her, Danny Schmucker, and Eileen Venhaus.

The second team of the Nazareth League engaged the high-school baseball team in a game on May 13. The school team won with a score of 26-15.

Yvonne Marie, infant daughter of Mr. and Mrs. Vincent Huseman, was baptized May 16. Her sponsors were Mr. and Mrs. Lawrence Huseman.

Leonard Guggemos left Nazareth May 16 for South Bend, North Dakota, where he will soon begin construction work. His mother, Mrs. Loretta Guggemos, accompanied him. She will make an extended visit in Minnesota and Wisconsin.

Sister M. Roberta, who has been teaching in McGehee, Ark., is spending a vacation with her parents, Mr. and Mrs. J. E. Hyland. She came home earlier than she had intended because her mother

is in the hospital at Dimmitt as a patient.

Mark Diedrich and his bride, who are from Platts Center, Nebr., recently visited with relatives in Nazareth as they passed through Texas on their wedding trip. They were on their way to Carlsbad Caverns.

They were accompanied by Ward and Cleo Diedrich and Erma Laa.

Mrs. Ethel O'Brien of Lamesa visited with Mr. and Mrs. Harry Klemman over the week end.

Senior Gives Party
 Mr. and Mrs. Jake Acker held a party in their home May 11 in

honor of their son Floyd, who is a senior in Nazareth High. The entire senior class attended the dinner and games. Later in the evening, the group was taken to a dance that was being sponsored by Mr. and Mrs. William Bellinghaus.

PAYS...AND PAYS...AND PAYS

SERVEL Pays Off Because It Operates For Less On Cheap Panhandle Gas!

We're fortunate, here in the Panhandle, because we live close to the heart of the world's largest gas fields. Which means, of course, that we enjoy gas rates that are among the lowest in the nation.

And that's why Servel gives us a double pay-off in low cost operation. Servel's tiny gas flame is famous for economical operating cost everywhere. Here, in the Panhandle, it's exceptionally low.

But there's more to it than that. Servel's Gas Refrigerator pays again because maintenance cost is almost unheard of, regardless of age or years of service.

You see the Servel Gas Refrigerator has NO MOVING PARTS IN ITS FREEZING SYSTEM. There's no motor, no valves, no piston or pump, no machinery to grind, get noisy and wear out. Just a tiny natural (or liquid) gas flame does all the work. And, whoever heard of a noisy gas flame . . . or, a gas flame wearing out?

Yet, with all its ruggedness, Servel has not sacrificed beauty or convenience. Its gleaming white beauty of styling makes it a welcome addition to any home. Its big frozen food compartment holds a bushel of frozen foods. Its dew-action vegetable fresheners keep vegetables garden-fresh in appearance and taste. Shelves are adjustable to eleven different positions and are plastic-coated to keep them rust-free, scratch-free and make them easy to keep clean.

STAYS SILENT...LASTS LONGER
Servel
 The GAS Refrigerator

Is Servel Available? Of Course! Most Models Now.

Only Servel offers so much...saves so much!

The Importance of "Stepping Down"

Here is the story of a new principle of design that has rocked the industry and given Hudson unique beauty not possible in any other type of car.

Hudson has a new, all steel Monobilt body-and-frame, part of which is a rugged base structure that permits lowering floors and seats down within the frame. The sketches below illustrate this design problem and show how Hudson's recessed floor provides a low, streamlined silhouette, yet preserves headroom.

NEW HUDSON

Here is the long, low, gracefully streamlined Hudson—only five feet from ground to top. You can see how the streamlined roof comes down sharply over the rear-seat portion of the car, as compared to the other types of roof lines shown in sketches to the left. But Hudson floors are recessed down within the frame, seats are lowered, so you get more than ample head room.

OTHER CARS

The car above cannot be streamlined because the need for head room above the rear seat (which is built on top of a frame) makes it impossible to lower the roof.

OTHER CARS

Of course, it is possible to adopt free-flowing lines without recessing the floor, as sketched in the car above, but overall height must be raised, and this destroys the possibility of a low silhouette, which is the mark of the modern motor car.

THE recessed floor in the new Hudson—now widely known as the "step-down" feature—is the talk of the automobile world. And rightly so! This interesting development is the key to a new kind of motor-car beauty never before obtainable.

