

West Texas—Fair this afternoon, tonight and Thursday. No important temperature changes.

SEEN OR HEARD

Everything is in high gear with the Ranger Chamber of Commerce. Much work and time must go into the planning and preparation of a banquet for the number of people that is expected to want to attend and hear Governor Allen Shivers speak.

There is no doubt that the governor will be able to deliver an informative address upon the subject which he chooses to speak. Having become governor of the state is recommendation enough for his speaking ability.

This will long be an occasion to be remembered here, in that a town as small as Ranger is able to offer the governor of its state as speaker at a Chamber of Commerce banquet.

Much credit should go to Chamber President Dr. C. W. Harris and the group of workers from the chamber and the city who went with them to boost state aid for paving a portion of Highway 80 in town. It was at this meeting Governor Shivers was secured as the banquet speaker.

And one or two persons we have talked to that were along on the trip to Austin have credited Dr. Harris' persistence in getting in contact with the governor, although he was at home sick, and in getting him to come to town here March 4 as the guest of the Chamber of Commerce.

The town will probably be graced with more well known persons from this area than could be gathered together for any other occasion of that type in this vicinity.

Activity of the chamber here is on the increase. With the recent membership driving bringing in more members, who in turn lend their financial support to the group to enable it to expand its work.

Everybody likes to see a smile. You can put one back on Blood Drive Chairman Jess Cole's face if you will fill in one of the donor cards and help fill the 500 pint goal set as Ranger's quota when the bloodmobile visits here on March 4-5.

For those of you that have to do strenuous work during your working hours, a change of time was secured for the first day of the taking of blood in order that you might give and then go straight home and rest. Tuesday, March 4 the unit will start its operation at one o'clock in the afternoon and continue until seven that evening.

Let's see if we can't do right by those guys in Korea fighting a seemingly endless war against Communism. Regardless of whose fault that conflict is, far be it from anyone to make those three fighting suffer due to some personal feeling you may have toward our governmental policies.

Fill that donor card in on page one of the Times and give it to the Chamber of Commerce so you can be among the ones doing your bit.

In case some of you are squeamish about such matters as this, rest assured that it is entirely painless, has no ill effects, and there will be in attendance at the time you give your blood doctors to see that nothing goes wrong.

Will we see you at the Bloodmobile?

Texas Glovers Losing Bout

CHICAGO, Feb. 27 (UP)—Texas contended in the 25th Annual Golden Gloves Championship Tournament made weak showings and only one Texas boxer remained here tonight.

Four heavy contenders eliminated in first round bouts. In a 16 night event James Fowler, Abilene welterweight, against whom Junior Franklin of Oklahoma City scored a technical knockout; Roy Harris, Bismarck middleweight, decided by Sam Williams of Los Angeles, Calif.; Leo Meyers, light heavyweight from Wichita Falls, knocked out in the second round by Benjamin Lewis, Indianapolis, Ind.; and Campbell Woodman, Wichita Falls heavyweight, decided by Del Nohors, Kansas City.

PROUD PARENTS—Archie Van Winkle, Marine Corps Medal of Honor winner, admires his new son born Sunday, February 24 in Everett, Wash. Mrs. Van Winkle proudly hung the hero's medal around the baby's neck in spite of a worried nurse who thought the medal should be sterilized. (NEA Telephoto).

Truce Teams Abandon Attempts To Settle Prisoner Repatriation

FANMUNJOM, Korea, Feb. 27 (UP)—United Nations and Communist staff officers today abandoned their attempt to break the deadlock over repatriation of war prisoners.

They decided to toss the issue back to the generals and admirals of the main armistice delegation after 21 days of futile debate.

The step followed a UN warning that the Allies never will agree to force Communist prisoners to return to North Korea against their will. The Reds have demanded the return of all prisoners, by force if necessary.

Staff officers also seemed on the verge of conferring failure to settle 150 other deadlocked issues—Russia's eligibility to sit on a neutral truce supervision commission and the right of the Reds to build airfields during an armistice.

