VOLUME NO. XXIII

Dimmitt, Gastro County, Texas, Thursday, August 17, 1950

NUMBER 40

**about dimmitt
and
castro county**
by b. m. n.

From all reports the Old Settlers Homecoming Saturday was an outstanding success. The parade was one of the finest ever held in this area. Nearly five hundred old settlers registered, some of them coming from as far away as Montana and California. The free barbecue was delicious and there was enough to go around. The program in the afternoon was presented before a large and attentive audience. Miss Hamner's talk was especially interesting, in fact she is an interesting person and could not help but be appreciated by the most.

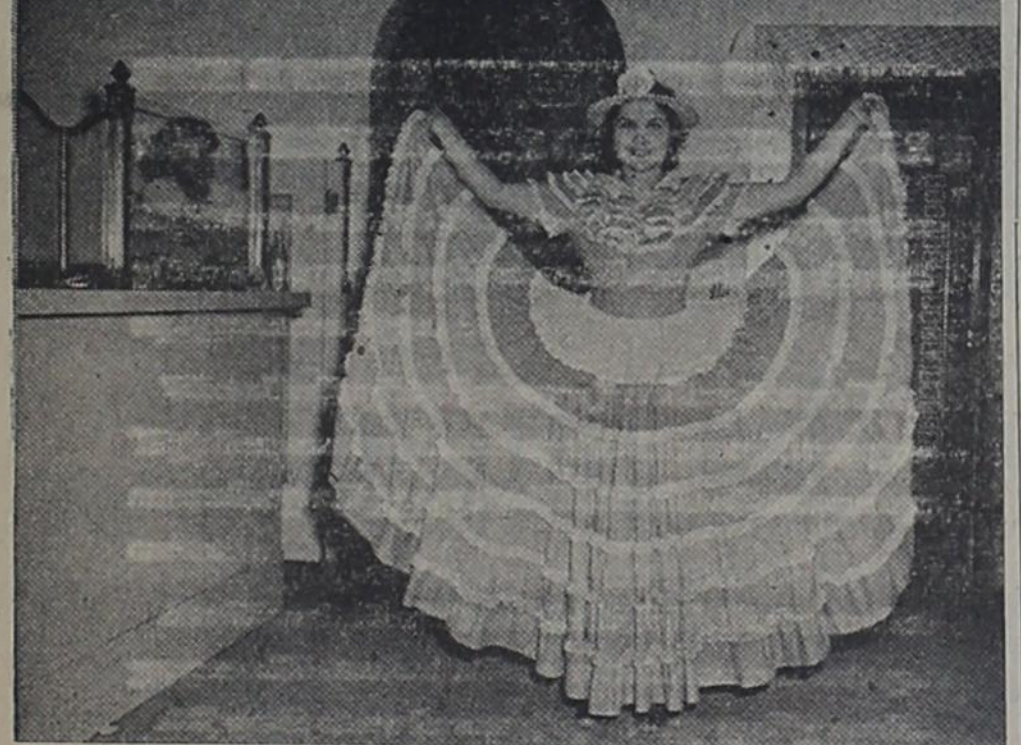

Homecoming . . .

A formal write-up of Saturday's Homecoming festivities will be found on the last page of this issue of the News.

Coy Thomas of Borger was here last week for a visit with his aunt, Mrs. Ocie McCormack.

Mr. and Mrs. A. I. McGowan and Jerry returned home Saturday from a vacation and fishing trip to Creed, Colorado. They report a good catch of trout in the mountain streams near Creed.

Characters . . .

PICTURED ABOVE ARE characters, dubious and otherwise, representing a cross-section of the citizenry of the county who cooperated in dress and demeanor Saturday to lend atmosphere to the Pioneer Homecoming celebration. Many of the men of the county turned their whiskers out for six weeks and dressed western in keeping with the spirit of the celebration and of course to advertise the affair. Ladies of the community donned their long dresses, bonnets and other wearing apparel of an early day vintage and contributed much to the overall success of the celebration. Samples of local recklessness pictured above are: Top picture, Joe Cowen either on the right or left we failed to get the proper identification; center left, Mr. and Mrs. Joe Bailes trying to look and act old while the old people were trying to act young; center right, Mrs. E. C. Caudle wearing a dress that was fashionable before Castro County was discovered; bottom, Miss Oma Carpenter unfurls a circular skirt with many pleats, any one of which would afford ample material for the dress she, or any of the other modern girls of Dimmitt usually wear.

These Floats Won In Saturday's Parade

Charles Reynolds Died Here Sunday Of Appendicitis

Charles Theodore Reynolds, son of Mr. and Mrs. Floyd Reynolds died Sunday afternoon of acute appendicitis at the Plains Memorial Hospital. The 12-year-old boy moved to Dimmitt with his parents in June, 1948. He was born in Amarillo but lived in Lubbock before coming here.

Pictured to the right are a number of floats entered in the Castro County Old Settlers Homecoming parade in Dimmitt Saturday morning.

Pictured above with his lush growth of beard is J. O. Ayers, local photographer, who posed for a picture taken by his wife, a photographer in her own right, just to preserve a reminder of his beard growing days in the advertising campaign for the old Timers Homecoming. Mrs. Ayers readily agreed for the News to use the picture in order that our readers may know what the man behind the camera looks like, without a shave that is.

Bolt of Lightning Caused Power Failure Tuesday

According to officials of the Southwestern Public Service Company, Tuesday night's electrical failure was caused by a stroke of lightning at the 69,000 volt bus at Tuco, regional company generating station.

Following the misfortune, intermittent electrical charges caused lights to go on and off in Dimmitt, as in several other towns served by Tuco.

The lightning blew the Littlefield line breaker and caused two more bus faults. When the lightning hit it also caused a high voltage power surge of about 300,000 volts on the 115,000 volt line between Tuco and Denver City. This surge knocked out the station power transformer out at Denver City which threw the No. 2 generator off the line. The lightning then went through the Denver City plant and followed the 115,000 volt line to Carlsbad, N. M., where it was stopped by a 25,000 KVA transformer which it destroyed. This threw the Carlsbad-Denver City line out of the system.

At 8:26 o'clock Tuco closed the system for 18 minutes which only maintained 55 cycles and at 8:40 o'clock the Amarillo and River Rue plant were forced off the line because of overload. The Denver City trouble was located and bypassed at 9 p. m. and at 9:15 the Carlsbad trouble was found and isolated. At 9:30 Tuco started to put the system back together and completed at 9:50 o'clock. The system was completed with exception of Littlefield, which came on at 10:15.

The stroke of lightning caused extensive damage and cost to the Public Service Company. Tuco's damage was estimated at \$5,000 while the Carlsbad transformer was valued at \$120,000. Other damages were the \$10,000 volt breaker and transformer and switch gear at Denver City valued \$30,000. Company officials here stated that some salvage could be made on the total \$165,000 damage.

Several hospitals on the line were plunged into darkness by the surge but no lives were lost. Company workers succeeded in repairing the damage in almost record time.

Mr. and Mrs. Virgil Cummings and children of Hart returned Tuesday morning from an 11-day vacation trip to California where they visited Mrs. Cumming's relatives.

Mr. and Mrs. Harold Stephens have been vacationing this week at Grand Lake, Colorado.

Dimmitt Will Be Topic of Sunday Radio Program

MISS LAURA V. HAMNER

"Let's lite 'n hitch in Dimmitt," will begin Miss Laura V. Hamner's Sunday morning radio program over Station KGNC in Amarillo. In her regular Sunday morning broadcasts, Miss Hamner eulogizes the Panhandle, telling mostly of its historical background.

Many local citizens heard her as the principal speaker in Saturday's Homecoming festivities and will want to hear the material she gathered while here. Miss Hamner is one of this region's most popular speakers and historians with one of the most well-attended listening audiences of radio in the Panhandle.

Class of 1947 To Have Party September 2nd.

According to Mrs. Sam Hunter, the Dimmitt High School graduating class of 1947 will have a party, Saturday, September 2 at the roadside park south of town. Mrs. Hunter was sponsor of the class when it graduated. She also urged that all boys attending bring a cleaned chicken as the party will be a chicken fry. Time for the affair is 6:30 Saturday evening.

Mrs. T. J. Nelson of Rowena is here for a visit in the home of her son, B. M. Nelson and family.

Winning first place in the Commercial Division of the parade was a float entered by the Hotel Coffee Shop and the Dimmitt Lumber Company. Equipped with benches the float was ridden in the parade by sixty old timers of this area, including former and present residents.

