughed and said:

Army's evening communique reported no allied advances—only patrol activity.

The 8th Army apparently was digging in at some points 20 to 25 miles north of the 38th Parallel to await fresh supplies and ammunition before lunging north in force again.

Lt. Gen. James A. Van Fleet, commander of the 8th Army, indicated that the enemy may strike first.

"OLD SOLDIER" MAY FADE AWAY IN LONE STAR STATE

United Press Staff Correspondent
By H. D. Quigg
FORT WORTH, June 16 (UP)—Gen. Douglas MacArthur today winds up his blistering Texas tour.

The weather has been blistering, the pace blistering, and the speech-making aimed at blistering the hide—and prestige—of his Truman Administration enemies, both political and military.

The "old soldier" is showing signs of becoming an old campaigner. In five speeches within four days, he has taken his case to the public. He has stumped Texas from the Alamo to the Cotton Bowl, from the steps of the state capitol to the sea wall at Galveston.

The scene of his fifth and final Texas speech (at 3 p.m. EDT) was Farrington Field, a Fort Worth high school football stadium. The speech was preceded by a motor trip here from Dallas and a parade through downtown Fort Worth.

The Fort Worth speech was the final in a series of oratorical blasts delivered in the manner of a military maneuver which artillerymen call "time on target" fire. That's done by firing big guns separately and from different locations but in such a way that all the shells fall at once on one target.

MacArthur's Texas blasts have landed with precision, and in effect, as one blast on one target—the Truman administration, which relieved him from his Far Eastern commands last April.

In the round of parades and public addresses since last Wednesday, MacArthur has shown his striking face to upwards of 1,000,000 Texans. In some cities the onlookers were wildly enthusiastic; in others they seemed interested but not overly demonstrative.

In all, he has visited six cities, and on a round-trip drive from Houston to Galveston he said hello to crowds in several smaller cities. He laid wreaths at soldier monuments, kidded with mayors, accepted numerous gifts (including a Cadillac sedan from the Houston Elks), and declared that Texas would be a nice place in which to fade away.

All the while he hammered away at the administration and its "constant flow of propaganda calculated to weaken our faith in ourselves," its "counselors of timidity and fear," its tendency to "understate our own strength and overrate that of others."

He said nothing was more infuriating than to find on his return to this country that "the mass of the American people do not support false concepts." He said the people "are aroused." And in two speeches yesterday he urged them to act.

At the Alamo in San Antonio he said:

"What, I have been asked, is our greatest internal menace? If I were permitted but one sentence of reply, but one phrase of warning—it would be end invisible government based upon propaganda and restore truly representative government based upon truth."

At the Cotton Bowl in Dallas last night he said:

"We should concern ourselves over this propaganda only insofar as it might be symptomatic of a general moral deterioration in administration—a lowering of the standards which traditionally have guided our conduct of public affairs. Its correction rests in our own hands. For no administration in a Republic can long defy the public opinion when adequately and vigorously expressed."

"Such is the case in our country today."

met light to moderate resistance today.

The Communists fought back fiercely on the two main roads leading into Kumsong, anchor of their new central front defense line 29 miles north of the 38th Parallel.

Allied forces stabbing up the Kumsong-Kumsong and Hwachon-Kumsong highways were believed less than nine miles from the junction city. UN carried-based planes helped by destroying five enemy anti-tank guns and killing scores of Reds in the Kumsong area.

Communist rear guards screening an enemy withdrawal on the east-central front launched two battalion-sized counter-attacks above Inje last night and early today, but both were repulsed.

It was in this sector north of Inje that UN forces made the only Allied advance reported yesterday—2,000 yards.

DEMOCRAT SENATOR CHARGES MACARTHUR IS IN THE RACE

WASHINGTON, June 16 (UP)—Sen. Robert S. Kerr, D., Okla., said today that Gen. Douglas MacArthur's speaking tour in Texas means the general's gold braided cap is in the presidential ring to stay.

"The 'Kado' rides again," was Kerr's description of MacArthur's current Texas swing and his consistent criticism of administration foreign policy.