The UN at the same time told the Communists that the Kije Internment Camp since Feb. 18, in which U. S. troops killed 76 civilian internees and lost one soldier, was gone of their hands.

"You must understand that this incident did not occur among the prisoners of war, but among the civilian internees, led by Communist agitators," the UN statement said.

"Therefore, the whole matter is an internal affair of the UN Command and no proper concern of yours."

There was a thaw in the spring-like air at Panmunjom, but it didn't penetrate the truce conference tents.

The staff officer debate over repatriation of prisoners finally ended with this statement by UN Col. James C. Murray.

"There is no possibility that our side will ever abandon the position that it will not deliver those persons to your side who must be forced to go there—every prisoner of war will be repatriated except those who—have to be forced across the line."

"It is no surprise that Dr. Yuzan attacked Tideland's position again or that he tried to tell the people of Texas how to vote in a Senate race. He has been against Texas for years and he is only the forerunner of Washington influence which will be thrown into Texas during the weeks ahead."

"I am surprised, and do regret, the implications of Senator Connally's remarks, and here they were not intended, because I have in my file letters from him complimenting my defense of the Texas as Tideland in both the Court and the Congress."

"Those who are for Texas in this fight must pull together and keep the support of other states in order to run our State Ownership legislation in the present Congress. I decline my cooperation to Senator Connally and all others who will now work for legislation which should have been passed long before we were ever here."

Those of you that have already made out donor cards and also those of you who have not are reminded of the sentence at the bottom requiring the information if you would permit your blood type and name to be registered in the central file that is planned.

This file would be used by you and other persons as an emergency reference in the event whole blood was needed by a person in one of our local hospitals, regardless who they may be.

It is believed that such a file would be invaluable in the event of a disaster in getting blood donors for persons in desperate need of blood.

Consider its value and then state whether or not you will allow your name and type go into the central file.

Consider its value and then state whether or not you will allow your name and type go into the central file.

Premier Wins First Round On Proposed French Budget

ASSEMBLY APPROVES MOTION OVER FINANCE COMMITTEE

PARIS, Feb. 27 (AP)—Radical Socialist Premier Edgar Faure won the first round today in his fight to push a record 29,628,000,000 1952 budget through the National Assembly.

The Assembly in a simple show of hands approved Faure's motion to consider immediately the government's budget over the opposition of the Assembly Finance Committee. One third of the budget is earmarked for defense.

The record-high budget already has topped one government. Premier Rene Pleven resigned Jan. 7 after his government lost the budget fight in the Assembly.

Faure was blocked in his attempt to put the 3,600,000,000,000 franc budget before the parliament last night. The assembly voted 243 to 172 to adjourn shortly after midnight until this morning.

The Assembly Finance Committee had refused to bring the program before Parliament because it objected to a 15 per cent tax increase proposed by Faure to balance the budget.

The Premier originally had proposed a tax increase of 10 per cent, before the Lisbon North Atlantic Treaty Council meeting, but boosted it to 15 per cent to help France meet defense commitments under the N.A.T.O. program.

TURKEY READY TO MAKE CONTRIBUTION TO EUROPEAN DEFENSE

United Press Staff Correspondent LISBON, Portugal, Feb. 27 (UP)—Turkish Foreign Minister Fikri Koprulu says Turkey is ready to make a bigger immediate contribution to western defense than any other European nation.

In an exclusive interview yesterday, Koprulu urged that immediate steps be taken to include this powerful force in Gen. Dwight D. Eisenhower's command.

"It is essential that this integration take place—without delay," Koprulu declared in advocating the widening of a southeastern flank to the North Atlantic Treaty Area.

Although he refused to give any specific figures, on Turkish military strength, a force which is estimated to include 20 good divisions, Koprulu said:

"Turkey's immediate military potential is at least as much as that of the European N.A.T.O. area with the largest actual contribution to the North Atlantic Treaty Area."