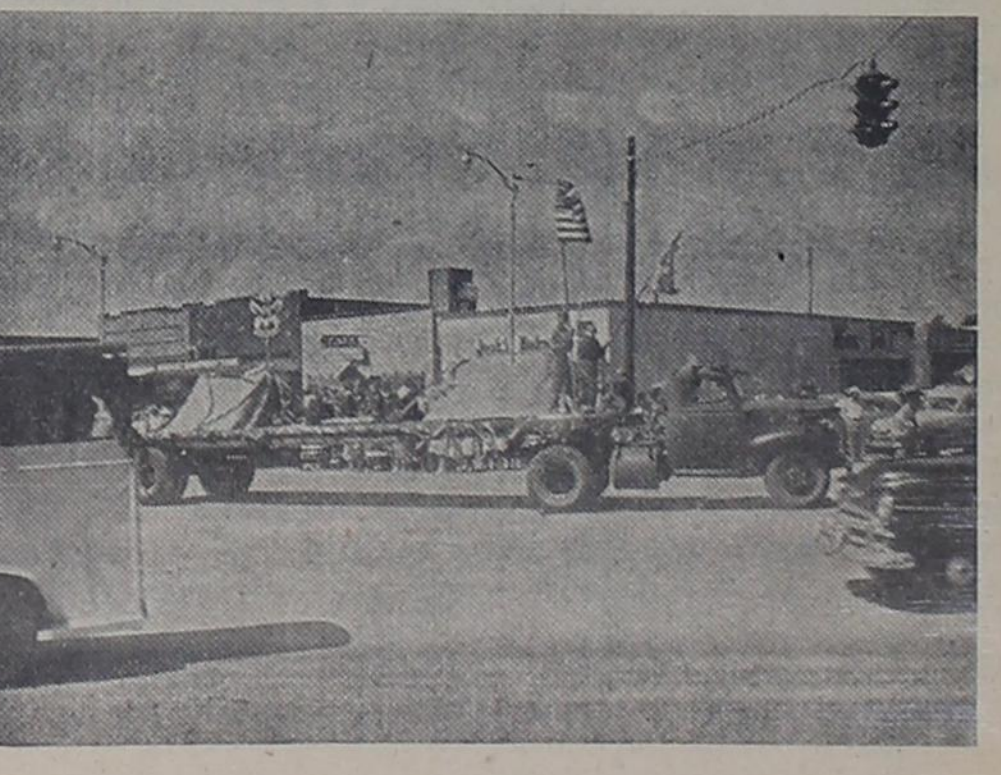

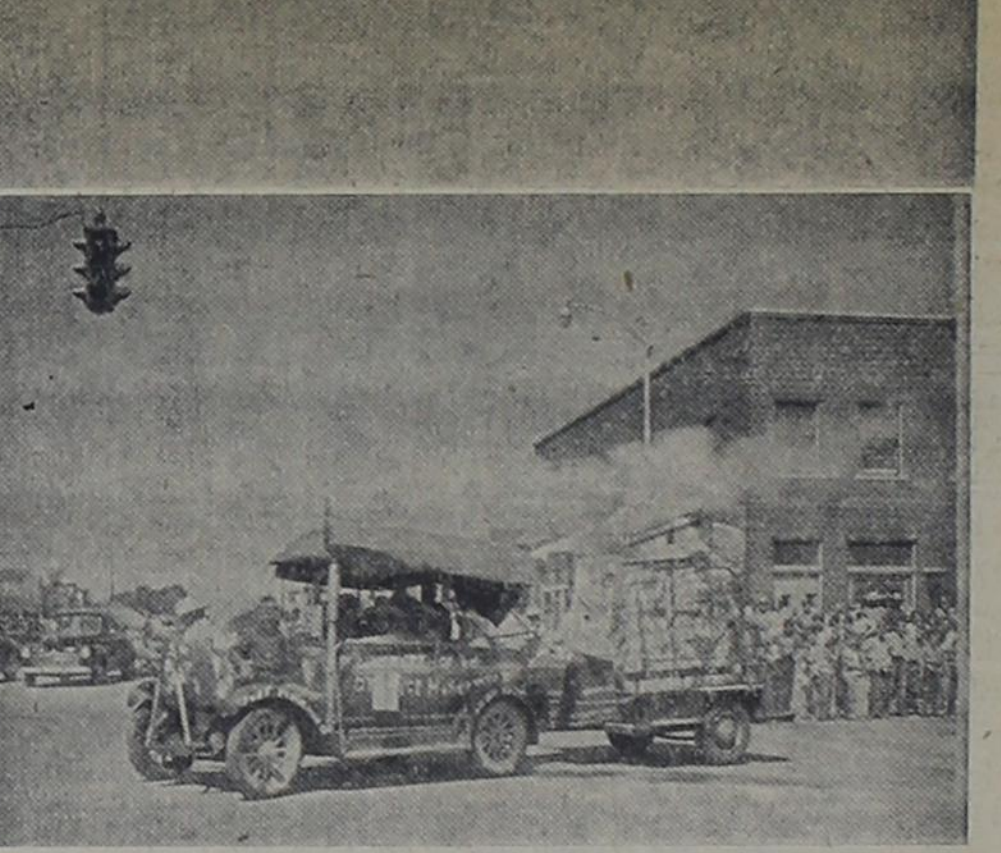

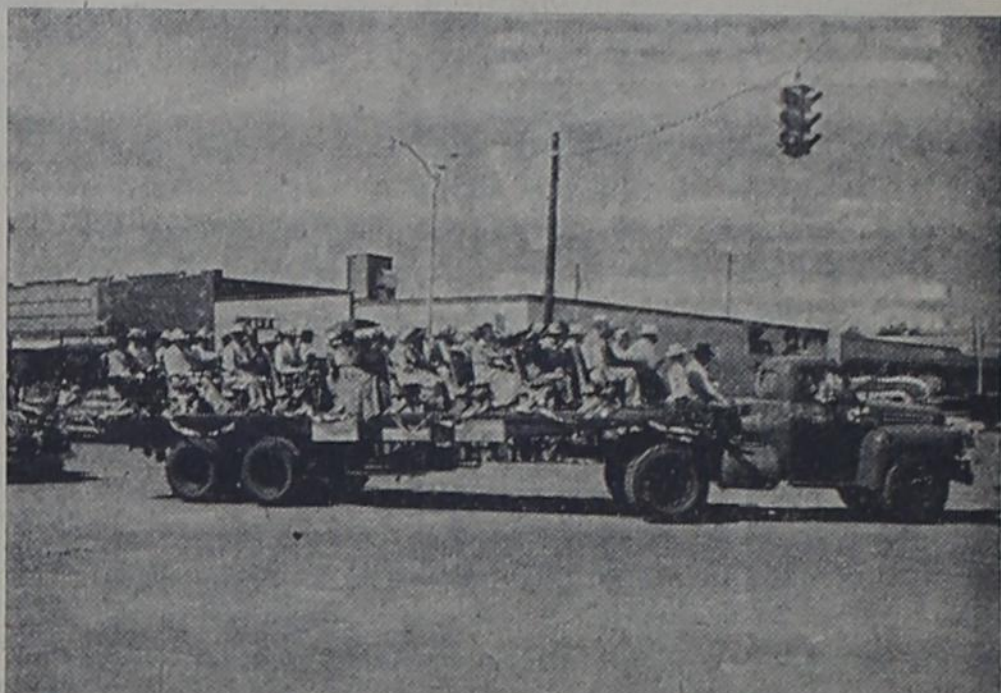

Jumping to first place in the Entertainment Division of the parade was the Jumping Jalopy. The brain child of Slim Hargrove and J. B. Moore of the Northside Garage, the Jumping Jalopy has pitched and bucked through a number of parades and was used as an advertising stunt in many of the towns visited in the booster trips.

In the Educational Division of the large parade the 4-H Club float was judged first place winner. A number of 4-H Clubbers with a few head of their projects occupied the float piloted by County Agent Raymond King.

Winning second place in the Entertainment Division and bringing back memories of similar pranks played throughout the rich history of Castro County was the float entered by Harold Johnston. Representing nesters looking for a place to nest, the old vehicle was loaded to the gunwales with articles that probably wouldn't have been of any use to an old timer.

Placing second in the Commercial Division of the parade was a float sponsored by the McCormack Jewelry. Occupants of this float were couples who are present day residents of Castro County and who have been married fifty years or more.

Second place winner in the Educational Division was the Boy Scout Troop under the supervision of Scoutmaster Lewis Ellison. The U. S. Flag Bearer pictured on this float was eleven year old Charles Theodore Reynolds who suffered an acute attack of appendicitis late Saturday and died Sunday afternoon.

Race Distinction . . .

From all obvious appearances it won't be long now before Negroes are admitted to every state-supported college in the state. The Sweatt case has born this out to the extent that institutions of higher learning all over the state are feeling it. Herman Marion Sweatt tried to gain admission to the University of Texas School of Law several years ago. In his first attempt he failed, so his case was taken up by an organization known as the Associate for the Advancement of Colored People. Through their funds and influence, Sweatt was able to get the US Supreme Court to review his case.

Sweatt's case had more far-reaching effects than merely the admission of one Negro to the University. When he won his case, the Supreme Court opened the doors of all Texas and Oklahoma state schools. In the past there had been no actual barring of Negroes to the schools but it was an unwritten agreement among educators of the state. All written rules of state schools did not bluntly say that Negroes could not attend Texas schools. Those that did say that the practice of mixed education was not feasible could easily have been broken down. However, Negroes have now been admitted to white state-supported schools for the first time in Texas history.

The subject of Negro education has always been a thorn in the side of Texas educators, and rightly so. It stands to reason that just because a man's skin is black is no reason for placing him lower on the social ladder, and the educators realize that. But most Texans were raised around Negroes at one time or another and the deep-rooted sentiment was not to be easily overcome. Should they let Negroes into their schools, they thought, it would lower their prestige in college circles. To combat feeling against pro-Negro organizations and groups they set up several different ways in which to educate the Texas Negro. These methods were consequently enforced. The first was to create and maintain separate and apart Negro schools and colleges, which they believed, technically, would afford the same educational advantages as white schools. Although the schools were on a much lower plan than white schools they felt it would pacify the pro-Negroes. This it did, but not for long. Another step they took was to pay for the transportation to and from eastern and northern colleges for Negroes wanting to study in graduate and undergraduate white schools. They also paid for the tuition and books as long as the Negro attended that school. This was a good idea, but it just didn't work. The Texas Negro wanted to go to school in Texas.

And now, at long last, we are beginning to let the first trickle of Negroes into our colleges and universities. It will not be many years before they will begin to enroll in West Texas State and Texas Tech, right in our own back door. Although in the state there are many people who are violently anti-Negro, there is just as many who are not so. We have brilliant Negroes in the state just the same as whites and we have ignorant Negroes in about the same proportion as ignorant whites. Not one of these violent Negro-haters have any concrete reason for not wanting the Negro to get ahead. It is mostly a matter of what he has been told about the colored man that has made him so, plus a hatred born of his attitude to white supremacy born out every time he sees the two mix.

It is no disgrace to have your child going to schools that also admit Negroes. Perhaps someday that very thing will help stop this senseless nonsense about white supremacy. If a young person has to associate with Negroes, he may well find that they aren't so bad after all and the enmity between white and black will slowly play out. We already have come a long way since civil war days. We now admit them to some schools and they can serve on Southern juries among other things and that is a lot for the Negro. In admitting the blacks to public schools, we must use caution. At first, only the higher-educated Negro should be allowed to graduate schools in our colleges and slowly work down. It would be disastrous should all school doors be open to Negroes now. The public state of mind is not prepared for such action and it could only cause more race hatred.

Other arguments arise that the Negro only competes with Negro and not white man. This is no good either as they also state that a lower educational level is needed to succeed in the Negro world. In our democracy we like to use the worn out bromide that "all men are created equal." Until we put into practice that idea, we will be far from the Utopian Democracy. Until Negro competes with white and vice-versa we will have class distinction. Of course, whites will probably never associate socially with the Negro as the Negro also doesn't want to associate with the white. It is human nature that humans tend to seek their own level. But social differentiation does not have to necessarily apply to an industrial and business world.

Texas is making progress in this matter of racial discrepancies. We hope it doesn't bog down.

Politically Speaking . . .

It is becoming apparent that the August 26 second primary election will not be as hot as the previous one July 22. They never are when candidates are making a run-off campaign. Fewer votes are polled and less discussion is aroused.

This is one phase of politics that is bad on the voters part. Two notable run-offs are coming up that should have a really big turn-out, but will probably run true to form as in the past. The one of most concern to the Panhandle people is Altavene Clark's and Walter Roger's race for Congress.

We have no qualms about having women in Congressional positions but this time it seems the best thing to do is leave the job to the men. In the forthcoming indefinite period, the United States might well be at war with Russia. When time came for a declaration of war in World War II, all but one member of

Congress voted favorably to Roosevelt's proposal. That one member of Congress was a woman. In the natural scheme of things, a woman is much harder pressed to make the decisions that might mean heartbreak to some, but which are necessary. In our high-pressure government of today a man of Roger's caliber is much more suited to the job than Mrs. Clark and we feel that he is the best choice. Much criticism has been heaped upon our representatives in Washington, and will continue to be. Mr. Rogers will, if elected, undoubtedly get his share of these criticisms. You may criticize a Congressman, but could you openly criticize a Congresswoman?

The other race mentioned above is between John C. White and J. E. McDonald for Commissioner of Agriculture. The position is not especially noteworthy, but it should nevertheless receive just consideration. McDonald has been a sore to the Texas Democratic Party as he has continually criticized the Democratic way of running things. The same effect would be seen if a candidate for one of our smallest county offices openly, and year after year, criticized President Truman. It is merely a case of little dog barking at big dog to gain attention.

We'd Like . . .

As noted in another page of the News this week, the Texas Game, Fish and Oyster Commission has set new game rules for Texas sportsmen. In Dimmitt is one of the most concentrated group of sportsmen to be found in a town this size. And there is virtually no outlet for their nimrod emotions without driving at least three or four hundred miles for either fish or big game. Although in our modern lives such activities are not considered necessary for proper living as in some sections. Nevertheless thousands of dollars go out of Dimmitt each year on deer hunts, fishing trips and other excursions.