"If MacArthur is not trying to ride into the White House, there's not a steef in Texas," Kerr told a reporter.

Despite MacArthur's twice-reiterated statement that he will not be a candidate for public office, Republicans and Democrats alike are virtually "counting the House" at each stop he makes in Texas. They regard the trip as a bell-wether to test the general's political appeal.

Upon arrival in Dallas last night, MacArthur brushed aside a newsman's query as to whether he would accept an invitation to return to Washington for rebuttal testimony before the Senate Committee investigating his dismissal.

"Haven't seen it," MacArthur said.

Committee chairman Richard B. Russell, D., Ga., announced late yesterday that MacArthur would be given an opportunity to reply to testimony of the Joint Chiefs of Staff and other administration officials. Several Republican Senators have demanded a re-appearance by MacArthur.

Sen. Tom Connally, D., Tex., said he favored the earliest possible end to the hearings because little in new information had been added since MacArthur's own testimony and that of the Joint Chiefs.

CHRISTIAN SCIENCE SERVICE

That God constantly maintains that which he created is the theme of the Lesson-Sermon entitled "God the Preserver of Man" to be read in all Christian Science churches on Sunday, June 17. At the outset, the Golden Text declares, "The Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom" (II Timothy 4:18). God's never fluctuating care is further seen in this verse from Psalms 121. "The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore."

The Lesson-Sermon is concluded with this statement from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "The relations of God and man, divine Principle and idea, are indelible in Science, and Science knows no lapse from nor return to harmony, but holds the divine order or spiritual law, in which God and all that He creates are perfect and eternal, to have remained unchanged in its eternal history" (page 470).

TPA MEMBERS SHAKE HANDS WITH GENERAL

DALLAS, June 16 (UP)—Gen. Douglas MacArthur for the first time on his whirlwind tour of Texas shook hands today with some 300 guests at a breakfast of the Texas Press Association.

The general, his wife, and son, Arthur, and military aides spent about half an hour at the breakfast.

Introduced by Fred Messingill, Jr., Terrell, President of the Association, MacArthur said: "Your chairman told me I didn't have to make a speech, and I don't want to make a liar out of him. I'm glad to be here and I hope to see and talk personally to each of you."

The general then began shaking hands with each of the editors and their wives.

A former president of the Texas Press Association, Arthur LeFevre, Houston, now publisher of an oil company's house organ, said as MacArthur shook hands with him: "God bless you, general." MacArthur smiled.

... to the little boy's question—"Daddy, what is an abstract and what kind of an abstract do we have to our place?" That's a searching question. If the answer is—"I don't know. All abstracts are about alike and one is as good as another"—it isn't a satisfactory reply. But if the answer is—"Son, we have a dependable abstract because I know the people who made it are dependable, and we won't worry about the rest", that's a good answer.

Father's Day Services Sun.

The Morning Worship and Communion Hour at 11 a.m. in the local First Christian Church will be dedicated to the theme of Father's Day this Sunday. Special recognition will be given to all Father's present and to their sons and daughters. The pastor, A. Lynn Robbins, is home from his two weeks of teaching in Christian Youth Camps and has chosen as his theme for the morning service: "I Have Gotten A Man." Mother's Day has been greatly emphasized in recent years by our churches and organizations; but Father's Day should be equalling important because of the influence of Godly fathers in their homes. The members and friends of the First Christian Church hope that you will accept their invitation to worship and inspiration this Sunday and this service or any others offered in the church program. Don't wait for the ambulance to bring you to church; begin the habit of going to church as a family today.

The evening worship service of the First Christian Church will have the pastor speaking on "I Believe in the Forgiveness of Sins" at 8 p.m. This is sermon number eight in the current series "We Believe" based on the great universal doctrinal points emphasized by all churches in the Apostle's Creed. This will be the next to last sermon and will deal with the great promise of Christ and the Church; that no matter what our past deeds may be, we can receive forgiveness. Again you are extended a most cordial welcome to any and all of the services at the First Christian Church of Ranger.