With Greece and Turkey now in N.A.T.O., he said that the integration of Yugoslavia (which has 26 divisions) into western defense would increase "her own security as well as that of N.A.T.O."

"The fact that Yugoslavia is now definitely among the western military democracies—as far as military and even economic affairs are concerned—is a very important factor for the security of the democratic front in the Balkans," he said.

He also argued that the Middle East command idea be realized.

"I do not think that in the actual circumstances we could consider the Middle East countries as opposing the Middle East command," Koprulu said.

The western powers have proposed an organization of Middle Eastern nations to cooperate in the defense of the region against aggression. However, Arab states have been cool to the idea so far.

Services were held at 8:00 p.m. Monday in Killingsworth Chapel for Thomas Earl Smith of Seminole, who died in a local hospital February 24.

Smith was born in Mansfield, May 25, 1904. He was a retired carpenter. Having lived in Ranger for a number of years before moving to West Texas in 1944. At the time of his death he was leaving a wife in Ranger, Mrs. E. E. Beaman.

Daniel States Tideland Blast Is Misleading

Complaining with requests from several representatives for comment on Tideland's statements made over the week end by Senator Connally and Drew Pearson, I have made the following statement:

"Recent Tideland statements of Drew Pearson and Senator Connally are misleading, to say the least."

"Both men have left the impression that Texas confused its own Tideland's Refinery with that of other states in the Supreme Court. This is not true."

"Texas' entire defense in the Supreme Court was based wholly upon the special contract of advertisement which the Court is now by a four to three vote. Our cooperation with other states has been limited solely to defense of the general claims of all the states in the California case and in Congressional action. Such cooperation is the only way we can win in Congress."

"The only people who confused Texas' refinery and special claims with the general claims of the other states were the Federal officials who sued Texas and the four Supreme Court justices, the appointments of whom were supported and approved by Senator Connally."

"It is no surprise that Drew Pearson attacked Tideland's position again or that he tried to tell the people of Texas how to vote in a Senate race. He has been against Texas for years and he is only the forerunner of Washington influence which will be thrown into Texas during the weeks ahead."

"I am surprised, and do regret, the implications of Senator Connally's remarks, and here they were not intended, because I have in my file letters from him complimenting my defense of the Texas as Tideland in both the Court and the Congress."

"Those who are for Texas in this fight must pull together and keep the support of other states in order to run our State Ownership legislation in the present Congress. I decline my cooperation to Senator Connally and all others who will now work for legislation which should have been passed long before we were ever here."

Jim Martin Be Buried Today; County Pioneer

JIM MARTIN, 76, for more than 50 years a citizen of Eastland county, but a resident of San Saba for less than a month, passed away at a San Saba hospital Monday afternoon at 4:30 p.m. Mr. Martin had been ill for only a few days.

Funeral services will be conducted at the Baptist church in Carbon at 2 p.m. this afternoon, with Pastor Thomas in charge. He will be assisted by Rev. Lee Riddle.

Survivors include his widow, the former B. Sue Saba, three sons, Butler of San Saba, Section of San Antonio and Leona of Sylvia, and daughter, Mrs. Beale Stange of Comanche; 5 brothers, Don Martin of Eastland, Walter of Cleveland, Edna of Gorman; 2 sisters, Mrs. O. T. Boynton of Denver, Colo., Mrs. Edna Holloway of Monroe, La., and Mrs. Maggie Cohen of Sanland, Calif. He is also survived by 3 grand children. Another sister, Mrs. Alma Murray, passed away in Eastland about one year ago.

Interment will take place in Carbon cemetery.

Ex-University Student Found Guilty Murder

AUSTIN, Feb. 27 (AP)—A 21-year-old student, found guilty of the murder of a 19-year-old woman, was sentenced to a five-year term in the state penitentiary.