If anyone has a remedy for this situation we would certainly like to hear from him. We could hardly stock anything but the smallest game in this type of country although the county was once overrun with antelope. There's just too many fences for deer and not enough cover for game birds, and of course, not enough water for fish. We'd like to hear from anyone with any ideas.

THE LAW AND YOU

by Robt. (Bob) Kirk
County Attorney
Lamb County, Texas

DO YOU KNOW the difference between libel and slander?

Both libel and slander refer to defamation of the character of another.

Libel is the expression in printing or writing or by drawings tending to blacken the memory of the dead, or injure the reputation of one alive, or to expose a person to ridicule.

Slander is the malicious and falsely imputing to a female a wanton of chastity.

One guilty of slander or libel may be punished under the criminal statutes of the state.

Also one who commits libel or slander may be sued, and civil damages recovered by the injured party.

FOR FURTHER INFORMATION ON THIS SUBJECT, SEE YOUR LOCAL ATTORNEY.

Comments . . .

By the time the muck inherits the earth, taxes will be so high they won't want it.

When we read the stories about how stunning the bride looked, we always imagine the groom, looked stunned.

We are more discontented from failure to satisfy our desires than from failure to satisfy our wants.

Nothing is given away so liberally as advice.

Then there's the guy who made anti-freeze by hiding her woolen pajamas.

We'd rather have a wart on our nose than a debt on our hands.

Envy is a madness which can not endure the god of others.

You'd think some fellows were trying to pay their accounts twice, the way their checks come in and bounce right back again.

Apparently the guys who take cold showers every morning just do so to brag about it.

Women have many faults, but men have only two—everything they do and everything they say.

Advice to the girls: Never let a fool kiss you; or a kiss fool you.

To do his job right the surgeon must have the very latest inside information.

He who thinks himself more cunning than others is merely deceiving himself.

Don't turn to drink to drown your sorrows; you'll only irrigate them.

Letters to the Editor . . .

August 14, 1950
Avondale, Colo., Rt. 1

Castro County News,
Mr. B. M. Nelson, Editor,
Dimmitt, Texas

Dear Editor:

It was with much pride and satisfaction for his contribution that I read our mutual friend, Bill Kirkpatrick's reply to your political musings in your derogatory references to the candidacy of J. E. McDonald, one of the very few remaining real Democrats in Texas with enough intestinal fortitude to stand up for true democracy as we have known it in Texas for so long. Our friend Bill called your attention to some very important facts as to what has gone on and is now going on in a concise, factual, truthful manner. More power to him and if we had thirty million others who is thinking as he expressed it would have a much better America.

Never in the whole history of the USA was there greater need for honest, forthright leadership and never has our leadership been so weak, vacillating, honey-combed with cheap, dirty politics. We have too many in high National offices who is anybody's dog who will hunt with them and keep voting them in power. They are still power mad and in order to keep themselves in office will stoop to anything under the sun and in so doing are fast ruining the best country God's Sun ever shown on, the USA.

Wonder if Harry Truman now "good ole man"? It was what went on at Yalta, Teheran, etc. went on at Yalta, Teheran, etc that has brought us to where we are today, at war for the third time in 30 years. Who in his right mind today, would argue for one minute that Churchill was wrong and Roosevelt was right at Yalta conference? Uncle Joe took everything we had but our shirts and has been doing it ever since because we have persisted in keeping in office those who condone the ideologies of fellow-travelers, near Commies and even full-fledged Commies in our places of high trust in our own government. That is why our boys and men are now dying in the worthless deserts of Korea. Why, Mr. Editor? Because our leadership so-called and self-styled has let us down. The rank and file

of our citizenship, toiled and paid high taxes to defray the expense of fighting two Global wars; our valiant boys and men won these wars at the cost of privations, wounds and death. At the end of each we were told this would be the last but our politicians have managed to keep one going and have now engaged upon another. This one could have very easily been prevented had we had leadership of the right kind.

Any true American with any capacity to think at all for himself is now convinced that Ache-son should go for the reason he has too many warm friends who are proven Commies; Tom Connally should resign his Senatorial toga, Louis Johnson his post as Defense Secretary because the

interest of America would be best served by this action due to their incompetence.

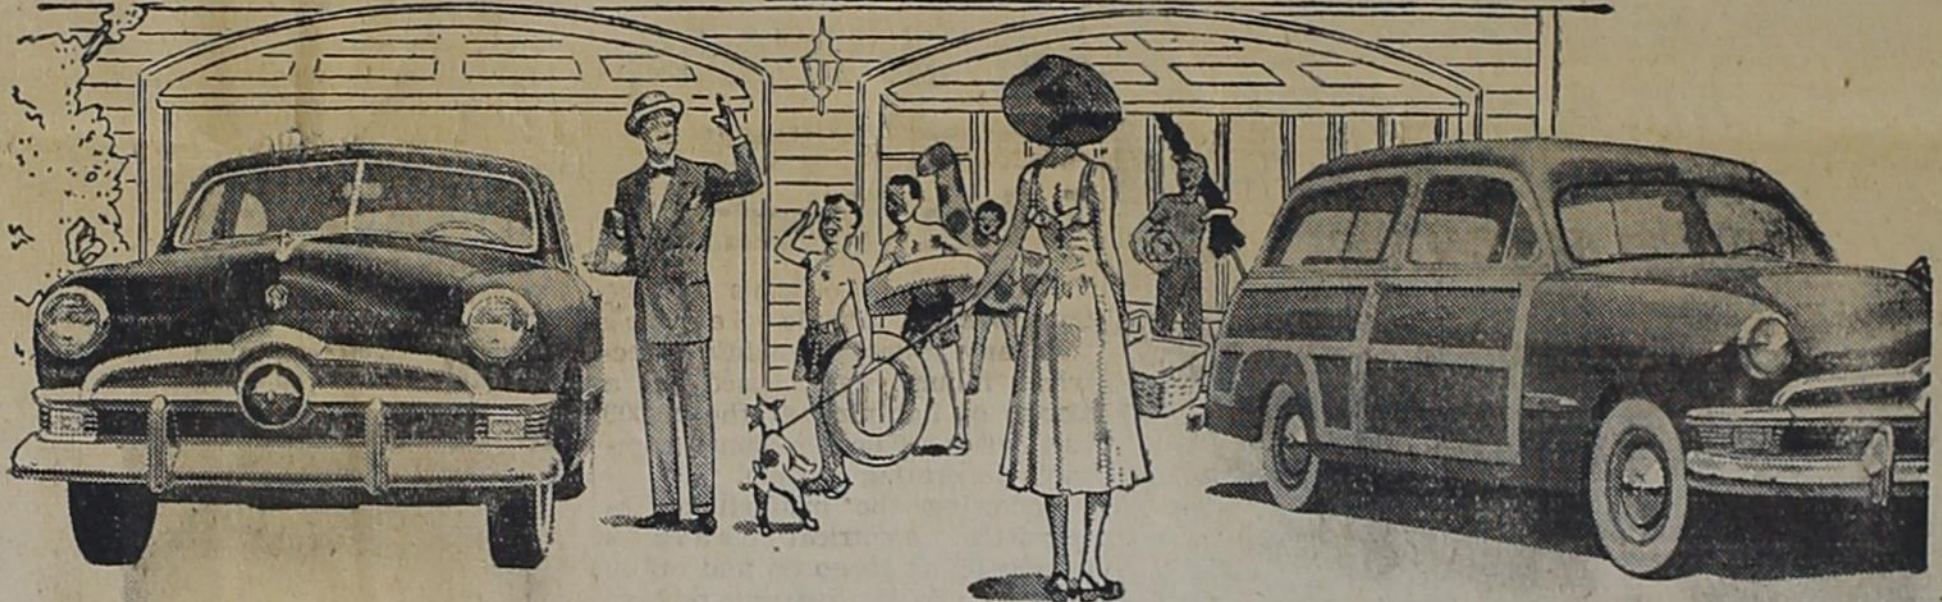

Truman should quit playing politics and tell the people of the country what is going on, if he knows. We should know more of what kind of a man is roving ambassador Harriman and how he thinks and acts. We don't need any more Lattimers, Jessups, Hises, et al. Mr. Editor, the best thing that could happen for the 18th District and Texas as a whole would be to elect Ben Guill to Congress. I have been a Democrat all my life, raised that way but not since 1940 have I gone along with the New Deal crowd terming themselves Democrats but in reality a polyglot of Socialism, fellow-travelers and even commies in their level of thinking.

Very truly yours,
Clarence O. Byrnes

FLAGG NEWS

The Flagg H. D. Club met with Mrs. Andy Thompson Wednesday. Glove making was to have been the demonstration, we will do that the first meeting in September.

Lovely refreshments were served to 15 members and a visitor, Mrs. Bednorz.

Mr. and Mrs. Buck Ross and Mr. and Mrs. Clements of Littlefield, the Sheffys and Geo. Bradfords were guests of the Andy Thompsons Saturday evening.

Mr. and Mrs. Lynn Smith attended the Wagon wedding Sunday at the Muleshoe Church of Christ.

Mrs. Gatewood of Hereford and Rugeene Black of Quail visited last week with their daughter and aunt, Mrs. Jess Birchfield and family. They also attended the bridal shower for Mrs. Leon Birchfield in Dimmitt.

Mrs. C. G. Ballard's sister from Bakersville, Calif. is visiting the Ballard family this week.

Mrs. Clyde Dawson is visiting with her brother, Rev. Ray Stephens and Mrs. Stephens. The Stephens are the parents of a new boy.

Pat Burnum of Dimmitt spent last week with Blanche Ballard.

Mrs. Wade English and children were in Hereford on business Tuesday.

Carolyn Scarbrough of Amarillo is visiting Tommie Sheffy this week.

Lelda Thompson is on a vacation trip thru Colorado and New Mexico this week. She went with Morton relatives.

J. H. Taylor of Sulphur Springs is visiting his daughter and Mrs. Joe Stephens and Joe.

Mrs. Linnie Roberts of Post is visiting her son, Lynn and Mrs. Smith this week.

Mr. and Mrs. Clint Cox of Clayton visited the Brad Fulfers and attended the Saturday Celebration.

Mr. and Mrs. Boone Kilgore and children of Roscoe visited her father, Mark Cowsert; sister, Mrs. Harold Gladman and brother, Jack Cowsert.

Mr. and Mrs. L. F. Sheffy of

Canyon visited Mrs. Pearl Sheffy, Mr. and Mrs. Ted Sheffy and Mr. and Mrs. John Merritt on Sunday.

Rev. Florence, a Dimmitt pastor of 30 years ago, attended the Round-up Saturday.

Brian McDonal of Canyon and the Kerrs were in town Saturday. They are former Hardware dealers here.

The Hart Schools has acquired Hazel Hawkins Davidson, wife of Supt. R. W. Davidson, as teacher in piano, violin, theory and eurhythmics.

Mrs. Davidson has been one of Plainview's foremost teachers for several years, prominent in community musical development, active in Music Teachers Association and critic for its community concerts. She served as adjudicator at the South Pains Festival this past year.

Texas Composers Programs throughout the state have featured some of her vocal compositions while the premiere of several piano compositions was given in Dallas Concert with good acclaim. Both Art Publication and G. Schirru of N. Y. have published her compositions.

Besides regular private lessons, Mrs. Davidson will offer group piano lessons to adults. This method is being increasingly used with singular results throughout the country.