WCS Publications Program Monday

The Woman's Society of Christian Service of the First Methodist Church will meet Monday afternoon at 4 p.m. at the church.

The program will be a "Publications Program" with Mrs. W. F. Creager in charge. All members are urged to be present.

Special Services Honoring Fathers

Father's Day will be observed at the First Methodist Church, Sunday morning, June 17 with an appropriate message for the occasion. The pastor will use for his sermon subject, "A Father's Failure," based on II Samuel 18:33 where King David grieves over his own failure as he mourns Absalom's untimely death: "And the king was much moved, and went up to the chamber over the gate, and wept: and as he went, thus he said, O my son Absalom, my son, my son, Absalom, would God I had died for thee, O Absalom, my son, my son!"

After the usual general assembly of all adult classes at 9:45 a.m., each of these groups will meet for discussion of the lesson in their respective places. The male quartet will sing at the general assembly. The pastor states that "Our Church school is well organized with capable teachers for all groups. There is a class for everyone from the youngest child to the oldest adult who cares to attend. All those who attended the Vacation Bible School for the past 2 weeks, will want to be in your class for Church School activities."

The morning worship service will begin at 10:50 with the organ prelude. The choir will enter the sanctuary at 10:55, and will sing for the anthem: "Turn Ye even Unto Me", by Harker. Most of the chancel choir here of late is composed of young people who are rendering a great service to this church and its program. Fred Baumgardner will direct the choir in the anthem and responses.

The evening service will begin promptly at 7:45 with the usual soul stirring song service, with the songs being selected by members of the congregation. The sanctuary is comfortably cooled, and all are urged to dress in comfortable clothes. You are always welcome to attend all services at the Methodist Church.

Mrs. A. D. Wynn who has undergone major surgery in a Fort Worth hospital, is reported to be improving and Mr. Wynn hopes to bring her home this weekend.

Statistics Of 1st Baptist VBS

The Vacation Bible School of the First Baptist Church closed Friday evening on the same high note that had characterized the school during the entire two weeks. There was a large attendance of both parents, visitors and children the Commencement program that was presented by the Nursery, Beginner, Primary, Junior and Intermediate Departments as stated by an official of the church.

After the joint worship service in which the congregation joined with the children in giving the pledges to the American, Christian Flags, and to the Bible, and the program, the children marched from the Auditorium to the various departments and viewed the hand work done by the other children. The parents and friends left the auditorium and went to the departments where they viewed the hand-work done during the 2 weeks.

This was the largest school in the history of the church, according to the records of the church. A brief sketch: 258 enrolled; 200 average daily attendance; 107 pupils with perfect attendance (10 day); 28 one day pupils; 68 members on the faculty; a \$25.00 mission offering by the children; a \$25.00 free-will offering. This is the largest school to be conducted in the Cisco Association in several years according to Rev. Ralph Perkins.

The special training found in Vacation Bible School is characteristic of the type carried on each Sunday during the Training Union hour. Individual training, personal supervision, and individual participation in Bible, Song, Missions, Education, Doctrine, Biography and a dozen kindred subjects are all employed each year in Training Union. It has been observed that a child who grows up in a well graded Sunday School Training Union, R.A.'s and G.A.'s and with Vacation Bible school each summer will grow into a well rounded spiritual citizen. Your child is entitled to the very best in "Christian Education." You are always welcome at the First Baptist Church.

Ann McMillan Honored With Shower, Party

Miss Jane Ann McMillan, bride elect of Jimmy Martin, was honored with a kitchen shower and luncheon party in the home of Miss Carolyn Pruett Friday afternoon.

High score was won by Miss Dena Pulley. After the games, refreshments were served on the game tables. They consisted of frozen salad and minted limeade. Miss McMillan was presented with a lovely array of gifts arranged on the lace covered dining table. The bridal motif was attractively carried out in tallies and decorations.

Miss McMillan and Mr. Jimmy Martin will be married June 24.

Family Reunion Father's Day

The families of Mrs. Beulah Wynn have arrived at her home for a family reunion and celebration of Father's Day.