The jury verdict came shortly after 10 a.m. The jury, composed mostly of engineers, state and county employees, received the case yesterday at 9:40 a.m.

The jurymen went last evening after that District Judge Charles O. Pettit, on an hour this morning, indicating the verdict was not a surprise.

Wallace, a former president of the University of Texas students, was charged with the slaying last Oct. 22 of Kinsey, operator of an Austin "pitch and putt" golf course.

In closing arguments last Tuesday, defense attorney F. L. Jackson said the prosecution had failed to make a case except by circumstantial evidence.

However, assistant district attorney Tom Blackwell told the jury 22 items which "linked Wallace with the murder."

The prosecution case was based entirely on circumstantial evidence. This death woman was never recovered, and the state did not get any money.

The 21-year-old man, after slaying Kinsey, fled the scene and hid in a nearby field.

Memorandum ordered the heavy 1000 lb. bomb from where it broke from the wing of the high speed, high altitude bomber, at 10:45 a.m.

The B-47 landed safely, despite a heavy landing, at Tulsa Douglas field.

It took the first of the long range jet bombers to be flown from the Boeing-Alberts plant at Wichita, Kan., in the recently opened Tulsa plant's modification assembly lines.

A former one 1/2 mile toward the field and Okmulgee County sheriff's deputies found the damaged engine.

An Air Force board of inquiry was called to examine the engine, Carroll Monday. Douglas plant superintendent, said today.

UN COMMAND DENIES RED CHARGE OF GERM WARFARE

TOKYO, Feb. 27 (UPI)—The United Nations Congress charged Communist propaganda agencies with spreading the charge of German warfare to cover up epidemics in North Korea.

TOKYO, Feb. 27 (UPI)—The United Nations Congress charged Communist propaganda agencies with spreading the charge of German warfare to cover up epidemics in North Korea.

UN Jets Down MIG; Quiet On Most Battlefield

4th ARMY HEADQUARTERS, Korea, Feb. 27 (AP)—American soldiers shot down one Communist MIG-15 jet fighter and damaged another today in an 87-plane dogfight over northeast Korea.

United Nations planes circled over the Communist homeland on a check mission again as they cleared, but only aerial activity was reported along the narrow 148-mile ground front.

Twenty-seven jets entered odds of more than two to one to enable an estimated 60 Communist MIGs near Sinuiju in MIG Alley.

Major V. E. Chandler, 615 Main (Army) Squadron, 2nd Cavalry, shot down one of the 27 Communist jets today—his third of the year. The damaged plane was credited to Capt. George W. Dancy, 2nd Squadron, 2nd Cavalry.

Chandler said the Sabres intercepted the MIGs while the enemy jets were heading northwest to reach the Yalu River Manchurian border.

"I picked out one and went after him," he said. "He rolled over and tried to dive away. I got him all over the MIG. He started to pull up, then rolled over, winged, and went straight in by a parachute."

The Sabres also exchanged firing passes with 60 more MIGs during the morning, but none, as a result of damage or destruction.

Other UN planes blew up three Communist rail dumps on rail ways in 50 places and destroyed one damaged a bridge, 72 railway cars, two fuel tanks, 24 supply buildings and an 11,000-gallon oil tank.

Engine Falls Out B-47 Stratojet Over Oklahoma

OKMULGEE, Okla., Feb. 27 (AP)—An engine which fell from a B-47 Stratojet bomber was found in a nearby field today, despite the arrival of Air Force search parties who will seek to determine why the jet unit plummeted to earth from the flying bomber.

The 2,500-pound engine smashed into the ground 20 miles southwest of here late yesterday, after shaking free of the aircraft shortly after Okmulgee.

Memorandum ordered the heavy 1000 lb. bomb from where it broke from the wing of the high speed, high altitude bomber, at 10:45 a.m.

The B-47 landed safely, despite a heavy landing, at Tulsa Douglas field.