Pre-school children are given outstanding and original work (or play, to them) which develops a sound musical foundation, artistic feeling and creative ability.

Mr. and Mrs. Edgar Ramey left Wednesday for Miles City, Mont., to visit Mr. and Mrs. N. O. Douglas and will also visit Yellowstone National Park.

Rev. and Mrs. B. W. Brashear and daughter returned home Friday from a week's vacation at Ruidoso, New Mexico.

Father may be the head of the house, but mother gets a lot of the headaches.

Hart Baptist Pastor Gets Degree From OU

NORMAN, Okla., Aug. 16 — Theodore Faldo Boushy, pastor of the Hart Baptist church, has been awarded the doctor of philosophy degree by the University of Oklahoma. The degree was conferred August 7 at summer commencement exercises.

Dr. Boushy's work at the university included studies of American history; modern European history; ancient and medieval history, English history, sociology and historiography. Subject of his doctor's dissertation is "The Historical Development of the Domestic Relations Court".

A native of Kfermechki, Lebanon, Dr. Boushy's educational training has been varied. He graduated from the Jamaica, N. Y. evening high school in 1937 and four years later was awarded the bachelor of arts degree in English from Oklahoma Baptist University, Shawnee, Okla.

The following year Dr. Boushy earned a master of arts degree from OU in 1942. He also holds a bachelor of divinity degree from Southern Baptist Theological Seminary, Louisville, Ky.

At one time Dr. Boushy was employed as a chain store manager in Brooklyn, N. Y. He has been a salesman in Rio de Janeiro, Sao Paul, New York City and Detroit. For two years he was employed in clerical and technical work for Queens General hospital at Jamaica, N. Y.

Other positions include inspector, U. S. Armed Forces, with the Quartermaster Depot at Jeffersonville, Ind.; instructor in history and English, Allen Academy at Bryan, Texas; associate professor of history at Mercer University, Macon, Ga., and Wayland College, Plainview, Texas.

Dr. Boushy is listed among "Who's Who in the Southwest", a supplement of "Who's Who in America".

Prison walls are not built to scale.

Hughes Circle

The Hughes Circle of the Baptist W. M. U. met Monday, August 14, with Mrs. R. V. McMahon, Sr., for our monthly Bible Study.

Mother Alldredge led our prayer.

Mrs. W. T. Gollehon taught our Bible study.

Mrs. John Broadstreet led our closing prayer.

Lovely refreshments were served the following ladies, Mesdames John Broadstreet, Mother Alldredge, Jim Hays, W. T. Gollehon, Clem Maples, Dick Great-house, Will Wright and the hostess, Mrs. R. V. McMahon, Sr.

Jessie Glass Circle

The Jessie Glass Circle of the First Baptist Church met Monday in the home of Mrs. Percy Shepard with Mrs. Edwin Ramey presiding.

The meeting was opened with prayer by Mrs. Earl Landtroop. The Bible lesson, taken from Proverbs through Salomon, was ably taught by Mrs. R. B. Strother. After a prayer by Mrs. Ramey, lovely refreshments were served to Mesdames Strother, Ramey, Landtroop, E. T. Walthall, Dave Shepard, A. T. Kirby, W. M. Howell, Raymond Hance, Ina Hackleman, R. L. Beavers, Sam

Cooper, and a visitor, Mrs. Effie Jacobs, and the hostess, also to Kent Hance and Mac Strother.

BETHEL NEWS

Mr. and Mrs. Kay Roberts spent Monday and Tuesday in Amarillo with her sister, Mrs. Jinks and other relatives.

Mrs. Harry Rothwell was in Hereford Wednesday afternoon. Mr. and Mrs. J. T. McLain of Floydada and Mr. and Mrs. Roy Tyler and Bettie Jean and Johnny of Amarillo and Miss Lula Williams of Shamrock, visited in the J. C. Williams home Thursday and Friday.

Mr. and Mrs. Jim Givan and

Mary were in Amarillo Wednesday on business.

Mrs. E. R. Rothwell, Julie and Terry Rothwell and Mike Bates of Plainview were visiting the Harry Rothwells Thursday evening.

Mr. and Mrs. J. A. Bagwell, Jr., and sister, Latrelle, of Amistad, N. M., spent the week end visiting relatives and attending the picnic Saturday.

Mr. and Mrs. Jim Givan and Mary made a business trip to Lubbock Thursday.

Mr. C. A. Cryer of Borger spent Friday night with his sister and family, Mr. and Mrs. Harry Rothwell and Marlene, and saw many old friends at the picnic Saturday.

Walter Cox had the painful accident of sustaining a broken leg Saturday afternoon while driving in the milk cows on a horse. He is spending a few days in the Plains Memorial Hospital.

Carolyn and Sue Bagwell and Latrelle Bagwell of Amistad, N. M., spent Friday night in the home of Nelda Jean Bagwell, then all the girls had an enjoyable visit with Carolyn and Sue Saturday night.

Several families of the community enjoyed an outing in the park in Clovis Friday afternoon and evening and especially the picnic lunch before returning home.

Mrs. Brewer and Mrs. Homer Terrell of Tulia enjoyed reuniting with old friends and neighbors Saturday at the picnic.

Mrs. E. R. Rothwell, Junior, Rothwell, Mrs. Harry Rothwell and Mr. and Mrs. Virgil Howell of Muleshoe attended the funeral services of Mr. J. W. Kennedy of Rotan, Monday morning. Mr. Kennedy was a brother-in-law and uncle of the family.

Mrs. Kay Roberts, Mrs. Harry Rothwell and Mrs. Vern Lust attended a business meeting of the Womans Society of Christian at Mrs. J. C. Williams, Thursday afternoon.

Mr. and Mrs. Virgil Nowell of Muleshoe spent Sunday night with Mr. and Mrs. Harry Rothwell.

Woman Society of Christian Service met Tuesday afternoon with Mrs. James Bradford, Mrs. Sid Sheffy, Mrs. Earl Lust and Mrs. J. C. Williams bringing a very interesting lesson. Those present were Mrs. Sid Sheffy, Cecil Ginn, Vern Lust, Melvin Settle, Kay Roberts, Harry Rothwell, Earl Lust, J. C. Williams and the hostess, Mrs. James Bradford.

On August 29th, we are to attend the zone meeting at Tulia from 9:15 to 12:15. All officers especially are urged to be present.

Salvation Army To Again Provide Red Shield Services

DALLAS, Aug. 16. The Salvation Army in Texas is alerted to the needs of the war emergency, and is organizing in every Texas city and town where it operates to provide its familiar Red Shield services for the men and women of the armed forces. Lt. Col. John A. Morrison, Texas divisional commander, announced today.

The Salvation Army already is financing and operating a number of Red Shield clubs throughout the country which formerly were under the direction of United Service Organizations (USO).

"These centers will be increased as the need of the military personnel demands," The Salvation Army Commander announced.

Colonel Morrison said that some thought has already been given by the Salvation Army to a national campaign to raise money for the servicemen's clubs, either through Community Chests or as an independent campaign.

"This will not be necessary," he said, "if USO is reactivated." He pointed out that USO is still a legal corporation and can be reactivated by the President, if and when the need arises. In that event, the Salvation Army would transfer the interim services which it is now mapping into the USO of which it is an integral part.

We suppose the adman's child starts its rayer with "Give us this day our daily Honeycrust, Even-Baked, Whole-Wheat Bread."

Lilley Family Holds Reunion at Lampasas

In honor of Mary Lilley's birthday, Sunday, August 13, the Lilley families all went to the C. E. Lilley ranch near Lampasas where he and his wife had caught and prepared enough fish for the 67 present. Beside the fish he had barbecued a beef and a goat. Each family brought sweets and drinks. Joe and Lorene Lilley brought a load of watermelons from their farm near Cross Plains, which were enjoyed during the afternoon. The picnic grounds and creek were a beautiful place. The five living brothers were all present.

Those enjoying the occasion were: Mr. and Mrs. John Lilley, Mary Lilley, Hart, Texas; Kenneth and Willie Mae Lilley, Lampasas; Raymond, Gay, Gailya and Donnie Lilley, Dimmitt; Roy, Mozelle, Dean and Sharon Lilley, Hart; F. D. Este Mae and Rita Kay Rogers, Big Spring; S. W. and Dora Lilley, Baird; Ray and Mary Louise Lilley, Lampasas; Eldon, Oma, Frankie Lee, Tommie Ann, and Twila Lilley, Dimmitt; Charnel, Dauskola, Charles, Jimmie, Velda, Bonnie, Herbert, and Patricia Lilley, Abernathy; Hester Hull and grandson; Charles Barron, Jr., San Antonio; Johnnie B. Vaudine and Gary Lilley, Hart; S. E. Jr., Lydia

Maye, Marilyn and Samuel E. III, Coleman, Plainview; J. C. Josephine, and Mary Helen Lilley, Hart; Joe and Lorena Lilley, Nimrod, Hubert, Alene, Barbara Jean, Mavis and Freddie Lilley, Hart; Virgil, Agatha, Wilma Faye, Edgar, Patsy, and Linda Sue Lilley, Lampasas.

O. P., Wynette and Glenda Sue, Precise, Knickerbocker, Jobeth Sarver, and Linda Kay Mills, Tola, Kansas.

The host and hostess, C. E. and Elva Lilley and granddaughter, Janice Lilley, a visitor, Raymond Lewis.

Garnett F. Holland Returns to Active Duty

Garnett F. Holland, son of Mrs. Faye E. Holland here, reported to Brooks Air Force Base in San Antonio last week to be processed to active military duty. He is an Air Reserve Lieutenant.

Holland is the first Air Reservist to be recalled to duty from here, and the first to be processed at the Brooks Center, under a recent Air Force plan to bring its regular units up to full strength.

Lt. Holland will remain in the Processing Center at Brooks approximately 48 hours. Just long enough to be assigned to a regular Air Force unit after his records are checked.

Holland was a Glider Pilot during World War II, and partici-

pated in three Airborne invasions. He is married to the former Miss Pauline Patterson, daughter of Mr. and Mrs. C. E. Patterson.

Mr. and Mrs. Carthel Celebrated Recent 25th Anniversary

HEREFORD, Texas, July 30—Mr. and Mrs. Wayne Carthel celebrated their twenty-fifth wedding anniversary Sunday, July 30 in the home of Mr. and Mrs. Bill Carthel. Mr. and Mrs. Wayne Carthel live in Eads, Colorado. They were formerly of Dimmitt. A dinner and open house was held. Those attending were Mr. and Mrs. Irving Graham, Judy and Mike of Plainview; Mr. and Emmett Tierce of Lockney; Mrs. Taylor Golden, Lockney; Mr. and Mrs. Oscar Golden, Kay and Larry of Aiken; Mr. and Mrs. J. R. Belt, Ann, Steve and Carolyn of

Lockney; Mrs. Woody George, Linda George, Dimmitt; Mrs. Mary Byrd of Dawn; Mrs. H. V. McCabe of Dawn; Mr. and Mrs. J. M. Carthel of Lockney; Mr. and Mrs. Ray Cole of Happy; L. J. Carthel of Lockney; Mr. and Mrs. Fred Carthel, Mike, Linda, and Robert of Lockney; Mr. and Mrs. Raymond Barr of Aiken; Mr. and Mrs. E. Ramey of Hereford; Mr. B. R. Carthel of Lockney; Mr. and Mrs. Ireland of Hereford; Mr. and Mrs. Floyd Tomlinson, Nancy Kay, Mary Jo of Canyon; Mr. Richmond Hale of Amarillo and Mrs. Gladys Mobley, Dimmitt; Mr. and Mrs. McLain and Ronnie of Eads, Colorado, and Mr. and Mrs. I. H. Pickens, David and Joy from Plainview.