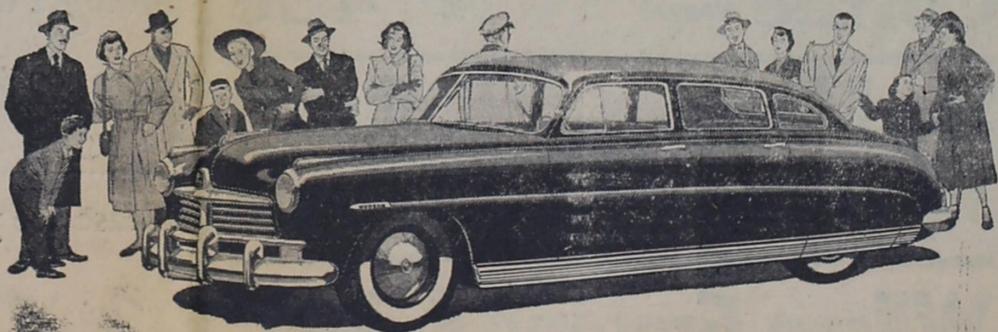

People everywhere are attracted by Hudson's low, streamlined silhouette and free-flowing lines.

Only Hudson, because of its exclusive recessed floor that you step down onto, is able to offer streamlined, low-built beauty without asking you to give up interior head room.

Let's take a frank look at the motor-car designer's problem. Since streamlining an automobile reduces available head room for rear-seat passengers, to achieve a low silhouette and maintain adequate head room, both floor and seats must be lowered to compensate for the lowered roof. The recessed floor is a necessity.

But it is difficult to lower floors and seats, because in all cars, except Hudson, they are built on top of a frame. Only

This time it's **Hudson**

 NAZARETH, TEXAS

NAZARETH

Nazareth High Graduation Exercises

Very Rev. G. A. Boeckman read the Mass and delivered the baccalaureate sermon for the seniors of Nazareth High School in Holy Family Church Sunday morning at 7:09. The eighth grade graduates were also present for the services.

These baccalaureate services opened the final week for the school. Graduation exercises took place Wednesday, May 19. The musical program of the evening included songs by the eighth grade and the high-school glee club.

The salutatorian of the class was Eugene Kern and Catherine Schacher was valedictorian. Miss Schacher set a record by being valedictorian. Her mother, the former Lucille Braddock, is the first graduate of Nazareth High to have a son or daughter to graduate from the school, and the mother was valedictorian of her class.

The principal speaker of the evening was the Honorable Deputy State Superintendent, Morris H. Jones of Amarillo. The speaker was introduced by Very Rev. G. A. Boeckman, who also distributed the diplomas and the various awards at the close of the rites.

These awards included money prizes to the several winners in Bible Study, typing, and for the best work in the Boys' Servers' Club. The winners in Religion were Catherine Schacher, Aurelia Acker, Dolores Stork, Odetta Ball, and Clarice Schulte; in serving they were Edmund Gerber and Mic-

hael Schacher; and Laurene Wilhelm received a medal in typing. She was the typist who went to Austin to take part there in State Finals. The money prizes in Bible Study were given by the Catholic Daughters of America; those in serving were given by Father Boeckman.

After the graduation exercises the seniors attended a class party given by one of the members of the club, Gene Kern, at the home of his parents, Mr. and Mrs. Joe Warren.

Graduates to Make Senior Trip

On the day following graduation, May 20, the seniors of Nazareth High will leave on their class trip. They intend to visit Carlsbad, El Paso, and Juarez.

P-T A. Held Last Meeting of Current Season

The P-T A. held their last meeting of the current season May 14. Mrs. Joe Warren presided. Mrs. Carl Burt read the minutes. The chief business of the evening was the installation of the new officers. Presiding at this ceremony was Mrs. Roy Pyeatt of Hart. Her first act during the rites was the lighting of four candles in honor of the four officers going out of office, Mesdames Joe Warren, Arthur Klemman, Florence Albracht, and Carl Burt. This was followed by a flower ceremony honoring and inspiring the new officers. These are Mesdames Joe Warren, Ed Brockman, Arthur Klemman, and John Stork. In line of their position they were given red, pink, white and blue flowers representing the significance of their positions.

Before the closing of the business

session, a new committee was formed to operate next year. This was the year-book committee and is composed of Sister Stella and Mesdames Tony Gerber and Carl Burt.

For entertainment the members were shown the film, "Rebecca of Sunnybrook Farm." This was followed by a cake-walk and the serving of refreshments.

Baseball League Formed

The Central Plains League of Nazareth, Hart, Hereford, Tulia and Umbarger was formed during the recent past and is now engaged in a series of games.