It took the first of the long range jet bombers to be flown from the Boeing-Alberts plant at Wichita, Kan., in the recently opened Tulsa plant's modification assembly lines.

A former one 1/2 mile toward the field and Okmulgee County sheriff's deputies found the damaged engine.

An Air Force board of inquiry was called to examine the engine, Carroll Monday. Douglas plant superintendent, said today.

Pew Wow Held By Scout Heads

The monthly pew wow of Scout Executives met in the basement of the Eastland First Methodist Church Monday night for the purpose of formulating plans for future activities and to complete any old business that may have been overlooked.

Blair Vickers delivered an address that was well received. The speaker pointed out that Scouting does not duplicate any other movement where boys are concerned, but that Scout work is separate from all other organization. Even boys and girls are different, he pointed out.

The mode of training is unlike that of any other organization. Scout training is by the boy from childhood to adulthood, and usually does a pretty good job.

Executive Headmaster of Brownwood, assistant scout executive for this area, also made a good talk. He described the upcoming 5-year program.

Bill Jolley gave the group a first and final demonstration and when he completed most of his listeners were able to light their own fire when the time came.

Representatives from Ranger, Decaturville and Eastland were in attendance.

Walker Denied Change Of Venue

A plea for a change of venue by Herman Walker, through an attorney, was refused by Judge G. L. Devoport Monday before noon Tuesday, and Walker's attorney promptly gave notice of an appeal.

The case in question was a civil suit filed in the State of Texas at St. Herman Walker of St. in which Eastland county was suing Walker in an attempt to bring him a return certain sums, although he has been collected, but not accounted for, during the time he was employed to collect delinquent taxes in this county.

It will take some time to complete the case, as all the evidence will of necessity have to be transcribed. The next step, it now appears, will be to move the case up to the Court of Civil Appeals.

Evelyn Bigby, Glen Miller Wed In Ballinger Methodist Church

Evelyn Bigby became the bride of Glen Miller in a double ceremony performed at 7:30 p. m. Saturday in the First Methodist church in Ballinger.

The bride is the daughter of Mr. and Mrs. W. N. Bigby. The bridegroom is the son of Mrs. R. F. Miller of Eastland and the late Mr. Miller.

The Rev. C. J. Wooten, pastor, officiated at the rites before an altar banked with commode and palms. On either side were baskets of calla lilies and cathedral candelabra holding white tapers.

Traditional wedding music was given by Lucile Phillips of San Angelo. She accompanied Wyndell Siebert of Eastland who sang "Because" and "Yours."

Given in marriage by her father, the bride chose a gown of white satin and chastity lace designed with a scalloped yoke of lace and bodice of satin. Sleeves and ballerina skirt, with scalloped hemline, were of lace.

Her tiered finger veil of Illusion from Switzerland, was caught to a tira of shirred tulle embellished with pearlized stephanotis at each side. She carried a colonial bouquet of gardenias showered with stephanotis and ribbons.

Carolyn Bigby, the bride's sister, was her maid of honor. Matrons of honor were Mrs. Dave Gossett of San Angelo and Mrs. Hugh E. Conroy of Fort Worth. Miss Bigby wore yellow nylon net over taffeta and the matrons wore light blue nylon net and taffeta, ballerina length. The strapless bodices of the gowns were covered with matching stoles of net. They wore small off-the-face shirred hats of matching net. Miss Bigby's bouquet was of nine Dutch iris. Others carried bouquets of yellow iris.

Rebecca Bigby, sister of the bride, was flower girl. She wore a floor-length gown of yellow taffeta with scalloped hemline. Her hairdo was of blue and yellow daisies. She carried a basket of blue and yellow petal Johnny Bigby, brother of the flower girl, was ring bearer.

Larry Miller of Eastland served his brother as best man. Ushers were E. A. Jaska of Houston, brother-in-law of the bridegroom, and Robert Miller of Eastland, another brother of the bridegroom. Candlelighters were Thomas Dandy of Odessa and Lee Puckett of Abilene, both brothers-in-law of the bridegroom.