Breathes there a man who does not think more of what he is about to say, than of what has been said to him.

Last Reunion Held In Towash Valley Aug. 6

By Clyde Head
Cleburn Times-Review Reporter

Ed. Note: Following is a story from the Cleburn, Texas, Times-Review of the reunion of the old residents of the Towash Valley in Central Texas, which was submerged by the Brazos River, and which later will be formed into a lake, causing all occupants to abandon. Among the descendants of the settlers of Towash Valley was John Simmons of Dimmitt.

Simpson Dyer straightened his aching back, lifted his hat from his head and mopped his brow with a soiled bandana.

As Dyer stood there in the late evening shadows of Towash Valley, he surveyed the results of his recent labor and was well pleased. The first church in Hill County was nearing completion. This was 96 years ago. Yesterday (August 6) 125 members of the Hill-Dyer family, descents of the pioneer, gathered at the little church on the Brazos River for the last time. The site of the church will soon be submerged under waters of Whitney Lake.

The reunion Sunday was the 14th annual get-together of the Hill-Dyer association, formed to keep alive the many traditions of the early settlers of Hill County. The remark commonly heard, as cousins, uncles, aunts, sons and brothers greeted one another yesterday was, "Well, I guess this will be the last time we will meet here."

Always, the words were followed by a significant pause.

Simpson Dyer was aided in his labors of building the church by his son and a Negro slave boy. The one-story structure, of native stone and mortar, is well preserved. Old church benches, which have seen many years of continuous service, were used as serving tables for quantities of delicious food served to the 150 Hill-Dyers, in the 96-year-old building Sunday.

The old-timers marvelled at the change which has come over their beloved Towash Valley in the last few months. Except for a little old church, every building has been moved from Towash, an area of several hundred acres. Ancient trees, pecan, oak, cottonwood and others, have been cleared from the valley, Virgin timbers and old landmarks have been removed to prepare the valley for the lake waters.

The little church will be moved soon. Just where, nobody knows. The old-timers cannot visualize the edifice anywhere but Towash, so the decision of a new location is difficult.

Many tales of bygone happenings were spun by those who gathered at the old townsite. Tales almost unbelievable, but verified by many of the pioneers. J. J. Biffle, 81, who lived in site of old Towash church most of his life, told one of these tales.

The oldtimer, according to the story, was riding his favorite horse down through a river bottom when a stranger approached him and asked if he would sell the horse. Biffle said the animal wasn't for sale, that he enjoyed riding him. The man offered 100 acres of rich bottom land for the mount. Biffle had all the land he wanted. Today the land is worth

more than \$200 per acre.

Towash Mill, now almost covered by the rising waters of the Brazos River, was the first mill west of the Mississippi. The mill furnished flour and meal for settlers as far away as Galveston and Old Mexico. The mill products were freighted overland by ox cart and shipped by water to Mexico and other points.

Negro slaves in those days engaged in a unique sport when the mill pond was drained at regular intervals. Huge yellow catfish from the Brazos River would feed upon the grain dropped into the mill pond. During the cleaning process, when the waters receded, the Negro slaves would jump into the pond and wrestle with the fish. This went on until the fish were subdued. Cleaning the mill pond always called for a fish fry, which was enjoyed by one and all, inhabitants of the oldest settled community in Hill County.

Members of the Hill-Dyer families, most of them in new autos, left a veil of dust in the valley when they disbanded yesterday. As the dust lifted, the figure of a man mounted on a "hoss I like to ride" jogged down a nearby country lane and faded into the shadows of Towash Valley—and the past.

be on the program along with trick riding and roping, jumping and ribbon roping.

In addition to the fast-moving rodeo, there will be a full-scale barbecue that will be free to everyone attending the show. Charlie Lowe, well-known barbecue chef, will be in charge of the feed.

The entire rodeo will be put on by the boys themselves and they are being coached and trained by Bill Baker of Kansas City, who was chosen the best all-around cowboy at the Ranch last year.

Everyone is invited to attend the Sixth Annual Rodeo and Barbecue on Sunday, September 3rd, and the boys hope to see all of their friends there.

They thought he was so kind to send his wife away for a rest, until he said, "Goodness knows I needed it."

Mr. and Mrs. C. L. Patton returned home recently from a five weeks visit with relatives at Vernon and Wichita Falls. They also visited in Fort Worth.

Drainage Project Completed Monday By Local Contractor

According to City officials here Wednesday work was completed Monday, August 14 on six dips at the ends of pavement on 8, 9, 10, eleventh, and twelfth streets with the last dip being placed behind the McDermitt residence on thirteenth street, at the city limits. Cost of construction for the dips was \$1,345.50, the price bid by Tom Webb of Dimmitt.

Need for the dips arose shortly after the recent paving program in Dimmitt was completed. Water washing down the ditch at the pavements ends on the streets caused mud-filled gulleys there. Protests and actual need caused the city to have the dips constructed.

Little remains to be done to the project, except wait for a complete setting to the concrete and filling in around the dips. The dips are 25 by 42 feet and construction took about one week.

Emette Alexander To Head Statewide "Scratch Dallas" Drive

A "scratch Dallas" campaign in the Aug. 25 run-off election has been organized on a statewide basis, Emmette Alexander of Marble Falls announced today.

Alexander, a businessman and civic leader who is sparking the drive, described it as an effort to decentralize the power held by Dallas County in state government and to strengthen representation of other areas in the government.

He noted that four out of five run-offs in the election have candidates from Dallas County.

The "scratch Dallas" drive will be conducted through advertising, news releases, word-of-mouth and personal letters, Alexander said.

Sports Afield

by Ted Kesting

I have discovered an angler, and a famous author to boot, who unblushingly admits he is a bait fisherman, and gets a bang out of it. He is none other than Edison Marshall who wrote "Benjamin Blake" and "Yankee Pasha." Marshall writes so:

"If you can't drop a plug or fly in a silk hat don't be ashamed of chunking a live minnow or frog into the great open spaces of a pond! The widely current belief that it is not sport or sporting to fish with bait is one of the most curious myths that ever came into being. True, the more lenient of the sports czars tolerate casting bait for pan fish, but black bass never!

"The real truth is, bait fishing beats plug and fly casting all to hollow in catching giant bass. According to my taste, live-bait fishing for black bass is the acme of fresh-water angling, mainly because of the long breath-taking interval between the disappearance of the cork and the beginning battle. Something is going to happen, but you don't know what.

"Chunking bait is not lazy fishing. While it does not furnish the exercise demanded by fly or plug casting, it should satisfy most fishermen of around 50, and all fishermen who like brief rests

when they can watch the clouds, varied wonderful goings on of the shadows in the water, and pond. To get to see these, and to contemplate them, is a bonus that live-bait fishing pays far beyond that paid by more energetic fishing.

"I have discovered that the shiner is far and away the best minnow for bass. My lines are 15-lb. test. Not for me are flimsy threads of two-lb. test to break unless I handle my fish like a basket of eggs. My corks are not more than 18 inches from good, strong bass hooks. I use no sinkers.

"According to scoffers of our ancient art, belly-hooking is the bait fisherman's favorite pastime. They forget that if, in the act of swallowing, the fish feels the merest scratch of the hook, he is going to upchuck fast. A belly-hooked fish is, by and large, the sign of an inept bait fisherman—one who waits too long to strike and hence loses most of his real chances. The fisherman who hopes to boat most of the bass that take his bait knows he must strike as when the hook is inside the fish's lips, not a split second sooner, no later. I know of no sport that demands more skilled timing."

CARD OF THANKS
Mr. and Mrs. Edwin Ramey will attend the annual meeting of the Western Cowpunchers Association seven miles north of Amarillo, August 24. The meeting is an annual get-together of old cowpunchers of the Panhandle. Others attending the reunion will be Homer Bartlett, Elmo Parks, J. W. Jordan and possibly others. Mr. and Mrs. Ramey will have Miss Laura V. Hamner as their guest for the occasion.

THE SHAFER ONEWAY PLOW

Plows Deeper As It Pulls Easier

Check These Features ---

- Timken Roller Bearing throughout. Protected from dirt and dust with permanent seals.
- 26" disc blades, high alloy steel.
- 4" concavity discs.
- Made in the following sizes: 4ft., 6 ft., 8 ft., 12 ft., 14ft., and 18 ft.
- No rear or side levers. Raise disc out of ground with a screw system. A 10-year old child can easily raise a 14 ft. plow.
- All electric welded frame. Made from drill stem strongest pipe for weight there is.
- Can be converted to hydraulic or electric lift in place of screw.
- Easily set to plow all kinds of ground.
- Easy to set for any cut within plow range.
- Lubricated disc and wheel bearing but once a season.
- Plows any depth from 0" to 10".
- Easily adjustable for road travel.

DIMMITT IMPLEMENT CO.

1950 Fair Catalog Goes to Press

The Castro County Fair catalogue is now in the hands of the printers and will be sent to farm families in the County in the near future. So that preparations may be made by those who plan to enter the fair with exhibits the following departments will be featured at this year's fair.

Community Exhibits: The community exhibits will consist of 15 products grown in the community including corn, cotton, grains, vegetables and fruits.

Educational Exhibits: The educational exhibits will include an exhibit by any educational group in the county. Subject of the exhibit will be given preference in order in which entries are made.

Livestock Exhibits: Classes have been arranged for Jerseys, Herefords, Milking Shorthorns, Guerneys and Quarterhorses. These will be similar to last year.

Other Livestock Exhibits. The Castro County Fair is anxious to have on exhibit any livestock not mentioned above.

Labor Saving Devices: Farmers are urged to enter any Labor Saving Devices in the fair they have found useful to them and that might be used by other farmers.

Individual Farm Products: This exhibit will include any products grown in the county. These should be prepared as the season advances.

Womens Division: The womens division will include canned goods, baked goods, and sewing.

Flower Show: The Dimmitt Garden Club will again sponsor the flower show and all classes will be listed in the catalogue.

More information will be given in later issues of the News. Entries in most divisions are due in the County Agent's office by September 1st.

Plans Announced For Fair Fashion Show And Queen Contest

Plans have been completed by the Castro County Fair Queen committee, for the staging of the annual queen contest. According to Ray Bearden, chairman of the queen committee, the queen contest will be held in connection with a fashion show Monday night, September 4, in the high school auditorium, and that the Queen of the Fair will be selected on the usual points of beauty, poise, talent and personality. To qualify beauties of the county

Dimmitt Red Raiders And Farwell Will Battle For Fourth Place in League

must not be younger than 15 years nor older than 20. Any firm, individual or organization may sponsor a candidate for the coveted honor.

The various clothing establishments of Dimmitt are cooperating in the program, and various articles of clothing will be modeled.

Other entertaining features will possibly be secured to be presented in connection with the Fashion Parade and Queen Contest. A small admission charge will be made.