The players on the Nazareth team are Greg Hoelting, Joe Schmucker, Clarence Schulte, Albert Gerber, Jerome Brockman, Francis Gerber, Leonard Gerber, Elmer Schulte, Junior Hochstein, Laverne Klemman, Urban Klemman, Leroy Pohlmeier, and Leonard Schulte. Lou Hindman is the official manager of the team and Ed Hoelting is the official umpire. In the opening game with Plainview, Nazareth was victorious. But in their second game they were decidedly downed by Hart.

Classes Have Picnics

Before the final tests set in, all the classes of the Nazareth schools had a series of picnics. The high school and the seventh and eighth grades held theirs on the school campus and in the gym. They enjoyed a Western movie, a skating party, and picnic lunches. The fifth and sixth grades held their picnic at the home of Mr. and Mrs. Ed Brockman. Mrs. Brockman served refreshments to the entire group in the latter part of the afternoon. Grades one to four held their outing on the grounds of the primary school where they enjoyed games and lunches.

Physical Fitness Tests Taken

To round out their program of physical education, the pupils of grades three and four took the physical fitness tests of the Amateur Athletic Union of the United States. The following were awarded a Certificate of Achievement: Jack and Tommy Acker, John Aichlmayr, Elmer and Lorene Albracht, Hubert Bachus, Freddie Ball, Irene Birkenfeld, Odetta Ball, Kathleen Dietz, Aloysius Ehly, Alphonse, Carolyn and Mary Ann Huseman, Jerome Hanson, Joe, Ethel and Evelyn Drerup, Agnes Klemman, Joe Ed Pohlmeier, Eileen Schulte, Gregory and Elsie Schach-

HART NEWS

Mrs. Worth Jones' mother, Mrs. Rousser of Kress, spent Sunday with the Jones family. Mr. and Mrs. T. B. Cox spent Sunday in Lubbock and in Hobbs, New Mexico. Claude went with them after being released from the hospital at Lubbock where he had

received treatment for an injury to his eye. Mr. and Mrs. O. D. Dinwiddie attended a district Grain Dealers meeting in Amarillo on Monday and Tuesday. While Mr. Dinwiddie was attending the State meeting at Fort Worth, he was elected to serve the State Grain Dealers as President for the next term.

The Roy Cluck family visited relatives and attended the celebration at Gruver over the week end. Mr. and Mrs. Ray Jones of Plainview and Mrs. G. C. Applewhite and Louise of Cotton Center attended the bacalaureate service here on Sunday morning. Rev. Resell Pogue of Kress delivered the address.

Mr. and Mrs. J. R. Page and son of Plainview visited on Thursday evening in the Harold Wall home. An infant born to Mr. and Mrs. Roy Nance on May 7 was buried in the Hart cemetery on May 18. Mr. and Mrs. C. E. Gibson of Childress have moved to Hart.

Miss Naomi Bates of Plainview and Wayland College spent the week end in the home of Mr. and Mrs. Homer Hill. Mr. and Mrs. Ralph Futrell were also dinner guests on Sunday. Mr. and Mrs. J. J. Newsom, Stuart and Myra were called to Peacock on Thursday to attend Mrs. Newsom's mother who was very ill.

Homer Hill attended to business near Clovis on Friday. Mrs. Robert Brooks attended the bridal shower in Dimmitt Saturday afternoon which was given by the Home Demonstration Clubs in honor of Miss Mattie Lee Seago. Dr. and Mrs. Q. A. Griffin, Mrs. W. F. Griffin all of Tulia and Mrs. Valerie Randall of St. Louis, Mo., spent Tuesday in the home of Mr. and Mrs. W. A. Hawkins. Hart High Students and chaperones had a weiner roast on Friday night. Miss Peggy Davis entertained a

few friends with a party in the home of her parents on Saturday night. Mr. and Mrs. W. T. Sanders were hosts to a group of young married couples on Thursday night. The occasion was the introduction of Mrs. T. C. Ray Mr. Ray was also an honor guest. Mr. J. B. Bennett has been seriously ill of a brain hemorrhage for the past several days. It is reported that he is recovering nicely. Showers fell on Sunday night bringing 1/4 in of moisture in parts of the community. Miss Johnnie Ford of Canyon spent Sunday and Sunday night in the W. A. Hawkins home. Hart P.T.A. held regular installation of officers at the meeting which followed the annual community supper on Tuesday night. Mrs. Pyeatt was in charge and the following officers were elected to serve in 1942-49: Mrs. Robert Brooks, Pres; Mrs. Jack Bradley, Vice-pres; Mrs. Worth Jones, Sec-treas; Homer Garrison, Parliamentarian and Mrs. Lester McLain, Historian.