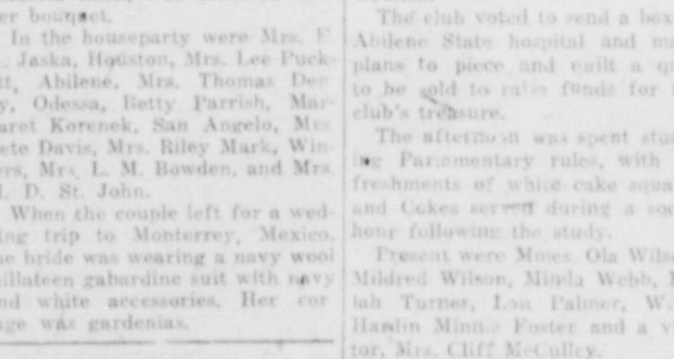

Mrs. Bigby wore a dress of orchid silk shantung with purple straw hat. Mrs. Miller, mother of the bridegroom, chose a purplish-nylon dress with black straw hat with white trimmings. Both wore white gladiolus corsages.

A reception was held at the Bigby home, which was decorated with blue and yellow floral arrangements.

The bride's table, overlaid with modern linen, was centered with her bouquet.

In the houseparty were Mrs. E. A. Jaska, Houston, Mrs. Lee Puckett, Abilene, Mrs. Thomas Dandy, Odessa, Betty Parrish, Margaret Korenek, San Angelo, Mrs. Pete Davis, Mrs. Riley Mark, Winters, Mr. L. M. Bowden, and Mrs. M. D. St. John.

When the couple left for a wedding trip to Monterey, Mexico, the bride was wearing a navy wool millstone gabardine suit with navy and white accessories. Her corsage was gardenias.

A Rhapsody In "Blues" Makes News; Pinks For '52... Brightly "Shocking" In Spring Colors

Blues is new—but it's a new kind! Brighter than navy is the newest star on the fashion horizon. It's bluing last year's navy, the lighter, brighter blue is seen in all fabrics—lyn, flannel, wool, to name a few. It is the happy foundation for Spring color—navy—navy—the same wearable good-any-time quality is apparent in the new blue as in the old navy. From light blue to Wedgwood—'to bring blues—'Pamack—the the family plays a leading color role this Spring.

To wear with the new blues, which pattern is the most dramatic choice.

Second choice for Spring? Beige, from light to tan. You'll see it toppers, greatcoats—as a background for prints—and especially as a constant companion for white.

Practical color vocabulary: "made-room" leather.

Bill good, still pretty is the No. 2 color, gray. In 1952 it is a steady, lightened gray, often combined with white for a "froxy" effect. Brief little jackets—ladylike, just, slim—containing sweaters and shirts—these are beautiful in frosted gray with all-point the look of delicate, feathery colors. Accessories may be "be-sometime", a ivory leather, or black or navy.

Gaining prominence are the froxy tones and white, which

Marking Time in the March of Time—

... is somewhat like fishing without luck—there's no thrill to it. But there is real thrill in moving forward, serving humbly and doing some one thing well. We never heard of an abstracter getting rich as such, but we have heard of those who have spent a life-time, as we have, building up life institutions that are assets to their communities. Yes, we get a thrill out of every order and a real joy in producing it into a quality product.

promises to be worth choice for color this Spring. Tweeds, worsted suitings and sherings all wear a "froxy" look. Perfect accompaniment for froxy tones; stark white. But the emphasis on the feminine this Spring makes white a "must" for the smartest wardrobes. In sheer blouses, coats, suits and cotton dresses, white is dainty, fresh looking and impeccable.

There's a new pink this year too. "Shocking" takes the place of pastel pink, mauve is good and a revived, replaces sharp red. Prudent combination for color: bright pink and mauve with the brighter-than-mauve blue.