Mrs. Alice Hale Announces Dates for Kindergarten Classes

Mrs. Alice Hale announced this week that her Kindergarten classes will start exactly one week after the public schools begin in September. According to Mrs. Hale, Kindergarten classes help pre-school-age children to respond better to group activities, and they are already prepared to begin school, because they will already have the elementary courses, such as being able to draw, or print, letters and form a few words plus their own names. The school also helps children who were just barely too young to start to school with

The Dimmitt Red Raiders will meet Farwell in a double-header here Sunday to decide who gets fourth place in the West-Texas-New Mexico Amateur League. The game will be on the local diamond Sunday afternoon at 2:30 o'clock. All Dimmitt baseball enthusiasts are urged to attend.

their friends.

Mrs. Hale reported that she held successful Kindergarten classes last school year but, would like to have a larger class to work with, because children who do not attend Kindergarten are at a disadvantage when they start to school if most of the other children have already learned the foundation lessons; Mrs. Hale urges that you enroll

your child in Kindergarten before the last week in August, so he or she will not be at a disadvantage when started in the first grade. Mrs. Hale also stated that she was interested in tutoring all Dimmitt's School's first grade class for next year, if possible, so as to raise the standard of learning in the new grade school system.

Elsewhere in this issue of the News is a formal announcement, in display form, of Mrs. Hale's Kindergarten classes, where sufficient data can be obtained for enrollment of students.

Vote for WALTER ROGERS in the August 26 Primary

(Paid Ad by Castro County Friends of Walter Rogers)

Miss Wanda Mills Becomes Bride Of Andy Behrends in Church Ceremony

Miss Wanda Jeanette Mills, daughter of Mr. and Mrs. John A. Mills of Snyder, became the bride of Andrew S. Behrends, son of Mr. and Mrs. Andrew L. Behrends of Dimmitt, Thursday night at 8:30 o'clock in a double ring ceremony at St. John's Methodist church. Dayton Keese officiated. Accompanied by Gerre Hancock organist, Miss Jean Ann Gillum sang "Oh Promise Me," "Rosary," "Ah Sweet Mystery of Life," "Because," "One Rose," and "Violets," the bride's club song.

Mrs. Andrew S. Behrends

The bride, given in marriage by her father, wore a dress of white skinner satin styled with a fitted bodice and an illusion neckline holding clusters of seed pearls. Seed pearls lined the low cut waist around to the bustle back which fell into a chennel length train and a hoop skirt. A tiara of seed pearls caught a fingertip veil of imported silk illusion. The bride's bouquet was an arrangement of fleur de amour centered with a white orchid, carried on a

white Bible, which was the gift of Las Vivarachas club. Mrs. William Slack of Stillwater, Okla., attended the bride as matron of honor. Bridesmaids were Miss Eva Johnson of Jacksboro, Mrs. Frang Walters, both former roommates of the bride,

Mrs. Albert Stewart of Tyler, Miss Mary Lou Davenport and Miss Connie Jean McMulland, both of Snyder.

Serving his brother as best man was Bill Behrends of Dimmitt. Ushers were Delmar Hartley, Joe Harrison, David Behrends, Kenneth Cobb and Eddie Behrends, all of Dimmitt.

The matron of honor wore a dress of chartreuse taffeta, with a fitted top and Elizabethan collar. Her heart shaped hat and mitts matched. Yellow asters were on the hat and made up her bouquet. The dresses of the bridesmaids were identical to the matron of honor in colors of blue, peach, aqua, yellow and orchid. Each wore hats and mitts to match with aster bouquets and buds on the hats. Hoops under the skirt made them stand out.

Mary Behrends of Dimmitt and Joy Story of Hereford, were flower girls. They wore dresses of pink and aqua taffeta. Each carried a basket of rose petals trimmed with lace to match her dress.

The aisle was lined with white tapers and satin ribbons. White silk aisle cord led to the altar forming an archway covered with white gladioli and tropical foliage. Baskets of white gladioli were in the background with white tapers interspersed with tropical ferns and palms.

The reception was held in the church reception room. The parents of the bride and bridegroom and members of the wedding party assisted in receiving.

A four tiered wedding cake with wedding bells topped by a bride and bridegroom was at one end of the table.

After a wedding trip to Estes Park, Colo., the couple will be at home at 2710-B Forty-sixth. For traveling the bride wore a navy lace dress with long sleeves. She wore navy and white accessories.

The bride attended Abilene Christian College and Tech, where she is a member of Las Vivarachas, and Phi Gamma Nu. The bridegroom also attends Tech, where he is a member of Los Camaradas.

Wedding guests were from Tulsa, Okla., Stillwater, Okla., Nowata, Okla., Snyder, Dimmitt and Hereford.

Mrs. Bill Wood and Mr. and Mrs. Cecil R. Jones.

Mr. and Mrs. Sam Swopes and Truman are vacationing in Colorado this week.

Mrs. T. U. Smith spent the last of the week in Erick, Okla., where she visited friends.

Mr. and Mrs. W. T. Sanders and girls and Mr. and Mrs. Chas. Sanders spent Wednesday thru Saturday in Norman, Okla., as guests of the T. C. Ray family.

Mr. and Mrs. Donas Carter and three daughters of Farmington, New Mexico, spent Sunday night in the home of her aunt, Mr. and Mrs. Tom Ray. They were enroute home from New York City.

Dr. and Mrs. Davis and daughter from Dallas and Levelland spent Sunday and Sunday night in the home of their sister, Mr. and Mrs. Ed Harris. On Monday, Mrs. Harris went with them to Levelland for a day's visit in the home of her parents.

Mr. and Mrs. Roy Pyeatt and children spent Sunday in Lockney visiting the Carthell family.

Mr. and Mrs. Cearely of Lubbock and Mr. Pearson of Lorenzo were business visitors in the W. A. Hawkins home on Thursday.

Mrs. Carter of Goodnight who is an aunt of Mrs. H. E. Loman is here for a visit in the Loman home.

Mr. and Mrs. Miles Cox of Stephenville were here to attend the funeral of Mrs. C. B. Bostick and to visit his brother and her sister, Mr. and Mrs. T. B. Cox. For the week end the two families and Mr. and Mrs. Claude N. Cox went to Santa Rosa to the home of the gentlemen's parents for a Cox reunion.

Mr. and Mrs. M. L. Aven, Dudley and Melvin left on Monday for a visit in Colorado and nearby states.

Hart was shocked and grieved to learn of the sudden death of the son of Mr. and Mrs. Floyd Reynolds in Dimmitt. Mr. Reynolds was post master here several years.

Miss Patsi Monk spent the week end with her parents, Mr. and Mrs. Ollie Monk.

Mrs. Roy Cluck and Miss Billie Cluck were among the guests at a luncheon at Longchamps in Amarillo on Friday. Mrs. Floyd Tomlinson of Canyon gave the luncheon to honor her daughter, Mary Jo and her wedding party. The wedding will take place August 18th in Canyon.

Mrs. Cox of Hereford visited her old friend, Mrs. R. T. Kendrick, in the Kendrick home on Friday.

Mrs. Robin Vann, Co. H. D. Agent, was in Hart on Monday.

Mr. and Mrs. R. G. Henderson, Sr., were happy to have all their daughters home for the day on Sunday.

Stanley Wakefield of Phoenix, Arizona, spent the first of the week visiting in the home of his uncle, W. D. Wakefield and family.

Hart lost a base ball game to Vigo Park on Sunday with a score of 10 to 2.

Mr. and Mrs. M. M. Smitherman, Patsi, Toni and Rue were in Canyon and the Palo Duro Park on Sunday to attend a reunion of the Cummins family.

Mr. and Mrs. West of Portales visited in the home of Mr. and Mrs. M. F. McRee on Sunday.

Many farmers have started irrigation wells this week as row crops are beginning to need rain again.

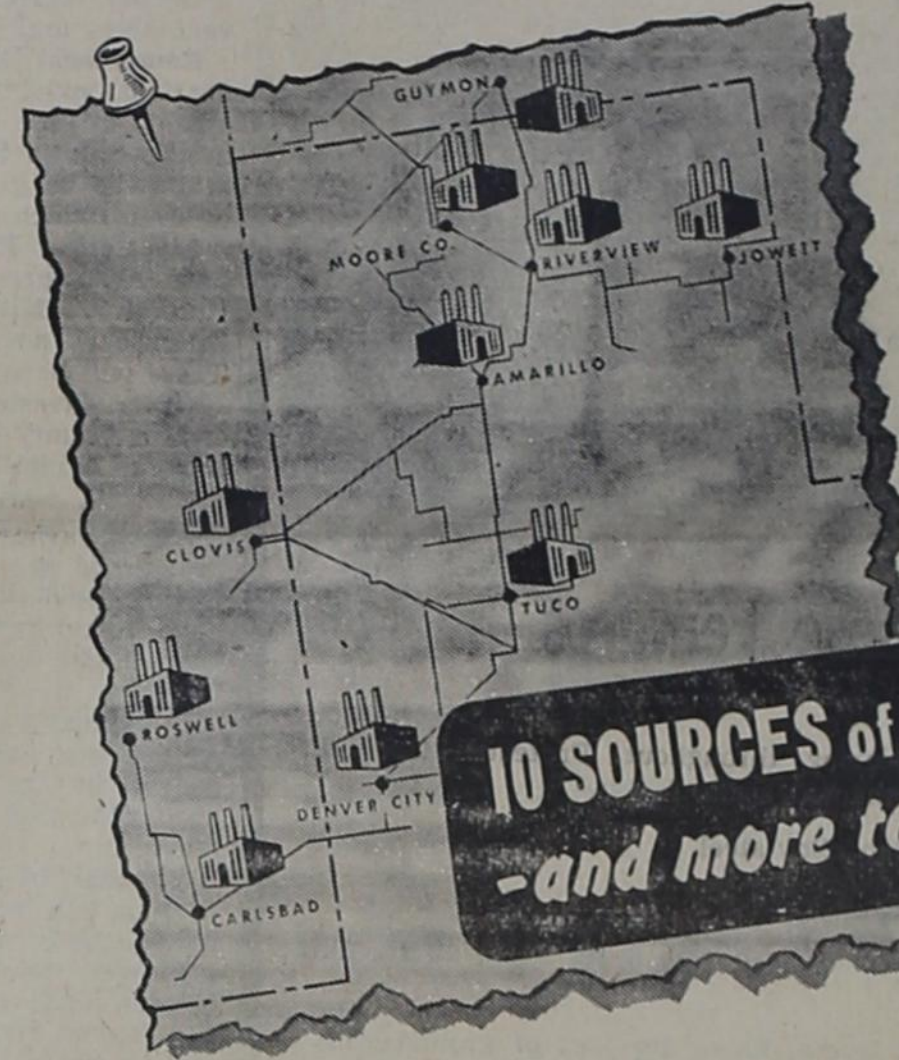

Mr. and Mrs. Ernest Davis and children have returned from a fishing trip to Oklahoma.

High weeds and Johnson grass at road intersections caused the collision of two automobiles driven by Mrs. W. R. Reid and Mrs.

Glen Maples on Thursday afternoon. No one was seriously injured but the cars were damaged badly. We believe that county commissioners should attend to these corners.

If crookedness and thievery continue, the life insurance companies had beter be selling fire insurance policies to some people, 'cause they'll sure need 'em where they are going.

10 SOURCES of POWER
-and more to come!

10 base load power plants are operated by your Public Service Company to meet your needs for dependable, low-cost electric service. These 10 power plants are strategically placed approximately 100 miles apart.

These 10 great power plants are tied together by a 2700-mile network of transmission lines. The heart of our system—a 115,000-volt transmission line—makes electric power generated at our Riverview plant available at Carlsbad, New Mexico, if needed.