This is a large family and was impossible for all to get vacations at the same time in order to be together, but many of them did come from various states. This is the first time that some of the boys had seen each other for ten years.

The following members of the family are present in the Wynn home: Mr. Clyde Wynn, who is employed in Kilgore oil fields and is away from his home much of the time; Mr. and Mrs. Anton C. Wynn and Jerry of Bakersfield, California; Mrs. Hugo Wynn, Carolyn and Ralph, Mrs. Twyla Bryan and Nathan of St. Elmo, Illinois; Arthur T. Wynn, Toledo, Ohio; Mr. and Mrs. Eldon G. W. Wynn, Marian, Barbara Ann, Eldon, Jr., and Linda Sue of Kilgore; Aubrey D. Wynn, Rita and Ronnie of Ranger.

Vacationers Return From Illinois

Mr. and Mrs. Frank Hicklin have returned from a two weeks vacation in LaHarpe, Ill.

They visited their son and family, Mr. and Mrs. James Weldon Hicklin. Mrs. Hicklin reported that they made the trip by going through the Ozarks and through scenic drive where the country was beautiful and very pleasant climate.

They were accompanied home by Mrs. James Weldon Hicklin and son, James Lewis, for an extended visit here.

Assembly of God Revival Sunday

A revival meeting will begin Sunday, June 17, at the Assembly of God Church at 8 p.m. and will continue for two weeks.

Rev. J. F. Eaves of Glenn Rose, will be in charge of the preaching services. The public is invited to attend any or all of these services.

Club to Entertain With Party Tonite

The Lone Star Ladies Club is entertaining with a bridge, canasta and forty-two party Saturday night.

The group will meet at the Community Club house at 7 o'clock and all members are invited and urged to be present.

Child Study Assn. Met Thursday nite

The Child Study Association Pre School met Thursday evening in the home of Mrs. Walter Arterburn with Mrs. Allen Smith as co-hostess.

