 Easy Calving · Big Milk Flow

Purina Research tests out on the range prove that cows conditioned the Purina Way come through winter in shape for easy calving and have a big milk supply. Poor range and bad weather can cause a lot of cows

trouble, but we can help you prevent a lot of it. Purina Range Checkers contain the in-

gredients your cows need for sound condition. It takes only a little each day to make sure your cow herd is getting the proteins, vitamins, minerals and carbohydrates they need. See us before you buy feed.