To further assure you a continuous and economical supply of electricity, your Public Service Company has provided a central load-dispatching center which allocates generation to each plant for most economical operation. In this manner the local area plant is still able to meet increased demand for electric service within its own area when necessary.

To meet your growing needs for electric power, important 1950 plant expansions will be made at Amarillo and Moore County, and a new unit has already gone on the line at Roswell. Yes, your Public Service Company is on the job keeping ahead of the rapid growth of the Panhandle-Plains-Pecos Valley-Eastern New Mexico area.

State Health Officer Stresses Sanitation

In addition to the general instructions for community sanitation which are important in preventing poliomyelitis, Dr. Geo. W. Cox, State Health Officer, today issued an urgent warning to every individual in Texas to practice strict personal hygiene to protect his own health and that of those about him.

"Of course, cleanliness and personal hygiene are ordinarily taken for granted, Dr. Cox said,

"but at this time with the incidence of poliomyelitis having reached a total of 1395 cases, I would like to re-emphasize some personal sanitary measures which may help in preventing the spread of this crippling and often fatal disease."

The State Health Officer stressed the importance of scrupulous cleanliness of the person. Frequent bathing and immaculately clean clothing are vitally necessary. Oral hygiene with thorough brushing of the teeth and the use of a mild antiseptic are recommended. The nasal passages should be kept clean and dental defects corrected immediately.

Sanitation and thorough cleanliness in the home are instinctive with the average housewife, but at this time their importance to health must be re-emphasized. Home sanitation includes those taken-for-granted measures as washing the dishes in hot soapy water and rinsing them in hot clear water; keeping sinks, bathtubs and fixtures scoured clean and rinsed with a mild antiseptic solution; sunning and airing bed clothes, ridding the home of flies, rats and roaches which, since poliomyelitis is believed to be a filth-borne disease, are suspected as being responsible for transmission.

"If good personal hygiene is combined with good community sanitation and hygiene, it is hard for any disease to get a foothold," Dr. Cox said. "With such a dread disease as poliomyelitis prevalent in the state, no precaution should be overlooked and no bars should be left down for its entrance."

Meade F. Griffin Polls Majority of Votes In Hale County

Friends of Judge Meade F. Griffin in the 64th Judicial District, in which he served and practiced law for more than a quarter of a century, are eager to see West Texans turn out in large numbers August 26 and give him a typically enthusiastic West Texas boost.

His homefolks in Hale County gave him 4,234 votes to 256 for his three opponents in the first primary. His margin in surrounding counties was almost as great. He had a substantial statewide lead over his nearest opponent.

Since the first primary, the Dallas Morning News, published where Judge Griffin's lone remaining opponent lives, has endorsed Judge Griffin on the basis of his qualification for office. Even before that endorsement in

Fascinating Fashions By *Judy Seaton*

June is the month that rhymes with honeymoon — traditional for brides and weddings. Any girl who is planning a June bridal will want to give thoughtful consideration to simple good grooming and beauty

Pert little Teri Keane has her mind on her own wedding plans; Teri, who plays the lead on the NBC daytime drama, "Life Can Be Beautiful," recently became engaged to handsome John Larkin, also a radio actor. Although she is constantly involved in a hectic schedule of broadcasts and rehearsals, Teri has some sound ideas about beauty preparations.

Teri Keane

hints. Then, when the great day comes, she can float down the aisle, serene and lovely, and confident that she looks her best on this great occasion.

Hair is the feminine crowning glory, and a June bride will make sure that her hair is gleaming and becomingly arranged. The soft blonde locks of pretty Rosemary Rice, featured player in the CBS popular television drama, "Mama," illustrate a classic bob becoming to almost everyone.

"Don't try anything new or elaborate in the way of a coiffure, just before an important occasion," she cautions, "A soft permanent at least a month ahead of time, a shampoo and a simple hairset a few days before will be better."

Rosemary Rice

Dallas Judge Griffin received in the first primary 11,707 votes to his opponent's 13,659. Over 80% of the Dallas lawyers endorsed Griffin, and about 7% endorsed his present opponent, prior to the first primary.

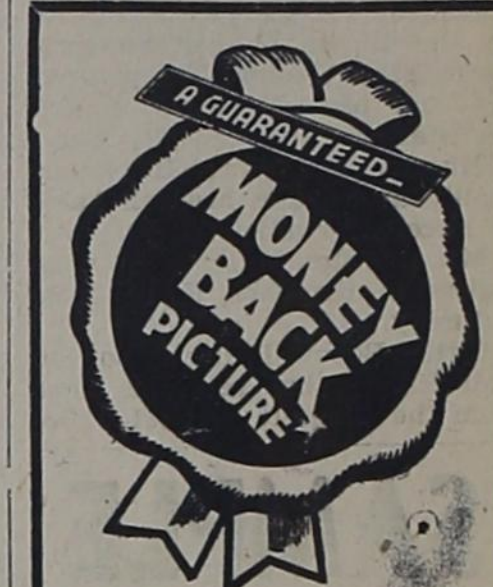

He was the choice of the greatest number of Texans in the first primary.

Griffin served in both World Wars, is 56 years of age, and except when with the colors has been engaged in active law practice for 25 years.

Griffin seeks his first elective term. Since he accepted appointment by the late Governor Jester, gave up a fine law practice, and has satisfactorily filled the

Texas Game, Fish and Oyster Commission Announces New Bag Limits and Seasons

AUSTIN, TEXAS—The Texas Game, Fish and Oyster Commission recommended a straight 45-day waterfowl shooting season beginning November 10. An earlier request for a zoning season to benefit Panhandle counties has been placed before the Federal Fish and Wildlife Service as has also a proposed bag limit of eight ducks per day and eight in possession instead of the four ducks and four in possession allowed last fall.

The Commission authorized a nine-day antelope season west of the Pecos to be patterned after the 1948 special season in which 702 permits were issued to bag male antelope. The number of 1950 permits to be issued has not yet been determined.

Game and fish seasons for the newly created regulatory authority in the new twenty-eight county Panhandle area also were approved. They call for a deer and turkey season from November 17 to November 26 for all Panhandle counties excepting Armstrong, Randall and Briscoe. The limit will be one buck deer and two turkey gobblers for each hunter. The three counties were exempted because of recent restocking activities by the Game Department.

The Commission approved a whitening dove season for September 15, 17, and 19 beginning at 4 p. m. and lasting until sunset with a limit of ten birds a day and ten in possession. The Commissioners voted for a statewide dove season of 45 days, beginning October 20 and lasting until December 3 in the south zone and beginning September 1 and running through October 15 in the north zone, with a bag limit of ten and a possession limit of ten.

The Panhandle area was granted a quail season from December 1 to January 16, which are the same dates as the general state law, but the bag limits for the new regulatory area was cut from 36 per week to 20 per week in possession at any one time. The Commission abandoned plans in the Panhandle because of insufficient data and a policy of "playing safe" until more information on these species could be obtained.

For the regulatory area west of the Pecos, the Commission authorized a deer season and quail season similar to 1949. In this area, El Paso and Terrell counties were eliminated from the antelope shooting regulations.

The statewide deer and turkey season as well as the quail season are set by law and are not affected by the latest commission action. Deer and turkey seasons for the state at large run from November 16 through December 31, inclusive, with a limit per hunter of 2 buck deer and 3 gobblers. The quail season is from December 1 to January 16, inclusive, with a bag limit of 12 per day and a possession limit of 36 per week.

The Commission, after a lengthy hearing, authorized an increase in the quota of commercial fishing boat licenses from 1550 to 2325. It also approved experimental studies in connection with authorizing issuance of licenses for 14 additional menhaden seines, to be used until September 1.

Other action concerning the new Panhandle regulatory area include: squirrel season, May 1 to July 1 and from October 1 to December 31, with a bag limit of 5 per day and a possession limit of 5; trapping season on furbearing animals, December 1 through January except muskrat, which will be December 1 to December 28; limiting crappie bag to 15 per day and 30 in possession and similar provisions for channel cat, with black bass limited to 6 per day and 12 in possession, and no bag limit for sunfish, perch, bream, blue cats and mud cats; restricting each fisherman to one trotline of not more than 20 hooks and an aggregate of not more than 20 hooks of all kinds for each fisherman; limiting a fisherman to possession of 200 minnows and putting a 20-foot limit on minnow seines.

The Panhandle regulatory comprises these counties: Randall, Potter, Oldham, Gray, Rberts, Hemphill, Motley, Cottle, Dallam, Hartley, Childress, Hollingsworth, Sherman, Hansford, Moore, Wheeler, Donley, Hall, Hutchins-

Now Is The Time For Pre-school Medical Exams

AUSTIN, August 16. Parents, has your child had a physical examination this summer? Next month he will be starting school, and if he is in good health he will have a happier, more profitable year. It's up to YOU to give HIM a healthful send-off, says Dr. Geo. W. Cox, State Health Officer.

You can judge a man by his foes as well as by his friends.

take him to the family dentist. Teeth are mighty important, and decayed ones often cause a heap of trouble. They may start infection in other parts of the body. Strong, healthy teeth add attractiveness to appearance and personality. Help your child to grow up with good teeth... see that he has a dental examination twice a year.

Sometimes children need glasses and their parents don't realize it. An examination by an eye specialist is important. A child who needs glasses, if taken to an eye physician now, will have time to get used to them before school starts.

When children are grouped to-

gether in a classroom, they expose each other to communicable diseases. Has your child been immunized against diphtheria and smallpox? Does he know he should use only his own drinking glass? Does he know he should avoid boys and girls who are victims of colds? Do you keep your child at home when he shows signs of a cold?

Plenty of exercise and recreation, the right kinds of foods daily, and 12 hours of sleep a night, are necessary for a child of elementary school age.

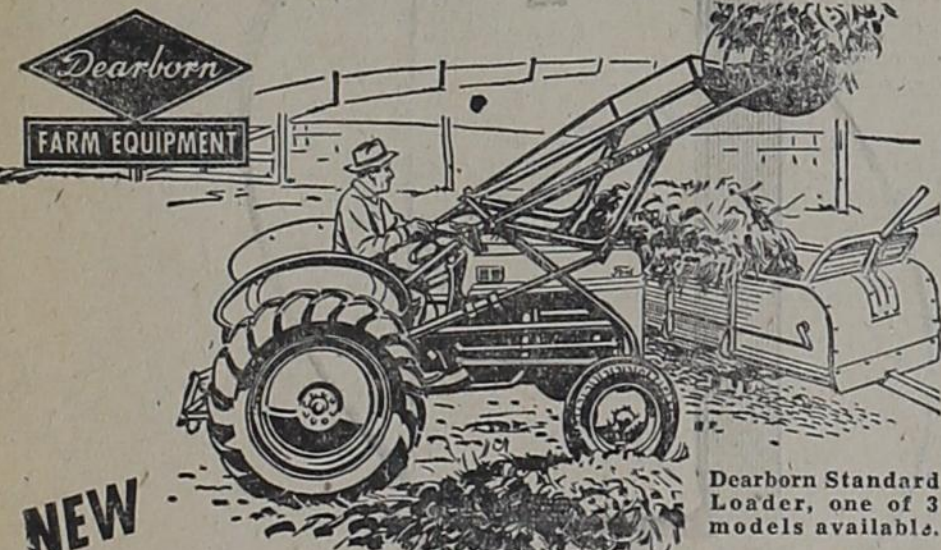

Get your child an appointment for a check-up today... the first day of school is not far away!