The Bobcat Tales

ANNUALS TO BE DELAYED

Word was received today from the Taylor Publishing Co., Dallas, who, for the first time is publishing the high school yearbook, is to the effect that the books are not to be shipped until June 7, and should reach us about June 11.

This is a most unsatisfactory arrangement and the Annual Staff and school administration have made every effort to hurry the publishers, with signal lack of success. This happened unavoidably during the time of shortages due to the war, but we are terribly sorry that it should have happened again now.

The best that we can do is to promise delivery of your yearbooks as soon as they arrive. Please watch the Castro County News for announcement of this distribution date, and believe us when we say that we are even sorer than you about the whole thing.

The Annual Staff

DIMMITT BOY WINS 1st. IN AREA SPEAKING CONTEST

Harold Brannan won first place in the Area F.F.A. Public Speaking contest in Lubbock last week. Royce Dowell and Harold were among 10 representatives from schools over the area. The second place winner was from Childress and third place winner was from Tahoka.

Harold will attend a state meeting in Houston next month, with all expenses paid.

METHODISTS FEED STARVING CHILDREN

For the past few years it has been the custom for the graduating class to have lunch with the Methodist women on Kid Day. Friday was Seniors Kid Day and found all the kids having a nice chicken dinner at the church. Rev. Brooks served as toastmaster and, following the dinner, treated the class and its sponsor to a movie. From chicken to strawberry shortcake, the lunch was grand and was enjoyed by the entire class.

KIDS AGAIN

The seniors of Dimmitt High took off their false fronts and acted themselves out Friday on the annual "Kid Day."

It seemed that the main entertainment was the shooting of water guns, as most of the seniors were a little wet during the day. Most of the girls carried dolls and the boys carried guns and "nigger shooters". There was also a loud popping of bubble gum during the day.

The seniors played baseball in the afternoon. The game was interrupted by a small shower (believe or not), but later, the fun was resumed.

HAZEL MERRITT ELECTED DISTRICT DIRECTOR

Miss Hazel Merritt has been appointed District Director by the Business and Professional Women's Club of the Panhandle, by Miss Marguerite Anderson, State President. Miss Merritt will have charge of 16 counties extending from Lubbock County on the South to the State line.

SENIORS ARE ENTERTAINED

The Business and Professional Women's Club entertained the seniors with a reception in the home of Mrs. O. K. Howe, Monday, May 16.

They were given a vision of what they would be in the future, and were shown the most important person in their lives, which of course happened to be themselves. They were served 1948 cakes in the school colors, trimmed with a marshmallow man in a cap, also punch and mints.

ATTENTION!!!

The 8th grade is glad Jerry Beth Hance is back in school again after having been sick and away from school a week. She was in the hospital from Tuesday to Friday, suffering from food poisoning.

Mr. Vestal has made an appeal to the students and teachers to be especially considerate of one another these last days of school, the most trying of the year.

The seniors will take their final tests Thursday and Friday. They have been asked to stay away from school after they have finished their tests except when it is absolutely necessary, because there is so much work to be done that they would just add to the confusion.

Subscribe for the News.

Chatter Bobcats

And so, dear Friends of this column, we come to a sad farewell for another year! We have tried to keep you posted on the loves and lives of the kids of D.H.S. Some of us will not be back, but there will always be a gossip column in The Bobcat Tales—Look for us, we'll be seeing you, next year!!

Hurray! Tiny's back!!

Spring is sprung—and young loves on the run! Saturday night, Phyllis B. and Howard, Lavelle T. and Francis Lee, Jo Beth and Edd, Thelma R. and Kenneth, Ladelle and Chubby, Patsy Rae and Jim J.

Thursday night—Anne and Neil (something new has been added), Sammie and Turtle (same old drag), John L. and Hazel (hmm, the Army is back), Johnee and Jimmy Lozier (Ah, a new man), Leah and James, (What is this?)

Saturday night in Hereford, were Betty W. and Clyde Truecock, Hazel Coleman and Eugene R. (This is another new case). Clea and Clovis, Zelma and Troy L. June and Olan.

Who is coming to see Georgia W. Sunday.

Friday night, Jimmy C. and Ruth Sheffy were at the party at Krillings. A rumor—Lucille D. and Melvin Lewis! Is this true, kids.

Sunday, Leah and James, Royce and Tiny, Betty and Bob went to Amarillo. Jack and Leah, Anne and Wayne were all seen Monday night.