Mrs. Smith was program leader for the evening. She presented

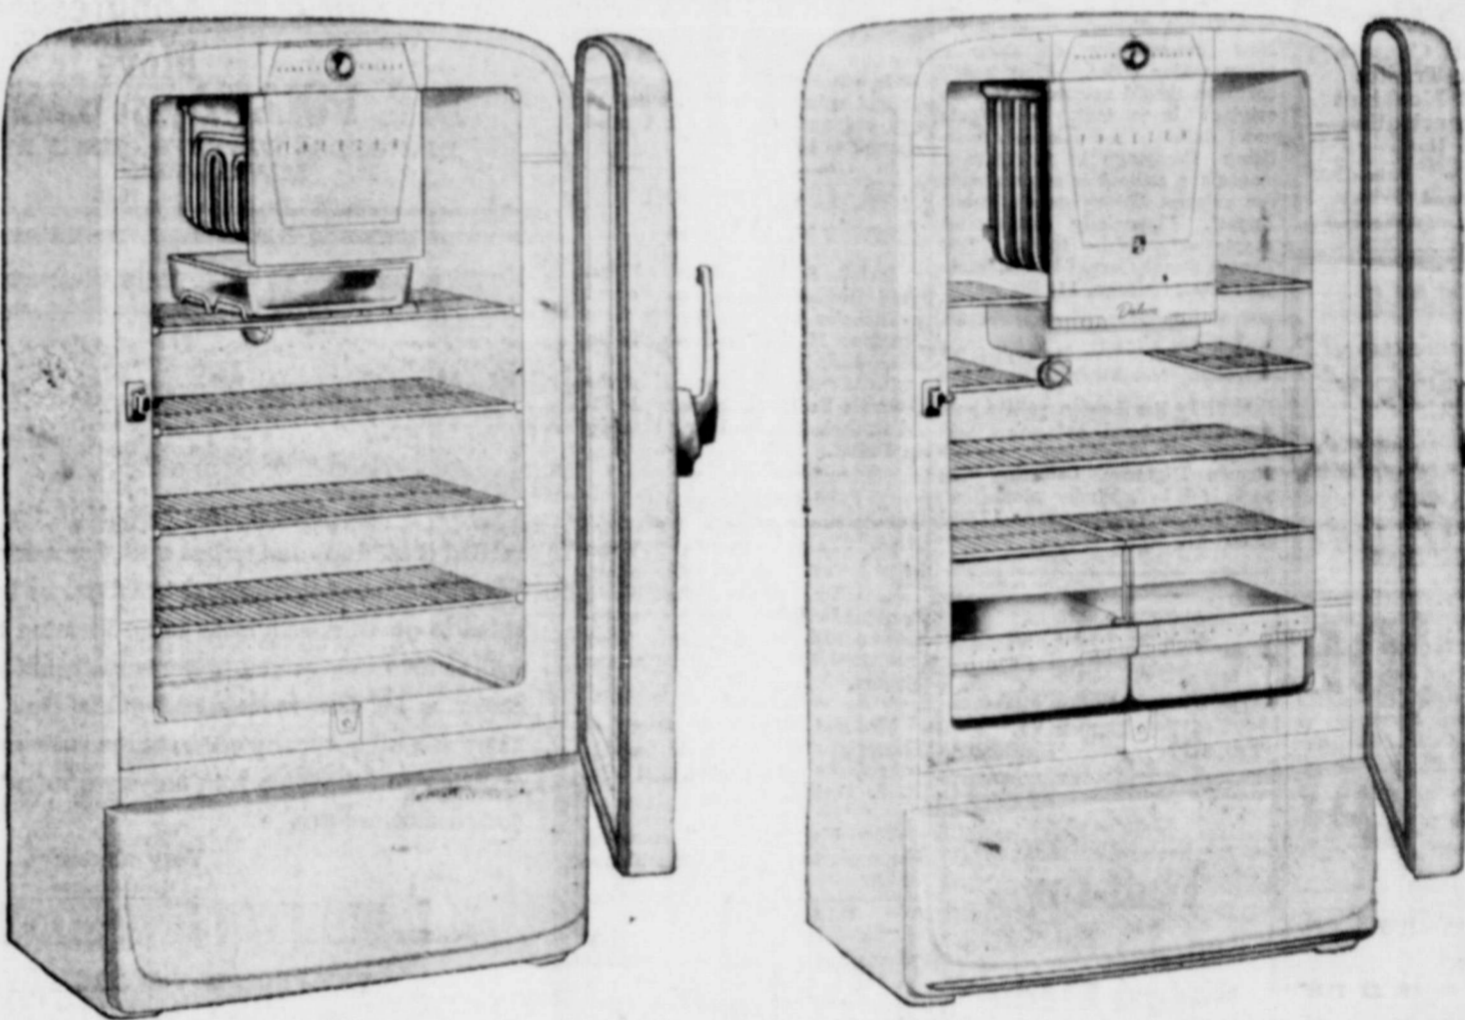

Mrs. A. G. Koenig who spoke on "Trouble Parent, Troubled Child." Refreshments were served to the following: Mrs. Alton Redwine, Carvis Beck, J. W. Elder, Jr., Glenn Covington, A. W. Warford, A. G. Koenig, R. V. Robinson, Norman Huffman, L. R. Cozby, hostesses Allen Smith and Walter Arterburn and one visitor Mrs. Tommie Wolfe.

CARD OF THANKS

We wish to express thanks to our many dear friends for the many kindnesses shown during the illness and death of our dear son O. W. House. The floral offering was most beautiful and greatly appreciated. May God bless each one.

Services Sun. Cheaney Baptist

Rev. Higginbotham, pastor of the Cheaney Baptist Church in that community announces that, "Mr. Jim Houghton is to preach at the evening services Sunday, June 17, at 7:30." The Rev. Higginbotham invites the entire community to come and worship with them at this special service, he said. "Mr. Houghton's message is of God, from the heart and to the hearts of the hearers." That, "The tone of sincerity, the depth of Christian experience reveals the power of God in the life of a man." Rev. Higginbotham continued by saying, "I heard Mr. Houghton's testimony at the workers conference of the Cisco Baptist Association on Tuesday, June 12, and at that meeting Jim delivered a soul stirring message."