HOUSE-WARMING

Mr. and Mrs. J. C. Williams were surprised Sunday afternoon by a house warming. A delicious six o'clock dinner was spread. Those coming for the occasion were Misses Josie and Alice Williams, Plainview; Mr. and Mrs. Paul Williams, Neale and Paul, Jr., of Toccoa Falls, Ga.; Mr. and Mrs. Carl Williams and Joe, Hale Center; Mr. and Mrs. Steese Williams and Ella Marie; Mr. and Mrs. Glenn Williams, Beverly and Jerry Glenn, Hereford; Mr. and Mrs. Vernon Williams and Sheila Kay; Mr. and Mrs. Herman Lane and Mrs. Jimmy Adams.

NEW DEARBORN LOADERS FOR THE FORD TRACTOR

Save Your Back and Muscles— SAVE MONEY TOO!

No matter which of 3 models you select you will be doing your back and arms a big favor... handles dozens of jobs, all materials! You get "a lot of loader" for a low price because all models have the same basic frame, lift arms and ram cylinders. Any model can be attached to the Ford Tractor in 30 minutes or less; detaches even faster. Material bucket, manure fork or crane attachment for all models. (Priced and sold separately.)

STANDARD LOADER (Illustrated)—Lifts 750 lbs. with Ford Tractor Hydraulic Touch Control. Dumped by convenient mechanical lever. Kits available convert this model to either of other two models.

HEAVY DUTY LOADER—Lifts 1000 lbs. by its own hydraulic pump; leaves tractor's hydraulic mechanism free for operating blade, scoop, etc. Kit converts it to model described at right.

HEAVY DUTY LOADER WITH HYDRAULIC BUCKET CONTROL—Bucket can be hydraulically held in any position, dumped or partially dumped when raised or lowered. Handy when digging into material for "right" angle of attack.

about dimmitt..

(Continued from page 1)

casual listener or acquaintance. I, for one, am very happy that she accepted the invitation to visit Dimmitt and address the old settlers. She has announced that Dimmitt will be her subject Sunday on her "Light and Hitch" radio program. Don't miss it. The three rodeo performances sponsored by the Dimmitt Rodeo Association were good. Everybody did their part to make the celebration a success. I doubt if there is another town anywhere that has as many civic minded willing workers as Dimmitt in proportion to population. Everybody deserves loads of thanks from the Chamber of Commerce and other sponsors of the affair. This celebration will be one of the highlights annually during the coming years. Everybody should support the organization, don't wait to be called on, offer your services whenever you think they are needed.

The usual tranquility in the seat of government of the County of Castro was suddenly disrupted Tuesday afternoon when Mrs. J. F. Easter rushed into the A. C. A. office and in a breathless manner reported snakes in her library. Mrs. Easter is librarian for the County Library located in the basement of the courthouse, the A. C. A. office is also located in or on the sub-floor of the courthouse at the opposite end of the building from the library. Horace Blagg, A. C. A. Secretary, on government time and accompanied by his visitor, Edd Wilson, Jr., dashed down the hall to the library and without any outward signs of fear attacked the eighteen inch snake with whatever weapons were handy. The reptile was dispatched in short order according to a modest report by Blagg, and Mrs. Easter apprehensively returned to her quarters. The episode, however, was not completed. The discovery of nineteen baby snakes just outside the basement windows again disturbed the courthouse family and the trusty Blagg and Wilson were again called upon to protect the less energetic inhabitants of the county property. Might be that the snakes were here for the old settlers reunion and were still hunting a place to register.

Thank you City of Dimmitt for fixing the ends of the pavement on the north side of town. It is little old services like this that make the taxpayers happy. The concrete dips should turn the trick. We were just getting a little tired of dragging our exhaust pipes when we went out to Ayers Studio.

Note to Raymond King and John McFarland—Trust that you have made all the arrangements necessary for our comfort on the Colorado Farm Tour. We'd like a nice comfortable bed each night, and prearranged eating places, if either one of you will come by we will give you a list of our favorite foods. Also like to know what type of clothing to take. Will we need rubber boots in the irrigated areas, or will we just barge in in our oxfords and depend on the water draining out through the few small holes in the soles? Shall we take our own cigars or do you furnish them? Should we just take the shirt we are wearing or should we borrow a spare? We would like a little briefing about the trip. Should we leave the impression we are from Texas or should we be polite while in Colorado? This is going to be a new experience for many of us especially the farmers in the group who will get a glimpse of the type of agriculture that requires a little work.

Castro County farmers are a hard lot to satisfy. They wanted rain and the rains came. The weeds began to grow and it looked like there was some work in the offing and they turned in orders to stop the rain. Now they are tired of working and want more rain so they can go fishing with a clear conscience. These weather orders on short notice are sometimes hard to handle but we will do our best. Crops are beginning to need some moisture, the situation is not critical at all but some rain is needed.

The whiskers are gone with the wind. Personally we are proud to have a slick shave again, however the beard didn't cause too much discomfort. Several mysteries about the place were cleared up when we shaved. A number of small articles, believed to have been lost or stolen, were recovered when the beard was clipped. Just goes to show that you shouldn't be too hasty about blaming other people.

Miss Hamner says that Old Settlers Homecoming Day in Dimmitt was perfect and that nothing could have been done that would have improved the celebration.

Dimmitt and Castro County civic leaders have a full calendar for the next few weeks. The agricultural tour next week. Opening of school September 4th. The County Fair September 7, 8, and 9th. And there will be formal openings of business firms during September that will merit the assistance and cooperation of everyone during the first part of

Homecoming Well Attended Is Termed Complete Success

the month. That's the way we like it, it denotes a healthy business condition.

People from down state are complaining about the hot weather. Why don't we advertise our wonderful Plains section as a summer resort.

A contest to select a Queen for the County Fair is being planned. A novel idea is being kicked around as soon as the kinks are worked out the plan will be put in motion. The method of selecting a Queen will not only produce a reigning beauty will afford loads of entertainment to the people of the area. Might be that a Style Show or Fashion parade will be staged in connection with the event. Models will be decked out in everything that has been devised to make the lassies of the land more beautiful and refreshing. Who's idea? Burket's of course.

The agricultural potential of Castro County has hardly been touched. If through agricultural tours, local experiments, taking advantage of research, and a continual search for better farming and stock raising practices the latent resources of the county can be developed then the small efforts we make now will be small indeed in comparison to the service rendered not only to the present generation but others to follow.

Preliminary work is being done on the effort to secure a more efficient rural mail service for Castro County. More about this later.

CARD OF THANKS

We wish to take this means of publicly expressing our heartfelt thanks to our many kind friends for the numerous expressions of sympathy and condolence tendered us during the illness and following the death of our dear mother, Mrs. R. B. Fincher. Your kindnesses shall never be forgotten.

Mr. and Mrs. C. A. Wood
Mr. and Mrs. Buddy Calhoun
Sgt. Edward Calhoun

The 1950 edition of the Castro County Old Settlers Homecoming became history with the final event of the rodeo Sunday afternoon but marked the revival of an annual celebration which was discontinued in 1938. The entire three-day program was declared by many to be one of the most outstanding celebrations ever staged in this area. Beginning Friday night with a full dress rodeo program, sponsored by the Dimmitt Rodeo Association, the three-day celebration was climaxed Saturday with an elaborate parade skillfully arranged under the supervision of Slim Hargrove, Dero Cates, Nolan Froehner and Roy Bell followed by a free barbecue served to the large crowd of Homecoming visitors at the noon hour. An estimated sixteen to eighteen hundred people enjoyed the barbecue dinner. The 456 old settlers, who registered earlier in the morning, were served from a special serving booth arranged in their honor in one of the quonset buildings at the Fair Grounds.

The outstanding feature of the formal program, or of any program ever conducted in Dimmitt, was the talk given by Miss Laura V. Hamner. Spiced with humor, the talk by Miss Hamner recalled to the minds of many old timers definite occurrences of yesteryear throughout the Panhandle and especially in Castro County. A noted Panhandle historian and radio commentator, Miss Hamner is a pioneer Panhandle school teacher having taught in one of the earliest schools in the Panhandle located on the banks of Frio Draw. The large assembly of old timers and youngsters listened with undivided attention to the amusing remarks and stories of pioneer life in the Panhandle as recounted by the venerable lady who says that "The Panhandle is the Grandest Spot on Earth."

Rev. Earl Landtroop, pastor of the Dimmitt Baptist Church, conducted a memorial service to open the program, and eulogized the pioneers who have passed on and commended the ones present for a job well done and expressed the appreciation of the younger people for the heritage that has been theirs to enjoy.

Mr. Percy Estes and Mr. Kenneth Turner, both early day settlers and present residents of Castro County, made the large gathering feel at home with warm welcome addresses that resembled strongly the old western phrase, "Welcome neighbor, light and hitch."

Election of officers for the permanent Homecoming organization was conducted by Mr. Edwin (Goose) Ramey. Kenneth Turner was chosen to head the organization as president. Mr. Percy Estes was elected vice-president; Mrs. Velma Gunnels, secretary-treasurer; and Mrs. Edwin Ramey, corresponding secretary.

Joe Cowen, president of the Castro County Chamber of Commerce served as general chairman of the current celebration. Special recognition was given to the following Castro County pioneers for the reasons mentioned: Oldest man present, Mr. J. H. Henderson, 91, Hart; oldest women present, Mrs. W. B. Beach, 89, Hereford; living the greatest distance from Dimmitt, Mr. George O'Brian, Miles City, Montana; and Mrs. Geo. Willis, California; oldest married couple, Mr. and Mrs. W. S. Dixon, 61 years; longest continuous resident of Castro County, Mrs. Jennie Carter Tate, 62 years.

Mr. Bert Estes, engineer on first train to arrive in Dimmitt on July 28, 1928, gave a brief account of that memorial occasion in the development of the county. Mr. Estes is now a resident of Plainview.

The J. E. Turner family probably established a precedent for homecomings in this area at the reunion by being 100 percent in attendance. There is one of the pioneer families of Castro County consisting of eleven children; eight girls and three boys, the youngest of which is 49 years of age. With the exception of one the entire family was on the old

settlers float.

Following a well-attended rodeo Saturday afternoon the large crowd was entertained late in the afternoon with water polo by the Dimmitt Fire Department and an old time square dance Saturday night.

Tech Directors Award Building Contracts

LUBBOCK, Aug. 16—An Agricultural Engineering building and Greenhouse for the Texas Technological College campus has been approved by the Board of Directors and contracts totaling over \$400,000 have been awarded, Chairman Charles C. Thompson, Colorado City, said today.

The Agricultural Engineering building contract went to the R. F. Ball Construction Company of Houston, and totaled \$354,436. Contract for the Greenhouse, not to exceed \$84,000, went to the Lord and Durnham Company of Irvington, New York.

Thompson said the board also approved the architect's preliminary sketches of the Student Union building, which is expected to cost over \$500,000. However, no date was set for the awarding of the Union building construction contract.

tion contract.

Awarding of the contracts brought the total of Tech's construction program now in progress or contracted for to well over \$4,000,000. The Ball Company is now building the Science and Engineering buildings and the Home Economics addition and Music hall. Other work in progress includes additions to the Administration building and Petroleum Engineering building.

The next board meeting will be held here on Sept. 23 as a joint meeting with the Texas Tech Foundation board of directors.

Some would rather speak ill of themselves than not to speak of themselves at all.