Saturday night—Charlotte and Neil were in Amarillo. What is the 'LAD' Union.

Another couple that we have not said much about in our column is Royce D. and Lavell W. They thought we did not know much about them—but, we know all! Jessie Jo talks about Plainview a lot these days. Is it because Billy Jo Derrington lives there.

May we leave you with this thought!

"I don't approve of going steady, I don't approve of two-some stuff

For such affairs a teen's not ready. She is not old or wise enough". Would I consent to do my dating With only one boy and no other Would I each night for him be waiting, Now, would I—Well, just ask me brother!!!

National Echo

With this issue, we bid the readers of the Bobcat Tales farewell until September, when next year's journalism class will take up its duty of publishing the school paper.

"SUMMERTIME"

The teachers of Dimmitt High have been looking forward to the summer holidays as much or more than the students. They have made their plans as follows:

Mr. Strother has resigned his position in the school and is going to Memphis, Texas, to the First Baptist Church as the Music Director and Minister of Education. He will begin his work June 1st.

Mr. Seale, whose marriage to Miss Mattie Lee Seago has been announced for June 5th, plans to work up outlines for next year's courses. He is also going to work on various projects and in his garden.

Mr. Useton is going to work, work, work. Between working in his yard, painting the yard fences, working on the farm, painting and just general repairing, he is going to be kept rather busy.

Mrs. Kirkland is going to be at work repairing and beautifying her home in Canyon.

Mr. Lawrence is moving, in June, to his new home in Norman, Oklahoma. He plans to go to school at the University of Oklahoma.

Mr. Vestal will be at home in Dimmitt trying to find teachers for next year, getting the band hall rigged up, helping the band get started, beautifying the school grounds, and improving the football field. Other than that he has nothing to do.

Mr. Graham has the position of Minister of Education in the First Baptist Church at Brownfield next year. He will go to work the first of June.

Mrs. Summers is going to stay at home and raise a garden.

Mrs. Stone plans to stay home, raise a garden and some chickens, try to forget the Juniors for a while, and be a homemaker for a change.

Mr. Blaine will have a full time job of operating the Dimmitt swimming pool this summer. Miss Duree is going to San Jose, Costa Rica and begin teaching in the American school there June 3. She will be gone six months.

Miss Merritt plans to attend the National Convention of Business and Professional Women at Fort

Worth in July. She is going to supervise some repair work of different types on her home. She also plans to take a trip East, visiting historical points and taking colored pictures to show her classes next year. She has been asked to be the Director of Business and Professional Women's Clubs and will be busy planning her work along that line.

Miss Ray is taking a trip to California for the summer. She will visit relatives and have a general vacation.

Mrs. Wooten will stay at home and try to rest. She plans to take a vacation in August to Alberta, Canada to visit her daddy. She will be gone about four weeks.

Mrs. Richardson will do some yard work at the first of the summer, then she and her husband plan to go to California to visit some friends he knew in the army. They plan to stay about two or three weeks.

Mrs. Hunter is going to stay at home, build a flower garden, sew and do all the things a lady does. She plans to take a vacation some time during the summer.

Mr. and Mrs. W. T. Gollehon and K. E. Turner went to Lamesa Saturday to attend the funeral services of an old friend, R. E. Sealey.

Mrs. John F. Tate and son, John Charles, of Amarillo visited in the home of her parents, Mr. and Mrs. C. J. Mapes last week.

Mr. and Mrs. Joe Mapes of Amarillo spent last week end with his parents, Mr. and Mrs. C. J. Mapes.

You Can Handle ALL 3 with an EVERSMAN Automatic

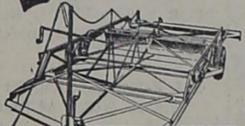

MODEL 9

DIRT MOVING, LAND LEVELING and SEED BED PREPARATION

HERE'S A LABOR-SAVING, MONEY-MAKING MACHINE

...with an Eversman you get land in table top condition quickly and easily. Eversman-leveled fields irrigate themselves. You save time, labor, water, grow better crops—mechanized equipment works faster, more efficiently. The Eversman levels land AUTOMATICALLY—when wheels go on high place blade lowers to take a cut, when wheels go into a low place blade raises to release dirt. It levels the land, breaks clods, firms and packs the surface, forming a finely pulverized seed bed as the machine moves along.