The Cheaney Baptist Church invites every one to these services.

Services For 1st Baptist

Sunday services at the First Baptist church will continue as usual, with all services as scheduled. Special "Father's day" service and recognition will be held at 11 o'clock. "Father's day at 11 and Family Night at 7 o'clock."

The message at 11 will be "Typical Father's," and at 7 o'clock "The Scriptural Qualifications of a Deacon." Should a "Deacon" practice polygamy? What is meant by the term, "Two living wives"? What does James 2:10 mean, "For whosoever shall keep the whole law, and yet offend (stumble) in one point, he is guilty of all." What does Jesus say concerning divorce? The public is invited to hear this scriptural and spiritual message on the age old question, "I'm not good enough to be a deacon."

Mrs. Hughes' Son Receives Degree

Jack L. Sanderford, son of Mrs. Fred Hughes of Ranger, received a Bachelor of Laws Degree from Southern Methodist University on June 14th.

East Zone TU To Meet Sunday

The East Zone of the Training Union Department of the Cisco Association, will hear the inspiring message of Mr. Jim Houghton Sunday afternoon at 3:00 o'clock in the First Baptist Church in Eastland according to Loyd Chapman, president of the East Zone.

After roll call and the awarding of attendance awards, there will be a brief business session and then Mr. Houghton's message.

Mr. Houghton was licensed by the First Baptist church of Ranger Sunday June 10. Mr. Houghton was paroled from Huntsville prison just a week ago. From the prison to the pulpit Jim brings a soul stirring, heart warming, and an individually challenging message. According to those who have heard him.

The closing ten minutes will be devoted to the State Training Convention and the Music convention to be held in Waco, November 22-24.

Fistdom's Ex - King Impressive In Knocking Out Lee Savold Louis Looked Like Old Self

By Jack Cuddy
United Press Sports Writer
NEW YORK, June 16 (UP)—Ancient but able Joe Louis may be signed today for a return shot at the heavyweight crown in September as a reward for his impressive knockout victory over Lee Savold.

At 37, Bomber Joe clinched the title-shot by battering blond and blood-smeared Savold to the canvas for a full-count knockout at 2:29 of the sixth round before 18,179 wildly cheering fans in Madison Square Garden last night.

He could be signed today for a little fight, probably at Detroit on Sept. 12, if he is willing to give Champion Ezzard Charles a return crack at the crown in case Charles loses.

It was like old times last night as a capacity crowd roared its approval of a Brown Bomber who battered an opponent about the ring and then finished him with a left hook that packed a good charge of explosives.

Savold, at 35, lacked the style and the weapons to beat a Louis

who was giving the best performance of his come-back campaign—a Louis who was left jabbing and left hooking with at least a semblance of his old-time effectiveness—a Louis who for the first time since his return to the ring was able to put together "combinations" of punches.

Among the three ring officials, only Judge Harold Barnes gave

Savold a single round, the fifth. Judge Frank Forbes and Referee Goldstein gave all rounds to Bomber Joe, as did the United Press.

Although postponed twice by rain and shifted from the Polo Grounds to the Garden, last night's scrap drew \$94,684.

The out-pouring to see two "old men," indicated that television has been responsible for poor crowds at boxing bouts. Last night's fight was neither televised nor broadcast to the general public although it was "piped" to theatres in six cities outside the New York area.

Louis, receiving 35 per cent of the net gate, should pick up a check of about \$24,000. Savold's 25 per cent should approximate \$17,000.

Young Arthur Plays Piano

SAN ANTONIO, June 16 (UP)—Another prominent person came to light as a piano player yesterday—young Arthur MacArthur.

San Antonio's Mayor Jack White greeted the youngster on the family's trip here and asked "do you play the piano?"

Arthur replied that he did.

But when the mayor asked him if it was "like Truman" young Arthur only laughed.

His five-star father, standing nearby, also found the question amusing but made no comment.