Sixth place on the color chart: gold or yellow. Suits and coats favor yellow, often combined with light gray. Psychelettes and evening wear are beautiful in gold, particularly when the fabric is interwoven with metallic gold threads. Newest sweeping skirts for at-home wear are heavily accented with gold. Even some toppers and long-sleeved blouses lovely gold, startling black patent.

Lilac is in 1952 the trend is to mauve pink and violet, blue mauve. Cotton and silk, often iridescent, lend themselves to the mauve tones and are especially flattering to a bronzed skin. This color tone is very striking in psychelettes and headwear. Mauve is an excellent choice for the fragile blonde or the silver haired beauty.

Planning Meeting Tonight At 6:30

The officers and teachers of the Sunday school of the First Baptist Church will meet at 6:30 p.m. this evening for a covered dish supper.

Following the meal, the monthly planning meeting will be held and also the lesson for next Sunday taught by Mrs. Ralph Perkins.

Mr. Wilson Guest, Sunday school superintendent, urges the teachers to contact their class officers and have them present for this meeting.

The Intermediate Department is in charge of the table arrangements and serving and the meeting will be held in the Young People's Department.

G. O. Strong, Eucos Hopper and son, John, are spending today in Dublin.

Robert F. Quinn of Abilene visited with his parents Mr. and Mrs. H. L. Quinn, Sunday.

SOCIETY

Brotherhood To Sponsor Banquet

The Ladies Night Banquet will be held in the First Baptist Church on Monday evening, March 3, according to Len Risher, president of the Men's Brotherhood.

This banquet, sponsored by the Brotherhood of the church, will include all adults of the church and the members of the Men's Brotherhood, in other words, "Men bring your wives." All of the women of the church are invited to this banquet and program.

A special program of baby prepared by G. B. Rish will be program chairman, and there is the assurance of a splendid program for the evening.

According to Albert Essary, the program is not the most interesting thing on the agenda for the evening but, "turkey and all the trimmings" will be served. With the splendid program and wonderful food, a record attendance is predicted.

Dr. Marshall Jolly, membership vice president, is urging all the table captains to be on the job with an accurate record of the number attending from their groups.

Special music will be arranged for by Bill Ballock, educational director for the church. All in all, it will be an evening well spent for those who are fortunate enough to attend.

World Day Of Prayer Friday

The World Day of Prayer Service will be held in the First Methodist Church Friday, February 27, at 5 p.m.

Last year 100,000 Christians throughout the world were drawn together for the purpose of prayer.

The theme this year is "Christ Our Hope," with the Christian Women's Fellowship of the First Christian Church as center of the program.

Special music will be provided by the music department of the George Junior College. It is hoped that everyone make plans to attend the service.

Martha Dorcas Class To Meet

The Martha Dorcas Epistolary school class of the First Methodist Church will meet Thursday at 12:30 p.m. for a covered dish luncheon in the home of Mrs. H. C. Cyren, 327 S. Austin.

All members are urged to come and bring a covered dish.

Parents Receive Letter From Son

Mr. and Mrs. H. L. Quinn received a letter this week from their son Bill who is stationed at Ft. McKinley, Anchorage, Alaska, Air Force Base in Alaska.

He wrote that it had been very cold there but was some warmer. He was grateful for the nice box he received from the Ladies Auxiliary of the local Veterans of Foreign Wars. He was so pleased with the homemade candy and some more.

Bill had lived here all his life, attended school at Red Oak Park and High School before enlisting in the Air Force when he was seventeen years old. He has been in Alaska since September 2, but hopes to get to come home this August.

Executive Meet Held Tuesday

The Executive Committee of the Woman's Society of Christian Service met in the home of Mrs. Stanley McArdley, president at 10 a.m. Tuesday, February 25.

Reports were made out for the third quarter to be sent to the District President.

The promotional secretary, Mrs. Vernon Deffenbach and treasurer, Mrs. A. J. Ratliff, made checks on the members' pledges.