Same machine is fastest dirt mover on the market today for power required. Excellent for rebuilding fields or reclaiming land. After dirt is moved it can be graded down and AUTOMATICALLY LEVELED with the same machine. Here's a 3-way machine used not only for the initial job of dirt moving and leveling, but for maintaining contours, soil conservation work and preparing seed beds year after year.

MODEL 25—Width 12'10", length 21', cutting blade length 9'3", depth 22", requiring 38 H.P. (drawbar).

MODEL 12—Width 12', length 21', cutting blade length 9'3", depth 16", 3 plow tractor. Model 9 shown at top of page slightly smaller for 2 plow tractor.

MODEL 35—Larger, longer, more dirt capacity than Model 25. Both 25 and 35 have main frame spliced for converting in field to maneuverable dirt mover.

LIBRARY RECEIVES NEW BOOKS
It is not unusual for the Castro County Library to receive the gift of a book or books. This time we acknowledge the gift of two especially fine books given by the Easter Home Demonstration Club. "The Four Cornerstones of Peace" by Vera Micheles Dean, Research Director, Foreign Policy Association. This is the average intelligent persons primer of the four world conferences, including a transcript of the entire text in permanent form. The Proposal of Dumbarton Oaks, the Declaration of the Crimea Conference, the Act of Chapulpec, the San Francisco Charter are concisely summarized and interpreted. Mrs. Dean asks the pointed common-sense questions that all of us would like answered.

Then she answers them, first with the facts, then with such an interpretation of the facts as only a great student of international affairs and a great humanitarian could give.

The other book is "Marriage and Family Counseling", a manual for Ministers, Doctors, Lawyers, Teachers Social workers and others engaged in counseling service, by Sidney E. Goldstein, who is President, National Conference of Family Relations; Chairman, New York State Conference on Marriage and the Family.

Dr. Goldstein emphasizes the need for the establishment in every city of a marriage counseling center staffed with full-time workers combining in their training and experience the knowledge from the different life sciences. This center not only will serve as a place of referral but will be a clearing house of information upon community resources. Marriage counseling is an emergency profession. Dr. Goldstein has made a valuable contribution by providing a manual for those who will be engaged in part-time service in this important field.

BROWNIE TROOP ENJOY OUTING

Brownie Troop No. 3 enjoyed an outing at the park Tuesday afternoon. Troop mothers were hostesses. The Brownies enjoyed the camp fire and all the good eats.

Money Talks... and says plenty

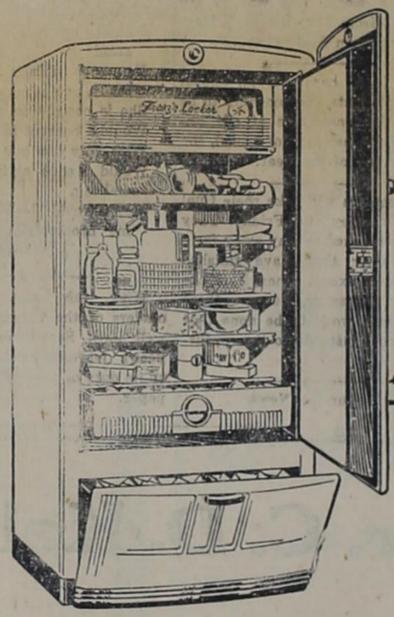

"Some folks used to call me the 'almighty dollar.' Today I'm just a mite. Why, just look what's happened to me in furnishing telephone service. Time was, not so long ago, when I'd go a long way toward buying new equipment, paying wages, expanding service, etc. Today... but then you folks know what's happened to your cost of living dollar! I'm in the same boat! It sure makes it tough for a fellow to do a job!"

West Texas Telephone Co.

Mr. and Mrs. J. M. McEntire are here visiting relatives and friends in Dimmitt and other points in Texas. They are from Van Nuys, California.

GIRL SCOUTS MEET
The Girl Scouts met in regular meeting Tuesday May 18 at the American Legion Hut. They enjoyed playing games and then held their regular meeting.

EQUIPMENT SHORTAGE

Folks, you'd be mad as a March hare if your telephone company were to deliver a telephone instrument to your home and let it go at that. You'd soon realize that it takes more than just that instrument to provide telephone service. In fact, a telephone instrument is only about five per cent of the equipment needed to give you service. Your telephone company must have adequate cable and central office equipment to handle your needs before installation can be made. Securing and installing this equipment takes time. A major reason is because necessary raw materials for production are still scarce. In the face of these difficulties, your telephone company is doing everything in its power to hasten the day when you, too, may enjoy the convenience of telephone service.