Announcement was made of the World Day of Prayer program for Friday, February 27, 5 p.m. The services of the First Christian Church will be in charge of the program, and a good attendance is expected.

Delicious refreshments were served to those attending.

"Repentance" To Be Discussed

The study on "Scriptural Teachings" will be continued tonight on the subject "Repentance." The series of lessons are part of the preparation of the Second Baptist church for the revival which will begin March 30. Dr. A. A. Brinn, Vice-President of Howard Payne College will be the preacher for the revival.

Mrs. Odell Hunt visited relatives in Austin City over the weekend.

Mrs. W. B. Crutcher and Fay accompanied her to Kellville where they visited in the home of Mrs. Crutcher's sister and husband, Mr. and Mrs. E. A. Carruth. They reported that they had lots of snow out that way.

CARD OF THANKS

The sisters of T. E. Smith take this means of expressing our sincere appreciation for the many thoughtful deeds and words of kindness shown during the illness and death of our beloved brother. Words cannot express our thanks. May God bless each of you.

Mrs. E. E. Beaman
Mrs. W. J. Peters
Mrs. U. L. Lancaster
Mrs. W. W. Mitchell
Mrs. J. E. Bradford

Mrs. Howard Elwood visited in Abilene Tuesday with her mother.

Band Banquet Thursday 7:30

The Annual Band Banquet sponsored by the Band Boosting Club for the band members and their guests will be held Thursday evening at 7:30 in the Fellowship Hall of the First Baptist Church.

The program will be a musical treat, and promises to be very entertaining.

New Shirt Styles Team Well With Spring Slacks

The shirt wardrobe for the "hot dress" category includes the wide collar shirt, suitable for wear with the slacks which have the open collar tab or round collar, good with bow tie and the new, eminently narrow tie which have been gained in popularity this year.

The sport shirt, which buttons down at the collar, is an essential buy as it can be worn with or without a tie and is huge with other Newcast action T-shirts are as well made and handsome. Many have become a must for every man who looks for both style and comfort.

Slacks are one of the most important parts of a man's wardrobe. They're handsome for office wear and appropriate for leisure and active sports, and definitely a prerequisite for vacation travel. The high-waisted, half-spread rials continue to rule. New details, such as off-center, back-flap pockets and oddball stitching merit your attention.

ITCH

The greatest low-priced car ever built!

The car that's made greater strides forward for '52 than any other in its class!

The most powerful low-priced car ever built!

110hp

107hp

Guess again... it's the '52 FORD!

You won't believe your eyes when you see the big, new '52 Ford! For never before has a low-priced car offered such power, such fine-car styling, such big-car comfort! You'll see such built-for-keeps advanced as Ford's new longer, stronger Coachcraft Bodies... its more powerful, high-compression V-8 and Six engines... and the many other features described at right.

Ford's 110-h.p. Strato-Star V-8 is the most powerful engine—the only V-8 offered in a low-priced car. Ford's 101-h.p. Mileage Maker Six is an all-new low-friction Powerhouse with new free-turning overhead valves and shorter piston stroke. Both engines feature the Automatic Power Pilot which gives you high-compression "go" with regular gas.

Full-Circle Visibility New curved one-piece windshield... new car-wide rear window... picture windows all around give you visibility "unlimited." A Ford exclusive in the low-price field.

Automatic Ride Control New wider front track, lower center of gravity, longer rear springs, new tapered-to-model front springs and diagonally mounted rear shock absorbers help take the bounce out of bumps, the tilt out of turns.

Coachcraft Bodies The newest, most advanced bodies in the low-price field... styled to stay beautiful and designed to stay young.

Fordomatic Drive Finest of all "automatics," Fordomatic gives you two drives in one! Torque-converter smoothness plus the get-up-and-go of automatic gears.

With select list available, and Fordomatic Drive optional at extra cost. Equipment, accessories and this subject to change without notice.
